## POLLING POINTS CONSIDERED IN WARD CHANGES

**Drinkwater Dissents as  
Solons Approve Vote  
on New Division**

**Kleis Supports Setup But  
States Boundary Shift  
is Ridiculous**

By a vote of 11 to 1, common council Wednesday night approved the vote cast in Tuesday's election on the charter amendment, providing for new boundary lines for the city's six wards, which received a substantial affirmative vote from local voters, and then considered in anticipation of next spring's primary and subsequent city election.

A canvass of the votes cast in Tuesday's election showed 4,060 affirmative votes and 1,923 negative votes or a majority of 2,137 had been cast. A certified copy of the vote on the charter amendment will now be forwarded to the secretary of state by the city clerk and upon receipt of his certificate of acknowledgement of receipt the ward changes will become effective.

In an "aye and nay" vote on a motion to accept the report of council's canvassing board, Ald. James A. Drinkwater, second ward alderman, who has served approximately 25 years in the council, cast the lone dissenting vote.

Drinkwater's present term expires in 1941 but under provisions of the charter amendment he will serve as new first ward alderman until his term of office expires. Although a resident of the new first ward, he will not be able to seek reelection since there will be no aldermanic contest in the new first ward at the 1941 spring election.

Present terms of office for Ald. Bernard Arendshorst and Cornelius Kalkman, Sr., do not expire until 1942 and under provisions of the charter amendment they will become new first ward aldermen to serve until their term expires when there will be a contest to elect one alderman for a one-year period and another for a two-year period in order that dates for the expiration of their terms may be staggered.

These changes also affect Ald. Albert P. Kleis, present first ward alderman, who will become an alderman of the new first ward when the amendment becomes effective and will serve until his term expires in 1941. As a first ward resident, he cannot seek reelection next year because there will be no contest in the first ward.

Kleis voted in favor of accepting the canvass board's report although he classified "the ward changes as "ridiculous."

Local election returns are generally canvassed on Thursday night after an election but council, upon motion of Ald. Bruce Raymond and supported by Ald. Albert V. Faasen, voted to canvass the vote Wednesday night.

Appointed by Mayor Henry Geerlings, Ald. John Menken, Bernard Arendshorst and Faasen served as the canvassing board. Upon reading the canvass, Menken, supported by Faasen, moved for adoption of the report which subsequently was adopted.

Arendshorst made inquiry as to when the ward changes became effective and City Clerk Oscar Peterson outlined the procedure which he must take.

Kleis contended that it would be illegal for himself and Drinkwater to serve as first ward aldermen since they had been elected to serve in the old first and second wards, respectively, for two-year terms.

City Attorney Clarence A. Lokker explained that when Grand Rapids voted on ward changes several years ago, the various offices had been declared vacated at that time and the action had been upheld by the state supreme court.

Lokker also stated that those instrumental in drawing up the charter amendment had considered it "too drastic" to declare the offices vacated, thus provisions were contained in the amendment for those aldermen affected by the ward changes to remain in office until their terms of office expired. He pointed out that the attorney general and governor had approved the provisions of the amendment.

"Do you think the new wards are well proportioned," Kleis asked?

"I think they are about as equitable as could be made. With exception of the new fifth and sixth wards where future growth is anticipated, there appears to be an equal distribution of citizens," Lokker replied.

Kleis contended that the new first ward included numerous industrial plants and other buildings but Lokker said the committee did not take this fact into consideration in drawing up the new boundary limits, adding that the committee only sought to gain an equal distribution of the citizens (See: Ward Change—next page)

## WIFE KILLER IN ALLEGAN JAIL

**Youth Held to Court Said  
to Have Been Wed  
Previously**

Allegan, Nov. 7 (Special) — Arraigned today before Justice Volney Ferris on a murder charge, Dale Darrow, confessed slayer of his bride of 10 weeks, waived examination in justice court and was bound over to Allegan circuit court for prosecution. He was ordered held in the county jail without bail.

Meanwhile, state officials planned to give Darrow a sanity test, probably the first of next week.

Officials of Oakland and Allegan counties said Wednesday they had learned the 23-year-old machinist had been previously married at least once, and not divorced.

They said Darrow admitted he married Frances Pearce, then of Allegan county, three years ago and quoted him as saying, "I wasn't divorced before I married this time (to the slain Eileen). I don't know whether anything was ever done about it. There is a whole lot behind that—a lot of things."

Prosecutor Ervin Andrews of Allegan, who went to Pontiac Wednesday to return Darrow to Allegan to face a murder charge, refused to discuss a reported third Darrow marriage. Since Darrow was 20 when he married the Pearce girl, the earlier marriage would have occurred in his teens. Andrews said he was tracing the Pearce family, now believed residing in Indiana.

Officials said persistent questioning of Darrow was yielding mostly vague and evasive answers since his confession Monday of the slaying of the 17-year-old Eileen and his disclosure of her shallow grave in the Allegan countryside.

## Two Hunters to Feast After Shooting Goose

Unable to determine which one shot the goose, Police Officer Jerry Vanderbeek and Harold Yonker, local druggist, are planning to feast jointly on the bird.

The two went hunting this morning near Douglas and encountered a flock of geese. Both shot at the same time at one in flight and it dropped to the ground.

The bird weighed 12 pounds and carried a band of Jack Miner of Ontario, Canada, who is well known for his bird banding program to learn the flight of birds.

## Hope Church Men Hear Pan-Americanism Talk

Judd Hyames of Western State Teachers college at Kalamazoo addressed more than 100 members of the Hope church men's club Wednesday night in the church parlors following a dinner served by women of the church. In his talk on "Pan-American Relations," Mr. Hyames, who was a member of the athletic division of the Pan-American conference in Cuba last year, told a number of interesting incidents.

Mr. Hyames directed the activities of the American amateur softball baseball team which competed with seven Central and South American teams. He mentioned that the greatest drawback in working out the schedules was the lack of understanding due to differences in language. The South Americans are sensitive, and resent supposed criticism of their moods, he said.

Vocal solos were presented by Miss Gertrude Bolema of Hope college, accompanied by her sister, Miss Mary Bolema.

The large attendance endorsed the new action of the executive committee in selling annual memberships, thus assuring sufficient funds to secure excellent speakers for the five remaining programs of the year. The speaker for the December meeting will be Oren Kay, Jr., of Lansing, it was announced.

Officers of the club are president, Peter Van Domelen, Jr.; president, Cornelius Vander Meulen; secretary-treasurer, Phillips Brooks. On the executive committee are Dr. W. C. Kools, Kenneth De Pree, Stuart Boyd and E. P. McLean.

## GAIN SHOWN AT HOLLAND'S TWO NEW FACTORIES

**Will Erect Fifth Building  
at Chris-Craft Plant  
on Northside**

**Employment Increases in  
Prospect There and  
at Precision**

E. P. Stephan, secretary-manager of the Holland Chamber of Commerce, today said he had found a general upturn in employment at Holland's new industrial plants.

At the Holland division of the Chris-Craft Corp. of Algonac, Mr. Stephan found Wednesday that workers are breaking ground for the construction of a fifth building.

The company erected its first building more than a year ago on land, northwest of Holland, on the short cut road to Ottawa beach. Dimensions of this building are 107 by 600 feet. Two other buildings were later constructed, one 36 by 300 feet and the other 30 by 100 feet.

Then a third building, 40 by 240 feet, was built and is being used for production and a stock room, Mr. Stephan said.

When completed, the company's fifth building will be 36 by 200 feet.

Mr. Stephan said he was informed that the company plans to employ more than 100 additional workers within the next few months. Peak employment at the company has been 240, he reported.

In a visit Wednesday to the Holland Precision parts plant in the southwest part of the city, Mr. Stephan learned that a night shift is being employed there and the factory is now operating 24 hours per day.

The firm, Mr. Stephan said, expects to increase its employment as quick as the needed machinery is received. More than 200 persons likely will be employed at the factory by Jan. 1.

Three large pieces of machinery have recently been received at the plant, one weighing 19 tons, another 16 tons and the third 10 tons.

Mr. Stephan also reported that new equipment in the form of furnaces have been installed in the factory at an estimated cost of \$40,000.

## 'Boter for Sheriff' But Sticker Campaign Fails

It was being rumored about town today that William A. Boeve, Republican, and Walter Lehman, Democrat, did not receive all the votes in Tuesday's election for sheriff.

According to the stories, James D. Boter, route 1, Holland, well known among the younger set of Holland, received a scattered vote for sheriff as the result of a joke on the part of his friends.

However, the various election boards apparently made no returns on the votes which Boter was said to have received.

## With Sentinel 41 Years

The Holland Evening Sentinel 41 years ago was printed on an old cylinder press that was operated by a steam engine. Whenever the engine choked up and stopped, the press was turned by hand.

But Fred Slag, advertising and circulation man of The Sentinel, thought nothing unusual about that press when he first started work for The Sentinel Nov. 1, 1899—exactly 41 years ago last Friday.

That was how newspapers were operated in those days.

But on this 41st anniversary, he is impressed by the changes which have come through the years.

Mr. Slag, coming here from North Holland, began work with The Sentinel when it was located at 190 East Eighth St., after which it was moved to 21 East Eighth St. where the Western Union is now located.

When the quarters became too small, the newspaper was moved to 35 East Eighth St., where the IGA store is now located. Later the Ottawa County Times, a weekly, was taken over when The Sentinel moved to 197 River Ave., present site of the Owl restaurant.

It was in January, 1928, that C. A. French came here from Monroe and purchased The Sentinel. A new building—The Sentinel's present location at 54-56 West Eighth St.—was erected and was occupied by the paper in May of 1928.

Mr. Slag recalled the changing newspaper scene in Holland. The De Grondwet has ceased publica-

## Boeve Is Sheriff; Brooks Senator

**Two Holland Men to Be in  
Legislature as Miles  
Is Relected**

**Jonkman Has Margin Over  
Heyns in Heated Race  
for Congress**

By gaining a sufficient majority in Muskegon county to overcome his setback in Ottawa county, Ernest C. Brooks of Holland, Democratic nominee for state senator, defeated John Dykstra of Muskegon, Republican nominee in Tuesday's general election.

