WHAT CITIES IN THIS VICINITY THE SIZE OF HOLLAND HAVE BOULEVARD LIGHTS?

Battle Creek, Ann Arbor, Niles, Flint, Kalamazoo, Ionia, Muskegon, Traverse City, and even Grand Haven.

Are they prosperous cities? You bet they are!

Have they all the advantages Holland has?

They have not. Most of them are inland towns with no resorts, no harbor, no fruit belt and lack many of the natural advantages we possess.

That Headache of Yours

You may have tried a hundred remedies without relief, but have you ever had your eyes examined.

A large majority of headaches are caused by the eyes. And nothing in the world will stop them but the wearing of the right glasses.

That stops them almost at once, and keeps them stopped.

We can tell you in five minutes whether your headaches come from your eyes or not.

NEW ORDER WILL RESTRAIN SHIPPING OF PRODUCE FROM HERE

OTTAWA AND ALLEGAN COUNTIES QUARANTINED

Nothing in the Farm Line May Be Shipped Out Except Dressed Beef.

EVEN DOGS MUST BE CHAINED, SAYS STATE HEALTH BOARD

The Secretary of the State Board of Health called on the Holland City News this morning, giving us the following notice to print and have posted, which is of vital concern not alone to the farmer, but also to the citizens of Holland.

The notices are very complete in themselves and give everything in detail.

The notices follow:

Lansing, Mich., Nov. 19, 1914.

To Whom It May Concern:

We, the undersigned members of the Michigan Live Stock Sanitary Commission hereby give notice that the infectious and communicable disease known as "Foot and Mouth Disease" has been discovered in certain localities in Allegan and Ottawa counties.

Therefore for the protection of the live stock interests of the state, under the authority given us by the Live Stock Sanitary Laws of the State of Michigan, we hereby order as follows:

1. That the Township of Fillmore, Overisel, Heath, Manlius, Saugatuck and Lake Town in the county of Allegan are placed under quarantine until further notice is given by the Department.

2. That the Townships of Zeeland, Blendon, Holland, and Olive in the county of Ottawa, are placed under quarantine until further notice is given by this Department.

3. That no cattle, sheep, goats or swine, shall be driven led, hauled, shipped, or moved in any manner whatsoever, from the townships of Fillmore, Overisel, Heath, Manlius, Saugatuck or Lake Town in the county of Allegan; or from the Townships of Zeeland, Blendon, Holland, and Olive in the County of Ottawa until further notice is given.

4. That no hay, straw or similar fodder shall be shipped or moved from the townships enumerated above until further notice is given. That no hides, skins or the dressed carcasses of any calves or sheep shall be moved or shipped from the above named townships until further notice.

Dressed hogs or dressed beef may be moved or shipped from the above named townships without violation of this quarantine, or poultry may be moved or shipped from said townships, except from quarantined farms.

5. No exception to the above orders will be made, except upon the written permit of the Live Stock Sanitary Commission or their duly authorized agent, C. B. Cook, County Farm Expert, Allegan county.

6. All veterinarians and other persons are requested to report to the undersigned the existence or suspected existence of Foot and Mouth Disease, and they shall report any cattle, sheep, goats or swine showing frothing at the mouth, lameness or sore teats, or recent development and affecting several animals at the same time.

7. Any person violating this quarantine will be subject to arrest, fine and imprisonment as provided by Section 15-5641 of Act 182 P. A. 1885 of the Michigan Live Stock Sanitary laws.

Quarantine Against Dogs in Suppressing Foot and Mouth Disease in the Counties of Allegan and Ottawa. We, the undersigned Members of the Michigan Live Stock Sanitary Commission hereby give notice that the infectious and communicable disease known as "Foot and Mouth Disease" has been discovered in certain localities in Allegan and Ottawa counties, State of Michigan.

Therefore for the protection of the live stock interests of the State, under the authority given us by the Live Stock Sanitary Laws of the State of Michigan, we hereby order as follows:—

1. That all Dogs owned or kept

in the Townships of Fillmore, Overisel, Heath, Manlius, Saugatuck and Lake Town in the County of Allegan and the Townships of Zeeland, Blendon, Holland, and Olive, in the County of Ottawa, State of Michigan, shall be immediately securely chained and not be allowed to run at large from this date under the penalty of arrest and fine or imprisonment, as provided by Section 15-5641 of Act 182, Public Acts of 1885 of the Michigan Live Stock Sanitary Laws.

All hunting with dogs in these quarantined Townships is prohibited.

This quarantine shall be in full force and effect until such a time as the general quarantine is raised.

Dated Lansing, November 19th, 1914.

Signed:—

H. H. HALLADAY, Pres.

W. R. HARPER, Sec'y.

CAPPON-BERTSCH LEATHER COMPANY MAY BUILD BIG PLANT

BOONE LIVERY MUST BE TORN DOWN.

One Alderman Tries to Knock Boulevard Lights

Mayor Bosch was back in the chair at the meeting of the council last evening after being absent for many weeks on account of illness and a great amount of work was transacted with quickness and dispatch. The health rules submitted sometime ago were adopted with the exception of 2 sections. The matter of employing a city scavenger was settled for all the time by an ordinance relative to city scavenger found on page four of this issue. Several important reports were acted upon.

Motion Picture Censor Resigns
The resignation of Mrs. A. C. Kappel as a member of the Board of Motion Picture Censors was accepted by the council. There are now two vacancies on this board and the council provided that the committee on Ways and Means can fill the vacancies on recommendation of the Board itself.

Wants To Build Within Fire Limits
A petition from Joe Fabiano and Sons to build a concrete block wall under their building in West Eighth Street was referred to the building inspectors. This building is within the fire limits and improvement are limited. City Attorney Van Duren explained that Mr. Fabiano has commenced the work without permission but had been stopped by the building inspectors. The excavating is already done and if improvements are not made the building is liable to cave in.

City Patients To Be Taken To Edgewater Hospital

Chairman Prins of the committee on Ways and Means reported last night that arrangements had been made with the Edgewater hospital to have any city patients taken to the hospital for care during the next six months. This city to pay \$15 a week for this privilege. No patients will be accepted without the consent of the chairman of the poor committee, Mr. Prins, the City physician, Dr. Winters or chief of police Van Ry.

People Given Until May 15 To Make Sewer Connections

The report of aldermen Vander Ven of the special committee appointed to investigate proposed sewer connection caused considerable discussion in the council because it allows the property owners ordered to make connections until May 15 to do the work. Mayor Bosch claimed that this was establishing a precedent which would cause trouble for the council as everyone ordered to limit if given should be given in limit extension. He said the time limit if given should be given individually and not in bunches. However because of the cold weather to do the work in and this being tax collection time the council adopted the resolution which is as follows unanimously:

OFFICIAL

Holland Mich., Nov. 18, 1914.
To the Honorable, the Mayor and Common Council, of the City of Holland.

Gentlemen:

Your special committee to whom was referred the resolutions from the Board of Health relative to having certain premises connected with a sanitary sewer, beg leave to report as follows:

1st. That we have inspected the several premises therein referred to, and realize the necessity of having the same connected with a sanitary sewer.

2nd. That we have had a meeting with a majority of the owners or agents of the said premises, and have seen individually those not

present, and that they have consented to make such connections, provided that they be given until May 15th, in which to make the same, and

Your committee, owing to the lateness of the season, and that the payment of taxes is at hand, would recommend that this request be concurred in, and that said connections be ordered made by May 15th, 1915.

Respectfully submitted,
Wm. Vander Ven

Boone's Livery Barns and Takken's Blacksmith Shop Must Be Moved

Alderman Congleton in giving the report of the special committee appointed to investigate condition of the Boone Livery Barns on Central Avenue between Eighth and Ninth Streets and the E. Takken blacksmith shop adjoining, recommended that the building be declared a nuisance and ordered removed. H. Boone, sr., is the owner of the buildings. Ald. Congleton stated, that during the investigation they found that the work of the city inspector was very incomplete. Alderman Drinkwater and Vander Hill were excused from voting on the question on request as they objected making Boone move with winter coming on. The resolution which is as follows was then adopted unanimously:

OFFICIAL

Holland, Mich., Nov. 18, 1914.
To the Honorable the Mayor and Common Council of the City of Holland,

Gentlemen:

Your committee to whom was referred the matter relative to the conditions of the so-called Boone barns on Central Avenue, between 8th and 9th streets in the City of Holland, beg leave to report that we have examined these and the surrounding premises, and that your committee finds that the barn of Hermanus Boone, Sr., located on lots 8 and 9, Block 36, and the barn of Hermanus Boone, Sr., located on lot 10, Block 37, all in the City of Holland, Ottawa County, Michigan, are unsanitary, and dangerous to the public health, and that the said several buildings by reason of age and dilapidated condition, and for want of proper repair, are especially liable to fire and are so situated as to endanger other buildings and property; and that by reason thereof the said buildings are nuisances.

Your committee would therefore recommend that the said buildings be declared nuisances and be ordered to be removed within sixty days after date hereof, such removal to be commenced within thirty days, and that notice thereof shall be given to the several owners of said buildings, in writing, by serving the same upon such owners, or leaving the same with the person occupying or in charge of such building or buildings.

Your committee would further recommend that if such order is not complied with, within the time and in the manner specified, that the Fire Marshall shall see that the recommendations herein contained are carried out and complied with.

Respectfully submitted,
Bert Slagh
F. Congleton
P. Prins
Committee.

West End Citizens Object to Smoke

Alderman Vander Ven reported to the council last night that many people from the west end of the city had made objections to him in regards to smoke from the Holland St. Louis Sugar Company factories. He said that large volumes of smoke are rolling through that part of the city practically all day and night. A committee consisting of aldermen Vander Ven, Stekette and Vander Hill were appointed to investigate and see if the sugar company cannot install smoke consumers. Mayor Bosch advised them to go easy saying that there was not enough factory smoke in Holland just at present.

