JACKIE BAND AND A THOUSAND COMING FROM GRAND HAVEN

HALF OF COUNTY SEAT WILL SEE FOOTBALL TEAM PLAY HOLLAND HIGH

Grand Haven will be the guest of Holland Saturday, and Holland should and will be right on hand to welcome them. The Grand Haven High football team plays Holland high at Waterworks Park and that the rivalry will be keen goes without saying.

The whole affair should be of a sportsmanlike nature however, and nothing should transpire that will mar the friendly neighborly spirit and the feeling for co-operation that has gradually been growing between the two cities.

While in the olden days Grand Haven was nearly a day's ride by rig from Holland, today we are only 35 minutes from the county capitol, practically one, so to speak because of rapid transit.

Anyway Grand Haven is coming over the pike Saturday more than 1000 strong and will take the Jackie band along.

No doubt Holland's Legion band will be out and possibly a drum corps, and between a short Armistice Day parade and the banner football game of the season. Saturday should be a gala day in Holland.

It is understood that many merchants are to close their places of business from noon until 6 o'clock to help celebrate not only Armistice day but the big football game as well.

Principal Riemersma was in Grand Haven yesterday morning and put the finishing touches on the match, arranged for seats for the Grand Haven aggregation, and transacted business incident to the game.

It is estimated that at least 3,000 people will take in the big match Saturday afternoon, in fact the authorities are wondering how the big crowd will be taken care of.

Anyway here's a chance to boost the Holland team and show a sportsmanlike spirit to the visiting team.

ENTERTAINS FOR VISITORS FROM OTHER STATES

Tuesday Mrs. A. E. McClellan entertained some friends in honor of Mrs. W. A. Holley of Illinois, and Mrs. C. E. Smith of Trinidad Colo. The following were present: Mesdames Aleta Fairbanks, I. H. Fairbanks, J. Wise, J. E. Lewis, J. Hoffman, A. Clark-Gross, W. A. Holley, C. Hanson, J. Knutson, A. E. McClellan, T. Winstrom, O. D. Buttume, C. Tuttle, D. Wise, P. Knutson, Dan Bertsch, C. Fairbanks, J. Te Reller. Mrs. W. A. Holley Mrs. Hoffman and Mrs. Smith were formerly members of the choir of the M. E. church of Holland. An enjoyable time was spent and an interesting program was carried out. Mrs. Gross and Mrs. Smith singing some fine solos accompanied by Mrs. Winstrom on the piano. Mrs. D. Bertsch entertained the company with her artistic whistling and recited a number of appropriate pieces. At the close of the program dainty refreshments were served. All appreciated the kindness and social hour afforded by the hostess, Mrs. McClellan.

GRAND HAVEN MAY LOSE A VERY LARGE INDUSTRY

Grand Haven Tribune—Grand Haven citizens will be called on within a day or two to decide whether or not an important new industry will remain in Grand Haven. Whether the rapidly growing Bildmor Block company, will remain here or go elsewhere, must be decided by the citizens of Grand Haven within a very few days. The proposition up to the people of Grand Haven is not a matter of buying stock in the company. The organization is completely financed by some of the best financial men in Grand Rapids and other Michigan cities.

Grand Haven's part in the plan is to provide a building that the Bildmor company can lease or buy immediately. The building requirements of the company must have from 15,000 to 18,000 square feet of floor space. The Chamber of Commerce has property which can be used for a site, and which will be turned over if the building project goes through. The building will have to be financed by local capital, and it is estimated that the cost will not exceed \$25,000. Judging from the amount of money which is sent out of Grand Haven each year in outside investments of all characters, safe and unsafe, this amount should

WANTED TEN MEN

Steady Work

H. J. HEINZ CO.

ARMISTICE DAY

Proclamation of the Mayor

November 11 is conceded by all loyal patriotic Americans to be a day that should be properly observed and as a time when all of us should cease our labors and take an earnest reflection into the past, and consider thoughtfully the meaning of this important date.

Armistice Day ended the most bloody conflict in all history, and the ending of this terrible war left its scars upon the young manhood of this nation. Thousands lie buried in foreign fields, thousands more are resting in the homeland.

It is to commemorate the deeds done by these soldiers dead and the soldiers still living who fought bravely for humanity, that I kindly request that all factory institutions in Holland close on the afternoon of that day, and that all business places of the merchants next Saturday be closed from 1 to 3 o'clock in order that the day may be given some significance until such a time as the nation sees fit to declare it a legal holiday.

Mayor. E. P. STEPHAN,

FAKE JEWELRY FIRMS IN HANDS OF THE LAW

CANADIAN POSTOFFICE DEPARTMENT BARS MAILS TO SILVERWARE FIRMS

Holland has been flooded with postal cards and circular letters coming from Canada from what are called prize silverware firms who advertised bargains that are unheard of and impossible in any legitimate jewelry business.

Both the United States and Canadian postoffice authorities have received instructions from the postoffice department headquarters at Ottawa, Canada, that fraud orders have been put into effect against a number of concerns which have been using the mails for illegal purposes.

A large number of these prize concerns operate from Montreal and bulletins have been received in Holland and elsewhere showing up at least 15 of these fraudulent jewelry firms.

There are also fake radio mail order houses operated in Canada and the United States, and between the two countries these fakes are going to be wiped out.

It was reported that some of these concerns have a number of their victims in Ottawa county, but the amount of mail sent to these mail order houses has been small.

It seems that Barnum's adage continues to hold true namely that "People will be humbugged," and while they say there's one born every minute, it seems that even a sucker could see through these glaring fakes.

Buy from your home merchants whom you know, and can trust. The theory of getting something for nothing has been exploded long ago.

OTTAWA COUNTY MAN, 99, STILL HE LIKES TO SWIM

Goes Fishing With the Kids and Has As Big a Time As Any of Them

"Grandpa" Joseph Murray, of Coopersville, was 99 recently, but he is still very much of a boy. He loves nothing better than to go fishing with the kids; and last summer, he got as mad as a hornet because his grandsons would not let him go swimming.

It was 75 years ago, in 1847, when "Grandpa" first settled in a densely wooded country west of Grand Rapids. There was no Coopersville then, and the closest of the five families in the neighborhood was a mile away thru the woods. He and his brothers, orphans, had driven an ox team from New York to take possession of a farm 4 1/2 miles southwest of the present site of Coopersville. He remembers when the present town was built on the high ground in a swamp as a nucleus about the railway station which went up on land donated by Mr. Cooper.

Up to five years ago "Grandpa" was as chipper as a squirrel. Since a fall which fractured his hip, however, he has not been so spry as before. Still he is an omnivorous reader, peruses the papers daily, and he has a reputation for being able to outfigure a professor of algebra. He is living now with his grandson, L. C. Murray, in the village; at present looking forward to next summer when he can go fishing again.

"Ox cart to airplane, he has seen them all," say his grandchildren. "And he loves an auto ride as much as any youngster."

SEWING THREAD SPECIAL

Cotton is continually going up. Here is your last chance to buy Coat's Machine sewing thread at 55 cents a dozen, all sizes in black and white. A. Peters 5 and 10 Cents Store and Bazaar.

FERRIS IS FIRST DEM. SENATOR IN SEVENTY YEARS

NOT SINCE 1853 DID MICHIGAN ELECT DEMOCRAT TO UPPER HOUSE

Ottawa and Allegan Counties Stood By Senator Townsend on Tuesday

Thruout Wednesday and Thursday, as the returns from rural districts continued to come in, former Governor Ferris continued to lead Senator Townsend for a seat in the U. S. Senate. His election was assured Wednesday afternoon, and it was made doubly sure by later returns. With 2,665 precincts out of 2,906 heard from, Ferris had a total of 276,730 and Townsend 260,795, giving Ferris a lead of 15,935.

It is rumored in Washington that Senator Newberry will resign as a result of the election in Michigan. Senator-elect Ferris stated repeatedly in the campaign that he would move to reopen the Newberry case, and the number of senators favorable to Newberry has been reduced so materially, that it is believed he would be unseated if the case were re-opened.

W. N. Ferris will be the first democrat Michigan has elected to the U. S. Senate in 70 years. It was away back in 1853 that Charles E. Stuart of Kalamazoo began his term and since then Republican victories have been unbroken.

Stuart was born in Columbia county, N. Y., in 1810, coming to Michigan in 1835. He was one of the most distinguished members of the Michigan bar during his day, and the reputation gained as a lawyer followed him to the legislative halls at Washington. He was a skilled debater and parliamentarian, having been president pro tem of the senate at one time and at various times presiding officer.

Ottawa county stood by Senator Townsend. With twenty out of 29 precincts reported, Townsend received 3,196 votes here and Ferris 2,220, showing how strongly republican the county is. Ferris is personally popular in Ottawa, but he could not overcome the normal Republican majority. Allegan county also stood by the man from Jackson and by about the same vote as did Ottawa. In Allegan county 30 out of 32 precincts have reported, giving Townsend 3230 and Ferris 2,108.

WHAT TOWNSEND SAYS

Jackson, Nov. 8.—Sen. Chas. E. Townsend issued the following statement from his home here:

"From the returns now in it clearly appears that Mr. Ferris has been elected to the U. S. senate. I was not entirely surprised at the result. The republican primary created great dissension in the party and Mr. Ferris profited by it in the campaign which immediately followed. Many women believed—I know erroneously—that I had committed an offense against good government when I voted to seat Newberry in the senate. Mr. Ferris capitalized this sentiment, and I was defeated. No one, of course, likes to be defeated but I have no complaint to file against the people of Michigan. I had hoped to continue the work I had begun in congress and it was that desire which induced me to stand for re-election, and not any wish to gratify my personal ambition. I have faith in the people and bow gracefully to their decisions.

"At the moment I am not able to understand how my defeat by Mr. Ferris will be beneficial to Michigan, but I sincerely hope it will be. He has my best wishes for success.

"I am profoundly grateful for the splendid friendship which has been demonstrated for me by the thousands of friends who have volunteered their assistance to me. I shall carry their memory with me to the end of my life."

Sen. Townsend commented on the fact that the most "heartbreaking" part of the result was the fact that Jackson county—"my birthplace and always my home"—turned against him. The senator made no announcement of his plans for the future following his retirement from the senate next March.

A \$100,000 FIRE IN GRAND RAPIDS

Fire late last night swept thru the City Bakery company's 3-story building at 100-102 Commerce-av. SW., Grand Rapids causing a damage estimated early this morning at \$100,000 and imperiled the lives of four persons who escaped in the smoke and flames as a crowd of 3,000 looked on.

Three men two of them firemen, had been injured, none seriously, before the flames were under control.

E. George Saulsbury, 67, of 428 Benson-st., in charge of the company barns who was asleep on the third floor was rescued by Fire Marshal G. T. Boughner, Capt. Reilly and other firemen. He was nearly suffocated and stood poised to jump from a window.

Mathey Keiser, No. 10 ladderman, fell three stories when a stream of water swept him from a ladder. Marc Wester, No. 10 fireman, was cut by glass.

EVEN HOLLAND BARBER SHOPS AND POOL ROOMS TO CLOSE SATURDAY

BUSINESS HOUSES TO BE CLOSED UP TIGHT ON ARMISTICE AFTERNOON

Committee Do Very Good Work; Business Men Show a Fine Spirit

A change has been made in the closing time during Armistice day afternoon, Saturday, by the merchants of Holland.

At first it was considered hastily that in deference to the day we commemorate, at least business should be discontinued for a while, and the time was set from the noon hour until 3 o'clock.

However a committee composed of Bert Slagh, chairman, and Arend Siersma and Dick Van Tatenhove called upon all the merchants in the city and with but a few exceptions they signed a petition stating that they would close from 12 until 6 o'clock, opening up again for Saturday night's shopping.

The business men showed a fine spirit in fact drug stores, generally open on all occasions, pool rooms, barber shops, fruit stores and proprietors of all places of business of all kinds fell in line with the idea that as far as doing shopping is concerned the town will be closed tight from 12 o'clock to 6 o'clock.

The city has decided to decorate the streets, and merchants are requested to decorate also, hang out the Stars and Stripes and make the day really significant.

There is no doubt that had the day fallen on any other time but Saturday, Holland would have made a legal holiday of it, the same as in the past, but possibly because of custom, a bulk of the shopping is done on Saturday afternoon and night, and many thousands would be inconvenienced on this account.

The merchants have done very nicely however. 75 showing their willingness to close all Saturday afternoon, reopening in the evening for the accommodation of customers.

ONE RED ROSE PER YEAR IS ONLY RENT PAID FOR CHURCH

EVERY MEMBER OF THE CONGREGATION HAS BEEN PAYING IT SINCE 1772

Gold has not always been the price demanded for the use of property. Even today valuable lands in America and England are held on the payment each year of something of no particular value, such as a certain kind of flower or a few bushels of wheat or the rendering of a little service.

In the town of Manheim, Pa., there is a little building known as Red Rose church, which is held by the congregation on the annual payment by each member of one red rose to the family of Wm. Henry Spiegel. This was the price stipulated in 1772, and each June the congregation calls at the Spiegel house and pays its rent.

In addition to the roses the congregation as a whole pays five shillings in money. The equivalent of five shillings in American money will not do because the deal stipulated shillings, and shillings it must be. The payment of the rent for the church has developed into a pretty custom which attracts many from miles around.

There are not many parcels in America held thus, for this country came into being long after feudal days, during which time deals of such nature were not uncommon.

It is in England that deals of such character will be found in numbers. Some of its fairest acres and most valuable property are held on the payment each year of a mere pittance and some efforts have been made to get parliament to make ineffective these old deals, which in many cases hold lands of wonderful worth to the government.

On Easter Monday morning, the young men of the parish of Soleshill in Warwickshire, if they catch a hare before ten o'clock and bring it to the vicar of the parish, are supplied by him with a calf's head and 100 eggs for breakfast. It is on this condition that he holds his glebe.

Many of the manors and fine ancestral homes of England are held on conditions of very odd tenures. Some of them were simple enough and well known. Among them are those by which the Duke of Marlborough and the Duke of Wellington hold their possessions, granted to them by the nation for their predecessors' military successes. Each has to present a small ensign yearly at Windsor Castle.

The complete returns on sheriff has just been received and the total majority for Fred Kamferbeek, Democrat is 142. Talmadge and Wright were still to be heard from, but the former gave Fortney 6 and the latter 90, cutting down Kamferbeek's lead to 142.

Card of Thanks

We wish to express our heartfelt thanks to the friends and neighbors for their kindness, sympathy and assistance which we received during the illness and death of our beloved son.

Mr. Mavis Van Dis and family.

ZEELAND

Anna Stremmer of this city and Rea Bekker, Herman Bekker, and Frank Patrick of Holland spent a week in Chicago.

The city of Zeeland is constructing a concrete block tool house at the rear of the city hall.

Chester Fox has purchased the property of Thomas Scholten on So. Maple street last week. Mr. Scholten bought the lot on Cherry St. of Ralph De Haan and will erect a residence on the same.