Unofficial returns from the two counties gave Brooks a bare majority of 587 votes. The unofficial vote for state senator, the figures representing the combined totals of the two counties follow:

Brooks (D) ..... 23,684  
Dykstra (R) ..... 23,097

Majority ..... 587

Thus, when the state legislature convenes next January in Lansing for its biennial session, its membership will include two Holland citizens, one in the upper house and one in the lower house. Brooks will enter the senate as a Democrat and State Rep. Nelson A. Miles of Holland, Republican incumbent, reelected for another two-year term at Tuesday's election, as a GOP member.

By an unofficial majority of 3,867 votes, Dykstra carried Ottawa county over Brooks. Dykstra's total vote in the county's 31 precincts was 13,673 while Brooks polled 9,806 votes.

Brooks, despite Republican strength in Holland city, carried the city by a slim margin of only five votes. His unofficial vote in Holland city was 3,207 while Dykstra received 3,202 votes.

In Muskegon county, Brooks polled 18,878 votes in the county's 44 precincts and Dykstra was given 14,424. Brooks' majority in that county was 4,454.

Brooks served one term from 1936 to 1938 in the state senate and was floor leader for former Governor Murphy. He was defeated for reelection in 1938 by the late John Vanderwerf of Muskegon.

Miles was returned to the house for a third term by Ottawa County Republicans. His Democratic opponent was Eugene Ten Brink of Allendale. Miles was first elected state representative in 1936 and reelected to office in 1938. The unofficial vote for state representative:

Miles (R) ..... 15,226  
Ten Brink (D) ..... 7,779

Majority ..... 7,446

Cong. Bartel J. Jonkman lost Grand Rapids by many votes but led his Democratic opponent, Dr. Garrett Heyns, former prison warden, in the Kent county precincts. Jonkman was far ahead in the complete Ottawa returns.

In the 174 precincts of the fifth district, the vote was:

Jonkman (R) ..... 64,194  
Heyns (D) ..... 55,712

Majority ..... 8,482

In Ottawa county's 31 precincts Jonkman gained a majority of 4,387. His total vote was 14,000 to Heyns' 9,613.

President Wynand Wichers of Hope college is attending a board of education meeting in New York city today.

## GOAL EXCEEDED BY DONATION OF FURNACE GROUP

### Geerds, Kragt and Lampen Are Selected as New Directors

Continuation of charitable and character-building agencies in Holland for another year was assured today with the announcement that the campaign of the Holland Community chest for 1941 funds brought in a total of \$16,025.26, or 107 per cent of the goal of \$15,000.

Figuring strongly in the final tabulations, as submitted at last Thursday night's Victory dinner of campaign workers in the Woman's Literary club building, was the contribution of \$2,526 by the Holland Furnace Co., its officers and employees.

This contribution was reported by A. W. Tahaney, secretary and assistant treasurer of the Holland Furnace Co., who was active in the industrial division of the chest's campaign. The furnace company's gift was nearly 16 per cent of the total amount raised.

Following the dinner, Campaign Chairman Joseph H. Geerds presented 100 per cent buttons to each of the division chairmen and their captains who, in turn, distributed them to their workers.

Past President O. W. Lowry then presented Mr. Geerds with his 100 per cent button which was three feet in diameter and bore this inscription: "Jo Geerds, 1941 Campaign Chairman, Holland Community Chest Campaign. We'll Go With You 100%."

Three new directors were elected to the Community chest board at the chest's annual meeting which was called to order by President John De Wilde.

Mr. Geerds, Cornelius Kragt and Prof. A. E. Lampen were elected to succeed Mr. De Wilde, Clarence Jalving and Mr. Lowry who had served three years and, under the chest constitution, were not eligible for reelection.

In the final campaign tabulations, the highest percentage quota for the divisions went to the national corporations division with 125.8 per cent. Earl Price and C. E. Ripley were co-chairmen of this group.

The schools and colleges division, of which J. J. Riemersma and Mr. Lampen were co-chairmen, was second with 114.8 per cent.

Third place went to the public offices division, under Chairman Oscar Peterson, with 114.7 per cent.

### Concert Series Carter First on

John Carter, tenor of the Metropolitan Opera association and of concert and radio, who will appear in Hope Memorial chapel on Monday, Nov. 11 as the first number in the Cooperative Concert association series, was born in New York city. He attended the College of the City of New York, where he studied engineering. His college career, however, was cut short by the depression.

It was at this time he took up the study of voice, and almost at once began to supplement his income with church soloist appearances and engagements with clubs and banquets. His first important opportunity came when he entered the Metropolitan Opera auditions of the air, and was given a contract with the Metropolitan.

Offers were plentiful after this, and he accepted the stellar role on a Sunday evening hour which Nelson Eddy was leaving temporarily. Carter was an overnight success, and later filled concert engagements in the larger cities. After his concert at Grant park, Chicago, police reserves had to be called out to get him through the crowd of his admirers, and he was at once re-engaged for another appearance the following night, the first time in the history of these concerts that a soloist had been held over for immediate re-appearance.

Since that time Carter has consolidated his early successes with several seasons at the Metropolitan in New York and in the spring tours of the company he has sung in Cleveland, Boston, Baltimore, Dallas, Atlanta and New Orleans. Recital tours have taken him from coast to coast in the U.S. and Canada.

## Hundred Per Cent Button Goes to Chest's Campaign Manager

End of the Community chest drive to raise funds for the 1941 program was marked here with the presentation of a 100 per cent button to Joseph H. Geerds, campaign manager. The button could have been a 107 per cent one as \$16,025.26 was raised in the drive for \$15,000. In the above picture, Mr. Geerds is shown receiving congratulations from John De Wilde, president of the community chest, while a group of community chest workers look on. Those seated are (left to right) Neal Steketee, Phil Van Hartesveldt, Pete Van Dornen, Jr., and Harry Wieskamp. Standings are (left

to right) William Meengs, Clarence Jalving, O. W. Lowry, Mr. De Wilde, Henry S. Maentz, Albert E. Lampen, George Damsen, Mr. Geerds, J. J. Riemersma and C. E. Ripley.

## Monica Aid Group Holds Anniversary Banquet

The 25th anniversary of the Monica School Aid society was celebrated last Thursday at a banquet in Holland Christian High school attended by 350 persons. Raymond Holwerda of the High school presided as toastmaster, after introduction by Miss Dena Kuiper, president of the society. The Rev. P. Jonker, Jr., pronounced the invocation. Supper music was furnished by Miss Sylvia De Boe, marimbist.

In the absence of B. J. Benink of Grand Rapids, who was scheduled to give a toast, a letter of greeting was read. Toasts were presented by Mrs. J. Robbert, Mrs. B. Veltman, William Beckman, Mrs. A. Jabaay and Supt. John Swets. A vocal duet was sung by the Rev. R. Heynen and the Rev. D. H. Walters, and community singing was led by Herman Van Oss.

Charter members of the society who are still living, were introduced. They include the Mesdames A. Alberda, J. S. Bosch, H. De Ridder, W. Dombos, A. Eisen, D. Holkeboer, J. Lion, A. Peters, F. Rhoda, L. Schadelee, B. Sloot, A. Van Huis and G. Zagers.

An anniversary hymn composed by Mrs. G. Estle was sung by the audience. Closing prayer was offered by the Rev. D. Zwieter, at Thanksgiving offering was taken during the program.

Fifty-four members enrolled at the first meeting of the Monica society 25 years ago. Meetings originally were conducted in the Holland language. When the need of an English society was felt, Eunice society was organized in 1918. In 1932, meetings became alternately English and Holland until this fall, when the exclusive use of the English language was adopted.

Monica society can claim many accomplishments. As early as 1916 the women assumed the responsibility of paying for the Jonker property which was purchased by

the school board for \$2,150. This is the present site of the brick building on 15th St. During the early years, most of the funds were obtained by sales of fancy goods, etc., to which later was added the sponsoring of programs, lectures and serving of banquets. An outstanding event of this type was the concert presented by the St. Olaf's Lutheran choir in 1936.

The total amount of money collected during the existence of the society is \$21,025, of which \$4,075 has been for payment of 81 bonds.

An inside scavenger hunt served as the "get-acquainted" game of the evening. Following this general games were in charge of Mildred Borr. A grand march also was included in the program.

Room decorations and the refreshments were of Halloween nature. Co-chairmen in charge of the party were Mildred Borr and John Maassen.

## Past Patrons and Matrons Feted

A delightful party was held in the Masonic hall Thursday, Oct. 31, when Star of Bethlehem chapter No. 40 paid tribute to its past matrons and patrons. A miscellaneous program opened the meeting.

A reading was given by Miss Helen Bruinsma and accordion duets by Misses Maxine Veurink and Gladys Bos. A reading and a tribute to the American flag were given by Mrs. Eva Sprawl of Saugatuck. All responded to encores.

Mrs. Grace Morris, worthy matron, and Clarence Tirrell, worthy patron, welcomed the guests and expressed the chapter's appreciation for the past officers' endeavor in keeping the "Star" shining with undiminished luster through the years.

Mrs. Morris read a part of the Biblical story of Jacob's ladder and used this as the theme for the evening's program depicting the rise of each officer round by round to their present positions. The officers of the chapter constructed a floral ladder designating the five degrees of the order. Duets were sung by Misses Althea and Mary Jane Raffenaud, accompanied by Mrs. Katherine Dekker, pianist.

Twenty-two past matrons and past patrons were escorted to the East where each received a pencil set and a corsage of baby mums. All responded, some in a reminiscent mood.

Mrs. Katherine Van Duren, the oldest member, was given an honor seat on the platform. Approximately 45 past matrons and patrons were present from neighboring chapters. Each was presented with a small gift and a corsage, some of them gave informal talks.

Large baskets of fall flowers were placed about the room and an especially beautiful basket of chrysanthemums was the gift of Holland chapter 429 Past Matrons club to the Star of Bethlehem past Matrons club.

## MASS OUTPUT FOR BOAT FIRM

### Holland Plant to Enable Chris-Craft to Speed New Model

Algonac, Mich., Nov. 7.—Jay Smith, president of the Chris-Craft Corp., announced here that the company has completed plans for the application of mass production boat building to a new hydroplane type raceboat.

