Holland Fair Association Passes Out

THE FAIR DIRECTORS PUBLICLY BURN THE BOND TONIGHT

As the Holland City News goes to press the Holland Fair directors are meeting for the last time at Warm Friend Tavern, when the bond and notes signed by all of them will be publicly burned absolving them from these obligations as far as the Holland Community Fair Grounds are concerned.

The city taking over the grounds for cemetery purposes assumes the debt against the property and the obligations that were contracted over and above the bond and notes. Graciously "Bill" Eaton, one of the directors invited his fellow members to set down to a rabbit dinner, where he is being assisted as host by his son, John Eaton. The burning of the bonds and notes is a feature on the program tonight. It was a happy thought of the man from Waukegan who sure knows how to entertain. Anyway the South Ottawa and West Allegan Agricultural Association in existence for nearly a half century, has passed out on its 47th anniversary.

The officers and directors were: Austin Harrington, President; M. C. Ver Hage, Vice President; Benji Brower, treasurer; M. Jay Vandebunte, secretary; G. John Koelker, Henry H. M. Vandebunte, Andrew Klomparsa, John Fris, Abel Postma, John Van Tatenhove, Gerrit Yntema, W. L. Eaton, M. C. Ver Hage, John Arendshorst, James Nibbelink, Dick E. Boonstra, Benji Brower, Ted Moordyk, Wm. C. Vandenberg, Gerrit DuMux, George Caball, Ernest C. Brooks, Andrew H. Carl Switt.

Honorary Directors: C. P. Milham, Jacob Lokker, M. Van Zeeen, Benji Mulder, H. Koelker, Gerrit J. Deur, Henry Harrington.

October Proves To Be Very Warm Month

October, according to the Ottawa County weather bureau, was the warmest since 1920 with an average about the same as October, 1924, and only a few tenths of a degree warmer than October, 1927. Ten days of the month were slightly below normal, the others were from one to 14 degrees above the normal. The highest temperature of the month was 76 degrees on the 3rd and 6th.

The lowest was 33 on the 18th. The greatest daily range was 31 on the 21st. The least daily range was three on the 15th. Light frost formed on the 9th and 17th. Heavy frost came on the 18th marking the close of the growing season.

Precipitation totaled 2.86 inches or slightly below the normal of 3.02. The rain was well distributed, measurable amounts being recorded on 14 days. The greatest amount in 24 hours was 0.61 inches on the 23rd-24th. Thunder was heard on four days.

Wind movement was slightly below normal. The total movement was 7619 miles or an average of 10.2 miles per hour. The maximum velocity was 30 miles per hour from the northwest on the 16th.

Sunshine averaged 52 per cent of the possible amount compared to the normal of 50 per cent. There were seven days with 100 per cent sunshine and four days without any. There were 11 clear days, four partly cloudy, and 16 cloudy during the month.

Zeeland Woman Seriously Hurt In Car Accident

BECKLESS DRIVER STRIKES CAR AT STOP-LIGHT CROSSING IN KALAMAZOO CITY

Zeeland Record—Mrs. Minnie Van Stama of this city is in the local hospital recuperating from injuries received in an automobile collision at Kalamazoo while on her way to Comstock to visit relatives last Thursday.

The automobile party was composed of Mrs. Van Stama, Mr. and Mrs. Harm Ringwolve and son, Alvin and Mr. Bert Ensing of Hudsonville, in Mr. Ringwolve's car. Mr. Ensing was driving.

While crossing a street intersection at a signal light their car was struck on the side by another car, the driver of which had failed to heed the red stop light, causing the accident.

Mrs. Van Stama was the only one considerably hurt, and she was given first aid by a Kalamazoo doctor after which she continued her trip to her relatives at the village of Comstock with the intention of remaining there a few days. However, before evening came she decided to return home because of her injuries. Although it could not be determined that any bones had been broken or any other serious condition existed she was compelled to remain at the Ringwolve home near Hudsonville, from where she was removed to the local hospital Tuesday, where she will undergo thorough examination for internal injury and possibly broken bones. Although she is improving she is still suffering much pain.

Opossum Wanders From South Land To Ottawa

The opossum, which has always been regarded as an inhabitant of the southern states, evidently is deserting its native habitat and is wandering into distant climes.

At least that was the experience of one time-worn specimen captured by Mr. Henry Smith, two miles west of Hudsonville, this week, and as a result he is not only playing his trick of "make believe dead," but he is really dead.

The opossum was caught in a trap set by boys in the Smith family near their home, and they dispatched the animal before recognizing the species. The animal was probably aged as evidenced by its badly worn teeth, but it was a perfect specimen now being mounted by Mart De Jonge, taxidermist, at Zeeland.

COMMUNITY CHEST IS WELL OVER THE TOP WITH \$22,000.00

The Community Chest budget for 1932 is for \$20,900.82 and the amount raised was given out today is well over \$22,000. The exact figures cannot be given at this time since Secretary Gross and staff are tabulating the pledges and this work is nearly completed and the approximate figures as given above was available. General Chairman Wm. C. Vandenberg felt pleased over the showing made and publicly expressed his appreciation to all those who participated in the drive also including the Holland newspapers.

ZEELAND CONGREGATION TURNS DOWN BUYING OF A CHURCH LOT

A proposition to extend the church property of the First Christian Reformed Church by purchase of the vacant lot adjoining the church on the north and facing Main street property, belonging to Dr. Wm. G. Heasley, was denied by a majority vote of 96 to 87 of the members of the congregation. A preceding motion had established a two-thirds majority necessary to carry a proposal of purchase of this very desirable piece of property much needed by the Zeeland church.

Grand Haven Adopts Drastic Ordinances

NEW ITINERANT MERCHANTS MUST HAVE LICENSES, NIGHT PARKING IS RESTRICTED

Grand Haven Tribune—Three ordinances were added to the Grand Haven city laws Tuesday night by action of the city council. One concerns the restriction and licensing of itinerant merchants or anyone coming into the city with merchandise to sell which has not been purchased for regular sale in the city, or for those merchants coming into the city, in any type of building, for a limited time. Another restricts the parking time of automobiles on certain streets during the night and the third limits the smoke issuing from commercial buildings.

The ordinances were prepared by Charles E. Misner, city attorney, and were read at the council meeting last night by him.

The one dealing with the licensing of itinerant merchants is a long one and covers every angle of outsiders endeavoring to do business within the city limits without establishing a residence here. Bonds of \$1000 will be required and a rate of schedules was fixed in accordance with other cities of this size through the state. The maximum penalty is \$100 or 90 days in jail.

The parking restrictions bar all motor cars from the streets between Franklin and Columbus, extending from Water to Fourth streets, from the hours of 10 p.m. to 7 a.m. for longer than one hour.

The smoke ordinance restricts smoke from commercial stacks over the city for more than 10 minutes at a time, during which time furnaces are cooled.

The ordinances will go in effect 20 days after the action of the council.

MAN TOO PROUD TO BEG TOOK PIGEONS FROM PARK FOR FOOD

Isadore Elgwer, who told Detroit police that a combination of unemployment, hunger and pride had forced him to capture and eat pigeons in Grand Circus park rather than appeal for aid, was assured of a job and three meals a day.

Elgwer's case came to the attention of welfare officials after a patrolman picked him up in the park and found a live pigeon in his pocket. Elgwer told the officer that he had been taking two pigeons a week for the past month and that the pigeons had been the only thing which enabled him to ward off hunger.

Representatives of the Michigan Humane society refused to prosecute Elgwer for his raids on the pigeons and the department of parks and boulevards said no charges would be brought. The Detroit police gave Elgwer his first square meal for weeks and promised to help the welfare department in finding him a job.

ZEELAND FOLKS COMMEMORATE THEIR WEDDING DAY

Mr. and Mrs. Benji C. Van Loo of 42 East Central Ave., Zeeland, last Friday celebrated the thirtieth anniversary of their marriage. Three of their children, Miss Mary Van Loo of Chicago Heights, Illinois; Miss Naomi Van Loo of Michigan State College, East Lansing, and Wm. H. Van Loo of Allegan, with Mr. Harry Hause of Chicago Heights, Illinois, were present and spent the week-end here. Mr. and Mrs. Van Loo were the recipients of many congratulations from friends and relatives.

Woman From African Mission In Great Demand

Miss Veenstra, African Missionary, Speaks To Crowded House

Miss Johanna Veenstra, Missionary of the Sudan United Mission, spoke to an audience that filled the large Ninth Street Christian Reformed church to capacity last evening.

Miss Veenstra told of her work in the African Mission field, much of which has already been given in the News before. Her talk is straightforward. She is modest in her statements, and with her delivery was very inspiring.

Her message was especially interesting to the Ninth Street folks, since her co-worker, Miss Nelle Breen, is a member of this church. That the work of this pair is being blessed is evident from the many converts that have been made, and these native converts, too, are zealous in bringing about conversions among the peoples of these benighted tribes.

One can readily see how far reaching these efforts may become over a period of time.

Miss Veenstra spoke under the auspices of the Young Ladies' Mission Society.

Grand Haven Tribune—Miss Johanna Veenstra, missionary to Africa sent by the United Sudan Mission with headquarters in London, England, spoke in the Second Christian Reformed church on Wednesday at 8 p.m. She has been obtained through the efforts of the Good Hope Mission Circle of that church and gave a discourse on her work in Africa.

Miss Veenstra is the first white woman ever to have gone to British West Africa to do missionary work. She says that many of the people in that part of the country are uncivilized. There are now several churches established in that territory.

Miss Veenstra has been on furlough in this country since May and has made many addresses on her work. Miss Nell Breen of Holland, who is well known in Grand Haven, works with Miss Veenstra. She also has given an address in this city.

A short pageant, consisting of song and pantomime was given by the Good Hope Mission Circle. It is called the "Message of the Months."

HUDSONVILLE CHURCH GIVES MISS Veenstra \$100

Miss Johanna Veenstra spoke to a very large audience in the Hudsonville church last Sunday evening and the building was crowded to capacity. Every one present was intensely interested in the account of her work as missionary in Africa. Some one who took the time to count them, reported that one hundred sixty-five cars were parked in the vicinity of the church building and the offering for Miss Veenstra's work amounted to more than one hundred dollars.

SPONSORING OF CHICK SALES PROGRAM AT WARM FRIEND TAVERN

Rapid changes in the hatchery business demand closer study, says J. E. Burger of the Purina Mills Poultry Department, and for that reason he will hold free poultry schools at Warm Friend Tavern, Holland, on Thursday, November 12, 1931, from 9:00 a.m. to 11:00 p.m.

The hatcheryman's business may either stand or fall depending upon his ability to sell chicks. To help build a bigger business Purina Mills is sponsoring this program at which Hatchery Business Management, Sales of Chicks, Merchandising, Eggs, Incubator Principles, Battery Brooders and Supervision and Management of Flocks will be discussed, and where any hatcheryman is invited.

Holland Judges To Pass On Zeeland-Hudsonville Debate

The first debate of the season for the Zeeland high school squad in the State Debating League will be held at Hudsonville on Friday, November 13, at 8:00 p.m. Hudsonville will uphold the affirmative and the Zeeland team will argue the negative side of the question.

Either Stella De Jonge or Donald Van Liere will speak first for Zeeland, followed by Lester Wolterink and Lester De Koster. The Hudsonville speakers will be selected from the following four: Esther Kiel, Elmer Bos, Richard Marlink and Mildred Aylworth. Four judges have been agreed upon, three of whom will be secured by the Hudsonville debating coach. The names of the judges are Professors Raymond and Ritter of Hope College, Professor Stella of Calvin College, and Mr. Stanley Albers, the debate coach at Grand Rapids Union High.

HOPE COLLEGE GIRL TO SPEAK AT ZEELAND "LIT"

The last of a series of three musical programs will be presented by the Zeeland Literary Club at their regular meeting on next week Tuesday, 3:30 o'clock, at the club room. The main feature of the program will be a discussion on German Music and its Development, led by Mildred De Pree, of Hope College, with others participating. Mrs. C. Van Loo will be hostess for the afternoon.

The Holland classic and consistorial union in the Reformed Church in America will hold a special joint meeting Monday, Nov. 16, at 7 o'clock in the Reformed church at Jamestown. Rev. J. F. Heemstra of Hudsonville will speak on catechetical preaching and an amendment to the constitution will be discussed. Devotions will be conducted by Rev. J. Wolterink.