On last Friday evening at about 7 o'clock, M. C. Ver Hage, while on his way to attend a hardware dealers' meeting in Holland, struck the rear end of a Ford touring car with his automobile which he was driving. The collision occurred near the top of the hill just beyond the Scholten bridge where Grover Smith of West Olive had parked his car in the road while mending his lights. Circumstances formed so that the accident was bound to happen, for at the time Ver Hage approached there were other cars coming from the opposite direction and in consequence all were running under dimmed lights and it was not possible to see the car parked in the road.

Miss Miriam Boswinkel entertained with a Halloween party at her home on Main street last week.

Frank Rygarczyk moved his house hold effects from Central avenue to a home on Church street.

Born to Mr. and Mrs. A. Bosch a son; to Mr. and Mrs. Henry Goodyk, twin sons; to Mr. and Mrs. J. L. Bos, a son; to Mr. and Mrs. Geo. Ensing a son; to Mr. and Mrs. Tony Metternick, a daughter.

Mr. and Mrs. A. De Haan of E. Lincoln avenue were greatly surprised Wednesday evening Oct. 25, by their children and grandchildren, who gathered to help celebrate their birthday. This is the first time in years that all were able to be present. The decorations were very appropriate and the evening was spent with music and games after which a supper was served.

NORTH BLENDON

On Thursday, October 26, Mr. Ben Bruins and Miss Clara Visser were united in marriage by Rev. Pikaart at the home of the groom with brothers and sisters present.

Wm. Dykstra is employed at the Limbert factory in Holland.

John Moll and Roy Westvelt have built a new feed mill at North Blendon.

Mrs. Jake Jongekryg visited with Mrs. Herman Bontekoe in Holland Wednesday.

Miss Rena Rietman and Clara Elzinga are working at the Heinz pickle factory at Holland.

John Rietman and Edward Dreyer are drawing onions and taking celery to the Holland boat dock.

FOREST GROVE

Mr. and Mrs. R. Subersma, of Holland were guests at the home of Mr. and Mrs. John Van Dam over the week-end.

Henry Kamps figured in an auto accident last Friday evening. Meeting another car near iKekover place the lights of which blinded him, he drove his car into a ditch. He fortunately escaped injury altho his car is wrecked.

VRIESLAND

On Monday evening the brothers and sister of Mrs. T. W. Van Haitsman pleasantly surprised her at her home, the occasion being her birthday. Refreshments were served and all enjoyed the evening.

Miss Elizabeth Van Zanten of Holland was the guest of Marie Ver Hage Thursday and Friday.

Mr. and Mrs. Abel Sybersma and little daughters of Holland were Sunday visitors with their parents, Mr. and Mrs. Simon Bos, sr.

HAMILTON PASTOR GIVES ADDRESS ON PRAYER

"Link up with God," was the message of Rev. Fred Van Dyke, pastor of the 2nd Reformed church at Hamilton when he addressed the Hope College students on the second day of prayer week on the subject of "Preparation or Prayer." "You will find," he continued that as students you will never realize the day of accomplishment through isolated endeavors. The greatest preparation for service, and the power behind all influential spiritual effort, has been prayer, deep and sincere. True character reveals itself in prayer. If you want to find your real self, you must pray, if you desire to know your weakness, you must pray. Through prayer we can cultivate the cardinal virtues that lead to humility, and in prayer we find the common meeting ground that will bring about the brotherhood of man."

COOPERSVILLE MEN START THEIR SEASON

County Y Secretary Smith was in Coopersville Wednesday evening to start off the season for the Community Recreation association, corresponding to the Busy Men here. About 40 men were present at the meeting and the association is going after a membership of sixty. A good feed was enjoyed and volleyball and other games were played. The association is godfather to two junior organizations, the Hi-Y and the Junior Y. These organizations will meet in the same building each week. Wessell Shears was named chairman of the association.

H. Was and family have returned from Grand Rapids where they attended the funeral of Mrs. Was' sister, Mrs. C. Hoover.

Dr. A. Oltmans, missionary to Japan will give an address at the Seminary Hall at 4 o'clock this afternoon on the topic "Japan and her relation to other nations." This will be the first of a series of three that Dr. Oltmans will give.

CHESTNUT TREES ARE VALUABLE TO THE FARMS

Allegan Gazette—Again the Allegan stores are supplied with home grown chestnuts of perfect condition and quality. As high as ten dollars per bushel were paid for them, making the production highly profitable. One farmer has a half dozen trees from which he usually sells as much as \$80 worth of nuts. It is surprising that more farmers do not plant chestnut trees. The cost of young trees is not great and they can be set about anywhere—waste places about the farm, on lawns, or in the streets. They grow rapidly and come into bearing in a few years. The trees are ornamental and entirely hardy. An additional reason, which the Gazette has often given, is that in Ohio and Pennsylvania, which states used to be the principal source of supply of chestnuts, the trees are rapidly becoming extinct thru the ravages of worms, which also infest the nuts, while in Michigan there are worms in neither.

JUDGE VANDER WERP SENTENCES MAN TO 40 YEARS

Judge John Vander Werp of Muskegon sentenced Raymond Wilson, kidnaper of little 11-year-old Rosalie Shanty to serve 40 years at hard labor in Marquette prison. Wilson had taken the little Miss for a ride last Sunday as she was coming from church and continued to drive several miles north from Muskegon.

Miss Rosaline is popular on the Muskegon bathing beaches and has proven to be an expert swimmer and diver and the wonder of the resorters at that point. Judge Vander Werp in passing sentence on Wilson said:

"Never have I been called upon to sentence a man for a more heinous crime. It is difficult to comprehend that an adult man would stoop so low as to commit the deed of which you have confessed you are guilty. I have read the confession and you agree that it is true. I have talked with you and consider you to be a highly dangerous character. Womanhood and girlhood are not safe with you at large.

"When I consider the mental and physical suffering you have caused Rosalie Shanty, the anguish of the relatives, the effect of the crime upon the minds of the public, the sanctity of the law violated, I am overwhelmed with emotion and I cannot trust myself to speak at length. If I were permitted to do so I would imprison you for life. Under the statute that is impossible, so I decree that you shall be sent to the Marquette prison for a term of 35 to 40 years with the maximum sentence recommended."

SHERIFF MAKES TWO ARRESTS ON DRUNK CHARGES

Alfred Bates was arrested by the sheriff Thursday night at the home of A. Dalton in Grand Haven. Bates hails from Gr. Rapids and had imbibed of too much wood alcohol according to officers. He first was reported in Spring Lake but in response to the call Officer DeWitt did not find him. The next report came from Grand Haven at the Dalton home where Bates had forced his way in and was making things fly. A scuffle ensued and the owner of the house aided by John Barleycorn subdued the intruder and summoned the sheriff.

Harry Warden whose home port is apparently nowhere was taken into custody also by the officers for being intoxicated. Neither he nor Bates have yet been arraigned.

OTTAWA COUNTY "STARS" MET IN HOLLAND WEDNESDAY

The Ottawa Co. Association O. E. S. met in Masonic Hall Wednesday for their semi-annual convention with a large attendance. The convention was opened by the association president, Mrs. Eva Goodrich of Holland. Mrs. Abbie Ming, W. M. of Star of Bethlehem Chapter heartily greeted the guests in a few well chosen words. Mrs. De Vries of Spring Lake graciously responded. The memorial services were very impressively observed, Grand Haven Chapter taking charge.

After necessary business, the attending members and guests enjoyed a most delightful program under the direction of Mrs. L. N. Tyner. A piano solo by Miss Eva Clarke; "Whistling," Mrs. Daniel Bertsch; a vocal solo, Arthur Smith; reading, Mrs. N. Daugherty; violin solo, Miss Harriet Heneveld; piano duet, Misses Sarah Lacey and Marge Du Mez. A splendid banquet was served at 6 o'clock in the Woman's Literary club rooms, under the supervision of Mesdames Ming, G. J. Van Duren, N. C. Hulling and an efficient corps of assistants.

The evening session opened at 7:30 and degrees were conferred on three candidates by the Coopersville Chapter in the presence of three hundred members. Mrs. Eva Sangster, W. G. M. of the Grand Chapter, O. E. S. of Michigan was present and gave a very instructive and entertaining talk.

The association became closing decided on Coopersville as the next place of meeting in April. In spite of the rain, the Stars shone in undiminished lustre and every one pronounced it one of the best and most enthusiastic meetings held. The Star of Bethlehem Chapter of Holland was the entertaining chapter.

Mrs. James M. Martin, wife of the pastor of the Third Reformed church underwent an operation at the Holland hospital. The operation was successful and the patient is doing nicely.

HOPE STUDENTS HELP STUDENTS IN EUROPE

The student body Friday morning raised a sum of \$61 as a contribution to the Student Friendship Fund. This fund is the result of an appeal that has come from students in Europe, because the conditions in the continent are such that students are unable to provide for themselves. This appeal has been presented to the college student body by the joint associations and it was decided that a voluntary contribution was to be taken to help remedy the problem. Friday morning the students had this opportunity.

GRAND HAVEN GIRLS MAY BE SENT TO ADRIAN

A striking example of present day conditions caused presumably by a desire to "have a good time" was given Friday night when two young Grand Haven girls violated their probation and went away on another jaunt to Muskegon where they were apprehended and taken into custody of the authorities.

The girls are mere children, being but 13 and 14 years of age. It is understood that they were in a habit of running away from home and getting auto rides. They were both taken and were placed on probation being forbidden to be with each other.

Both girls are in the grammar school and last Friday night when classes had let out they left their homes and again went to Muskegon together with some men, it is said. The men's names are not known. The girls' names are withheld for various reasons.

It is highly probable that following the examination before the Juvenile court, that both of the girls will be sent to the state girls' school at Adrian for a term of years.

Mr. and Mrs. Charles Webster, Mrs. Erie Torrey and Charles Hamilton of Allegan were seriously injured about six miles southwest of Allegan when an automobile driven by Mr. Webster overturned. Mrs. Torrey suffered a bad scalp wound and her right arm was cut and torn. Mrs. Webster was also cut about the head and body. Both men were badly cut up.

IT'S TOASTED
one extra process
which gives a
delicious flavor

LUCKY
STRIKE
CIGARETTE

It Is Not Too Late to Begin

Remember that your newsdealer has a supply of reprints of The Chicago Daily News' great mystery story, "The Green Archer", which contains the story from the first chapter to date.

Every woman and girl, therefore, can still read the story from the beginning, and enter the race for the \$1,000 cash prize given to the woman or girl who, after reading all the story except the last chapter, shall then mail to The Chicago Daily News "the most complete and correct solution in all its details of the entire mystery in 'The Green Archer,' as it shall later be disclosed in the final chapter of the story, to be published Wednesday, December 13."

There are one hundred and sixty cash prizes in all, totaling \$3,000.

Get your story "Reprint" from your newsdealer without delay (they cost nothing), or mail a postal card request for one to

THE CHICAGO DAILY NEWS

15 North Wells Street, Chicago, Ill.

RECENT OCTOBER NOT UNUSUALLY WARM MONTH

Strange as it may seem the recent month of October was not an unusually warm month. In fact the average temperature for the month which was 52 degrees is exactly what it was in October 1921. The mark in October 1920 was 57 degrees and October 1919 registered 53 degrees. October 1918 established an average of 52 degrees also.

The warmest October in the history of the weather bureau at Grand Haven was that of 1879 when an average mark of 58 degrees was made.

The highest temperature last month was 76 degrees on the 4th and the lowest was 28 degrees on the 20th on which date we had our first killing frost.

In the matter of rainfall the recent October was a little bit dry with a mark of 2.21 inches. There were eight clear days in October, eleven were partly cloudy and 12 were absolutely cloudy. Frost was experienced on two dates during the month.

MRS. TROTTER GRANTED ALIMONY AND EXPENSES

Pending a decision of an appeal, Mrs. Melvin E. Trotter, wife of the evangelist was awarded \$150 monthly temporary alimony and \$2500 for counsel fees and appeal expenses by the state supreme court Thursday. Notice of appeal from the decision of the trial court where Trotter was granted a divorce with a property settlement was filed Thursday.

READS GALS WORTHY PLAY AT W. C. T. U MEETING

The usual meeting of the W. C. T. U. was held Friday at the home of Mrs. George E. Kollen, 80 W. 13th St. about 75 members and guests being present. The devotions were in charge of Mrs. A. E. McClellan, assisted by Mrs. A. H. Meyer. The music was in charge of Mrs. G. B. Fleming. Mrs. R. M. Waltz's songs "Life's Lullaby" and "Love's Morn" were enjoyed by every one present. Mrs. Kollen in her gracious manner gave a reading entitled "Justice" by Galsworthy.

The president closed the meeting with a few remarks reminding the members of their duty at the election last Tuesday. Tea was served by Mesdames Rich, Fleming, Kooyers and Ossewaarde.

The next meeting will be held at the home of Mrs. S. C. Nettinga, 133 W. 11th street. Topic "Thanksgiving in Word and Deed."

ZEELAND ONION MAN IS BEATEN BY DECATUR RAISER

Jacob Warren of Zeeland, who produced a bushel of onions every 2 steps in the row or at a rate of 800 bushels per acre obtained just an ordinary yield compared with the crop harvested by A. Feenstra of Decatur. "We have that beaten by 400 bushels," said Mr. Feenstra. "We had eight acres and harvested 7000 bushels of onions. The poorest run 700 bushels to the acre and the best 1200. There is about 40,000 acres of the best muck land in the state round here but only a small portion

Fordson THE UNIVERSAL TRACTOR

Cut your farm costs in half with the Fordson

\$395

F.O.B. DETROIT

Save money on every acre plowed with the Fordson

Multiply the work of your farm tools four to six times with the Fordson

Cut your hours in the field over half with the Fordson

Give yourself an 8-hour day—you can with the Fordson

This Value Has Never Been Duplicated

It takes something besides engineering to furnish a tractor like the Fordson to sell at this astonishingly low price.

That something is owner confidence built on permanent satisfaction. There are 170,000 Fordson tractors in use—wherever Power Farming is being done Fordson is showing superior service.

If you are not using a Fordson now, start right. The working ability of this remarkable power plant is cutting farming costs in half in almost every kind of work done, at the draw bar or from the belt.

Ask us for all the details—call, write or phone.

HOLLEMAN-DE WEERD

of it is worked. Despite this fact Decatur has been shipping about a trainload of celery and onions every day."

A son of Henry Hop escaped with minor bruises when he was struck

by a Buick driven by Tony Perebolto on the hospital corner. He was carried into the hospital, but an examination showed that his injuries were not serious and he was removed to his home.

THE FARMER HAS A CONSIDERATION COMING

IT IS TIME THE AGRICULTURALIST BE GIVEN A FAIR CHANCE

The business man may claim that the recent coal and railroad strikes have caused a slump in their activities but from these and other causes it appears that the farmer has suffered the real losses this year. There have been bumper crops and a low market. Many of the Michigan fruit farmers have found it more profitable to leave their fruit on the trees than pay the price of putting it on the market. There is one incident of a farmer who shipped a carload of peaches to a Chicago broker and was told he owed 1.50 to pay railroad charges. He had to pay 1.50 in order to dispose of his peaches.

