Council Sends Delegation To Washington, D.C.

BEN LIEVENSE THRU AMERICAN LEGION, MAKES APPEAL FOR POOR FOLKS

American Legion Band Is Remembered By City Council

The Council meeting last evening was not of long duration since there was a special council meeting held earlier to take care of the purchase of the fair grounds for cemetery purposes. At Wednesday night's Council, Ben Lievensen made an earnest appeal thru the American Legion asking the co-operation to collect old clothing, shoes, furniture and other articles that needy people need.

The Council also appointed Mayor Brooks and City Attorney Mc Bride as delegates to go to Washington, D. C., in behalf of Holland Harbor. Governor Green had already appointed Charles Mc Bride to represent the state of Michigan.

Elsewhere in this issue the official resolutions having to do with the buying of the fair grounds are given in full which is of vital interest to the citizens of Holland. There are many other interesting features found below as given officially by City Clerk Oscar Peterson.

Holland, Mich.,
November 19, 1930

The Common Council met in regular session and was called to order by the Mayor.

Present: Mayor Brooks, Aldermen Kleis, Prins, Brieve, Wolman, Hyma, Steffens, Habing, Postma, Jonkman, Veltman and Thomson, and the clerk.

Devotions were led by George Schilling.

Minutes considered read and approved.

Petitions and Accounts
Clerk presented communication from Burr L. E. Morris, 57 W. 2nd St., suggesting that the leaves which are gathered up from the streets be baled and sold for bedding for animals or fuel for furnaces instead of being put into the dump.

Referred to City Engineer with power to act.

Meinard Bader requested permission to have his premises at 31 West 1st St., connected with the sanitary sewer and come under the Compulsory Sewer Ordinance. Granted.

Fred Dyer, 129 W. 29th St., requested permission to come under the Compulsory Sewer Ordinance. Granted.

Reports of Standing Committees
Committee on Streets & Sidewalks to whom was given authority to secure bids on sewer pipe for 1931 reported having received two bids, one from John Good Coal Co. and one from T. Keppel's Sons, and recommended that the contract be awarded to T. Keppel's Sons, they being the lowest bidder. Adopted.

Committee on Claims & Accounts reported having examined claims in the sum of \$5,293.21 and recommended payment thereof. (Said claims on file in the Clerk's office)

Allowed.
Welfare Committee reported poor orders in the sum of \$269.00 for regular aid, \$325.00 for temporary aid; total of \$594.00. Accepted.

Committee on Civic Improvement to whom was referred the complaint about the smoke nuisance from the Gas Plant, reported having met with Mr. Groth, the manager, and found that since the installation of their new boiler and stoker, that conditions had been very much improved, and it was only about two days in the month when this new equipment was shut down for cleaning and the old boiler used that smoke (Continued on Back Page)

MRS. KOLLEN SPEAKS AT LITERARY CLUB
Mrs. Martha Kollen gave a very interesting resume of her trip abroad this past summer at the Woman's Literary club Tuesday afternoon.

The route that Mrs. Kollen followed, took her through the Straits of Gibraltar to Athens, Constantinople, Constantza, Palestine and Egypt.

From Egypt Mrs. Kollen returned to Europe, visiting the Netherlands, Oberammergau, Baden-Baden, Paris and thence to New York and home on the President Wilson.

Preceding Mrs. Kollen's travelogue, Mrs. D. B. K. Van Raalte rendered a group of songs including: Overtures—Rasbach; In the Luxembourg Gardens—Tronley; Farewell—Russell; and Salome's Aria from Herodias—Manenet. She was accompanied by Mrs. Martha Robbins.

Following the program Mrs. Jay Den Herter, president of the club, invited everyone to remain to tea.

The Health Lecture Service of the University of Michigan Extension Division has informed Principal Riemersma of the health talks to be given in Holland High this fall and winter. The first lecture will be given on Tuesday, November 18; the subject, "Accidents by Electricity and Water" will be treated by Dr. Leenhouts of Holland. The second talk will be given on Tuesday, December 16, by Dr. Westrate on "Accidents by Fire and Gas." The third address is on Tuesday, January 13, on the "Story About Teeth" by Dr. Van Verst. The last health talk will be presented by Dr. Nichols on "Burns and Bleeding Wounds" on the 17th of February. Last year under the auspices of the Health Lecture Service, there were given in connection with assembly programs, 474 health lectures in 106 high schools in the state.

Rev. Jacob Blaauw of Decatur has declined a call to Bethel Reformed church, Holland, as successor to Rev. E. H. Tanis, who recently assumed the pastorate of Immanuel Reformed church, Grand Rapids.

MINISTER AND MRS. DIEKEMA ARRIVE SAFE

Willis Diekema received a cablegram from his father stating that he and Mrs. Diekema have had a pleasant ocean voyage and are now safe in Netherlands. Mr. Diekema is feeling much better than when he left the United States.

MANY IMPORTANT MATTERS TRANSPIRE AT LEGION MEETING

The meeting of the Willard G. Leenhouts Post American Legion last evening was an important affair and was largely attended. Al Van Lente made a report of the trip to the Michigan Soldiers' Home at Grand Rapids where the band gave a concert for the inmates.

Ben Lievensen, former commander, gave a detailed report, showing the tremendous success of the Getz-Dempsey-Legion boxing show. Report on the Armistice Day banquet and demonstration was also brought up in the meeting.

The Legion is also co-operating with the city of Holland in gathering clothing and other useful things for the unemployed, full report of which will be found in the council proceedings elsewhere in this issue.

Commander George Manting will appoint a committee to take care of the details. The Legion requests the co-operation of every family in the city to gather old papers, rags, old furniture and old clothing, and by notifying the Legion, a collection will be made from the different places. Money gifts will be turned over to the city to be used for the poor and needy. Furniture and clothing will be handled by the Welfare department.

After the business meeting the members were favored with several selections by the American Legion quartette, one of the outstanding quartettes in the city of Holland and comprised of the following members: Bernard Kammeraad, Elmer Schepers, Morris Schepers and Joe Kramer.

Refreshments consisting of cider and doughnuts were served by K. P. Johnnie Althuis.

During the evening the following resolutions were passed:

The Willard G. Leenhouts Post American Legion resolves that the members wish to extend their most hearty thanks to George F. Getz and Jack Dempsey for their thoughtfulness in being instrumental in bringing to Holland one of the finest boxing programs this city has ever seen of which the proceeds go to the aid of needy ex-servicemen.

The Legion also wishes to thank Floyd Fitzsimmons, Emmerson Dickenson, the Holland Evening Sentinel and the Holland City News for their unstinting support. Willard G. Leenhouts Post American Legion

SCHOOL FINDS "OPEN HOUSE" A POPULAR THING

The officials of the Holland public schools have inaugurated what is called "Open House" and hundreds came to have a heart-to-heart talk about school work about their children and about future co-operation. The meeting was presided over by Mayor Theodore Van Zanden of Holland High. The High school band under the direction of Eugene Heeter gave several numbers of real good music and an address of welcome was given by Principal John Riemersma, who pointed out that co-ordination between parents and teachers would redound to the benefit of the pupils.

Next there was a sextette musical number directed by Miss Trixie Moore. A playlet of unusual merit entitled "Fur and Warm" given by the Kappa Delta Literary Society, was well received.

The folks then repaired to the gymnasium where a demonstration was given in boys' physical education with Leon Moody in charge. Following a second demonstration was given in girls' physical education under the direction of Miss Ethel Perry.

After that the parents were invited to visit the teachers in their respective rooms and there were many heart-to-heart talks on school matters some relating to the children of these parents.

These "Open House" affairs are becoming more popular with every recurrence and the one of Wednesday night was unusually well attended.

NEWS IS TO BE PUBLISHED EARLIER BECAUSE OF THANKSGIVING DAY

The Holland City News will be issued next week so all subscribers may receive their paper before Thanksgiving Day. The regular publication day of the News is Thursday evening and the entire News force is already thankful that the paper will not be issued Thanksgiving Day.

City Turns Down Voting Machine At Election

BUT STATE CAPITAL ADOPTS THEM — NEWSPAPER TELLS WHY

Holland, at the recent election, turned down the proposal for 12 voting machines and thus lost an initial payment of \$1,600. Lansing, the same day, voted in voting machines by a large majority and the Lansing State Journal tells the reasons why as follows:

VOTING MACHINES RETAINED
The substantial vote given for the retention of the voting machines may be taken to reflect well the good sense and power of consideration on the part of the voters. A very great many people were able to see clearly in spite of many superficial arguments that were used against the machines.

The votes for the machines were heartening on the side of democracy. The decision in the matter of the machines should have been such decisions as one of the prime purposes for which it is provided. The council was in position to take all the factors bearing on the matter under due consideration, set off one consideration against another, and so decide what was best for the business for the city. Instead of the city council doing its appointed duty in the matter, it played politics with the situation, and then its members got stood on their heads for their pains. One member of the city council openly bragged that after this election Lansing would never see voting machines again.

One of the superficial arguments used against the machines was that the ballot system makes more jobs and keeps money at home. That argument did not turn out so good, for many people must have realized that the naming of election boards is a large part of the petty patronage which the city council members wield to feather their own nests. The voters said that very well. They realized that the old ballot system calls for larger election boards.

Then, too, the voters well saw that after the machines had been partly paid for was no time to quit on the transaction. The voters could not take the whole record of the situation to the polls with them, but they could carry sufficient of the facts to make a clear-cut, business-like decision.

The machines were originally brought to Lansing not because they were an engaging new contraption, with mechanical appeal, but, rather, because they met a pertinent need of the city. Either the city had to greatly increase its election costs or else take on modern machinery that would keep it down. The machines demonstrated their worth. The act of throwing them out at the time of the primary was merely a stroke of petty politics. The voters put their stamp of disapproval on that.

Now that the machines are here to stay, it behooves every voter to get thoroughly posted and accustomed to their use. When a voter will go into a machine and remain there 10 minutes he ought to be disfranchised for lack of intelligence. Some of the instances of delay Tuesday were atrocious.

It must be taken into calculation, too, that, in spite of all admonitions to vote early, the peak load of voting comes late. There must be sufficient of the machines to carry the peak load.

State Senator Gordon Van Eenennaam was in Holland with his family yesterday preparatory to going on a deer hunting trip.

In the party will be Secretary of State Frank Fitzgerald, State Senator Campbell, State Senator Woodruff and "Junnie" Powers of the Patriot Free Press. They will be located in a camp near Galord, near the Straits and will be away ten days, going and coming by automobile.

NEW FINANCE COMPANY COMES TO HOLLAND
John Mikula of Ionia has opened what is known as the Holland Loan Association in the Model Drug Store building. Mr. Mikula was formerly president of the Fidelity Finance Co. of Ionia and Grand Rapids, and has been in the finance business for the past eleven years.

Mr. Mikula is well known in Ionia, the city of Governor Fred Green, and also has many friends in financial circles in Grand Rapids. He intends to make Holland his future home and will move his family to this city when the next school semester begins so his children can start at the proper time in our local schools.

