Man and Son-in-Law

GRAND HAVEN (Special) — Double funeral services have been arranged for two tri-cities deer hunters who were asphyxiated in their 11-foot house trailer Tuesday near Kalkaska.

The victims, Daniel Sherwood, 73, Ferrysburg, and his son-in-law, William Goldberg, 52, of 17207 Laura St., Spring Lake, were found dead at 6:37 p.m. Tuesday by Kalkaska Sheriff Earl Woodman who had received a call from another hunter.

The Kalkaska sheriff found one hunter in bed and the other sitting in a chair. The Kalkaska coroner, who ruled accidental death, said the man in bed had been dead approximately 10 hours and the other was dead about three hours when found.

Double services will be held at 1:30 p.m. Friday in Van Zantwick Funeral Chapel. Goldberg will be buried in Grand View Memorial Gardens and Sherwood will be buried in Lake Forest Cemetery.

Sherwood was born in Crockery township and he worked for the Johnston Brothers Boiler Works in Ferrysburg for 45 years before retiring last March. A son, McElevy, was tragically killed in an accident at Lake Engine Co. in 1955.

Sherwood was a member of the VFW Dad's Club and attended Spring Lake Baptist Church.

Surviving are the wife, six daughters, Mrs. William Goldberg of Spring Lake whose husband also was asphyxiated, Mrs. Vernon Batchelor, Mrs. James Tobason and Mrs. Robert Thoma, all of West Spring Lake, Mrs. Vera Estlick of Grand Haven and Mrs. Donald Ward at home; three sons, Duane of Muskegon, Raymond of West Spring Lake and Sheldon of Grand Haven; two sisters, Mrs. Howard Cook of Nunica and Mrs. Maud Mergener of Grand Haven; four grandchildren and six great grandchildren.

The Rev. Herbert Vander Lugt will officiate at the Sherwood services.

Goldberg was born in Grand Haven and for the past 13 years was employed at Bastian Blessing Co. Previously he was with the Shaw Box Crane Co. in Muskegon. A brother, Fred, was accidentally killed in car accident last year at Newberry on a deer hunting trip.

Goldberg is survived by the wife, Orellia; three daughters, Mrs. Henry Tracy and Mrs. Paul Whipple of Kalkaska and Miss Cleo McManamy of Fruitport; two sons, Herman Moss and Charles McManamy; three brothers, Charles and Robert of Grand Haven township and Harry of Grand Haven; a sister, Mrs. Belle McCarthy of Holland; and five grandchildren.

The Rev. Paul Moore will officiate at the Goldberg services.

The bodies are at the Van Zantwick Funeral Home.

Legal Action Blocks Closing

GRAND RAPIDS (UPI)—Legal action today temporarily blocked a move by the city commission to revoke the licenses of eight taverns and a club which were cited for general violations, including prostitution.

Judge Claude Vander Ploeg has ordered city officials to appear in Superior Court Nov. 27 to show cause why a resolution aimed at closing the bars should not be ruled void. The judge acted on a motion filed by Joseph S. Skorka, co-owner of one of the taverns involved, who called for a hearing.

Skorka said the resolution came "with no advance warning" and added the wholesale revocation of the licenses would mean a \$250,000 loss in business to owners.

Named as defendants in the motion were Grand Rapids city commissioners, Police Chief William A. Johnson, City Manager Alfred Rypstra and City Clerk R. Stanton Kilpatrick.

Get Two Dozen Cases Of Beer in Breakin

Thieves broke into Pete's Place, 154 Lakewood Blvd., between 1:30 and 3:15 a.m. today, according to Ottawa County deputies, and took 22 to 25 cases of beer.

Entry was gained by prying open a rear door, deputies said. Deputies are investigating the theft.

Council OKs Furnishings For Library

City Council Wednesday night okayed contracts for further equipment for the new Herrick Public Library totaling \$28,552.

Equipment covers: tables and benches from Michigan Office Equipment Co., \$3,138; arm, side and swivel chairs, card tray cabinets, book trucks and circulation desks all from Remington Rand Co., \$16,670; wood shelving from Worden Co., \$8,720.

Equipment yet to be purchased includes draperies, carpets, lounge furniture and some miscellaneous items.

Council's action followed recommendations of the Library Board except for one item. Council amended an order to call for wood legs on tables instead of metal legs. The motion was amended by Councilman Richard Smith.

Mrs. Henry Steffens, Library Board president, explained that tables will have plastic tops of simulated wood. Metal legs would match other furnishings of like design, but the board had little or no objection to the change.

Councilman John Beltman who was a member of Council's Library contact committee commended the Library Board for its fine work on selections of furnishings.

In other business, Council tabled a report from the three-member committee on the VFW property. The report set a value of \$45,000 on the property on Seventh St. between River and Central Ave. Serving on the committee were William P. De Long, Ben Cuperus and Clarence Jalving. The decision was based on property values, salvageable walls, etc. In case the damaged building would be rebuilt, and other considerations.

Council approved a permit for Crampston Manufacturing Co. allowing an addition to the plant on 13th St. with four truck entrances in an area of 50 feet. The code allows only two driveways in such an area, but the company said the extra drives would not conflict with the general purposes and intent of the ordinance.

Council approved a Board of Public Works proposal to hire James R. Pollock of Kalamazoo to serve as financial consultant in connection with the sewage system improvement bonds at a cost of \$2,500.

Council acknowledged with thanks the following gifts for Holland Hospital: Margaret Hummer guild, overbed tables, \$229.25; Tuesday Service League, emergency instruments, \$764.37; Virginia Park Guild, cash gift, \$25.

A letter from Lokker and Boter, attorneys at law, on behalf of Oil Producers, Inc. together with a proposed lease offering \$20 an acre for oil and gas lease rights on city-owned property in the vicinity of Smallenburg Park in Holland township was referred to the deputy city attorney for study and report.

