Holland Again Switches On Time Question

A PETITION OF MORE THAN
2,000 NAMES BRINGS MAT-
TER UP AGAIN

Lack of Co-operation of Other Cites
in this vicinity Makes
Change Imperative.

The vexing time question again came up at the common council last evening and by a vote of 8 to 4 the common council switched back from "central standard time" to "eastern standard time". The matter came to a head when a petition was presented, fostered by Mrs. Carl Shaw, containing 2,146 names and also a resolution from the Holland Merchants' association asking the common council to reconsider their action and go back to "eastern standard time" the same as was in vogue last winter.

This means that we will have "eastern standard time" the year around instead of only during the summer months as was the case during and after the world war, covering a period of fourteen years. Many reasons were given for desiring the change, the paramount reason being that manufacturers lost orders from abroad because of the time confusion. It was also pointed out that Holland was "out of step" with all the other cities in the neighborhood and that added still a greater mix-up to the confusing time question.

Some claim that children have more play time with "daylight" after school. Others stated that today it was a state law and this was not the case before. Folks are prone to obey laws anyway these days without questions so that should be a valid reason for the change.

There are many other reasons for wanting to turn the clock ahead again, repeatedly mentioned in this paper. Also several reasons why a great many do not want to turn the clock ahead again. These have also been frequently given in this paper and need not be repeated. Last spring the city voted by a majority of 600 to go on "daylight saving time" in the summer and "central standard time" in the winter. This straw vote was followed until the large petition was presented and now next Saturday at midnight we turn the clock ahead again for one hour.

The vote stood as follows:
No—Aldermen Kleis, Prins, Huyser and Jonkman.

Yes—Aldermen Brieve, Woltman, Hyma, Van Zoeren, Steffens, Habing, Veltman and Van Lente.

COUNCIL NOTES

Prof. Wynand Wichers, president of Hope college, opened the meeting with prayer.

Welfare again was over \$4,000 during the past two weeks. The amount for regular aid was \$2,179; for temporary aid, \$1,863.25; total, \$4,042.25. The report was submitted by Alderman Steffens.

The city of Holland will sell the property belonging to the late Mrs. Weiss, 71 West Fifteenth street, for \$2,500, unless there is a better bid on the date of sale on Wednesday, December 21, at 7:30 p. m.

A matter that also came up was a vexing question in welfare. The regular order of business was suspended and the request of Mr. Herman Van Munster for a hearing before the council on a matter of wages that he claimed due him for work done under direction of the unemployment committee, was taken up. Alderman Prins, chairman of the unemployment committee, reported that Mr. Van Munster and his family had been supported by the City of Holland for several years. Mr. Prins further reported that it was the contention of the unemployment committee and the welfare committee that some work should be given the city in return for this aid. It was further stated that reports had come to them from good authority that Mr. Van Munster had made the boast that the city would have to support him without his working. For these reasons, he had given instructions to have the check of Mr. Van Munster made payable to the welfare department to which Mr. Van Munster had objected. The mayor called upon Mr. Van Munster, who was present, to give his side of the matter. Mr. Van Munster disclaimed having made the statement that the city would have to support him without his working, and said that he felt he should be given his check for working the same as others who were receiving their checks for working. After hearing from Mr. Van Munster further and also from Welfare Director Bosch who stated that Mr. Van Munster and his family had been supported by the city for about six years, it was moved by Alderman Kleis and seconded by Van Zoeren that the action of the unemployment committee and welfare committee be sustained. Carried.

A little more than three-quarters of the summer taxes for Holland have been collected, according to a report to the common council by Treasurer Sprietsma. He said that the amount of the delinquent taxes on the summer list was approximately \$30,000 larger than the total of a year ago. A total of \$81,388.83 will be reassessed as the sum of the uncollected city and school taxes, classified as the summer taxes. However, \$297,958.70 was collected, it was disclosed. Of this amount \$157,831.73 was for city taxes and \$137,126.97 was for school taxes.

John Knapp was not permitted to erect a business block on River avenue and Fifteenth street. This is the third time his petition was rejected. The zoning committee

HOLLAND SHOULD WORRY — HERE WE HAVE A REAL VEX- ING TIME QUESTION

Holland and Western Michigan has had its semi-annual time differences often. But here is "change of time" that can't be settled at the ballot box, nor by a group of City Fathers.

Village authorities at Elkador, Iowa, were puzzled as to why the town clock would gain during the first half of each hour and lose time during the second half until someone discovered that pigeons perching on the clock's hands when they approached a horizontal position were responsible for its irregularity. It was found that the pigeons would hop on the clock's big hand when it was about 10 minutes after the hour and their weight would speed up the machinery and cause the clock to gain time until the hand pointed downward at such an angle that the birds lost their perch. When the hand neared the quarter hour on its upward journey the pigeons would again alight on it for a brief ride, thereby causing the clock to run more slowly.

Needless to say, Elkador's pigeons are being encouraged to seek new perches where they will not interfere with the regulation of the village timepiece.

Peter Brieve is vice President.

At a meeting of the junior class of Hope college this week it was decided that no year book will be published this year. The college publication, the Milestone, has been unfavorably considered in the various campus organizations. It is tentatively planned to give the 1933 seniors a section in the 1934 annual.

The Consistorial Union of the classics of Holland will meet Monday, Nov. 21, at 1:30 o'clock, central standard time, in Bethel reformed church. Rev. H. D. Ter Keurst, pastor of Trinity reformed church, will speak on "Revivalism Examined."

decided against the matter several times since this building would be placed in a residential zone and many residents had objected through petitions. The vote stood 6 to 6 and Mayor Bosch decided against Mr. Knapp, stating that the decision of the zoning committee should stand for something and they must have had good reasons for not allowing a building permit. The matter came up through resolution, asking that a public hearing be had for a re-zoning of that district. The zoning committee objected to this, stating that they had given valid reasons for keeping the zone as it is, at least at this time, namely as a residential district. The vote was really on whether there would be a public hearing or not. Nevertheless, it prevents Knapp from going ahead with his building plans at this time. The vote stood as follows: Ayes—Aldermen Kleis, Brieve, Van Zoeren, Hyma, Veltman and Van Lente. Nays—Aldermen Prins, Woltman, Steffens, Habing, Huyser and Jonkman.

A request of W. E. Dunn for the construction of a filling station at 416 West Seventeenth street was granted.

EAGLE-OTTAWA SEES 10 PCT. INCREASE IN TRADE IN OCTOBER

Cause for business optimism comes from William Hutton, president of the Eagle-Ottawa Leather company at Grand Haven, who reports October 1932, business was 10 per cent better than October, 1931. Mr. Hutton said he had no indications whether the improvement was permanent or not. A vigorous sales campaign has been carried on in the past few months under Mr. Hutton and the Eagle-Ottawa company has managed to keep most of its employees working on part time schedule. Mr. Hutton has gone into new lines of manufacturing and sought new markets for his older lines in order to keep his men employed.

DENIES ANOTHER TRIAL IN ESSENBURG CASE

Judge Fred T. Miles denied a new trial in the case of the people against Jacob Essenberg of Holland who was convicted of arson in the Ottawa county circuit court several months ago. The case was a hard fought one in which Essenberg was found guilty of arson. The judge declared there was no basis for retrial, there being no miscarriage of justice or error of law.

