More Cemetery Appears To Be Crying Need

MAY VOTE A BOND ISSUE OF
\$50,000 TO COMPLETE CEM-
ETERY PLANNING

Both Old Graveyards Are Filled
Chairman of Board States

Judging from the report of the chairman and members of the Board of Parks and Cemeteries, Holland is confronting rather a serious situation, not so serious but that with some careful planning, which has been done for the last two years, and some ready funds, this seriousness can be overcome.

The matter came up when Ald. Prins asked Chairman Ben Brower just what the situation was at this time to cemetery planning. For nearly 100 years old Pilgrim Home Cemetery and Fairlawn Cemetery just across the way have been taking care of Holland's cemetery needs. Some time ago Fairlawn, belonging to Holland Township, was taken over by the city. But it appears that these two burying grounds are practically filled.

Ald. Prins heard of this condition and asked for a set-up. At what had been accomplished. Mr. Ben Brower stated that the board had been planning for the past two years, and the plans were quite complete, but the funds were lacking. He stated that the first outlay for a new cemetery, which, by the way, is the old fairgrounds, is to lay out a system of water-works, or rather a sprinkling system, with the idea of perpetual water. Mr. Brower stated that he had great pride in Holland and he became indignant, he stated, when folk had to go elsewhere to bury their dead.

The discussion then came up as to funds and how much would be required to complete the job. The tentative amount arrived at was \$50,000. Ald. Prins then asked whether the entire \$50,000 had to be raised at one time. City Atty. Parsons stated that an amount of money like that could not be budgeted but would have to go to the vote of the people. He advised that the entire bond issue be put up one time and not piecemeal. According to Chairman Brower it will take several years to create the cemetery such as they had planned.

However, City Atty. Parsons advised that the vote should be on the entire bond issue, and not present several proposals to the people from time to time when money was needed. He gave his reasons and said that if the bond issue would pass if the voters knew the need for a remodeled cemetery; but if submitted piecemeal, there might be a time when the voters would not vote a smaller amount. Then the Park and Cemetery Board would not have funds enough to complete their planning. And even if a bond issue for \$50,000 carried it could be used just as needed and the money would not be lost and the unspent balance would draw interest, and what is more, the entire amount would eventually come back into the city treasury through the sale of lots in the new cemetery to prospective purchasers.

Ben Brower stated that graves have been sold in the old cemetery for an imperative need when a member of the family passed away, but with the understanding that when the new cemetery is in shape there could purchase plots there and the loved ones in the old cemetery be transferred to the plot in the new cemetery, which would indicate that the need is great.

Ald. Prins stressed the fact that the need was great several years ago, for even then a large acreage was purchased far out on East 16th Street, beyond the Allegan track, and later on the fairgrounds was purchased, and surely this would not have been done were the need for a cemetery not imperative. He pointed out that the Board of Parks and Cemeteries had made a wonderful showing considering the limited means they had to work with. Now the situation has become grave, and something simply must be done.

Ald. Brouwer stated he believed a bond issue for much-needed cemetery improvements would carry easily. He said many of us have loved ones buried there, and anyone having any pride in their city of the living could not bear to neglect their city of the dead. It can be planned thoroughly to the voters that the need is great, and if this want is not filled the only outcome will be that some will go elsewhere to be accommodated, Mr. Brower contends.

Park Commissioner De Neut pointed out that wherever you go cities have great pride in their cemeteries, and considerable money is spent for upkeep. He pointed out Muskegon, Allegan, Grand Haven, and other cities in the direct vicinity, where the cemeteries are in reality beautiful. He stated that the Holland would be no different if the situation was pointed out in the right way. He said that many were buying lots elsewhere because they were under the impression that Holland as a city was not giving the accommodations they sought. He stressed the point that money was needed, and the larger part of the planning had already been done awaiting funds with which to proceed.

Ald. Huyser, Ald. Kleis, Ald. Steffens, and others spoke on the matter; in fact, some of them, who are members of the Ways and Means Committee, knew of the tentative planning, since they had been meeting with the Board of Parks and Cemeteries.

The fact is, Holland is graveyard poor. It has land enough for this purpose to last for 500 years on the basis of the growth of the town in the past. The fairgrounds alone is a plot of 28 acres—more than three times as much as the two cemeteries we now have. However, land does not make a presentable cemetery. Landscape gardening, planting of trees, laying out of plots, putting in a water

COUNCIL NOTES

Mayor Geerlings opened with prayer.

With the opening of the bids for the selling of the old Warner house, 243 W. 9th St., there were eight bids, and M. Vander Meer and wife, 39 E. 25th St., was the highest bidder of \$950, and the property was sold to them; Western Machine Tool Works, \$910; Paul Dugger, Route 6, \$905; J. Frantsburg, \$802; E. Schutt, \$800; Henry P. Zwemer, \$736; Walter Sharpe, \$687; Bert Sloat, \$675.

The common council rejected two bids offered for the sale of bonds covering Van Raalte Ave. paving. The Holland Park Board trustees bid in behalf of Park Board funds and McDonald-Moore and Hayes bid in behalf of Albert Keppel of Holland.

William Stetekete presented his resignation as constable of the 5th ward, since he has moved out of the ward.

Ald. Vogelzang presented a petition for a street light at Columbia Ave. and 32nd St. The request was accompanied by a long petition of signers.

Ald. Vogelzang brought up a matter relative to finding a place of meeting for a group of older men, ranging from 65 to 75 years old, who have been in the habit of gathering together in Centennial Park during the summer months, where they held "star sessions" and discussed the political questions of the day, and after the meeting generally went to a "kof-fee kietz" to "kietz" further. With the inclement weather park benches are not comfortable, so they are asking for a place indoors. Mr. Vogelzang suggested that perhaps a room in the basement of the city hall could be utilized. He felt that we were giving entertainment to young folk and the older folk should not be forgotten. Mr. Vogelzang asked that the matter be investigated.

HAMILTON HUNTING FATALITY FIRST HERE

Hamilton was shocked to hear that one of its citizens, Burton Nevenzel, age 28, was fatally shot while hunting deer near Baldwin, Michigan, Tuesday. The accident occurred shortly before 8:00 o'clock and Nevenzel died in Reed City hospital three hours later. This was the young man's first and last hunting trip. He had never been on a deer hunting party before and the tragic ending was felt deeply in the community in which he lived.

Included in the party of five, who left Hamilton in time to be on the grounds November 15 with the opening of the deer season. The brother, George, age 30. The brothers had just parted and Burton had gone but a few rods when his cries for help were heard. The brother rushed to his assistance and found that the younger brother had been shot. Examination later showed that the missile had taken effect in the right thigh, fracturing the thigh bone at the hip.

How the shooting occurred no one knows. It is positive that no one in the Hamilton party fired a shot at that time. The place was full of hunters and it is hard to determine who had fired the fatal shot or where the stray bullet came from. The ball struck the handle of an ax young Nevenzel was carrying and shattered the bullet before it entered the leg. The bullet made it impossible to trace the make and calibre of the missile. When his brother reached his side it was evident that something had to be done to stop the flow of blood. An improvised tourniquet was applied, which prevented some of the drain, but still the unfortunate man seemed to be losing the blood rapidly. He was taken to Reed City hospital as quickly as possible, but the loss of blood had been terrific, and he died shortly after his arrival.

The body of Burton Nevenzel arrived in Hamilton early Wednesday morning when friends were privileged to view the remains. The funeral services will be held Friday at 1:30 p. m. from the residence and at 2:00 from the First Reformed Church in Hamilton. Rev. Van't Kerkhoff, the pastor, and Rev. Schermer, will assist in the services. Burial will be in the Hamilton cemetery.

Mr. Nevenzel is survived by his parents, Mr. and Mrs. John Nevenzel; and two brothers, George and Marvin, all living in Hamilton.

Other members of the party were Fred Wentzel, and Gerrit Lugten of Hamilton and Gerrit Beltman of Oversiel.

Sheriff Harry Smith and state troopers are following a clue that may lead to finding out the person who fired the fatal shot. Thus far the clue is only hearsay, but they are following the lead nevertheless.

On Dec. 15, the North Holland Home Economics club will meet at the home of Mrs. Fred Koetier. Last Friday evening Mrs. Peter Sierma played host to the group. Dress making and pattern cutting were subjects under discussion.

system, and many other features are necessary before graves or plots can be sold. Those who have given the matter study feel that funds are absolutely needed, and without doubt, if the matter is properly placed before the voters, those needed funds will be made available.

The Holland City News would like to add what it has stated before—that we change the name of our correlated cemeteries to Pilgrim Home Cemetery. Fairlawn has no significance, the added cemetery has not yet been named, and Pilgrim Home is closely tied in with our forefathers. It was named by them and they be buried there. By all means, let's call the whole Pilgrim Home Cemetery.

Arsenic Case Is Postponed Until Later

WILLIAM HITCHCOCK IS NOW
IN THE COUNTY JAIL
AWAITING EXAMINATION

Little Fox Terrier Sticks Close by
His Master

After William Hitchcock, age 66, was arrested near Luther in the North woods, as reported in last issue of the News, he was taken to Holland by deputy sheriff William Van Etta and State Police Philip Hutton, who found their man in the Christmas tree country, where he was about to send a consignment of Christmas trees to Southern Michigan to be sold before the holidays.

As has already been reported, Wm. Hitchcock was charged with murder and attempted murder, two counts, after an investigation was made by Coroner Vander Water and Prosecuting Attorney John Deth.

TERRIER JOINS MASTER IN STAY IN JAIL HERE

A little fox terrier, sticking close to his master, William Hitchcock, brought to the county jail, was allowed to go into the cell by the officers at the jail, as a companion to the man, who says practically nothing on the turn of events which have brought him face to face with the law on a very serious charge. The prisoner seemed very grateful for the dog's companionship and the courtesy of the officers. If he is obliged to stay in the jail any length of time the officers say they will have to make other provisions for the dog but for the time being he is to be allowed to stay in the cell where he will be fed and housed.

mers and other county officers. The story was fully given that his wife, Mrs. Grace Hitchcock, died nearly two years before at Holland hospital, and was buried in Hastings, and it was not until her sister, Mrs. Frances Hillebrand, found a bottle with arsenic secreted in a cabinet, that the investigation began.

As was stated in last week's News, Dr. Otto Vander Velde made the autopsy at Hastings, and Mr. M. Woodward, toxicologist of the state department of health at Lansing, pronounced the organs contained arsenic.

When Hitchcock was brought to Holland, and later to Grand Haven, he demanded an examination

when he was arraigned before Justice Raymond L. Smith of this city, and the Justice set the examination for Tuesday of this week. It was found, however, that there was not enough time to secure witnesses for the plaintiff or defense, and the case was postponed until some date after Thanksgiving, not yet set. A phone call to Prosecutor Dethmers stated that the case covers so much territory around Holland and Hastings that it is difficult to get witnesses together in so short a time.

Mr. Hitchcock was taken to the County jail, where he will remain until after the examination, and if evidence is found to bind him over, he will undoubtedly remain there until the trial in Circuit Court. Hitchcock is rather a small man and rather pleasant appearing. He is vehement in his denial, and stated that he had nothing to do with any suspicious circumstances in connection with his wife's death on February 28, 1936 at Grand hospital. He produced letters at the County jail from his children, a son and a daughter, who are married and live in Hastings, expressing their faith and confidence in their father, stating that his arrest is all a horrible mistake and that they are solidly behind him in his fight to regain his freedom.

They are responsible, said the prisoner, for the employment of Kim Sigler, prominent and able attorney from Hastings who will

FIFTY YEARS AGO TODAY

Last week oil was struck in Allegan by the company which was boring for gas to illuminate the town and now the city is going wild over the discovery. Monday night the village was lit up with burning oil and gas from six pipes. About one hundred barrels of the crude oil has been pumped from the well. Note:—The well was of short duration. Some 10 years later Ottawa and Allegan County capital was interested in boring for oil, and not a few dollars of Holland-Zeeland money was sunk in this new venture. Several wells were bored on the outskirts of Allegan city, one near the old Pere Marquette depot. Small quantities of oil were obtained, but not in paying quantities. About 12 years ago another try was made just after the Muskegon oil boom, but the results were the same, some oil, but not enough. But now it is evident that there is oil in Allegan County. The Burnips Corners' district is today a veritable oil field, just bubbling over with the "black gold", and some of the field is owned by Holland people. There are at least 60 paying wells so far, and new ones coming in nearly each week. It is a strange sight to see wheat and corn fields abouted with fine harvest, but dotting these fields are huge derricks, wheels, and rows upon rows of oil tanks glistening in the sunlight. These are ready to receive the riches from mother earth, stored there even before man was created. Who knows?—possibly Ottawa County also has her undiscovered treasure. Oil strata are not governed by county boundary lines, and the present paying field is directly on the boundary of Allegan and Ottawa Counties.