A petition signed by 86 per cent of families residing in Sylvan Acres (Holland Heights) requesting street lights in said area was referred to the city manager with power to act. Mention of street lights brought the question of progress of lights in the Maplewood and Apple Ave. areas and BPW Supt. Guy E. Bell said the department has been mainly concerned in installing the loop service in the area, but that street lights would be forthcoming before spring.

The question of street lights also brought up installation in areas in the city serviced by Consumers Power and Bell said the agreement the BPW has with Consumers Power calls for the latter firm to install street lights and maintain service in areas it serves.

Council instructed the city attorney to draw up leases renting storage space in the Roamer Boat buildings to two firms, one area 28 by 42 feet to Kalkman Redi-Mix for storage of trucks at \$50 a month and the other area 32 by 126 feet to Slick Craft Boat Co. for \$70 a month. Contracts will carry a 30-day termination clause and the understanding that there will be no additional liability or expense on the part of the city.

Lengthy resolutions were approved for bonds totaling \$33,000 covering the 1959 paving program.

Mayor Robert Visscher presided at the meeting which adjourned at 8:48 p.m. Councilman John Beltman gave the invocation. Absent were Councilmen Ernest Phillips and John Van Eerden.

Gifts, Pledges Reach
\$94,088 or \$7,000
Over Assigned Quota

Holland's United Fund drive went over the top Friday, rolling up a total of gifts and pledges of \$94,088, or \$7,038 over the quota of \$87,050.

Hard working campaign workers cheered as the results were announced at a Dutch Treat Victory breakfast Friday in Hotel Warm Friend.

Campaign Chairman Donald G. Cochran praised the citizens of Holland area for their generosity. "The citizens of this area have truly qualified for the coveted 'E' award for Outstanding Citizenship by raising 108 per cent of the \$87,050 goal, based on minimum needs of participating agencies," he said.

Cochran also expressed appreciation for the untiring efforts of over 800 volunteer campaign workers and the fine cooperation of the Holland Evening Sentinel, local radio stations and many other individuals and groups.

James E. Townsend, campaign co-chairman with Cochran, said, "The people of Holland have amply demonstrated their desire to aid those in need through making one annual pledge to the United Fund in behalf of the many human services provided by the 41 agencies receiving support through this one single campaign."

Divisions reporting today follow: "Commercial, Clarence Klaasen, \$11,096.30; retail, Lawrence A. Wade, \$5,651.65; construction, Jack Leenhouts, \$1,812.20; professional, Alfred C. Joldersma, \$2,888; public civic employees, Wilbur C. Cobb, \$6,131.28; industry and utilities, Jay H. Petter, \$60,065.04; residential, Milton Johnston, \$6,444.18.

Nearly all divisions went over their assigned quotas. Division leaders said additional pledges are still to be received. These reports can be brought to campaign headquarters in Civic Center, Cochran said.

Leaders pointed out that the quota was drawn up on the basis of minimum needs for the coming year. Amounts collected over the quota will be kept in reserve for emergencies and unanticipated needs.

GRAND HAVEN (Special) — The Tri-Cities Area Community Chest has gone over the top, collecting \$68,500 or \$2,500 over the \$66,000 quota.

Drive Chairman A. E. Jacobson, Jr., said the success was due to the coordinated effort of 450 dedicated people who aided in the campaign Thursday's total of \$68,500 represented 104 per cent of the quota.

Emmons was the driver of the car which collided with the Allegan Co-op oil truck which Richardson was driving. The vehicles collided head-on on the Trowbridge Dam Bridge.

Meat Grading Case Bound to Circuit Court

GRAND HAVEN (Special) — The National Family Co-Op of Grand Rapids through its co-partners, Russel Ochsankhel and Charles Thomas, was bound over to Circuit Court following an examination in Municipal Court this morning on charges of using standard grade beef instead of choice beef.

The firm was released on its own recognizance to appear Jan. 11. The alleged offense occurred May 24 when a standard grade of beef was sold as choice beef to Mr. and Mrs. Theodore Kragt, 498 East Lakewood Blvd., Holland, who earlier that month subscribed to a food plan involving a freezer and a certain amount of meat.

Kragt, the first witness called, said the copy of the contract he and his wife signed failed to show a US standard clause, although the original contract showed these words.

Other witnesses called were George Whitehead of Grand Rapids, federal meat grader who explained the eight different grades of meat; Jack Barkel of Domestic Finance Co. of Holland who discounted the contract, and Wallace Van Stratt of the state police scientific crime detection laboratory headquarters at East Lansing.

Complaint against the company was made by Robert Blackburn of the Michigan Department of Agriculture.

Light Snow Results in Slick Roads

Low Reading of 10
Believed New Record
For Nov. 17 in City

Temperatures plunged Tuesday in Holland as another blizzard storm roared into this section of Michigan from the northwest.

Swirling snows failed to pile up any appreciable deposits, but made all city streets slick. Plows were not sent out but three sanders were spreading sand and calcium chloride. City Engineer Vern Serne said calcium chloride is used when temperatures are under 20 degrees. Rock salt on ice is generally effective only when temperatures are over 20.

Weather Observer William De Boer said the low during the night was 10 degrees. By 11 a.m. today it had risen to 14. The 10-degree reading is believed to be a record for Nov. 17 in Holland. A year ago the high was 67.

Hudsonville And Holland Place Four

Fennville Gets Two
And Zeeland One Spot;
Three Repeat from '58

Holland and Hudsonville, both showing fine improvement over last season, each placed four men on the fourth annual all-area prep football team selected today by The Sentinel.

These two clubs showed steady progress throughout the season and the quartet of players of each school were felt mainly responsible for the improvement.

Scott Brouwer, 195-pound senior fullback, leads the Holland selections. After making the all-area team as a sophomore, Brouwer slipped to a second team berth last season, but following his performance this year he is regarded as one of the top fullbacks in Western Michigan.

