## ANY BED

But *always* a STEARNS & FOSTER Mattress for comfort.

Few of us own really comfortable mattresses! Heavy mattresses of the best grade of hair are comfortable—for a time. But they are expensive, and costly remaking must be done from time to time to keep them in condition.

Low-priced hair mattresses are merely a compromise, and the truth about their contents, their uncleanness and dangers, would not make pleasant reading.

Tens of thousands have never slept on anything but a hair mattress—have never enjoyed the luxury of a Stearns & Foster.

And many more have used some cheap uncomfortable make-shift, because they did not know the *best* mattress of all was so inexpensive as to be within their reach.

If we could induce all these people to sleep on a Stearns & Foster Mattress for 60 nights—if we could induce them to try it that long, and enjoy its luxurious restfulness, its sleep-inducing comfort—they would never give it up, and never use any other kind.

#### Accident to Mokma's Dray.

The axle of the dray of Will Mokma was broken while moving some secondhand machinery from the Water Works station for A. B. Bosman. It was reported that the horses ran away and were seriously injured. The load was simply dumped into the road through the breaking of the axle.

The boy's appetite is often the source of amazement. If you would have such an appetite take Chamberlain's Tablets. They not only create a healthy appetite, but strengthen the stomach and enable it to do its work naturally. For sale by All Dealers.—Adv.

#### GAS COMPANY HAS PRIVATE RIGHT OF WAY OUT OF CITY TO ZEELAND

Stebbens Takes Place of Kuizenga On Police Board.

Alderman Dyke's Resignation Not Accepted

A great deal of the time was taken up by the council last evening in talking over a communication from the Gas Co., in regards to selling gas to Zeeland and to the people of Holland township along the route Blaine Gavett of G. R. is the holder of a franchise in the township of Holland and the city of Zeeland and has bought a private right of way to the plant at Holland. It is claimed that in this way Mr. Gavett can lay pipes into Holland as a consumer.

The communication is as follows: Holland, Mich., Nov. 5, 1913.

The Honorable, Mayor and Common Council of the City of Holland, Michigan.

Gentlemen:—

As it is the desire of this company to be perfectly fair with the city, and as there has evidently been some misunderstanding as to the company's attitude in other matters for instance with reference to main extensions, we deem it proper and duly fair to the citizens of Holland to lay the following matters before you for your consideration, so that there may be no misunderstanding now or at any future time.

As you are no doubt aware, this Company has an offer to sell gas to Blaine Gavett of Grand Rapids, who is holder of a franchise in the Township of Holland and the City of Zeeland. This Company has two propositions from Mr. Gavett; one is to deliver the gas to him at the City limits; the other is to deliver the gas to him at our plant. Mr. Gavett has secured a private right of way from the City limits to our plant, and now stands ready to run his gas main to us. However, we would much prefer to sell our gas to him at the city limits for the reason that this would enable us to supply a number of applicants in the city of Holland, and it would be a great help to our distribution system, equalizing our pressures, etc.

Should Mr. Gavett come to us over his private right of way, it would of course be impossible to furnish gas to any private consumer off this line of main, as this line would be the property of outside parties and not a part of the Holland City Gas Company's plant.

If the Council should see fit to grant us a permit to lay our gas main on Fairbanks Avenue, we would respectfully request prompt action in that regard, so that we may begin the work without delay. If the Council should not be favorable to this plan, it will, of

course, be necessary for us to sell gas to Mr. Gavett at our plant over his private right of way.

Yours very truly,

Holland City Gas Company, E. P. Davis Manager.

Another communication from the Gas Company stating the kind of pipe to be used is as follows: Holland Mich., October 24th 1913.

Mayor and Common Council of the City of Holland, Holland Mich. Gentlemen:—

We are in receipt of a communication from the City Clerk, advising us that at your meeting, held on the 15th inst., the Clerk was instructed to request our company to present plans of what it wishes to do under its petitions of August 6th and 20th for leave to lay extensions in Sixth, Ninth, Eleventh Streets and Fairbanks Avenue. We submit herewith a rough sketch showing these proposed extensions. Upon this sketch the existing pipes are shown in green, and the proposed extensions and services in red.

We call your attention to the fact that the petitions for these extensions are to supply applicants, Citizens of Holland, with gas and at the same time improve our pressure conditions in East Holland, and we take this opportunity to again assure you that the Holland City Gas Company has at all times been and is now ready to make any other extensions which shall come within the provisions of its Franchise.

The Company proposes to lay in the streets a 2-inch main, with service pipes of the usual size. These extensions will furnish service to seventeen residences, which are not now supplied with gas, and by connecting the dead ends of the mains now on Eighth, Ninth and Eleventh Streets, will improve the service to present patrons of the company on these streets.

Yours very truly, Holland City Gas Company. E. P. Davis Manager.

In the discussion that followed it seemed to be the attitude of the aldermen to let the Gas Company go ahead and do the things they claimed they could do but to not enter into any compromise with the company.

Alderman King stated that the residents near Fairbanks Avenue had petitioned for Gas because the men representing the Gas Company had told them their property would be more valuable if they had Gas connections. But to give the Gas Company the right to go to Fairbanks Avenue would be the same as giving them the right to go to Zeeland and so the aldermen were not in favor of doing this. Mayor Bosch seemed to strike the sentiment the aldermen held on the question when he said that the council had no right to enter a contract with the Gas Co., as the time would come when the city would not have to spend another dollar in fighting this company in the courts. By this he probably referred to a municipal plant some time in the future.

On motion of Alderman Dyke all such matters were referred to a committee of three to be appointed by the Mayor.

A petition from the Gas Company to lay service pipes to Conkie's factory Maple Christian Reformed church and to open the mains in two different places was granted by the council.

A lengthy communication was presented to the council signed by twenty three of the residents near Fairbanks Avenue calling the council's attention to the fact that the Gas Company has been requested to supply them with gas and asked why it was not done. It seems that these people resented the action of the council in not allowing the Gas Company to lay service pipes in Fairbanks Avenue. The petition is as follows:

Holland, Mich., Nov. 1, 1913.

To the Honorable, the Mayor and Common Council of the City of Holland:

We, the undersigned, residents of the city of Holland on Fairbanks Avenue and East Eleventh and East Ninth Streets, in the vicinity of Fairbanks Avenue, respectfully call to the attention of your Honorable Body that the Holland City Gas Company has been requested to supply us with gas, and that our petitions conform in every way to the gas franchise and should under the law be allowed the Gas Company.

The Holland City Gas Company informs us that it has requested the Council for permission to give the service that a number of us have asked in conformance with the franchise, and that while the Council has granted other similar petitions presented later than ours, for the giving of service to consumers in other parts of the city, it has refused the Gas Company the right to give us our services.

We respectfully call the attention of the Council to the fact that we, the undersigned, are all citizens of the city and taxpayers. We want gas badly and we have an opportunity to get it if the Council grants permission. We are reliably informed that the Gas Company's request is lawful and within its legal rights. We believe in fairness and we would like to know why the Council is holding us up.

We have heard that some of the

Aldermen have said that the reason for this, is, that the Gas Company wants to go to Zeeland, and that it is the desire of the Council to compel the Gas Company to live up to its franchise and give the city of Holland the extensions which it is legally entitled to before doing so.

We respectfully ask the Council if there is on record any instance in which the Holland City Gas Company has refused to grant extensions as provided in the franchise and in compliance with it? We know of no instance and believe there is none. Please look into this, and if we are asking for what is right and lawful, as we believe we are, kindly give it to us.

On motion of Alderman Congleton seconded by Van Drezer, this communication was submitted to an other committee of three to be appointed by the Mayor.

Appointment Weighing Master

Mr. Cappon of the Cappon, Berth Leather Co., was present at the meeting and requested that the council appoint a weighing master and assistant a weighing master to look after weighing of cars at the Tannery. A. Van Iwaarden at the suggestion of Mr. Cappon was appointed weighing master and Jerry Dykstra was appointed assistant weighing master. Mr. Cappon explained that a new scale for weighing car loads of goods had been installed at the Tannery and the weighing masters are needed to judge as to the correctness of the weight.

22nd Street Grading Again

The much discussed subject of grading twenty second street was again brought before the council when the Park and Cemetery Board, through Ald. Van Drezer, asked if anything was going to be done about the grading. But although the contract has been let to do this work it was not approved of by the council and so the council took no further action on it. This Board also recommended the opening of Twentieth Street as it is wished to repair one side of the Prospect Park grounds but City Atty. Van Duren explained that on account of legal difficulties this could not be done just now. The matter of improving 20th Street was finally referred to the Committee on Streets and Crossings.

Ordinances Repealed

On motion of Ald. Stenberg, chairman of the ordinance committee several city ordinances were repealed last evening because what these dealt upon is now either covered by the new Charter or State Laws.

The Resolution as presented by Stenberg is as follows:

By Alderman Stenberg:—

Resolved, That Ordinance No. 211, entitled "An Ordinance Relative to Fire Department" Approved August 27, 1922, Ordinance No. 225, entitled "An Ordinance Establishing a Police Force and Prescribing and Defining Certain of the Powers and Duties Thereof," approved June 22, 1905; Ordinance No. 226, entitled "An Ordinance To Regulate the Speed and Operation of Motor Vehicles in the City of Holland," approved July 6, 1905; and Ordinance No. 277, entitled "An Ordinance to prohibit and prevent the carrying of concealed weapons except in certain specified cases when a license is issued therefor; and to prohibit the sale, keeping for sale, loaning or giving away of certain dangerous weapons," approved January 4, 1912, be and the same are hereby repealed.

Stebbens On Police Board

City Clerk Overweg reported to the council last evening that Commissioner J. E. Kuizenga has been absent from the Board of Police and Fire Commissioners for three consecutive meetings. Acting on this motion of Ald. Van Drezer the report was accepted and his place on the Board declared vacant. Hansen and Congleton voted against this. It is alleged that Commissioner Kuizenga attended but one meeting since June. The resolution as presented is as follows:

Holland Mich., Nov. 4, 1913

To the Honorable the Mayor and Common Council of the City of Holland,

Gentlemen:

At a meeting of the Board of Police and Fire Commissioners held Nov. 3rd, 1913, the following resolution was passed:

Resolved, that in accordance with a resolution passed by the Common Council May 21st, 1913, the Clerk be instructed to report to the Common Council, that Commissioner Kuizenga has been absent from the last three consecutive meetings of the Board.

Yours truly, R. Overweg,

Clerk of Board

On the ninth ballot after a close election W. B. Stebbens, was chosen to fill the vacancy. Other men mentioned for this position were John Schouten, B. D. Keppel, H. Pelgrim, Jr., Dr. J. Curtis, and J. Kolker.

Rooms Will Change Hands

At the request of Ald. Van Drezer the rooms in the city hall at present occupied by the Board of Education which will be vacated as soon as the New High school is completed, will be given to the Board of Parks and Cemetery and also the Board of

#### MRS. M. A. RYDER DIES AT PALM BEACH FLORIDA

Was Well Known In Hotel World.

Mrs. M. A. Ryder, for years well-known in the hotel business at Macatawa Park and Holland, died yesterday at Palm Beach, Florida, at the home of her daughter, Mrs. Will Wiehe. The remains are being shipped to Grand Rapids, where interment will take place in the Catholic cemetery. Complete arrangements for the funeral have not yet been made.

