Roosevelts Not Strangers To Holland Folks

BOTH TEDDY AND FRANKLIN
VISITED HERE ON POLI-
TICAL MISSIONS

One Spoke in Centennial Park; the
Other in Knickerbocker
Theater.

President Franklin D. Roosevelt was one of the presidential candidates who visited Holland. This was in 1920 when he was the running mate on the Democratic ticket with the presidential candidate, Cox, from Ohio.

Mr. Roosevelt was scheduled to speak in Grand Haven, Holland and Grand Rapids, appearing in the city in the afternoon at the Knickerbocker theater (now Holland) according to the files of the Holland City News.

Mr. Roosevelt arrived from Grand Haven and at 3 o'clock spoke in Holland for one hour, then went to Zeeland, spoke for 20 minutes, proceeding to Grand Rapids where he spoke in the Coliseum at night.

Mr. Roosevelt was a youngster only 38 years old then.

Relative to the Holland speech the News said as follows:

"It was a great day for Holland. Democracy Monday when Franklin D. Roosevelt came to this city for an address. As had been expected, the gathering in the Knickerbocker theater was the big meeting of the campaign. Even though held in the afternoon the house was packed and standing room was at a premium. The audience was made up of men and women, of Democrats, Republicans and Independents. It was an attentive audience and Mr. Roosevelt made a fine impression. He is a quiet man, with few of the trappings of the professional politician about him. He spoke quietly, almost devoid of gestures, and his address was free from loose campaign stories so often brought into play to keep the audience in good humor and interested.

"He spoke straight from the shoulder devoting all his time to a discussion of the League of Nations, and no one could doubt as to his absolute earnestness."

Another presidential candidate who visited Holland was the late James G. Blaine, held to be one of the greatest statesmen of the nation. He, with General Logan, was pitted against Cleveland and Hendricks, Democratic candidates. This was way back in the 80's. Anyway Mr. Blaine's special train came through Holland from Grand Rapids and the city was out in force headed by Holland's Silver Tone Cornet band.

The late J. B. Mulder was captain of a marching club of young lads ranging from 12 to 15 years, and your humble servant was in the ranks, also holding a little wooden gun.

Mr. Blaine appeared on the rear platform and said:

"Citizens of Holland: I thank you for this kindly demonstration in my behalf."

He turned about and re-entered the car. Your editor remembers one of the Stokette boys calling out:

"Well, Cleveland can do better than that!"

This made the young Republicans angry and a word battle went back and forth between young Democrats and young Republicans. At that Mr. Blaine was one of the most brilliant speakers of his day. He was defeated by Mr. Cleveland.

The late William Jennings Bryan has been in Holland often as lecturer on the Hope college lecture course, and was secured by Dr. Nykerk.

In his first campaign, however, when he was pitted against William McKinley and advocated silver at 16 to 1 as the basis of our money system, his special train also came through Holland.

The late George P. Hummer, at one time superintendent of our schools, our mayor and our manufacturer, was a great admirer of Mr. Bryan. When the Bryan special came through Mr. Hummer had a large furniture van, patriotically decorated, and when the train pulled in Mr. Bryan spoke from this improvised platform. Surely that man was a speaker. It was through the courtesy of Mr. Hummer that your editor was privileged to hear Mr. Bryan make that celebrated "Cross of Gold and Crown of Thorns" speech at the Chicago Democratic convention that brought him the nomination, although he was very little known up to that time. It even gave a "dyed in the wool" Republican the thrill of his life.

Mr. Bryan was also in Holland shortly before his death, speaking at Carnegie hall on "Evolution." He was still a great orator, although some of the old-time fire of youth was missing. He was a much beloved man regardless of party affiliations.

"Teddy" Roosevelt came to Holland when he was still a "rough rider" and the vice presidential candidate on the Republican ticket. The Spanish-American war was just over. He spoke to possibly the largest audience ever to fill Centennial park.

Roosevelt was also a convincing speaker, not flowery, but convincing arguments brought home with "sledge hammer blows." A foolish and thoughtless Democrat at the time brought out a roorback against Mr. Roosevelt, reflecting on his Cuban war drive, which was without foundation in fact, as history has long since proved. The appearance of the circular was regretted by everyone and it certainly was untimely. In our collection of matter we still have one of these circulars in our possession and it makes very silly reading now, considering Roosevelt's wonderful achievements since that visit.

Other notables who have visited Holland were the late Senator Le-

TURN YOUR CLOCKS BACK ONE HOUR SATURDAY NIGHT

Holland will go back to Central Standard time at midnight Saturday. This is in conformity with a vote of the people last spring when the "Daylight Saving" time question was voted to remain during the summer months followed by "Central Standard Time" during four months in the winter—the result being a majority of nearly 600 votes for the old time in the winter.

A petition presented at last council meeting asking that the aldermen reconsider their action on the time question, was filed. Some of the aldermen express the thought that a vote such as was cast last spring should stand for some time, otherwise what is the use of going to the expense of voting for an expression if the will of the voters is not followed? It looks like Central Standard time until March at least, after which Eastern Standard will again be inaugurated.

Legion Drive By Plane Is Most Unique

HOLLAND TO BE VISITED —
FIRST LEGION GROUP TO
REACH QUOTA TO RE-
CEIVE NATIONAL CITI-
ZATION CUP

ARMISTICE DAY
WILL BE QUIETLY OB-
SERVED IN HOLLAND

An airplane pickup of 1933 memberships of the American Legion and Auxiliary will take place on Nov. 12 when four planes will tour the state, gathering the membership blanks. Holland will be among the stops made, as will Muskegon and Grand Haven. Mrs. Bessie Got-friesen of Lowell, department president of the Auxiliary, will ride in one of the planes. John W. Gilmore, state commander of the Legion, will also be on the tour.

If the Holland auxiliary unit re-enrolls the 62 members for 1933 by Nov. 10 the local unit will receive national citation and a silver cup will be given it if the local group is the first unit, said Mrs. Rose, local president, at a meeting for the drive.

The 1933 state legion and auxiliary convention is to be at Grand Rapids. The American Legion has two state officers from this district so that the Fifth district is especially anxious to go over the top in the membership drive. This year Coopersville, this county, received the bronze gavel which the state gave for the first unit which re-enrolled its previous membership.

In Michigan the auxiliary distributed about \$50,000 for rehabilitation and child welfare and community service during the past 12 months.

Members of the American Legion and their wives and members of the auxiliary will stage a modest homey spread at the Masonic temple this Friday evening at 6 o'clock. It will be an informal affair with a few speakers, one of those wholesome pot-luck dinners, and after the short program all the participants will go to "Ghost House" at the Holland High school auditorium, sponsored by the Legion.

The principal speaker at the banquet will be Charles E. Misner, city attorney of Grand Haven.

Preceding the supper this afternoon auxiliary members will meet at the high school at 1:15 o'clock to attend the special exercises in celebration of Armistice Day, as guests of the Legion.

Appropriate exercises will also be held in all the schools.

Mayor Bosch, in conformity, with previous years, has issued the following message:

"In honor of those who rest beneath the lilies of France and in the white acres overseas; those who sleep underneath the roses of (Continued on Page Four)

Tagged Trout Make Long Swim Over "Big Lake"

STARTS FROM PORT WASH-
INGTON, WIS.; CAUGHT AT
SAUGATUCK

Lake Michigan steelheads, which gained considerable interest two years ago when tagging experiments first indicated their migratory propensities are now being rivaled by the lake trout.

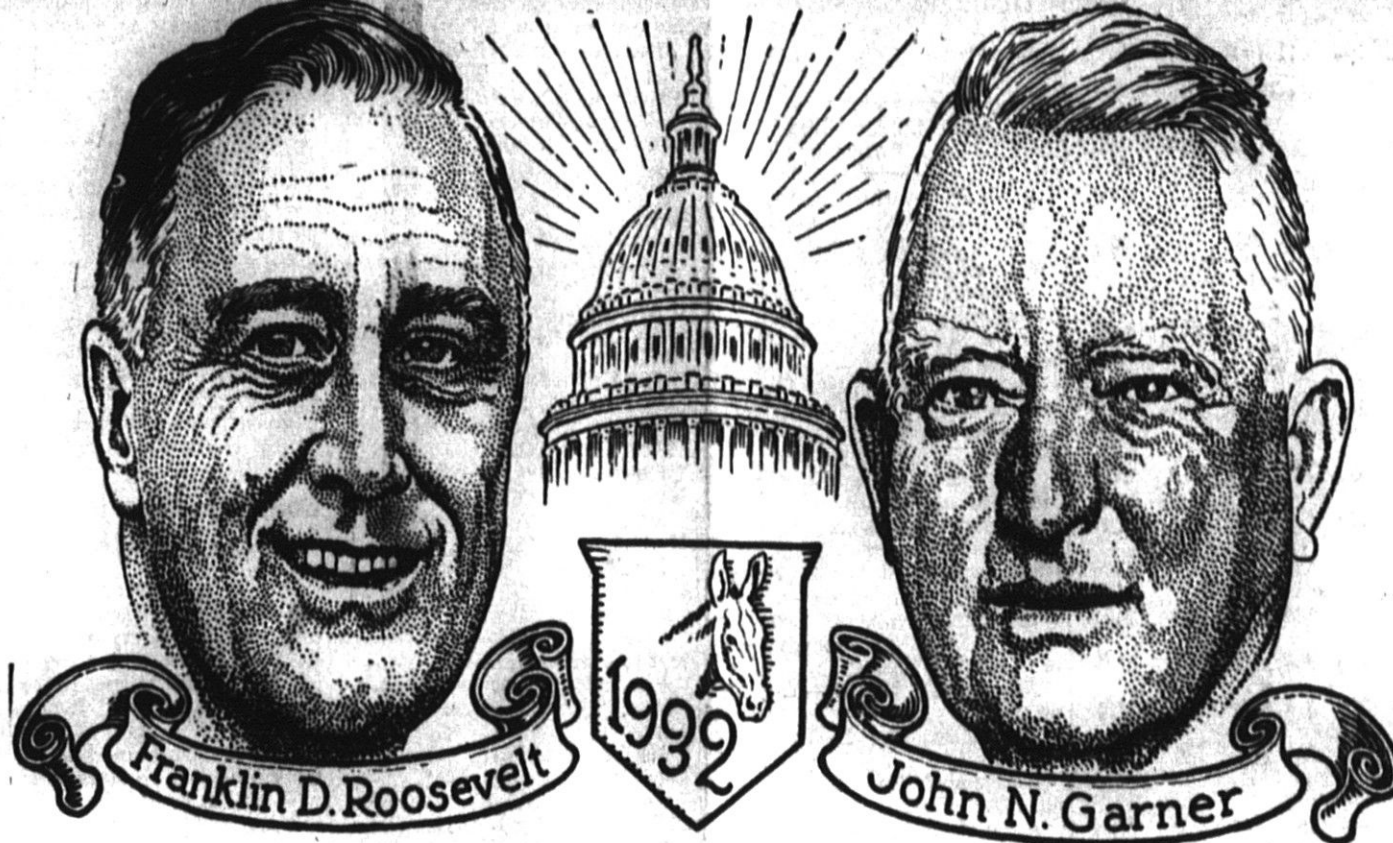

July 9, 1931, a lake trout was caught in a pound net operated by Smith Brothers, Port Washington, Wis., just outside the Port. Smith Brothers tagged him and released him into Lake Michigan again. September 30, 1932, the same trout was caught on a hook in 40 fathoms of water just out from Saugatuck, Mich., by L. J. Gatham.

