## New Paving Policy Is Approved

A new street paving policy in which residential streets will not be assessed more than \$10 per running foot was approved by City Council Wednesday night.

The proposed policy had been tabled two weeks ago following a public hearing in which strong objections to the charge (or any charge) were made by Atty. Peter Boter on behalf of a number of residents on South Shore Dr.

Council modified one classification on the policy referring to industrial standards. The modification stated that curb and gutter is not required but that owners will be assessed the full 100 per cent of the costs. Industrial roads with open drainage call for a minimum width of 28 feet, and up to 36 if parking on one side is allowed. It was stated that there has been no need for parking in the southside industrial park where offstreet parking is a part of the development plan.

Council scheduled two public hearings for the Jan. 5 meeting. One is on a request to vacate part of an alley between 16th and 17th Sts. for 160 feet east of Maple Ave. In keeping with Council's policy to close alleys where feasible, the public hearing will be on closing the entire alley running from Maple to Pine Aves. with the understanding all or a part may be closed.

The other hearing will be on a new ordinance to repeal Ordinance No. 533 which permits gasoline service stations in neighborhood commercial zones. The repeal is recommended by the Planning Commission. It was accepted for first reading. Second reading will follow the public hearing Jan. 5.

Oaths of office of Doris L. Bullers and William H. Vande Water as members of the City Board of Canvassers were filed.

A communication from the Michigan Liquor Control Commission requesting Council action on an application of Harry C. Graham for a new full-year tavern and SDM license to be located at 102 River Ave. was referred to the city manager for study and report.

Both the city and the Board of Public Works submitted resolutions in tribute to Lester Overway, superintendent of the James De Young power plant who died Nov. 23.

Council acknowledged gifts to Holland Hospital of printed materials valued at \$40 for the Mothers Class from the Margaret Hummer Guild; a framed picture in memory of Mrs. E. E. Vander Berg from the Rena Boven Guild, and a stretcher valued at \$330 from the Martha Kollen Guild.

Council also approved an amendment to medical staff rules and regulations on patients' record, a policy on transferring patients within the hospital, and an agreement between the city and Pine Rest Christian Hospital concerning affiliation of practical nurse students.

The monthly appropriation and disbursement report prepared by City Auditor John Fonger prompted a remark from the city manager that last year's fiscal audit revealed departments of the city had spent \$52,000 less than they had been authorized to expend and that this sum is carried forward for next year's consideration of the budget with possibilities of financing certain needs or reducing the tax rate. The city manager said the savings were effected through economizing.

A city clerk's report revealed Council appointments to be made in January on the Board of Review plus appointments by the mayor to the Planning Commission.

Council approved a city manager's recommendation for a sanitary sewer in Waverly Rd. north of 32nd St. for Muskegon Hardware and Supply Co. The service was approved, subject to several conditions in the agreement calling for costs similar to what would be required under special assessment.

The city manager called attention to earlier action in which the Holland Association of Independent Insurance Agents is donating \$1,500 to pay approximately 50 per cent of a new police vehicle for the new federally authorized safety unit, and added that the Holland New Car Dealers Association has agreed to pay the balance.

Since the insurance group was prepared to make its gift next May, Council approved a "loan" from the contingency fund so that the vehicle may be purchased immediately. The report indicated that the car will be turned back to the New

## City Engineer Resigning For New Position

Harold Derks, Holland city engineer since April, 1965, announced today that he was resigning, effective Dec. 16, to join a consulting firm in Ann Arbor.

He will become an associate engineer in the firm of Ayres, Louis, Norris and May of Ann Arbor, and will be operating in the local area. The family will continue to live at 624 Lugers Rd.

Derks, a native of Grand Rapids, attended Grand Rapids Central High School, Grand Rapids Junior College and obtained a bachelor of science degree in civil engineering from Michigan State University in 1951. He was with the Michigan Department of State Highways from 1952 to 1958 and served in the ministry of the Methodist Church from 1963 to 1965.

He is married and has three children.

He is associated with the following professional organizations: American Public Works Association, Michigan Professional Engineers Society, Institute for Municipal Engineers, and the Southern Michigan branch of the American Public Works Association.

## Pigeon Fanciers Hold Winter Show

The Western Michigan Pigeon Association held a recent winter show. Judges included Richard Owen, president of the Mid-West Roller Club, Vic Truax, president of the United Pigeon Fanciers and Cal Broadhoff, secretary, United Swallow Club.

Winners in the various classes included the following:

Rollers, Judd Essing, Gary Hulst, Dave Stansby and Jon Morren; French Mondains, Dan Dekker, Ron Morley, Frank Kuhn and Ken Vanden Brink; King, Gord Ver Hulst; Flying Homers, John Ter Vree, Jerry Krays and Henry Major; Giant Homers, Judd Essing.

Others were: Fantail, Larry Brown and Alvin Ter Vree Jr.; Modenas, Lyn Helmus, Paul Johnson and William Buiten; Pigny Pouter, George Plantinga and Alvin Ter Vree Sr.; English Pouters, Ken Russell and Ron Morley; Reverse-wing Pouters, Jerry Krays; Norwich Croppers, Henry A. ## Woman Receives Minor Injuries in 2-Car Crash

Gladys Slotman, 58, of route 3, Holland, suffered minor injuries in a two-car collision at Pine Ave. and Eighth St. Saturday at 3:42 p.m. She was treated at Holland Hospital and released.

Police said the Slotman car was southbound on Pine while a car driven by Henrietta Schut, 62, of 5755 School St., Hudsonville, was heading west on Eighth St. when the collision occurred.

Car Dealers Association at the end of one year of use. Council extended full appreciation to the two associations for a fine act of civic concern.

Other transfers called for \$350 to the Civil Defense Account, \$500 to the Riverview Park maintenance account to cover fire loss, and \$749.52 to cover remodeling costs of Civic Center for police department activities. The city manager said \$85 was collected on insurance for the Riverview Park storage fire because it was a matter of arson and vandalism, and that chances of collecting from person or persons involved were remote.

Mayor L. W. Lamb Jr. announced with pleasure that Council members and wives would join him and Mrs. Lamb at a public coffee Thursday, Dec. 16, in the mayor's office in City Hall from 2 to 4 p.m. and 7 to 9 p.m. All residents are invited to join in for a cup of coffee.

## Dutchmen Can't Hit In 2nd Half

Earlham of Indiana proved to area fans why they had a 24-5 overall record last year, as they breezed past Hope College, 97-75 in the Flying Dutchmen basketball opener Wednesday evening in the Civic Center.

It was the Quakers third tilt of the season which was pretty obvious compared to the way the Dutchmen played, especially in the second half.

Hope will host Concordia Saturday in the Civic Center at 8 p.m.

## Progress Seen In 1972 Plans For Tulip Time

Plan's for Holland's 1972 Tulip Time festival May 11-14 were discussed at a meeting of the Tulip Time board of directors Tuesday in the mayor's office in City Hall.

