## Industrial Park Plans Discussed

Plans for a proposed industrial park for Holland in the Apple Ave. area were well received at a meeting of the Apple Avenue PTA Tuesday night, attended by some 60 persons.

Long-range plans for developing a 95-acre area south of Pilgrim Home cemetery to 24th St., in time forming an L-shaped area to include the General Electric plant and Standard Grocer Co. were explained by a panel consisting of Clarence Jalving of the Chamber of Commerce, Willard C. Wichers of the Planning Commission and City Attorney James E. Townsend. Councilman Richard Smith, Jr., served as moderator. A Consumers Power film on industrial planning entitled "Blueprint for Progress" was shown.

Development of such a park would include installing the necessary services, roads and railroad spurs. General plans call for six and 12-acre sites. Such a program probably would include formation of a development corporation to acquire land and develop the site.

The industrial park site is earmarked for industrial zoning in the proposed new zoning ordinance currently under consideration by City Council.

The youth admitted taking a .22 cal. pistol in addition to a quantity of cigarettes and about \$60 in change from a cigarette vending machine, Hemple said.

Hemple said the youth was being referred to probate authorities.

A second 16-year-old Holland youth was also referred to probate court for disposing of stolen property. Hemple said he allegedly bought and sold the pistol taken in the break-in at the restaurant.

## Bright Object in Sky Was Weather Balloon

Reports of a rotating object in the eastern skies early today led to considerable speculation until an Air Force spokesman in Washington announced just before noon that authorities have agreed that the object seen over the Midwest before dawn was a balloon launched in connection with the new satellite, Tiros II.

In Holland, three milkmen working independently reported seeing the rotating object shortly after 6 a.m. and saw it disappear over the eastern horizon 6:20 a.m. They compared their stories over mid-morning coffee. Seeing the lights were Harold Kronmeyer, Harold Boss and William Schaap.

In Grand Haven, state and city police received a number of calls regarding lights in the sky, some as early as 3 a.m. Some state police troopers saw strange lights about 3 a.m. while cruising. Paul Kosch of Robinson township reported a strange light in the east

around 6:30 a.m. Conclusion that the phenomenon was a balloon was reached after Air Force authorities at the Pentagon, at the North American Air Defense Command at Colorado Springs, Colo., and Trux Air Force Base in Madison, Wis., conferred by phone.

The high altitude weather balloon was sent aloft from Sioux Falls, S.D. Before the Air Force report in Washington, other authorities had speculated that the mid-west reports of the unidentified object may have been the early sun reflecting from the balloon.

The seeming speed of the object raised some question about the balloon theory. However, Air Force authorities at Trux said that it apparently got into a jet stream to account for this.

The previously unidentified object soared over the Midwest before dawn and was seen by airport towers and other observers from Ohio to Wisconsin.

## Gifted String Orchestra Performs at Civic Center

Concert goes Monday night, agreed with the late Olin Downes, celebrated music critic of the New York Times, when he said of the Societa Corelli it was "a remarkable organization of players of stringed instruments." The famed Italian string orchestra lived up to its reputation in the second concert of the Civic Music Association in the Civic Center.

Featured as soloists were Selvino Zuccarini, cellist, and Mirella Zuccarini, pianist. The rest of the orchestra is made up of Lando Cianchi, Gilberto Crepaldi, Will Eisma, Luigi Gamberini, Giocundo Giotto, Italo Gomez, Anna Scala Maronna, Aldo Redditi, Adriana Wilhelmina Reeser, Anita Rizzo and Giovanni Zanardi.

For their first number these gifted instrumentalists, all fairly young, played "Concerto Grosso" by Corelli, one of the accepted masters of the 17th century, for whom they have named their orchestra. The distinctive feature of the Concerto was the division of the orchestra into two divisions — the small solo "concertino" and

the tutti or "repieno." Antonio Vivaldi's "Concerto for Violin, Cello, Strings and Cembalo in F Major" was the second number on the program. In the three movements the orchestra demonstrated the virtuosity of this early 18th century composer.

Silvano Zuccarini was cello soloist for the third number "Concerto for Cello and Strings in A Major," by Giuseppe Tartini. The depth of his playing provided an unusual treat for the audience.

After an intermission, the orchestra returned for the two final numbers. "Concerto for piano and strings in D Minor" by Bach, perhaps more familiar to the audience, was enthusiastically received. Mirella Zuccarini was brilliant as she played the solo and swept the strings along.

Finale was the "Simple Symphony" by Benjamin Britten, contemporary English composer. More lively than the previous numbers, the pizzicato movement was especially delightful.

Several curtain calls brought the orchestra back for encores.

effort to free the battered old cruise ship. The tugs were joined by a truck employing a winch tugging at a cable from the stern of the vessel. Through their combined efforts, the stern of the ship was moved approximately 30 feet laterally before the

ship-to-shore cable snapped. The Alabama is being moved to Brewer's City Coal Dock where it will be dismantled. The vessel was sold earlier this fall to Ted Brink of Saugatuck.

## Four Veterans Lead Christian

Four lettermen will form the nucleus of the 1960-61 Holland Christian basketball squad which opens its season in the Civic Center next Friday night against Hudsonville Unity Christian, the first of a 17 game schedule.