Smith Brothers, who are considered one of the largest commercial fishing operators on the Great Lakes have been carrying on fish tagging experiments for several years, attempting to determine migratory habits, rate of growth and other information about commercial species. More than 3,000 fish tagged at Port Washington are now swimming in Lake Michigan.

Two years ago when results of steelhead tagging were first noted it was discovered that this species frequently crosses Lake Michigan within two or three weeks.

Follette, Al Smith of New York, Mayor Thomson of Chicago, and many other senators and governors in the earlier days before the advent of the radio.

Holland's good friend, George Giza, was instrumental in bringing many big men to Holland during later years. Alfred Smith was one of them.

GREETINGS TO OUR NEW CHIEFS

Q Possibly the greatest battle of ballots in history has just been fought in which Franklin D. Roosevelt came out victorious as the popular presidential choice of the citizens of this nation.

Q The result was decisive and the defeated candidate Mr. Hoover sends his congratulations to Mr. Roosevelt in which he exemplifies that true American spirit when he says—

Q "I congratulate you on the opportunity that has come to you to be of service to the country and I wish for you a most successful administration. In the common purpose of all of us I shall dedicate myself to every possible helpful effort."

Q It behooves us all to emulate the spirit of Herbert Hoover—be American first, and Republican afterward. It is our duty to fall in line behind our president-elect, Franklin D. Roosevelt, and give him our help, our encouragement, and our good will, in order to continue to elevate our American institutions and alleviate this period of stress as much and as soon as possible.

Q It is the sincere hope of the Holland City News that there may be a speedy recovery from economic stress, giving credit for this restoration where credit is due regardless of where the credit falls. A partisan complex must not bog our true American spirit.

Q Greetings to our new President!

FIFTY YEARS AGO TODAY

Hard coal, \$7.60 the ton.

Jacob Raab of Salem has just marketed his wheat in Holland, 1-625 bushels from 50 acres. Note: The market report of that date says 90 cents per bushel. Note: "Not bad."

Next Friday evening the Hon. "Sam" Clay, the "silver tongued orator," will address the people of Holland at Lyceum Opera House. Mr. Clay comes under the banner of the Demo-Green party. Democrats, Green backers and Republicans, go and hear the eloquent speaker. Note: Clay in his day was considered the most able lawyer in western Michigan—a veritable Clarence Darrow.

Through the kindness of Supervisor Kommen Schadelee we are enabled to give to our readers a few interesting facts concerning taxes. The taxes for 1881 in Holland total as follows: State and county tax, \$1,495; city tax, \$3,300; school tax, \$5,273; special tax, \$1,513; total, \$11,587. For this year, 1882, the amounts are: State and county tax, \$2,757; city, \$3,802; school, \$5,376; special, \$2,600; total, \$14,753. The Holland City News readers will see from the above figures that the state and county taxes are within a fraction of 100 per cent higher than last year, while the city tax is \$500 higher, school tax \$103, and the special tax \$11-181. Note: The total of all taxes then in the entire city would not pay for eight weeks of city welfare aid today. But that is another story on which the News will soon make some comparisons.

Charles A. Floyd resigned as manager of the Michigan State Fair of Detroit. The fair this year showed a profit of \$40,000, which is exceptional.

FIFTEEN YEARS AGO TODAY

Charles A. Floyd, formerly of Holland, president of the Floyd Construction Co. of Grand Rapids, has been selected to go to France or Russia with a corps of practical railroad men to supervise railroad building there. Mr. Floyd had had 16 years experience in railroad work, having been with the Grand Rapids, Holland and Chicago inter-urban since its inception. He came to Holland as an office boy and "worked up," becoming general manager of the Holland division.

TWENTY-FIVE YEARS AGO TODAY

Gertrude Habing, Gertrude Boot, Hattie Arendson, Minnie Kerriness, Kate Stokette, and Ella Van Putten, all of Holland, form the local contingent at the Ypsilanti State Normal school this year. This city always has a good representation at this school. Note: Since Kalamazoo State Normal has been built prospective teachers have been going there—and by the way, it might be well to know that Holland came close to getting the Kalamazoo school, Holland, headed by the late Mr. Diekema and leading citizens, backed by the Ottawa county press, especially the local newspapers, left nothing undone. The school "Junkies" from the state legislature, looking up a site, were speeched and dined in Holland and the deal seemed assured. Well, we haven't got the school—something happened.

A rowboat belonging to Jake Lokker was stolen from his boat house and later found near the Gelatine factory across the lake.

A resolution by Alderman Abe Stephan passed by the common council calls for a brick pavement from River street to First avenue. Note: That was Holland's third paving project. Now we are considered "100 per cent paved."

Capt. Boswell of the Steamer Puritan of the Graham and Morton fleet, sailing between Holland and Chicago, was presented with a diamond ring by a host of friends. He is one of the most popular captains on the Great Lakes.

Hope High school has an enrollment of 81. The chapel choir numbers 35 and the senior, junior, sophomore and frosh together, 465; 6 post-graduate. The Hope School of Music is not listed in this number.

There will be several more to join before the term is out.

Wednesday Holland was only half awake because of the long vigil listening to election returns.

William Eelman of Crisp has five acres of sugar beets which tested 18 per cent sugar content on the first test. This is the highest test reported this season. He is harvesting about nine tons per acre, which will give him a check of better than \$350, it is said. The Holland Sugar Co. shipped its first sugar today.

The Common Council of Holland recently took an object lesson in politics and as the guests of Mayor Van Putten they attended a performance of "The Man of the Hour" at Grand Rapids. Whether they learned anything new in the political game or not will be seen later. Note: The play, it will be remembered, had to do with the politics of a great city and the corruption connected. The expose of men in high places was made by a newspaper man. The story and play was the most talked of production a quarter of a century ago and every one wanted to see it. Later it was reproduced in "movies." Anyway, Holland never needed such an expose. City politics, since its founding, have been very free from any scandal of note.

Charles A. Floyd resigned as manager of the Michigan State Fair of Detroit. The fair this year showed a profit of \$40,000, which is exceptional.

"Old Sandy," the four-year-old buck of the Manlius, Allegan county, deer herd, which has been visiting many of the farms near Fennville of late, made his way to the Douglas golf course and was chasing golf balls and otherwise interfering with the game. So he was brought back to the pen on the Ottawa grounds where some new deer are being cared for. About seventeen more deer are to be brought here from Kalamazoo and other points to swell the large herd.

The reorganization was thoroughly discussed, committees were elected by the depositors, the plans were thoroughly gone over by Receiver Jalving and Judge Fred T. Miles and there was much favorable comment at and after the meeting. Even during the meeting many signed up to go into this new arrangement that will practically assure depositors all their money over a given period if the "sunshine of better times" is ahead.

Since the meeting Mr. Jalving states that many have come to the bank and had their blanks filled out. The additional signers cover deposits of more than a half million dollars, Mr. Jalving states.

The committee of depositors as well as the receiver are indeed pleased with the outlook and those depositors who have not yet taken the step are urged to drop into the bank where everything will be fully explained, and by doing so the committee will be relieved of a great deal of work visiting the depositors who are delaying the matter.

It would appear that the plan is an excellent one, giving at least some money for immediate release with other payments following at intervals.

The plan is based on sound banking rules and these plans are worth investigating by those interested.

Mrs. B. E. Benson's group of the Ladies Aid society of the First Methodist Episcopal church will meet today, Friday, at 2:30 o'clock at the home of Mrs. Anna Lawyer, 78 West Ninth street.

Sen. Vandenberg Shows the Right Spirit

Senator Arthur H. Vandenberg Wednesday morning issued the following statement:

"On with the forward march! There can be no other rule for Americans and no other destiny for America! The country has named new national commanders who now must justify their promises to us all. I got the same idea. So the babies are Franklin Delano Roosevelt, Franklin Delano Ragin and Franklin Delano Mayblum.

The latest returns show that Carl Mappes for congress won over Mr. Caslow by 4,726. Of this number Ottawa county gave him 3,378 and Holland 1,438.

"If all men in political life were like Congressman Carl E. Mappes, politics would be on a higher plane," Winfield H. Caslow, Democratic candidate for congress, said of his victorious opponent.

"I called Mr. Mappes this evening," Mr. Caslow said, "and congratulated him and thanked him for his conduct of the campaign. I deplore the use of personalities in political campaigning, and I think it is a sad commentary on politics when candidates indulge in personalities."

"In the campaign between Mr. Mappes and myself, this was not done. Mr. Mappes was absolutely fair, and the campaign was, on both sides, based solely on a difference of philosophy and a difference in ideas on the conduct of the office sought."

Peoples Bank Depositors Are Approving Plan

CONFIDENCE IN BANKING ALL OVER THE NATION IS RAPIDLY BEING RE-ESTABLISHED. TREMENDOUS AMOUNTS, ACCORDING TO NATIONAL REPORTS, ARE COMING BACK INTO CIRCULATION.

The confidence is also reflected in the city of Holland after it was publicly stated that the Peoples State bank would be reopened at a meeting held in the Holland Armory, where most of the depositors were present.

The reorganization was thoroughly discussed, committees were elected by the depositors, the plans were thoroughly gone over by Receiver Jalving and Judge Fred T. Miles and there was much favorable comment at and after the meeting. Even during the meeting many signed up to go into this new arrangement that will practically assure depositors all their money over a given period if the "sunshine of better times" is ahead.

ELECTION NOTES

Complete election returns are found on the next page of this issue.

Holland's record vote of all time was cast at Tuesday's election, the number being 6,176. Four years ago the vote was a little less than 5,900.

Prosecutor John R. Dethmers had the largest majority of any candidate in Ottawa county.

Park Township, precinct No. 2, also had a record vote Tuesday with 396 votes cast of the 420 voters registered. The largest vote cast previous to Tuesday's election was 320.

The Liberal party candidate for president, William H. Harvey, received one vote from the First ward of Holland as did Anthony Bergman for governor; Walter W. Brown for lieutenant governor; Price H. Green for secretary of state; Rev. Ralph Brown for state treasurer; and Earl Miller for auditor general on that ticket.

Norman Thomas, the Socialist candidate, carried quite a vote in the election—by wards as follows: First ward, 35; third ward, 14; fourth ward, 48; fifth ward, 48; sixth ward, 49; a total of 190 votes in the city.