JEANSON YOUTH SUFFERS LOSS OF HIS LEFT ARM

Rhynar Scholten, aged 19, Rural Route No. 1, Jenison, suffered injuries that necessitated the amputation at St. Mary's hospital of his left arm when he caught it in a corn cutter late yesterday afternoon.

News Items Taken From the Files of Holland City News Fifty, Twenty-five and Fifteen Years Ago Today

FIFTY YEARS AGO TODAY

Ex-President and Mrs. Hayes are expected to arrive in London after traveling through Europe and will then return to the United States.

A petition has been presented to the common council to put eight street oil lamps on the corners of the two main streets to be lighted during dark nights when the moon is not shining. This is a needed improvement and would be a needed step ahead. Push on, gentlemen of the council! This age has but one watchword and that is—forward!

Note: Who says the Holland City News was not in progress and more light it still had that "light bee" 18 years ago when the paper was paid for a boulevard light special election. The election was lost by 175 votes but it planted the seed that brought us the real street illumination of today. The oil lamps spoken of were of the lamp post variety suitable for lighting and a resting place for drunks. The lamp lighter was a short fat Santa Claus looking man who filled the lamps in the morning and lighted them at night, using a short ladder to reach the oil burner. His name was Noble and the poor old gentleman had to stand for a great many years in the "ice kids" as the light boys called him of wind or rain. Here is one that would do credit to Eddy. Guest: "Where was Noble when the light went out? Down in the cellar eating saur-kraut." It's a classic.

Marriage Licenses: Gerrit Peters, Fillmore, Bertha Brinks, Laketown; Bert Homkes, 32, Gertrude Krone-meyer, 25, both of Holland; John Zwiers, 27, Holland, Janet Ver Meulen, 25, Zeeland; Aart Plakke, Holland, Hattie Oudemaal, Laketown.

FIFTEEN YEARS AGO TODAY

The new Christian High school has just been completed on West Fifteenth street. The school was built at a cost of \$12,000 and has an enrollment of 20 pupils. Prof. B. J. Bennink is principal. Note: Since that time a much larger high school was built at the fork in South River avenue on what was known as the Westerhoff property. The school built 15 years ago is now used for a grade school.

Born to Mr. and Mrs. Louis Gold-man of Holland a son at Edgewater hospital.

Geo. Skatkeles and Bob Slowinski while hunting three miles north of Holland bagged one large goose and two mallard ducks.

Marriage license has been issued in Ottawa county for Asa Earl Hutchins of Fennville and Addie Daslene Sherman of Holland.

The dock at Harrington's Landing at Virginia Park is being made stronger so stone for the new Laketown road can be unloaded there.

J. Venhuizen of Holland township has invented a new one-horse corn harvester which has two wings to cut the corn, a roller and two wheels on which it rides a double seat, and a stalk filler attachment that raises the corn. It will cut one or two rows at a time. Venhuizen is now applying for a patent and inviting capital to help manufacture his new invention.

Al Brinkman, the local transfer man, has gone to Alma, Mich., and will drive back with a 1½-ton Republic truck.

Dr. Preston Scott and Ed. Van Dresher, Holland's coin collectors, received one of Uncle Sam's new dimes from the sub-treasury at Chicago. The design is simple, picturing Liberty on one side and on the reverse side a fasces entwined with leaves and the words "E Pluribus Unum."

A straw vote taken at the Century club at Holland on the presidency gave Wilson, democrat, 14; Hughes, republican, 43; Benson, socialist candidate, 2. Hone received 2 votes, while there were 57 votes against it.

Miss Cecile De Pree, daughter of Mr. and Mrs. Nicholas De Pree, Zeeland, suffered severe burns when she was lighting a drum stove at the De Pree home. An explosion followed after the match was applied.

Bottle of Water From the Grand River Obtained by L. Lillie For Christening of Big Liner

Will Co-Mingle with Water of All Other States at Ceremony in New Jersey, Dec. 5

To comply with a request from Hon. Wilber M. Brucker, governor of Michigan, Leo C. Lillie of Grand Haven has obtained a bottle of water from historic Grand River to be used in the christening of the new express liner, Manhattan, the largest ship ever built in America, on Dec. 5, at Camden, N.J.

Mr. Lillie, in a letter to P. W. Chapman, president of the United States Line, says, "With water of Grand River co-mingled with that of the other states, the governor Hon. Wilber M. Brucker, the Michigan Historical commission and through them, the people of the whole state of Michigan, wish to extend to this new 'Leviathan of the deep' the S.S. Manhattan, their very best wishes for many a 'bon voyage'."

So when the giant queen of the seas is launched the vessel will be christened with the waters from each of the 48 states. The governor of each state has selected water from a lake, river or stream or spring of historical significance for the purpose. Grand River is fittingly chosen as the longest river in the state. Possibly no other river in Michigan has played any more important part in its historical, business and industrial development than has the Grand.

The Manhattan and a sister ship, each 30,000 gross tons, will be the finest examples of American marine architecture ever developed in this country.

MILK CUT A PENNY IN GRAND RAPIDS

Grand Rapids Press—The reduction of 1 cent a quart in the retail price of milk Wednesday by one of the largest distributors in the city was met Thursday by a number of other leading distributors, although several had made reductions previously. The new scale of prices is the same as announced Wednesday by the first distributor to announce a slash, 9 cents per quart, or 8 cents if three or more quarts are taken.

Legion Banquet At Warm Friend Tavern This Year

PROMINENT ATTORNEY WHO PROSECUTED COMMUNISTS, TO SPEAK

The Willard G. Leenhouts Post, American Legion will not forgo their annual Armistice Day banquet next week Wednesday evening but this year it will be held at the Warm Friend Tavern, under the supervision of Comrade George Dauchy, who will see to it that the festive board is well laid on this occasion and the decorations in the large dining hall are in accord with the meaning of the day.

The speakers' committee has arranged for an unusual orator in the person of the Honorable O. L. Smith, who is connected with one of the largest Detroit law firms. Mr. Smith has a reputation as an attorney that is nation-wide and his name was known the world over when prosecuting "Reds" some years ago.

Then as United States Attorney he prosecuted a crowd of Communists who were plotting against the government while they were holding a national convention at Bridgman, Michigan. It was found that they were holding group meetings among the sand dunes of Lake Michigan, and it took considerable work on the part of the government detectives and Attorney Smith to route them out and secure evidence that convicted them and sent them to prison.

Mr. Smith was also Prosecuting Attorney of Custer County for eight years and was assistant attorney general of the State of Michigan for six years.

Among the musical numbers during the banquet will be solo offerings, by Mrs. Phillip Brooks, who is a vocal artist of rare ability.

Retiring Commander George Menting, will be in charge of the deliberations and the new Legion Commander, Jack Bultman, will speak on the subject "The Legion on Parade."

The president of the Woman's Auxiliary, Mrs. P. Slag, will give her subject "The Auxiliary in Action."

The speaking program will be interspersed with selection by Ben Vandebosch and his music makers with Gerard Hanchett at the piano.

No doubt there will be several takeoffs and fun making stunts as is usually the case. The legion will stage a parade at 1:30. The marchers will include the American Legion, National Guards, Veterans of Foreign Wars, Spanish-American war veterans and other patriotic bodies with all their auxiliaries.

A patriotic meeting will be held in Holland High school auditorium after the parade.

Two Large Flock of Wild Geese Seen Flying To South

Now that the wild geese season is ended hunters say the birds are moving south in great flocks. Sunday several Holland people saw two large flocks go over the city. As the season had closed Saturday it would seem the birds have some sense that tells them when all is safe. Due to the warm weather this fall both duck and geese flights have been late and the hunting season has not been profitable.

ORDERS DOG SHOT FOR BITING SMALL CHILD

Justice C. E. Burr of Grand Haven ordered a dog, belonging to Emerson Hicks, to be shot following a complaint by Mrs. George Bartholomeu, that the dog had severely bitten her son, James, seven years old. Upon court investigation it was found the dog was four years old and had been unlicensed during that time. The charges of disposing of the dog will be borne by Mr. Hicks. The head will be sent to Ann Arbor for examination for rabies following 10 days observation at a local veterinary hospital. The bite and lacerations were on the child's forehead. He is being watched carefully during the incubation period of rabies.

Zeeland Also Has Armistice Day Foot Ball Game For Needy

The annual Armistice day party of the Zeeland American Legion is to be held in the high school gymnasium. A varied list of events will take place with games and refreshments. The legion also will sponsor a football game in the afternoon between two picked teams of former high school players. The game is to be given for the unemployed of the city. No general admission will be charged but persons will be admitted at any price they can afford to pay. The coaches of the local high school are offering their services and the athletic association is donating equipment to make the first charity contest a success.

Eighty-eight Cent Tax Drop Is Announced

GENERAL COUNTY TAX RATE IS \$26.12 FOR GRAND HAVEN; WAS \$27 LAST YEAR

A drop of 88 cents per thousand in the general county tax rate, including county, school, state and road taxes, has been announced by John F. VanAnrooy, following the acceptance of the tax and apportionment report by the board of supervisors. The combined rate is \$26.12 per thousand as compared with \$27 per thousand of last year.

All taxes except the state tax show a decrease and this in the face of a drop in valuation from \$3,111,876 to \$2,971,544. The county tax this year per thousand is \$5.84 as against \$6.30 of last year; the school tax is \$14.90, a drop of 42 cents; the road tax is \$1.32, another drop of 14 cents, and the state tax is increased to \$4.06 as against \$3.92 last year.

Tax collections are due Dec. 1 in this city, which include state, county, road and school tax, as the city tax was due in the summer. The total December tax for this city is \$336,061.80 as against \$362,108.68 in 1930, a slash of \$26,046.88.

Consumption of Milk in Holland Falls Off 40%

A petition drawn up by the Holland board of health was presented to the common council here Wednesday night in an effort to increase the milk consumption in Holland. The resolution in part called for the council to take such action as is deemed necessary to make an increase in such consumption.

The board feels that it is necessary to stimulate consumption of milk for the health of the Holland children. There has been, the board stated, a decrease consumption of 40 per cent since 1927.

It was also stated that a possible reduction in the price of milk might be obtained.

Hope Fans Will Flock to See Kazoo Game

This Saturday our fighting Dutchmen travel down to Kalamazoo to play their fourth conference game of the season. Both squads will make this trip, since the Hope yearlings meet Western State Normal's first year men on the same date.

The dope indicates that the game will be a close one. The Hornets started the season well, defeating Grand Rapids Junior, Flint Tech, and a Notre Dame B. outfit in their first three starts. In the conference standing, they have a percentage of .333, having defeated Albion 17-0 and taking it on the chin from Hillsdale and Olivet to the tune of 25-7 and 13-0 respectively.

The fact that they had defeated Albion more decisively than we, seemed to give them the edge. However, our fine showing last Saturday suggests something entirely different. Nevertheless, the outcome appears to be a toss-up and support from the sidelines. However, with a large crowd to spur them on, the fighting Dutchmen should bring home the bacon.

Will Endeavor To Get Car Ferry For This Port

ALDERMEN WANT NO OIL STATIONS AROUND CENTENNIAL PARK

Council to Send Delegation to Washington, D. C. in Behalf of Harbor

The Common Council meeting last evening was of short duration and one matter that has been coming up constantly, namely the change of time, was not mentioned. Therefore, evidently Holland will stay on Eastern Standard time since the season is already so far advanced before the next council meeting is held that there will be very little time left before another change will have to be made in the spring.

Anyway the News felt that with Central Standard time we were in our own paw and were in step with our entire retail trade radius. It is hoped that our experience this winter will bring about a concerted effort to bring Western Michigan towns together, agreeing upon a time that is sane and sensible and will do away with the constant changing and uncertainty that now prevails.

The Common Council was almost unanimous in turning down the application of Peter Mass for a gasoline service station on the vacant lot just north of the Colonial theatre on Tenth street and River avenue. The aldermen held that this was a very busy corner and a station would slow up traffic. Another underlying reason is that for the past two years the aldermen have been against crowding Centennial Park with oil stations. The Standard Oil Co. at one time secured an option on one of the corners and Vanderberg Oil Company secured the corner upon which the Wooden Shoe Diner is located but both companies withdrew from their position of building when they knew the attitude of the council which also reflected the sentiment of the public at that time and the service stations were not built.

The City Fathers will also aid in fostering a car-ferry for Holland Harbor, all of which is fully explained in the official proceedings found below as compiled by City Clerk Oscar Peterson.