Geared to an historical theme in keeping with the city's 125th anniversary in 1972, the program will follow the general format calling for parades, street scrubbing, klompen dancing, a flower show and such nightly attractions as a concert Wednesday by the Holland Community Choral made up of the Magnachords and Bel Canto Singers, the Shrine program on Thursday, Barbershopers on Friday and the West Ottawa Variety Show on Saturday, all in Civic Center.

Plans also are being made for the Dutch Heritage Show and Dutchtown USA, a slide presentation, as well as a band review, twirlers competition and other attractions.

Tulip Time is sending six klompen dancers to Lansing Dec. 9 to participate in opening ceremonies for the new Michigan Tourist Center and six klompen dancers to Chicago Dec. 13 to participate in the Dutch Sinter Klaas program of "Christmas in Other Lands."

Plans also are being made to place 20 to 25 portable sanitary facilities in the downtown area for Tulip Time.

## Collide While Turning

Cars operated by John D. Greydanus, 16, of route 2, Hamilton, and Mark R. Nyboer, 20, of 333 East Lakewood Blvd., collided at 11th St. and Pine Ave. Tuesday at 7:37 p.m. Police said Greydanus was northbound on Pine attempting a left turn onto 11th, while Nyboer was southbound on Pine.

## Well Known Educator Dies at 71

GRAND RAPIDS — Funeral services were held here Saturday for Dr. Chris A. De Young, 71, internationally known educator and author who suffered a fatal heart attack Wednesday at O'Hare Field in Chicago.

Burial was in Zeeland cemetery.

Dr. De Young, a native of Zeeland and 1920 graduate of Hope College at Holland, collapsed while attending a meeting at O'Hare Field of the Board of Volunteers in Probation, a national organization devoted to helping first offenders avoid prison which might lead to further involvement in crime. He was dead on arrival at a Chicago hospital.

Early in his educational career he was school superintendent in Zeeland and Hudsonville. For 25 years, he served as chairman of the education and psychology departments at the University of Illinois. His career led to nine overseas assignments and publication in 1942 of college text, "American Education," a widely used work on the American education system which has stood the test of time through seven editions.

His graduate study was done at Northwestern University where he also taught and at Columbia University. He was Grand Valley State College's first official, volunteering his experience to guide the fledgling college in 1960 for a year as assistant to the chairman of the board. He also headed the Grand Rapids Junior College Citizens Alumni Council study team that recommended the school be converted into a county-wide facility.

He came to Grand Rapids in 1960 and became active in Porter Hills Presbyterian Village, a home for retired persons. He also served as elder of Westminster Presbyterian Church and served on the Grand Rapids urban renewal planning committee.

Dr. De Young addressed the 103rd Hope College convocation in September, 1964. At that time, he was presented a Freedom Foundation award for his "Open Letter to American Youth" published earlier that year. Presentation was by Hon. John R. Dethmers of the Michigan Supreme Court.

## Couple Dies in Accident

EAST JORDAN — Peter Pott, 57 and his wife Bertha, 54, of rural Ellsworth, were killed Tuesday in a two-car head-on collision on an icy road four miles east of here in Charlevoix county. Pott and his wife, both natives of Kent County, were dead at the scene of multiple injuries according to the county medical examiner.

## Crash Fatal To Driver

JENISON — James E. Lubbers, 19, of 5464 36th Ave., Hudsonville, injured in a truck-train collision Saturday along Main Et. at M-21 in Georgetown township, died Sunday at 11:20 a.m. in Butterworth Hospital in Grand Rapids.

Lubbers was the 35th traffic fatality in Ottawa county this year compared with 27 at this time in 1970.

Ottawa county deputies said Lubbers was driving south along Main St. and allegedly passed a line of vehicles stopped for a railroad flasher. He pulled into the path of an eastbound Chesapeake & Ohio Railway freight train and was struck broadside.

Lubbers was thrown clear of the vehicle but the truck rolled on top of him.

Ottawa deputies were assisted by the Georgetown township rescue truck, an auto wrecker and ambulance crews.

The accident occurred at 10:56 a.m. Saturday.

Lubbers is survived by his parents, Mr. and Mrs. Peter Lubbers, of Hudsonville; four sisters, Mrs. Jason Redder of Zeeland, Mrs. Richard Smith of Holland, Mrs. Klaire Berens and Mrs. Roger Berens of Hudsonville; a brother, Larry of Wyoming, and his fiancée, Gail Windemuller of Byron Center.

## Local Woman Shot During Abduction

GARY, IND. — Mrs. Roger Smit, 24, the former Ruth Achterhof of Holland, Mich., was listed in "critical" condition today in a Gary hospital with a gunshot wound of the head suffered in a shooting-abduction Monday in Gary.

Gary police detectives said Mrs. Smit was shot in the back of the head after responding to a telephone call from a man who set up a meeting with her allegedly concerning injury to her husband.

Detectives said the caller apparently said he was connected with the police and had information about her husband being hurt.

Police said Mrs. Smit left her home in Munster, Ind., at 1 p.m. and drove to the prearranged location in nearby Gary but kept her car doors locked until a man approached with a gun and threatened to shoot her unless she opened the door.

Police said the subject forced his way into the car and the two drove about Gary for a while, finally entering a wood-

## Traffic Revisions Get Okay

Several minor traffic revisions were approved by City Council at its regular meeting Wednesday night, none of them affecting the one-way traffic system downtown which had occupied most of the previous meeting of Council.

Three parking proposals tabled from the previous meeting were approved calling for (1) removal of no more than three parking meters in front of the post office, (2) removal of three parking meters at the Fill-N-Wash facility at Sixth St. and River Ave., (3) removal of parking on Eighth St. from Columbia to Lincoln Aves.

Later in the meeting on suggestion of Councilman Morris Peerbolt, Council authorized City Manager William L. Bopf to proceed with a resolution asking the post office department to consider more parking area in view of the fact that the first floor of Auto-Top is vacated, suggesting the possibility of joint city-federal effort in developing parking area.

In removing the three meters in front of the post office, the city manager said plans call for free 10-minute parking there except during the hours of 3 to 6 p.m. Restrictions in late afternoon would facilitate left turns onto River at the intersection. Council moved at a previous meeting to allow left turns as an aid to southbound traffic on River Ave. The 10-minute free service will be in the nature of an experiment, Bopf said.

Council delayed action until next meeting on a recommendation of the city manager calling for the following parking changes: (1) no parking during school hours on the south side of 27th St. from VanRaalte to Harrison Aves., (2) no parking on south side of 16th St. from Ottawa to Cleveland Aves., (3) no parking on east side of Maple Ave. between 11th and 12th Sts. and between 13th and 14th Sts.

Council approved a recommendation to change yield signs at 30th St. and Maple Ave. to stop signs. A police study had revealed five accidents at that intersection.