President Herbert Hoover was re-elected president of the United States in the election held in Allegan High school Monday. Hoover received 346 votes. Franklin D. Roosevelt received 181 votes. Norman Thomas had 4 votes cast for him.

Three baby boys were born at the Menorah Maternity hospital in Brooklyn today and their parents all got the same idea. So the babies are Franklin Delano Roosevelt, Franklin Delano Ragin and Franklin Delano Mayblum.

City Clerk Oscar Peterson had to resort to barrels at the polls to take care of the flood of large ballots. No this did not influence the vote on the "wet and dry" amendment for they were bakers' barrels and not beer barrels. It was a mighty good plan, nevertheless.

The latest returns show that Carl Mappes for congress won over Mr. Caslow by 4,726. Of this number Ottawa county gave him 3,378 and Holland 1,438.

"If all men in political life were like Congressman Carl E. Mappes, politics would be on a higher plane," Winfield H. Caslow, Democratic candidate for congress, said of his victorious opponent.

"I called Mr. Mappes this evening," Mr. Caslow said, "and congratulated him and thanked him for his conduct of the campaign. I deplore the use of personalities in political campaigning, and I think it is a sad commentary on politics when candidates indulge in personalities."

"In the campaign between Mr. Mappes and myself, this was not done. Mr. Mappes was absolutely fair, and the campaign was, on both sides, based solely on a difference of philosophy and a difference in ideas on the conduct of the office sought."

It is known only to a few that President-Elect Franklin D. Roosevelt was at one time a visitor in Holland. He made a political speech in this city about twenty years ago at the Knickerbocker theater, now the Holland. He was a young chap then and had been nominated for the vice presidency.

CONGRATULATIONS

President-elect Franklin D. Roosevelt Wednesday sent the following telegram to President Hoover at Palo Alto, Calif.:

"I appreciate your generous telegram for the immediate as well as for the more distant future. I joined in your gracious expression of a common purpose in helpful effort for our country."

William A. Comstock, Democratic governor-elect, today issued the following statement:

"I wish to thank the people of Michigan for the trust they have given me. I assure them I shall devote every ounce of energy and every atom of ability at my command to keep faith with them. I realize the task will be difficult. Nevertheless I appreciate and welcome the opportunity to be of service to the people of my state."

It was the vote of Holland and Ottawa county that brought to Gordon F. Van Eenennaam of Muskegon his return to the state senate. Van Eenennaam was given a majority of 2,931 votes in this county. However, his Democratic contestant, Robert Douma of Muskegon, led, 12,777 to 12,322, in Muskegon county.

Cora and Gilbert, sister and brother, both deserving officials, came through with splendid majorities in Tuesday's election. Cora will soon be found in the northwest corner of the county courthouse where the "shingle" says "Judge of Probate." It will be Judge Vande Water soon.

Holland, went "bone dry" at Tuesday's election, 1,551 yes; 3,697 no. Well, our whole election was different than the rest of the state and now our "time" is different, too. We surely can't be called imitators.

In concluding a township vote of 793 for Gilbert Vande Water, 781 for Govert Van Zantwick and 583 for George H. Thomas, in the race for coroner, resulting in a county total of 11,195 for Vande Water, 11,986 for Van Zantwick and 7,520 for Thomas.

Elsewhere in this issue will be found a complete section giving the last proceedings of the Ottawa County Board of Supervisors. It is of interest to the taxpayer.

Holland Has Many Campers At the Oval

GRAND HAVEN HAS US BEAT
IN VOLUME OF VISITORS
NEARLY 3 TO 1

While there was a slight drop in the number of visitors at Michigan's state parks during the 1932 season over 1931, the number of campers increased, a report issued by the Parks Division of the Department of Conservation today indicates.

The report lists 9,616,000 visitors at the parks during the year 1932 as compared with 9,834,000 in 1931, a decrease of 19 per cent. The number of campers this year was 178,642 as compared with 177,967 last year, an increase of 37 per cent.

Present economic conditions are being attributed by the Parks Division to the fact that while the number of Michigan residents camping in the state parks increased, the non-resident campers decreased.

The Bay City Park again exceeded all other parks, both in the number of visitors and campers. More than a quarter of the entire population of the state spent some time at this park during the past summer. The actual figures are 1,630,000 visitors and 20,093 campers.

Grand Haven Park ranked second in popularity with 1,431,200 visitors and the Walter J. Hayes Park was third with 777,427 visitors.

Twelve other state parks reported attendance records for 1932 of more than 100,000 people. They are: Bloomer No. 2, Dodge Bros. No. 2, Dodge Bros. No. 4, Dodge Bros. No. 10, East Tawas, Holland, (Ottawa Beach), Island Lake, Mears, Muskegon, St. Clair and Wilson.

While Grand Haven oval reports 1,431,200 visitors and 9,547 campers, the Holland oval at Ottawa Beach reports 515,500 visitors with 7,422 campers. That is quite a number—however, if the "oval" was the only attraction here this figure no doubt would be augmented considerably. As counter attraction we have here Lakewood Farm, Pine Lodge, Tunnel Park and 20 miles of other resort places around Black Lake and on Lake Michigan, all exacting a portion of the patronage of these summer visitors.

ZEELAND GOES LARGELY REPUBLICAN; DEFEATS "OWN SON"

Zeeland gave all Republican candidates large majorities except its "own son" so to speak. State Senator Gordon Van Eenennaam was born in Zeeland, graduated from school there, chose a most estimable wife from that city, but for some reason an insubstantiated campaign statement refuted, by the candidate everywhere but not in his home city where he considered it was not necessary, seems to have turned the tide against him.

He was defeated in Zeeland by 34 votes, but elected in the district by more than 3,000 votes.

The vote in Zeeland stood as follows:

Hoover and Curtis (Rep.), 838; Roosevelt and Garner (Dem.), 349; Thomas and Maurer (Rep.), 19; Upham and Reagan (P.), 4; blanks, 10.

Governor—Brucker (Rep.), 716; Comstock (Dem.), 443; Panzner (Rep.), 5; Holmes (P.), 1.

"Shackers" Are Common Up North

The "shacker," a familiar figure to northern Michigan during the early period of its development, but who had almost entirely disappeared three years ago, is again reoccupying buildings long deserted and is creating a new problem in conservation law enforcement, according to reports received by the department of conservation from its field men.

Practically all of the old deserted farm houses and squatters' shacks in the upper peninsula and the northern section of the lower peninsula are now being occupied by men or by entire families who are taking their living from the woods, the reports say, and as a result there has been a considerable increase in fire hazard as well as in game and fish law violators.

Most of the new shackers have migrated from the city where they have been forced through economic conditions to find a living elsewhere. Many of them obtain their living during the taking of game during the closed season, officers claim. While the blueberry season has given them temporary employment, the coming winter will see most of them in severe straits.

Large numbers of state-owned land, but so far trespass is being permitted unless it is interfering with homesteaders' rights. Eviction would only cause them to move to some other county and again set up housekeeping in some deserted shack.

Conservation officers are also reporting discovery of many tents on deserted land, and occupied by entire families trying to escape city rent.

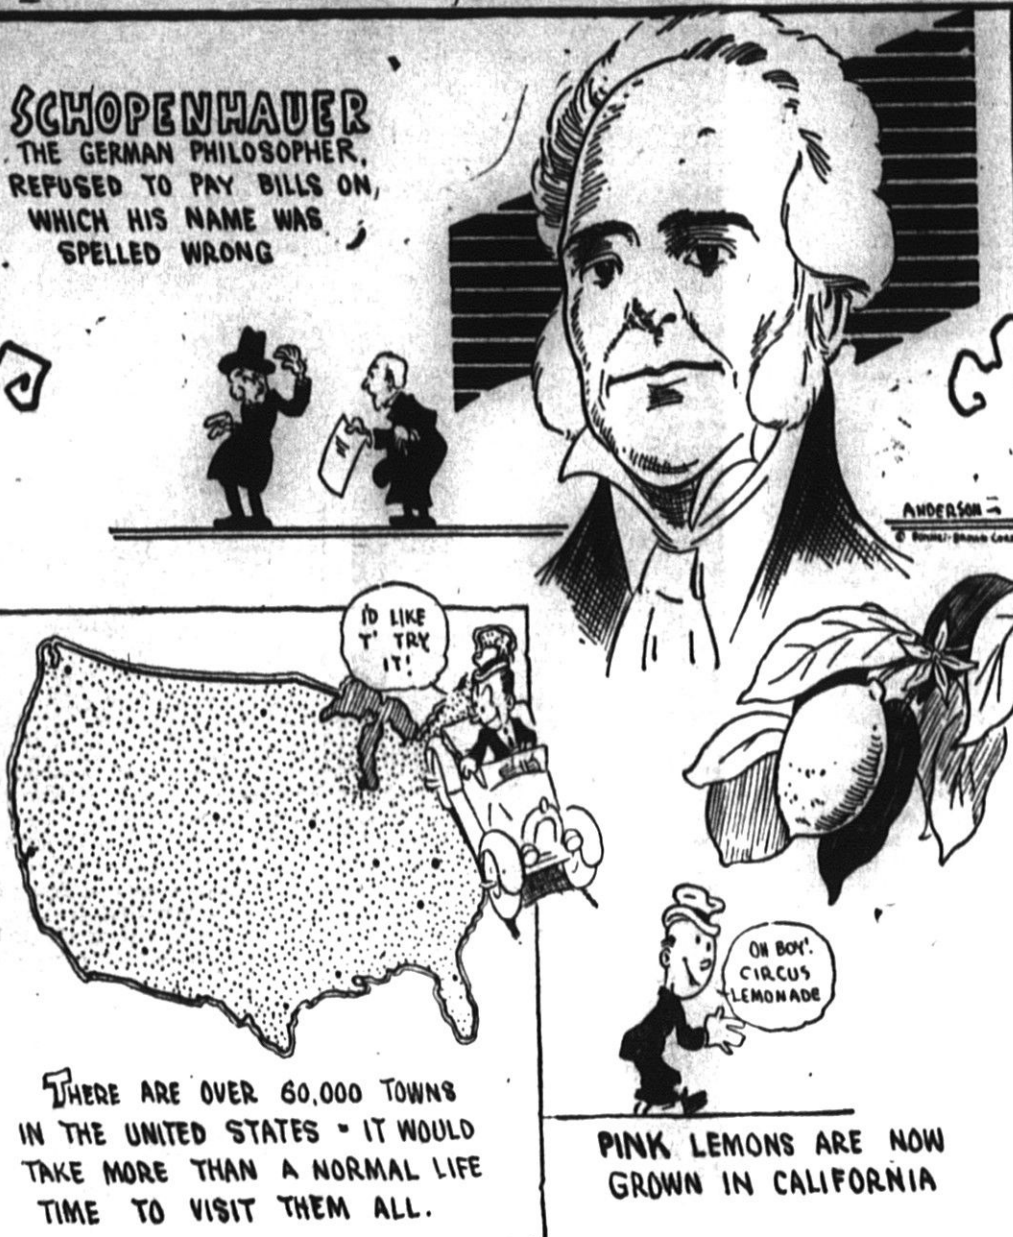

The Pheasants

Pheasant hunting is a very old sport. Legend says the Argonauts first took the birds to Greece; and the Romans, centuries later, introduced them to England. However, that may be, Phasianus Colchicus is mentioned in English law before the Norman conquest. The birds were protected in the time of Henry I, and by 1532 they were being raised domestically and turned loose when half grown for the nobles to find and shoot.