Three juniors are the other Holland picks. Quarterback Rog Buurma, who directed the Holland attack, earned a spot on the team for his steady work. The 185-pounder has done all of the Holland passing for the past two seasons.

One of his key receivers was 185-pound Ben Farabee, who made several good grabs this season. He also was strong on defense for end runs.

But the defensive gem on the Holland team was 183-pound junior Bob Klaver, who was in on most of the tackles. He played his second season as a regular guard and was also strong on opening holes for the backs.

Two of the Hudsonville players, tackle Jack McDuffee and center Bruce Struik, are repeaters from last year's team. McDuffee, a 6'4", 225-pound senior was the bulwark of the Eagle line while Struik was the best linebacker in the OK League and averaged more than 15 tackles a game. He is 5'10" and 175 pounds.

Ken Visser, 170-pounder who picked up more than 1,100 yards and scored 89 points, won a half-back spot while Art Vredevel, another 170-pounder, was one of the best guards Coach Dave Kempker has coached at Hudsonville. The Hudsonville quartet are all seniors.

Gene Luna, 6'1", 175-pound senior, is the other repeater on the team. A senior, Luna made the club at end again this year because of his strong defensive play although Coach Tom Miller used him at offensive fullback.

Senior John Damanskas, a 6'1", 180-pound tackle, was the other Fennville choice. Coach Tom Miller called him the "best lineman in the Al-Van League."

Little 5'7", 170-pound Bob Elenbaas was the lone Zeeland choice. Elenbaas was a strong runner for the Chix, picking up 413 yards for about six try and made 90 tackles to lead his team.

Brouwer and Visser were second team picks last season while Farabee, Damanskas, Klaver and Buurma each received honorable mention.

Five members of Fennville's unbeaten team were named on the second team. Dave Turner was selected at end while Ray Modrak is a tackle and Hank Barnes a guard. Joe Bedes, the top ground gainer for the Blackhaws, won a halfback spot and Ted Strnad was named the quarterback.

Holland was represented on the second team by center Joe Wiggers and halfback Bruce Van Dyke while Zeeland had tackle Curt De Jonge, end John Roe, halfback Cliff Ter Haar and guard John De Jonge.

Linemen receiving honorable mention were Carl Pandel, Fennville end; Jim De Vries, end; Rich Woltman, halfback; Gary Smith, guard and Chuck Kuipers, tackle, all of Holland; Steve De Windt and Jim Vander Molen, ends, Bill Brandt tackle, and halfback Lynn Allen, Hudsonville and Bob Schrotenboer, tackle, Bob Meyers, center, Ron Bouwman, end, and Chuck Ter Haar and Jim Elenbaas, backs all of Zeeland.

All seven football-playing schools are represented on the first team selections, the first time this has happened in several years. Hillsdale's champions led with seven selections while Albion and Hope each had four. Alma had three choices and Kalamazoo, Olivet and Adrian, one each.

Three charming "senioritas" entertained members of the Woman's Literary Club Tuesday afternoon with tales of their summer adventures and homeland. Two of the senioritas were from Holland—Linda Gordon, Holland Community Ambassador to Brazil last summer and Mary Rottschaefer, delegate to Wolverine Girls' State.

The third in the group was Julia Fernandez, exchange teacher from Chile. Miss Fernandez, in a soft-spoken manner, told of the educational system in her country. The wearing of uniforms by students in the schools eliminates any discrimination, she said. The educational system in the country is comparatively new with the University of Chile started in 1810. There are general schools and specialized schools. The secondary schools prepare students for the professions.

Miss Rottschaefer, who spoke first, was most appreciative of her opportunity to attend Girls' State, sponsored by the Club. She told of events at the session that are helping her to understand the current problems of Michigan a little better. Hamilton Scouter's Leadership Produced 15 Eagle Boy Scouts

HAMILTON (Special) — Jess Kool has retired as Scoutmaster of Troop 33 in Hamilton and he left behind one of the most enviable records ever compiled in the Chippewa District.

Kool, who organized the troop in 1944, has had 15 Eagle Scouts, a record not believed duplicated or surpassed in the district or Grand Valley Council.

He has been in contact with between 250 and 300 boys since he began the troop and held meetings for 10 years in his basement. The troop now meets in a Scout house located near to the Hamilton Community Building which Kool built with the troop committee.

In appreciation for his work, Kool has been presented with a plaque from the Chippewa District. Robert Den Herder, district chairman, made the presentation. Kool will be succeeded by Hollis Spanman.

Kool felt that the reason he obtained the 15 Eagle Scouts was "because the boys stayed in the troop." "The boys will advance when you have a good program to keep them," Kool said.

Four of Kool's scouts received the Gold Country award, which is also a high number for one troop. His troop annually is a 100 per cent to the national Boys Life magazine. Several of the boys are Life and Star scouts.

Allegan Hunter Found

ALLEGAN (Special) — Allegan City Councilman William Whitcomb was the object of an intensive search in the midst of Monday night's blizzard.

Whitcomb was lost in the Zimmerman swamp area southeast of the Williams Bridge after trailing a deer he had wounded late in the afternoon. Darkness fell and caught him in a mucky area filled with treacherous quicksand spots.

His wife reported him long overdue from a hunting trip to Conservation Officer Harry Plotts, State Police and County Sheriff's deputies joined with conservation officers to form a search party which entered the area about 9:30 p.m.

Whitcomb was found at 10:45 by a group of three neighborhood men, Nelson Zimmerman, Ray Thompson and Gus Wilkinson, all of Trowbridge Township.

Rather than take a chance of trying to find his way out of the swamp alone, without a light, Whitcomb had built a fire and settled down to wait out the storm. He was found on a small piece of high ground, next to the river.

Incidentally, he never found the deer he was trailing.