Expenditure of \$2,164 was authorized to extend two culverts on 32nd St. east of Lakeview School following a citizen's presentation at an earlier meeting. Councilman Robert Dykstra asked a study on extending a culvert on 32nd St. west of the school. This was referred to the city manager.

An opinion by Deputy City Attorney John Marquis on inquiries from citizens and Council members on the city's authority to reduce speed limits revealed that lowering the prima facie speed limit on a city street to below 25 miles per hour would be invalid. The subject had come up in connection with speed on Ninth St. due to the one-way street system and the possibility of reducing speed at a school crossing. The information was accepted as information.

Councilman John Bloemendaal of the second ward presented petitions signed by 250 persons opposed to closing a portion of 11th St. between Pine and Maple Aves. to expand the school playground. He also referred a citizen's complaints on angle parking on Washington Square and the commercial area at 16th St. and Central Ave. The complaint stated cars often pull all the way up to the buildings, allowing no room for pedestrians.

Councilman Lou Hallacy asked whether any study had been made on Don Rietman's request for improving a bridge on Country Club Rd. City Manager Bopf said no estimates had been made but was of the opinion replacing this bridge would be costly. He said consideration could be given on priorities.

Although there were a dozen or more visitors, there were no expressions under communications from the audience.

Mayor L. W. Lamb Jr. presided at the meeting which lasted an hour and a quarter. All Councilmen were present. The invocation was given by the Rev. Paul Vande Hoe of Rose Park Reformed Church.

## Dan Plasman Scores 21 For Maroons

Holland Christian's basketball team combined good shooting with complete domination of the backboards, to post an easy 80-51 win over the Allegan Tigers. The win, achieved in the Civic Center Tuesday night, evened the season record for the Maroons at 1-1.

Only in the final quarter did Christian hit less than 50 per cent of their shots, and in that period coach Elmer Ribbens emptied his bench, as every member of the team got into the game.

## One Accident at Park Leads to Another Crash

A car operated by Egbert Vorenkamp, 54, of 2978 168th Ave., skidded out of control at Lake St. and Van Raalte Ave. while westbound and struck a tree at Kollen Park Monday at 6:45 a.m.

A Holland police cruiser parked while officer Abraham Perales, 39, of 3215 Maple Ave., investigated the accident was struck by another car westbound at Lake St. and Van Raalte Ave. and driven by Andrew Boeve, 57, of 2990 Lakeshore. Perales complained of a back pain.

## Respond to Car Fire

Holland firemen were called to the home of William Kluitenberg, 540 West 32nd St., where a 1963 model car was on fire. Fireman said damage to the engine was estimated at \$300. The call was received at 4:55 p.m. No injuries were reported.

## Scholten On MSU Team

EAST LANSING—Former Holland Christian basketball standout Ron Scholten is on the freshmen squad at Michigan State University.

Scholten, who played both guard and forward for the Maroons, is playing as the first reserve forward for the Spartans.

The 6'2" Scholten scored six points in the varsity-freshmen contest played last week. The varsity won, 88-63.

He made the MSU team as a walk on.

## 166 Attend December Golden Agers Meeting

There were 166 present at the Wednesday meeting of the Holland Golden Agers at the Salvation Army Citadel.

The Rev. Miner Stegenga, chaplain gave the invocation before the potluck noon meal and Charles Mulder, president, conducted the business meeting. Harry Weaver gave the report on sick and shut-in members.

The Rev. Simon Vroon gave the devotional message and the Christmas - centered program included a Dutch Psalm sung by Mrs. John Brieve and a reading by Mrs. Jeanette Colton, as well as duets by Major and Mrs. Charles Duskin.

Major Duskin also announced the annual Christmas dinner with the Zeeland Golden Agers scheduled Dec. 15 in the Holland Civic Center.

SIXTH GRADE CHICK PROJECT — The students in Mrs. Martha Woltman's sixth grade class at Harrington School have spent the past 22 days studying chicks and chick embryos as part of a science project for a unit on the growth and development of animals. Mrs. Woltman said 36 eggs were obtained from a hatchery and placed in an incubator 22 days ago. Every day until last week an egg

was opened so that students could observe embryo development and the embryos are being kept in baby food jars filled with formaldehyde. So far, 12 chicks have hatched and there have been three "duds" and students from the entire school have been in to see how things are going. Class members who live on farms are taking the hatched chicks home. (Sentinel photo)

## Wet Snow Blankets Local Area

A lusty winter-like storm enveloped Michigan in snow Monday, but Holland got only 1 1/2 inches of snow overnight with a bit more in intermittent snows today. Up to four inches had fallen along the shoreline.

With temperatures in the low 30s, there was little freezing but motorists proceeded cautiously. The wet snow packed well for snowballs.

**ZEELAND STANDOUTS** — These six Zeeland football players were named to the O-K White Division all-league team today. They include front row (left to right) Terry Hop, defensive back; Bruce De Jonge, linebacker; and Joe Zylstra, guard. Top row (left to right) Kent Engle, defensive end; Keith Kraai, middle guard and defensive tackle; Tom Baar.

## 6 Chix Named To O-K Squad

ZEELAND — Zeeland's fine football team which knocked off powerful Northview, 6-0, and dropped a close 12-6 decision to Wyoming Park this past season, placed six players on the All-Conference O-K White Division team.

Heading the list is junior linebacker Bruce De Jonge and senior middle guard Keith Kraai.

"De Jonge is the hardest hitter that I ever coached," said Coach Ken Postma, "while Kraai led us in tackles with 106."

Others named from Zeeland were senior defensive tackle Tom Baar, senior defensive end Kent Engle, senior defensive back Terry Hop and senior guard Joe Zylstra.

"Zylstra was the finest blocking guard that I have seen all season while Engle is mentally impossible to beat," added Postma.

The 6'2" 275-pound Baar ranked fifth on the team in tackles with 48 while Hop was one of Zeeland's strong defensive backs.

"I'm just sorry that we couldn't get defensive back Rick Brinks on the all-loop team," concluded Postma. "He deserved a lot of credit for our success."

Named at offensive ends were Jim Hovinga of Jenison and Dan Centille of Wyoming Park.

Tackles selected were Marty Amon of Wyoming Park and Bill Mull of Kenowa Hills. The center was Ed Hitchcock of Wyoming Park while the two guards consisted of Sid Hay of Northview and Craig Willison of Kenowa Hills.

## Zeeland Faculty Members Select DAR Good Citizen

Judy Gorter, daughter of Mr. and Mrs. James Gorter, has been selected by the Zeeland High School Faculty as the DAR Good Citizen. Faculty members voted on the girl in the senior class who has demonstrated the best qualities of a good citizen, based on dependability, service, leadership and patriotism.

A pin will be awarded to Miss Gorter at a meeting of the Elizabeth Schuyler Hamilton chapter of DAR in February. Early in January she will come

Miss Judy Gorter

plete a questionnaire which will be submitted for the state competition. Top entries will be guests of the Michigan Society, DAR, at the State Conference in Lansing on March 16. The State Good Citizen will compete with winners from other states.

