Want More Controls On Bypass

City Council went on record Wednesday night seeking greater safety on the US-31 bypass and a traffic signal at Eighth St. and Lincoln Ave. with auxiliary signal east of the railroad tracks. In addition, the speed zone was amended on 32nd St. Particularly concerned with the Eighth St. and 16th St. crossings on the bypass, Council's recommendation to the State Highway Department includes the following:

1. Establish a 50 mph maximum speed limit from the current 65 mph daytime and 55 mph nighttime limit.
2. Install a left turn arrow for north and southbound US-31 at both intersections similar to the turning arrow at M-40.
3. Erect an overhead directional sign for eastbound 16th St. approximately 100 feet west of bypass.
4. Create an additional west-bound lane on 16th St. west from US-31 to the east entrance of General Electric plant. This would provide a left turn into the plant and a second lane for through traffic.

Mayor Pro Tem Louis Hallacy who presided in the absence of Mayor L.W. Lamb Jr., pointed out that the 16th St. will carry increased traffic when the new I-196 freeway is completed. He suggested copies be sent to the sheriff's department and Grand Haven state police. It was also decided to send copies to state legislators.

Also referred to the State Highway Department is a request for a traffic signal at Eighth St. and Lincoln Ave., a subject studied many times and up to now abandoned because of a complicated rail crossing near the intersection.

The city manager's report calls for two normal traffic signals at the Lincoln and Eighth intersection and a single traffic signal immediately east of the railroad tracks to control westbound Eighth St. traffic. The report pointed to 30 accidents, one of them fatal, at the intersection in a period of less than two years.

Requests to the State Highway Department seek action as transmitted or implementation of some suitable alternative as soon as possible.

Tabled from last meeting was a recommendation to set the speed limit at 30 mph on 32nd St. from Lincoln Ave. west to the vicinity of Lakeview School where it would be 25. The action was amended to continue the speed limit at 25 from Lincoln to Washington, 35 from Washington to the Lakeview School and 25 mph west to Myrtle Ave. Beyond that, the limit is 35.

Council tabled until next meeting a recommendation to eliminate the 25 mph speed zone on East 16th St. at the old Eastview Christian School which no longer is in use. The recommendation calls for a 45 mph limit.

Council approved placing a shelter building for school children in the public right of way at 32nd St. and Morningside Dr., subject to police and building inspector approval.

A communication from the Board of Appeals urged Council to take prompt action in amending the offstreet parking requirements currently under consideration by the planning commission. The communication was referred to the planning commission.

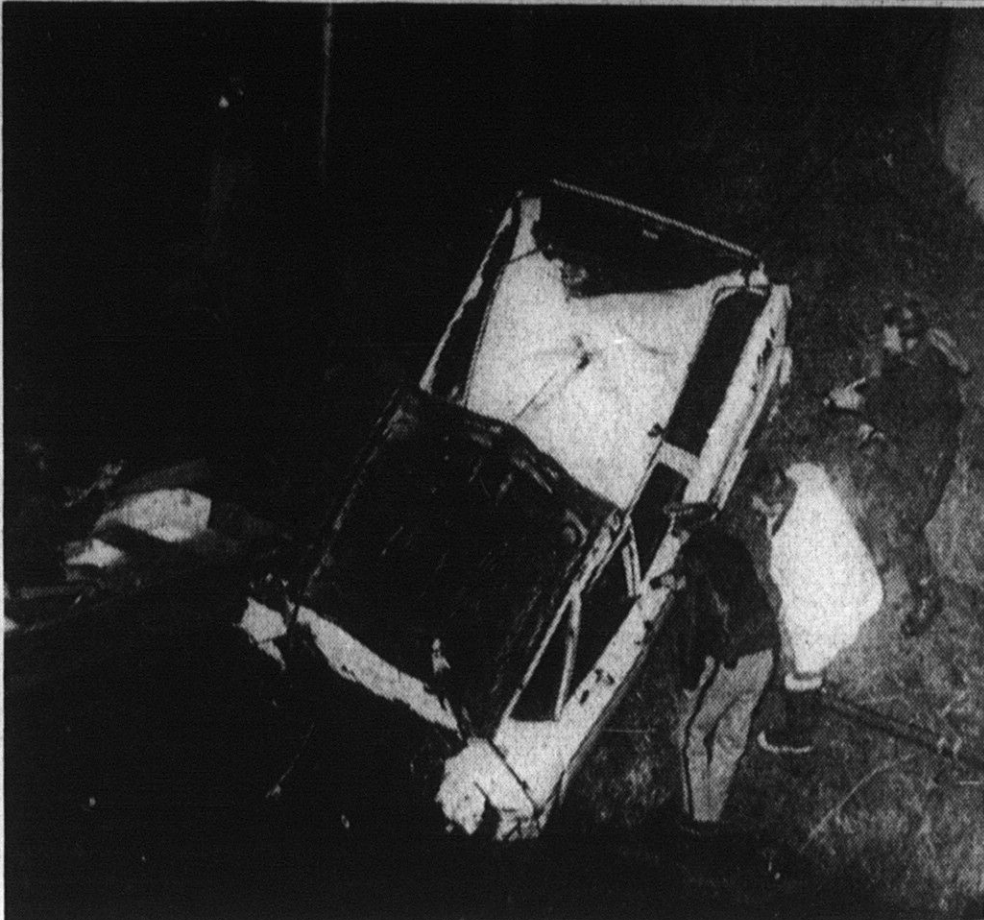

Hope Professor Presents Paper At Geology Meet

Dr. John B. Anderson, assistant professor of geology at Hope College, recently presented a paper entitled "A Glacial-Marine Model Based on a Study of the Weddell Sea" at the 1972 Geological Society of America Annual Meeting in Minneapolis, Minn.

The paper reports on the results of the 1970 International Weddell Sea Oceanographic Expedition to the Antarctic and the physical and geological oceanographic knowledge gained from the expedition. A model is presented which allows for recognition of both recent and ancient oceanographic and glacial conditions of the Antarctic as based upon the chemistry of bottom sediments and the fossil assemblages occurring within these deposits.

Efforts to reconstruct the glacial history of the Antarctic are presently being undertaken by Dr. Anderson, and Dr. L. A. Frakes and Fred Weaver of Florida State University, using this model. Such a model is of particular importance in determining prominent glacial and oceanographic conditions in poorly accessible polar regions.

Dr. Anderson joined the Hope faculty in August after completing his Ph.D. at Florida State University.

TWO KILLED — Allegan County Sheriff's deputies in boat are attempting to hook wrecker cable onto car seconds after it was pulled from the Kalamazoo River.

Gerald Harder, 20 and Charles Gleason, 43, were killed in the crash in which the car went through the railing of the M-89 bridge over the river in Allegan.

Rites Held For 2 Killed In Crash

ALLEGAN — Funeral services were held here Tuesday for Gerald Harder, 20, route 2, Gobles and his father-in-law, Charles Gleason, 43, of route 7, both killed Saturday night when the car in which they were riding went out of control, crashed through the steel railing of the M-89 Kalamazoo River bridge here and plunged into about eight feet of water.

Services for Harder were held at 10 a.m. from Blessed Sacrament Church with burial in the church cemetery and arrangements by the Gorden Funeral Residence.

He is survived by his wife, Melinda; a daughter, Jennifer; his parents, Mr. and Mrs. Harry J. Harder of Gobles; one sister, Patricia, at home and his maternal grandmother, Mrs. George Berger of rural Gobles.

Services for Gleason were at 1:30 p.m. from the Nyberg Funeral Home with burial in Hudson Corners cemetery.

Gleason's survivors are his wife, Elsie; four daughters including Mrs. Harder, Mrs. Margaret Wright of Holland, Mrs. Nancy Sherwood of Kalamazoo and Melodie, at home; three sons, Michael, John and Timothy all at home; his parents, Mr. and Mrs. Lester Gleason of Allegan; two grandchildren; three brothers, William and Robert of Plainwell and Donald of Allegan and two sisters, Mrs. Lillian Davis and Mrs. Irma Madison, both of Allegan.

Gleason was believed to have been the driver of the car and both were believed killed in the high-speed crash, rather than drowned. Force of the car's impact with the bridge structure tore off the engine and front axle. Officers said the 1965 station wagon was probably upside down when it went off the bridge.

Wages, Financing For Discussion By Christian Schools

Teacher salaries, curriculum developments and Christian education financing are among topics for discussion at the fall district meeting Thursday at 8 p.m. in Grand Rapids of the National Union of Christian Schools.

Members of the Holland Christian school board, teachers and administrators are expected to attend the meeting at the Seymour Christian school.

The school board approved the proposed development of a skill center for the Ottawa-Allegan county area. The board also approved the establishment of a Christian Schools career education committee to study course offerings, purpose of career education, the cost and grade levels affected.

Their two daughters, Mrs. James Edwards and Mrs. Karl Jorgensen, invite all their friends and relatives to share the occasion with them.

Hits Parked Car

A car operated by Alfred Koenes, 36, of 236 East 13th St., backing from a driveway, struck a car parked at curbside registered to Marcia Dela Trujillo, 28, of 4672 64th St. The mishap occurred Friday at 9:33 p.m. along 13th St. 250 feet east of Columbia Ave.

For Lake Michigan Park

County to Purchase Boy Scout Camp

GRAND HAVEN — Ottawa County is getting a new county park along Lake Michigan.

County Commissioners Monday voted to purchase the 27-acre Camp Kirk Boy Scout facility between Holland and Grand Haven for \$160,000 and to apply for a matching grant from the Land and Water Conservation Fund.

The camp grounds has 800 feet of Lake Michigan frontage, two cabins, a third partially completed and drinking water.

Commissioners indicated there was no definite plan at the moment for the park but said it would be for recreational purposes. The Boy Scouts asked that the county provide controlled youth camping activities for off-hour and off-season by special permission and request.

Camp Kirk is one of three boy scout camps operated by

the Grand Valley Council that are up for sale or have been sold as part of a proposal to streamline the council.

The commissioners heard a request from Holland to have the county establish a revolving fund for delinquent taxes. It would enable cities and schools to receive such funds immediately and not wait two or three years.

The Holland Fish and Game Club requested donations toward a project to rid Lake Macatawa of carp. Vern Edwards of the club told commissioners the Department of Natural Resources has proposed a program using a chemical harmless to man or animals that would kill off unwanted carp.

The commissioners took under study the request for \$300 to \$500.

Report Shows Welfare Of Local Latins

The Holland Human Relations Commission has published an eight page report "Latino and Anglo in Holland, Michigan". The report compares the economic, housing and educational characteristics of Latin American residents of Holland with the total Holland population.

Data is drawn largely from the 1970 U.S. census. The report indicates that about 9% of Holland residents are of Spanish descent, the majority of these persons being Americans of Mexican descent (Chicano). About two-thirds of Holland's Latino population has been living in the Holland area for more than five years.

The report also indicates that the housing, income and educational attainments of Latin American persons tends to be less than that of the rest of the community and somewhat less than that of Latin Americans in the state as a whole.

Despite these economic and educational disadvantages, there is apparently a strong family solidarity among Spanish language families. As in the Anglo population, only about 10% of households are headed by a female. This is despite the national trend for more broken homes among lower income minority families.

Copies of the report may be obtained free by contacting the City Manager's office. The Commission meets regularly at 4 p.m. on the third Thursday of each month at Herrick Library.

Two Persons Injured

Two persons suffered minor injuries in a two-car collision Monday at 5:55 p.m. at Michigan Ave. and 22nd St. Injured were Diane Ter Haar, 19, of 99 West 32nd St., a passenger in a car driven by Cynthia Jean Ten Have, 19, of 1073 East 16th St., and Muriel Suzanne Meahl, 25, of 826 West 26th St., driver of the second car. Police said the Ten Taven auto was northbound on Michigan while the Beahl car was heading east along 22nd St.