Contractors Turn Over Key for Herrick Library

An informal ceremony took place in the new Herrick Public Library Tuesday afternoon when representatives of the Kreighoff-Lenawee Co. of Adrian, general contractors, turned over the key to the building to Librarian Hazel Hayes in the presence of library board members and city officials.

Tuesday's brief ceremony is not to be confused with the formal dedication which will take place next year after the multi-tiered stacks are installed and furnishings are in the building.

Only a few minor finishing touches remain to be done outside of the multi-tiered stacks which are expected to be installed after the first of the year.

The key to the new library was turned over to Mrs. Hayes by R. J. Ellsworth, an engineer with the Kreighoff firm. After the key was presented, the group toured the new building which was well lighted and adequately heated for a cold stormy day.

City Council is expected to act tonight on contracts for certain furnishings for the new library. The building schedule for the \$325,000 library, the gift of Mr. and Mrs. Ray W. Herrick of Tecumseh, adhered quite well to the original outline despite a five-week carpenters' strike which halted progress earlier in the year.

Youthful Jail Escapee Found

GRAND HAVEN (Special) — A 16-year-old youth who escaped from Ottawa County jail Tuesday night was found at 10:45 a.m. today hiding behind some bales of hay in a barn on the Peter Van Agtmael farm three miles south of Grand Haven. The youth was apprehended by Sheriff Bernard Grysens and Van Agtmael.

The youth, who is of slight build, slipped out of the booking cell where he was being held for juvenile authorities about 9:25 p.m. Tuesday. He had been returned to Grand Haven last week from Vincennes, Ind., by Juvenile Agent Arthur Olson.

He had been placed in the booking cell because the jail was overcrowded the last several days. Two special deputies were on duty and the sheriff was serving as a standby Tuesday night when the sheriff was called away to notify relatives of the asphyxiation of two local hunters.

Five deputies searched since 6:30 a.m. today. At 9 p.m. a call was received from Hacker Pharmacy on Robbins Rd. which had been entered. Officers followed footprints to the Van Agtmael farm where the youth was found.

At the pharmacy, the youth took \$60 in \$1 bills from a cash register, a wrist watch, billfold, a small earphone radio set, cigarette lighter, pair of gloves and candy bars, some of which he consumed. All other articles were on his person when he was taken into custody.

Last August, the youth escaped from Juvenile Agent Olson who was taking him from Holland to Muskegon to be placed in a juvenile home. Olson and the lad had stopped for lunch and the boy escaped from a rear window of a rest room at a gas station.

PERFUMES OF AUTUMN

The balmy air of summer is full
of delicious fragrances, as more
than one poet has rapturously pro-
claimed. The perfumes that rise
from gardens and meadows are
sweet beyond description. Let it
be noted, however - and with no
thought of detracting from sum-
mer's olfactory glories - that au-
tumn also is a season of fine
smells.

Those that first come to mind,
and perhaps the best of all, are
the perfumes of burning leaves
and firewood. Few scents are more
evocative than these. Few speak
as clearly to the mind's eye.

The faintest whiff of leaf smoke
conjures up visions of raking to-
gether the bright piles, of flames
running at the edges and leaping in-
to the twilight, of the glowing core
suddenly obscured as new baskets-
ful are heaped atop the old. And
the smell of wood smoke fills the
mind with recollections of hearth
fires; all the pleasant associations
- friendly warmth, ruddy flickering
light, good companions - come
flooding in.

There are other wonderful fall
perfumes. The scent of sun-warm-
ed apples is not to be scorned, nor
that of pumpkin pies cooling at the
window. Yet such as these are
not required when one argues the
case for the quality of autumn
fragrances. Leaf smoke and wood
argue on their own.

NUMBER TWO JITTERS

Presidential aspirants take off
like startled fawns when anyone
suggests that they might be good
vice presidential material. This is
not surprising, since the vice pre-
sidency is historically a poor spring-
board to the White House, and
since vice presidential talk has
been the ruin of many a hopeful.

It is interesting to note what
pains both Gov. Nelson Rockefeller
and Sen. John F. Kennedy have
taken to assert their lack
of interest in the Number Two spot
on their party tickets. It also is
worth noting that situations differ
greatly.

Rockefeller could refuse a vice
presidential nomination and, as
governor of a powerful state, re-
tain a good chance at the presi-
dency. For Kennedy, despite his
youth, 1960 probably will be a now
or never year. If the vice presiden-
tial flag is handed to him, he is
likely to accept it, albeit with some
reluctance.

Sunday School
Lesson

Phillip, Willing Evangelist

Acts 8:4-6, 26-38

By C. P. Dame

(Based on copyrighted outlines

produced by the Division of Chris-
tian Education, National Council of
the Churches of Christ in the
U.S.A. and used by permission.)

God often uses the wrath of men
to praise him. This fact is clearly
revealed in this lesson and in other
parts of the Bible and made known
by history. This lesson shows us
that evangelism is important.

I Persecution often brings bless-
ings and growth to the church. The
death of Stephen was followed by
a fierce persecution and many
Christians fled from Jerusalem and
preached wherever they went.

Some went to the island of Cyprus,
and others to Antioch. Philip the
Evangelist, one of the seven dea-
cons, went to Samaria. Jesus had
visited Sychar in Samaria and had
won converts.

The Samaritans were a mixed
race, they were the descendants
of the Jews who had been left in
Palestine after the Assyrians had
conquered it, and the heathen
whom Sargon, the Assyrian king
had brought there. They believed
in the five books of Moses, prac-
ticed circumcision, observed the
Sabbath, kept the Passover, looked
for the Messiah, and worshipped
in a temple on Mt. Gerisim. The
Jews hated them and by-passed
Samaria if they could. Philip the
Christian Jew went to Samaria
and "preached Christ unto them"
and many believed. The preaching
of Philip in Samaria was a for-
ward step the church made.

