public schools and later from Hope College, and in 1910 graduated from Michigan University as a law student, graduating with the honorary degree Juris Doctor, acquired by virtue of higher education and superior scholarship in the law department. He was admitted to the bar shortly afterward beginning his career as an attorney in the city of Holland with his father, the late Arend Vischer.

He later became associated with Attorney Thomas N. Robinson under the firm name of Vischer and Robinson. This partnership con-

tinued from 1912 to 1920 when Mr. Vischer became identified with the Holland Furnace Company as secretary and counsel. He also formed a partnership with Ernest C. Brooks, our present mayor, under the firm name of Vischer-Brooks, doing general insurance business, with offices first in the Vischer building and at present in the old Peoples State Bank building. Mr. Vischer was also interested in the Ottawa Furniture Company and other industries in this city. He was director in the Peoples State Bank of Holland.

Mr. Vischer was the son of the late Mr. and Mrs. Arend Vischer, who had been identified with Holland since pioneer days. Like his father he was active in civic work promoting the interest of Holland whenever called upon.

The Vischer family reside in the old homestead on State Street where the funeral was held at two o'clock, Tuesday afternoon with Dr. Thomas W. Davidson, pastor of Hope Church, where Mr. Vischer was a member, officiating. Rev. Davidson was assisted by Dr. Benjamin Bush of Detroit, an intimate friend of the deceased, and Rev. Paul P. Cheff of Omaha, Neb., a former pastor of this congregation.

HOLLAND ELEVEN DRILLS ON PASS GAME FOR SOUTH

Grand Rapids Herald—Coach Hinga and his Holland high girls will tackle two Grand Rapids eleveners during the next two weeks in the concluding games of their schedule when they meet South and Catholic Central. The South team, to be played at Grand Rapids Saturday, is looked upon as a tough battle, according to the dope.

Holland battled Creston to a scoreless tie, while South received the short end of a 7 to 6 count, and both eleveners pushed across one touchdown on Grand Haven. Holland has defended a scoreless goal for the last five games since the Kaseo-Central affair, and the main reason in the offense has been in its dazzling aerial attack, which will probably be the big factor of the game for the localers.

The Hingamen figure that piecing the heavier South line will be difficult, and the latter part of this week will be devoted to polishing both the forward passing and Capt. Bonnette's punting, with the Hope college varsity forming the opposition.

Coach Hinga is undecided on his starting lineup, as the work of Vankolen in the Kaseo normal game last week merits him a starting position at either one of the halfback posts or at quarterback. Great rivalry is existing between the regular guards, Klonmaren and Bokor and Dorian and Shaffer, as to which two men will see action. The Holland gridgers are determined to keep their record of an unbroken goal line and are showing plenty of fight for the South clash.

The choir will sing special music. Services in Trinity church begin at 7:30 o'clock in the evening. A special invitation is extended to non-churchmen. The pastor will preach the first sermon of the series next Sunday evening, November 17.

were received by the widow and other members of the family. The floral tributes from home and abroad nearly overwhelmed those in charge of the funeral arrangements, indicating that Mr. Vischer's host of friends remembered. Vischer and three children, Vivian, Robert and Jane Anne; also two brothers, Oswald of Evanston and Arthur of Holland, and one sister, Miss Anne, also of this city.

Young Woman Is Stopped By Federal Men

THOUGHT THE THREE WERE
"STICK UP" MEN WHEN CAR
WAS SEARCHED

Driving into Grand Haven from the south Saturday night a young woman from that city was stopped on the road and badly frightened by three men, who claimed to be federal officers.

The young woman was driving from Indiana to spend the weekend at her home at Grand Haven. A short distance from Agnew she noticed a car coming up rapidly behind her. As it drew up someone in the approaching car began playing a strong flash light into the Grand Haven car. Becoming nervous she increased the speed of the car, and then became convinced that she was being pursued.

The pursuing car drew up alongside and again a light was flashed into the car. The strangers pulled ahead and drew up beside the roadway. The Grand Haven woman stopped her car, and three burly fellows came back and began going through her car, without asking permission. She, of course, thought she was a victim of a hold-up and was badly frightened.

When she summoned enough courage to ask the men their business, they told her rather gruffly that they were federal officers and had been ordered to pick up a car of the same type bearing an Indiana license. Instead of following her into the city and making whatever investigation necessary to convince them that her car was not the one they sought, they chose the bright idea of stopping her on a lonely road and frightening her half to death.

She reported the incident as soon as she reached home, still badly shaken by her fright. Relatives and friends at Grand Haven, when they learned of the girl's unpleasant experience, were very much aroused because of the indignity to which she had been subjected by men claiming to represent the United States government.

There is little doubt but that steps will be taken to investigate the affair. Inquiries are being made at federal offices in Grand Rapids, and one friend declared today that he would assist in every possible way in getting to the bottom of the affair, to determine whether young women drivers must be stopped on the road by persons who exhibit no identification marks of authority. They point out that instead of stopping the young woman might have attempted to run for it. In that case the so-called officers probably would have opened fire, with the chance of fatal results.

HOLLAND AGAIN FISHES FOR OBNOXIOUS CARP

Carp fishing operations have been resumed in Black lake under auspices of the Holland Fish and Game club, with George Bender in charge. Pine Creek bay has been selected as the first bay for lowering the net and eventually other places will be tried to rid the lake of the obnoxious fish. The net was lifted twice Tuesday, but only a small number of carp and sheepshead were taken. Two seasons ago operations were so successful a small little sum was realized from the sales of fish for investment in the local fish pond. Last year, however, greatly reduced catches were made and this season, it is indicated, may mark another unprofitable yield.