FORMER RESIDENT OF HOLLAND ELECTED TO IOWA STATE SENATE

Word has been received here that Garritt E. Roelofs, former instructor in Holland Christian High school and graduate of Calvin college in 1921, was elected to the Iowa state senate on the Republican ticket. CITY RESCUE MISSION TO GIVE SACRED MUSI- CAL ENTERTAINMENT

Mr. Jack Van Nus and Mr. Sid Werkema, both of Grand Rapids, have kindly consented to give a sacred musical entertainment at the Holland City Rescue mission next week on Tuesday evening at 7:45 p. m. Both Mr. Van Nus and Mr. Werkema and the harmony trio are well known in Holland as they have been heard on various occasions, in the several churches being well received always by audiences. Mr. Van Nus is also heard regularly on sacred programs over radio station WOOD.

The purpose of this program is to raise money for a Christmas entertainment for the children of the City Rescue mission Sunday school. For several years funds for this work were obtained without any solicitations, and candy and toys were presented by certain individuals who have since then left the city.

The Sunday school superintendent expressed his desire to have the Sunday school children taken care of at Christmas. The Sunday school officers have arranged for this purpose two sacred programs. The other is to be announced later. Mr. Gerrit Berendse is a very efficient Sunday school superintendent and he feels this responsibility upon him. He states the Sunday school has an enrollment of 192 scholars with an average attendance of 137. The Sunday school consists of 16 classes of various ages.

More information can be obtained by calling Mr. Berendse at his residence or by calling 2121. There will be no admission charge, but an offering will be taken.

News Items Taken From the Files of Holland City News Fifty, Twenty-five and Fifteen Years Ago Today

FIFTY YEARS AGO TODAY

Capt. Frank Brouwer of Holland has sold his tug, Twi-light, to Capt. J. N. Upton of Saugatuck. Note: Up to a few years ago the wreck of the Twi-light was still in Saugatuck bay. Little more than the pilot house was protruding from the water. It may be there yet.

Miss Jennie Verbeek, the daughter of Holland's postmaster, has been appointed assistant at the local office.

"Old Jan" is our state senator. Note: Meaning John Roost, who was an unusual man of New York state. He was a great factor in building Holland's harbor and also served as mayor of this city.

The election turned out rather Democratic. Grover Cleveland was elected governor of New York state, Julius C. Burrows was defeated for congress by George Yapple in the Fourth District of Michigan, which was quite a turn about, and Ben Butler was at last elected governor of Massachusetts. Note: The returns seem to be a landslide 50 years ago as it was today. Cleveland later became president of the United States. General Butler was quite a political character said to have had the largest brain in size of any man living. Burrows of Kalamazoo later became U. S. senator from Michigan and was defeated after many years of service by the late William Alden Smith.

TWENTY-FIVE YEARS AGO

Nick Hofsteen and Paul Flieman bagged twelve quail, four rabbits and one goose while out hunting a few days ago.

John Weersing has platted 15 acres west of the Steketee addition and north of the Slag addition in this city and soon there will be a lot sale in the west part of the city.

Gerhardus Posthumus, the well known marble dealer, is one of the few Hollanders who will not relinquish allegiance to Queen Wilhelmina until the day of his death, although he came to America twenty years ago. Mr. Posthumus is a pensioned subject of the Netherlands government and draws a good sized voucher every year for distinguished services rendered in the Holland army, covering a score of years. As a reward for services in important military maneuvers he was honored with an emblem bearing the insignia of William III on which are fastened three clasps.

40-MILE GALE WHIPS UP THE "BIG LAKE"

Navigation on Lake Michigan Monday was confined to large craft only as a 40-mile gale from the south whipped spray against the local piersheads at the harbor, sending spume high over the fog horn house, and the lights on both piers, and burying the breakwaters continually. The coast guards kept a sharp lookout for ships in distress but none were reported.

HOG CHOLERA IS DISCOVERED IN HOLLAND TOWN

Apparently hog cholera is present in Holland township area, says C. P. Milham, county agricultural agent. Farmers who have swine should keep very close watch on them. Hog cholera is usually indicated, first by loss of appetite, watery eyes and a desire to lay down most of the time. In the last stages there are purple spots on the abdomen and occasionally on the legs. Pigs run rather high temperatures and die usually within a week.

The preventive of hog cholera is hog cholera serum administered by an accredited veterinarian and if any farmer has pigs that are suspicious at all they are advised to get in touch with a registered veterinarian at once and avoid losses.

Gerrit Lemmen and son, Benjamin, have returned from the north woods and each brought back a buck.

A regular meeting of the United Spanish war veterans' auxiliary will be held tonight, Friday, at 7:30 o'clock in the G. A. R. room of the city hall.

containing the names of three most distinguished battles in which he took an active part. Besides the token, he was presented at the close of his army career in 1882 with a silver medal from the king and the two awards he prizes highly. Note: The man has long since passed away; before passing, however, he being a monument maker, carved his own tombstone which now covers his grave in Pilgrim Home cemetery.

FIFTEEN YEARS AGO TODAY

Henry Geerlings was re-elected president of the Michigan State Sunday School Association, which today closed its annual convention in Detroit. The distinction conferred upon former Mayor Geerlings is all the greater because of the fact that this is the first time in 15 years that one man has held the office two years in succession.

Miss Augusta Nieusma of Holland, who left for France some months ago as a member of the nursing corps of Base Hospital No. 17, Harper Hospital unit, writes that the work of the Y.M.C.A. in France is doing wonders. The "Y" is building and furnishing recreation halls for the boys back of the lines all over France where American soldiers are stationed. Miss Nieusma writes that soldiers returning from the trenches are usually so exhausted that sometimes they sleep two days without waking up once. It is to give these boys comfort that these building activities were started. She says French soldiers are not given quite the treatment at the hands of their government as our soldiers get from Uncle Sam.

Mrs. Clare Hoffman and her family of Allegan enjoyed a roast wild goose last Sunday as the result of the good luck and better aim of the head of the family. Attorney Hoffman was hunting at Crooked Lake, near Fennville, when along came a goose but not of the common Canada variety. It was a white one, called "snow goose," with all feathers white except the tips on the wings. To get the goose Mr. Hoffman let several fine Mallard ducks light almost on his gun barrel. The unusual bird weighed about 15 pounds. Note: Clare did not shoot this "big boy" but "appears" anyway, his fee was a goose dinner with cranberry sauce trimmings. Bringing this item up-to-date—the same nimrod shot three geese on Armistice Day and the ganders are asking for a similar day for geese.

DAUGHTER OF HOLLAND'S FIRST MAYOR PASSES AWAY

Mrs. Helen De Bruyn, aged 77, widow of the late Rev. R. De Bruyn, died at the home of former Mayor and Mrs. William Brusse as the result of a paralytic stroke, death occurring yesterday after an illness of some time.

Mrs. De Bruyn was the oldest daughter of Holland's first mayor, Mr. Isaac Cappon, who was also the founder of all Holland's early tannery interests many years ago. She was born in this city January 15, 1855, and was married to Rev. De Bruyn in 1892. She was a lady of fine character and did much charity work in her usual quiet manner.

For many years she has been a member of Third reformed church and active in the different missionary societies and Ladies' Aid society. For some time she has been Sunday school teacher in this church, and in many ways she fostered the cause of religion. She was also a member of the Woman's Literary club for many years.

Funeral services will be held this Friday afternoon at 2 o'clock at the home of Mr. and Mrs. William Brusse, 244 College avenue, Rev. James M. Martin, her pastor, officiating. Interment will take place in Pilgrim Home cemetery in the Cappon family plot.

