PROSECUTOR TO OFFER BRIEF ON GAMBLING CASE

Defense Counsel to Reply Before Court Rules on Fair Charges

Numerous Persons Heard at Hearing on Suit for Injunction

Grand Haven, Nov. 28 (Special)—At the conclusion of testimony submitted in the injunction suit brought against Georgetown township, and the Hudsonville fair board, which was concluded at 2:30 p.m. Tuesday, Prosecuting Attorney Elbert Parsons announced he would prepare a brief in a couple of weeks to submit to the court, after which Leland Phelps, attorney for the defense, will reply and the decision of the court will follow.

At the afternoon session, William Vander Laan, president of the fair board, Carl Ohlmann, secretary, Fred DeHaan, treasurer, Ren Hoezee, who was in charge of renting space to concessionaires, and John DeVree, deputy sheriff and Hudsonville marshal, were called to testify.

Vander Laan said he left the matter of gambling up to the state troopers and told them that if there was any gambling not to come to him but to put the offenders out. He testified on cross-examination that in 1940 he went around with another person and told the concessionaires that if there was any gambling they would have to move out, and when asked by the prosecuting attorney if anyone was ordered out he answered "no". He said he did not concern himself about it because he thought those things should be left up to the sheriff's department and the prosecuting attorney's office. Vander Laan said he did not know how the games were run.

Ohlmann, a Hudsonville merchant, testified he paid no attention as to how the games were being played, as did DeHaan, a farmer. He stated that in 1939 there was a state trooper at the fair and that they usually had two, but in 1940 they had only three deputies and no state trooper.

Ren Hoezee, Hudsonville businessman, testified he signed up the contracts with the concessionaires, but said he did not inquire into the type of games they were to play. However, he said he told them the games "had to be open and above board and no gambling."

DeVree, who, as a result of a grand jury investigation, was arrested on a charge of failing to perform his duties and whose case was later dismissed in circuit court, said he made no arrests because he didn't think there was gambling at the fair in 1939. Referring to a conference which he attended in the office of the Prosecuting attorney the second day of the fair in 1939, he stated he went over to the sheriff's office to turn in his badge and the sheriff would not accept his resignation.

He also admitted that when he had been called, together with other deputies, to relate the happenings at the fair to the prosecuting attorney, he said he had nothing to say and that the prosecuting attorney at that time obtained no information from any of the deputies as to what kind of games had been played, resulting in a one-man grand jury investigation. He also testified that he had been determined not to arrest anyone at the fair. He stated he knew nothing of the kind of games that were being operated there.

Parsons filed suit in circuit court asking for an injunction, restraining the Hudsonville fair board and the township from operating gaming devices at future fairs. In the bill of complaint, he charged that the allegations are on his information and belief but he did not have to prove they knew or had knowledge that any gambling was in progress on the premises and that he had proved there was gambling.

Mrs. Geneva Schultema, route 2, Zeeland, a witness Tuesday testified regarding the operation of a "striking" machine for which she gave cigars as prizes until she was arrested.

William Van Etta, deputy sheriff of Holland, testified as to the different concession in operation at the fair Sept. 8, 1939. Pictures of several alleged gaming devices were introduced.

Parsons took the witness stand to testify on what he saw on the fairgrounds Sept. 7, 1939. Defense counsel objected to this testimony as being too remote but the court overruled the objection.

Parsons then testified to different concessions he saw in operation in 1939.

He also told of a conference held in his office in Grand Haven on the morning of Sept. 8, 1939, at which Supervisor Charles Lowing, William Vander Laan, Carl Ohlmann and John De Vree were present when he told them that some of the games on the fairgrounds were violations of the gambling laws and would have to be discontinued.

NEGROES DENY LOCAL CRIMES

Two G.R. Suspects Admit Zeeland Burglary; To Face Charges

Although two Grand Rapids Negroes confessed they attempted to break open a safe in Zeeland Monday night, they denied having any connection with two safe robberies which occurred in Holland on the night of last Oct. 4, Police Officer Earnest Bear reported today.

The suspects in the Zeeland crime are James Wagner, 24, and Jerry Bass, 37. They were to be returned from Grand Rapids to Zeeland today for arraignment before Justice of Peace Jarret N. Clark on charges of breaking and entering.

Fred Bosma Zeeland chief of police, said he swore to the complaints in Clark's court Wednesday.

Police Officer Bear questioned Wagner and Bass Wednesday in Grand Rapids about the theft of approximately \$1,300 from the safe of the Henry Ter Haar Motor sales, 224 Central Ave., and an attempted safe robbery the same night at the Vrieling Motor sales, 159 River Ave.

The local officer said that the robberies here were committed in a fashion similar to the one Monday night at the J. H. Kole Auto Co., 14 South Church St., Zeeland. The officer also reported that two Negroes had been seen in Holland the night of the local crimes.

Officer Bear feels certain that if the two Negroes "will talk" they will be connected with the Ter Haar and Vrieling safe robberies.

Albert F. Scheiern, inspector of detectives at Grand Rapids, reported that Wagner also admitted burglary of the Olsee Beer Distributing Co. and the Richard Storage Co. in Grand Rapids last Oct. 21. Wagner told detectives that his loot consisted of but a few bottles of beer.

Wagner, according to Grand Rapids police records, confessed 48 safe jobs and burglaries last year and has served prison terms for burglary.

William Robinson, 22, a Grand Rapids Negro, who was arrested as one of the suspects in the Zeeland robbery, was released Wednesday. He was held after a car, driven in the Zeeland burglary, was identified as belonging to him.

Alertness of a Zeeland constable resulted in solution of the Zeeland burglary.

Van Dorple found a Negro in the car who said he had become lost in Zeeland while driving from Benton Harbor to Grand Rapids. The constable wrote down the car's license number and then directed the Negro to the highway. He reported watching the neighborhood during the remainder of the night but saw nothing unusual.

Tuesday morning, John Kole found the glass in the door of the building had been broken and the night lock sprung. Further investigation revealed a hole had been drilled along side the safe's combination pin in an attempt to turn it over. However, the intruder or intruders could not unlock the safe.

Remembering the incident of the night before, Van Dorple and Police Officer De Pree went to Grand Rapids Tuesday and with the aid of Grand Rapids police traced the license number as having been issued to a car owned by Robinson.

Van Dorple identified Bass as the occupant of the car he had stopped in Zeeland. The three suspects deny any connection with the attempted robbery, Chief Bosma said.

When the car was located Tuesday in Grand Rapids, the officers found a hand drill, Robinson claimed he knew nothing about it. He told officers he had permitted a friend to use the car the night before. Bass claimed he had driven to Benton Harbor alone to see his girl friend but found she was not at home.

He admitted having picked up a Negro hitchhiker, a stranger, after leaving Constable Van Dorple. Wagner, a one-time safe burglar, after confessing a series of safe burglaries in Grand Rapids, was sentenced to prison on March 22, 1939, for one to 15 years. Bass is also an ex-convict, Grand Rapids police reported.

All three men, according to Inspector Albert Scheiern, chief of detectives, at Grand Rapids, denied knowledge of the attempted safe burglary but did not explain the presence of a hearing scraper tool found in the car which was identified as having been taken from the Kole garage, where the burglary attempt was made.

These figures, Mr. Stephan said, also include shipments to be received here later. Two additional boat loads of scrap iron and another shipment of gasoline is expected before the shipping season ends, he said.

The 30,216 tons of gasoline, all received at the local marine base of the Globe Oil and Refining Co., amounts to 9,109,140 gallons. Nine previous loads have been received here by lake transportation and a 10th load is expected at a later date.

"The development of Holland through its new industries by the efforts of the Chamber of Commerce and much to our encouragement has shown a good healthy growth during the past year," Mr. Stephan said in commenting on the increase in the harbor tonnage.