PICK RASPBERRIES IN MASON CO. ROCK-GARDEN IS ALL IN BLOOM HERE

Fresh raspberries in November are rather unusual for this part of Michigan but Earl D. Bates, caretaker at Epworth Heights at Ludington found several bushes thick with ripe berries on the north beach of the resort. There are innumerable berries still green and many half ripened, he said.

PERCH RUN HERE IS BIGGEST SINCE 1924

Greatest run of perch off Western Michigan since 1924 today broke the Muskegon wholesale price two cents to eight cents a pound, the lowest in 20 years.

Amazing catches are being brought in by fishermen of Muskegon, Grand Haven and in White Lake. The run began with fair catches on Wednesday after the storm had died down. On Saturday the quantity began to swamp the market, and a record-breaking catch today smashed prices.

The run is the first of any size locally this summer, and comes as a boon to Muskegon fishermen who have been expecting one of their bleakest years. Catches have been little more than half last year's while prices have declined 40 per cent or more.—Muskegon Chronicle.

HOLLAND 1932 AUTO LICENSE PLATES TO START WITH 229-001

Definite allocations of 1932 automobile plates in consecutively-numbered blocks are being made by the department of state. Because of this each section and community of the state will be identified by the numbers on the plates. Holland's numbers will be from 229-001 to 298-000, Grand Haven 294-001 to 299-000, Allegan 290-001 to 298-000. In announcing these assignments, Secretary of State Frank D. Fitzgerald expressed dissatisfaction with the large hard-to-read seven figure plates. A plan is being worked out to do away with the large figures in 1933.

The board decided to purchase a used typewriter which

RULES OF THE GAME

Many rules for the government of human conduct have been laid down, and all of them have been broken. Still, it isn't a bad idea to think about some of them occasionally, and if possible give the sensible ones a trial.

An exchange prints a few, attributed to Walter Johnson, one time pitcher and manager of the Washington Senators, and while they principally apply to the game of baseball, the principles enunciated are equally applicable to the game of life in general. Johnson says:

"Play fair; be on the level."
"Have respect for discipline."
"Never alibi for failure; accept the breaks of the game as they come."
"Grit your teeth and bear down when things look toughest."
"Live cleanly."
"Don't criticize fellow players."
"Never quit!"

Old Cars Wear Out

The recent news item out of Cleveland concerning an automobile brake-lining concern which has raised salaries of all its employees and has increased its business by 20 per cent is something of a business sermon in itself. "Going after business every day," is the explanation given for the enviable position in which the company finds itself. There is something to that. Too many firms and individuals are willing to accept the depression as an alibi for taking things easy on the theory that there isn't any business anyway. The facts, of course, are that when it is hard to get business only those who go after it persistently every day score.

But there is another angle to this brake-lining prosperity. It indicates that a great many people are driving old automobiles which are requiring constant repairs; and that in turn indicates we are moving toward a spurt in the market for new cars. An old car can be driven just so long economically. Thereafter its upkeep becomes excessive; and the wise motorist senses the economy of buying a new machine. The highways are over-run with old cars. Just as soon as the turn in business conditions is made plainly evident the rush to buy automobiles will commence. Prospects are that 1932 is going to be the biggest year for automobile replacements in all history. The trend toward prosperity is likely to find the automobile business rushing into leadership of the parade.—Grand Rapids Herald.

Shied-Poke Is Hermit Bird of Marshes

HUNTERS SELDOM SEE BITTERN IN COMPANY OF EITHER OTHER BIRDS OR OWN SPECIES

Duck hunters who frequent the marshes in October or early November often see a large brownish bird take off ahead of them, flying over the marsh with slow wing-strokes, much like the heron. This is the American bittern, commonly known as the shied-poke, thunder pumper, stake driver and numerous other names.

The bittern is really a hermit of the marshes, living by himself, and seldom seen in the company of either other birds or bitterns. The name "thunder pumper" comes from his guttural love song. It is frequently and most constantly heard in the Spring, but it may be heard any time during the Summer, but seldom in the Fall.

From Strong Neck
This peculiar sound which the bird makes comes from his strong neck with tremendous emphasis, a "pump-er-lunk" repeated from two to seven times in quick succession and suggesting the sound of an old-fashioned wooden pump.

At the height of the breeding season, the bittern indulges in this extraordinary performance at all hours of the day, especially when the weather is cloudy.

He also occasionally may be heard in the middle of the darkest nights, but his favorite time for exercising his ponderous voice is just before sunrise and immediately after sunset.

Awkward Spring
When disturbed at its reveries under the cover of its swampy retreat, says A. C. Bent, the bittern surprises the intruder by a sudden but awkward spring into the air, with wings flopping loosely and feet dangling. But the bittern is not an active bird. It spends most of its time watching and waiting for its prey, which consists chiefly of frogs and small fish, or any sort of small animal that it can find.

When standing in the open, or when it is not observed, it stands in its favorite pose, with its bill pointed upward and with its body so contracted that its resemblance to an old stake is very striking. The stripes on its neck, throat and breast blend so well with the vertical lights and shadows of the reeds and flags that it is almost invisible.

Turkeys Slow to Fatten up For Thanksgiving

Turkey will be less plentiful for the Thanksgiving menu this year, but will be in greater supply for Christmas.

Figures supplied by the Government Bureau of Agricultural Economics showed that the 1931 turkey crop was slightly larger than in 1930, but that a smaller percentage would be ready for market by Thanksgiving.

The number of turkeys on farms was approximately 2 per cent larger than last year, but smaller than in 1929. The increase was due largely to greater numbers in the Pacific Coast states and in Texas, which offset decreases in the North Central and Rocky Mountain states.

Only 45.7 per cent of the crop will be available for the Thanksgiving holiday, now less than a month away, whereas last year 51.5 per cent were ready. For Christmas, though, 39.9 per cent will be in condition to be shipped to market, while last year only 37 per cent of the crop was ready to bedeck the Yuletide tables.

Turkeys were apparently in better than average condition on Oct. 1, except in some states in the western drought area.

HOME DAILIES LEAGUE TO MEET IN GRAND HAVEN

The Michigan League of Home Dailies will hold its summer meeting at Grand Haven June 23, 24 and 25. There are 26 dailies in the organization. The invitation was tendered at a recent meeting in Grand Rapids by the Chamber of Commerce and the Grand Haven Tribune. Last year Charles French of the Sentinel and the Chamber of Commerce had the "Daily Men" over at Holland.

CURRENCY MEMORIALS—BIG MEN ON SMALL DENOMINATIONS

The bigger the hero the smaller the denomination of the bill which preserves his memory before the public. The dollar bill carries the face of George Washington and the \$5 bill that of Lincoln. The treasury is now issuing a million-dollar bill which carries the portrait of William H. Crawford, and if you have forgotten or never heard of him, he was secretary of the treasury nine years more than a century ago. Only a favored few, however, can hope to know what he looked like.

MAGNET SAVES TIRES

Nails and other bits of metal that cause tire punctures are being lifted from the highways of Michigan at the rate of more than a pound per mile.

A report made to the state highway department at Lansing has revealed that a rotary electro-magnet contrivance has been hauled over 1,647 miles of southern Michigan roads since May and has picked up 1,781 pounds of nails, bolts and metal scrap.

The magnet is hitched to the back of a truck. The cost to the state has been about \$1,400.

The Ladies' Mission Band of the Sixth Reformed Church met Tuesday evening in the church parlors. Election of officers for the ensuing year resulted in the following: Mrs. J. Vanderbeek, president; Mrs. B. Scholten, vice-president; Mrs. L. White, secretary and Mrs. R. Vaupe, treasurer. Plans were made for a missionary tea to be held on Friday afternoon, November 13, from 2:30 to 4:30 o'clock in the parsonage of Rev. and Mrs. J. Vanderbeek. The proceeds of this tea will be used for the welfare fund of the society. At the close of the meeting refreshments were served by Mrs. N. DeWaard and Mrs. R. Grevengeod.

Dives Into Ocean, Puts a Rope Around Fish's Tail

Sam Clark, of Halifax, recently captured a 100-pound swordfish by jumping in the ocean and tying a rope around the fish's tail, then clambering aboard the boat and pulling his captive in. Incredible as the story may seem, it is vouched for by Capt. Joe Emberly of the Halifax halibut, Catherine M., and several members of the crew.

The Catherine M. was anchored several miles south of Sable Island at the time the incident occurred. As Sam and his dory mate were hauling in their halibut trawl they noticed the big swordfish among their catch. Though weakened by its long struggle, it managed to free itself just as it was pulled up alongside the dory.

Without hesitation, Sam jumped overboard and before the big fish could get away slipped a buoy line about its tail. The swordfish, one of the speediest swimmers among the deep sea fishes, was well on its way toward the depths of the ocean by the time Sam regained the deck of the dory, but it was no use. Sam still held his end of the line and in a short time, with the help of his mate, he had landed his prize.

The swordfish, though hard to land, is a valuable food fish and much sought by fishermen of Nova Scotia.

Wrens, Bluebirds, Martins Save Farmers' Corn

The following excerpt from an article by Charles J. Spiller in a Roosevelt Wild Life Bulletin is illustrative of the valuable aid birds render to farmers through their control of insect pests.

"A certain Iowa farmer harvested no corn from the first three rows in his fields lying next to a sod of blue grass. The blue grass harbored grasshoppers which fed almost exclusively on the growing blades of corn. Acting on the suggestion of a friend he placed 21 bird houses of various types at a distance of two rods apart. The first year these houses were up, 13 of them were inhabited—six by wrens, four by bluebirds, and three by martin colonies. That fall he harvested 23 bushels of corn from the three rows next to the blue grass.

GRAND HAVEN IS HAVING REGULAR ROW OVER "WHO SHALL PAY WHO"

The Grand Haven city council and board of public works are deadlocked over the question of policy regarding the city manager's salary. The board holds it is not obligated to pay a portion of it, while the council maintains the city manager, as an ex-officio member of the board, has a right to serve the board and should receive some compensation for it. The board offers to contribute to the fund by cancelling certain charges for water pumping, which proposal the council refuses to consider. The council wants the records to show such paid as part of the city manager's salary.

Alderman Pellegroni, at a joint meeting held last night, declared the matter would have to be settled in court to determine the powers of the board and believes no satisfactory arrangement can be made.

Judge John Vanderwerp of Muskegon has under consideration a suit brought by the board of public works against the city council for payment of attorney fees incurred by the board. The council claims it should have employed the city attorney. The salary matter will rest until this question has been decided.

ALLEGAN FAIR IS ALSO IN THE HOLE

The annual meeting of the Allegan County Agricultural society was held Wednesday afternoon. The directorate was reduced to nine. The directors elected were: Rollo Mosher, Wayland; Elmer Bargwell, Watson; Ernest Clair, Trowbridge; Charles Brand, Glenn D. Gordon, George Horan, T. R. Ward and Leon Kolvoord, Allegan, and M. Hutchinson, Fennville.

The 1932 fair will be held the second week in September. An indebtedness of \$6,807.20 was reported over from 1930 and 1931, including unpaid premiums. A special committee composed of C. Clay Benson, Leon Kolvoord, M. H. Hutchler and the Chamber of Commerce volunteered to pay the premiums.

HUNTS TIMBER WOLF BUT DISCOVERS DOG, 7 PUPPIES

Grand Rapids—Henry P. Zwemer, auto dealer, went gunning for a timber wolf on his resort property several miles northwest of Holland, near Port Sheldon, and recovered his dog, which he had given away last summer to a farmer living a few miles from Borculo.

Mr. Zwemer went after a load of wood, and was informed a timber wolf ran across his property, grabbed a Plymouth Rock chicken and fled. Mr. Zwemer discovered some tracks leading to his cottage and a newly made hole under the front porch.

Taking his gun he stuck his ear to the hole and heard a fierce growl. Mr. Zwemer retreated some 20 feet and waited. Presently the animal came out and wagged its tail when it saw its former owner.

Mr. Zwemer discovered the dog had tramped the distance from Borculo to the cottage, about 14 miles, and had given birth to seven puppies under the building about a week ago.

Zwemer now places a higher value on the animal and has concluded to keep it.

ONLY ONE SMTH, NO JONES AT HOPE, IT'S MULDER OR DE WITT

Compilation of names of Hope college students in the Students guide shows the name Mulder predominating, closely followed by DeWitt. The familiar name of Smith occurs but once, while the name Jones does not even appear. The Mulders are represented by seven, while the name DeWitt occurs six times.