There is an air of optimism in the Maroon camp this season as Christian looks ahead to a rough schedule of class A and B foes. Coach Art Tuls, who begins his 15th season at the Maroon helm, shares the same feeling but is cautiously pointing out a good many "ifs" connected with any ball club before the season opens.

Tuls said, "If everything goes as we hope the team continues, to progress, we hope to have a strong team." He quickly points out, however that pre-season estimates of Maroon foes show that almost everyone is expected to be stronger this season.

Although four vets are back, it doesn't mean that all have clinched a starting berth. Tuls said, "Competition is unusually keen at all positions," he said. The four returnees are Frank Visser, 6'5" center, Doug Windemuller and Tom Bouman, a pair of 5'10" guards and Ken Diselkoe, a 6'2" forward. All are seniors and either started last season or saw plenty of action in each game.

The remaining members of the 13 player squad are made up of members from the reserve squads of the last two seasons. Last year's reserve outfit compiled a 16-2 mark and is sending some good potential to the varsity squad. Juniors vying for spots in the Maroon forward wall are Clare Van Wieren, 6'3" forward and Paul Steigenga, a husky 6'3" center. Another senior who didn't play basketball last season is Harold Diepenhorst, a rugged 6'3" forward. Jim Langeland, a 6'4" center, Gerard Vander Wall, a 6' forward and Don Klaasen, a 6', are three more juniors working out in the front line.

Tuls has a problem at the guard spots, but it is one which every coach likes to have. Five boys are working out in the back line and all are looking good. Tuls said both Bouman and Windemuller have the edge from the experience standpoint, but are being pushed hard in all departments by Jim Fredricks, at 5'11" and Paul Tuls at 5'10", both juniors. Ned Meurer who played reserve ball two years ago is also working hard in the back court.

The Maroon mentor points out that it is going to be a difficult job to pick five starters and that it appears now as if nine or 10 of the boys are going to see a great deal of action. Although he is carrying 13 boys at present, he said it is highly probable that he will make one more cut next week.

Christian has one more opening for a game and Athletic Director Raymond Holwerda is still trying to line up one more foe. Three foes, South Bend St. Joseph, Grand Rapids Creston and University High of Kalamazoo have decided to cut games with the Maroons this season. South Bend and Creston cancelled entirely while U-High will play only one game. Holwerda has managed to replace two of the dropouts with Ludington, a perennial class B powerhouse and last year's semi-finalist. The Maroons will play two Saturday afternoon affairs and one Monday afternoon tilt, the annual New Year's Day game with Muskegon Christian.

Christian's complete schedule includes:

Nov. 25 — Hudsonville Unity Christian, home; Dec. 6 — St. Joseph, away; Dec. 9 — Zeeland, away; Dec. 16 — Allegan, home; Dec. 23 — Ludington, away; Dec. 27 — Grand Rapids Christian, away; Jan. 2 — Muskegon Christian, home (1:30 p.m.); Jan. 10 — St. Joseph, home; Jan. 20 — Zeeland, home; Jan. 28 — Ludington, home (1:30 p.m.); Jan. 31 — Hudsonville Unity Christian, away; Feb. 4 — Kalamazoo University High, home (1:30 p.m.); Feb. 7 — Grand Rapids Christian, home; Feb. 10 — Allegan, away; Feb. 17 — Grand Rapids South, away; Feb. 24 — Muskegon Christian, away; March 3 — Portage, away.

Vander Woude, 6', 185-pound fullback was Hope's fine line backer and was ninth in rushing in the MIAA. He had 274 yards in 64 carries. He is 19 and from Randolph, Wis., and has been a regular his three seasons.

Bakker, 23-year-old senior from Chicago Heights, who didn't play prep football, at 220 and 6'4" was the biggest man on the Hope team. He gained a regular offensive tackle berth and opened holes for the off tackle slants.

Truby, 23-year-old senior from South Holland, Ill., played his second season of regular guard. He specialized in "pulling" in the Hope offense and led the interference. Truby was one of the best blockers on the squad and is 6'1" and 210 pounds.

Hope failed to put a man on the defensive team but Hudsonville's Ken Visser, Hope freshman halfback and second in the MIAA rushing, was given honorable mention on the offensive team and senior and co-captain Mike Blough from Caledonia and Fremont sophomore halfback Jim Bultman received honorable mention on the defensive team. Vander Woude was also given honorable mention as a line-backer on the defensive team.

Coach Russ De Vette said today injuries kept Blough off the team. The 21-year-old senior injured his ankle early in the season. He played in every game but saw limited service because of the painful injury.

League champion Hillsdale led with eight selections on the team. The Dales placed four on each unit. Named to the offensive team were tackle Jim Larkin, guard Paul Christo, center Duke Davis and halfback Howard Rodgers. The defensive Dales selections are end Bob Hankinson, tackles Jim Richendollar and Neil Thomas and back Bruce Anderson.

Albion, tied for second with Hope, placed three men. The offensive team selections were end Ed Brown and halfback Jerry Snider while Ray Hoag was a defensive back pick.

Alma, the fourth place team, placed linebacker Bob Norris and back Dave Peters on the defensive team and end Jim Greenlees on the offensive team.