INJURIES CAUSE DEATH OF MAN

G.H. Resident Hurt When Struck by Car There Last Oct. 27

Grand Haven, Nov. 8 (Special)—John Luznar, 68, 1528 Franklin St., died at 5 p.m. Wednesday in Blodgett hospital, Grand Rapids, from injuries received in an accident Oct. 27 when struck by an automobile at the corner of Beechtree and Franklin Sts.

He was first taken to Municipal hospital here and later taken to the Grand Rapids hospital for treatment of severe bruises and fracture of the right leg.

Driver of the car which struck him was Walter Mourat, 29, of Hart. Police Chief Lawrence De Witt said his department would continue investigation of the accident, which had been delayed pending outcome of Luznar's injuries.

Mr. Mourat was released after making a statement to the officers. Chief De Witt said a post mortem examination made Wednesday in Grand Rapids would be studied before any action is taken.

Mr. Luznar was born in Austria June 5, 1872, and came to Grand Haven 35 years ago from Wyoming.

Survivors are several nieces and nephews of Grand Haven.

Funeral services will be held Saturday at 2 p.m. from the Van Zantwick funeral chapel with the Rev. John Clemons officiating. Burial will be in Lake Forest cemetery.

FIRE GUTS PARK HOME AS BLAST SPREADS BLAZE

Nyland Residence Is Total Loss, Davenport Only Is Saved

Large Barn on Old Road to Zeeland Is Razed by Flames

Fire, discovered at 6:30 a.m. Monday, badly gutted the eight-room home of Lawrence Nyland at Virginia park and caused untold damage to the home and furnishings.

Holland firemen also responded to two other fires over the weekend.

Mr. Nyland said he was unable to estimate the damage but reported that he carried insurance against his loss.

Holland firemen were called to the home and Mr. Nyland met the fire truck on the road while he was en route to work at the Holland Furnace Co. but he did not know at the time that the fire truck was en route to his home.

A second fire truck was dispatched to the home about 7 a.m. when combustion apparently caused an explosion in the kitchen. The explosion, firemen reported, spread the flames to the interior of the home.

Debris was blown through a window by the force of the explosion and part of it landed within four feet of Fireman Ed De Feyer. Local firemen did not return to their headquarters until about 8:30 a.m.

Mr. Nyland said that he did not know the cause of the fire but expressed belief it started near the coal chute behind the furnace in the basement. The fire was discovered by his oldest son, Lloyd, 13, who awoke to find the home filled with smoke. Mrs. W. L. Baker, a neighbor, called the fire department.

The fire had gained considerable headway when firemen arrived on the scene. None of the household furnishings was saved, except a davenport which was carried from the home after the fire had been extinguished.

Mr. Nyland said the home was a total loss although the side walls were still standing. Firemen experienced difficulty in fighting the flames when they spread between the partitions of the residence.

It was necessary for firemen to lay between 500 and 600 feet of hose from the nearby school house to the home to fight the fire. Water was pumped from Lake Macatawa through a dry line which is maintained in Virginia park.

A large barn on the farm of Harry Hamburg, east of Holland on the old Zeeland road, was completely destroyed by fire Sunday about 8:50 p.m.

Local firemen were called there and were successful in saving other nearby buildings as the fire had gained too much headway to save the barn.

It was reported a quantity of hay and wheat were stored in the barn. A cow, the only livestock in the barn, was led to safety. Cause of the fire was not determined.

A short circuit in an electric table lamp in the second story apartment of Casper Schregardus, 15th St. and Maple Ave., resulted in an alarm being turned in Saturday night. Firemen used chemicals to extinguish the fire. Slight damage was caused by smoke.

STRESS APPEAL FOR RED CROSS

A total of \$1,089 has been collected to date for the Red Cross roll call, it was announced here by Mrs. J. E. Telling, general chairman, as the campaign entered its final week. The total for last year was \$2,491.22 and since the responsibilities of the Red Cross have increased more than 400 per cent during the past year, the local chapter is under the necessity of making a special appeal for loyal, sacrificial support.

The Red Cross war relief production program, entirely directed toward the relief of war victims in Great Britain, is being carried forward speedily. A large quantity of yarn for knitting and crocheting has been received by the local chapter. Mrs. J. E. Holmes will be in the office, 6 East Eighth St., Tuesday from 10 a.m. to 5 p.m. to distribute this yarn to volunteer workers.

One thousand yards of material was received in the same shipment. Since this must be converted into warm clothing as quickly as possible, a large number of volunteer workers is needed. Anyone who is interested in working for the Red Cross and would like to help carry on this volunteer production program, should call the Red Cross office, 2332.

The Ottawa county chapter has been assigned a quota of 1,000 garments to be completed and ready for shipment by Jan. 31, 1941.

Holland's First Soldiers and Draft Board

Holland's first two selectees for army training—John E. Golds and Gerald Robert Slagh—are shown here with the local selective service board. In the group are (left to right) Leon Moody, Golds, John Arendshorst, Slagh and Board Chairman Vaudie Vandenberg.

TWO DRAFTEES ARE ACCEPTED

Local Youths Are Among Eighty-Five Sent to Fort Sheridan

The local selective service board received a report Wednesday that Holland's first two selectees for the national draft had successfully passed their examinations and had been inducted into the army for a year's service.

The selectees, John E. Golds and Gerald Robert Slagh, left here Monday night for Kalamazoo and reported at Kalamazoo army Tuesday morning for induction into the army.

Meanwhile, the local selective service board continues sending out 10 questionnaires daily to local registrants. The 200th questionnaire was mailed Wednesday.

From Kalamazoo comes word that 85 young men from 15 western Michigan counties have started their "schooling" in army life. A total of 104 men, most of them volunteers, presented themselves for induction, but only 85 were accepted.

The group left Tuesday night for Fort Sheridan, Ill., located 45 miles north of Chicago.

They reached camp at 8 a.m. Wednesday and were assigned quarters in the barracks where they will live for several days until army authorities have determined in which phase of training each will best fit. Later this week, the men will be given permanent assignments to other camps throughout the nation.

Grand Haven, Nov. 28 (Special)—Darwin Junior Behm, 23, route 2, Grand Haven, was rejected in Kalamazoo Tuesday for military service under the draft act for insufficient masticating teeth. He was a former member of Company F from which organization he received his honorable discharge in January, 1939.

Behm, dejected, may attempt to have his teeth fixed and enlist in the army. He returned to Grand Haven Tuesday and officially notified the draft board. He is the second of the volunteers to be rejected.

Peter De Mull, 23, of Coopersville, is next in order. No order for him to report has been received but it is expected momentarily. Physical examinations for the second group will be held today and three draftees will appear to determine their fitness for military duty and to be available for call.

They are Howard J. Volkema and Loren E. Kanouse of Grand Haven and Frank E. Rant of route 1, Grand Haven.

DEMONSTRATION IS GIVEN BY HINGAMEN

Those making the trip included Harold Colenbrander, John Visser, Ken Vanden Berg, Gil Van Wieren, Elmer Morgan, Bob Montgomery, Bill Tappan, Ken Newendorp, Jack Baas, Art Timmer, George and Clarence Prince, Ev Kleinjans and Don De Fouw.

A woman who lived on the first floor of the home became alarmed when she did not hear Mrs. Vanden Berg upstairs and called Mr. Banger. Mrs. Vanden Berg was heard moving about the home about 9 a.m. Saturday.

THREE INCHES SNOW IN CITY

Several Auto Accidents Result on Slippery Streets

Bert Smith, chief weather observer, estimated today that the snow in Holland measures about three inches.

The precipitation for the 24 hours ending at 7 p.m. Wednesday amounted to .28 inch. When snow is dry and fluffy such as the snowfall early Wednesday, .05 inch precipitation amounts to one inch of snow, but when the snow is wet such as it turned later Wednesday, it is estimated that an inch of snow contain from .05 to .10 inch precipitation.

Thus, although additional snow fell following Wednesday's estimate of five inches, today's estimate is three inches.

The snow left streets and highways in slippery conditions and several automobile accidents were reported.