About 40 years ago, Mr. and Mrs. Jim Ryder came to Holland and started a small boarding house on East Ninth street, near the railroad tracks in the vicinity of the old passenger depot, where most of the railroad men took their meals. A short time afterwards, they built the old Phoenix hotel, located on East 8th street near the present depot, which has since been destroyed by fire.

Twenty-five years ago, after the death of her husband, Mrs. Ryder leased Hotel Macatawa and operated this popular hostelry until three years ago, and then owing to her advanced years she was compelled to relinquish the management of the same.

Fifteen years ago she also managed Hotel Holland, in connection with Hotel Macatawa, but sold her interest to the late James Whelan. Mrs. Ryder was an old lady of fine character, beloved by all who knew her. She was known in the resort world from coast to coast.

She is survived by one daughter, Mrs. Will Wiehe, and two sons Charles and George. Mrs. Ryder's maiden name was Brannigan, and she had but one brother, John Brannigan, who died last April.

#### MAN FOUND HANGING TO DOCK TIMBERS

Was Unconscious When Rescued By Boat Crew

John McKell, one of the employees on the Chicago boat was found last night by the fishing tug crew, hanging to some pilings at Harrington's coal dock, at the foot of Eighth street. The crew's attention was first called to the man's dilemma by groans issuing from in under the dock and upon investigation they found McKell clinging in a death grasp from which it was hard to loosen him.

The crew took him down town to the city lockup, where he was bundled up in blankets and given stimulants until he was resuscitated.

For some time he was unable to tell about what happened and even today does not know how he came to be in such a predicament. His partner, Ike Smith, was found a little later, asleep in the open air, on top of a large coal pile, in the Harrington yards.

#### MEANEST MAN STEALS PART OF HOLLAND MAN'S ARTIFICIAL LEG

The meanest man lives in Grand Rapids.

At least that is the declaration made last night by William Moore of Holland.

Moore appeared at the police station carrying part of an artificial leg wrapped in a newspaper. He explained that while he was asleep on the Holland interurban car enroute to Grand Rapids some person stole the other part of his leg.

#### SAYS CHURCH WAS ONLY TREAT HUSBY GAVE; GETS \$60,000

Mrs. Hummer, Grand Rapids, Wins Record Award for Cruelty

Mrs. Maggie F. Hummer was granted \$60,000 alimony Saturday the largest alimony ever granted in a Grand Rapids court, from George P. Hummer, prominent Democratic politician and wealthy furniture manufacturer. Judge Perkins made the ruling. Action for divorce was started by Mrs. Hummer, July 2. She charged cruelty. She alleged the defendant would not take her anywhere except to church. She declared that for years she and her husband had not spoken to each other, except in the presence of other people.

Mr. Hummer shall pay \$60,000 to the complainant at the rate of \$2,500 each quarter first payment to be made April 1, 1914. The deferred payments are to draw 5 per cent interest. In return for this settlement, Mr. Hummer is relieved from all other financial obligations with respect to his wife.

## NEWS from the COUNTY

## ZEELAND

Thomas Fungers received severe cuts and bruises on his right hand and arm while operating a rip saw at the Wolverine Furniture factory.

Following is the latest record of the stock in Zeeland:

Born to Mr. and Mrs. J. A. Elenbaas—a girl; to Mr. and Mrs. P. Kuizenga—a boy; to Mr. and Mrs. Elte Westebroek—a boy; to Mr. and Mrs. George Zeuwerling—a boy.

Peter Bolier died Saturday at the home of his parents in Zeeland at the age of 29 years. The deceased had been failing for some time, having been brought to Zeeland from Gray, Ind., where he was taken sick. He is survived by a widow and one child, his father and mother and several brothers and sisters. Funeral services were held from the home Tuesday afternoon.

A movement is on foot in Zeeland to establish an English speaking Christian Reformed church in that city.

Zeeland has at present four churches, two Reformed churches and two Christian Reformed churches. Three of these, two Christian Reformed and one Reformed use the Dutch language, while one of the Reformed churches uses the English. Occasionally services in the Christian Reformed churches are being conducted in the English language, and recently many have felt that there is an opening for a Christian Reformed church where only that language will be used.

Marriage licenses were issued Monday to Jacob Geerlings, 19, and Ada Zwagerman 18, of Zeeland; Ralph Wyembuis 22, and Miss Lena Kek, 23, of Drenthe and Zutphen; Frank Ozing, 26 and Martha Vredelveld 26, both of Holland township.

John De Pree has returned from Northern Michigan where he spent some time on a business and pleasure trip. He took back with him a carload of potatoes, apples, etc., which he will sell here.

## SAUGATUCK

Mr. Oswald had at least one good catch of carp this fall at Saugatuck when at one pull he pulled in two town of fish the other day. His live box at the foot of Main street which is 10x14 is full of carp now notwithstanding the fact that 12 tons were taken to New Richmond for shipment last week. William Kirby has a pair of elk antlers about three feet long which the net also brought up. The Reformed church at Ebenezer, four miles southeast of this city has extended a call to the Rev. Albert H. Strabbing of Sheboygan, Wis. Mr. Strabbing has been in the ministry for 24 years and he was for many years pastor of the Reformed churches at Hamilton and North Holland.

At the meeting of the Lake Shore Poultry association at Saugatuck, it was decided to join the American Poultry association which will give the coming show a standing with the balance of the country, and allow that organization to use the A. P. A.

emblems and many prizes which otherwise would not be available.

Sunday, Mr. James Koning, of Holland, was eighty years old, and his sons and daughters from Saugatuck and Peach Belt united in helping him celebrate his birthday anniversary. Mr. Koning retired five years ago, but is still hale and hearty. For eighteen years he was foreman of the yards at the Stave Factory and for twenty years he held the position of night watchman at the Ottawa Furniture Factory. He now lives at the old home in West Thirteenth Street, with his daughter, Mrs. J. F. Dryden.

Following is a letter written by one of his sons, which explains itself:

November 3, 1913.

Mr. James Koning,  
Dear Father:—  
I thought I would let you know that we arrived in Saugatuck at 2 p. m. Monday morning. We were on the first car over the new track and we had an eight hour ride from Holland to Saugatuck. We were about three miles from Jenison in the sand hills when the trolley broke and it was down for over a mile and a half. It has been fastened for only a few days so that it could be used to put up the larger wire with. I was glad that Albert and Erwin were not along.

There were about sixteen in our car and we had lots of fun. We were in the dark for over an hour, but we did not mind at all. That lunch that Nell gave Mary came in good all right, but Mary gave her lunch to the conductor who had had no supper and the rest we divided between 11 of us and wished that we had more. We were very thirsty and wanted coffee, too. Hazen and three or four others had had nothing to eat since dinner time and they were hungry and then some. At half past two this morning we got home and we all had coffee at our house. It was pitch dark.

We were glad to have celebrated your birthday with you and would gladly go through the same ride if we could celebrate your birthday again. Next time however, we had better take a larger lunch and some coffee, too. But I do not think we will have any more trouble.

Love from all,

Your son,

John.

The Holland Interurban company has begun the removal of the tracks from the old location to the new Saugatuck branch, and it is expected to have cars running on the new line soon.

Five new all steel cars have been ordered. These new cars will be used between Saugatuck and Grand Rapids and make the time in about an hour and a half. There will be no changing cars at Holland, then Holland will be only a station along the way which leads from Saugatuck to Grand Rapids.

Another feature which will mean much to the people in this vicinity in a business way, is the fact that in the spring the Interurban company will lengthen two of their curves in Holland, to make their track capable of accommodating freight cars from the steam roads. The laws relating to the transfer of cars from one road to another now compel the electric and steam roads to exchange cars, and when this change in the curves are made, Saugatuck will have better service than most any steam road would give it.

## LAKETOWN

Mr. and Mrs. Frek Hoek attended the funeral of their brother-in-law, H. Thompson, in Holland Monday.

Rev. Van De Werp and family left for their new home in Holland. He preached his farewell sermon to a large congregation a week ago. Everybody is sorry to see him go.

Born to Mr. and Mrs. Albert Alferdink a son and Mr. and Mrs. L. Brink a daughter.

A singing school was organized in Dist. No. 4, school in Laketown. Meetings will be held every Friday evening with Mr. L. Vissers as leader.

The following officers were elected: Harry Vork, Pres.; John Atman, Vice Pres.; Miss Grace Vork Sec.; Miss Clara Feyen, Treas.

T. Brinks and daughter Jeanette visited relatives in Oakland Monday and Tuesday.

Wednesday occurred the wedding of Stephen Wolters and Rena Teerman.

## HUDSONVILLE

Hudsonville, Nov. 5.—William Hooker, of Lockport, N. Y., who has been visiting this summer on the farm with his brother, Henry, in Byron township, met with a serious accident that is likely to prove fatal Sunday night he was driving his brother's 3-year-old colt, which had been but little used to a buggy.

Early Monday morning Henry went out to the barn to do the chores, when he found the colt standing near the barn door, with the buggy thills and what remained of the harness hanging to him. Much alarmed for William's safety, he hitched up another horse and started to hunt the missing brother.

In the meantime George Schneider, when on his way to feed some young cattle out on the Jamestown line, found young Hooker lying in a ditch by the side of the road, near

the top of the steepest hill on the town line. A little farther down the road he spied the wrecked carriage. Young Hooker was taken to Schneider's home and a physician summoned. There the brother found him. But little hope is entertained for the young man's recovery, as his skull is badly crushed. He was taken to a hospital in Grand Rapids for surgical treatment.

## DRENTHÉ

Without regaining consciousness even for a moment, and without opening his eyes, John Wiegink expired Thursday morning about half past seven o'clock at his home in Allegan. He was stricken with apoplexy a week ago Friday morning, when his wife also suffered a fatal attack of heart disease with which she had suffered long, and there was no hope for his recovery.

Tuesday, Mr. Wiegink showed some signs of returning consciousness but they were slight. There were typical symptoms of apoplexy. When he moved his arms and moved his body somewhat. Dr. Van Ness spoke to him firmly and asked if John knew him. Mr. Wiegink made an attempt to answer but only made a feeble sound. He did not open his eyes. Rev. A. V. Brashear says that he once said to him, "I know you now."

The funeral was held yesterday morning from the home at half past nine o'clock and the body was taken on the 11:10 Pere Marquette train to Drenthe in Ottawa county where Mrs. Wiegink was buried the first of the week. Relatives of both of them came and took away the body of Mrs. Wiegink last Monday evening. Mrs. Wiegink, realizing her bad condition, had Dr. Van Ness telephoned to her brothers in Zeeland the day before she died. They were asked to come that night, and had they done so they might have seen her alive. They did not get here until the morning she was found dead.

Some time before, Mrs. Wiegink bought a lot in the cemetery at Drenthe, her old home, and where she has several relatives. She was born in this country while Mr. Wiegink was a native of Germany though of Holland parentage. Mrs. Wiegink was formerly Miss Jessie Lanning. It has been impossible to learn much concerning the early lives of the couple. They had been residents of Allegan forty years or more and will always be remembered as plain, honest, people who lived exemplary lives. Mr. Wiegink will be remembered long as janitor of the high school building at Allegan. For years he held that position and many a time he tolled the last bell a few times extra so that tardy youngsters would not be counted late. He was a kindly man who took great interest in the work of the church. Both were Presbyterians. Mr. Wiegink was industrious as well, and except when ill health kept him confined he was always busy at something. Mrs. Wiegink was equally pious and kind. Neither lived much outside their home, and until his health became bad Mrs. Wiegink was seldom seen abroad. Then she took up his business of gathering clothes for the laundry and doing his other work.