Adrian placed end Duane Kaiser and middle guard Doug Brumbagh on the defensive team while Olivet had linebacker Del Walden on the defensive unit and Kalamazoo placed endlinebacker Jon Labahn on the defensive team.

The offensive and defensive team are considered as one first-team unit and no second and third teams were selected. Larkin and Peters were the two unanimous choices. All of the all-conference players are juniors and seniors.

The most valuable players were also announced and these nominees are eligible for the Randall C. Bosch of Holland award. Bosch has presented the diamond-studded gold football for the past 25 years. Mack is Hope's selection while

Kaiser is Adrian's pick. Brown represents Albion and Davis, Hillsdale. Peters is Alma's choice while Labahn is Kalamazoo's pick and Walden is Olivet's selection.

The winner of the MIAA most valuable award will be announced later and will receive the Bosch award.

Other honorable mentions include: Adrian, offensive: Lee Strittmatter, end; Gil Nanney, tackle; Bob Stevens, guard; John Henderson, quarterback and Bryce Fauble, halfback; defensive: Jim Koresky, line-backer and Herb Schultz, tackle.

Albion, offensive: Mike Krieg, tackle; Joe Schurmer, guard; Dale Springer, guard and Frank Gould, quarterback; defensive: Jon Rise, tackle; Claire Nye, middle guard and Jim Krieder, back. ## Unbeaten Holland Reserves Scored 299 Points This Season

Holland High's reserve football team completed its first unbeaten season this year with a 9-0 mark and scored a total of 299 points which is believed to be a scoring record.

Tom Carey and Carl Selover coached the reserves through the unbeaten season. Halfback Tom Essenburg and quarterback Carl Walters were voted team co-captains.

"I feel we had the boys this year and the desire to win," Carey said. "We had a good line, coached by Mr. Selover, that did an outstanding job of making the holes for our backs."

"When you have the backs, and a good line, and an entire football team with the desire to win you can't help but be winners. We are proud of our team," Carey said.

Tom De Puydt led the Dutch in scoring with 78 points. He scored 13 touchdowns while Essenburg had 68 points on 11 touchdowns and two extra points.

Fullback Chuck De Witt had 42 points while Walters, who made 23 of 35 conversions and two touchdowns, ended with 35 points. Walters threw nine touchdown passes and three aeriels for extra points.

End Mike De Vries had 32 points with five touchdowns and two extra points while the other end, Jerry Baumann, had four scores for 24 points. Tom Elenbaas, Carter Beukema and Tom Alfieri each had one touchdown and Rusty Kempker and Larry Dorgelo made one extra point.

The Dutch averaged 33.2 points a game while the foes scored only 99 points and averaged 11 a game.

Looking over the club, Carey noted that Walters could develop into one of the best quarterbacks Holland has ever had. He can roll-out and pass well, Carey said, and had an excellent pass completion record. He also did an excellent job of playing calling, Carey said.

Essenburg is fast and shifty and could be the speed the varsity

needs in the future, Carey reported. De Puydt was outstanding as middle line-backer and was the leading scorer.

Fullback Chuck De Witt was responsible for many of the team's long runs with his key blocks. "He is the best blocking back I've seen on a reserve team level," Carey said.

Up front, Carey complimented De Vries on "a good pair of hands." "With hard work he could be outstanding by the time he's a senior," Carey said. Beukema and Baumann both developed into fine defensive ends and progressed throughout the season.

Rich Essenburg was outstanding as an offensive tackle and was tough on defense, Carey felt, while Dorgelo and Ervin De Weerd progressed well throughout the season both ways.

At the guards, Ricky Vander Kolk was a good pulling guard but was injured during the middle of the season. Skip De Witt was the most aggressive player on the team

and a good tackler while Jim Hosta played guard on offense and outside line-backer defensively. "He was one of the best blockers on the team and could develop into a fine ball player," Carey said.

Rich Brondyke did an excellent job as center, Carey indicated, as well as Dave Egger who improved considerably.

Other linemen who show promise and who improved throughout the season are: Terry Terpsma, Art Gonzales, Craig Kuite, Al Bosch, Jim Reek, Dave Coburn, Dave Risselada, Ron Ristau, Len Manning, Tom Bolhuis, Leo Murray, Dave Heusenkveld, Phil Weyenburg, Dave Feters and Tom Candee.

Other backs who progressed well were quarterback Gordon Bosch, Kempker, Ed Mahon, Elenbaas, Rich Collins, Rich Cook, Wayne Van Kampen, Alfieri and Danny Williams as line-backer. Louis Gonzales, who showed promise as a back, was injured early in the year.

**GAIN EXPERIENCE**—Although end results did not prove profitable moneywise, valuable experience was gained by this Holland High School FFA group following a corn-raising project begun last spring. Members who participated in the venture were (kneeling left to right)

Tom Harrington, Delwyn Dekker and Hugh Harpre; standing, Stanley Ver Burg, Paul Nienhuis, Lester Veldhof, Jerry Prins, Jim Hays and Dale Heaver. Seated on the corn picker are Al Yates, George Looman Jr., who was hired to pick the corn, and John Kleis.

## FFA Venture Is Helpful To HHS Class

Some valuable lessons have been learned by Holland Future Farmers of America as the result of a project started last May.