Michigan pheasants are commonly known as the Chinese ring-necked variety, but they really are a cross between the true Chinese and the English birds. During the last few years the Versicolor, or green Japanese strain, has been introduced by birds liberated from the state game farm at Mason. The hope is that the new strain will increase the stamina and speed of the wild fowl.

When the Michigan pheasant hunting season opened Saturday there were a million birds in the Lower Peninsula, scattered over 7,000,000 acres of field and cover, according to estimates. Between 250,000 and 300,000 probably will be slain by hunters before the protection of the law clamps down again. Only the cocks are fair game and it is estimated that Michigan

Sometimes it is necessary to use force in maintaining order in some of the branch libraries of a city. A branch librarian was vigorously propelling a boy before her on his way to the door, with her hand on his collar, when he turned around saying politely: "Excuse me for walking in front of you."

SEVERAL SUSPECTS IN BANK ROBBERY HELD

The Holland police and the detectives for the insurance company who paid the bank for the entire amount of money lost during the recent holdup, are leaving no stones unturned to run down every possible clue and to arrest every suspect who might be implicated in this robbery.

As was stated before, Governor Emerson did not allow extradition on di Laurentis, after he had produced a half dozen witnesses who showed that he was elsewhere on the day of the robbery and at 8:30 a. m., shortly before the robbery, was playing golf in Chicago, Ill. A man by the name of Gus Winkler could also not be identified. Chief Lievensen states. He was arrested in a show-up at Chicago to Officer Bontekoe, Roy Heasley, Gerrit Nevenzel and Rufus Cramer they were unable to recognize this man as one of the bandits.

Now three suspects are in the hands of the law charged with attempting to sell \$6,000 worth of Holland bonds to a brokerage house.

Payment by the Pittsburgh firm was to be made through a Chicago attorney. Bontekoe said and when the trio appeared in children to collect, all three were arrested.

Patrolman Bontekoe said the men had refused to talk and that he would question them further to-morrow. They said when first arrested, that they received the \$6,000 in payment for a load of whisky.

OLD BELL RINGER AT GRAAFSCHAP CHURCH CELEBRATES HIS 93RD BIRTHDAY

Mr. and Mrs. Hendrikus Bouwman, probably the oldest couple among the surviving pioneers of this vicinity, are planning to observe the sixty-sixth anniversary of their marriage Nov. 13 at the home of their son, Martin Bouwman, of Allendale, with whom they plan to spend the fall and winter months.

Bouwman is in his ninety-third year and his wife has passed her eighty-seventh. They are in fairly good health.

Born in The Netherlands, Bouwman came to this country at the age of 22. Mrs. Bouwman came here about two years later. They were married in Graafschap in 1866. For nearly 60 years they lived on the same farm, retiring about 18 years ago. With the exception of one year spent in Virginia, they have lived in the same section since their marriage.

Mr. and Mrs. Bouwman have been members of the Christian Reformed church at Graafschap since 1866. Until three years ago Bouwman had served the church as bell ringer for about 15 years.

Their children are: William and Martin of Allendale, Henry and Mrs. Grace Hoekstra of Holland, Mrs. Johanna Snoelstra and Mrs. Jennie Harrington in Colorado, Gerrit in Minnesota, Fred of Grand Rapids and Bert of South Bend, Ind.

HOLLAND INSTITUTE OF FARMERS WILL DISCUSS PLANS FOR REOPENING FACTORY

The reopening of the Holland sugar factory will be one of the leading topics for discussion Dec. 8 at the annual farmers institute here.

Farmers of western Michigan will be asked to sign cards so that an estimate of the acreage planted to beets may be determined. Last year approximately 50 per cent of the required 4,500 acres were pledged.

The institute annually is sponsored by the Holland Chamber of Commerce jointly with the Holland Merchants association, Michigan State college and farm agents of Ottawa and Allegan counties. Topics of general interest will be discussed by representatives of Michigan State college.

The institute likely will be held in the Armory. A free lunch will be served.

GRAND HAVEN POLICE ALSO GET MACHINE GUNS

Rattle of gunfire broke the stillness of Rosey mound, Grand Haven, a few days ago as city police and sheriff's officers tried out the Thomson sub-machine gun which the former have already adopted and which the buildings and grounds committee is investigating with view to equipping the sheriff's department.

The recently arrived gun purchased by the city of Grand Haven with co-operation of local banks was given the initial tryout by Chief Lawrence DeWitt and Patrolman Emil Klemmel. Except for the expert demonstrator of the gun, Mr. Greig, DeWitt showed the most proficiency with the weapon.

A sheet metal oil drum was the first mark and the officers, demonstrator, Undersheriff Jack Spangler, Deputy Philip Wieringer and Supervisors T. Rosbach, Peter G. Damstra and Frank Hendricks blazed away with good results. The copper-jacketed bullets ploughed through the steel and lodged in the sand hill.

OCTOBER WAS FROSTLESS, SAYS ALLEGAN PAPER

Who ever knew a month of October in which there was no frost? Many people have agreed that they never have had such an experience. There were two light frosts late in September which did but very slight damage on low grounds and none at all in higher places. Usually there is a killing frost by Oct. 10. The weather of this month has been mild and in all ways pleasant with sufficient rain. Farmers have been able to get their crops harvested in fine condition. Gardens have kept on producing things that are common only through summer and many sorts of flowers have persisted in flourishing. It has been a particularly fine time for dahlias which delight in cool and moist weather. They were never finer throughout the usual time of blooming and even to the last decreased not much in size and not at all in beauty.—Allegan Gazette.

Elsewhere in this issue will be found a complete section giving the last proceedings of the Ottawa County Board of Supervisors. It is of interest to the taxpayer.

DELINQUENT DOG TAXES IN COUNTY NET STATE \$1,486; \$63 DOGS SHOT

Delinquent dog taxes in Ottawa county, totaling \$1,486, have been collected since the special deputies were put on the job following the action of the board of supervisors. There were 363 dogs shot and 196 licenses sold to owners whose dogs were unlisted by the respective supervisors of the townships.

There were four deputies appointed: William Kieft and Jack Marcus of this city, and William Gierum and C. J. Dornbos of Holland and Zeeland. Mr. Dornbos is still working in Holland and Park townships.

In Zeeland two delinquent dogs were reported by the supervisor. Following the work of the special deputy 34 licenses were sold for dogs that were not listed and 8 were shot.

The total amount collected which was turned over to the state, was \$1,173, which goes into the stock raising fund of the state, according to the deputy at the sheriff's office.

Local Military Organization 1st Observe Big Day

(Continued from Page One)

their beloved America, and their comrades who fought for country and humanity in the World war, and in honor of those patriotic citizens who kept the faith at home—by virtue of the powers in me vested. I do hereby proclaim Armistice Day, Nov. 11, 1932, to be a holiday in the city of Holland. I respectfully request that all places of business close for the afternoon so far as it is possible, and that as many of our people as are able attend the patriotic services to be held in the city.

"The patriotism of war should also be the patriotism of peace. In these days of trial, disappointment, and temporary unrest Old Glory still flies overhead. Bound together as a united people we cannot perish, but under the guidance of the God of our fathers we shall prosper."

William Brouwer, president of the Holland Merchants' association, has asked that all places of business be closed on Friday afternoon. A short message follows: "In compliance with the proclamation of Mayor Nicodemus Bosch, in respect to the departed who served in the World war and concurrent with our action in previous years, the executive committee of the Holland Merchants' association has decided to ask all merchants in Holland to close their places of business Armistice day at noon for the balance of the day."

LEGION PROGRAM

First ceremonies here today, Friday, will take place at 11 o'clock in the morning when Legionnaires and other ex-service men and students in local schools will stand at attention for 30 seconds as tribute to those who gave their lives in the world conflict. This is the time the signing of the armistice took place in 1918.

All schools, public and Christian, will join with the auxiliaries to participate in this program.

Groups in the grade schools, both public and Christian, will have suitable programs this morning. Speakers at Holland and Junior High will be Miss Beatrice Denton.

Other exercises at 10:30 o'clock will include a talk by Mrs. George Pelgrim in Washington school, a talk by Elbert Parsons in Van Raalte school, a talk by Rev. Henry D. Ter Keurst in Longfellow school, a talk by Mrs. D. Ritter in Lincoln school and a talk by Henry Geerlings in Froebel school.

An extensive program has been arranged for the afternoon and evening. Members of the Legion post and auxiliary here will meet in the senior high school gymnasium at 1:15 o'clock. Louis E. Dalman, commander of the local post, has invited Veterans of Foreign Wars, Spanish-American war veterans and others of patriotic organizations to join the Legion in the celebration.

Adjourning at 1:30 o'clock to the high school auditorium, the groups will attend a patriotic meeting that will include an address by Dr. A. Leenhouts and the singing of patriotic songs. Dr. Leenhouts was the first commander of Holland's Legion post, which was named the Willard G. Leenhouts post in honor of his son who was killed in action and buried in France.

A parade will form at the close of the exercises for a march to Riverview park where the Legionnaires will be met by the Hope college football team. The line of march will be from the school to River avenue, on River avenue to Eighth street, on Eighth street to Columbia avenue and on Columbia avenue to the park.

The scouts will march in the parade with the Legion and the Legion band, starting at 2:30 o'clock from the corner of Fifteenth street and Pine avenue.

Gems From Doctor Johnson

WOMEN'S BOARD OF DOMESTIC MISSIONS TO COMMEMORATE RATE JUBILEE AT HOPE CHAPEL

November 15th will be a memorable day for the Women's Board of Domestic Missions of the Reformed Church in America for on that day will be celebrated the golden anniversary of that organization. In November, 1882, a devoted group of women banded themselves together in service for missions in our home land.

A backward look at the service rendered during the fifty years shows much good accomplished in founding stations among the Indians of Oklahoma, Nebraska and New Mexico, as well as in Mexico where remarkable work has been done in recent years. Valuable service has also been given to Mountain Whites of Kentucky, the negroes of Alabama and foreigners in several large cities.

