GENERAL INFORMATION

HISTORY

Theological instruction "in the West" began in 1866 when General Synod responded favorably to the petition of members of the first graduating class of Hope College that they be allowed to continue to work in Hope College in preparation for the ministry in the Reformed Church in America. So Western Theological Seminary began its life really as a Theological Department of Hope College. In 1867 the Rev. Cornelius E. Crispell was elected to serve as Professor of Didactic and Polemic Theology. With the help of other professors in the College theological studies were carried on until 1877, when theological instruction "in the West" was discontinued.

In 1884, however, it was felt that it was necessary to resume the preparation of men for the ministry of the growing Western section of the Reformed Church. By action of General Synod the Seminary was separated from the College, and given a separate institutional life, under its present name. The Rev. Nicholas M. Steffens, D.D., was elected Professor of Didactic and Polemic Theology, and the Rev. Peter Moerdyke, D.D., and the Rev. Henry Dosker, D.D., served as temporary lecturers in other branches of Theological curriculum. Such were the humble beginnings of our Seminary. It is interesting to note that its early attachment to Hope College still lingers so that occasionally, even now, the Seminary is spoken of as "Hope Seminary."

Gradually, as the churches increased in strength and as finances seemed to warrant, the Faculty was increased, until the one original department found itself surrounded with others to make the present six fully established departments of training. Today Western Theological Seminary is completely equipped to prepare men for the Gospel ministry in the Reformed Church in America.

In 1939 Western became a member of the American Association of Theological Schools, being given a high rating as a recognized accredited institution by that body, by virtue of its entrance requirements, standards of scholarship and other equipment and facilities.

Western Theological Seminary is distinctly an institution of the Reformed Church. Its Board of Trustees is created by General Synod to administer the affairs of the Seminary. The General Synod itself prescribes the courses to be taught, and elects the professors who serve on the Faculty. The Faculty members are committed to the Reformed point of view in their
teaching, each one of them, upon induction into his professorate, having accepted the Standards of the Reformed Church.

SEMINARY REGULATIONS

CONDITIONS OF ENTRANCE. Every applicant is required to present a testimonial of church membership, and one of literary qualifications. Graduates of a college of recognized standing, will be admitted upon presentation of the usual credentials, consisting of a transcript of the college record.

It is further advised by faculty that students not majoring in Greek, plan to take their courses in this department during the last two years of their college course.

The Seminary faculty urges all pre-seminary men to avail themselves of courses in Music while still in college. Courses in Music Appreciation, Church Hymnology, etc., are real assets for an effective ministry in worship services.

TERMS OF ADMISSION. The Constitution of the Reformed Church has the following in regard to students preparing for the ministry in our Church:

"Any member of a Reformed Church who contemplates entering the work of the ministry shall furnish to one of the theological schools satisfactory evidence of his being a member of the Church in full communion and in good standing, and of his piety, ability, and literary attainments, before he begins his course of theological studies. He shall thereupon be admitted into the school and during the prosecution of his studies there shall be subject to its rules and regulations."

Constitution, Art. II, Sec. 9.

Each applicant should therefore present:

1. An application for admissions furnished upon request by the seminary office, or taken from the last page of the annual catalogue, properly filled out and sent to the seminary office.
2. A letter of recommendation from the pastor of the local church of which the student is a member, together with a statement of church membership.

3. A complete transcript of the record of the college course of study of all earned degrees.

Final examination and reception are by the Board of Trustees at its Spring session in May. Such as cannot meet the full Board in the Spring are permitted to appear before a specially appointed committee on the Reception of Students on the day before the opening of the Seminary in September.

Matriculation. The Board of Trustees receives applicants for the next school year at its Spring session in May.

Because of the accelerated program in education during the war, students without the A.B. or equivalent degree were permitted to carry on theological work. Such students are now in process of completing their seminary course.

Junior Orientation. An orientation course is provided for the entering Junior Class on the afternoon of the opening convocation in September. This orientation program includes a presentation of general information concerning Western Seminary history and traditions, rules and regulations for Seminary life, course requirements, degrees, library facilities and practice, and an entrance examination in the Greek language.

Correspondence. In general, correspondence should be directed to the President of the Institution.

Details concerning registration, admission, transcript of records should be addressed to the registrar. Requests for transcript of the seminary record should be sent to the registrar indicating the institution or official to whom it is to be addressed. This request should be accompanied by the usual fee of one dollar ($1.00) per transcript.