IRVING GARVELINK, FOR MANY YEARS A CITIZEN OF HOLLAND, DIED IN DETROIT

Irving Garvelink, for many years a citizen of Holland, died in Detroit. He was born in Fillmore Township. The funeral will be held from the house of Austin Harrington, Rev. Fleming of the M. E. Church, officiating. Note:—For many years Mr. Garvelink was bookkeeper at the old Walsh-Dero Milling Co., better known as the Standard Rolling Mills, now Standard Grocery Co. Mr. Garvelink was the first man to put a roller skating rink in Holland. Some 55 years ago a building, now occupied by the I. X. L. Machine Shop on West 7th St., was a skating rink. The building then extended nearly to 8th St. and a board walk led to it over vacant property at about where the Kroger Food Store is in the Van Ark building. A large semi-circular sign over the board walk at the end of the rink was at the end of the walk. Later the Holland Marine Band conducted the rink and the members of the band took turns at intervals to run it. It supplied the funds to continue the large drum corps of which our editor has been a member for 50 years.

MRS. BONTOKOE, AGE 72, PASSES

Mrs. Anna Bontokoe, 72, widow of Martin Bontokoe, died at her home, 54 West 15th St., Wednesday about 9:30 p. m. Death followed a stroke suffered Monday. Since Mr. Bontokoe's death in 1934, the Bontokoe children have operated the store, which Mr. and Mrs. Bontokoe operated together for 31 years. Private funeral services will be held this Saturday at 1:15 at the home, and 2 p. m. at Central Ave. Christian Reformed church, the Rev. N. J. Monsma, pastor of Ninth Street Christian Reformed church, officiating.

Mrs. Bontokoe was for 50 years an active member of the Central Ave. church. She was a native of The Netherlands, a daughter of Mr. and Mrs. Okke Holkeboer. Surviving are three daughters, Mrs. Bastian Vander Vlies, Misses Sena and Tena Bontokoe, one sister, Mrs. John H. Van Huis; one son, Oscar, and seven grandchildren, all of Holland.

HOLLAND MAY GET SHORE LINE PHONE SERVICE

If the federal government survey reveals that shore telephone stations on the lakes would insure safety at sea, Holland is a possible candidate for such a station, according to a despatch from Washington, D. C. Grand Haven, Traverse City, South Haven and Escanaba are also mentioned as possible cities for location. William M. Connelly, manager of the Holland Chamber of Commerce, stated that briefs will be forthcoming from Chamber of Commerce headquarters, setting forth the advantages of Holland as a site for such a station. Since more tonnage leaves Duluth than any other port in the United States, except New York city, it is considered advisable to give added protection to ships going by way of the Soo locks.

COUPLE BAG MOOSE, DEER ON CANADIAN TRIP

Mr. and Mrs. Gervert Van Zantwick, of Grand Haven, who have been on their annual big game hunt in Northern Ontario, the past two and a half weeks, expect to return Monday afternoon with a 1,000 pound moose and a deer to show for their efforts. Mr. and Mrs. Van Zantwick have gone deer hunting together for some years past but this is the first year in the moose country.

Rev. A. Jabaay of Zeeland exchanged pulpits with Rev. Daniel Zwier, pastor of Manie Ave. Chr. Ref. Church of Holland, Sunday evening.

Holland Plays Big Game of Year With Haven Sat.

GRAND HAVEN HIGH TEAM
CLOSE SEASON AGAINST
DUTCH ON FERRY FIELD

Holland High has a wonderful gridiron team we think but "friendly enemy", Grand Haven, also says nice things about Breen's men. Here is what the Grand Haven Tribune has to say:

Grand Haven Tribune
Battle weary and worn by their terrific struggles against Muskegon Heights and St. Joseph on successive Saturdays but still full of fight, the Grand Haven High school grid machine looks forward to their annual engagement with Holland this week Saturday at Ferry field. Two games will be played, the first between the Reserve teams at 12:30 p. m. Saturday.

The Holland-Grand Haven series is one of the longest and most famous rivalries in the state of Michigan. This game usually draws a capacity crowd, weather permitting, whether the scene of action is at Ferry field, Grand Haven, or Riverview stadium, Holland. This year Grand Haven will stage the game and next year is Holland's turn again.

Perhaps no fan who witnessed the thrill-packed battle at Holland last year will forget that game. Kenny Matchinsky, who again is the spark of the Holland team, broke loose for a 60 yard jaunt down the sidelines on a "sleeper" to put the Dutch in the lead, 14 to 13, with but four minutes left to play.

Grand Haven received the kickoff and marched over 30 yards to a touchdown in these final minutes, winning out 20 to 14. The Holland fans stood in bewilderment as the Grand Haven team turned on the blitz with a dazzling pass attack, featuring the tossing of Joe Karrell.

Claude Bosworth, head coach at Grand Haven for three years, will direct a Grand Haven eleven for the last time Saturday. He is anxious to whip his boys into a fighting mood in the few days left for practice before the season closes. If Grand Haven upsets Holland, Grand Haven fans will forgive the boys for their poor showing against the Heights and St. Joe and the season will be considered a success.

No drill was held for the first team Monday due to the rainy weather. Bosworth called in his charges before school Tuesday morning for their daily skull session. The Grand Haven boys have a lot of respect for the record of the Hollanders, who have the best team Holland has backed in 10 years. The Maroon and Orange team of Holland has had a very successful season, losing only to Muskegon and holding two Kalamazoo schools, Central and St. Augustine, to tie scores.

Matchinsky and Grissen are the two scoring threats that Grand Haven will have to watch. Cunningham, a tall rangy end, will also bear watching as he is a great pass snatcher.

Holland outplayed the big Muskie in the first half of their game at Holland last Saturday and the score as the game went into the last period was 0 to 0. The continual battering at the Holland line by heavy Muskegon backs brought two touchdowns in short order in the last stanza and Muskegon won, 13-0.

ZEELAND FAMILY HAS NAR- ROW ESCAPE FROM FIRE

Early yesterday morning fire was discovered in the home of John Boeve, at Maple and Lincoln Streets, Zeeland.

The flames had gained much headway when the Boeves were aroused by the smoke that filled their bedrooms on the second floor. Mr. and Mrs. Boeve managed to find their way down the small stairway that was in direct course of the flames. They carried one of their four small children with them. When Mr. Boeve attempted to regain the second floor he realized it would be impossible because of the rapid progress of the flames, which were already shooting out in both the living room and dining room between which the stairway was situated. The remaining three children being in a more remote part of the second floor, he determined to get a ladder and rescue them through the window.

Rushing to the Huizenga home on the opposite corner, he managed to rouse Mr. Huizenga, who sent in the fire alarm. The Boeves escaped only in their bed clothes, and were forced to run about barefoot in the cold and snowy night.

Immediately the fire alarm was sounded Officer Lester De Pree hastened to the scene and arrived just in time to secure a ladder and rescue the three children from their plight, who escaped without injury although they suffered from the dense smoke.

The estimate of loss has not been determined, but rough estimate places the repair costs as \$1,000, while there is probably as much loss in damage to furniture and clothing.

After working about two and one-half hours it was thought the fire had been put out, but at seven o'clock another alarm was sounded because flames again broke out. Firemen and neighbors were able to salvage much of the furniture and clothing, but most of it was badly smoked and damaged by water and fire. They carried some insurance on both building and contents.

The Junior Welfare League met Tuesday evening in the Woman's Literary club. The business meeting was in charge of Mrs. Jack Bos. It was decided to supply a needy family with bedding, and to supply three room at Washington school with the winter's supply of coal liver oil.

THERMOMETER STILL BOILING OVER

The Community Chest thermometer over the clock is still gushing over despite the freezing weather, indicative that the drive is well over the top, which even zero weather cannot change. The large 18-foot weather indicator, however, looks rather paradoxical when you look about and see everything covered with a cold, white coat.

LOWRY HEADS COMMUNITY CHEST FOR NEXT YEAR

A board of directors meeting of the Holland Community Chest was held Wednesday evening at the Holland City State Bank building. O. William Lowry, secretary-treasurer at Charles R. Sligh Furniture Co., was elected president of the board; John De Wilde, vice president; Cornelius Vander Meulen, secretary; and Clarence Jalving, treasurer.

The total amount collected during the recent Chest drive was disclosed as totaling \$14,863.04, of which sum \$3,800 must be collected from pledges. Board meetings will be held on the first Wednesday of each month. Mr. Ridge, director of the Grand Rapids chest drive, and Mr. Soh, assistant director, were present at the meeting Wednesday night.

ZEELAND HIGH SCHOOL TO DEBATE THIS THURSDAY

After a lapse of several years Zeeland high school is again entering the state high school debating league, with the first home debate scheduled for the high school assembly room this Thursday evening. The question for debate is: "Resolved: That the several states should accept the unicameral form of legislature."

Zeeland will uphold the negative and East Grand Rapids will argue the affirmative. An admission fee of ten cents will be charged.

A COMEDY "THE TAKE OFF" TO BE STAGED

The sophomore class of Holland high school is putting on a three-act comedy, entitled "The Take Off," Nov. 22 and 23, next week Monday and Tuesday. Characters are: Alice Mae Houtman, Helen Mae Heasley, Vivian Tardiff, Doris Eby, Mary Blanchard, Phyllis Heyboer, John Naberich, Bernard Raterink, Gerard Cook, Frank O'Meara, and Emerson Strong. It is going to be a real worthwhile offering, and will be staged in the High School Auditorium.

GOLDEN WEDDING FOR MR. AND MRS. JOHN Y. HUIZENGA

On Tuesday, November 23, there is going to be open house at the home of Mr. and Mrs. John Y. Huizenga, on the hill on the old Zeeland-Holland road, directly East from the city. The day marks the event of their golden wedding anniversary, when the couple will receive guests from 2:00 to 5:00 o'clock on the afternoon of that day and from 7:00 to 9:00 o'clock in the evening.

Both Mr. and Mrs. Huizenga were born in The Netherlands. Mrs. Huizenga coming over when she was 15 years of age. However, Mr. Huizenga was but six months old, a babe in arms, when the parents arrived on ship board. Travel in those early days was slow and laborious. When Mr. Huizenga's parents came, the last lap of the journey was made by stage coach over the old plank road via Allegan to the Holland colony. Mr. Huizenga came to Holland on a very patriotic day, namely, the 4th of July, 71 years ago. Mrs. Huizenga followed 15 years later.

They were married in the parsonage of the Central Avenue Christian Reformed Church fifty years ago November 23, by Rev. E. Vander Vries. Miss Clara Regnerus was the maiden name of Mrs. Huizenga. The happy couple have lived on the old Zeeland road for nearly a half century, and there they rear their family.

Mr. and Mrs. Huizenga's early life was spent on the farm, and some two score years ago he entered the fuel, feed and farm produce business under the name of J. Y. Huizenga & Co., of which he was the head. This enterprise, with offices on River Ave., has been very successful. Many years ago the offices of the fuel company were located in the Huntley building, later remodeled into what is now the Colonial Theatre.

Mr. Huizenga has held many positions of trust, having been township clerk of Holland Township for six years, supervisor for twenty-three years, justice of the peace for one year, county superintendent of the poor for four years. While supervisor he was named repeatedly on many important supervisors' committees at Grand Haven. His judgment by that body has often sought since his deliberations were not hasty and were generally sound. For many years he was president and director of the Home Furnace Co. Mr. Huizenga was always deeply interested in public affairs. Despite the fact that he lived in Holland Township, he was always interested in Holland as a city.

Mr. and Mrs. Huizenga have four children, namely two sons, Bert and Douwe, and two daughters, Miss Bertha Huizenga and Mrs. Gertrude Huizenga Stenbergen, wife of Dr. John Stenbergen; also two grandchildren. All live in Holland.