The new model, Smith said, will be 16 feet overall and will be powered with a 121 horsepower engine for speeds up to 50 miles per hour.

Smith said experiments with runabouts of various lengths had revealed that by using a step in the bottom of the standard 16-foot boat, the speed can be increased 10 miles per hour. Smith said that the addition of a new plant at Holland had provided sufficient production facilities for its rapid construction.

## Fraternal Win Float and House Decoration Prizes

### Rain Fails to Dim Spirits as Hope Launches Its Homecoming

An all-day rain, which threatened to upset plans for the opening Hope college homecoming activities, failed to dampen the spirits of the large group of students, alumni and townspeople who viewed the colorful parade of floats Friday night.

Judging of the floats by Mrs. William Olive, Jay Den Herder, and the Rev. William J. Hilmer took place in front of Voorhees hall before the parade began. The parade led by Carolyn Kremers and Gus Van Eerden on horseback and the college band marched past the decorated fraternity houses and through the downtown business district before returning to Carnegie gymnasium for a pep meeting in preparation for the Hope-Albion game this afternoon. Drum Majorettes Barbara Folsenbee and Lorraine Timmer and Drum Major John Kleis marched at the head of the band.

Luncheon for visiting alumni are being given this noon, the fraternities and the dormitory will hold open house after the game, and the annual all-college banquet at 7 p.m. tonight in the armory will climax the homecoming week-end. The meal will be served by the women of Trinity Reformed church.

First prizes in both house decorations and floats went to the Fraternal society. Winners were announced at the pep meeting by Bob Montgomery who presented Ray Van Omen, float chairman, and Bob Idema, house decorations chairman, with first prizes.

Using war as their theme, the Fraters arranged a realistic battle complete with fighting soldiers, bombs, and gunfire on the lawn in front of their fraternity house. A sign bore the slogan "No Hope for Albion." Emersonians took second honors with a football player kicking an imaginary "flashlight" ball at his opponent.

Freshmen Bob Geldort and George Lumsden dressed as doughboys rode on the winning Fraternal float. The theme "Blast Albion" was carried out by soldiers in a camouflaged machine gun nest watching for the enemy with binoculars and searchlights.

Second place in the float contest was taken by the Sybilian society with a huge revolving top and the lettering "Our Team is Tops." Another outstanding float in the parade was the Emersonian's red and white rocket ship which took third place with the words, "We'll Rocket Thru Albion."

The Dorian's float carried Dicky Jo Oppeneer "blotting out" Albion with a large pen and a splash of ink. Delphians depicted a queen, Louise Becker, rewarding a noble knight with a laurel wreath for his victory. Nola Nies was the kneeling knight and Dorothy Curtis and Doris Van Lente were court pages.

A miniature football field showing opposing teams playing under a sky filled with planes and a football "bomb" carried the slogan "Blitzkrieg Over Briton" for the Cosmopolitan society. The Sorosis float showing a large windmill, tulips, and Doris Vander Borgh in Dutch costume indicated that "It's in the Wind" for the Dutch to bag a victory.

Knickerbockers used small drums arranged on a field in football formation and the slogan "We'll Beat 'Em" for their float.

The float of Campus Queen Jean Wahmeyer and her court composed of Marthens Van Dyke, Margaret Bilkert, Ruth Stryker, Bertha Vis and Phyllis Newswale was followed by a group of freshmen girls representing solar skating, tennis, golf and ice skating. The Women's Athletic association centered a large blue and gold anchor and carried Betty McCann representing archery, Helen Heasley representing riding, Marjorie Emery representing alking, Doris Bettes representing baseball and Jean Ruter representing tennis.

A feature of the pep meeting was a skit presented by instructors Paul J. Brower, Robert Cavanaugh, James T. Means and Vernon Ten Cate of the faculty. These "faculty troubadours" sang an original homecoming song in true barbershop fashion and "Goodnight Dutchmen." Brief talks were made by President Wynand Wichers, Coach Milton L. Hinga, and Mayo Hadden, class of '39, who has been working as line coach under Coach Hinga. Cheerleaders Lou Bibby and Jay Witte also performed and led the crowd in several new cheers. Members of the team were introduced by Bill Tappen. The program also included music by the band and was presided over by Eddie Dibble.

A huge bonfire on the athletic field and a winding snake dance through the downtown district where cheers were given and the Hope college song was sung climaxed the activities.

### YOUTH IS INJURED WHEN HIT BY AUTO

Jacob Essenberg, 12, 306 East Eighth St. was confined in the city hospital suffering of a possible skull fracture which he sustained on last Thursday when struck by a car at Eighth St. and Lincoln Ave.

Driver of the car was Gerald Bazan, 19, 50-52 South Division Ave., Grand Rapids.

Bazan who was driving east on Eighth St., had stopped his car to allow a train to pass. After the train had cleared the crossing, he said, he started ahead at about the same time the boy ran from between two parked cars in front of his car.

Police listed Mrs. Daisy Bailey, Richard Bauer, route 2, Holland, and Rita Hindert, route 4, Holland, as witnesses.

### ASKS HEARING HERE ON DISPOSAL CHARGE

Cleo Arndt, 27, residing in Albion county, east of Douglas, arrested Friday for disposing of mortgage property, demanded examination when arraigned Friday before Municipal Judge Raymond L. Smith.

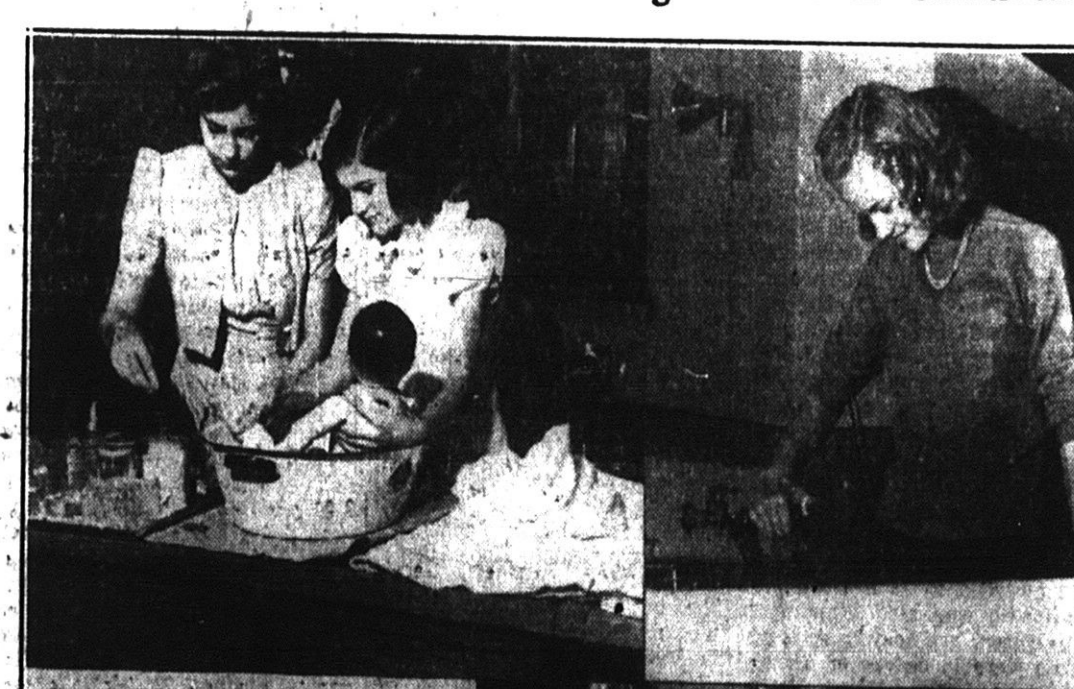

Date for the hearing was set for Nov. 12 at 10 a.m. He was released on his own recognizance.

Arndt, in a complaint sworn to by Attorney Louis J. Stemphy, alleges that he disposed of gravel equipment which belonged to Joseph Shashaguy of Holland.

He was arrested at his home by Deputy Sheriff William Van Etta.

## Home Economics Students Taught Care of Children

One of the phases of home making in Holland's public schools is child development and child care. A large percentage of junior and senior high school girls help to care for children after school hours, and within a short time they will be using their training in their own homes. Therefore it is deemed advisable to help them to understand the needs and characteristics of childhood.

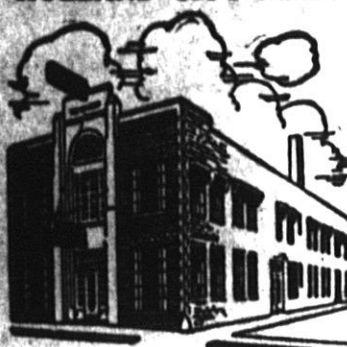

Junior and senior girls have the opportunity of studying the child's physical and mental development. Eighth grade girls learn physical care of babies and clothing for young children. The pictures shown are eighth grade students at work in the home economics.

After watching a demonstration by City Nurse Miss Rothrock, using a real baby, Betty Ranger and Genevieve Victor practise bathing

the school baby, a life sized doll. The equipment used is recommended by doctors and maternity centers. The other illustrations show students working at various activities in the construction of children's clothing. These pictures show Miss Veen Huis, instructor; Norma Venhuizen, pressing; Viola Kruijswyk, stitching; Erna Koetsier, cutting. (Photo by HHS Camera club.)

## AMONG THE CAMPAIGN LUNACIES

In the hottest political campaign  
that has been waged in America  
since the election of 1916 the num-  
ber of political lunacies has of  
course been fairly high. In the bat-  
tle for votes in a bitterly contest-  
ed election each side grasps at  
every straw, and as long as there  
is a reasonable hope of actually  
winning votes political boards of  
strategy don't care too much how  
it is done.

There were plenty of lunacies on  
the Democratic side, but there  
were also plenty in the ranks of  
the GOP. One of the latter was  
that of drafting Joe Louis to make  
a speaking campaign for Willie.  
Because of Louis's enormous fol-  
lowing among colored people, to  
say nothing of the millions of  
white fight fans who admire the  
flat punch of the Brown Bom-  
ber enough to be willing to listen  
to his most unconsidered word, the  
political wisdom of the party  
strategists in making use of his  
services was doubtless consider-  
able. But it was not very compli-  
mentary to the intelligence of the  
voters of America and it belonged  
among the minor lunacies of a  
cockeyed political campaign.

