## Soldiers Take Three Days For Their Armistice

SPORTS, RELIGIOUS SERVICES  
AND BANQUET COVER  
SATURDAY, SUNDAY  
AND MONDAY

Mr. and Mrs. Wickers Lay Wreath  
on Willard G. Leenhouts  
Grave in France.

The American Legion, Veterans of Foreign Wars and Veterans of All Wars began the celebration of Armistice Day a little earlier than usual, the occasion being a football game on Saturday between Hope college and Wayne university when the soldiers were given an invitation by the local college to be their guests at Riverview park. The faithful American Legion band started the pre-Armistice Day activities going by marching to the game and playing on the field and in the grandstand, adding considerable to the pleasure of the occasion. They followed the stunts of big universities, spelling out the initials of the teams playing by special formation of the men in uniform.

Sunday the soldiers of all wars responded to an invitation from Dr. Thomas G. R. Brownlow, pastor of the First Methodist Episcopal church, who spoke to more than 200 soldiers in the church edifice that was filled to capacity, with women's auxiliaries, members of the church and a large number of patriotic citizens. Mr. Brownlow said in part as follows:

"Who of us will forget the first Armistice Day when folks were crazed by happiness, when the guns in the most terrible cataclysm of all time ceased their booming and

## RED CROSS DRIVE IN FULL PROGRESS

No national benevolent cause is greater and more unselfish than the Red Cross. The work of the Red Cross is so deeply imprinted in the minds and hearts of the American people that it is needless to point out what it stands for and what it has accomplished. In war these "angels of mercy" are on the firing line. In storm and quakes they follow the path of destruction. In conflagrations they are directly within call. During epidemic when pestilence stalks, they walk side by side with death, nursing the sick to life and bringing hope to the hopeless. Need we say more? Enroll in the Red Cross.

Our mayor also has a word to say in the following proclamation: "Nov. 15, 1934. Today marks the beginning of the annual drive in our city for funds to support the Red Cross. I know of no other national movement that affects so many people and is so deserving of the support of the citizens of Holland than the Red Cross. It is an institution designed for the aid and comfort of humanity in time of great need and never has it failed to function when humanity was in distress. It is the first to aid a transform chaos into comfort and order.

It is my sincere wish that every citizen of our city shall take this drive for Red Cross funds to heart and shall not only consider it a duty but a privilege to give all that is possible. Holland never fails.

Respectfully submitted,  
NICODEMUS BOSCH,  
Mayor.

## BROOKS NAMED PRESIDENT OF COUNTY RED CROSS

At a meeting of the board of directors of the Ottawa county Red Cross held recently, former Mayor Ernest C. Brooks was named president of the county unit; Laurence Dornbos of Grand Haven was named first vice president, and George Meengs of Zeeland second vice president. Mr. Brooks was first vice president of the organization last year.

The newly-elected secretary and treasurer are Sam Bosch of Holland and Otto P. Kramer, also of this city, respectively. The board decided to begin the annual county roll call immediately under the supervision of William C. Vandenberg, chairman of the drive. It is expected that the drive will be concluded by Thanksgiving Day.

## OILER ON COAL BOAT NOT OUT OF DANGER

Eskil Lindholm of Parisburg, N. Y., oiler on the freighter J. F. Schoelkopf, suffered a severely mangled left arm Monday when it became caught in a coal conveyor and held him helpless 15 minutes before his plight was discovered and he was released. The accident happened while a cargo of 3,500 tons of coal was being unloaded at the Harrington docks on Lake Macatawa. Lindholm was taken to Holland hospital and physicians feared he might lose his arm. Thus far, however, the doctors are endeavoring to save the member.

## ZEELAND ROTARY CLUB WILL BANQUET FOR THANKSGIVING

The Rotary club of Zeeland has decided to hold a Thanksgiving day dinner on Tuesday evening, November 27, at which they will entertain their respective wives and friends as their guests.

The Rotary club is composed of twenty-one representative citizens of this community, and it is anticipated that there will be a one hundred per cent attendance.

The dinner will be in the form of a banquet under the guidance of President M. B. Rogers, Zeeland, and will be at the new city hall. The spread will be followed by a sociable hour, and a very enjoyable time is anticipated.

## HOW ABOUT HOLLAND?

The Grand Rapids city commission Tuesday declined to accede to the request of Mayor Lionel Heap of Grand Haven that City Manager Johnson be permitted to accompany a Grand Haven delegation to Washington, November 19, for a hearing before the rivers and harbor committee in an endeavor to obtain harbor improvements. On motion of Commissioner Henry W. Walstrom, the request was "received and filed." Mayor Heap had stated he believed his city would be bolstered in its request before the federal committee if backed by west Michigan cities.—Grand Rapids Herald.

The news would like to know if Mr. Heap is counting Holland out on the harbor picture.

Seven hundred prospects for repairs have been filed in the local housing survey nearing completion. Estimates range from \$25 to \$3,000, and include the building of two houses.—Grand Rapids Northern Nigeria, Miss Breen in Press.

Guest day is to be observed at the regular meeting of the Women's Christian Temperance Union in the Woman's Literary club room Friday afternoon at which time Mrs. H. V. E. Stegeman, missionary to Japan, will speak on temperance and missions. Mrs. Margaret Markham will give a talk on work of the Light Line. Mrs. E. Ormiston will be in charge of the special music and Miss Nellie Zweig will conduct devotions. The W. V. Vander Schel is chairman of the committee. Each member is to bring a guest to the meeting which begins at 2:30 o'clock.

## Holland Stands High in Credit and Industry

BRINGING OF METAL PLANT  
TO CITY GRATIFYING  
INDEED

A Review Shows the Importance  
of a Chamber of Commerce in  
This or Any Other City

It is rather gratifying to note that Holland, through the Chamber of Commerce, has secured another industrial plant of a diversified nature. In a review of the accomplishments of a Chamber of Commerce through its officials, it is conclusively evident how important it is to have a real live body of that nature. Within the last few days William Connelly, director of the Holland chamber, announces that the Crampton Hardware Manufacturing company has been secured for this city and will occupy the 13th street and Van Rente avenue, a very serviceable building, that has been unoccupied for three years.

The organizer of the firm, B. R. Crampton of Grand Rapids, moved here from Detroit in 1918, being engaged in hardware manufacture in Grand Rapids and building, in 1929 with his associates, the Winters-Crampton plant at Grandville. He later sold his controlling interest in the Grandville firm, but remained as sales manager until recently. Since then he has been busy developing the new type of fixtures he intends to manufacture here.

The new firm will make stainless steel fixtures, chiefly for refrigerators. Contracts for tool and die equipment have been let, it was said, and operations in the new plant will start about Dec. 1, with 40 persons to be employed at the start. It is hoped ultimately to employ 75 or 80. Stamping work required will add to employment in other local plants, it was said.

It is stated that some hardware fixtures are to be made in this plant that may in a measure revolutionize electric refrigeration. In fact the plant has many orders ahead for that departure along. Mr. Connelly states that it has taken months of quiet effort to land this new industry, and that several members of the Chamber of Commerce co-operated with him in his work. Frank Duffy of the Duffy Manufacturing company was especially mentioned.

The Chamber of Commerce, which has taken the mayor and common council into partnership, has been a boon to the city. The close knit co-operation between the chamber and this official body has been instrumental in bringing about added confidence in this civic organization. In so many cities Chambers of Commerce have become bywords. Holland has had its ups and downs along these lines, but today all manner of projects are laid on the desk of the director of commerce and he calls on various men particularly fitted to co-operate with him in solving, ironing out, or bringing about vital matters that have to do with chambers of commerce work.

Every shop in the city has done better than before a live Chamber of Commerce was organized. Augmenting these going concerns, the following can be attributed to the work of the Chamber of Commerce. Bush and Lane Piano company—A fine large plant but empty. Now rejuvenated and occupied by the Baker Furniture company, makers of a wonderful line of furniture, bringing employment on the average to 150 men since its inception last December.

Thompson Manufacturing company—Now a remodeled plant containing the Sligh Manufacturing company with 65 men, where none worked before. Carding manufacturing company—Long out of business, now occupied by the Holland Kraft shops with 42 men.

The Hollander (formerly Wrigg Candy company)—Now occupies a formerly empty building on River avenue, starting with 20 employees which has been increased to 40. These are only the outstanding accomplishments and developments of our Chamber of Commerce. It now is handling the large housing program, making it possible for folks who are not able to make improvements to their homes, to get in touch with money and the methods the government employs to bring about this much needed rejuvenation in the home in Holland and vicinity. Already 4,000 cards have been filed for investigation and the residue after the applications have been examined and approved, will mean the putting to work of a large number of builders, masons, electricians and those artisans who know about home building.

The agitation along these lines has really started some building by those people who can afford to build new homes. In several quarters of the city the hammer and saw and bustling men can be heard and seen erecting new houses, modern and pretentious, which indicates that those folks haven't lost confidence in this nation, and especially not in Holland.