Vehicles driven by Mrs. William Westrate, 617 State St. and Bernard H. Van Voorst, 272 East 15th St., collided Wednesday about 11:15 p. m., at the intersection of Lincoln Ave. and 14th St., because of slippery pavement. No one was injured.

Bowling Alleys Billiard Halls Open 'Till 12 p.m.

MATTER BRINGS OUT MUCH
DISCUSSION; SEVEN ALDER-
MEN VOTE TO PASS IT

A matter that brought considerable discussion was the allowing of bowling alleys and billiard parlors to remain open until midnight instead of at 11:00 o'clock. The resolution was presented by Ald. Jacob Bultman. Mr. Bultman four weeks ago gave notice that such an ordinance would be presented.

In presenting the ordinance Mr. Brouwer stated that this demand for an added hour had been held in abeyance for some time. He stated that especially with bowling alleys the matter of early closing had become a hardship. Bowling with teams has become a great recreation not only in Holland but everywhere. Like in baseball and basketball, teams were pitted against one another, and there were many instances when games had to be cut short in order to comply with the earlier hours, which proves rather embarrassing in many instances.

Mr. Brouwer also pointed out that many factory teams were organized, and more of them organizing right along, and this, too, required more time so all could get a chance to bowl.

Mr. Brouwer stated that he knew that bowling was a healthful exercise, was a game of skill, that members of his own family enjoy this recreational and healthful pastime. He also pointed out that bowling is recommended by athletic coaches in this city, and that is true in many other college towns. He presented the matter of allowing billiard halls one hour longer he stated that billiard parlors of today are altogether different places of recreation than they were 15 years ago. He stated that he had personally investigated the billiard parlors of Holland, had made inquiries through the police, and they were highly spoken of.

He said the old pool room of yesterday was condemned, and rightly so, but today it is a different matter. The pool room is not a place where liquor is sold, or where gambling is allowed as it was years ago, but the place is conducted for healthful recreation and pastime. Many strangers, who have no acquaintance in the city, find headquarters there and many home folk, less fortunate and who have little money to spend, take a delight in watching a billiard or pool game in progress, which in itself is an interesting and innocent diversion.

In closing Ald. Brouwer stated, "We can be altogether too stringent in regulating our recreational pastimes. We foster recreation to keep the youth out of mischief and to interest them in wholesome things. I feel that too much restriction would have a deterrent effect."

Mr. Oudemool stated he wanted more time to study the matter, but he felt that he would be open to criticism if the hours were increased to midnight. Ald. Huyser was also opposed. He stated that everything seemed to be "later hours, later hours." He felt that for the good of the youth of the city, the way should be pointed out to young folk that earlier hours are essential. He stated that he should not be hasty in making the change. He said further that he thought youth could get plenty of exercise and plenty of play up to 11:00 o'clock. He said some years ago closing time was 10:00 o'clock in billiard parlors. I feel that Holland had no bowling alleys in those days. In closing, Mr. Huyser stated, "I believe that in extending the time you are opening the door to late hours for the youth of the city."

Ald. Prins said, the city allows a license to bowling alleys and billiard parlors because they consider it a good business, which lives up to the law the same as restaurants, drug stores, and other licensed places of business. "I do not go to bowling alleys or pool rooms because I have never played much. However, I do not feel that it is my business to deprive others from doing so because they enjoy this sort of recreation. I feel that bowling is a healthy exercise, that it develops the youth physically, and billiards, too, is a matter of great skill. I know that the pool rooms of years ago do not begin to compare with the pool room of today. That matter can easily be investigated. I feel that if bowling alleys and billiard halls were a vicious business then the city should not allow them at all, but I know that is not the case."

City Atty. Parsons was then called upon to define the state law on billiard parlors, and he stated that there is one provision in the state law that forbids young folk under 17 to enter these parlors and that the students of colleges are not allowed in them, under the age of 21 years. Under the state law the presence of pool tables in a bowling alley would be a violation of the law, if those under the ages mentioned were entered. However, should the pool table be removed from the bowling alleys, that would do away with the restriction as far as the bowling alleys is concerned. The state places no restriction on bowling alleys, and the city ordinance should be thus amended. It is apparent that the state in drafting the law, did not put bowling alleys in the same category as billiard and pool rooms.

Ald. Brouwer's motion to pass the amended ordinance, which is found officially and in full elsewhere in this issue, was then put to a vote. Ald. Oudemool, Drinkwater, and Huyser voting "no"; Ald. Prins, Kleis, Kalkman, Brouwer, Steffens, Smith, and Vogelzang voting "yes." Ald. Bultman being unavoidably absent.

The extension of time to midnight was thus allowed.

You Never Can Tell

The impulsiveness with which American people are apt suddenly to herald public officials, who have caught their imaginations, as candidates for high office for which they have not before been considered or mentioned, is a national characteristic, and perhaps not at all a bad one.

And in particular this characteristic operates where the Presidency is concerned.

So it is not at all surprising to find that the smashing victories of Mayor La Guardia and of Thomas E. Dewey, incoming district attorney for Manhattan, in the recent New York City election, have produced speculations about their availability for the White House at some time in the future.

The talk has arisen the more easily because both men (though manifestly unequal from the standpoint of experience) are persons of ability and character and are fighters.

Naturally there is no way of knowing at this time whether the little flames that have been lit by the admirers of the two will flicker and die with the passage of time, or whether they will grow into something.

Men have striven toward the White House for years and at the end of earnest and distinguished public service have found only disappointed ambition.

Calvin Coolidge became known to the people of the United States because, while Governor of Massachusetts, he showed himself a man of judgment, character and courage. Then Fate took a hand and made him President almost without any effort on his part. And a very good President he was.

You simply cannot tell.

28 MARKET CHICKENS STOLEN FROM FARM

Frank Lempe, a farmer living on US-31 at the south of Grand Haven, reported to state police, the loss of 28 Plymouth rock hens which he had expected to take to market today. He discovered the loss this morning when he went to the hen house which had apparently been entered some time in the night through a window and the birds taken away without rousing the family.

The hens were large, weighing about five pounds each and the loss is estimated at about \$30. Investigation was made by the officers but there was little trace of the robbers or robber found.

Most Birds Fly Extremely Low

Those who have watched migratory birds on their flight and have wondered just how high the birds go on their long trips are given the answer by the Biological Survey.

Seldom, the Survey has discovered, do the birds attain an altitude of more than 3,000 feet, while 1,000 feet would be an average.

The Y.M. meeting held last night was led by Dr. David O. Fuller of the Wealthy St. Baptist church of Grand Rapids.

A Thanksgiving meeting is to be held Tuesday, Nov. 23, led by Rev. William Van't Hof of the Third Reformed church of this city.

WIFE OF PASTOR REVIEWS BOOK

"The Flowering of New England," a book by the "master American critic," Van Wyck Brooks, was reviewed Tuesday afternoon before the Woman's Literary club by Mrs. James Weyer. Mrs. Weyer stressed the fact that this book is the first volume to be published on the general history of American literature. Twenty-seven years was devoted by the author to the writing of his book. The book has received every award possible for an American book to receive. Mrs. Weyer criticized the author for his one-sided view of Calvinistic doctrines.

Mrs. Kenneth V. De Pree presided at the meeting, at which a collection was taken for the county home. Piano and marimba selections were played by Don Kramer and Gerard Hanchett. The numbers were well-received by all present.

Dr. Milton M. McGorrell of Grand Rapids was announced as being the speaker for the Thanksgiving meeting to be held next Tuesday in the club rooms. Reservations must all be in by Friday, none being accepted later.

Mrs. J. E. Telling will sing several soprano solos at the meeting.

MILK ASSOCIATION IN ANNUAL ELECTION

Officers of the West Ottawa Milk Producers association were elected at a meeting of the group last night as follows: Clarence Reenders, Grand Haven township, president; Claus Reenders, Grand Haven township, treasurer, and Lawrence Conley, Nunica, secretary. The directors elected were Scott Holmes, Nunica; Albert Safanisk, West Olive, and Ben Weststrate, Nunica.

The organization is in its third year, organized for the mutual benefit of milk producers in the west part of the country. The milk produced is practically all brought into this city. There was a perfect attendance at the meeting which was held at the Grand Haven township hall.

D. Plaggemars, East Eighth St., is visiting friends in Ohio.

Program of American Legion Home Talent Show

It is understood that the "try-out" for the big Prairie Farmer, WLS community talent show has proven a great success. They have found in Holland talent to impersonate all the well-known radio characters including Uncle Ezra, Lulu Belle, Cley Yonson, George Goebel, Henry Hornsbuckle, The Lazy Farmer, Joe Kelley, Jack Holden, The Prairie Ramblers, Hoosier Hot Shots, Patsy Montana, Red Foley, Skyland Scotty, Arkie and many others.

You will see the fun of your life

at the Holland Army when you see local folk impersonating the above-named characters on the stage. There will be three shows, namely, Thursday, Friday, and Saturday of this week, and it is given under the auspices of the Holland American Legion.

Remember the place—the Holland Army; the time—Thursday, Friday and Saturday, November 18, 19 and 20, this week, beginning each night at 8:00 o'clock.

HOLLAND YOUTH IS MUTE TO ACCIDENT CHARGE IN COURT

Raymond Vos of Holland, 19 years old, charged with negligent homicide in connection with an automobile fatality, stood mute in circuit court and a plea of not guilty was entered for him. He is at liberty on \$500 bail.

Henry Diepstra, 17 years old, of Zeeland, pleaded not guilty to a serious charge made by a 22-year-old woman and is held in the Ottawa county jail in default of bond.

More arraignments will be made before Judge Miles today, the following having been ordered to appear on that date: Fred Othoff, 55 years old of Holland, charged with habitual drunkenness; Edward Woodcock, 35 years old, maintaining gambling devices and James Phillips, 23 years old of Robinson township, charged with a serious crime on complaint of a 14 year old Grand Haven girl.

Mrs. Eva Knapp, Nunica, earlier in the day entered a not-guilty plea to negligent homicide. The judge instructed the defendants to consult attorneys as the last two told the judge they were without counsel.

Judge Sanford, sitting on the bench for Judge Miles some time ago, rendered an opinion in which he denied a new trial to Ralph Zoet against Albert VerBeek, who had previously won a judgment of \$300 in circuit court.

Peter S. Boter of Holland, successful in his state bar examination, was admitted to the Ottawa county bar early in the week.

The jury list from lower Ottawa are: Holland, Albert C. Keppel, Fred Kamferbeek, Mrs. Martha Kollen, Herman Damson, Frank Dyk, Anthony Peerbolt; Zeeland, Johannes D. De Pree; Zeeland Township, Henry Seiner; Holland Township, Bert Wiersma; Olive, Ed Bruizema; Park, Gerrit E. Hendveld; Jamestown, Michael Wolf.

Mr. and Mrs. Henry Carley returned last Thursday evening from a motoring trip through the East, where they visited Boston, Washington, D. C. and other points of interest. While in Washington, D. C. they visited Mrs. Matilda Boone and her son, Harold Boone, both formerly of Holland. Mr. Carley is manager of the Holland and Colonial Theatres here.

Miss Gertrude Swarts of Grand Rapids was a week end visitor at the home of Mr. and Mrs. J. Arnoldink, West 17th St.

Mr. and Mrs. Gil Elhart and Mrs. Mary Wyma of rural route No. 6 are on a hunting-visiting trip up north.

Choice Viands for Thanksgiving Dinner

Turkey, sweet potatoes, apples, grapes, cranberries, mince pie and nuts—they all spell Thanksgiving dinner.

There are numerous variations of autumn's crowning table event, and many helpful suggestions are forthcoming from culinary experts these days.

Crosby Gaige, America's leading gourmet, and famous producer of Broadway plays, will contribute some new ideas for old-fashioned Thanksgiving dinners, when speaking as a guest on Columbia's "Heinz Magazine of the Air," Nov. 17th at 11 a.m. E.S.T., with a rebroadcast to the west at 3 p.m. E.S.T.

"In the first place your table should be an ample one," advises Gaige, "and if necessary you could increase the table size with some sheets of plywood and the assistance of a carpenter to make a false top that will come in handy on many occasions.

"Make a decorative centerpiece with a big wooden bowl filled with mixed fruit. Big bouquets of crisp celery will add another decoration as will small dishes of freshly roasted and salted nuts and raisins.