Boulevard System Receives Knock From Some Aldermen

When alderman Drinkwater reported that the businessmen were busy lining up the merchants to pay for the poles for a boulevard system of lighting on Eighth street and River Avenue considerable discussion arose as to whether or not the council would act favorably on the proposition should the businessmen succeed in raising the money for their share of the expenses. It is estimated that the cost of lighting each year will be in the neighborhood of \$5,000. Alderman Drinkwater stated that he was apposed to paying that much for lights. Mayor Bosch although not saying whether he was or was not in sympathy with the system asked why the council should let the businessmen spend their time and money on the proposition if the council might turn it down later. Drinkwater then stated that if the merchants are turned down they cannot blame the council, but he gave no further reason why not. However there seemed to be enough aldermen in favor of the proposition should it be submitted to the council because of the added

News from the County

HAMILTON

Ernest Filley of Grand Haven has been the guest of friends for a week.

Mrs. Gerrit Sprietsma who with her little daughter Helen spent a few days with her mother Mrs. Henry Werkman of Holland is back home.

Emma Slotman of Hotel Sherman at Allegan has returned to that city after visiting with her parents a few days.

Plenty of onion breaths are leaving Hamilton. Cars are being loaded and shipped at 29 cents a bushel.

The Rev. Wm. C. Walvoord, pastor of the Reformed church at Byron Center, has been tendered a call by the First Reformed church at Hamilton.

Mrs. Herman Brower has returned from a visit in Allegan where she was royally entertained by Miss Hattie Aldworth. While there she attended a meeting of the Allegan Treble Clef and also a meeting of their Ladies Aid Society the later meeting being held at the home of Mr. and Mrs. A. De Lano.

An addition is being built to the American Reformed church. A new basement has also been placed under the church and a new furnace has been installed. The edifice has been improved throughout making it a credit to the community and the congregation.

Hamilton is never behind. The Christmas ship has not been forgotten. The Ladies Missionary Society donated \$9 and Domino Rice went down in his pocket, watching them with \$9 more, making \$18 in all to help make glad the hearts of those poor and needy souls in that war-stricken hemisphere.

Mrs. A. G. Klompereans will entertain the Ladies Missionary Society this afternoon at her home. A special meeting was held last Thursday at the home of Mrs. Joseph Hagelskamp at which meeting the husband's were invited. It goes without saying that the men were very much in evidence as an elaborate dinner was one of the features of the occasion. Then again some wise acres has said "the way for a wife to reach a husband's heart is through his stomach." But no doubt the Hamilton men consider the meal secondary and always remember the worthy cause for which the society is intended.

WEST OLIVE

This village is still on the map but appears to have lost its reputation as a home for good correspondents like unto former years.

W. J. Babcock of Chicago spent a few days here last week the guest of his brother Chas. Babcock and family. Six weeks ago he fractured the third finger of his left hand in a proof press and was retired on half pay. He is a compositor for the Blackely Printing Co.

Mr. and Mrs. Rev. Ruse and two children of Grand Rapids are visiting their parents.

Mrs. C. Klass has been very ill for several weeks.

An interesting story is being told around here at present. An Irishman who always lived in the country was taken by a friend to see the sights of a large city. He was warned to look out for automobiles. In crossing a crowded street he came near getting struck but jumped back. Then he started to cross again and was knocked down by a motorcycle. "Springing to his feet he exclaimed "Be gorra, I didn't know that thing had a colt."—Wm. J. Babcock.

Mrs. Ola Barry of Saugatuck is visiting her brother Eli Sankey and sister Mrs. Jerome Marble.

Carle Ebel is still on the sick list from cancer. He is being attended by Dr. W. I. J. Bruinsma of Holland.

Miss Henrietta Tietz of Grand Haven is teacher of the school here. The Methodist church is without a pastor.

EAST SAUGATUCK

A new case of foot and mouth disease was discovered Friday in a herd of 42 cattle at the farm of Ben Fokkert at East Saugatuck, near Hamilton. The federal inspector was called in and it is very probable that the entire herd was killed either Friday or Saturday to prevent spread of disease as much as possible.

Since there was no new developments among the cattle in Zeeland, where a herd was killed a few days ago it was thought that the disease had been wiped out in this vicinity. But the re-appearance of the disease so close to Holland has caused much alarm and people are warned to sterilize the milk before using.

The herd of cattle shipped in to a farm in Fillmore the early part of the week which was suspected of being infested with the dreaded disease is still in quarantine but the animals as yet have showed no signs of being afflicted.

B. Bonzeaar of East Saugatuck is another Allegan county farmer who has set autumn bearing strawberries and found them fruitful and profitable.

SAUGATUCK

There will be a late car each Saturday evening on the interurban from now on. It will leave Grand Rapids at 8:40, Holland 9:55 and return to Holland, the end of its run, leaving here at 10:40.

The Musselman Grocery Co. of Grand Rapids sent a nice donation to the Steamboat Fund the past week. It will be remembered that the Judson Grocery Co. sent \$100 some time ago for the same fund.

Because so many had expressed a desire to donate work ground was broken Thursday for the new M. E. church and they are ready now for men and teams. The basement will be excavated and the wall built to the grade this fall leaving it ready for completion in the early spring.

Saugatuck, Nov. 14—Dr. Walker is soliciting funds and has already received considerable support from Saugatuck people for the improvement of a Saugatuck township highway. The Richmond road near the bayou has always been bad for the curves come on the ascent of the hills. The plan is to grade them down and to fill up the hollow after straightening the road. Property owners along the way are helping with both time and money and Commissioner Lackie will set aside a sum for the purpose. The Saugatuck township people were encouraged to do this work there is being done on the Manlius end of the road where the township is furnishing the gravel and the property owners are doing the grading and spreading it.

If a fair proportion of the plans of the Saugatuck Commercial club materialize the coming year that little village is due for a boom such as it has not experienced in many years. One of the prime movers in the plans for the building up of Saugatuck is Mr. Greenebaum, of the Indiana Transportation Co., that ran a lake vessel during the summer between Saugatuck and Chicago. While this venture has not been a brilliant money maker during the first season the officials declare they are perfectly satisfied with the amount of business and will make the boat line permanent. The company has bought the Devine interest in the Devine & Weed dock at Douglas.

The Commercial club is making plans to secure a new factory for Saugatuck, the Indiana Transportation company having promised to co-operate along this line and to help secure one. An attempt will also be made to have the United States government establish a Life Saving Station at Saugatuck Harbor as well as a federal fog signal station. Steps to secure these advantages have already been taken.

Another movement for the benefit of Saugatuck is the improvement of roads of Saugatuck township. It is planned to put to a vote of the people next spring the proposition of building a concrete road through Saugatuck township. In case it carries the township will come under the state provision whereby the township will receive \$3,400 from the state for each mile of concrete road built.

MACATAWA

The lake gale that has been sweeping over the Great Lakes the past few days has done no damage at Macatawa as far as the life saving crew there can determine. No boats have come into the harbor the past couple of days, the Puritan having missed a trip, and no smaller craft has sought shelter there. The waves have been running pretty high at Macatawa, dashing over the breakwater, but so far they have done no damage. Tuesday the storm began to abate somewhat.

Captain Van Weelden of the Macatawa Station, has received no notice as yet about closing the station there. Usually the notice comes from head quarters about Nov. 15 and the station usually closes at midnight on the last day of November. Captain Van Weelden is inclined to believe that the station will remain open during part of December this year.

A change has been made in the crew with the resignation of Peter Timmer. His place has been taken by Charles H. Meade of Pentwater.

Most of the owners of launches and smaller craft, both at Macatawa and in Holland, were early this year with getting their boats into shelter. Last year a number of them were caught by the big lake storm so that their launches were smashed in the boat houses. But this year they drew them to safety in time so that the storm could not reach them.

FOREST GROVE

Henry Yntema is erecting a building of cement blocks in the gravel pit of G. Yntema, in which he will be able to make cement blocks even in the severest weather, as it will be heated. Mr. Yntema has already made several thousand blocks, but has orders for as many more, which he will make during this coming winter.

ZEELAND

Benjamin Lugton of Hamilton spent Tuesday in the city.

The six-year-old daughter of Mr. and Mrs. Harry Van Tongeren of Zeeland was buried yesterday afternoon. The funeral was held from the home. The child died Monday.

The Rev. A. Kelzer of Beaverdam formerly pastor of the old Van Raalte church in this city, has declined a call to the Christian Reformed church at Harderwyk.

Mrs. John Van Kley of Zeeland entertained a number of her friends from Holland at her home Thursday night. Refreshments were served and all reported a fine time. Those present were the Misses Jessie Yntema, Hattie Reimink, Jennie Tierman, Cornelia Klosterman, Sadie Lanting, Jennette Schutt and Edith Schutt.

Isaac Ver Lee, formerly of Zeeland, and of recent years, residing at Denver, Colo., was united in marriage to Mrs. Elizabeth C. Stuit of the same place on last Thursday evening by Rev. I. Van Dellen, pastor of the Chr. Reformed church of Denver at the parsonage. Mr. Ver Lee has been engaged in business at Denver ever since going to that city from Zeeland several years ago. The bride is head nurse at the Bethesda Sanatorium in that city.

The first session of the South Ottawa Teachers' Association for the year 1914-1915 will be held in the assembly room of the Zeeland High school on Saturday, Nov. 21 at 1:30. The association will organize for the year, election of officers held and an interesting musical program be given. The address of the afternoon will be given by Professor M. J. Hoffman of Hope college. Mr. Hoffman's address will be "The Bearing of Oxford Experiences upon Educational Work."