The Chamber of Commerce is the pivotal point during our tulip festival, which means two months of solid work. This occasion brings to Holland nearly a half million people each year, aside from ten gala days of real entertainment for Holland and the entire countryside. Your editor has been in close touch with Chamber of Commerce activities, serving on a great many committees, but the "man in the street" does not begin to realize how much work of a constructive nature, large and small projects, are taken care of in that industrial clearing house. The repaving of M-40 alone has taken the time of at least 20 Holland men, and miles and miles of travel in which they paid their own expenses. Time and space forbids enumerating all these accomplishments. It is also the duty of the Chamber of Commerce, in other words, they have made it their duty, to make a survey of business conditions in the

## News Items Taken From the Files of Holland City News Fifty, Twenty-five and Fifteen Years Ago Today

### FIFTY YEARS AGO TODAY

A big carrot was brought to the News office by K. De Witt of Fillmore. It measured ten and one-half inches in circumference at the largest place. Note: In the early days the News was a store house for fine growing things. Farmers and city folks alike would bring in their best and naturally would get a local mention on the gift—very little of that now. The editor's winter provision in beets, carrots, cabbage and potatoes then was quite well taken care of and the desk was always adorned with flowers in season. The 40 years ago minister, too, fared just as well as the newspaper man and was supplied often with chickens, turkeys, eggs, a "half hog," etc., but those good old days have long since disappeared and the minister and editor must paddle along on salaries like the rest of you.

Mr. J. K. V. Agnew, new assistant general manager of the Chicago and West Michigan Railroad (now Pere Marquette) was at the Holland station and will make many changes here. Note: Mr. Agnew became head of the road later and it is said that one station lacked a suitable name on the Muskegon division so they called it Agnew, after the general manager and it is still Agnew, the station just beyond West Olive, you will remember.

Blaine and Logan for president won in Holland over Cleveland and Hendricks by 33 votes in the city. In Holland township Blaine had a majority of 122.

Jake Flieman, River street, killed six deer in two days in the marsh north of Holland. Note: That was when "Kleine Netherland" was still "nature in the rough" with antlers instead of windmills.

### TWENTY-FIVE YEARS AGO TODAY

Born—To Mr. and Mrs. John H. Den Herder of Decatur, Mich.—a son. Note: He is now again the Ottawa county treasurer and his son then born is assisting him in the office.

Hoyt G. Post has entered the law offices of Diekema & Kollen.

A woman from Chicago is putting up a summer home costing \$50,000 at Castle Park, near Tibb's place.

John J. Cappon was again made manager of the Cappon-Bertsch Leather Co. and H. A. Miller was made secretary in the place of George Medes. The plant was recently purchased by Armour & Co. of Chicago.

The steamer "Soo City" of the Graham & Morton fleet, sailing from Holland to Chicago for years but taken to the Atlantic coast for coastal service, was wrecked off Nova Scotia in one of the most terrible ocean storms in years. Her crew, dispatches state, were also drowned.

Potatoes are selling for \$2.24 a bushel and they are of good quality.

The plumbers of Holland in the future will charge 50 cents per hour for their labor, just 25 per cent more than before. George Van Landegem predicted a howl from customers, but he said "the step was imperative in order to keep workmen in the city. Other cities are charging still more and 50 cents per hour is no more than a living wage."

city. These surveys reflect the reaction that the work of the chamber, and other causes indirectly have brought about.

Former Mayor E. P. Stephan recently made this survey in his own thorough manner, and in a report sent to the News we give his statement in his own words. The report has to do with the retail mercantile business and follows: "This report shows that there has been a steady gain in the volume of business since 1932. While there are two stores that report 1934 below 1933 and three stores that report 1934 about the same as 1933, there are 41 that report an increase from a little better to much better and one better than that. There is plenty of food for thought in diagnosing this report. There are reasons why stores show a loss or no increase and also reasons why a few show a decided increase. If all the merchants in this city were of an open mind and anxious to improve their conditions a perusal of this report might be beneficial to them. Such a report might be given out in detail without giving the names of the various stores reporting.

"With very few exceptions they all report a decided slump in the last two or three weeks. This might be accounted for as we have been having some very unreasonable weather and many ladies are busy with housecleaning. If one would make a chart of the trend of business in Holland and compare it with a chart showing the trend of business throughout the United States it would prove that Holland is doing much better than the majority of cities of our nation. Business is far from good or normal, but we are on the upgrade. Let no one again say that Holland is worse off than other cities. We are not!"

We can add to this that since this report was made, there has been a slight turn upward again, growing better each day, promising a total increase from 4666 to 7041. The Michigan Gas &

Miss Margaret Walsh pleasantly entertained 30 guests at her home on East 10th street, the occasion being her birthday. Chrysanthemums were the dominant decorative features. Note: Miss Margaret is now Mrs. Ernest Brooks, one time mayor of Holland.

### FIFTEEN YEARS AGO TODAY

Word has come to this city that Rev. Jacob Van Houten, some years ago pastor of the First Reformed church of this city, died in Boyden, Iowa. He came to Holland from South Holland, Ill., and remained for eight years. Note: Your editor knew this wonderful man well. He married Miss Mary Van Landegem and Mr. Benjamin Mulder just 41 years ago last May. On Holland day at the Columbia Exposition at Chicago Mr. G. J. Diekema gave the principal English address and Rev. Van Houten the Dutch discourse—had a wonderful command of the language. On that occasion the Holland Marital band, with more than sixty pieces and in fine uniforms, marched down Michigan avenue, Chicago, followed by 800 Holland folks, who were taken over by two local steamers. Hollanders from the entire nation were present, thousands of them. Your editor was "honey-mooning" then and, incidentally, played in the big "drum corps" while the band was at the fair for three days.

The steamer Holland smashed on Muskegon Harbor pier and sank in the channel with a loss of life of 21. Her original name was "Milwaukee" and was known as the fastest ship on Lake Michigan. She sailed between Holland and Chicago for years and was one of the Graham & Morton fleet. The passenger list had been lost when the wreck occurred, but later recovered and not until then was there any accurate checkup. Most of the dead were members of the crew. The captain stated he had endeavored to make the harbor repeatedly and finally succeeded but just as the ship nosed between the piers a huge wave lifted the boat up with side wheels out of the water and the captain was helpless to steer his ship. In less time than it takes to tell it the billow heaved the ship directly against the pier. The boat clung to the pier, where it was impaled and sleeping passengers were aroused quickly. The captain thought all had gotten safely over the side and on the pier. The captain, considering he was the last man left, jumped from a height of 14 feet to the floor of the pier when the steamer loosened and sank almost immediately. The terrible loss of life of crew and sleeping passengers was not known until a final checkup was made possible. Everything that was humanly possible was done to save lives.

The News chronicles the death of Mr. William J. Garrod, well-known insurance man, located in the Waverly building. He was at one time manager of the Waverly Store Co., also identified with the early Holland & Chicago Steamship Co. Before coming to Holland he was a druggist. His home was on West Thirteenth street.

Superintendent E. E. Fell of the public schools will give an important address at the Michigan State Teachers' association meeting to be held at Detroit. Those teachers from Holland planning to go with Mr. Fell are Lida Rogers, Maibelle Geiger, Bertha LaFrough, Iva M. Davidson, Cecile M. Davis, Enid M. Davis, Leila Reynolds, Mabel Bubbink, Janet McLachlen, Dorothy Hazen, Lucile Vedder, Gertrude Spritsma, Ada M. Dick, Nina M. Resseguie, F. Erma Schatuck. The party will stop at Hotel Ponchartrain.

It seems that this resume of what is going on in Holland is very reassuring. Surely a different picture than existed nearly two years ago, when a bank holiday threw a blanket of gloom over the entire community. The bank statements appearing in this issue indicate a clearing up of the banking skies are cleared up, that Holland is blessed with three strong institutions again, and augmenting this strength is the strength of the nation made possible through the last session of congress.

Holland's credit, too, stands high. It's bonded debt has been considerably reduced and payments are made when payments are due. There are few cities in Michigan that surpass Holland in credit rating.

Your editor feels proud of this city as he always has done. It's the city of his birth and we love to pull for it, just as most of us do. Let's take up new courage, let's instill confidence in those who are not so optimistic. We have everything to work with. We are advantageously located in a beautiful resort district. All we must do is to combined effort with courage and cooperation and we can go a long way further the coming year.

The completed commercial and industrial survey for the city of Holland shows vast strides towards recovery. As previously announced 45 out of 47 retail establishments showed substantial increases over October, 1933. One large retail establishment showed an increase of 80 per cent. Now comes the report of the utility and transportation concerns. The board of public works reports a 12 per cent increase in kilowatt hours over October a year ago. The Michigan Bell Telephone company, for the first ten months of 1933 showed a loss of 313 phones; for the same period this year a gain of 127, with a total call increase from 4666 to 7041. The Michigan Gas &

## Retiring Letter Carriers Feted At Zeeland

WERE GIVEN BILLFOLDS AS  
REMEMBRANCES; 150  
GATHER

The rural mail carriers of Ottawa county staged a banquet at the Zeeland city hall with 150 members present, as well as several women from the respective auxiliaries. Two Holland men were especially honored at this banquet, namely Gerrit Rutgers and Lambertus Tinnit. Both men have been faithful servants of the people on their respective rural routes for more than three decades and consequently they will be retired from the service around January 1. As a momento of this occasion both men were presented with billfolds embellished with gold lettering imprinting the names of the two carriers. The presentation was made by Mr. Harold Laug, state vice president, living at Coopersville. The Holland men made fitting responses as they received the tokens.