II Sometimes God gives strange
orders. Philip, the deacon-evangel-
ist got one from God. The Lord's
angel told Philip who was enjoy-
ing great success in Samaria and
winning many converts to leave
that city and go to a road in the
desert. Although the command
may have puzzled Philip, he "arose
and went." Philip was obedient
and learned that obedience pays.

In the desert he saw a man rid-
ing in a chariot reading-it was
the minister of finance from Ethio-
pia who was returning from Jeru-
salem where he had attended a
Jewish feast. The man was a
Jewish proselyte and he had
travelled 1200 miles in order to
worship God.

The Holy Spirit told Philip to ap-
proach the man who was reading
from the Book of Isaiah, the fifty-
third chapter, which tells about the
atonement of Christ on the cross.
The Ethiopian confessed that he
did not understand what he was
reading and that he needed some
one to interpret for him.

He did not know that God had
sent Philip to do that. Philip grasped
the opportunity to explain and
talked to him about Jesus of whom
Isaiah had written centuries be-
fore. Philip got right to the point
and said that Jesus had died for
sinners.

III. Preaching Christ wins con-
verts. As the evangelist and the
treasurer were going through the
desert the Ethiopian saw water-
evidently Philip had said some-
thing about baptism-and he in-
vited him to baptize him. Philip
told him what the requirement was
- to believe in Jesus Christ. The treasurer made
his confession by saying, "I be-
lieve that Jesus Christ is the Son
of God." Philip baptized the seek-
ing man and it is recorded that
he went on his way rejoicing.

Philip had led another person to
Christ and thus had brought joy
to him and we may be assured
that the Ethiopian presented Christ
to his friends in Ethiopia and per-
haps even to the queen, Candace,
whom he served as secretary of
the treasury. The winning of this
Ethiopian was another forward
step on the part of the early
church. We are living in a time in
which the Church should take other
forward steps.

Hope Completes 8-1 Grid Season

Dutch Tounce Ohio, 32-6 In Finale

Duplicating its best mark in history was the accomplishment Hope College's football team achieved Saturday afternoon with a 32-6 trouncing of Ohio Northern University on a muddy field at Riverview Park before 2,500 cold fans.

The one-sided victory, achieved in the first meeting of the two clubs, gave Hope an 8-1 record, identical to last year's mark for the best two seasons in history.

Coach Russ De Vette was able to use his entire team, including 13 seniors who were making their final appearance, in the annual Mom and Dad's game. A total of 47 Hope players saw action.

Hope scored the first time they had the ball and completely dominated the play throughout in the fifth game this season that Hope has been forced to play under adverse conditions. The snow had been plowed off the field and it was a field of mud between the 40-yard lines. Many of the players on both teams were thoroughly mud-soaked and several took spills and slid through the mud.

Ty Rupp sneaked between guard and center for 11 yards and the first Hope touchdown with 5:46 to go in the first quarter. The TD climaxed a 73-yard drive. Bill Huijbregtse missed the conversion.

Jerry Hendrickson raced 66 yards the next time Hope got the ball for the second touchdown. The play was a double reverse and Hendrickson hugged the sidelines, getting key blocks on the jaunt from end Ron Boeve and guard Bill Huijbregtse. The touchdown gave Huijbregtse 54 points for the season, topped on the club. Huijbregtse missed the conversion with 2:34 left to give Hope a 12-0 quarter lead.

Ohio Northern drove to the Hope 18 in the second quarter but quarterback Herb Strayer fumbled on the 30 and Boeve recovered. Quarterback Paul Mack then sailed a 39-yard pass to Hendrickson and followed it with a 22-yard pass play to Boeve.

Three running plays later Duane Voskuil dashed seven yards off tackle to score with 1:17 left in the period. Huijbregtse converted to make the score 25-6 at halftime. Although Voskuil picked up 497 yards this season to lead Hope, the touchdown was his first of the year.

Ohio Northern scored its lone touchdown with 4:17 left in the third period. Moving from their own 34, the losers were home in 10 plays with Strayer going the last nine. Doyle Foulitz missed the extra point.

Later in the period, Vander Woude and end Rowland Van Es fell on a loose ball on the Northern 21 and on the next play Jim Shuck scooted around end for the touchdown. Mack's pass for the extra point was incomplete.

Hope, aided in a 30-yard pass from Howie Glupker to Hendrickson to the five-yard line, drove to the Northern one but failed on fourth down.

After Northern failed to gain, they punted to their own 28 and two plays later Glupker hit Jon Schoon with a 21-yard pass for the touchdown. Gene Van Dongen converted to complete the scoring.

Hope gained 308 yards in the game 196 on the ground and 112 in the air on four completions in 13 passes. Northern had a total of 133 yards. Hendrickson led the Hope rushers with 79 yards in six carries while Voskuil had 53 yards in 12 carries. Foulitz led Northern with 60 yards in 20 carries.

10 Seniors Cited for Achievement

Ten seniors of Holland High School have been cited for outstanding performance on the National Merit Scholarship Qualifying Test (NMQST) last spring. Each has received a formal "Letter of Commendation" from the National Merit Scholarship Corporation.

Girl's Counselor Gladys Wiskamp announced that the seniors so honored are Nancy L. Klopfenstein, Ronald Jay Blauwkamp, Valdis Grants, Barbara A. Huizenga, Richard L. Vukin, Theodore M. Reuschel, Carol L. Peeks, Paul A. Rowgo, Peter Schwarz and Virginia Allen.

John M. Stalnaker, president of the National Merit Scholarship Corporation, said letters are being sent to some 27,000 students from all over the United States in recognition of high performance on the merit test. "While these bright youngsters did not achieve the status of semifinalists in the 1959-60 merit program, they are so outstanding that we wish to single them out for special attention. We send these letters to provide tangible recognition of superior ability, and it is our earnest hope that the recipients will continue their education, and thus benefit not only themselves but the entire country," he said.