BEHIND THE GERMAN LINES SURE TO BE AN INTERESTING PICTURE

The American Legion will present "Behind the German Line," a war film, at the Holland theatre next week Monday and Tuesday.

This film production will indeed be interesting since it will give actual pictures from the German side of the battlefield never shown before.

America is given full credit for the defeat of the German army in the World War, according to the official war picture released in this country by Paramount entitled, "Behind the German Lines." These pictures are the official films taken give an unbiased account of what was by the German government and took place "Behind the German Lines."

THIS AND THAT ABOUT COLONIAL LIFE IN HOLLAND

(By Albert Kamferbeek)

Harking back to the pioneer period as this relates to Holland it is rather interesting to review some of the minor instances that made up the every day life of the early settlers here. For instance Holland's first mail carrier was a lady by the name of "Vrouw" Notting. She and her husband lived in the township of Manlius, Allegan County. Either once or twice a week, according to weather and road conditions, Mr. Notting would walk to Allegan, then a larger place than Holland, and would shoulder the bag of mail, take it to his home in Manlius. Here the mail was relayed and Mrs. Notting shouldered the burden and marched off to Holland with it, a distance of 14 miles through woods, over streams, over nothing better than a blazed Indian trail. When she reached Holland the bag was delivered at the drug store of Henry D. Post, located at the corner of Eighth St. and River Ave., the site of the Model Drug Store today. This frame building was also

the post office and Mr. Post was Holland's first post master.

Rather an interesting story is told of old man Notting who one day sent a neighbor to Hamilton to draw home a load of lumber from the saw mill with his ox team. The man and his slow-going vehicle arrived at Hamilton in due time and when the lumber had been piled on the wagon and the mill owner asked for the money, the man in very broken English mingled with many gestures let it be known that he really wanted the lumber for Notting. The mill man, rather surprised, said that he couldn't possibly give the lumber for nothing since they could not do business on that basis. After much argument accompanied with many signs forth and back the English mill owner finally understood that the name of the man for whom the lumber was intended was "Notting" who didn't want anything for nothing but would pay for the lumber with real money. This little incident was a standing joke among the settlers for many years afterward.

LIGHT CRIMINAL CALENDAR TO GREET JUDGE MILES IN JANUARY

Judge O. S. Cross, for 18 years the presiding judge of the Allegan-Ottawa circuit, will sit on the bench for the last time when court opens on Nov. 18. The next term in January will see Fred T. Miles of Holland who was elected to the office last April take the bench for the first time.

One of the lightest criminal calendars in the history of the local courts will mark the November term. It includes 12 cases of which four are bastardy charges, one arson, one intent to defraud, one breaking and entering, one motor vehicle violation, one passing a bad check, one false pretense and two for sentence.

This list is offset, however, by a list of 22 civil cases with jury trial, and 28 cases non jury, 29 cases in chancery, 11 default chancery cases and eight cases in which no progress has been made for more than a year.

A large number of divorce cases will come up including: Mary Eding vs. Bert Eding; George Gardner vs. Hazel Gardner; Agnes Van Pernis vs. Adrian J. Van Pernis; Alfred Stillson vs. Irene K. Stillson; Mary Glaven vs. Anthony Glaven; Lily Vidak vs. Vincent Vidak; Adeline Seif vs. Herman Seif; Margaret Haasjes vs. John Haasjes; Gertrude L. Sherwood vs. Thomas E. Sherwood; Tenneta Vos vs. Arie Vos; Anna Brounson vs. Charles Brounson; Claude A. Wheaton vs. Elva L. Wheaton; Jake DeWitt vs. Grace DeWitt; Frank Tuffelmire vs. Emma Tuffelmire; Leender Visser vs. Johanna Visser; and Johnny Eding vs. Susan N. Eding.

Six cases are listed to set aside leases, which comes as an aftermath of the oil leasing against parties who have not fulfilled alleged promises made at the time of leasing.

DIVORCE IS GRANTED TO HOLLAND WOMAN

Judge Orin S. Cross granted a decree of divorce to Jane Hoedeman, of Holland, from Richard L. Hoedeman on charges of extreme cruelty.

He also gave a judgment for \$246.45 in favor of the Ottawa Loan and Finance Company against Frank Makin and others of this city.

HOPE HAS CHANCE TO BEAT ALBION

The Hope college football team looked at the final game with Albion in a new light Tuesday after their victory over Kalamazoo Saturday. The homecoming crowd will witness the clash between the two here and the local eleven is conceded a chance to win.

An aerial attack was used against Kalamazoo that had the Hornets puzzled. Coach Schouten declares that his entire team is in the best of shape with the exception of Louie Scudder, backfield ace, who wrenched his knee. Scudder is expected to take part in Saturday's game, however.

ZEELAND WILL MEET CATHOLIC DEBATERS

The Zeeland High school debate team will hold its first debate on Nov. 15 when it meets the Grand Rapids trio at Grand Rapids. Coach M. B. Rogers has not made his selection as to who will represent the local school.

Three members of the local squad represented Zeeland in the finals in Ann Arbor two years ago and it is probable Helen Clark, Winona Wells and Alice Katie will appear in the first contest. Other members who may make up the team are June Van Peursem, Dick Van Dorp and Donald De Bruyn. The locals will uphold the negative side of the state question.

Last Sunday morning the pastor of Trinity church, Rev. C. P. Dame, began a series of Pre-Christmas sermons entitled "Fulfilled Old Testament Prophecies." The following sermons comprise the series: "The Blessing of Abraham," "The Sure Mercies of David," "The Covenant" and "The Great Mystery—What Is It?" These sermons will be preached consecutively each Sunday morning.