WOLBRINK STORE AT ALLENDALE IS ENTERED AGAIN; \$200 IN MERCHANDISE IS TAKEN; 150 HENS ALSO STOLEN

For the fourth time within a few months, Wolbrink's Store at Allendale was entered some time before Saturday night and Sunday morning and about \$200 worth of merchandise stolen. Entrance was made through the coal bin and a car, evidently backed up to the rear of the store, was used for the getaway.

Officers were sent for and every means is being used, they say, to track the thieves. Clothing, shoes, cigarettes and groceries were taken. The store carries a very large stock. It is not isolated as there are several homes nearby. No evidence of the theft was noted by anyone nearby. Windows all around have been heavily barred but the thieves, who officers believe are the same ones every time, seem to know where to break in.

Avery Scott of Allendale reported the loss of 150 pullets from his farm near Allendale on Sunday night. The chicken coop was cleaned out and the owner was unaware of the loss until he opened his coop to feed the chickens and found the coop practically empty.

Louis Vieling of Nunica was arrested on Saturday for stealing corn from William Grey of Nunica. He was brought to the county jail at Grand Haven and was arraigned before Justice C. E. Burr.

FIFTY YEARS AGO TODAY
The sleigh bells are ringing. The "young bloods" are out with their cutters.

Summer is over and it has been decided that cows can run at large again in Holland. Will we ever grow up?

The schooner, A. Plugger, limped into port in a snow storm. Navigation in this harbor seems never to be over until ice comes. The Plugger will anchor in Black Lake and be stripped for winter. Welcome home to our gallant sailors!

Among our social events we can mention the marriage of E. Bolhuis to Miss H. Varmark, Rev. D. Broek performed the marriage.

The "Saugatuck Jolly Companions" will hold their first grand reception at Odd Fellows' Hall in this village, Thanksgiving. The music will be furnished by Coates' full orchestra band. Note: The article does not state how full.

Mrs. Hattie Lokker of Graafschap was granted a widow's pension of \$8.00 per month.

Through the agency of John Nies Cornelius Claus, R. D. No. 4, Holland, was granted a \$2.00 per month extra soldier's pension. He now gets \$10.00.

Miss Anna Dehn, 221 West 8th St., was happily surprised by a company of children including school pupils. The evening was spent in games and music. The teacher was presented with a lovely salad dish. Those present were Eva Leenhouts, Ruth Blekking, Ruth Reidsma, Alice Tasker, Walter Zwemer, Wilfred Jaki, John Haan, George Frutt and Franklin Boot.

The new annex to the Third Reformed Church costing \$3,000, was dedicated. The new addition includes a large lecture room, a library, kitchen and rest room. The seating capacity is 250. Dr. G. H. Dubink is in charge of the services.

A marriage license was issued for Klaas H. Van Kampen, 23, Holland; Martha VandeTuck, 24, Holland.

There was great commotion at Hope chapel when Dr. G. J. Kollen, the president, announced the gift of \$100,000 from Ralph and Elizabeth Voorhees to establish a dormitory for the girls to be named Voorhees Dormitory. Note: Well, the "dorm" is all beats! and more beats! Everything is covered with them. The long sheds are filled and now Mr. McLean has ordered them dumped along the railroad track. The sugar factory is a busy hive of industry.

DR. WESTRATE BUYS BUILDING ON EIGHTH STREET — REMODELING BEGINS
Dr. Wm. Westrate has purchased the double store now occupied by the Borr Shoe Parlor and the Columbia Hat Cleaners on West Eighth Street. The bowling alley on the second floor was discontinued and the proprietors moved the outfit to Plainfield.

Extensive remodeling started today on the second floor where the doctor will have his offices in the future. Five rooms will be devoted to his practice, namely a waiting, reception, examination, laboratory and a room for physiotherapy. When Dr. Westrate has these offices completely remodeled these will be as fine as anything in the city. There will also be two living rooms in the rear of the building, which is 26 x 104.

No, City Was Not Bombarded
Saturday morning there was quite a commotion in the air above Holland. There were many explosions and folks from Holland and the entire countryside were rather puzzled, asking the reason why. There was no war, only in South America, and detonations surely could not be heard from there. The Holland explosions, however, were heard beyond Zealand.

No danger, however — Manager McCleery of the Chevrolet Motor Sales and Service Co., on Seventh Street, was having his little inn. The company had just received the new '31 Chevrolet models and Mac used this method to broadcast for miles around that the new motor car was now ready for inspection. The bombs were touched off from the roof of the company's store in regular pyrotechnic fashion.

HOLLAND DENTIST TO LECTURE BEFORE ZEELAND SCHOOL PUPILS
For the benefit of the Zealand school, the student body and the general public, a series of lectures on various phases of health has been scheduled for this winter. The lectures will be purely of an educational nature, instructing people on how to conduct themselves in emergencies.

The series consists of four lectures to be given during the course of the school year. The first lecture will be on the subject "Story About Teeth" to be given by Dr. Van Verst from Holland. The lecture will be given on Friday, November 21, at 8:30 a. m. Other topics to be discussed are "Accidents by Electricity and Water," "Accidents by Fire and Gas," and "Broken Bones."

State Senator Exchange Club Guest Speaker
RE-APPORTIONMENT DEFEATED AT POLLS, TO COME UP AGAIN NEXT SESSION

Gordon Van Eenennaam Tells Club of the Legislative Matters and Taxes

Zeeland Record: State Senator Gordon F. Van Eenennaam, of this district, was the guest speaker at the Exchange Club of Zeeland, at a meeting held last Monday evening. Mr. Van Eenennaam is the son of Mr. and Mrs. H. Van Eenennaam and was born and raised in Zeeland. Mrs. Van Eenennaam was formerly Miss Isla Pruim. Both are graduates of Zeeland High School and both studied at Hope College. Mr. Van Eenennaam graduated from the University of Michigan, where he received his Law degree. He was introduced at the meeting by Willard Claver, president of the Exchange Club, as possibly the youngest senator Michigan has.

In his address Mr. Van Eenennaam discussed the problems of legislation and especially emphasized the problems that confronted the last legislature. These same problems will, undoubtedly, be further discussed at the coming session.

He explained that the last legislature was called "tax-minded" because of the prominence of tax legislation. He told about the suggested system of taxation, namely, the poll tax, the homestead tax, the income tax, the luxury tax, and the sale tax. A committee appointed at the last session to study tax legislation, will report at the coming session and necessarily bring this question before the houses again.

Mr. Van Eenennaam explained that although the reapportionment amendment was voted down by the voters of Michigan, this question would necessarily come up at the next session, and he predicted some compromise.

Another problem he mentioned, that must be faced, was Congressional reapportionment, due to the fact that the 1930 census will give Michigan four more members. He also stated that he expected capital punishment to again be an issue.

The next meeting of the Exchange Club, on December 1st, will be in the nature of the annual Father and Son Banquet.

"HARD TIMES" BRINGS OUT FEWER DEER HUNTERS
Indications are there will be fewer deer hunters in the field this year. A survey of places where licenses are sold in Western Michigan, made late in the week, showed fewer tags issued than last year, and it is probable this situation is identical throughout the state.

One conservation officer probably hit the nail on the head when he said there were quite a number of men making the trip for the first time, because they hadn't anything else to do, but that there were many of the old-timers who were forced to stick close to the jobs at home. In Ottawa county the hunting licenses applied for are way below other years. Not so many as usual have gone hunting from Holland this year.

MARTIN MAN AND WIFE FACE CHARGE OF ARSON
Mr. and Mrs. Clarence Grinage, both 42 years old, demanded examination when arraigned today before Justice Fidus E. Fish on an arson charge. A hearing was set for Nov. 24 with bonds set at \$1,500. Their arrest followed destruction by fire of a barn on their farm last Sunday.

It will no doubt develop at the hearing whether the defendants are guilty or not guilty.

FORMER ZEELAND GIRL GIVES PARTY
Zeeland Record: Miss Anna Krol, formerly of this city, entertained a few friends at her home in Holland last Friday evening.

Those present were Mr. and Mrs. Henry Stoepker, Mr. and Mrs. H. Krol, Mr. and Mrs. C. Van Dyk, the Misses Anna Dykema, Ella Hoffman, and Henrietta Dekker, and Messrs. Albert Gebben and Frank Diepenhorst, all of Zeeland; Mr. and Mrs. John Krol, Misses Florence Vande Water and Anna Krol, and Messrs. Roy Bleeker, Ben Krol, and Albert Nienhuis, all of Holland.

A two-course lunch was served by the hostess, and some fine music was rendered by Mr. Gebben. All enjoyed the good time very much and returned home at a late hour.

GRAND HAVEN NIGHT SCHOOL SHOWS AN ATTENDANCE OF 128
The Grand Haven night school opened last night with an enrollment of 128. This is an increase of 19 over the first night's enrollment of last year.

Among those whom enrolled are a mother and three sons, also two boys and their sister who recently came here from a foreign country.

The school has a faculty of nine. The enrollment in the various departments are: Mechanical Drawing, 14; Shortland, 8; Typing, 24; Beginners' English, Spelling, and Arithmetic, 12; Manual Training, 14; Cooking, 8; Sewing, 15; Art, 9; Public Speaking, 12; Bookkeeping, 12.

CALEB VERDUIN BRINGS NEW TUG INTO GRAND HAVEN
The new tug, "The Mary G." has been purchased by Caleb Verduin of Grand Haven and was brought to that harbor this week from St. Joe, from which port he sails. Mr. Verduin, who is in charge of a tug owned and operated by the Construction Materials Corp., would make no statement as to what he will do with the tug, but intimated his sons might engage in the fishing business. The tug is 40 feet long and equipped with steam engine. It is a rood looking craft and is a nice addition to the local fleet. The new owners do not contemplate a change in name.

The Reckless Driver

There is not much consolation for the reckless driver in the action of the state supreme court, which a few days ago came out strongly for the validity of the negligent homicide act. Heretofore the court had been divided on this question, with the result that many prosecuting attorneys were reluctant to prefer charges under the act against drivers of automobiles included in fatal accidents.

Although we have no speed limit under the Michigan law, the driver of an automobile is supposed to have his car under control all the time. The court by its latest ruling says that this is all that a jury needs to know in deciding whether a driver was negligent or reckless in causing death.

The law says in effect: "You may not drive recklessly, you must have your car under complete control, you must be able to stop within the assured clear distance ahead, and if there is an accident, your failure to stop is prima facie evidence of recklessness on your part."

ADVANCING TOWNS

The reason why some cities and towns make a rapid advance in population and wealth is not usually because of their very superior natural advantages. In the majority of cases it is because such towns are provided with the leadership of enterprising and active people. These folks in their own private business, are not satisfied unless the sales of their product keep increasing. They are incessantly studying how they can make new markets for their work and services.

In their function as citizens, these people are equally energetic. They are never satisfied with a community that is just standing still. They are always working for new improvements. They form and carry on active organizations for the public good, they communicate enthusiasm to their many followers, with the result that a public sentiment is created which feels that useful things can be done, and they are done.

MORE THAN 700 ATTEND VESPER SERVICES

Last Sunday witnessed the finest organ recital of the season. It was one of the series of vesper services given in Memorial Chapel, fortnightly, Mr. W. Curtis Snow, Collegiate organist, rendered a notable Wagner program, which was attended by over 700 people from Holland and environs. Even New York City was represented by Mrs. Dan Poling and others.