Harold Shuck of Burnips Corner swore to a complaint before Municipal Judge Raymond L. Smith this forenoon against James Besteman, route 2, Hudsonville, charging him with failing to yield the right of way, following an accident early Wednesday on a highway, one and one-half miles south of Hudsonville.

Shuck informed Deputy Sheriffs William Van Etta and John De Vree that Besteman's car crowded his auto off the highway, causing it to turn over in a ditch. Shuck was driving south on the road and Besteman was driving in a northerly direction.

An accident occurred Tuesday at 4:30 p.m. in Zeeland where cars driven by Mrs. Clara E. Corowe of Pennville, Ind., a magazine solicitor, and George Weselizing of Hamilton collided.

The accident occurred at State and Main Sts. Mrs. Corowe was driving north on State St. and due to the ice she was unable to stop for the intersection. Both cars skidded along the street and Mrs. Corowe's vehicle crashed into a telephone pole. No one was hurt.

Deputy Van Etta also reported minor accidents occurred on East 24th St., the Zeeland road and on the north side.

Ervin G. Zietlow, 175 East 17th St., reported to police Tuesday that his car had struck the auto of a Mr. Fuller on West Eighth St.

Automobiles driven by Elmer Kamphuis, route 1, Holland, and Norman Den Uyl, 342 West 21st St., crashed at 21st St. and Ottawa Ave. A crash at 16th St. and Fairbanks Ave. involved cars of Elmer Roelofs, route 3, and Mrs. M. Nyboer.

Cars driven by Fred Poll of Grand Rapids and Mrs. C. Veldheer, 245 East 14th St., collided at Seventh St. and River Ave. Poll told police Mrs. Veldheer was backing her car from a snow bank when his car passed.

At Seventh St. and River Ave., cars driven by Mrs. Ralph Jones, 3 East Seventh St., and Robert Mulder, 650 Michigan Ave., collided.

Cars driven by Cornelius De Vries, route 3, Holland, and Richard Wagenveld, route 4, Holland, crashed at 16th St. and Columbia Ave.

A truck, driven by Jim Rooks, 126 East 24th St., was hit by a car driven by N. H. Pickel of Muskegon, at 22nd St. and Columbia Ave.

President Wynand Wichers, Prof. Garrett Vander Borgh, Prof. Egbert Winter and Henry Winter, all of Hope college, are attending an educational meeting in Lansing today.

COVELL NAMED AS MEMBER OF UTILITY BOARD

Council Considers But One Man as Successor to De Young

Detroit Firm's Bid High on Old Power Plant Equipment

H. S. Covell, 541 State St., was elected to the board of public works by common council at a special meeting Tuesday at 5:15 p.m. in the office of City Clerk Oscar Peterson. Mr. Covell succeeds the late James De Young whose death occurred here last Nov. 12.

He was appointed to serve out Mr. De Young's term which expires in April, 1943. The board of public works submitted a communication for council's information that C. J. McLean had been promoted from vice-president to president of the board to succeed Mr. De Young.

Covell's name was the only one nominated. The nomination was made by Ald. Albert P. Kleis and supported by Ald. Bernard Arendshorst.

Mr. Covell, who has been manager of the local plant of the Hart and Cooley Manufacturing Co. on East Eighth St. since 1933, said he would accept council's appointment. Before coming to Holland he was associated with Hart and Cooley in New Britain, Conn. A director of the Holland Chamber of Commerce from 1931 to 1936, he served as the chamber's vice-president in 1935-1936.

Purpose of Tuesday night's meeting was to receive a report from the board of public works relative to the sale of obsolete equipment at the old Fifth St. power plant. Council, upon motion of Kleis, moved to accept the recommendations that the equipment be sold to the Wilms, Weaver & Co. of Detroit which submitted a high bid of \$10,275.

The obsolete equipment, according to Assistant Works Supt. Charles Vos, includes two two-phase generators, one with a capacity of 1,000 kilowatts and the other with a capacity of 1,500 kilowatts; two boilers, two exhausts, two boiler feed pumps, one transformer bank and other equipment.

Other bidders included the following: Utilities Electrical Machinery Co., Cleveland, O., \$9,110; National Power Machinery Co., Chicago, \$8,000; M. Brandy & Sons, Grand Rapids, \$6,250; Frank Steiner Co., Chicago, \$1,950; Ottawa Iron and Metal Co., Holland, \$1,525.35.

The board received sealed bids for the sale of the equipment at a meeting Nov. 18, then met in special session Nov. 22 to take action. Council at a meeting in September had granted permission to the board to sell the equipment.

Mr. Vos advised council that the old power plant could be retained as a standby station in event of emergency since there would still be two generators, one of 2,500 kilowatt capacity and the other of 5,000 kilowatt capacity, two boilers and other adequate equipment there.

Ald. Herman Mooi raised the question of disposing of other equipment at the present time instead of allowing it to age and bring a reduced price later. Vos expressed opinion that now would be the time to sell if it were certain that the old power plant would not be needed for emergency. He said work is now being carried out to eliminate ice conditions at the intake of the circulating water system by routing the discharge water toward the intake to melt ice that may accumulate there.

Council, upon motion of Ald. Bruce Raymond and supported by Ald. Albert V. Faasen, adopted a resolution, granting the local selective service board permission to continue use of the G.A.R. room in the city hall in the future.

Will Fill Vacancy Caused by Death of James De Young

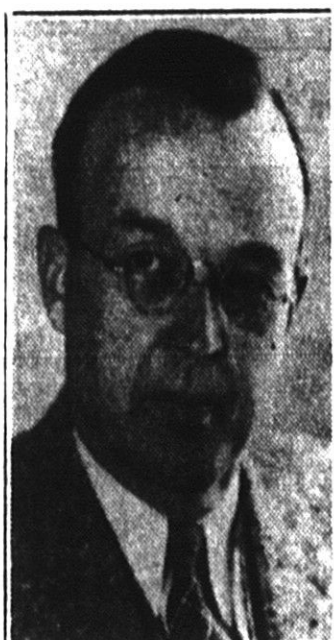

C. J. McLean, 191 West 12th St., will become new president of the board of public works to succeed the late James De Young who died last Nov. 12 in his home here.

The board of public works, at a special meeting Friday night in the city hall, voted the appointment of Mr. McLean as its new president. Mr. McLean has been serving as vice-president.

The new board president was appointed to the board by common council Nov. 21, 1928, to serve out the unexpired term of the late Walter Lane. He was elected to his first five-year term in 1931 and reelected in 1936. Mr. McLean's term expires in 1941.

Council is expected to appoint a new member to the board to succeed Mr. De Young at an early date.

HHS Quint Taking Shape for Opener With Zeeland

With but five work days left including today in which he may meet his new charges, Coach Malcolm Mackay began "bearing down" this week in preparation for the opener with Zeeland here Tuesday, Dec. 3.

Some football players including Kenneth Tien and Red Thomas reported for the first time when the squad worked out in the armory Monday night. Coach Mackay plans to cut his squad from over 20 to 16 before the end of the week. Those who are cut will probably go back to the second team for more seasoning.

Holland high's new basketball mentor starts from the beginning this winter, having nobody left over from last year's team around which he can build a new varsity. So far, this year's squad contains eight juniors, two sophomores and 11 seniors, two of whom are finishing in February.

None of the boys has had much experience although Tony Kemper, Bob Kraai, Ken Chapman, Merle Vanden Berg and Allan Van Huis did play some last year. The height which Holland high will have for this year and the next few years is one of the most encouraging features.

Public high lost five in February and four in June or a total of nine through graduation last season. Capt. George Dalman, Paul Van Dort, Bob Rowan, Ray Serier and Louis Terpsma were lost in midseason and Juke Kemper, Don Oosterbaan, Bill Buck and Bud Hofmeyer were lost at the end.

After the opening fray with Zeeland, games will continue every Friday night throughout the season. For the third year, Ottawa Hills will be the second opponent. Four and five years ago, Holland high opened with Ottawa Hills and then played Zeeland.