Surviving are his wife, Marie; one brother, Peter Baleiko of Douglas; three nephews, Dr. Frank Baleiko of Grand Rapids, Dr. Marc Baleiko of Naperville, Ill. and Steven of Fond Du Lac, Wis.; one niece, Susan Baleiko of Chicago.

Name Hope's Smith '72 Area Coach of the Year

A lot of coaches were in for the running of area football coach of the year but in the end, it was Hope College's Ray Smith that won in a landslide.

Smith piloted the Flying Dutchmen to their best record in 13 years this past season when Hope closed its season at Chicago's Soldiers Field with a

major in physical education from UCLA, did graduate work at the University of Redlands and holds an M. A. degree in administration from Pasadena College.

Smith, 33, was a standout football player at UCLA where he played with Billy Kilmer, now the star quarterback for the Washington Redskins of the NFL.

At UCLA, Smith was football captain, most valuable player and Athlete of the year. His two-way performances as fullback and linebacker earned him honorable mention All-American honors and berths in the Hula Bowl and East-West Shrine all-star games.

He also played Canadian football for the Saskatchewan Roughriders before an injury shortened his career.

Smith feels he has an excellent staff in defensive coordinator Russ DeVette, offensive line Coach George Kraft and defensive secondary Coach Jim Bultman.

"I wouldn't trade them for any in the conference," Smith has said. Smith's first term at Hope in 1970 won five games and lost four while last year the Dutchmen were 4-5 for all contests. Zeeland's Ken Postma was the area coach of the year last year while Wayne Tennis of Hamilton won it the year before.

Other area coaches considered for the award were Postma, who's Chix won six games this season, Bill Friberg of Allendale, who's clubs had only won two games in the past four years and Bruce Zylstra of Hudsonville.

He holds a B. S. degree with

Indians Get No Special Privileges

GRAND HAVEN — Circuit Judge Raymond L. Smith has dismissed a suit brought Aug. 2, 1971, by Donald and Jacob Anthony, Indians, the Bay Mills Indian community and others, claiming rights to Indians fishing in Michigan waters under an 1836 U.S. treaty with the Indians.

The opinion also granted a permanent injunction on indiscriminate fishing by Indians. The suit was brought by the Michigan Department of Natural Resources.

In his opinion, Judge Smith said there is abundant proof that regulation of fishing on the Great Lakes is necessary for the conservation of the fish populations now and at least for some time to come, and that more reason exists to protect the new plant and survivors so that this natural resource may be restored to the extent that modern means and purposes provides.

It was the further opinion of the court that descendants have no existing treaty rights to fish, and are subject to non-discriminating regulations in the interests of conservation.

A counter-claim of Tony Natoli also was dismissed for lack of proof.

No costs were allowed since a public question was involved.

United Fund: 98 Per Cent Of Its Goal

The Greater Holland United Fund moved to within two percent of its goal Wednesday and campaign chairman Donald Hann said the goal could be attained if everybody contributes.

Pledges and gifts amounting to \$217,000 were reported today. The goal this year is \$221,636.

Hann said three divisions — industrial, retail and professional — were over their goals. Hann praised Mrs. William Venhuizen for her efforts in bringing her division, retail, over the top.

"The goal is in sight but is attainable only if everybody contributes his or her fair share," Hann said as he urged those who have not yet contributed to send their pledge or contribution to the United Fund as soon as possible.

Collision on Expressway Injures Two Persons

Cars driven by Kenneth Ratliff, 43, of Detroit, and Karl Betz, 65, of Grand Rapids, collided along eastbound I-96 at 16th Ave. in Wright Township Sunday at 4 p.m.

Ratliff was injured and was taken to Butterworth Hospital in Grand Rapids for treatment of multiple injuries.

Ottawa County deputies said the Betz car slowed to make a right turn onto 16th Ave. when struck from behind by the Ratliff auto. Neither Betz nor his wife, Marie, 68, was reported injured.

Inservice Seminar Set Thursday

Public school students will have a half-day off Thursday afternoon for an inservice seminar for the entire professional staff in Holland High School, geared to an awareness of the cultural differences of the Latin American.

This announcement was made by Dr. Philip H. Schoo, director of curriculum, at the monthly meeting of the Board of Education Monday night in the high school library.

Events Thursday will open with an orientation at 1 p.m. in the high school auditorium, followed by a choice of five films. During a 25-minute break later, teachers will have an opportunity to examine displays and sample Latin American refreshments in the commons areas and library.

Serving on the reactor panel will be John Amaya, Delia DeLuna, Segunda Garcez, Robert Leos, Al Serrano and Frank Zepeda, moderator.

Included with the material Dr. Schoo distributed to board members were reprints of various Latin American articles, a report on the Latino and Anglo in Holland, Mich., by the Holland Human Relations Commission, a minority student report on Holland schools by Tom Carey, and a bibliography of Latin American materials available in school libraries.

In another report, James Barker brought the board up to date on the new Michigan law which provides that the special education program shall encompass ages 0-25 instead of 5-18. The law technically is in effect now but will be implemented April 1, 1973. The cordial relations between the Holland school district and the Ottawa Area Intermediate District through the years were emphasized. Some 15 to 20 public hearings are being scheduled throughout the state in the near future.

John Weeber, chairman of the buildings and grounds committee, reported that an auxiliary boiler for the high school has been ordered and will be installed in mid-January. Up to now, the boiler had not been needed.

Wednesday, Nov. 29, is the date for the bond sale of \$275,000 to finance sites for two junior high schools on East 24th St. and West 24th St. The bond sale will be advertised in the Holland Evening Sentinel and in the Michigan Investor.

A library clerk for elementary schools was approved.

The board also passed a resolution endorsing a skill center or vocational school for the Ottawa-North Allegan school area. Supt. Donald L. Ihrman remarked that the need for a vocational school was reiterated several times at reports of the mayor's goal's committee last week.

The board approved non-resident tuition for the 1972-73 school year, \$459.43 for elementary tuition and \$498.04 for secondary tuition.

President James O. Lamb presided at the meeting which lasted less than an hour. All members were present and the invocation was given by President Lamb.

Boy 'Good' After Shooting in Home

Ronny Brooks, 11, son of Mr. and Mrs. Ruel M. Brooks of 3274 Lake Shore Ave., was listed in "good" condition Monday in Holland Hospital where he was taken Saturday following an accidental shooting at his home.

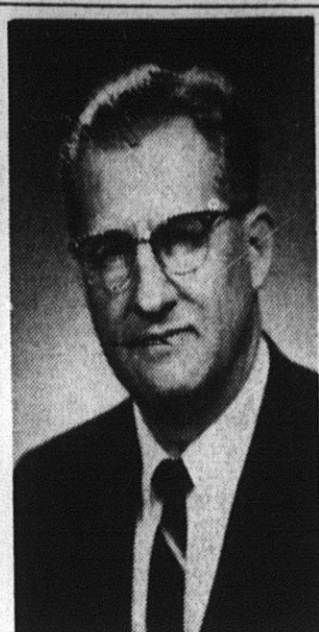

Ottawa County deputies said Ronny and a brother were playing with a 22-caliber rifle when the weapon discharged. Ronny was struck in the left arm and chest. The shooting occurred at 1:41 p.m. Saturday.

Deputies said it appeared a cartridge had been left in the gun's chamber after the clip had been removed.

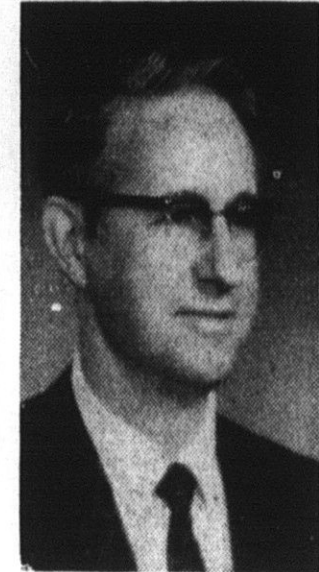

Man Injured In Alleged Assault

Thomas Westerhof, 20, of 148 South 160th Ave., suffered a cut elbow in an alleged assault by three subjects early Sunday while Westerhof was changing a tire on his car along Ottawa Beach Rd. near Park Township Airport, Ottawa County detectives said.

Westerhof was treated in Holland Hospital and released. Detectives said Westerhof told them he had stopped his car after noticing a thumping of a tire and found the tire had been slashed. He said he was changing the tire when the alleged assault by the three male subjects occurred.

Two Killed In 3-Car Collision

Two Grand Rapids area youths were killed Tuesday at 4:11 p.m. in a grinding three-car collision along M-45 east of the Grand River in Tallmadge Township boosting the county's traffic death toll to 36 this year. The figure compares with 30 killed in 1971.

Ottawa County deputies said the car in which the victims were riding was ripped apart in the crash and wreckage was scattered about a wide area.

Pronounced dead on arrival at Butterworth Hospital in Grand Rapids were Terry Kohlbeck, 17, of Wyoming, driver of the small compact car, and his passenger, Michael Osburn, 17, of Grand Rapids.

Deputies said their car was northbound on Linden Dr. and apparently failed to stop for M-45 where the collisions occurred.

Deputies said they have been unable to determine the sequence of events but said one of the cars was struck broadside. The condition of the wrecked vehicles was making it difficult for deputies to say how the collision occurred.

Injured and admitted to Butterworth Hospital in "satisfactory" condition with head, chest and back injuries, was Alice Slusser, 46, of Grand Rapids, driver of one of the other cars.

The driver of a third car, Onni Lindholm, 51, of Grand Rapids, and his wife, Ellen, 53, were treated for lacerations and abrasions and released from Butterworth Hospital.

Nanci Dykema Is Bride Of Richard R. Danburg

Miss Nanci Lee Dykema, daughter of Mr. and Mrs. Harold J. Dykema of St. Charles, formerly of Holland, became the bride of Richard Ross Danburg, son of Mr. and Mrs. Russell Danburg of Gainesville, Fla., on Oct. 23. The bride's grandparents are Mr. and Mrs. Stanley Curtis, 170 College Ave., and the late Mr. and Mrs. Louis Dykema of Holland.

The Rev. Frank Ellis performed the candlelight service at Hope United Methodist Church, Whitehouse, Ohio. Wedding music was composed by the groom's father who is professor of music at the University of Florida. He also accompanied the groom who sang two songs he wrote for the occasion. Mrs. Clarence Sprink was at the organ. Mark Dykema, brother of the bride, and Gwen Ewart, cousin of the bride, served as acolytes.

Attending the couple were Sandy Brown as maid of honor, Karmon Bont and Sal Wisner as bridesmaids, the groom's father as best man, the bride's brother, Brian Dykema and Ken Van Dyke, Sam Holland and Steve Wall as ushers.

The bride was given in marriage by her father. Her wedding gown was fashioned with a controlled skirt of ribbed organza edged with a flounce hemline of rosepointe lace. The bodice had a high banded neckline and juliet sleeves of rosepointe lace. A camelot cap held a blusher and chapel-length veil of double illusion. Her bouquet was of white roses, strawflowers and baby's breath.

The attendants wore blue and green plaid taffeta full skirt gowns with matching sashes and white bodices styled with high ruffled necklines and juliet sleeves. They wore velvet locket chokers and carried nosegays of white and blue flowers.

MINI-REPORTS GIVEN — Reports totaling over 100 pages on goals for Holland until the year 2000 compiled by the mayor's 35-member goals committee were presented in brief at a dinner Thursday night sponsored by the Holland League of Women Voters. Left to right are Mayor L.W. Lamb Jr. who appointed the committee last spring; Ab Martin, general chairman, and Mrs. Paul De Kruif, president of the League of Women Voters and one of the resource people working with the committee. Area Goals Are Presented Here

Mini-reports of the Holland Area Goals committee appointed last spring by Mayor L.W. Lamb Jr. with Ab Martin as general chairman highlighted the Regional Profile '72 gathering Thursday night in Phelps Hall on Hope College campus, sponsored by the League of Women Voters.