Attendance. It is expected that every student will be present punctually at the daily chapel service, at all the class lectures, and at all other regular appointments of the Seminary. Students who find it necessary to be absent from any Seminary exercise are expected to obtain permission from the President for such absence.

Examinations. Examinations are held at the close of each semester. Those at the close of the first semester are written, graded by the professors in charge, and sent to the Committee on Examinations of the Board of Trustees as an exhibition of the work done in the school. Examinations at the end of the
second semester may be merely oral before committees of the Board, or written in addition to the oral examination, at the option of the professor in charge.

**System of Grades.** Each instructor keeps a careful record of the achievement of each student and reports the grade to the registrar at the close of each semester. These grades become a part of the permanent Seminary record. The work of the student is evaluated according to the following system of marking:

A: the highest grade obtainable for work of excellent quality.

B: the grade given for work which, while not distinctly superior, is highly satisfactory.

C: the grade given for satisfactory work.

D: the grade given for inferior work, while not altogether satisfactory, yet good enough to entitle the student credit in the course.

E: the grade given a student for work not sufficiently satisfactory to entitle to credit for the course, but to whom the instructor is willing to allow a re-examination after additional study. An E must be removed within the semester following the one in which this grade was received, and if so, receives a passing mark P. If not removed within the stipulated time, the condition E becomes a failure, F.

F: the grade given for failure in the course with no credit except by repetition of the course.

I: the grade of incomplete given if some small portion of the course work remains unfinished. A grade of incomplete received in any course must be removed within one month of the semester following the semester in which the incomplete was received. Its removal within this time secures for the student a grade in course. If not removed within the specified time the course will be recorded as of grade E. The grade E following the grade I must be removed within the semester in which it was received, otherwise it becomes F.

Regular reports are sent to the students at the end of each semester.

**Student Preaching.** Students preach sermons in course during each of the three years of Seminary training. Sermons by members of the Senior and Middle classes are delivered twice weekly in Nettinga Memorial Chapel before the faculty and student body. These preaching services are attended by all the Faculty members, and their criticism is available for the student preacher.
The successful completion of the work of the Junior year qualifies a student to serve as guest preacher in churches. All such preaching by upper classmen is under faculty control. The professor of Practical Theology is designated as Director of student preaching throughout the Seminary year.

Summer preaching appointments for a usual twelve week period are made by the faculty in consultation with the representative of the Board of Domestic Missions. Additional preaching engagements during vacations may be made by the Seniors and Middlers themselves. Curriculum requirements make it advisable to spread a student's preaching ministry over a series of churches.

Stipends, Fees, Scholarship. There are no tuition fees of any sort. The Seminary does, however, require a matriculation fee of five dollars of all entering students, and an incidental fee of five dollars from every student enrolled. These fees are to be paid at the beginning of each school year.

Room rent in the dormitory, Zwemer Hall, has been set at $84 for the school year for all Seminary men.

The Seminary has a small fund at its disposal, from which needy students may have allowances made according to their needs and circumstances. Stipends for support while in the Seminary may also be obtained from the Board of Education, 156 Fifth Ave., New York City. These stipends are, however, allowed only to students of the Reformed Church in America who meet the scholastic and other requirements of the Board.

Note: It is a rule of the Board of Education that all who purpose to apply for entrance in the Seminary in September, and who seek financial aid from this Board, shall make application for such aid not later than the 15th of June preceding entrance into the Seminary. Aid for later applicants will not begin before the opening of the Second Semester.

Scholarship, Degrees. Every possible effort is made to hold the scholarship of the Seminary up to the highest standards. Students must have, not only a four-year College degree from a College of recognized standing, but also those mental qualities that show them able to do the work required by the Seminary. Work in the class room is carried on by a variety of methods—textbook, syllabus with Library references, mimeographed texts prepared by professors, discussion, informal and formal lecture, reports, essays, and seminar. Constantly the professors make conscious effort to arouse the students to a willingness to discuss the problems at hand.
Requirements for Graduation. Students who take the basic courses prescribed for the Junior, Middler and Senior years receive the Professorial Certificate which entitles them to examination for licensure in the Classis of their particular membership.