HUNTLEY-WATSON MARRIAGE SOLEMNIZED ON SATURDAY

An outstanding fall social function took place Saturday evening when Miss Julia C. Huntley, only child of Mr. and Mrs. Cecil R. Huntley, 70 West 14th street, was wed to Mr. Paul C. Watson, son of Mr. and Mrs. Alexander W. Watson of Flint, Michigan.

The marriage was performed by Rev. James M. Martin, pastor of the Third Reformed church of this city, and was witnessed by a large number of friends and relatives. The Huntley home was beautifully decorated and an improvised altar of palms, ferns and white chrysanthemums was appropriately placed in the music room. Tall cathedral tapers placed at intervals around the altar added to the solemnity of the occasion.

Proceeding the marriage ceremony, Mrs. Jack Learman of Harbor Beach, a cousin of the bride, pleasantly rendered an appropriate poem, "O Promise Me," by de Koven. The wedding march from Mendelssohn was rendered by Miss Mella Meyer, also a cousin of Miss Huntley.

As the first sweet strains of music floated through the home the bride party slowly proceeded to the altar where Rev. Martin was awaiting them, reading the impressive double ring service. Beverly Jane Nelson of Frankfort, Michigan, a sprightly little miss, scattered rose petals from a small basket as the bride and groom proceeded to the altar.

The bride, who was given away by her father, Mr. Cecil Huntley, was beautiful in a charming gown of white satin and lace which hung in an uneven hemline, and a veil of white tulle, fashioned cape shape, held in place by an ornament of pearls. Her flowers consisted of an arm bouquet of white roses and swansons.

The bride was attended by Miss Eleanor Watson of Flint, sister of the groom, who appeared charming in apricot satin and carried an arm bouquet of ophelia roses and orchid baby chrysanthemums. The groom was attended by Theron G. Reley of Flint. Both groom and groomsmen were attired in conventional black.

Mrs. Cecil Huntley, mother of the bride, wore brown georgette and lace, while Mrs. Alexander D. Watson, mother of the groom, was gowned in green transparent velvet.

Mr. and Mrs. Benjamin Van Raalte, uncle and aunt of the bride, were master and mistress of ceremony.

A wedding reception followed the services when the guests were entertained. Pink roses and tapers were the embellishments that ornamented the center of the bride's table.

Mr. and Mrs. Watson left immediately after the reception for the southland on a motoring trip and will be at home to their many friends at Flint, Michigan, after December 1st.

Mrs. Huntley Watson is a very popular young lady in the younger set, is a graduate from Holland high school, was a student at Hope college and Western State Normal, and has been instructor in the public schools of Frankfort, Mich., in the kindergarten department.

Mr. Watson is a prominent insurance man at Flint.

The out-of-town guests were: Mr. and Mrs. W. D. Clock, Miss Anna Clock, Charles Clock, Osego; Mr. and Mrs. Adrian Buys, Grand Rapids; Mr. and Mrs. J. E. Nelson, Beverly Jane Nelson, Frankfort; Mr. and Mrs. J. C. Wall, Mr. and Mrs. Harold Wall, Mr. and Mrs. Harris Meyer, Mr. and Mrs. Edw. Sawyer, Jr., Mr. and Mrs. C. Ver Cies, Kalamazoo; Mr. and Mrs. N. Yonkman, Fort Wayne, Ind.; Mr. and Mrs. John Bos, Chicago, Ill.; Mr. and Mrs. T. Van den Brink, Zeeland; Mr. Cris Grug, Urely, Mich.; Miss Lucille Watson, Forest Hills, Long Island, New York; Miss Margaret Wall, Detroit; Mr. and Mrs. Jack Learman, Harbor Beach; Mr. and Mrs. Frances Kinney, Kenneth and Francis Jr. Kinney, Royal Oak; Mr. and Mrs. Alexander D. Watson; Mrs. William G. Finlater, Miss Jola Kreeg, Mr. George Smith and Mr. Harold O'Neill, Flint.

The board of foreign missions in the Reformed Church in America is the beneficiary of \$1,000 through a gift of an anonymous donor.

An Armistice Day program was held at Holland Christian high at 8:30 in the morning. There were musical selections by Catherine Fredericks and Lois Van Fausen. Dr. Heyns gave a talk on the World War and there was group singing of high school and patriotic songs. The same program was given in Junior high at 10:30 in the morning.

Now Zeeland Will Attempt Winter Sports

WANTS SKATING RINK ON
LEGION FIELD

Holland has made a modest beginning with winter sports, thanks to John De Bly, and now Zeeland is getting the "bug." The matter is being fostered by the Zeeland Exchange Club and this organization intends taking the matter up with the Zeeland "city fathers" next Monday. It was suggested that a skating pond be flooded right in the heart of the city, but this open space has been allotted to the parking of cars and no doubt will meet with opposition from the business element on Main Street.

The old brick yards of Veneklaan, west of Zeeland, has been suggested, for here are large bodies of water where gravel and clay pits were before and when frozen over nothing but the shoveling of snow is required. There is some objection to this place, since it is so difficult of approach and is also quite far from the city.

The place most favored is the new Legion Athletic Field. It is proposed to flood this field, place lights about it and provide places to park cars. There is also talk of charging a small admission fee, enough to keep the place in shape. Anyway, the winter sport "bug" is buzzing in Zeeland, and since this town has always been wide awake on sports of all kinds, no doubt a spot for healthful out-of-doors recreation will become a fact this winter.

ZEELAND FOLKS ARE GREAT READERS

The circulation of books from the library reached the highest number in its history during the past month of October. A total of 1927 books were withdrawn. Sixty-one magazines were circulated and 37 new readers were registered. The largest daily circulation was 141. The fines for the month amounted to \$5.34. The circulation for the month of October for the last three years has been as follows: Number of books 1496 in 1927; 1577 in 1928; and 1927 in 1929.