Of the foreign contingent Arabia and Japan lead with four each. China, India, Mesopotamia and Canada each have one representative.

Hope college lists an enrollment of 448 students, according to figures tabulated from the Students guide. The increase is 28 over last year. Hope High school, with 97 pupils shows an increase of 40.

Hope's constituency covers 15 states and 6 foreign countries. New York leads the outside states with 42, Illinois and Wisconsin the central states with 23 and 18 respectively, and Iowa the western states with 15.

Michigan leads the states with 425 and Holland the cities with 280. Michigan is represented by 32 cities and towns, of which Zeeland contributes 24, Grand Rapids, 22, Hamilton 16, Grand Haven 9, Muskegon 6, Detroit and Spring Lake 5 each.

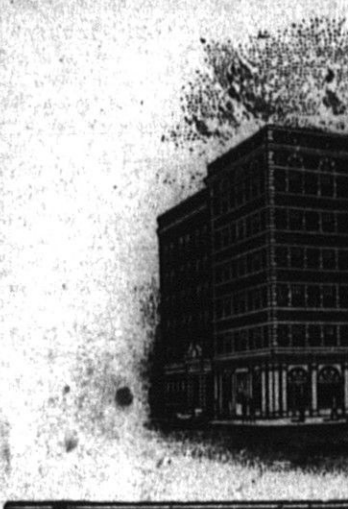

Hotel Landlord Celebrates First Anniversary

LONDLORD DAUCHY HAS BEEN SUCCESSFUL MANAGER OF TAVERN

The popular manager of Warm Friend Tavern, Mr. George Dauchy had occasion Monday to celebrate the first annual as the administrator of Holland's leading hostelry.

Mr. Dauchy has been here just a year, and during that period he has not only made good as a manager, but has made many friends in this city.

Although a very busy man, keeping his hotel up to the high stand-

ard in which the public regards it, Mr. Dauchy has found time to help along and take an interest in civic affairs. He worked diligently for the "tulp time" folks, was a prime mover in a Legion celebration, helped materially on a recent community chest drive, and has been active in many ways that take him outside of the sphere of the landlord.

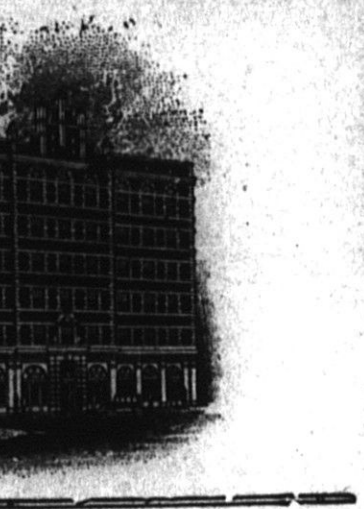

The estimable Mrs. Dauchy is a constant "pal" of her husband, and has also made many friends here, and has done her share in local community work.

Many changes have taken place

at the Tavern since Mr. Dauchy has taken charge. The interior has been made more beautiful, if that is possible, through redecoration and ornamentation. The furniture and furnishings have all been refinished, and staying at Warm Friend Tavern is a real pleasure with the "homey" surroundings. It has become the popular place not only for resorters, but for parties from the neighboring cities, who motor over for a party or dinner, since the cuisine service is found to be par-excellence.

Mr. Dauchy has inaugurated a summer program of orchestra music which was especially popular to the tourist public. Other improvements made at the Tavern, but generally noticeable to the public was the installation of a soft water system as well as a new system of ventilation in the kitchen.

The Tavern is the meeting place for all of Holland's civic clubs and

the members are given the freedom of the place with Mr. Dauchy joining in and emulating what the name of the hotel implies, namely making "Warm Friends."

That Mr. and Mrs. Dauchy are popular with the employees of the Tavern is reflected in the fact that all but one employee who were there when the Dauchys took charge are still on the job, and are pleased and contented in their respective positions.

Mr. Dauchy was manager of the Medinah Athletic club in Chicago until he came to Holland November 1, 1930.

Mr. and Mrs. James Sinke of South Bend, Indiana, spent the week-end in this city.

Miss Gertrude Flaits spent the week-end visiting her parents in Plainville.

Rev. and Mrs. Harry P. Boot, missionaries to China, who are at home on a furlough, both underwent operations last week at Mayo hospital at Rochester, Minn.

The First Methodist Episcopal Church Aid Society will hold a rummage sale and baked goods sale on Saturday, November 7, in the store formerly occupied by the Enterprize Shoe Store on River Avenue, near Eighth Street. The rummage sale will begin at 8:30 o'clock in the morning and the baked goods sale will start at 10 a. m.

Word was received in Holland of the birth of a daughter to Rev. and Mrs. Theodore Luidens of Williston Park, Long Island, New York, on Saturday, October 31. Mrs. Luidens was formerly Miss Mary Weaver of Hamilton.

The local encampment of Odd Fellows will hold a dance Saturday night at 9 o'clock at the lodge hall on Central Avenue. Members of the Odd Fellows and Rebekahs and their families are being invited.

Rev. Henry Van Dyke had charge of the Christian Endeavor meeting at Fourth Reformed Church Sunday evening. The Moody orchestra furnished special music during the evening. Doreed Moody also favored with a marimbaphone solo. The pastor gave an interesting talk on "Faith in God." Following his talk an interesting discussion was held by the members of the society.

SAUGATUCK

The Saugatuck Dry Goods Co. has moved into the building on Butler street, familiarly known as the Leland Tea room.

Force's greenhouses at Saugatuck are staging a fall flower festival from Nov. 7 to Nov. 11, to which all of western Michigan is invited.

Start of work on converting the Spencer homestead at Douglas into a community hospital for villages in this section has been delayed for the present. But renewed effort will be made in six months to push the proposal through. The committee investigating all angles of the proposal has decided that the present is inappropriate for the raising of money necessary for a full realization of the dreams of the sponsors. Many have already contributed and most of these have requested that their donations be left at the bank to draw interest until such a time as the money is needed.

Hughes Hutchinson of Fennville, killed one of the largest rattlesnakes found in this part of the state in recent years. The snake was found in Charles Wadsworth's swamp, near the west side of Hutchinsons lake. It measured 34 inches and carried six rattles.

ZEELAND

Zeeland will meet Hudsonville this Nov. 13 in the first debate of the year. The local team is composed of Lester Wolterink, Lester DeKoster, Stella DeJong and Don Van Lier.

After just 24 hours of central

standard time, Zeeland Monday returned to the eastern time schedule following an emergency meeting of the city council Monday morning. The council previously had voted to follow Holland and adopt slow time. Unaware of the Holland council's action Saturday night in reversing its stand and remaining on the advanced schedule, Zeeland found itself out of step with the rest of Western Michigan. The council voted Monday that it would disregard future action by the Holland council and remain on fast time so long as Grand Rapids retained the eastern schedule.

The Ambassador trio of Grand Rapids will present a program of sacred music in First Reformed church, Zeeland, Friday. Nine different instruments are used by the trio in presenting the program, which is sponsored by the Young Men's Bible class of the church.

The themes for Scriptural consideration at the Bible Witness Hall next Sunday will be, "Overcome and More Than Conquerors," in the morning, and "Believing Is—What?" in the evening.

"The Biggest Sinner in Zeeland" is the theme to be considered by Rev. J. Van Peursem next Sunday evening at the First Ref. Church, Zeeland. The subject for the morning service is "How Sin Came In." We must know sin to find the way to spiritual health.

Mildred Arlene Elenbaas celebrated her eighth birthday anniversary at her home on South Maple street by inviting a group of her young friends for a party in honor of the event last Friday afternoon. The guests present were the Misses Pearl Lemson, Cornelia Berema, Geneva Van Rhee, Catherine Elenbaas, Ethel Blauwkamp, Arlene VanRhee, Laura Jean Johnson, Harriet Petroelje, Ruth and Mary Kraak, Joyce Elenbaas, Winifred Van Hoven and Viola Machele.

John R. Bouws of Zeeland was a caller at the Holland City News office Tuesday.

Miss Margaret De Groot of Holland and Miss Elva Elenbaas were in Detroit attending the installation of Rev. Harry Brower as pastor of Nardin Park Ref. Church. Mr. and Mrs. Lambert Brower, of Rev. and Mrs. John Van Peursem of Zeeland, also attended.

The Zeeland post of American Legion is sponsoring the first ship of Sea Scouts to be organized in the East Central District. Corey Hirdes will act as Skipper, H. Dickman will serve as first mate, and Dan Boone will act as second mate. The first organization meeting is called for Thursday night. At that time all the boys who want to join the local organization are asked to be at the local Legion rooms which will also serve as headquarters for the Sea Scout unit.

Mr. and Mrs. Russell Smittier of Zeeland returned Saturday evening from Florida where they spent three weeks visiting with their father and other relatives.

Born to Mr. and Mrs. Albert Grotter, West Main St., Zeeland, on Saturday, October 31, a son, Marvin Cornelius; to Mr. and Mrs. Henry Telgenhof, Drenthe, Saturday, October 31, a son, Henry Jr.; to Mr. and Mrs. Frank Hoogland, West Main St., Zeeland, a daughter, Arlene Merilyn.

Vernon Poest entertained the Boy Scouts at a Halloween party at his home on West Central Ave. last Friday evening. The boys enjoyed their fun in the attic, which was decorated for the occasion. Delicious refreshments were served by Vernon's mother, Mrs. Corey Poest. All enjoyed a fine time.

Mr. Wormer, a representative of the Michigan Lord's Day Alliance, addressed a union meeting of the Christian Reformed Churches of Zeeland at the First Church this Thursday evening.

Miss Reka Gorman, daughter of Mr. and Mrs. Wm. Gorman submitted to an operation for the removal of her appendix at the Huizinga Memorial Hospital Monday morning.

Senator and Mrs. Gordon Van Eenennaam of Muskegon were weekend guests of their parents, Mr. and Mrs. Herbert Van Eenennaam, at their home on East Central Ave. Zeeland.

Mr. and Mrs. Lynn DePree of Flint spent the week-end here at the home of Mr. DePree's father, Mrs. J. J. DePree, on North Church Street.

Next Sunday morning Rev. Richard J. Vanden Berg, pastor of the Second Reformed Church will give as the topic for his sermon, "The Christian Aspiration," and his children's talk will be on "God's Sons."

In the evening his topic will be "The Testimony of Testimony." At the consistory meeting of the Third Chr. Reformed Church, Zeeland, held last Thursday evening, the following were placed in nomination from which officers will be chosen at the coming church election: For elders, W. K. Bareman, J. Kamps, G. Kleinjans, G. Petroelje, H. Vander Ploeg and S. Waldek; for deacons, C. Bosch, G. Gorman, C. Rozema and W. P. Staal. The retiring elders are A. Beverwyk, E. Glurum, and J. W. Staal; retiring deacons, T. Kraai, Sr., and George Lokers.

Those comprising the group were Mrs. Willard Claver, Mrs. Russel Karsten, Mrs. Henry Borst, Mrs. E. J. MacDermid, Mrs. J. H. De Pree, Mrs. D. C. Bloemendaal, Mrs. R. N. Nies and Mrs. H. Prins. The time was spent in a sociable way, and Miss Vedders served a dainty lunch to her guests.

At the last meeting of the Zeeland unit of the American Legion Auxiliary, plans were made for an extensive membership drive. The two vice-presidents, Mrs. Elsie Veneklasen and Mrs. Manie Van Hoven were appointed leaders of the two groups to work toward a record-breaking membership for 1932. In all parts of the country, membership campaigns are being conducted the week preceding Armistice Day. Completion of the re-enrollment by Armistice Day is the goal toward which the unit is working.

The opportunities for patriotic service, offered by the Auxiliary, are drawing more and more of the eligible women into its ranks each year. The Ladies' Auxiliary will hold their regular meeting next Monday evening, November 9. The members are urged to attend this meeting.

Mr. and Mrs. Richard Nies had as their honor guest Miss Johanna Veenstra, missionary to the African Sudan, at their home on West Cherry street, Zeeland last Friday evening, entertaining a group of friends in her honor. During the course of the evening Miss Veenstra related some of her experiences, also

HAMILTON

The Jubilant Trio will give a program in the First Reformed church on Tuesday evening of next week, Nov. 10 at 7:30. The program is given under the auspices of the Ladies' Missionary society. No admission will be charged but a silver collection will be received.