Some 28 official bodies and service organizations of Holland area were among the more than 300 present.

At the first meeting last spring Chairman Martin asked committee members, divided into five broad categories, to project into the future at least 25 years, or roughly into the year 2000.

There was considerable overlapping in Thursday's report and one of the overriding subjects was area cooperation with townships, counties and in some cases regions, particularly in shared government services, environment and a stricter accountability for land use.

Serving as resource persons with Martin were John F. Donnelly, Rus Fredricks, Mrs. Paul de Kruif and Dr. John Hollenbach who succeeded the late Marvin C. Lindeman. Mrs. de Kruif, president of the League of Women Voters, presided.

There were many references to Holland's 125th anniversary year, and the hope of retaining many highly desirable and unique qualities for the next 125 years. As Chairman Martin said at the conclusion, "It's only the beginning."

Mayor Lamb echoed his words, and he promised City Council would give careful consideration to the suggestions, briefly outlining that many of the suggestions already are shared or under study. He mentioned such areas as zoning, water, recreation, swimming pools, water pollution, youth commission and human relations commission.

Government Bodies
Harvey Butler, presenter, who said many meetings were held with township and Zeeland representatives, spoke of further cooperation in the fields of water, sewer, police and fire and hospital, as well as such services as library, parks and recreation, adult education, zoning and land use.

He envisioned more services in a four-township two-county region and spoke of the need of a technical school. He said while Holland's annexation program in the late 1950's was opposed by townships, time has proved the wisdom of the move, and today that part of Holland city that lies in Allegan county is Allegan county's biggest tax-

it the size and number of cars with mandatory car pooling, exhaust controls, and the need for bicycle paths.

The report emphasized the need to protect natural beauties, a goal of a greenbelt for both sides of Black River and Lake Macatawa, Windmill Island expansion retaining semi-natural qualities, development of Pigeon Lake park, continued use and development of De Graaf Nature Center and the school forest.

Leisure Time
Presented by Mrs. W. G. Winter Jr., this report dealt with cultural, recreation, entertainment and sports all related to "Quality of Life."

It outlined a philosophy based on the human dimensions, and recommended a comprehensive survey on desires and needs of people leading to community dialogue.

It recommended a public directory of all recreational and cultural services currently available, also a multi-purpose building with one large meeting room and small rooms. Also recommended was residential development of multiple units with open space between

developments for greenery and bicycle paths.

Health, Education, Welfare
Presented by John H. Van Dyke, the report pointed to the need of group services where doctors combine their practice to offer the patient various special services, the trend to prepaid dental care, and the need to unify hospital services in the area under a hospital authority working closely with area planning agencies. Many services already are being shared.

On education, new methods of financing were mentioned, along with the need of a technical school for the area. With welfare under control of the county, state and federal government, there must be constant awareness how welfare fits into the total picture. The need for more industries to employ unskilled workers also was emphasized.

M-40 OVERPASS — Construction crews have spanned the I-196 expressway with the M-40 bridge south of Holland in Allegan County in this aerial view looking north. An interchange is planned for the intersection. A bypass route carries existing M-40 traffic around the construction site to the left of the bridge and its approach. The new expressway under construction between Grandville and the existing expressway south west of Holland near 144th Ave. is expected to be open in late 1974. It will carry thru traffic around Hudsonville, Zeeland and Holland.

The Rev. Harvey J. Baas officiated at the evening ceremony in Bethany Christian Reformed Church. Ken Bos was organist and accompanied the soloist, Eugene Westra.

The bride's long gown in brocade and velvet had a Juliet neckline, long sleeves and an attached chapel sweep train. Her matching floor-length mantilla of imported English illusion lace identical to the edging on the gown. She carried a nosegay of red sweetheart roses, pink carnations and white statice.

Miss Luanne Haveman was maid of honor while Miss Vonda Van Wieren, sister of the groom, was bridesmaid. They wore cranberry velvet gowns with high-rise bodices and long full sleeves trimmed with white lace. The carried nosegays of pink carnations accented with white statice.

Dave Vork was the groom's best man while Jim Jousma was groomsman. Ushers were Tom Van Wieren and Irwin Jousma.

The newlyweds greeted guests at a reception in the Fellowship Hall of the church. Mr. and Mrs. Howard Van Wieren was master and mistress of ceremonies with Mr. and Mrs. Dan Vos as punch bowl attendants.

Mrs. M.R. Kenney Dies at Age 72

SAUGATUCK — Mrs. Michael R. (Vera Estelle) Kenney, 72, of 333 Mary St., died Sunday in her home.

She and her husband came to Saugatuck in 1947 and were owners of the Soda Lounge there until retiring in 1969.

Surviving in addition to her husband are two sisters, Mrs. Ruth Wright of Saugatuck and Mrs. A. R. (Hazel) Stewart of Watervliet; a niece, Mrs. John (Marilyn) Enright of Chicago and a nephew, Bill Stewart of Watervliet.

dants. John and Mike Jousma were at the guest book and the Misses Barb and Nancy Seven and Carole Vredevelde were in the gift room.

Following a wedding trip to Niagara Falls, the couple will live at 947 1/2 Columbia Ave.

The bride is employed in the Quality Control Department of Beech-Nut, Inc., and the groom attends Davenport College.

Services Of Annville School Will Continue

CHICAGO — The academic program at the Annville Institute, Annville, Ky., will continue for the present while further studies are made, it was decided at a meeting of the General Program Council of the Reformed Church in America here late last week. The institute care for 120 boarding students of high school age plus an evangelistic program.

Meanwhile, another ad hoc committee will be appointed to study the scope of concern including the entire 23-nominal program in eastern Kentucky. This committee will consist of nine members, five from the General Program Council, two of the Jackson county area in Kentucky, and two members of the classis Illiana of which Kentucky interests are a part.

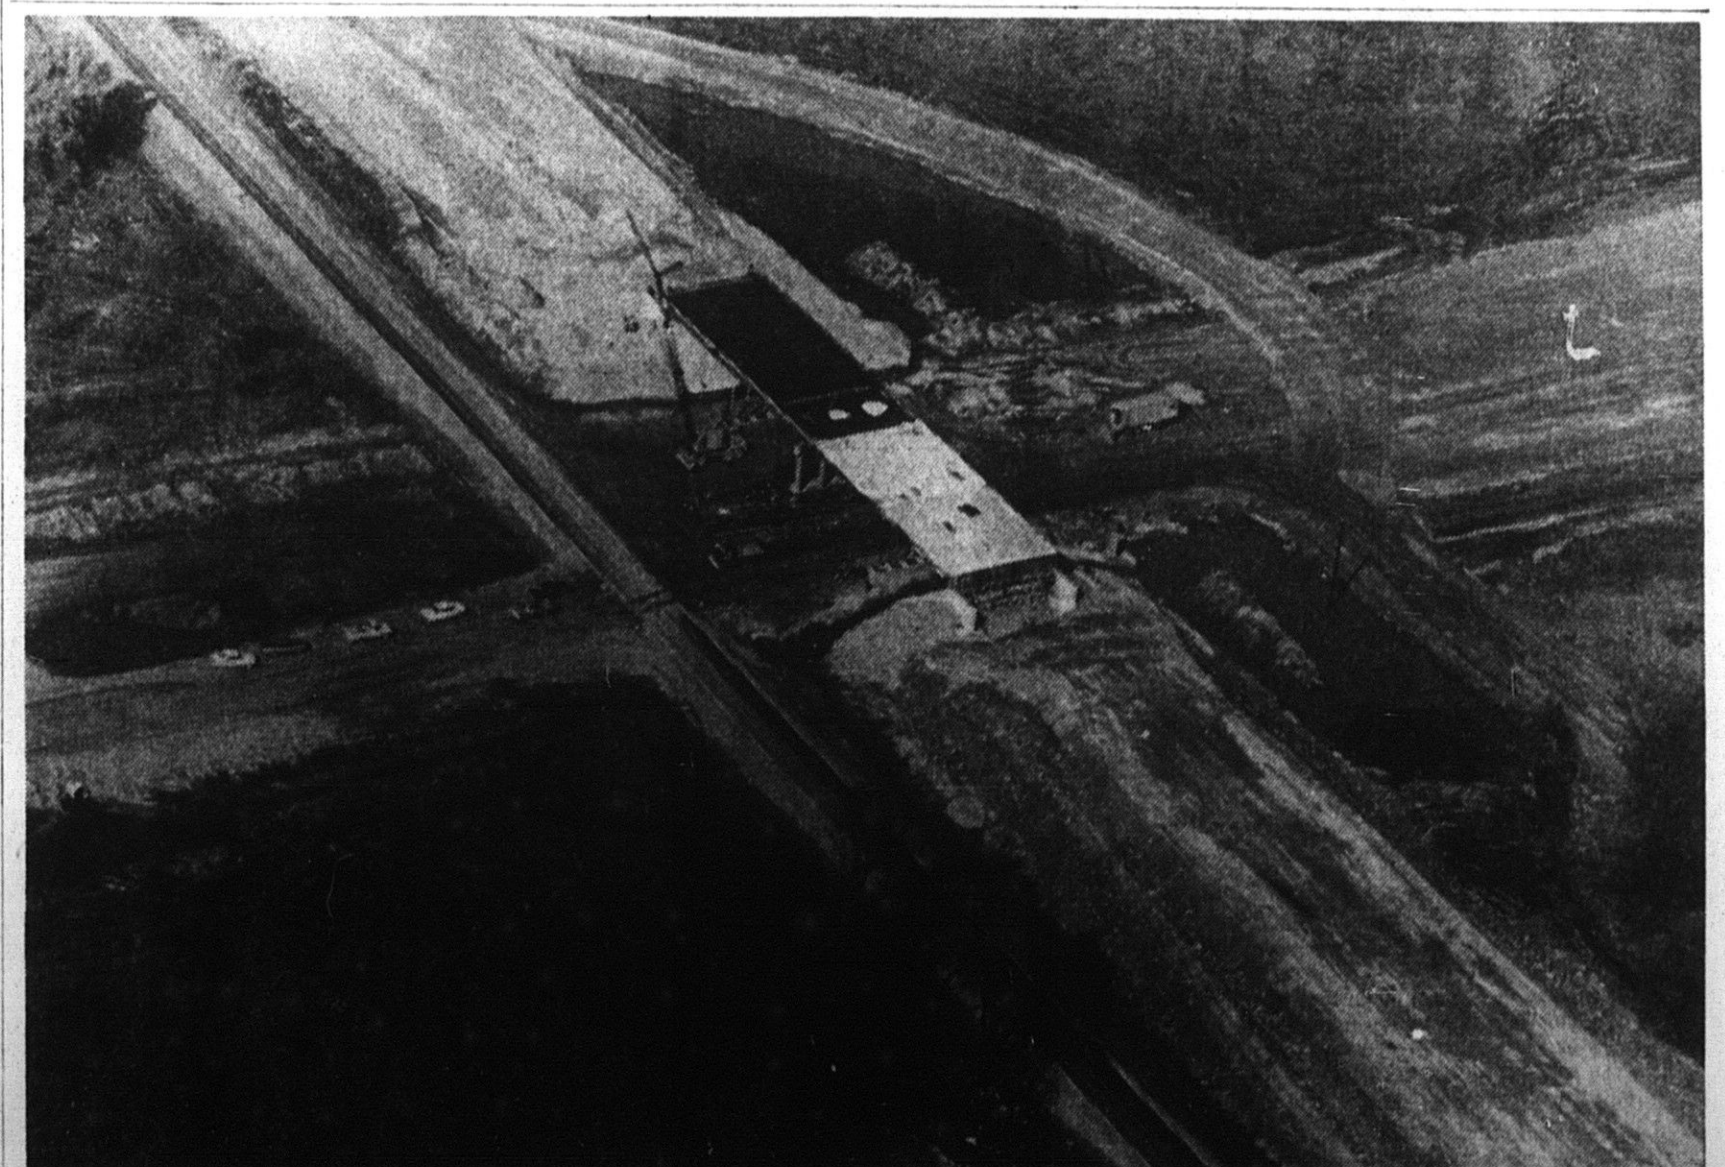

The new committee will work with the director and staff members of the Institute and with the field secretary of the Synod of Chicago, the Rev. John Maassen.