Local Officers Will Enforce Liquor Laws

COUNTY, CITY OFFICIALS NOT
GOVERNED BY ELECTION
VERDICT UNLESS IT IS RE-
MOVED BY LEGISLATURE

There are 11 men held in the Ottawa county jail for liquor violations of one kind or another. All but one will be released before the first of the year, so if there is any letting down of the bars on liquor violators by the first of the year, Dave Lyons now serving a three months' sentence, will be the only one to profit by the edict.

John R. Dehmers, prosecutor for Ottawa county said yesterday, "the statutes are on the books of Michigan and as long as they remain there I see no reason why officials should not proceed in the same manner as they have done before. As far as I am concerned those who are brought to the courts for violation of the liquor law will be treated in the same manner as they have heretofore."

Lawrence DeWitt, Grand Haven's police chief, stated that he intended to make arrests in the same manner as he has done since he has been head of the department here and has instructed his men to do the same. The amendment proposal which was passed by the voters of Michigan has not altered the law regarding liquor in this state, and under which the officials are working.

Until orders come from higher up, the laws of Michigan will be upheld, the officers agreed, and liquor violators are no safer in the county now than they ever were.

There have been no arrests made since the election for liquor offenses in this city. There is but one liquor case to come up in circuit court in the November term, thus far. Time was when from 10 to 20 liquor cases were not infrequent in circuit court. The usual method now, remarked an officer, is to plead guilty.

Holland officers, including the police department, have all signified their intentions of enforcing the liquor laws as these appear on the statute book, until such a time as the law making body at Lansing changes the laws to conform with the constitutional amendment just passed at the recent election. The attorney general, Mr. Voorhees, has also so ruled, as has Judge Fred T. Miles, circuit judge of Ottawa and Allegan counties.

\$6000 FOR ZEELAND POST OFFICE SITE

The special committee of the Common Council of Zeeland, composed of Mayor Klumper and Alderman Glurum, who were appointed at the previous session of the council, recommended that the council submit a price to the Federal government of \$6,000.00 for the city lot on the corner of Elm and Cherry Streets, and also, that Mr. Wells and Mr. Van de Pels be given an option to buy the city property on the corner of Elm and Washington streets.

WELL KNOWN WOMAN DIES OF FREAK MISHAP

Mr. O. Frank Sanders of the Grand Haven High school faculty was called to his parents' home in Albion this week-end by the death of an aunt, Mrs. Nathan Shephard, who was electrocuted in an unusual accident Thursday.

Mrs. Shephard was helping her husband repair a leaky pump suction pipe. Mr. Shephard was pulling the pipe, 80 or 40 feet long, out of the ground and Mrs. Shephard was steadying it. A high tension electric power line carrying 3,600 volts runs across the Shephard farm nearby. A sudden gust of wind swayed the long pipe against the power line and Mrs. Shephard was instantly killed. Mr. Shephard suffered burns and severe shock.

PEOPLES STATE BANK DEPOSITORS ARE URGED TO SIGN AGREEMENTS

The Peoples' State bank will remain open Saturdays from 9 a. m. until 9 p. m. to give all depositors of the bank an opportunity to sign agreements signifying their approval of plans for the proposed reorganization of the institution.

At a meeting of the depositors' committee, composed of Fred Beuwkes, Oscar Peterson, George Steffens, George Tinnholt and John Vandersluits, it was revealed that 40 per cent of the depositors had already signed the agreement.

Clarence Jalling, receiver, states that persons representing at least 85 per cent of the total deposits must sign agreements, permitting 50 per cent of their bank balances to be placed in a trust fund and receiving the remaining 50 per cent on a five-year moratorium schedule.

For the convenience of those who find it difficult to appear at the bank during the regular banking hours or on Saturday, agreements may be signed or left with Mr. Beuwkes at the Brouwer Furniture store, Mr. Peterson in the city clerk's office, Mr. Steffens at Steffens Bros. store, or with Mr. Tinnholt at the Holland Furnace company.

The sooner signatures on 85 per cent of the depositors are received the sooner action can be taken on other steps necessary to reopen the bank.

FIRE IN FORMER HOLLAND MAN'S BUILDING

Both the Grand Haven and Spring Lake fire trucks were called out Wednesday. The Grand Haven department answered a call at about 10:30 o'clock and extinguished a blaze in the second story of the "Exchange," operated by Evert J. Prium at the corner of Washington and First streets. An overheated smoke pipe from a hard coal stove on the first floor ignited the floor of the second story and a large hole was ripped in the floor. The damage amounts to about \$25. Prium formerly conducted a music store in Holland.

THE HUNGRY FIVE OF RADIO FAME IN HOLLAND ON THANKSGIVING DAY

"LOUIE'S HUNGRY FIVE," radio's funniest act, from W. G. N. The Chicago Tribune Station, will make PERSONAL appearances at the Holland Theatre on Thursday and Friday, November 25-26. The "Little Cherman Band" will be under the direction of HERR LOUIE himself, ably assisted by THE WEASEL, whose arguments, and adventures who have listened to over the air from W. G. N. for the past year. These two exponents of "Cherman" fun and humor, have prepared a very funny stage act, and their appearance has been welcomed by crowded theatres on the occasions where they have played so far. This feature which was started about a year ago by the Chicago Tribune, is perhaps the most popular of the so-called comic strips of the radio, receiving more favorable comments than perhaps any other. "THE HUNGRY FIVE" do not play any of the symphonies of Chopin or Beethoven, but with a technique all their own, they render "Ach Der Lieber Augustine," and many of the favorites of bygone days, with a plentiful interruption of the "Chas" hits of the present era. For something just a little different and if you want some good hearty laughs, don't miss the HUNGRY FIVE when they come here next Thursday and Friday. They appear in conjunction with the picture program, and at all matinee and evening performances.

Rev. and Mrs. Nelson Van Raalte of Troy, N. Y., announce the birth of a daughter on Nov. 9. The child has been named Donna Mae. Rev. Van Raalte is a former resident of Holland and a graduate of Western Theological seminary.

The Beechwood Boosters will meet tonight, Friday, at 8 o'clock in Beechwood school.

Westrate to Get New Trial, Judge Miles Orders

VERDICT OF \$15,000 CONSID-
ERED TOO HIGH BY COURT;
DATE NOT YET SET

Judge Fred T. Miles ruled this week in circuit court that damages of \$15,000 awarded recently to Philip Van Hartsvelde of Holland against Dr. William Westrate of this city in an alienation of affections suit were excessive. The court granted Dr. Westrate's petition for a new trial.

The \$15,000 damages were awarded by a jury in the first trial of the case several weeks ago. Van Hartsvelde charged that Dr. Westrate, former city physician of Holland, had made love to Mrs. Van Hartsvelde, causing an estrangement between them.

The basis for the new trial is the excessive judgment, the findings say, and it does not seem that a reduction of the verdict under the circumstances of the case would be satisfactory. While a reduction is the usual remedy where a verdict is excessive there are so many elements involved in the case, that it seems more satisfactory that the case should be retried.

The findings go on to say that no new trial shall be granted, unless in the opinion of the court, after an examination of the entire case, it shall appear that the error complained of has resulted in a miscarriage of justice. But one assignment was considered, the excessiveness of the verdict, which is so unusual in amount and the relations of the plaintiff and his wife were such prior to the acts complained of and following their separation before the commencement of this suit, as to make it impossible to account for, unless as alleged, some element of prejudice or passion exerted an influence.

Judge Miles points to the defendant's detective testimony in which he stated that the plaintiff told him that the defendant was a very wealthy man, worth \$250,000. While no objection was made to this testimony, it must have left an impression, and probably influenced the amount of the verdict, he says. He points to the fact that Derham vs. Derham, Mich. 126, another trial, in which it is suggested that the actual but not the reputed wealth of the defendant may be competent, but the statement made here by the detective is not even reputed wealth.