There are no new schools on the 1940-41 schedule. Kalamazoo Central is the only school on this schedule that Coach Mackay has opposed before. Through them during his stay at Jackson high he

got some idea of the strength of the Southwestern conference, however.

Appearances here will not be the first for either Zeeland or Ottawa Hills because both have opening games this week Friday. Ottawa Hills plays St. Joe and Zeeland plays Fennville.

After two non-conference games during the first week in December, Holland high will open its conference season here against Muskegon. The next week they travel to St. Joe for their last non-conference meeting. On the 14-game schedule are eight home games and six on foreign floors.

Before Monday's practice in the armory Mackay had met his men only a couple of times, although Coach Fred Weiss had been working with them nightly and during Thanksgiving vacation. His two half-year students are Allan Van Huis and Tony Kemper. Among the other seniors are Earl Holkeboer, Vanden Berg, Lowe, DeWeerd, Gerald Smith, Chapman, Herk Van Tongeren, Bob Barkema, Thomas and Marv Van Eyck. Chuck Ploegsma and Harold Karsten are the sophomores and Vern Kraai, Pres Kolean, Ken Rotman, Bob Shanks, Julius Helder, Nels Groeters, Ken Tien and Dell Kooie are juniors.

Holland high's schedule is as follows: Dec. 3, Zeeland, here; Dec. 6, Ottawa Hills, here; Dec. 13, Muskegon, here; Dec. 20, St. Joe, there; Dec. 27, G. R. Central, here; Jan. 3, Benton Harbor, there; Jan. 10, Grand Haven, here; Jan. 17, Kalamazoo, here; Jan. 24, Muskegon Heights, there; Jan. 31, Muskegon, there; Feb. 7, Benton Harbor, here; Feb. 14, Grand Haven, there; Feb. 21, Kalamazoo, here; Feb. 28, Muskegon Heights, there.

MRS. PELGRIM RESIGNS POST

Willard C. Wichers Named to Take Her Place in Festival Bureau

Mrs. George Pelgrim, route 1, Holland, has submitted her resignation as a member of the new Tulip Time bureau, it was announced by Mr. E. P. Stephan, secretary-manager of the Holland Chamber of Commerce.

Mr. Stephan said President Clarence Jalving has appointed Willard C. Wichers to replace Mrs. Pelgrim. Mr. Wichers is secretary of The Netherlands Pioneer and Historical foundation and is actively engaged in the operation of The Netherlands museum, one of the major exhibits of the annual Tulip Time festival.

"My work with the Tulip Time committee in the past has been a pleasure and privilege but other civic duties will be using all the time I have for many years," Mrs. Pelgrim wrote in her letter of resignation to Mr. Stephan.

Mrs. Pelgrim had served on the Tulip Time committee only a short time but S. H. Houtman, general Tulip Time manager, said her work had been outstanding as the production of the Tulip Tales pageant in 1939 under Mrs. Pelgrim's supervision had been the first attempt to include pageantry in the festival program.

The pageant was repeated in 1940 under her supervision with Mrs. William G. Winter, Sr., as assistant to Mrs. Pelgrim.

So successful was the pageant in those two years, that it has become a permanent feature of the annual festival program, Mr. Houtman said.

The Tulip Time bureau will be guests of the Warm Friend tavern at a dinner tonight and will hold an organization meeting afterwards.

HOTEL HEAD IN G.H. SUCCUMBS

Grand Haven, Nov. 28 (Special)—Stephen K. Nemeth, 58, president and manager of Hotel William M. Ferry, died unexpectedly of a heart attack at 11:30 p.m. Wednesday while talking with patrons in the hotel lobby.

During his 18 years in Grand Haven, he gradually built the hotel into a prosperous and modern hostelry. Mr. Nemeth and a Mr. Mead purchased the hotel, then known as the Gildner hotel, in 1922 and about two years later, Mr. Nemeth organized the corporation in which a number of local people was interested. Mr. Nemeth also bought Mr. Mead's interest at that time.

In 1934 during the Grand Haven centennial, Mr. Nemeth changed the hotel's name to William M. Ferry, since the building was on the site of the original home of the Rev. William M. Ferry who settled this community.

He was born in Hungary Sept. 15, 1882, and obtained his education up to the sixth grade in schools in Hungary. He obtained employment as a bus boy when 12 years old and later was a butcher, then took a job as steward on the steamer Astoria. From 1905 to 1907, he was a cook at the Palmer House in Chicago and then went to the Chicago Press club as chef and steward, a position he held six years before entering the restaurant business in Chicago.

He had been a member of the Grand Haven Rotary club since 1929 and was a member of the Grand Haven lodge, No. 1,200, B. P. O. E.

Survivors are the widow, Mrs. Selma, who he married in 1929; one stepdaughter, Mrs. Evelyn Melnotte Carlson; one granddaughter, of Grand Haven.

Funeral services will be held Saturday at 2 p.m. from the Kinema funeral home in charge of the Grand Haven Elks lodge. Burial will be in Lake Forest cemetery.

Present: Mayor Geerlings, Aldermen Kleis, Arendshorst, Drinkwater, Kalkman, Pansen, Menken, Raymond, Smith, Mooi, and the Clerk.

The Mayor stated that the meeting was called at the request of the Board of Public Works for the purpose of awarding a contract for the sale of obsolete equipment at the old Power Plant.

Clerk presented a communication from the Board of Public Works with a list of the bids received for this obsolete equipment as follows:

National Power Machinery Company \$ 8,000.00
Wilms, Weaver & Co. 10,275.00
Utilities Electrical Machinery Company 9,110.00
M. Brady & Sons 6,250.50

It was the recommendation of the Board of Public Works that this obsolete equipment be sold to Wilms, Weaver & Company, Detroit, Michigan as per their bid price of \$10,275.00. This being the highest bid.

Adopted all voting Aye.

For the information of the Council, Clerk presented communication from the Board of Public Works that Mr. C. J. McLean, Vice chairman of the Board, had now been appointed their president.

In this connection, the matter was brought up relative to the appointment of a successor to Mr. James De Young who had recently died.

Alderman Kleis placed in nomination the name of H. S. Covell. This was seconded by Alderman Arendshorst. There were no other nominations and Mr. H. S. Covell was unanimously elected as a member of the Board of Public Works until 1943 to serve out the unexpired term of Mr. James De Young, deceased.

Mayor Geerlings reported that he had again been approached by different people relative to the fact that the Draft Board is now occupying the G. A. R. room. These people who approached him represent the different organizations who formerly met in this room.

After quite some discussion on this matter, the following Resolution was presented:

Inasmuch as the Federal Draft Board has pursuant to request by the Common Council contacted the Federal authorities for the purpose of obtaining space in the Post Office Building, and

Since it has been found to be impossible to use this building except during Post Office hours, and

Since it is absolutely necessary for the Draft Board to meet during the evening and holidays inasmuch as the members of the Board are business men who are donating their time to this purpose free of charge.

THEREFORE, BE IT RESOLVED, that the previous action of the Council granting the use of the so-called G. A. R. Room to said Draft Board be continued so long as there be the necessary emergency.

On motion of Aldermen Raymond, 2nd by Pansen. Unanimously carried.

Adjourned.

Oscar Peterson, City Clerk.

Rabbi Folkman Speaks to Third Men's League

Rabbi Jerome D. Folkman of Temple Immanuel, Grand Rapids, addressed members of the Men's League of Third Reformed church at their monthly meeting Tuesday evening.

Babbi Folkman spoke of the Jewish question of the present day and gave an interesting and illuminating address. "It is possible," he said, "to treat the subject from the purely material point of view and to give a vivid description of the terrible sufferings and persecutions to which the Jews are being subjected." He preferred not to do this and instead spoke of the benefits which, in the providence of God, have come to both Jews and Gentiles by this affliction.