FORMER HOLLAND MAN DIES IN MILWAUKEE

The death of Peter Henry Ogel occurred at Milwaukee, Friday, rather unexpectedly. The Ogels, who were well known in Holland moved from Kalamazoo where they had spent a lifetime, to make their home in Milwaukee where Mr. Ogel was employed with the Fuller Mfg. Co. This company had recently changed their location from Kalamazoo to the Wisconsin city.

The Ogels had scarcely settled, when Mr. Ogel suffered a stroke of paralysis from which he never completely rallied. Death following a month later. The body was taken to Kalamazoo and the funeral was held from the large congregational church where he had been an official and a member for a number of years. Mr. Ogel is survived by a widow, one daughter, Winifred and one son, Henry. One brother, John, of Kalamazoo and one sister, Mrs. R. W. McLaughlin, of Brooklyn, Mr. Ogel was 62 years old, was born in Holland, Mich. and had a large number of relatives and friends in this city.

The Grand Rapids Herald of Sunday pictures Cornelius Kamps and Albert Kamps of Zeeland, two of a party of four hunters who bagged 8 ring-neck pheasants and 4 rabbits in a day's hunt. The photo shows the game shot down at a lively rate at the office of Wm. Wilds, county clerk, and when the season opens on Nov. 15, there are many local men who will probably be in the north ready to get their buck.

Mr. and Mrs. Wm. Wit and son of Flint were in the city called by the death of Nicholas J. Whelan, Jr.

The fall session of the Consistory of the Reformed Church of Zeeland will be held Nov. 18 at Fifth Reformed Church, Grand Rapids. Prof. E. Kuizenga of Western Theological Seminary will be the principal speaker.

Niel Wolrding and Ralph Flowers picked up a message Friday afternoon which may have been from one of the ill-fated steamers recently sunk in Lake Michigan.

It was found on the shore of Black Lake and consisted of a small piece of cloth nailed to a piece of wood, torn and incomplete, with the words, "Boat is sinking—God" written in ink.

Grand Haven state police have been asked to aid in the search for Forrest Morton, of Shawano, Wis., 26 years old, who disappeared from the home of relatives at Holland Wednesday morning.

The request for aid was made by the young man's sister, Mrs. Bert Shoemaker, 312 North 21st St., Holland, with whom Morton was visiting. Mrs. Shoemaker told the police that he left her home Wednesday morning at 9 o'clock saying that he would return in a short time. His traveling bag and clothes were left behind.

This is the first time that Morton has been seen in more than 10 years and she is worried over his whereabouts.

He was described as being five feet, 11 inches tall, 180 pounds in weight and having light brown hair, blue eyes and the tip missing from one finger.

FORMER MAYOR AND SON EX- PECT TO GROW 10,000 POUNDS FIRST YEAR

A mushroom plant is the latest addition to Holland's industries. Two buildings constructed of concrete blocks, 16 by 50 by 15 feet, equipped with 3,000 square feet of mushroom beds, have been completed and the first product will be ready for market within two weeks.

The plant was launched by former Mayor Henry Brusse and his son, Julius Brusse, and the latter will take charge of the industry. It is equipped with a hot water heating plant and all modern apparatus for the growing of mushrooms. The product will be sold to commission merchants.

The industry is located in the Diekema addition on West 20th street and is an innovation in western Michigan. Mr. Brusse estimates the output for the first year will approximate 10,000 pounds. The industry will be developed and enlarged.

The Ladies' Literary Club of Zeeland has secured the services of the Symphonie Levie Producing Company of Bardonia, Kentucky, to stage "The Womanless Wedding" which has been put on so successfully in our neighboring towns. Many prominent local business men will be invited to take part.

TO GIVE SERIES OF SERMONS ON THE BOOK OF REVELATION

Rev. J. Lansing, pastor of the Immanuel church, will begin a series of sermons Sunday evening on the "Book of Revelation." Mr. Lansing will teach Revelation from a large chart, making it easier to understand and yet proving all things from the Word of God. Mr. Lansing in taking up the book of Revelation states there seems to be a great deal of confusion concerning the Book of Revelation and has been set aside as a mysterious part of the Word of God, little recognized, held as of little or no importance to the church today. Many Christians have lost sight of it and have thereby missed the blessing which it contains. It is not a hidden thing but the Revelation of Jesus Christ and is as necessary to the spiritual life and growth of God's people as the Four Gospels or any other part of the Bible. Sunday morning Mr. Lansing will continue in his morning messages on the "Twelve Sons of Jacob," his topic being, "The Lion of the Tribe of Judah." A special song service and special music will precede the messages. On Wednesday evening the meeting place of the Bible class will be changed to the third floor of the Vander Veen building, 20 West Eighth.

Weather Man Fools the Duck Hunters

Cold Storm Needed To Give Nim-
rods Chance At Waterfowl Under
Right Conditions

The weather man has mussed things up considerably for the duck hunters this year. Many years our northern lakes are frozen stiff enough during the first week in November or earlier to cause the ducks to be on their way. But this year cold weather has held off longer than usual.

There are lots of ducks. All reports agree as to that. And most of the marshes, particularly those adjoining the Great Lakes, are well watered; but except for those storms which caused such havoc to shipping on Lake Michigan there hasn't been duck hunting weather. We haven't had a good cold blow with snow spitting in the wind. That's what makes duck hunting.

Incidentally that is also the kind of weather that is needed for those hardy gunners who make wild geese their quarry. A few flocks of geese have come down from the north. But if the big migration has started the honkers haven't taken the trouble to stop off in western Michigan.