At Zeeland High Miss Gorter is a member of Future Nurses Club for which she served as secretary in her sophomore year and treasurer in her junior year; Latin Club, Athletic Sisters and National Honor Society. Last year she was an alternate for Girls' State.

Dr. Bruce M. Raymond

## Dr. Raymond Retiring From Red Cross Post

After serving as blood program director for the Ottawa county chapter of the American Red Cross for more than eight years, Dr. Bruce M. Raymond is leaving the post effective Dec. 3.

During his tenure, the program was transferred from the Muskegon Area Red Cross to the Lansing Regional Red Cross Blood Center which currently serves 40 Michigan counties.

The first year, Ottawa county gave over 1,700 units of blood and now provides more than twice that amount. Ever increasing demands indicate the county quota will continue to grow as the population increases.

"Participating in the blood program has been one of the most interesting and satisfying experiences of a long life time, and I regret that retirement time has arrived," Dr. Raymond said. He said he particularly appreciated the cooperation of the thousands of donors and volunteer workers throughout the years since "without donors we have no program."

Dr. Raymond, who received A.B., M.A. and Ph.D. degrees in political science and history at the University of Nebraska, taught at Hope College from 1925 to 1944, worked with the rehabilitation and education division of Veterans Administration in Detroit 1944-46 and returned to Hope College to serve as business manager from 1946 to 1949. He was executive director of the Michigan Colleges Foundation 1949-51.

He served two terms as member of City Council and has served on the former police and fire board, the harbor board, Playground Commission, Tulip Time committee and as a member of the City Charter Commission. He has been active in Republican politics and was a district delegate to the GOP National Convention in 1948.

In 1964 he was named to the staff of then U.S. Rep. Robert P. Griffin who represented

(Holland Photography photo)

## Director and Assistant Named for Comedy-Farce

E. Dale Conklin has been named director of "See How They Run," the Holland Community Theatre's next production to be presented Dec. 9-11 in Holland High School.

Conklin, a charter member of Holland Community Theatre, has participated in the production of 28 plays in the 12 years of HCT history.

He has directed "Bell, Book and Candle," "The Clown Who Ran Away" and "The Clown Out West."

Plays in which he has a major roles include "South Pacific," "Teahouse of the August Moon" and "Oliver." Last year he played Arvide, the mission officer in "Guys and Dolls," and most recently he was seen as the father of Matt in "The Fantasticks."

Conklin, whose experience consists of 103 credits for work

in theatre productions for Interlochen, Hope College, the Red Barn, Grand Rapids Circle Theatre as well as in Holland, also has taken on the task of set designer for "See How They Run."

Assisting Conklin as assistant director is Gordon Cunningham, another veteran of the local theatre. He presently is a member of the board of directors and has acted in many plays including "Never Too Late," "Born Yesterday," "Oliver!" and "How to Succeed in Business."

He also has directed "The Gazebo" and assisted in "Cat on a Hot Tin Roof." These two veterans are well equipped to handle the first moving comedy-farce, one with no serious moments and designed exclusively for entertainment, a clean play of tasteful fun to be enjoyed by all ages.

## Stephens-Lorenz Vows Spoken in Afternoon

Mrs. Frank G. Stephens

(Reaume photo)

West Olive Christian Reformed Church was the setting Saturday afternoon for the wedding of Miss Patricia Lou Lorenz and Frank G. Stephens. The nuptial vows were spoken before the Rev. William Masse-link and appropriate music was by Ray Harris, organist, Miss June Terpsma, soloist, and Miss Sandy Wilkins.

Parents of the bride are Mr. and Mrs. Frank Lorenz, 16156 Blair St., West Olive, and the groom is the son of Mrs. Mary E. Byrd of Myrtle, Miss.

The bride was attired in a floor-length gown designed with a bodice of belgium lace over satin, bishop sleeves and empire waist. A satin front panel was trimmed with scalloped lace and trailed into a lace cathedral train. Miss Terpsma fashioned the fingertip veil which fell from a Juliet cap of belgium lace and the bride carried her grandmother's white Bible topped with an orchid, stephanotis and English ivy.

Mrs. Judson Ross, sister of the bride, was matron of honor and wore a hot pink floor-length chiffon over taffeta gown designed with empire bodice,

full sleeves and ruffled cuffs. Her pink tulle headpiece was topped with a double bow of taffeta and she carried a single, long-stemmed pink rose.

Mrs. Robert Kloosterman, bridesmaid, wore a green ensemble similar in styling to that of the honor attendant and Mrs. Ross's daughter, Tarri, was flower girl and was attired similarly to her mother.

The groom was attended by Lester Barnhill, Judson Ross, Ben Stephens, brother of the groom, and Frank Lorenz, brother of the bride. Lloyd Stephens, nephew of the groom, carried the rings.

The reception was held in the church where Fred and Judy Lorenz registered the guests. Mildred Lorenz and Mrs. Ray Harris poured punch and the gifts were arranged by Mary Stephens, Marie Sherburne and John Lorenz.

The couple will be at home at 14780 Baldwin St., West Olive, following a southern wedding trip.

The bride, a graduate of Chic University of Cosmetology, is employed by Arcade Beauty Lounge and the groom, who served in the U. S. Navy, is employed at General Electric.

## Zwiers-Zoerhoff Nuptial Couple Repeats Nuptial Vows Repeated Saturday

Miss Diane Lynn Zoerhoff, daughter of Mr. and Mrs. Laverne Zoerhoff, 262 West 25th St., became the bride of David Lee Zwiers, son of Mr. and Mrs. Robert Zwiers, 1009 Bluebell Ct., Saturday afternoon.

The Rev. Jerrien Gunnink performed the ceremony in Providence Christian Reformed Church while music was provided by Mrs. John Klynstra, organist; Tom Fowler, soloist; Nancy Rouwhorst, guitarist, and Terry Slenk, trumpeter.

Attending the couple were the bride's sister, Lonnie Zoerhoff, as maid of honor; Lori Zoerhoff, another sister of the bride, and Lin Zwiers, sister of the groom, bridesmaids; Robert Zwiers, best man; and Doug Zoerhoff and Charles Lemson, groomsmen.

The bride wore a floor-length gown of ivory antique lace over peau de soie featuring a ruffled stand-up collar, long lace sleeve-

es gathered at the wrist forming a self ruffle, braided satin and pearls accenting the empire waistline, and a ruffle at the lower edge of the gown. Her four-tiered shoulder-length veil of bridal illusion was held in place by a lace and satin covered mantilla-type headpiece. She carried a bouquet of white carnations and orange roses.

The attendants wore gowns of tangerine tressa over taffeta styled similarly to the bride's and carried bouquets of mums and daisies.

The reception was held at Holiday Inn with Mr. and Mrs. David Slenk at the punch bowl and Mr. and Mrs. David Geerlings at the gift table.

Following a western ski trip, the newlyweds will make their home in Traverse City where the groom will attend North-western College.