The "commended" group is among the 550,000 high school juniors from 14,500 U.S. schools who took the NMQST last spring. The test, a three-hour examination covering five separate areas of educational development, was the first step in the 1959-60 Merit Program to be climaxed about May 1, 1960 with the announcement of the Merit Scholars.

The National Merit Scholarship Corp. gives recognition to two groups of students who achieve high scores on the National Merit Scholarship Qualifying Test. The top scorers in each state, prorated according to the number of graduating high school seniors in the state, are named semifinalists and take a second examination in December to further establish their eligibility for Merit Scholarship consideration. Students in the commended group (27,000) are selected on a national basis without regard to the high school population of the state.

Miss Gesine Van Munster was united in marriage with John G. Horsting in a double ring ceremony when the Rev. J. Herbert Brink read the rites at the Sixteenth Street Christian Reformed Church Oct. 22 at 8 p.m.

The bride was given in marriage by her father amid decorations of palms, candelabra and two bouquets of white mums and yellow pomspons.

Mr. and Mrs. Harm Van Munster, 279 West 22nd St., and Mr. and Mrs. Peter Horsting, 52 West 17th St. are the bride and groom's parents, respectively.

Miss Van Munster selected a floor-length gown with a white lot empire bodice and long lace sleeves. The scalloped sabbina neckline was delicately trimmed with sequins and pearls. Her full gored skirt was bordered at the empire waistline with a back bow and large flowing back panels trimmed with lace medallions. Her elbow-length veil fell from a crown trimmed with sequins and pearls. Her bridal bouquet was composed of white carnations backed with greens.

The bride chose Mrs. John Van Munster to be her maid of honor and Miss Tena Horsting was her bridesmaid. The maid of honor's gown was cut to ballerina-length and was designed with white lace over mint-green taffeta. Her matching green chiffon yoke eased into back flowing panels. Her matching clip hat held a circular veil and she carried a bouquet of white carnations and greens.

Miss Horsting's gown was styled identically to that of the maid of honor's but the white lace was

set over yellow taffeta. She also carried white carnations.

Mrs. Van Munster selected a brown print dress for the daughter's wedding and the groom's mother wore a green jersey dress. Both wore corsages of yellow roses.

The best man Jerry Horsting assisted his brother and the bride's brother John Van Munster was the groomsman. The ushers were Harry Van Munster, the brother of the bride, and Gerald De Vries.

Miss Kay Cnosson was the organist for the wedding and accompanied Don Lucas, the soloist.

Start Now To Plan for Yule Mail

Get Stamps Early;
Revise Christmas
Mailing Lists Now

Acting Postmaster Kenneth E. Scripsma today announced his annual "Mail Early for Christmas" campaign and outlined plans for insuring delivery of all Christmas gifts and cards by Christmas Eve.

"We have found from past experience," the postmaster said, that the two biggest factors in successfully handling the Christmas mail rush are, first, to get our post office facilities into high gear from every standpoint, and second, to have full cooperation of the mailing public.

It's not too early to check Christmas gift and card lists carefully making sure that each address has full name, street and number, city, zone and state. It's also a good idea now to stock up on heavy wrapping paper, sturdy corrugated cartons, strong cord and paper adhesive tape to insure secure packing and wrapping of Christmas gifts. Stamps should be purchased now before the rush and thus avoid last minute Christmas mailing headaches.

Christmas mail in Holland this year will probably exceed last year's all-time record of 2,226,000 pieces handled in the pre-holiday season.

The post office provides free labels which read "All for Local Delivery" and "All Out of Town Delivery" so that Christmas greetings can be separated into two groups before they are mailed with addresses all facing one direction, thereby facilitating handling and delivery.

Scripsma recommends using four-cent or seven-cent air mail postage on greetings. This permits handwritten messages on cards. More important, they are sent first class, and subject to forwarding or return service, if necessary, whereas cards mailed at the three-cent rate may include only the signature and will not be forwarded or returned.

It is not only socially correct but extremely helpful to both the post office and those on your mailing lists to include your return name and address on every Christmas card envelope.

Scripsma said cards and gifts for most distant points should be mailed first. Special effort should be made to get all-out-of-town packages and cards into the post office by Dec. 10. Those for near-by points will arrive before Christmas eve if mailed before Dec. 15.

Miles Baskett Gives Paper at Chapter Meet

"The Adams Papers" was the title of the paper read by Miles Baskett at a regular meeting of the Holland Chapter, Sons of the Revolution, Monday evening at the home of Regent Edwin Ensfield of Ganges.

The paper covered a period of from 1778 to about 1900. These papers, of historical value for their detail and authenticity, were the result of an obligation the various generations, beginning with John Adams, felt in documenting historical events and characters.

Lunch was served by Mrs. Ensfield.

COMPILE 3-4-1 SEASON RECORD — Zeeland High's football team finished the season with a losing record this year, but Zeeland fans saw lots of fine football, and Coach Jarold Groters was pleased with the performance of his squad in many of the games. Team members are (left to right) Front row: John Roe, Curt De Jonge, Herb Boersen, Bob Meyers, John De Jonge, Bob Schrotenboer, Ron Bouwman; Second row: Monte Overweg, Dave Schaap,

Zeeland High's Football Team Compiled 3-4-1 Record

ZEELAND (Special) — "A basically good ball club that just didn't improve fast enough," was the way Coach Jarold Groters described his 1959 Zeeland High football team.

After an opening game setback, the Chix seemed to have hit their stride, winning three of their next four games and tying one. But the Zeelanders sagged in the last half, lost the last three games, and finished the season with a 3-4-1 record, well out of the running for the Keweenaw League crown.

The Chix crossed into pay dirt as many times as their opponents, with 17 touchdowns for the season to the same number of their foes. But Zeeland lost out in conversions, 7-10 to compile a season record of 109 to 112 for the opposition.

In first downs, the Chix were also on the short end, 69-84, with only 46 by rushing. Through the air, Zeeland picked up 19 first downs to 13 for opponents.