At that time the group found a 20-acre plot of land about three-fourths of a mile south of 32nd St. on the old US 31 suitable for use in experimental corn planting.

It was a good clay soil and had a cover crop of clover. Garrell Adler, agriculture teacher at Holland High School, and one of his classes chose 10 acres of ground and planted nine different varieties of seed corn, donated by seed companies.

Frequent spring rains delayed the plowing and planting, but by June 10 the planting was finished. With additional rain, cultivating the fields became difficult, according to FFA John Kleis and Al Yates who worked the corn for the group. As the corn developed it remained small and yellow, but a side-dress of nitrogen produced improvement.

Toward the end of September the FFA members, upon inquiry from farmers, learned that most of them were planning to store the crop, so they decided to sell believing that current prices would be better. The corn crop, harvested Oct. 25, yielded more than 16 tons. However it contained a considerable amount of moisture and the price was reduced.

Although the venture did not prove profitable moneywise, members learned several valuable lessons including the proper time to plant, types of soil and drainage problems as well as gaining experience in acquiring land, legal contracts and borrowing from a bank.

The 5th grade Camp Fire girls of Waukazoo and Lakewood school met at the home of Mrs. Muttie for their 1st meeting on Oct. 17. Oct. 24 we made index tabs for our books. ## Zeeland's 'Four-Horsemen' Gave Chix All-Around Backs

ZEELAND—A modern-day version of the "Four Horsemen" galloped for the unbeaten Zeeland High football team this season and gave the Chix one of its strongest all-around backfields.

The "pony" in the Zeeland stable was 5'4" 170-pound fullback Bob Elenbaas, who was Zeeland's most effective ground-gainer this year.

He was used to grind out the first downs and was instrumental in setting the ball up for touchdowns as he was called on to bring the ball down the field.

Elenbaas carried 108 times this season and gained 616 yards for a 5.7 average. He scored 24 points on four touchdowns.

Sporting an unusual nickname of "Gook," Elenbaas has a disposition that tends to be influential on the team. Coach Jarold Groters said, "The team went the way of Elenbaas. If he was up, the club was up and if he was down, the team sagged," Groters said.

Elenbaas has good reflexes and did a good job of pursuit on defense. He played middle linebacker. He runs low and hard and was difficult to tackle. He was the best blocker in the backfield and was the top tackler on the team.

Groters feels Elenbaas has the qualities of a good college player, probably as a guard. "He is comparable to others who have left Zeeland to play college football," Groters said.

He developed his power running this year and made 136 yards against Ravenna and 128 against Fremont. His low running has been his greatest improvement, Groters felt. He is a C student and was a three-year regular.

His younger brother, sophomore Jim, 5'8" and 170, played right halfback. He scored 12 points and

carried 32 times for 140 yards. He was Zeeland's best receiver on long passes. He caught a 37-yard pass on the first play of the game against Kelloggsville to start Zeeland on its 31-7 rout and executed a 67-yard pass play in the final 20 seconds of the first half of the Fremont game that served to break the Packers.

On the other end of the pass was quarterback Calvin Ter Haar. A senior, Ter Haar threw 96 passes and completed 50 for 823 yards. He threw eight touchdown passes and had five passes intercepted. Ter Haar rushed for 52 yards in 21 tries.

Nicknamed Chuck, Ter Haar was also Zeeland's kickoff man and punter. He kicked off 34 times for 1,100 yards and several were inside booms. He punted 20 times for 623 yards.

Ter Haar scored 50 points on six touchdowns and 12 extra points. Ter Haar is 5'8" and 155 pounds.

Rounding out the backfield was the breakaway member of the quartet, Ron Glass. Another senior, the 6'2", 175-pound halfback led Zeeland in rushing with 693 net yards in 68 carries for 10.2 yards per carry or a first down on every try.

He led Zeeland in scoring with 54 points on nine touchdowns. Glass caught four passes for 65 yards and returned eight kickoffs for 185 yards and a 23-yard average.

The statistics on the backs are based on seven games since the first stringers played only a few plays against West Ottawa Groters said.

Groters will have a tough time replacing his three graduating "horsemen." He'll build around Jim Elenbaas, the lone returnee.

## CONSERVATION

With hundreds of thousands of people traveling around over the state right now there is need for caution and conservation.

Reports indicate that there have been several deaths and bad accidents. The weather has not been the best for the fall deer season in Michigan.

Many, many people have remarked about the careless people who do not take time to use caution and remember the great outdoors will only remain at its best if everyone will practice conservation and caution.

Recently, Dr. John Craighead, the leader of Montana's Cooperative Wildlife Research Unit, has been living rather dangerously in the work he has been directing. He reported at the National Audubon Society Convention, the trapping of 75 grizzly bears that were trapped, anesthetized, tagged, collared, weighed, measured, and examined. This is another work for the cause of conservation.

Reports indicate that the grizzlies had dwindled to a population of a scant 500 to 1,000 in the nation. Early estimates of about a century or less stated that there were 10,000 grizzlies alone in California.

Here are some of the details as reported for each trapped bear. The bear undergoes a cardiogram, dental care and casts, paw prints, tattooing, sampling of sow's milk, and even the attachment of a small radio-transmitter so the bear can be tracked and pin-pointed during his travels. After this operation, the bear wakes up unharmed and continues on his merry way.