HOLLAND TOWN

Word was received here Monday that Mrs. C. J. Dahlgren, daughter of Mr. and Mrs. Edward Brook, living just north of Holland, had been struck and killed by a train in West Springs, Ill. No particulars could be gained as to how the accident happened.

Mrs. Dahlgren is 34 years of age, and leaves a husband and a daughter nine years old, besides her parents in this city and one brother and sister.

Mr. and Mrs. Brooks took the midnight train from here to West Springs and their daughter Dorothy followed them on the morning train. The funeral very probably will be held at West Springs where Mr. and Mrs. Dahlgren have made their home for several years.

On December 12 a civil service examination will be held at the Holland postoffice for the purpose of securing a candidate for rural mail carrier at Berlin, Ottawa county. On the same date similar examinations will be held in Grand Haven and Coopersville. Those who pass the examination will be eligible for appointment to other vacancies as they may occur on rural routes at Postoffices in Ottawa county. For that reason it is important that all who contemplate entering the mail service should take this examination at that time. The compensation of a rural carrier is based upon the length of the route and ranges from \$484 to \$1200 a year. The age limit is from 18 to 55, but the maximum age is waived in cases of persons honorably discharged from the United States naval or military service. Full information in regard to the examination in regard to the examination can be obtained at the local postoffice.

LAKETOWN

The last regular meeting of Laketown Grange was held Saturday afternoon with the following program: Song Grange Recitation—"Autumn" Edw. Bernard Paper—"How the Grangers are helping the University Hospital at Ann Arbor" Miss Grace D. Miller Select Reading Anna Lundberg Five Reasons why I believe in the Grange Mrs. E. N. Ebbeson Reading Master Jos. Harvey Following the program there was an apple guessing contest and apple show in charge of Ralph Miller. Everyone present was given a piece of apple pie.

NOORDELOOS

Phil Heyboer is minus an overcoat. While attending the Raak-Madderm wedding recently, he noticed when ready to return home that his top coat was missing. Phil wouldn't care if it was spring but with a good old hard winter coming on, backed by good old hard democratic times, he would be obliged to the person who appropriated by mistake and ask him to return it and no questions asked.

HARLEM

Herman Meppelink claims the record for geese hunting. Friday morning near Harlem he bagged an eleven pound goose.

FILLMORE

Federal Inspector E. J. Cary has made another inspection of two herds of cattle owned by the Kleinhessel Bros., at Fillmore and altho one or more of the animals showed faint signs of the hoof and mouth disease, the herds will be kept in quarantine until another inspection is made.

The herds number thirty-seven cows and swine.

The herd of forty-two cows and twenty swine which were condemned by Inspector Cary on the farm of B. Fokkert at Fillmore last week were slaughtered and buried yesterday.

H. M. Wolters of Fillmore township has raised what he believes is the prize radish in more ways than one. In the first place its size is record breaking, since it tips the scales at exactly five pounds and ten ounces. It is of the White Spanish winter radish variety. Some very large specimens of this variety have been grown, but never one, so far as known, that came to nearly six pounds.

The shape of this particular radish is also out of the ordinary. It looks very much like a fat, dressed chicken with the head cut off. The radish was grown on a farm four miles south of Holland. Mr. Wolters has grown many radishes averaging from two to four pounds.

H. M. Wolters, the Fillmore farmer who exhibited a radish in the Sentinel office weighing nearly six pounds has been outclassed as far as weight is concerned. A Grand Haven man named Eddie Aiken has come forward with a radish, also of the white Spanish variety, that weighs nine pounds and twelve ounces. It has been on exhibition in Grand Haven for some time.

The Wolters radish did not claim the prizes however on the score of weight alone. It was a rather wonderful freak in shape. As stated before

it looked so exactly like a fat dressed chicken that from a short distance away it was easily mistaken for that.

BORCULO

H. Sturring aged 24 of Berculo, brother of John Sturring of this city died one hour after an operation at the U. B. A. hospital in Grand Rapids Thursday. He had been ailing for some time and his doctor Masselink and Rigerink advised an operation. He was taken to the hospital Tuesday by his physicians and his brother John of this city. During the operation it was discovered he had cancer of the stomach. The funeral was held Monday at Berculo.

HUDSONVILLE

The Reformed church at Hudsonville has a church building of its own through a contract with the Rev. Mr. Drew, who deeded the structure and the horse sheds to the organization on condition that it pay him \$10 per month during his lifetime and upon his decease the property reverts to the church without any incumbrance.

PINE CREEK

Peter Hamelink, a Pine Creek farmer, has suffered the loss of two horses valued at \$300 within a month.

JELLE VEENSTRA GETS JUDGMENT OF \$4,943.50 IN FIRE INSURANCE TRIAL

The famous case of Jelle Veenstra vs. The Farmers' Mutual Fire Insurance company finally came to a conclusion Thursday night after a three days' trial in the circuit court in Grand Haven. The jury returned a verdict in favor of Veenstra granting him a judgment against the insurance company of \$4,943.50 and the costs. The case went to the jury late in the afternoon. This is considered a victory for Mr. Veenstra since he

was suing for the sum of \$5,000.

The case was the most interesting civil case that has been tried out in the Ottawa circuit court for a long time. This was the third time it was tried, and unless the company appeals it, the matter is not at last closed, after having been dragged along since 1912 when the building of Mr. Veenstra burned on which he had insurance in the company.

FEDERAL INSPECTORS TO SPEND A WEEK THERE TO CON- QUER FOOT AND MOUTH DISEASE IN FILL- MORE

Lansing Report Says the Epidemic
Has Already Cost Some Two
Million Dollars.

New traces of the hoof and mouth disease have been located among the herds of cattle in Fillmore township and federal and state inspectors will spend a week in this vicinity in order to cover the ground thoroughly.

The two herds of Gerrit and Henry J. Kleinheksel, which were recently placed in quarantine, will most likely be condemned, as one or more of the animals have shown symptoms of the disease. Another herd of cattle owned by J. Schipper in that vicinity is being closely watched.

The herd of Benjamin Fokkert, of nearly 60 head of cows and hogs, was slaughtered and buried yesterday.

A dispatch from Lansing says that the epidemic among American livestock has already cost the federal and state governments more than \$2,000,000. And this sum does not begin to cover the entire loss suffered as a combined result of destruction of property, interference with commerce in stock and fodder and disturbance of the feeders' plans for the winter.

Such are conclusions of Dr. Ward Giltner, bacteriologist of the experimental station of the Michigan Agricultural college, and his associate, Dr. E. T. Hallman of the bacteriological department.

FOUR COLLEGE PROFESSORS LEAVE SLUMBERS TO IN- TERUPT CLASS PRANK.

Five Boys Put Banner on Chapel
Steeple; So Noisy About It
They Wake Instructors

In president Vennema's ultimatum five boys of the 'A' class figure most prominently. These five boys were caught in the act of fastening the flag to the steeple and it is up to them to see that it is taken down. They will not be allowed to take it down themselves but according to their own version they must hire a carpenter to do the work.

At about 3 o'clock yesterday morning the five boys in question assembled at the chapel and with the aid of an extension ladder they got on the roof. They then dragged their ladder over the roof to the steeple, and as four boys held the ladder one climbed to the top of the steeple and placed the class banner there. The work took close to 2 hours and was a risky piece of business. But the students' plans did not work out as well as they had figured. They disturbed one of the instructors who called up another college official and told him what was going on. The two roused two other instructors out of their morning slumbers, and the quartet of professors stood ready to receive the boys as they came down the ladder, according to the story of the victims themselves.

DOCTORS FEAST WILL BE HELD DURING DECEMBER AT PANTLAND OR MOR- TON HOUSE

At the regular meeting of the Ottawa County Medical society, held Tuesday afternoon in the city hall, it was decided to hold the annual banquet of the society in Grand Rapids at either the Pantland or the Morton House hotel sometime during December. The exact date has not yet been decided upon. The committee appointed to arrange for the banquet and set the date and place, is Dr. H. J. Poppen, of Holland, Dr. M. A. Kassaban of Coopersville and Dr. E. P. Brown of Spring Lake.

Dr. Peter Fisher of Hamilton was elected a member of the society Tuesday.

Dr. J. J. Mersen of Holland and Dr. E. B. Brunson of Ganges read interesting papers at the meeting. Dr. G. H. Thomas of Holland who was scheduled for a paper was not present Tuesday.

A double marriage ceremony will be performed Tuesday afternoon, December 1 at 2 o'clock at the home of Mr. and Mrs. Gerrit Harmsen, 208 East Eighth street, when their daughter, Flossie, will become the wife of Dale Taylor and their son Frank, will become the husband of Miss Marie Verschure. The friends who have been invited to the ceremony received two invitations in the same envelope, the one having been printed in the regular form, while the other was printed on a card. The announcement on the card bore the message, "Same date, place, residence and time."

FOOTBALL AMONG OLD TIMERS NOT SO POPULAR AS LAST YEAR.

Instead of practicing on the regular practice grounds near the Graham and Morton boat dock, the High School Alumni football team will meet in room 101 High school building for the purpose of organizing. This evening practice will be resumed near the boat dock.

Considerable difficulty has been experienced in getting alumni men out to practice this year and it is very probable that some 'ringers' will have to be put into the lineup. Coach Drew of the High school has given Capt. Van Putten permission to go ahead and get a team and if the alumni men do not show up tonight or tomorrow night, other men will be put in their places.

It seems that in the game last fall many of the old time stars discovered that they no longer were in the constellation of football and are not anxious to attempt the game again. It is practically assured that Lovell McClellan will be here from M. A. C. and Ned Lacey will probably come.