The program follows in detail, but it is difficult to say which number was most enjoyed, from the "Vorspiel" to the "Grand March," the Prelude to Act 3, from "Lohengrin." Perhaps we might say that the "O du mein holder Abendstern" from "Tannhauser," and the "Pilgrims' Chorus" from the same opera, were best appreciated, because these are quite familiar to a mixed audience. In both of these, Mr. Snow's registration produced effects so nearly akin to the orchestral that it did not take a wide stretch of imagination on the part of the listeners to think in orchestral terms of string, wood wind, brass wind, tympani and other percussion instruments.

Hope and Holland and the Reformed church trust that Mr. and Mrs. Snow will make our beautiful city their permanent residence.

The program follows:
 RICHARD WAGNER
 (Born in Leipzig, May 22, 1813; Died in Venice, Feb. 13, 1883)
 1. "Vorspiel" "Lohengrin"
 2. "Walter's Prize Song"
 3. "Die Meistersingers"
 4. "Forest Murmurs" "Siegfried"
 5. "Fire Magic" "Die Walkure"
 6. "Song to the Evening Star" "Tannhauser"
 7. "Pilgrims' Chorus" "Tannhauser"
 8. "O du mein holder Abendstern" "Lohengrin"
 9. "Prelude to Act 3" "Lohengrin"

HOLLAND MERCHANTS ARE PLEASED WITH "BUY NOW" RESULTS

"Opportunity week" is more than a name, according to reports of the Holland merchants. Executives of the Merchants' Association were greatly pleased with the local "buy now" program.

Sixty-five of Holland's needy unemployed went to work Monday morning with a like number to be added to the city payroll in a few days.

ATTENTION FARMERS AND THOSE WITHOUT GAS CONNECTIONS

We have taken in, through trade for gas stoves, a number of very excellent oil and gasoline stoves. Just the convenient and economical thing in places where gas connection is not available. We have about 25 of these stoves. They are all re-conditioned, have been gone over thoroughly and will give excellent service for years to come.

We are selling these stoves from \$5.00 to \$30.00. There is a tremendous bargain in any buy you may make in this lot. We simply have to move them to make room in our warehouse for new stock. If you have use for a stove of that kind you will never get a better bargain.

The Five-Day Week
Ludendorff Sees War
Hunting the Microbe
One Billion Ounces

Paul Masur of the firm of Lehman Brothers says the five-day week should be adopted universally, to concentrate working, selling and buying in five days, giving everybody two days to spend what they earn in health and efficiency. Such a plan, according to Mr. Masur, would encourage spending and increase buying at least 20 per cent.

The slump in employment should convince the feeble-minded that keeping out immigration does not "guarantee steady work for everybody in the United States."

To guarantee steady work you need buyers for goods produced, and to increase the buying you must increase the purchasing population. If this country had 50,000,000 more population of the right kind it would be 50 per cent better off in every way.

General Ludendorff sees another war in 1932. When it is over, according to his prophecy, "Germany and Italy will be crushed. Russia, England and Austria will side with Germany, but France, heading another group, will win."

That prophecy need not be taken seriously. The German generals had little idea of what was going to happen in 1914. They counted on a single victorious campaign to last a few months.

Man's occupation from the beginning has been hunting down his enemies to destroy them, or hunting other men and animals for food. Hunters at first used their own legs and hands, then horses, hounds, hawks.

Now they have changed from hunting the mastodon, driving the 25,000-pound mammoth into pits, to hunting creatures too small to be seen with the naked eye.

Austrian art treasures in Salzburg were exposed to destruction by minute worms, devouring priceless manuscripts and ancient carved wood.

Scientists exposed the worms for eighteen hours to the vapors of cyanide gas. The worms are all dead and the art treasures are safe.

A gentleman is here from China to borrow from the United States government one thousand million ounces of silver, worth about \$300,000,000.

China uses silver as money, and would be much obliged if Uncle Sam would lend a billion ounces.

Fortunately we are not in war days, when anybody could shove out American billions to foreigners. Congress must pass on the proposed Chinese loan, and will probably ask, "Do you want the money to feed your starving tens of millions, or to give your 500,000 soldiers their back pay and keep up the fighting?"

Captain Hawks continues to make other distinguished flyers look like ordinary "chickadees." He flew from Havana to New York in 8 hours 44 minutes, averaging 190 miles an hour, doing 600 miles at 210 miles an hour.

If men would buy stocks carefully selected, of sound value, as they buy real estate, within their means, every intelligent man today could lay the foundation of future independence.

But, in stocks or in real estate, if you gamble you are gone. Any one of ten million ghosts that float around the back door of the stock exchange at midnight could tell you that.

It pays to improve your city if the improving is done in even a moderately honest and efficient way.

After a long delay, New York and New Jersey decided to build a vehicle tunnel under the Hudson. In three years 31,000,000 automobiles have used the tunnel, paying \$15,500,000 in tolls.

The tunnel cost \$54,000,000, and is taking in \$6,000,000 a year. In 10 years it will pay for itself.

If cities were run by competent business men instead of being run, as is usual, by grafting and ignorant politicians, taxes would be cut down 50 per cent and more. Prosperity and values would increase gigantically.

The government has broken up a ring dealing in drugs to the tune of millions. Fifty thousand dollars' worth of narcotics were sold each week in laundries and restaurants in New York city.

Other drugs will be seized, and other men will go to jail, but the drug trade will not be broken up. When men can sell for hundreds of dollars' profit the contents of an overcoat pocket, men will be found to do the selling, especially as they themselves are often drug addicts.

The business world, including all publishers, will appreciate President Hoover's sound advice to advertisers.

Those with long experience in advertising know that its evils correct themselves. Advertising not founded on truth and value will not last. A good name, with advertisers as with women, is the most valuable of all assets.

A good advertisement must do five things, and do them all. If it fails in one it fails in all. It must make people see it, read it, understand it, believe it, want it.

Light Term Is Prospect for Circuit Court

NOT MANY CASES LISTED FOR TRIAL IN NOVEMBER COURT CALENDAR

The November term of Circuit Court for Ottawa County promises to be a quiet one, according to the court calendar just issued. The opening day was Monday, November 17th, when Judge Fred T. Miles arranged the calendar. Attorneys were all present but the jury will not report until next Monday.

The criminal calendar will be especially light as there are but nine cases, several of which are expected to be crased when the respondents plead guilty. The people will prosecute Ralph T. Hayden of Holland for false pretenses, a case which has hung over from several terms now; Peter Molenkamp and Jennie Gryzen for violation of the liquor law; Harry Zoernman, bastardy; Perry Peel, Grand Haven, indecent liberties; Mino Styf, embezzlement; Joe Lepo, destruction of property; Milo Sorenson, carrying concealed weapons; Mike Sikey, unlawful possession of automobile.

William Buursma is up for sentence on two counts; Joe Appel, William Kooyers, are also listed for sentence. William Kooyers, a Blendon farmer, was found guilty last term of trespassing against the law, when he refused to give up possession of property taken on a mortgage.

There are but seven civil jury cases: Bertha Mulder vs. Harry Achterhom, et al.; John H. Moeke vs. Johannes Vander Kooi; George Nathan Hale vs. Sears R. McLean; Henry Maatman vs. Fidelity Phoenix Ins. Co.; Henry Maatman vs. Empire State Ins. Co.; Etta M. Johnson vs. Julia Cook; Percy Wilthey vs. Herbert Trick.

An issue in the non jury list is the Ottawa County Gas & Oil Co. vs. John Horling; First Wisconsin National Bank vs. Peoples Savings Bank; Bush & Lane Piano Co. vs. Leslie I. King; Benj. B. Borgman vs. John Borgman; L. F. Dommerick & Co. vs. Upholstery Shops; C. I. T. Corporation vs. Fred Kirby; Fred Jonker and Ello Emery vs. H. W. Goodrich; William H. Tuttle vs. John L. Young; Martaretha Koole vs. John A. Bos; W. A. Schaeffer Pen Co. vs. Joseph Kooiker; Mildred Cherryman vs. Nicholas Danhof; Ernest J. Helmer vs. Nathan Tracy; Miller Rubber Products vs. Marvin Elenbaas; Theodore O. Loveland vs. J. C. Weststrate; The Butterick Publishing Co. vs. Jacob Cook; Gerrit Barenman vs. John Tinkholt; John Arenhorst vs. Postal Telegraph Co.; Alfred J. Brummeler vs. Charles A. Behrens; George H. Miller vs. Leonard Van Regenmortel.

Martin Schreur vs. John H. Kole; Elman DeWitt vs. Ottawa County Road Commission; Swan A. Miller vs. Macatawa Resort Co.; The Voigt Milling Co. vs. Peter Kooiker; Henry Thurkettle vs. Henry Scholten.

In chancery there are six cases against the Oklahoma Oil and Development Co. to set aside leases brought by George Kosuth; Fred J. Keppler, Leslie A. Califf, Willem Wintermeyer, Peter Vandermoulen and Cornelius Van Sluys; Edna M. Heap, et al., vs. Lionel Heap, et al., accounting; Edward Allen Whaly vs. Edward L. Whaley, accounting; Injunction proceedings will be tried by Mary E. Stidd vs. Mark Talsma; Selma DeKeyser vs. Harry Klomprens, Isaac Van Weelden vs. Hiram Robinson and C. W. Moore, trustee, vs. Holland Hitch Co.

There are nine divorce suits filed by the following: Gladys Smith vs. Barney D. Smith; Marie J. Ludwig vs. Harvey C. Ludwig; Harry Ordway vs. Ora M. Ordway; Sadie Post vs. John E. Post; Sophia Ensing vs. Herman Ensing; Grace Vrieling vs. Harold Vrieling; Cora Vanden Bosch vs. Anthony Vanden Bosch; Anna Ambrose vs. Anthony Ambrose and Jay R. Hawkins vs. Helen M. Hawkins.

Turkey Dinner to be Served Tues. Nov. 25

A turkey dinner! We will soon be leaving for a short stay at home to taste more of mother's good cooking and to hear dad's words of advice. Before we leave those who dine at Voorhees Hall are going to celebrate the coming holiday with a turkey dinner. The dinner is to be served on Tuesday, the twenty-fifth. There will be a great deal of excitement among the girls. Each one will be dressed in an extra pretty gown. There will be so much visiting from one room to the next on the second and third floors to see how each Miss looks. Then the bell, last minute glimpses in the mirror and the procession into the dining room, led by Mrs. Durfee and the guests. The odor of turkey and what might be termed the trimmings causes everyone to look especially happy. Too bad we can't all be invited!

ANTIQUES WERE SHOWN IN ZEELAND

The Ladies' Literary club committee held a Colonial tea in the clubhouse Tuesday, when an antique exhibit and curio display was shown. The exhibit contained many articles used at the time of the settlement of this colony in 1847. African exhibits were shown by Mrs. George Caball, whose husband obtained them in Africa during the Boer rebellion.