"Start your meal with a thin, clear soup, a strong beef or chicken consommé with wafer thin slices of lemon in it. Every woman knows how to roast a turkey but here's one grand hint for the stuffing. Add to it a pound of freshly roasted salted peanuts put through the meat grinder several times. For the best sweet potato dish ever tasted boil three pounds of sweet potatoes in their jackets, until soft. Peel and run through a ricer. Add half cup of butter, one-fourth teaspoon of nutmeg, one-fourth teaspoon cinnamon, half cup of sherry, salt and pepper to taste and milk enough to moisten. Mix well and put in a buttered baking dish. Dot with butter and sprinkle with cinnamon and bake until brown. Also provide a dish of creamed cauliflower plentifully sprinkled with grated cheese.

"Cranberries," continued Gaige, "can be given an unusual and delicious twist in the following manner. Grind one quart of cranberries, also a whole orange, skin and all. Stir in a cup and one-half of sugar. Place these ingredients in a covered jar in the refrigerator and permit them to ripen for two days before using.

"Mince pie is a fitting climax to such a meal, but as you have already eaten quite a lot, make the crust a crisp-cross one. Serve with a slice of ripe American Cheddar and top off with a cup of hot, black, fragrant coffee."

COUNTY SOIL CONSERVATION COMMITTEE IN OTTAWA AND ALLEGAN COUNTIES PLANS ELECTIONS

Ottawa County Farmers Will Elect 1938 Committeemen

The farmers of Ottawa County will elect the committeemen for the 1938 Agricultural Conservation Program during the two weeks between November 29 and December 11. At this annual voting the farmers elected will have the responsibility of administering the 1938 Agricultural Conservation Program.

This national program is for the purpose of promoting better management of soil by encouraging farmers to raise a larger acreage of conserving crops and to carry out good soil management practices. Among these practices are: the use of lime, the seeding and fertilizing of legumes and grasses, the use of green manure crops, the planting of forest trees and other practices which tend to maintain soil resources.

The farmers will receive notice of the date and place of the election meetings in their communities. The meetings will be in charge of the county committees. There will be an educational program, outlining the purposes and background of the farm program in connection with the election.

Anyone who is a farmer will be entitled to vote for the three-man community committee, the chairman of which will be a member of the County Board of Directors. The success of the program in the community and county depends to a large extent on the election, by the farmers, of capable committeemen.

1938 Payments Announced
The 1937 Ottawa County committee consists of Glenn T. Taylor, Chairman, Claude L. McNitt, vice chairman, D. H. S. Byrner, member, and L. R. Arnold, agricultural agent. Mr. L. R. Arnold is the secretary of the Association. The committee announces that the 1936 Agricultural Conservation Program report is now available. The report shows that out of a total of 4,123 farmers in Ottawa County, 1,450 farmers had their farms measured. Of these farmers, 1,227 received payments.

Payments resulting from increasing the acreage of soil conserving crops amounted to \$66,395.84.

Payments made for soil management practices were:
For liming, 1,896 acres, \$1,896.
For seeding, 14,158 acres legumes and grasses, \$21,000.
Planting of forest trees on 2 acres, \$10.00.

What applies to Ottawa County as given above also applies to Allegan County, however, in the 1937 Allegan County committee consists of Leonard Swanty, Chairman, Ralph G. Brower, Vice-Chairman, Harry F. Cogdal, Member, Percy W. Woodhams, Member, and Arthur D. Morley, Agricultural Agent. Mrs. Vivian Rockwell is the Secretary of the Association. The committee announces that the 1936 Agricultural Conservation Program report is now available. The report shows that out of a total of 5,553 farmers in Allegan County, 3,235 had their farms measured. Of these farmers, 2,447 received payments.

Payments resulting from increasing the acreage of soil conserving crops amounted to \$112,305.50. Payments made for soil management practices were:
For liming 4,244 acres, \$5,305.00.
For seeding 27,789 acres legumes and grasses, \$55,578.00.
For use of phosphate and potash on conserving crops, \$40.00.

Mrs. A. De Maat, West 18th St., who recently submitted to an operation at Holland hospital, has returned home.

OTTAWA SCHOOL AID FUNDS MAILED TO DISTRICTS TODAY

Primary school money totaling \$65,284.88 for 16,908 Ottawa county school children from five to 19 years inclusive, was recently received from the state by Nicholas Spritsma, county treasurer and allocations to the various districts were being mailed today by Deputy Treasurer Henry Van Noord, Jr. The allotment is \$3.88 per child.

Grand Haven city schools receive \$9,013.10; Spring Lake district number two, the Spring Lake village school, \$1,752.44; Holland city schools, \$16,432.28 and Zeeland City, \$4,145.64.

Miss Jeanette Veltman, Ralph Veltman, and Mrs. Catherine Wabeke visited their sister, Mrs. J. H. Vander Ven last Saturday in Lansing, where she is seriously ill at Sparrow hospital.

A double shower was held Friday evening at the home of Miss Marjorie Matchinsky, 133 East 17th St., by members of the Sitan club, in honor of Miss Dorothy Van Otterloo and Miss Jean Helminck, both December brides. Miss Van Otterloo and Miss Adeline Czerwiec were awarded prizes in games played. Those present included Miss Matchinsky, Miss Czerwiec, Mrs. Walter Van Asselt, Jr., of Zeeland, Miss Clara Witteveen, Miss Deborah H. Veneklasen, Mrs. Earl R. Steggrada of Lansing, Mrs. Fred Ter Vree, Mrs. Mel Mow, Miss Joan Lugers, Miss Clara Witteveen, and Miss Mary Matchinsky. Miss Helminck will become the bride of Hubert Lugers, and Miss Van Otterloo will become the bride of Preston Van Kolken.

TWO SPECIAL EVENTS

There will be two things of special interest at the First Baptist Church, 19th and Pine Ave., this coming week. FIRST, on Sunday night at 7:30 o'clock, the choir artist, Mr. Louis Mulder, will draw a picture upon the canvas of "Christ in the Garden of Gethsemane." His helpers, Miss Myrtle Padgett and Miss Ruth Koster, will assist in the program with numbers of music and readings. The pastor will bring a short message on "The Cup Which My Father hath Given Me, Shall I Not Drink It?" SECOND, there will be a four-day Bible Conference from Tuesday to Friday. Rev. R. E. Moss of Grand Haven will speak from his large, nine-foot chart upon, "The Plan of the Ages." Rev. Moss is a deep Bible student and a pleasing speaker. It will be a time of rich blessing following with him God's plan through the ages from eternity to eternity. All of these services are open to the public and a cordial welcome by the church extended to all.

"Pagan Lady" Star Joins Kroger Hour

LENORE ULRIC
Lenore Ulric, one of America's most colorful actresses, will join the cast of "Linda's First Love" during the week of November 15. This radio program is sponsored by The Kroger Grocery and Baking company.
Adhering to the precedent set by other guest stars of the "Linda" program, Miss Ulric will take her place as an important character in the development of this exciting plot. Among other intriguing turns which the story will take is one providing a suitable setting for a scene from the "Pagan Lady," with this actress providing the justly famous Ulric verve.
Best remembered for her stage successes, movie goes have had but one glimpse of Miss Ulric's impressive characterizations, and that was when she appeared with Greta Garbo in "Camille."

HOPE, CALVIN MEN TAKE OVER DR. HOSPERS' WORK

Dr. Martin J. Wyngraarden, professor of Old Testament Theology at Calvin seminary, and Dr. Edward Dimmitt, Hope college economics professor, will take over the work of Dr. Henry Hospers, Western Theological seminary professor of Hebrew who died recently.

Mrs. John Sternberg, West 18th St., attended a monthly dental auxiliary luncheon in Grand Rapids, Monday.

HAMILTON

A Men's Fellowship party, sponsored by the Community Welfare association, was held in the auditorium last Thursday evening. The men enjoyed a pancake supper. Mr. Frederick Johnson acted as toastmaster. Group singing being directed by John Elsinga. Several musical numbers were sung by the Lugten trio and by Arthur Hoffman and Lawrence Lohman. A business meeting followed and the following was discussed: tree planting; 4-H club room for the boys; showers; and stopping of cars running ground property. The following officers were elected for the Community Players association: president, R. Kleis; secretary, Mrs. Dr. Rigterink; treasurer, John Brink, Jr. Conservation pictures were shown by Ed. Miskotten on his new movie machine. Everyone enjoyed a most delightful time.

Mr. and Mrs. Ernie Kronberg of Three Rivers, spent the week end with Mr. and Mrs. Ed Dangremond. Mrs. Allen Calahan and Miss Mabel Lugten motored to Three Rivers, Friday to visit Mrs. E. Kronberg. Mrs. E. Kronberg returned here with them.

Born to Mr. and Mrs. George Joostenbergh on Monday at the Holland hospital, a baby girl.

The Women's Study Club held their annual "Daughters' Night" program at the home of Mrs. Jesse Kool on Thursday evening, Nov. 11. Mrs. Kibby presided at the business meeting. Minutes were read by Mrs. H. D. Strabbing. Each member responded to roll call with a bit of humor. The program given by the daughters followed. They were directed by Mrs. Marvin Koolker. The following program took place: Salute to the flag and the singing of "America" by the entire group. American's Creed read and the origin discussed by Joyce Koolker; Exercises by Evelyn Lampen; Elaine Van Doornik and June Vor; a song by Elaine Vos, Lucille Schutmaat and Elaine Van Doornik; piano solo by Elaine Schutmaat; war-time songs sung by Lois Lugten and Ruth Morgenstern; piano solo by Evelyn Lampen; reading by Evelyn Kaper accompanied on the piano by Julia Bultman; reading by Harriet Van Doornik; vocal solo, "Bring Back My Daddy to Me" by Mrs. Wallace Kempfers; reading by Evelyn Schutmaat; poem by Mildred Kaper; talk by Mrs. White and a musical selection, "Country Women of the World" sung by the daughters. The program closed with the singing of the club song. A two-course luncheon was served by the committee.

A men's quartet of Holland rendered special music at the Sunday morning service in the American Reformed Church.

Today's Freight Trains

AMERICA has always been a great user of railroad freight service. Ours has been a major dependence on that service.

Have America's railroads speeded up their freight service to keep abreast of this faster era?

America has the fastest freight trains in the world.

Many of them travel on schedules as rigid as passenger schedules.

Many of them are speedier than passenger trains were 15 years ago. Many of them have cut from 5 to 20 to 30 hours off of their 1930 schedules.

Basically, America's freight trains have been speeded up 55% in the past six years. Freight trains with average speeds above 45 miles per hour are becoming the rule.

In 1922 the average freight train carried 676 tons of freight; consisted of 38 cars; maintained an average speed (including all stops) of 11.1 miles per hour, performed in the average hour a service equivalent to carrying 7,479 tons of freight a mile, with payments for loss and damage to freight amounting to \$1.11 per car loaded with revenue freight.

Today the average freight train carries 731 tons; averages 46 cars per train; has an average speed of 16.0 miles per hour; had an hour-performance equivalent of 11,718 ton-miles; and claims for loss and damage have dropped to 50 cents per loaded car.

A fast-moving world requires fast and efficient freight service. America's railroads are providing it.

SHOP EARLY!

No, this is not a Christmas warning, but it would seem well to begin to plan shopping for Thanksgiving Day. Thanksgiving shopping runs largely to food, in which food plays an important part. It is well to plan ahead and avoid the last-minute rush and the left-overs to choose from.

Nearly all lines are included in the holiday trade—cooking utensils, a new set of dishes, some new wearing apparel, extras for the table; in fact, the list is long. Therefore, why not begin to shop for Thanksgiving early and avoid the hustle and bustle that generally accompanies a shopping trip just before a holiday.

AMERICAN LEGION BAND PLAYS TO BIG AUDIENCE

The High School auditorium Tuesday night was filled to capacity when the American Legion Band, Eugene F. Heeter conducting, gave an excellent program of music that brought encore after encore. Mr. Heeter, besides being a good director, gave interpretations of the offerings given. In one selection he requested that the audience whistle the tune, and even the mayor of Holland pucker up his lips to aid in the tune. The young folk especially were delighted in helping the music along with either whistles or singing. This feature brought a gale of laughter and applause.