MEDALS ARE HANDED TO WIN- NERS OF SEMINARY TOURNAMENT

Although the actual playing of tennis of the Seminary tournaments ended some weeks ago, the season found it culmination only Tuesday, when at a meeting of the Athletic association, the medals were awarded to the winners. This being the first event of the kind in the history of the Seminary, Dr. J. W. Beardslee, Sr., was requested to make the speech of presentation. The doctor expressed his pleasure in having the courts at the disposal of the students so that they might develop physically as well as mentally and spiritually during the courses at the seminary. He then congratulated the winners and gave the medals for the singles to L. Hekhuis and H. V. E. Stegeman, respectively, and for the doubles to R. Meengs and L. Hekhuis. It was particularly fitting that Dr. Beardslee should take the most prominent part in this ceremony, since the seminary is indebted to the Beardslee family for the excellent tennis courts which furnished opportunity for this successful season.

RIVER AVENUE MERCHANT IS SCOURING THE COUNTRY FOR TURKEYS

If Harry Padnos, the River Avenue Clothing merchants, has his way there will be few turkeys left anywhere on the farms in the vicinity of Holland when Thanksgiving Day comes along. Mr. Padnos is having his troubles getting a sufficiently large number of the Thanksgiving birds to supply his customers. But he is doing all he can to corral all the birds he can lay his hands on, and when the great festive day comes along he expects to have enough birds to go around and to spare.

Last year Mr. Padnos made considerable of a hit by giving away turkeys with purchases up to a certain figure and he had decided to repeat that experience this year.

Grand Haven and Spring Lake Friends Boost "Concrete" Con- nelly for Next Spring Election

Friends of Wm. M. Connelly in Grand Haven and Spring Lake are booming that individual for a place on the Ottawa County Road Commission at the next spring election. This came to light unofficially Monday afternoon after a talk-it-over meeting among some of the county's biggest road men.

Since the completion of the first half mile of the proposed Grand Highway, the name of Connelly has been a synonym for good roads. "Concrete" Connelly, he has already been dubbed for his endless arguments in this type of road building. He can convince the average road commissioner that the concrete road is much cheaper than any road built; can reel off the figures to a cent in the cost of one or thirty miles of the pavement, and it apparently untiring in his efforts to push the Grand Highway project on to a realization.

That home missions in the Reformed church are fast coming into their own is shown by the appointment of a third missionary for the three classes of that denomination in Michigan. The missionaries now comprise the Rev. A. Van Arendonk of Grand Haven, the Rev. John Van Westenburg of Grand Rapids and the Rev. G. De Jonge of Zeeland and the fields under their supervision consist of fifteen churches.

WOMAN'S LITERARY CLUB DIS- CUSSED WOMAN'S SUFF- FRAGE

Able Papers Read On Themes of
Vital Importance to the
Society Today

The general subject of Tuesday Woman's Literary club program might be stated as the work for the woman of yesterday and of today. Mrs. Dregman gave the call to arms when she read, "The Woman's Challenge." Mrs. McBride followed this with a paper on "Suffrage for Women." Plato was the first man to acknowledge that woman was in any wise equal to man.

There are certain things that can be done better by men; others equally important, that can be done better by women; still others that can be done equally by both.

Sixty-six years ago last summer, the first woman's rights convention was held in New York. Mrs. Stanton and Lucretia Mott were two of the chief speakers at this convention. Equal wages, the right of a married woman to conduct business in her own name, and the right to vote were some of the things discussed. Soon after this, in 1865, Matthew Vassar opened a college for women. Others soon followed.

Mrs. McBride gave her tribute to Lucinda Hinsdale Stone, whose centenary has lately been observed. The subject of woman's suffrage has been brought forward in every country except Turkey within the last two years. Several states in the last election granted women the right to vote. Where this right has been granted for some years there has been no agitation to return to the old system of voting.

Chicago is the largest city which grants women the right to vote on other than school questions. Now that women have the right to vote there much more attention is paid to their wishes than formerly. For instance Mary McDowell had long complained about the garbage disposal system and had studied the method used in Europe, but little attention had been given to her. Now that the women can vote, the mayor has declared that Chicago's garbage disposal system is very bad and has \$10,000 laid aside to be used in improving it.

The discussion which followed this paper indicated that many of the club members are in favor of woman's suffrage. At least, those who were against it, did not speak. When the president asked those to rise, who had voted in the last school election, nearly everyone stood up.

Mrs. Klassen pleased the audience with two songs. One was a lullaby from the opera of "Jocelyn." Miss Girard accompanied Mrs. Klassen on the piano.

The last number on the program was a paper on "Eugenics" by Mrs. Whitman. There are few normal children who have feeble-minded parents. If all were well-born there would be no need of asylum and poor houses. The notorious Jukes family was given as an illustration of what bad heredity will do. On the other hand, all the descendants of Jonathan Edwards have been famous or at least an honor to the communities in which they live.

The Graham and Morton steamer Puritan arrived in Holland harbor about 4 o'clock Tuesday afternoon after being laid up by the storm at Benton Harbor since Sunday night.

HOPE COLLEGE

President and Mrs. A. Vennema of Hope College entertained with a faculty reception Thursday at their home on the college campus for the members of the faculty and the Western Theological seminary and their wives. About 50 were present. Miss Evelyn Metz of the School of Expression gave a few readings and Mrs. Milton J. Hoffman rendered two vocal solos.

Letters have been received from Alma College advising Hope that Alma College has accepted Hope's debating question, "Resolved, that the United States should subsidize her merchant marine." Olivet college, the third party of the triangle, did not take this subject but as the majority are in favor, the question will be the above. The debate will take place in April, the first week after the Spring vacation.

The following list of prizes to be awarded the winners at the close of the school year are announced in the new college catalogue recently issued: George Birkhoff, Jr., English prize, \$25, junior class, Tennyson; Dutch prize, \$25, senior class, "De St. Nikolaas Avond;" Mrs. Samuel Sloan of New York, foreign mission prize, \$25, "Pan-Islamism;" the Van Zwaluwenburg domestic prize, \$25, "Hull House;" Henry Bosch prize of \$15 and \$10 for the two best examinations in English grammar and orthography, open to the C class; the two Southland medals for the highest standards of scholarship; the A. A. Raven \$50 prizes in oratory and the Coles' \$50 prizes in debate.

The annual faculty recital of the Hope College School of Music will be held this evening, November 19, in Winants chapel. This will be the first public appearance in Holland of Mr. Cress who has charge of the piano department. The faculty will be assisted by Miss Evelyn Metz of the School of Expression. There will be no charge for admission and the public is cordially invited. The concert recital will begin at 8 o'clock sharp and the doors will be opened at 7:30.

Bright and early yesterday there assembled a band of "A" class men of Hope college on the campus, and after several moments of struggling, a blue and white banner was floating from the highest point of Winants chapel. The "B's" expecting that an affair of such a nature would take place, also assembled their forces, but arrived on the field too late. The banner bears the words "Hope College, 1919, Preparatory." It is fastened to the ball of the steeple with wires.

Yesterday all of the "A" class members appeared in chapel wearing new sweaters purchased through P. S. Boter & Co.

Much enthusiasm was aroused. The "B" class omitted all classes yesterday, but were unsuccessful in their attempts to haul down the banner. President Vennema has given the "A's" until sundown this evening to take the banner down.

Passed Scavenger Ordinance

The matter of hiring a city scavenger, which took up so much time of the council this year because of conflict with the Board of Health was settled for some time to come by the passage of the following ordinance without any opposition last night:

OFFICIAL**ORDINANCE No. 310
AN ORDINANCE RELATIVE TO
CITY SCAVENGERS****THE CITY OF HOLLAND ORDAINS**

Sec. 1. The Common Council shall annually, on the first Monday of May appoint one or more persons as City Scavengers, as hereinafter provided, and no person shall engage in or carry on the business of a scavenger, or collect and dispose of any garbage, excrement, and refuse in the city of Holland, unless so, duly appointed.

Sec. 2. Every person appointed as city scavenger, shall give a bond to the City of Holland in the sum of one thousand dollars, with two or more sufficient sureties, to be approved by the council, conditioned upon the faithful performance of the work and duties required of him, by the ordinances of the city and the rules and regulations of the Board of Health.

Sec. 3. The Board of Health shall annually, in the month of April, advertise for bids from persons desiring to be appointed as city scavengers. Such bids shall describe the territory or part of the city in which such person desires such appointment, if less than the entire city, and what part of the work he wishes to carry on, if less than all that is required by this ordinance and the rules and regulations of the Board of Health, and shall state the price in the usual units. The price for garbage, excrement and refuse shall be stated separately, and may also be stated to cover for all, if the bidder so desires. The Board of Health shall report all such bids to the Common Council, with its recommendation thereon. The right shall be reserved to reject any and all bids.

Sec. 4. It shall be the duty of such scavenger or scavengers to collect all garbage, excrement, or refuse in the city, or such route as is designated to them, and to dispose of the same as the Board of Health may order and direct.

Sec. 5. The price shall be such as the scavenger appointed has bid in his proposal to the Board of Health, and no more. If no bids are received, then the Council shall fix the price to be paid.

Sec. 6. Any person violating any of the provisions of this ordinance upon conviction thereof, shall be punished by a fine not exceeding one hundred dollars, and the costs of prosecution, or by imprisonment in the city jail or county jail of Ottawa County, for a period not exceeding ninety days, or both such fine and imprisonment in the discretion of the court; and in case a fine and costs only shall be imposed the offender may be sentenced to be imprisoned in the city jail or county jail of Ottawa County, until the payment of such fine and costs, not exceeding ninety days.

Sec. 7. Ordinance No. 253, entitled "An Ordinance Relative to City Scavengers" passed July 22, 1907, and approved July 23, 1907, and the amendments thereto, be and the same are hereby repealed.

Sec. 8. This ordinance shall take effect twenty days after its passage.