The rural carriers of Ottawa county have always been able to get exceptional speakers at their banquets. On this occasion the national president of the R.L.C.A., Wynn Armstrong of Niles, Michigan, was the "high light." He dwelled at some length on the duty of the rural carrier and the service he should render to his fellowman. He stated in part:

"It is not just a job that these retiring thirty-year men are leaving, but a man who has been in the service that long is going to carry on even after his daily routine has become a thing of the past. These men who will continue to serve in some capacity where they can do at least some good and fit into the scheme of things. Faithful service has become part of their makeup, for that has been their life's work."

Another thirty-year man who was present was State President Tom Abbs of Eau Claire, Michigan. He has been an able carrier and is said to also be a good "horse trader," undoubtedly an attribute attained when horses were still in vogue and before the advent of the horseless carriage. State Secretary G. Maxwell of Cleo, Michigan, gave some interesting figures on the number of retired carriers still belonging to the rural carriers' association in this state. There are 116, of these in Ottawa county.

Letters were read from Lorren B. Blackman of Lansing who was unable to be present and also a letter from Leonard Kievel, formerly of Zeeland, now of Florida. These retired mail carriers sent messages that were indeed interesting.

The toastmaster of the evening was Mr. Harry Vredevelde of Zeeland, president of the Ottawa County Rural Letter Carriers' association. Mr. Vredevelde presided and gave several "takeoffs" on speakers and guests alike, interspersing the introduction of the different speakers.

Among the other speakers were Postmaster A. J. Westover of Holland, Assistant Postmaster John Greengrove, also of this city, and William Wentzel of Zeeland, and others from Allegan, Battle Creek, Grand Rapids, Grand Haven, Coopersville and the postmasters of the post offices in Ottawa county. The program also included a play ably presented by three members of the Holland auxiliary, Mrs. H. Cook, Mrs. Simon De Boer and Mrs. Gerrit Rutgers. An excellent program of music was furnished by the North Street Christian Reformed orchestra of Zeeland. Rev. J. W. Jabay of the Third Christian Reformed church of Zeeland made the opening remarks.

The guests of honor were the following: Jim Fulton, Vicksburg, Michigan; Merton Eaves, Belding, Michigan; John Bachelor, Albion, Michigan; John Hoyt, Bellevue, Michigan; Howard Mallison, Battle Creek, Michigan.

### ZEELAND COMPANY CON- SIGNS PEEPS THREE MONTHS EARLIER

George Caball of the Caball Superior Hatchery of Zeeland established a baby chick record Tuesday with a shipment from his plant to Lima, Ohio, three months earlier than in previous years.

Indications point to a good year for the baby chick industry as many hatcheries are planning on working at full capacity. Orders already received exceed those of the past two years. All local hatcherymen have attended chick schools and clinics in order that the latest methods may be employed in the handling of orders and breeding of flocks.

### HOLLAND SEES SCHOOL EXPENSES MET IN FULL

Under a new cash setup introduced by Secretary Henry Geerlings, the board of education likely will be able to meet its expenses through the current school year. Items figuring in the report place the total working amount at nearly \$180,000, derived from school taxes, primary money, equalization and tuition.

Electric Co. reported a 5 per cent increase in gas output and 600 per cent increase in the sale of merchandise. The percentage of gas service collections in Holland were the highest of 166 towns in Michigan. The Railway Express Agency reported for October, 1934, a 4.2 per cent increase over October, 1933, with Holland leading all towns in the western Michigan district. The Pere Marquette railway shows for the first ten months of 1934 a 5 per cent increase in car loadings. Motor express concerns showed an average increase of 53.5 per cent over October, 1933. Harbor tonnage increased 30 per cent over 1933. During the past year Holland has added six new industries with an annual payroll of approximately \$200,000.

## BIG ROAD MAN PAYS FINE FOR SPEEDING

A few weeks ago Murray D. Van Wagoner, state highway commissioner, was "gathered in" by the local speed cop, Ben Kalkman, for "stepping on it" while on the streets of Holland. The local police took the number of his car, mailed him the summons at Lansing asking for his appearance or for someone to represent him in Judge Gallen's court. Mr. Van Wagoner has been a busy man traveling all over the state and incidentally came to Holland to see how bad M-40 really was. He went over it and stated it was the worst road in the state but one, and he is going to fix it the first opportunity—as he smilingly said to a Holland visitor at Lansing—despite the fine of \$10 for speeding that Justice Gallen has just imposed. Mr. Van Wagoner had been notified of the fine and he asked Mayor Bosch to represent him and the mayor turned the fine money over to the judge.

Mr. Van Wagoner shows that he is a "good sport" in the following letter just received by the mayor: "Dear Mayor Bosch: Regarding the traffic violation ticket which I received some time ago.

"I wish you would represent me in this case. I want it strictly understood that I do not want any special consideration whatsoever. I want to be treated just as any other citizen.

"Very truly yours,  
M. D. VAN WAGONER."

Mayor Bosch appeared before Justice Gallen Thursday afternoon.

### NYKERK IN RIPLEY'S "BELIEVE IT OR NOT"

Bob Ripley, the "Believe It or Not" man, found Holland, and just think of it, he pictures Dr. J. B. Nykerk together with other unusual beings and things in his today's cartoon in the Grand Rapids Herald. Yes, "Prof." is in there all right with horn-rimmed glasses, high forehead and a kind of a Chauncey De Pew look. Ripley has the following legend under the picture of the dean of Hope: "Dr. J. B. Nykerk, A.M., Litt.D., instructor for 50 years. Has known personally every graduate of Hope college, Michigan." Ripley might have added to the interest of this article had he given the date of the doctor's birth. Anyway, we know he's more than a half century.

### THERE IS HARBOR ENOUGH TO GO AROUND

(Grand Haven Tribune) The Schoelkopf, 525 foot freighter, arrived in port yesterday to unload one-half her load at the Zeeland coal dock on the island. The big ship was forced to come in here, as due to the big sea running she was unable to get into the Holland harbor, where she was due to unload before coming in here.

The ship had no difficulty making port and unloaded 4,500 tons of coal. This is the last load that the local company expects this season. The Schoelkopf is one of the largest freighters on the lakes. She was in command of Captain Butler. With the lightened load and a calmer sea she was forced to get into the Holland harbor today.

Note—Why all this "slamming, Mac? We know you have a good harbor but we also have one that is not half bad. Leave the knocking to "Chief Big Head."

### GAME CLUB GETS NEW CONTRACT

The Holland Fish and Game club has just received a new carp fishing contract from the state conservation department for the coming year, and fishing activities in Lake Macatawa will begin early next week, under the supervision of Messrs. Bros. of Saugatuck, commercial fishermen.

Sam Althuis and J. Klaasen were named by the board to take charge of the rearing ponds at Conservation park until December 1, 1931.

Each year the club, which has the noxious fishing permit from the state conservation department for Ottawa county, has been able to net enough profit from the program to carry on an extensive fish planting program.

The committee, which went to Lansing to get the contract yesterday, were Andrew Klaasen, Cornelia Klaasen, John Eaton and Jake Lievens.

### PLENTY OF FEATHERS FLYING AT SAUGATUCK

This year the committee in charge of the American Legion feather party has made one change in the plans for this gala feather party affair. There will be three nights this year, two in Saugatuck and one in Douglas. The dates will be Nov. 24 and 27 in Saugatuck, and Nov. 28 in Douglas. It is hoped that in this way many new people will avail themselves of the chance to win a Thanksgiving dinner.—Saugatuck Commercial Record.

### SAUGATUCK GIRL GETS "MOVIE" CONTRACT

It might interest the people of Saugatuck and others in this vicinity to know that Baby Lorraine Lieske, the five-year-old wonder, who performed at the Big Pavilion at Saugatuck during the summer, has been given a six months' contract with Carl Laemmle Film Corporation at Hollywood. Lorraine will appear in a picture that is in the making now, appearing opposite Dick Powell.

Lorraine is a pupil of the Huntington-Danvers academy of Chicago, and has had two and one-half years of training. The Lieskes spent a week at one of Hunting-house's cottages at Saugatuck up on the hill during the past summer. All of Saugatuck is wishing this little child wonder the success she deserves.

## Holland Girl Weds London Man In Africa

MARRIAGE IS SOLEMNIZED  
IN MUD CHURCH; DIS-  
TRICT CHIEF AND NA-  
TIVES ATTEND

A most unusual wedding took place recently when Miss Nellie Breen, daughter of Mr. and Mrs. John Breen of 245 West Fifteenth street, Holland, and Mr. Edgar H. Smith, son of Mr. and Mrs. C. Smith of London, England, were united in marriage at Takum, Northern Nigeria, British West Africa.

The marriage of Miss Breen and Mr. Smith took place on Wednesday, October 10, at 10:30 a.m., but details of the wedding reached Holland today, a little more than four weeks afterwards.

The ceremony took place in the mud church at Takum in the presence of an audience made up of natives of the district including the Takum chief, and several missionaries doing work in Northern Nigeria. The service and marriage vows were spoken in the Hausa dialect, the Rev. Dr. P. W. Barnden of Vom hospital, Nigeria.