The Annville Institute staff was instructed to institute a vigorous recruitment program to minister more adequately to people from multiproblem homes and potential dropouts, and to minister more adequately to evangelistic needs.

Dr. Herman Ridder of Grand Rapids was chairman of the first ad hoc committee making the initial study which was reported to members of the General Program Council. Attending were the Rev. Henry Mouw of Holland and the Rev. John Nieuwsma of Hamilton.

FASHION AND POLLUTION

We are being told almost daily that if we don't pay attention and clean up the earth we live on we may be in for a tragic time. We are warned about the risks of polluting our water, our air and our food. We are told to reduce the noise level, to use less of everything and to abstain from the use of harmful substances.

The great enemies of a clean earth are carelessness and selfishness. Some people just don't care what they do to the environment as long as they have their conveniences and fun. Other people feel that if they can make a profit and have what they want, they could risk the destruction of the planet.

It seems to become clear, if one takes a critical look at current fashions, that those who design them and those who adopt them are not particularly concerned about avoiding pollution.

The current fashions in footwear illustrate this. Take women's boots, for instance. The thing now is for women to get from their carpeted living rooms to the snowplowed sidewalks clad in knee-high boots as though they were going to participate in Napoleon's Russian campaign. High boots are the thing and many women feel deprived if they don't have at least one pair.

Regardless of the appearance of the things, it is obvious that the use of all the materials that go into these productions, as well as the extra energy, such as electricity, that is needed to produce many things and their final disposition on the junk heap are going to add to the pollution problem. Yet manufacturers produce and advertise them and the population buys them without a second thought.

Men's shoes are going the same way. Boots half way up the leg, that serve no purpose but to disarrange the bottom of a trouser, are the style of the well-dressed man.

Certainly it is hard to say just where the limits should be on this kind of thing. But in many instances, as in the boot case, it is obvious what makes good sense and what doesn't, what is necessary and presentable and what is sheer self-indulgence. And that means that we make all decisions in light of what is good for the planet. One may find that this attitude may affect the styles of today.

One Injured In Two-Car Crash

GRAND HAVEN — Dean Odmark, 19, of Spring Lake, was injured at 7:38 a.m. today when the car from which he was alighting was struck by another car along 68th Ave. south of 1-96 in Polktown Township.

Odmark was taken to North Ottawa Community Hospital with possible internal injuries. His condition was listed as "fair."

Ottawa County deputies said Odmark was leaving a car driven by Gene Spencer, 17, of Coopersville, stopped along the road southbound on 68th Ave., when struck from behind by the car driven by Donald Jahr, 24, of Fremont.

Neither driver was reported injured.

The Threat of World Calamity
Psalm 33:13-17; Isaiah 31:1-3
By C. P. Dame

Most people know that many startling things are happening in our times. One crisis follows another. The Lord said that we would have tribulations in this world and Christians of every age have experienced this often. It is no wonder that the Bible calls upon believers to have faith in God. May the study of this lesson increase our faith.

I. God is concerned. "The Lord looketh from heaven; He beholdeth all the sons of men"—and this He does because this is His world and He is concerned about it. No one can escape His eye; He sees the external and the internal. Note the verbs, "looketh," "fashioned," "considereth." In the first three verses of the lesson text, the Psalmist directs our minds to God and His activity and in the next two he points out the folly of trusting in earthly resources.

"There is no king saved by the multitude of an host"—military resources often fail. Egyptian chariots did not stop the fleeing Israelites at the Red Sea and Gideon's small army crushed the Midianites. We live in times when nations must build up their defenses, but to trust in them is unwise. "Blessed is the nation whose God is the Lord."

II. Some people misplace their trust. "Woe to them that go down to Egypt for help"—because they did not trust the Lord. In the days of Isaiah, Assyria was the great power; it had overcome the ten tribes and it was threatening Judah. Some politicians were pro-Egypt and wanted Judah to make an alliance with Egypt. Isaiah was both a preacher and a statesman and he objected to the proposed alliance, giving two reasons—one, the folly of putting trust in mortals, leaving God out, and two, that God had forbidden His people to make an alliance with Egypt which might make them forget their deliverance from Egypt.

"Now the Egyptians are men, and not God." The Russians and the Chinese are but men too and have their limitations. Often an alliance is easily broken when gain can be easily obtained. Godliness strengthens a nation. Character counts when it comes to building a people who will take a stand for all that is high and holy.

III. God warns people. When the Babylonians besieged, Jeremiah told the leaders of Judah to surrender. God told Jeremiah to tell the people everything that He had told him and Jeremiah did, although he knew that his message was unpopular. Weak and bad leadership is costly to a nation and to God's people. In critical times, nations and the church need strong leaders who put their trust in God. In this day, our nation, facing many problems, would take a bold step if it turned to God and put its trust in Him.

RARE SQUIRREL — This albino squirrel was shot Aug. 5 at the Hamilton Dam by Bryan Sale, of Hamilton, who had the animal mounted. It was the first one Sale had ever seen and he checked with the game biologist at Highbanks, near Fennville. The biologist informed him that in 25 years he had

seen only one albino game animal, a raccoon, and estimated that the odds of seeing an albino are about 5 million to one. While the birth rate may be higher than anyone supposes, the chances of such a conspicuous animal surviving to maturity are extremely rare. (Sentinel photo)

'Dark of the Moon' Shines Bright at Holland High

By Michael Anthony
"Dark of the Moon" was shining brightly Wednesday night as Holland High successfully presented this play.

This classic American folk drama written by Howard Richardson and William Berney is set in southern Appalachia. The play retells the legend of Barbara Allen and the witch-boy John who falls in love with her. John agrees to become human in order to marry Barbara Allen.

The acting was exceptional. All the members of the cast exhibited poise on stage and were professional in the delivery of their lines.

The witch-boy John, played by

Phil Panos, was quick to take command of the stage early in the play and he maintained his dominance throughout the drama. The female lead of Barbara Allen was played by Lisa Hacker, whose performance was also outstanding.

Often the play was sprinkled with the slow wit of the Appalachian folk and the members of the cast effectively handled the humor and the accent. Preacher Haggler, played by Jim Brownson, was good as the fiery Baptist preacher of the South.

Special recognition should be given to the production staff. Holland High School's first two play production classes were responsible for the technical as-

pects of the play.

The set design for the play was simple yet impressive. Using the same set throughout the different scenes and altering the lighting, the technical crew was able to shift the mood and the setting of the play without any big scene changes.

"Dark of the Moon" will illuminate the Holland High Auditorium this Friday and Saturday night at 8 p.m.

GERMAN VISITOR — The German Motor Vessel Schirokko arrived in Holland Wed. to load 500 tons of scrap paper at the Louis Padnos Iron & Metal Co. docks for shipment to Venezuela for use in the manufacture of new paper products. The 460-foot long vessel is nine months old and designed to accommodate package, cargo and container freight. The ship is used in the Caribbean and South

American trade on regular schedules. A Holland man, James Darrow of 1275 South Shore Dr., boarded the vessel at Green Bay to act as a Great Lakes pilot for the ship. Loading is expected to be completed Thursday and the freighter is to leave for Milwaukee and additional cargo before leaving the Great Lakes through the St. Lawrence Seaway. (Sentinel photo)

Ken Bauman Gives Up Dutch Reserve Basketball Post

Ken Bauman
... Piersma praises

Ken Bauman, a reserve basketball fixture at Holland High for the past nine years, has announced today that he is giving up that position.

"I felt the kids deserved more time than I could give them," said Bauman. "That is the big reason that I'm relinquishing my duties as reserve coach. I just have too many other responsibilities."

In his nine years, Bauman had only two losing seasons, that included last year's team and the 1966-67 squad.

His 1965-66 squad paced by Mike Lawson, Steve Millard and Larry Pete won 14 games and lost only two as did the 1965-66 team led by Bob Venhuizen, Jim Fortney and John Thomas.

Before coming to Holland, Bauman coached seven years of varsity ball at Hudsonville where he won two O-K championships.

Bauman will remain as athletic director and physical education instructor. He is one of the key people responsible for adding girl sports to the Holland athletic program.

Bauman is responsible for scheduling 11 boys and seven girls interscholastic teams to keep him so busy that he had to give up something.

"Look what they did at West Ottawa," cracked Coach Don Piersma. "They made it a full time job and it is just that with all these girl sports now."

Bauman has been Piersma's right-hand man for nine of the 10 years Piersma has been head coach.

"We're going to miss him because he did an outstanding job for us. He was perfect for the reserve level with his personality."

Piersma continued "We think

alike, played together all our life and shared the same office for the last 10 years which enabled us to constantly talk basketball which was real helpful to our program."

"We're naming Don Johnson to replace Ken and will be leaving 'Tiger' Teusink at E.E. Fell as freshmen coach," added Piersma.

"Tiger" will be in charge of the whole junior high program and we feel it is real important to have good coaches at that level," stated Piersma.

Johnson, an assistant varsity football mentor, was a reserve basketball coach at Colon for the past six years. He had only one losing season during that span.

"Don is the type of guy who would coach anywhere in our system if we asked," Piersma said. And I'm happy that he accepted the job."

Requirements Reviewed For Liquor by Glass

With the passage of the referendum allowing sale of liquor by the glass in Holland city Nov. 7, City Council Wednesday night reviewed its liquor policy adopted Oct. 21, 1970, in anticipation of requests for new licenses or converting former tavern owners to full table top licenses.

The following procedures will apply:

1. All applicants, regardless of whether they are established firms previously licensed under beer and wine or new applicants for liquor by the glass, will be reviewed to ensure that they demonstrate sufficient need, as indicated in your policy.
2. All applicants, existing and new, will be reviewed to determine that they provide minimum seating capacity for at least 100 persons, have a tap room separate from the main dining room and the required square footage, adequate kitchen size and storage space, as set forth in Paragraph 2 of the liquor policy.
3. All establishments will be

carefully scrutinized to ensure that tax status and sanitation requirements are fully met, adequate parking is provided in anticipation of future customer load and buildings are structurally sound and safe.

4. All proposed remodeling or construction of new facilities will be carefully scrutinized for compliance with all Building Code requirements and all applications must be complete with sufficient documentation and data to allow this result in the staff being unable to process the applicant's request or provide adequate recommendation to the City Council.

The report further stated that any referrals received in the city manager's office will be considered on the basis of the above cited criteria and will not be processed further unless applicants fully comply with requirements.

These requirements apply both to all new and existing applicants who might want to upgrade their license to liquor by the glass.

Tolliver Stars For West Ottawa

The West Ottawa Panthers blew out the candles on Zeeland's football team Friday night by taking a hard fought 20-8 decision.

Coach Deb Nolan's Panthers got the cake in their season opening win over arch rival Holland 6-0 and sandwiched around a victory over Northview, finished the season with a 3-6 record. Coach Ken Postma's Chix who had never lost to West Ottawa in two previous meetings, ended the season at 6-3.

"I just loved it," cried Nolan over and over in the jubilant Panther dressing room after the contest, as he was drying off after being thrown into the shower by the West Ottawa players.

West Ottawa proved the O-K Red Division was stronger than the O-K White, which Zeeland belongs to, as the Panthers ended in a tie for last place while the Chix tied for second in their loop.

"It was a clean sweep for us," added head reserve mentor Doug Waldron. Waldron's Panthers downed the unbeaten Chix, 27-0 Thursday while the West Ottawa frosh topped the Little Chix, 18-8.

While walking off the field, Doug Vork, offensive and defensive end for the Panthers summed up his teammates feelings when he said, "It's just too bad that we aren't starting the season right now."