A grizzly's diet is 90 per cent wild vegetables. Seldom do these animals kill sheep, cattle, elk or deer, and those that do usually take the sick, weak or wounded. This in itself is a service to the individual animal and the whole herd. Grizzlies are the largest living carnivores. The people of the great out-of-doors believe that they deserve a distinguished place among our North American wildlife. With the scientific information that has been collected it may not be too late to save enough of the grizzlies so that there will still be a few over our great country.

So remember to practice good conservation when you are out in the open. Be sure that you use all the precautions for the safe return home.

Do not be a litter bug either in bush or along the roads or highways.

## Sunday School Lesson

Strength of God  
Ephesians 6:10-20  
By C. P. Dame

The lesson text is from the great epistle of Paul to the Ephesians and from a great chapter of that epistle. The words Paul wrote to the little church in Ephesus centuries ago are as fitting for us as they were for the Christians of the first century. In our battle against evil we need divine strength.

I. God can give us strength. Paul wrote the letter to the Ephesians while he was a prisoner in Rome living in his own hired room. Ephesus was a famous city located on the west coast of Asia Minor. Paul spent more than two years in that wicked city and won converts there. The temple of Diana, one of the seven wonders of the ancient world stood there. The members of the Christian Church in Ephesus had broken with their past, they had lost friends, perhaps jobs and income, and daily they faced hostility, antagonism, and suspicion.

These few Christians differed from the pagans by whom they were surrounded all the time. Paul knew what they had to contend with and that is why he wrote to them about becoming strong so that they would be able to resist the subtle and sinister powers that tried to overcome them.

It was not easy to be a Christian in Ephesus and it is not easy to be a real Christian anywhere today. We are weak in ourselves and therefore Paul tells us to be "strong in the Lord, and in the power of his might." The marginal reading of the Revised Version says, "Be made powerful in the Lord"—let God make you powerful. The words, "Put on the whole armor of God" tell us how to fight the fight of faith. To rely upon our own strength is to fail.

II. Christians face powerful foes. Paul writes about the wiles of the devil. It is old-fashioned to believe in the devil. One of the clever tricks of the devil is to make people believe he does not exist. And some people are gullible enough to believe that. Paul knew what believers face. "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places." Our enemies have superhuman power, they are organized, persistent, determined to gain the victory.

In the recent election the promoters of the "liquor by the glass" were defeated (in a certain city) but they have already announced they will try again four years from now. Christians are engaged in a terrible war against unseen and unscrupulous enemies. Paul tells Christians about the armor they need. The weapons of the past are now practically useless in modern warfare. In the Christian's warfare the weapons which Paul recommends are still effective. They do not change at all.

III. God has provided believers with weapons. All who want to be strong in the Lord must incorporate the following weapons into their armor: truth, righteousness, the gospel of peace, faith, the helmet of salvation, the word of God, and prayer. Some one has called prayer the Christian's secret weapon.

We are summoned to pray not only for ourselves and friends but "for all the saints" for Christians everywhere. It is reasonable to pray in a special manner for the saints who are having a hard time of it—believers in Columbia, Spain, and behind the iron curtain. We are always called to be alert, watchful, for the enemy is ever looking for an opportunity to destroy us. Sleepy, idle Christians do not contribute anything to the Lord's cause.

# Oilers Open Play With Easy Victory

## Zeeland Team Chalks Up 131-107 Win

ZEELAND — Displaying some fine basketball, mixed well with a sparkling of showmanship, Cook's Texaco Oilers opened the season Saturday night with a resounding 131-107 decision over Vander Weide Plumbers before 1,200 fans in the Zeeland High gym.

This year's edition of the Oilers has plenty of class provided by jumping George Brown, George Duncan and Tom London, all ex-Wayne State stars along with Gary Lee of Central Michigan, Herb Lee of Indiana University and Paul Benes of Hope.

London and Benes are 6'10" and they took care of the backboards while Brown, who is 6'8" and another leaper grabbed his share of rebounds along with baskets from underneath and around the key.

Gary Lee, probably the quickest player ever to invade the Zeeland gym, took up where he left off last season with his ball stealing tactics, floor finesse and shooting ability.

Gary Lee and Brown each collected nine baskets while Gary picked up 11 free shots to lead with 29 points. Brown made nine straight free shots for 27 points.

Herb Lee, the ex-Big Ten guard, popped from outside and ended with eight baskets and seven free shots for 23 points. Duncan has developed his ball stealing, dribbling and deceptive faking that Holland fans saw for the first time in the 1952 state Class A basketball semi-finals.

Duncan starred on the Highland Park team. He added six baskets Saturday night and surprised the fans with his relaxed style. He also sank four straight charity tosses for 16 tallies.

London, who can stuff the ball and jump high off the floor, added seven baskets and a free shot for 15 points while Benes had six baskets and a free throw for 13 points.

Ron (Peanuts) Nykamp, hit three longshots for six points while Jack Westbrook, formerly of Lawrence Tech, added four points.

Starting slowly, the Oilers trailed the first few minutes before catching the Plumbers with 6:03 left in the first quarter to tie the score 16-16 all. The Oilers went ahead 23-22 with 3:54 left in the first period and never again trailed.