A report from Secretary of Agriculture Wallace says that measured in purchasing power the wages of the farmer, as represented by the prices paid for his crops, are lower than in the days before the war. This purchasing power of the farmer was from 25 to 45 per cent lower in 1921 than it was in 1913. On the other hand, the purchasing power of industrial workers, the miners taken as an example estimated in the same way, show an increase of from 30 to over 50 per cent for the same years.

While some labor has been raising a rumper over insufficient wages the farmer has had his hand to the plow earnestly trying by hard labor to offset losses. Yet the result shows that the industrial worker's purchasing power has increased while the farmer's has decreased.

It is time that the farmer be given a fair chance. From our rural communities comes much of the country's steadiness as well as food products. If there have been times when food products have fetched unreasonably high prices, it has not been the farmer who has received all the money.

OTTAWA COUNTY HAS NEARLY FIVE THOUSAND FARMS.

Federal Report Shows 303,000 Acres Under Cultivation in Ottawa.

The following agricultural statistics for the crop season of 1922 were collected by township supervisors and city assessors. These figures were compiled in the office of the State Department of Agriculture in co-operation with the U. S. Bureau of Agricultural Economics and constitute the first agricultural census taken under State authority in many years. The value of this report is its early issue, during the season to which it applies, covering as it does the acreage of crops, numbers of live stock, and numbers of bearing fruit trees. Such corrections, additions and revisions as may seem necessary will be applied to the county totals and published at the end of the year. The Federal Census figures for 1919 are given for comparative purposes. The report for Ottawa county follows:

No. farms reported.....	4,225	4,296
Total acres in farms.....	303,265	308,872
Acres in corn.....	39,025	28,858
Acres in Winter Wheat.....	28,540	
Acres in Spring Wheat.....	20	26,663
Acres in oats.....	26,560	28,281
Acres in barley.....	378	1,993
Acres in rye.....	15,580	18,608
Acres in buckwheat.....	32	166
Acres in potatoes.....	5,207	4,729
Acres in clover and tim.....	40,469	41,307
Acres in alfalfa hay.....	940	317
Acres in wild hay.....	613	1,543
Acres in other crops to be cut for hay.....	2,309	
Acres in field peas.....	996	209
Acres in field beans.....	77	1,022
Acres in soy beans.....	77	316
Acres in sugar beets.....	92	313
Acres in cabbage.....	32	43
Acres in onions.....	222	29
Acres in other root and truck crops.....	1,613	2,511
Acres in farm wood-lands.....	16,587	23,446
Acres in other unimproved land.....	31,657	41,118
Acres crop land in pastures or lying idle this year.....	12,658	
Acres of clover cut for seed in 1921.....	18	
Acres of timothy cut for seed in 1921.....	8	
Number of apple trees of bearing age.....	99,991	98,167
Number of peach trees of bearing age.....	21,824	17,354
Number of pear trees of bearing age.....	22,737	19,272
Number of cherry trees of bearing age.....	15,221	11,406
Number of grape vines of bearing age.....	296,332	288,187
Number of hives of bees.....	1,117	1,305
Number of horses of all ages.....	10,103	11,465
Number of dairy cows of all ages.....	21,175	22,434
Number of all other cattle of all ages.....	9,034	1,794

Number of silos.....	1,429	

VERNE H. CHURCH, Michigan Agricultural Statistician.

STUDENTS VOTE IN FAVOR OF THE HOSPITAL

The Junior high school pupils and the students in the High school Tuesday voted on the hospital question and on city and county officers. The vote was taken on regularly printed ballots as nearly like real ballots as the law will allow. This vote is one way in which students become acquainted with the duties of citizenship.

The vote on the hospital resulted as follows in the school election: in favor of the hospital, 713, against 233, or a margin of 480 in favor of the hospital. The high school vote as follows: yes 442, no 105; Junior high, yes, 271, no 128.

Miss Eunice Britt, of Kansas, national field secretary of the Woman's Home Missionary society of the M. E. church, gave an address in the Methodist church in Holland Sunday morning.

The Ladies' Home Missionary society of the Methodist church will hold a sale in the Harmon building near the First State Bank on Saturday, Nov. 11, beginning at nine o'clock. There will be a fine line of rugs, both fluff and carpet rag; also work baskets, and a variety of home baked goods. Excellent lunches will be served all day.

KENT MAN KEEPS SMILING AS BODY CHANGES TO BONE

RAIDO AIDS SUFFERER TO KEEP TRACK OF WORLD EVENTS FROM HIS COT

Nine years on a hospital cot in Grand Rapids without moving hasn't made Anthony Modjeski despondent. Slowly his body is becoming ossified, but he doesn't even fret about that. He has become an authority on world affairs.

Tony, who is 42 years old, has been in bed for the last three years. Since he was 13 years old every joint in his body has been growing solid and now, even the jawbones have become fixed. It was necessary for a dentist to pull one of his front teeth that a tube might be inserted through which food could be poured down his throat.

"He's an object lesson of contentment—it does one good to meet him," says Dr. A. H. Edwards, a physician of Grand Rapids, who has studied the case for 20 years.

The one part of the man's body which remains active is his brain. He happens to be endowed with an extremely keen intellect.

It was 29 years ago that Tony, then a playful lad complained to his father of chills along his spine. When the boy was 17 years old, his father John Modjeski, who lives in Grand Rapids, was compelled to give the child hospital attention. Since he was 32 he has been unable to leave his cot.

"Through the most turbulent times in the world's history, through a great war and the memorable occasions that have followed Tony has watched the bustle of life about him until today he is an authority on world affairs historical and political.

"Big league baseball, chop suey and radio are Tony's hobbies. No day is done until he has gone over the sport pages. Every time another home run is chalked up for Babe Ruth, he experiences the thrill of the ardent fan, although he hasn't been on a diamond for 20 years.

Friends recently provided a radio and now he listens in on the messages which come through the air.

RUNNERS CHOSEN FOR LONG DISTANCE RACE

The Hope College cinder path enthusiasts held their try-out Saturday morning for the inter-collegiate long distance race that is to be held at M. A. C. Nov. 11. Five men have been picked for the race. These men have been going through some stiff practice since the beginning of the school year, and although they are for the most part new runners, they are making good time.

The men that have been chosen are Van Lare, Wissink, Van Zoener, Schutt, and Louma.

STREET LIGHTING WAS FIRST OPPOSED BY YANKEE NEW ENGLAND

Street lighting, now adopted in almost every city, village and hamlet of the nation, brot out a storm of protest in one New England village when it was proposed in 1816 according to the Illinois committee on public utilities.

Artificial illumination was an attempt to interfere with divine plan of the world which had preordained that it should be dark during the night time, the local paper pointed out editorially.

Doctors of the village said emanations of illuminating gas were injurious. Lighted streets would induce people to remain late out of doors, thus leading to an increase of ailments by colds.

Others declared the fear of darkness would vanish and drunkenness and depravity would increase. They argued that horses would be frightened and thieves emboldened.

Many argued that if streets were illuminated every night such constant illumination would rob festive occasions of their charm.

MUST DRAW POULTRY AND FISH RIGHT AFTER KILLING

Now that Thanksgiving Day is approaching when much poultry will be sold in Holland, the city health department wishes to call attention to a provision in the new city ordinance passed a few weeks ago in regard to the treatment of poultry and fish. This ordinance has not yet been printed but it is now in effect and any person violating it is liable to arrest. The new provision—that is, the point in which the new ordinance differs from the old—is that "all fish and poultry, intended for sale in the city of Holland, shall be drawn and properly cleaned immediately after being killed." The health department calls attention to the fact that this is not merely a health rule but an integral part of the city ordinance, and it must be strictly observed.

The entire section of the ordinance relating to the handling of food reads as follows:

"It shall not be lawful for any vendor of meats, poultry, fish, vegetables, fruits, candy or confectionery to expose the same on outside of markets, stalls, or streets, or in open windows or doorways, unless protected from dirt, dust, filth, flies, and any injurious substance; it is also required that all fish and poultry intended for sale in the city of Holland, shall be drawn and properly cleaned immediately after being killed. And all so-called dressed meats, any carcass or any portion thereof being brought into this city and delivered to any market, or person, shall be covered and protected by a clean white cloth of such texture as to protect from dust or dirt."

NOTED MEDICAL MISSIONARY WILL SPEAK IN HOLLAND

Dr. Ida Scudder, of Vellore, India, has been secured to give an address in Holland, the date for the meeting being November 18. Strong efforts have been made to secure "Dr. Ida", as she is familiarly known in mission circles for an address here, and on Friday morning Mrs. James Wayer, vice-president of the Board of Foreign Missions for the synod of Chicago, received a telegram from Dr. Scudder announcing that she would come. Dr. Scudder is being used in the large centers of America to speak in favor of medical work in foreign missions, and it was only because she herself was anxious to come to Holland as the seat of educational institutions of the Reformed church that it was possible to book her.

Dr. Scudder is a representative of the Scudder family that a century ago founded medical missionary activities in South India. The grandfather, son, and grandchildren have given themselves to this work, and their united lives represent 1,000 years of service in India. Dr. Ida Scudder is a graduate of the Cornell Medical School, and she is so well known internationally even by her abbreviated name that a letter addressed to "Dr. Ida, India," actually reached her station at Vellore safely. She is at present head of the Union Mission Medical School at Vellore, India, and she has been decorated by the British government for her work.

Her school is supported by four mission boards; the Woman's American Baptist Mission board, the Woman's Board of Missions of the Congregational church, the Woman's Foreign Mission Board of the Reformed church, and the Woman's Foreign Mission Board of the United Lutheran church.

The meeting in Holland on November 18, will be in the Third Reformed church at 2:30 in the afternoon. It is expected that not only will Holland be represented but delegates are expected from churches throughout this section of Western Michigan.

"QUALITY STREET" IS TO BE DISTINGUISHED BY QUALITY

Quality! That's what the public demands, be it clothes, food or entertainment. "Quality Street," which is to be given under the direction of Miss Ethelyn Metz, November 15th and 16th, is of the very highest quality. It will be welcomed by all lovers of drama who may be fed up on the prowess of the latest movie hero. Be sure to reserve one of these dates for you cannot afford to miss this opportunity to gain quality. Watch for further announcements.

SAYS HOPE SPIRIT IS FELT THROUGHOUT THE WORLD

"Hope College offers to her students greater advantages, relatively speaking, than any other institution in the world," is the essence of President E. D. Dimment's address at the formal reception that was tendered the new students, under the auspices of the Y. W. and Y. M. C. A. at the Carnegie Gym. Wednesday evening. Hope spirit had a new ring to it when the student body met en masse under a canopy of boughs. The Orange and Blue is known not only in the western hemisphere, but throughout the entire world. There is hardly a spot on the globe today which has no messenger of Hope, or has not otherwise felt the influence of the Hope spirit, which is inculcated into the hearts of every graduate. Seventy-five per cent of men listed in America's "Who's Who," said Dr. Dimment in emphasizing the importance of the denominational college, are graduates of christian colleges.

The occasion had been planned to make many happy hearts, as it proved itself to be. After a social hour had been spent Mr. Vandem Bosch, president of the Y. M. C. A. announced a pleasing program for the evening. The program was mainly one of musical talent. Leo Te Paske opened with a pleasing vocal solo. Miss Helen Moser played Tschetitzky's "Nocturne," a trio of co-eds, Miss Martha Barkema, Miss Nelle Kole and Miss Pearl Paalman, sang "Wake, Miss Lindy," while the Y. W. and Y. M. quartet rendered "Good Night, Good Night, Beloved." This quartet is composed of Misses Keiser and Primm and Messrs. Te Paske and Bloemendaal.

Miss Grace Speers ably complemented the musical numbers with several readings including "The Pudding." To top all this Prof. W. Wichers addressed the student body with one of his usual talks that have a tonic quality in them. His theme was "H. H. H. or How to be Happy at Hope."

THIS WAS A FAMILY OF REAL FIGHTERS

Mr. and Mrs. Edgar F. Hiler, who this month will celebrate the 54th anniversary of their marriage at their home in this city have come from a family of war heroes.

Hiler's great-grandfather fought under Gen. Sullivan in the Revolutionary war; Giles Parker, grandfather, served in the war of 1812; Hiler enlisted in the Civil war when a lad of 17 and took part in the close of the struggle; two sons and a brother served in the Spanish-American war; his brother's son served on the Mexican border and later was killed in the battle of Chateau-Thierry, and his grandson served overseas in the World war.

The Merchants Association meeting called for this week was postponed from Tuesday because of the election.

MODERN ENGINEERING CONSTRUCTION AT G. H. HARBOR

Few Grand Haven people say the regular pier walkers realize the remarkable change that has come about at the entrance to Grand Haven harbor this year. Two long concrete arms stretch out into the lake where once the old wooden piers were and at the end of the south pier where the old dog horn house used to stand, there is reared a wonderful feat of modern engineering, constructed of concrete and steel and which will in the future serve as a housing for the ultra-modern fog signal apparatus which will be put up there.

The fog horn house will be ready to send forth its warning noise in about three weeks, estimated as such by the engineer who is superintending the job. The former machine house has been elevated ten and one half feet above its old position thus bringing it 16 feet above the water. It rests on a firm concrete foundation and itself is really made over with reinforced concrete and tiling. It is built with corrugated steel walls and has steel inside walls. The floor is of cement poured above tiling.

The foundation is probably the most interesting part of the affair. It has a "cruiser" bow in front and it is built in all directions so that the water will slide off and not pocket any place. The flat pier surface extends out a ways and the cruiser bow extends upward a short distance in. There is a bulkhead in the bow below the house part proper, where coal will be stored. Portholes supply the place with light during the day. The massive walls of reinforced concrete and the iron work, all put together with the latest engineering principles in mind, give the place an air of strength which will defy any storm.

THE COMMON COUNCIL.

Holland, Mich., Nov. 1, 1922. The Common Council met in regular session and was called to order by the Mayor.

Present: Alds. Prins, Brieve, Drinkwater, Kammeraad, Laeppe, Lawrence, Brinkman, Dykstra, Wickerink, Vander Hilt and Sprang, and the Clerk.

The minutes of the last meeting were read and approved.

PETITIONS AND ACCOUNTS

Jas. A. Brower & Co. petitioned for a permit to construct a storage building and garage 28 x 42, of brick, steel and tile at an estimated cost of \$6,000 on the rear of their premises at 212-214 River Ave.

Granted, subject to Ordinance.

E. J. White, petitioned for a permit to construct a frame warehouse and garage 30 x 40, at an estimated cost of \$700.00 on the rear of his premises described as 236 River Ave.

Granted.

E. J. White petitioned for a permit to construct a frame warehouse and garage 30 x 40, at an estimated cost of \$700.00 on the rear of his premises described as Lot 8, Block D, West Addition.