### RETURNING FROM AFRICA

Miss Jennie Stielstra, daughter of Mr. and Mrs. Nicholas J. Stielstra of Lakewood boulevard, and Miss Bertha Saggars, daughter of Mr. and Mrs. Saggars of Muskegon, who have been engaged in mission work at Lupwe, Africa, going out under the auspices of the Sudan United Mission, are on their way home, expecting to arrive here within a fortnight. Both young ladies have been associated with the late Miss Johanna Veenstra, formerly Miss Nellie Breen, daughter of Mr. and Mrs. John Breen of 245 West Fifteenth street, Holland, who with Mr. Smith is at Lupwe, Africa, at the present time.

According to details received, the ceremony was most impressive, and no doubt this was especially so to the natives who had never witnessed anything of a similar nature before.

The bride was gowned in white crepe with Spanish lace trim and wore a veil of tulle attached to a small cap with coronet of orange blossoms. The trousseau was a gift of friends of the bride from America and England who felt that the occasion demanded a bridal outfit. The bride was attended by Miss Jennie Stielstra of Holland, who has been an associate of the bride in her work on the mission field. The bridesmaid was dressed in peach colored organdy and she as well as the bride carried a bouquet of beautiful wild flowers which grow in profusion in the bush nearby.

The groom was attended by Mr. A. Burrough of Kabwir, Nigeria, a native of England. The music at the ceremony was also most unusual, the wedding march being played by Mr. J. A. Ballantyne on a small organ taken into Takum for the purpose, since there is no instrument of any kind in the vicinity. Vocal music consisted of the singing of two hymns in the Hausa language by the native Christians.

Since the parents of neither of the participants could possibly be present at the marriage, Mr. and Mrs. Breen were represented by missionaries of the district, the bride being given in marriage by Rev. William Botha, a Dutch Reformed minister at M. Kar, and Miss Clara E. Haigh, missionary at Laniya, Northern Nigeria, whose home is in London, representing the bride's mother.

A reception followed the wedding ceremony, Miss Haigh being hostess, the guests being served a wedding breakfast. Toasts were given by a number of the participants and a poem composed by Mrs. Martin de Boer of this city was read by Miss Haigh. The poem was dedicated to the bride and groom. Both the bride and groom have been engaged in mission work in the Lupwe district and Mr. Smith at Ibi, a station about 75 miles distant. However, Mr. and Mrs. Smith will together have charge of the work at the Lupwe station in the future, Mr. Smith having been transferred from Ibi to Lupwe. Miss Breen has been head of the district since the death of the late Miss Johanna Veenstra, who was away shortly before Miss Breen returned to the field after spending her furlough in this city.

### LOCAL CONTESTANTS ARE WINNERS IN ORATORICAL CONTEST

Two young ladies from Holland were awarded honors in the oratorical contest held in First Reformed church of Coopersville on Tuesday evening and sponsored by the Ottawa County Sunday School association, when Miss Marian Heerspink of Hope college high school was awarded first place and the prize of \$10, and Miss Fayne Van Lamsweerde of the Holland Christian high school, was awarded second place and the prize of \$5.

The main subject of the contest was "

Speed

Ask nine Americans out of ten what is the fastest country in the world and they will probably answer promptly and patriotically: "America."

While it is true that tremendous speed has been developed in this country in various directions—aviation, automobiles, speedboats, streamline trains, divorce courts and the like—a few records are still held abroad.

The fastest traveling that man has recently done was on the short trip taken by an Italian flier the other day, at a rate far in excess of 400 miles an hour.

And now come the Italians again, with experiments in delivering mail by rocket, at a speed of 12 miles a minute.

A steel tube containing 1,600 letters was recently rocketed from a mountain near Trieste and landed unharmed in a valley two and a half miles away.

A number of difficulties still lie ahead of the widespread adoption of rockets to speed up the mails, which may or may not be successfully overcome.

The point for the moment is that America is not the only country in which people think that the faster they live the happier they will be.

Students of Hope college at the chapel exercises Tuesday morning listened to Dr. John Van Eas, missionary to Arabia. His subject was "Looking for the Christ in Everyday Life." Many interesting incidents relating to his work were also told.

YOUTH ADMITS THEFT OF CAR IN GRAND HAVEN

Joseph Hall, 20, of Grand Haven gave himself up and confessed to police officers this morning that he had stolen Dr. S. L. De Witt's car last Saturday night. He was taken to the county jail and will be arraigned tomorrow.

The De Witt car was stolen from the driveway at the home and was located in a Grand Haven garage on Monday morning, wrecked. The garage man stated that he had been called to bring in the wreck and that Hall had represented himself as the owner of the car.

Hall said he had been in Grand Rapids since the accident and had since been advised by his mother to confess.

Soldiers Take Three Days For Their Armistice

(Continued from Page One)

costing \$2,500 with furnishings costing \$1,250 for all. They could have provided hospitals, schools and colleges, including all the salaries for those connected with these institutions, with ample funds that would last for years without drawing from any other source. That is what the World War cost.

"We destroyed our wealth. Is there any wonder that we have a world depression, bread lines, closed factories and millions of honest and good citizens out of work and walking the streets? But this after all is the most appalling residue of war. Nearly 10,000,000 soldiers dead. Nearly 21,000,000 soldiers wounded. In 1918 the daily cost was \$224,000,000. Today, in 1934, in peace times, the nations are spending more than \$10,000,000 daily in war preparation.

"I am not a pessimist, but I feel certain that we as a nation cannot continue to go this pace in war preparation without another war in the offing. A new brotherhood of man must be built around the world—not by laws or peace treaties alone, but by changing the hearts and lives of our citizenry.

"What we need at this hour is a revival of religion. It is either a world wide revival of religion or a world wide war. This, I believe, is the only hope for bringing about the creation of faith and confidence among the peoples and nations of the world."

There was a suitable program of music fitting to commemorate Armistice Day and the colors and emblems of military bodies were everywhere in evidence. A section of the church was reserved for the guests at this religious service.

Although Armistice Day for 1934 fell due on Sunday, the highlight in the celebration was set over to Monday evening. The day was devoid of the usual parade of soldiers and school children headed by bands, undoubtedly because Sunday partly entered into the activities. Possibly since last Armistice Day came on the Sabbath, it had something to do with a rather skimpy curb flag display on the public streets. Generally "Old Glory" is everywhere in evidence.

The annual banquet was held at the Masonic temple on Monday evening with more than 250 service men and their wives present. The opening of the evening was very impressive, when on the stage a shaft of light fell upon a grave, a white cross and a helmet, picturing the last resting place of one of "our boys" who had gone overseas never to return. The hall was in total darkness and only the grave was illuminated with a soft ray. One lone soldier stood at attention and taps were given, the audience arose, and there was a moment of intense silence, that added to the solemnity of the occasion.

The guest speaker of the evening was Dr. Wynand Wichers, president of Hope college, and his discourse was one of unusual interest, since he took the boys over the same paths they had trod in Chateau Thierry, and Belleau Wood. Mr. Wichers, while making a tour of Europe, told of many places of interest visited by him and Mrs. Wichers on their trip. None was more interesting, however, than the relating of what they saw in the war territory of France and Belgium. For instance they saw the railroad coach at Forest of Compiègne in which the armistice was signed. At Meaux they viewed the beautiful monument placed there by American women and indicative

Clare Hoffman's Vote for Congress

Below is the final vote on Attorney Clare Hoffman of Allegan for congressman of the Fourth District, in which Allegan is located. Hoffman even beat Foulkes decisively in his own county, namely Van Buren. Here is the vote in that district:

LET ME THANK YOU

To the members of the Republican County Committees of the Fourth Congressional District, and to the Voters of that District:

Let me thank you for the consideration given me throughout the district, where I was permitted to speak.

For the support given at the polls and to assure you that I will be glad, whenever possible, to do what I can to maintain those principles which guarantee us a government under our constitution.

Sincerely yours,

CLARE E. HOFFMAN.

Our next regular meeting is to be on the 28th, with Doc Bachellor and Bill Bos arranging the entertainment.

Well—we leave it to you; did we have a good time at the banquet, or not?

The post is deeply indebted to Dr. Wichers and Comrade Dornbos for their part in the program.

As we reflect upon the remarks at the banquet, it would be real fun to listen to Mrs. Ver Meulen and Mr. Dornbos when they really get to swapping stories.

In case you didn't see the announcement last week—the post is to sponsor a Cub Pack and if you have a son between 9 and 12 years of age he is eligible. These boys are urged to meet at the city hall Friday afternoon at 5 o'clock.

A number of the local legionnaires drove to Muskegon to the dedication of the memorial causeway. They had quite a parade in spite of the raw wind across the lake. Those who were fortunate enough to get near the bridge reported an impressive ceremony. The rest of us went from traffic jam to traffic jam until we saw an opening toward home.

Chet Ver Meulen, the new auxiliary widower, says it isn't the meals he gets nowadays that bothers, but the preparing of them that gets his goat.