## Latin American Society Hears Guest Speakers

The Latin American Society held its monthly meeting Sunday, Nov. 21, in the Civic Center with Mr. and Mrs. George Guerrero and Frank Zepeda as special guests.

Mrs. Jules Luria spoke on her new job at the Mental Health Clinic. Her main concern is that people take the opportunity to meet the staff at the clinic and that the Latin American people acquaint themselves with the services offered.

Zepeda spoke on his new job as a home and school liaison at the Junior High School. His work is in communicating with Latin American parents and children who might have problems in Lincoln, Federal, Montello Park, Van Raalte, Washington and St. Francis De Sales Schools. Zepeda also spoke on the Chicano Workshop that was held in Battle Creek in October. He explained that the workshop was set up to stress the importance of teaching all Latin American children.

Ciro Cadena spoke on consumer credit and explained that obtaining good credit is important to the individual when applying for loans. He also stated that when buying on credit a person should read or have translated everything on the contract. Cadena is employed by First Michigan Bank and Trust Co.

New positions obtained by Latin American people were also mentioned. Mrs. Celestino Reyes mentioned that Holland will hold its 125th anniversary next year and the community is interested in having the Latin Americans participate in this event.

New members in the society

are Mr. and Mrs. Richardo Santa Maria, Mr. and Mrs. Ignacio Ramos and Sandy Mendez.

Mrs. Reyes, president, opened the floor for discussion on the building that the Latin Americans wish to obtain. It was suggested that further information be made available.

A nominating committee consisting of Mrs. Jacobo Trevino, Mrs. Juan Gamez and Jose Lara will present the new slate of officers at the next meeting on Sunday, Dec. 19.

A dance Jan. 22 at the Civic Center sponsored by the society was also discussed. A color tv will be awarded and the public is invited.

The Latin American Society meets the third Sunday of the month.

## Artrain Coming to Holland Next May

Artrain, a project of the Michigan Council for the Arts, is coming to Holland next year just after Tulip Time.

Tentative dates set for Holland are May 31 through June 6. Former Mayor Nelson Bosman has been appointed by Mayor L. W. Lamb Jr. to serve as Artrain chairman for Holland, and he will coordinate volunteer and official groups in the art venture currently on display in Detroit.

The Michigan Artrain is a five-car touring art exhibit prepared by a general committee headed by Mrs. William G. Milliken with assistance from outstanding Michigan citizens representing all fields of industry, government and education. For every dollar of government money in Artrain, there are four dollars of private money.

Artrain consists of three coaches, a baggage car and a caboose. Overall length is 335 feet. There is no engine. All movement is courtesy of the Michigan Railroad Association.

Plans call for placing the train in Kollen Park on property recently acquired southwest of the park proper. This will allow easy access to parking on the upper level and will be only a short distance from the band shell for possible related outdoor activities.

Special efforts were made locally to schedule a visit from Artrain during 1972 when Holland observes its 125th anniversary.

Park Supt. Jacob De Graaf will arrange for landscaping at the site and several volunteer groups will provide guides and hostesses and will assist with

scheduling visits from school children, probably above the fourth grade level.

There will be no admissions charge to visit Artrain although visitors are encouraged to leave donations for defraying cost of operations.

Each tour lasts 40 to 45 minutes. Visitors will be admitted in groups of 25 about every 10 minutes.

Cars 1 and 2 consist of films, slides, music, art work and narration to familiarize the visitor with the importance of art in today's society.

Car 3 is an art gallery with examples of art work by contemporary artists . . . paintings, sculpture, ceramics, prints, weaving, jewelry, etc.

Car 4 is the baggage-studio car. Here resident artists and invited local artists work in

various media. Visitors are invited to ask questions and view the creative process first hand.

The caboose is the staff office and lounge. It has been renovated into a "Gandy Dancer" motif.

The Artrain started its tour last May in Traverse City, home town of Gov. and Mrs. William G. Milliken, and spent the summer touring the upper peninsula and then coursed down the eastern side of the state, breaking out of schedule to visit Kalamazoo Oct. 9-18 for its Fest 71, a week-long art festival designed about the Artrain visit.

Twenty-three Michigan cities are tentatively scheduled for Artrain visits in 1972. Grand Rapids is scheduled May 10-27, Holland May 31-June 6, Muskegon Sept. 14-26 and Benton Harbor-St. Joseph Oct. 7-16.

## Sunday School Lesson

Sunday, Dec. 5  
Luke Tells the Good News  
Luke 1:1-4; Acts 1:1-5  
By C. P. Dame

Good news is always welcome but especially in dark days. Luke made known the best news the world of his day had ever heard. We live in dark times and the church has the best news any age ever heard—good news about Jesus Christ. I. Jesus began His ministry in God's time. This lesson is the first of a series on the gospel of Luke. Two books in the Bible are from Luke, the gospel that bears his name and the Book of Acts. Luke was a doctor, hence educated, a Gentile, a close friend of Paul, who likely led him to Jesus Christ, and became a travelling companion of Paul, and a fellow prisoner, who ministered to him.

Luke was a scientific historian. Although he has been charged with inaccuracy, time justified him. Others had written about the things he related but he felt constrained to record "these things which are most surely believed among us." Luke wrote after he had "traced the course of all things accurately from the first." Luke contacted people who had seen Jesus and talked with the apostles.

Luke dedicated his gospel to a man named Theophilus ("lover of God" or "friend of God") who was a seeker and needed instruction. He may have been a Roman official, the words, "most excellent" indicate social or political standing. Luke wanted this man to know "the certainty of those things, wherein thou hast been instructed." Today many young people have doubts, no certainties.

II. The ministry of Jesus continues. Luke wrote his gospel about 60 A.D. Acts 63 A.D. The gospel tells about the words and works of Jesus and closes with the ascension of Jesus. Acts records how the church grew from Jerusalem to Rome, ever guided by the Spirit. Before Jesus ascended He, in a period of 40 days, days, proved again and again that He had risen from the dead and that He was alive. He taught the apostles about the kingdom and clarified the truths He had taught them in His ministry.

Jesus showed His lordship by commanding the disciples to remain in Jerusalem and to wait there for the gift of the Holy Spirit. After He came the apostles understood more clearly the contents of the gospel and were made more ready to preach it in a world that needed it badly. This gospel our world greatly needs. Those who have it ought to share it.

All of this is being reflected in how the stock market acts, and if present indications are reliable, the indication is that generally there is some confidence that things are getting better.

Economic soundness at home and a more generous and realistic policy abroad, a cessation of hostilities and a concentration on positive actions may indeed see things looking up. We hope so; we've had enough of violence and uncertainty.

## Missing Purse Left With Police

A purse reported missing from a Holland bowling lanes containing medicine for a girl suffering from leukemia was found outside doors leading to the Holland police station where someone apparently had left it, officers reported Saturday.

Police said they would return the purse and contents to Judith Ann Forsten of Clarkston, Mich., who reported the items missing.