Each left an estate and it seems a pity that they did not employ it in providing more pleasure and comfort in their last days. Perhaps they wished and were entirely satisfied.

Mr. Wiegink's will was filed in the probate office yesterday. His real estate inventoried \$1,800, that being the value of the house and lot on Ely-st, which was the property of himself alone. His personal estate is worth \$1,400, being stock in the Citizens Telephone company and money in the banks. The will was made Aug. 19 last and was witnessed by F. H. Williams and H. J. Aldworth. By it he gave \$1,000 in cash to his wife at his death, and the income from the residue of his estate during her lifetime and the use, possession, and control of it. He gave \$100 to the Western Seamen's Friends society of Chicago, \$100 to the home missions society of the Presbyterian church, and \$200 to the foreign missions society. He left \$25 to the Presbyterian church of Allegan, and the rest of his property to his nephews and nieces, to be divided equally. John Wiegink Jr., of Fillmore was made administrator.

Mrs. Wiegink's will showed that she had personal property amounting to \$3,000. She gave \$100 to the Presbyterian foreign missions society \$50 to home missions for building churches. Her jewelry she gave to her sisters, Alice Lanning of Hudsonville, Christina Riddering of La Junta, Colorado, and her sister in law, Recca Lanning of Zeeland, to be divided equally. To her husband the use of the residue of her estate during his lifetime, at his death \$200 to the students' fund of the Christian Reformed church, and the rest to be divided equally between her two sisters and her brother, Henry Lanning of Zeeland, who was made executor.

Because Mrs. Wiegink was first to die, her husband's bequest to her will pass to his own heirs.

## NEW HOLLAND

Saturday evening at his home in New Holland, Frank Kraai died at the age of sixty-six years after a lingering illness. The deceased is survived by eight children and five brothers. The children are Mrs. K. Weimer, Mrs. E. Schilleman, New Holland; Mrs. Charles Prins, Mrs. Leonard Veldheer, Crisp; Mrs. Meno Smith, Grand Haven; Albert, Holland; Jacob, Olive Centre; Thomas,

New Holland. The brothers are; Jacob and Gerrit of Crisp; Bert and Enna, Borculo; and John of Kenosha, Wisconsin.

The funeral was held Wednesday at 11:30 from the home and at 12 o'clock from the Reformed church at New Holland. Interment took place in the New Holland cemetery and the Rev. G. Tyse officiated.

## BLENDON

George Vanderveen, of Blendon owns a very large, white bulldog, with pink eyes and exceedingly red tongue. Said bulldog's name is Buck, and he is much more noted for his watchful qualities than for his good nature or beauty.

Gerrit Struick has long been enamored of the charms of Vanderveen's youngest daughter, but the in no means included the bulldog.

Heretofore, when Gerrit was expected to call upon Miss Vanderveen the dog was kept upon the porch where the family would hear the smallest growl that announced the coming of some person not belonging to the Vanderveen home; but Tuesday for some unaccountable reason, the dog had strayed out on the roadside and quite a distance from the Vanderveen home, where Gerrit met him. As if conscious of Gerrit's fear and enmity, the dog made a low growl and started to make it interesting for the young man. At this Gerrit started for the fence, and had just succeeded in reaching the top of a cedar post as the dog tore a section from the leg of Gerrit's trousers.

Now camping on the top of a bench post in the dark on a bitter cold night is not an easy nor comfortable task. Still Gerrit preferred that to venturing down and having it out with the dog. Gerrit begged, cajoled, scolded and swore at the dog, but the dog still held the fort or post on which Gerrit stood. At last he was compelled to cry for help in no weak manner, and help came in the form of his best girl, who had been eagerly looking for him.

Saturday, Morris and Frank Atwood, the Blendon township farmers who are held in connection with the mysterious death of Zelma Hammond Atwood will be arraigned in Justice Wach's court in Grand Haven, when they will be jointly charged with the woman's murder. This was the statement made last night by Prosecuting Attorney Louis H. Osterhaus.

The county officials are doing nothing further on the case, but are awaiting the reports of Dr. A. S. Warthin and Dr. Victor S. Vaughn of the University of Michigan. These are expected this week some time and it is hoped they will come in time to be used Saturday.

### THE REV. WM. MOERDYK WILL MAKE THIS CITY HIS HOME.

The Rev. and Mrs. William Moerdyk of Grandville will move to Holland this week for their future home. Mr. Moerdyk, who has completed his 44th year of active service in the ministry has resigned his pulpit at Grandville and will retire. Mr. Moerdyk is a member of the pioneer classes of Hope college and the Western Theological seminary graduating from the latter institution in 1869.

## Get to the Cause

Holland People are Learning the Way

There is but little peace or comfort for a man or woman with a bad back. The distress begins in early morning—keeps up throughout the day. It's hard to get out of bed, it's torture to stoop or straighten. Plasters and liniments may relieve, but cannot cure if the cause is inside—the kidneys: When suffering so, use Doan's Kidney Pills, the tested and proven kidney remedy, used in kidney troubles for over 50 years. Doan's Kidney Pills are recommended by thousands for just such cases. Proof of their effectiveness in the testimony of this Holland resident:

Mrs. Sarah Kelly, 27 W. Sixth St. Holland, Mich., says: "I was all crippled up with my back. For a week or two I was unable to get about and I often thought my back would break. Mornings, when I got up, I could hardly stoop to tie my shoes. I had heard so many people speak favorably about Doan's Kidney Pills that I got a box and it was not long before they brought me relief. I have had no further need of a kidney medicine."

"When Your Back is Lame—Remember the Name." Don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mrs. Kelly had—the remedy backed by home testimony. 50c all stores. Foster-Milburn Co.,

### PRISONER FAILED TO APPEAR FOR ARRAIGNMENT IN CIRCUIT COURT MONDAY

In circuit court Monday afternoon, Fritz Monck, who was to have appeared for arraignment on the charge of assault upon John Dykhuus, a Tallmadge farmer, did not put in appearance and his name was called three times according to the custom by Court Officer Vander Noot. The names of his bond sureties, Matilda Monck, and Jerry T. Logie, were also called upon to produce him. When there was no response, Prosecutor Osterhaus moved that the bail be estreated. The court deferred final action until the adjournment of court.

Monck's bail was set at five hundred dollars and was secured by Jerry T. Logie and Monck's mother, Mrs. Matilda Monck of Grand Rapids. Shortly after the release of Monck on bail he apparently disappeared and efforts to locate him by the officers have failed. His sureties will now be obliged to pay over \$500 to the county.

Monck is charged with having murderously assaulted John Dykhuus, a farmer living in Tallmadge, after demanding that the farmer turn over his valuables.

Is Entitled To Our Trade

"I believe the home merchants are entitled to our trade when the prices are as reasonable. I think it is a wrong principle to send away for the goods that can be bought as well at home," said a farmer to the editor the other day. It sounds good to hear men argue the justice of this matter. The local business man and the farmer's interests are mutual: neither one can succeed in the full extent sense without the other. The merchant must sell at honest margins of profit and when he does this he is entitled to the trade of his community.

#### LOCAL MAN WILL MANAGE KNICKERBOCKER

J. W. Himebaugh Leases Holland's Theatre

The Knickerbocker Theatre, for the past few years under the management of J. A. Simon of Benton Harbor, will in the future be conducted by Mr. J. W. Himebaugh, who has made arrangements with the Michigan Trust Company to take over the lease for the coming year. Mr. Himebaugh has for many years been the most efficient manager of the Royal Theatre and it is with

every chance for success and with the hearty good will of all Holland that he takes up this new venture.

He started making improvements Thursday, and patrons will no longer suffer from the cold while attending the Theatre, as a new heating plant has been installed which will keep the atmosphere healthfully moderate and warm during the lengthiest performance. Friday a new moving picture machine was put in, and the building in every way will be greatly improved for the comfort and convenience of the Knickerbocker's patrons.

Mr. Himebaugh has promised that high class road shows will be put on from time to time, and has guaranteed at least one feature a week on the bill beside the regular movies. The "News" is much pleased to hear that Mr. Himebaugh has been induced to take the Theatre. His experience in South Bend and other cities makes him eminently capable of handling this added enterprise. It behooves Holland theatre-goers to boost the new project, in so doing, being directly instrumental in bringing high class shows to this city.

#### PLAY LISTLESS GAME BUT WIN BY A SCORE 29 TO 12 SCORE

Holland Team Made Points in First of the Game and Then Quit Playing Football

Playing a listless game throughout the Holland High school football team defeated the South Haven High 29 to 12 Saturday afternoon at South Haven. The local team started off with a rush and in the first quarter they had things so much their own way that they began taking turns to make touchdowns. But after the heat of the first quarter they ceased to play the game and just held for the rest of the three periods. The South Haven team although as heavy as the locals is not near as fast but played a hard game and managed to slip over two touchdowns while all but two or three of the local players were dreaming of things not connected with football and wondering what they should do after the game.

In the last three minutes of play Holland rushed the ball straight down the field for a touchdown, Sirrine making the final plunge. The ball was kicked to South Haven but soon recovered by the locals. The same tactics were again used and in a few more minutes Haar carried the ball over the line for the last touchdown. Bosman kicked three out of four goals and a touchback in the last quarter netted Holland 29 points. Several times the local players had the ball within one yard of the South Haven goal but were unable to carry it over.

The South Haven boys played a strong game thruout and succeeded in scoring two touchdowns. They missed both goals.

Carl Smith of this city refereed the game. The Holland lineup was as follows: c. Bosman; rt. Douma; lg. Kruidenier; rt. Ingham; lt. Haan; re. Irving; le. Huntley; q. Whelan; rh. Sirrine; lh. Steketee; t. Helfrick.

#### WEATHER BUREAU RECORDS GIVES SOME INTERESTING DATA.

October, according to weather bureau records, presented extremes of temperature to a marked extent and was slightly warmer than usual. The highest temperature was recorded on the 10th, when the mercury reached mid-summer heat, 84 degrees, and the coldest day was on the 31st, the thermometer registering 31 degrees. The average was 52.

During the month there was a total precipitation of 2.92, which was slightly above normal. The snowfall amounted to only .03 of an inch. But six clear days were enjoyed, the remainder being cloudy or wet. This vicinity is still behind on rainfall since the first of the year of 5.89 inches.

#### JACK VAN ANROOY TO LOOK AFTER CARP FISHING THIS WINTER.

Jack Van Anrooy has been appointed special deputy game warden to take charge of the carp fishing on Black Lake during the coming season. The carp fishers who will operate here have to be accompanied on each trip by a deputy game warden, whose duty it is to see to it that no fish are taken from the lake except the kinds specified in the licenses issued by the State of Michigan. The appointment of Van Anrooy was made by State Game Warden Oates. He will start work soon and the job will probably last all winter.

Mr. Van Anrooy is experienced on the water. He has for a number of years been engaged in helping his father in the pile driving operations on Black Lake and on other lakes and rivers in this part of the state. The past summer he has been working as engineer in the construction of the dock at Macatawa. He is at home on the water and is well qualified to fill the position to which he has been appointed.