The women of Zeeland, Holland and vicinity are invited and urged to celebrate this great event in Holland that day. The afternoon session will begin at two o'clock at Hope Memorial Chapel and will be featured with an address by Rev. G. A. Watermuller, special advisor for Indian work. Short messages from Domestic Fields will be presented and music will be in the nature of Negro Spirituals by Mr. Oswald Lampkins, a colored soloist of Grand Rapids. A reception at Voorhees Hall at four o'clock is a special attraction.

Dr. John M. Vander Meulen of Louisville, Kentucky, will speak on "America for Christ" at the evening service which will begin at 7:30 o'clock. The men of the church and the young people are especially invited to the evening meeting.

SPORTING JOTS

Hope college and Holland High school both close their 1932 home schedules here this week. Next Saturday Hope goes to Hillsdale and Holland travels to Muskegon Heights for the final games of the season.

Strange as it may seem, Hope and Hillsdale will be battling for the championship of the M. I. A. A. conference. The Dutch have won one game, that over Alma, and had ties with Albion and Kalamazoo colleges. Hillsdale has beaten every conference team except Hope by a wide margin, yet both clubs have a perfect record. Here are the figures:

W. L. T. Pct. TP. OP.	
Hillsdale	3 0 0 1.000 81 6
Hope	1 0 2 1.000 15 6

The city basketball league has been organized with the following five teams as members: Rutgers Cloisters, Mosser Leathers, Selles Decorators, Keefe's Restaurants and Pipers Optics. All are veteran teams, as the Selles team was previously known as the Rucks, while Pipers went under the name of Beechwood. The first games in the league will be played on Wednesday, Dec. 14. Season tickets for 35 games are on sale with the players and managers for one dollar.

The National Guard Athletic club will bring a real Dutch wrestler here next Thursday as part of the card arranged for local fans. Dutch Velde, who recently came from The Netherlands to Detroit, will meet Fred Hall, Buchanan, for the lightweight wrestling title of the state of Michigan.

The show will be started at the Armory, starting at 8:30 o'clock. The card that will be presented is without doubt the finest that could be arranged.

Bill Demetral, handsome Greek veteran, will meet Jack McCarthy of Seattle in a heavyweight event for two falls out of three. Steve Savage, champion of the South, will meet Dr. Carl Furness, the "Wrestling Doctor" of Chicago. Furness is the physician of the Illinois Athletic club and a wrestler of note. He weighs 230 pounds. Tickets for the show can be secured at the gate, and advance sale is being held at Ollies.

TWO POSTMEN AT HOLLAND WIN 35-YEAR GOLD STARS (Grand Rapids Press)

William E. VanderHart and Jacob Geerlings will wear gold stars on their coat sleeves Dec. 1 upon completion of 35 years of service as city letter carriers.

The men were two of the first four letter carriers to enter the service with the inauguration of free delivery service in 1897. The two others, Frank E. Doesburg and Paul R. Coster, left the service several years ago. The force now numbers 10 letter carriers and 2 parcel post carriers.

The men still cover a good share of their original routes, which have been modified from time to time to make room for additional carriers.

Shortest Railroad in the World for Pope of Rome

A small railroad man of Michigan owning a lumber railway system from the forest to a nearby shipping point a distance of some 14 miles, once called on the late Jay Gould, head of the big systems in the country and asked him if he could exchange courtesies for railroad passes. Gould with a twinkle in his eye said, "why should I give you tickets on all my roads covering the entire nation, while your road is only a few miles long?" The man came back quickly "well my road may not be as long as yours but its just as wide." He got the pass.

It seems that there is a still a shorter railroad than the one owned by the Michigan man. It is only a few yards long and is owned by the Pope of Rome and the train will contain but one passenger. An Exchange gives the following relative to this double track railway. What is perhaps the smallest double-track railroad in the world, 600 feet long within Vatican City, connecting with the Italian system by a spur from St. Peter's Station, was successfully tested today in the presence of officials of the church and state.

A modern locomotive with a tender, loaned by the Italian government, puffled out of St. Peter's Station behind the famous cathedral recently, reaching Vatican City's Central, 650 yards away, five minutes later.

For more than an hour afterward, the engineer kept backing the locomotive in and out of the Vatican "yard," consisting of a 300-foot tunnel, where the special train of Pope Pius is sheltered upon its completion at the Fiat motor plants in Florence.

Pope Pius some time ago inaugurated the tiny railway, it is said, but there is no indication when the Pontiff will grasp an opportunity to make his first trip beyond the frontier of his state. There have been reports that he will travel to the Papal estate at Castel Gandolfo on Lake Albano.

It is estimated the Vatican railway when completed will represent a cost of about 20,000,000 lire, or \$1,000,000.

Charles Salisbury, former member of the sheriff's force under Fred Kamferbeck, was taken to Ann Arbor in an ambulance. He will undergo an operation.

MAN IS FINED FOR POISONING CANINES

Peter Vogel, Grand Haven, paid \$25 fine and \$3.35 costs in Justice John Easterly's court for poisoning two dogs belonging to Jacob De Ryke and Fred Mo. He was also charged \$30 and \$15 respectively, that being the cost of the dogs to the owners. Mr. Vogel pleaded guilty, telling the judge he had placed poison on his property with the view to killing another dog that had annoyed him. It is against the law to place poison of any kind.

100 PHEASANTS ARE LOOSED IN WOODS OF MUSKOGON, OTTAWA

More than 100 female pheasants were loosed in the northern part of Ottawa county and the south-eastern part of Muskegon county by Deputy State Game Warden Claude Markley of Muskegon and Maurice Kuite of Holland. The men received the consignment of birds at the Ottawa county jail and planted them in suitable locations with proper game cover.

Protection for the birds was asked by Mr. Kuite who said co-operation on the part of hunters in this way would react to their advantage next pheasant season. The pheasant season closed some time ago but shooting this year was said to be finer than ever by hunters. Mr. Kuite said the abundance of birds this year was due to the work of the conservation department and promised even better hunting next year if the newly-planted birds and the cock pheasants were given full protection. He requests hunters witnessing pheasant shooting out of season get in touch with him in Holland.

Mrs. John Homfeld and Miss Ruth De Ridder spent the weekend in Chicago where they visited Miss Gertrude Homfeld, a student at Moody Bible Institute.

What A Relief

Ottawa County Farm Body Want Milham Back

ALSO FAVORS OPENING OF HOLLAND SUGAR PLANT IDLE FOR YEARS

Resolutions passed by the Ottawa County Farm Bureau, of which Maurice Luidens of Olive is president, at its annual meeting asked to have the agricultural agent, as well as the Home Demonstration Department, restored in this county by the board of supervisors at the next session in January. They also stood for re-establishing and the support of the sugar beet industry in this county by co-operation in reviving a factory at Holland—idle for these many years. The resolutions also commend the State Farm Bureau and American Farm Bureau Federation for efforts to reduce the property tax in Michigan and regard the Michigan state police as an unnecessary duplication of police service in Michigan.

A portion of the text of the resolution relative to the county agent says: "Believing that the educational work accomplished by the county agricultural agent and home demonstration agent is of great importance, especially to the country boys and girls, comparing in value to any other feature of our educational system, we regret and deplore the action of our board of supervisors in abolishing entirely this work. While we realize that taxes must be reduced, yet essential things must go on at reduced costs." They request the board of supervisors to re-instate the departments at the next session.

The bureau commends the board of supervisors for the reduction of nearly \$800,000 from the annual budget but regrets that it saw fit to entirely eliminate a small appropriation for the continuance of the extension which has been a part of the program for several years.

The organization believes that the sugar beet industry can fill an important part in the agricultural program of Ottawa county and favor extending whole-hearted co-operation in the attempt to re-open the sugar beet factory in Holland for the purpose of restoring the sugar beet industry in western Michigan.

The expense of maintaining the Michigan state police at a cost to the taxpayers of approximately \$2,000 per day, is one of the outstanding examples of duplication, the resolutions say. The organization is made up of some 150 uninformed officers who are interfering with the constitutional duties of the sheriffs, it is claimed, and the resolution recommends these duties be restored, and the sheriff's office be permitted to perform the normal functions with less outside interference.

The resolutions further say that the law which requires the payment of \$1.00 every three years from every motor car operator for the maintenance of the service should be repealed.

A careful study of the activities and functions of the vast army of inspectors employed by the state is recommended to the end of determining and eliminating all those except actually necessary to the welfare of the state.

The resolutions point to the salaries of all county officials and school teachers as excessively high. They compare salaries with those of the 70's when teachers received \$20 to \$30 per month and the school commissioner got but \$1,000. The cost of living is no greater now than then, they say.

The resolutions say that instead of abolishing offices as important as the county agent and home demonstration agent, reduction should be made in all salaries commensurate with the wages of laboring men and farm labor, so that the educational systems may continue, and they request the board of supervisors to re-establish the offices at the next session and provide for their maintenance taking into consideration the economic conditions now prevailing.

TAXES AT FENNVILLE 97 PER CENT PAID

Definite proof that the taxpayer is interested in cutting taxes is evident in Fennville municipal affairs. The tax rate was cut in half this year and the owners of property have paid 97 per cent of their taxes.

THIRTY CAGE MEN OUT AT HOLLAND CHRISTIAN

Coach A. H. Muyskens of Holland Christian High school has announced the basketball schedule for the coming season.

In addition to four veterans, John Robbert, Art Alderink, Eliebrink and Wolrding, Muyskens has a squad of some 30 candidates seeking berths. The schedule of 19 games follows:

Nov. 25, Chicago, there; Dec. 6, Greenville, there; Dec. 9, Grand Haven, there; Dec. 13, Benton Harbor, Dec. 16, Bridgman, there; Dec. 22, Fremont; Dec. 23, East Grand Rapids, there; Dec. 29, Chicago; Jan. 6, Grand Rapids Christian, there; Jan. 10, Allegan, there; Jan. 13, Zeeland; Jan. 19, St. Augustine; Jan. 27, Watervliet; Jan. 31, Western State high, there; Feb. 10, Zeeland, there; Feb. 17, Grand Rapids; Feb. 21, St. Augustine, there; Feb. 24, Greenville.

Texas boasts more varieties of birds than any other state in the Union. Approximately half of all the species of birds to be found in the United States have representatives in that state.

Cost to Feed "Biddy" Is Less Than Before

DOZEN EGGS NOW BUYS MORE MASH AND SCRATCH GRAIN THAN AT OTHER TIMES IN DECADE

A dozen eggs will buy more pounds of poultry feed this year than at any other time during the past decade, according to studies made at Michigan State College.

During the past 10 years, the average price paid for a dozen eggs would buy 16.9 pounds of poultry feed. A dozen eggs during the first nine months of 1932 would buy 19.5 pounds of feed. Last year, the dozen eggs would buy 17.1 pounds of feed and, in 1930, only 16.5 pounds of feed could be purchased with the money received for the eggs.

The poultryman has an investment in land, buildings, birds, and equipment and he can get returns from these and his labor only by selling eggs or poultry meat. Good average production of the hens cuts the cost per dozen of producing eggs. With present feed prices, birds should be fed as heavily as possible in order to get the possible profit of turning feed into eggs.