Police said the women told them Thursday she was visiting a sister in Holland and had gone bowling. When she returned to the sister's house she noticed she was without the purse. A check with the bowling lanes revealed the purse missing.

Mrs. Forsten and her daughter, Jody, were to return to Clarkston Friday.

## Loss Undetermined In Hatchery Fire

ZEELAND — Smouldering piles of cartons and boxes in a fire-ravaged storage building at Central Farms Hatchery Inc., 30 South Wall St., continued to break into flames Wednesday as owners sought to place a loss to the damage.

Zeeland fire chief John Van Eden said firemen were called back twice Tuesday and again this morning to pour water on the piles of boxes which flared into flames. No additional damage was reported to the buildings.

Van Eden said firemen were at the scene about 6½ hours Tuesday after receiving the first call shortly before 8 a.m.

The fire was said to have started near an incubator being heated for setting of turkey eggs and spread to other sections of

spawning complex. Thick smoke hampered fire fighting efforts Tuesday, Van Eden said, by preventing firemen from entering the buildings to get to the source of the flames.

David Van Ommen, treasurer of the firm, said loss estimates were not determined. He said a decision on the future of the buildings was not reached.

Central Farms has operated the hatchery at the east of the business district since Van Ommen purchased the facilities in 1932.

The firm operates other hatcheries in several states including Iowa, North Carolina, Missouri and Wisconsin. Van Ommen indicated some of the production handled by the Zeeland hatchery could be transferred to the other facilities.

**HATCHERY BURNS** — Clouds of white smoke billow from the burning hatchery buildings of the Central Farms Hatchery Inc., 30 South Wall St. in Zeeland Tuesday. David Van Ommen, treasurer of the firm, said he entered the offices (left) and discovered smoke in the buildings at rear (hidden by smoke) where incubators were being

warmed for placement of turkey eggs. Flames and smoke spread from the two-story cement block building into the north-south wing at right. Roofs and walls of some of the building areas collapsed or were knocked down. The fire was discovered at 7:50 a.m. and was under control by about noon. Loss estimates were not available. **ZEELAND FIREMEN** — Firemen from Zeeland train streams of water into a burning building at the Central Farms Hatchery Inc., 30 South Wall St. Clouds of smoke from the burning structures were visible for miles around Zeeland as winds carried the smoke to the south. The fire was

believed to have started in a two-story cement block structure at the western end of the complex along Maple St. No injuries were reported. Firemen from Holland township assisted Zeeland firemen in battling the blaze Tuesday. (Sentinel photo)

## Fire Starts Near Ovens For Hatching

**Loss to Central Farms Hatchery Inc., 30 South Wall, Destroying Much of the Turkey Hatchery East of the Business District Tuesday. No Injuries Were Reported.**

ZEELAND — Flames swept the rambling Central Farms Hatchery Inc., 30 South Wall, destroying much of the turkey hatchery east of the business district Tuesday. No injuries were reported. Firemen from Zeeland were assisted by units from Holland Township in battling the stubborn blaze which sent pillars of thick smoke towering above the city to the south. The smoke clouds were visible for miles around.

David Van Ommen, treasurer of the firm, said he opened the office at about 7:50 a.m. and smelled smoke. He walked into the two-story western section of the complex along Maple St. and discovered smoke and fire in the area of incubators being

readied for turkey eggs.

Moments after returning from calling firemen Van Ommen said he found the area enveloped in thick smoke.

Flames and smoke spread from the two-story cement block storage and warehousing area into other sections of the complex.

By noon roofs and walls of the two-story structure had collapsed or were knocked down. Firemen saved a portion of a north-south building near Main St. and prevented severe damage to an adjacent building on Main St. housing Zeeland's FM radio station, WZND, and Ramco, a spray painting and light assembly firm.

Electrical power to the radio station was cut for about 20 minutes at 9:30 to aid in fire-fighting efforts.

Van Ommen said incubators were being heated in preparation for placement of turkey eggs scheduled Thursday. He said the eggs would be sent to other hatcheries the firm operates in Iowa, North Carolina, Missouri and Wisconsin.

Van Ommen said the fire began in the original building of the hatchery built in about 1930. Van Ommen said he purchased the fledgling hatchery in 1932. Loss estimates were not im-

mediately available.

The complex stretches between Wall and Maple Streets south of Main St. in a residential area near the Zeeland High School.

### Postal Services Topic for ASWA

The members of the Holland Chapter of the American Society of Women Accountants met Tuesday evening in the Festival Room of the Hotel Warm Friend.

Eva Neuman, vice president and chairman of the program J. Mc Naughton Jr. of Grand Rapids who is the district manager of the Grand Rapids District of the Post Office, which covers all of Michigan except the Detroit area. He spoke on the subject "Blue Eagle vs. Pony Express." A history of the postal system was given and today it is a billion dollar business separated entirely from politics.

He gave credit to Arthur Somerfield for his work towards decentralizing the system. It is no longer connected with Civic Service or the government and they are trying to improve efficiency by setting up air taxis for faster mail service and various other improvements. He

suggested any complaints be made directly to the local postmaster. A question and answer period followed.

President Ruth Kronmeyer met and welcomed as guests Mrs. Daisy Wojahn and Mrs. Evelyn Vork. A study group session on insurance will be held for members on Jan. 10 and 18. Bonnie Stolz gave the invocation.

The next meeting will be the Christmas dinner on Dec. 28.

**SHOCK WAVES IN ALLEGAN** — The announcement that Esther Hettinger is retiring after 38 years in the county clerk's office came as a surprise to Allegan residents, long geared to her efficiency as clerk for 32 years and deputy for six. Keeping records for the county has been one of her chief responsibilities. Already, all available storage space in the 10-year-old county building has been used up. (Armstrong photo)

## Esther Hettinger Retiring As Allegan County Clerk

ALLEGAN — With 38 years as county clerk and deputy clerk behind her, one of Allegan county's most respected public servants has decided to resign, a decision that sent shock waves throughout the county.

In a letter dated Nov. 16, Mrs. Esther Warner Hettinger, county clerk since 1939 and deputy clerk for six years before that, told Circuit Judge Wendell Miles she wished to resign as soon after Jan. 1 as possible.

Under state law, Judge Miles will chair a committee of county officers faced with the task of appointing a successor. It will not be an easy job. Mrs. Hettinger has had no primary election opposition since she was appointed to the clerkship upon the death of her father in 1939. A former Wayland township supervisor, Carl A. Warner had served as clerk since his election in 1932 and his daughter came along as deputy, leaving a Kalamazoo office job to help him.

Party leaders admitted that her announcement caught them flat-footed. One said, "to the best of my knowledge there isn't a Republican in the county who has even considered running for the clerk's job."

Mrs. Hettinger's chief deputy, Mrs. Francis Paradine, has also indicated she will leave her job in 1972.