The speaker referred to the settlement of the Jews in large numbers in Palestine and the rehabilitation of that country, by their efforts. He spoke of the great medical center which bids fair to surpass anything of that kind in the world, staffed by Jewish doctors and scientists driven out of Europe. He cited the development of the Dead Sea which is rich to the extent of billions of dollars in chemicals for medical and agricultural purposes and gave remarkable instances of the manifestation of the spirit of human brotherhood crossing racial lines to take a place besides the oppressed Jew.

Rabbi Folkman asserted that Nazism is a threat to the Jews, but also to the Christian church. He referred to the efforts of Fifth Columnists in this country and their efforts to undermine the government.

Charles De Boer, president, presided at the meeting. Dr. E. J. Blekkink opened with prayer and Dr. W. J. Van Kersen gave the closing prayer. Music was furnished by the Bohemia sisters of Hope college.

GAMING CASE

(Continued from page One.)

He related his visit to the fairgrounds Sept. 5, 1940, and again saw what he considered gaming devices in operation, the visit resulting in the arrest of five concessionaires, one of whom pleaded guilty in the last term of court.

One was acquitted and cases against the other three are awaiting trial.

The state rested its case upon conclusion of Parsons' testimony.

Charles Lowing, Georgetown supervisor and chairman of the county board, was the first defense witness. He admitted the township owns the property known as Hughes grove and comprising about 20 acres which is leased each year by the fair board for a rental of \$100. He stated that neither he himself nor the township had any connection with the fair. On cross examination, Lowing testified that at the October session of the board of supervisors, the board appropriated \$200 for the 1941 Hudsonville fair.

Members of the fair board who were in court were William Vander Laan, president, Carl Ohlmann, secretary, Fred De Haan, treasurer, Edward Tanis and Ben Hoeve, board members. Justice of Peace Fred Wagner and Deputy Sheriff John De Vree of Hudsonville also were in court.

MOTORIST GUILTY OF CRASH CHARGE

James Besteman, route 2, Hudsonville, was found guilty of a charge of failing to yield the right of way following a trial this forenoon before Municipal Judge Raymond L. Smith.

Besteman pleaded not guilty on his arraignment today and upon waiving a jury trial, he was given an immediate hearing.

The court assessed Besteman a fine of \$5 and costs of \$10.95 but suspended the fine. Besteman paid the \$10.95.

The charge was sworn to by Harold Shuck of Burnips Corner who charged that Besteman's car crowded his vehicle off the highway, one and one half miles south of Hudsonville, Wednesday morning, causing it to turn upside down in a ditch.

It was reported that Shuck offered to show Besteman he bore no ill feeling against him by proffering \$5 towards the court costs but the money was rejected by Besteman.

"I just wanted to show you that you can't get by with that kind of driving," Shuck is quoted as saying to Besteman.

Must Work at Democracy to Preserve It, Club Is Told

Educator States Threat to U.S. Is Greater Than Is Realized

"Ordinary citizens of the United States have been guilty of thinking they do not have to work at democracy to keep it alive," Dr. Clark Kuebler, Northwestern university professor, told an audience of nearly 300 men and women in the Woman's Literary club Tuesday, Nov. 19, as he delivered a thought-provoking address on "The Defense of the Citadel."

The occasion was the annual fall evening guest night of the Woman's club. Preceding the lecture, Mrs. Beulah Harper Dunwoody, accompanied by Mrs. Martha Robbins, presented a group of vocal solos, her numbers including "The Violet," "Mozart," "Hark, Hark, the Lark," Schubert; and for an encore, "Do Not Go, My Love," Hageman. Mrs. J. J. Brower, club president, presided.

Contrasting the pessimism of the present with the America of the twenties, when with extreme optimism war was thought to be outmoded, progress inevitable and success was within reach of all, Dr. Kuebler said that this is not the first time the world has been in the agonies of difficulty, nor is it inevitable that democracy must succumb. Problems of today must be frankly recognized and faced, for "we are not defeated unless we believe so in our minds and hearts."

He stated that this democracy is threatened even more than the man on the street realizes, first from the threat of war and, second, by the insidious propaganda being spread in the country by foreign influences. Declaring that he is not a pacifist, Dr. Kuebler said that nevertheless he hopes by some miracle this country can give ultimate aid to Great Britain and still keep out of war.

Economic, political and social success of a country always suffers during a war, and in past war hysteria, the tendency is to surrender liberties temporarily which are difficult to regain.

He also warned that in fighting fifth column influences, great care must be used that "while trying to save our institutions, we do not lose by the saving."

"There is not so much danger in the work being carried on by the Dies committee, as in the intolerance of emotional individuals, for intolerance and viciousness is the technique of the dictators," he said.

Ordinary folk have been guilty of sins of omission, rather than of commission, Dr. Kuebler declared. Naming himself a conservative and not an alarmist, he drew from his extensive experience in Europe to show "we are not different from our European cousins, and as they behaved under a certain set of circumstances, so might we."

Naming signposts along a dangerous path which he had observed in the totalitarian countries, many of them formerly democracies similar to America, he declared that democracy must not be neglected, any more than Christianity must be neglected.

The longer democracy has grown, the less the highest type of individual has been interested in it. If one wants to be relieved of all responsibility, he will be relieved of his privileges, resulting in a form of mob rule. Defeatism goes hand in hand with smugness, he said.

Dr. Kuebler advocated higher standards for public servants and suggested that public officials be put in office because of their fitness due to brains, training and moral standards.

Another sin of omission named by the speaker was the way in which adults have failed to capture the imagination and beliefs of the youth of today. They are bewildered and confused and need leadership. Many a mother and father with the best of intentions have alienated their children because of failure in their responsibility to lead them in their inherent faith. Many of those who should be leaders are seen as hypocrites in the eyes of youth, he said.

If young people are confused, so are their elders. "We have lost our ideals through a false broadmindedness," Dr. Kuebler explained. "We become so liberalized, we do not believe in anything." There is a need for creeds in every day life, he averred. A man should be intelligent and courageous enough to sit down and think out his beliefs, that when a crisis comes, in his confusion he will not have to follow the first leader who calls.

All seeds of democracy and idealism in Europe are not dead, he said in closing, but will be reborn. "But must we in this country be bathed in tears and sweat like Europe before we experience a rebirth? Are we so stupid and blind?" he asked. "Regardless of our walk in life, each of us has a tremendous responsibility to work towards the fulfillment of our ideals."

Trinity Play Draws Capacity Audience

The Woman's Literary club building was packed to capacity last Thursday a large number was turned away from the first performance of "The Gay Deception," a farce presented by the Trinity League for Service.

The plot was light comedy replete with deceptions, misunderstandings, love-making and compromising situations. PREPAREDNESS for the unexpected

The National Defense Program is one of numerous situations that can cause a tremendous increase in the number of telephone calls. Some occasions can be foreseen — a national convention, a holiday, a World's Series, an election. Others come without warning — the death of a prominent person, changes in the market, a storm or flood. The Telephone Company must adjust its forces and equipment quickly to unexpected "peak" loads. That requires closest co-operation between highly trained workers. The ability of telephone men and women to rise in emergency is an important reason for this Company's preparedness to do its part in the Nation's defense activity.

150,362,326 AMERICANS

We have all been so used to speaking glibly of an American population of 130,000,000 these past ten years that it may be hard to adjust ourselves to the new census figures. Yet the cold statistics released by the census bureau at Washington make the population of this country, as of 1940, a total of 150,362,326. From now on we will have to revise all our population references to read: "A hundred and fifty million Americans."

That figure of course represents the population not only of continental United States but also of its territories and possessions. But all the people of all those possessions are Americans, subject to all the obligations of citizens and enjoying nearly all the privileges. Including such territories as Hawaii and Puerto Rico is of course reasonable.

More interesting than the figure itself is the way in which the American people have reacted to the statistics of the census bureau. They have taken the news rather calmly, even without any marked enthusiasm or sense of national pride. The average citizen probably does not feel any more puffed up to belong to a nation of 150,000,000 than he did the day before the figure was released, when he was still thinking in terms of 130,000,000.