A revised version of a medley of World War songs and ditties was an exceptionally fine number. In fact, the entire program was well received. The cornet trio, John Perkosi, Cornie Steketee, and Robert De Vries, gave an offering that would compare favorably with paid experts. These boys are not "coming" artists but they are already artists; in fact, they were so good that a request came from the audience to have them repeat later in the program. Their lip-work on the trumpets was marvelous.

The program as given follows below: Chorus—Bach, Glory of the Gridiron—Alford, Memories of Step—Alford, The Three Solitaires—Victor Herbert, Cornet Trio—John Perkosi, Cornie Steketee, Rob't De Vries, Faith Eternal—Buys, Triumphal March from Aida, Verdi, Tantalusquale Overture—von Suppe, Vistas—Gillette, Novelties for Band and Audience—Star Theater—Fantasie—Grofe, Star Spangled Banner.

Members of the Holland American Legion band who participated in Tuesday night's successful concert in Holland senior high school auditorium were: Director Eugene Heeter; Trombones, Harold Karsten, Herman De Weerd, Nick Brower, Frank Working, Richard Schaffenaar and Lester Dogger; basses, Martin Langhuis, Neal Wiersma and Clarence Kieft; tympans, Donald Kramer, percussion, Leslie Wolman, Tom Selby, August Kasten and Clyde Wolman; horns, Adrian Klaasen, Robert Evans, Dr. J. K. Ward, Ted Evans and Robert Spaulding; cornets, John Perkosi, Franklin Van Ry, Abel Van Dyke, Cornie Steketee, Jr., John Swierenga, Roland Van Dyke and Wilmer Vander Hoop; baritone, Earl Working, Stuart A. Ludlow and Rance Overbeek; flutes, Don Zwemer and Ben Weller; oboe, K. Vander Heuvel; clarinets, Herb Van Meurs, George Bosworth, Harold Nienhuis, Don Visser, Nick Van Dyke, Gordon Berkel, Andrew Ver Schure, Paul Knothuisen, George Plakke, Paul Scholten, James Hekamp and Howard Beckfort; bassoon, Fred Vander Ploeg; saxophones, Thomas Drake, Gerald Bolhuis, George Karsten and G. Tors.

ZEELAND FOLK GO LONG WAY

At a meeting of M21 boosters at Zeeland, November 11th, Grand Rapids, Wyoming Park, Grandville, Jenison, Hudsonville, Zeeland and Holland organized a united front in an effort to convince the State Highway Department of the necessity of reconstructing M21 between Zeeland and Jenison. John Pope, editor of the "Star and Alliance" at Grandville, presided. Forty delegates were present. All controversy over whether the road should remain on the present route or some other route was subordinated.

It was pointed out that the traffic on M21 appears to be as heavy as on any section of US16 between Grand Rapids and Detroit and it was further cited that this route is Grand Rapids' outlet to Chicago and that the route would grow in importance upon the completion of the port Huron bridge, which is the eastern terminus of M21 and which will measurably increase the tourist traffic from Canada. The Grand Rapids delegates to the meeting were Alex T. McFadyen, Secretary of the Association of Commerce, and Roy Withey, Chairman of the Good Roads Committee of the same organization. They came to the front by proposing that a meeting be held at Holland to which the State Highway Commissioner be invited and they would extend to Mr. Van Wagener the invitation to the meeting. W. M. Connelly, Manager of the Holland Chamber of Commerce, stated that Holland would be pleased to host on this occasion provided the meeting would be confined to the improvement of the route selected by the State Highway Commissioner rather than any discussion over the matter of relocation. These proposals were unanimously concurred in and the Grand Rapids Association is to notify the Holland Chamber of Commerce if and when Mr. Van Wagener will meet with the group.

County stated that now that the Grand Rapids Association of Commerce has come strongly to the front in urging this improvement, Holland will do its utmost in the way of co-operation, and that he has felt all along that this road is as much, if not more important to Grand Rapids than to Holland. Mayor Gerrit Yntema of Zeeland is also backing this new improvement strongly.

All Helping To Boost M-21 Improvement

SAFE CRACKERS MAKE BIG HAUL AT ZEELAND

The Zeeland Farm Co-op, Inc., 143 East Washington St., was robbed some time between Thursday night and Friday morning of about \$700, it was disclosed Friday. Manager John Ten Have disclosed the loss when he came to work Friday morning. Everything was in good order when Richard Van Housen, bookkeeper, left the building at 9 p. m. Local police, the sheriff's department, and state police investigated.

A crowbar and sledge belonging to the company were used by the raiders who left no finger prints. Several cartons of gloves on a desk in the office, which are sold to farmers, provided gloves to render the safe safe against fingerprints.

The safe evidently was first attacked by knocking off the hinges of the left door, but the operators did not seem to know that there are flanges that prevent the doors from being opened from the hinge side. They next knocked the combination dial from the right door, hoping to unlock the combination, but they were again balked by the bars which locked the doors. Undaunted, they proceeded to drive a large hole where the dial had been, by so doing they forced the bolt mechanism to bend, sufficiently drawing back the locking bars and permitting the doors to be pried apart.

It was then an easy matter to reach the cash drawers, but they did not see the keys hanging in plain view till they had jimmied one of the drawers. There they found a canvas bag containing \$573.00 in cash and checks belonging to M. Van Loo of Zeeland R. 1, a director of the company. Mr. Van Loo had held an auction on his farm a couple miles north of Zeeland on Wednesday, and had put the money in the company's safe because the banks were closed due to regular holidays Wednesday afternoon and all day Thursday.

In a leather folder was found \$149.69 in cash belonging to the Farmers Co-op, making the total loot \$722.75. The exact amount of cash taken is not known because Mr. Van Loo's money and checks had not been separately listed. Several checks belonging to the company were left strewn on the floor.

Included in the loot were eight silver dollars and one \$5 gold piece. The burglary was not discovered until Friday morning when employees entered the place.

WASHINGTON SCHOOL PARENTS-TEACHERS ASSN. MEET

A record attendance featured the first meeting of the Washington School PTA last Tuesday evening at Washington school. The meeting was in the nature of a Thanksgiving meeting with the president, Norman D. Simpson, presiding. Mrs. Clyde Meredith, accompanied by Mrs. S. Meuwissen at the piano, led the song service. Dr. John R. Mulder of Western Seminary led devotions and presented a brief address. Music was furnished by a clarinet trio under the direction of Stuart A. Ludlow. The sixth grade chorus of the school, under Miss Gertrude Flaitz, presented several numbers, as did the high school girls' sextet.

"Winners on Wednesday," a play, was presented by members of Miss Myra Ten Cate's speech class of Holland High. Teachers were introduced by Miss Caroline Hawes, principal of the school. The program was arranged by Mrs. Neal Houtman and committee. Mrs. J. C. Knoll, Mrs. Neal Houtman, Mrs. Peter Mulder, Mrs. John R. Mulder, Mrs. M. Beyers, Mrs. H. Vander Hill, and Mrs. C. Roos, chairman, composed the refreshment committee.

Eleanor Reed, Sally Diekema, Kay Steketee, Donna Lokker, Margaret Hartman, Mary Van Appeldoorn, Pauline Van Eerden, Janet Broke, Evelyn George, Doris Diekema, Deoda Risto, Louise Swartz, and Eleanor Reed presented a practice recital Wednesday evening at the home of Mrs. Harold J. Karsten, West 11th St. A recital was given Monday evening by college and high school students. Mrs. Karsten is piano instructor of the pupils.

Elsewhere in this issue will be found an announcement that Ray Harrison is conducting the Sinclair station at Michigan Ave. and 28th St., Holland, Mich., where Sinclair products are sold, and service given. Mr. Harrison, in his announcement, is inviting the public.

AN ORDINANCE. Amending Section Six (6) of Ordinance No. 373 Chapter No. 27 of the Ordinances of the City of Holland, and entitled, "Licensing and regulating Bowling Alleys, Billiard Tables, Pool Tables and other gaming tables."

The City of Holland Ordains:

Section Six (6) of Ordinance No. 373, Chapter No. 27, of the Ordinances of the City of Holland, being an ordinance Licensing and Regulating Bowling Alleys, Billiard Tables, Pool Tables, and other Gaming Tables is hereby amended to read as follows:

(226) Sec. 6. No curtains, screens, partitions, or other things shall obstruct the view from the entrances, exits, sidewalks, streets and alleys in front of or at the side or end of any building, room or place where any bowling alley, Billiard Table, pool table, mah-jan-ga table, or any other gaming table is kept or maintained within the limits of the City of Holland. And no person licensed or required to be licensed under the provisions of this ordinance shall suffer or permit any table to be played on any such table or alley, or in any such place of business, between the hours of twelve o'clock midnight and six o'clock in the morning on each week day, nor on Sundays and until the hour of six o'clock in the morning immediately following Sunday.

This amendment shall take effect twenty days after its passage. Passed November 17, 1937. Henry Geerlings, Mayor. Approved November 18, 1937. Attest: Oscar Peterson, City Clerk.

ZEELAND

As a special assessment for the paving of Wall and Lincoln Sts., those owning property along these streets will be required to pay about 50 cents per foot, it was decreed by the Zeeland city council Monday evening. Two new street lights were ordered placed—one at Main St., near the Bennett Lumber Co., and the other at M21 and Main St. Claims for \$61,794.39 were approved.

The Zeeland high school student council is planning a party for the near future. Those in charge of arrangements are Thelma Baar, Rose Winstrom, Helen De Pree, Thelma De Haan, and Harold Van Dyke.

The consistory of Third Chr. Ref. Church has made the following nominations of candidate for consistory members to be voted on at the approaching congregational meeting: Elders—J. Hon, Thomas Kraal, Nick Tanis and S. Waldyk; deacons—Corey Bosch, John De Roo, Gerrit Gorman and L. Sprick. The retiring elders are Geo. Kleinjans and Gerrit Van de Vosse and the retiring deacons are G. Altena and Charles Rozema. The congregational meeting will be held Friday evening, Dec. 10.

Mrs. Wm. Ossewaarde spent a few days in Chicago last week visiting her daughter, Miss Martha Ossewaarde, nurse at the Baptist Hospital in Louisville, Ky. Miss Ossewaarde, who is a graduate of Presbyterian Hospital, Chicago, was in attendance at the homecoming and reunion of her class in that city.

Klaas Timmerman returned to his home in Zeeland the past week from Imlay City where he spent six weeks at the home of his parents, Mr. and Mrs. Egbert Bloemsmma. Mrs. Bloemsmma and three

children accompanied him on his return to Zeeland on Saturday.

LOCAL

A hundred Camp Fire girls and friends held a party Monday night at the Woman's Literary club. Each person was dressed as some Mother Goose character. Jack-ben-nible, Peter Rabbit, Boy Blue, Mickey Mouse, Jack and Jill, and numerous others were present. Refreshments included a box lunch and hot chocolate for each girl. Camp Fire songs were sung, and each of four groups dramatized some Mother Goose rhyme. Lois Schoon, Elizabeth Kools, Jerrie Bosch, and Joyce Fris won prizes for the most original costumes. Talahi, with Misses Esther Veen Huis and Miss Mable Apel as guardians received the prize for the most original skit, while Tananka, of which Miss Crystal Van Anroy is guardian, received the prize for perfect attendance. Mrs. Peter Van Dommelen, Jr., Mrs. Jay Den Herder, and Mrs. E. S. Johnson served as judges in the various contests held during the evening. A group picture was taken of the party group. The Camp Fire office now occupies a room at the city hall on the third floor. Hours are Wednesdays, 8:30 to 5:30 p. m., and Saturdays, 10:30 to 12 noon. Committees in charge of party arrangements for the occasion included: entertainment, Miss Apel, Miss Veen Huis and Miss Virginia Koolker; prizes, Mrs. Lloyd Reed; picture, Mrs. Leslie Risto; refreshments, Miss Wilhelmine Haberland and Miss Van Anroy; decorations, Miss Lucille Kardux, Miss Jean Wismeier, Mrs. Verne De Feyter and Miss Nelva Bos.