**A QUIET
ACCOMPLISHMENT**

When Mrs. Herbert Hoover
leaves the White House, that dis-

tinguished mansion and the entire
Nation will be richer for a service
she has unostentatiously rendered
during her husband's administra-
tion. Under her direction the pri-
vate parlor used by the President
and his wife has been restored to
its appearance in 1817, when it was
the private parlor of Mrs. James
Monroe, mistress of the rebuilt
White House after it was burned
by the British in 1814.

Aware of the room's history, ac-
cording to the story made public by

Laurence Gouverneur Hoes, great-
great-grandson of President Mon-
roe, in the magazine section of the
New York Herald-Tribune, Mrs.
Hoover desired to reassemble the
original furnishings, in so far as
this might be possible. The period
of the French Empire, in which the
Monroes brought most of the ex-
quisite examples of cabinet work
from France, was precisely that of
the White House of 1817 — chiefly
graceful mahogany ornamented
with brass and marble.

Several authentic pieces of the
Monroe furniture were found in the
White House, sofas, armchairs, or-
naments and an Empire table. Then
Mrs. Hoover visited the former of-
fice of the lawyer James Monroe
in Fredericksburg, Va., recently
opened as a museum and shrine by
members of the Monroe family.
There President Monroe's desk,
Mrs. Monroe's piano, a portrait of
Mrs. Monroe and many other items
are preserved.

Mrs. Hoover obtained permission
to have the desk, Mrs. Monroe's tea-
table, the portrait and some inci-
dental furniture copied. A replica
of the piano was found, by chance,
in another collection and offered by
the United States National Museum
where it belongs, in the first home
to the White House.

So this gem of a room exists
of the land, exhibiting the culti-
vated taste of the early Federal
days. It exists as well in token of
the deep, sincere patriotism of a
Twentieth Century First Lady who
could find time in the course of a
busy official life to remember the
cherished past and make it live
again.

**HOLLAND GIRL
MARRIES IN ZUTPHEN**

On Thursday evening, Nov. 10,
Miss Anna Brouwer of Zutphen
became the bride of Mr. Robert
Gort of Drenthe, when the bride's
pastor, Rev. Simon Vroom of Zut-
phen, performed the marriage cer-
emony that made them husband
and wife.

The wedding took place at the
home of the bride's parents at
Zutphen, where the bridal party
took their places while Miss Ethel
Brouwer, sister of the bride,
played the bridal chorus from Lo-
hengrin, and during the ceremony
the soft strains of "To My Wild
Rose" brought a melody into the
happy hearts.

The bride was daintily dressed in
a gown of white satin crepe and
she carried a bouquet of snap-
dragons and carnations.

Following the ceremony an elab-
orate wedding supper was served
the guests.

Mrs. Gort is the daughter of Mr.
and Mrs. Henry Brouwer of Zut-
phen and has been employed in
Holland the past three years. Mr.
Gort has been employed at the
Farmers' Elevator at Vriesland for
some time.

The newly wedded couple will
reside in Zeeland and will be at
home to their friends after Dec. 1.

The Western Social conference
of the Reformed church was held in
Vriesland Tuesday. More than 60
pastors and elders from churches
in western Michigan attended. J.
Breedveld, Kalamazoo, led the dis-
cussion in the morning on "Should
Church Sponsoring Legislation." In
the afternoon Rev. E. H. Tanis,
Grand Rapids, led the discussion on
"The Undenominational Church." John
VanderSluis of Holland di-
rected the group singing.

Mrs. Minnie Coburn, Miss Net-
tie Coburn and Mr. and Mrs. Leon
Kleis were entertained Sunday at
the home of Mr. and Mrs. H. Kleis
at Holland.—Zeeland Record

Rev. A. Jabaay of Zeeland will

Christian Reformed church of Hol-
land next Sunday.

OLIVE CENTER

The sedan belonging to George
Smeysers was stolen last week in
Grand Rapids where his son, Her-
man, and William Kooyers had
gone on business. They had left
it parked for a short time and
upon their return it was gone. A
new leather coat of Mr. Smeysers
was in the car. No trace of either
has been found.

Mr. and Mrs. Reuben Tasker

Olive Center, living directly east
of the school, intend to celebrate
their golden wedding at their home
in Central Park Saturday, Nov. 19.
Mr. Tasker was born in England

the age of 20. In 1882 he married

Tasker is 68. Both are enjoying
good health. They have three chil-
dren, Harry Tasker of Central
Park, Mrs. Bessie Van Houten of

tives from Lakewood Friday.
A miscellaneous shower was given
Friday evening at the home of
Mrs. Henry Kooker, a recent bride
by a group of relatives and friends.
Games and contests were enjoyed
and prizes were won by Wilma
Hop and Janet Schamper. A two-
course luncheon was served to
about twenty-five guests.

baby of Holland were guests of
their parents, Mr. and Mrs. H.
Boers, Thursday.

**MODEL DRUG STORE
CHANGES POLICY AND
BUSINESS LINE**

Henry Wilson, manager of the
Model Drug store, announces today
that the Model Drug company, at
the corner of River avenue and
Eighth street, Holland, is not only
changing its business policy but
has made connections handling
what is known as the celebrated
"Walgreen Line."

He states that this new connec-
tion with the Walgreen system will
be beneficial not only to the firm
but to their customers as well.
The Walgreen company is nation-
ally known as a drug firm highly
recommended.

Mr. Wilson states that the adop-
tion of the new system does not in
any way involve the ownership of
the store nor will there be any
change in the management. The
old Model Drug company will be
as local as it always has been.

However, Mr. Wilson states that
the new system of merchandising
will reflect favorably in behalf of
customers in Ottawa and Allegan
counties.

Mr. Wilson states that the Mod-
el Drug company officials have
watched the progress of Walgreen
system stores elsewhere and they
felt gratified over their observa-
tions and felt that such a connec-
tion would work out favorably in
this community. He states that
Walgreen merchandise has been
thoroughly investigated by him, as
has been stated before, and found
these goods of high quality and
pleasing to customers where this
system is adopted.

Mr. Wilson states further that
through this new connection the
Model Drug company is in a posi-
tion to run periodical sales and
will be thoroughly equipped to han-
dle any drug needs in this vicinity.
Elsewhere in this issue the firm
makes an opening announcement
telling of this new pharmaceutical
arrangement.

Other relatives in attendance were Mr. and Mrs. Don Elsay of Rockford, Mrs. H. J. Fisher, Alvin Palmer, Mrs. Herman Meppelink and daughter of Holland, Ernest DuVall, Carl DuVall, Harry DuVall of Kalamazoo, Allan Schuyler of Galesburg, and Miss Neff of Battle Creek.

Mrs. Palmer formerly was a resident of this village. For many years she was the proprietor of the local hotel and was an active member of the American Reformed church. During recent years she resided with children at Kalamazoo, but was a frequent visitor with relatives here. Her many friends extend sincere sympathy to the bereaved families.

Juliana Ter Avest spent Sunday with Mr. and Mrs. John De Young of Monterey.

George Kaper and family were in Kalamazoo Saturday on business.

An alumni meeting of the Christian Endeavor society of the First Reformed church will be held next Sunday evening. This meeting is an annual affair when all former members are invited and the meeting is in charge of representatives of alumni and present members. These meetings have been unusually successful. Stanley Japink, present president of the society, said: "No special invitations will be sent out, but we want every former member to know that we are anxious to have him attend this meeting." Let us all be there next Sunday evening at 7:30 o'clock, fast time.