During the last week, especially on Tuesday and Wednesday when clouds hung low with a stiff wind blowing, there was a great flight of ducks at Black Lake. One flock that dropped in on the lake for a brief rest seemed to count at least 600 and numerous small flocks were moving.

MRS. HOFSTEEN DOES RED CROSS WORK IN SCHOOLS

The Junior High School, under the supervision of Mrs. N. Hofsteen, has again started its annual roll call for the Red Cross. The sale of the Red Cross buttons is conducted in each room, and already many of the rooms have 100 per cent subscription. Besides buying the pins each room is given a Red Cross box, which pupils are to fill with small gifts.

NOTES FROM THE COUNTY AGENT'S OFFICE OF ALLEGAN COUNTY

The leaders training school for the local leaders in 4-H Club Work held in Allegan on November 5 was a decided success.

Owing to the number of clubs in the county and the difficulty involved it is impossible to visit each club. The State Club Leaders and the county agricultural agent urge that the clubs select a representative to be present at these leaders training schools.

To show the different clubs the impossibility of visiting each club, on November 6th the state club leaders traveled 119 miles to visit 6 schools in the county. With over forty clubs in the county it can easily be seen why an indi-

The Melancholy Days

vidual visit cannot be made to each club.

On November 21, at 10 A.M., a dynamiting demonstration will be conducted on the farm of W. W. Truax, two and one-half miles south of Allegan, on M. 40, 1 mile west and one-half mile south.

In the afternoon at about 2:00 o'clock there will be a demonstration on the Muck farm of H. MacDougall, four miles east and two miles north of Martin. Any one interested in blasting on muck soil should be present at the last demonstration.

A survey is being made in the county of saleable white oak, walnut and cherry. The white oak should be 24 inches in diameter. The information can be sent directly to R. F. Kroodsmas, Extension Forester, Michigan State College, East Lansing, Mich.

Mr. and Mrs. G. Hilton of Cadillac were Holland visitors for a few days.

Mr. and Mrs. John Veldheer and grandson, Edgar Ogden, spent the week-end in Kalamazoo.

Mr. and Mrs. C. Celtings of Sawyer spent a few days in Holland visiting relatives.

GIVES AWAY ONE THOU- SAND DOLLARS IN PIANOS

Rather an unusual occasion arose at the Holland High school and at the Holland Christian school this week when Cornelius Dornbos, representing De Vries & Dornbos Furniture company of Holland, visited both schools and stated that he had an unusual announcement to make. Naturally the pupils were all attention and you could hear a pin drop, so attentive were the students.

At the Christian school Mr. Dornbos announced that Miss Elvira Louise Boersma, 66 East 21st street, age 12, had won a grand Gulbransen piano worth \$750. The young lady was so surprised when the announcement was made that she laid her head on the desk and began to sob. She couldn't begin to realize the reasons why she should have been chosen as the winner in an essay contest.

When Mr. Dornbos had completed his little talk the pupils became so enthused and muttering it in the words of Mr. Dornbos, "They nearly raised the roof."

From the Christian school Mr. Dornbos went to Holland high school where the pupils were equally surprised when it was announced that Miss Katherine Boersma, 415 West 22nd street, had won an upright piano valued at \$300. The young lady, who was 15 years old, could scarcely express her thanks because of her surprise and pleasure at being the winner.

It will be remembered that the Gulbransen Piano company of Chicago staged an essay contest in which the pupils of all schools, public or denominational, were eligible. The district embraced all of Holland and vicinity, including the rural and Zeeland schools and Hope college. Several hundred essays were received and were judged not by local judges but by judges selected in Chicago by the Gulbransen company, who judged the essays on three points: the number of reasons, soundness of reasons and the neatness of the essay. The essays were judged on merit by judges who knew none of the contestants. This was done at the request of the De Vries & Dornbos Furniture company so there could be no possible chance for partiality being shown. Miss Boersma gave sixty-nine

reasons "Why the Study of Music Benefits Every Child." Miss Boersma brought out eighty-four reasons on this subject.

A new contest will soon be in progress, starting November 15th, continuing until December 1st, when contestants are privileged to write essays on the following subject: "Music Helps Children." The main object is to find out how many words can be made up from the letters contained in the above slogan. This is all explained in an announcement found elsewhere in this issue.

The pianos won by Miss Boersma and Miss Boers are on display in the show windows of the De Vries & Dornbos furniture emporium on East Eighth street.

H. J. HEINZ CO. OF HOLLAND AND PITTSBURGH SHIPS SOLID TRAIL LOAD OF 57 VARIETIES TO ONE COMPANY

What is said to be one of the largest movements of canned foods this year has just recently been shipped from Pittsburgh, Holland, and other plants of the H. J. Heinz company to the Kroger Grocery & Baking company.

The purchase consisted of a solid trainload, about fifty cars of Heinz merchandise. The Kroger company will distribute these foods in one week's time from over 5000 stores. While the purchase of this amount of merchandise is by no means an exceptional incident, it is a surprising quantity of any one brand to be distributed through one organization within one week's time.

HOLLAND RED CROSS HEAD SEES SUCCESS FOR DRIVE

Mrs. Gerrit J. Van Duren, executive secretary of the home service section of the Red Cross for southern Ottawa County for 12 years, Monday announced the formal opening of a campaign for a quota of \$2,400. The roll call will end Nov. 28. Mrs. Van Duren predicts Holland will go over the top as in previous years. The junior roll call has been a success and for the funds collected Christmas boxes will be sent to European schools.