Sec. 9. All provisions relative to City Scavengers heretofore made, shall remain in effect until the first Monday of May, A. D. 1915. Passed, Nov. 18, 1914.

Approved, Nov. 18, 1914.

RICHARD OVERWEG,
City Clerk.**Health Rules Passed With Two
Receptions**

On recommendation of the committee on ordinance the health rules submitted by the council sometime ago were passed last night with the exception of the last two rules, which were stricken out. One of these rules was that church bells and other bells in the city could be rung for two minutes only. The other rule was to the effect that all milk dealers must provide the Board of Health with a certificate showing that each of his cows from which he is getting milk to be delivered in the city, has been tested for tuberculosis within the past year. Alderman Prins and Alderman Slagh objected a part of one of the rules which is to the effect that physicians attending a case of contagious disease wear a uniform but as this has been one of the state health rules for many years the other phrase was not cut out.

**Mayor Says He Is Glad To Get
Back In Message To Council**

The following message from the Mayor expresses Mayor Bosch's feeling toward the council for the work done during his absence and of his thankfulness to get back on the job:

OFFICIAL

Holland, Michigan, Nov. 14, 1914.
To the Honorable the Common Council of the City of Holland,
Gentlemen:

Upon my return to my place in

your honorable body, I feel that it is but fair for me to take advantage of this opportunity of personally thanking the council for their kind words and expressive token of sympathy in my recent affliction, and to assure you that word are utterly inadequate to express my feelings of deep appreciation of your most kind courtesy. The thought of the kind feelings that you must have had for me, as you signified them, is an encouragement and inspiration, and I assure you that I am most grateful to you for their expression.

During my absence the council has done faithful and efficient work, as usual, for the upbuilding and betterment of our city, and I desire at this time to publicly express my thanks and appreciation to you for your action upon measures that I proposed before leaving the city on account of my affliction.

While the ordinance passed by you for sewer connections is not all that I had hoped or expected, I know that to was the result of your best judgment and fair consideration, and that it will work out well for a cleaner city, and that it is the beginning of a movement in the right direction, and one that had long been needed.

With reference to the showing of unlawful pictures in the city, I am sure that you have acted wisely and well, and that with the right spirit of co-operation which we must always have between our several Boards and officers it will work for the social and moral uplift of Holland.

Again thanking you for your kindnesses and consideration, I am,

Sincerely yours,

NICODEMUS BOSCH,

Mayor.

**Has The Council Acted Justly To
Local Corporation?**

This was the question Mayor Bosch brought up in a message to the common council last evening in regards to the Cappon-Bertch Leather Company building a large addition to the local plant. The message as follows explains itself:

OFFICIAL

Holland, Mich., Nov. 18, 1914.
To the Honorable the Common Council of the City of Holland,
Gentlemen:

I am reliably informed that the Cappon & Bertsch Leather Company, is contemplating the enlargement of its plant, either at Holland, or in some other locality. This plant is one of the large institutions in our city, and also one of the oldest, being almost the nucleus of industrial activity in this city.

There is a feeling among manufacturers in our city, that frequent improvements are required, to be made, for which there is no immediate necessity, and which require large expenditures of money for which the returns to be had are entirely inadequate, and that in many ways burdens are placed on corporations, largely because they are corporations, and that the city has no feeling for them. If this is true it is to be lamented, because a city cannot grow or develop without the growth and development of its manufacturing institutions. They are the bone and sinew of the community, and make any city what it is.

The Cappon & Bertsch Leather Company is at present owned and controlled by outside capital, but nevertheless they are apart and parcel of our city. I believe I voice the

sentiment of every citizen of Holland when I say we want them to build just as large and prosperous a plant as it is possible to have, feeling that we will also share in their prosperity.

Since they are not residents of this city, I believe an expression from this honorable body, that we shall be more than pleased to have them locate their additional plant in Holland, with the assurance that we will co-operate with them in every way possible, and give them such encouragement in their work and undertakings as is within our power, will be but right and proper, and I trust that such sentiment may have expression from this body.

Respectfully submitted,
NICODEMUS BOSCH,

Mayor.

The message was followed by the following resolution by Ald. Drinkwater which was adopted unanimously:

OFFICIAL

By Alderman Drinkwater, Whereas, It is reported that the Cappon & Bertsch Leather Company are about to locate a large addition to their tanning plant at some point where they have tanning interests; and

Whereas, It is the desire of the City of Holland that such institutions as we have should extend in this city rather than locating elsewhere; therefore,

Resolved, That we, the Common Council of the City of Holland, in regular session assembled, most earnestly urge said Company to build their plant in the City of Holland; and further,

Resolved, That we assure said Company of our desire to co-operate with them in every possible way, and that we give them such assistance and encouragement as is within the legal powers of the city to do, assuring them that at no time in the past has it been the desire of the city to knowingly place any unnecessary burden on them, and that in the future every effort will be made to show the appreciation of the city of the fact of their adding to Holland's industrial growth; and further,

Resolved, That a copy of the Mayor's message and of this resolution be sent to the said Company.

Items of Interest

Dr. Poppen last night petitioned the council to move the barn from his lot which caused the neighbors to protest to the council because it blocked their view. The matter was referred to the committee on streets and crosswalks.

The question of getting an assistant for the city treasurer during the collecting of the December taxes was left to the committee on Ways and Means. The city treasurer's office will be kept open from 8:30 until 5:30 except Tuesday and Saturday nights when it will remain open until 9:00 o'clock.

An item amounting to 37 dollars for books purchased by the city attorney was stricken from the claims and accounts last night to be investigated and brought up at the next meeting. The books were on Municipal law.

The sum of \$94 was expended for temporary aid the past two weeks.

The bonus committee report submitted to the council last night is published in another part of this paper.

The members of Wesleyan Methodist church held a donation supper and surprise party Friday evening in honor of their pastor, the Rev. J. K. McCreary. More than a hundred were present, and the pastor received many useful and valuable gifts. The evening was spent in singing songs and all report an enjoyable time. Because of the illness of Mrs. McCreary the meeting was held at the home of H. Decker, Jr.

Efforts are being made to organize a Band among the boys of the old Colonial church. Quite some enthusiasm is being manifested. This band will bear the name: "The Old Colonial Church Band". In the future the Christian Reformed churches of Holland will have two Orchestras, one at Prospect Park the other at Central Ave., and a band at the Ninth St. church. John Aelder conducts the band.

Although Fred Lampen was released week before last from a charge of using a forged note to borrow money when he appeared for examination because his brother George Lampen, who signed the complaint, did not appear against him, he was re-arrested on the same charge Wednesday by Zeeland officers and was brought to this city. When arraigned before Justice Robinson Thursday morning he demanded an examination which was set for a week from Thursday in the City Hall. He was unable to furnish bonds for \$500 and is being held in jail. George Lampen, the complainant said that he had not received a notice of the time for examination soon enough before and that was why he did not appear at the examination last week.

Cornelius Yskes, changed his plea of not guilty to that of guilty before Judge Cross Friday and was released until the January term of court, with the required bond of \$100, upon the condition that he contribute at least \$3 per week to the support of his family in Holland. He is to make regular reports to Poor Director Van Zanten of Holland. It is understood that if he has complied with all the regulations of his probation, the same will be extended indefinitely.

A house owned by Walter Sutton in 32nd street, near First Avenue was completely destroyed by fire Friday about three o'clock. The building is a frame two story and is partly covered by insurance. The house had been rented recently and the tenant had just moved in his furniture. He left an oil stove burning in the house while he went to a store and when he returned the building was in flames. After traveling the long distance the fire department found it necessary to stretch their hoses a considerable distance. The building was then so far gone that it was abandoned and nearby houses were saved.

The Junior High school football team Saturday morning defeated the West Ends on the Fifteenth street grid-iron by a score of 42 to 0.

This is pretty late for roses to be blooming out of doors in this latitude, but Mrs. William Stout of Allegan County has a bush which was in blossom this week with flowers as fragrant and pretty as at earlier times in the season.

The Adelpic society of the Seminary met at the Beardslee home Tuesday. C. P. Dame led devotions. A paper on "The Influence of Roman Catholic Education," was read by Alexander Van Bronkhorst.

With the first real blast of winter, a delegation of 11 homeless wanderers appeared at the Ottawa county jail Sunday night for lodging. The sheriff's department expects a deluge of the weary Willies from this time on.

Alexander Van Bronkhorst of the seminary is again on the "injured list." This time it is a gash under the right eye as the result of a collision with Van Wyke's elbow in basketball practice.

Mrs. P. P. Burd was called away last Tuesday by the sudden death of her mother at Lanesville, Ill.

John Sturring returned to his work at Lokker-Rutgers Co., after a week's absence on account of the death of his brother.

Mrs. David Clark, aged 76 years, died Friday afternoon at her home 71 West Fifteenth street. She is survived by a husband and three children. The funeral took place Monday afternoon at 2 o'clock from the home. The Rev. Mr. Easveld officiated.

Friday evening the students of the High school held a rousing mass meeting around a large bonfire on the practice grounds in Fifteenth Street. Speeches were given by coach Drew and others. After the meeting a street parade was formed which marched over the business streets giving High School yells.

The fire department was called out Saturday at about nine o'clock to a small fire in some wood in the basement caused by the chimney in a house owned by H. Bos, 46 East 16th street. There was practically no damage.

Herbert Nordwall of Volendam the Netherlands, who with his sister Miss Willhelmina Nordwall who are walking through the United States attired in original Dutch costume declared that the American-Hollanders were murdering the Dutch language and that it would be better if they did not speak it at all than the way they do. He and his sister gave a vaudeville entertainment at the Apollo Theatre Monday night.