Joe Louis is of course entitled  
to all the honor that has been  
heaped upon him. Any man who is  
the best of his kind in any pro-  
fession, no matter what that pro-  
fession may be, is worthy of re-  
spect. As a fighter Joe Louis de-  
serves the greatest respect; he  
knows his own business better  
than the most learned professor  
knows his. Such proficiency is  
worthy of all praise.

But it does not follow that he is  
worth listening to in a political  
campaign on which the fate of the  
nation may depend. Anyone of the  
millions who have listened to Joe  
Louis's embarrased monosyllables  
after a fight when he was man-  
euvered into position in front of  
the microphone must be convinced  
that as a political thinker and or-  
ator Joe Louis is so close to zero  
that it is almost a crime to crowd  
him into the limelight.

But it was from such a person  
that we the American people were  
asked by the GOP stage managers  
to get our ideas about the issues  
of the campaign. If it wasn't so  
fantastic with political lunacy it  
would be an insult to American  
intelligence. But anything can be  
expected in a campaign such as  
this one has been.

And the Democrats did things  
just as fantastic. The managers  
of a campaign often lose their  
sense of proportion to such a de-  
gree that they do things that the  
merest dash of average horse sense  
ought to save them from.

## THE CHURCH INVITES YOU

Louis Pasteur says, "Two con-  
trary laws stand today opposed,  
one a law of blood and death,  
which, inventing daily new means  
of combat, obliges the nations to  
be ever prepared for battle; the  
other a law of peace, of labor, of  
salvation, which strives to deliver  
man from the scourges which as-  
sail him. One looks only for vio-  
lent conquest; the other for the  
relief of suffering humanity. The  
one would sacrifice hundreds of  
thousands of lives to the ambition  
of a single individual; the other  
places a single human life above  
all victories."

The law of peace grows out of  
Christianity and what is needed  
in the world is more Christianity.  
You can make a contribution to  
this law of peace by encouraging  
Christianity. Why not accept the  
invitation and go to church next  
Sunday?

The Golden Rule  
Luke 6:27-38

By Henry Geerlings

More than a hundred years ago  
there lived in one of the rural dis-  
tricts of Scotland a farmer who  
made his livelihood by tilling the  
soil. Wheeled conveyances were  
rarely used and the custom was to  
convey grain to the mill in a sack  
laid over a horse's back. The good  
man was making such a journey  
once, over a rough bridge path; and  
the horse stumbled, so that sack  
fell off. The weight of years was  
on his shoulders, and he could not  
replace the load. As he was per-  
plexed, and wondering what to do,  
he saw a man on horseback in the  
distance, and had just made up  
his mind to ask him for assistance,  
when he recognized in him the  
nobleman who lived in an adjoin-  
ing castle; and then his heart sank  
again within him, for how could  
he request him to help him. But he  
did not need to ask him, for he  
was noble by a higher patent than  
any monarch could confer; and  
when he came up, he dismounted  
of his own accord, saying, "Let me  
help you." So between them they  
put the load again upon the horse  
and then taking off his hat, made  
obedience, and said, "Please your  
lordship, how shall I ever thank  
you for your kindness?" "Very  
easily," was the reply, "Whenever  
you see a man as sorely needing  
assistance as you were just now,  
help him; and that will be thank-  
ing me."

Christ was conscious of an au-  
thority that did not belong to any  
other. The lawgivers and the pro-  
phets of the Old Testament had  
not said the last word, for they  
failed to understand the deeper  
spiritual meaning of the words  
they employed. He went beyond  
the opinions of men. The "I" is  
emphatic. It represents authority  
and finality. We shall never be  
able to go the whole distance of  
personal relationship to others on  
the legal basis. Our attitude must  
be grounded in love, which is the  
sole spiritual quality that is am-  
ple enough to include our enemies.  
The throbbing heart of God's re-  
velation in Christ is love, a love  
that is broad enough to include  
our enemies, and to do them good  
even when they do not merit it.  
It is not enough that we do not re-  
turn evil, or that we keep out of  
the way of those who would posi-  
tively harm us. Actual kindness  
becomes the new rule of our lives,  
which makes it possible to speak  
well of those who hurl anathemas  
at us, and to pray for them when  
they would undermine our good  
name and fortune.

It never took Christ very long  
to find out what man needed most.  
The cold, calculating interpreta-  
tion of the decalogue will keep us  
down among man-made religions.  
Unless they have back of them  
the love that Jesus spoke of, we  
shall go on loving only those who  
love us, and doing good to them  
who do good to us first.

There cannot be much doubt  
that the Jewish people interpreted  
the revelation God gave them in  
terms very largely of their own  
race. To love was to love the Jew.  
But when Jesus came He instantly  
began breaking down racial and  
national limitations. There is prac-  
tically nothing of such limitations  
in the Sermon on the Mount. It  
takes into view all the people of  
mankind.

Christ made some startling  
statements. He ridiculed those who  
strained out a gnat and swallowed  
a camel, those who fumbled after  
a splinter in a brother's eye and  
were unconscious of a scantling in  
their own, those who prided them-  
selves on being hospitable when  
they entertained their relatives or  
their prospective benefactors. He  
left an unforgettable picture of  
alms-givers sounding a trumpet  
and a devastating condemnation of  
such people as having received  
their reward—all that they were  
after.

All this was hard for men to  
learn then, for the Jew thought  
himself to be a gravely injured  
person, who could rightfully go  
about with a chip on his shoulder.  
He got his keener joy out of  
hating his enemy and giving such  
statutory service that a second  
file was unthinkable. But Jesus  
would have no share in the hatreds  
of His day. He would foment no  
rebellion; He would promise no  
Jerusalem when the attitude of  
the people was slowly doming it  
to destruction. Rather, He insisted  
that the Jew, as knowing most  
about God, should be willing to  
sacrifice his pride in order to ad-  
vance the cause of friendship and  
justice. But men preferred to keep  
their hatreds and lose their lives.  
They would not give until it first  
had been given to them, and prob-  
ably they would have thought  
twice about giving even after that.

The Golden Rule leaves no place  
for hatred. We are to put our-  
selves in the other man's place,  
and try to see with his eyes. He  
may not know what he needs, un-  
til we disarm his prejudices.

In The Good  
Old Days

On May 28, 1897 the Ottawa  
County Times published by M. G.  
Manning contained a number of  
interesting items including the  
following locals: Peter Landman  
and Johanna Kole, both of Hol-  
land, were married at the home  
of the bride's brother on East Fif-  
teenth street last night. Rev. J.  
Van Houe officiating.

Born to Mr. and Mrs. J. A.  
Kooyers on Wednesday, a girl.  
Born to Missionary S. M. Zwem-  
er and wife of Spring Lake, on  
Sunday a daughter.

## HOPE WINDS UP MIAA CAMPAIGN WITH 500 MARK

Fumbles Mar Clash With  
Albion; G.R. Junior  
Here Next

MIAA Standings	Won	Lost	Tied	Pct.
Alma	4	0	0	1.000
Albion	4	0	0	1.000
Hope	2	2	1	.500
Hillsdale	1	2	1	.375
Adrian	1	3	0	.250
Kalamazoo	0	5	0	.000

Hope college found out how it feels to have its own homecoming spoiled when it lost to unbeaten Albion, defending champions in the MIAA, 6-0, Saturday in Riverview park.

Thus Hope, having defeated Kalamazoo and tied Hillsdale at previous homecomings this season, ended its MIAA campaign with a 500 mark in the middle of the league standings. A 500 count is possible at the end of the season, with Olivet out, only when a team ties one game.

Hillsdale has a chance to tie with Hope this week if it wins from Adrian. Adrian, scoreless until last Saturday, found out how it feels to win a thrilling game when it whipped Kalamazoo, 13-12, and definitely showed that team into the cellar. Kalamazoo has not won a game this season.

Michigan Normal took a wide margin over Alma, 24-7. Alma had been undefeated and untied and still holds that record in the conference. Alma and Albion, undefeated in the MIAA and tied for top honors, will meet this week in the season's biggest conference game.

With two wins, two losses and a tie in conference play, Hope is this week looking forward to winding up against Grand Rapids Junior, one of its strongest non-conference opponents, under the Riverview lights Friday. Junior college has not been defeated this season and tied for the first time, 7-7, with Assumption college last week.

Hope's game Saturday, was well spotted with fumbles, incomplete passes and penalties. Albion fumbled five times and recovered ten times while Hope fumbled seven times and recovered twice. The Britons completed only one out of 11 passes while Hope finished two out of seven. Hope intercepted two and Albion none. The visitors went ahead in first downs, 13-7, but were penalized 90 yards as compared with 35 yards for the Hollanders.

Lineups: Hope—L.E. Heneveld; LT, Van Dyk; LG, Hakken; C, Tappan; RG, Hudson; RT, Becken; RE, Kronmeyer; Q, Montgomery; LH, Riemersma; RH, Idema; F, De Fouw.

## 'BIGGEST LIAR' OF MICHIGAN BRINGS BEARS TO HOLLAND

Boasting of a reputation of being the "biggest liar in Michigan," Spike Horn Meyer, 84-year-old bearded patriarch of Clare, spent late Friday and early Saturday in Holland, displaying five black bears—but not for political reasons.

His bears attracted considerable attention in the downtown area. Russell Smith of Harrison accompanied Meyer to Holland.

Four of the bears were nine months old and the larger, weighing about 500 pounds, was three years old. The aged man, with long hair and a heavy gray beard, was attired in a buckskin jacket.

"They say I eat so much bear grease that the truth won't stick with me. I used to belong to several liar's clubs but they ousted me because my stories reached a place where there was no more competition."

He explained that he came to Holland because he is "collar breaking" the bears to ride in his truck as he plans to take them to a sportsman's show this winter.

Asked about the sign, "Van Wagoner for Governor," on the side of his truck, Meyer stated he was not campaigning for the highway commissioner.

"He's only a good friend of mine," Meyer said.

The Michigan "liar" reported he has nine more bears in his bear den near Clare and that it is his plan to build a bear den in a one-square mile area which will be surrounded by an eight-foot fence. Besides the bears, he plans to place buffalo, elk, sheep pigs and goats in the enclosure.