Granted.

A. Smeenge petitioned for a permit to construct a frame warehouse and garage 30 x 40, at an estimated cost of \$700.00 on the north side of Sixth St. between Central and College Avenues.

Referred to the Aldermen of the 2nd Ward.

Holland Milk Products Co. petitioned for permit to construct an ice house, 20 x 40, at an estimated cost of \$1500 on their premises described as Lots 11 and 12, Block 22.

Granted.

Floris Dieleman and Ben. G. Wyma petitioned to come under the Compulsory Sewer Ordinance and have their respective premises described as Lot 8, McBraden's Addition, and Lot 6, 48 St. St. Addition, connected with the sanitary sewer.

Granted.

Wm. D. LeMay petitioned for license to engage in the business of conducting a dancing academy at 71 E. 8th St. and presented bonds as required in the sum of \$500 with Maryland Casualty Co. as surety.

Referred to the Committee on Licenses.

Diapenhorst Bros. petitioned for permission to install hay scales so called on the Sixth St. side of their premises at the southeast corner of River Ave.

Referred to the Committee on Streets & Crosswalks.

Referred to the Committee on Streets & Crosswalks.

Mr. Joe White who petitioned for permission to install a gasoline pump in the lot adjacent to the premises described as East one-half of Lot 7, Block D, West Addition, presented signatures of property owners in the said vicinity stating that they do not object to the installation of said pump.

Referred to the Committee on Streets & Crosswalks.

Referred to the Committee on Streets & Crosswalks.

Mr. Joe White who petitioned for permission to install a gasoline pump in the lot adjacent to the premises described as East one-half of Lot 7, Block D, West Addition, presented signatures of property owners in the said vicinity stating that they do not object to the installation of said pump.

Referred to the Committee on Streets & Crosswalks.

Referred to the Committee on Streets & Crosswalks.

Mr. Joe White who petitioned for permission to install a gasoline pump in the lot adjacent to the premises described as East one-half of Lot 7, Block D, West Addition, presented signatures of property owners in the said vicinity stating that they do not object to the installation of said pump.

Referred to the Committee on Streets & Crosswalks.

REPORTS OF STANDING COMMITTEES.

The Committee on Streets & Crosswalks, to whom was referred the application of Joe White to install a gasoline pump on W. 8th St. adjacent to the East one-half of Lot 7, Block D, West Addition, reported having investigated the matter and had taken into consideration the signatures of property owners in said vicinity and recommended that the petition be granted.

Adopted.

The Committee on Street & Crosswalks, to whom was referred the petition of the Standard Oil Co. for a permit to construct a drive-in service station at the northeast corner of River Ave. and 14th St. reported having duly considered the matter and that the property owners in the vicinity were unanimously opposed to same, and recommended that the petition for same be denied.

Adopted.

The Committee on Claims & Accounts reported having examined the following claims and recommended payment there of:

LOCALS

Passersby early Wednesday morning noticed two Fords somewhat battered at the hospital corner. Each Lizzie had a "dished" wheel and was out of commission. They were taken to the Ford hospital for repairs.

Austin Harrington states that the pike running north of Grand Haven bridge today is closed to all traffic from 7:30 a. m. to 4:30 in order that a small stretch of road north of the bridge may be completed without interference. Men will be placed on both ends of the road where construction is going on directing the traffic. The last pike connecting link will be finished this week.

A peculiar auto accident occurred Tuesday morning when Henry Haveman delivered a consignment of groceries to the home of Mr. and Mrs. Bob Bontekoe, West 11th street. While Mr. Haveman was in the home young Robert jumped into the machine and started it going. The automobile plunged forward, bumped into the tree the radiator and the windshield was broken and the car generally damaged. That the child was not injured in the least is unusual, as flying glass was found everywhere, and the impact must have been terrific coming from the car.

Talk about loyalty to your home team: "Two Grand Haven youngsters proved this Saturday by starting out at 4 o'clock in the morning to hoof the distance to the Twin Cities to see the county-seaters beat Benton Harbor. They got lifts and made the downhome city in time for the fray. Following this they started back on foot but got a lift to Holland after which they made Grand Haven without difficulty. Loyalty to Grand Haven as shown by some of those who follow the team through thick and thin is what is making the team what it is. No less than 2,000 Havenites are looked for to follow the team to Holland next Saturday—Grand Haven Tribune.

Henry P. Smith of North Holland wishes to have the following statement printed: "A certain Mr. H. Smith of Grand Rapids, Mich., who was arrested for the sale of liquor is not Mr. Henry P. Smith of North Holland."

Carl Mapes wins in Kent county over Taylor by 7210 majority.

The hospital proposition was defeated by nearly 400 votes. However the public school pupils voted 2 to 1 in favor of the project. Again that Good Book is correct when it says "A Child Shall Lead Them."

Besides a Zeeland factory another factory wishes to locate in Allegan. Representatives of the Art Furniture Co. of Zeeland were in Allegan with reference to the removal of their factory to that city. Whether they will remove is as yet undecided. Last week a delegation from the National Lamp Co. of Chicago is expected in Allegan to look at a location. They are a large concern manufacturing mahogany and polychrome lamps and silk shades and employ 300 to 375 girls. It is their desire to locate in a smaller place. Inquiries have also been received from a corset factory.

Since coming to Allegan O. I. Gregg, new county farm agent, has culled 6,101 chickens, comprising 48 flocks giving 36 poultry culling demonstrations with a total attendance of 275 farmers. Of the total number culled 1,429 were thrown out as non-producers. The idea of these demonstrations is to have breeding stations in all parts of the county of different breeds so that any one may be able to get good hatching eggs from egg-laying strains of the principal breeds.

A new avenue to make money for the high school is through an organization called the "Athletic Sisters" who sell sandwiches, coffee, doughnuts, candy and gum to the spectators, from a booth. Even hot "bow-wows" are dispensed and a little liberal supply of these should help the rooters along. Considerable money was taken in at the games thus far, and the girls will continue to be on the job when Grand Haven meets Holland next week Saturday and judging from the crowd that is to attend, a harvest will be reaped.

The Grand Haven fire department answered a call from VanWeelden's dock on the north end of Third St. Thursday afternoon. A pile of timbers had caught, presumably from locomotive sparks and about \$100.00 worth of damage was done.

James Hanna of Ferrysburg was injured at Johnston Bros. plant. A steel slipping from its fastenings hit Mr. Hanna, fracturing a small bone in his left leg. He was taken to his home where he will be laid up for several weeks, at least.

Will business men ever learn? In Allegan within the past month six merchants have been stung with forged checks. A few days ago a rough individual presented a check for \$25, a very crude forgery at that and got away with it. In Grand Haven business men have been taken in and Holland altho not so often is visited by the check raiser or forger from time to time.

A foot ball player at the high school a few days ago when running to his destination quickly collided with a street cleaner's vehicle filled with rakes, shovels and other tools. Soon these began to fill the air, and the wagon began to sail down the street, with the "white-wing" in pursuit. Good practise no doubt for a fullback on a football team, but not very much to the liking of the street sweeper.

The Hope College reserve football squad indulged in a practice session Thursday afternoon using the Fennville high school team as their opponents. Altho out-weighted many pounds to the man, the High school lads fought gamely and held the reserve to a 40-0 score. Fennville's left half-back and captain proved their star, while Van Weelden, Shaw and Zwemer played best for the Hope eleven.

Undersheriff Jack Spangler of Grand Haven arrested Charles S. Weaver in Muskegon on a charge preferred by Sheriff Fortney of Ottawa county on a charge of selling stock in the Harmony Oil Co. without a license. Weaver claims to be a trustee in the company with offices in the Grand Rapids Savings Bank building at Grand Rapids. Peter Koolman of Grand Haven purchased \$1000 of stock and Martin Kieft \$100 worth. Weaver was arraigned before Justice Lillie and demanded an examination which is set for Friday. He is out on \$1000 bail secured by J. O. Matheson, president of the Brunswick-Balke Co., Muskegon.

A large flock of ducks were seen going in a northerly direction Friday afternoon. Must have lost their bearings or possibly the seasons have been reversed.

The weather man in reviewing the weather for October states that the month has not been overly warm. You can't make the coal man or the merchant who has overcoats to sell believe that. Their thermometer is their list of sales and registers a warm month.

Michigan was the second state in the union in the production of beet sugar in 1921, according to statistics made public by the census bureau Friday. Of the 90 establishments reporting, 18 were located in Utah, 16 each in Colorado and Michigan, nine in California, eight in Idaho, five each in Wisconsin, two in Wyoming and one each in Illinois, Indiana, Iowa, Kansas, Minnesota, Montana and Washington.

A serious accident took place at 11 o'clock Tuesday morning when a Ford delivery car of the Holland Packing House, 212 W 14th St., driven by Gerrit Roarink and a car driven by Mrs. Andrew Klomparsen collided on 19th street and Central avenue. The Ford car surely is a wreck and in the impact glass from the windshield severely cut the arm of Roarink. The Buick car driven by Mrs. Klomparsen came off with minor damages. Roarink was taken to Holland hospital for first aid.

Mrs. Everet Chapman, daughter of Mr. and Mrs. John Spyker, 914 Thomas Street, Grand Rapids, died Monday morning at her home there. The funeral was held on Wednesday at 1 at home and 1:30 at Emanuel Reformed church, Grand Rapids. Mrs. Chapman has a large number of relatives in Holland. She is survived by her husband, three children, her sister, Mrs. Wilson, and her parents. She was 32 years old. Mrs. Hopkins, who died suddenly Saturday evening at the age of 75 years was buried in Kalamazoo on Wednesday. Services were held Wednesday forenoon at ten o'clock at the Nibelink-Notier chapel, Rev. G. B. Fleming officiating. She is survived by two sisters, Mrs. Eliza Denner of Kalamazoo and Mrs. Sarah Crissy of Ann Arbor.

The children, grandchildren and other close relatives of Gradus Van Ark gathered at the Van Ark home on South Central avenue Friday evening to help the old gentleman celebrate his 86th birthday anniversary. A delightful evening was spent.

Capt. Lofberg, superintendent of the tenth coast guard district and P. Van Lopik, postmaster of Grand Haven are making a hunting trip to the Lake Superior region, starting last Friday. Both are good hunters and intend to have some "spoils" to show for their expedition.

A citizen of Holland wants to ask through this paper what is to be done with the leaves from the trees along the street. "A citizen has no rights over the trees he sets out," he said; "cannot remove them or even trim them. All these rights the city assumes as soon as the tree has been planted. Then why should not the city also take care of the leaves that drop from the trees in the fall? A citizen is not allowed, according to the ordinance, to burn said leaves on the street. Then what is to be done with them, if he wants to live strictly up to the city law?"

Rev. John P. Muyskens, graduate of Hope college, who has been appointed to the Arcot mission in India is taking a course at Edinburgh university, Scotland, under terms of the fellowship in apologetics, which he was awarded during his course at Princeton. Mrs. Muyskens meanwhile will take several of the courses which the United Free church is offering to lady workers at New college. Muyskens completed his course at Hope in 1914, accepted a short term appointment as principal of Hope high school at Madanapalle, India, returned to this country to secure his theological training and with Mrs. Muyskens plans to locate in India next year.

The Holland Furnace Co. has called a special meeting of the stockholders for Nov. 14 at which plans will be discussed for increasing the capital stock from \$1,800,000 to \$3,600,000, of which \$2,000,000 will be common stock and \$1,600,000 preferred. The company's year will close the biggest year since its organization. The plans for next year include the increase of its capacity to 40,000 furnaces a year and the establishment of several new branches. A new addition now is under construction—G. R. Press.

Pending ratification by the particular synod of Chicago at its next session to be held in Holland in May, a regrouping of churches connected with the Reformed denomination in Michigan will be arranged according to proximity. The question has been agitated for some time until the matter was submitted to the various classes and these classes have concurred in the proposed new arrangement. According to the plan adopted by the classes the Michigan classes will cease to exist and two new classes will be created. The Holland class will include all the churches in Holland and vicinity and the Grand River class will be made up of all the churches in Grand Rapids and vicinity. The new classes Muskegon and Kalamazoo will embrace all the churches in their respective districts. Churches are connected with the Reformed denomination in Michigan.

The Grand Haven Tribune tells of the wonderful time the ladies of the Ottawa Co. Association of Eastern Star had at Holland Wednesday and are praising their sisters in Holland who were responsible for the entertainment given.

Mr. and Mrs. P. A. Kleis were Wednesday quietly celebrating the 53rd anniversary of their marriage at their home at 165 East 9th St. Mr. and Mrs. Kleis were married 53 years ago Wednesday by the Rev. Mr. Pieters, one of the pioneer pastors of this settlement. Mr. Kleis is 80 years old and Mrs. Kleis 74, and both are in good health.

Not content with having their parents pass the anniversary quietly, the children of the couple staged a surprise for them at their home Tuesday evening. A very enjoyable evening was spent.

PERSONALS

Mayor E. P. Stephan was in Grand Rapids on business Wednesday.

Mr. and Mrs. Alfred Van Duren and Mr. and Mrs. Edward Sooter motored to Grand Rapids Wednesday and attended the theater.

Mr. and Mrs. Frank Pifer of Jensen Park left Thursday for Seattle, Washington to spend the winter. They will stop at Chicago, Racine and Minneapolis.

Mrs. Jacob Jappinga is spending a few days in Grand Rapids.

Mr. and Mrs. Dick Visch of Zeeland and their two sons Jerry and Lewis and their two daughters Marie and Elizabeth, spent Thursday with Mr. and Mrs. Stephen Oudemolen.

PINE CREEK P-T CLUB HOLDS REGULAR MEETING

The Pine Creek P T club held its regular meeting Friday evening and a large number were present to enjoy the program of the evening. The duets by the Misses Hazel Lokker and Ruth Van Kersen were enjoyed by one and all, while Miss Agnes Blocker's impersonation of the Irishman Pat created much merriment. The pranks of "That Rascal Pat", a play by several of the young people of the district, showed an active imagination on Pat's part. Another short dialogue "Fresh Timothy Hay" very full of action, kept everyone wide awake.

While refreshments were being served, some of the school children dressed as witches, entertained the crowd with their Halloween pranks and telling of fortunes. The older persons were reminded of the pranks they used to play and furnished material for the much enjoyed social hour.

A beautiful home does not always mean a beautiful house, said former mayor Bosch Tuesday evening when he read a paper on "The Home Beautiful" before the Social Progress Club that met at the home of Mr. and Mrs. Arnold Mulder. No, is the "home beautiful" a house only, but house and grounds and furniture that appreciate talent. And probably we are more fortunate as we stand, than to have lots of ture and the people who live in the house. It is the entire "plant" that constitutes the home.

Mr. Bosch drew his illustrations from homes in Holland and showed that in a general way more beautiful homes are being built today than was the custom about a generation ago because today the homes are built to be lived in and have no extra parlors that are seldom or never opened. Mr. Bosch declared that beauty and usefulness are inseparable and that the most beautiful home is the home that is most livable.