#### THOS. BLAZAK IS TO APPEAR FOR TRIAL WEDNESDAY and Case Will Be Pushed Hard.

The police department believes that finally they have found evidence that may lead to conviction on the charge of turning in a false alarm Saturday, on complaint of Chief of Police Dykema, Thomas Blazak was arraigned before Justice Robinson and he pleaded not guilty. He will appear for trial in the court room Wednesday afternoon at 1:30 p. m. City Attorney Van Duren will handle the prosecution since the arrest was made under the ordinance.

The case is important because of the fact that for a long time the fire department has been bothered by false alarms. Because it is practically impossible to secure evidence in cases of this kind the police department was helpless and could not take any active steps to stop the nuisance. Warnings have repeatedly been given thru newspapers, but every so often the fire boys were compelled to go to a great deal of trouble because some one wished to play a practical joke.

The case against Blazak will probably be pressed hard since a conviction may be effective in making practical jokers understand that the police department is in earnest in its endeavors to stop the practice. For that reason, also, in case a conviction is secured, it is likely that the punishment will be made as severe as the law allows. It is not often that there is an opportunity to give an object lesson along this line, and the people of Holland are demanding protection against all those who tamper in any way with the fire protection system.

#### FRANK LYNCH, ALIAS Mc CLELLAN OF GRAND RAPIDS GETS NINETY DAY SENTENCE

Bert Slagh 'got wise' Saturday afternoon when a boy came into his store and asked to exchange a can of oil for some stain and take rest in change and as a result Patrick Lynch of Grand Rapids is facing a ninety day sentence in the county jail.

Lynch walked into Slagh's store Saturday afternoon and asked for a can of stain. While Mr. Slagh was getting the stain he calmly picked up a gallon of oil and when Mr. Slagh returned he asked if he could exchange the oil, which his father bought some time ago, for the stain. Mr. Slagh being very accommodating handed him the stain and \$1.25 in change for the oil. But after the boy had left the store Slagh remembered he did not have any oil when he came in and so ran after Lynch and turned him over to the police. When arraigned before Justice Robinson in the evening he pleaded guilty and gave his name as Patrick McClellan. But the Justice recognized him as the one who had played the same game in this city about a year ago. At that time he got some things from Kramer's drug store and later tried to get a hat from Nick Dykema but was detected and got a thirty day sentence.

#### RICHARD P. ROEST & CO. TO DO BUSINESS IN THE SLAGH BLOCK.

The firm of Richard P. Roest & Co. has moved from the old place on River avenue to the store in the Slagh block near the Opera Pharmacy. This concern was recently reorganized when one of the members left it and Mr. Roest took over the stock, changing the name. In the new location there is much more room than in the Wilms building and the schoolboy merchant expects to increase his stock considerably. Also the new location is nearer the business district.

Mr. Roest will soon have his store open for business. He will handle a good line of men's clothing and will continue the pressing and cleaning business in which the firm has been very successful.

#### WILL PLAY IN COLLEGE GYMNASIUM EVERY AFTERNOON

Two basket ball leagues have been formed at Hope College which will play from 4 to 6 every afternoon. The one league is composed of college men and the other of those in the preparatory department.

Their league schedule will last until after Thanksgiving, when new leagues will be found. At the close of the season the two winning teams will be treated to an oyster supper at the expense of the defeated teams. In years past these leagues have aroused a great deal of interest, especially at the close of the season when the better teams were very nearly tied.

#### CONGREGATION OF MAPLE AVE. CHURCH ACCEPT PLANS MONDAY NIGHT

Will Be Built At a Cost of \$3500; Congregation Is Rapidly Growing.

The congregation of the Maple Ave. Christian Reformed church met Monday for the purpose of discussing the building of a new parsonage. The congregation came to the conclusion to erect a home for the pastor at the cost of approximately \$3,500. The plans and specifications were submitted by the building committee to the congregation for approval and they were adopted. Some preliminary matters will still have to be disposed of but very soon the committee will be ready to let the contract to the lowest bidder. It is expected that actual work will begin soon and that the building will be completed before spring. The parsonage will be erected next to the church on the church property.

The Maple Avenue Christian Reformed church was organized a few months ago with a membership of 38 families. During the summer it has grown rapidly so that now the congregation numbers about 60 families. The church is crowded every Sunday.

Recently on the occasion of a congregational reception to the new pastor, the Rev. W. D. Vander Werp, the church was presented with a beautiful pulpit manufactured specially for this church by Frank Bolhuis. On the same evening Ald. A. Vander Hill presented the congregation with two pedestals which in workmanship exactly matched the pulpit. A large Bible was also presented to the church on the same evening.

The congregation has been growing so fast that many of the members believe the present building will soon be too small.

#### Peculiar Sight Can Be Seen On Swift Farm On the North Side

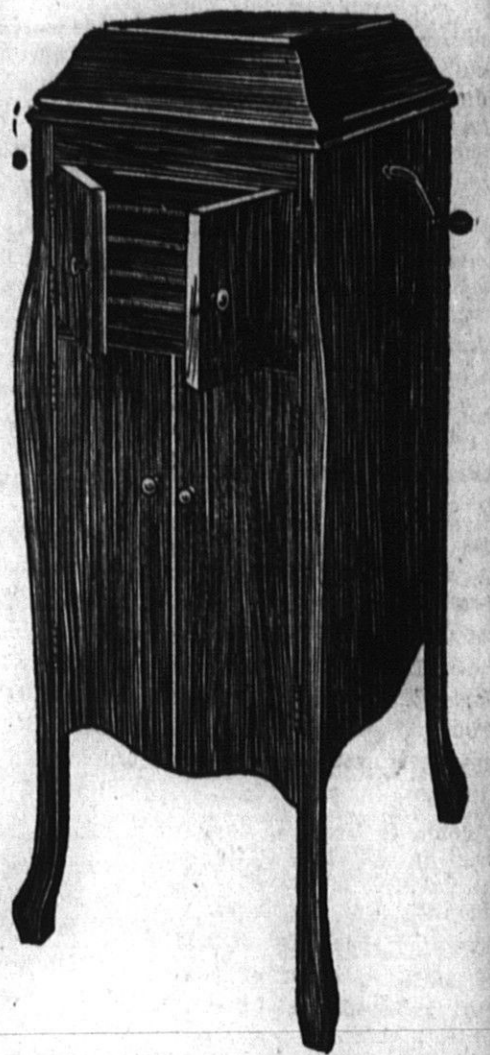

An apple tree loaded with blossoms is the peculiar spectacle that can be seen on the old Swift farm on the North Side. The tree is literally loaded, having fully as many blossoms as are ever seen on a tree in the spring time. Another feature is that there is not a leaf on it. The tree is one of an orchard of considerable size but not a blossom is to be found on any of the others.

Miss Evelyn Mulder was pleasantly surprised by a number of her friends Monday night at her home on W. 11th Street. The evening was spent with music and games. Many beautiful selections were rendered on the piano. Miss Murray sang a number of solos. Supper was served at ten.

Those present were the Misses Myra Reed, Ruth Murray, Elizabeth Howell, Genevieve Maur of Grand Rapids and the Misses Jessie Brandma, and Margie Essenburg of this city and Messrs. Dan Kaufman, Howard Stearns, George Hoyt, Ray Kelly, Jack Boyd, Robert Clark and Randall Graves of Grand Rapids.

#### "CITY OF CHICAGO" BEGAN ITS TRIP TUESDAY MORNING INSTEAD OF MONDAY NIGHT

There was a pretty stiff breeze on Lake Michigan last night so that the "City of Chicago" was compelled to stay in the harbor till this morning when the trip to Chicago was begun. There has been very little difficulty with weather conditions so far this

fall, and for the most part the Graham & Morton steamers have been able to leave on schedule time.

The life savers have not been called out much lately. However they are ready for emergencies the remaining weeks of the season since some bad weather may be looked for. The life savers will continue in service until midnight, Nov. 30. Captain Van Weelden has not yet received the official notice from the government in regard to the close of the Macatawa station for the winter, but this notice is expected to arrive with in the next week or two. As far as is known now all the members of the present crew will be back in the spring.

**Leave For Upper Peninsula**  
Levi Fellows of Olive, Charles Jones of Grand Rapids George Root of Tallmadge and Fred Graham of Robinson left Monday for Watersmeet in the upper peninsula, where they will establish their deer hunting camp. Edwin Fellows of Grand Haven, Dr. Chappel of Grand Rapids, A. Harrington of Holland will leave tomorrow for the camp to join the party and remain through the hunting season. Walter Clark of Grand Haven may join the party later.

Mr. and Mrs. Vaudie Vanden Berg and son have gone to Chicago and after spending a week in that city they will go to Houston, Texas, where they will spend the winter. Mr. Vanden Berg is employed by the Cusack Sign company of Chicago in Texas.

Sometime within the next two weeks there will be an informal two mile run at Hope college. The men have been training consistently for the past four or five weeks and it is expected about 15 or 20 will compete.

The Avenue school football team defeated the Central school football team 13 to 0, on the Maple avenue grounds yesterday afternoon. Principal Gilbert of the high school refereed. Each team has won a game and the next game between these two teams will decide the city championship.

Since class rushes are not allowed at Hope college, a safe and sane way has been devised by the students of settling class differences. The freshmen have challenged the sophomores to a spelling contest, the time and words to be used to be decided by the leader. The sophomores have not accepted the challenge.

Dr. James F. Zwemer, who suffered a stroke of paralysis while conducting his classes in the Western theological seminary a week ago, is improving slowly. The doctor attending him has advised him to take absolute rest for the next two months.

The Maple Avenue Parents-Teachers club met last evening at 7:30 o'clock. All parents, and especially the fathers, were invited to be present. The theme to be discussed was "The Necessity of Hygiene."

Louis Padnos, a junk dealer in this city, was arrested Tuesday charged with buying goods which he knew were stolen. When arraigned before Justice Robinson Tuesday he pleaded not guilty to the charge and his trial has been set for Saturday morning in the city hall. Complaint was made by Percy Ray, who claimed that Padnos bought goods that were stolen from the West Michigan Furniture factory and that were valued at five dollars.

John Bennett signed the pledge to abstain from all intoxicating liquors for six months when arraigned before Justice Robinson Tuesday morning charged with being drunk Sunday. Sentence of thirty days in the county jail was suspended.

The strangest bit of news that has gone over the state in a long time is the statement from the Holland fair association, that a profit of \$1,710.91 was made on the recent exhibition. A new barn, costing \$1,200 was paid for, \$250 applied on another, and all indebtedness was cleaned up.—Allegan Gazette.

The report is out that trappers in Michigan must pay a license this fall. This is not true except in the case of beaver, to capture which a license is necessary. The open season for mink, coon, skunk, fox, otter, fisher and marten is November to March inclusive. Muskrat from November 1 to April 15. Beaver can be trapped if license costing \$10 is paid.

John Jackson has sold his 70 acre farm, located about two miles northwest of Coopersville to John De Jonge of Allendale, for \$7,500. Mr. Jackson, who is 70 years old, has lived on this farm ever since he was three years old and he has bought property in Coopersville, where he will spend his declining years.

The Mc Mullen Machinery Co., of Grand Rapids have about thirty motors stored at the Huntley Machine shop in this city. The motors were formerly used at the Dearborn Corporation plant. They are of the proper cycle and voltage for the Holland current and an attempt will be made to dispose of them here.