Mrs. Hettinger said it has seemed strange, submitting her resignation to Judge Wendell Miles, recalling that the present judge's father, Judge Fred T. Miles, had taken her father and her under his wing in 1933 when Mr. Warner's predecessor in the clerkship, defeated in the preceding primary election by Warner, had refused to give them any help in acquainting them with the requirements of the office. The senior Judge Miles took them both to the Ottawa County Clerk's office in Grand Haven for an intensive "short course" in running the office.

Mrs. Hettinger was a young woman when her father's death — and the approach of World War II — thrust upon her a host of new responsibilities.

Before county draft boards were organized, it was the duty of county clerks to register men of draft age whose names were submitted by township supervisors. As a result, the World War II draft board in Allegan county had its beginning in her office.

Another war-time task for Mrs. Hettinger was the organization of a county rationing board. At first she served as chairman of a three-member board, but the rationing process later became so complex that it had to have an office of its own, with separate boards for various scarce commodities.

Another organizational task fell on her shoulders more recently when district courts took the place of justices of the peace. The board of supervisors asked Mrs. Hettinger to prepare a budget, a list of furniture and equipment needs and staff requirements to get the new court into operation.

Responsibilities of the clerk's office have grown substantially in recent years. When she joined her father in the office, she

comprised the entire "staff", circuit court terms were comparatively short and the board of supervisors met once every three months. Today, one court term overlaps another, the new board of county commissioners meets at least once a month or more often, and the paper work involved is "pyramiding" every day. In ten years, her staff has grown from three to seven.

Mrs. Hettinger's decision to resign should have come as no surprise to anyone passing her office on almost any night of the week. Few days passed without her finding it necessary to return for a few hours after supper to "catch up" on the detail work of the day.

With retirement will come the opportunity to enjoy the out-of-doors, which she has loved since childhood. She plans to do some fishing, gardening, traveling and walking, which has been a hobby for many years.

Miss Lois J. Dykema and Ralph C. Newton Jr. of Wyoming exchanged marriage vows Friday at an evening ceremony held in the Montello Park Christian Reformed Church.

The Rev. Gilbert Haan performed the ceremony for the daughter of Mr. and Mrs. Russell Dykema, 596 Crescent Dr., and the son of Mrs. Ralph C. Newton of Grand Rapids following appropriate wedding music played by Mrs. Jack Tuinisma.

For the occasion the bride, given in marriage by her father, chose a floor-length gown of silk organza with mandarin neckline in victorian styling trimmed with French lace. Her camelot headpiece held a long French lace edged mantilla veil and she carried a long stemmed red rose.

Attending the couple were Mr. and Mrs. Joe Riva. Mrs. Riva's floor-length gown of pink crepe featured a high

waist slightly A-line bodice with lapped front and deep V neckline. She wore a short veil and carried a pink mums.

Guests were seated by Ronald Dykema.

Mr. and Mrs. Ronald Dykema served as master and mistress of ceremonies at a reception held in Jack's Garden Room. Arranging the gifts were Mr. and Mrs. Marvin Israels and in charge of the punch bowl were Jacquelyn Newton and Albert Eberhardt. Cindy Lam and Lynne Dykema presided over the guest book.

The newlyweds will make their home at 97 40th St., in Wyoming. The bride, a graduate of Chic University of Cosmetology, is employed by Vivienne's Beauty Salon in Grand Rapids and the groom is employed by Spartan Co. in Grand Rapids.

The bride was honored at several showers in Grand Rapids and Holland.

**BIG BIRDS** — Four-year-olds from the First United Methodist Church's FUN School for preschoolers visited the Pine Creek Turkey Hatchery Wednesday to see the turkeys in their pre-Thanksgiving feathers. The turkeys in the building,

being closely scrutinized by some of the 20 class members, are breeding stock, who will provide turkeys for next Thanksgiving's feast.

Miss Patricia Joy Rigterink, a cascade and accented with daughter of Mr. and Mrs. Austin Rigterink, route 1, Hamilton, became the bride of Michael Lee Burgess, son of the Rev. and Mrs. Warren Burgess of Traverse City, formerly of Hamilton, on Friday.

The groom's father officiated at the evening ceremony in Haven Reformed Church of Hamilton. Appropriate music was provided by Mrs. Carl Tidd, organist, and Mrs. Bob Pott, pianist.

The bride wore a victorian gown of sala peau featuring venise lace appliques on the empire bodice, bishop sleeves and extending down the A-line skirt. The detachable chapel train fell from a bow at the back waist and was accented with edging and appliques of lace. Her train-length veil of illusion was released from a headpiece of venise leaves and ribbon loops. Her bouquet consisted of red roses arranged in

They were attired in long-sleeved white victorian blouses accented with lace and floor-length skirts of royal blue crushed velvet. Natural mixed flowers were carried.

Randy Burgess attended his brother as best man while Loren Rigterink and Rodney Rigterink, brothers of the bride, were groomsmen. Don Burgess and Tim Burgess, brothers of the groom, were candlelighters.

The newlyweds greeted guests at a reception at Carousel Mountain Ski Lodge before leaving on a wedding trip to Florida. They will make their new home in Hamilton.

## Holland Man Assaulted Near Detroit

A Holland man, assaulted in his motel room in Detroit suburban Harper Woods early Wednesday, was back home Friday.

Harper Woods police said Charles D. Montague, 40, of 533 West 20th St., suffered lacerations of the forehead above the right eye and lacerations of the right elbow in the assault.

Det. Robert De Lorme said the assault occurred in Montague's room at the Park Crest motel and was reported at 12:58 a.m. Wednesday.

De Lorme said Montague reported no money or personal items missing.

Investigation indicated Montague was struck with a ceramic table lamp from the motel room. De Lorme said Montague did not recall who assaulted him nor who any other person in the room might have been.

"It's a very confusing thing, nothing makes a whole lot of sense," said De Lorme.

"We are continuing our investigation into the felonious assault."

Montague was reported on a business trip for Pullman Engineering, a firm based in St. Clair Shores near Harper Woods. He was treated at St. John's hospital in Harper Woods and released.

## Maroons Fall 83-57, In First Game

Holland Christian's basketball team opened its season on a sour note as it fell to a strong Hudsonville Unity squad 83-57 Friday night before an overflow crowd of nearly 2,600 in the Civic Center.

The Crusaders used a big second half, to jump away from the Maroons and a 38-33 lead, as they tallied 45 points while holding Christian to only 24 second half points. A big factor in the final half surge was the play of the Crusader's 6'9" center Mark Veenstra. The 215-pound junior scored 17 of his game high 27 points in the last half and hauled down many crucial rebounds.

The first quarter was tight throughout as the lead switched hands with nearly every basket. Unity reeled off six straight points near the end of the period to take a 22-20 lead at the quarter. In that period the Maroons were able to score numerous easy layups off a full court press, but that was about the extent of the offense for the entire game. Meanwhile Veenstra and forward Chuck Alderink dominated every backboard and limited the Maroons to just one peck at the basket.