Playing 12 minute quarters, the Oilers led 35-31 at the end of the first quarter. They pounded in 37 more points in the second period and led 72-61 at half.

The Oilers hit the century mark with 30 seconds left in the third period and finished the quarter with a 100-54 lead. Most of the third quarter the winners enjoyed bulges of 20 and more points.

Dwayne (Tiger) Teusink, former Hope College player, had 22 points for the Oilers while Tom Newhof, ex-Calvin ace had 18 and Jim Kok, also former Calvin player, had 17. Others scorers were: Don Koopman, 13; Tom Talsma, 12; Jerry Hendrickson, 11; Art Kraai, 9; Gary Bykerk, 3 and John Heeres, 2.

The winners made 50 baskets while the plumbers hit 40 baskets. The 230-point total was the biggest combined total ever made in the Zeeland gym and the 131-point Oilier total was the most ever scored by one team.

The Kaiser Kadettes of Grand Rapids entertained at halftime with a baton twirling and precision marching. Betty Kaiser, troupe director, highlighted the show by twirling two fiery batons.

The Oilers will play the Michigan City Steelers Saturday night at 8:30 p.m. in the Zeeland gym. The Indiana crew is reported to be one of the finest teams in northern Indiana.

## Christ Memorial Takes First Win

ZEELAND — Christ Memorial Church whipped Zeeland Lumber and Supply, 82-42 Saturday night in the preliminary basketball game to the Cook's Texaco Oilers-Vander Wiede Plumber game Saturday night in the Zeeland gym.

The winners jumped to a 22-10 first quarter lead and led at half, 39-19. The third period score was 64-29.

Ken (Fuzz) Bauman led the winners with 20 points while Don (Zeke) Piersma had 18. Hal Molenaar added 15. Other scorers were: Ken Elterbeek, 7; Ken Weiler, Ed Mulder and Daryl Siedentop, 6 and Dave Kemper, 4.

Herm Tuls led the losers with 14 while Jim Sinits had eight. Other scorers were: Frank Dionise, Jim Van Dam and Jim Bultman, 4; Al Disselkoen and Carl Wisink, 2 and Jerry De Koster, 1.

# The 1960 Sentinel All-Area Prep Football Team

## Holland Puts 4 on Team; Zeeland, 3

Hudsonville, Fennville Each Get Two Positions; Four Players Repeat

Holland placed four men on the fourth annual Sentinel all-area football team announced today while Zeeland placed three and Hudsonville and Fennville, two each.

The 1960 team proved more difficult to select than any of the previous teams because of the quantity of fine football players in the area this year.

As in other years, the players were selected on their ability against the competition they faced rather than on the relative merit of one player over another. The selections were made by The Sentinel after consultations with coaches, officials, correspondents and fans.

Four of the players named this year are repeaters from the 1959 team, including three of the Holland High players. Quarterback Rog Buurma, end Ben Farabee and guard Bob Klaver were named for the second straight time along with Zeeland fullback Bob (Gook) Elenbaas. The Quartet are seniors.

Tackle John Stam, another senior, is the other Holland representative on the team. Zeeland's other selections are senior tackle Bob Schrotenboer and senior end John Roe.

Clarence Robart, the lone junior on the team, is one of Hudsonville's representatives at guard while quarterback and senior Rog Abel is the other.

Senior quarterback Ted Strnad and linebacker and senior Keith De Zwaan are the picks from Fennville. De Zwaan played guard but was placed on the team for his linebacking ability.

Buurma, Holland's brilliant quarterback, was the choice of everyone in the area. The 6', 200-pound senior was a three-year regular, an excellent passer and field general. He is an honor student.

Klaver, 185-pounder, was a top "pulling" guard and strong defensive man while Farabee, another 185-pounder, was a fine pass catcher and defensive player. Stam, an all-A student, was a rugged 190-pound defender and opened plenty of holes for the Holland off-tackle plays. Klaver was a three-year regular and Farabee and Stam played regular two-and-a-half seasons.

Elenbaas, a three-year Zeeland regular, was Zeeland's bread and butter ballcarrier and set up the Chix touchdowns. Only 5'4" and 170, Elenbaas was a power runner. Schrotenboer, 200-pound senior tackle, was Zeeland's captain and top defensive player while Roe, 6'5", 200-pounder, was the Chix leading pass catcher with 32 grabs for 488 yards.

Robart, 180-pound guard, played defensive tackle for the Eagles and was outstanding both ways, either opening the holes or plugging down the ballcarrier. Abel, 155-pounder, was Hudsonville's field general and passer and was one of the top defensive corner men in the area.

The 145-pound Strnad, a three-year regular for the Blackhaws, has been one of the big reasons for Fennville's 24-straight winning streak. A deceptive back, Strnad performed the option to perfection and was a good runner and passer. De Zwaan, 160-pound senior, was in on almost every Fennville tackle and did a good job offensively.

The selection of three quarterbacks is unusual but these backs were considered the best on their respective clubs.

John Damaskas, Fennville's all-state tackle last season, was shoved into the backfield this year and performed well and just missed repeating as a first team all-area selection. The 200-pound Damaskas is a backfield choice on the second unit.