CITIES ADVOCATE US-31 WIDENING

Muskegon and Grand Haven have endeavored for some time to have US-31 between the two cities increased in width to 40 feet. Grover C. Dillman, state highway commissioner, has said that if a right-of-way of 120 feet is obtained by donations construction work will be given an early place in the five-year improvement plan of the state.

Both cities will attempt to obtain the additional right-of-way at once. Some of the owners along US-31 have said they are in favor of the plan and will donate the required land.

MISSIONARIES PLAN TO RETURN TO INDIA

Rev. and Mrs. John J. DeBoer are planning to return to the Arcot mission in India within a few weeks, where Mr. DeBoer will resume his position as principal of Voorhees college at Vellore. Their furlough in this country was extended to enable Mr. DeBoer to substitute for Dr. F. M. Potter as associate secretary and treasurer of the board of foreign missions in the Reformed Church of America. Dr. Potter is making a trip through the Orient as a member of general synod's deputation to visit the mission fields in Arabia, Mesopotamia, India, China and Japan.

PRINCIPAL RECEIVES COMMUNICATION FROM THE ADVISER OF HONOLULU SCHOOL

Facts obtained from a letter received by Mr. Riemersma written by Herbert S. Bowers, Boys' Adviser of McKinley High School, Honolulu, territory of Hawaii, were very interesting, since Mr. Bowers, in his description of the school, states that the enrollment consists of 2611 students, 1469 boys and 1142 girls.

The greatest per cent of the pupils are Japanese, these being 43.16 per cent of the students. Next largest percentage is the Chinese, who constitute 27.66 per cent. Those making up the remaining percentage of students are Caucasians, Portuguese, Koreans, Hawaiian, Filipinos, Spanish, Porto Ricans and others. The McKinley School offers 98 courses of study to its students. Six languages are taught; namely: German, French, Latin, Hawaiian, Japanese and Chinese. There are one hundred seven members on the faculty, and a health director, athletic coach, educational counselor and school dental hygienist. There are eighty-four home rooms in the regular three year high school.

In closing his letter he requested information concerning Holland High School, its faculty and students, stating that this material would be very much appreciated, because it would give them some knowledge of what others are doing.

CARNEGIEAT 8:15 FRIDAY

The second number of the Hope College Lecture Course will be presented on Friday evening at 8:15 in Carnegie Gymnasium. The famous Krenlin Art Quintet, recognized as the greatest vocal quintet of all time, will make its appearance. You can't afford to miss their splendid program.

Season tickets for this and the remaining numbers of the course are on sale at greatly reduced rates. Get yours today.

C. E. THOUGHTS by Theodore Schaap

EVER THANKFUL

When I consider life in all its pleasant forms.
 The friends I love, the home I call mine own.
 The crimson rose that scents the morning air,
 Or azure skies that span from zone to zone—
 Then on my soul a joy beyond compare,
 Bids me to lift my heart in ardent prayer,
 And whisper low, "O Lord, I thank Thee."
 But when I think on life's mysterious gloom,
 Why friends so dear are now but mournful memories,
 Why days are darkened by the dismal clouds
 And why the good must suffer needless cruelties—
 Then faith wells up to tear away the shrouds,
 It helps me look through tears beyond those clouds,
 And whisper low, "O Lord, I thank Thee."

THANKSGIVING PAGEANT TO BE GIVEN IN ALLEGAN

The Christian Endeavor society of the Presbyterian church of Allegan will give a Thanksgiving Pageant, "Heart Stories from the Fireside," Sunday evening. Sixteen young people will participate. The choir will render special music.

Part of Elks' Charity Fund Stolen When Thieves Enter Temple

Thieves broke into the Elks' Temple Sunday night and escaped with approximately \$200, a substantial part of which belonged to the charity fund of the lodge.

The cash register was wrecked, according to lodge officials, and cleaned out of all the change it contained. The robbers got into the building by jimmying the screen and pulling out the casement window leading to the lavatory. This window was not locked. In fact, it was slightly ajar to provide ventilation.

The only clue left by the thieves was the head of a screwdriver.

Outside of the smashed cash register there was practically no damage done to the equipment. The custodian, E. R. Hill, of the lodge, stated that he closed up at 11:15. The building must have been entered between that time and Monday morning.

The officers of the lodge stated that there is frequently \$100 in change in the register and an amount above that taken in over a two or three day period. However, they had several dollars in the till on Sunday which was to be used for charitable purposes. The loss would not be so keenly resented, it is said, had the thieves not taken money which was intended for the needy. Because of this every effort will be put forth, not only to capture the thieves, but to punish them to the limit.

CHRISTIAN HIGH SCHOOL HONOR ROLL

The following students names appeared on the Christian High School Honor roll, which was released recently.

Fraters Have Masquerade at Womens' Lit.

Gypsies, pirates, cowboys, devils, clergymen and several pairs of brides and grooms gathered at the Women's Literary Club at 6:30 last Friday at the annual fall party of the Fraternal Society. Dr. and Mrs. Thompson as Mr. and Mrs. Robin Hood were the chaperones and acted as the judges of the costumes. Fr. Cornie Vander Naald, dressed as a clergyman, opened with prayer, after which a fine dinner was served.

A picture of the group was taken after the meal, after which Fr. Pres. Wichers introduced the following numbers.

Music — Fr. Howard Schade (alias Simple Simon).

Abraham Lincoln, number 2—Fr. J. Vander Kolk.

Feats of Magic—Fr. H. Scholten. Dr. and Mrs. Thompson awarded the prize of the best dressed couple to Fr. Wichers and his guest, Miss Nellie Van Haltema. Miss Eula Champion received the prize of the most original dress. After a great deal of fun and excitement, Fr. Wichers closed the party with the remark that the best of our day is determined by the rest of our night.

FESTIVAL OF FRIENDLINESS IS PLANNED FOR HOLLAND

Holland Chamber of Commerce in co-operation with the board of public works will sponsor its second annual Christmas lighting contest, to be known as the Festival of Friendliness.

The board of public works again will provide valuable prizes for the best decorated home electrical illuminations. The contest is open to all citizens and the commerce body through Secretary Charles A. Gross urges early preparations for the event.

Last year's inauguration of the event brought out 62 participants and the award of prizes was made by a committee after a careful inspection, first prize going to Sip Houtman, city letter carrier.

ALLEGAN LIQUOR LAW VIOLATORS SENTENCED

Three liquor law violators were given sentences in circuit court at Allegan Saturday.

Lewis Lopelkas of Wayland township was sentenced from one year to two years at Jackson prison for possession, Leroy James of Douglas paid \$100 and costs for possession, and John Jensen of Manlius township was sentenced from one year to four years at Jackson, the minimum term holding if he paid a fine of \$100 and costs. He pleaded guilty to maintaining a resort.

Mrs. Daniel A. Poling of New York, wife of Dr. Poling, head of the World Christian Endeavor Union, was in Holland a few days to visit her son, who is a student at Hope college.

Anthony Ver Hey and Arie Wellert left yesterday on a deer hunting trip to upper Michigan.

Prof. Thomas E. Weimers of Hope College will have charge of both services at Trinity Reformed church Sunday.

U. OF M. EXTENSION DIVISION SPONSORS SERIES OF LECTURES AT LOCAL SCHOOL

Dr. A. Leenhouts gave two lectures Tuesday morning, one to the Junior High pupils and the other to the Senior High students. His subject was "Accidents by Electricity and Water." A demonstration of resuscitation was given by two Boy Scouts, Kenneth Gross and Leland Beach, under the direction of Dr. Leenhouts. Mr. Leenhouts address was very interesting as well as instructive.

This was the first of a series of four lectures which will be given throughout the year. These lectures are being sponsored by the Extension Division of the University of Michigan.

The remaining three lectures will be given on the following dates:

December 16—"Accident by Fire and Gas" by Dr. William Westrate, January 13—"Story About Teeth" by Dr. G. W. Van Verst.

February 17—"Burns and Bleeding Wounds" by Dr. R. H. Nichols.

LOCALS

The bereaved are a son Earl; one sister, Mrs. Lena Willyard of Calcedonia; three brothers, Dick Brower of Boreulo; Edward Brower of Grand Rapids and Simon Brower of Holland. Interment took place at the local cemetery.

Hamilton is proud of its new industry that has just been completed. The Hamilton Farm Bureau, a local cooperative association, throws open its mill to all citizens of Allegan and adjoining counties. They want all farmers and feeders especially to visit their mill and see the marvelous new process for manufacturing sweet feeds.

Their mill is now equipped with the new Miracle Sweet Feed System. This system rubs Vitamins molasses right into the feed so that it seemingly disappears, no stickiness is to be noticed for its all gone right in to the feed. The Hamilton Farm Bureau is able to give the farmer his own feeds properly ground and molasses rubbed right into them. Almost any amount of molasses is put into the feed just according to the desires of the farmer. The system is operated on the meter system. All the molasses flows through a meter which measures it, and at the end of the operation the meter shows exactly the amount of molasses that has been put on any given feed.

This new feed service marks an era in the history of our county. For the first time our farmers and feeders are able to get Vitamins molasses feeds fresh and sweet made out of their own grains at a saving of nearly one-third of what they have been paying for shipped in feeds. This saving on his bill will mean a great deal to the farmer. This new enterprise is one that will draw trade to Hamilton from all surrounding country and we predict that the association of the farmers will at once be shown the Hamilton Farm Bureau.

To those who know nothing of and even are not interested in the manufacture of feed, we commend this new plant and suggest they go and see this beautiful new machinery which operates so efficiently that it seemingly has intelligence that is almost human. To those who are interested in feed stuffs a visit to the Hamilton Farm Bureau's mill will be a revelation.

The Hamilton Farm Bureau gives employment to about 20 men and is a going concern, ranking among the largest in the state.

The organization is under the management of Andrew Lohman.

For the information of the Council, the Board of Park and Cemetery Trustees wishes to call your attention to certain facts relative to the position of the Cemetery Board:

Several years ago this Board realized the fact that the time was fast approaching when it would be necessary to acquire additional land for cemetery purposes. The Board also realized that it would be of considerable advantage to the City of Holland if suitable ground could be obtained adjacent to the present cemetery, and with this thought in mind, the Park and Cemetery Board did on several different occasions approach the Directors of the Holland Fair Association to see if some thing could be done whereby the City of Holland might acquire at least a part of the present Fair Grounds for Cemetery purposes.

The proposition of acquiring these grounds for Cemetery purposes was practically abandoned about five (5) years ago, when after going into the matter very thoroughly with the Fair Directors, it was learned that it would involve an expenditure of about \$120,000. The Board did not feel inclined to recommend to the Common Council the acquiring of the Fair Grounds at such a price, and immediately set about to acquire some other suitable property at a reasonable price as near the present Cemetery as possible. After working on the matter for some time, the Board secured options and recommended to the Common Council the purchase of approximately 80 acres on East 16th St. at a price of \$25,000.

The Common Council acting upon the recommendation of the Board of Park and Cemetery Trustees, purchased this property about 2 1/2 years ago. This property is very suitable for Cemetery purposes and can and will be developed for such purposes if the Common Council so desires.