The season for gill-net fishing closed on Sunday, November 1, except for those who are given a permit by the state game warden to catch spawn. This includes nearly all fishermen operating out of the several ports on this peninsula. These permits are limited to a certain time, and it is feared that unless the limit is extended there is going to be a shortage of spawn, as the fish are late this fall in getting onto the reefs.—Sturgeon Bay Advocate.

At the 18th annual Michigan Conference of the Woman's Home Missionary Society of the M. E. Church held in Lansing the latter part of last week Mrs. Etta Whitman gave a report of the Board of Managers meeting in Syracuse, N. Y., recently. Mrs. E. B. Rich was elected secretary of the Temperance and assistant superintendent of the Literature Department. The Grand Rapids district of which Holland is a part had the largest representation at the convention, contributed the most money and secured the largest number of members during the year. The local delegates besides Mrs. Whitman and Mrs. Rich were Mrs. McCollan, Mrs. Nies and daughter Hilda.

A forty-acre tract of timber land near Ludington has been set aside as a game refuge, to which any bird or beast pursued by a hunter may flee. It is unlawful to take a gun on the land or to shoot within 150 feet of its boundaries. The dates have been announced for six of the 20 odd poultry shows that will be held in Western Michigan the coming winter. The points at which the shows will be held and the dates, are as follows: Big Rapids December 5 to 9; Ludington, 9 to 12; Petoskey, 9 to 12; Traverse City 21 to 24; Holland, 22 to 26; Muskegon, January 19 to 24. The experience of the last few years of those engaged in poultry raising has been such as to cause them to become enthusiastic over the possibilities of the industry for the Western Michigan region.

Several men gave interesting ten minute addresses on the general theme, "Leadership at Hope church Sunday night when, Y. M. C. A. Night was observed. Secretary L. O. Moody spoke on, "The Boy from 12 to 18 years old." J. De Boer of Hope College spoke on, "College Boy." Henry Geerling's subject was, "The City Boy Above Eighteen Years of Age." Sunday evening services have been resumed at the S. D. A. chapel, corner of River Avenue and Third Street by the Seventh Day Adventists. Service starts at 7:30. Last Sunday Elder C. F. Mc Vagh preached on "Bible Prophecies." The pastor is supplied from the Grand Rapids headquarters of the Western Michigan Conference.

The case of Cornelius Yskes, who was arrested several weeks ago for wife desertion upon complaint of Poor Director VanZanten of this city was the matter occupying the attention of the circuit court Friday afternoon. Yskes has been held in the county jail in default of bonds since his arrest. Once before Yskes was arrested for wife desertion, and served a minimum sentence. After that time he had not contributed to the support of his wife and children until by a ruse the poor director succeeded in getting him to contribute to their support for a few weeks. He was then able to file another charge against Yskes. Then if Yskes be convicted, the State is bound to contribute to the support of his family and thus relieve the city of Holland of such a burden.

Holland people who will be included in its operations are reminded that the new deficiency stamp taxes will be collectable soon. Indeed many business operations should have included the use and purchase of stamps commencing Nov. 1, but the

necessary blanks not having been printed there has been a delay in that direction. Beginning with Dec. 1, however, internal revenue stamps will have to be affixed to many documents. Including notes, all papers which by law are required to be recorded, sleeping car tickets, bills of lading and a long list of other documents. The tax on deeds is 50c for every \$500 or fraction thereof involved in the transaction and where the consideration named in the deed is not the actual consideration the tax must represent the actual consideration. Comparatively few of the many stamp requirements included in the new taxes law will apply to this city, but from one direction or another it is probable that a large portion of local people will have reason to know that the new law is in operation and that when they do apply its requirements must not be disobeyed.

It was very commendable in the saloon-keepers in closing their places of business during the democratic celebration last Wednesday evening. It was undoubtedly owing to this fact that such good order prevailed.

Last Wednesday was market day in this city and was also the day set aside by the democracy of this city as a day of rejoicing over the election of Cleveland and Hendricks.

TWENTY FIVE YEARS AGO

Born to Mr. and Mrs. P. Boot, on Thursday, a baby girl.

A force of workmen have been engaged this week, tearing down the Pluggier Mill building, preparatory to the erection of a new furniture factory in its place. This old mill building was built nearly forty years ago, and it has always been a prominent landmark at the head of the lake.

It was for many years the only flour mill in the colony, and the farmers for miles around Holland made it their destination with their "grests." The Standard Roller Mill took place of the old Pluggier Mill, when it was erected in 1884. A photograph of the ancient landmark was taken Wednesday, with several employees and former proprietors in the foreground.

In the place now occupied by the old structure, a brick building, two stories high, 50x240 feet in size, will be erected for the new furniture factory.

The flour mill machinery has been sold to C. P. Becker and it will be placed in his mill.

TWENTY YEARS AGO

BEAT THEIR WAY TO HOLLAND AND SPEND THE NIGHT IN JAIL.

Young Grand Haven Fans Too Anxious

Seven Grand Haven football fans, who apparently did not have sufficient funds to pay their way to Holland to see the football game between Holland and the county seat players this afternoon, hit on the plan of "beating" their way. And the plan worked admirably. As a result the Grand Havenites were able to see the contest Saturday. They boarded a freight at Grand Haven Friday and arrived in Holland in due time in the evening. When night came however they had no place to sleep. The adventurers however were not to be caught in that way and applied to the police for lodging which was given them at the city jail. They were bunched at the lockup with six hoboes and Saturday morning were dismissed with a sandwich and cup of coffee each.

FORMER LOCAL MAN RETURNS AFTER FIVE YEAR RESIDENCE IN NETHERLANDS

Describes Conditions In Little Country That Is Trying to Keep Out the War.

William Raap, a former Holland citizen and a brother to Prof. A. Raap of Hope college, returned to this city Saturday after a five years' stay in the Netherlands. Mr. Raap left this city about five years ago to make his home in his native land where many of his relatives live, but the European war has made life in that country so unpleasant that he has yielded to a desire which he long entertained to come back here. His wife and children are still in the Netherlands, but they will follow him to America as soon as he has established himself here.

Like all those who have come to America from the Netherlands, Mr. Raap tells a touching story of conditions in that little country. Thousands of refugees from Belgium and Holland soldiers are quartered in most of the cities and villages, he says, and the inhabitants are put to it to meet the unusual drain on the supplies. With winter coming on he believes thousands of people will suffer want. So short is the supply of food that the people of the Netherlands, at least of many portions of the Netherlands are practically on a ration basis. The bakers are compelled by law to bake only a certain kind of goods that will make the flour go the farthest.

The plight of the Belgians is even harder than is often pictured, says Mr. Raap. The Germans have invited the refugees back to their own country, but this invitation is useless, since they would merely go back to starve. The land has been devastated and even if the people went back they would only go back to a foodless and to a large extent a shelterless land.

Mr. Raap fears that the Netherlands will be drawn into the great conflict. Queen Wilhelmina and the Netherlands people in general are doing all they can to stand by the neutrality policy, and there are plenty of rumors in the Netherlands that if the country is forced into war the Queen will abdicate the throne, and her husband may be forced to take her place.

Mr. Raap expects to make this city his permanent home.

Sixty from Ottawa County Go to the North Woods to Hunt

Since last week when the number of licenses issued to deer hunters totaled 54, the following names have swelled the number to an even sixty from Ottawa county.

Cornelius C. Dyke, Holland Murice Huyser, Holland; O. C. Comstock, Jenison; Peter Kost, Jenison; Carl Moody, Jenison; and Elbert Lynn of Grand Haven.

According to the records of County Clerk Glerum, the number issued for the year 1913 was 72.

J. ZONNEBELT WAS PULLED OUT FROM UNDER CARS BY OFFICER STEKETEKE SUNDAY NIGHT

Life Was Saved—Was Warned To Look Out

J. Zonnebelt narrowly escaped serious injury and perhaps death when he tried to cross between two cars of a freight train on his way home Sunday. The train started while he was between the cars and he was thrown to the ground. He caught hold of a rod as he fell, which kept him from going under the cars. Officer Steketee rushed in between the cars, and grabbing hold of Zonnebelt he held him away from the wheels by running along between the cars. His call brought a brakeman to the scene over the tops of the cars and together they lifted Zonnebelt on to the car. The train had gained considerable speed by that time and Officer Steketee took a long chance in getting hurt himself had he tripped on one of the ties.

Zonnebelt's leg was injured slightly. He rode to Waverly on the car and got off the train when it stopped.

The train was standing across 8th street when Zonnebelt came up. He waited a short time, and then when three other men coming from the East, crossed between the cars, Zonnebelt thought he would try it. He started at just the wrong time, however, which nearly cost him his life.

RED CROSS CARDS ARE DISTRIBUTED IN THE LOCAL BUSINESS PLACES

The Civic Health committee of the Woman's Literary club, of which Mrs. G. J. Van Duren is chairman, has begun the work of distributing Red Cross cards to be placed in the windows of the local business places. These cards are meant to call attention to the campaign that has begun for selling thirty thousand or more red cross seals in Ottawa county this fall. In addition to the distribution of window cards, a distribution of counter cards is being made. These are reproductions of the backs of envelopes and they show how the red cross seal should be attached.

The school seal selling campaign in the schools of the county will begin immediately after the Thanksgiving holidays.

Mrs. Van Duren has disposed of ten thousand seals to Grand Haven to be sold in the schools there, 300 in Ferrysburg, 1,000 in Spring Lake, 500 in Nunica and 1,000 in Coopersville.

RATS! RATS!

An Iowa farmer has devised a rat but which any one troubled with rats can use. He purchased a big galvanized iron bucket or garbage pail and placed it in the barn. He filled it two thirds full of water and on the top of the water a layer of chaffy oats an inch deep. The next morning he emptied out the mixture of water, oats and drowned rats. He rebaited his traps and the next morning he figured results and found that he aimed lessly but with malice aforethought, had gotten rid of eighty-nine rats. He declares it will rid a barn of rats in a short time.