There was a time, not more than a generation ago, when such an announcement would have been followed by a sense of pride and satisfaction. Up until fairly recently Americans were in the habit of thinking in terms of numbers. The city that had the biggest population was held to be the luckiest city; and so with the state, and so with the nation. Mere numbers were almost sacrosanct.

But for a decade now America, along with the rest of the world, has been struggling with the apparently insoluble problem of surplus people. Even after we have increased our debt to some 45 billion dollars there are still some nine or ten million more mouths to feed than the nation has jobs for. The average American has had that fact brought home to him the past ten years in increased taxes and in many other ways. Hence he is hardly in the mood for rejoicing over the fact that we are now 150 million instead of only 130 million. Since the beginning of our history it has been assumed that mere numbers represent national wealth; Americans are losing some of their confidence in that assumption. They will feel that there is a catch in it somewhere—at least until that slack has been taken up or until they become sure that it is capable of being taken up.

Rejoice over the big increase of our population? The American people are not shouting themselves hoarse over the fact.

THE CHURCH INVITES YOU

The Rev. Orien W. Fifer, D. D., editor of the Christian Advocate says: "The misuse of the Sabbath solely for personal amusement, or gain, or idleness, is harmful especially to children in the family. Such an example of desecration prevents worship and weakens the moral fiber. The true delight of the day comes from quiet fellowship with the Most High and sharing in solemn vows and hymns of love and praise."

"A Sabbath of rest and gladness comes to every person who heeds the prophet's counsel, 'If thou turn thy foot away from doing thy pleasure on my holy day, and call the Sabbath a delight, not doing thine own ways, nor finding thine own pleasure; then thou shalt delight thyself in the Lord.'" So why not accept the invitation and go to church next Sunday?

An Exacting Discipline
Luke 9: 49-62

By Henry Geerlings

Every reader of the New Testament is familiar with the apostle Paul's reference to the athletic contests which took place at Corinth and other centers. It is not surprising that when he wrote to his friends he should refer to these familiar games. The athlete whose heart was set on the prize recognized that there were certain stern conditions he must observe in order to succeed. He must exercise daily until his powers were developed. He must abstain from those things which impaired his physical condition, and he must exert himself to the best advantage as the contest began and put forth every effort to win.

What was it all for? A crown of fading flowers—that is what they sought to obtain. Paul made a dramatic contrast. If men were willing to do all that for a perishable crown, how much more effort should be put forward for the crown which does not fade away, the incorruptible prize of the gospel. So with the same self discipline, the same strenuous effort should an enduring crown be sought.

It had become clear to Christ that the nation would not repent and accept his gospel, and that in the end it would reject Him. The Jews were a stubborn people. They deliberately turned away from Him. He made many attempts to woo them unto Him but all his efforts failed. They wanted a temporal king. They were satisfied with nothing less.

Christ might have gone to some other people in some other country, but He knew that His mission was to the nation chosen of God to be His instrument. The time came when He must go to Jerusalem, there at the nation's capital to make his final appeal, and if He was rejected to stand fast and take the consequences in the confidence that God would accomplish His purpose through His death. No argument on the part of His disciples could persuade Him to turn away.

He was obedient unto death. Only His loyalty to God and obedience to His mission made Him go forth to meet the danger that awaited Him in Jerusalem. He could have remained where He was, or traveled abroad, but He did neither. He knew that it was the will of God that He should press His claim home upon the conscience of the nation by creating a crisis in which the Jews would be compelled to act one way or the other. It was against this background of strong resolve to meet death unafraid that we must read Jesus' responses to those various persons who offered to become His disciples at that time.

And so He gave stern warnings. To one man who, like Peter later, asserted that he would go anywhere with Him, Jesus pointed out that following Him would mean sharing His total insecurity among men in His lack of a home. To another, who responded to His challenge to follow Him by pleading that he must first attend a funeral, He intimated that there were more important duties even than that. And another, who only wished to bid farewell to his relatives, He voiced the warnings that a man, liable to hesitate would not be able to serve the purposes of the kingdom of God. These may seem to be harsh answers, but we are to remember that Jesus was in the position of a soldier going to the front to meet an emergency, and those who would accompany Him must go in the same spirit.

All this seems very remote from the conditions of our own life and time, when nothing very dreadful is likely to happen if we decide to follow Jesus. It has, however, been stark reality to people in other lands like the young Japanese Kikawa or the Sikh Sunder Singh, who literally took their lives in their hands when they decided to become Christians. It is very real to Christian ministers in Germany today. It may become real to us at any time when we have to choose between right and wrong courses of action.

Nothing is more certain than that our faith in Christ must be carried out in definite attitudes. These may sometimes be difficult and even dangerous when we find ourselves in conflict with standards customs or ideas thought to be right because they are traditional.

William James used to talk of the futility of ideals without courage. The true Christian is distinguished not so much by the fact that he has ideals, as by his willingness to act in accordance with them and even to endure and suffer for them.

CHILD DIES OF AUTO INJURIES

Hudsonville Boy Runs Into Side of Car; Services on Tuesday

Hudsonville, Nov. 28.—Injuries suffered Wednesday Nov. 20, about 5 p.m. when he ran into the side of an automobile proved fatal to Jay Schut, four-year-old son of Mr. and Mrs. Henry A. Schut, residing one-half mile west of here. He died Saturday about 2 p.m. in St. Mary's hospital, Grand Rapids.

Dr. John K. Winter, coroner, who investigated, returned a verdict of accidental death. He reported the child had died of a fractured skull. The boy remained in an unconscious condition until death. He was first taken to a doctor's office for treatment and then removed to St. Mary's hospital.

Driver of the car was Alvin Ringwold, 24, residing two miles west of Hudsonville.

The accident occurred at the intersection of M-21 and the Barnaby road, one-half mile west of Hudsonville. Ringwold was en route to his home.

Mrs. Schut and three children, Jay, his twin sister, Joan and an older son, were standing along the north side of the road waiting for the Ringwold car to pass. As the car drew even with them, Jay Schut jerked away from his mother and ran into the side of the car, the rear fender striking him. Deputy Sheriff John De Vree said he was informed.

The child is survived by the parents; two brothers, Albert and Joe; five sisters, Mrs. George Westrate, Gertrude, Henrietta, Betty May and the twin sister, Joan; and the grandmother, Mrs. Albert Schut, all of this community.

Funeral services will be held Tuesday at 1:30 p.m. from the home and at 2 p.m. from the Protestant Reformed church here. Burial will be in Georgetown cemetery.

Thanksgiving Discussed at Endeavor Meetings

Topics in keeping with the Thanksgiving season were discussed at almost all meetings of Christian Endeavor societies in Holland Sunday.

Between 300 and 400 persons gathered in Sixth Reformed church, following the evening church service for a Thanksgiving hymn sing, sponsored by the Young People's society. The Rev. Nicholas Gosselink, pastor of First Reformed church, was the song leader and selected hymns in keeping with the season. Mrs. Sam Plagenhoef was pianist for the event. As a special feature, the leader picked out several from the audience to assist him in some of the selections.

Miss Lois Potter led the meeting of the Young People's society in First church, followed by an interesting discussion. The group had a Thanksgiving party last Monday in the church and admission for each guest was canned goods which went into the Thanksgiving baskets arranged by the intermediates. The girls brought lunches which were auctioned off and the money was used for meat for the baskets.

In charge of the party were Dorothy Curtis, chairman, Ray Moot, Laura Roosenraad and Genevieve Bussies. A group of Endeavors also will assist at the midweek prayer service Thursday at a panel discussion with the Rev. Gosselink in charge. Migrants and other subjects will be discussed. Those scheduled to take part are Lois Potter, Lorraine Interbitzen, Dorothy Bielefeld, Don Oosterbean and Irving Lemmen.

The Junior society of Fourth church had a Thanksgiving meeting at 2 p.m. with Donna Speet in charge. All the children responded to roll call by giving one reason for gratitude. Virginia Koning and Joyce Kobes sang a duet with Mrs. H. Van Dyke accompanying at the piano. Dorothy Vander Wall will be the leader next week.