And then speaking of meals—you noticed that Louie Dalman came in for seconds, didn't you?

of the courage of the women of France. They made a crossing of the bridge where the Germans three times crossed the Marne, once in the Napoleonic war in 1814, once in the Franco-Prussian war in 1871 and again in the World War in 1914. At that time the Germans were within 19 miles of Paris, nearer than they were at any other time during the war.

They then took the route of the taxicabs along which General Gallienne commandeered taxicabs out of Paris and moved the second army up to the battle line, thereby preventing the Germans from continuing on their way to Paris.

Mr. Wichers stated that cemeteries are everywhere in evidence as one takes this tour and one begins to realize what is meant by "No Man's Land" when viewing the thousands upon thousands of crosses placed at these graves of the soldier dead.

At Belleau Wood, one of the few places where the ruins of war can still be seen as they were left at the close of the strife, Mr. and Mrs. Wichers viewed the chapel placed there as a memorial to those who gave their lives in that fierce struggle and also the fields, with the trenches, guns and helmets everywhere still in evidence.

The climax came when they stood at the side of the grave of Willard G. Leenhouts, son of Dr. and Mrs. A. Leenhouts of Holland, the first of Holland's young sons to make the "supreme sacrifice."

On this grave they deposited a wreath as a tribute of love and respect for this fine young man who gave his all in behalf of humanity. They visited Roosevelt bridge. That is the spot where Colonel Kermit Roosevelt met his death in a plane crash over the enemies' lines. The young American was buried there by the enemy, the Germans respecting his bravery. Another awesome scene was Hill No. 108, where thousands of French stood. But the missiles from the "Big Berthas" blew off the top of the hill, killed the French to a man, and left a deep crater that is still plainly visible.

The love of an old custodian in the cathedral at Rheims is aiding materially in restoring one of the most beautiful structures on this earth today. German guns made the tall spires a target, believing that the French were using these as observation towers. As the guns brought havoc, the faithful old custodian picked up the wreckage, piece by piece, and these are now being assembled and placed in their original position. Of course, the cathedral will never be what it was at one time, Mr. Wichers stated.

Mr. and Mrs. Wichers also visited the Argonne where the greatest battle of all time was fought and more blood was shed. A column pierces the sky containing the names of 56,000 unknown soldiers who never were heard from again. The largest cemetery on this earth is located at that spot. From the

THE HOLLAND CITY NEWS

British alone there are 11,000 graves. Mr. and Mrs. Wichers visited the impregnable von Hindenberg line that stood unwavering, steadily advancing until the Americans came with a million men. That lifted the morale of the nations who were fighting Germany, and broke the spirit of the German people as well as the von Hindenberg line. Other battle fields visited were Soisson Compiègne, St. Michiel Belgium Essex Farms, Liege Salient, Ypres and Ostend.

Quite a revelation to Holland citizens was when Mr. Wichers told of the preparations that are being made for war. He stated that the French borders were literally lined with underground forts three miles wide, and entirely covered over with heavy steel and concrete. The forts are underground to a considerable depth, and not only are there tremendous storehouses for food and water and medical supplies and munition chambers that will last indefinitely, but there are underground railroads that can rush these supplies to any part of the fort quickly. These forts are so solidly built that engineers concede that there is no known method today that could destroy them. Belgium is also making a start along these lines. There are war preparations everywhere.

Germany on the other hand is better equipped today than they were in the beginning of the war in 1914. They now have 4,000 equipped airplanes, and are aiming for 12,000.

Mr. Wichers believes that there is no immediate danger of war. That the assassinations of recent date have not affected the people to that stage, and furthermore no nation has enough ready money to carry on a war. He also stated that in the last war The Netherlands was neutral. But he did not believe that with a recurrence of another war The Netherlands could retain its neutrality, and he believed they would be forced to be a part of any future European strife.

In closing, Mr. Wichers said: "You soldiers of the Legion know what war is. You have experienced the horrors of war. You know of the terrible destruction of life and property that war leaves in its wake. I do not believe there is one of you who hopes to see a recurrence of such a bloody strife. You soldiers living can be the ambassadors of peace. You can through your influence teach others and demand from the powers that be that more war must cease. America must point out the way, and I believe that America will point out the way."

The trophy, awarded to Mrs. G. J. Van Duren of this city at the Traverse convention several weeks ago in recognition of the many hours of faithful work given by her for Red Cross work, was on display at the banquet.

The program as given follows below:

LOCAL

The Happy Hour 4-H club met for the first time on Saturday afternoon at the home of Miss Adrianna Venhuizen. The young lady members, under the leadership of Mrs. Richard Bouws, are making plans to do many worthwhile things and started out right at Saturday's meeting, when Mrs. Bouws and Miss Jeanette Tubergen cut out a wool dress. Other members also were busy with work of this kind. The members present were Mrs. Bouws, Miss Evelyn Tubergen, Miss Ruth Gunn, Miss Ethel Dams, Miss Jeanette Tubergen and Miss Venhuizen.

The Youth Fellowship meeting held in Third Reformed church on Monday evening was well attended. Mr. Marvin Schaap, president of the organization, opened the meeting and welcomed the audience after which Rev. Victor Maxam conducted devotions. A trombone solo by Richard Schaffenaar followed. Rev. Bernie Mulder of Grand Rapids then introduced the speaker of the evening, Dr. John Van Eas, missionary to Arabia, who told of his work and the conditions in the Arabian field. He especially told of the work at the boys' school there.

Mrs. Bernard De Pree, who prior to her marriage on October 27 was Miss Gladys Huizenga, was honored with a shower given Monday evening by Mrs. Bernard Arendshorst, 16 women members of Third church choir being guests. Four tables of bridge were in play. Mrs. De Pree winning high score. Refreshments were served.

Thomas F. McAllister, the Democratic candidate for congress, defeated by Congressman Carl E. Mapes, will again be a candidate in 1936. That was definitely decided at a meeting held in Grand

USE OF THE WORD "DUTCH" IS BANNED BY HOLLAND

The word "Dutch," hitherto used in the United States and Britain to denote anything pertaining to Holland, henceforth is officially banned, according to a circular issued by the Ministry of Education at The Hague.

The circular says "Dutch" must be replaced by "Netherland." This action is taken to remove all possibility of confusion between "Dutch" and "Deutsch" (German) to the disadvantage of Holland.

The Dutch Indies, incidentally, will now be known as the Netherlands Indies.

A meeting for the reorganization of the cow testing association of Ottawa county has been called by L. R. Arnold, county agricultural agent. The meeting will be held at the Allendale township hall November 22 at 2 p. m. Mr. A. C. Baltzer, head of dairy extension work, M.S.C., will discuss association work. Mr. Baltzer and Mr. Arnold spent one day with the farmers of the county in the interest of reorganization. The present association is not functioning full strength. Ottawa county is regarded as an important dairy county and by all means should be represented by a strong association. From the interest shown by several dairymen possibilities of a formation of a full strength association are good. All dairymen who have an interest in this work are urged to attend the meeting at Allendale.

## THE BIG THING IN BUYING

## FIRE INSURANCE!

How Much Will You Receive In Case of Fire?

It is natural to assume that in case of fire you will be reimbursed for everything that is burned. But will you?

In case you have what is called a "classified" policy on personal property, split up in several parts, there may be many things that it does not cover. To be safe you should have a blanket policy on personal property. Our policy contains many broad and liberal features and is so written that it covers property insured under any reasonable condition.

Insure in Michigan's Largest Farm Mutual Fire Insurance Company. Our policies accepted by the Federal Land Bank, of St. Paul, The Home Owners' Loan Corporation and other Loan Agencies.

"The Christian as Church Member"

(Matthew 5:13-16; Acts 2:41-47)

## HENRY GEERLINGS

The history of the growth of the Christian church is a very interesting and stirring one. Sometimes it did not seem to be growing at all, but rather to be going back. It lost its power and something of its original character. It was not very conscious of its mission in the world and so it was not always anxious to express itself according to the mind of its founder. There were times when it did not have much influence on society and it did not make many saints. But there were never any times when it did not have some good people in it, some great and noble souls who knew God

## LOCAL NEWS

John J. Good, chairman of the coal code authority of this city, was in Grand Rapids Tuesday evening attending a meeting of business and industrial leaders of western Michigan.

Commodore C. L. Beach and Scout Executive Peter H. Norg will attend a meeting of the state Sea Scout committee on Saturday in Flint.

The George Mooi Roofing Co.

of Holland was given the contract to repair roof of pumping station at Saugatuck at a cost not to exceed \$115. The workmanship of the Holland firm is considered highly satisfactory by our neighbors.

Application for a marriage license was received at the county clerk's office today from Clarence J. Roseboom, 31, Holland, and Cora Kow, 29, Holland.

The Woman's club of Saugatuck today will hear a lecture and study of the Hawaiian Islands at the clubhouse. Mrs. H. H. Houser, who has visited Honolulu several times, will tell of the general life there. The club also will sponsor a towel shower for the Community hospital.

Mr. A. W. Tehaney was host on Monday evening to members of the Michigan Association of Certified Public Accountants. The meeting was held in the Water Front Tavern with Lee M. McGinley, chairman of the Michigan State Board of Accountancy, as speaker of the evening. Reports of committees were submitted during the business session.