Dick Boter addressed the Hope College student body Tuesday on the subject "Accomplishment." Almost every student knows Boter and when he got up to speak he met perhaps the most attentive audience for its size that he ever faced in his life. The inspirational talk he gave the students was given largely from the viewpoint of the laymen of the church, and backed by years of experience in the business world.

The weakness in the church it was pointed out, lies in the fact that men and women who confess Christ don't go out into life and live it. "We may be men of vision," he said, "we may have good intentions, but until we crystallize and carry out our beliefs we will never accomplish a thing."

"You must become conscious of the challenge that christian imperialism flings at you, and you must recognize the reign of God in your life, if you want it to count at all, and I hope you'll find no rest or peace until you've wrestled it out with your God, as you ought to do."

The Freshman class of Holland high school numbers among its members three sets of twins, four girls and two boys. The twins are: William and John Winter son of Prof. Winter of Hope college; and Pearl and Ruth Collins, daughters of Pearl F. Collins, railway mail clerk;

EAGLE TANNERY AT GRAND HAVEN EMPLOYS 550 PEOPLE

The Eagle-Ottawa Leather Co. at Grand Haven has been making some wonderful strides recently.

There has been considerable activity in the leather business and the company now has in its employ fully 550 men and women and at least one hundred more will be put on before very long.

Under the bonus system inaugurated at the plant the employees in most of the departments are getting higher pay than they ever did before.

Still more developments are going on in the plant and new extensions are now under construction and the company expects to almost immediately increase the force to at least 800.

The company is building 20 new houses in order to have proper sort of homes for their employees and families.

Because of the shortage of homes at the present time the company is using Falcon hall in the Fifth ward in Grand Haven as a barracks for the men.

There was a very large attendance at the W. L. C. meeting Tuesday afternoon and a very attractive program was given.

Miss Kathene Post gave a resume of important affairs occupying the world's attention. Among these are the condition in Germany, probable reelection of Lloyd George and events in Siberia, Virgin Islands, Cuba and the Philippines. Concerning the United States the agitation over the 3 mile limit, the Near East Relief and the death of Lyman Abbot were mentioned.

Mrs. Martha Robbins played the "Fantaisie Impromptu" by Chopin and as an encore "Norwegian Dance" by Ole Olson.

Mrs. C. L. Thompson of Muskegon was then introduced. Her subject was "Citizenship." The advisability of the Woman's Club of Holland forming a junior auxiliary was urged. Also that citizenship should be taught to the children and right up through the grades. It would be well, she said that the club house be opened to the ex-service men on some night near Armistice Day and that the program be arranged by them. It is the special duty of club women to study the immigration laws and to work with the government in the enforcement.

Mrs. Oggel announced for the Philanthropy committee that donations of money would be received next Tuesday for the annual Thanksgiving remembrance to those in the county infirmary.

In the absence of Mrs. Dregman tea was served by her committee in charge of Mrs. Leapple and Mrs. T. Marsilie. The new gold and white china bought by the luncheon committee was used.

Next week Tuesday Prof. W. Wichers of Hope College will give an address.

Grand Haven Tribune—"Grand Haven had better watch their step". This came from an old fan and a close follower of football this year and was uttered when the Grand Haven-Holland game was referred to. Holland has a little better than an even-chance to win according to an authority. This man is a critic in regard to the ins and outs of the game and he has seen Grand Haven play South, Holland play South and Grand Haven play Benton Harbor. He has also seen Holland play Central. He believes that the game will be one of the greatest prep school battles of the year and that the locals will have to travel at top speed to hold their own.

Holland is to have four alumni coaches assisting Coach Martin this week. Among them will be Roby and Cappon, two Michigan stars who will without a doubt be able to show Grand Haven a thing or two thru their proteges.

It is to be hoped that everyone in Holland, and for that matter, everyone near Holland, who enjoys the relaxation of a good home-talent play, can get seats for "Phoebe's Romance" next Wednesday or Thursday evening at the Literary club.

It is one of those rare productions that is exceedingly rich in suspense and surprises. Few have surpassed it for heart interest or cleverness. And when you see how one of the old maids out-wits all the others in an astonishing love affair, and proves the axiom that an old maid is no older than she believes she is, you'll agree that a thoroughly good, wholesome humor rounds out a wonderfully pleasing story.

Make This Your Bank

"To Him That Hath"

All the comforts and luxuries that make life worth living are the result of saving. The capital you need to build your home, or to develop your business or to improve your farm so that it will return you a larger income, can be obtained only by saving.

When you save you not only have capital, but are able to borrow additional capital. Each dollar you store up increases your ability to secure the use of dollars which others have saved. For the man who has a hundred dollars to his credit is so well established that he may be placed in a position to borrow two hundred; but the man who hasn't a nickel can't borrow a red cent.

Keep up your balance at the First State Bank. It's your magic key to prosperity!

FIRST DEMOCRATIC SHERIFF ELECTED IN FORTY-SIX YEARS

For the first time in forty-six years Ottawa county has elected a Democratic sheriff, Fred Kamferbeek winning by a safe margin in Tuesday's election over Del Fortney. It was 46 ago that Joe Ver Planke, now a resident of Spring Lake, turned the trick. Mr. Ver Planke is now 82 years old, and it is quite likely that no one in Ottawa county is more interested in the result of Tuesday's election than he.

Kamferbeek ran up a big vote in Holland city, defeating Fortney here by a vote of 2009 to 953, or a margin of 1056 in his favor. The Holland man also did very well in Grand Haven, where he ran only 36 behind Fortney. The vote in the county seat city was 626 for Fortney and 590 for Kamferbeek. Zeeland city voted for Fortney, giving him a vote of 270 as over against 166 for Kamferbeek.

The vote on sheriff so far as it

had been received Wednesday afternoon by County Clerk Orrie Sluiter was as follows:

	Fortney	Kamferbeek
Holland City—		
First Ward.....	209	384
Second Ward.....	31	127
Third Ward.....	201	356
Fourth Ward.....	238	416
Fifth Ward.....	175	435
Sixth Ward.....	99	281
Holland Twp.....	102	193
Zeeland City.....	270	166
Grand Haven—		
First Ward.....	103	104
Second Ward.....	172	150
Third Ward.....	132	128
Fourth Ward.....	117	147
Fifth Ward.....	102	61
Allendale.....	89	38
Spring Lake.....	224	112
Georgetown.....	173	106
Zeeland Twp.....	135	43
Robinson.....	35	40
Polkton.....	264	92
Grand Haven Twp.....	39	16
Jamestown.....	54	98
Olive.....	99	74
Crookery.....	131	26
Park.....	33	78
Blendon.....	68	21

Fred Kamferbeek, sheriff-elect, Wednesday expressed his thanks to the voters of Holland and Ottawa county for the splendid support they gave him at the polls Tuesday. "I naturally feel very grateful," the new sheriff said, "for a Democrat to be elected sheriff in a county as strongly Republican as this one makes me feel very strongly my responsibility to the voters who have reposed this confidence in me. I feel also that I should have a greater sense of gratitude than would be expected from a Republican because I understand that I was of course elected by the aid largely of Republican votes. Hence I wish especially to thank my Republican friends who split their tickets to endorse me as well as of course my Democratic friends and those who are normally non-partisan. I wish also to express my appreciation to the women voters of Holland and Grand Haven and the rest of the county. I know that they helped tremendously to roll up a majority for me. I sincerely hope that I shall prove worthy of the public confidence expressed in this vote."

SULLIVAN WINS HIS FOURTH GAME

In what was perhaps the most spectacular game of the season Sullivan Tuesday night defeated Ollie Bredeweg by a score of 100 to 89. Both players were in the best of form and runs of 14-15 or even more were common throughout the game.

This game places Sullivan in the lead for total number of games won. However his nearest rival has played one less game than he has. The next game will be on Thursday night when Bert Colton will meet George Bontekoe. On this night the fans are promised some extra amusement. Just what the management does not say but the boys all know when Post says that it will be good that they may expect a real treat.

MAPES GETS A TREMENDOUS VOTE IN HOLLAND

Carl E. Mapes as usual piled up a tremendous vote on Tuesday leaving his opponent far behind in both Kent and Ottawa counties. Mapes always makes a strong run and there was not at any time any doubt of his reelection to congress from the Fifth District. He is popular in both counties and he has a very large following in Holland where he can always count on a big lead over almost any

democrat that might run against him. Holland ran true to form Tuesday and gave Mapes a total of 2132 votes as over against only 595 for Taylor, the Democratic nominee.

Every ward in the city returned a big majority for Mapes, the wards voting as follows:

	Mapes	Taylor
First Ward.....	392	143
Second Ward.....	99	52
Third Ward.....	447	80
Fourth Ward.....	480	135
Fifth Ward.....	437	122
Sixth Ward.....	277	63
With the exception of the fight for sheriff, Holland as usual voted consistently Republican Tuesday. The city voted as follows on the various candidates:		
Senatorship: Townsend, 1582; Ferris 1117.		
Governorship: Groesbeck 2066; Cummins 697.		
Congressman: Mapes 2132; Taylor 595.		
State Senator: Connelly 1978; Thornton 640.		
Representative: Kooyers 1758; Brooks 908.		
County Clerk: Sluiter 2067; Lowing 534.		
County Treasurer: Brower 2138; Bigge 561.		
Prosecutor: Miles 2163; Misner 610.		

Not only did Holland give big majorities to the republican candidates for the various county offices, but Ottawa county as a whole went very strongly republican, with the single exception of the sheriff, and all the republican candidates for county office were elected by big margins.

The three amendments were snowed under in the city of Holland. For Amendment No. 1, Holland returned 885 yes votes and 1422 no votes. Amendment No. 2 received only 505 yes votes and 1749 no votes. The Amendment No. 3, received 885 yes votes and 1121 no votes.

The indications are that throughout the state the three amendments were snowed under. No final figures have been compiled, but the vote against the amendments for the state as a whole can be estimated with a fair degree of accuracy from the vote in Holland.

The total number of votes cast in Holland Tuesday was 3018. The total number of straight Republican votes was 654, and the total number of straight Democratic votes was 361.

As expected by many persons in touch with public sentiment, both persons for the hospital and against it, that question lost out in the election Tuesday by a decisive margin. Although three-fifths of the total number of votes cast were needed to pass the bond issue for \$175,000 to erect a new hospital, the proposal did not receive a majority of the votes cast. The total vote for the hospital was 1299 and the total vote against it was 1667, giving less than a majority by a margin of 368 votes.

By wards the vote was as follows:

	Yes	No
First Ward.....	218	370
Second Ward.....	66	104
Third Ward.....	294	255
Fourth Ward.....	319	331
Fifth Ward.....	275	352
Sixth Ward.....	127	255

1299 1667

HOLLAND POULTRY MEN ELECT A NEW SECRETARY

The board of directors of the Holland Poultry Association held a very important meeting Tuesday night. The coming show was the main issue on the floor. The culling committee has orders from the farmers in this locality to cull 25,000 chickens and several thousands more are booked for December culling.

During the meeting Mr. Sprang, who filled the position as secretary of the association for nearly two years, tendered his resignation because he was physically unable to do justice to the work, and felt it his duty to resign as secretary for the good of the poultry industry in general. Mr. Sprang, whose eye-sight went bad about three months ago, showed himself to be a man of pluck. With all odds against him he faithfully stayed at his post until it became impossible for him to do justice to the work. The duties of a secretary in a poultry association are as difficult as a secretary's work in any organization. Everybody must be given the same consideration, yet, an action taken by the secretary is different in one case than another and but few poultrymen appreciate the work done through this office. The Holland Poultry association is one of the strongest poultry organizations in the state, and Mr. Sprang is due much credit for keeping the association in a flourishing condition since he continued the work of former secretary Edward Brouwer, who for three years built the association up to where Mr. Sprang took office. The board of directors gave the secretary a rising vote of thanks for his faithfulness, and the president, Mr. A. Siersma, very ably spoke words of comfort to Mr. Sprang, assuring him that the association hoped and prayed for nothing else than a quick recovery.

The office of secretary of the Holland Poultry association was filled when Edward Brouwer, former secretary agreed to take up the work required in this office. Mr. Brouwer resigned as a director of the association and his vacancy on the board was filled by Mr. Sprang appointed by the board.

The Holland Poultry show and exhibition will be staged Christmas week. Applications for entries have

already been received from various parts of the state which is another indication that Holland has gained a real, sound reputation all over the state.

HAMILTON

The farmers are busy shipping celery, onions and potatoes.

Martin Van Dis unexpectedly passed away last week. During the building of a new house, Marvin was scratched by a nail. Less than a week later, he died in the Allegan hospital of lockjaw. Funeral services were held in East Saugatuck church and interment was in the Hamilton cemetery. Marvin was 17 years old.

Wm. Ten Brink purchased the property of Mr. Douma.

Rev. VanDyke addressed the Hope College students on the second day of the week of prayer on the subject "Preparation or Prayer."

Rev. Roggen is spending the week in Hull, Ia., at the home of his parents who are celebrating their 50th wedding anniversary.

Edward Lampen and Miss Della Pellon were united in marriage last Friday. Mr. Lampen is engaged in the hardware business in Hamilton. The young couple will make their home in Hamilton.

The pageant "The Striking of America's Hour," was very successfully presented by the young ladies' missionary society of the 1st Reformed church. The pageant portrays the spirit of brotherhood summing up to judgment the nations of the world. All are weighed in the balance and found wanting because they have not given the true light to the world nor set their people free. Finally America is summoned. Numerous accusations are brot against her, pleas come from within and from without. America, however, is equal to the occasion, and with the cross of the blessed Master as the symbol of true christian liberty goes forth to alleviate the suffering of mankind, and to bring them the true light. The audience responded with a liberal offering. Among the out-of-town people to attend were Mr. and Mrs. F. Peters, and Rev. and Mrs. Rotschafer from Jamestown, and Mrs. Stegeman from Overisel.

The Fallen Idol.

But what makes us excessively angry is to discover that our idol not only has feet of clay but also fallen arches. —Galveston News

PRIN. RIEMERSMA HOLDS BIG BLOCK OF SEATS FOR G. H.

Preparations for the huge crowd that is expected to attend the Holland game here on Armistic day are already under way, says the Grand Haven Tribune. Principal Riemersma of Holland has set aside a section for the Grand Haven rooters and through the school officials, Harold Smith of Smith Bros. Soda Grill has secured 400 tickets to sell. Possession of the tickets will obviate the necessity of standing in line at the box office, waiting for change and the several other waits which are incidental to buying tickets at the big game.

Assurance of a big crowd from Grand Haven is growing. A half-holiday has been declared for Armistic day and that will mean that many merchants and their employees will be free to go to Holland to support the Blue and Gold. Estimate has it that about 1,500 or 2,000 will go to the game from Grand Haven. This will constitute a gigantic rooting section for the G. H. team.