Henry Ten Brink and family spent Sunday with Mr. and Mrs. Peter Van How of Virginia Park. Chet Voorhorst was in Chicago last week Thursday and Friday on business.

Varney Benett of Free Soil is

visiting Jess Kool and relatives in this vicinity for a few days.

E. Wentzel and family visited relatives in Kalamazoo Sunday. Mr. and Mrs. Marvin Fokkert and family of Whitehall spent the past week-end with relatives in this village.

Hamilton and vicinity have always had a great deal of faith in Holland and as a result we have in every way tried to follow her lead. The last weeks however, Holland has been making such sudden and unexpected turns to right and left with a final complete reversal of the field that we have to go through queer acrobatic stunts to keep up with her and end up Saturday night sprawled out with all ambitions to follow further knocked to smithereens. As in other places there is a great difference of opinion in regard to time, this vicinity being no exception, but it was decided to stick with our big sister. Holland then for several days got up each morning with a change of mind and heart and it was with great relief that we received the official notification that Central time would again be Standard time during the winter months. Immediately an-

nouncements and plans were made according to Holland's official action. Saturday evening just when we had turned the clock back, we found that our big sister had again changed her mind and had decided to remain on fast time. Well, Hamilton would not make the reverse entirely. Part of us did and part of us didn't. Naturally we are getting up dazed and angry, not knowing the reason for the sudden change, but feeling as if a mean Halloween joke had been played on us. Just now we have a strong desire to line up, place our independent little guide at the tail-end; crack the whip real hard and follow it up with a straight talk. Almost the entire community as well as Hamilton itself look upon Holland as their business center. A large number of our young people are attending Hope College and the Holland schools, while also the church work here is linked up with the Holland churches. Consequently we appreciated the consideration and decision of Holland a few days ago and are at present not little provoked at the change.

Gladys Lubbers is in Jackson this week visiting relatives. Ray Maatman and family visited relatives in Grand Rapids Sunday. Robt. S. Womer, secretary of the Lord's Day Alliance, of Detroit, spoke to a large audience at the First Reformed church Sunday afternoon. It was a splendid address, emphasizing the need of Sunday and the dangers which threaten the institution at the present time. Halloween parties were numerous last week-end. Among others, the two lower rooms enjoyed a party on Wednesday afternoon, while the grammar room played and ate with the ghost in the High School room Saturday evening. The C. E. society of the American Reformed church were gathered for a frolic at the home of Mr. and Mrs. Joe Hagelskamp Friday evening. A large number of the Hamilton folks attended the home coming events of Hope College Friday and Saturday. John Bowman and Frank Mooney of Holland were in the Hamilton woods last Monday. On their way homeward they stopped in the village very much disgruntled. John was heard to remark: "We shot at about fifty", but for some reason did not want to say any more. Frank was more talkative and told some strange stories about "laugh-

ing rabbits."

Juella Brower was home for the week-end. Mr. and Mrs. Walter Dill of Detroit were guests of Mr. and Mrs. Roy Ashley Saturday and Sunday. Mrs. Sena Maatman and daughter Adelaide visited at the John Veneklasen home at Zeeland Saturday evening. Mrs. G. Klokert, 74, died last week Thursday morning after a lingering illness. Funeral services were held Monday afternoon at the First Reformed church with a large number of relatives and friends in attendance. The pastor, Rev. J. A. Ruygen, Rev. G. Heekhuis of Grandville and Rev. F. White of Allegan took part in the services. She is survived by seven children: Mrs. Henry Tuisink, Mrs. Cornell Tuisink of Allegan; Mrs. John Hek of Benheim; John Klokert of Holland, Albert Klokert, Nick Klokert and Will Klokert of Hamilton. Hamilton has returned to fast time after enjoying one day on slow time. The local schools and churches and the various business places have announced that they will continue according to the summer schedule.

Jurymen who are in service on the grand jury at Grand Rapids are Maurice Luidens of Olive, Henry Geerds, Holland. On the Traverse trial jury can be found Harry Dornbos of Holland.

The Allegan Rod and Gun club will hold its annual banquet in Industrial hall at the fairgrounds Tuesday evening. A business meeting will follow. They are pleased at the attitude taken by the Holland Fish Game Club in sharing fish with them from the fish ponds.

Justice C. E. Burr of Grand Haven ordered a dog owned by Emerson Hicks to be shot when Hicks was taken into court Monday following a complaint signed by Mrs. George Bartholomew stating the dog had severely bitten her son, James, 7. The head of the dog will be sent to Ann Arbor for examination.

George Wise, secretary-treasurer of the Allegan Chamber of Commerce, was knocked to the pavement as he was crossing Hubbard St. and the large bone of his left arm was fractured at the wrist. The bicyclist was May Tucker.

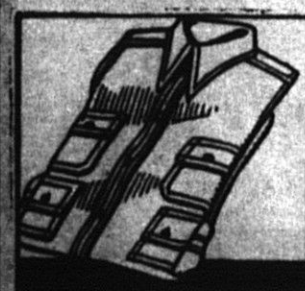

Armistice day services at Allegan are to be held in the M. E. church Sunday morning with the sermon by the pastor, Rev. H. F. Weston. Union services are to be held in the M. E. church at 7:30 p. m. with Lieut. Gov. Lauren D. Dickinson speaking on prohibition.

Seniors of the Grand Haven high school have picked the cast for their annual play, "Broken Dishes," a three-act comedy to be given Dec. 10 and 11. Rehearsals will start immediately under direction of Miss Sara Fredericks, assisted by Miss Sandrine Schutt.

A gas station owned by Gerald Tinsolt, located north of Ferrysburg at the junction of the west Spring Lake road and US-31, was broken into Sunday night and \$200 worth of candy and two packages of cigarettes were stolen. The window was broken and the merchandise taken by amateurs, the state police believe.

A total of 2,113 applications for drivers' licenses were mailed to the state department by the police department at Holland during July, August, September and October. It was reported yesterday. The police department so far has received \$54.15 as its share in the revenue on the licenses. It was estimated that more than 3,000 persons in Holland have applied for the new permits.

Louis VanSlooten, 29, of 461 North Sixteenth St. Holland, was fined \$25 and costs by Police Judge Frank A. Hess here Tuesday when he pleaded guilty to a charge of leaving the scene of an accident in which his motorcar was involved last Friday night. VanSlooten is a coast guardsman at Holland. VanSlooten admitted that he drove away after his motorcar had collided with a vehicle driven by Mrs. Eunice Hoyer, 2244 Dalton Ave., Beverly Park, on Grandville Ave., S.W.—G. R. Press.

A number of Zeeland folks are attending the prayer-week services which are being held in Hope College this week. Dr. John Dykstra from Central Church, Grand Rapids, is the speaker.

A rummage sale will be held at the Woman's Literary Club rooms Saturday, November 7, beginning at 9 o'clock.

Harry Meusen, Melvin Cook and Albert Schurman of Holland Route 1 have gone north on a deer hunting trip.

A minor accident took place when the Holland Furnace Auto Cleaner turned a hand-spring with Richard Van Eyck aboard. The cleaner collided with the car driven by George Wolding near 11th street and Pine Avenue.

Mr. and Mrs. George Heneveld of Virginia Park have returned from Lansing, where they went because their daughter, Miss Ethel, figured in an auto accident caused by a reckless driver from Grand Rapids. Miss Heneveld who is county nurse at Greenville, was attending a convention in Detroit. At the time she was caring for a little child whose mother was in Detroit and the three were on their way back when the accident took place near the state capital. The child was rushed to a Lansing hospital and while Miss Heneveld was only slightly injured she is now caring for the child who was more seriously injured.

Mr. and Mrs. John Wolters, Mr. and Mrs. Gerrit Kamphuis and Mr. and Mrs. Dick Terpstra of Holland were guests here of Mr. and Mrs. Jacob Andringa at their home on S. Church St., Zeeland during the past week.

A jury in circuit court Wednesday awarded Frank Zumbink, Martin Allegan county, union buyer a verdict of \$1,954.52 judgment against Andrew Bros., commission merchants, Detroit. Zumbink shipped a carload of onions to the commission firm in 1929 and alleged he did not receive the market price for the consignment and that the firm charged too much commission. As no other cases were on the docket Judge Fred T. Miles of Holland awarded the jury until Monday. Chancery cases will be heard in the interim.

With its annual homecoming program the most successful in years concluded and the week of prayer under the leadership of Rev. John A. Dykstra of Grand Rapids, nearing its close, Hope College's student body is awaiting the annual Thanksgiving recess, set for Nov. 26, the first vacation day on the calendar since September. Thanksgiving day will have a special significance for Hope, as it marks the shedding of green pots and ties. According to annual custom these will be burned on the campus under direction of the Student Council.

Zeeland public schools will join in the nationwide celebration of education week Nov. 9 to 15. Monday a parade will be staged on the principal streets, with nearly 800 children taking part. The parade will be headed by the school band, the various school organizations will be clothed to represent their departments, special features will be put on by home economics, industrial arts, athletics, physical education and science departments. Organizations closely affiliated with the school, such as Boy and Girl Scouts and Girl Reserves, will be out in uniform. Open house will be held all week so parents can visit rooms of their children. Windows in the business districts have display booths. The student council of the high school is in charge of decorating the windows.

HIT BY HUNTER'S SHOT; HOLLAND MAN LOSES EYE

The left eye of Fred Hietje, age 55, living at 205 E. 15th St., Holland, was removed in Blodgett hospital Monday and he may lose the sight of his right eye as the result of being shot by unidentified hunters near Leroy Saturday.

A No. 6 shot struck him in the left eye and another shot is behind the right eye. He was struck by 10 shot.

Hietje was hunting with his son, Peter, about seven miles northeast of Leroy and one mile east of Shingletown when he was shot by one of a group of three or four hunters who offered the injured man no aid.

The wounded hunter was blinded by the shot. He called for help, but the hunters either ignored his shouts or did not hear him. They were about 150 feet away. His son carried him about one-half mile to a motorcar.

The state conservation department may be asked to investigate because the hunters left a wounded man unattended and because it is alleged they were hunting partridges out of season. The son contends he saw the hunters scare up partridges just before his father was shot.

IMMANUEL CHURCH—Services in the Armory, Corner Central avenue and Ninth street, Rev. J. Lansing, Pastor.

Saturday Evening—Cottage Prayer Services.

10:00 A. M.—Morning Worship. Sermon: "Peace, It's Place and Power."

11:30 A. M.—Sunday School. 3:00 P. M.—Allegan Jail Services. 7:30 P. M.—Evening Worship.

At the evening services which will be led by Mr. Lansing, the Personal Workers will demonstrate the work done in jails and street corners and will bring messages as they do when at work in such places showing the way of dealing with hardened criminals and those who are lost and discouraged. This will give the public an idea of the value of bringing the Gospel message and pointing lost men and women to Christ.

Special music.
Come Sunday evening and hear these messages.

On Thursday afternoon and evening, Nov. 12th Mrs. Tylee of South America will be here to address the public about the work in South America. Be sure and hear her.

Mrs. Tylee will also address the young women in their meeting on Friday evening in the upper room in the Armory. All young ladies are urged to attend.

BANDITS HOLD UP ROB HOLLAND MAN ON M-21

A party of motor bandits late tonight held up John Bontekoe, 35, of this city on M-21 near Zeeland and took him several miles into the country where they stole a diamond ring, his pocketbook containing \$30 and the automobile Bontekoe had borrowed from Frank Wierda, a Holland patrolman. Neither Bontekoe nor his companion, whose identity was not learned by officers, was harmed.

Officials later found the car abandoned in Zeeland.

200 MILES IN 20 DAYS

A bottle thrown into Lake Michigan at St. Joseph, Michigan, on June 18, was picked up at Sleeping Bar Point, Leelanaw County, on July 8. It had covered a distance of 200 miles in 20 days, or had traveled at the average rate of 10 miles a day.

This bottle was one of 283 released during the summer at various points in the lake from the steamer Fulmar, operated by the United States Bureau of Fisheries. It made the longest journey of any of the 88 of these bottles that had been reported recovered up to Aug. 22. All of the 283 bottles were thrown into the lake at intervals from June 17 to Aug. 17. Each carried a note requesting the finder to return this note to the Bureau's office at Ann Arbor, together with information as to where and when it had been found.

The object of the Bureau's experiment is to determine the various surface current tendencies of the lake, information which, it is believed, will be of service to navigation as well as to commercial fishermen.