Mrs. Edward Oonk was chairman of the committee in charge of the pot-luck supper given at Trinity church Friday evening. The supper was a feature of the annual meeting held by the Alethea Sunday school class. The business session, which followed the supper, included the election of officers with the following results: President, Mrs. George Glupker; vice president, Mrs. Marjorie Van Ark; secretary, Mrs. Harold Slighter; treasurer, Mrs. Albert Nienhuis.

A cablegram received by Mayor and Mrs. Nicodemus Bosch states that the condition of their daughter, Mrs. Gunnar Heimburger of Stockholm, Sweden, who has been seriously ill, is somewhat improved.

Mrs. J. E. Telling was in charge of the program at the Woman's Literary club Tuesday afternoon, at which a series of tableaux was presented portraying the life and training of a typical American boy, the subject being "Lest We Forget." The tableaux pictured the life of a boy from babyhood to manhood, when a "call for men" was answered. The last scene showed the figure of a heartbroken mother kneeling at the grave of her son, who went never to return, bringing the realization that no good can come out of war, and the resolving that the propagation of peace was the duty of the women of the nation. A discussion followed.

Mr. and Mrs. S. L. Henkle entertained their bridge club Tuesday evening following a dinner at the Warm Friend Tavern. Three tables of contract were in play, prizes for high score being awarded to Mr. and Mrs. Otto Kramer.

The Waverly school Parent-Teacher association will meet Friday evening at 7:45 o'clock. Prof. Walter Van Saun of Hope college will be the speaker at the meeting. Miss Margaret Kremers, daughter of Mr. and Mrs. William Kremers of Niagara Falls, New York, formerly of Holland, was graduated in October from the University of Florence, Italy, with the degree of doctor of letters and cum laude. Miss Kremers has been studying the history of art at this university. Her birthplace was in Holland.

Plans for a Christmas party were made at the meeting of the Federal Boostettes Tuesday evening. The club, which organized a few weeks ago, also adopted a constitution at Tuesday evening's meeting.

Henry Kik, student at Hope college, spoke at a special meeting of the Girls' society of Central Avenue Christian Reformed church Monday evening.

Fire was discovered by an employee on the farm of Mrs. George Smeyers of Olive Center Wednesday afternoon, and although the Borculo fire department responded immediately to the call for aid, the fire had already gained such headway then that two barns, a granary, chicken house, pig pens, tool shed and several other small buildings were destroyed. A horse and five cows were also burned. The home was saved from the flames, but damages, it is estimated, will amount to several thousand dollars.

Officials of the Lake Shore Sugar company state that beet growers will soon receive cash payments of approximately \$175,000. This is \$25,000 more than was paid out last year, the 1933 total being \$150,000. The payments are made on a 50-50 plan in which the manufacturer and the grower share the profits. Plant workers last year received \$52,000, and it is expected that the total pay roll this year will exceed that figure considerably. Considerable money was also spent by the local company for freight, the total being \$35,269, with \$10,299 for beets shipped to the mill, \$19,391 for coal, \$342 for coke, \$3,234 for stone and \$1,775 miscellaneous. Approximately \$14,000 was spent for trucking beets. Sugar refined by the company last year amounted to 6,667,000 pounds, along with 1,300 tons of pulp and 1,000 tons of molasses.

## CENTURY CLUB HEARS STORY OF SUNNY SOUTH

(By Century Club Reporter)

The Century club, meeting at the home of Mr. and Mrs. Ransom Everett Monday evening, was entertained with a harmonized program of southern Negro melody and episode. The program was introduced by Miss Ethelyn Metz, who termed it a "Journey to the Sunny Southland." It was presented by Mrs. D.B.K. Van Raalte, Mrs. W. Curtis Snow and Miss Metz.

Mrs. Van Raalte first sang a group of songs consisting of two Negro spirituals and a Negro love song, "By an' By," by Burleigh. "Standing in the Need of Prayer," by Reddick, and "Mah Lindy Lou," by Strickland. She was accompanied by Mrs. Snow.

Miss Metz, using fitting Negro dialect throughout, read the touching and humorous southern tale, "Napoleon Jackson, the Gentleman of the Red Push Rocker," written by Ruth McEnery Stuart. The reading was arranged in two parts, and in the intermission Mrs. Van Raalte sang a second group of Negro spirituals, "Nobody Knows the Trouble I've Had," and "Heaven," by Hugo Frey, and "Swing Low Sweet Chariot," by Burleigh.

The president, Daniel Ten Cate, presided at the meeting, and welcomed as new members of the club Prof. and Mrs. Deckard Ritter, and Miss Myra Ten Cate. Three more new members were voted into the club at last evening's meeting, Mrs. C. J. Hand, and Prof. and Mrs. Bruce M. Raymond.

Refreshments were served by the social committee composed of Mr. and Mrs. Fred Boone, Mr. and Mrs.

D.B.K. Van Raalte and Miss Kathleen Mersen.

Before the close of the evening a group gathered informally about the piano, and in commemoration of Armistice Day sang songs which became popular during the World war.

**MONTELO PARK**  
The November meeting of the Montello Park Parent-Teacher association will take place tomorrow evening at 7:30 o'clock and will feature a birthday program with Mrs. J. McClay as chairman. The program arranged is as follows: Selections by the school band; group singing; devotions; business meeting; play, "The Matrimonial Advertisement," reading by Miss Esther Bultman; vocal solo; saxophone solo by Robert Kule; children's radio hour, arranged by Mrs. R. Wiggers; talk on "Character Building," by the Rev. C. W. Meredith; clarinet sextet, and school band. Mrs. S. Brunink is in charge of the social hour.

## Youth Will Not Be Forgotten Turkey Day

CITY MISSION TO HAVE THANKSGIVING DINNER FOR CHILDREN

A chicken dinner will be given or served by the City mission at the mission, Central avenue between Seventh and Eighth streets, on Thanksgiving Day at 5 o'clock to children under 16 years of age. The plans are to feed the children of the Mission Sunday school and any other children whose parents will call at the mission, giving names and ages of their children and securing tickets for them as only the boys and girls having tickets will be given this dinner. So we urge parents to get the tickets next week, sure, if they want their children to have this dinner.

George Trotter, acting superintendent, says he expects that all that is necessary for this dinner will be donated and no one burdened. As all can help he feels it isn't an actual necessity because of the great work of our welfare, but that it is a treat that many children need and will enjoy and that will prove better than our old plan of giving baskets to families. Already many farmers and folks of our city have expressed a desire to help. A truck load was brought in from the Reformed Christian at Overisel and other donations have been received. About 60 chickens, apples, potatoes, milk, eggs, celery, cabbage, lard, sugar, pickles are needed, and anything else that one would care to give to make it more of a treat for the kiddies. Some cash donations have been given and all these are very thankfully received and needed.

All interested and willing to help in any way can send or make known your gift at the mission and arrangements will be made to call for some. Our city newspapers, the officers of the welfare and American Legion are much in favor and heartily endorse the Thanksgiving dinner for the children and also has the endorsement of Mr. Connelly of the Chamber of Commerce. A very interesting and helpful program will be given earlier in the day.

Mr. H. J. Boone, superintendent of the Sunday school, is general chairman. Gerrit Barendse is the chairman of provisions.

Mrs. and George W. Trotter are on the serving and program committees.

## Prominent Saugatuck Man Dies in West

The many friends of Mr. Frank Hayes were indeed shocked when word came that he had passed away at the age of 63 in a hospital in Fontana, Calif., which city had been his home the past few years. Mr. and Mrs. Hayes came to Saugatuck about 35 years ago from their native city, Chicago. They purchased several tracts of land on the Richmond road just east of Saugatuck, built a large, beautiful home, costing thousands of dollars (which was destroyed by fire several years ago and was replaced by the present modern bungalow). Here they resided for nearly 20 years and still own the large farm.

They have three fine daughters, Mariam, Frances and Edith, and as the older girls were ready for college, Mr. Hayes bought a beautiful home in Ann Arbor, the girls attending University of Michigan. They spent their time at the two places, Ann Arbor and Saugatuck, then not liking the rigorous Michigan winters, they went to California, finally locating at Fontana (near Los Angeles) where they purchased a beautiful home and where they enjoyed a few years of the sunny, mild climate of the great tropical state.

Wherever Mr. Hayes lived he soon made a wide circle of cultured friends and he thoroughly enjoyed his contacts with musical groups as he was a gifted singer.

Miss Lois Koppel is spending a few days in Traverse City, the guest of relatives and friends.

## Old Age Record Goes to Reptile

A giant land tortoise with a life span of 152 years holds the record for longevity among back-boned animals, according to Karl P. Schmidt, assistant curator of reptiles at the Field Museum in Chicago. This tortoise was taken from islands in the Indian Ocean to the island of Mauritius, near Madagascar, in 1766, from which time on it was observed by dwellers on the island until 1810 when Mauritius was handed over to the British. Then the turtle was moved to the artillery barracks of Fort Louis where it continued to live until 1910.

There have been reports of reptiles said to have lived much longer than this, Schmidt admits, but authentic records in such instances are lacking.