No pronounced improvement in egg prices, other than seasonal raises, is anticipated unless there is a decided improvement in the purchasing power of consumers; but, if any increase does occur, the profit of heavy feeding will be greater.

The price of eggs divided by the price of the poultry ration gives the feeding ratio. When this ratio shows, as at present, a high ratio in favor of eggs, the mash and the scratch feeds should be supplied liberally.

WHO IS THIS MAN?

Sheriff's officers have in custody a man who apparently is unable to tell who he is, where he came from and how he got to Zeeland, where he was picked up Oct. 24. He is dressed in ragged farm clothes, is about 30 years old, weighs 165 pounds and is 5 feet 10 inches tall. He has a red beard. He mumbles to himself and refuses to answer any questions. He apparently is well in other respects.

Perry Hammond of Grand Haven was sent to the county jail following a plea in Justice Behm's court to assault and battery. He took the alternative of going to jail rather than pay \$10 and costs of \$4.25. Complaint was made by Bernard Thompson, who charged that Hammond attacked him Nov. 1 and he lost several teeth in the struggle and will now possibly have to get a plate.

GYPSIES "JIP" ALLEGAN COUNTY FARMER

Four gypsies, a man and three women, were ordered out of Fennville by Marshal McCann. They went north toward New Richmond, and are reported to have stopped at the home of a prominent farmer and told his fortune. When they had gone the farmer found that \$10 of his cash was gone, too—just as if the farmer wasn't having grief enough with fruit prices. The gang came to Holland but were ordered out of town by the "Big Chief."

This Is Week Of Prayer At Hope College

REVS. J. R. MULDER AND S. C. NETTINGA DELIVER ADDRESSES

This Thursday night under the superintendence of the president of the Presbyterian Theological seminary of Chicago, Dr. John Timothy Stone, who was the speaker in the morning services, will remain for the two remaining days of this week, speaking on the Hope college Week of Prayer program.

Beginning on Monday, November 7, with an address by Rev. John R. Mulder, D. D., of the Western Theological Seminary, the development of "The Essentials of the Christian Life," the general theme of the annual Hope College Week of Prayer, under the auspices of the Association Union and the Religious Conference, progressed under the treatment on Tuesday of "The Acceptance of Christ—as Saviour and Lord" by Dr. S. C. Nettinga, D. D., and the discussion today concerning "Loyalty to Christ—Life Investment for Him," by Julia Walvoord, president of the Hope College Y. W. C. A., and Willard Meengs, president of the Y. M. C. A.

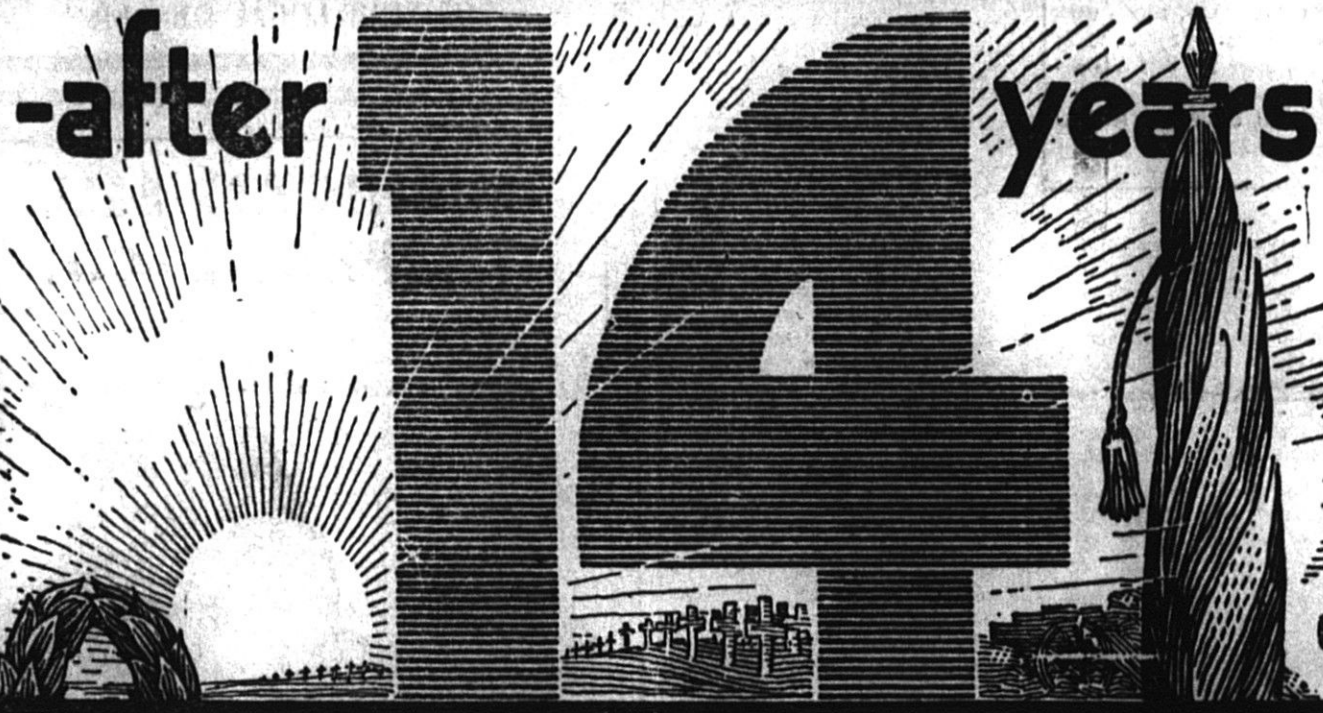

Following the scriptural reading by Rev. Van Saun, Julia Walvoord warned her listeners that he who would adopt the two basic Christian principles, loving God and his neighbor, must be prepared to adhere to them rigidly and devote his money, time and talent to their pursuance.

"As essential as warmth is to the complete action of heaven, just so the spirit of Christ in one's life requires the heat of association with others to rise to its fullness," were the words of Willard Meengs, who supplemented Miss Walvoord's exposition of loyalty to Christ in one's college career by a consideration of loyalty in one's life work.

Philippians 1:21, "For me to live is Christ," was the text of Dr. Mulder on Monday, when he declared that the materialistic, philosophical, and moralistic conceptions of life, considering it as atoms, thoughts, or duty, are inadequate when compared with the statement of Paul, that "Life is Christ." Dr. Mulder's talk concerned three major premises: the underlying assumption, the denial of self; the "Glorious Reality," that Christ lives in us; and the stimulation of this knowledge. His predecessor on the platform, Rev. Hinkamp, led the devotions.

Introduced by Rev. Paul McLean, who was in charge of the devotions, Dr. S. C. Nettinga on Tuesday discussed the "Acceptance of Christ as Saviour and Lord." He observed that the need of salvation is supported by the conscience, by experience and by history; that Christianity alone wholly supplies this need is evident, he said, in light of the success of Christianity during the last nineteen centuries, and finally, he averred that salvation is not belief in a doctrine but faith in Christ, who accepts those that tender themselves to Him. Dr. Nettinga continued by pointing out the inevitable consequences of acceptance, which he termed following unreservedly Christ's commands for the adoption of which resolution he appealed in his conclusion.

Special music was provided this morning by the chapel choir under the direction of Professor Curtis Snow. Vocal solos were delivered on Monday and Tuesday by Miss Hazel Paulman and Carlyle Neckers. As arranged for tomorrow and Friday, the music will consist of a violin solo by Richard Keeler and a piano and organ duet by Mildred Schuppert and Ethel Leestma.

Our Gratitude Has Not Wavered!

TIME moves steadily onward. Hardly seems like 14 years since the greatest conflict of all history was brought to a victorious conclusion by the Allied Armies. Yes, and in those 14 years, many of us have had . . . and some still have . . . dark days when it seemed the battle of Life was turning against us. But . . .

Q Our personal trials and tribulations are as nothing compared to sacrifices so valiantly made by the heroes of '17 and '18 in defense of the Peace and Security of the world. Many of those brave lads gave their lives. Many still patiently bear the wounds of war, both in our hospitals and in private life. For many of the latter, the war will never be over.

Q We are always mindful of our own "Willard G. Leenhouts" Post, American Legion and Henry Walters Post, Veterans of Foreign Wars of Holland. These young men fought nobly during the great strife and their constant activity now in civil life is also indeed commendable.

So to them . . . yes, to all veterans . . . and in memory of the honored, dead, our salute. And a silent prayer of thanks as we FACE THE EAST at 11 a. m. ARMISTICE DAY!

HOPE COLLEGE NEWS

A week from Saturday the Orange and Blue eleven will travel to Hillsdale where they will meet the M. I. A. championship. Hillsdale has a perfect record thus far in the conference with three victories and no defeats. The Orange and Blue have yet to meet defeat in the conference, but they have been tied by both Kazoo and Albion.

Hillsdale has looked most impressive in all of their games this year. Most of their ground gained has been due to rushing through straight football. They have the heaviest team in the conference, outweighing the Orange and Blue eleven on the average of twenty-five pounds to the man. This is not a novel experience for the Hope eleven, for they have been outweighed in every game this year.

In their three conference games, Hillsdale has scored at least twenty points in each game. They have been scored on only once in the conference, Albion scoring a single touchdown in a 33-6 defeat.

Dunlap, 190-pound fullback, is one of the outstanding ball carriers in the conference. Pellegri and Mobily, Dale's halfbacks, will also have to be stopped by the Orange and Blue eleven. Clark is an outstanding man on the line, weighing only a mere 225 pounds. The Orange and Blue eleven are small, but they are full of fight. There will be eleven fighting Dutchmen that will take the field against Hillsdale a week from Saturday. The odds will be heavily against them, but "Remember the Homecoming game against Hillsdale last year." The boys will be out fighting hard to bring the first M. I. A. football championship to their dear old Alma Mater.

The most welcomed alumni, the students, and all the other spectators were thrilled last Saturday afternoon as Hope's eleven marched on to victory over Alma 9 to 0, in the fifth annual homecoming celebration at Riverview Park.

Hope's victory over Alma is three-fold in significance. It was a glorious victory for Coach Bud Hinga's team, it was the first victory for Hope in the history of competition over Alma, and it gives Hope a good chance for the M.I.A. championship.