The Chix had problems in controlling the ball. They ran only 352 offensive plays to 426 for their opponents. When they held the ball, they averaged better than 5 yards per offensive play to 4 1/2 for the opposition.

Oddly enough, fumbles, intercepted passes and punts were about even in number both for and against the Chix, and penalties were almost a standoff. But Zeeland had trouble sustaining drives, were stopped too often on key plays, and lost the ball frequently on fourth down.

Paul Nyenhuis, Dave Schipper, Carl De Kleine, Ron Zylstra, Tom Posma; Third row: Willard Van Harne, Wayne Veneklaasen, Wayne De Vries, Chuck Ter Haar, Bob Elenbaas, Chuck Zuverink, Ken Baron; Fourth row: Coach Jarold Groters, Manager Harvey Ten Broeke, Ron Glass, Del South, Ed Hall, Jim Elenbaas, Cliff Ter Haar, Dave Arendsen, Manager Dick Zwijghuizen, Assistant Coach George Van Horne. (Kasten photo)

Individually, Zeeland got fine performances from its backfield members. Junior Ron Glass led ground gainers with 582 net yards, or 8.4 per carry. Senior Bob Elenbaas ran for a 6.4 per try average, and senior Cliff Ter Haar hit 4.9.

Sophomore Chuck Ter Haar did most of the quarterbacking and passed 84 times with 49 completions for 523 yards and a 58.3 per cent average. Senior Ed Hall hit on five out of ten for 28 yards.

Ter Haar found two good receivers in ends John Roe and Row Bowman. Roe, a 6' 4" 194-lb. junior will be a leading target for Ter Haar's aerials next year.

Defensively, the Chix were spotty, and while the performance looked good on paper, the line wasn't

stiff enough in late season, as Fremont and Comstock Park racked up 26 points and 20 points respectively in the last two tilts.

But Groters was pleased by the promise shown by underclassmen Bob Meyers, Dave Arendsen, Bob Schrotenboer, and Paul Nyenhuis, who teamed with seniors Dave Schaap, Del South and Curt De Jonge to make up the Chix' forward wall. Meyers and Schrotenboer missed half of the season because of injuries.

Bob and Jim Elenbaas, Chuck and Cliff Ter Haar and Glass made many tackles as linebackers.

Groters will lose nine of his 29 man squad by graduations in June. George Van Horne is assistant coach to Groters, and Ron Harterink kept the team statistics.

400 Children Enjoy Concert at Civic Center

About 400 children enjoyed the Children's Concert held at the Civic Center Monday afternoon at 3:30 p.m. Highlight and favorite number was "Tubby the Tuba" by Kleinsinger.

Robert Smith of the Hope College Speech department narrated Robert Schout was the tuba soloist with the Hope College Orchestra. The children were completely fascinated with the story of the tuba that wanted to play the melody in the orchestra.

Dr. Morette Rider, Hope College symphony conductor introduced the children to some of the less well-known instruments in the orchestra. The French horn was featured in the third movement of Mozart's horn concerto. The bassoon, sometimes called the musical bedpost, was starred in the "Mummers." The children were impressed with the cost of the contra-bassoon. The cost was compared to 32,857 ice cream cones or two cones a day for 45 years.

The percussion instruments were demonstrated in "Midnight Beguin" by Grundman. The audience participated in two of the numbers by singing "America the Beautiful" and "Home on the Range."

Creative drawings done in the children's school rooms while listening to musical tapes were on display in the auditorium and will be displayed at the Holland Public Library and various stores.

Working on the project were members of the AAUW, Mrs. D. K. O'Meara, chairman; Dr. Rider, Mrs. Donald Brown, Mrs. Robert Sessions, Mrs. Robert Horner, Mrs. Stuart Padnos, Mrs. George Wedel and Mrs. Donald Cochran.

Holland Wallops GR Central, 19-7

GRAND RAPIDS (Special) — It was a cold but lucky Friday for the Holland High football team as the Dutch ended the season with a 19-7 mark by rolling to an easy 19-7 victory over Grand Rapids Central before only 250 snow-covered fans at Houseman Field.

Holland stuck almost entirely to a ground game and dominated play throughout on the icy, snow-covered field. The win gave Holland a final 44-1 record for the season.

Most of the game was played in snowfall with temperatures in the 30s. At the half, snow covered the entire field, completely obscuring the yard-line markers.

A few more fans—about 8,000—were expected to be on hand tonight at Houseman Field to see Grand Rapids Catholic Central and Muskegon Catholic clash for the mythical state title.

Again it was Scott Brouwer, a candidate for all-State honors, who stood out on offense for the Dutch. The strappy senior fullback slashed through the Central line for consistent gains, especially in the second half, in playing one of his finer games.

Holland recovered a Central fumble six plays after the opening kickoff, and six plays later the Dutch moved the ball from their own 33 to Central's 48. A pass interference gave Holland the ball first and 10 on the Central 42.

Rich Woltman ran around the right side to the 30-yard line for Holland's second first down and halfback Bruce Van Dyke picked up another by crashing through the left side down to the 17. Woltman then carried another 10 yards to the seven.

Three plays and two off-side penalties moved the ball back to the 13 but Van Dyke, running from a double-wing, broke through and raced into the end zone for Holland's first score with 3:30 remaining in the first quarter. The attempt to run the extra point failed.

Holland had possession of the ball throughout most of the second period but could not capitalize on a fumble and was kept deep in its own territory because of penalties. Wayne Root broke through the Central line and recovered a fumble on the Dutch 10 but seven plays later Brouwer dropped the ball and Tom Lane recovered for Central on the Holland 44.

The Dutchmen succeeded in holding off several attempted drives by Central fullback Tom Rijnmaster and again recovered a fumble on the 27 but failed to move the rest of the half which ended with Holland leading 6-0.