Scott Tolliver, West Ottawa's burly fullback-linebacker was the standout of the game, as he not only scored two touchdowns on powerful runs but also was a demon on defense.

Even though Zeeland had plenty of chances to score, it was West Ottawa that seemed the more fired up of the two teams on the field.

West Ottawa Athletic Director Roger Borr said, "We used the same ball as we did against Holland. We beat Holland and Zeeland and the Dutch beat Grand Haven, so I guess you could say we could be called the southwest Ottawa County champs."

The Panthers didn't win any championships Friday night but they were probably at their best in defeating a fine Zeeland club.

It looked like the Chix might blow the Panthers right off the field, as they drove in for a 62 yard scoring drive, the very first time they touched the ball.

Quarterback Jon Schrotenboer of the Chix directed his team to the score with 2:47 to play in the first period.

Fullback Doug Mast rumbled in from the three-yard line to put the Chix on top, 6-0. Schrotenboer flipped a neat conversion pass to Bill Maat to jump the margin to 8-0.

A 21-yard pass from Jeff Haltenhoff to Joe Gaskill moved the ball deep into Zeeland territory late in the quarter.

Moments later, Gaskill broke a couple of tackles to score from the eight-yard stripe with 11:51 to play in the second quarter. Scott Vanden Brink threw the crunching block on the play. With Gaskill running the same play, Zeeland's defense stopped him short of the goal on the PAT try, as the Chix held the upper-hand at the intermission, 8-6.

The Chix saw two scoring chances turn to ashes when they were stopped on the Panther two-yard line by Fred Nelis, Harry Leeuw and Gaskill and on the 25 after a fine interception by Leo Statera late in the second stanza.

"That stop by Nelis, Leeuw and Gaskill was probably the key play for us," stated Nolan and Clare De Mull, assistant coach.

Postma tried a fourth down fake punt run that backfired on his own 43 when Kurt Bennett was stopped far short by Nelis.

The fired up Panthers marched the remaining 43 yards in seven plays with Tolliver running over people to score from one-foot out. Tolliver did carry the ball five times in the drive and walked through for the PAT, as West Ottawa's fans went wild with their team on top, 14-8.

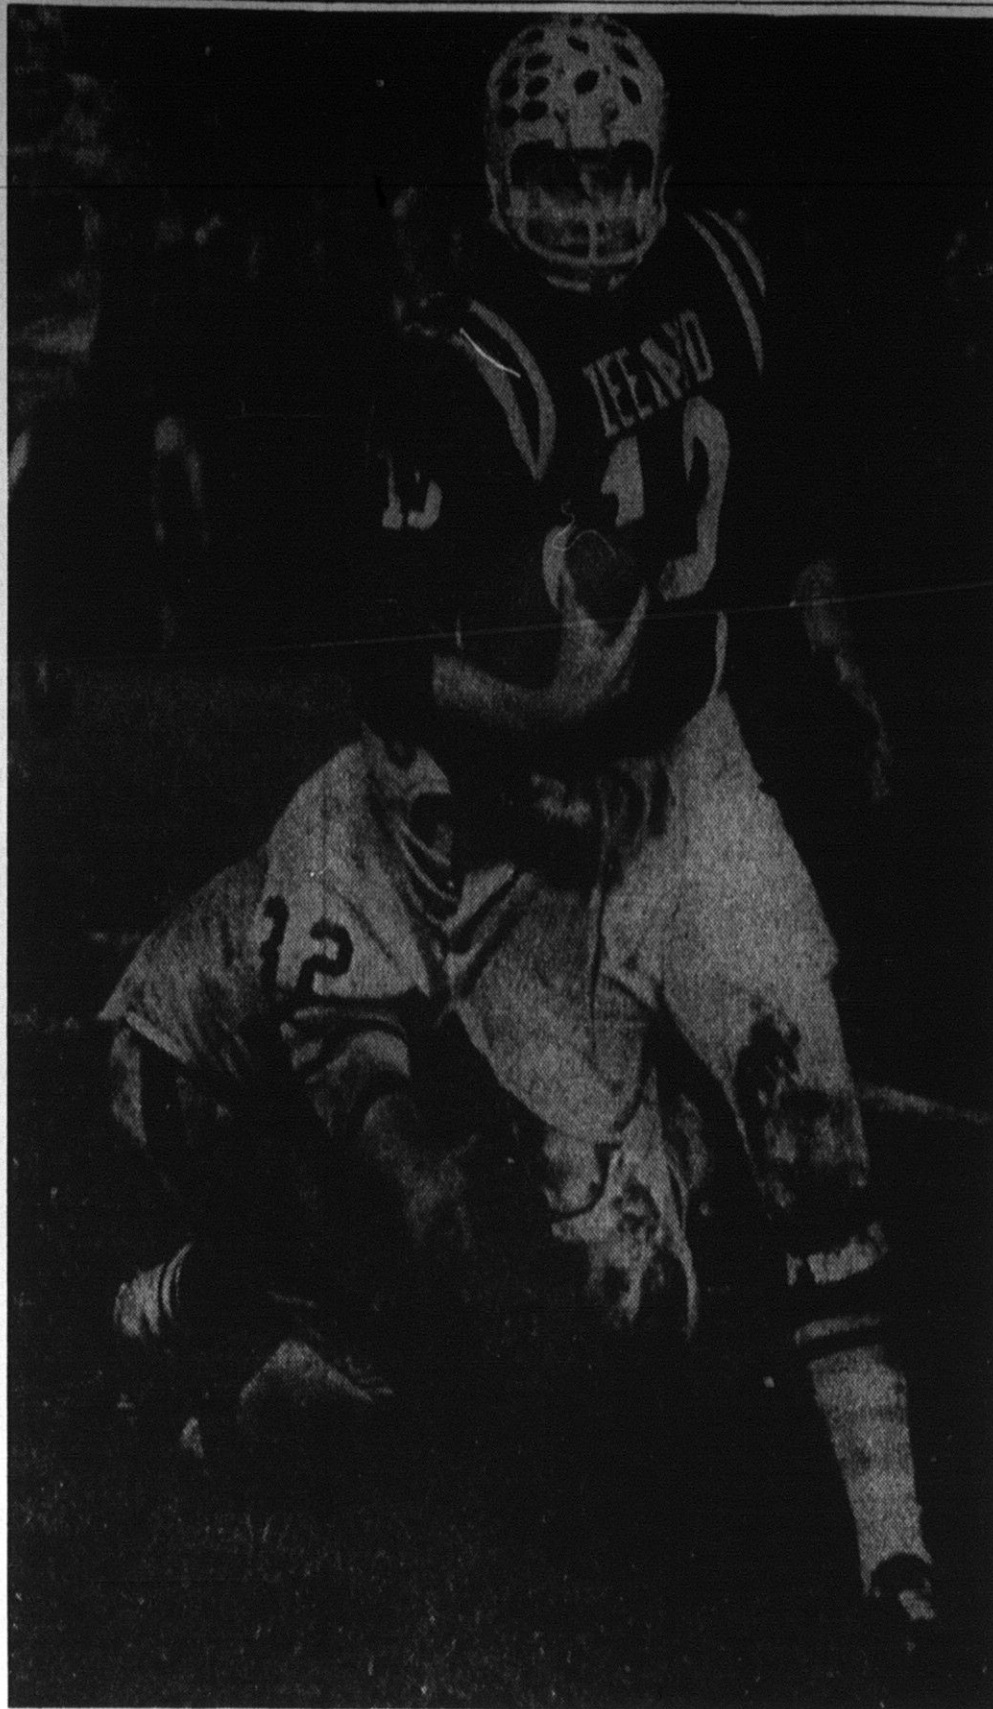

With West Ottawa's offensive line composed of center Rick Vander Meulen, guards Nelis and Scott Tardiff and tackles Mike McLarty and Derk Visser opening holes big enough for a truck to drive through, Tolliver was running like Baltimore's bowling ball fullback Don Nottingham.

A fumble slowed West Ottawa down and when it looked like Zeeland might tie the count or go ahead, linebacker Brent De Vries was "Johnny on the Spot" by intercepting a Schrotenboer pass on the 17 of West Ottawa.

Bruce Kruijthoff's long run set up the final West Ottawa score in the fourth period.

Tolliver added to the Panther lead by rolling into the end zone from the three-yard line with 3:13 left. The Chix knew Tolliver was going to get the ball but they couldn't do anything about it. Dave Bilek's kick was wide to the left but it didn't matter much as Nolan's charges had the contest all wrapped up.

The muscular Tolliver paced both teams in rushing with 93 yards in 19 tries while Gaskill chipped in with 72 in 11 carries,

RUNS TO DAY LIGHT—Jon Schrotenboer (10) of Zeeland runs for his life in Friday's football game at West Ottawa against the Panthers. About to trip up the speedy Schrotenboer is linebacker-fullback Scott Tolliver (32), who paced the Panthers to a 20-8 win by scoring two touchdowns and rushing for 93 yards in 19 attempts. according to Frank Burbana, statistician.

Schrotenboer led the Chix in that department with 77 yards in nine attempts while Bruce De Jonge had 64 in 15 cracks against the rugged Panther defense.

Tolliver also had a 46 yard sprint called back because of a penalty late in the game.

Veteran West Ottawa coach Ron Wetherbee, the only varsity head coach until Nolan came around, showed his fine character by congratulating the ex-Clare and Michigan standout for his great win in the locker room.

Anytime the Panthers beat Holland and Zeeland both in one season, it has to be considered a fairly good year.

Like Borr said, "there sure is quite a difference when you win compared to when you lose."

That it is.

Japan, Southeast Asia, the Trust Territories and the South Pacific. Chiarella will cover Mexico and South America.

Both will also be responsible for all marketing activities for the Barker Division line of poultry processing equipment in these areas.

Frocheur is residing in Zeeland and Chiarella in Holland both working out of Zeeland office.

Randy Haverdink gave Hamilton its first tally on a 34 yard run, and then followed with the extra point, to give Hamilton a 8-0 lead.

Hamilton then mounted their second score with 7:31 left in the half, as Joe Boeve jarred the ball away from the Eagles' quarterback, and Lee Becksford picked up the loose ball and scampered in from 40 yards out. The extra point failed making the score 14-0 in favor of Hamilton.

Hudsonville came back with a Dave Hesslar to Mike Nemenchek TD pass with 5:35 left in the half.

Then with just six seconds left in the half Hesslar connected with Malcott from 23 yards out for the second TD for the Eagles in the second quarter. The PAT was successful as Lou Ten Have ran over to tie the game as the teams departed from the field at 14-14.

It wasn't until 3:12 in the third quarter that the tie breaker would occur. Hudsonville's 'Ten Have sprinted past the Hamilton defenders and ran 65 yards to give Hudsonville a 20-14 lead after the unsuccessful PAT, thus ending the scoring of the game to give the Eagles a 20-14 victory.

Outstanding players for Hamilton were Becksford and Al York who did an excellent job of blocking. Haverdink, who gained 135 yards rushing for the night and totaled 1,318 yards for the season, Bruce Peters and Tom Boerigter, both with nine tackles, and Dave Volkers with seven tackles.