CENTURY CLUB HOLDS THANKSGIVING GATHERING

The Century Club held its Thanksgiving program Monday evening in the parlors of Hope church, Prof. E. Paul McLean, president, presiding. The program for the occasion was arranged by Prof. Bruce M. Raymond, Vernon Ten Cate, Mrs. A. A. Visscher, and Mrs. W. J. Olive. Selections were presented by the Hope College Girls' Trio, accompanied by Mrs. W. C. Snow. Mrs. Olive read portions of a story describing a family Thanksgiving supper in 1870. Mrs. Visscher presented the "hit

of the evening when she directed the showing of a moving picture, showing the members of the club in various poses. Mr. Ten Cate, Prof. Raymond, Mr. Visscher, and Mr. Randall Bosch were responsible for the taking of the pictures. Mr. and Mrs. Willie Dickema, and Mr. and Mrs. D. B. K. Van Rente were in charge of refreshments which were served to the group. About 120 were present.

Spring Lake Has Many Carp Netters Find

Thirty-five Tons of Obnoxious Fish
Seined from Lake by Game Club
(Grand Haven Tribune)

In a little over two weeks' time 35 tons of carp and several tons of garfish and dogfish have been removed from Spring lake by Frank Sewers, Saugatuck, and a force of nine men. Mr. Sewers works in conjunction with the Holland Fish and Game club, which is one of the largest sportsmen's groups in the state, interested in preserving the game fish of Michigan's inland waters.

The carp are shipped to New York and Chicago where they are sold at a low price to be used for food by many in those sections. The money from the sale of the fish supports the work.

This is the fourth consecutive year that carp have been seined from Spring lake. Mr. Sewers said this year there is a big increase of carp and he expects to continue the work until the lake freezes.

Pulling carp from inland waters is encouraged by the department of conservation as the big fish are scavengers and live off the spawn of game fish. The gar and dog fish eat up the young fish and are therefore a menace.

In seining for carp, game fish are brought up but they are immediately thrown back and the work is done under the direct supervision of the game warden. Mr. Sewers said today that from the game fish caught there appears to be a considerable increase this year, indicating that the planting done in the lake is proving successful and that fishing grounds in the lake are improving.

White bass and black bass have been seen with white bass in the majority. Thus far there have been but very few blue gills.

The carp weigh on an average of 12 pounds with some of the big ones reaching 30 pounds. The operations are being carried on from Lakeside pavilion where trucks carry off great boxes of the fish for shipment. There are four boats, one with a motor, and the work affords interest to many who are interested in seeing the big hauls made.

Carp seining has been done on Black lake at Holland for some 18 years, Mr. Sewers said, until now there are very few left in comparison to other lakes where the work has only been done recently. The game fish in Black lake have increased tremendously and with one haul for carp thousands of game fish are brought up, Mr. Sewers said.

WEST OLIVE MAN KILLS
COW CROSSING ROAD

A cow owned by Robert Kunkel, West Olive, route two, was killed when struck by an automobile driven by Robert Lowing, 22 years old, of West Olive, about 6:45 p.m. Friday. Mr. Lowing told state police the animal was crossing the road and he could not see it in the dusk. The accident occurred on M-50 three and a half miles east of US-31. Mr. Lowing was uninjured but his car was damaged to the extent of \$150.

COMPLETION OF RELOCATION
WORK ON ROADS ENDS AT
SAUGATUCK

Itinerant service to Saugatuck by the local branch of the National Re-employment service was closed this week, according to an announcement made by J. C. Wallen, branch manager. The service had provided for a man from this office would work in Saugatuck two mornings each week.

The service was started there last summer after a short lapse to take care of the employment service for the construction of the road relocation work which was in progress on US-31 in Saugatuck and Douglas. With the close of this work recently, need for the service in Saugatuck ceased.

The residents of Saugatuck and vicinity who are looking for jobs should now register with the Allegan office, and anything which can be done for them will come out of the local branch office, directly.

ALLEGAN COUNTY CHICKEN
THEVES ARE SENT TO JAIL

Bernard Carpenter, 22, of Martin township; Frank Carpenter of Monterey township and Keith Cole, 22, of Monterey, arrested by Deputy Sheriff Claude Gibson for theft of chickens from the farm of Sheriff Fred W. Miller, pleaded guilty before Justice H. H. Cook Friday. Each was fined \$5 and \$8.45 costs and sentenced to the county jail for 45 days.

TWO OTTAWA MEN
PASS STATE BAR
TESTS AT LANSING

Harvey L. Scholten, son of Mr. and Mrs. Frank Scholten of Spring Lake, passed his examination for the state bar, according to word from Lansing. He was one of 261 applicants. Mr. Scholten is a graduate of Grand Haven high school and of the University of Michigan law school. Mr. Scholten, senior, has been cashier of the Spring Lake State bank for 20 years. Peter S. Boter of Holland also successfully passed the examination which honors. He is a graduate of Holland high and Hope college and is a son of Mr. and Mrs. Dick Boter of Lake Shore drive. The father has been head of the P. S. Boter Clothing and Shoe emporium for a quarter of a century.

VIOLATORS ARE DENIED
NEW HUNTING LICENSE

There are 495 persons in Michigan who will be denied deer hunting licenses this year. They were found guilty of violating some major deer law or were involved in the death or injury of other hunters some time during the last three years. The law forbids issuing a license to them.

Baritone Hardin Van Deursen To Sing In The Messiah Here

At the annual presentation of Handel's "Messiah" by the Holland Choral Union on Dec. 14, Hardin Van Deursen will be heard as the baritone soloist. He is a man of Dutch descent and a native of Chicago.

In 1929 he received his degree in music at Northwestern University and has taught in Huron College in Huron, South Dakota, the University of Wyoming at Laramie, and for the past four years at Albion College. Last summer he was a professor at the University of Michigan in Ann Arbor and began regular teaching there this fall. Mr. Van Deursen is also soloist at the First M.E. church in Ann Arbor.

Last year he sang the bass in the "Messiah" at Kalamazoo and in Ann Arbor, and this year will be heard in Jackson and Benton Harbor. He did a solo part in the "Creation" at the Bay View Assembly Festival last summer and will sing the same at Ann Arbor this Christmas.

Other soloists in the Holland production of the oratorio will be Anne Burmeister, soprano, and Paul Nettinga, tenor. Both are singers at the Fourth Presbyterian church in Chicago. The contralto solos will be taken by Hazel Paal.

EXCHANGE CLUB
GOES MUSICAL

An entirely musical program was presented Monday at the regular meeting of the Exchange Club in the Warm Freind Tavern at noon. Devotions were in charge of Peter Vinet, a letter from Pierre Vinet, concerning the National Exchange convention in Florida, was read by President C. C. Wood.

The musical program was in charge of Eugene F. Heeter, who introduced to the group Miss Tris Moore, choir director at the senior high, and Stuart Ludlow, elementary music director. A cornet trio, consisting of Donald Ithman, Harold Karsten, and Kenneth Weller, accompanied by Miss Myrtle Bos, and a clarinet trio, composed of Elmer Harmsen, Stanley Plagenhuet, and Jack Smith, were introduced by Mr. Ludlow. Later the three clarinet players and the two flute players, John Mool and James Den Herder, presented a novelty number.

The Junior high string ensemble was introduced by Mr. Heeter, after which the A Cappella Choir, under Miss Moore, sang several numbers. Letters of appreciation were sent to organizations which appeared on the program, by the club.

HORSE PARASITE CONTROL
CARRIED OUT ONLY THROUGH
LOCAL VETERINARIANS

L. R. Arnold, agricultural agent, states that no definite horse parasite control project will be carried on through the extension office in 1937. This project was carried on in 1936, also in 1935. Hundreds of horses were treated by veterinarians with good results. Parasite control will be handled in 1937 directly by local veterinarians. Those who desire to have animals treated should get in touch with the veterinarians.

Without question such treatments are of great value in putting horses in better condition. Many cases of bot infestation have been brought to light during the two years of treatment. In fact two or three instances mortality has resulted due directly to bot infestation. Any owner who has noticed any signs of bots should take steps to eradicate them.

Before this, carbon bisulphide treatment occurs, eggs or horse's legs and chin should have been wiped off every six days with 2% crude carbolic acid solution until severe frost kills flies. Internal treatment for bots is delayed until cold enough weather arrives to eliminate the bot fly which lays the eggs. Treatment generally starts late in November.

The anti-parasite treatment should be regarded as a sort of insurance. It is a preventative in that it gets rid of parasites. The horse will go through the winter in better condition. The horse of course might become infected again during the following summer. If all treated for bots then the community would soon be rid of these creatures as there would be no flies present to lay eggs.

THREE-ACT COMEDY

Plans are being completed and rehearsals are under way for the production of the three-act comedy, "Well, Did You Ever." This play will be presented in the North Holland School on Thanksgiving evening and the following evening, Nov. 25 and 26 at 7:45 o'clock, by the North Holland Girls' League for Service. The play is being directed by Mr. Jack Jongekrijg.

The cast is composed of John Mowen, Gertrude Levensen, Jean Slaght, Leon Nienhuis, Nina Overbeck, Henrietta Kamphuis, Alma Dean Brower, Hermine Maassen, Harvey Knoll, Chester Raak, Mildred Brower and Marvin Weststrate.

FARMERS COMPLAIN
OF TRESPASSING

Farm owners in Berrien and Cass counties have become so incensed against the invasion of hunters, with the consequent danger to human life and stock, that they, with the aid of conservation officials, are seeking effective means of enforcing the legal angle on trespassing, illegal hunting and shooting within the city limits. The Michigan law clearly states that a hunter must obtain the owner's permission before hunting on private property.

OLD FERRYBURG CHAPEL IS
BEING RAZED BY FORMER
SHERIFF ROSEMA

The Reformed chapel in Ferryburg, one of the oldest landmarks in the village, will shortly disappear after Ben Rosema, former Ottawa county sheriff, completes razing the building.

Mr. Rosema recently purchased it for the material which he will salvage to erect a residence on the property.

Mrs. Ralph Vander Kolk, Ferryburg, looked up the history of the building which has not been used for several years, and found that it was built sometime in the early '70s and was erected by members of the Reformed church. Rev. James De Pree was the first pastor.

The building was erected for use of Reformed church members when Ferryburg was a lumbering village and access to Spring Lake and Grand Haven was difficult. As roads developed and automobiles came in use the members affiliated with the Reformed church in Spring Lake and the old chapel was abandoned.

At one time the old wooden blocks supporting the building were replaced with a cement block foundation and a furnace was installed and it was used as a school while the present Ferryburg school was being constructed.

FIRST DEER LAW PASSED
IN MICHIGAN IN 1859

First deer hunting restrictions became effective in Michigan in 1859, or 23 years after the state was admitted to the union, and limited hunting to the last five months of the year.

man, formerly a student at Hope College, who is now living in Detroit.

"Messiah" has always been given in Holland to audiences that

filled the spacious Hope Memorial Chapel to capacity. The large \$25,000 Skinner organ enters largely into the rendition of this beautiful and inspiring oratorio, so appropriate during the Yuletide season.

Trinity League to Present Comedy

"No Account David," a three-act comedy drama will be presented Thursday and Friday nights, November 25th and 26th by the Girls' League for Service of Trinity Reformed Church at Carnegie Gym.

The cast consists of Mrs. Golden, the grandmother, Adrianna Steketee; David Benton, a wanderer since a young lad, Julius Karsten; Jean Matthews, the pretty school teacher, Ruth Den Uyl; Ned Golden, Gran's Grandson, who is in love with Jean, Earl Faber; Sheriff Frank Barnes, who does his duty.

Also J. D. Cooley who holds the mortgage, Maynard Van Lente; Mrs. Mattie Zona, a vaudeville performer, Norma Jean Rutgers; Zetta Zona, Mattie's daughter and what a flirt, Gertrude Meengs; Chum Zona, Mattie's husband, a vaudeville performer who doesn't like the farm, Theodore Boot; Bill, a small boy witness, Kenneth Steketee. The play is directed by Mr. and Mrs. Theodore Boot.

Committee Chairmen are: Doretta, Mildred Baron; Ushers, Dorothy De Boer; Publicity, Charlotte Jacobs; Stage Manager, Bill Jacobs.

CHIEF CLAIMS ELECTRIC SIGN
ORDINANCE A "HAS BEEN"

A meeting of the board of police and fire commissioners was held in the city hall, in the office of City Clerk Oscar Peterson, Monday.

At the meeting, Police Chief Frank Van Ry contends that the present city ordinance dealing with electric signs is obsolete. Mayor Geerlings announced at this point that the ordinance committee is now revising all city ordinances, and that a new ordinance book will be published. The ordinance committee will be asked to consider the electric sign ordinance, it was decided. A revision will be sought from Common Council.