While playing with a lighted jack o' lantern children set fire to a shed and hen house on the premises of Alonzo Motter on East Eleventh St. Monday. Both buildings were consumed, but the chickens were saved. Christian Reformed church of Muskegon was informed Sunday that the Rev. R. B. ## NEW MANAGEMENT STARTS UNDER FAVORABLE CONDITIONS TUESDAY NIGHT

Tuesday was the first time that the Knickerbocker Theater was open since Mr. Himebaugh, the new manager, took charge. The house was so full that there was nothing but standing room left. Mr. Himebaugh is now rapidly making plans for the season's list of attractions at the theater. Although it is rather late in the year, he expects to book a number of fine attractions. There will be one road company at the Knickerbocker each week, if the necessary contracts can be secured, and in addition to that there will be vaudeville and high class feature motion pictures.

## BOARD OF SUPERVISORS PAY FAIR PREMIUMS

Allegan Gazette.—The board of supervisors of Ottawa county were expected to contribute \$200 or more to the Western Michigan Development bureau, but they failed to do so. The secretary of the association appeared before the board and told them that most of the counties paid \$500 each. Holland supervisors evidently did not care whether Ottawa county is in the association or not.

The supervisors of Van Buren county evidently felt more generous than most boards, for last week they appropriated \$1,000 to assist the county fair association in paying their premiums and carrying on the work of the society. Last year the board gave \$1200 and the association had \$200 left this year, so they reduced the gift that much. That is about the most substantial bit of approval any county fair in Michigan has had recently.

## HOPE GRADUATE GOES TO KENTUCKY

Rev. Henry Sluyter who for some time has had a charge at Lawton, Oklahoma, will in the future be stationed at Southern Presbyterian church, Anchorage, Kentucky. Anchorage is a suburb of Louisville, and Rev. Sluyter is no doubt well pleased with his new church, as many of his Holland friends are near there. Rev. Henry Dosker, Rev. John Vander Meulen and Rev. Anthony Ver Hult are all located in Louisville, Kentucky.

## Frank Salisbury Catches Trappers

Deputy Game Warden, Frank Salisbury, has arrested Joseph Puffhulsen, of Burnips Corners, and Andrew Slantz of Pullman, Allegan County, for having in their possession skunk skins out of season, showing that they have been trapping when the state did not allow it. He also caught Jack Crabbs of Hopkins, in the act of trapping for muskrats and skunks. They all pleaded guilty and were given a stiff fine and the pelts were confiscated by the Game Warden.

## OLDEST DOVE IN MICHIGAN

A turtle dove 30 years old died last week at the home of Mr. and Mrs. Edw. Nederveld near Zutphen. The dove was presented to Mr. Nederveld by his mother, the late Mrs. John Nederveld, shortly before her death last January. In the spring of 1883, shortly after the bird was hatched, Mrs. Nederveld bought it from Wm. Brok, now of Central Lake, Mich., for a half bushel oats, while the family lived in a log cabin a mile north of Zutphen. The dove will be mounted.

## LOCAL MAN DRANK HALF OF THE MILK BEFORE HE DISCOVERED THE LITTLE CREATURE IN THE BOTTLE

Justice Robinson Strikes a Blow for Pure Milk by Fining Dealer \$25 and Costs

At 5 o'clock Thursday afternoon, Gerrit Oonk, a milk dealer delivering milk to people in this city, was arraigned before Justice Robinson on the charge of delivering unclean milk to a customer here Thursday. The complaint was made by Health Officer B. B. Godfrey. As evidence Dr. Godfrey produced in court a bottle of milk purchased by a customer from Oonk. The customer had drunk half of the milk before he noticed that in the bottom of the bottle were a spider and particles of dirt which the health officer analyzed as manure. Needless to say, he did not finish the bottle.

When the health officer learned of the case he immediately had a warrant sworn out against the milkman.

Justice Robinson struck an effective blow for clean milk in Holland by imposing on Oonk a fine of \$25 and costs, amounting to \$3.45, with the alternative of spending 30 days in the Ottawa County jail. Oonk decided to pay the fine and costs.

In imposing the fine the justice did not make a secret of it that he was making it as stiff a sentence as he could because he considered the violation of the ordinance a crime that needed calling attention to.

"Recently," he said to Mr. Oonk, "the milk dealers have raised the price of milk to seven cents. The reason given was that the new ordinance makes the dealers live up to rules and regulations which make it more expensive to conduct a dairy. The people of Holland are paying the increased price cheerfully, wishing rather to pay the extra cent and be assured of having pure milk than pay six cents and take chances. Most of the milk dealers are complying with the law and, if for no other reason, it would not be fair to them to let go unpunished so flagrant a violation. You have had repeated warning and since you have not profited by these warnings a more severe lesson is necessary. It is not the purpose of the officials who are charged with enforcing the milk ordinance and the pure food laws to hurt the business of any dealer. They are interested only in seeing to it that the people are protected against filth and disease in food and they are the friends of the man who sells pure food. But the man who sells impure food of any kind automatically puts himself out of business."

"This is not merely a minor offense that can be passed off as a joke. It might mean a case of life and death, since infant mortality is as high as it is largely because of the crime of selling impure and disease-bearing milk."

Since Mr. Oonk was hauled in court for selling contaminated milk, he has sold his route and gone out of the milk business.

## FOUND GUILTY OF TURNING IN FALSE ALARM, THOS. BLAZAK APPEALS CASE TO CIRCUIT COURT.

Case Was Tried Yesterday Defendant Was Not Represented By Attorney

Thomas Blazak was found guilty of turning in a false alarm on or about Sept. 20. He was tried before Justice Robinson yesterday in the city hall. He still maintained his innocence, however, and promptly appealed the case to circuit court for trial.

Sentence was pronounced upon him by Justice Robinson was that he pay a fine of \$25 and costs or spend thirty days in the county jail. Blazak appeared without a lawyer, to defend himself. But three witnesses were called to the stand besides the defendant. Henry Boven, the first witness, testified that on the day in question, he was in Will Blom's Wholesale Liquor house and overheard Blazak say that he was going to turn in a fire alarm to see if the horses could still run.

Leonard De Witt, an employee at Blom's testified that while he was writing at the desk someone took down the receiver and called up the fire department but that he pushed down the receiver before the person who rang up the number could telephone. He claimed he did not look up from his work and so did not know who was telephoning as about a dozen men were standing about the phone. Twice he pushed down the receiver, as someone was about to telephone and then he was called away. A few minutes later the fire department appeared at the corner of 7th and River but there was no fire. He claimed both Boven and Blazak were near the phone.

Fire Chief Blom testified that the alarm had been turned in.

When Blazak took the stand he said he was into Blom's about ten minutes before the whistle blew for a fire but at the time the whistle blew he was on the way to the fire engine house to see the driver of the No. 1 team.

## ARE GIVEN THEIR NATURALIZATION PAPERS IN CIRCUIT COURT TUESDAY

Ten men were made United States citizens in circuit court Tuesday after examination by P. W. Blazer of Chicago. Several cases were referred to the January term of circuit court and two applications were dismissed entirely.

Mr. Blazer proved to a thorough examiner and the applicants were questioned closely as to their knowledge of the American government, with the idea of determining their fitness to become American citizens. The following were granted naturalization papers:

P. Olson, Sweden, Grand Haven; Antonio Sutton, Germany, Grand Haven; Frank Van Dyke, Netherlands, Holland township; Peter C. Sikkil, Netherlands, Holland; Harry G. Duffield, England, Grand Haven; Albert Person, Sweden, Spring Lake; Hermanus J. Sietsma, Netherlands, Coopersville; Johannes A. Van Beukering, Netherlands, Grand Haven; Hendrik J. Lamgerjans, Germany, Allendale.

## CASE WILL DECIDE WHETHER CITY HAS POWER OVER STATE LAW.

Will Be Heard Today Is To Be Test Case On Which Decision Other Cases Will Depend

The case of the People vs. William Blom of this city will come up before the Supreme court at Lansing today. Att. Thos. N. Robinson of the firm of Visscher & Robinson and Att. S. F. Masters of Grand Rapids will represent the defendant, and Prosecuting Attorney L. H. Osterhaus and Att. General Grant Fellows will handle the case for the people.

This case will decide whether or not the city has the power to make a liquor ordinance more stringent than the state liquor law.

## ORDINANCE No. 296

An Ordinance to Authorize the Issuing of Nineteen Thousand Dollars of Street Improvement Bonds of the City of Holland, Michigan.

## The City of Holland Ordains:—

Section 1. That there shall be and there is hereby ordered and directed to be issued the negotiable coupon bonds of the City of Holland Michigan, to the amount of Nineteen Thousand Dollars, (\$19,000.00), for the purpose of defraying the expenses, incident to the paving and improving of East Eighth Street, East Twelfth Street, and West Twelfth Street, all in the city of Holland, in accordance with the plans and specifications as prepared by the City Engineer of the City of Holland, Michigan.

gineer of the City of Holland, and said amount not exceeding the estimated cost of the said several street improvements. Said bonds shall be designated as "STREET IMPROVEMENT BONDS," Series "H", and shall be nineteen (19) in number, numbered from one (1) to nineteen (19), both inclusive, and shall be of the denomination of One Thousand Dollars (\$1,000.00) each. Said bonds shall bear date the first day of November, A. D. 1913, and shall become due and payable as follows, to-wit: Bonds numbered one (1), two (2), and three (3) on February 1, A. D. 1914; bonds numbered four (4), five (5), six (6) and seven (7), on February 1, A. D. 1915; bonds numbered eight (8), nine (9), ten (10), and eleven (11), on February 1, A. D. 1916; bonds numbered twelve (12) thirteen (13), fourteen (14), and fifteen (15), on February 1, A. D. 1917; and bonds numbered sixteen (16), seventeen (17), eighteen (18) and nineteen (19), on February 1, A. D. 1918. Said bonds shall bear interest at the rate of five (5) per cent per annum, payable semi-annually, on the first day of February and the first day of August in each year, which interest payments shall be evidenced by proper coupons attached to each bond, and both principal and interest shall be payable in lawful money of the United States of America, at the office of the City Treasurer, in the City of Holland, Michigan.

Section 2. That each of said Street Improvement Bonds, and each of the coupons thereto attached, shall be substantially in the following form, to-wit:

United States of America,  
State of Michigan,  
County of Ottawa  
City of Holland.

## STREET IMPROVEMENT BONDS, Series "H"

Know all Men by These Presents, That the CITY OF HOLLAND, in the County of Ottawa, and State of Michigan, for value received, acknowledges itself justly indebted, and promises to pay to the Bearer, One Thousand (\$1,000.00), lawful money of the United States of America, on the first day of February, A. D. 1914, with interest at the rate of five per centum per annum, payable semi-annually, on the first day of February and the first day of August of each year, until the principal is paid, upon presentation of the coupons hereto attached. The principal and interest of this bond are payable out of the Street Improvement Fund, which is one of the general funds of the said City of Holland, and both principal and interest are payable at the office of the City Treasurer, of the said city of Holland, Michigan.