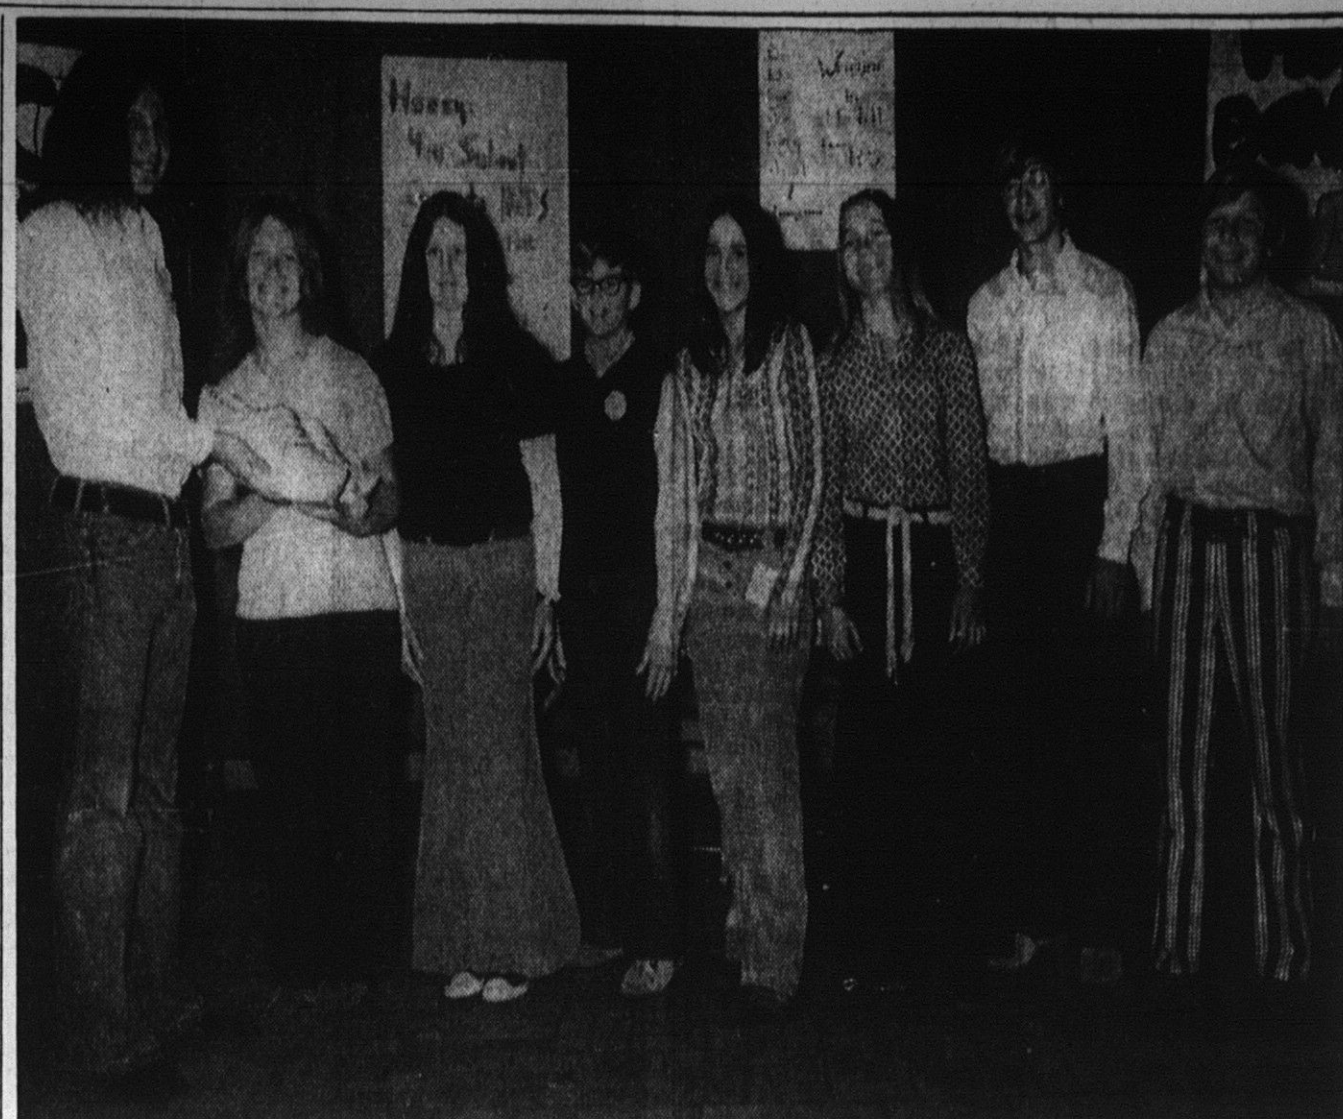

Hamilton finished out the season with a 5-4 record compared to last year's 4-4. Hudsonville completed the season just below .500 with a 4-5 record but did much better than last year's 0-7-1 mark.

Drama In Thornapple River

Local Man Pulls Couple From Car

By Paul Van Kolken
Robert W. Quintero, 28, of 198 East 13th St., driving to work in Flint at 4:30 a.m. Monday helped save the lives of a Grand Rapids couple whose car went out of control along I-96 east of Grand Rapids and landed upside down in the chilly waters of Thornapple River.

After taking the couple to St. Mary's Hospital in Grand Rapids for treatment, Quintero continued on his way to work in Flint where his employer said Quintero made no mention of the heroic deed.

Treated in the hospital were Mary Catherine Bolens, 41, and her husband, Thomas Edwin

Bolens, also 41. Mrs. Bolens was admitted with rib fractures while Bolens was released.

Reached in Flint, Quintero said he was driving east along I-96 when he saw the lights of Bolens car go out of control along the westbound traffic lane.

"The lights disappeared and as I approached I could see the lights of the car in the water," Quintero said. "I tried to flag down three or four cars but they all passed me by. Then I used my car to block the traffic and a truck driver stopped."

State Police at Rockford said the Bolens car ran through a guard rail and rolled down a 30-foot embankment and came to rest upside down in the river. They credited Quintero with saving the Bolens lives.

Quintero said he and the truck driver opened the passenger's door of the overturned car which had its wheels above the surface and removed the couple as the car began settling deeper into the waters.

The injured were put into Quintero's car and he set out for a hospital in Grand Rapids.

"I didn't know how to get to a hospital so I speeded up to try to get the police to stop me so they could lead me to a hospital," Quintero explained.

He said Bolens began directing him toward a hospital but he continued to speed and ran through several red lights "but no one would stop me for a ticket."

After bringing the injured couple to St. Mary's Hospital, Quintero continued his drive to work in Flint.

Quintero is employed by the National Advertising Co. of Flint where he installs signboards along interstate routes. He has worked for the firm since May. He has lived in Holland about ten years and has two children, Christina, 8, and Mark, 5.

ALL-AREA DEFENSE — These high school football players were named today to The Sentinel's 1972 all-area defensive squad. First row (left to right) are Don Buwolda, Saugatuck linebacker; Don Drew, Fennville tackle; and Dennis Johnson, Saugatuck tackle. Top row: Steve Kraai, Zeeland halfback; Doug York, West Ottawa end; Scott

Vanden Brink, West Ottawa halfback; Joe Gaskill, West Ottawa safety; and Dave Sall, Allendale punter. Missing from the photo were Bruce De Jonge, Zeeland linebacker; Dick Wood, Holland safety; and Paul Shashaguy, Holland end.

Three Clubs Put 4 On Scene Unit

Randy Haverdink, the greatest running back at Hamilton ever, heads the 1972 all-area football team which was selected by The Sentinel's sports staff.

Haverdink, a 5'10" 175-pound lightning quick back, rushed for 1,318 yards this season, as he paced the Hawkeyes of Coach Ron Appledorn to a 5-4 record.

"He was just super all season," said Appledorn. "We feel he's worthy of being all-state."

West Ottawa, Holland and Zeeland all placed four players on the all-area team while Hamilton and Allendale had three apiece. Fennville, Saugatuck and Hudsonville put two each on the dream unit.

The all-area defensive ends consist of West Ottawa's Doug York, a 1971 repeater and Holland's Paul Shashaguy.

York was the standout of the fine Panther line while Shashaguy could have probably started at any position for the Dutch. He played defensive end for over half the year and at line-backer for the other half.

The tackles include Fennville's Don Drew and Saugatuck's Dennis Johnson.

Drew was a standout at both offense and defense for Coach Gus Charles' Blackhaws. The 6' 220-pound tackle averaged nine solo tackles a game and is called one of the better kids to ever play at Fennville by Charles.

"Johnson can do it all," said Saugatuck's aggressive Coach Jack Lampen. "He's a good college prospect and was probably the best back in our conference along with being one of the best tackles."

Named at linebackers were Zeeland's all around standout Bruce DeJonge, another all-area repeater and Saugatuck's Don Buwolda.

Both Coaches Ken Postma of Zeeland and Lampen called their gridders "the finest" linebackers in their loops.

Tim Baker of Allendale, Steve

named at the defensive half-backs spots.

Baker was not only a standout on defense but was the leading Falcon ball carrier while Kraai led the Chix in interceptions with six.

"The Panthers' Vanden Brink was probably the most consistent player on the squad. He had a knack of 'knowing' where the ball was at all times and is called by John Van Iwaarden, "the best" griddler on the team."

Holland's Dick Wood and West Ottawa's Joe Gaskill make up the safeties on the all-area defensive eleven.

Wood not only did a banged up job at safety but played most of the way at quarterback too.

"He had an excellent year for us," said Coach Dan Porretta. "He's just a great kid and we're going to miss him."

Gaskill is called "the finest" overall player on the West Ottawa team by Coach Deb Nolan.

"Joe would do anything we asked him to do," stated Nolan. "I wished we had 33 more like him."

Gaskill played offensive end and running back along with safety for the Panthers this past season.

Ron Israels edged his teammate Ross Lamb for one end position on the all-area offensive team while 6'4" Brad Brink of Hamilton was named to the other side.

Israels not only teamed with Lamb to give Holland a fine set of ends but also was one of the better Dutch defensive backs which gave him the nod over Lamb, who only played offense.

Mike Nemecek, our all-area flanker, was the favorite receiver of Coach Bruce Zylstra's Hudsonville Eagles.

"He can catch anything near him," said Zylstra. "He not only has great hands but is a fine blocker as well."

Throwing to our all-area receivers are quarterbacks Rod Mellon of Fennville and Dave Hessler of Hudsonville, who finished in a dead heat for that position on our dream squad.

Mellon passed for over 16 touchdowns in his past two seasons while Hessler has hit on over 50 per cent of his passes including eight TD tosses this fall.

Handing the ball back to the star signal callers is center Mike Rodibaugh of Allendale.

"Mike is the best center I ever coached," said Bill Friberg of Allendale.

Fred Nelis of West Ottawa and Gary Nykamp of Zeeland flank Rodibaugh at the guard positions.

Nelis was the man that opened big holes for the Panther backs to run through this season.

"He's without a doubt, the best blocker on our team," claimed Nolan.

Nykamp played tackle most of the year for Zeeland but according to Postma, could play anywhere in the offensive line and do a good job at it.

He was also called "the best" blocker at his respective school. Big Mike Windisch of Holland and Lee Becksford of Hamilton were named at tackles.

Windisch did a good job on both offense and defense for the Dutch while Becksford is called a "real hitter" by Appledorn, a man who should know, because he was one himself in his collegiate days at Hope and Hillsdale.

Named to the backfield along with Haverdink was Zeeland's all purpose back Kurt Bennett, another all-star repeater and a two-way starter, who galloped for over 600 yards for the Chix.

We have never added a punter or kicker to our team but this year Dave Sall of Allendale stood far above the rest and we figured he was worthy of a mention.

Sall, a starting tackle too, averaged over 40 yards a kick for the Falcons and had one of 65 yards against Martin.

This year's all-area team provides explosive running, passing and blocking on offense and the toughest and quickest that is required on defense to make it one of the strongest ever named by The Sentinel's sports staff.

FIRST LICENSE PLATE — The first plate of 1973 this Wednesday went to the Rev. Gerrit J. Rozeboom, 32 Cherry St., who wasn't seeking the distinction at all. He thought the bureau opened at 8 a.m. and was there. He struck up a conversation with a man who was at the door, and soon six to 12 people appeared from their parked cars, one there since 4:15 a.m. When the door opened at 8:30 a.m. the first man in line gave a briefcase to the clerk and Rev. Rozeboom was the first to enter the license bureau at Holland Easttown. The plates are dark blue with white reflectorized letters and numbers. (Sentinel photo)

Dutch End Season With 1-8 Record

MUSKEGON — The Dutch could not take the wind out of the Sailors' sails as Mona Shores managed to score late in the football game to defeat Holland High Friday night, 25-20.