Mrs. J. A. Roggen spoke at the P.T. A. meeting at Vriesland last week, Friday evening.

Rev. Herman Maassen of North Holland preached at the First Reformed church in a pulpit exchange with the pastor, Rev. J. A. Roggen.

Amy Voorhorst, Aileen Dangremont, Eunice Hagelskamp and Gladys Lubbers were in Grand Rapids last Friday.

Grace Ilg gave a report of the meeting of the County Federation of Women's clubs, which was held at Allegan.

Jane Fairgrieve of Saranac was a week-end guest of Gladys Lubbers.

the hitch hikers relieved the young men of their funds and fun. Josephine Kaper and Ella Roggen spent the past week-end with friends in Kalamazoo.

Mrs. Garret Kleinheksel and Mrs. J. A. Roggen called on Mrs. J. H. Beumink, who is seriously ill at the home of her daughter at Zeeland.

"Farm relief for farmers" has become a reality in this vicinity. The local farm bureau is more and more becoming the business center for farm products. Of course, there is a reason. They can obtain better prices for the things they must buy. Formerly the farmer was charged 10 cents (and in some cases 15 cents), per sack for grinding feed. At present the charge is 5 cents. Also for mixing feed the price has been reduced to 3 cents per bag. The local firm is paying the highest price for eggs in the United States with the ex-

ception of a few localities in New York and New Jersey.

Louis Jappinga, Bob De Vries, Martha Slowinski and Jeanne Herman of Holland visited at the Andrew Lubbers home Friday evening.

A meeting of the Michigan Cooperative Managers' association was held at the local farm bureau last Monday evening. W. C. Geagley, chief chemist of the state department of agriculture, spoke on seed inspection and licensing of some mixed feeds.

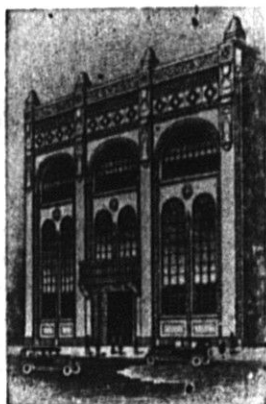

A meeting of the Athletic association of Hamilton was held at the Community hall Monday evening. John Brink, Jr., president, Herman Nyhoff was chosen president and Harold Dangremont became secretary-treasurer of the organization for the coming year. A meeting of the executive committee will be held Saturday evening when plans will be made to regulate the athletic activities of the winter months. Basket ball, volley ball and plays will feature

the program of the winter. Harold Slotman, son of John Slotman, is seriously ill at his home.

Janet Kaper was home for the week-end. Andrew Lohman and County Agent Morley were in Lansing last week, Thursday and Friday, to attend the state farm bureau meeting, which was held at the capitol.

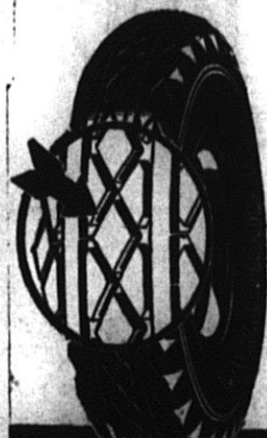

Bernard Voorhorst is employed at the local bank.

Next Tuesday evening the P.T. A., working with the Welfare association, will sponsor a cafeteria supper in the Community hall. The proceeds will be used to help needy families in this community. Everybody is welcome and indeed urged to come. A program will also be given. Donations of food or clothing will also be accepted. Come and bring the whole family. All anyone need bring is your own sandwiches and one extra dish per family Tuesday evening at 7 o'clock.

FUNERAL OF HOLLAND HUNTER HELD YESTERDAY

Holland has its first hunting trip death although not through firearms. One young man was killed and three others injured, all of whom are expected to recover, when a southbound Pennsylvania train struck an automobile at Walton Junction, north of Cadillac, early Sunday morning.

The dead man was Leonard Michielson, 25, and those injured are Neil Bontekoe, 26; Walter Johnson, 30, and Julius Dieters, 34, all residents of Holland. Bontekoe has head injuries, Johnson suffered several broken ribs while Dieters was severely bruised.

According to attendants at Mercy hospital, Cadillac, where they were taken, the party was en route north on a deer hunting trip. Dieters, who was driving, is said to have seen the train too late to stop and the car skidded along the highway, coming to a halt directly on the tracks. The impact tossed the car and occupants into a ditch.

The train was stopped and the crew brought the injured into Cadillac where Michielson died within a few hours. The body was taken back to Holland. The others in the collision are out of danger and improving rapidly.

The funeral services were held from the home, 544 College avenue, Wednesday afternoon, Rev. L. Veltkamp, pastor of the Central Avenue Christian Reformed church, officiating, with Peter Kolean singing the hymns appropriate at this time. Interment took place in Pilgrim Home cemetery.

The pallbearers were the following: Clarence Van Haften, Fred Johnson, Ray Schuurman, John Gallen and George Bontekoe of Holland, and John Hackland of Saugatuck.

WINDUP OF THE FOOTBALL SEASON

The football teams of Hope college and Holland High school will close their seasons Saturday on foreign fields. Hope travels to Hillsdale to meet the defending champions of the M. I. A. A. conference in a battle for the championship, while the high school goes to Muskegon Heights.

Hillsdale has beaten every team in the conference this year by at least 20 points, and thus rules a favorite to take Coach Bud Hinga's "Pony Express" into camp. The game is billed as the M. I. A. A. championship encounter as the winner will hold undisputed claim to the crown.

Last year Hope surprised the state and nation by playing the Dales to a 19 to 19 tie after the South-Staters had defeated the University of Chicago and won the conference title. The Baptists will have a weight advantage of 20 pounds to the man, but Hope will attempt to retaliate with Louis Jappinga and forward passes.

Despite the outcome of the game Hope has had a highly successful season. The Dutch have won four straight games, and the season's record is 4 victories, 1 defeat and 2 ties. The defeat, at the hands of the undefeated Western State Teachers of Kalamazoo, became a "moral victory" when the Hingamans scored the only touchdown against Kalamazoo this season.

Holland high school, after playing good ball to win a pair of games, will invade Muskegon Hts. Saturday in a battle that looms as a toss-up. The Heights team is regarded as one of the best in the state at the present time, having beaten Grand Haven, Muskegon and Benton Harbor on consecutive Saturdays.

Coach Gerald Breen's record is 3 victories, 3 defeats and 1 tie. The Breenmen stamped "success" on the season last Saturday by soundly thrashing Grand Haven, 14 to 0. The county seaters were favorites before the game for the first time since 1927.

Hope college uncorked the best offensive attack seen here this season when the local team drubbed the powerful Detroit City college eleven, 32 to 0. With Louie Jappinga playing the best game of his career, and that covers a lot of territory, the Dutch chalked up 3 touchdowns in the first period and then added 2 more later in the game.

Jappinga scored the first on a short dash around left end for the touchdown. He tossed sensational forward passes to Damsen and Korstanje for the next two. Detroit was so dazed that it was helpless. Damsen intercepted a Detroit pass and raced 75 yards for a touchdown, and Slighter made the final score in the late minutes of play on a line buck from the 1-yard line.

Hope made 20 first downs to 3 by Detroit, and went 360 yards to 64. Joe Gembis, former University of Michigan star and now coach of Detroit, told Coach Bud Hinga after the game that the Hope team was one of the best he has seen this year. "And talking about Friedman and Newman," added Gembis, "Jappinga can throw passes just as well and hit his target just as often as the all-American pair. In fact, he's the best passer I have laid my eyes on this season."