BABY IS BORN WITH 2 TEETH

When Mrs. Daniel McLaughlin, living near Fulton, Ia., gave birth to a daughter Wednesday, the child had two well-exposed incisors. Physicians thought it best to remove them and a dentist was called in. The operation was successful, but the forceps were necessary to take out the teeth. This is the second child born here in the last year with teeth, which it was necessary to remove.

LECTURE COURSE NUMBER REMINDS ONE OF COURSE NUMBER 20 YEARS AGO

Nellie Verne Walker, well-known sculptor and lecturer, will give her extraordinarily interesting lecture, "A Sculptor's Studio," here, Friday evening, Nov. 22.

This is the second number in the College Lyceum course, and will prove the most interesting and educational event of its kind since the days when Lorado Taft, America's greatest sculptor, gave that interesting lecture-demonstration in Hope's former chapel. Nellie Verne Walker is associated with Taft in his great studios in Chicago.

Miss Walker is one of the most notable women sculptors of the day. She has a splendid gift of characterization and this, as well as her control over line and mass, has made her work notable in the plastic art.

Miss Walker follows no fads in her art. She works out original ideas in a style that is graceful without the loss of strength, dignified without stiffness. Her work is possessed of enduring beauty and vigor, for it is the product of a woman's determination, courage, sincerity and idealism.

In her lecture-demonstration Miss Walker discusses the sculptor's art and methods of work, and, with the aid of an assistant, reproduces a sculptor's studio upon the platform.

The pianos won by Miss Boersma and Miss Boers are on display in the show windows of the De Vries & Dornbos furniture emporium on East Eighth street.

Surviving her are her husband and three brothers, Manus of Muskegon, Harm of Holland, and Lewis of Graafschap. Funeral services were held Wednesday in Dykstra funeral home. Dr. J. C. Willis, pastor of First Methodist church officiating.

His subject will be, "A Poor Relation." ALLEGAN COUNTY A. A. IS DISBANDED

After an existence of 29 years the Allegan County High School Athletic Association is a thing of the past. This action was decided upon at a meeting of the three major schools, Allegan, Otsego and Plainwell, held at Otsego. Lack of interest on the part of the six smaller high schools and the superiority of the three larger and stronger schools was the principal cause assigned for the action taken. The financial stress of the past two years was also a contributing cause. Allegan will issue invitations to Otsego and Plainwell to join in holding a field and track meet in Allegan next May and this courtesy is also to be extended to two or more outside schools.

SURELY SOME FIERCE DEBATES

Maroon and Orange. — Members of the fifth-hour public speaking class were very highly entertained Tuesday afternoon by a chorus of sparrows which sang very sweetly to them during the study period. Hundreds of birds had congregated in the ivy vines on the walls of the school and in the surrounding trees, and seemed very much excited by their chance to sing before a public speaking class. Some of the musicians were so bold as to try to enter through the windows; but after one look at the famous orators peered within, they changed their minds and decided to remain outside.

Camels are for knowing smokers!

It's just too bad if any smoker because of misinformation denies himself or herself the pleasure of CAMELS.

New smokers are not always in a position to have a real preference in cigarettes. But when they acquaint themselves with Camels they develop that sense of discrimination that leads to real smoking pleasure. Camels are made so carefully and of so good a blend of choicest cigarette tobaccos that even those with inexperienced smoking taste quickly recognize their superiority. They are for those who appreciate the taste of choice tobaccos, the fragrance of a perfect blend and the soothing mellowness of a really satisfying cigarette.

when they learn the difference they flock to Camels

Railways and The Telephone

A freight train puffs quietly on the siding—waiting—the outlines of the cars showing dimly through the darkness. A minute passes—two—three. Then over the night air floats a muffled whistle. Far down the track a light appears. The rails begin to hum, the light grows bright, and a passenger train roars past, windows gleaming. Then the freight comes to life and the long, shadowy outline moves away.

Four million persons in Michigan are served by this steam transport system—four million persons rely upon it, and upon its worthy partner, the electric railway lines. Michigan desires the prosperity of these efficient and progressive railways, for only as they prosper can they serve.

Over hill, across valley—paralleling the rails or following the highways—go the telephone wires, freighted with the spoken commands of industry, agriculture, finance and business.

Railways and wireways traverse the land as partners in progress. Upon the one you depend for the transportation of yourself, your family and your goods. To the other you give your voice to be flashed immediately, one mile or thousands, from your home or your office.

The great rail transportation systems and the universal service of the telephone are vital factors in this country's development and prosperity.

Our policy—"To continue to furnish the best possible telephone service at the lowest cost consistent with financial safety."

HOLLAND HIGH GARNERS ANOTHER VICTORY AT KALAMAZOO

Coach Bud Hinga's surprise eleven, with only one defeat chalked against it this season, continued its reputation of setting back high-powered grid squads of the state when it turned in a 20 to 0 triumph over Western State high at Kalamazoo Saturday. The Maroon and Orange warriors ran roughshod over the opposition and scored almost at will.

The passing attack, which was clicking perfectly, coupled with the off-tackle thrusts of the fast Holland backs, gave the Hinges a varied attack. Capt. Bonnette's punting and his line plunges probably made him the outstanding player, although the other backs, Van Kollen and Beckman, had a gala day. Quarterback "Ted" Van Zanden's consistent sharing of passes throughout the fray thrilled the spectators. Bonnette romped over for the first touchdown after a steady advance down the field and from then on the result of the game was never doubtful. Noting a 40-yard run and a beautiful catch of a pass by Van Zanden from Bonnette brought the crowd and a line plunge by the elusive quarter added the point. The half ended 13-0.