James and Ila Kiemel were leaders at a meeting of the Intermediate society in Fourth church. Their topic was "As Others Hear Us." The song service was led by Joan Mass with Gladys Buurma at the piano. Twenty-three young people were present.

ALL THREE CITY SQUADS BOW IN OPENING GAMES

Heaters Lose Overtime to Detroit; Visitors Trim Oils, Dykemas

All three Holland teams bowed before their visiting opponents in the opening city league games in the armory Thursday night, the Furnaces going down 28-23 in an overtime and the league teams losing by wide margins.

Coach Jack Schouten's Furnace team held the Great Lakes Big Five to a 22-22 draw at the end of four quarters. The Detroit Negroes pulled ahead by six points in the first minute of the overtime and then stalled for the last two minutes while the Hollanders' shot through only a foul.

In the opener the Oils tied the Grand Rapids Krafts with a 17-17 tie at the intermission but lost 46-26, having scored only nine points in the last half.

The Dykema-Eagle Ottawa Indians game was played second instead of last because the Detroit players did not arrive in time for an 8 p.m. match. Not all the players on either team were on hand because the game was started ahead of schedule and the Dykemas, who never came near catching up, lost 40-20.

The Detroiters exhibited an entirely new set of antics developed since their game here early in the season last year. This clowning reached a climax in the last few seconds of the overtime when they had the match practically clinched.

Holland piled up a 6-1 lead in the first quarter and was still ahead 14-12 at the half. In the third period, the Dutch were held to two points and the Detroiters to four and a five-minute 16-16 tieup began.

Appearing with the Furnace team for the first time were Mel Sjaarda of Holland, former Christian star; Joe Fitzpatrick, former Ferris player; and N. Hasty and Wally Hasty, both of Fennville.

The Oils got off to a slow start but managed to take the first quarter by a ratio of two-to-one. The Krafts did almost the same thing in the second quarter. They shot ahead with 16 in the third quarter while Thomas dropped the Oils' only bucket, and continued to draw ahead in the final frame.

Harold Ingraham, formerly of the University of Grand Rapids, Don Tuls, formerly of Holland Christian and Disbrow formerly with Western State, appeared in the Dykema uniforms for the first time.

The Eagle Ottawa Indians took a quick lead and because they allowed Dykemas only two timeouts in the third stanza, they at times had more than doubled their margin. Oostendorp from Zeeland is a new member of the Dykema outfit.

HHS to Send 10 Delegates to Older Boys Convention

Leon N. Moody, faculty-adviser of the Hi-Y club of Holland high school, has announced that plans are being made to send ten delegates of the local school to the annual Michigan Older Boys Conference which will be held in Muskegon next Friday and Saturday, Nov. 29 and 30. Approximately 500 boys from many sections of the state are expected to attend inspirational mass sessions and be entertained by an elaborate program now being arranged by Muskegon leaders.

Final selection of local delegates has not been made although the local delegation will include Allen Van Huis, president of the Hi-Y club; Kenneth De Groot, vice president and district counselor for the southwestern district, and Karl Klomprens, Marvin Van Huis and James Mooi, the latter three of whom represented Holland at the state Hi-Y camp at Hay-Went-Ha at Torch Lake near Charlevoix this summer. Kenneth De Groot also was one of the state representatives to the national congress in Oberlin, Ohio, in June. His district here includes Grand Rapids, Kalamazoo, Muskegon, Holland and Benton Harbor.

Principal addresses of the two-day session will be given by Dr. Harold F. Carr, Flint Methodist church pastor, and Dr. C. L. Ansbach, president of Central State Teachers' college, both veteran workers with the problems of older boys. In addition a mid-west vocational guidance authority, as yet unnamed, will speak.

Nearly 400 Muskegon homes will be opened to accommodate guests. Main sessions will be held in the centrally located Methodist church. Conference headquarters will be established in the Muskegon YM-CA, where, when the conference is not in session, a program of lobby games, swimming, bowling and other sports will be open to boys.

On Saturday afternoon, the Mart auditorium, one of the few large indoor ice skating rinks in the state, will be opened to the delegates. First representatives will register at the Muskegon association building on Friday noon.

The largest delegation is anticipated from the Detroit area from which a special chartered train will come. Accompanying youths will be YMCA boys' work secretaries and school heads. The two-day session will conclude with a banquet Saturday evening.

The Hi-Y club at Holland high school at present has a membership of 53 members. The club is sponsoring another Hi-Y in junior high school which has for its adult adviser Austin Buchanan of the school faculty. The first meeting was held Tuesday night when 26 boys of the junior high school gathered with the older group. The Rev. J. C. Hamel, general superintendent of the Protestant church in the Dutch East Indies, showed motion pictures of the natives there.

Local delegates to the Muskegon convention plan to make the trip by automobile and also plan to remain overnight. Mr. Moody also plans to attend the sessions. The convention quota is determined by the membership of the Hi-Y clubs and the enrollment of the schools.

COLD IN SOUTH CAMP PASSES

Holland Soldiers Gaining Weight in Training in Louisiana

By Osborne R. Vos

Camp Beauregard, Alexandria, La.—The sudden drop in temperature found Holland men well prepared to stand the piercing cold of the south with a stove in each tent and plenty of fuel. Heavy underclothes were issued to the men, and along with heavy overcoats, gloves and all wool clothing were enough to keep out jack frost. The nights were exceptionally cold with a stiff north wind causing most of the men to have red wind burned faces.

The wave came directly after a severe wind and rain storm which left all of Company D's tents standing in good order. The surrounding grounds were soon took care of all excess water. During this spell many men punned by pressing their desire to go south to a warmer climate. However, the nights now are pleasantly cool and the days are again warm, permitting the men to go about without overcoats or sweaters.

Church services were held again as usual in the Regimental theater, but many men attended church services, Sunday school and young people's meetings in Alexandria. Ministers of these various churches are cooperating with the men while stationed here and have pledged their support. They will contact ministers of the home churches, further aiding the men in whatever way they can.

As a person would glance over the majority of the men here they would find a change in the appearance and general health due to sunshine, extensive exercise and physical training, and a balanced diet of food. Some have gained as much as ten pounds and more.

The general feeling seems to be one of satisfaction.

Today the kitchen force had to transport its equipment to the field for a noon meal which was training duty for them.

Company D has received the new Garand rifles for the headquarters platoon and is receiving training with them. Every other company in the 126th infantry has also received the new rifles.

Sgt. John Kamps has attended a school on the wearing of the gas mask and its use during a gas attack. He has instructed the men in turn on the same. Later a gas mask will be part of every man's personal equipment.

Sgt. Nevin Van Anrooy has been attending school on the 50 calibre machine gun for which later he will instruct the 50 calibre platoon.

The following men were recommended to be enrolled in the "army extension course" for officer's training: Sgt. Nevin Van Anrooy, Corps. Henry Gebben, Russell Kempker, James McCormick, George Zietlow, Pvt. 1st Cl. Robert Rowan, William Sikkel, Osborne Vos and Pvt. Emil Brown. The outcome of this schooling will depend entirely upon the demand for officers and the personal initiative of each man.

Sgt. Homer Lokker and John McCormick have completed their army extension courses and are waiting for their commissions as second lieutenants.

All privates and privates first class are subject to details such as kitchen police, guard duty and other necessary details. Corporals and sergeants all have their chance at being in charge of quarters from day to day. A complete circle has already been made and men are getting their second chance.

IN COURT AGAIN ON INTOXICATION COUNT

Two were arraigned Friday before Municipal Judge Raymond L. Smith on charges of intoxication.

Following his arrest Tuesday night, he was arraigned Wednesday afternoon before Justice Jarret N. Clark of Zeeland and, upon his plea of guilty, was assessed court costs of \$4.15 which he paid.

Fargo was arrested a second time by local police Thursday night. Friday he pleaded guilty. Smith assessed Fargo a fine and costs of \$19.15 which he paid.