This bond is issued for the purpose of raising funds for the payment of certain street improvements and paving in the said City of Holland, viz.: paving and improving East Eighth Street, East Twelfth Street, and West Twelfth Street, all in the City of Holland, in accordance with the plans and specifications as prepared by the City Engineer of the City of Holland, and said amount of this issue of bonds not exceeding the estimated cost of the said several street improvements. This bond is one of the "STREET IMPROVEMENT BONDS", Series "H", amounting to the sum of Nineteen Thousand Dollars (\$19,000.00), and consisting of nineteen bonds of One Thousand Dollars (\$1,000.00) each, and maturing as follows, to-wit: Bonds numbered 1, 2 and 3, February 1, 1914; 4, 5, 6, and 7, February 1, 1915; 8, 9, 10, and 11, February 1, 1916; 12, 13, 14, and 15, February 1, 1917; 16, 17, 18, and 19, February 1, 1918; each bond drawing interest as aforesaid, being authorized by the Common Council of the City of Holland, in accordance with the provisions of the City Charter of said City of Holland.

It is Hereby Expressly Stated and Understood that Series "H" STREET IMPROVEMENT BONDS, are the regular and binding obligations of the City of Holland, for the payment of which all the taxable property in the City of Holland is assessable and liable. It is Hereby Certified and Recited that all acts, conditions, and things required by the laws and constitution of the State of Michigan, and the provisions of the City Charter, to be done, precedent to the issue of this bond, have been properly done, happened and performed in regular form and time as required by law; and that the total indebtedness of the City of Holland, including this bond, does not exceed any constitution, statutory, or charter limitation. The full faith and credit of the City of Holland, Ottawa county, Michigan, are hereby pledged for the prompt payment of the principal and interest of this bond.

In Witness Whereof, The City of Holland has caused these presents to be executed in the name of the said City, by the Mayor and City Clerk of the said City of Holland, and the seal of said City of Holland to be affixed thereto the first day of November, A. D. 1913.

HOPE COLLEGE IS REMEMBERED IN WILL OF KATHERINE SCHUYLER DU BOIS

Hope College has again been remembered, this time in the shape of a legacy for \$5,000. Dr. G. J. Kollen was informed today that in the will of Mrs. Katherine Schuyler Du Bois, widow of the Rev. Hasbrouck Du Bois, of New York, provision had been made for a bequest of \$5,000 for Hope. The money is left to the local college without any conditions. It can be used in any way the college sees fit.

This bequest is part of the harvest that is still being reaped from the sowing done by Dr. Kollen years ago. It was some years ago that he interested Mrs. Du Bois in the institution here and she showed in her will that she had not forgotten Hope. Doubtless more windfalls of this kind will result from the work of the President Emeritus.

Following this interesting news, it was learned the other gifts and bequests have recently come to Hope that have not yet been reported in our columns.

Since coming to Holland two years ago to assume the presidency of our local college, in addition to his administrative work, Dr. Vennema has been in constant communication with churches and individuals East and West, and had interviews with several persons whom he thought he might interest. The result has been that the contributions from churches have greatly increased, and in response to his appeals the college has received from individuals more than \$8,500. The first gift was that of \$1,000 from his brother, Mr. John Vennema, of Chicago, and the latest received on Tuesday last, was that of \$2,000 from Mr. Cornelius Doser of Grand Rapids, to the Jubilee Endowment fund. Mr. Doser has also promised \$250 for the construction of two tennis courts on the college campus.

In addition to the above, Hon. G. J. Diekema of our city has subscribed \$1000 to the Jubilee Endowment fund. This fund will receive a further increase of \$1,000 from the estate of the late Isaac De Swarte, an uncle of Dr. Vennema, who died in Milwaukee two weeks ago.

WOMAN'S LITERARY CLUB DISCUSSES STIRRING SCENES IN NORTH AND SOUTH

The Work The Women Did During The Civil War Is Lauded By the Speakers

If the first November meeting of the Literary club is a fair example of what the rest of the meetings in the month will be, then every member will miss hearing many good things if she does not attend each one.

Roll call was responded to with many helpful quotations from Lowell.

Mrs. Blekkink followed this with an interesting account of Lowell's life. He is to be remembered not only as a poet but as a "wit, moralist, scholar, diplomat and gentleman."

Nevin's "In a Neighbor's Garden" was then beautifully played by Miss Jennie Brouwer.

Mrs. Burd's paper, "Women of the Civil War" showed very clearly how women at that time began to take up work outside their homes.

Under the leadership of Clara Barton, many women found their true vocation in nursing the soldiers. From their efforts grew the Red Cross society.

Other famous women of this time were - Anna Rickman, Gail Hamilton, and Harriet Beecher Stowe.

Many, whose names we do not know, carried on successfully the work men had left behind to go to war.

As an illustration of what southern women had to endure Mrs. Burd read portions of the stirring diary of Sarah Morgan, a young woman who lived in and near Baton Rouge during the time of the siege of New Orleans.

In closing the words of Olive Schriener were read, which showed that in the end it is women who pay most for war.

Miss Bahr's fine paper "The North" brought out the fact, usually overlooked, that the war was harder for the North than for the South. Although the North had a much larger population, yet it had few soldiers.

When war was declared, most of the best generals were with the south. McClellan was a good disciplinarian, but sought too much to save his soldiers. Grant stood twenty-first in the same class, graduating from West Point in which Robert E. Lee stood second. The Northern men had no slaves to leave behind to carry on their own work. Then too, Northern soldiers not only were obliged to capture new territory but to hold it while the Southerners were at home.

Mrs. James A. Brouwer entertained a dozen of her friends at her home Friday in celebration of her birthday anniversary. The event was fittingly observed and a very delightful afternoon was spent.

The members of Junior class of Hope College were Thursday informally entertained at the home of their classmate Miss Martha Bolks. Games and music in keeping with the season of the year constituted the evening's amusement.

About a dozen or fifteen friends and relatives gathered Friday night at the home of the Rev. Mr. Kruidenier. The function was in the nature of a surprise and the guests had taken refreshments with them. The evening was pleasantly spent. Mr. Kruidenier recently returned from Egypt where he was engaged in mission work for many years.

Following is the program to be given at the meeting of the Woman's Literary club tomorrow afternoon:

Roll call—Quotation from Lowell; James Russell Lowell, with selections, Mrs. Blekkink; Piano solo, Miss Lucy Brouwer; The North, Miss Bahr; Women of the Civil War, Mrs. Bird.

ORGANIZATION EFFECTED THURSDAY AT 1ST CHRISTIAN REFORMED CHURCH IN GRAND RAPIDS

A Christian painters' union was organized Thursday in the parlors of the First Christian Reformed church. Thirty-six members signed their willingness of becoming members. K. DeBlay was chosen temporary chairman and R. Vander Wal, secretary. A constitution will now be formed and at the next meeting permanent officers will be elected. They will also form a part of the Christian Labor alliance which has been formed in Grand Rapids.

Mrs. H. Geurink Died At Age of Fifty Years

After an illness of some duration Mrs. H. Geurink died Wednesday morning at her home near Borculo at the age of 50 years. She is survived by her husband and several children. Funeral was held Saturday at 11 o'clock from the home and 12:30 from the Borculo church.

COMMITTEES OF MAPLE GROVE SCHOOL ARE KEEPING VERY BUSY.

The Maple Grove Parents-Teachers' club will meet tomorrow afternoon at 2:30 o'clock. The Rev. H. J. Veldman, pastor of the First Reformed church, will address the meeting. He will tell of his trip to the Netherlands the past summer and will also give a description of the Hague Conference. There will also be special music on the program.

There is a great deal of interest in the club on the part of the parents and teachers. In addition to the monthly meetings, the various committees are doing a great deal of outside work. For instance recently an orchestra was organized and the club as a whole will have an opportunity to listen to this orchestra soon.

S. O. AND W. A. FAIR ASSOCIATION WILL GATHER AT THE HOME OF SECRETARY A. B. BOSMAN.

There will be a meeting of the directors of the South Ottawa and West Allegan Fair association tomorrow afternoon at 1:30 at the home of Sec. A. B. Bosman. The meeting is for the purpose of winning up the business in connection with the fair held this fall and to make preparations for the annual meetings and election of officers to be held on the second Tuesday in December.

This annual meeting will probably be the most important held in recent years. There is renewed life and vigor in the fair association and this will probably be reflected at the annual meeting when the stockholders will show by their presence in large numbers that they have faith in the future of the organization.

Miss Mary Helen Baker Entertains Friends Thursday Evening

Miss Mary Helen Baker entertained several friends Thursday night at the home of Mr. and Mrs. W. Van Der Ven on W. 13th street. NEW FURNITURE AND PIANO REPAIR SHOP

An innovation in this city, and one that will fill a long felt want, is the opening of a new furniture and piano repair shop by Messrs. William Witt and Schabbe. On many occasions the question has been asked as to how an old piano or dilapidated appearance but still possessing a fine tone, could be made presentable for the home.

Witt and Schabbe have stepped into the breach and have opened a shop in the rooms at the rear of John Meeboer's Tailoring establishment, corner of Eighth and College Avenue, where high class work will be done. They are experienced piano makers and know piano and furniture finishing from A to Z.

Orders can be left either in the Tailor Shop or at the place of business of the new concern.

G. W. KOOYERS RETURNS FROM VISIT TO RUDYARD, MICHIGAN.

G. W. Kooyers has returned from a business trip to Rudyard, Mich. Mr. Kooyers found a flourishing community of Hollanders there, some twenty families in all. Most of the people went to Rudyard from this part of the state and they are without exception making good there. Those who had only forty acres of land while here have bought at a low price there and have no less than eighty acres there. Since the settlement was started and the land has been cleared it has gone up in price so that it is about as valuable now as land is here.

CLIFFORD HOPKINS AND MISS FLORENCE MILLER WEDDED TUESDAY NIGHT

Tuesday night at the home of the bride's sister, Mrs. Otto Heinze in Fennville, the marriage took place of Clifford Hopkins and Miss Florence Miller. Mr. Hopkins is engaged as rural mail carrier on route number six, having held this position for the past three years. The marriage was performed by the Rev. A. H. Lash of Saugatuck, in the presence of the family and some friends, about thirty in all being present.

The bride is a graduate of the Saugatuck high school and for the past eight years she has taught in the Saugatuck school, the Lugers school and the Shase school. During the three years that he has been in the mail service, Mr. Hopkins has not missed a day, with the exception of course of the annual vacation.

Mr. and Mrs. Hopkins will make a ten days' wedding trip to Chicago, and they will be at home to their friends after December 10, at 671 Michigan avenue.

WHAT YOU SAW IN THIS PAPER  
THIRTY FIVE YEARS AGO

Politics are still very quiet in the Village of Zeeland, but business goes on in its even tenor. Mr. J. Blok has put up a new sign over his neat little drug store, and with enterprising spirit has caused to be built, a crosswalk in front of his store. Messrs. De Pree, Van Bree and Westhoek are doing a nice business and are steadily augmenting the capacity of their manufactory. The new church building is almost finished, is plainly and neatly, trimmed with brick, reflecting credit up on the architect and builders. The Zeeland Cornet Band keeps up its practice and amuses itself and friends by serenading at all prominent birthday and wedding parties, making itself quite popular with the townsmen. In fact, every thing in and around Zeeland, denotes thrift and prosperity.

Mr. E. Vander Veen is moving his stock from the old to the new store, which is very handsome.

It is proposed to have another market day in this city—on Wednesday, November 13.

Another one of our old settlers is dead. Mr. J. Vandermeer died last week at the age of seventy four years. He was a resident of Vriesland and is survived by his son, the well known musical composer of Detroit, A. J. Vandermeer.