STATE SUPPLIES STUDENTS WITH FISH FOR USE IN LABORATORY

Through the efforts of Miss Rogers, instructor in zoology in the Holland high school, the local school has secured a large number of fish from the state hatcheries at Comstock Park, Grand Rapids for use in the school here. The fish were given to the local school by Assistant Superintendent Lydell of Grand Rapids. There are twelve varieties, including perch, bass, suckers, cat-fish, blue gills and others, some two hundred in numbers. Another 200 craw fish are included in the collection.

The specimens will be used for laboratory work during the winter. An aquarium has been fixed up for the fish.

Stating in her bill of complaint filed Thursday morning in the county clerk's office, that her husband, Adelbert Leroy Thomas, alias Harry Thomas, has made but little effort toward her support and that he took her earnings repeatedly Mrs. Thomas has sued for divorce and injunction to restrain the defendant from disposing of any property of his father's estate, during the trial. Judge Orien S. Cross ordered an injunction issued at once.

Both parties are residents of Holland, where they continued to live after marriage in November, 1913.

Mrs. Thomas is employed as bookkeeper in Holland and says her husband is a professional chef.

KEEPERS OF STATIONS IN 12TH LAKE MICHIGAN DISTRICT TO FORM AN ASSOCIATION

First Meeting to Be Held in Grand Haven; Later Meeting in Holland.

On January 9, 1915, the Keepers of the 12th Life Saving District will meet at Grand Haven for the purpose of forming an association, which in all probability will have a far-reaching influence not only among seamen of Lake Michigan, but of all the Great Lakes.

This is the first concerted action on the part of the lake captains to get together for the purpose of devising ways and means to raise the standard of efficiency both of themselves and of their crews.

Such an organization would bring the younger captains into contact with seamen rich in nautical experience and by a mutual interchange of ideas would undoubtedly result in more uniform rules and more efficient service in general.

Judging by the enthusiasm with which the idea was received by all concerned, there is every reason to believe that the project will not only meet with success in this district, but will form the nucleus around which a national organization will eventually grow.

The first meeting will be held at Grand Haven, where District Superintendent G. B. Lofberg is located, altho it is planned to hold subsequent meetings in Holland, Milwaukee, Ludington and other convenient ports. It is expected that at least two thirds of the 31 keepers of District 12, which includes all of Lake Michigan, will attend the initial meeting. In addition, District Superintendent Lofberg, Assistant Inspector Capt. F. J. Haake as well as the district officers will be present and will give talks indicative of their support in the undertaking.

CONGREGATIONAL MEETING OF THIRD REFORMED CHURCH HELD.

Nearly a hundred members of the Third Reformed church were present Monday night at the annual congregational meeting held in the church. The annual election of officers resulted in the election of the following: Elders—J. P. Huyser, John Du Mez, and M. Van Dyke; Deacons, W. Vander Ven, S. Ver Berg and W. H. Vander Hart.

The treasurer's report showed that a total of \$9,321.39 was collected during the year, which was used for the following purposes:

General, \$1316.89; benevolence, \$388.85; salary and Current expenses, \$2115.83; Foreign Missions, \$1143.81; Domestic Missions, \$689.67; Parsonage, \$1335.83; Home Expenses (societies) \$979.87; Domestic Missions (societies), \$499.00; Foreign Missions, (societies), \$851.64.

That the saloon keepers needed only to know that the police board was against it to abolish lunches in the saloons was shown Monday when Police Commissioner Mulder, who made the motion at the last meeting of the Board that the Board go on record as being opposed to lunches, asked Chief of Police Van Ry what the saloon men were doing. According to the chief the saloon keepers who had already started serving the lunches stopped it the following day.

HUNDRED THOUSAND DOLLARS WORTH OF HOMES BEING PUT UP IN HOLLAND

Sum Much Larger If Resorts Are Included; Another 75,000 Involved in New Post Office

An almost unprecedented building boom has hit the city of Holland according to a conservative estimate of the total amount of money involved in the construction of homes, stores and factory buildings in Holland. During the present season a hundred thousand dollars in new buildings have been or are in course of construction.

A very large percentage of these buildings is work now in course of construction. While the building activities during the summer have not been very active there is now a revival of business along this line in Holland that has seldom been equalled in any fall. The actual figures of homes now in course of construction in the city or completed during the present building season, as estimated by a competent appraiser of property, is \$79,000. In addition to this there is enough building activity going on of a more or less miscellaneous nature to as to more than make a total of a hundred thousand dollars. Add to this the new postoffice, which involves another \$75,000, and the building boom that is on in this city now assumes a proportion that is rather out of the ordinary.

Nor does this total sum of \$175,000 represent the total value of the building activity of which local businessmen, contractors, construction men, etc., get their share. During the summer the building of cottages at the summer resorts has been very active and in most cases the material was secured here, and many of them were erected by local contractors. Also there have been a number of buildings erected immediately out side of the city limits, which also can be legitimately included in the building boom of this community. All of these however, have not been included in the estimate of \$100,000 mentioned above.

Following is a list of the new buildings put up in Holland the present season or no win course of construction: D. Meengs, East 15th St.; Joe Koolker, W. 18th; D. S. Snyder, Corner College and 13th; W. Harris, 19th and Van Raalte; E. O. Holkeboer, 16th and Lincoln; W. H. Vander Water, 12th and Lincoln; August Breyman, Graves Place; J. De Feyter, W. 19th street; Bert Speet W. 19th; Lewis Crow, Ottawa and 23rd; H. J. Derks, 1st and 25th; John Vander Hill, W. 20th; Jacob Witteveen, W. 19th; J. W. Bosman, double house, E. 11th; Bert Westenberg, E. 8th; A. C. Keppel, E. 10th; W. A. Van Syckle, W. 12th; Mrs. G. W. Browning, W. 14th; D. D. King, 22nd and Central; Henry Hyma, E. 13th; John Van Appledorn, 19th and College; J. Vander Woude, State and 19th; John Oonk, 21st and Ottawa; David Vereke, Central and 20th; E. O. Holkeboer, E. 21st; E. Barlow, W. 20th; Anna Wichers, W. 22nd; H. Brunnink, Diekema Addition.

In addition to the construction of homes in the city some commercial plants have been put up or are being put up, as for instance, an addition to the Holland Furnace Co.; the factory of the Holland Gas Engine and Pulley Co.; a new city pumping station; a chapel of the Christian Reformed denomination on North River avenue.

Some buildings are being put up or have been put up so near to the city limits so that they can almost be included such as a home by J. Van Zanten at Montello Park; another home by J. N. Knoll at Montello Park; and a store by James Scheuling just outside of the limits on N. River avenue.

If the present building boom is any index of general business conditions in Holland the future looks rather bright for this city. Holland has for many years had a reputation throughout the state as a "city of homes" and the fact that nearly a hundred thousand dollars is being put into homes in a single season shows that the city is living up to its reputation. A large number of these homes are modest dwellings owned by working people, which is all the more an indication that the city's growth is a healthy and a normal one.

ZEELAND ORNAMENTAL CO. DECIDE TO LOCATE IN THIS CITY.

Contract Signed Saturday Morning; Will Occupy the De Roo Cereal Company Building

The contract was signed Saturday whereby Holland secures another manufacturing institution which, although small at the present time, bids fair to develop into an institution which will mean much to this city. The new concern that is to open here for business in the very near future is the Zeeland Ornamental Co. The plant of this concern burned down in Zeeland some time ago and the company is to begin business soon in the building on North River avenue known as the De Roo Cereal building. A small force of men and girls is to be employed at the beginning, but one of the plans of the concern is to develop the business into a casket factory, in which case the concern will branch out on a larger scale and will employ many more men.

The Ornamental Co., has done business in Zeeland for a number of years. It has a very good financial standing and it is in every way a very desirable concern for this city. The company asked for no local stock having all the paid in stock they require at the present time. They received no cash bonus from this city. The only inducement that was held out was the use of the Cereal building for one year, at the end of which period the company will have the first chance to buy it.

The landing of this new industry for Holland is another example of what may be accomplished by a wide-awake commercial body. The Board of Trade and the Business Men's association worked together to land the new plant, the president and officials of each association having an equal share in the work. Holland came so near losing the plant that it was only through strenuous efforts of President Landwehr of the board of trade and President Vandersluis of the Businessmen's association that the bargain was closed. Hearing that the Zeeland concern was negotiating with two other cities, the Holland men, less than a week ago, went to see the officials of the company and showed them what inducements Holland held out and in which ways this city is an ideal place in which to locate a manufacturing plant. The company's officers made thorough investigations with the result that Holland won out against the other two cities, in spite of the fact that negotiations with one of the cities had already advanced to such an extent that preliminary steps had been taken in regard to financial arrangements.

With the uniting of the board of trade and businessmen's association, which seems about to take place now, Holland will have a still more active commercial organization and still more effective work along this line can be looked for.

HOPE COLLEGE STUDENTS 'CUT UP' SOME BESIDES CUTTING HAIR

The haircutting affair at Hope College was not the only thing that has kept the student council busy lately. Last week one boy thought it a joke to frighten Mrs. Vennema, wife of President A. Vennema. He stood in the shadows near a building on the campus and as Mrs. Vennema passed he fired six blank cartridges from a revolver. An apology was accepted by Mrs. Vennema and the matter was dropped.

The student council is now trying to discover who plugged the keyholes of the locks on the class rooms in Van Raalte Hall. All locks had to be removed to get into the rooms.