Joe Bugno, 36 West Fourth St., pleaded guilty before Justice Smith and was assessed a fine and costs of \$10. He was arrested Thursday night by local police at Eighth St. and Central Ave.

MORE DEER BAGGED BY LOCAL HUNTERS

Additional Holland hunters had returned home today, successful in shooting their deer in the 15-day hunting season which opened Nov. 15.

Municipal Judge Raymond L. Smith returned on Nov. 20 with a four-point buck. He said he missed a shot at a large buck because his gun had frozen on the opening morning due to the cold weather and heavy grease in the gun.

Arthur Alverson, 166 West Third St., returned Nov. 17 with an eight-point buck, weighing 150 pounds, which he shot in the opening day of the season near Baldwin.

J. J. RIEMERSMA NAMED HEAD OF FETE'S BUREAU

Mrs. Telling Is Elected Vice-Chairman; Board Hears Reports

J. J. Riemersma, 339 River Ave., was elected chairman of the recently created Tulip Time bureau at a business meeting which followed a complimentary dinner served by the Warm Friend tavern Tuesday night in the hotel.

Mr. Riemersma has served as principal of Holland high school since September, 1919. He also has taken an active part in Tulip Time activities, having served as chairman of the festival band parade.

Mrs. J. E. Telling, route 1, Holland, was elected vice-chairman of the bureau. On previous occasions, she has served as chairman of the old Tulip Time committee and has taken an active part in festival arrangements.

Following election of new officers, the rest of the meeting was devoted to various reports regarding the 1941 festival to be held May 17 to 24. At the conclusion of the meeting, the bureau extended a vote of thanks to the hotel management for the dinner.

In his report, Eugene F. Heeter revealed that the Festival of Music, originated at the 1940 festival, will again be held this next year with the Michigan State college band as the featured attraction on Friday night, May 23.

He announced that judges for the annual band review will consist of Leonard Falcone of Michigan State college, Mark Hindsley of the University of Illinois and Robert Holmes of the Wilbur Wright high school, Dayton, O. He also reported that David Mattern of the University of Michigan has been invited to conduct the community singing at the Festival of Music but the invitation has not been accepted.

Mr. Heeter recommended that as much territory as possible be scrubbed on the opening day's program but that the parade which follows be smaller. He stated that the high school orchestra and choir will present a Sunday night program in the Hope Reformed church as part of the program started a few years ago by the Rev. William G. Flowerday, pastor of First Methodist church.

He said that plans are being considered for the Grand Rapids Schubert club to present a program here on Tuesday night of festival week in Hope Memorial chapel.

Regarding the annual school parade, held on Wednesday, Mr. Heeter suggested that bands which cannot take part in the Friday and Saturday events should be encouraged to participate in this parade since there is a present lack of musical organizations for the large number of students who march in the parade. Mr. Heeter said the annual band review will be held on the final Saturday. Pointing out that there appears to be a lack of hospitality in greeting visitors to Tulip Time headquarters, he suggested more adequate quarters for the staff.

S. H. Houtman, general Tulip Time manager, expressed regret that several persons who had done considerable work in developing the festival were not in the new bureau, stating that the responsibility of carrying on rested on the new bureau.

He reported that there are good prospects for publicity in newspapers, magazines and other periodicals, stating this publicity will provide "hundreds of dollars in advertising for cost of mailing and printing the material."

The low bid of the J. Klaasen Printing Co. of Holland for the printing of the 20-page booklets and folders was accepted by the bureau.

Ben Brower reported on the tulip planting, stating that 35,000 new tulip bulbs had been purchased and 25,000 bulbs obtained locally. He said the lanes would be about the same next year and with good weather there would be a great showing of tulips.

SUNDAY DINNER Suggestions

DESPITE the Thanksgiving celebration, you probably will find the family still expects Sunday dinner to be a special occasion.

Neither fruit and vegetable nor meat prices show much change from last week and the majority of the items which were featured by the largest of the food chains last week are again on the current week's list. Among fruits and vegetables these are: apples, Florida grapefruit, Emperor grapes, Florida oranges, pears, pecans, green beans, California broccoli, cabbage, iceberg lettuce, cauliflower, celery, carrots, mushrooms, sweet potatoes and Canadian rutabagas. The quality of Florida grapefruit is unusually fine and prices are low so that you can institute it as a regular breakfast item without putting a strain on the budget.

Among special items to be found in the market in small quantities this week are California raspberries and strawberries, rhubarb, Swiss chard, dandelion and collard greens.

Miss Cora Anthony, director of the kitchens, has prepared the following menus as suggestions for Sunday dinner:

All the rest of the probable mainstays are seniors, including Howard Kalmink at center and Art Tuls and Harvey Butler at forwards.

The open date on Feb. 28 has been filled. On that date, the Christians will travel to Fennville for a return game. Formerly, one game was played each year.

A light workout Thursday will close pre-season practices. Game times will be 7 p.m. for the second teams and 8 p.m. for the varsities. Officials will be Bob Black and Tom Dewey of Kalamazoo.

Woman's Club Is Given Demonstration Lecture

Members of the Woman's Literary club had the privilege of seeing a real artist at work Tuesday afternoon, when Prof. Avar Fairbanks of the University of Michigan Fine Arts department modeled from plasticine a figure representative of American life as the artist perceived it, a personality of pioneer days, typical of the people who developed and built up this country.

A similar figure, fashioned of bronze in heroic size, typical of the pioneer Abraham Lincoln who through the daily tasks of life made himself strong in body and mind, that he might save his country in time of need, is in the process of construction by Prof. Fairbanks, and will be placed in the Hawaiian Islands before the famous Plantation school where youngsters of all nationalities, to whom Lincoln gave emancipation, will study.

In his demonstration lecture on the theory and technique of sculpture, Prof. Fairbanks stated that sculpture is an important field whereby the peoples of all lands have retained their thoughts and ideals. Although a minor part of the activities of a nation, the arts are important as a social need in the perpetuation of civilization, he said.

Devoting most of his time to the actual demonstration of his work, the artist showed the importance of the knowledge of anatomy in the development of the figure. His audience watched the development from a mechanical bit of clay into a rough bodily framework, saw it move and grow into a type or class of people; they were given instructions in embryonic growth of the head, and were shown how the face is formed. In clothing the figure, Prof. Fairbanks showed how the basic laws of human development also apply to costumes.

Prof. Fairbanks gave his listeners a greater appreciation of sculptured figures, teaching them to look at a figure in the light of the knowledge of basic line, developed through the principles of symmetry, balance and rhythm.

Grace Church Fellowship Hears John Van Lierop

The Young Peoples' Fellowship of Grace church held its second monthly supper meeting of the season Sunday. Vivian Tardiff, Adam McCloy, and Yvonne Bosman were on the committee in charge.

Later, a brief business session was conducted by the president, Adam McCloy. Immediately after its adjournment, the Rev. Arthur C. Barnhart introduced the speaker of the evening, John H. Van Lierop, a pre-seminary student at Hope college, who lived in Belgium for fifteen years.

In an impressive beginning, Van Lierop gave the group a concrete idea of Belgium's size as he explained that all of the country would fit into but one-fifth of the state of Michigan. Belgium, with 8,000,000 people within its borders, is the most populated country for its size in Europe. Strangely enough, there is no actual Belgian language. The people speak either Flemish, Dutch, or French.

Mr. Van Lierop showed that Belgium is greatly divided politically. Although the true Flemish people have the greatest majority in number they are, in the main, suppressed from public offices. He asserted earnestly that the French people dominate Belgium.

Van Lierop said one of the important factions in Belgium today is the National Socialistic movement, which in America is recognized as the Nazi party. He told the group that he believes firmly the invasion and conquering of

the Netherlands and Belgium by Germany in May can be attributed to the fact that both countries were thoroughly overrun previous to invasion by Nazi fifth columnists who had strong influences in the respective armies.

He said France, too, was divided in its own house, but not England, and that England has a very good chance for victory, as long as the people, as a whole and individually, stand together and inviolate.