Staff of Kalamazoo Normal Intercollegiate football game at the outset of the second period and raced 60 yards to the Holland 15-yard stripe, where it reformed the combined efforts of Bonnette and Beckman to down him. The Holland line again held like a stone wall and the gain was fruitless.

Beckman resumed the coming with the third marker after a wide sweeping and run which was good for 25 yards and the touchdown. Eddie Landwehr scored one of Bonnette's passes and added the 15 yards between himself and the goal for the last marker. Coach Hinga substituted freely during the remainder of the game and the contest ended with first downs in favor of Holland, 11 to 3.

AN EGG A DAY

An egg a day keeps the butcher away is apparently the popular slogan for modern hens as shown by the final records of the International Egg Laying Contest at Michigan State College. The best laying record, 319 eggs, was made by a White Leghorn hen owned by H. A. Keister, Bangor. Thirteen other birds laid more than 300 eggs during the year. High pens, by points, in the various breeds were owned by Pinescroft Poultry Farm, Kalamazoo, Ontario, Barred Rocks 2188 eggs; Elmer Haines, Vassar, White Rocks, 1729 eggs; West Neck Farm, Huntington, N. Y., single comb Rhode Island Reds, 2426 eggs; C. N. Whittaker, Lawrence, rose comb Rhode Island Reds, 1981 eggs; A. J. O'Donovan, Katonah, N. Y., White Leghorns, 2424 eggs.

Lesson for November 17

LIVING WITH PEOPLE OF OTHER RACES

LESSON TEXT—Acts 10:1-15, 26-35, Gal. 3:28, 29, Ruth 1-15, John 4:1-10, Rom. 1:14.

GOLDEN TEXT—Of a truth, I perceive that God is no respecter of persons, but in every nation he that feareth Him and worketh righteousness, is accepted with Him.

PRIMARY TOPIC—Friends of Many Races.

JUNIOR TOPIC—Friends of Many Races.

INTERMEDIATE AND SENIOR TOPIC—Treating Those of Other Races as We Should Like to Be Treated.

YOUNG PEOPLE AND ADULT TOPIC—The Contribution of Various Racial Groups to a Common National Life.

I. God is No Respector of Persons (Acts 10:34).

The approach to the heart of this lesson is through the Golden Text, Paul declared on Mars' hill, "God hath made of one blood all the nations of men to dwell on all the face of the earth" (Acts 17:26). The recognition of this supreme truth will take away all thought of racial superiority. God in choosing Israel did not show favoritism. They were rather chosen and disciplined in order that they might be the means of bringing the knowledge of God to all the nations of the earth.

II. Examples of Racial Harmony.

1. Ruth, the Moabitess (Ruth 1:1-18).

In the days of the Judges, because of famine in Judea, Elimelech and his family went to Moab to find subsistence. While there his two sons married Moabitish women. Not long after, the father and the sons died, leaving three desolate widows. Learning that the famine was over, Naomi decided to return. Ruth insisted upon going with her and her determination was expressed in such wonderful words that they have become classic (Ruth 1:16, 17). She renounced her country and people in order to be identified with the people of the living God. In this we have an example of two very dissimilar people united as one.

2. The woman of Samaria (John 4:1-10).

The Samaritans were a mongrel people, not in favor among the Jews. This woman was not only of a despised people, but of a disreputable character. But when the word of God entered her soul she became a witness to her people of Christ, and the leader of a movement which prepared the way for the revival at the hands of Philip a few years later. So manifestly did the favor of God appear in Samaria that Peter and John came down from Jerusalem and gave to it endorsement. That which removed the barrier between the Jews and the Samaritans was the personal knowledge of Jesus Christ.

3. Cornelius, the Roman soldier (Acts 10:9-15, 30-35).

The Jews hated the Romans because they were under bondage to them. Peter, the head of the apostolic group, was a Jew of strong prejudice. The time had now come for the removal of the wall of partition between the Jews and the Gentiles. To do this God chose a high-grade and influential Gentile to make the transition. Cornelius was a devout and praying man, though not saved.

In removing this wall, two visions were given:

(1) To Cornelius (Acts 10:3, 8). While engaged in prayer, an angel from God announced to him that his prayers and alms had come before God as a memorial, and instructed him to send to Joppa for Peter, who would tell him what to do.

(2) To Peter (Acts 10:9-16). In his vision Peter saw a certain vessel containing clean and unclean animals, let down from heaven and heard the command, "Rise, Peter, kill and eat." Against Peter's protest God said, "What God hath cleansed call thou not common." This vessel let down from heaven and taken back again indicated that both Jews and Gentiles were accepted on high. The spirit of God bade Peter to go with the messengers of Cornelius. Upon arrival, Peter explained to Cornelius how God had removed his Jewish prejudice and then asked him to explain the purpose of sending for him. Being assured that they were ready to hear the message from God, Peter preached Jesus Christ in His life and death to them. In his sermon to Cornelius he set forth—

2. The basis of salvation—the death of Christ.

b. The scope of salvation—whoever believeth in Him.

c. The method of appropriation of this salvation—faith in Christ.

In endorsement of this message by Peter, the Holy Spirit was poured out and the gospel was now reaching beyond the Jews, there was a new Pentecost.

MEMORIAL SERVICE HELD AT COLLEGE

Friday morning's chapel exercises at Hope college were in the nature of a memorial for Nicholas J. Whelan, Jr., a member of the senior class of the college high school, who died last week Wednesday morning.

Rev. Paul McLean of the department of religious education had charge of the services and spoke of the deceased as a man of high ideals and a leader among his fellowmen.

The Scripture reading was the twenty-third psalm and in addition to this Rev. McLean read Tennyson's "Crossing the Bar," after which a male quartet rendered a selection. W. Curtis Snow closed the service at the organ with the playing of "Taps."