Mona Shores set sail quickly as they recovered a Holland fumble on the opening kickoff. Moving the ball 36 yards the Sailors scored after the first two minutes and 36 seconds of play. Scott McEwen took the ball in from the 14-yard line and the PAT was good.

Trailing by seven points the Dutch were eager to score and with 7:05 left in the first quarter Steve Bonnette flipped a screen pass to John Bonnette for a 15-yard touchdown. The PAT was good and the game was tied, 7-7.

The Sailors were quick to retaliate and with two seconds remaining in the first quarter, McEwen went in for another six points. However, the six points did not come so easily as the Dutch managed to hold

Mona Shores off three times within the five-yard line. The tough Holland defense blocked the PAT attempt.

Holland threatened the grid-ders from Mona Shores as S. Bonnette almost connected on a 42-yard pass play to score. The Dutch saw themselves robbed of six points as Sailor Dave Seeger intercepted the pass on the one-yard line.

The Sailors soon learned how suddenly the wind can change as Dick Wood intercepted a pass late in the first half. The Dutch capitalized on this turnover. On the first play from scrimmage they put the ball back into the air. S. Bonnette connected with Ron Israels in a 65-yard pass play that yielded six points for the Dutch with 57 seconds left in the half. A high snap from center left the Holland team without any PAT.

Well into the third quarter the Holland team began a drive that carried them 70 yards in about seven minutes and was worth seven points. The turning point of the drive was a fourth and five situation on the Mona Shores 25. The Dutch made the yardage as S. Bonnette flipped a 19-yard pass to Ross Lamb. A penalty moved the Dutch in even closer.

The sailing was clear for quarterback Bonnette as he ran in from the one. The PAT was good and the Holland team lead 20-13 with 1:17 left in the third quarter.

Action in the fourth quarter was similar to the third, only it was Mona Shores turn to score. On a tough fourth and one situation on the Holland 35, the Sailors workhorse, McEwen, provided the necessary yardage on the crucial play. The Dutch must think that he provided the Sailors with too much yardage for on the next play he was over the left tackle and quickly raced 31 yards for a score. The Sailors went for two and did not make it, so with 7:51 left in the fourth quarter, the Dutch led 20-19.

As Mona Shores kicked off it looked as if the Dutch were on their way to a score when Bruce Harrington returned the ball 18 yards to the Holland 46. However the Dutch stalled out and were forced to punt.

With 4:45 left in the game the Sailors took the ball on their own 26 yard line and in four minutes time they ground out 76 yards and the winning score. Bob Melrose passed to Scott Volkman for a big 35 yard gainer in this drive. Holland put up a real defense against the

Sailors during this drive. Several times it looked as if the Dutch had stopped the team from Mona Shores, but once again the Sailors would look to McEwen in the tight spots. He kept the Mona Shores drive alive. McEwen scored with :44 remaining in the game and Melrose ran the left end for the two-point conversion. The score stood 25-20.

This season was a tough one for Dan Porretta, Holland High's new head coach. The loss left the Dutch of Holland High with a record of one win and eight losses. This was the first losing season in seven years for the Holland team.

After the game when reflecting on the season he had this to say about his players: "They have done a good job, they were never out of any game, except Muskegon . . . They played up to their potential." The honorary captains that were elected by the players for the year were Dick Wood and Daris Delsi.

Retreat For Department Heads Held

A retreat for department heads of Holland city a day last week has brought interesting suggestions for further improvement of city services, City Manager William L. Bopf told City Council Wednesday night.

Always impressed by the high level of dedication and ability prevalent among department heads and employees, Bopf said purpose of the retreat was to evaluate operations and provide maximum exposure and benefits to any problems in the time allowed.

Bopf said it was appropriate that the retreat closely followed reports of Mayor Lamb's goals committee with considerable similarity in thought.

There was general consensus that the community of Holland is indeed above average and has much to be thankful for in not facing the same magnitude of problems in many less fortunate communities. It was stated several times that if proper concentration of resources, talents and financial means were directed toward solving problems, future problems should be manageable.

There also is a need for high quality standards of controls and enforcement in areas of environment, land use, zoning administration and the judicious use of the community's resources.

Also emphasized was proper coordination among all units of the city which represents a total of more than 1,000 people and a combined budget including debt obligations of \$15 million.

Specific areas discussed were improved telephone communications and etiquette, efficient handling of inquiries for service or complaints, centralized information area or central switchboard for general city operations, periodic newsletter prepared by municipal agencies and hopefully sponsored by civic service organizations, establishment of a service directory and periodic ads to indicate programs and services currently available.

Also discussed was the development of organizations to at superior performance, greater use of the personnel office, expansion of legal services.

Couple Exchange Vows In Thursday Ceremony

Mrs. Russell W. Schurman

Miss Marilyn K. Dykhouse, daughter of Mr. and Mrs. John Dykhouse of Wyoming, became the bride of Russell W. Schurman, son of Mr. and Mrs. Raymond Schurman, 639 Azalea Ave., Holland, on Thursday.

Wyoming Park Christian Reformed Church was the setting for the rites which were performed by the Rev. Leonard C. Bossenbrook. Mrs. Marvin Ilbrink was organist for the occasion and Mrs. Daniel Ebels, sister of the bride, was soloist.

The bride was attired in a gown of white velvet having an empire waistline with the cuffs and hem banded in satin. Venise lace and satin ribbon trimmed the neck, waistline, cuffs and hem. Her double tiered bridal illusion veil was bordered by matching venise lace and satin ribbon and formed the train. She carried a cascade arrangement of stephanotis, pink sweetheart roses, elegance miniature carnations, ivy and baby's breath.

Mrs. Daniel Ebels was matron of honor while Miss Laurene Schols and Mrs. Chris Sonneveldt were bridesmaids. They wore gowns of American beauty colored velvet with the necklines and waistlines banded by matching satin and trimmed with frogs. They carried nosegays of elegance miniature carnations, pink carnations and white pompons with pink velvet streamers.

Ross Schurman attended the groom as best man while Daniel Ebels and Douglas Schurman were ushers.

A reception for the newlyweds was held in the church parlors. Mr. and Mrs. Howard Dykhouse were master and mistress of ceremonies while Mr. and Mrs. Harvey Kruihof were punch bowl attendants.

over the stubborn Chikas, who may have played their final football game ever. The talk at the game was that they were thinking of giving up the game because of financial reasons.

Wojcicki teamed with Constant for two third period touchdowns and one fourth quarter score, as Smith was calling a play that he hadn't used since the Alma contest.

Keith Wojcik closed out Chicago-Circle's scoring with a 20-yard reception from Wilson, as the Chikas enjoyed their most productive afternoon of the season after Tancabel added the PAT.

The losers had only scored 19 total points entering the game compared to 268 for the opposition. In five of them those games, they saw nothing but zeroes on the scoreboard. Jim Ritchie intercepted two Chicago - Circle passes while Johnson had one. Mark Bot-house and Steve Schmidt each recovered fumbles.

Senior offensive tackle Bob Tiggelman said, "It was just a great thrill to play in Soldiers Field. Once you got the feel of the astro-turf, it didn't seem any different than grass."

Slickcraft Starts Third Expansion

Slickcraft Boat Division, AMF Inc., broke ground Thursday for its third expansion project in the Southside Industrial Park since opening the original plant there in 1966.

The new facility, 150 feet by 500 feet, will be located across Brooks Ave. from the existing

plant at 500 East 32nd St. and will provide space for the manufacture of larger boats and the research and development group.

City officials and company representatives took part in the event.

Slickcraft began making plywood and wood frame boats in 1954 adding fiberglass in 1955 and expanding facilities at South Washington Ave. Wooden hulls were phased out in 1960.

In 1965 land was purchased in the industrial park and work begun on a 60,000 square foot plant. An 80,000 square foot addition was opened in 1969 and a 20,000 square foot addition was completed in 1972.

In Sept., 1969, the company, founded by Leon Slikkers and his brother, Paul, was purchased by AMF Inc. and became a division of the Sports Products Group.

Today Leon Slikkers is AMF Division Vice President and Slickcraft Unit Executive while brother Paul heads the production operation as vice president.

Bob Lamer Breaks Hope Rush Record

CHICAGO—Hope College concluded its finest football season in 13 years at Chicago's huge Soldiers Field Saturday by dumping hapless Chicago-Circle, 32 - 14.

The Flying Dutchmen had many standouts in their season-ending triumph over the Chikas.

One was the quarterback-wingback passing combination of Jim Wojcicki to Gary Constant and the other was the brilliant record-breaking running of Zeeland's Bob Lamer.

Wojcicki, a sophomore from Chelsea who moved from a starting defensive back position to the quarterback spot against Chicago - Circle, made Coach Ray Smith's daring move pay off handsomely, as he fired touchdown passes of 38 yards to Dave Johnson and tosses of 64, 43 and 42 yards to Gary Constant.

Lamer rushed for 153 yards to better Greg Voss' one-year Hope College total season record by 32 yards. The Dutchman junior finished out his great year with 1,316 yards.

Constant, a sophomore from Grand Haven, has caught only 16 passes this season but six of them have been touchdowns.

"The guys proved we had a fine team today," said Smith after the game. "I had to be impressed with our season ending 6-2-1 mark. It was far better than we ever dreamed of."

Chicago-Circle which has almost 20,000 students in its school compared to Hope's 2,000, closed out the season winless with an 0-8 slate. The Chikas only win last year came over Grand Valley. However, they are a commuter college.

With around 1,500 fans watching, 1,000 of those Hope fans who traveled to Chicago to view the game in the beautiful remodeled astro-turf field, the echo of the players cheering each other on, carried all through the stadium.

Wojcicki, who replaced Bob Carlson at quarterback, because Smith was kind of scared of the Chikas' signal caller Dwight Wilson. He showed the Dutchmen he is one fine ball player too by throwing for 216 yards and two touchdowns. Ironically, Wojcicki and Carlson just traded positions. Carlson has been called by Smith, "the best" Hope defensive back in preventing the pass.

The Flying Dutchmen were wearing their own shoes and it didn't take them too long to score, as Wojcicki threw a sharp pass to Johnson to give Hope a tally on the very first time they had had the ball.

It wasn't that easy after that, even though the Dutchmen had a couple of chances to score, they were guilty of turning over the ball and the Chikas made things kind of interesting.

Wilson fired a long 41 - yard TD strike to Don August and it sounded from comments from the press box, that it was the Chikas best play of their long season.

Lou Tancabel, a soccer type kicker boomed the ball through the uprights, to deadlock the count at 7-7 to end the first period.

Lamer scored his ninth TD of the season with 11:56 left in the half from the four-yard line but Bob Miller's extra point kick was no good, as the Dutchmen took a 13-7 halftime lead

Couple Married 65 Years

Mr. and Mrs. William Steinfort

Mr. and Mrs. William Steinfort, 185 Glendale, will observe their 65th wedding anniversary on Monday.

Mr. Steinfort says he went courting by bicycle because the country roads were too poor for travel by car in 1907.

He worked at the Shoe Factory a few years, tried farming southeast of Holland and then worked for Holland Furnace Company for 12 years.

In 1929 the Steinforts moved to Denver, Colo., where they lived for six years. Their daughter, Elsie, married Peter Medendorp in 1934 and she died a year later. After six months they moved back to Holland where Mr. Steinfort worked for

the Home Furnace Company for five years and at Hart and Cooley for 12 years. After retiring from factory work he was employed by Russ' Restaurant for 14 years.