## KAZOO CENTRAL WINS FROM HHS BY EDGE OF 20-6

### Straight Drives With No Punts Feature Play in First Half

Southwestern Conference				
	Won	Lost	Tied	Pct.
Benton Harbor	3	0	1	.875
Muskegon Hts.	3	0	1	.875
Muskegon	2	1	0	.666
Kalamazoo Central	2	2	0	.500
Holland	0	3	0	.000
Grand Haven	0	4	0	.000

Holland high and Kalamazoo Central, battling in the minor game of the Southwestern conference in Riverview park Friday night, presented something just a little "different" in 1940 football.

Although Holland lost, 20-6, it scored its first conference touchdown. Besides this, there was a little bit of everything in the game including a fourth-quarter deluge. Threatening rains which kept many fans at home, finally came and the beginning of the fourth quarter and continued coming until the final whistle.

During the first half in which three of the four touchdowns were made, there was absolutely no punting. Three straight drives down the field with neither team losing the ball accounted for the three markers in the first half. It was not until just a few seconds before the half when Tony Kemper fumbled and Clarence Russell of Kalamazoo recovered, that one side lost the ball.

It was not until the second half that any punts were attempted, that the ball was lost on downs and that there were any serious fumbles.

In the third quarter came the only intercepted pass of the game, but with it, Kalamazoo scored its final touchdown. Hubert Miller intercepted Chapman's attempted pass to Ploegma on the Holland 30-yard line. Bud Kistler around right came within six inches of making a first down. At this point, Kalamazoo made one of the smoothest deceptions of the game when Kistler on a fake reverse to Miller, ran around right for a 20-yard touchdown. This was the first time this year Central has tried the play, but the Holland boys expected just another one of the many complete reverses and were completely fooled. Miller ran for the extra point running up Kalamazoo's score to this year's peak.

Holland's touchdown drive began late in the first quarter after Kalamazoo had scored, and ended early in the second. Red Thomas' run, the last of which brought the ball down to the Kalamazoo 24, put the spark into the drive.

At the beginning of the second period, Ken Chapman completed a short pass to Kraai and Thomas' fumble was recovered by Helgriel on the Kalamazoo 11. Here Thomas bored through a beautiful hole and came down to the four-yard marker before Chapman went over left tackle for the touchdown. Kemper's kick was way wide.

The visitors took Holland's kickoff in the second quarter and did not give up the ball until they had scored another touchdown. They had again come within a few yards of the goal on a straight drive and again finding nothing to stop them, they ploughed through center.

Holland totaled six first downs, and Kalamazoo ten. Holland completed one pass, and Kalamazoo two.

In a rainy afternoon match, the Holland seconds lost to the Kalamazoo seconds, 13-12. The visitors scored both of their touchdowns with Holland backed to the goal line in the first quarter. Holland buckled down after that and picked up one touchdown in the second and one in the fourth but failed in the conversion each time.

Lineups:

### HUDSONVILLE, ZEELAND TIED

Hudsonville, Nov. 7 — Zeeland and Hudsonville football teams battled to a 6 to 6 tie here Friday afternoon.

Ten Have made Zeeland's lone touchdown. Van Klompenberg scored the touchdown for Hudsonville.

The score was tied 0-0 at the half time although Hudsonville had the ball on Zeeland's four-yard line as the first half ended.

Fumbles were numerous because of rain. Zeeland reached scoring positions but was unable to score because of fumbles.

In the third quarter, Baar of Zeeland kicked to Lowing of Hudsonville who fumbled on the five-yard line with Ten Have of Zeeland recovering. On the first play, Baar carried the ball for about a yard gain and on the second play Baar threw a pass to Ten Have across the goal line.

The kick for the conversion point was wide and barely missed the uprights. Zeeland kicked to Hudsonville and on second play Van Klompenberg ran 65 yards around end for a touchdown. On a plunge through the line Hudsonville failed to score the extra point.

### G.H. WINTER TAXES WILL BE REDUCED

Grand Haven, Nov. 7—A reduction of 65 cents in the winter taxes will affect Grand Haven taxpayers. The rate will be cut from \$15.65 to \$15.

The reduction came about through a slice of 25 cents in school debt service and 40 cents from county taxes.

Rates on the December roll will be:

County tax, \$4; school tax, \$8; school debt service, \$3; or a total of \$15.

Adding this to the \$12.60 for the city tax levied in July makes a total of \$27.60 for 1940 as against \$28.25 for 1939, the lowest tax rate Grand Haven has enjoyed for many years.

The county tax rate was reduced four-fifths of a mill following adoption of the tax rate by the board of supervisors.

## Children Have Plenty of Fun at Halloween Party

### Marion Eastman Wins Top Prize With Statue of Liberty Costume

Little 10-year-old Marion Eastman, 97 Columbia Ave., was an exceptionally happy girl today and the envy of all her friends.

She won the grand prize, a bicycle, in the costume contest of the third annual Halloween party of the Junior Chamber of Commerce last Thursday night in Riverview park.

Her costume, resembling the statue of liberty, was judged as outstanding among the hundreds which were entered in the contest. As Marion, a student of Froebel school, came forward to claim her prize she was so excited and thrilled she could hardly give her name.

Equally as happy was June Reidsma, 252 West 11th St., who won first prize in the jack-o-lantern contest and received a radio. Her pumpkin represented a cat. She is a student of Washington school.

Second prize winner in the girl's division of costume contest was Donna McCormick. Other prize winners were Betty Cook, third; Florence Poppema, fourth; Joyce Brandt, fifth; Mary Geerlings, sixth; and Nancy Van Hartesveldt, seventh.

Second prize in the boys' division was Jack Essenburg. Other prize winners were Ronald Colton, third; Karl Kragt, fourth; Arlene Wieten (her name got mixed up with the boy's contest), fifth; Willis Nash, sixth; and Marvin Ver Schure, seventh.

Mary Ruth Houtman won second prize in the jack-o-lantern contest. Other prize winners were Barbara Slaght, third; Marvin Freestone, fourth; Betty Jean Conant, fifth; Caryl Curtis, sixth; Donna Eleenbaas and Arlene Beekman, honorable mention.

Upwards of 3,000 boys and girls attended the party which was preceded by a parade from 10th St. and River Ave. through the downtown business district. The children sat in the grandstand while parents and other adults filled the bleachers on the south side of the field and along the sidelines.

Holland high school's band led the parade. A clown band and the Holland American Legion band, its members dressed as ghosts, also marched in the parade. Costumes of all descriptions were entered in the parade and contest.

Upon arrival at the park, the high school band formed the letters "JCC" and played several numbers. Then they formed the letters "USA" as the floodlights were turned out.

With colored lights on their caps, red for the letter "U" white for "S" and blue for "A" the band furnished the accompaniment while the children sang "God Bless America" under the direction of Eugene Heeter who used a lighted baton.

The two drum majorettes also presented their demonstration with lighted batons and colored lights from the fireworks formed the background.

Roy E. Young and Leonard (Peenie) Dailey were the principal entertainers. They made their appearance on the field in an old model car which had been equipped with fireworks and noise-makers.

Arla Parsons presented a witch dance. Other entertainment features included numbers by the clown band. While the band played, "The Old Gray Mare," Young and Dailey rode about the field in a buggy, drawn by two horses. The clowns then staged a high diving act with their make-believe dog.

After the Jack-o-lantern prizes had been presented by William Meengs, president of the JCC, the clown band attempted to play "The Missouri Waltz" but failed as Young experienced considerable trouble with his bass viol.

Costume prizes were presented by Melvin Van Tatenhove, co-chairman of the committee on arrangements. A fireworks display concluded the entertainment and as the children left the park they were given a noisemaker as a souvenir.

Judges of the costume contest were Mrs. Edith Walvoord, Harry Wieskamp and William Eby. Other members of the committee on arrangements were James

## PRANK ENDS UP IN COURT HERE

Halloween observance for Claude Stykstra, 19, 338 East Fifth St., proved rather costly as he was assessed a fine and costs of \$29.15 by Municipal Judge Raymond L. Smith Friday on his plea of guilty to a charge of reckless driving.

Stykstra was arrested about 11 p.m. Thursday by Deputy Sheriff William Van Etta on the old Zeeland road after he had been apprehended in the act of driving 50 miles per hour with two bugles decorated with corn stalks attached to the rear of his car.

Six other boys were reported to have been with Stykstra. Earlier in the evening they are reported to have stopped on Eighth St.

Except for soaping of windows, observance of Halloween was somewhat quiet in Holland Thursday night, local police reported.

Police Chief Jacob Van Hoff today expressed his thanks to the celebrators for causing little damage to property. A window at the home of Herman Prins, 40 East 20th St., and another window at Van's drug store, 24th and State Sts., were said to have been broken.

Police said they received only a few complaints during the evening.

## G.R. JUNIORS TO GIVE HINGAMEN BATTLE FRIDAY

### Undefeated Team Invades City; HHS Will Go to Benton Harbor

Football activity continues this week for the college and Holland high teams, both of whom suffered setbacks last week-end.

Probably the best of the two games this week-end will be the one Hope plays Friday under the Riverview lights with undefeated Grand Rapids Junior college. Since Coach Bud Hinga came here in 1931, the Jaycees have never beaten the Dutch, but this year they have reasons to believe the time has come.

Besides the large number of Junior students coming over from the Furniture City will be a large number of Grand Rapids fans and the Junior college band. Junior college will undoubtedly furnish Hope with its best non-conference game. It is believed that this is the best team in this section that could be scheduled to wind up the 1940 college football season here.

Holland high Friday night invades the Tiger's den and is due to be gobbled up.

Winless Holland high in meeting undefeated Benton Harbor takes on its biggest assignment of the year. The Dutch have been crushed by Muskegon, 26-0, and by Muskegon Heights, 20-2. Muskegon lost its only conference game to the Downstate Tigers and the Heights tied them last week. The tie shows that the two Tiger teams are somewhat equal and that the locals may expect as much or more from Benton Harbor than they got from the Heights.

Kalamazoo, which last week defeated Holland 20-6, lost to Coach Charleton B. Ruels' men earlier in the season, 38-0.