## GOLDEN WEDDING ANNIVERSARY OF REV. AND MRS. A. H. STRABBING

Last Monday evening a group of relatives gathered at the home of Rev. and Mrs. A. H. Strabbing of 50 East Twentieth street in commemoration of their fiftieth or golden wedding anniversary. A 5 o'clock luncheon was served and the evening was most pleasantly spent in reminiscing and experiences of long ago were lived over again in memory. Two poems, written at that time were read and several pieces of furniture with which housekeeping was begun 50 years ago were shown, as well as some of the wedding invitations, table napkins and various other articles, even some of the wedding cake.

The guests included Mr. and Mrs. H. D. Strabbing; their son, Alvin, and two of their daughters, Mildred and Dorothy of Hamilton; Mrs. Mary Neerken and daughter, Anna of Zeeland; Mrs. Anna K. Zwemer of Holland; Mrs. S. J. Jollesma of Grand Rapids, the Misses Nellie and Henrietta Zwemer of Holland; Henry Strabbing and daughter, Gertrude of Graafschap; Mr. and Mrs. Dick Dekker and Mr. and Mrs. Benjamin Lemmen and the Rev. and Mrs. H. D. Ter Keurst of Holland, Dr. and Mrs. S. M. Zwemer of Princeton, New Jersey, and one of the granddaughters, Miss Charlotte Strabbing of St. Louis, Missouri, were unable to attend. Many other relatives and friends sent congratulatory messages and floral tributes.

The Rev. and Mrs. Strabbing spent many years of their life in the Christian ministry, having served Reformed churches in the following order: Hamilton and East Saugatuck; Kalamazoo Third; Marion, New York; North Holland; Hamilton for the second time; Sheboygan, Wisconsin; Ebenetzer and East Overisel. Since their retirement in 1926 they have resided in Holland.

Their marriage took place in the Reformed church of Graafschap, with the bride's father, the late Rev. A. Zwemer, performing the ceremony.

## LONG-TIME HOLLAND RESIDENTS OBSERVE GOLDEN ANNIVERSARY

Mr. and Mrs. John Te Roller of East Fifth street observed their golden wedding anniversary on Tuesday, November 13, having been married in this city fifty years ago, November 13, 1884.

Both Mr. and Mrs. Te Roller have made this city their home all their lives. Mr. Te Roller for many years owning and operating a harness shop in the building now occupied by the Model laundry on East Eighth street. Prior to that time he had been employed for many years as a harness maker at Ed Vaupell's shop.

Mr. and Mrs. Te Roller are 77 and 69 years old, respectively.

On Sunday a dinner was given in their honor at the home of Mr. and Mrs. Henry Te Roller (better known to local residents as "Spriggs" Te Roller). "Spriggs" is a son of Mr. and Mrs. Te Roller. Guests at the dinner were Mr. and Mrs. John Te Roller, Mr. and Mrs. "Spriggs" Te Roller and children, Donald, Lois and Marian, and Mr. and Mrs. Sam Bosch and daughter, June, all of Holland.

## Additional Nurse for Ottawa County

Ottawa county has been granted the services of a sanitary engineer and an additional county nurse out of federal funds, Dr. Morton L. Levin, Health Commissioner, announced Tuesday. Upon first learning that there would be funds available for this purpose at Washington, Dr. Levin went to Lansing on October 24, to lay the needs of Ottawa county before Dr. C. C. Slemmons. The need for a sanitary engineer to improve general sanitation has long been recognized, and an additional nurse in furthering services to infants and mothers in cooperation with the physicians of the county. Granting of these requests was announced by Dr. Slemmons at the State Health Officers' conference at Lansing held November 7, 8, 9. Six other counties have received similar aid.

The period for which the services have been offered is eight months. Dr. Levin said, but there are strong prospects of its being continued thereafter. Dr. Levin emphasized the fact that Ottawa county was receiving this additional public health aid only because of the fact that there was a County Health Unit already in existence here, which has demonstrated the interests of the people of Ottawa in public health work.

Work of graving M-40 from Allegan to Hamilton will be started Monday with FERA labor. The state highway department will furnish the graders and superintendent the work. Clay already has been placed on the stretch. It is a wonder that that Allegan bunch cannot think of that half to Holland.

## Road Funds For Welfare Labor Are Authorized

COUNTY COMMISSION RESOLVES TO SPEND \$25,000 TO HELP CARRY BIG BURDEN

To assist with the welfare support of this county the Ottawa County road commission at a special meeting recently passed resolutions authorizing the expenditure of \$25,000 for welfare labor from Nov. 1, 1934, to Nov. 1, 1935. This cancels all other arrangements that have been made by the road commission which has from time to time delegated sums to be used for welfare labor under the direction of the county FERA.

The expenditure of this amount for welfare labor will entail a total expenditure of \$76,000 which will be drawn from the McNitt township road money, the gas and weight tax and the appropriation by the board of supervisors for certain projects. No program has been outlined as yet as to what improvements will be made.

The labor is to be selected by the county FERA but the payment of the labor will be done under supervision of the road commission. The necessity for participation of the road commission to this extent has come about due to the order recently issued by Dr. William Haber, head of the state FERA board, that political units must furnish one-third of the welfare cost.

The total amount to be raised in this county is \$115,000. Of this \$45,000, appropriated by the board of supervisors, is for widows' pensions leaving a balance of \$70,000. The road commission item reduces the amount to \$45,000 which must come from the townships and cities.

Miss Deborah Veneklasen, county welfare administrator, appeared before the board of supervisors at the last session to deliver this message. The board turned the matter over to the various townships and cities and reports were made to Miss Veneklasen as to how much could be raised. In no case did she receive the full amount of one-third. Grand Haven and Holland reported that, according to their budgets further participation over what is being done was impossible. Grand Haven appropriated \$7,500 for welfare last May which about takes care of the permanent welfare, hospitalization and burial charges.

Political units are obliged to show why they cannot participate one-third, or federal and state funds will be cut off. How the balance of \$45,000 is to be raised is not known but Miss Veneklasen indicated, when she appeared at the board of supervisors that the state might assist when it was shown that the units could not assume the burden this year.

## HOLLAND MAN DIED OF NATURAL CAUSES

The death of John Cochran, whose body was found Nov. 1 at the sewage disposal plant, where he was employed, was due to natural causes, it was reported to Dr. William Westrate by Carl V. Wellen, state pathologist, to whom Cochran's organs were sent for examination.

Mrs. W. E. Votruba of Traverse City spent the week-end with her parents, Mr. and Mrs. A. C. Keppel, 85 East Tenth street.

## MISS START IS STILL IN COMA, IS REPORT

Miss Bernice Start, who was injured three weeks ago, is still in a coma at Hutton hospital, Grand Haven, and her condition has varied but little from the time she was brought into the hospital.

The case is an unusual one here, although reports from the hospital say that cases have been known to continue for five weeks and the patient to eventually recover.

Miss Start was injured when she was knocked to the pavement on U.S.-16 between Spring Lake and Ferrysburg as she, with two companions, was walking on the side of the road.

## AMERICAN LEGION POST BEGINS ANNUAL TOY DRIVE

For the past few years the Holland American Legion post has sponsored a drive for toys, repaired those which needed repairing, and on Christmas Day many children have been made happy with a gift from this source.

This year the legionnaires are again donating their services for this project and local folks who wish to contribute toys, old or new, can send them to the schools, fire department stations and police headquarters. From these places they will be gathered by the committee and carried to toy headquarters at 27 East Eighth street.

Dr. G. D. Bos, chairman of the committee in charge of this work, urges citizens to respond immediately. Names of other members together with their telephone numbers, follow below: J. E. Zwemer, 2414; Harry Kramer, 2696; Charles Miller, 3383; E. V. Hartman, 2091; M. De Fouw, 3026; M. J. Van Kollen, 4451; Ben Lieveens, 2239; Gus De Vries, 2845; Peter Sikkil, 2717; Louis Dalman, 2457; Ernest Bedell and Herman Gerritsen.

The committee states that the names of those who are to receive toys are to be approved by Mrs. N. Vander Meulen, attendance officer of the public schools, and Miss Alma Koertje, city nurse, and members of the committee. Each family will receive a card to appear at a given time and place for distribution. The drive will be concluded on Saturday, December 22.

## ALLEGAN COUNTY FARMERS CAN OBTAIN MARL

As a part of the rural rehabilitation program, Allegan county emergency relief, in co-operation with the Allegan county agricultural agent, is considering a marl dipping project in Allegan county to enable any farmer in the county to purchase marl at a price of 25c per yard loaded on the farmer's wagon or truck at the pit.

Whether or not this helpful project will be started will depend upon the demand. If a sufficient number of farmers want marl to justify undertaking this group project will be started.

Any farmer who is interested should communicate with the county agricultural agent, Mr. Morley, or S. M. Nahikian of the emergency relief office in Allegan not later than Saturday, November 24, giving name, address and number of yards of marl wanted at 25c per yard.

Marl pits will be located at various points in the county. Any one having a dry pit should notify the county agricultural agent.

## ORATORICAL CONTEST WINNERS AWARDED MEDALS

Armistice Day was fittingly observed by the local Christian High school Monday, when assembly programs in the morning and afternoon included appropriate music and other numbers. Following several selections by the school band, under the direction of J. Pavese and a group of violin solos by Mr. Pavese, the students listened to an address by Dr. William Westrate on the subject, "Lessons from the World War."