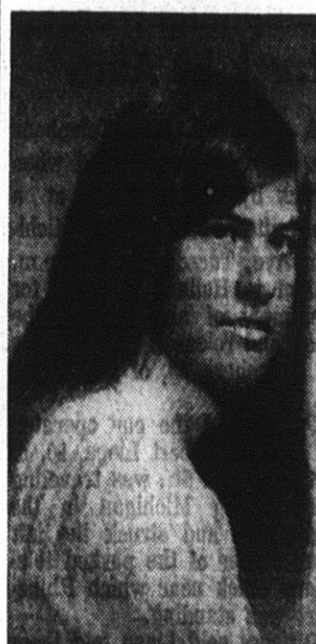

Mr. Steinfort just celebrated his 85th birthday and is in excellent health. He still drives his car in the vicinity and takes care of his yard and garden.

Mrs. Steinfort, the former Bena Lemmen, is 82 years old and does all her own housework and bakes every week.

They have been members of Holland Heights Christian Reformed for 20 years.

They will be celebrating their anniversary with relatives, friends and neighbors.

Two Injured Slightly When Car Hits Porch

Two persons were injured Friday at 11:33 p.m. when their car ran off northbound Maple Ave. and struck the front porch of an apartment on the north-west corner of 14th St.

Treated in Holland Hospital and released were Ruben Sandovel, 23, of 111 East 16th St., driver of the car, and a passenger, Edwardo Magallon, 19, of 255 East Ninth St. No one in the apartment was reported injured.

West Ottawa's "Sunrise At Campobello" Weak

By Michael Anthony

"Sunrise at Campobello" opened at West Ottawa High School Saturday night but the performance was less of a sunrise than one might have expected.

The play, which was written by Dore Schary, is one of tension and emotion. Although the West Ottawa players tried to reach the full dimensions of the play, they fell far short of the play's potential.

The drama is about the life of Franklin D. Roosevelt from the time that he was stricken with infantile paralysis until he gives the presidential nominating speech for Al Smith. The play portrays the stress and unrest which FDR and his family had to endure during these difficult years. The play also shows the courage and conviction that FDR had and his desire not to

be a defeated man.

The lead roles of FDR and his wife, Eleanor, were played by Dennis Nienhuis and Karen Jones. Their portrayal of such difficult roles was adequate for the high school production. Outstanding performances were given by the supporting actor and actress. John Beem was exceptional in his role as Louis McHenry Howe. His quick delivery of lines and his relaxed presence on stage was a boost to a sagging play. Joanne Walther playing the part of FDR's mother, Sara Delano Roosevelt, was also strong with her appearance on stage. Both Beem and Walther took command while on stage and the play was lacking when they were not on stage.

The set and the costumes for the play were excellent. The costumes were well tailored and represented the 1920's. The design and construction of the set showed a great deal of time and effort in reproducing the summer and winter home of FDR.

"Sunrise at Campobello" is a difficult play to produce and the West Ottawa Theater Department made an honest effort in trying to produce the play; however, without the strong acting necessary for a play of this particular dramatic caliber, the performance was weak.

The play will be presented Thursday, Friday and Saturday at 8 p.m. in the cafeteria.

Two Cars Collide

Cars driven by Sammy Byron Dildine, 23, of 224 Wall St., Zeeland, and Steven Allen Kruit-hoff, 18, of 88 Scotts Dr., both northbound along River Ave., collided at 12:15 a.m. today 20 feet south of Seventh St. Police said the Dildine car changed lanes and struck the Kruit-hoff car from behind.

3.2 Inches of Snow Falls in Holland

Holland escaped a good share of damage of the second snowstorm of the season which hit the midwest and eastern states for Gerald Harder, 20, route 2. Although gale-like winds from the east ripped into the area, the accompanying snow was not so heavy as originally predicted.

One inch of snow fell before 5 p.m. Monday with 2.2 inches falling overnight, according to Weather Observer Lynn P. Wheaton.

Holland's first snow of the season fell Oct. 18 and remained a day or two with a total of 1.9 recorded Oct. 19. Snowfall measured 2 1/2 inches.

Holland Falls, 26-0

MUSKEGON — Holland ran more plays than Mona Shores' reserve football team here Friday, as the Sailors took an easy 26-0 verdict.

"Even though we only won three games and dropped five, we thought our kids learned good sound football this year," said Coach Lynn Post.

The unbeaten Sailors scored on a 60-yard reserve, 40-yard pass play, blocked punt and were aided by a Dutch fumble that set up their final TD.

Rev. Wilbur Daniels Speaks at WCTU Meet

The monthly meeting of the Woman's Christian Temperance Union was hosted at Trinity Reformed Church on Friday afternoon. The Rev. Wilbur Daniels of the church had charge of the devotion and program. He presented the dangers of alcohol and what combative measures should be taken.

The business session was presided over by the president, Mrs. A. V. Kooyers. She also read a poem appropriate for the Thanksgiving season. The tea committee was composed of the

Miss Kristi Jo Nieboer Bride of Blaine K. Knoll

Mrs. Blaine Keith Knoll

Fellowship Reformed Church was the setting of the wedding of Miss Kristi Jo Nieboer and Blaine Keith Knoll Tuesday evening. The Rev. Larry Izenhart officiated and sang at the 7:30 p.m. double-ring ceremony with Gary Bruins, organist.

Parents of the couple are Mr. and Mrs. Jack J. Nieboer, 359 Roosevelt Dr., and Mr. and Mrs. Lester Knoll, 4731 64th St. Attending the couple were Miss Jill Schripsema, maid of honor; Elwood Knoll, best man; Mrs. Steve Vander Ploeg and Miss Peggy Tardiff, bridesmaids; Terry Knoll and Mike Ackerberg, groomsmen, and Bill Veldhoff and Dale Grotenhuis seated the guests. The bride's personal attendant was Mrs. William John Reading.

The bride wore her mother's gown of candlelight bridal satin with long sleeves forming bridal points and the skirt fell into a train. Her floor-length veil was secured by a camelot headpiece trimmed with medallions of pearls and rhinestones which matched two medallions on the scooped neckline. She carried an open Bible with white carnations, orange strawflowers, wheat and oak leaves.

The honor attendant was at-

tired in an olive green floor-length gown of double knit with an empire waistline accented with pearl and jewel trim. A matching camelot headpiece completed the ensemble and she carried a sheath of wheat, cat-tails, strawflowers and oak leaves.

The bridesmaids were attired similarly to the honor attendant in gold with matching headpieces and matching sheaths.

The reception was held in the church basement following the ceremony with Mr. and Mrs. John Schripsema as master and mistress of ceremonies and Mr. and Mrs. William Clark as host and hostess. Miss Karen Nieboer attended the punch bowl, Miss Mary Knoll registered guests and Miss Connie Knoll and Miss Marilee Nieboer opened gifts.

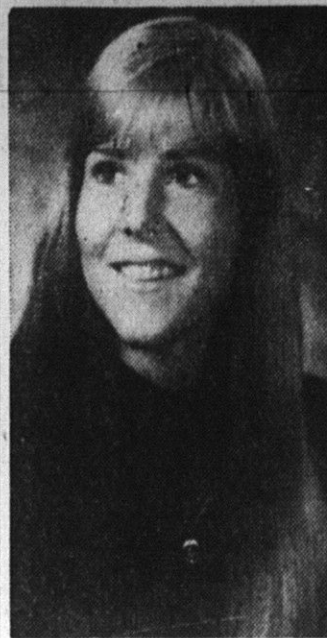

Following a wedding trip the couple will reside at 312 West 21st St.

The bride attended Ferris State College and is employed at The Holland Evening Sentinel. The groom was graduated from FSC with a degree in technical drafting and tool design and is employed at XLO Micro-

matic.

The groom's parents hosted the rehearsal dinner at Jack's Restaurant.

She was a student at West Ottawa Middle School.

Telephone Worker Struck by Auto

A Michigan Bell Telephone Co. employee was injured when struck by a car while at a work site at 29th St. and Michigan Ave. Tuesday at 5:50 p.m. Taken to Holland Hospital for treatment of abrasions of the knee and released was Thomas E. Rhinehart, 29, of 1769 Perry St.

Police said the car operated by James Herbert Liepe, 26, of 106 East 17th St., was traveling north along Michigan in the right lane and struck the left rear corner of the parked telephone truck near which Rhinehart was standing.

Officers said Liepe told them he failed to see the truck with its flashers working and attempted to swerve to the left to avoid the truck but it was too late.

New Projects Are Chosen at Meet Of Xi Beta Tau

Members of the Xi Beta Tau Chapter of Beta Sigma Phi met at the home of Mrs. R. Van Haver on Monday evening.

President Mrs. D. Rogers presided over a brief business meeting. Reports were submitted by committee chairmen.

Service chairman, Mrs. R. Hampson, presented many projects for the chapter to consider. It was voted to present a mitten tree to the Day Care Center at Christmas and also to fill a basket for a needy family. Several members volunteered to help to dress a doll for the Santos Helpers project in the Holland area. A list of needs for the Occupational Therapy Shop was distributed to the members. Mrs. Hampson will pick up and deliver the donated articles after future meetings.

City Council representative, Mrs. Van Haver, reminded the members of the All Chapter Monte Carlo Party to be held Nov. 11 at the Tulip City Rod and Gun Club. Reservations for members and guests were taken.

The cultural program from the book "Written in our Hearts" was presented by Mrs. Hampson. She read a few poems of Judith Viorst, followed with a quiz. The topic covered was "How To Get What We Want." Mrs. Hampson closed with the statement "it is only in giving of ourselves that we get what we want."

A candlelight closing ritual was led by Mrs. Rogers. Dessert and coffee was served by the hostess, Mrs. Jewel Graves was awarded the hostess gift. The next meeting will be Nov. 20 at the home of Mrs. Monroe George.

Members attending were the Mesdames Rogers, Hampson, Van Haver, Graves, George, W. Diekema, D. Bench, P. Lambert, E. Wenzel, L. Dunwiddie, P. Adams, A. Hendricks, J. Stark and D. Lightfoot.

Dennis Kleeves Listed In 'Good' Condition

Dennis Kleeves, 14, of Benthaim, struck in the head during an accidental shooting at his home Nov. 3, was listed in "good" condition today in Holland Hospital where he was removed from the intensive care unit.

Allegan county deputies said he was struck near the ear by a slug fired from a .22-caliber magnum rifle held by his brother. Deputies said the slug went through the head and came out the other side.

Total Park Use Down

Holland State Park Tops in Attendance

Holland State Park, most popular state park in Michigan this summer, is nearing completion of a project to modernize the waste treatment facility which was the object of a court suit during the season.

Park Manager Donald Ike said tile fields have been installed, a forced main is in place and pumps are to be installed as part of the \$30,476 project to update the waste treatment plant.

A suit designed to force modernization of the facilities threatened to close the park during the July 4 holiday but the park remained open when sewage was trucked to the Holland waste treatment plant.

The improvements are to be completed in March in time for the opening of the 1973 season.

Ike said attendance at the park through October this year was 1,098,478, highest of all state parks but down from the 1,218,211 of 1971. Warren Dunes State Park near the Indiana border was second and Grand Haven was third or fourth.

Ike said installation of new electrical service in Grand Haven hurt attendance at the park. Grand Haven is the traditional favorite.

Daily permits at Holland

showed an increase this year, 21,781 compared to 16,179 a year ago. Camp permits, annual permit sales and turn-aways all were down from last year. A cool summer and rainy weather were blamed for the lower attendance and permit figures.

A proposed camp reservation plan will be discussed next month by state park managers at their annual training session at Higgins Lake. Ike said a reservation system is now used by some campgrounds and parks in California and Florida.

Hamilton Man Injured When Truck Leaves Road

John Klingenberg, 67, of route 2, Hamilton, injured Tuesday at 6:15 a.m. when the truck he was driving ran off a bridge along 43rd St. in Overisel Township, was held overnight in Holland Hospital for treatment of multiple contusions.

Allegan County deputies said Klingenberg was traveling along 43rd and ran off the bridge at the bottom of a hill and landed in a ditch. The mishap occurred about 100 feet south of Ottogan St.