Although Benton Harbor has lost the services of Dale Hendrix, ace fullback who has suffered the recurrence of a knee injury, Bob Reinhardt is filling his shoes only too well. Dick Peckham's passing and kicking is something else not to be passed over lightly.

Coach Malcolm Mackay has indicated that he was quite unsatisfied with the showing his seniors made against Kalamazoo. This week he figures on five juniors and two senior guards on the line and two sophomores and two seniors in the backfield. He feels that the juniors are almost as good as the seniors and that some of them have a lot more fight. The high school mentor has played juniors much before, but this week and next week he evidently plans to start them and use them as much as possible.

Whether Red Milewski and Heneveld will play this week is doubtful, but the rest of the boys are all in pretty good shape. Reserve teams of the two schools will tangle at Benton Harbor Friday afternoon.

### Hamilton School Notes

The intermediate room had a Halloween party last Thursday afternoon. After a short program which was given for the primary room, some contests were played. Jerome Aalderink won the prize in the third grade by pushing a penny along a yard stick with his nose. The prize for carrying pens on a straw was won by Alida De Boer in the fourth grade. In the fifth grade, Chester Reimink won the prize for hanging cracked peanuts on himself. Later the primary room enjoyed a costume party and refreshments.

The third grade has started a study of Indians in North America. Wayne Schutmaat went to a football game in Holland Friday night, Nov. 1.

Monday morning all the school children had their pictures taken. Lloyd De Boer suffered a broken shoulder while playing on the grounds the other day. ## Muskegon Rabbi Talks to Local Century Club

In an intellectual address before members of the Century club in Hope church parlors Monday night, Rabbi Aaron Cohen of Muskegon outlined the spiritual background for the totalitarianism of Europe today. The meeting was a small one, apparently due to election eve activities.

In developing his theme, "The Spiritual Fathers of the Dictators," Rabbi Cohen stated that although Karl Marx and Trotsky are often publicized as having influenced the dictators of Europe, there were a number of other writers and statesmen, un-Jewish and less well known, who definitely contributed to the tragedy of the present.

The speaker mentioned first the German, Max Stirner, often called a socialist and anarchist, but whom he termed an ego-maniac, whose writings laid the foundation for a distorted sense of egoism. Then came Joseph Arthur Gobineau, the French Catholic nobleman, whose book, "The Inequality of the Race," was to become the bible of the Fascist and Nazi. He advocated that all ancient cultures were inferior to the Teutonic culture; that the Aryan race is the superior race; that all real civilization was due to Teutonic influences.

Historically speaking, there is no such thing as an Aryan race, the speaker explained, for language is no criterion of race. Germany at the time was smarting under Napoleonic defeat, and was suffering under a sense of inferiority, and in a receptive mood for egotistic teachings.

The third "spiritual father," Rabbi Cohen mentioned was the great genius, the artist and poet, Nietzsche. He fell under the spell of Richard Wagner, the great musical genius, whose music was so revolutionary, the world wouldn't listen. Later in his career he drew away from Wagner, and his writings advocated a new society for Europe. He became the greatest reactionary of all time, and developed the idea of the superman, who would have the power to seize and control a great nation. He had an anti-Christian and anti-Jewish complex.

Euston Stewart Chamberlain, an Englishman, his father an admiral in the British navy, who left England to become pro-German and wrote the book, "The Foundations of the 19th Century," was the fourth subversive influence. He married the daughter of Wagner, and during the World war became the most vicious enemy of the British.

These four men, deliberately trying to undermine the forces for progress and humane civilization, laid the foundations for the Europe of today, Rabbi Cohen stated. The Holland High school girls sextet, composed of Joanne Vander Velde, Theresa Van Houw, Elaine Bieleveld, Mildred Cook, Jean Brinkman and Cleon Topp, accompanied by Angelina Jansen, sang "Old King Cole," "A China Tragedy," and for an encore, "Beautiful Blue Moon."

Henry Winter, vice-president of the club, presided during a short business meeting. Dr. and Mrs. John R. Mulder and Mr. and Mrs. L. W. Lamb were elected to membership in the club.

Next meeting was announced to be an "information please" program at the home of Mr. and Mrs. Jay H. Den Herder.

A social hour was enjoyed.

## WARD CHANGES APPROVED HERE BY 2 TO 1 MARGIN

### All Seven Precincts Back Move to Equalize Vote Share in City

When common council met in special session at 7:30 p.m. last night, aldermen placed their approval on Tuesday's vote on the proposed changes in the boundary lines of the city's six wards which, when put into effect, will place nine of Holland's 12 aldermen in different wards from the ones which they now occupy.

Unofficial tabulation of the vote cast for this charter amendment by City Clerk Oscar Peterson today disclosed that it was adopted by a majority of 2,137 votes. The total vote in the city's seven voting precincts was yes, 4,060; no, 1,923.

By wards, the voting follows: First, 575 yes, 413 no; second, 143 yes, 132 no; third, 564 yes, 203 no; fourth, 720 yes, 355 no; fifth, first precinct, 549 yes, 263 no, second precinct, 661 yes, 195 no; sixth ward, 848 yes, 362 no.

The various election boards also reported having found a large number of blank ballots although the exact number could not be learned.

After the vote has been canvassed by council, a copy of the official vote will be sent to the secretary of state and upon acknowledgment of its receipt from him, the ward changes will be placed into effect.

Common council by its action taken Aug. 21 decreed that Holland voters should decide on whether the present wards which have been in existence since 1925 should change to bring about a more equal distribution of the voters and taxpayers in the various wards.

The changes in ward boundaries will merge the small and "Democratic" second ward. In practically all past elections, the second ward has always had the inclination to vote just the opposite of what the city has voted.

Under the new setup, Ald. Bernard Arendshorst and Cornelius Kalkman, Sr., will become first ward aldermen; Ald. Ben Steffens and Henry Ketel, new second ward aldermen; Ald. William C. Vandenberg and Albert V. Faasen, third ward aldermen; Ald. Frank Smith and Herman Mooi, new fourth ward aldermen; Ald. Albert P. Kleis and James A. Drinkwater, new fifth ward aldermen; Ald. Bruce Raymond and John Menken, new sixth ward aldermen.

Rev. D. H. Walters

Friday will be a great day for the congregation of the Central Avenue Christian Reformed church when the 75th anniversary of the organization of the church will be celebrated. Appropriate commemorative exercises have been arranged for both the afternoon and evening.

The church was organized Nov. 8, 1865, with 13 families. It was the First Christian Reformed church of Holland and for a time was known as just the "Holland Christian Reformed church" and later as "Market Street church."

The history is one of struggle of pioneer difficulties, but also of abundant blessings. The church grew fast numerically. Other churches were organized in the city, several growing out of the Central Avenue church. The church still numbers 140 families.

A 50-page souvenir booklet has been prepared giving the history of the church and a presentation for a cross section of church life today.

## Two Church Missionary Groups Have Meetings

Missionary society meetings were held Wednesday by two church groups. Hope church women's society met at the home of Mrs. W. C. Koon with 14 in attendance. Mrs. W. C. Koon was in attendance.

Mrs. W. C. Koon was in attendance at a devotional period given a brief history of Thanksgiving, and based on devotions on that theme.

Mrs. Leon Moody, who presided, announced that the society has taken as its project and the foundation point, the Dutch N. M. Indians. A Christmas box and a box of market goods have already been sent to that mission.

As two-thirds of the program Mrs. Edward Denison gave a review of the book "Americans All Over" by Jerome Beatty. Sent out by the Readers Digest in 1928 to meet and know Americans in all lands, in a book he describes a number of whom he had been standing in their work.

Those mentioned were Dr. Paul Harrison, great human leader and the Rev. John Van Ess, teacher rather than preacher, in Arabia, Bayard Dodge of Beirut university, Alice Kari, American nurse in Athens, who is "cleaning up" that city. Royal Tyler of Hungary, "Princess" Jane Campbell of Rome, former American socialite, who raises money for the care of tubercular children; Boyd Cumberstock of Rome, chosen by Mussolini in 1938 to train youths for the Olympics; "Mother" Lillian of Egypt who has mothered 642 orphan children; Patrick Putnam of the Belgian Congo; Dr. Ida Seudder of Bombay, India; Spencer Hatch, engaged in rural reconstruction in India; and lastly Mr. and Mrs. Eddie Tate who operate clean carnival shows in the Philippines.

Mrs. J. E. Telling spoke concerning the coming Red Cross drive, and a missionary conference report was given by Miss Laura Boyd. Refreshments were served by Mrs. M. C. Lindeman and her committee.

The annual meeting of the Women's Missionary society of Bethel church was held Wednesday evening. Mrs. C. A. Stoppe, president, presided. Mrs. Lester Cook read scripture and led in prayer. Mrs. Richard Smeenge and Mrs. Jack Esenburgh sang two selections.

During these 75 years, the number of members who died, plus the members who left for sister congregations, is much greater than the membership today.

The afternoon service Friday will be in the Holland language and the evening service will be in English. At both sessions, there will be special music, addresses by two former pastors, greetings by sons of the church, and classical representatives. All friends and former members of the church are cordially invited to celebrate with the church.

Ministers of the congregation have been: Rev. J. De Beer, May 1867 to November, 1867; Rev. F. Hulst, July, 1868, to August 1871; Rev. J. Noordewier, December, 1872, to December, 1877; Rev. G. Hoeksema, January, 1880, to November, 1881; Rev. J. A. De Bruyn, September, 1883, to March, 1885; Rev. E. Vander Vries, July, 1886, to July, 1895; Rev. H. Van Hoogen, December, 1895, to October, 1903; Dr. R. L. Haan, August, 1904, to November, 1914; Rev. B. H. Elnink, June, 1915, to December, 1924; Rev. L. Veltkamp, April, 1925, to November, 1937; Rev. D. H. Walters, March, 1938.

The Rev. Elnink, who is seriously ill in Grandville, will not be able to join in the celebration. Two former pastors who plan to be present, and who will speak at both sessions are the Rev. L. Veltkamp of Drenthe and Dr. R. L. Haan of Hull, Ia. Next Sunday, the morning services will be conducted by Rev. Veltkamp and the afternoon and evening services by Dr. Haan.