Many people will go in their cars while it is thought that several buses will be put on to take care of those not having cars or friends with cars and who want to go to the game. As in the case of two "kids" who went to Benton Harbor some may decide to walk. The distance to Holland is 22 miles and the average youth can travel on foot at three miles an hour. This would necessitate about an eight hour start in the event that ride was secured. Interest in the team is at a high ebb and many will follow the eleven even though they have to walk.

FIGURES SHOW HOW TEAMS ARE MATCHED

The game Saturday between Holland and Grand Haven will be a battle royal. How the teams are matched is shown by the tabulation made Wednesday. According to the official figures the Holland team averages 147 lbs., Grand Haven 155 pounds. The Holland line averages 150 lbs., and the backfield 145 lbs. The individual weights for Holland are:

LE., St. John 145; LT. Vandewoude 145; LG., Fell 155; C. Van Raalte 153; RG., Nies 175; RT., Van Lente 148; RE., Van Zanden 133; QB., Vanden Brink 130; FB., Lordahl (capt.) 161; RH., Kleis 135; LH., Hill 143.

Substitutes—Masselink 136; Mulder 145; Galster 142; Damstra 150; Jappinga 141.

The individual weights for Grand Haven are:

LE., Duffield 165; LT., Kinkema 165; LG., Huizenga 150; C., Van Doorne 170; RG., DeKeip 145; RT., Van Dongen 160; RE., Ver Duin 150; Q., DenHeder 150; LH., Westerhof 165; RH., Speis 150; F., Van Tol 155. Subs., Sherwood lineman 160; Worsfold, sub., 155; Kinkema sub. lineman 150.

The records of games played so far by the two teams:

	Kalamazoo	33
Holland 13	G. R. Central	20
Holland 0	Muskegon Heights	6
Holland 20	G. R. South	3
Holland 6	Allegan	0
Holland 20		
Total.....	59	Total.....62
Grand Haven 32	Fremont	6
Grand Haven 0	Muskegon	0
Grand Haven 7	South	0
Grand Haven 19	Allegan	0
Grand Haven 52	Muskegon Hts.	0
Grand Haven 27	Benton Harbor	0

BET YOU DON'T KNOW WHAT OUR JOB IS!

Making Furnaces? No; More'n that, Installing em? No; that's not all.

Here's What We Say It Is:

Making Houses into Homes.

We do that, and then we make good homes better. Wonder if you wouldn't like to have your home cozier than it is.

Its no more a luxury to have coziness than it is to eat good bread. It does just as much as bread to make you ready for all in life that is worth while. Some people think their homes and families don't deserve that much. What do you think of that! Especially when a HOLLAND FURNACE can be bought on credit.

Holland Furnaces Make Warm Friends

HOLLAND FURNACE CO.,

General Offices -- Holland, Mich.

225 Branches in Central States.

LARGEST INSTALLERS OF FURNACES IN THE WORLD

Reduction Sale!

We must reduce our entire line of Men's and Boys Mackinaw's, Men's and Boys Scheepined Coats, Gloves and Mittens, Bath Robes, Flannel Shirts, Boys Suits, and a few Rain Coats for Women, Men and Boys, Sweater Coats of all kinds, Caps and Hats, Blankets and Wool Hosiery.

If you are in need of any of the above articles come in and see us, as it surely will be a big saving, and if not satisfied your money refunded.

17 West 8th St. Holland, Mich.

SMOOTH SWINDLERS FLEECE HARRY PADNOS WITH BOGUS CHECK

It has just come to light that two smooth swindlers, a man and a woman, who claimed to be married, got the best of Harry Padnos for \$43.15. They breezed into Harry's store in the first ward and immediately got familiar with Mr. Padnos, the conversation going something like this:

"Why, how are you, Harry?" each grabbing a hand and shaking it vigorously. "Why, don't you remember us? We remember you when you were on River street, and we used to buy things from you."

Harry couldn't place the folks and he took it for granted that he must have forgotten the people since his absence from the city.

Said the man, "Why, you must remember us, we are relatives of the De Pree's in Holland and we are visiting them. The reason we came in here was that my wife saw a dress in here that looks like the one De Pree's bought somewhere else." The woman spoke up and said, "Here it is, this is the dress," pointing to one Harry had on a hanger.

"Well Harry, how much is this going to cost me?"

"That one," said Harry, "will cost you just \$5."

"Five dollars! why the De Pree's paid \$50 for theirs. I'm going to have a joke on the De Pree's and show them what I got for five. The same thing."

"All right Harry, wrap it up, and by the way, I've got a check here on the De Pree Manufacturing Co. for \$43.15 signed by my old friend Cornelius De Pree. Take the price of the dress out of that."

Harry proceeded to do so, having been fully taken in by the man, and the woman.

The check afterward proved to be a counter check on the Holland City State bank and the De Pree Manufacturing Company was stenciled on with a rubber stamp, and the check was made out to Geo. Huyser, who the man claimed to be.

Pleased with the sale, Harry deposited the check in the cash drawer, the man and woman having departed with a new dress and \$38.15 in change and in the course of the week's business the check was deposited by Mr. Padnos, but shortly afterward was returned stating that there was no firm by that name and consequently no funds.

No doubt the swindlers got a line on the DePree Company of Holland, but even the stencil was crude and the firm name was not printed on correctly.

It goes without saying that the De Pree's know nothing about the swindle or swindlers and the man Mr. Geo. Huyser, who lives at 50 West 7th street and whose name appeared upon the check knows nothing about it.

Both man and woman were small and of dark complexion, and have gone to part unknown long before this.

TAX RATE TO BE LOWER THAN LAST DECEMBER

The tax rate for Holland for the December taxes this year will be \$1.11 less per \$1000 valuation than the 1921 rate. This announcement was made Friday by C. W. Nibbelink, city assessor, after he had made up the tax roll for the December collection of taxes which will begin the first Monday of next month. The total rate last December was \$9.29 per \$1,000 valuation while the total rate this year for December taxes is \$8.18. Any taxpayer who knows the valuation of his property can thus figure out what his bill to the city will be. No bills will be sent by the city treasurer. It is necessary to state this because a certain number of taxpayers each year wait for a bill.

The state tax this year will amount to \$44,334.02, making the rate per \$1000 valuation of \$3.19. The county tax amounts to \$36,907.16, making a rate of \$2.66 per \$1,000. The county roads tax amounts to \$32,373.87, with a rate of \$2.33 per \$1,000 valuation. The grand total of money to be raised in Holland is \$113,615.05, or a rate per \$1,000 valuation of \$8.18.

In July, when the city and school taxes were collected, the amount raised for city purposes was \$139,844 with a rate of \$10.06, and for school purposes, \$145,000, with a rate of \$10.44 per \$1,000 valuation; or a total of \$284,844.00, with a total rate of \$20.50 per \$1,000 valuation.

The total amount to be raised in taxes in Holland therefore during 1922, including state, county, good roads, city and school taxes, is \$398,459.05 and the total rate per \$1,000 valuation for the entire year of 1922 is \$28.68. The total rate for 1921 was \$29.82, or a reduction of \$1.14 per \$1,000 valuation for the year.

SHERIFF'S FORCE MAKES TWO MORE RAIDS

Joe Martin of Jamestown living near the Allegan county line was arrested by Sheriff Fortney and his men for working a still.

A barrel and a half of "moon" were discovered as well as a complete still. The whole outfit was discovered in a barn on the Martin farm.

Another still was found in the basement of the home of August Stubblick. Besides the still four barrels of mash, several dozen bottles of home brew and two gallons of a mashine were taken.

The men were arraigned before Justice Fred McEachron at Hudsonville and were placed under \$500.00 bond and bound over to circuit court.

Sheriff Delbert Fortney, Deputies Ed Vander West, Nicholas De Witt and Jack Spangler made the double raids.

FORMER HOPE MAN PUBLISHES BOOK OF CHILDREN'S SERMONS

Rev. Peter H. Pleune, graduate of Hope College in the class of 1909, is the author of a little book just off the press called "The Road Without a Detour." Mr. Pleune is at present pastor of Highland Presbyterian church at Louisville, Ky., and the neatly bound volume consists of sermons to children preached to the children of his church. Mr. Pleune each summer spends his vacation at his cottage at Montello Park, usually making the trip by automobile, and in the initial sermon in the book he explains that it was while on an auto trip that the idea of "The Road Without a Detour" came to him. That is the subject of the first sermon in the volume, and the book takes its title from it.

The books contains 104 pages and is made up of twenty-three sermons, each a few pages in length. An introduction is contributed by J. Gray McAllister, of the Presbyterian Theological Seminary of Louisville, who calls attention to the extreme difficulty of preaching to children and who adds that Mr. Pleune "possesses the rare gifts of speaking to the heart of the children of his congregation." Each sermon in the volume concludes with a bit of poetry, much of it composed by Mr. Pleune himself.

The new book is on sale at the Fris Book Store.

LADIES' AID BURNS MORTGAGE ON THE PARSONAGE LOT

The Ladies' Aid society of the 6th Reformed church Thursday burned the mortgage on the lot next to the church—on which a parsonage will eventually be built. The Aid became responsible for paying for this lot on April 7, 1921, and since that date they have raised enough money so that Thursday they could pay off the mortgage and burn it.

In addition to that this organization has paid for various improvements in the church building such as curtains, rugs etc.

CONVICT FROM HOLLAND ESCAPES FROM IONIA

Martin Doolittle who was sentenced last March by Judge Cross to five years in Ionia has made his escape. Doolittle it will be remembered was caught for burglarizing the Corner Hardware and also the Nies hardware. At the Corner Hardware the man stole \$10.00 in cash and some knives, while at the Nies hardware, some revolvers were taken.

Chief Van Ry and his men caught Doolittle in the city and lodged him in the county jail until he was taken back to Ionia.

SENTENCES TO COUNTY JAIL ARE METED OUT

Alfred Bates of Grand Rapids, the man who entered the Dalton home two nights ago, while under the influence of liquor, was given 25 days to think it over in the county bastille by Justice C. N. Dickinson at Grand Haven. Bates was unable to pay any fine had it been required of him.

Harry Warden, the intoxicated one who was taken by the sheriff was given ten days in the county jail. He also could not pay a fine. Sentence was imposed by Justice Dickinson.

OVER \$30,000.00 FOR GRADING FOR NEW BRIDGE

Bids on the grading and fill work on the new Grand Haven-Spring Lake Ferryburg bridge were taken and D. J. Hennessey of Grand Rapids, proved to be the low bidder. Work will be started as soon as materials and equipment can be gathered and the finish of the job is not required until the abutments to the bridge are in.

D. J. Hennessey of Grand Rapids was the lowest bidder, his total being \$30,826.40 for the entire job. His bid per cubic yard on the earth was 52 cents and his bid on the piling was 65c a foot.

Work on the bridge is progressing nicely and already one pier is in with work well under way on the cofferdam for the center pier which is the largest of the lot, it being the one on which the bridge will swing.

Berend Kamms newly elected county road commissioner, met with the road commission for the first time Thursday. Grand Haven City Manager P. R. Taylor and Mayor Barton Elliott of Grand Haven, also met with the commission, as some work in connection with the bridge was to be considered.

So greatly were the delegates from Holland to the state Sunday School convention at Lansing impressed with the pageant, "The Light of the World," given there, that they are trying to make arrangements to give it in Holland also. "The Light of the World," is by H. Augustine Smith and it has a cast of 150 persons. Because of this large number, the play cannot be given unless all the Sunday schools join in, and an attempt is now being made to arrange this.

The pageant was given at the World Sunday School convention in Tokyo in 1920, and also at the International Sunday School convention at Kansas City.

The state convention at Lansing lasted three days. It was attended by about 50 or 60 persons from here. The registration at the convention was the largest in the association's history, being 3,081, which is 500 more than at the convention in Kalamazoo last year. The next meeting will be in Grand Rapids.

Dr. E. D. Dimment was elected first vice-president of the state association.

GRAND HAVEN MER- CHANTS TO CLOSE ARM- ISTICE DAY

Grand Haven Tribune.—About a quarter return on the balloons mailed by the Chamber of Commerce to the Grand Haven merchants in regard to closing next Saturday, have indicated a decided favor for the idea. Sixteen merchants registered their ballots in favor of the closing and three were against it. It is claimed that those who have responded are a fairly representative body.

The day being Armistice Day and also the day of the great athletic contest against Holland High at Holland, a general closing would be the means of having one of the largest bodies of supporters out that have ever followed a county seat eleven.

One provision seems to find favor with the merchants who accede and that is that Friday take the place of Saturday night in that on Friday night the merchants would remain open as they would on Saturday night. The Wednesday closing proposition seems to remain in favor as merchants claim that people expect that they will close. At all events there is not expected to be business enough to warrant remaining open.

The mere fact that the closing means more support for Grand Haven football is influencing many in this. Football is occupying the spotlight now and all live business men are awake to the fact that a victorious team gives the city prominence and that in itself constitutes excellent advertising.

IMPROVEMENTS ARE MADE IN THE CAM- PUS BUILDINGS

The buildings on the campus, and in particular the two literary halls in the Sunken Gardens, have seen considerable improvement during the past months. With the increased enrollment of the college and the coming of new societies, it has become necessary to utilize every inch of floor space that the 2 buildings, the Ogel House and the Old Grammar School, afford. In all, the buildings are accommodating five literary societies which meet every Friday evening: the Science club and the Home Volunteers hold their meetings in them, a room having been provided for the latter's sole use. To do this it has become necessary to make some improvements, which have been contributed to by various organizations. But the college administration has taken the greater part of the burden, when it provided for the painting of the buildings and also the repair of the buildings proper.

The literary societies have held their meetings in these halls since their organization one of which began with the founding of the institution. After the changes and improvements have been made, all the organizations can be accommodated, although they are crowded to capacity. Besides this, the halls are in continual use during the week for various social and religious meetings, and undoubtedly will serve this purpose for many years to come.

"MOTHER GOOSE LADY" TO SPEAK HERE ON NOVEMBER 17TH

The Holland Teachers' Club and the five P-T clubs of the city have secured Mrs. Helen D. Paulsen for a lecture in the High school auditorium on the evening of November 17. Mrs. Paulsen is a mother and a teacher as well as a lecturer. She has traveled and lectured in every state in the union. Her lecture is on "Child Life." She knows parents and she knows children, and she recognizes the children as the hope of America, the coming leaders in our social and political life. Mrs. Paulsen has a wonderful command of language and presents the case of childhood in a most graphic and forceful manner.

The delegates to the P-T State convention at Port Huron last May heard Mrs. Paulsen there, and they greatly desired to have all the parents of Holland enjoy the privilege that they enjoyed at that time in hearing Mrs. Paulsen. The Holland Teachers' Club and the five P-T clubs of the city are bringing Mrs. Paulsen here at a cost of \$135. A small admission fee will be charged which will cover the cost if the auditorium is filled. Every parent and college student should hear Mrs. Paulsen who is affectionately called "The Mother Goose Lady."