Four other backs were chosen on the second team. They are Chuck Ter Haar, 155-pound Zeeland senior; Ron Glass, 175-pound Zeeland senior; Don Mc Clow, 165-pound Hudsonville junior and Chuck Klomparsen, 160-pound Holland senior.

Jim De Vries, 190-pound Holland senior, and Doug Billings, 160-pound Fennville senior are the second team ends while 200-pound Bill Brandt, Hudsonville senior, and Hank Barnes, 155-pound Fennville senior are the tackles.

The guards are 165-pound junior Dave Arendsen and 165-pound junior Adrian Merrymann of West Ottawa. Bob Meyers, 195-pound senior, is the center. Barnes, Strnad and Roe were second team selections in 1959.

Receiving honorable mention were: Holland—Gary Smith, halfback; Buel Vanderbeek, guard; Bob Manglitz, fullback; Chuck Kuipers, center and Jack Dozman, tackle; Zeeland—Jim Elenbaas, halfback; Paul Nyenhuis, guard and Tom Postma, end; Fennville—Laddie Mesyar, halfback; Ted Shields, guard; Bill Watts, tackle; Charles Kwiatkowski, end; Jim Jones, center and Bruce Stevenson, halfback; Hudsonville—Bob Allen, end; Ed Don Houston, guard; Larry Boldt, halfback; Don Van Zoeren, tackle;

## Six Lettermen Bolster Holland

Holland High's basketball team, its starting team depleted by graduation, faces a rebuilding job this season and Coach Bill Noyd has six lettermen who will form the nucleus.

Noyd has been drilling his club since Nov. 14 and reports that most of the candidates are still bothered with football. "They still have a lot of football in them and they haven't made the switch to basketball."

Unintentional blocking and bumping has been common in the practices as the gridders try to switch to basketball. Nine of the 16 players on the team now played football this fall.

Noyd was to scrimmage Zeeland today at 2:30 p.m. in the Zeeland gym in the first test for Holland. He is expected to make the final cut following the drill.

A total of 11 boys have made the squad but four others are battling for the one or two others spots on the team. The four hopefuls are juniors Jim Bouwman, 6'1", Ed Millard, 5'7", Duane (Weiner) Wiersma, 5'8" and Jack Vander Broek, 5'8". All are guards and played on the reserve team last season. Vander Broek was hampered with a back injury last season.

Ben Farabee, 6'1" senior center, is expected to carry Holland's scoring load this season and will also work the boards. He will be joined at one forward by Jim De Vries, 6'1" senior. De Vries is playing his third year on the varsity while Farabee played sub-center last year.

## Hudsonville High's Football Team Compiled 6-3 Record

HUDSONVILLE — Coach Dave Kempker directed the Hudsonville Eagles to six victories in nine games this season with the only losses being to two league champions and an unbeaten team. Hudsonville lost to Kelloggsville, 7-0 to finish runnerup in the Ottawa-Kent League and lost 20-13 to Grandville, the Grand Valley king. Unbeaten Zeeland stopped the Eagles, 15-0.

Kempker thought his crew worked "real hard this season and played good, hard football." "They didn't give up and although sometimes we gave up a lot of weight per man, these boys really wanted to play ball and they had the same desire throughout the season," Kempker said.

"We had good gang tackling this season, fair blocking, a good running attack and a fair passing game," Kempker said. "I didn't expect to go as far as we did," Kempker said, "but we played better than we thought and the first

year inexperienced players came through. The Eagles made a total of 2,088 yards including 1,776 rushing and 312 yards passing. Hudsonville rushed 331 times for 5.3 yards per carry while 14 of 40 passes were completed. Hudsonville outscored the opponents, 111 to 73.

Senior Rog Abel hurled 26 passes and completed 10 for 224 yards and a 2.2-yard average. Sophomores Bob Nyenhuis completed four passes in 14 tries for an identical 2.2-yard average. Kempker reported that Nyenhuis has "a real good arm."

Junior Don McClow was Hudsonville's leading rusher. He carried 123 times for 789 yards and a 6.4 average. He scored 18 points. Senior Larry Boldt carried 103 times and made 567 yards for a 5.4 average and led the team in scoring with 48 points. Abel totaled the ball 61 times for 319 yards and a 5.2 average. Abel, only two-year backfield

regular, was a top defensive player while Bolt was playing only his second year of football. Jack Vrugink also played fullback along with Tom Tuinstra.

Junior Bruce Elenbaas had to drop from the squad late in the season because of a hip ailment but had been a regular halfback. He also played defensive safetyman and was backed up by two juniors Larry Huyser and Dick Struik. Lloyd Ensing, another junior, was a "jack of all trades" offensively and played cornerman on defense.

Looking over his seniors, Kempker complimented Don Van Zoeren and Vrugink for their job as middle linebackers. Bill Brandt also was strong at tackle while Ed Den Houten was another tough middle linebacker. Bob Allen, who played end for two years, and Ken Hopp, another veteran end, were best on defense.

Doug Sprick, who broke his arm before the season started, played last few games as a defensive

end while Jerry Vander Kodde did an adequate job at center along with Bill Doren at offensive tackle. Lee Allen, Gerald Sharpshorn and Bob Scott were other seniors.