A 50-page souvenir booklet has been prepared giving the history of the church and a presentation for a cross section of church life today.

## Torchlight Parade

Campaign scenes of years gone by reappeared Monday night during an old fashioned torchlight parade which marked the end of the local campaign by Holland Republicans.

Floors, decorated automobiles, children and adults carrying banners, placards or lighted lights followed a live elephant, the symbol of the Republican party, in the parade through the downtown area.

And there was at least one Democratic picket on hand. He was a young man, carrying a Roosevelt banner and was seen standing along the east side of River Ave. south of Eighth St.

Hundreds of people stood on both sides of the street of the parade route and afterwards many milled about the downtown streets as Holland took on an election eve fever.

Following the parade, Republican party leaders and their followers met in Holland armory for a final rally. Upwards of 500 persons listened to the talk of Glenn Dunn of Muskegon, attorney for the Michigan state sales tax division.

## SEVENTY SEVEN NEW HOMES ON HOLLAND'S LIST

Entire Construction Pace  
Well Ahead of Past  
Two Years

New home construction for 1940 in Holland now totals 77 with the filing of six applications for permits during October to construct new residences within the city, an unofficial tabulation of the month's applications on file at the office of City Clerk Oscar Peterson revealed Saturday.

Prior to Oct. 1, 71 applications for new homes had been filed. Estimated cost of the six homes is \$17,650. Five of the applications also provided for construction of garages at a cost of \$900. In the first 10 months of 1939, 56 applications for permits to build homes had been filed. Thus this year is running 21 applications ahead of last year in new home construction.

During October, 39 applications for building permits were filed with the city clerk. Their total value amounted to \$23,357. Thirty-six applications for permits were filed in October, 1939.

The \$23,357 figure is a decrease of \$19,318 in the value of the permits for October, 1939, which totaled \$52,675. It is a decrease of \$8,637 for the same month two years ago which totaled \$31,994.

Despite the reduction in the value of the permits in comparing them with October of the past two years, this year's values continue to exceed those for the first 10 months.

Value of the permits from Jan. 1, 1940, now totals \$405,915 which is \$214,157 more than \$291,758 for the same period in 1939. It also is \$65,120 in excess of the 1938 figure of \$340,795.

In August, their value passed the mark for all 12 months of 1939. The 1939 figure was \$331,984 which is \$73,931 less than the current 1940 value. The 1938 value of the permits was \$362,010 or \$43,905 less than this year's current record.

During October, there were eight applications for permits filed to construct new garages at a cost of \$1,232. There was one application to reroof a garage for \$20 and another to repair a garage for \$50.

Nine applications called for exterior repairs to homes at a cost of \$870. Seven applications were filed for exterior repairs to homes at a cost of \$1,275.

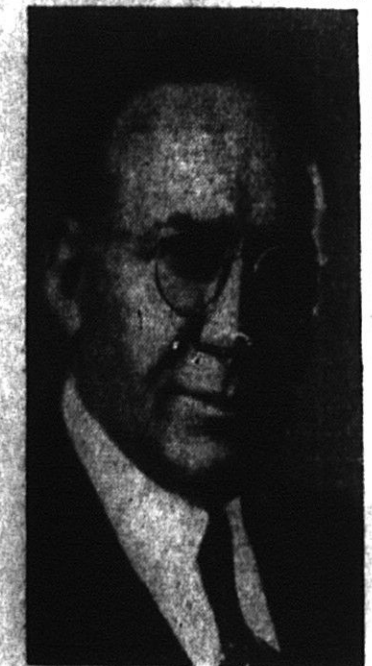

There were three applications for new roofs on homes at a cost of \$155.

## J. W. HOLLAND TO COME HERE

Noted Chicago Lecturer to  
Address Trinity Group  
and Lions Club

Dr. John W. Holland of Chicago, well known preacher and lecturer, will be in Holland Nov. 18 and will address the Exchange club at its noon meeting and the Trinity Men's club in Trinity church at night. Dr. Holland addressed these two groups five years ago.

Dr. Holland was born on a farm near Milton, Ia. As a boy he spent his days doing the things a typical farm boy does—chores, working in the fields and helping his father tend their herd of registered Shorthorn cattle. He went

Dr. John W. Holland

through grammar school, high school and a little later began studies at Iowa Wesleyan college, from which he was graduated in 1902.

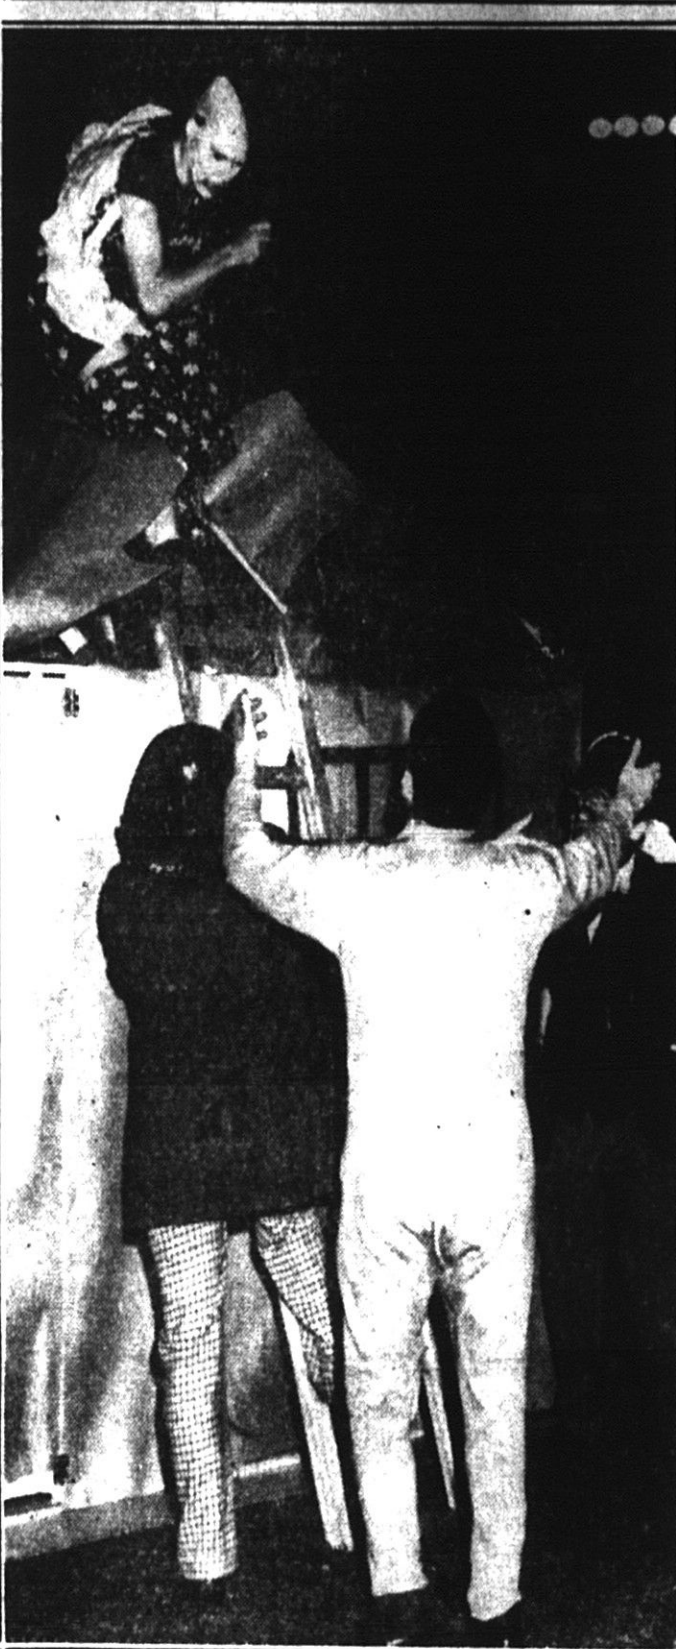

From there he went east to Drew Theological seminary and later returned to Chicago for study at the Garrett Biblical Institute. He was graduated from Garrett Institute in 1905 and in 1908 he married Daisy Pierce of Oswego, Ill.

Shortly after his marriage, Dr. Holland was appointed by Teddy Roosevelt as a civil chaplain to workers in the Panama Canal Zone. After a year in the tropics, the Hollands returned to the states with their daughter, Beulah, who had been born in Panama.

At present Dr. Holland prepares his well known "sermonettes" for 13 farm papers which are read by nearly 4,000,000 readers.

About 33 percent, or 822,285 miles of county and local highways in the U. S. are surfaced.

## Clowns Have as Much Fun as Children

The clowns who participated in the program last Thursday night in Riverview park had as much fun as the 3,000 local children who were guests of the Holland Junior Chamber of Commerce which sponsored the party.

In the top picture are those who took part in the evening's program. Kneeling, in the front row are (left to right) Roy E. Young and Leonard (Prenel)

Dailey. In the rear row are Herbert Bodreau, Mayo Hadden, C. L. Dyer, Wallace (Sunny) Kuite, Bob Mascen and Bud Hertz.

The bottom picture shows members of the clown fire department endeavoring to save a "desperate" clown from a burning house.

Mayo Hadden is in the act of jumping in the arms of Mr. Dailey (left), Cecil Scory (center) and Mr. Young (right).

## Local Audiences Learn About Seeing Eye Dog

Before a large and receptive audience of Women's Literary club members Tuesday afternoon, Miss Bernice Clifton of Chicago aided by her Seeing Eye dog, Dr. Carla, presented a most interesting talk on "My Smell and I."

Although totally blind, Miss Clifton appeared perfectly at ease. Dr. Carla is perhaps the only dog in the country to hold an actual degree, bestowed upon her by Lindblom High school in Chicago, that of Doctor of Canine Intelligence. She is a German Shepherd and has, Miss Clifton said, "restored my freedom."

Miss Clifton, soon after becoming blind, attended the Seeing Eye school at Morrisstown, N. J., where she trained with Carla who had been especially selected for her. The school, the only one of its kind in the country, was established in 1929 by Mrs. Harrison Eustace, and is a non-profit organization, with 90 per cent of its support coming from small donations. Its 150 students emerge, each with his own dog which he pays for himself, usually raising the money through work of some kind. The entire course and dog cost the student \$150.