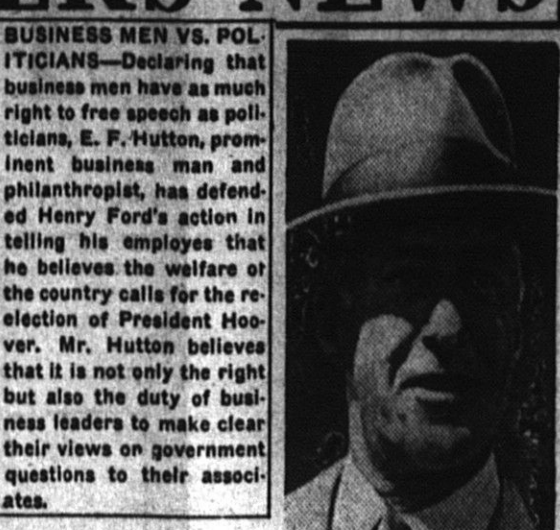

Despite the miserable weather, the local team uncorked everything they had, especially passes in the first and last quarters. Eleven determined men plunged and passed their way over the ever-important chalk line for a touchdown. Japiga started the drive with two long end runs which accounted for 35 yards. Failing to make any yardage through line plunges, Japiga dropped back and tossed the oval to Korstanje. This end made a spectacular catch, falling on his knees, catching the ball, and placed it on the 3-yard line. Japiga picked up two yards through the line and then Bonnett carried the pigskin over for the first and only touchdown of the game. The extra point was made by Hope's snappy left halfback.

Immediately after this play the Dutchmen had Alma on their own 8-yard line. Rushing the kick by Borton, the ball headed toward the end, but the breath of "old man weather" carried it back in Alma's end zone for a safety, making the score 9 to 0.

In the entire game Alma only threatened once, but the fighting linemen in Hinga coached style, held. Although Alma outweighed Hope 15 pounds to a man, Hope coming victory. The Holland boys made seven first downs, while the visiting team made six. The opponents were penalized 45 yards to Hope's 25. Alma was once penalized 15 yards for one of their men catching the punt by Borton in the air not letting it touch the ground. Such unusual incidents like this prevailed during the entire game.

Another unusual incident occurred when Bonnett dropped back to pass but he was rushed considerably; playing heads up football, he grasped the ball with his left hand and underhanded it laterally to Van Zanden not far off, who romped down the field for a first down. Neither team was able to gain points, the strong wind taking the ball in its power and doing most anything with it.

According to statistics, Hope completed 5 out of 16 attempted passes, while their opponents completed 1 out of 10 attempts. Milton Slag, Hope's fighting center, was outstanding on pass defense. With this game in the bag, Hope's Homecoming was a great success. The entire Hope team played well, while Borton, Hinshaw, and Bussard shone for the Campell coached team.

Lewis Borgman celebrated his sixteenth birthday anniversary with a party Friday evening at his home, 489 Central avenue. Games were played and prizes were awarded to Freddie Miles, Paul Boerigter, Billy Bos and Vernon Kraai. Eight guests were present.

Mr. and Mrs. Gerrit Blok of Holland celebrated their golden wedding at the home of a son, Mr. and Mrs. James Blok, in Grand Rapids Nov. 2. Mr. and Mrs. Blok had planned to remain at home to celebrate, quietly thanking the Lord for these long years together, but were entirely surprised by Mr. and Mrs. Henry Brussa, the former being a brother of Mrs. Blok, who called at the home and taking them for a joy ride drove them to Grand Rapids, where their eight children and grandchildren had gathered together to surprise them. Mr. and Mrs. Blok were born and married in The Netherlands, coming to this country in 1883, and are 74 and 69 years of age, respectively. Mr. and Mrs. Blok were presented with a number of gold coins.

Mrs. Alex Van Zanten entertained the mothers of the Knickerbocker society at her home Friday.

A circuit court jury Monday night awarded Mr. and Mrs. Clayton L. Beckwith of Ganges township \$2,000 damages against Mr. and Mrs. George S. Williams of Grand Rapids. The plaintiffs brought a farm on a contract and were unable to pay in full. The Williams foreclosed. Beckwith brought suit to recover \$3,000, alleging the value of the farm was misrepresented. The jurors were excused, subject to call.

MEETINGS IN LARGEST OTTAWA POULTRY DISTRICTS

Feeding and management of poultry for profitable results will be explained by O. E. Shear from the state college at a series of meetings in Ottawa county next week. Agricultural Agent Milham has arranged for these meetings in the largest poultry townships in order to bring the results of the latest experiments for low cost ration and winter management.

Meetings are scheduled for Wednesday, Nov. 16, at Holland township hall at 10 a. m. Vriesland township hall at 2 p. m. and Smallegan hall, Forest Grove, at 7:30 p. m.

Thursday, Nov. 17, at Georgetown township hall at 10 a. m. Bledon township hall at 2 p. m. and Coopersville high school at 7:30 p. m.

Poultrymen who follow the proper methods and reduce the cost of rations and prevent losses are in the best economic position of any group in the county. The large poultry industry in the county will be a great factor in maintaining better living conditions in the country.

North Allegan County News

Herman Hess of Pullman pleaded guilty in Justice Ficus Fish's court in Allegan last Thursday to driving a car without an operator's license and paid fine and costs of \$13.25. E. L. Fowler of Ganges township was assessed fine and costs of \$15.25 for operating a car without license plates or an alternative of ten days in jail.

About 120 women and 35 men are busily engaged at the canning factory, getting 43,000 bushels of pears into cans. The women who work by the day, receive \$1.75, and the piece workers earn even more. This shows the importance of this industry to our community. Prices paid for fruit and labor may not be so very high, but they are liberal considering the market conditions and this district would have a hard outlook were it not for our canning factory.

Mrs. Marie Huizenga of Holland is here to assist in the care of Mrs. Ned Bale and her infant son, born Oct. 23 in Douglas hospital.

Swan M. Sequist, who has filled the office of secretary of the Allegan county fair for many years, will act as manager of the 1933 exhibit.

Six applicants for auxiliary rural letter carrier at Fennville wrote the civil service examination here Saturday. The papers will be sent to Washington and the successful applicant chosen there.

Capt. John D. Campbell, 76, a retired Great Lakes captain, died on Sunday at his home eight miles northwest of Fennville. He operated a resort business on Lake Michigan near here the last several years. Funeral services were held Monday under Masonic auspices, with burial in Douglas cemetery. Surviving are the widow and three daughters, Julia, Irene and Adelaide.

OLIVE CENTER

Mrs. Charles Tuttle, 84, resident of Olive Center and West Olive until about a year ago, died Saturday morning at the home of her son, Rollie Tuttle, of Tustin, Mich. Mrs. Tuttle was born in Indiana on Nov. 29, 1848, and has lived in the vicinity of Olive Center for about 50 years.

Surviving are five sons, Rollie of Tustin, Lonie of Grand Rapids, Leonard of Detroit, Louis of Flint and Vern of Holland; three daughters, Mrs. Mae Gogot of Detroit, Mrs. Lee Watson of Holland and Mrs. Rosetta Riemersma of Grand Rapids; one brother, John Bensinger of Pullman, and a sister, Mrs. Pollie Coon of Pullman.

Funeral services were held Tuesday afternoon at 2 o'clock at the Dykstra funeral home. Rev. James M. Martin, pastor of Third Reformed church, officiated. Burial took place in Olive Center cemetery.

MICHIGAN LAKES TO BE PLANTED WITH PERCH

What is expected to be perhaps the largest distribution of perch, or "yellow pickerel," in Michigan's lakes in years will be made by the fish division of the department of conservation within the next three weeks.

Spawning conditions in Saginaw bay, where all of the eggs were obtained, were ideal, it was said, and unusually large quantities of eggs were gathered by commercial fishermen and turned over to the state. Spawning began immediately with the reopening of the pike-perch commercial fishing season April 11. Spawning had been somewhat delayed because of the fact that the freeze-up in Saginaw bay did not come until late during the past winter. Then began a gradual rise in temperature facilitating spawning.

HIDDEN MONEY GOES BACK IN BANKS IN BIG WAY

A dispatch from Washington states that hoarded cash has been coming out of the old sock so rapidly of late that money in circulation in August showed the most favorable trend of any month since last February.

Figures made public by the Treasury Department today revealed a circulation decrease of \$36,000,000 for the month, which is contrary to the usual trend for this season, when vacations and crops are under way.

Money in circulation at the end of August was \$5,691,000,000, or \$656,000,000 more than a year ago, while last spring money in circulation was a billion dollars more than the year before.

Money put in circulation includes large amounts of hoarded funds and all other not accounted for by banks. Treasury experts say hoarding has now dropped below the billion mark for the first time this year and they look for a further decrease until normal is reached with the improvement in business.

Since these figures were given money has been coming out of hiding in large amounts. Even an election did not stem the tide of hoarded funds now again being placed in circulation.

INNOCENT CONVICTS ARE GLAD THEY SPENT FIVE YEARS IN PEN

"We Were Pretty Tough Boys and Deserved It," They Agree as Freedom Comes

Although innocent of the bank robbery for which they were convicted, three men admitted here today that they deserved the five years they have served in Jackson prison. That they had been criminals in spite of a miscarriage of justice they confessed and punishment was warranted.

The men are Jack Lee, 31 years old; Leon Gratoski, 29, and Forest Shepard, 29. Five years ago they were sentenced from 30 to 40 years for robbing the Bellevue, Mich. bank of \$2,562. Three other men have been convicted of the crime—two this week. Authorities have admitted that justice miscarried and the three will be freed.

But it was not a miscarriage of justice at all, Prosecutor George W. Watson of Eaton county, contended today, and the "innocent" men agreed. On the day the Bellevue bank was held up, Lee, Gratoski

and Shepard stuck up three blind pigs in Jackson.

"That is why we could not establish an alibi," Lee told police. "The prosecutor time after time asked us to divulge our whereabouts at the time of the robbery. We could not say a word. The jury was impressed. And so we went to prison. We have learned a lesson. We were pretty tough boys when they picked us up. We thought we were smart and that we could not be caught. But after five years in Jackson prison we are neither smart nor tough."

The men were paroled temporarily to Prosecutor Watson yesterday by Gov. Brucker. On Monday the prosecutor will ask Judge Russell R. McPeck to grant them a new trial. If he agrees, the prosecutor will then move to quash the indictment.

In this way, the records of the trio will be cleared," Watson explained. "If they are merely pardoned, the conviction would stand against them and would mean long sentences under the habitual criminal act if they get into trouble again."

ZEELAND

Miss Jennie Spitsbergen, aged

59 years, passed away last week, Thursday afternoon, at the home of her sister, Mrs. Peter Ossewaarde, 119 South State street, Zeeland, where she has been making her home. Death resulted from a heart attack. Miss Spitsbergen has been a resident

practically all her life. She is survived by four sisters, Mrs. Elizabeth King of Grand Rapids, Mrs. Frank Ver Meulen of Kalamazoo, Mrs. Peter Ossewaarde of Zeeland and Mrs. William Wolterling of Holland, and a brother, Henry Spitsbergen of Noddenerville. Funeral services were held Saturday afternoon at 3 o'clock at Lange-

land funeral home in Zeeland. Rev. J. Van Peursem, pastor of First Reformed church, will officiate. Burial took place in Zeeland.