INTERESTING PROGRAM GIVEN AT FROEBEL P. T. A. MEETING

The Parent-Teachers meeting of Froebel School was held Tuesday evening. William Brouwer led the group singing and Gerrit DeVries was in charge of the devotions. Mrs. H. J. HOLLAND FOLKS HELP SURPRISE MRS. VEREEKE ON HER BIRTHDAY

Zeeland Record—Mrs. Anthony Vereeke was most pleasantly surprised at her home on West Main Street last Tuesday evening when a group of her neighbors and relatives took possession of her home to help her celebrate her birthday anniversary. She was showered with congratulations and she was presented with a fine gift as a token of esteem.

Those present were Mr. and Mrs. M. Witvliet and Miss Anna of Holland, Mr. and Mrs. William Witvliet and Verna of Zeeland, Mrs. Gerrit La Huis, Mrs. H. Hardenberg, Mrs. P. Vogel, Mrs. Nick De Vries and John Hardenberg, all of Zeeland.

The evening was enjoyably spent in playing games at which prizes were won by Mrs. G. La Huis, Mrs. M. Witvliet and Mrs. H. Hardenberg. Delicious refreshments were also served.

H. Viser of Holland accidentally shot his brother in the elbow a few days ago while hunting near Gibson. The doctor says the wound is not dangerous.

Common Council

permission to use the G. A. R. room in the city hall for a meeting place one evening a month.

Referred to Public Bldg. Committee with power to act.

Clerk presented communication from the Men's Federation of Bible Classes thanking the Council for their speedy action in preventing the opening of theatres in Holland on Sunday.

Accepted and filed.
Clerk presented communication from the National Rivers & Harbors Congress requesting the City of Holland to be represented at the 27th convention to be held in Washington, D. C., Dec. 8 and 9, 1931.

Mayor, City Atty. and Ald. Kleis delegated to attend as representatives of the city of Holland.
Clerk presented Warranty Deed from the So. Ottawa and West Allegan Agricultural Society signed by Austin Harrington, Pres., and Benj. Brower, Secy., conveying to the city of Holland the real estate owned by the Ass'n. Said real estate being known as the "Holland Fair Grounds." Clerk also presented a certified copy of the Court Order, authorizing the sale of this property to the City of Holland and giving its Pres. and Secy. authority to execute and sign the deed on behalf of the society.

Accepted and clerk instructed to have same recorded in the Register of Deeds office at Grand Haven.
Clerk presented communication from the Holland Chamber of Commerce requesting the Council to appoint a committee to work with the Chamber of Commerce in an effort to secure a car ferry terminal for Holland.

Clerk also presented copy of letter written by the Chamber of Commerce to P. E. Crowley, Pres. of the N. Y. Central lines, setting forth the advantages that would be derived from locating such a terminal on Macatawa Bay, and also a reply from Mr. Crowley stating that he would consider such a proposition.

Mayor instructed to appoint such committee. Mayor appointed Ald. Vandenberg, Brieve and Kleis.

Reports of Standing Committees
Committee on Claims and Accounts reported having examined claims in the sum of \$4501.47 for extra payroll, and \$10,425.43 for regular claims, and recommended payment thereof. (Said claims on file in the Clerk's office.)

Allowed.
Welfare Committee reported poor orders in the amount of \$622.00 for regular aid, and \$1463.41 for temporary aid, total of \$2085.41.

Accepted and filed.
Communications from Boards and City Officers

The claims approved by the hospital board in the sum of \$3806.12; park and cemetery board, \$1575.86; police and fire board, \$3134.38; Board of Public Works, \$30,964.75, were ordered certified to the Common Council for payment. (Said claims on file in Clerk's office for public inspection.)

Allowed.
E. P. W. reported the collection of \$14,010.51; City Treas., \$2611.93. Accepted and Treasurer charged with amounts.

Clerk presented communication from the Board of Public Works requesting the approval of the

Council to the purchase of a Chlorinator for sewage disposal plant at a net cost of \$1140.00.

Approved.
Clerk presented communication from the Police Board requesting additional room in the City Hall for the use of Police Dept.

Referred to Public Bldgs. Committee.
Clerk presented resolution from Board of Health requesting the Council to take some action to stimulate the consumption of milk in the city. The Board felt that a reduction in the price of milk to the consumer would bring about increased consumption.

There was considerable comment by different members of the Council in regard to the price of 10c per qt. that is being paid by the consumer at the present time. Several of the aldermen expressed the opinion that they felt that some reduction in the price would be justified since feed and other commodities were now at below the prices of a few years ago.

On motion of Ald. Prins, 2nd by Kleis.

Mayor was instructed to appoint a committee of three to act in conjunction with the City Atty. and himself. This committee to call a meeting of the several milk dealers in the city for a conference in order to get a reduction that would be satisfactory to all concerned.

Unfinished Business

Ald. Kleis reported for the information of the Council he had a conversation with Mr. Walter Groth, local manager of Gas Co. relative to the damages along Tenth St. caused by the leaky gas mains, and was assured that the Gas Company would do everything they could within reason to satisfy the prop-

erty owners. Mr. Kleis further stated that it was the intention of the Gas Company to plant large trees in the place of those destroyed and fix up the curbs as good as they were formerly.

The petition of Fejer Mass for permission to erect a gasoline filling station on the S. W. Corner of River avenue and Tenth street was brought up at this time. Action on the matter having been deferred from the previous meeting. It was moved, by Ald. Thomson, 2nd by Habing, that the petition be granted. This brought up considerable

discussion, and it was pointed out that a gasoline filling station in this location was a direct violation of the ordinance governing the location of filling stations. It was also shown that this was a very busy corner and a filling station would be a real hazard to the numerous pedestrians who pass the corner.

DEAD MOTHER'S FEATHERS A NEST

Early in the summer William A. Dunmore, Jr., of Kimberton, Pa., heard a peeping sound along a fence of his farm. He investigated and found a Bob-white Quail had been killed by some vermin. There was nothing left but the feathers, but among these were huddled eleven little quail. The young birds were placed in one of the new electric brooders at the Fisher State Game Farm and are doing fine.

EXHAUSTED EAGLE VISITS A SHIP

An American bald eagle with a five-foot wingspread was brought into Boston harbor aboard the dragger Venture II. The bird, exhausted, had alighted on the ship's deck while the boat was 130 miles southeast of Boston Lightship. The eagle was later presented to the Franklin Park Zoo.

MORE CORN BORERS IN OHIO; LESS IN MICHIGAN

While no increase of corn borers has been made in Michigan the past year, in a considerable number of Ohio counties the increase has been from five to ten times as many as appeared in 1930. This is the worst condition in those counties that has occurred since the United States began war upon the pest.

COCK PHEASANT FLEW OVER COURT HOUSE LAWN

Allegan Gazette—Last year on the first day of hunting for pheasants a large cock flew over the court house lawn but this year this did not happen. Probably someone got the one that intended to fly over, the day before the season. Many went into the frying pans illegally.

12 DRESSES STOLEN LAST AUGUST FOUND UNDER G. H. PORCH

Sheriff Cornelius Stokette reported today that 12 of the 15 dresses and the suitcase stolen from the Addison-Baltz company store here last August, were recovered this morning. The dresses and suitcase, rotted by exposure to dampness, were lying beneath a porch of the house at 105 Elliott street. The place had been vacant for over two months but recently Jack Beebe and family moved in. It was while removing boards to allow workmen to sink a pump that the dresses and suitcase were located.

Chickens with Ear Muffs the Coming Winter

SPECIAL STATE POULTRY TRUCK TO VISIT OTTAWA AND ALLEGAN COUNTIES

Ottawa and Allegan counties, being great state poultry centers, poultry folks should be interested in knowing what the state of Michigan has planned for chicken raisers. Any chicken that goes to bed this winter with cold feet and without its ear muffs will know its owner failed to visit the traveling laboratory from Michigan State College which shows how to make hens comfortable and profitable.

A special truck has been fitted up to visit 20 Michigan counties between November 10 and December 11. The truck carries working models of the best types of poultry houses and full sized models of such equipment as mash hoppers, water fountains, nests, poultry house heaters, and catching crates.

Suitable rations for farm and commercial flocks will be discussed by College poultry specialists at each of the stops made by the truck. The control of disease to keep the flocks in condition to produce winter eggs will be a leading subject at each of the meetings.

Ottawa county as well as Allegan are included in these 20 counties and the dates set for Allegan is December 7th, and Ottawa, December 8th and 9th.

Zealand and Holland will especially be visited since it is considered the best poultry district in Michigan, and therefore, this county is given two days.

Arrangements for the meetings in the counties are made by the county agricultural agents who select the time and place for the meetings. Mr. Milham and Mr. Morley will be in charge of the meetings in these two counties.

ALLEGAN COUNTY FRUIT MEN SORE AT UNCLE SAM'S RULING

The state and federal laws compelling the washing of sprayed fruit—even dried apples—is being so badly and disastrously, Allegan county fruit growers claim. Not a single case has ever been known where anyone was injured by eating sprayed fruit. The legislation was started in England to hinder apple shipments from the United States in favor of Nova Scotia and other colonies which ship early apples, that have not been so heavily sprayed. The expense for washing is considerable for the individual grower and this legislation is only an added burden on the growers who already have plenty to contend with. Several outside buyers of peckers and ciders have drawn out of the market rather than face trouble with inspectors. That leaves Allegan county cider mills as the only outlet, with the subsequent low prices. These laws should be repealed instantly. The only ones benefited are the manufacturers of washing machinery.

JERSEY BLUEBERRIES FOR ALLEGAN COUNTY

The effort to propagate the improve blueberry, from New Jersey stock, by using cuttings taken in the summer (soft) or winter (hard) seems to be quite promising. H. E. Hawley of the Pennville nursery has found the hard cutting the most successful. A Chicago doctor, who has a farm near Grand Junction, has nearly 10,000 plants that he has raised and another year he expects to have twice as many. The berries from these true blueberry plants are several times as large as the wild ones and, as we have so many little bugs that are not being used and that are specially suitable for the growth of such berries, the future is quite promising. These berries, like the cranberry, will have to flourish on mucks that are acid.

OTTAWA MARRIAGE APPLICATIONS

Marriage licenses issued recently in Ottawa county include the following: Clarence Veenstra, 21, Holland; and Gertrude Dykema, 19, Holland; Peter Kalkman, 22, of Holland; and Bertha Rissalada, 20, of Holland; and from Adrian Jacobson, 23, of Holland; and Ada Badger, 19, of Holland.

FALL AND WINTER CATTLE FEEDING IS DEMONSTRATED

J. G. Hays an extension dairyman and A. D. Morley, Allegan Farm Agent will discuss fall and winter dairy feeding at several locations in Allegan county. This is the fourth and last of the dairy feeding lessons to be held in the county this fall. Illustrated material and practical dairy feeding discussion has pointed to possible savings. Such savings resulting from improved feeding practices and lowered feed costs are equivalent to better prices for dairy products. Under present prices for feed and butter fat a profitable net return over feed cost can be obtained from cows yielding over 800 pounds of butter fat each year according to records from dairy herd improvement associations. Good feeding practices during the entire year are necessary however.

The meetings will be held as follows: Thursday, Nov. 19, 2:30 P. M., Sun time, Hamilton Co-op. Garage. Thursday, Nov. 19, 8:00 P. M., Sun time, McDowell School, one mile south and one half mile east of Pullman road on U. S. 31. Friday, Nov. 20, 2:30 P. M., Sun time, Pennville High School Auditorium. Friday, Nov. 20th, 8:00 P. M., Sun time, Martin Co-op.

Death of Local Man Brings Out City History

JOHN VANDEN BERG, OLD AND RESPECTED CITIZEN, PASSES

John Vanden Berg, well known citizen and former alderman, passed away at his home at 85 West Tenth street, Saturday night after a protracted illness. Mr. Vanden Berg came to Holland from the Netherlands with his parents in 1865, just as the Civil War came to a close, and often spoke of remembering the Holland soldiers returning shortly after the Vanden Berg family had arrived from the Netherlands.