Graduates of the school are 75 per cent self supporting and are of all ages and from every profession and walk of life. Miss Clifton stated that with her Seeing Eye dog she has resumed a practically normal life even returning, to some extent, to her former profession of decorator.

There are at present in the United States and Canada, 600 Seeing Eye dogs in service, the largest number being in the middle west and the smallest number in North Dakota and Arkansas where there is little blindness, she explained.

Mrs. J. J. Brower presided at the Woman's club meeting, and announced the fall luncheon to be served in the club house Nov. 12

by divisions one, two and three. A talk and exhibit entitled "The South Seas" will be presented by Mrs. Doran Russell of Grand Rapids.

A meeting of the Drama Study group under the chairmanship of Mrs. William Winter, was held in the clubhouse at 1:30 p.m. A "walking rehearsal" of a one-act play was presented by the Mesdames Lester Essenburg, Simon Borr, Alvin Bos, E. C. Brooks, Ivan Bosman, Clarence J. Becker, Edward Donovan and O. S. Cross. Other similar programs will be presented at regular intervals, and tentative plans are being made for a three-act play presentation before the public some time after the holidays.

Other characters are Ernest Meesters, Julia Smith, Jim Stallkamp, Marvin Kragt, Ruth Jipping, Jack Pommerening, Ward Van Dyke, Marvin Jalling, Bill Mackay, and the amusing colored twins, Herman and Verman, played by Jay Zoet and Alfred Kane.

More pearl buttons are produced at Muscatine, Iowa, than by any other city in the world.

## THREE CARS IN M-21 ACCIDENT

Three automobiles were involved in an accident Tuesday at 6:45 p.m. on M-21 in front of Yocum's place, just east of Holland, although no one was injured.

Deputy Sheriff William Van Etta who investigated the crash said Mrs. Parker pulled out from the driveway of a gasoline filling station into the side of Fogarty's car which was being driven west toward Holland. Her car then careened to the opposite side of the road and crashed into Woltman's car which was being driven east toward Zeeland.

Miss Pearl Chalmers, 14 West 19th St., riding with Woltman, and Donald Ode of St. Louis, Mich., were listed as witnesses to the crash.

## Fahocha Class Meets in Dyke Residence

Twenty-seven members of the Fahocha class of First Methodist church were entertained in the home of Joan Dyke in Montello park Monday evening. The meeting was called to order by the president and each member responded to the roll call by giving a short poem or special reasons for thankfulness at this Thanksgiving time.

During the business meeting the following officers were elected for the year 1941: President, Bobbie Longstreet; vice president, Joyce McCormick; secretary, Ruth Knutson; assistant secretary, Florence McCormick; treasurer, Grace Poppema; assistant treasurer, Norma Seekamp. All other officers will be filled by appointment. Installation of officers will be held at the January meeting.

Carol Fairbanks led the devotions and Joyce McCormick read a psalm of thanksgiving after which Emily Shaffer explained the projects of the year. Then as the Fahocha class song was sung, each member signed her name in the class book accepting her individual responsibility of the year's work.

Barbara Greenwood gave a report as sponsor of sewing for the year.

An invitation was extended to hold the Christmas party in the new home of the president, Bobbie Longstreet, 248 West 23rd St.

## BOARD REJECTS MOVE FOR NEW STATION IN CITY

Four Members Say Plan  
of Donnelly Comes at  
Wrong Time

The four remaining members of the board of police and fire commissioners declined Monday afternoon at the board's regular meeting at the office of City Clerk Oscar Peterson to endorse the proposal of Commissioner John Donnelly that construction of a centrally located fire station be submitted to common council.

Donnelly, after placing the matter before the board, moved that it be referred to the council for a probable conference with the ways and means committee on the manner in which the project could be financed.

Although other commissioners were somewhat in favor of the proposal they felt this was not the proper time to submit it to council. Chairman Fred Kamferbeek pointed out there was no money in the present budget and he contended it should be brought up after the first of the year when council begins consideration of the 1941 budget.

Commissioner James Borr likewise endorsed Donnelly's suggestion but felt it should be brought up at a more opportune time.

Commissioner William H. Deur said the board should first agree on a location, what type of building would be built and its ultimate cost before submitting the issue to council.

Mayor Henry Geerlings informed board members that if the proposal were submitted to council it would likely be referred back to the board. Donnelly sought to prevail upon other commissioners to support his motion.

There was no support to Deur's motion that the matter be referred to a committee for further investigation.

Donnelly's proposal came shortly before the board opened bids for the contract to construct a cement retaining wall on the west side of the No. 2 fire engine house and a driveway on the west side of the No. 1 fire engine house.

Upon opening the three bids, Donnelly, supported by Commissioner Herman Prins, moved that the contract be awarded to S. and B. Habing, the low bidder, and that the matter be referred to council for approval.

The Habings submitted a bid of \$195 for the driveway and \$190 for the retaining wall or a total of \$383. Second low bid was submitted by Van Dyke and Volkens who bid \$195 for the retaining wall and \$198 for the driveway or a total of \$393. Cornelius Kalkman, Sr., submitted the third bid which was \$546.88 for the driveway and \$199 for the retaining wall. However, Kalkman's bid also included laying a driveway at the rear of the fire engine house which was not included in the project. He informed the board his base bid was 16 cents per square foot which still made his bid high.

City Clerk Oscar Peterson submitted a letter from Oscar Olander, commissioner of state police, who advised Police Chief Jacob Van Hoff that the department plans to launch a training school for recruits after Jan. 1.

## 350 Alumni Are Attracted to Homecoming Banquet

A large crowd of approximately 350 Hope college alumni, students, and faculty members attended the semi-formal Homecoming banquet in the armory Saturday evening.

Twisted blue and orange streamers formed large triangles high above each table and made attractive stripes down the length of the tables. Suspended at the peak of each triangle were clusters of vari-colored balloons. A large cluster of red balloons resembling a huge bunch of grapes formed the centerpiece for the speakers' table. Prayer was offered by the Rev. Henry Bast, college pastor. The dinner was served by the women of Trinity Reformed church.

Bob Montgomery, student council president, acted as master of ceremonies for the program and introduced each number with a clever bit of poetry. A rollicking song service led by Bob Powers, varsity football captain last year, provided the opening fag. Using a table knife as a baton, he made an able and amusing director for the merry song fest. Sophomore Barbara Folsenebe was the accompanist. Ray Smith, president of the entire Alumni Association, was also recognized and introduced by Mr. Montgomery.

Music, sweet and hot, was played by the Chamber of Music under the direction of Senior Eddie Dibble much to the delight of the audience. Popular selections played by the orchestra were "Only Forever," "Practice Makes Perfect," "Jumping Jive," and "The Same Old Story." Members of the orchestra are Bob De Vries, Marvin Overway, Bob Scheerhorn, John Kleis, Ransom Everett, George Thomas, Don Smeenge, and Donald Williams.

## EAGLE DISCOVERED WITH BROKEN WING

Found with a broken wing, an eagle is being nursed back to health by Dr. Carl Gower of the Swan Creek experimental station, and will be given its freedom when the broken wing has healed.

The bird was found last Sunday south of Castle park by Orlin Resseque of Fruitport while he was hunting in that vicinity. Resseque took the eagle to his home and then notified Leo R. Arnold, Ottawa county agricultural agent.

The county agent and Louis Ruchs went to the Resseque home where they obtained custody of the bird and took it to the farm of Sam Rymer where the eagle's fractured wing was set.

Conservation Officer Forrest Layoy was then called and he turned it over to Dr. Gower to be nursed back to health.

## DAYS ARE FULL FOR LOCAL MEN AT SOUTH CAMP

Division to Move to New  
Location in About  
13 Weeks

By Osborne R. Vos

Camp Beauregard, Alexandria, La., (Special)—Holland's soldiers are busy all day long at muscle-hardening, moral-building training.

Their day, along with others in training here, starts at 5:45 a.m. with a first call. Reveille is at 5:55 a.m., followed by calisthenics under Sgt. Homer Lokker. Mess call is sounded at 6:05 a.m. After mess the men have a few minutes to wash, shave, etc. Bunks are made; tents cleaned and company street is policed. At 7:05 a.m. sick call is sounded for all those who are somewhat indisposed.

Drill call is at 7:10 a.m. at which time all men, except those on details and those who are on sick call, march out to the training fields, and parade grounds for close order drill, classes on anti-aircraft defense, anti gas defense, camp sanitation, body sanitation, body building games and everything conducive to good soldiering.

Recall is sounded at 11:45 a.m. when all companies march back to camp at attention with music played by the 126th infantry band. Mess is at noon, drill call at 12:55 p.m., assembly at 1 p.m., recall at 4:30 p.m., retreat at 5:30 p.m. and mess at 6 p.m. During drill hours the men have 10 minutes out of each hour for smoking and rest. After evening mess, many go to the city, many go to bed, some write letters. Things are inconvenient now at night because of the lack of lighting facilities. Lights are promised for the immediate future.

Each tent has a wooden floor, each man was issued a steel cot, mattress and comforter. Sheets, pillows, stockings, etc., are also promised the men. All are required to sleep under mosquito bars.

The trip to camp was enjoyed by everyone. In the little town of Paragould, Ark., a welcoming party of the fairer sex was out to greet the men and give them an idea as to the beauty the south holds other than scenery.

Although the stay at Camp Beauregard is to be a short one, mess halls have been provided with an incinerator along side to burn all rubbish and garbage. A permanent camp is being built in Tigra, a few miles north of Camp Beauregard to which the 32nd division will be sent in about 13 weeks. Bath houses with showers and both cold and hot water have been provided here at Beauregard.

All enlisted men are allowed to have cars, including the officers, but bus service to town is good and the fares are reasonable.

Leaves of absence will be granted on Saturday and Sunday for those who want to go to church of their own denomination in town. However, church services will also be held in camp for those who would rather stay.

A talk on social diseases was given by the regimental surgeon, followed by a speech by the regimental chaplain advising the men as to personal hygiene in and around camp.

The chaplain spoke about the religious and social angle that each man owed his buddies. He also stressed the ethical viewpoint.

Corp. Jim McCormick has informed most of us that he has received a letter from his so-called beloved Duchess.