JUNIOR ROLL CALL PROVES TO BE SUCCESS

Mrs. G. J. Van Duren, head of the local Red Cross chapter, announced that the Junior Roll Call of the Red Cross, which the first week of September, has proven a success.

Each room of the grade schools and Junior High of the city and all the schools in the Holland school district were given boxes measuring 10 by 6 by 4 inches at the time the roll call began. These boxes were to be filled by the school children with the view of giving a Christmas box to students of grade schools in Europe.

These boxes are packed by the teachers after the pupils contribute their Christmas gift and are then brought to the local chapter office in the city hall. From there they are shipped to New York harbor where at the main office of the Red Cross the packages will be separated and sent to various European countries.

All the boxes of the local school must be in this afternoon so they can all be packed together in a large crate and shipped to the main office.

It costs the children only two cents to belong to the chapter, and they receive a small Red Cross pin showing that they are a member.

NIGHT WATCHMAN WAYLAIED AT GRAND HAVEN

Patrick Crane, night watchman of the Bastian Blessing Co., at Grand Haven, who was help up on his rounds is still confined to his home with severe head bruises and cuts following his encounter with two thugs, who slugged him on the head with a two by four plank, stole his watch and then beat it. Crane was making his round of the buildings when two men came up from behind and hit him on the head and shoulders so hard that he dropped. Crane told city officers. He did not quite pass out and described the men as of average build who wore overcoats. He could not give a description of their faces. A door leading to the tinshop was found open, which points, the officers say, to an inside job. Crane was paid on Saturday in cash. He fortunately had put the envelope under a nail keg in the storeroom before making his rounds. The building is always securely fastened at night, said one of the officers, but while the night watchman was going from one building to the other the men could have easily gained an entrance or they might have gotten in several other ways. Crane was dazed for a few minutes but finally gained his feet and notified the officers. There were no other signs of the maulers and no attempt to rifle any part of the building.

John Walker of Aurora, Ill., was the guest of his son-in-law and daughter, Mr. and Mrs. Francis Geiger.

New Highway To Knock Out Many Curves

THIRTEEN TURNS IN SAUGATUCK ROAD WILL BE STRAIGHTENED OUT

A road construction project of great interest to all South Ottawa and Saugatuck is being completed, and one that will prove of great value at the opening of the tourist season next year.

The new cut off on US-31 is being brought to a state of completion which will lack only some good weather next spring to entirely finish.

The cut off will eliminate 13 of the present short turns in the road in Saugatuck. These turns have been a source of a great deal of trouble to motorists and together with the narrowness of the road in many places have caused the community to suffer, many believe.

US-31 being the "main entrance" to the vacation land of Western Michigan there has been constant agitation to have the highway improved. The state highway department has given assurance that this project will be placed on their program at some future date, but this is at present indefinite, as is another proposal which would give a new route for the highway from Holland straight south for several miles then running diagonally into Saugatuck.

In the meantime the community of Saugatuck has donated the right of way in many instances and made other arrangements for the cut off which is now in process of construction.

Running in a straight line from the East Shore garage to the city limits of Saugatuck the new roadway will be a slab of concrete 20 feet wide and with the addition of an eight-foot gravel shoulder on each side.

Plans call for the careful grading of this shoulder so that the completed highway for the time being will be 36-feet in width.

The new stretch will connect some of the most beautiful scenic locations in this section of the state, including dunes of unsurpassed size and beauty and the drive along Black Lake.

All of the culverts have been poured on the new Saugatuck cut-off and the grading completed from the Saugatuck city limits about one and a half miles north. Only about 2,000 feet of grading remains to be done, according to K. B. Olson, who has the contract. This is being done near the East Shore garage and with favorable weather will be completed by Nov. 15 it is expected.

The equipment consists of three trucks and a crane. The contract calls for the completed job to be ready for use by June 15 of next year, but Mr. Olson said he hopes to have the work done considerably before that time as a matter of convenience to the tourists and people of Western Michigan.

The new cut off will cross the present road in three places, but these crossings will not be torn up until the new road has been completed, Mr. Olson said.

Mr. and Mrs. O. Haylett and Mr. and Mrs. E. Shaffer spent Sunday in Battle Creek.

Miss Bessie Kraker of Otsego spent the week-end with her parents in Holland.

DON'T PAY YOUR BILLS TWICE!

Tradesman:—"I want you to pay this bill. It is long past due."

Customer:—"Hold on a minute! My recollections are that that bill is paid!"

Tradesman:—"Have you a receipt how and when this payment was made?"

Customer:—"Yes, for I pay everything in checks and my check book will show conclusively that I owe you nothing."

This sort of conversation takes place often. No tradesman is infallible. A sloven clerk, a dishonest employee or a slight oversight during rush hours frequently bring about these errors.

If you haven't a checking account start one at the FIRST STATE BANK. Your return check is an absolute receipt for bills paid. It stands the test of the courts and it's the only sensible and business-like method by which you can conduct your business or your household affairs properly and economically.

A Checking Account teaches economy. You know every minute just where you stand financially.

In buying for the home it has a tendency to cut the corners against unnecessary expenses and waste. If you have a home budget tie it up with a Checking Account at the FIRST STATE BANK. You will find it a fine team through which to practice judicial and sensible economy.

In these days a crowd may burst in upon you at any moment. A friendly, boisterous greeting all around—and then a bee-line for the kitchen. Seriously—is your kitchen ready for this possibly critical audience? And when the evening is over, their opinion of your hospitality, your efficiency as a home manager, even your social standing in the community—is influenced, largely, by what they saw in your kitchen.

What Do THEY Think of Your Range?