Mr. Vanden Berg remembered that a homecoming demonstration was held in Public Square, now Centennial Park where a banquet was given the "boys in blue" with Dr. Vanhaate presiding over the deliberations. John Vanden Berg was known to the older folks in Holland as the first "bill poster" which was long before bill board advertising had assumed such proportions as today. Mr. Vanden Berg had a few bill boards down town and in connection with this work he was also the custodian of Holland's second opera house called the Lyceum, located on the site now occupied by the Knitting Mills store. This was long before the days of "movies" and when "Uncle Tom's Cabin" and "Ten Nights in a Bar Room" were about the only outstanding feature shows that came to Holland during a season. Then too, political campaigns and torch light processions wound up at this opera house. John was janitor, bill-poster, property man, and often ticket-seller at the Lyceum which was built by enterprising citizens as a public gathering place.

Mr. Vanden Berg started bill board advertising in Holland in the 70's and this humble beginning was the nucleus of what is now the Wolverine Advertising company, conducted by his sons, John "Vandie" and William VandenBerg.

When the city hall was built, Mr. Vanden Berg was alderman from the second ward, and was also on the building committee. This was under the administration of Henry Brusse as mayor. There was considerable opposition to the building of such a pretentious hall as Holland's, and after the building was completed the entire city was pleased, and a great demonstration marked the dedication and the mayor, aldermen and the building committee were given a full meed of praise and surely they were deserving of it, for the City hall was the best bargain in building that this city or any other city has ever known, the total cost with complete furnishings being but \$67,000.

Mr. Vanden Berg was city inspector for many years, was a member of the board of health, served on the poor committee, and was placed on many important committees while alderman. For a time he was also a member of the Ottawa County Board of Supervisors.

Mr. Vanden Berg has always been a Republican, and for years served on the Republican city and County Committees, and as a rule his name was found in the list of delegates attending the Republican county, congressional and state conventions.

Mr. Vanden Berg had reached the age of 78 years and had lived in Holland for 65 years. It is rather unusual—although Mr. Vanden Berg had reached a ripe old age, there had not been a death in the family until he passed on.

Mr. Vanden Berg was a member of the First Reformed church, Holland, and the funeral services held at the home Tuesday were in charge of the pastor, Dr. James Weyer, assisted by Dr. J. C. Wilts, former pastor of the Methodist Episcopal church of this city, and now of Grand Rapids and who had been a neighbor of the Vanden Bergs for several years.

The pall bearers consisted of his four sons, Harry, Benjamin, John Vande and William C. Vanden Berg.

The floral tributes were many and beautiful, coming from home and abroad. Interment took place in Pilgrim Home cemetery. Friends are privileged to review the remains Monday evening at the Nibbelink & Notter Funeral Home.

Mr. Vanden Berg is survived by Mrs. Vanden Berg, a caretaking and loving woman who has constantly ministered to him during his illness; also five children: Captain Harry G. VandenBerg of St. James, Michigan; Mrs. H. Kirby Hart, of Niagara Falls, N. Y.; and Benjamin L. VandenBerg, John VandenBerg, Jr., and William C. VandenBerg of Holland; 14 grandchildren and one great grandchild.

Suit was brought in circuit court before Judge Fred T. Miles by Ben Rosema of Ferrisburg against the Construction Materials company alleging damages to the waterfront of the Rosema property. Mr. Rosema, a former underwriter, claims that the company has docked boats on his waterfront, causing the land to crumble into the river, lessening the value of the property. Defense counsel claims no damage was done.

HOLLAND MAN PRESIDED OVER MEETING OF TWO THOUSAND

More than 2,000 Holy Name members from Grand Rapids and western Michigan assembled in Sacred Heart auditorium last Sunday afternoon at 8 o'clock to hear Atty. Henry E. Nagley of Saginaw, who spoke on "Present Day Conditions and Holy Name Activity."

The occasion was the annual fall rally of the Grand Rapids Diocesan Union of Holy Name society. The chairman of the meeting was Mr. Bernard P. Donnelly of Holland, president of the Grand Rapids District Diocesan union. Mr. Donnelly has been tireless in his efforts to see that each parish in western Michigan has a live, active Holy Name society.

GRAND HAVEN KICKS ON EX- PENSE INFIRMARY CHARGES FOR ITS POOR KEEP

Mayor William Ver Duin of Grand Haven has started an investigation in the county infirmary situation as regards the city of Grand Haven.

He charges that there are 13 persons from this community who are year-around residents at the farm at Eastmanville. The city pays \$3,666 annually for the care of its patients. Several, the mayor claims, should be classified as county charges while others are not legitimate subjects for infirmary care.

"They seem to take it as a matter of course that the city will maintain them," the mayor said.

The other day when I was at the farm, I asked an inmate where another was. He told me the man I wanted to see was out digging potatoes. "Why aren't you working?" I asked. He said he didn't have to work, that the city paid his board."

Mr. Ver Duin pointed out that Holland was maintaining just two of its people at the infirmary as year-around residents.

PAIR DEFLATE TIRES, FLEE WHEN THEATER GOERS RETURN TO CAR

Two men were reported to be in the act of lifting tires from a car owned by Mrs. L. R. Patterson of Spring Lake had quite an experience at Grand Haven the other night. Mrs. Patterson and Mrs. George Schwab attended a movie and upon going to the car found the two men in the act. The tires were deflated. The two men ran from the scene and had disappeared by the time officers could be found. Many other reports have been coming from that section of the city where gasoline and auto parts have been taken from cars owned by late theater goers.

NOT ONLY CIGARETTES AND MATCHES START WOOD FIRES - BOTTLES

That picnickers and nutting parties can start forest fires without lighting a fire or striking a single match, is the report of an investigation of forest fire origins in Southern France, remarks a bulletin of the American Game Association. The investigation revealed that bottles and pieces of glass left among dry leaves cause many fires every year. Curved glass, it pointed out, acts as a magnifying glass by concentrating the rays of the sun. The discovery resulted in the release of a man charged with incendiaryism, and caused officials to issue a warning that picnickers should be as careful with bottles as with cigarettes.

A petition is being circulated among the business men of Grand Haven to request the city council to enter into negotiations with the state to clean the oval of the quantities of sand blown on it since the fall closing. The petition asks that the oval be kept cleared during the winter to aid unemployment and to give motorists a chance to visit the icebergs.

HOLLAND POLICE GET THEIR SHARE OF BANK ROBBERY REWARD

After several weeks of investigating by a committee, and a final meeting of the Holland police board, the \$2,500 award, a standing offer by a banking group of Western Michigan for the apprehension, arrest and conviction of bank robbers, was at last divided.

The men eligible for a part of the reward, were instrumental in bringing to justice the men now in prison for robbing the Hudsonville bank.

Awards had been made early in the week by the committee, and \$1,000 of the award was set aside for the Holland police to be disposed of as the members of the police board saw fit, either direct to the men, or to be set aside as a fund from which to take for future needs.

The police department made a wise move by distributing the money to the men according to merit, for now is the time they can use it. This plan was also endorsed by Mayor Earnest Brooks. The men who received awards earlier in the week as given out by group No. 4 of the Michigan Bankers association is as follows: H. Donald Broersma of Grand Rapids, \$100; Gerrit Bussies of Beru, \$250; Lyn Geib, Holland, \$100; Dick Homkes of Holland, \$100; George Vander Pool of Holland, \$425; M. E. Shanteau of Grand Rapids, \$400; John Wyngarden of Zeeland, \$25; Garret Huisenga of Zeeland, \$25; Edward Ryenga of Zeeland, \$25; Martin Baarmann of Zeeland, \$25; Van Etta of Holland, \$25; and the Holland police department, \$1,000.

Mr. Milham announced that over 30 schools in the county have requested the organization of handicraft clubs. Any other school may organize if enrollments are in by Nov. 20. Mr. Milham is visiting the schools requesting club work to explain the work for the winter.

Mrs. Etta Modak of Agnew, age 38, died on the way to Hatton hospital, Grand Haven, following a long illness. It was considered she could receive better care at the hospital and the change was being made but the lady never survived the trip and was taken to the morgue instead of to the hospital.

Parade and Pep Meeting Are Features

"The best ever!" seemed to be the consensus of opinion regarding the homecoming program arranged for Friday Evening, Oct. 30, and carried out despite the intermittent showers. The parade and gathering in Carnegie Gymnasium showed the interest harbored by Hope's many graduates and by the citizens of Holland.

Headed by the Hope Band under the direction of Professor Ritter, the parade began shortly after 6:30. Eleven floats, representative of a great deal of work by the committees of the organizations entering the contest, were preceded by a large number of students marching according to class behind the band. The Emersonian float, which was later awarded first place, came third in line. Numerous private cars, decorated for the occasion, brought up the rear.

Forming in front of the girls' dormitory, the parade proceeded down Tenth Street past the Commodore house, which was decorated with streamers and a large pennant welcoming the Alumni.

When the band began to play the ambulant student, departed from their role of sedate marchers and became a swirling mass of exuberant collegiates, timing their intricate oscillations to the cadence of the music, providing a novel spectacle to the onlookers that lined the streets, waiting for the appearance of the beautiful floats that followed.

Past the Frater house, decorated for the occasion as had been the others, went the parade after leaving Eighth Street, to end up at the gym, where a large crowd of students, alumni and townspeople assembled, waiting for admittance.

Carnegie Gymnasium was soon filled, many standing in the rear of the room after the balcony and main floor seats had been occupied. Yells led by Marvin Kruizenga and Vernon Buell dovetailed with several selections by the band to work up an hilarious spirit.

George Painter, president of the student council, mounted the platform and addressed a few words of welcome to the alumni present. He then introduced Corny VanderNaald as master of ceremonies.

Hinga's speech, well adapted to meet the demands of the occasion, promised the football fans that the game promised to be an exhibition of unrivaled energy and "fight" by the Hope aggregation.

The Sophomore Class came into the limelight when its president, Marvin Kruizenga, presented "Watty" Spoelstra and Corny VanderNaald with tokens of appreciation for their services in coaching the pull team that won two successive contests.

A clever playlet, "Annual Examinations, 1931," directed by Herbert Marselle, mixed wit with drama and sarcasm to win the plaudits of the audience. The new Hope song was then introduced to the alumni. "Flittermouse," a one act farce, provided hearty amusement and boosted considerably the stock of Edith Drescher, Ruth Van Dyke, Lillian Sabo and Al Tarrant as comic artists.

As a final number, Jack De Witt in his inimitable manner broadcast an imaginative football game between the all-Faculty and the all-Flunks.

In the meantime the judges had met to decide the winners in the football contest. As president of the Emersonians, Jack De Witt was summoned to receive a plaque as first prize for the entrant prepared by Laurence De Cook and his committee. The float portrayed a large windmill surmounting the slogan, "You Can't Beat the Dutch."

Fraternals were given second place for their miniature football field and the inscribed sentiment, "May the Best Team Win." The Alethian float won third.

As an appropriate culmination to the festivities, the crowd gathered around a large bonfire provided by the freshmen and gave a few yells before dispersing.

The committees in charge of the program consisted of Lillian Sabo, chairman, Ruby Aiken, Edith Drescher, Robert Notier, Howard Schade, Kay Skillern, and Watson Spoelstra.

Members of the Hope College Alumni Club, friends of the College, and the present junior and senior classes attended a reunion banquet at the new church house of the Central Reformed Church of Grand Rapids at five-thirty last

Thursday evening. In spite of the rainy weather, over eighty were present.

After a delicious dinner had been served by the ladies of the church, and an interesting program was rendered, President J. G. Riemeerma presided. Mr. John Van Brook led lively group singing, calling on various people to perform. A quartet of men led by Professor Paul McLean, and a quartet of women sang selections. Mr. Van Brook also called on the Raymonds and the Hingas for a song.

Mrs. Marian Struik Blandford, and alumna of the class of 1918, sang two beautiful solos accompanied by Mrs. Van Antwerp. Following this, each person stood, and his name, the class he was graduated from, what he was doing, and if he was married or not. Some very witty and amusing speeches were given in connection with this.

The principal address of the evening was given by Dr. Wynand Wichers, President of Hope College. He spoke on "Things not in the Curriculum" stressing that people should live royally and loyally.

The banquet closed in time for those wishing to attend the evening programs of the Educational Convention.

NOTICE

On Hearing to Be Held Pursuant to Section 4 of Act 352 P. A. 1925 as Amended on the Construction and Improvement of Road Project M70-25 in Ottawa County, Michigan.

This is to advise that it is proposed to construct and improve road project M70-25 on Trunk Line US16, relocation east of Village of Spring Lake, Spring Lake Twp., Ottawa County, Michigan.