The Hope-Hillsdale game will

be preceded by a preliminary between the Hope frosh and Hillsdale frosh. The first game will start at 12:45 (eastern standard time), with the main game two hours later.

The Holland-Muskegon Heights preliminary will start at 1 o'clock

(eastern standard time), with the main game at 3 o'clock.

William Demetral of Greece is taking on Jack McCarthy of Seattle, in the main match of a wrestling show tonight in Holland Armory. The match will be for two

out of three falls. Dutch Velde of The Netherlands is being pitted against Fred Hall of Buchanan in the semifinal, also two out of three falls. Dr. Carl Furness of Chicago and Steve Savage, southern champion, is matched in a 45-minute preliminary.

Vexing Time Question Also Comes Up: Christmas Trees and Farm Institute Matters Up For Discussion

The monthly Merchants' association meeting held at the city hall was a real interesting affair, winding up with a modest luncheon at Kester's cafe.

The guest speaker of the evening was Mr. Harry Wetter, new secretary of the Holland Chamber of Commerce, who was fittingly introduced by Milo De Vries, who stated that Mr. Wetter was not a recent resident of this city, but had been living at Waukazoo for a number of years and had come here to "cast his lot" because he liked Holland and its environs.

Mr. Wetter gave a picture of Holland as this relates to the local folks and what The News has always proclaimed, that we do not know our own town and its wonderful possibilities, only Mr. Wetter used a comparison that vividly tells the story.

He likened Holland to an oil painting. Viewing a painting at close range brings only "dots" and "splatters," but recede from the portrait and the beauty, color and shading of the painting comes out in all grandeur. Mr. Wetter contends that our populace stand too close to the picture "Holland." We are so accustomed to see what we have here that we are blinded to its beauty and its possibilities. He said that it takes a stranger to picture Holland as it really is. He said as a salesman he had traveled much throughout the nation and he is yet to find a place with the appointments of a city and its surroundings, with harbor, lake, agriculture, civic development, beauty and accessibility to larger centers are so well taken care of, naturally and artificially, as in this city.

He said that we do not "sell" Holland enough to the outside although Holland is unique because of its Dutch origin, to trademark its publicity in a manner that is appealing to the outsider.

He said that a few years ago California was just another state but men of vision saw the possibilities of the climate and the scenery and "sold it," so to speak, to the nation and the world.

Michigan and, especially the western part, with its great variety of scenery, as well as seasons, its fruit, its out-of-door recreational advantages far surpass anything California has to offer, and we are only just beginning "to sell" western Michigan as the "playground of America" and this immediate vicinity is as fine as anything we have.

Time forbids just now to tell you of my first impressions of Holland and our lake. The fact that I am staying tells the story for I like it here and am making it my permanent home, said Mr. Wetter.

Mr. Wetter then outlined the coming Farmers' Institute to be held at the Armory on Thursday, Dec. 8, when a suitable program of speaking in the morning and afternoon is to be featured. Many prizes are to be given away at the close of the day and the guests, some 1,600 of them, will be given a palatable meal at noon with the merchants doing the serving.

Mr. Wetter also championed the cause of the Chamber of Commerce, stating that it was bodies like the Merchants' Service bureau, the Merchants' association and the Chamber of Commerce that were the centers of civic development in every community and that we get out of it just what we put into it. A lazy organization brings little returns in mutual benefits but a live body of men and women bring results with interest added in city development, which after all is mutual, the speaker contended.

The Holland Merchants association officials have been getting so

Kollen Park Dock Fine Thing and Costs Little

Holland's new municipal dock, extending into Black lake from Kollen memorial park, will mark a much-desired wharf for docking in the summer and for harboring cruisers laid up for the winter. Six cruisers can be accommodated.

The dock was built at a cost of \$450 from pile rejects of the old bridge across Black river. This was about one-third the normal cost. One-third of the money spent went for welfare work. The main dock covers 1,200 square feet and has a catwalk 6x80 feet. It is supported by 62 piles.

The project was recommended to the council some time ago by Police Commissioner Henry Van der Schel.

The News a few weeks ago got a few too many noughts in the figure relating to the extra cost of the dock to finish it. The figures read \$75,000, but with the replacing of the decimal point and lopping of an "0" the amount really is seventy-five dollars and the city budget will not be disturbed.

many requests asking that body to use its influence to go back to "eastern standard time" that at that meeting it was decided to send a communication to the Common Council, asking that the time be changed again.

Mr. Jake Fris, one of the spokesmen, said that the confusion in the time was detrimental to manufacturing, who because of it, lost orders. Other merchants felt that the wheels of industry should be kept going as much as possible, which really meant more than some inconveniences on the part of others.

Carl Shaw presented a petition being circulated by Mrs. Shaw, asking for "eastern standard time" and this petition is being liberally signed and duplicate petitions are found in many of the downtown public places and in factories.

It is understood that nearly 1,500 names have already been secured.

It was the consensus of opinion that the principal streets be re-decorated with Christmas trees during the holiday season and that the trees be bought locally and not from outsiders. G. Cook & Co. and Shady Lawn Florists have the matter in charge. Each merchant will buy his own trees and it is not a Merchants' association affair directly.

Henry Vander Schel, member of the Holland Harbor board, gave a fine talk on the municipal dock at Kollen park. He had a large drawing on hand made by Mr. Tuurling, local artist, and giving the cost of that dock which was nominal compared with the great benefits derived by new trade coming to the city. It is pointed out that one large cruiser alone during a season purchased more than \$3,000 worth of merchandise and another 300 gallons of gasoline in one trip.

B. A. Mulder pointed out that if anyone in Holland doubted that cruiser travel was a myth, a survey of Macatawa bay last season would show more than forty anchored in the harbor at one time, and with proper docking facilities such as we now have Holland could get a great deal of that business. The dock fostered by Mr. Vander Schel, which now has become a fact, will lead to larger docking facilities later, possibly at the foot of Pine street, leading right to the heart of the business district. No doubt influence could be brought to bear with the government to have a turning basin scooped out at that point at some future time, Mr. Mulder stated.

Jake Lokker was in a reminiscent tone of mind and told those at the meeting of the time he had an electric launch many years ago and what a great pleasure it was and he was "heart and soul" in favor of providing docking space for the visiting yachtsmen. He also told of a dock that he had helped build in the slip on Fourth street where the steamers "Macatawa," "Post Boy," "Watson" and "Lizzy Walsh" formerly docked, but that was before it was a mud hole as it is today.

George Dauchy of Warm Friend Tavern asked the merchants to co-operate with the Tulip Festival committees. Undoubtedly there will be fine window trims for which prizes will be given and in which the tulip will be the dominant feature. He advised to have downtown clerks be dressed up in colorful Dutch costumes for these features took well with the strangers who visited. He said "Holland stressed that point last year with telling effect and we should even enlarge and improve upon these features."

Cornelius Dornbos urged the merchants to make more use of their credit bureau for it was a valuable asset through which the merchant could avoid adding more "dead beats" to his book accounts and at the same time securing customers that were perfectly reliable and "sure pay."

Chairman William Brouwer also stressed that point, mentioning many instances in his own business where the firm had made money because of the information in the way of credit which the credit bureau was able to give.