In the afternoon Dr. J. Van Eas, missionary to Arabia, was the speaker.

The awarding of medals to the winners in the triangular oratorical contest was also a feature of the morning's program. Principal John A. Swets presenting the medals to Roger Heyns and Wilma Vogelzang of the local school.

## HOLLAND COULD HAVE DONE THE SAME

(Allegan Gazette) A friend of the Allegan fair was in Holland last month to see the great fair they always have there and he overheard a conversation between their secretary and some outsiders. The latter asked about the Allegan fair, its results, its programs, and its general work. The Holland officer answered by saying: "It's the best county fair in Michigan. Allegan always has good results."

The officers of the fair will be glad to show the facts and figures to any of the thousands of fair friends who wish to call on them. Three years ago, in January of 1932, the fair owed \$13,892.94. This has been reduced during the past three years to \$7,600.

## Dr. Henry Beets Points to Dutch Achievements

TELLS WOMAN'S CLUB OF LIFE IN NETHERLANDS; BEETS WAS KNIGHTED BY QUEEN

(Grand Haven Tribune)

Surely a feeling of great pride surged in the hearts of those who bore Dutch blood in their veins or bore Dutch names when Dr. Henry Beets, Christian Reformed church leader of Grand Rapids, told the members of the Grand Haven Women's club of the achievements of that nation and the participation of the Dutch in assisting the colonies to throw off the yoke of England and later to become the United States of America.

Dr. Beets stated at the outset of his address that he had taken the liberty of changing the title of his talk from "What the Dutch Think of Us," to "Dutch Achievements," as he pointed out that since this country had chosen to go off the gold standard the Dutch did not think quite so much of us as they had in the past and perhaps he might offend some if he told the truth.

Knights by Queen Wilhelmina of the Netherlands with the decoration of the Order of Orange-Nassau, last August, Dr. Beets paid a glowing tribute to that great queen as a regal, Christian woman whose wise counsel, great intelligence and tolerance have made her the finest flower in all the Dutch gardens.

The Dutch have wrested their little land, only 196 miles long by 108 miles wide, from the sea itself; they have held their independence for 350 years; they have welded together peoples descended from Celts, Nordics, and Mediterranean, they are the second greatest colonists in the world; they rank with the leading scholars in the world; they are among the leading aquatic engineers in the world; they are abreast of the times in aviation; their social legislation has provided old age pensions and their education has reduced illiteracy to one-fifth of one per cent, he stated.

"Truly the Dutch have much to be proud of and take rank with the greatest nations in the world," he declared.

He laughingly alluded to the sayings, "Dutch courage," "Dutch treat," "Dutch Nightingale," and "The Irish and the Dutch, they don't amount to much" as untruths, which verdict he would leave to the ladies after he had acquainted them with the real character and accomplishments of this small nation.

American Independence Day was made possible by the contributions of the Dutch for it is agreed by historians that had the Netherlands not lent money, furnished ships, opened their harbors and recognized the colonies as a new nation, this country could not have been born as an independent nation.

He recounted the place in literature which has been gained by the writers of that country; Rembrandt, Rysdale, Israels are among the leaders in art; the growth of music since the 1600 century, and the enviable place the nation has won in the arts generally.

"Holland means hollow land." They have literally captured their country from the sea and the dikes and engineering feats accomplished have earned world supremacy in this line, he showed.

Following an 80 years war to throw off the Spanish yoke with but a half million people the little country in that time grew to be a world power and now numbers its colonies as 68,000,000 living under the Dutch flag. The loyalty of brown people as well as white is proof of Holland's wise colonization methods.

Illiteracy is practically unknown for the Dutch early recognized that the bane of a republic is illiteracy and unless a people is educated it cannot hope to flourish.

The country in area is only one-fifth that of the state of Michigan. Old age pensions have long been established there, juvenile delinquency has been reduced to very little due to the system of officers who work among delinquent children quietly and with no publicity; the insane institutions; the homes for the feeble minded and hospitals, above those in many countries of the world, he pointed out.

The Woman's Club chorus, under the direction of Mrs. Otto Koch, made its first appearance of the year in Dutch costume and sang two Dutch songs, "Prayer of Thanks," by Eduard Kremer, and the Holland national hymn. Mrs. Arend Vyn accompanied.

## GRAND RAPIDS' ACTUAL VOTE ON MAPES AND VANDENBERG

Frank D. Fitzgerald, governor-elect, carried the city of Grand Rapids by a scant majority of four votes in the general election last Tuesday.

Frank A. Picard of Saginaw, defeated by Senator Arthur H. Vandenberg, led his victorious opponent in the city by 229 votes.

Attorney Thomas F. McAllister led Congressman Carl E. Mapes in the city by 2,712 votes.

## LOCAL MAN ADDRESSES HEATING ENGINEERS

A chapter meeting of the American Society of Heating and Ventilating Engineers was held at Warm Friend Tavern Monday evening, with more than fifty men from western Michigan being present. A dinner at Warm Friend Tavern was a feature of the meet.

The speaker at the dinner was Gerald H. Van Alsburg, field engineer of the local Hart & Cooley plant. Mr. Van Alsburg gave an interesting talk on registers, tracing the history of this important feature of a heating plant, and explaining in detail the movements of air currents in a room.

# HOPE BOWS BEFORE WAYNE U. IN LAST PERIOD RALLY, 12-7

Wayne university continued its supremacy over M.I.A. teams Saturday by defeating Hope college, 12 to 7. The game was a see-saw affair with Wayne scoring in the second period, Hope in the third and Wayne again in the final quarter.

Starting with a 15-yard penalty against Hope, the visitors had a first down on the Hingamen's 28-yard line. A 12-yard pass and line plunges with Yankowski carrying the ball took over. Hope came back to score. A penalty for slugging against Wayne gave the locals the ball on Hope's 9-yard mark. Te Roller lost a yard at the line, then broke through for 10 yards and a touchdown.

Dobbins took a Wayne pass on the 8-yard line and crossed the goal for the final touchdown in the last period. Hope had previously threatened when Te Roller broke away after being stopped on the 42-yard line and raced to the goal. It was ruled that his progress had been halted. The summary:

Workers at "Campania," the farm of A. M. Todd & Co., about three miles southwest of Fennville, have been busy many weeks harvesting hundreds of tons of cabbages and thousands of bushels of onions. Later they will put on the market large quantities of celery which have been grown there. In former years the farm was devoted exclusively to the cultivation of peppermint from which they manufactured peppermint oil in their own stills on their premises. The ground is black muck, well suited to the growth of peppermint.

Mrs. Lydia Ann Lynde will be in Allegan November 23 to meet with the Home Economics Extension group leaders to give the second lesson of the co-operative project.

## SUNDAY DINNER SUGGESTIONS

NATIONAL, state and local authorities are sponsoring National Cheese Week with a view to increasing the use of all types of cheese. American or store cheese is especially low in price though this commodity has remained cheap. Another farm product, honey, is also being brought to your attention.

Most green vegetables are higher than they have been, but there are many fine, cheap, root vegetables available for low budgets. Spinach, squash, cabbage, lettuce and mushrooms are moderately priced. Green peas, beans, lima beans and tomatoes are high.

Florida oranges and grapefruit are plentiful and cheap. Navel oranges and Satsumas (similar to tangerines) are beginning to arrive in market. Both eating and cooking varieties of apples offer outstanding values.

The lake shore drive in Saugatuck township has been widened to a 20-foot road, which will be gravelled. This improvement is welcomed as the road has always been a narrow trail which was laid out by the pioneers. It is very scenic and can now be enjoyed by many summer tourists and goes to the foot of Baldhead, Saugatuck's gigantic sand mountain. The roads mentioned above as being taken over by the County Road Commission are the River road from the south limits to the north limit of Bald Head Park, and the village limit road from River road to Shorewood.

Word has been received at Fennville of the death of Mrs. Margaret McShane in Chicago. Mrs. McShane was formerly Miss Margaret

HEINZ

## Soup

for folks who make their own

—and never cared for "canned goods"

Heinz Soups are prepared expressly for those people who like homemade soups best.

This is what we mean. Heinz Soups are made your way. If you exercise great care in selecting your soup ingredients—crisp, fresh vegetables, prime meats, rich whole cream for your cream soups, purest seasonings—then you will like Heinz soups. For we select carefully, too. Many of our vegetables are specially grown for us. And our seasonings are brought from the world's finest spice gardens by our own expert spice buyers.

If you brew, blend, simmer and stir your soups with old-fashioned patience, sparing neither time nor trouble, then you will like Heinz Soups. For we follow sound, old-time home recipes, brewing each soup unhurriedly in small batches in open kettles.

Your way we follow, even to the finish. Each soup is made complete, ready for you to heat and enjoy, with nothing to add, nothing to blend in. Then, like you do, we taste a sample. So we can be sure you'll like it. So sure, we say—

If you don't find Heinz Soup the best you ever tasted return the label to your Grocer and he will refund the purchase price.

Heinz selects your way!

Heinz cleans your way!

Heinz brews your way!

Heinz seasons your way!

Heinz tastes your way!