Day before yesterday we had the pleasure of meeting Mr. Gerrit J. Hesselink, who was so severely injured last summer under a reaping machine. Although Mr. Hesselink has lost his right arm and the thumb of his left hand, his step is firm, his general health good, and like a true soldier—he has courage left to stare fate in the face.

The marriage of the widowed King of the Netherlands, William III, and the Princess Emma of Waldeck Pyrmont, is decided upon. The King held a reception recently for the purpose of receiving congratulations. He is sixty one years old and the future bride is twenty years old. Everybody wants a vacation of some kind, and now another faithful railroad employee—Mr. Chas. Odell—has shouldered his rifle and taken to the north woods to while away his vacation in hunting. Mr. C. The farmers of this locality are sowing a great deal more rye this fall, than usual. Because of the poor crops this year, they think they can raise rye, at least, to fatten their hogs and keep their horses from starving to death.

The fire of yesterday morning is another warning to our Holland Common Council that haste should be made in the matter of Water Works for our city. Fifteen Thousand Dollars worth of property was consumed by the flames and our fire department was absolutely helpless to stop it. The loss is nearly as much as the whole Water Works would cost. It would seem that this lassitude of the Council was rather expensive to our city.

The hunt for local news lately has been worse than a forty year's journey in the wilderness. About all that the average citizen knew was that he was suffering from the effects of the past miserable weather, and that the world outside was a sea of gloom and mud on which disconsolate mortals were attempting to pilot their ships until the coming of tomorrow.

Yesterday morning the night express train did not arrive until 11:05 o'clock instead of 5:25, the usual time. The cause of this delay was an accident fifteen miles this side of Chicago on the Michigan Central. We understand that the two trains collided, resulting in a terrible loss of life.

Market Day in Drenthe last Wednesday had its usual attendance of "drunks" and drunken brawls. Some of the "boys" from this city participated and in the melee one of them was pretty badly handled. We understand that warrants will be issued for ten or fifteen of the Drenthe boys.

YOUNG PEOPLE OF HOLLAND  
HAD GOOD TIME FRIDAY  
NIGHT.

Many Gatherings In Local Homes  
Where Young People  
Make Merry

There were few disturbances in the city Friday and Halloween passed rather quietly. To make up for the excitement of carrying away gates and fences many parties were held at which hundreds of young people enjoyed themselves thoroughly. Following are accounts of a few of these functions:

Ten young ladies and a like number of young men enjoyed a pleasant evening at the home of Miss Elise Plaggenmars, a few miles outside of the city, near Waverly. The guests did not come empty-handed but had provided that a fine lunch might be served. Games were played, and the musical talent of several young people was used to good advantage. One of the young men, abundantly endowed with wit and humor, kept the hilarity of the party constantly aroused, and made the large rooms of the farm house ring with laughter.

The hour to leave, though late, came only too soon. That a splendid time was spent, long to be remembered, was expressed unanimously.

Mr. and Mrs. Peter Derks entertained a party of friends with a Halloween party Friday night at their home, 265 West 17th street. The rooms were artistically decorated with the signs of harvest and witchcraft. Refreshments were served. Flashlight pictures were taken of the group.

Sixteen young couples of this city enjoyed a hayrack ride to the home of Mr. and Mrs. W. J. Vander Beldt south of the city, Friday night, and in the big barn there held a Halloween party. The barn proved a very suitable place for such a function. The decorations were of corn stalks and pumpkins. The party was welcomed by ghosts and a merry time lasted far into the night. Delicious refreshments were served.

A number of Zeeland young people enjoyed a Halloween party at De Kruij's hall in Zeeland Friday night. The hall was beautifully decorated with autumn colors. The evening was spent playing games and in other amusements, Mr. and Mrs. Angus Kruij chaperoned the party. Very dainty refreshments were served and the party dispersed at a late hour, all reporting a good time.

Th Sophomores of the High school entertained the Freshmen with a Halloween party Friday night in the Women's Literary club rooms. Games were played and many stunts of witchcraft pulled off. A sumptuous supper was served, the remains of which were donated to some hungry Juniors. Features of the entertainment were a solo by Miss Hazel Pool, accompanied by Miss Josie Belt; a recitation, "The Haunted House," by Bernard Romeyn; Recitation by James Lanis; fortune telling by three witches and a ghost dance.

Miss Louise Massa entertained a party of her friends with a Halloween party at her home in West 14th street Friday night. The spirit of the occasion was manifest through-

out the evening in decorations and entertainment.

John Terpstra entertained a party of his young friends with a Halloween party Friday night at his home 132 River Avenue.

A party of friends gathered to celebrate Halloween at the home of Mr. and Mrs. J. Skinner, East 8th street, Friday night.

FIRE SATURDAY MORNING  
BELIEVED TO HAVE BEEN SET  
BY UNLAWFUL OCCU-  
PANTS

Horses of No. 1 Fire Team Narrowly  
Escaped Serious Injury as Result of Halloween Prank.

The home of Louis Crow, corner of Ottawa Avenue and 23rd street, was totally destroyed by fire at about 5 o'clock Saturday morning. The loss estimated at about \$2000. Mr. Crow and family are at present visiting in the northern part of the state and do not know of their loss. Although the house has been closed since the family went away about two weeks ago, when it was broken into this morning by firemen, cigarette butts were found strewn about the floor and the basement door was partly open. A can which evidently contained kerosene was found turned over on the floor and it is thought that some one had been occupying the house and had accidentally set fire to it. It is alleged that some have claimed to have seen some one in the house Saturday morning before the fire.

The fire departments promptly responded to the call but the fire had a good start before it was discovered. When the fire department reached the spot it was impossible to save anything and the building was burned to the ground.

As the result of a Halloween prank the horses of the No. 1 Fire department narrowly escaped serious injury. When driving to the fire Saturday the animals struck an old sleigh placed in the street by boys Friday and one of the animals was thrown. The horses struck the sleigh on one side and escaped with slight injuries. The sleigh was smashed to splinters, and this morning, George Hiedema, the owner made a complaint to chief of police court Saturday and questioned as to their actions of the night before, but as yet no action has been taken against any of them.

OTTAWA COUNTY MEN WILL GO  
DEER HUNTING.

County Clerk Jacob Glerum has been busy of late issuing licenses to deer hunters who wish to invade the north country in quest of big game as soon as the season opens. The prospects for lots of game are said to be good this fall and many hunters will go north from Ottawa county.

The following are among those who have already obtained licenses: William Hacklander, Holland township; Wm. Willink, Holland township; Daniel Gunn, Allendale; Alvin Stark, Nunica; Austin Harrington, Holland; Orvil Richardson, Ferrysburg; Henry Kettle, Coopersville; Fred Graham, Robinson; H. A. COLLEGE PLAYERS WIN  
FRIDAY'S CONTEST BY A  
SCORE OF 14 TO 6

The "B" class of Hope college yesterday afternoon defeated the 2nd High school team by a score of 14 to 6. Jellema of the "B's" was the star of the game making long runs around end and going through the line for big gains. Touchdowns were made by Jellema and Prins of the "B's" and Kroker of the second High. Prins kicked goal both times while the High school failed to connect on the punt out after their touchdown. Principal Gilbert of the High school refereed a very satisfactory game. Umpire—Stegeman. Linesman—Boeve.

PHILIP GOODIKE GIVES GOOD  
EXPLANATION BUT MUST  
STAND TRIAL.

When Philip Goodike was arrested Tuesday charged with selling potatoes at short measure it came to light that the people that bought potatoes from him have been buccooed whether intentionally or unintentionally on his part. He pleaded not guilty to the charge saying that he was selling potatoes by the basket and not by the bushel.

It is alleged that Goodike sold John Tinholt some potatoes at 70 cents a bushel but when Tinholt weighed them they lacked 12 pounds of being a bushel. Goodike claimed he did not sell the potatoes by the bushel but by the basket but Tinholt said he thought he was buying a bushel as the baskets look exactly like bushel baskets. Goodike will appear for trial Saturday afternoon at 1:30 in the city hall.

POTATO FLOUR MADE IN THE  
OLD COUNTRY.

The production of potato flour in Holland is increasing rapidly and the product is steadily finding more markets abroad. The total production is now not less than 275,000,000 pounds yearly, and the prices rule lower now than they did a year or two ago. Much of this flour is finding a market in the United States, where it is used for starch manufacture.

**CLASS MARCHES INTO CHAPEL  
RESPONDENT IN GLAD RAGS**

The "A" class of Hope College blossomed out Monday in fine Mackinaws. Seats were reserved for them in chapel and at five minutes to eight the class marched in. After a march around chapel they took their places and "entertained" the other classes with their songs and yells.

It is customary at this time each year for the graduating class of the Preparatory department to originate a stunt of some kind and appear in some distinctly class garb. For the past few years the classes have worn sweaters but this year the "A's" departed from the custom and have purchased Mackinaws. The Mackinaws are of the usual design, dark brown in color. For this morning's celebration they wore upon the sleeve a green and white band, bearing in monogram form "H. C. P. '14."

For a few years back this event has been preceded by a class rush. The "A's" have generally put up a class banner which the "B's" in turn have attempted to tear down. This year the "B's" took the initiative and put up a banner last week which was quite a take-off on the "A's." The upper classmen, however, did not seem to resent the action and the banner waved unmolested for two days. It has now disappeared but there was no demonstration of any kind.

The "B's" Monday posted the following announcement. "The 'B' class hereby unconditionally accepts any challenge the 'A' class may put up." It is expected this will bring results either in some kind of a class rush or inter-class rush.

**CENTENARY JUBILEE IN THE  
PANTLIND TO BE INTERESTING EVENT**

The subjects of the speakers who will appear on the program at the banquet in the Pantlind hotel, November 17 to commemorate the centenary of the liberation of the Netherlands and French rule, have been announced. Dr. J. Van Lonkhuijzen of Grand Rapids will deliver an address of introduction, calling attention to the historical setting of the time when the liberation took place a hundred years ago. Prof. J. E. Kulze of this city will speak on "Hollandsche Moeders." Dr. H. Beets of Grand Rapids has chosen for his subject, "Wat Het Huis Van Oranje Deed Voor Vijf Landen." Hon. G. J. Diekema has not yet announced the subject of his address. Attorney Gelmer Kuiper of Grand Rapids will be toastmaster.

**AND THE PEOPLE OF TWO COUNTRIES  
EXTEND CONGRATULATIONS**

Allegan people generally, and their friends especially, are pleased at the announcement of the marriage of Judge Philip H. Padgham and Mrs. Bertha Landon, which took place at their home, Linden farm, Saturday evening. It was an event which their friends hoped would in due time occur but no one knew positively that it was to take place. Rev. and Mrs. Otway Colvin and Mr. Padgham's niece, Mrs. Carrie Wilder, were invited to the Padgham home Saturday evening for tea. Afterward the domoie was informed that he had been invited there to perform a service. Mr. Colvin said afterward that he suspected such a turn of events and was prepared. The ceremony was simply performed and the evening passed in the enjoyment of the fine home. Mrs. Padgham is a woman of superior character and personality and Judge Padgham is fortunate in getting such a one for his wife. Their home is certain to be one of great happiness. Mrs. Padgham's three fine children will bring much joy into the advancing age of one of Allegan's most esteemed and distinguished citizens. He is certain to receive congratulations from many sources.