Being unable, after a good faith effort on my part, to agree with you for the purchase of an easement over and upon certain parcels of land, hereinafter described, which you are the owners and which are necessary for the State to acquire in order to provide for the construction and improvement of this project, you are therefore hereby notified that I will be present in the Court House in the City of Grand Haven, Michigan, at 3:00 o'clock in the afternoon, Eastern Standard Time, on Friday November 13th, 1931, and hold a hearing pursuant to the provisions of Section 4, of Act 352, P. A. 1925 as amended, on the proposed construction and improvement and the necessity of taking these particular parcels of land therefor.

Games were played and prizes were awarded to the winners. The bride-to-be received many beautiful gifts. A dainty two-course lunch was served to the twenty guests present.

Norene Luella, five-weeks-old daughter of Mr. and Mrs. Martin Sebricht of Allegan, died Friday night at the home of her grandmother, Mrs. Jennie Rice, 19 West Seventeenth street. The child is survived by her parents and two sisters, Arlene Ruth and Barbara Jean. Funeral services were held Monday afternoon at 1:30 o'clock at the home of Mrs. Rice with Rev. J.

Vanderbeek officiating. Interment took place in Elgum Home Cemetery. Mrs. Sebricht was formerly Miss Clara Rice of this city.

Mr. and Mrs. Russell Barendse entertained with a Halloween party Friday evening at their home, 99 E. Twenty-first street. The evening was spent in playing bunco with prizes being awarded to Mrs. Harold Kraai and Russell Barendse. A delicious lunch was served.

A car driven by Alvin Reus of Holland Route 1 and another car driven by John Vander Belt of Holland Route 10 collided Sunday afternoon at the corner of 19th street and River avenue. Both cars were damaged considerably.

The Christian Endeavor meeting at Sixth Reformed Church was conducted by Miss Frances Van Langeveld, Sunday evening. "What Jesus Teaches About Faith" was the topic for discussion. Following the leader's talk short talks were given by several members of the society. A short business meeting was held and an announcement was made of a social to be held in the near future.

Peter Van Eyck and Miss Anna Van Eyck entertained their Sunday School classes of Sixth Reformed church with a Halloween party on Friday evening at their home on rural route 7. Games were played after which delicious refreshments were served. About twenty guests were present.

Miss Gertrude Van Oss entertained a group of friends at a Halloween party at her home in Castle Park Saturday evening. Games were played and refreshments were served. Six couples were present.

Miss Viola Essenbagers, 326 West Thirtieth street, submitted to an operation for appendicitis at Holland Hospital Sunday morning.

The Jubilant Trio of Muskegon will give a sacred concert Wednesday evening, November 11, at the First Reformed Church. The public is cordially invited to attend.

Miss Margaret Olthoff entertained a group of ten girls Friday evening at her home at 111 East Twentieth street. Games were played and delicious refreshments were served.

Lester Kuiken and James Franks of Holland were rescued from Black lake a few days ago when the duck boat in which they were hunting capsized. They were rescued by Chief of Police Peter A. Lievesse and Officer Van Hoff, and were little the worse for their ducking.

A check on the coal weights of the city on Wednesday by Officers Emil Klumpel and Bernie Hirdes showed the scales of the local dealers in most instances to be giving the public the long side of the deal. One dealer was found to have 100 pounds extra. In only one instance was a scale underweight.—Grand Haven Tribune.

How would it do to promise officials 10 per cent more than any sum Capone offers?

Peter De Spelder, 75 West 15th street, has returned from Detroit after spending five weeks with his son in that city.

If you asked a man where he was going hunting the first day he probably said Fennville. The Chinese ring-neck pheasant thrives well in this locality and it seems as if the majority of people know it. For the past two years hunters there were plentiful and probably the same is true this year.

SIX MILES OF TAR ROAD BETWEEN HOLLAND AND FENNVILLE

The Allegan county road commission has started the widening of M-89 south of Fennville, beginning at the Pere Marquette tracks. Supervisor Roblyer of the township is hiring men in need of work for the construction. The Pere Marquette railway is putting in a new crossing on Main St., near its station.

The county road commission will put in six miles of tar surface from Fennville north toward Holland, beginning as soon as weather will permit next spring.

HOLLAND FOLKS ABROAD

Miss Ruth Van Kersen spent the week-end in Detroit visiting relatives.—Mr. and Mrs. Fred J. Bosma and daughter Norma, spent the week-end in East Jordan.—Mrs. F. W. Temple and daughter are visiting friends in South Bend, Indiana, for a week.—Mr. and Mrs. Frank Bertach visited their daughter at Akron, Ohio.

Mr. and Mrs. Peter Derks and daughter, Florence, spent the week-end in Muskegon.—Mrs. Florence Bittner and sons were in Chicago over the week-end.—Miss Hazel Plockmeyer visited in Grand Rapids for a few days.—Miss Margaret De Groot has returned from Detroit where she spent a few days at the home of Rev. and Mrs. Harry Brower.—Mrs. Lester Beck spent the week-end in Allegan and Grand Rapids.

Saugatuck, Douglas, Fennville and Vicinity

The Grand Rapids district Federation of Music Clubs held their annual meeting here Friday in the Fennville Woman's club house. Eight clubs were represented, Cedar Springs, Grand Rapids, Muskegon, Grand Haven, Holland, Allegan, Douglas and Fennville. Nearly 100 were present. A group of Hope college students presented a musical hour.

Several Pere Marquette section men have been busy this week putting in cement blocks between the rails at the Main street crossing at Fennville, making a great improvement which should have included the side-track crossing.

The fruit exchange at Fennville has put most of their good apples into cold storage, to hold for a better market and that means a late settlement of the pool. A recent sale of Bosc pears brought \$2 per bushel which sounds better. The apple crop is fairly well harvested with but a slow market in sight.

The sixtieth wedding anniversary of Mr. and Mrs. Wesley Hosier was celebrated at their home south of Fennville. Thirty-three of their children and relatives met with them for the occasion. The wedding dinner was served at the home of their daughter, Mrs. Frank Robbins and the "bride" was presented with a beautiful wedding cake. Assisting Mrs. Robbins were Mr. and Mrs. P. M. Grass of Battle Creek and S. B. Grass of the same city. Mr. Hosier was 80 on his last birthday anniversary and Mrs. Hosier will be 77 next month. Both enjoy very good health. They have lived in Allegan and Van Buren counties the last 57 years. Mr. Hosier was employed as section foreman by the Pere Marquette Railway Co. 45 years and was retired 6 years ago but continues his active interest in the road.

On account of the county federation of women's clubs in Allegan, Wednesday, the Fennville Woman's club met this week Friday. Mrs. J. H. Crane and Mrs. Luella Hutchins had charge of the program and C. E. Bassett gave an address on the early history of Fennville. It is interesting to note that Mrs. Crane is the only child of Henry Blakeslee who made the first clearing on the site of what is now Fennville; also the granddaughter of Elam Fenn after whom our town was named.

If you wish to cut feeding expenses just wedge a corncob in your horse's mouth so he can't eat. That's just what happened to Alfred Mudgett's horse of Monterey. He discovered that his horse went on a diet one day last week and he knew that the cause would "die it" (the horse) if not remedied so he looked into its mouth. At first sight he found that a corncob had lodged in the upper jaw and it took much prying to dislodge it.

The Hamilton company which has been making machines the past few years for transplanting celery has ready for the market a new and lighter machine than those heretofore made. It also is lighter and has been thoroughly tested making it apparently perfect. It will set other plants as well as celery. It sets one row at a time, spacing as may be desired, and does the work of several men per day, packing the soil about each plant as set. Such machines have been used several years by Hamilton growers.

At the last session of the Allegan County Board of Supervisors an appropriation of \$1,000 was made for county agricultural agent's expense, this to include his car travel, expense of office help, and other expenses, makes a total of \$2,800, as the state and federal appropriation is \$1,800 per year. From the above it will be seen that the county agent will be practically unable to make farm visits as has been the custom in the past.

The farmer needs assistance at the present time, if he ever did, and with this in mind Mr. A. D. Morley, county agricultural agent, is planning to establish points through the co-operatives and creameries in the county where he can meet the farmers and discuss their problems with them. Meetings will be held for fruit, dairy, home economics, soils, poultry, crops, and also for not so many as in the past. Mr. Morley may not be present at some of these although he will make the necessary arrangements. He expects to have certain days when he will be in his office in the courthouse. These days will be published through the newspapers and timely articles of interest to the farmer will be published as in the past. Some of the mailing lists will be discontinued entirely and the weekly information sheet to all supervisors may be sent out but

FACES EAST!

A GAIN the hands of Time draw nigh that fateful hour of 13 years ago when a war-torn world ceased its hostilities. In commemoration of which sacred event, it is your duty and my duty... at 11 a. m., Armistice Day... to **FACE THE EAST** in solemn silence. And from the depths of our hearts send up a prayer of undying gratitude to those heroes who give their all for Humanity's sake.

A salute to them. And a promise that they have not died in vain. No disturbing force, either without or within, shall ever threaten this nation's Peace and Security which their sacrifice gained... no power ever undermine our great government and the honor and independence for which it stands. Yes, as a tribute to our hero dead, let us rededicate our lives in defence of those ideals!

What Haven Thinks of Their Double Defeat

HOLLAND HIGH WINS 20-7; RESERVES 13-9; GRAND HAVEN HAS SOME ALIBIES

The Grand Haven Tribune writes up the Holland-Grand Haven annual football game—in which Holland gained a double victory—as follows, not forgetting a few alibies for the home team. Anyway it makes interesting reading.

honors with Muskegon Heights in the southwest conference by a 20-7 defeat at the hands of their ancient rivals, Holland High, last Saturday, started preparations today for the annual battle with Benton Harbor at the Colony town next Saturday. Grand Haven and the Harborites have met 19 times since 1906. The Harbor lads have won 11 games, Grand Haven won four and three were tied.

In the thirty-second Holland-Grand Haven battle on the turf at Ferry Field, Saturday, Grand Haven was the goat of several bad breaks, two of Holland's counters being virtually unearned. In their fourth consecutive victory over the Harborites, Holland outplayed the locals in yards gained from scrimmage but Grand Haven brought the ball within Holland's 20 yard line several times, only to lose the ball on downs.

Coach Cohrs uncovered a new passing threat in Ed Zysk and Miles Runk, late in the last period and these two boys put the only Grand Haven touchdown over during the last minute of play. A quick punt by Johnny Sluka was downed by Keuken on Holland's 8-yard line and Jappinga kicked on the next play to Zysk, who had gone in as a substitute for Hanson. Zysk grabbed the ball on Holland's 40 yard line and raced to the 20-yd. line. Zysk then hurled a pass into the waiting arms of Runk over the goal. Sluka booted the extra point.

Johnny Sluka played the best game of his career Saturday, snailing Holland runners after they had sifted through the first line of defense into the secondary. His kicking put Grand Haven in a position to score and he also made several long runs around end. Anderson, Grand Haven guard, showed more stuff on defense than ever before and Dugas and Keuken smeared Holland runners venturing around their ends. Masselink and Jappinga played outstanding games for Holland.

Grand Haven Tribune—Handicapped by the loss of Roy Correll, star halfback who broke his thumb in the first play of the game, Grand Haven's Reserves went down to defeat the first time Saturday afternoon, falling before Holland's second squad, 13 to 9. The Dutch pace attack, with Loveland and McIntyre in the leading roles, was responsible for Holland's two touchdowns.

tyre then passed over the goal to Loveland. Again in the second quarter a series of passes by the Hollanders brought the ball to Grand Haven's 20 yard line where McIntyre again passed to Loveland for the last touchdown of the game.

Grand Haven was within the shadow of Holland's goal posts no less than four times during the game Saturday. After an exchange of punts Kimling caught a Holland kick on Holland's 47 yard line and traveled 15 yards to the 32 yard line. A pass, Wilde to Husted, was good for seven yards and Kimling tore around his left end to Holland's 20-yard line and picked up ten more on the same type of play. Middel lost a yard on a spinner play and Grand Haven passed over the goal. Middel took Holland's punt to the Dutch 22 yard marker but the Wooden Shoes again braced and the ball went over.

Grand Haven's last chance came in the last quarter when Husted recovered a Holland fumble on Holland's 36 yard line and a series of plays brought the oval to Holland's five yard line where the Dutch again held. The entire Grand Haven team played well but did not have the spark it showed in its previous games. Walt Lillie was a bear on defense and stood head and shoulders above the other linemen on the field. Kimling and Sherwood showed up well on offense.