The Park and Cemetery Board, however, is convinced that it would be a decided advantage to the City of Holland to acquire the present Fair Grounds for Cemetery purposes. The Board recognizes the facts that it would be much more economical to develop and operate a cemetery in one single unit than to develop and operate two separate units. The Board also feels that the Public would be better satisfied with one large central burying ground. (This would be especially true when holding public exercises, as on Memorial Day.)

For the above stated reasons the Board of Park and Cemetery Trustees wishes to respectfully recommend to the Common Council that the present new Cemetery Plot be disposed of at such time as a suitable price can be obtained, and the Board wishes to recommend further that the proposition of the Holland Fair Association be accepted, and the property acquired for Cemetery purposes.

On motion of Ald. Vandenberg, 2nd by Brieve.

The Council went into the Committee of the Whole for the purpose of considering the foregoing proposition. The Mayor called Ald. Postma to the chair. After considerable time spent therein, the Committee arose and reported thru its Chairman, Mr. Postma, having had under consideration the proposition of acquiring said property and requested Ald. Vandenberg to present the report of the Committee as follows:-

We, the Common Council of the City of Holland, Mich. in special session assembled this 12th day of November, A.D. 1930, recognize the need of starting immediate development of additional cemetery property, and further recognize the fact that it would be a decided advantage to the city of Holland from a financial standpoint as well as for other good reasons to acquire and develop the present Fair Grounds rather than to develop the property acquired some time ago for cemetery purposes, hereby accept and approve of the recommendations contained in the communication from the Board of Park and Cemetery Trustees, with the distinct understanding that the property formerly purchased by the City for Cemetery purposes, from Wm. M. Vandenberg, Peter and Lena Mellema, and Peter and Anna Hietje, consisting of approximately 80 acres located on East 16th St., be offered for sale and be sold as soon as a suitable price can be secured.

THEREFORE, BE IT RESOLVED, That it is the sense of the Common Council that the City of Holland is willing and ready to be party with Hope College to the purchase of all of the buildings and grounds of the South Ottawa and West Allegan Fair Assn. under the following conditions:-

1st. That the said Fair Assn. can give proper title to the property.

2nd: That the said Hope College is agreeable to paying one-half of the cost of the property.

3rd: That the division of the property be mutually agreed upon.

4th: That total cost of the property to both parties shall be the present entire indebtedness of the Fair Assn. less whatever collectable and to be collected amounts may be presently due to the Fair Assn. and the total cost not to exceed \$35,000.

5th: That financial statement as presented by the special committee appointed at the last regular Council meeting for the purpose of holding conference with the officials of the Fair Assn. and making an investigation into the accounts of the said Assn. be accepted as substantially correct, and said statement and report shall form the basis for arriving at the present indebtedness and the present moneys due the Holland Fair Association.

On the motion of Ald. Vandenberg, 2nd by Postma,

RESOLVED, That the above foregoing report and resolution be adopted by Ayes and Nays as follows:-

Ayes: Ald. Kleis, Brieve, Wolman, Hyma, Vandenberg, Habing, Postma, Jonkman and Thomson—9

Nays: Alds. Prins and Steffens—2.

Ald. Voltman was absent.

On motion of Ald. Brieve, 2nd by Prins:

RESOLVED, That the special committee appointed to investigate and consider the proposition to acquire the Fair Grounds be discharged and the Committee on Ways and Means be authorized to handle the future dealings with Hope College and the Fair Association.

ATTENTION FARMERS AND THOSE WITHOUT GAS CONNECTIONS

We have taken in, through trade for gas stoves, a number of very excellent oil and gasoline stoves. Just the convenient and economical thing in places where gas connection is not available. We have about 25 of these stoves. They are all reconditioned, have been gone over thoroughly and will give excellent service for years to come.

We are selling these stoves from \$5.00 to \$30.00. There is a tremendous bargain in any buy you may make in this lot. We simply have to move them to make room in our warehouse for new stock. If you have use for a stove of that kind you will never get a better bargain.

Russia Visits Holland

Kremlin Art Quintet

For over thirty years Hope College has maintained a strong Lecture Course. The greatest orators of America and Europe have appeared under its auspices. Great prima donas and instrumental soloists, as well as band and orchestra ensembles, have been before the foot lights of Carnegie Hall. Famous readers and fascinating actors have delighted and instructed our audiences of town and gown.

This year the College offers one of the finest courses in its lyceum history. On Friday evening, November 21, an ensemble of male voices, known as the Kremlin Art Quintet, will appear at Carnegie Hall. These five Russians, singing a capella, produce pipe organ effects and represent a range of three octaves, the basso profundo singing a powerful C, two octaves below middle C.

HIGH AUTHORITY ANALYZES GAS COKE

Read what Secretary of Agriculture W.M. Jardine, said in a recent report to President Coolidge.

One half of the inorganic nitrogen used in the United States today comes from coal. We could more than double this if we stopped our present barbarous methods of burning raw bituminous coal, with the resulting unnecessary smoke nuisance, and instead took the by-products out of the coal and used the residue coke.

We are doing our part in conserving the Nation's resources.

Invitations are out announcing the twenty-fifth anniversary of the marriage of Mr. and Mrs. Jacob Vanden Bosch, which happy event they hope to celebrate on Thursday afternoon and evening, November the twenty-seventh in the presence of a large circle of relatives and friends.

Henry Zuwerink was most pleasantly surprised at his home on North Elm street, Zeeland, Tuesday evening by a number of relatives, the occasion being his birthday anniversary. Those present were Mr. and Mrs. Ben Zuwerink, Mr. and Mrs. Peter Damstra, and son, Mr. and Mrs. J. Bos and children of Zeeland, Mr. and Mrs. George Zuwerink and son, Mr. and Mrs. Herm Van Langevelde and children, Mr. and Mrs. John Altema and children, Grace Van Til, and Earl Van Oort from Holland. A lunch was served and an enjoyable evening was spent. Mr. Zuwerink was presented with a useful gift. A solo was sung by Miss Mardalene Diepenhorst.

Mrs. John Kulte, who suffered a stroke of apoplexy a few weeks ago, is slowly improving at her home on Cherry street.

NEW GRONINGEN

Mrs. Nick De Boer and Mrs. G. J. Huizinga and Miss Hilda motored to Grand Rapids last Friday. In the evening Nick De Boer and G. J. Huizinga went there and all spent the evening at the home of Mrs. John Zuwerink. The Zuwerinks were former residents here.

Siebe Wiersma returned to his home last Wednesday morning from Waukegan, Wisconsin, where he submitted to an operation four weeks ago.

John Van Voort has moved his family and household goods into his newly erected home.

John Haze, who is occupying the Ver Planke farm, expects to move his family and household goods to Detroit from which place he came a year ago.

Mrs. Nick De Boer entertained a group of friends from Zeeland Holland and Central Park at her home last Wednesday afternoon.

OVERISEL

Prof. J. B. Nykerk, dean of Hope College, attended the services here Sunday.

Several of our C. E. members attended the Tri-County Convention at Holland, Nov. 15 and 16. Ernest S. Marks, state C. E. field secretary, was one of the leaders and gave a very interesting message to the endeavors of Kent, Allegan and Ottawa counties.

Miss Myrtle Peters spent Sunday with her parents.

Mr. and Mrs. M. Dalman of Holland visited relatives here last Thursday.

J. Keuning of the Western Seminary, Holland, conducted the services at the Reformed church here last Sunday while our own pastor was at North Blenden.

NORTH HOLLAND

Harold Bosch, son of Jake Bosch is confined to his home because of illness.

Walter Bosch, who has been in poor health for a long time, is still very ill.

The services of the North Holland church were conducted by Rev. Hibma last Sunday.

A shortage of water, due to drought is causing some of the farmers in this section much extra work. For several weeks they had to haul water from neighboring wells for their stock. A few farmers have had wells drilled. Water has reached at a depth of 89 feet on Mr. Zwiers' farm.

A meeting of the North Holland P. T. A. was held in the schoolhouse Wednesday evening of this week. A fine program has been arranged and a good turnout of parents will be looked for.

OTTAWA FACTORY STORE HAS RE-ORGANIZATION

The Ottawa Factory Store on North River Avenue has re-organized and consequently have been announcing a re-organization sale. The personnel of the store are President, Arthur A. Vischer; Vice-president, E. A. Barrett; Secretary, W. S. Burchell; Treasurer, Henry J. Beckford.

The company has re-organized its sales department but kept its motto of "The finest furniture at the lowest price."

Many of the policies of the old Ottawa Store will be followed, but the management states that where improvements can be made these will be forthcoming. They extend an invitation to the general public and a picture of the interior of their place of business is found in an announcement elsewhere.

was at all bothersome. They reported further that Mr. Groth had promised to do all that he could to avoid trouble and had never closed down the new boiler and stoker during the first part of the week when the neighbors would be liable to have washings on the line. Adopted.

Music Committee reported having met with a committee from the American Legion Band and found that the organization had outstanding obligations of between five and six hundred dollars at the present time, and recommended that they be given \$600.00 at once and \$200.00 additional after the first of the year. Adopted.

Reports from Special Committees City Att. McBride reported having attended the Telephone rate case hearing at Lansing on Nov. 18th, and had learned that there was no immediate thought on the part of the Telephone Co. to increase the rates in Holland, and did not consider it to be necessary to attend future meetings unless there were new developments.

Mr. James De Young, representing the Dept. of Labor & Industry at Lansing, was present, and addressed the Council on the unemployment situation. He congratulated the Council on the manner in which they had undertaken to relieve the situation and recommended that they go still farther by getting back of a publicity campaign to encourage all private citizens to employ \$2.00 worth of labor each week, that under normal conditions they would do themselves. Mr. De Young cited as examples, the washing of windows, family washings, cleaning premises, etc.

Ald. Hyma, Chairman of the Playground Commission, presented a report in detail of the activities of the Playground Commission during the past summer. The report shows among other things that the attendance this year was 59,197 as compared with 41,061 last year.

Benj. Lievens appeared before the Council on behalf of the Amer. Legion and proposed to start a campaign for the collection of old clothes, furniture, shoes, and even papers and junk of all kinds that could be sold. This work of collecting all these various articles to be done without charge by the Legion and have it brought to some central distributing point and turned over to the City where the useful articles might be distributed among the needy, and whatever revenue was derived from the sale of junk, to be also turned over to the City for helping those in need.

The offer was gladly accepted and the Welfare Committee was instructed to cooperate with the Legion in making this project as great a success as possible.

Mayor Brooks called attention to the coming convention of the Rivers & Harbors Congress at Washington during the week of December 8th.

Mayor Brooks and City Attorney Charles McBride were delegated to attend as representatives of the City.

MISS CAROLINE CASSIDY
POPULAR AT THE
TAVERN

For the past four years Miss Caroline Cassidy has served as the head waitress at Warm Friend Tavern and right from the start she was popular with the guests in the dining room.

Holland folks, especially those connected with the civic clubs, have taken a great liking to Miss Cassidy. Her sunny Irish disposition radiates good cheer immediately. Every guest is watched to see that he or she is well served. There are always plenty of patties of butter, the water glasses are always well filled and an extra cup of coffee is quick in coming. The service is always par-excellence, which includes piping hot. There is no stewing or over-rushing of waiters so bothersome in many eating places, still the courses follow in rapid succession. There is a delightful snap to it all and during a dinner or banquet Miss Cassidy keeps her guests cheerful with a radiant smile.