DR. HILTON IRA JONES TO BE HERE NOV. 14TH

One of the most interesting and important numbers on the entire lecture course will be the popular scientific lecture presented here Tuesday November 14 by Dr. Hilton Ira Jones, noted scientist and author.

Dr. Jones delivers in simple understandable language a vitally interesting lecture with demonstrations. "A Study in Vibrations." This makes everyone know more about some of the greatest things in science and life. "The Fountains of Pyche," another lecture given upon request, is an invaluable study in selfmanagement.

Doctor Jones is a member of scientific societies both in America and Europe. He recently resigned from a professorship in an important Western state university to become acting head of the department of Scientific Research of the Redpath Bureau.

Audiences are spellbound as Dr. Jones gives one of his interesting lectures. During the course of his "Study in Vibrations" he touches upon the time's subject of radio.

Dr. Jones will be long remembered by those who take advantage of his coming.

ARTHUR VANDENBERG WRITES ABOUT FRANK- LIN CAPPON

Arthur Vandenberg, editor of the Grand Rapids Herald has the following fine editorial on Franklin Cappon, the Holland Football star at Michigan.

CAPPON

"When in a pinch with a few yards needed, call on Cappon." That appears to be rule of gridiron generalship at Michigan this year. And when Michigan is in a pinch Cappon responds invariably with a few yards required. Yet Cappon is overlooked by many who watch Michigan in her big games. It is Kirk who runs 85 yards to a touchdown; Goebel who receives the long forward passes; Kipke who dashes around end for long gains. Their names get into the headlines. Their performances are spectacular. But in a pinch it's Cappon who is called and responds.

As this lad from Holland, Mich., goes out into the world of real things with his university diploma tucked away, he will find that the world needs consistent line plungers more than it needs spectacular forward passers. A football team without a Cappon in the lineup would lose most of its games. On the five-yard line with the goal to go it would fail of touchdowns. Cappon is the boy who delivers in a pinch. His outstanding trait is dependability. A backfield of Cappons—each man good for a certain 5-yard gain—would be unbeatable. That's the way it is off the gridiron in the tedious, uncheered monotony of life.

The steady, consistent fighters for success are unostentatious. They move forward slowly but surely. It is they who construct skyscrapers, who contrive airplanes. They batter thru the wilderness to make paths over which others follow. The world builds more monuments to consistent performers than to spectacular stars, altho they, too, deserve all of the honors they receive.

PACKED AUDITORIUM GREET'S DR. BURTON THURSDAY EVENING

The tremendous prestige that Dr. Marion L. Burton has gained in Michigan during the two years that he has been president of the state university was evidenced Thursday evening when Carnegie Hall was crowded to the doors with an interested and highly responsive audience. It is likely that no other educator in America would attract so large an audience with an address on education, and those who heard Dr. Burton agreed that they were richly repaid for the trouble of coming to the meeting. His address was straightforward, saturated with the personality of the man, and packed full of wisdom. Dr. Burton succeeded in making the members of the audience see the university of Michigan as their own personal problem.

Dr. Burton's address was prefaced by a brief address by Dr. E. D. Dimment, and the guest was introduced by Raymond Visscher of the Holland branch of the U. of M. Alumni Association.

Devoting the first part of his address to the needs and problems of the University of Michigan, Dr. Burton declared that when he came to Michigan he found a twenty years' accumulation of financial problems. Millions were asked from the last legislature and millions more will be asked from the next, but the amounts are small when it is remembered that for two decades for various more or less unavoidable reasons, little has been done in erecting new buildings and acquiring more land for campus purposes. And during this period the attendance has grown from some 5,000 students to 11,500. It is physically impossible to take care of so large a student body with the funds that were appropriated when the enrollment was less than half that number.

The main body of Dr. Burton's address, which was a fact made up of two addresses loosely strung together was given to a discussion of "That Mind of Ours." He called attention to the three "layers" of the mind, the conscious, the reserve mind that can be drawn on and the subconscious, and stressed the fact that the kind of mind one has determines what one is. There are various types of mind, as for instance the mind that is a blank sheet on which anybody can write and which is but a reflection of the latest person who has written on it; the independent mind that listens to what others say but that makes a conscious choice of what to accept and reject; the creative mind that synthesizes apparently irrelevant elements and combines them into new beauty and new truth.

The mind, according to Dr. Burton, is not something put on like a suit of clothes, but it is something that one is. The mind is the individual person, and education is not for the purpose of merely providing one with the tools for making a living but something different that shall transform the whole person and make one a different man or woman. Education should not be a mechanical process but an organic growth. The ideal type of mind is the active, thinking mind that pioneers for itself.

Dr. Burton made a plea for sympathy toward the creative instinct, declaring that when anyone tries to do something in a way in which it has never been done before, his effort should meet with sympathy and not with the derision that usually is meted out. For the creative instinct is very precious, he said, and helps to save America from a too dull standardization of life.

Dr. Burton praised Hone College very highly and he said that no denominational college was regarded with higher respect at Ann Arbor.

Do you have to work for a living?

MOST of us do—it's no disgrace. Most men over thirty have begun to think about building up an estate. If the man of thirty could be blessed with the experience that he has when he gets to be fifty, he would not be taking chances. He would safeguard his accumulations, out of his own reach and out of reach of any mischance.

He would put them in "Living Trust" with a reliable trust company, putting responsibility for investment upon his trustee.

Let us illustrate to you the different purposes of "Living Trusts." Our trust officers are available now.

Ask for our new booklet:

The Rebekah Lodge will hold initiation in the lodge hall Friday evening. All members are requested to be present.

Mr. and Mrs. R. Tromp returned Monday evening from a few days' motoring trip to Bay City, Flint and Belding.

Mr. and Mrs. Ray Cobb, Mrs. Frank Eby and daughter, and Mrs. Jake Jappenga motored to Allegan Tuesday afternoon.

Peter Lievense, of the Peoples Garage, was in Detroit Tuesday in connection with assuming the agency for the Packard car.

Rev. G. Flikkema, of Prairie City, Iowa, has accepted a call extended to him by the Reformed church at Ebenezer, two miles east of Holland.

LEGION BANQUET TO BE HELD ON FRIDAY NIGHT

The American Legion will hold a big banquet in honor of Armistice day on Friday evening at the Holland Furnace Co. banquet hall. The banquet will begin at 6:30 and it is expected that between 400 and 500 will take part. The Legion has sent special invitations to the members of the Civil War post and the Spanish War post and their wives to attend, and the members of the auxiliaries of these posts as well as of the Legion will also be present.

A few outsiders have also been invited. The banquet will be cooked and served by outsiders so that all members of the posts and the auxiliaries may sit down at the banquet. A fine spread is promised, and the speakers will be exclusively Legion men. There will moreover be plenty of music and a fine program is promised by those in charge of it.

All Legion men who have received return post cards are asked to return them immediately so that the committee may know how many to expect.

CASE PARALLELED BY SIMILAR ONE FORTY YEARS AGO

The Wilson abduction case in Muskegon, which resulted in the sentencing of R. E. Wilson to a term of 40 years at Marquette, reminded G. Van Schelven of a case in Muskegon some forty or fifty years ago that was so exactly similar to this one as to be almost uncanny. Nearly all the details of the case paralleled the present one. Muskegon then was a lumber and logging town with a large element of rough lumber-jacks in the population, and the uproar was so great that it was necessary to call out the state militia which took charge of the town until the culprit was in state's prison. It was thru the militia that Mr. Van Schelven became connected with the case.

Describing the incident Mr. Van Schelven said that to prevent a lynching the court was called at the unexpected hour of 7 in the morning. A special locomotive was waiting at the depot with steam up, and five minutes after Judge Giddings ascended the bench to pronounce sentence the culprit was on the locomotive and on his way to Jackson.

Mr. Van Schelven has preserved Judge Giddings' sentence which was picturesque, to say the least. It reads as follows: "I sentence you for life at hard labor in the state penitentiary at Jackson, there to be incarcerated during the remaining days of your natural life and until you are carried out feet foremost to fill a felon's grave."

SELL NEARLY \$10,000.00 OF USED AUTOMOBILES

That the "certified used car sale," put on during the last three days of last week was a success is shown by the actual figures of the sale. The sale was put on by the Peoples' Garage and the Holleman-Deweerd Co., and was held at the Peoples' Garage. The total gross sales of the Peoples' Garage amounted to \$7,867, and the total of the Holleman-Deweerd Co., amounted to \$2,000. The Peoples' Garage sold in addition to the used cars, two new cars, and the Holleman-Deweerd Co., sold three new cars in the course of the sale.

CHAIRMAN NAMED FOR R. C. ROLL CALL

The American Legion will again take charge of the Red Cross roll call in Holland this year. This announcement was made Thursday by Mrs. G. J. Van Duren, in general charge of the work in the south half of Ottawa county. Other appointments of persons to be in charge of their communities are as follows: Zeeland, Jack Boonstra and the American Legion of that city; Central Park and Lugers Crossing, Ruth Cook; Beechwood, Mrs. Edna Bertach; Jamestown, Mrs. Holleman; West Olive, Mrs. Dresscher.

There are several other communities in this section of the county for which chairmen are still to be named.

How to Buy Fire Insurance

Factory or Bungalow -- the same rules apply

First, find an agency with a reputation for service. Second, make sure that you are insured in a company that can offer you the soundest of policies and that will co-operate to help you prevent fire.

CIVIL WAR VETERAN ANSWERS LAST ROLL CALL

The flag in Centennial park over the civil war stone was at half staff Monday in memory of David H. Clark, veteran of the Civil war, who passed away on Saturday. Mr. Clark was well known in Holland, having lived here for 43 years. For many years he was engaged in the nursery business and in this capacity he became acquainted with a large number of persons in and about Holland.

He was 85 years old. When the Civil war broke out he enlisted as a private in Company K, 128th Ohio Infantry and he served the Union cause faithfully. He is survived by his wife and three children, G. E. Clark of Bridgeport, Conn.; Mrs. J. D. Kry of Atwood, Kans.; and Mrs. E. Hiller of Holland. The funeral was held Tuesday afternoon at 2 o'clock from the home, 61 West 9th street, Rev. G. B. Fleming officiating.

IMPORTANT CHURCH MEETING TO BE HELD IN CHICAGO

A very important meeting of the American Federation of Reformed Young Peoples' societies will be held in Chicago, December 7 and 8, when several hundred will attend.

Many important things will be brought up at this meeting which will include the selection of the federation emblem and federation song, the selection of some representative to do propaganda work among societies which are not yet affiliated with the federation, a formal recognition of the federation by the churches so that an annual offering may be taken to support the organization, the arrangement of societies in groups so that to lessen the expense each group may be represented by one delegate at the annual convention, and the disposal of all preliminary questions by each group for submission to the annual convention.

While most of the work of the convention will be routine, provision has been made in the program for addresses by R. Postma of Grand Rapids and Rev. M. E. Broekstra of Chicago and a farewell supper to the delegates.

The federation will also elect members of the executive committee from the following men who have been nominated: Prof. S. Volbeda, and R. Postma of Grand Rapids, A. Postma of Denver, Col.; A. Snoop of Rochester, N. Y.; M. Mulder of Chicago and J. Victorio of Hull, Ia. The new committee on rules for the official organ comprises R. Postma, Rev. H. J. Kuiper and J. Weidenaar of Grand Rapids and M. Arnoys of Holland.

GRAND HAVEN BEATS BENTON HARBOR 27-0

Grand Haven high advanced another notch in the title race Saturday when it walloped the strong Benton Harbor eleven, 27 to 0 at Benton Harbor.

Gr. Haven outfought and out-played the Harbortites. It was the fifth straight shutout scored by Grand Haven. Fremont was the only team to score on Grand Haven, crossing the goal in the first game of the season.

Grand Haven plays Holland Saturday at Holland. The game is a tradition at Grand Haven, the season is considered a grand success if Holland is beaten, regardless of the other games. The Holland team was defeated 14 to 7 last year for the first time in nine years.

Holland however is looking for a reversal this year and the county set will have to look to its laurels next Saturday.

KAZOO NORMAL RESERVE TEAM WERE HELD TO A 6-0 SCORE

The Hope College football eleven made a very creditable showing playing without the services of their captain, and being forced through injury to use a sub quarterback to direct their plays for part of the game against the heavy and well-drilled Normal Reserve squad. Strengthened by the use of several first string men, the Normals presented a formidable team, and although out-weighted and out-scored, the wearers of the orange and blue were not outclassed, they presenting a fighting spirit which was hard to overcome. The Normals' lone touchdown coming in the third quarter was the result of a pretty run by Frazier who broke through the line, and side-stepped 25 yds. for a touchdown. The game which developed into a punting duel between Kruetz and Yonkman was closely fought throughout the play for the most part being in midfield, neither team being able to gain consistently. Yonkman however, had the best of the punting his average distance being 45 yards.

Hope received to start the game, and Vander Meer tore off 10 yards on the first play. After an exchange of punts, Hope showed great offensive strength, making three first downs in quick succession. An intercepted pass spoiled the march, but soon after Hope received a splendid chance to score. Smashes and an end run by Vander Brink brought the ball to Kazoo's 30 yard line, where a drop kick was attempted by Yonkman, but it fell short by a small margin. During the first half Hope showed a decided superiority but could not score. The half ended 0-0.

In the second half both teams resorted to punting, until Kazoo aided by penalties and forward passes brought the ball to Hope's 25 yard line from where Frazier scored. The attempt at goal went wide and the score stood 6-0. Hope kept driving away at Normal's line, and Hidding re-

placing Vander Meer at full was responsible for several good gains. In the final quarter Kazoo started a strong offensive drive and sent Hope to the shadows of her goal posts; Hope held however, and the game ended with Normal still 20 yards from scoring. The entire Hope team displayed a splendid article of football, the work of Van Verst on the line and Vander Meer and Vander Pool in the backfield, being exceptionally brilliant.

Bowbeer, Frazier and Kruetz carried off the honors for Kazoo, Bowbeer, former Union High player is considered one of the best tacklers in the state, he twice being chosen as all-time material.

MARTINS CREW GAINS 20-0 VICTORY OVER ALLEGAN HIGH SCHOOL

The Holland High Football team traveled to Allegan Saturday and handed High school team of that city a beating that fully avenged the one given Holland last year when Allegan slipped over a 6-0 win. Holland's total of 20 points might have been swelled a great deal had not over-anxiousness on the part of the players caused several forward passes to be incomplete. Holland's backfield gained almost at will through the Allegan line, Hill especially being good for long gains whenever being called on. The line with Capt. Vander Woude and Masselink starring presented a defense of stone wall variety and made great holes for the backs. Allegan opened the game by kicking to Vander Brink who returned 40 yards before being downed. Holland after two ten-yard gains punted. Allegan here made a strong bid for a touchdown, when Webster crabbled a pass and was hauled down on Holland's 20 yard line. Allegan fumbled and Hill punted out of danger. Allegan was held gainless on three attempts at the line and punted to VanderBrink who made a pretty run for a 30-yard gain. Japping made ten yards, Hill added 5, and Jappie made first down on the 15 yard marker from where Hill scored a touchdown on two attempts. Van Zanten kicked the goal. Allegan's second and last good chance to score came at the start of the second quarter, Clark returned the kick-off 30 yards and Graham slipped thru the line for a ten yard gain. Webster went to Holland's 4 yard line, when he was on the receiving end of a forward pass. Holland braced and not only held but threw Allegan back to 10 yard line, where Hill again punted out of danger. Holland was well in Allegan's territory when the half ended. Holland 7, Allegan 0.