One fine feature that the new Chamber of Commerce secretary suggested was to send to each substantial tourist, who stays for a period, a letter of welcome to return the next season, sending the letter to the tourist's address which could be easily secured. As Mr. Wetter puts it: "A fine letter or a kind word to a tourist leaves a better feeling than a 'kick in the shins.'" Undoubtedly this can be applied to our home folks as

County Must Maintain Many Miles of Road

288 MILES OF TOWNSHIP ROADS TO BE TURNED OVER TO COUNTY

The survey of 228 miles of township highway to be taken over by Ottawa county this year under the terms of the McNitt act, has been completed by Carl T. Bowen, county engineer. Action of the road commission will be forthcoming shortly to approve the transfer which officially takes place April 1, 1933.

Last April the county took over its first 20 per cent of the township highways under the terms of the McNitt act, 228 miles of highway being transferred from township to county supervision then. There were about 1,140 miles of highway under township control prior to last year but this will be reduced to 884 after next April. For maintenance and improvement the county receives about \$37,000 from the state gasoline tax. The first year \$2,000,000 was set aside to be divided among the counties and according to the McNitt act this will be augmented by \$500,000 yearly until it reaches \$4,000,000 by which time all township highways will be under county control.

There has been some agitation to speed up the takeover, so that the counties will be responsible for township roads in a shorter time than the five-year schedule provided under the McNitt act. Those favoring this procedure believe the legislature may take such action shortly to relieve the townships.

LOCAL POLICEMEN WILL BE DISCHARGED IF CAUGHT SPEEDING

At a meeting of the board of police and fire commissioners a resolution was adopted, calling for the discharge of any member of the police department driving police cars in excess of 45 miles an hour, except in emergency cases. The teeth of the law have thus been sharpened appreciably for Holland policemen, for where the private motorist is usually assessed a fine for speeding, officers will be penalized by being discharged.

A NIGHT LAMP SAVES HERRING

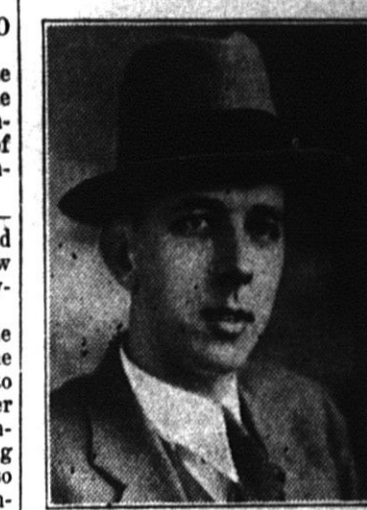

The aquarium at Amsterdam, Holland, has the reputation of being the only one which has been successful in housing a school of herring. The difficulty in keeping these fish in aquarium quarters, it is said, is that they bump into the rocks at night and kill themselves. Officials at the Amsterdam aquarium have overcome this obstacle by providing the herring with a night lamp.

FULLER HELD IN EAST ON HOLLAND CHARGE

Walter Fuller, formerly employed in Glen Gillespie's bakery on River ave., has been arrested in Philadelphia charged with stealing an automobile owned by Gillespie. The machine was taken last July when Fuller, it is alleged, disappeared. The car also was found in Philadelphia, but will not be returned as Gillespie settled with the insurance company some time ago.

Police Chief Peter A. Lieveense has asked Philadelphia authorities whether Fuller will waive extradition.

TUCKER TUCKED AWAY THE VOTES

Irving J. Tucker of around East Saugatuck won out over his opponent Stephen E. Bellgraph, democrat, for Judge of Probate of Allegan county, by a vote of 5236 to 2367, Tucker winning by a majority of 2869, the largest majority any candidate received in that county.

Tucker is a fine young man, has had some law experience, and is bound to make good. He has many friends in Holland.

Miss Genevieve Tinholt, Miss Mildred Houting, Raymond Houting, Andy Helder and Neil Baldwin attended the Northwestern Notre Dame football game at South Bend Saturday.

The young women's Bible class of Trinity Reformed church will hold its annual meeting tonight, Friday, in the church. The business session will be preceded with a pot-luck supper at 6 o'clock. J. Oonk is teacher of the class.

Grand Haven Votes "Wet" Report Shows

CITY VOTES IN FAVOR OF THE LIQUOR AMENDMENT BY 1,668 TO 1,426

Grand Haven voted "wet" on the proposed amendment to the state constitution abolishing the state liquor law at the general election Nov. 8 by a vote of 1,668 to 1,426, according to reports at the county clerk's office. The city also favored the proposal to allow citizens to vote without being in the voting precincts 20 days by the narrow margin of five votes, the vote being 1319 "yes" and 1314 "no."

All the other amendments were defeated, including the tax proposed amendments, the reapportionment, governor's pardoning power, the property owners voting on bond issues and the tax on oleo.

The county vote also favored the fifth, sixth and seventh proposals, the last winning by the narrow majority of 33 votes. The News already gave a tabulated return of the amendment in Holland and vicinity. The following is the tabulated vote of Grand Haven and Ottawa county:

VOTES FOR HOOVER AT THE AGE OF 101

Alexander D. Lake of Fennville, who will be 101 years old on Christmas day, cast an absent voters ballot for Hoover, so that he would not have to ride to the polling place in Pearl. He cast his first vote in 1852 for Gen. Winfield Scott. He has been a Republican since the formation of the party "under the oaks" at Jackson, Mich., and supported Lincoln in 1860 and 1864.

Among the Grand Haven nimrods headed north are Max Krueger, Carl T. Bowen and E. H. Nixon who will hunt in the Upper Peninsula and Sgt. Julius Pleines, U. S. A. retired, Edward Foulkes, Capt. Howard H. Pellegrom and Joe Swartz, who go Monday to hunt near Greyling.

HOLLAND WITNESSES FAIL TO IDENTIFY TRIO BEING HELD IN CHICAGO

Police Chief Peter A. Lieveense states that several witnesses to the recent Holland holdup had been unable to identify photographs of three men held in Chicago in connection with the holdup.

The photographs of the men—Julius Schreiber, Ben Youpel and Daniel Grosse—arrived a few days ago and witnesses spent several hours examining them.

Chief Lieveense asserted that he believes the men are part of the gang, but that their job is to "liquidate" the lot which other members get in holdups. They cannot be tried here for receiving stolen goods, Lieveense said, and so far as Holland officials are concerned, they will seek clues elsewhere.

GEESSE APLENTY NEAR FENNVILLE

Ferry hotel where he makes his home. Getting out of the bus on Water street at the hotel, he slipped and fell on the ice. He was taken into the hotel and later removed to the hospital. He will be 90 years old Nov. 21.

\$50 WAR SAVINGS CERTIFICATE FOUND

In the midst of the period of depression C. A. Twichell, who resides on a farm east of Sparta, caught a gleam from the days of prosperity recently.

"Father was looking through his tax receipts on our farm which had been held by the family since they took the land over from the government," said Miss Twichell. "He found a war savings certificate which he had entirely forgotten. 'He gave it a good quick look. It was worth \$50. He cashed it,' said Miss Twichell.

MICHIGAN BELL TELEPHONE CO.

It's easy to be forgotten if you have no telephone

When friends plan parties and other good times, often "on the spur of the moment", they usually turn to the telephone to invite the "crowd". For telephoning is the easiest and quickest way. As a result, those without telephones miss many good times.

A telephone costs surprisingly little... only a few cents a day. It helps in finding employment. It is a social and business aid. And it is PRICELESS PROTECTION IN EMERGENCIES, enabling you to summon doctor, firemen, or police instantly, day or night.

Just one telephone call in an emergency may be worth more than the cost of the service for a lifetime.