The police department was commended by Commissioner Andrew Hyman for the efficient way in which the huge crowd at the Muskegon-Holland football game was handled last Saturday. Total collections of \$4.80 and \$22.70 for the month of October were reported by Justice Raymond L. Smith and Justice John Galien, respectively. A communication from Bill's Tire Shop in regard to police car services were ordered filed.

Because City Clerk Peterson and Commissioner Chairman Cornelius Hutzenga were unable to be present at the meeting, Commissioner Hyman served as clerk, and Commissioner Donnelly as chairman.

WIFE OF JUDGE SPEAKER
AT W. C. T. U.

At the regular monthly meeting of the Women's Christian Temperance Union Mrs. Fred T. Miles discussed certain practical suggestions to voters on questions of the day. The speaker suggested keeping files or scrapbooks in which to keep information and clippings.

Mrs. J. Baskin presented a report of the state convention held recently at Saginaw. Mrs. Paul E. Hinkamp then gave excerpts from the Union Signal. Following the business meeting, which was presided over by President Mrs. Margaret Markham, Mrs. Clarence Kleis and Mrs. George Schulling served tea. The meeting was held at the home of Mrs. F. N. Jonkman, State St.

JURY IS DIRECTED TO BRING
IN A NUISANCE FOR
ACTION VERDICT

Judge Fred T. Miles instructed the Allegan Circuit court jury to bring in a verdict of no cause for action in the suit of Mr. and Mrs. Harm Venkant against the city of Allegan for damages they reportedly sustained from the formation of Lake Allegan by the building of the hydro-electric dam.

The defense had claimed during the trial that a previous agreement with the Venkants had taken care of all their claims from this source and that the plaintiffs had no further cause for action because of that. As the jury was ready to go out, the defense counsel made a motion for the directed verdict, and the judge granted the motion.

The decision marks the close of another case of the litigation in which the city has become involved since starting the project.

Will Build New
\$35,000 Church

At a congregational meeting of the Reformed church of Spring Lake, it was voted by a large majority to erect a new church on Exchange street, property owned by the organization for several years.

Plans are now to erect a new church in the spring to cost approximately \$35,000. By the first of the year the church will have \$25,000 in a building fund which was created in 1928 and which has steadily grown during the years.

The property was purchased some time ago from Joos Ver Plank, Ottawa county's first Democratic sheriff. It includes 205 feet on Exchange street with a depth of 180 feet.

The vote was 79 for the church property and two against it. The present church was built about 75 years ago when the church was formed. The building has been added to since the early days but for a long time it has been inadequate for the congregation, which includes 93 families. Rev. Spencer C. DeJong is the pastor.

HUNTERS SCARE
HORSE TO DEATH

Constant shooting by hunters on nearby farms on the opening day of the season cost Fred Bliss, a farmer residing at Nunica, Ottawa county, a horse. Upset by the shooting the horse galloped about the pasture lot for hours. Finally, Bliss found the horse dead. He called the state police at Grand Haven and they decided the horse had died from fright and over exertion.

Many Drivers
of Cars Taken
Off Highways

NEW LAW WILL MAKE
BETTER DRIVERS OF THOSE
ABLE TO PASS TEST,
OLANDER SAYS

By Guy H. Jenkins
In Muskegon Chronicle

More than 250,000 automobile drivers will be taken off the highways when the administration of the 1937 operators license begins Jan. 1, it was estimated today.

But to Oscar G. Olander, commissioner of public safety that will not be the most important accomplishment of the new traffic control act. He said:

"The law will in our opinion, make better drivers out of the others who are able to pass the examination. When you improve the driving conditions for more than 2,000,000 motor vehicle operators that in our judgment is the greater accomplishment."

Important Place on Program

"We do not minimize the value of the exclusion of probably 300,000 incompetent drivers from the highways. It will have an important place in the program."

But those who pass the examinations will improve themselves particularly if they are near the non-passing grade. The efficiency of those who succeed in meeting the tests certainly will be increased."

Commissioner Olander has commenced the circulation of the police booklet "rules of the road." This publication will be included with the 1938 license plates to be distributed through the department of state.

"Rule of the road" will be the basis of the examinations that motorists applying for drivers licenses will be required to pass. In addition to a list of questions that must be answered in writing, the license applicant will be examined as to vision, hearing, understanding of highway signs, etc.

Accident Reasons Given

Traffic accidents are not confined to any one class of drivers. The reason assigned for collisions are failures to observe stop signs, driving on the wrong side of the highway, cutting off of traffic because one is in a hurry or the driver ahead is proceeding too slowly, refusal to dim lights when approaching another car after sun down.

State police look upon the new law as a fair program and one that should be adopted by the motorist public because it will provide a greater factor of safety to the two million car drivers.

TWO SURFMAN ADDED
TO COAST GUARD CREW
AT GRAND HAVEN

Surfmen Harvey Ellsworth and Louis Skiba have been transferred from the Middle Island coast guard station which is being closed in accordance with a recent order from headquarters, to the Grand Haven station, where they will form an addition to the local crew under Boatswain Harrison S. Haas.

THERE ARE NO BAD BOYS,
REALLY

Mr. Floyd Starr, originator and head of the Starr Commonwealth for Boys at Albion, stated in a speech before the Elizabeth Schuyler Hamilton chapter, Daughters of the American Revolution, at the home of Mrs. J. D. French, west 12th St., Thursday, that there "is no such thing as a completely bad boy." Methods of developing underprivileged boys were discussed by him, and patience was stressed as three qualities to be used in treating boys.

Eleanor Stryker, Hope college soprano soloist, and Barbara Lampen, a pianist at Hope college, presented several numbers for the musical program, which was in charge of Mrs. W. J. Olive. Devotions were led by Mrs. E. V. Hartman.

The meeting was presided over by Chapter Regent Miss Laura Boyd. Pourers at coffee were Miss Boyd and Mrs. Orian S. Cross. Mrs. Allan B. Ayers, Mrs. Richard Martin, Mrs. S. M. McCoy, and Mrs. Myrtle Beach assisted the hostess.

FORMER OTTAWA
COUNTY MAN
TAKES OWN LIFE

Vander Veen, 60 years old, who took his own life Wednesday morning in John Ball park, Grand Rapids, was a former resident of Grand Haven and at one time employed as pharmacist in the Van I. Witt drug store. He was found behind shrubbery by a park employee and removed to a hospital where he died a few minutes after admittance. A new life was used in the suicide. Mr. Vander Veen left a note to police and one to his brother, explaining ill health and loss of money were the motives for his act.

A son was born at Hutton hospital, Grand Haven, Tuesday to Mr. and Mrs. Rudolph Presenik, West Olive.

Through the work of District Commissioner Lemuel J. Harris and Leo Eby, a meeting of parents of Lakewood school was held Tuesday evening to arrange for the creation of a new Boy Scout troop. Harvey Hop, recent delegate to the World Scout Jamboree, and Executive M. P. Russell delivered speeches on the program.

IN THE WAKE OF FLOOD

This scene was enacted many times in refugee centers established by the Red Cross during the Ohio-Mississippi Valley flood. Inevitably floods bring the danger of disease as drinking sources become contaminated and large groups of people are thrown together. The medical-health service of the Red Cross serves thousands each year, and is maintained by membership funds contributed to the organization at the time of its annual Roll Call from Armistice Day to Thanksgiving.

Maplewood P.T.A. held its first meeting of the year last Tuesday night. Harold Ortmann, accompanied by Hester Timmer, led the song service. Prayer was rendered by Prof. Wolters of the Hope college faculty. Gerrit Schipper is president of the organization. A reading was presented by Geraldine Teusink and selections were sung by a male quartet of East Holland. Albert Wolters gave selections on the piano. The song service was presented by local magicians, and an address was presented by Prof.

Walters. Mr. and Mrs. Donald Walters arranged the program. Arrangements for December's program are in charge of Mr. and Mrs. Harry Ten Cate.

Gerrit Elzena, 18, rural route No. 3, Hudsonville, was injured, and David Elzena, 18, same address, and Maynard Mulder, rural route No. 2, Zeeland, escaped serious injury when their car struck the side of a moving Pere Marquette freight train at a North Holland road crossing, just east of the city.

Miss Jeanne Walvoord, who served for some time in the China mission field, left yesterday for Miami, Fla., where she is to care for Miss Kitty Talmadge, for 60 years a missionary in China, who left China recently because of ill health and because of the present tense situation in that country.

ONE HUNDRED ONE DUCK HUNTERS ARRESTED

One hundred and one hunters were arrested during the duck and small game season last month in the seventeenth conservation district which includes such heavily populated counties as Wayne, Oakland, Genesee and Monroe in addition to the Thumb counties.

Possession of hen pheasants was charged in 23 cases constituting the largest number of the game law violations. Seventeen were charged with transporting dressed game and 16 with violating the duck laws. Six persons, all non-residents, were taken into custody for obtaining licenses fraudulently. Seizures by conservation officers included 69 ducks, 50 squirrels and 24 hen pheasants.

The number of arrests and seizures exceeded last year's total but were under 1935 figures. The increase over last year is believed due to the large number of blockades set up by the department this year, more strict application of the federal duck laws and an increase in the number of hunters.

Fines assessed totalled \$1,820 plus \$637 in costs. Jail sentences aggregated only 10 days. Fines in 1935 amounted to \$1,910 and in 1936 to \$1,190.

OTTAWA MEN FINED FOR POSSESSION OF MUSKRATS, PELTS

Musk rats, not legal to trap until December 1, caused trouble for two Ottawa county men when Conservation Officer I. A. Antles caught in possession of pelts and dead animals. Mr. Antles left today for special duty at Baldwin during the deer season but his place will be taken by Conservation Officer Forest La Voy, of Allegan county, who has been assisting him the past few days.

George Cook, 29 years old, of Lamont, pleaded guilty to possession of muskrat pelts when arraigned before Justice Fred Workman in Spring Lake yesterday and paid a fine of \$10 and \$6.85. Mr. Antles obtained a search warrant and reported finding two fresh pelts in Cook's home. The case of Cort Pelton, 49 years old, Robinson township, alleged to have possession of muskrats out of season, is continued to November 29, when Mr. Antles will return.

PASTOR AT ZEELAND REJECTS GRAND RAPIDS CALL

Rev. William Kok, pastor of First Christian Reformed church, Zeeland, has announced that he has declined the invitation to become pastor of Franklin Street Christian Reformed church of Grand Rapids. Mr. Kok has been pastor of the local church since 1927. He is a graduate of Calvin seminary.

CAPTAIN OF GUARDS OPPOSED TO WAR

Capt. Austin Lucas, commander of the Holland National Guards, addressed members of the Rotary club in their Armistice Day program held Thursday noon in the Warm Friend Tavern. Capt. Lucas is very much opposed to war, he stated, but urges military training such as the National Guards are carrying on, for national defense. Captain Lucas recalled numerous of his experiences "over there." "We do not wish to see war again," he stated, "but we will have it again sometime, whether we like it or not. And the man who knows most about it is going to win. Experience will be needed. That is why I believe in the National Guards." Captain Lucas commended the high mental capacity and the height of the men in the local unit. Rotarians were requested to come to guard drills in the armory on Monday evenings.

An unsuccessful attempt was made by burglars to enter the Holland Bottling Works last Friday night, while the owner, F. S. Underwood, was out of the city on a hunting trip. The attempt was discovered by Albert Vanden Berg, an employee, who found front and side doors of the building jammed, and also saw a suspicious car drive away at his arrival. He had returned to the plant after work to get his glasses, which he had left in the office.

Wyba Nienhuis, son of Mr. and Mrs. George W. Nienhuis, and Paul Scholten, son of Mr. and Mrs. Burt Scholten, both of this city, who are attending a business college in Grand Rapids, recently became members of Phi Theta Pi, national fraternity.

Miss Betty Jean McLean, who is a student at Milwaukee Downer college, spent the week-end with Mr. and Mrs. C. J. McLean, her parents.

Misses Yvonne Westrate and Jane Anne Visscher, who are both attending the University of Michigan, spent the week-end at their respective homes in Holland.