This tactful manner of handling large crowds in a dining hall was especially noticeable during the Getz banquet, the H. J. Heinz Radio banquet, and the Merchants' Luncheon, all within the week. The cuisine service, together with the bringing on of these good things from the kitchen, together with Miss Cassidy's wonderful practicalities as a head waitress, makes a banquet or dinner a delightful occasion at the Tavern.

Landlord George Dauchy, who has assumed command, is also always on hand, making the guests feel at home and his long hotel experience is soon evident when one comes in contact with him. Mr. Dauchy is pleased at any time to meet and make more Holland friends. He wants the Tavern to become a civic center for public activities. He just what the name applies.

Wm. Alden Smith Was State's 1st Game Warden

FORMER U. S. SENATOR WAS
NAMED FOR POST BY GOV.
LUCE, THE FARMER
GOVERNOR

Detroit News — Indiscriminate and unrestricted hunting of wild game, except during the closed season for each, went on for many years, while the population mounted and the number of hunters increased in proportion. Residents of remote rural districts paid little attention to the closed season laws and helped themselves to deer and wild birds as they pleased. A rapid depletion of the game supply became apparent and extermination was threatened. As a preventive measure, the restrictions of the law were tightened and the Legislature of 1889-90 passed an act authorizing the governor of Michigan to appoint a game and fish warden, who would have power to appoint deputies in districts where such officials could do the most good.

Cyrus G. Luce was governor of Michigan and he picked for his choice as first game and fish warden of the state a bright and capable young man who was destined to last long and go far in a political career thus begun. In his youth he had served as a page in the legislative houses at Lansing, and because he was always on the job, courteous to the limit and ever efficient, he made friends of all members of the Legislature and all state officials. That young man was afterward a member of the State Legislature, a member of Congress and a United States senator. His name was William Alden Smith and his home was in Grand Rapids.

In his appointed office he proved vigilant and effective. Pot-hunting and other infractions of the game laws began to dwindle and in going about the state on his official duties Mr. Smith enlarged his acquaintance and increased the number of his friends and political supporters, thus laying the foundation of his political fortune. This, too, was some achievement, for the game and fish warden is sure to annoy a good many persons who find pleasure in law-breaking. Like a large number of those who voted enthusiastically for prohibition, they made certain mental reservations, and when the Eighteenth Amendment to the Constitution and the Volstead law were enacted they considered themselves as specially privileged and immune to prosecution.

Wild game was killed for the market before and shipped by rail to cities of other states, carefully boxed and artfully mislabeled. For a time it was necessary to watch shipments from the districts where wild game abounded and to open suspicious looking packages. In this way the shipper was discovered and prosecution soon made the industry risky and unprofitable. Perhaps the most difficult task of the game and fish warden was their supervision of fishing in order to prevent unlawful seining of fish, and the inspection of the nets of commercial fishermen, who were constantly violating the law by making use of nets of too small mesh and the consequent taking of undersized trout and whitefish. In fact, the main endeavor of this department in recent years has been to prevent the commercial fishermen from destroying their own business.

GROWN-UPS ARE
50-50 ON CHURCH

In a religious canvass of 905 homes in Allegan and vicinity the number of those with church affiliations and those having none ran close. Of the 2,953 interviewed, 1,481 have religious affiliations, 1,472 have none.

The canvass, conducted by the local council of religious education, revealed the following facts. Of children under 12 in the 905 homes reached, 431 attend Sunday school, 279 do not. Of children, 12 to 21, 932 attended Sunday School, 138 do not. Adults to the number of 818 reported they attend church, 1,055 report they do not.

PINE TREE GROWTH STOPS AT
45 DEGREES ABOVE ZERO

That pine trees stop growing at temperatures about 45 degrees above zero Fahrenheit, was shown in a report to the American Philosophical Society by Dr. Daniel T. MacDougall, director of the laboratory of plant physiology of the Carnegie Institution.

He told of a Monterey pine tree near the shore of the Pacific in California, which has been watched for 12 years. Its trunk has grown uninterrupted, winter and summer, for as much as three years at a time. At temperatures above 45 above zero Fahrenheit, the trunk stopped growing to resume after the weather warmed.

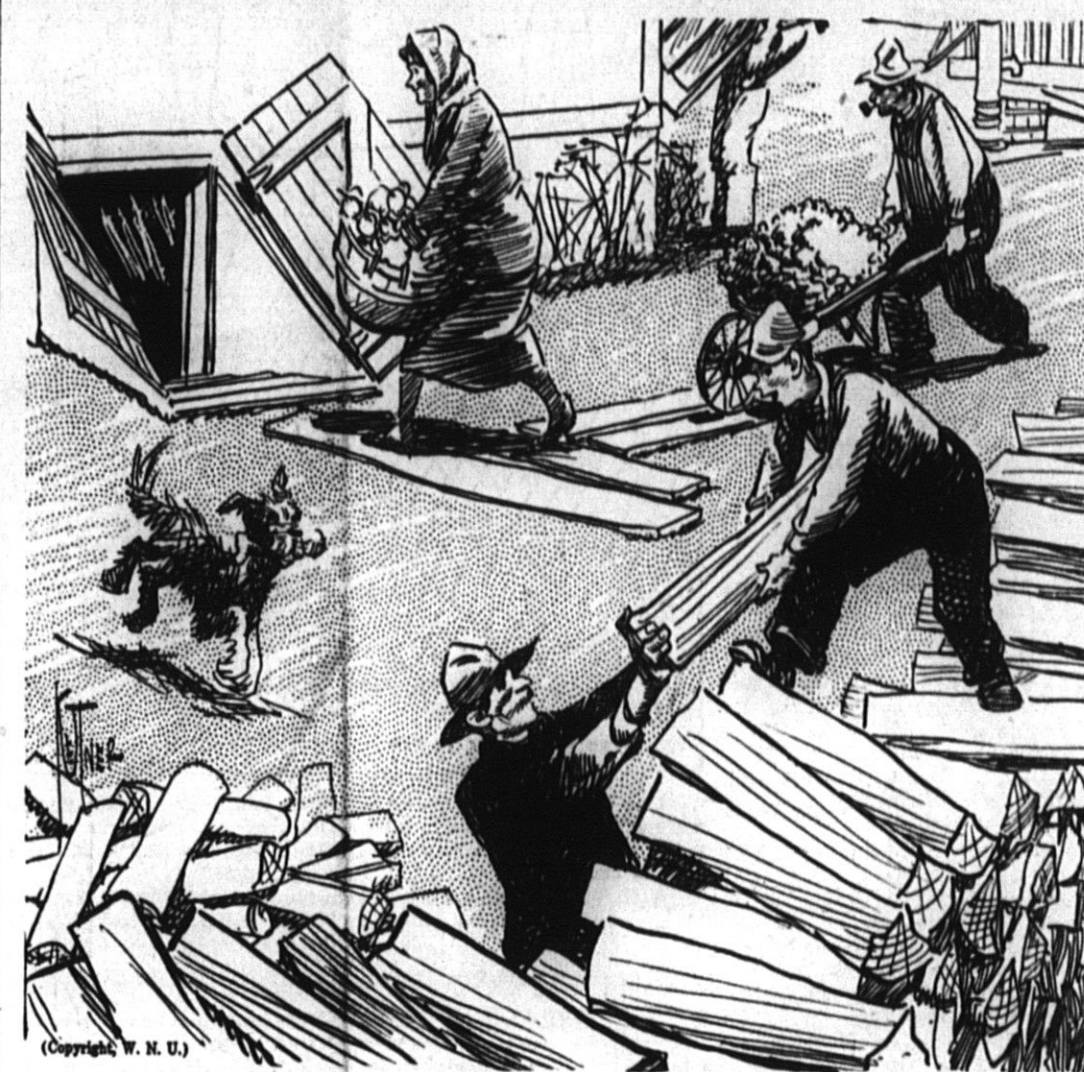

PLATES TO GO ON SALE
NOW, GREEN STATES

To encourage purchase of new cars and to provide further relief for unemployment, Governor Fred W. Green and John S. Haggerty, secretary of state today announced that 1931 automobile license plates will be accepted on new machines at once. Law enforcement officers throughout the state are to be asked to accept the new plates.

Ordinarily new plates are not placed on sale until Dec. 1. It was the belief of the governor and Haggerty that many prospective purchasers would wait until this date. The governor said that because of unemployment and the need for providing every possible relief he believed the state is justified in advancing the date when new plates may be used on new cars only, despite the fact there is no provision in the law authorizing such procedure.

TOOTHBRUSH IN STOMACH
OF COD REVEALS A
TRAGEDY OF THE SEA

While fish dressers at the South Boston Fish Pier were cleaning a catch of cod brought in by boats, one discovered in the stomach of a fish a toothbrush which belonged to one of the members of the beam trawler Seiner of the Portland Trawling Co.'s fishing fleet which foundered on George's Bank in January, 1929, with the loss of all on board. When washed the brush bore the name of William Whalen, Long Harbor, Placentia Bay, N.F.

Although the brush has been immersed in the water—and no telling how long in the stomach of the cod—the printing is still legible.

The fish was caught by fishermen in the otter trawl of the steamer Wild Goose, operating on the northeast peak of Georges, where the Seiner is believed to have sunk.

The Seiner left Groton, Conn., Jan. 9, 1929, and was sighted on the fishing grounds four days later, but was never seen again.

COURT WARNS 30 ON
PROBATION; SENTENCES
3 OTHERS TO CELLS

Probation day was observed today for the first time in the history of the Allegan circuit court. Judge Fred T. Miles called in all probationers. He reviewed their cases with them and looked over the reports from prosecuting attorney, truant officer and offenders themselves.

He warned the 30 law violators of their delinquencies and lectured them generally. Only three failed to appear. Five of the 30 are women. Bench warrants were sworn out for the three absent ones. They will meet Judge Miles here next Friday.

Three prisoners were sentenced this morning. They are Louis Lopekas, 40, Wayland, charged with possessing liquor and a still, who will spend a year in Jackson; John Jensen, 35, of Manlius township, charged with possessing and selling moonshine, who was fined \$100 and costs and given a year in Jackson, and Ray Barnes, 40, of Douglas, charged with possessing home brew, who was fined \$100 and costs.

Last Saturday night Sheriff Teed of Allegan was driving on M89 near Perle when he spied a stray horse in the road. To avoid hitting the animal he took to the ditch but without harm to either his passenger, himself, or his car. Presently two other cars came along. The horses, two of them, were still in the road. One motorist hit and killed one of them and another driver struck the second horse and so injured it that it had to be killed.

A birthday celebration of happiness was the observance of the anniversary of Mr. H. G. Brower of Hamilton who reached his 75th milestone last Monday. His children planned a family gathering as a surprise and there were 37 of his descendants to extend good wishes and hopes for more returns. There were present from Allegan Mr. and Mrs. John VanMelle and family, Mr. and Mrs. Alvie Milard and children from Brunswick; from Grand Rapids were Rev. and Mrs. Bert Brower and family, Mr. and Mrs. George Volks of Dunningville, and Mr. and Mrs. George R. Brower and Mr. and Mrs. Henry Fokkert of Hamilton.