The degree of Bachelor of Divinity will be conferred upon the graduates of the Seminary who have completed the requirements of the regular course, provided that:

1. They are graduates of a four-year course in a college of accredited standing and hold the degree of Bachelor of Arts or its equivalent.
2. They have maintained an academic record in their Seminary work that is of grade satisfactory to the Faculty.
3. They have spent the last year in residence at this School. Credit will be given for work done in other Seminaries of recognized standing, subject to evaluation and approval by the Faculty.
4. They have completed a thesis or project in a field of chosen interest, fully approved by the Faculty.
5. They have deposited with the Seminary a fee to cover engraving and other items of expense for the diploma and thesis binding.

Thesis Regulations. Each student must submit a thesis or project in some department of his choice. The department or field in which the student chooses to do his dissertation work must be selected and a conference held with the Professor in charge not later than the first of May of the Middle year. The thesis should be not less than seven thousand five hundred words in length, and should indicate an ability to conduct independent investigation, to assemble data, and to arrive at logical conclusions. In general it should represent a more specialized acquaintance with some particular area of interest that will meet the test of critical examination by the Faculty. The candidate is advised to observe the following procedure:

1. Present to the Faculty for approval, not later than October 1st of the Senior year, the thesis subject, an outline of proposed procedure together with a bibliography.
2. Submit for final approval of the Faculty, not later than March 15th of the year in which the candidate expects to take his degree, three copies of the completed thesis or project.
3. Upon approval, the candidate is to posit the original first copy with the librarian at least two weeks before the day of the annual commencement.
4. Candidates must be prepared to defend their thesis in an oral examination upon the demand of the Faculty.

5. Under no circumstances will the writing of the thesis be permitted in absentia. The thesis or project is a part of the stipulated course of study leading to the Bachelor of Divinity degree. For the guidance of the student in preparing his thesis there is in the Library a recommended Manual in which all matters of style, format, typing directions, etc., are fully discussed.

Note: By recommendation of the Faculty and action of the Board of Trustees, the requirements immediately above will be ineffective after May 16, 1951.

From time to time there are those who wish to avail themselves of the opportunities the Seminary offers for pursuit of some special study, or for attendance upon the regular work of the Seminary. Such persons may not, however, have the ministry of the Reformed Church in view as their objective. It is even conceivable that some such are not members within the Reformed Church. If they take the prescribed work of a course, they are welcome to the credits they can accumulate at our Seminary. There is no discrimination in the fellowship or in the opportunities offered. Upon completion of the regular prescribed course such students are granted a diploma or the Bachelor of Divinity degree, depending on the work completed.

PRIZES

Through the generosity of the Rev. George Nathan Makely of Albany, N. Y., the sum of $5,000 was set aside with the stipulation that the annual interest on this fund was to provide a series of prizes. By Faculty decision, with the approval of the donor, these prizes have been arranged as follows:

1. For the best Sermon Content, interest on $1,000 to constitute a First and a Second Prize. Limited to Seniors.

2. For the best Sermon Delivery, interest on $1,000, to constitute a First and a Second Prize. Limited to Seniors.

3. For the best Examination in Old Testament Language and Literature, interest on $1,000, to constitute a First and a Second Prize. Limited to Juniors.

4. For the best Examination in New Testament Language and Literature, interest on $1,000, to constitute a First and a Second Prize. Limited to Middlers.

5. For the best Thesis on a Subject Relating to Systematic Theology, interest on $1,000, to constitute a First and a Second Prize. Limited to Seniors.
Church History Prize: The accrued interest on $1,000, as a gift from Mr. and Mrs. S. Vander Ploeg of South Holland, Illinois, provides a First and a Second Prize annually for the best treatment of an assigned subject in the department of Church History. Limited to Middlers.

English Bible Prize: The accrued interest on $1,000 as a gift from Mr. Lewis De Kleine, deceased, of Jamestown, Michigan, provides the first and second prize annually for the best essay on an assigned subject in the department of English Bible. Limited to Juniors.

SEMINARY EXTENSION WORK
In order that the Seminary may be as useful to the church as possible, the members of the Faculty are ready to give lectures or addresses in the churches desiring such services, in line with their respective departments and in so far as it is consistent with their work in the classroom. Arrangement for such services can be made with the particular Professor desired.