**OFFICIAL OF GAS COMPANY  
SAYS THEY WILL DO FOR  
THIS CITY WHAT WAS  
DONE FOR JACKSON**

"In looking over the Mississippi State Fair Edition of the Jackson Daily News published in Jackson, Mississippi, where the gas, electric and street rail way plants are owned by the American Public Utilities Co.,

and operated by Kelsey, Brewer & Company, I find the marked article enclosed herewith, headed "Jackson Has a Popular Corporation." Public sentiment and the attitude of the people toward the local utilities company differ so widely in Jackson and Holland that I am prompted to send you the enclosed as an item of concrete evidence of what Kelsey, Brewer & Co. have been able to accomplish through a local manager no more capable relatively nor more agreeable personally than Mr. Davis.

We have owned the Jackson property less than two years. When we took it, the gas plant was in far worse condition than the Holland plant two or three years ago. The street car service was nowhere near as adequate for a thriving city; damage suits were almost a daily occurrence, and public sentiment was at an extremely low ebb. We resolved, as we have done at Holland and in other places, to give the people good service and ask them for a square deal. They responded, and it was not long before evidences of their confidence in the owners of the property became noticeable. The business of all the departments has grown at a satisfactory rate, good service has been maintained, and the actions for damages, imaginary and otherwise are now only about ten per cent of what they were.

What we have done for Jackson and its people is exactly what we would like to do for your community. A gas plant can be of material benefit to any city, but co-operation, fair play, and not opposition, is very essential.

I am sending you the Jackson article with the idea that possibly you might want to reprint it or comment upon it in one of your papers.

Very truly yours,

Gavett

The clipping referred to in the above letter follows. It is from the Jackson Daily News:

"Jackson can justly claim a rare asset of municipal life in the form of a population public service corporation."

The time was when Jackson could not make a claim of this sort, for eighteen months ago the Jackson Electric Light, Power and Street railway company was the most unpopular of all corporations in the capital city, and lots of folks sat up nights thinking out new ways of abusing its service.

The new order of things was ushered in when the electric light, power and gas franchise, together with their properties were sold to Messrs Kelsey, Brewer and company, of Grand Rapids, Michigan, and reorganized under the name of the Jackson Light and Traction company.

That was in May, 1912 and since that time, by uniform courtesy, fair dealing and reasonable rates, the Jackson Light and Traction company has steadily won its way into public favor until now one rarely hears an unkind remark concerning its service.

Especially has this been true since Mr. Raymond H. Smith, of Albany, N. Y., assumed charge as general manager. He is one traction official who doesn't have to travel on the back streets to escape the people who have kicks to make. Raymond Smith relishes kicks, and he has signalized the opening of his administration by inviting all persons who have complaints to make to bring them direct to him and they would receive polite hearing and prompt attention.

This attitude was so unusual that the public promptly accepted the invitation. Mr. Smith gave careful hearing to all complaints or suggestions, regardless of their nature, and in many instances, he has evolved from these kicks, good ideas for the management of the plant.

As a more substantial evidence of its desires to please the public, the Jackson Light and Traction Co. immediately went to work to improve its service. More than a half a million dollars was expended within a year for betterment. Several of the lines were practically rebuilt, new cars were purchased, the space between the rails which had so long been a bone of contention and an eye sore to the community, was properly paved, and in every way possible the company has endeavored to give the people of Jackson their money's worth.

Today no city of similar size in the United States has a better street car service than Jackson. The gas service has also been vastly improved, the lighting contract of the municipality is being more satisfactorily filled and the community and the corporation are getting along on terms of absolute harmony, each realizing that their interests are mutual, and that this corporation must be a most important factor in the growth and progress of Greater Jackson.

Mr. Smith's personal popularity

with the citizens of Jackson has been shown in many ways. He is one of the most active and energetic members of the board of trade, a director of the State fair, and has labored zealously in behalf of both of those splendid organizations. He is a busy man always, yet he is never too busy to get out and do his full share of work in behalf of any movement for the common good.

An examination of the minutes of the municipal commission for the past ten months show that not a single complaint of serious character has been lodged against the street railway, gas or electric lighting service, which is a most unusual record.

Recently the commission showed its faith in this company and its desire to help in the growth of Jackson by awarding it the contract to furnish the power for the new water pumping station. Manager Smith submitted a bid for power at a figure less than the city of Jackson could manufacture power on the site and confidence is felt that the service will be eminently satisfactory, for the company's power plant is large enough to furnish the power for a city of 100,000 population.

Municipalities that are having trouble with their public service corporations, or corporations that can't get along with the owners of these franchises, ought to send representatives to Jackson and learn a valuable lesson.

# MRS. VAN DUREN IS MEETING WITH SUCCESS

All School Children Should Boost For Anti Tuberculosis Red Cross Seals

Mrs. G. J. Van Duren, who has taken charge of Ottawa County, relative to the sale of seals for the benefit of the Michigan Anti Tuberculosis Association, under the auspices of the Red Cross, is meeting with considerable success.

As stated before, the pupils in the schools can materially aid in this great work, and also in return receive some benefit which will be of great help to them in the future. School contests in selling stamps are being inaugurated in Holland and the rural districts. Information relative to these contests will be found below. Photographs of the drinking fountain and of the Red Cross seals are pictured in this article.

**Rural School Drinking Fountains**  
Four "Woodland Spring" drinking fountains, presented by the Dail Steel Products Company, of Lansing Michigan, will be awarded to the four rural school in Michigan selling the highest number of seals per capita (based on the enrollment, December 1, 1913.)

The "Woodland Spring" is a most

complete and practical profit for the rural school water supply, providing every advantage of the city water pressure. The water is always cool yet cannot freeze. The bubbler is always clean and sanitary, and the whole outfit is substantial and attractive. It has been inspected and approved by the Secretary of the State Board of Health and the Superintendent of Public Instruction of this State.

Now is your chance to get this handsome prize in return for selling Red Cross Christmas seals. The contest is open to all rural schools of Michigan.

## Buttons

A button will be given to each child in rural schools selling 100 or more seals, and to each other child in other schools selling 200 or more seals.

## Visiting Nurse

One month's services of a visiting nurse will be awarded to each of the **TWELVE COUNTIES** in Michigan selling the most seals per capita (based on the 1910 census).

No trouble will be spared in securing the best nurse available for this work, and her services will well repay the counties who are fortunate enough to secure this prize. All seals sold in the county, whether through rural or city agents, will be counted in awarding this prize. **WHY YOUR** county be one of the twelve having the best sales?

## Rules

1. The Michigan Anti-Tuberculosis Association will make the award on the certificates submitted and disclaims any responsibility for error made by individuals certifying for respective schools.

2. In order to receive prizes reports must be received in the State office not later than six o'clock p. m. Saturday, January 17, 1914.

# LAWYER SYMMES CLEARED BY COURT

Chicago Tribune Man Acquitted in Michigan Of Charge Of Attempted Bribery

Chicago Tribune. — Attorney Thomas J. Symmes of Chicago was acquitted Saturday in Holland, Mich. of the charge of bribing or attempting to bribe with \$50 Louis H. Osterhaus, state's attorney of Ottawa county. The complaint was made by Detective Thomas V. Flanagan of Chicago, at the instance, Symmes asserts, of State's Attorney MacLay Hoyne.

Flanagan failed to show, as he had charged, that Mr. Symmes had offered or paid money to Mr. Osterhaus to prosecute him and Detective James Carlin, also of Hoyne's staff, for kidnapping Charles Scharterberg, an employee of The Chicago Tribune, and Scharterberg's wife and six weeks old baby, from Macatawa Beach, Mich., last summer.

**Will Not Let Alderman Resign**  
Alderman Dyke handed in his resignation last night stating that he was going to Petosky for some time and would not be able to attend the meetings. Ald Congleton, in view of the fact that Ald. Dyke has served as member of the council for the past three years and as his term is nearly over, moved that the resignation be placed on file which is the same as refusing to accept it. The motion unanimously carried.

Ald. Dyke thanked the aldermen for the kindness and said he would attend the meetings any time he happened to be in this city.

His resignation reads as follows: Holland, Mich., November 5, 1913.

To the Honorable the Mayor and Common Council of the City of Holland,

Gentlemen:

I hereby tender to your honorable body my resignation as Alderman of the Third Ward of the City of Holland, to take immediate effect.

I do so at this time, as I am leaving the city, to be gone most of the time during the next several months and I believe that it would be unfair to my ward and the city to continue in office, and not be able to be present and attend to the duties thereof.

I regret to be so placed that I must sever some of the pleasant associations that I have here made, and to thank those who have shown me many courtesies, while in office, and to assure them of my best wishes, and that I hope that the future may be filled with the greatest good to the city and its government.

Respectfully,

Frank Dyke Ald. 3rd Ward.

## Items of Interest

The Mayor and the City Clerk were given the power by the council to make a loan if necessary to meet the next pay roll.

A request by Engineer Naberhuis that he be instructed to put a cement floor in the building used to store the paving implements was referred to the Committee on Building and Property with power to act.

The Gastests for the past three weeks were as follows: Number of tests 52; Highest 648; lowest, 566; average 611; five out of 52 were below 600.

The council adopted a motion that the Board of Public Works be instructed to get plans and specifications for construction of sewer on Ninth street.

The city Treasurer was granted permission to get assistance of between \$50 and \$75 during the month of December.

At an earlier meeting two crosswalks were ordered in but as Mr. Brouwer's contract has expired he refused to put any more crosswalks in this winter. The Council decided to grant the contract to Henry Oostling. A crosswalk has been ordered in on the corner of Pine Avenue and Nineteenth Street.

Haggin and Grooters, who own most of the property near the Madison place on the North Side have offered to grade the street adjoining their property if they can use the dirt. The matter was referred to the Committee on Streets and Crosswalks.

# EVIDENCE DISQUALIFYING VRUINK, FORMERLY OF HOPE, WAS DUG OUT OF HOLLAND CITY NEWS FILES

Chicago Detectives Come To Holland To Get Proof Barring Vruink Of Chicago University Team

A dapper little man called on the News about ten days ago and asked the editor if he could look over the files of the News. The editor was unaware of his identity and paid little attention to the gentleman, as similar requests to look over files come in from strangers and citizens nearly every day. The News has the only files in the city that gives the happenings of Holland from 1872 to the present date, consequently they are very much in use, not alone as a matter of information, but also as evidence in court. As a result of the detective's search enough evidence was unearthed in the sporting columns of the News to bar Vruink from the lineup of the Maroons, and Coach Staggs was compelled to substitute an inferior man in his place of left end.

While we are sorry that Vruink was eliminated from the Chicago University lineup with the unknown aid of the News, we are compelled as a matter of courtesy to throw our files open to any and everyone, and this case was not an exception. The justice of the evidence has nothing whatever to do with this paper. The decision of the Conference, which embodies seven or eight schools, passed upon information brought in by the sleuth which showed that Vruink had played two years at Hope and one year, which was last year, at the Chicago University. As three years only, of college playing, are allowed, this barred Vruink when he attempted to play this year.

# The Point in Question

Why is it that we do the Lion's share of the Clothing business in Holland?

Why is it that the number of people who buy Clothing here increases every year?

Why is it that the Men, Young Fellows and Boys who are most particular about their Clothes come here for them?

Why is it that the man who thinks he can not be properly fitted in ready-to-wear Clothes, changes his opinion after he has given our sort of Clothes a trial.

There's only one answer and its this: Our sort of Clothing is built on higher ideals than the kind you find most anywhere—no other clothing so successfully rivals the made-to-order product at half its price.