In the second half, Van Lente caught the kick-off and made 20 yds. Hill and Japping tore great holes in the line, taking the ball to the 30 yd. line. VanderBrink went around the right end for a touchdown. Van Zanten kicked the goal. Allegan had great trouble in penetrating Holland's line and was satisfied to punt. Holland however, continually smashed off great gains. Vander Brink made Holland's third touchdown from the 1 yard line. Van Zanten missed the goal. The game ended shortly after while Holland was making another steady march for six points. Webster and Graham were Allegan's best bets. Hill and Vander Brink were Holland's outstanding lights, the latter's generalship and tackling being of a high type, while Hill lived up to his name as a triple threat man. His running, punting and passing were faultless.

The Reserve teams of the two schools met in the pregame game. They appeared evenly matched, both scoring two touchdowns in the first half. Allegan, however, slipped over a third touchdown in the final quarter forcing Holland to accept a 20-13 defeat.

RAILROAD CONDUCTOR WON'T QUIT HIS JOB

A great many Holland folks know John H. Sullivan who has been on the passenger run between Grand Rapids and Chicago for the past 36 years, up to a short time ago. First as conductor on the old C. & W. M. and later when this road was merged with the Pere Marquette some 20 years ago.

Nearly every day up to a short time ago, should you visit the Pere Marquette depot in this city, you would have seen Mr. Sullivan. Despite his age and years of hard work he is as straight as an arrow and has a solidly bearing that cannot help but be noticed.

He is one of the most congenial men on the entire system and is not alone loved by the traveling public but by everyone who works with or under him.

John H. Sullivan has been railroading 45 years and just can't quit. The smoke and gas of a locomotive provide the sweetest perfume he knows and altho he has been getting a denatured variety of this so to speak during the last couple of years he avers that he doesn't enjoy any ozone which lacks the tang of that about the railroad yards.

Fireman, brakeman and conductor on Michigan roads for 49 years. Mr. Sullivan in 1920 became Grand Rapids traffic manager for the Pere Marquette, having been taken over by that corporation along with the old Chicago, Michigan and Lake Shore R. 25 years ago. His office is just across from the Union depot and on a balmy day, with the wind in the right direction, he is able to sniff contentedly of the old familiar atmosphere.

Mr. Sullivan started his railroad career when his mother admonished him that the life of a circus ticket seller and the association of the sawdust ring would bring him to no good end. He ran away when he was 16 to visit the old Van Amberg circus, which then was showing near his home in Berrien county. Infatuated with the show he applied for a job and was assigned as an assistant ticket seller in the ticket wagon. He remained with the circus four years dealing out the "pasteboards" for the main gate all over the United States. On a visit home at the end of his fourth season his mother begged him to take up some other occupation and he decided to "go railroading."

Started in 1875
It was in 1875 that Mr. Sullivan cast his fortunes with the Michigan Central railroad. He was given a job as freight brakeman between Jackson and Michigan City when the road was a single track affair. On June 4, 1877, he became a fireman for the old Chicago, Michigan & Lake Shore road with headquarters in Muskegon. He cut timber and stoked on a wood-burning engine and later on the more modern locomotives. Later he was brakeman on a freight. His father was well acquainted with A. H. Morrison of St. Joseph, who at that time owned the railroad.

For 36 years Mr. Sullivan was a passenger conductor on the Pere Marquette fast trains Nos 4 and 5 running between Grand Rapids and Chicago. The engineer of one of the trains, William Bellyear, who hauled him 33 years, died in 1921. The two were great pals and saw some strenuous service together.

"Bellyear, in the later years, often would ask me, when I was going to quit and I'd ask him the same thing," said Mr. Sullivan, "but we never did. He died in the harness and I guess I will, too."

Mr. Sullivan quit his passenger run when his health began to give him concern two years ago. He likes to recall the old days when he was the "boss" of the P. M. flyers. He

has carried presidents, famous opera stars and the entire category of notables in public life. His associates declare that he was very popular because of his unfailing courtesy and consideration for his passengers. He is known to thousands of traveling men throughout the country and it is said that many often waited for his trains to make the run between the two cities with him.

Like the Best Thriller
Mr. Sullivan's railroad career has not been without its thrills. One of these occurred on a stormy night when his train was carrying more than 80 passengers in the sleepers.

"We were on the way to Grand Rapids," he relates, "and had left New Buffalo where we received orders that the track was all right ahead. It was a time of year when we were cautioned to look out for high water and trees felled across the tracks by the wind. Bellyear, the engineer and I were apprehensive on this night as there had been a terrific storm. As we approached Holland, I asked Bellyear to get clearance there again, which he did. As we were coming down hill between Hudsonville and Zeeland we suddenly discovered six or eight rods of track washed out and the water flowing across the right of way like a river. Bellyear stopped the train just in time and the passengers never knew how near disaster they came. Some of them got out of their berths when the train came to an abrupt halt and I said to Bellyear so they all could hear, "Wasn't it nice of them to notify us at Holland about this wash-out?" The passengers seemed to be grateful for this advance information.

That was before the days of the block signal system, Mr. Sullivan explained, when it was a difficult matter to obtain advance dope on road conditions. The train, on this occasion was backed onto a Zeeland siding and Mr. Sullivan awakened all the livery stable proprietors in the village, hired their rigs and had all the passengers driven to Grand Rapids.

Just Can't Quit
Because he was highly regarded by the Pere Marquette management for his courtesy to the road's passengers Mr. Sullivan was given charge of the school of instruction maintained for all employees of the system. He spent several years drilling into the employees the value of courtesy and consideration for all passengers, especially women, children, and elderly men and he has been able to view with satisfaction some of the fruits of his labors along this line.

Pere Marquette officials have offered Mr. Sullivan a pension provided he felt like retiring, but he declares he has no desire to do so. In fact he told President Alfred only recently that he would feel lost without his job and that he simply had to have something on his mind to keep him busy.

Mr. Sullivan has resided in Grand Rapids 47 years. He and Mrs. Sullivan own their own home at 453 Union avenue and they have two married sons. Mr. Sullivan ranks high in local Masonic circles and has been a member of Oatley divisions, O. K. T. for 40 years or since it was organized. He was at one time chief conductor of the division.

WHAT YOU SAW IN THIS PAPER FIFTY YEARS AGO

Messrs Hoogesteger and Mulder, publishers of De Grondwet, are putting up a new building on River-st. next to Meengs grocery store. Note—The building a question is now occupied by the market of C. M. Phernambucq.

WHAT YOU SAW FORTY-FIVE YEARS AGO

The large bell for Hope church has arrived. It is considered about four times as large as the bell in the 1st Reformed church. It will be a nice little job to swing the big elephant now that they have it. We hope they will succeed. Note—The old bell has been swinging now for 45 years and still its equal as a sweet sounding chime must be found in this city. Nothing harsh about Hope's old bell. The editor at that time makes comparisons with the First Reformed church. It was the only other church in Holland that possessed a bell at that time.

A notable social event on Wednesday evening was the marriage of Miss Wilhelmina Plugger of Holland and Dirk Kruidenier of Pella, Iowa. Note—Mrs. Kruidenier was the sister of Mrs. G. P. Hummer, now living on East Twelfth street. The wedding occurred in the 3rd Ref. church, Rev. H. Uiterwijk officiating. The News goes on and says: "A large concourse of people filled the church to see the gallant lowian take one of Holland's finest flowers and transplanting it to his more western home."

FORTY YEARS AGO

The council of Hope College have engaged Mr. John Gilmore of Grand Rapids, instructor in vocal music.

Monday while our city surveyor was setting some grade stakes on Twelfth street incident to grading the street and he was aided by two Hope college students a young smart chap from Saugatuck by the name of Snyder came driving thru the street at a mad pace. His horse got tangled with the surveyors outfit borrowed from Hope College. The young man endeavored to make his getaway but Student Otte jumped in the rig and drove the Saugatuck man to Esquire Fairbanks' office on River avenue where the marshal arrested him. He paid a fine of \$27 and \$100 extra for damaged instruments.

THIRTY-FIVE YEARS AGO
The improving of Seventh street is progressing rapidly. When finished this street will add much to the beauty and attractiveness of our city. In fact the new gravel street is now the best we can boast of. Note—Thirty-five years has sure given it some wear. Thank goodness, it will be paved soon.

Young men of Holland, sons of Veteran soldiers organized in the barber shop of Henry Cronkright and now have a regular camp.

Last Wednesday Austin Harrington was married to Miss Lucia Garvelink at her home in Allegan. The young couple are well and favorably known in Holland. The News man with others wish them much joy, happiness and prosperity during their married life. Note—Well, Captain, no doubt the wish has come true.

THIRTY YEARS AGO
Wheat 68 cents.
Wm. Swift has again become the owner of the West Michigan Laundry.

Born to Mr. and Mrs. John Peters of Fennville—a daughter. Note—She is now Mrs. Frank Kleinheksel of Muskegon.

TWENTY-FIVE YEARS AGO
A party of six, Jacob Lokker, Fred Beeuwkes, Ben Loyengoed, Albert Lanting, Henry Winters and C. Karsen rode to Grand Rapids on their wheels Wednesday afternoon and made the trip in 4½ hours. Note—And we bet they came home by train.

The two new stores of W. C. Walsh on 8th street received their plate glass and will be ready for occupancy in a few days. The east store has been rented to Mesdames Goodrich and Shaw, the milliners.

TWENTY YEARS AGO
When base ball broke up in Holland, Neil Ball and Newton Root were the last of the boys to say good by to their many friends. They left for Kalamazoo Monday morning.

Johnnie Boone, driver of the celebrated trotting horse of Holland named McKinley, is home for a short vacation after one of the most successful tours of the racing tracks ever known in the circuit. He drove McKinley in ten races, capturing 7 races, winning one second, one third and one fourth. This record put him "inside the money" in any event.

FIFTEEN YEARS AGO
At a meeting held in Woodman hall for the purpose of organizing a Holland Mutual Aid Association, H. Brussee was chosen as chairman, C. Vander Meulen, secretary and Editor H. Maasman of De Grondwet stated the object of the meeting. The purpose was to organize a society similar to one in Grand Rapids, Kalamazoo and Muskegon, where fraternal insurance could be had but none of the other features of secret societies were fostered. The following men drafted the constitution: M. G. Manting, Wm. Lawrence, Gerrit Stuthagen, Henry Brussee, H. Maasman, C. Vander Meulen and Fred Kamferbeek. Note—The H. O. H. is now a prosperous organization.

TEN YEARS AGO
The winter resort club held its annual business meeting Saturday and Neil Exo was elected president in the place of Lawrence De Witt who resigned. Dick Schaftenaar was elected treasurer, Maurice Kuite is one of the new members. After the business meeting George Kronmeyer gave the club an oyster supper. Those present at the meeting were Rufus Cramer, Robert Eby, Dick Schaftenaar, Lawrence De Witt, W. Rieters, Neil Exo, Geo. Gunther, Marine Misschop and Henry Serier.

"COURAGE" WAS SUBJECT OF THE COLLEGE MEETING
PRESIDENTS OF "Y" LEAD THE MEETING ON WEDNESDAY
Wednesday's week of prayer meeting at Hope College was conducted by the presidents of the two Y associations and as the topic for the day was "Courage," the heads of the two largest organizations on the campus grounds took a definite stand as to the standards that are being set up on the campus.

In discussing the problems which the joint cabinet feels are of immediate importance to the student body, Miss Jean VanderSpek president of the "Y. W." remarked that with the

heritage the students were enjoying besides the healthful environment of the college, the principles and ideals of college life should be more assertive.

Mr. Vander Bosch of the Y. M. in concluding the discussion, lamented the evident cowardice with which students are taking up the world-wide challenge that is flying out to them.

DR. OLTSMAN TO GIVE LECTURE ON JAPAN

Thursday afternoon at 4 o'clock Dr. Oltmans, missionary from Japan, will lecture in the Seminary hall. His subject will be "Religions of Japan." This is the second of a series of lectures given by Dr. Oltmans. Dr. Oltmans has spent many years in Japan and is an authority on Japan and its people. The public is invited to attend this lecture on Thursday.

AUSTIN HARRINGTON STOLE A MARCH ON THE WEATHER

Commissioner Austin Harrington has been right on the backs of the contractors for the stretch of road between the River Ave. bridge connecting up with the cement highway, that will complete the missing link on the Pike.

The date for stopping on all state road work as ordered by the state Commissioner Rodger is November 1st.

Mr. Harrington intended to get the road completed as far as the Alpena highway going west. However the weather has been so ideal and summery that he continued to shove the work on the highway further north until the full stretch was completed with the exception of one half of the road between the bridge and the North Side Grocery.

The contractors' entire crew will be working on this last stretch of road with the idea of getting it completed in a little over a day. This done, Holland will be connected with the Grand Haven pike by a complete ribbon of cement, and chuckholes and bad stretches will be a thing of the past.

While the road was under construction a detour had to be made turning west on Beechwood road as far as the tannery and then turning north to Alpena road, and east back to the pike. This will soon be eliminated, and within a week the straight road to Grand Haven will be available.

In this work the dangerous intersection is also being eliminated. The Beechwood road leading to the tannery and to the home of all the residents there, is extensively traveled. The road however at that point is narrow and the turn is very sharp. Autoists coming from the north and from the west are prevented from having a good view because of the store on the corner.

Mr. Harrington has been conferring with township authorities and between the county and township this corner is being widened by at least 25 feet. An abutment has been built in the swamp to the south and the necessary culverts have all been laid and filling in is now in progress. The fill being made is a wide cement road that will be constructed there and instead of the

Special Sale on all Dinner Ware!

As Thanksgiving will soon be here and a set of NEW DISHES are always in order, we have decided to hold a SPECIAL SALE on all sets in stock.

We are showing some Beautiful 100 Piece Sets at \$19.75 and up

The Storm

The year's most wonderful Picture.
The eternal appeal of the Northland of deep timbered valleys, and the magnificent fury of winter, with a frail girl alone in it with two men.
Spectacular storms, a smashing fire among kings of the forest, a terrific leap for life into the raging torrents of a canyon stream. A real scene of a double snow avalanche, which imperilled the lives of the players, and the vivid beauty of nature in her calms and her tempests; are only a few of the sensational scenes in this wonder drama of the great Northwest.

Four Shows Daily—1.30 p. m., 3.30 p. m., 7.00 p. m., 9.00 p. m.

Admission—Mattinee: Children 10c, Adults 20c. Evening: Children 15c, Adults 35c. Including Tax.