Grandville high school's powerful football team chalked up a victory over an old rival November 5 when it defeated Zeeland high by a decisive 26 to 6 score. Grandville displayed the smooth-working offense that has enabled it to defeat such teams as East Grand Rapids. The men of Coach Vanderbush put over two touchdowns in the first quarter and tallied twice in the third period. Link, B. Little and Nyenhuis figured in the scoring. Boynton featured with his long runs for Grand-

ville. Zeeland put up a game battle but could not match the offensive strength of their foes. They score in the third period.

AGNEW

Miss Ruby Marble and Miss Evelyn Behm of Agnew were Holland visitors recently.

Mr. and Mrs. Thomas Rosendahl of Agnew were visiting in Holland calling on their children, Mr. and Mrs. "Bernie" Rosendahl of Virginia Park.

Politics and political speeches hereabouts is over—thanks for rest.

your Board. I would be pleased to have you consider my application for reappointment.

You are aware that I serve full time and receive additional compensation for my services. This arrangement was brought before your board in 1928 by the chairman of the road commission substantially as follows:

For several years one of our commissioners who is especially qualified has been rendering unusual service for the small salary fixed by the supervisors (\$800.00 per year). This member now is offered a position that would deprive us of his valuable services. He is an exceptional executive and it would be a distinct loss to the county to be deprived of his services. He can be retained as a full time executive and secretary for an additional compensation of \$2,600.00 per year. We have discussed this matter with the good roads committee who are agreeable to it. If there is no objection to this we will pay the additional salary from our general expense fund, which will entail no additional appropriation. His duties will include the work of secretary of the newly organized County Park Board.

All members were present and no objection to the procedure was raised. In fact, the statement of our chairman was applauded. Unfortunately no record vote of approval was taken at that time. The question as to the legality of this arrangement has just been brought to the attention of our board. If you would like full time employment and contingent compensation formally acted upon in order to dispel further apprehension as to its propriety or legality.

Yours truly,
WILLIAM M. CONNELLY,
County Clerk, Ottawa County, Michigan.

To the Honorable Board of Supervisors of Ottawa County,
Grand Haven, Michigan.

Gentlemen:

I have learned that Wm. M. Connelly's term of office as County Road Commissioner of Ottawa County will expire on December 31st of this year and that your Board will make the appointment of a successor for the ensuing six years.

Mr. Connelly has been one of the outstanding County Road Commissioners of the State for many years, in fact ever since he served as State Senator in 1919 and 1922. He was very instrumental in bringing about the \$50,000.00 bond issue for the improvement of the roads under which this money was expended. In this way, he rendered valuable assistance to the people of the State of Michigan and was a credit to his County.

I know that he is capable and always has had the road interests of his County at heart and I would be very sorry if he is not continued in the position he now holds.

In general it may be said that counties which have made the most progress in road building are the best showing for the State. I am sure you are the ones that have made the fewest changes in the personnel of their Commissioners.

Very truly yours,
GROVER C. DILLMAN,
State Highway Commissioner.

Mr. Cline moved that the communication be received and placed on file, which motion prevailed.

GENERAL FUND Disbursements-Classification

We estimate at least \$80,000.00 will be available in 1933 under the new laws. We recommend that the Government be spread on the tax rolls as usual and the additional amount required for principal be loaned from the general fund until July when the receipts from the weight tax will make up the deficiency. The sinking fund has its credit at \$112,000.00. The 1932 commitment from the sinking fund is \$38,000.00 which is due in May or thirty days after the first receipt from the weight tax.

The following table shows the weight tax which will take care of the current Government obligations and each year thereafter with an increasing margin to apply on our general highway bonds.

It was generally understood last October that the General Highway Bonds listed in Table II would have to be refunded in 1934 and payments amortized over a longer period.

We recommend the refunding of the remaining \$380,000.00 over a period of six years.

The following table shows the sinking fund which will take care of the current Government obligations and each year thereafter with an increasing margin to apply on our general highway bonds.

It was generally understood last October that the General Highway Bonds listed in Table II would have to be refunded in 1934 and payments amortized over a longer period.

We recommend the refunding of the remaining \$380,000.00 over a period of six years.

years by issuing serial bonds maturing 1936 and each year thereafter.

This plan, together with diminishing interest requirements will make possible the additional \$175,000.00 in our county at large tax budget. This item together with a suggested reduction of \$50,000.00 in the road budget and some other reductions in county expenses will make a total tax cut of at least \$100,000.00 or about 30% of the cost of county government last year.

Respectfully submitted,

Since the additional \$175,000.00 in the road budget and some other reductions in county expenses will make a total tax cut of at least \$100,000.00 or about 30% of the cost of county government last year.

This discrepancy will strain the sources from May until July when the second installment of weight tax is due.

The Sinking Fund Commission as provided by law, is made up of the Chairman of the Board of Supervisors, the Chairman of the Finance Committee, the County Treasurer, the Register of Deeds and the County Clerk who is Clerk of the Commission. new bridge over Rush Creek which is a part of this project is well under construction. Improvement of M-16, S. 31, between Holland and Saugatuck is at a stand still. A bitter controversy has developed locally as to the location of the improvement. The Road Commission has taken no sides in the matter. An effort will be made to have M-30 extended 2 miles westerly to Lake Michigan.

The discontinuance of dust layer on County roads has brought us much criticism especially because our neighboring county to the East has applied it pretty generally. Kent County receives four dollars to each one dollar in Ottawa from the weight tax collected by the state. This makes possible many refinements on the Kent roads that we cannot indulge in.

According to Act 270 P. A. 1921 as amended we are required to enter upon a costly program of furnishing, installing and/or replacing railroad grade crossing signs in the county. We estimate that the county's share of this program will be not less than \$5,000. This seems arbitrary and demanding. It does not discriminate between a township road crossing a railroad and a township road crossing a highway. The act provides for perhaps 2,000 vehicles per day. The act has all of the earmarks of the creation of a new name for the act. It gives penalties on the railroad and highway authorities for non-performance but does not where the money shall come from for carrying on the work. We estimate that the elimination of 25 dangerous grade crossings in Ottawa County will be the result of our roads, all at a very great cost.

We, therefore, cannot be charged with being unkind of public safety but we do like the arbitrary treatment of the act. And if the county prosecutor can show us a reasonable chance of escaping the penalties we will not conform to it.

The large extension to the Grand Haven garage was completed last autumn. Additional housing in other parts of the county will be necessary as the Township Roads are taken over. Definite plans have not been arrived at as to the location. Seven trucks have been ordered for carrying material a day and a half. This addition was required partly because of needed replacements, but largely due to the fact that the county is now purchasing for attaching to the trucks for gravel road maintenance. The purchase of new snow plows is now under consideration.

In keeping with the move of economy in county government, we submit a budget for 1/2 of the amount of that of the preceding year. The items are for income, completed projects that have long been postponed and which we feel justified in submitting for your consideration. These items are dealt with in detail in the following.

The reduction of the budget does not reduce our activities as we are required under the McNitt Act to assume charge of another 228 mile allotment of township roads next April. We expect to do this without any addition to our current expense, engineering or accounting department. Considerable additional equipment, however, is being purchased for this purpose.

Our term, "reconstruction" is frequently used in our report and budget, and possibly should be defined for the benefit of our new supervisors. The term means comparatively narrow grades and bridges, short culverts and single gravel tracks. Reconstruction means to widen these grades, to reconstruct the bridges, to lengthen the culverts, to add to the gravel portion and to improve the bad corners and turns when the roads are taken over.

This reconstruction has reduced the accidents on county roads very materially and greatly facilitates snow removal.

Westerly portion of this road has been reconstructed and is in good condition. In last year's budget there was an item providing for the reconstruction of the road, running westerly. Some of the work has been done but the major part of it remains and will be undertaken this autumn. Blenheim-1 1/2 Miles.

Beginning at Blenheim, thence Easterly to Trunk Line M-21.

This is a gravel road in good condition and only requires average maintenance. It connects with the Port Sheldon road at Blenheim and as that road near completion, the traffic will increase on the Blenheim road. It will be a great route for residents from the eastern part of the county to Port Sheldon.

Report of the Special Committee.

Grand Haven, Mich., October 21st, 1932.

To the Honorable Board of Supervisors, Ottawa County, Mich.

Gentlemen:

Your Special Committee to whom was referred the matters of (1) Special Deputy Sheriff of Holland for the coming year (1933), and (2) Steketee-Den Herder matter of friction caused by possible departmental irregularities, beg to report as follows:

Every person appearing before the Committee, including the Chief of Police, Justice of the Peace, and members of the Police Board, and our present Sheriff, Mr. Roosenraad, and Mr. Kamferbeek, present candidates for Sheriff, recommended to and use Sheriff, and continue to use Sheriff, until proper instructions by the Board of Supervisors for the southern part of the County. The most difficult matter by deputy sheriffs can be entirely stopped under proper instructions from the Sheriff.

(2) The second matter before this Committee relating to the friction between Mr. Marvin Den Herder and Sheriff Cornelius Steketee. After very careful examination of several persons your Committee must conclude, and does so report, that the matters of taking money from the sheriffs office safe and replacing this amount with a bill of acknowledgment for the loan (an I. O. S. called), has been a common practice for many years past, but as all had received a tendency to do this has been done too frequently for good business reasons. We recommend, and do so, that the officers' committee suggest to the Sheriff's Department that this practice be curtailed. We have been unable to find that the county has lost any money in any department by reason of this practice.

As this Board is concerned, we recommend that this matter be dropped and considered closed.

Report of the Special Committee.

Grand Haven, Mich., October 21st, 1932.

To the Honorable Board of Supervisors, Ottawa County, Mich.

Gentlemen:

Your Special Committee to whom was referred the matters of (1) Special Deputy Sheriff of Holland for the coming year (1933), and (2) Steketee-Den Herder matter of friction caused by possible departmental irregularities, beg to report as follows:

Every person appearing before the Committee, including the Chief of Police, Justice of the Peace, and members of the Police Board, and our present Sheriff, Mr. Roosenraad, and Mr. Kamferbeek, present candidates for Sheriff, recommended to and use Sheriff, and continue to use Sheriff, until proper instructions by the Board of Supervisors for the southern part of the County. The most difficult matter by deputy sheriffs can be entirely stopped under proper instructions from the Sheriff.

(2) The second matter before this Committee relating to the friction between Mr. Marvin Den Herder and Sheriff Cornelius Steketee. After very careful examination of several persons your Committee must conclude, and does so report, that the matters of taking money from the sheriffs office safe and replacing this amount with a bill of acknowledgment for the loan (an I. O. S. called), has been a common practice for many years past, but as all had received a tendency to do this has been done too frequently for good business reasons. We recommend, and do so, that the officers' committee suggest to the Sheriff's Department that this practice be curtailed. We have been unable to find that the county has lost any money in any department by reason of this practice.

As this Board is concerned, we recommend that this matter be dropped and considered closed.