WILL ATTEMPT TO GET STATE SUNDAY SCHOOL CONVENTION FOR HOLLAND IN 1916

The following were delegates from this city to the 54th annual convention of the Michigan State Sunday association at Adrian the latter part of last week: the Rev. M. Filipe, Henry Pelgrim, Jr., John Stephan, Henrietta Warnshuis, Gertrude Spritsma, John Vander Sluis, Mr. and Mrs. D. Steketee, Mr. and Mrs. J. Oosting, Grace Prins and Miss J. Luidens.

The convention next year will be held at Battle Creek and a movement has been started to have the convention held in Holland in 1916. John Vander Sluis of this city made a hit as leader of the song service.

Manitou Bosch and Herman Koenig, both students of Hope College opened up a florists establishment in the building on River Avenue formerly occupied by the Visser Paint Shop. Business was commenced last Saturday. The new business men expect to handle a full line of potted plants and cut flowers. Week days the shop will be open from 7 to 8 and from 9 to 10 in the morning and from 11 a. m. to 2 p. m. and from 3 to 6 p. m. Open all day Saturday and Tuesday night.

W. C. T. U. OBSERVE "GUEST DAY" AT MEETING LAST FRIDAY; GOOD PROGRAM GIVEN

"Guest Day" was observed Friday afternoon by the Woman's Christian Temperance Union at the meeting in the Vischer Building. Mrs. L. Elderson, introduced by the president Mrs. C. S. Dutton presided at the meeting. Bert Van Ark delivered his declaration that won him a silver medal at the W. C. T. U. contest held recently. A playlet, "Miss Temperance" was given in which Mary Giegh starred. Miss Elsie Gowdy sang snatches from national hymns of several countries. Mrs. Klassen sang, "Around the World." Mrs. Dutton gave an account of the work done during the year. Mrs. Milton J. Hoffman also sang two selections. Refreshments were served.

HEALTH DEPARTMENT WANTS BAKERS TO WRAP BREAD

Health officer Dr. B. B. Godfrey commenting on the endeavor of the city health department to get the bakers to wrap their bread gave several reasons why this should be done. He said that home baked bread is rapidly becoming a negligible minimum so the bakers will have to take more care in having their bread clean. In carrying to bread he said dirty causes bacterial contamination and often causes typhoid fever and other diseases. Wrapped bread prevents this.

The Circuit Court for the County of Ottawa
IN CHANCERY
Big Bay Realty Company
of Grand Rapids, a corporation.
Complainant

vs
Ann Breeze, together with her unknown heirs, devisees, legatees and assigns.

Defendants.

Suit pending in the Circuit Court for the County of Ottawa, in Chancery, on the 28th day of September A. D. 1914.

In this cause it appearing to the satisfaction of the Court, on affidavit of James Buys, President of the above named Big Bay Realty Company herein that he has caused to be made inquiry as to the residence and whereabouts of the defendants in this cause among such persons as might be apt to know the same, and that he has been unable to obtain any information regarding them whatever, and that after making like search and inquiry it cannot be ascertained who the heirs, devisees, legatees and assigns of said defendant are, nor in what state or country the said defendant or her heirs, devisees, legatees or assigns reside, and that the said defendant and her unknown heirs, devisees, legatees and assigns are necessary parties to this suit.

On motion of M. Den Herder, Complainant's Solicitor, IT IS ORDERED, that the appearance of the defendant, her unknown heirs, devisees, legatees and assigns be entered herein within six months after the date of this order, and in case of their appearance, that they cause their answer to the Bill of Complaint to be filed and a copy thereof to be served on Complainant's Solicitor within fifteen days after such service on them of a copy of said Bill and notice of this order, and in default thereof that said Bill be taken as confessed by said non-resident defendant her unknown heirs, devisees, legatees and assigns, and it is further ordered that within twenty days the Complainant cause a copy of this order to be published in the 'Holland City News' a newspaper printed, published and circulated in said County, and the said publication be continued therein once in each week for six weeks in succession, or that he cause a copy of this order to be personally served on said non-resident defendant and her unknown heirs devisees, legatees and assigns at least twenty days before the time above prescribed for their appearance.

KUITE TRIES OWN CASE; CONVICTED ON 1ST BALLOT

Accused of Stealing Several Chickens from John Stegerda Coops in Holland Last Spring; Denied Any Knowledge of the Chickens As Stolen

When Frank Kuite of Holland appeared for trial before Judge Orien S. Cross Thursday afternoon on the charge of having stolen chickens from the coops of one, John Stegerda on the night of April 14, in Holland, Mich., he was obliged to try his own case. When arraigned some weeks ago, Kuite informed Judge Cross that he would possibly procure an attorney, but made no effort to do so. The matter of trying his own case was left entirely to him, since he made no effort to get an attorney. The charge of stealing several buff Wyandotte prize chickens was preferred against Kuite after an investigation of his premises in Holland by the city policemen, O'Connor and Steketee. At that time the officers found legs and feathers of chickens which were identified by the Stegerda as of their missing fowls. The legs of several chickens, with the aluminum prize marking bands on them received at poultry exhibits were exhibited in the trial Thursday.

Kuite denied having stolen the chickens and said he did not know from what source they came except that he had purchased them from his brother. This was the gist of his plea to the jury after several witnesses had been examined. After his plea to the jury, Judge Cross allowed a stay of a few hours Friday, in which Kuite said he could produce witnesses.

There was very little testimony of any value to either side from the witnesses Friday morning and the case went to the jury at 9:30.

In less than five minutes the jury returned a verdict of conviction. Kuite will receive sentence next Wednesday.

Frank Kuite was sentenced this morning by Judge O. S. Cross from 2 to 5 years at hard labor in Jackson prison. The judge recommended two years.

CHAMBER OF COMMERCE MAY TAKE UP MATTER OF NEW FIRE TRUCK TO REDUCE RATING

The insurance rating that has been granted Grand Rapids, putting the city in the second class, has called the attention of the local people back to the proposition of the city purchasing an up-to-date fire truck recommended by the Board of Police and Fire commissioners early last spring for the more adequate protection of the city against loss by fire. The secretary of the Grand Rapids Chamber of Commerce stated at the get together meeting of the Holland men that the low insurance rating was of great value in getting new factories and the Holland new Chamber of Commerce will very likely take up the matter.

HOLLAND HIGH AGAIN DEFEATS GRAND HAVEN TEAM

The Holland High school football team completed its schedule with the exception of the Alumni game to be played Thanksgiving day. When they defeated the Grand Haven football team 28 to 0 on the Nineteenth Street grounds Saturday afternoon. Ashley, Serrine and Irving starred for Holland. Capt. Bosman played the last half of the game with a broken ankle. Miller and Stukman starred for the visitors. Dornbos of Grand Haven suffered a broken nose early in the game.

In a preliminary contest the Holland seconds defeated the Grand Haven seconds 26 to 0. Pauls made a name for himself by making all of Holland's points.

In the evening the both teams were tendered a reception by the High School girls in the gymnasium of the High School.

AMALGAMATION OF THE HOLLAND BUSINESSMEN'S ASSOCIATION AND BOARD OF TRADE IS PRACTICALLY ASSURED

Both the Holland Board of Trade and the Holland Businessmen's have voted in favor of amalgamating into a Chamber of Commerce. The Board of Trade vote was unanimous and but one contrary vote was cast by the Businessmen. A committee composed of the Pres. A. H. Landwehr, Secretary, Dick Boter, G. J. Diekema, Henry Geerlings and Geo. Van Landegent, appointed by the Board of Trade and a committee composed of Pres. John Vander Sluis, Secretary Fred Beuwkes, G. Cook, H. Bolhuis and Herman Van Tongeren, appointed by the Businessmen's association will draw up a constitution for the Chamber of Commerce and then submit it to the both bodies. If it is accepted as it very probably will be the present organizations will automatically disband.

The methods of the Grand Rapids Chamber of Commerce, which has been a great success will be followed to some extent by the local organization.

Diphtheria in Zeeland

Owing to the fact that diphtheria broke out in the Zeeland schools there will be no meeting of the different associations connected with the schools until the disease is eradicated.

WILL TEST MOTION PICTURE ORDINANCE

Manager J. W. Heimbaugh of the Royal theatre pleaded not guilty when arraigned before Justice Sooy on a charge of violation of the motion picture ordinance. Trial was set for the forenoon of Friday, Nov. 20. Complaint was made by the city attorney Van Duren on behalf of a member of the motion picture censorship board, which consists of seven local ladies. The censor claimed she ordered a picture not to be shown and that Mr. Heimbaugh said it just the same. Mr. Heimbaugh claims that he was asked to cut out only the objectionable part which he did. Attorneys Visscher & Robinson have been engaged by Mr. Heimbaugh.

BUSINESSMEN WILL MAKE STRONG EFFORT TO HAVE THE ALLEYS OPEN AND LIGHTED FOR POLICE AND FIRE PROTECTION

The Holland Businessmen's association after giving expressions strongly in favor of having the city install lights in the alleys for police and fire protection decided to let the matter drop until the New Chamber of Commerce has been formed and then take it before the council. The council has once refused to place the lights on the grounds that it is private property but the businessmen hope to put the matter in a new light. One local man suggested that the businessmen donate the alleys to the city and that the city keep them open and install lights. It has been attempted several times to open a certain alley but always some merchant blocked the plans. However united action by the Chamber of Commerce might bring this about.

The Board of Police and Fire Com

missioners declared that it would not cost the city much more to maintain stationary lights than it now does to buy batteries for the officer's flash lights.

NATIONAL ASSOCIATION TO GIVE PENNANTS FOR SALE OF RED CROSS SEALS

While so far that state anti-tuberculosis association has not offered any prizes for the greatest number of Red Cross seals sold during the present season the National association announced that it would give pennants to the counties, towns, villages and cities of the United States. The Civic Health committee of the Woman's Literary Club is doing all in its power to make the sale in Holland and Ottawa county even larger than last year.