BUILDINGS AND EQUIPMENT
Beardslee Library. The library of the seminary is housed in a brick structure of classical design known as the Beardslee Library, erected as a memorial to the Reverend John W. Beardslee, Sr., D.D., LL.D., one time President of the seminary and Professor of Old Testament Language and Literature. The main floor has a wide entrance hall containing the card catalogue files, and on either side of the hall are comfortable reading rooms. The East reading room also contains a reference library together with the leading theological encyclopedias and journals. At the rear is the stack-room with shelf space to accommodate 25,000 volumes and so arranged as to admit of a second story. At present the basement is also being utilized for stack-room space, because present shelf space is inadequate.

Library facilities. The library collection consists of some 22,000 bound volumes which are classified according to the Dewey Decimal System and 6,000 volumes as yet unclassified, and some 3,000 periodicals of which 1,150 volumes are bound. The library currently subscribes to over 100 leading American and European journals. These books and journals are well distributed over all the branches of theological study, and new books are being added constantly. A special attempt is being made to build up the bibliography of representative research materials in the various departments against the time when the seminary shall be in a position to offer courses leading to the Master of Theology degree.
In addition to our library there are available to students the facilities of the Graves Library collection of 70,000 volumes on the adjoining campus of Hope College, a liberal arts college of the denomination, and the resources of the Holland Public Library.

Library extension. The extension loan service of the library makes available to the pastorate of the denomination our facilities. The circulation in the extension department is growing significantly. Current accession lists are mailed semi-annually to the patrons of the library, and the librarian is willing at any time to furnish bibliographies, books, and information by mail to any non-resident.

Library funds. The library receives constantly from friends and graduates book and money gifts which are greatly appreciated. We welcome any such bequests and donations. The budget of the library is provided by contributions from churches and individual donors together with an annual income from endowment.

Semelink Hall. This building contains a comfortable, worshipful chapel, named "The Nettinga Memorial Chapel", the Seminary office, and commodious lecture rooms.

Zwemer Hall. This is the dormitory, a modern building constructed of brick, and finished in oak throughout. It has a lounge and a reading room, fifty-six living rooms, most of them for single occupancy with six suites planned for two occupants. There are commodious bathrooms on each floor, and some of the rooms have hot and cold water piped into a recessed lavatory. Rooms are furnished save for the personal items each occupant must bring. Dining room and kitchen equipment are being built into this building.

Endowment

While the Endowment of the Western Theological Seminary has been growing steadily through the years, it can supply only a portion of what is needed each year. The Seminary is therefore directly dependent upon the liberality of the churches which it seeks to serve.

Our Board of Trustees is incorporated and funds, whether for special objects, endowments, or current expenses, may be sent directly to the Seminary Office. Any funds sent to the Board of Education, 156 Fifth Ave., New York City, or to the Board of Direction of the General Synod, 156 Fifth Ave., New York City, should be carefully designated as being for the Western Theological Seminary.
LIFE AT THE SEMINARY

The Religious Life. A prayer meeting is held by the students each week. A daily devotional service is held each day of the school week. These exercises are held in the Seminary Chapel with a Faculty member, or some visiting clergyman, or one of the students in charge. Often, in addition to these meetings, group student meetings are arranged. Students are encouraged to discuss personal difficulties with their professors, and the class room work in every department is held as closely as possible to the actual experiences of religious life. In this way every effort is made to help the students keep the tone of their religious life strong and true. Students of the Seminary often share also in the religious activities of Hope College.

Athletic Activities. There are tennis courts on the Seminary Campus for those who desire to use them. Opportunity for Gymnasium work and Basketball has generally been possible by the kind co-operation of the Hope College authorities. There is also a horse-shoe court.

The Social Life. Dormitory life in Zwemer Hall gives a great deal of opportunity for good fellowship and sociability among the students. It also affords opportunity for initiative among the students, for all dormitory matters are managed by the students themselves, under the supervision of a Faculty member.

Students among themselves, and the Faculty and students together, have several social occasions during each school year. Most of these occasions are informal, though there are usually a couple of formal gatherings through each school year.

The Adelphi Society. Students and Faculty meet every Tuesday evening for one hour for devotions, papers, debates, with discussion and musical numbers interspersed in the programs for variety and interest. Generally these meetings are held in the reception rooms of Zwemer Hall.

THE CURRICULUM

In the following course descriptions Junior courses are numbered 100-199, Middler courses 200-299 and Senior courses 300-399. The evaluation of each course is in terms of credits. One credit hour is equivalent to one lecture session per week for a semester of sixteen weeks. A total of ninety-six hours is required for graduation.