Van Dyke returned the third quarter kickoff 50 yards to the Central 40. An offside penalty moved the ball back to the Holland 49-yard line four plays later, but then Brouwer, bowling over the defense on both sides on two end runs, drove down to Central 26. Woltman raced around right end for another first down to the 12-yard line.

A one-yard loss on the next play placed the ball on the 13, but Brouwer, after taking the handoff from Rog Burma, crashed through left tackle and carried the ball over the goal line to give Holland a 12-0 lead. The touchdown came with 7:41 remaining in the third period. Woltman's kick for the extra point bounced off the cross-bar and was no good.

Central finally broke into the scoring column with 1:04 remaining in the third quarter when halfback Tom Otterbridge raced around left end from the Holland 11 into the end zone. Central had driven from its 39-yard line in 13 plays. Rijnmaster kicked the extra point to make the score 12-6.

The final score came with 3:29 left to play in the final quarter after Holland, sparked by Brouwer's drives through the middle and Woltman's end runs, moved the ball to the Central 49-yard line.

Brouwer then decided to try a run around right end and added two touchdowns as he broke free on the 39 and raced all the way for the touchdown. Woltman ran the extra point around the right end.

Coach B. Hinge used almost his entire bench in giving 32 seniors a chance to play in their last high school game.

Ford Swamped With Visitors

A total of 65 persons, a record so far this year, called on U.S. Rep. Gerald R. Ford, Jr. in his mobile office downtown in Holland Thursday afternoon and evening.

It was the 25th visit in the Congressman's seven-week tour of Michigan's 5th district (Kent and Ottawa counties). Ford is in Holland today. Monday he will be in Standale and the tour ends Tuesday in Wyoming.

Many persons stopped just to greet the Congressman but most persons consulted him on specific questions. Some young people were interested in appointments to West Point, Annapolis and the Air Force Academy and parents of some academy students also called.

There were four or five persons seeking advice and counsel on the Holland Harbor hearing scheduled for Dec. 2 and eight visitors on post office matters. Others sought information on social security, veterans administration, and legislative matters.

"I consider the day in Holland very helpful in that I received many constructive comments and suggestions," Ford said.

Strong Finish Gave Holland Reserve Team Winning Year

Holland High reserve team football coach Tom Carey lists his 1959 club as one of the most improved squads at season's end that Holland High has seen.

And the record seems to bear this out. The Holland JV's, after winning their first game lost three in a row, and seemed destined for a mediocre year.

But the steady hammering away at the squad's weak spots at the practice sessions paid off handsomely, as the little Dutch swept their last three games, scoring 90 points to their opponents' 18 and winding up the year with a 4-3 mark.

Ford Praises Eisenhower For Strong Leadership

In addressing the Holland Rotary club Thursday, Cong. Gerald R. Ford, Jr., said Congress in 1959 had a "middle of the road" rather than a "liberal" record because of President Eisenhower's vigorous and effective leadership.

Other contributing factors Ford listed were (1) the improved economic conditions in the United States in 1959, (2) the solidarity of the Republicans in the House and Senate who stood shoulder to shoulder with President Eisenhower on major issues, and (3) the public which in 1959 demanded action on labor reform legislation and fiscal responsibility.

Ford said, "The Congress as a whole can only claim responsibility for economy and reductions in spending because President Eisenhower vetoed the wild spending proposals of the Democratic party. It was the President's insistence on economy and the support given him by the Republicans in the Congress that saved the U.S. Treasury from bankruptcy."

Ford stoutly maintained that the Griffin-Landrum labor-management reform bill is constructive legislation because (1) it will protect the rights of the individual

union member, (2) it will equalize the bargaining position of small business and large will finance unions, and (3) it will protect the interests of the public.

"The labor reform law was enacted because the public demanded action. Sen. McClellan's committee exposed union officials who had abused their authority," Ford said. "President Eisenhower in his nationwide appeal for action prodded Congress to vote for reform legislation that will clean up conditions which are a disgrace to America."

Ford emphasized that the Griffin-Landrum labor reform bill is not punitive. "It will help the working man, the small businessman and the public since it (1) restricts secondary boycotts, (2) bans 'blackmail picketing', (3) bans 'hot cargo' clauses, and (4) remedies the 'no-man land' jurisdictional problem."

"In 1960 the United States can maintain its world leadership by supporting President Eisenhower's policies at home and abroad. 'The Congress next year has an obligation to assist the President in his efforts to maintain world peace and strengthen our prosperous economy at home,' he concluded."

PTA Council Airs Problems

Members of the Holland Area Council of Parent-Teacher Associations had an overall look at education Thursday evening when they heard Pieter J. Merkelijn from Hollandia, Netherlands, New Guinea, who gave facts from another world. Mrs. Edwin Blakelee who represented Region 3 of Michigan and Supt. Walter W. Scott who narrowed the field to local problems.

"Education in New Guinea" with the Papuans is of such a different nature, the first speaker said. The mortality rate is so high and few children live long enough to get any kind of an education. The real education is more of a self-preservation nature than preparing for high schools or universities. But recently with missionaries and education working with these people—supplying food and medicine, the population is increasing and education of a more formal nature is being introduced.

Mrs. Frank Working, program chairman, introduced Mrs. Blakelee, regional vice president from Region 3, Benton Harbor, who emphasized the importance of public relations in the community. The PTA works with the church, school, family and community for a better society, she said.

Mr. Scott said that during American Education Week parents have every opportunity to really learn how their investment, by means of taxes in a million and a half dollar corporation, the school, is operating.

Conferences on all levels are being held. He invited the community to visit the board of education's monthly meetings. A progress report for a new high school was also outlined by Mr. Scott.

Problems and suggestions were aired concerning local PTA meetings, their function and improvement.

A smorgasbord dinner was served by the St. Anne's Guild of Grace Church, Mrs. Earl Waters, chairman. The Rev. William C. Warner opened the meeting with prayer. Mrs. Donald F. Brown, council president, presided.