Dr. A. Leenhouts of Holland was the Armistice Day speaker at the American Reformed Church at Hamilton. He spoke of his trip with Mrs. Leenhouts to Europe where they visited the grave of their son, Willard, the first Holland boy to pay the "supreme sacrifice" during the early part of the World War. The Holland post was named Willard G. Leenhouts post in his memory.

A meeting of the consistorial union of Classis, Holland, was held at First Reformed Church of Zeeland on Monday, November 17. Addresses were given by Rev. John Wolterink on "Pulpit and Pew in Intercession," and by Wynand Wichers of Hope College, on "The Ideal Consistory."

Miss Lucile Mulder, 79 West 15th St., is the guest of Mr. and Mrs. John Van Landeged of Muskegon.

Largest Gravel Cargo In History Is Brought Down Grand to Plant

The largest gravel haul ever to be brought down Grand River was sent from Bass River to the Construction Materials Corporation's screening plant at Ferrysburg this week, with a record load of 4,500 cubic yards.

The gravel was loaded on the new scows, capable of holding 1,000 cubic yards each. Three scows were strung together, and several additional scows were used that day. The plant is pushing the work here to take advantage of the unusually favorable weather.

The shipments this season have been doubled over that of last year, and with the new steamer "Zensibar," which was recently launched at Chicago, next year's shipments will break all previous records by a wide margin.

The new boat, which will be able to get in here following the dredging of the upper river, to be finished this fall, is one of the finest boats of the kind on the lake. It is equipped with huge loading apparatus and is a sand sucker as well. It is expected the new boat will be brought into port next spring.

The Construction Materials Corporation, the largest company of the kind in the United States, is an institution that has risen steadily with gigantic improvements and expansion plans which is transforming property in Ferrysburg, from a low marsh to a region of gravel hills. The huge tanks, the towering screening plant and the immense steamers and gravel carriers plying in and out is taking place with such strides and surety as to make it one of the big industries of the community.

The work of expansion will continue during the winter to be in readiness for the big season to open in the spring.

U. OF M. PROFESSOR SPEAKS AT LINCOLN PTA

Prof. George E. Carrothers of the University of Michigan was the principal speaker at the joint meeting of all the Parent-Teachers' organizations in the city Tuesday evening. The address was the last of a series of five lectures staged by the PTA. Prof. Carrothers spoke on "The Indirect Development of Citizenship Attitudes." Mrs. Lewis White, president of the Lincoln PTA, introduced the speaker.

The meeting was opened with singing under the direction of John Vander Sluis. Henry Geerlings offered prayer. Musical numbers on the saxophone and accordion were presented by Mr. and Mrs. C. Lamar of Zeeland. Miss Elaine Meyer, supervisor of music in the local grade schools, played a piano selection. The male quartet of Sixth Reformed church sang a group of numbers.

Refreshments were served during the social hour by a committee of fifth grade mothers consisting of Mrs. George Steggerda, Mrs. Geo. Zuverink, Mrs. John De Ridder, Mrs. S. Koning, Mrs. C. De Vries, Mrs. W. Bennett, Mrs. B. Sybersma and Mrs. N. Rowan.

The Goodrich Transit Company, operating steamers touching ports on both sides of Lake Michigan, including Holland, and which had done a gross business of approximately \$15,000,000 during the last six years, went into the hands of receivers. President Edward E. Taylor, executive head of the Goodrich line, who with George F. Getz, was appointed receiver by Federal Judge James H. Wilkerson, said the firm's condition was due to industrial depression, but that he looked to an increase in next season's business to carry the company out of its dilemma without loss to any one. "The Goodrich Transit Company has operated steamship lines on Lake Michigan for more than 60 years," President Taylor added. "It never has defaulted in the payment of any of its obligations during that entire period. During the past six years the company has done a gross business of between fourteen and fifteen million dollars and has safely and comfortably carried hundreds of thousands of passengers. This year, owing to the industrial depression, its gross receipts have fallen off about 28 per cent."

METERS FOR PARKING CARS APPROVED BY BARSON

Roger W. Babson, in an article in National Municipal Review, sees "great possibilities in metered parking, not only for bringing order out of a chaotic situation, but also for giving the city which adopts this progressive policy a source of great revenue."

"Thousands of motorists would welcome the opportunity of parking their cars at the curb in a safe and systematic manner," he writes. "They would willingly deposit 25 cents in the curb meter for a privilege of parking, just as they drop a quarter in the gas meter in payment for lighting."

"A successful machine has been designed for installation at the curb of the street. Each motorist is provided with a combination-lock plug. Upon parking his car, he inserts his plug in the meter standing at the curb. After a given time the plug can be withdrawn by dropping a coin in the meter and thus tripping the locking mechanism and releasing the plug."

"If the motorist, in a moment of carelessness or an attempt to beat the game, should drive away and leave the plug in the meter, his identity would be promptly disclosed to the police because each of the numbered plugs is registered in the name of the motorist to whom it was given out. The abandoned plug would betray its owner as promptly as if he had left behind his car."

"If the motorist, upon drawing up at the curb, fails to insert his plug in the meter, the accidental or intentional oversight would be promptly disclosed to the police because there would fall to appear above the meter the red light which shows that a car is parked legally."

"The police would be relieved of the needless labor of timing and tagging. They would have complete control of conditions simply by noting: First, any parked cars above which a red light failed to show, as these cars would be parked without the insertion of the plug in the meter; second, any plugs left in the meters without the presence of cars, as these would belong to registered owners who had driven away without depositing the required coin."

"The whole plan would be a boon to self-respecting motorists, a blessing to the harassed police and a source of substantial income to the city."

SEEK OIL PAINTING OF MRS. GRISWOLD, DONOR OF MUNITY HALL

An oil painting of Mrs. Marilla Griswold, donor to Allegan of Griswold Memorial building has been suggested. It is believed by many that a fine painting of Mrs. Griswold should be placed in an appropriate place in the building.

A further suggestion has been made that the painting should be paid for by contributions from all the citizens of Allegan.

Michigan Song Birds Make Music on the Dunes

WESTERN MICHIGAN SAND
HILLS ARE NATURAL
OPERA HOUSES

During casual observation in the different state parks on the shores of Lake Michigan, more than 50 different birds were seen within the wooded area of only one park, near Saugatuck, by Frederick and William Starck, of Detroit's amateur ornithologists. The Starck brothers recently spent a few weeks visiting the sand dunes of Western Michigan, and heard or saw these birds while camping there without the use of field glasses or binoculars.

To most people who pass the sand dunes on the shores of Lake Michigan they are just piles of bleak looking sand with a mangy looking covering of brush, but to the Starck brothers the dunes are nothing less than an opera house, with an ensemble of 50 varieties of song-birds. The brothers spent much time among the dunes this summer and while there made a check up which convinces them that during a season more than 75 varieties of birds can be found in the park. They are preparing a study, pictorial as well as verbal, of wild life in the dunes.

Birds of sweet voice and colored plumage made their habitat within the confines of these parks they say and at times played a symphony of music dear to the ears of outdoor lovers.

The "whippoorwill" visited the camp both morning and night with its often repeated call of its own name. The call frequently was made more than 30 successive times before a pause for a second breath and then another lengthy repetition of "whippoorwill."

One of the "whippoorwills" at this camp would tease dogs of tourists by flying to low branches of trees and there repeat its name while the dogs barked in derision.

A partial list of birds they noticed during their recent cursory investigation included the following: the forever singing wood thrush, chipping and song sparrows, bank, tree and barn swallows, purple martin, king bird, pee wee, chebec, scarlet tanager, cardinal, night hawk, downy woodpecker, bob-o-link, flicker, herring gull, common tern, crow, sand piper, robins, black and white warbler, yellow warbler, red starts, morning doves, nut hatch, chickadee, house wren, phoebe, red-eyed vireo, blue jay, blue bird, blue grackle, gold finch, Baltimore orioles, humming bird, killdeer, plover, chimney swift, blue jay, cow birds, cat bird, indigo bunting, yellow billed cuckoo and marsh hawk.

Rev. J. Carleton Pelgrim and family left their home at Macatawa for Coral Gables, Florida, where they will remain for the winter.

THE RICH YOUNG RULER, REFUSING A LIFE OF SACRIFICIAL SERVICE.

LESSON TEXT—Mark 10:17-27. GOLDEN TEXT—And he said unto them all, if any man will come after me, let him deny himself, and take up his cross daily, and follow me.

PRIMARY TOPIC—A Man Who Followed Jesus.

JUNIOR TOPIC—A Man Who Followed Jesus.

INTERMEDIATE AND SENIOR TOPIC—Choices Which Must Be Made.

YOUNG PEOPLE AND ADULT TOPIC—What Following Christ Means.

I. The Young Ruler (v. 17). For a complete view of the characteristics of this young man see also Matthew 19:16-30 and Luke 18:18-30.

1. His virtues.

(1) He was courageous.

He was a man of high standing—a rich young ruler (Luke 18:18, 23). With manly courage he came to Jesus.

(2) Earnest (Mark 10:17).

He came and knelt before Jesus, thus showing his earnest sincerity.

(3) High aspirations (v. 10).

He wanted eternal life. He felt the need of preparing for a life beyond.

(4) Pious and moral (v. 20).

He professed to have conformed to God's only law from his youth.

(5) He believed that Christ could inform him of the "good things" to be done to inherit eternal life.

2. His errors.

(1) About Christ (v. 16).

He esteemed Jesus to be good, but did not apprehend him as God.

(2) Concerning himself.

He was self-righteous. He thought he was good and that he could do something good.

(3) Concerning eternal life.

He had a defective theology. He thought that eternal life could be obtained by good works.

II. Jesus Dealing With the Young Ruler (v. 17-22).

Jesus skillfully led the young man to see his errors and then put his finger on the weak spot in his life.

1. His question: "Why callest thou me good?" (v. 17).

His object in this was to lead the young man to a correct apprehension as to who he was. Before giving him a chance to answer he declared that only God was good, as if to say, "I am good and therefore God."

2. Jesus' answer to the young man's question (v. 17-20).

"If thou wilt enter into life, keep the commandments." Christ met him on his own ground; namely, that of the law. He took the young man's level that the young man might be revealed. If one insists on getting life by doing something, the law declares what must be done. It must be perfectly kept.

3. Christ's command (v. 21, 22).

Replying to Christ's citation of the commandments of the law, the young man glibly asserted that he had kept them from his youth up. He no doubt was sincere, but deceived. In Christ's command to go and sell his possessions and distribute to the poor, he put his finger upon the weak spot.

4. The young man's fatal decision (v. 22).

His going away sorrowful proved that he was covetous and did not love his neighbor as himself.

III. Jesus Showing the Peril of Riches (v. 23-27).

This teaching concerning the peril of riches was most timely. Covetousness was fast taking hold of the people. Even one of his disciples, Judas, was well under its sway.

It is difficult for the rich to enter into the kingdom (v. 23, 24). This difficulty lies not in the possession of riches, for a man may possess great riches and be an heir of the kingdom. The difficulty lies in trusting in riches.