Most of Out-of-State Campers Came from Ohio

Ohio furnished the largest number of out of state visitors to Michigan's state parks during the season of 1932, sending 7,435 park campers, a report issued by the Parks Division of the Department of Conservation today indicates. Ohio residents coming to Michigan to camp this year were followed in number by Illinois residents. Indiana campers were third in number. Of the 7,435 Ohio campers, 2,264 were registered at the Walter J. Hayes park near Jackson, the park nearest to the Ohio border. The Wilson Park at Harrison registered 496 Ohio residents; Magnus registered 293 and the Straits Park 290. Illinois sent 5,682 campers, most of them to register at the State Parks along the Lake Michigan shore, although a considerable number camped in upper peninsula parks.

Campers who registered from Indiana numbered 3,337. Practically every park reported some Indiana residents with the Van Buren park registering the largest number, 390. Only 837 Wisconsin residents registered at the parks the past year. Only hundred and forty-one of these went to the J. W. Wells Park in Menominee near the Wisconsin border and 91 to the Straights Park at St. Ignace.

Among registrations during 1932 from other states were California 300; Texas 254; New York 242; Missouri 236; Pennsylvania 258 and New Jersey 118. Canada sent 526 campers to Michigan and the Philippine Islands sent three. Out of state campers numbered 20,688. They built 6,399 camps.

OBSERVE "PARENT NIGHT" AT LOCAL SCHOOL

Holland Senior High school observed "parent night" with a program given by students. Miss Marion Te Roller, high school mayor, presided. Several musical numbers and a play, "The Lean Years," coached by Miss Jeanette Mulder of the English department, comprised the program. Characters were Charles Steketee, Miss Ethel Redder, Miss Irene Overbeek, Frank Mook, Miss Alyce Dykens and Donald Visser.

The musical program was also very pleasing. Louis Jalving, baritone, accompanied by Miss Lois Vrieling and William Arendshorst, sang "Love's Old Sweet Song." The boys' double quartet offered "Long, Long Ago." Miss Vrieling accompanied the group. A girls' quartet composed of Miss Angelyn Van Lente, Miss Dorothy Steketee, Miss Augusta Heneveld and Miss Gertrude Meengs sang "Sweet Genevieve." Miss Lois Geerds was the accompanist. The numbers sung by these groups were all in keeping with the action of the play and were offered between scenes.

A trumpet solo by John Oert and a group of college songs by a brass quartet composed of John Oert, Cornie Steketee, Frank Working and Richard Schaffener were the concluding numbers of the program.

The Girls' Glee club, under the direction of Miss Trixie Moore, opened the program with two selections, "Gypsy Love Song," Herbert, and "Were You There," a Negro spiritual.

Mrs. Karsten played "Rhapsody in F Sharp Minor" by Dohnanyi, and "Valcik" by Mokrej, at the beginning of the program. GETS 10 DAYS FOR GREEN HIDE THEFT

Grand Haven Welfare Will Pay \$6.00 Rent as Limit

The welfare department of Grand Haven decided to allow no more than \$6 rental on houses occupied by welfare department charges. The former maximum allowed was \$10 which was in effect for the past five months. Previously the board had allowed \$10, \$12, or \$14.

Action along this line was necessary as an economy measure, Anthony Poppel, welfare director, said today. Mr. Poppel pointed out the low funds in the department and the fact that a \$5,000 loan had been necessary.

"Investors in bonds, stocks, and securities of all kinds have not only lost income but in many cases principal," he said. "Houses that are rented constitute an investment and if the city furnishes the owner enough to pay for taxes, insurance, and water during the depression period, this should be enough as it maintains the owner's investment during a time when the house might possibly be empty."

Demand for aid are dropping with the coming of warmer weather. Grand Haven has held its welfare aid to within reason. It has been a real aid, but not a luxury, of course, to those receiving aid. There also has been little lapping over in aid given by the different agencies.

What Gr. Haven Paper Says About Saturday's Game

"COUNTY SEATERS" FALL BEFORE HOLLAND'S BEST BY 14 TO 0 VICTORY FOR LOCALS (Grand Haven Tribune)

Displaying a running and passing attack, the equal of which Grand Haven had not seen this season, Holland High school's pigskin toters smashed through a 14-to-0 victory over the Cohornes at Holland Saturday afternoon. It was the last game of the season and leaves the Havenites in fourth place in the Southwest Conference standings. Holland took fifth place in the standings and Benton Harbor is in the cellar by losing to Muskegon Heights. Only one more conference game remains, that between Holland and Muskegon Hts. next Saturday.

Holland easily had the better of the argument Saturday in the tussle with the Havenites. Jerry Breen's men gained a total of 205 yards to 174 for the Havenites. Holland made 130 yards by rushing and completed two passes out of seven for 73 yards. Grand Haven made a net total of 73 yards by rushing and gained 101 yards by completing six out of 16 passes. Grand Haven made eight first downs to seven for the Hollanders. Holland was penalized 55 yards to 30 for Grand Haven.

But Holland won because it was able to throw back the Havenites in the shadow of its own goal. In the first five minutes of play the Havenites came within 6 yards of a touchdown but Sluka failed to make first down on the old Statue of Liberty play. This came after Kueken of Grand Haven outpunted Jappings of Holland.

Score in Second Period.

Both Holland scores came in the second period. Kueken's punting had put the home team well back against its goal when VerSchure ripped off 44 yards for a first down on the Grand Haven 3-yard line. After VerSchure added five more through the line Capt. Fred Jappinga of Holland dropped back and tossed a pass to Klomparsen who was downed on the 6-yard line. Jappinga made 3 and VerSchure went through for the first counter. Jappinga kicked goal.

Later in the same period Kueken had kicked to midfield and Jappinga again dropped back and heaved a 54-yard pass to Klomparsen who had gotten behind the Havenites safety. The play completely baffled the Cohornes and Holland took to the defensive during the rest of the game.

In the second half a series of passes with Kueken on the throwing end and Sluka and Richards on the receiving end got the ball to within the Holland 20-yard line several times but each time the Hollanders braced. Late in the game Kueken threw to Sluka who was downed on the Holland 30-yard stripe. Two more passes were tried but were incomplete, but another to Richards was allowed for interference on the 10-yard line.

Jappinga Stars.

Augsbach went to the 6-yard line and Kueken slammed over the goal, but fumbled, and Otteman recovered for Holland. He ran to the Grand Haven goal but was called back and the play was called a touchback. The game ended two minutes later.

Captain Jappinga's passing featured the game, while Kueken of Grand Haven starred in the same role, but his passes failed to connect for counters. Molengraaf of Holland played well on the line, while Anderson, Deremo and Van Doorne showed up well for the Havenites.

Grand Haven's second team fell before Holland's Reserves at Holland Saturday, 13 to 6. Holland scored first in the second period when a poor punt by Bud Baird of Grand Haven was downed on the Havenites' 10-yard line. McCarthy scored for Holland from the 3-yard line.

Grand Haven's touchdown came in the third quarter when John Baird, Grand Haven tackle, recovered a Holland fumble on the Holland 20-yard line. A pass by Marrod made 16 yards and Klove went over on the next play. Later McCarthy of Holland intercepted a pass by Runk and was downed on the Grand Haven 20-yard line. Heifitz threw a pass and it was allowed for interference on the 1-yard line. Scheerhorn scored. John Baird took a pass off the fingers of Heifitz in the final minutes and was downed on the Holland 30-yard line. A Grand Haven pass was intercepted and that rally was halted. Runk's defensive work for Grand Haven featured.