Mrs. Ida Burton was honored at the home of her daughter, Mrs. P. Michael, West 19th St., last Wednesday afternoon, the occasion being her birthday anniversary. Mrs. S. De Boer won a prize in games played. Besides the honored guest, those present were Mrs. A. Fairbanks, Mrs. S. De Boer, Mrs. B. Dekker, Mrs. L. Loyer, Mrs. Bennett, Mrs. Russell Burton, Mrs. K. Burgh, and Miss Eva Burton.

The annual banquet of the Holland Furnace Relief society, arranged by Henry Boersma, purchasing agent of the company, and held in the Masonic temple Friday evening, was attended by about 350 employees. George Vanden Belt was elected president, Henry Hietbrink, vice-president; A. Van Raalte, secretary, and S. Stoel, treasurer. Warm Friend Tavern management was in charge of the meal.

Buck Vaukema, Lou Vaukema, Charles Riemersma, Le Roy Du Shane, and Phillip Du Shane are on a deer hunting trip in the upper peninsula.

ALLEGAN COUNTY
HAS ROOM FOR 2,000
DEER, IS CLAIM

Deer becoming common in neighboring County; May Be Seen By Visitors

Deer are becoming common in Allegan county and it is no unusual sight to see them or their tracks through the lowlands along the Kalamazoo river. Occasionally they climb the high banks along the river flats and wander toward the main highways of the county, especially M-89 between Allegan and Fennville.

Several fawns have been seen in the area and does are common. Sunday, F. J. Hodge reported seeing a large, sleek buck standing in the road leading to the river from M-89. The buck remained within about thirty feet of the car until the horn was blown twice. He then bounded away for a few yards.

Hodge, who is connected with the Resettlement administration and who was loaned to that department by the state conservation commission, estimates there are about 300 deer in the area and declares it is capable of supporting 2,000 head. However deer will not remain in unfarmed areas and because of this fact it may be necessary to control the increase.

It is pointed out that deer increase about 75 per cent each year when they remain unmolested. Many deer bear twins.

MILLIONS OF BLUE GILLS PLANTED

More than half of the ten millions of bluegills which were to be planted in Michigan lakes this fall by the department of conservation have already been stocked. Up to the second week in November, approximately 5,888,000 bluegills, 3,888,000 brook trout, 2,311,000 brown trout and 1,394,000 rainbow trout had been planted. The schedule calls for the planting of about five million brook trout, four million brown trout and one and a half million rainbow trout in addition to a million black bass of which 557,000 have already been stocked.

Plantings are carried on each fall until the snow interferes with the work.

CHRISTMAS TREE VIOLATIONS

It's still a month to Christmas but not that long before the cutting of "Christmas trees" will start.

And from the conservation department comes a reminder about the law which prohibits cutting, removing or transporting within the state, for the purpose of sale, trees, evergreen boughs, shrubs or vines without the written consent of the owner of the land on which they were grown.

All of which means that it is unlawful to go into any likely looking woods and chop down a Yuletide decoration without first getting permission from the owner of the property. Anyone carrying a tree in his car must have a bill of sale or other documentary evidence showing ownership.

Violation of the statute pertaining may bring a fine of \$25 to \$500 and a jail sentence not exceeding 90 days. A few arrests were made last year on the charge.

Grandville's debate team won a two to one decision over Zeeland's debate squad last Thursday at Grandville. Carl Frens, Harold Tjepkema, and Ross Clark represented Zeeland, while Grandville was represented by Don Depute, Priscilla Goodrich, and Joan Bosworth. The debate staged Thursday was one of the preliminary series between the two schools. Judges for the debate were Stanley Albert of Union high school, Grand Rapids, Prof. Bruce Raymond of Hope college, and Charles Veldhuis of Lee Street high school. Zeeland's next debate will be held at Zeeland on Nov. 19, when Zeeland debates East Grand Rapids high school at 7:30 in the assembly room of Zeeland high school. Aside from those who participated in the Grandville debate, members on the Zeeland squad are Doris Loo-Lan, Dorothy Waldo, and Harold Van Dyke. Zeeland team participated in the Hope college debate tournament about two weeks ago.

SPORT NEWS

Battling stubbornly for three quarters against a heavy Muskegon Red eleven, Holland High school lost its game last Saturday at Riverview Park by a score of 13 to 0. All Muskegon scores came in the final period. The crowd at the game was the largest ever present at an athletic contest at the local athletic field. Muskegon and Holland were both undefeated before the game. The contest was featured by Matchinsky's elusive running, punting and passing. It will be remembered at this time that it was also Muskegon which destroyed Holland's chances for the basketball title last year.

Hope college ended its football season at Albion Saturday taking a defeat from the latter school by a score of 7 to 0. Basketball practice started last Monday. Coach Hinga will be faced with the problem of developing an almost entirely new squad this year since the only regulars who are back this year are Marcus, Thomas, and Boykin. Marcus will be unable to play the first few games because of a shoulder injury. Hope's basketball schedule for this year follows:

Dec. 2—Ferris.*
Dec. 8—Michigan State.
Dec. 16—Michigan Normal.*
Jan. 5—Ferris.
Jan. 10—Olivet.*
Jan. 14—Alma.*
Jan. 17—Albion.*
Jan. 21—Kalamazoo.
Jan. 28—Alma.
Feb. 4—Olivet.
Feb. 6—Michigan Normal.
Feb. 8—Adrian.
Feb. 11—Hilledale.*
Feb. 15—Hilledale.*
Feb. 18—Albion.

Christian Workers—I Corinthians 3:10-15; Galatians 6:1-10

Henry Geerlings

There has been enough to do in the Church to keep every believer busy from the time Christ was here until this present moment. There probably never has been a time from the days of the apostles until now when every Christian has done all he could for the kingdom. There is work that the adults ought to do, and there is work that young people ought to do, and there is even work for the children to do.

We can hardly say that we are workers in the Church when all we do is to attend the services. A worker is one who has some particular piece of work he is doing for his Master. And when we speak of a church worker we do not mean one who is giving all his time to it. That person who is looking out for someone to take with him to the church services is working for the Church. The person who leads an organization of the congregation is a worker. The person who leads the music is a worker. The person who participates in the promotion of the activities of a church organization is a worker.

First of all, we should participate in the work of the church or its organizations without being urged to do so. It is our duty as much as it is the duty of any other person. The work of the congregation would go forward much more successfully if we did not hold back and wait to be begged to take our part. Much of this service should be rendered by volunteers.

Second, we should not be too particular as to the kind of work we want to do. It has often been noted that we are too anxious to have the part that is showy or conspicuous. We are to remember that the foundation of a house is as important as any other part, but it is rarely seen. If we are eager to see the work of the Lord go forward we shall be willing to work where there is anything to be done. Not all ball players are pitchers or catchers. We should count it an honor to serve anywhere just so we can help to make Christ known to others.

Third, we are not all gifted alike. And this means that each of us can do some things better than we can others. God knew what he was doing when he gave one five talents, another two, and another one. We can easily see how the activities of the church would receive a setback if we are not careful to find what we can do best. It is because Peter and John and James and Andrew and the rest of the apostles were so different that they got so much work done. Would not this be a sorry looking world if all the trees and all the flowers and all the streams and all the landscapes were precisely alike?

Fourth, we must not lose sight of the fact that we grow as we work. The person who has been doing church work for some time can, no doubt, by now, undertake different duties and perform them all well. Most of the people, when they begin doing church work, did not make very much of a success of it; but they kept at it, enjoying it all the while, and now there is scarcely a responsibility laid on them that they cannot discharge. That is one of the joys in taking part in the kingdom. We grow as we labor. We can accomplish more tomorrow than we can today. In the course of a few years it is possible that we may be asked to occupy some important place in the kingdom work of our Lord. New tasks will be assigned us as we show ourselves able to handle them.

Fifth, we should not grow weary in well doing. What a large number of persons are now altogether out of the church and its work who were once active in it. We could almost build another congregation the size of the one we have if they were all brought back. They were once alive and interested, but where are they now? And what has happened that they are no longer joining hands with us in the best of all service. We should seek to bring them back.

Uncle Sam's "No Job" Census In a Nutshell

A MESSAGE FROM THE PRESIDENT OF THE UNITED STATES

The White House, Washington TO EVERY WORKER:-

If you are unemployed or partly unemployed and are able to work and are seeking work, please fill out the report card sent you

right away and mail it before midnight, Saturday, November 20, 1937. No postage stamp is needed.

The Congress directed me to take this census. It is important to the unemployed and to everyone in this land that the census be complete, honest, and accurate. If you give me the facts I shall try to use them for the benefit of all who need and want work and do not now have it.

FRANKLIN ROOSEVELT

Mayor Henry Geerlings recently offered his cooperation to the U. S. Government through Postmaster Louis Van der Berg and appointed a committee to aid further in this census taking matter. Mr. Geerlings states as follows:

"Congress has decreed and President Roosevelt has outlined a plan for taking a national census of the unemployed and partly unemployed."

"This census, calculated to give a quick and adequate picture of unemployment conditions in the United States, will be conducted through the facilities of the Post Office department by the distribution of blanks to all the thirty-one million American homes on Nov. 16 and 17. The unemployed and partly unemployed are ex-

A nationwide census of all unemployed and partly unemployed persons in the United States is being taken and the big job started Tuesday, and here in question-and-answer form, is the information you need to know about this plan:

Q-What is purpose of the unemployment census?

A-To get an accurate count of the unemployed and partly unemployed.

Q-To whom will cards be sent?

A-To every family in the United States.

Q-Under whose auspices is the census being taken?

A-Congress has decreed and the president has directed that it be taken.

Q-Is the census compulsory?

A-No. But every unemployed or partly unemployed person is urged to cooperate.

Q-How will the census be conducted?

A-Through the facilities of the post office department. Report cards will be delivered to every family. Cards are to be returned by mail to Washington for tabulation and analysis.

Q-When will the census be taken?

A-Cards will be delivered on Nov. 16 and must be returned by midnight Nov. 20. They already are addressed and no postage is required.

Q-Who should fill and return cards?

A-Every person who is unemployed or partly unemployed who is able to work and wants work.

Q-What age limits apply?

A-There are no age limits except existing state regulations concerning workers' ages.

Q-Should more than one unem-

ployed person in a family return a card?

A-Yes. Every unemployed member of a family fill out and return a card if able to work and seeking work.

Q-Where may additional cards be obtained?

A-At your post office or from your postman.

Q-Is this census confined to American citizens?

A-No. All permanent residents of the United States are included.

Q-Is the information given on the card to be considered confidential?

A-Yes. This information will be used for unemployment statistics only.

Q-Should every question of the census card be answered?

A-Yes. To obtain the most accurate information possible, the president asks that each question be answered.

Q-Who is an "unemployed" person?

A-A person of either sex or any color who is not working and is able to work and seeking work.

Q-Who is a "partly unemployed" person?

A-A person of either sex or any color with part-time employment who is able to do more work and is looking for more work.

Q-Are persons on emergency work projects included?

A-Yes. They should register as unemployed.

Hage and Mrs. Henry Van Noord were hostess.

The local male quartet composed of Harold Peuler, Martin Ver Hage, John Sall and Herbert Heyboer rendered vocal selections at the Father and Son Banquet at the YMCA in Jamestown Friday evening.

Mrs. Henry Nynhuis, Mrs. Wilbur Albrecht, Mrs. John Ensing and Mrs. Joe Zwiers attended a cousins' party at the home of Mrs. Simon Elsinga of Wyoming Park, Wednesday.

Rev. S. Vroom will exchange pulpits with Rev. E. J. Krone of Hudsonville next Sunday.

SUNDAY DINNER Suggestions

By ANN PAGE

MEAT prices are again lower this week. Most striking changes will be found in fresh pork cuts, lamb and forequarter beef. Fresh eggs are a trifle lower but good storage eggs are inexpensive. Butter prices continue to rise.

The cabbage family, cabbage itself, cauliflower, broccoli and Brussels sprouts are all of fine quality and reasonable in price. Green beans are again reasonable. Potatoes, carrots, turnips and squash are cheap.

Apples, bananas, cranberries, grapes, grapefruit, oranges and pears are all plentiful and prices are reasonable. Seasonable foods make up the following menus.

Low Cost Dinner
End Piece Roast of Pork
Browned Sweet Potatoes
Creamed Cauliflower
Bread and Butter
Apple Betty
Tea or Coffee Milk