2. Entrance into the Kingdom is possible, though difficult (v. 23, 26).

(1) It is possible for the grace of God to sanctify riches.

The very thing which hinders may become a great influence for good in the hand of a regenerated soul.

(2) It is possible for the grace of God to open man's eyes that he may see his downward course and repent.

(3) It is possible for the grace of God to change a man from self-seeking to self-sacrifice.

(4) It is possible for the grace of God to make men humble.

IV. Rewards for Following Christ (v. 27-30).

Those who turn their backs upon their kindred and possessions for the sake of Christ shall receive an hundredfold in this life, and eternal life in the world to come.

EAST SAUGATUCK

Miss Grace Lenters, daughter of Mr. and Mrs. George Lenters of East Saugatuck, and John Elzinga, son of Mr. and Mrs. Louis Elzinga of Holland, were united in marriage last week Thursday evening at the home of the bride's parents. Rev. Vander Ploeg performed the impressive ceremony. The bride looked very charming in a shell pink satin gown and carried a bouquet of roses. Following the ceremony a delicious three-course luncheon was served. Mr. and Mrs. Elzinga left on a honeymoon trip to Mammoth Cave, Kentucky, and other points of interest through the south. They will be at home to their friends after December 1 at Hamilton where the groom is employed as bookkeeper at the Hamilton Farm Bureau. The guests present were Mr. and Mrs. Louis Elzinga, Mr. and Mrs. Gerrit Wyngarden and Lloyd Mildred and Jean, Mr. and Mrs. Jack Witteveen and daughter, June, Mr. and Mrs. Dick Lenters, Mr. and Mrs. Gerrit Lenters, Mr. and Mrs. Ed Lenters, Mr. and Mrs. B. Deters, Mr. and Mrs. Boonen, Mr. and Mrs. Mass, Tom Elzinga and Miss Minnie Rieffels from Holland, Mr. and Mrs. Martin Van Wieren and family from Ottawa Beach, Mrs. D. J. LEE M. HUTCHINS TO TALK IN FENNVILLE

Lee M. Hutchins of Grand Rapids, former president of the National Wholesale Druggists Association, will speak before the dinner of the Fennville Commercial Club the evening of Dec. 5.

Paderewski Heard by Many Hope Students

At the crowded Armory in Grand Rapids, Paderewski, the famous pianist, thrilled the hearts of his audience. Although Paderewski is 71 years old, he still has remarkable ability. His pianissimos are very light but still can be heard from all parts of the building. His fortissimos are as loud as his pianissimos are soft. His technique was excellent and cannot be found fault with.

Because of his age, Paderewski will probably never make another tour in this country.

Many Hope Students availed themselves of the privilege of hearing such a renowned artist. He presented the following concert:

Variations and Ligne on a theme by Haendel, Brahms.

Sonata, D Minor, Opus 31, Beethoven.

Sonata, B minor, Opus 58, Chopin.

Nocturne E Flat; Two Mazurkas; Etude A Minor, Chopin.

The Dancing Virgins of Delphi; Veils; The Wind in the Plain; Minstrels, Debussy.

Prelude C Sharp Minor; Prelude G Sharp Minor, Rachmaninoff.

Tristan and Isolde, Prelude, Wagner-Schelling.

La Campanella, Paganini-Liszt.

He played three encores, but disappointed the audience by not playing his "Minuet."

Turning to New York property, Dr. Thins said: "On March 6, 1816, John Jacob Astor and Cornelius Heene took title to the property on Fifth avenue and Fifth street now occupied by St. Patrick's Cathedral. The price paid for the plot was \$11,000. This property is now worth as many millions."

On March 4, 1881, William Penn had to take a grant for what is now the State of Pennsylvania instead of \$16,000, which King Charles II owed to his father and could not or would not pay. Thus 45,116 square miles of Pennsylvania were bought for \$77,840. It was sold to settlers at the rate of 40 shillings for 100 acres, subject to a quit-rent of one shilling a year.

"Early in 1682 east New Jersey, comprising three-eighths of the entire state, was sold at auction for \$3,400 to William Penn and eleven associates. This price of \$16,561 for three-eighths of the state is the price of a single lot in Newark today."

TRAFFIC VIOLATORS

The following arrests were made in the City of Holland during the week of November 10, for traffic violations: Henry King paid \$35 for stop street disregard; Stanley Lampen, \$14.15 for meddling with a car; Clarence Rooks, \$31.55 for reckless driving; Ed Sever, \$10 for speeding; Leonard Witt, \$10 for speeding; John A. Ganos \$10 for speeding; Tom Venhuizen \$10 for speeding and Ed Pranga, \$10 for speeding.

LADIES AID SALE SATURDAY

The Ladies Aid Society of the Ninth street Christian Reformed Church will hold their semi-annual sale on Saturday afternoon and evening, November 22, in the Van Tatenboer building located just west of the French Clock Store. The ladies have a fine assortment of aprons, fancy work, baby dresses etc. and will be glad to have you stop in to see them. Lunches will be served during the afternoon and evening.

Phi Kappa Alpha to Have Initiate Dinner at Tavern

This evening the initiates of Phi Kappa Alpha will be formally received into membership. The event marks the highlight of the initiation which began with the annual "Roughneck Night" on last Tuesday. Following the formal reception of the fifteen new members a dinner will be served to all the members of the fraternity at the Warm Friend Tavern.

Alumnus Lester Kuiper is to be the leading speaker for the occasion and an evening of good fellowship is anticipated.

HAMILTON MAN IS GRANTED A PATENT

Among the 708 patents granted by the United States patent office was one to William T. Krueger, of Hamilton, on an improved closure fastener.

Clarence A. O'Brien, local patent attorney, explains that this invention provides a fastener of the hook and eyelet type, for use on doors, windows, etc. The fastener is so constructed as to prevent the accidental locking of closure by the hook falling downward when the door or window is moved, as so often happens with the usual hook which is pivotally mounted.

STOLL TELLS OF REVENUE FROM OBNOXIOUS FISH

By ALBERT STOLL, JR.

Under the title of "obnoxious fish" the State lists three distinct species more or less numerous in most of the waters of Michigan. These are gar pike or bill fish, dogfish and carp. Just why the last named should be placed on the same level as gars and dogfish is hardly understandable, for the carp in many circles is highly prized as an article of food while there is nothing inviting in the gar or dogfish as a table delicacy.

In addition to maintaining crews of obnoxious fishermen for ridding our inland lakes and streams of these fish, contracts are also awarded independent fishermen to seine carp in the Great Lakes. This work is conducted under the supervision of conservation officers and the State receives 20 per cent of revenue derived from any sales. Last year the State's share of carp fisheries amounted to \$6,631, and in addition operators paid \$1,732 as salaries for the supervising conservation officers.

From all indications carp seining operations for 1939 will more than double those of 1938. More operators are in the field and the catch has greatly increased. Lake St. Clair, Saginaw Bay and along the east shore of Lake Michigan are the scenes of the principal carp operations.

Dogfish and gars have no commercial value and are either destroyed by burning or are given to farmers to be used as fertilizer.

The desire to rid our waters of these fish is prompted by their predatory habits. It is claimed that they destroy untold numbers of the more desirable game and food fish, preying principally upon the spawn and young fish.—Detroit News.

PENN PAID \$77,840 FOR PENNSYLVANIA STATE

William Penn paid for what is now the State of Pennsylvania less than what a 20-foot lot on Market street, Philadelphia's principal department store street, would cost today, Dr. Clark Timins, a lecturer on real estate, pointed out before a New York audience. Citing several examples of profitable purchases in real estate, he said:

"On March 4, 1681, William Penn had to take a grant for what is now the State of Pennsylvania instead of \$16,000, which King Charles II owed to his father and could not or would not pay. GRAND HAVEN MAYOR WILL BRING SEWAGE BOND TO FORE AGAIN

While it is not certain that a special election will be held on the \$225,000 bond issue to erect a sewage disposal plant here, Mayor Bruno Peter asserted today that he would bring the matter up at the regular council meeting Monday night and suggest that a definite basis for paying for the project be outlined before the issue is again brought before the people.

He hopes to bring the engineers and the councilmen together to discuss the advisability of a utility plan and to obtain data from other cities now employing a disposal plant.

He believes the recent vote of 1,100 ballots which lacked but 1.6 of being a three-fifths majority, should be sufficient to place the matter before the people again.

DETROIT RUNAWAY YOUNGSTERS ARE PICKED UP AT GRAND HAVEN BY THE STATE POLICE

The three boys, averaging 14 years old, who were wanted by the state police for breaking into cottages on Spring Lake, were picked up by the officers and are now confined to the county jail until arrangements are made to take them back to Detroit, where they will be dealt with through the juvenile court. They are Robert Walker, 13, 5622 Missouri St., Detroit; Graham Golding, 14, Lorrain and Stanley Aves., Detroit, and Donald McIvor, 13, 2227 McGraw St., Detroit.

McIvor confessed to the police he had taken his father's car on Wednesday morning and the trio had set out for this section as one of the boys had spent some time at a cottage here with friends. They have been living in one cottage and broke into four others, they said, getting a quantity of fishing tackle, blankets and other articles.

They also broke into Babcock's store and gas station, near Smith's Bayou, near Grand Haven, to get gas for the car and took a few articles there. They are boys coming from moderately well-to-do families, it was thought by the officers. McIvor said he was not getting a square deal at home so decided to break away.

Police in Detroit were called but no word from their parents nor the fact they were missing was reported.

OPPORTUNITY WEEK PLAN IS RECOGNIZED BY HOOVER

Holland's inauguration of Opportunity week as a stimulus to returning prosperity was recognized by President Herbert Hoover Friday when through his secretary, Lawrence Rickey, he directed an answer to Dick Bote's telegram that Holland's plan would be referred to the secretary of commerce for consideration.

Bote also received a reply from George F. Getz of Chicago, who heads a committee in Chicago for relief of the jobless, complimenting the Chamber of Commerce and the Holland Merchants Association upon the movement.

Roast a young turkey on a rack in an open pan without adding water. When the outside has been lightly browned in a hot oven reduce the temperature to moderate and continue to cook a 10 pound to 12 pound turkey for about two and a half hours longer. A mature bird requires an hour or more longer than a young one and it needs to be covered part of the time.

The Fillmore Parent-Teachers Association held their regular monthly meeting, Friday evening. After a short business meeting, a musical and speaking program was enjoyed. Mr. and Mrs. Ed Helder entertained with duets on a saxophone and accordion. Rev. Volts gave the principal address which was in the nature of a friendly chat with teachers and parents. Two humorous dialogues were given and a few selections were rendered by a male quartette.

Miss Hazel Boeve became the bride of S. Van Hoven, Friday evening. The wedding took place at the home of the bride's sister, Mrs. Wallace Nies, 352 Central Avenue. Rev. A. H. Strabbing performed the impressive ceremony. The couple were attended by Mr. and Mrs. Henry Boeve, parents of the bride. A delicious wedding supper was served to the immediate families. Mrs. Van Hoven was an employee of the Holland Furnace Company, and Mr. Van Hoven is a shipping clerk at the Tannery. They will make their home on East Tenth street.