Junior Clarence Robart, an offensive guard and defensive tackle, was Hudsonville's most rugged lineman, Kempker said. Another junior Terry Gale played regular end the last part of the season on offense along with junior Chris Sikkema who saw offensive tackle action late in the year. Dick Beute and Bill Wheeler were a couple of other junior linemen with Sonny De Jongh, offensive guard and Larry De Vries, tackle and Gary Peasley, end.

Sophomore end Jim Walma was a regular cornerman on defense and shows a lot of potential. Ken (Fuzz) Bauman works with the ends while Chuck Zorn coaches the guard. Larry Byle and Jack Rabine coached the Hudsonville reserves to a 4-1-2 record.

## Group Rejects Dales' Request

ALBION — MIAA faculty representatives told Hillsdale College in a meeting here Monday that its request for permission to withdraw from league football competition "did not comply with the conference's constitutional provisions."

The faculty group, with Al Vandebush representing Hope pointed to the league constitution when Hillsdale made its request.

The constitution states that a school is unable to compete when they can't field a team. If a school has no provision for having a sport, then they don't have to participate, such as in Calvin's case of not having football.

The faculty representatives felt in interpreting the constitution that no school may withdraw as long as they participate in a sport and as long as they have a team in that sport the school must participate in the MIAA.

It was felt that the request was not legitimate since the Dales are able to play football and provide a team and on this reasoning would have no right to withdraw from football in the MIAA.

Dean Robert Hendee, Hillsdale faculty representative, who was appointed prior to the meeting to replace Dr. Harold Davidson, who had been faculty representative from Hillsdale for the past 30 years, indicated that Hillsdale wanted to withdraw from all competition in the MIAA.

The move for resignation requires faculty action but Hendee is reported to have left no doubt in the minds of the other representatives that the Dales would withdraw from the MIAA.

The rest of the league was reported to be in complete unanimity and unanimous on its feeling that Hillsdale had over-stepped its bounds in accepting the post season bowl bid.

Hillsdale will play Iowa State Teachers College in the Mineral Bowl Saturday at Excelsior Springs, Mo.

College presidents of the eight MIAA schools will meet Dec. 7 and it is expected that a Hillsdale formal withdrawal will be presented at the meeting.

GRAND HAVEN—The tri-city Community Chest drive went over the top Monday listing gifts and pledges of \$68,313.01 of its \$68,000 quota, according to Drive Chairman Oscar H. Anderson.

Twelve of the 19 divisions reached the 100 per cent mark of their quotas with several going considerably over. The \$68,000 budget is the largest ever raised although the total amount to date is slightly under that subscribed in the 1959 drive. Last year a record \$68,500 or 104 per cent of the \$66,000 quota was raised. More contributions are still expected this year.

The chest supports charitable programs in Grand Haven, Spring Lake and Ferrysburg.

## Procedures of Campaign Explained to Congregation

Three hundred and fifty members of Hope Church attended an information dinner at Phelps Hall Monday evening, at which time procedures were explained for the Fund for Progress campaign.

A goal of \$300,000 has been set for the fund, which will finance the construction of a new educational building and administrative offices.

Henry Maentz, general chairman, presided and introduced the Rev. Paul Hinkamp who gave a brief history of Hope Church. Organized 100 years ago, Hope was the first English-speaking church in the community, with Dr. Philip Phelps as the first pastor. It was also the first of 13 Reformed churches to adopt "Hope" as its name.

In 1864 the first structure was built, only to be burned in the great fire. In 1871 a new church was built at a cost of \$11,000, and this is still in use at the present time as the Parish Hall.

Supported by the Board of Domestic Missions, Hope Church became self sustaining in 1883. In 1899 the first choir as organized under Dr. Van Raalte Gilmore. In 1901 there was a great era of expansion for the church, with a record 101 new members being taken in on one Sunday. The present sanctuary was built in 1902, with offices, ladies' parlor and new windows in the sanctuary being added in 1924.

With the arrival of Dr. Marion de Velder in 1939, the church developed rapidly and in 20 years has grown to a membership of 816.

Vernon Ten Cate spoke on the needs that necessitated the campaign, stressing the fact that the Bible is no longer the world's best selling book, having been surpassed by Communist literature.

George Heeringa, chairman of the building committee, reviewed the work that had been done since its inception in 1957. Members of the committees were introduced, including Arthur Read, vice chair-

man; Mrs. Vernon Boersma, Mrs. James White, Frank Kleinhekel, L. W. Lamb, Jr., Mrs. A. Bondy Gronberg and Mrs. Herbert Marsilje. Mr. Heeringa appealed for interest, talent and financial support in the development of youth, the future leaders of the country. Dr. Vernon Boersma explained the soliciting organization of the campaign and urged better stewardship. Harold Hakken spoke on stewardship and what constitutes real Christian giving, "dedicating ourselves and our worth to God for the sacrifices He has made for us."

The campaign director, Reuel Winkelman, issued charges to both the campaign workers and the church members for a proper understanding of the campaign, in order to insure its success. The Rev. William Hillegonds spoke briefly on what church membership means, and closed the meeting with prayer.

Arrangements for the dinner were made by Mrs. Lawrence Wade and Mrs. J. Donald Jencks and their committees.