The second stanza was almost a duplicate of the first but fewer points were scored as the defenses settled down somewhat. However, the Maroons could not get any closer than four points at 30-26 midway through the period. That's the closest the Maroons could come the rest of the night as the Crusaders edged out to 38-33 halftime lead. In the opening half Holland shot a fine 60 per cent but on 12 baskets in only 20 attempts. Meanwhile, the visitors peppered the hoop with 40 shots hitting on 16 for a fine 40 per cent. Unity also held a 22-15 rebounding edge as the Maroons could only grab two offensive caroms.

A great third quarter by Unity, in which they outscored Christian 21-9 with big Veenstra getting ten, spelled disaster for Holland as their defense failed to contain the potent Veenstra around the basket. As a result, the Maroons were forced to foul and eventually lost two men via the foul route. Unity held a commanding 61-42 lead going into the final stanza.

The Crusaders continued to build their lead as the young Maroons made a desperate attempt to get back in the ball game. However, the poised Crusaders with four starters back from last year's team, refused to fold and instead continued to boost their lead. The key to the second half, Veenstra, scored seven more points and intimidated the Maroon shooters as they tried to penetrate the basket. Veenstra left the game with 1:37 remaining with 27 points and over half the rebounds for Unity.

The game was not typical of a season opener as both teams seemed well controlled and were guilty of relatively few turnovers. The Maroons had a game total of 18 miscues while the Crusaders were guilty of 16 mistakes. However, the poise and experience of the Crusaders was evident throughout the entire contest.

For the game, both teams shot quite well but the difference was that the Crusaders took 30 more shots than the Maroons. Holland hit on 21 of only 44 shots for a fine 48 per cent but the Crusaders threw up 74 shots and connected on 31 for 42 per cent.

The big story was the rebounding as the tall Maroons, led by 6'6" Steve Vogelzang and 6'7" Chuck Visser, were able to take only 24 rebounds compared to Veenstra-led Unity's 41. Dan Plasman had 20 points for the losers and Tom Klaasen, 10.

The little Maroons of Dave Vander Hill won a thriller from the Crusaders 65-61 with a 20 point final period effort. Holland trailed at all the quarter stops, 21-15 35-31, and 47-45 before exploding in the final period.

Dave Siegers led the Maroons with 14 points, while Keith Boeve had 13, Ray Buursma 12, and Russ Boeve 10. Vander

## Eager Novices Fill Clubhouse To Learn Tricks

The Woman's Literary Clubhouse was filled Tuesday night to enjoy "An Evening With Verna" and to learn how to make the clever holiday decorations she is noted for.

Mrs. Verna Vandenberg, who has specialized in making clever and most attractive figures of milk cartons, plastic foam and odds and ends of materials showed how to make Wise Men.

This was a three-club event with members of the Woman's Literary Club, who sponsored the event, the Holland Garden Club and the Junior Welfare League in attendance.

Using the stage for the best effect, Mrs. Vandenberg demonstrated how to go about making the various creations she showed. After the program individuals came up and asked questions. She also answered questions during her program.

On Thursday she will be at the annual Christmas workshop of the Garden Club at the Literary Club starting at 10 a.m. and continuing until 4 p.m. She will demonstrate how to make things along with other Garden Club experts.

## New Video Tape Gear Shown To Kiwanis Club

Det. Liet. Marty Hardenberg Jr., of the Holland Police Department, demonstrated recently acquired video tape recording equipment at a meeting of the Kiwanis Club Monday night in the Warm Friend Hotel.

The new equipment, consisting of a portable television camera, power pack and set for viewing video tape, is also available to law enforcement agencies in Spring Lake, Grand Haven, Zeeland, Hudsonville and Saugatuck.

Hardenberg explained the effectiveness of the equipment in making a video record in drug, intoxication and accident cases, as well as a training aid. He stated guilty pleas have increased after viewing of films by offenders. Scenes made during an actual drug raid were shown to club members.

An amusing feature of the program was the filming of some of the Kiwanians arriving at the meeting, including a number of candid shots of District Judge Gerald Van Wyke's appearance.

Club president Chester Smith presided at the meeting and the invocation was given by Henry Windemuller.

Andre - Jacques Garnerin is credited with the first parachute jump. He dropped from about 6,500 feet over Monceau Park in Paris in 1797.

## 2 Ex-Dutch Players On Lakers' Unit

ALLEDALE — There is reason to believe that there is an exciting basketball season ahead for Grand Valley.

Graduation took only two members away from Coach Dave Sharporn's 1970-71 squad that gave the college its finest year in basketball — a 16-10 record and a perfect 13-0 home mark. Actually, the Lakers have won 15 consecutive home games and 21 of 24 contests over the past two seasons.

The only starter lost to graduation was Dan Poole, an ALL-NAIA District 23 choice, and the holder of four individual Grand Valley career records, including most points scored and most rebounds. In addition to his teaching assignment at Grand Rapids Ottawa Hills High School, Poole will serve as an assistant coach to Sharporn at Grand Valley.

Among those back from last year include Fred Roh, 6'5" junior from Wyoming Godwin; Bob Conser, 6'1" senior from Grand Rapids Union; Ben Johnson, 6'8" junior from Grand Rapids Ottawa Hills; Bob Hurd, 6'7" senior from Jackson Park; and Mark Adams, 5'7" senior from Spring Lake.

Roh was the Lakers' leading scorer with a game average of 19 points. His 493 total points established a record for the most points scored in one season by a Laker.

Also looking for a berth on the Laker squad will be returning veterans Arnell Simpson, 6'1" junior from Grand Rapids Central; Dave DeWitt, 5'9" junior from Holland; and Bob Oosdyke, 6'7" senior from Alma.

Other varsity candidates include junior transfer Calvin Carver (6'1") and Rudy McPherson (6'3") from Kalamazoo Valley Community College, Frank Waskelis (5'8") from Grand Rapids Junior College, and sophomore Steve Millard (5'11"), an armed forces veteran and 1966 Holland High School graduate.

Thanks to an extensive recruiting effort, Sharporn expects to have a solid freshman team with several all-stars aboard including Kimm Griffin, 6'5" from Shelby, last year's state Class C champion; George Labron, 6'2" from Newberry; Mark Olesnavage, 6'5" from Birmingham Brother Rice; and Bob Mason, 6'1" from Dryden.

## Marne Accident Injures 2 in Car

GRAND HAVEN — Chester Koziol, 28, of Grand Rapids, and his passenger, Robert Welch, 28, Lowell, were injured when the car driven east on I-96 by Koziol went out of control on a patch of ice, struck a guard rail and rolled end over end down an embankment.

Koziol suffered lacerations of the head, face and arms while Welch suffered back injuries. They were taken to Butterworth Hospital in Grand Rapids.

Ottawa county deputies said the accident occurred three-eighths of a mile west of Ironwood Dr. in Marne at 7:01 p.m. Monday.

## Two Cars Collide

Cars operated by Thomas Michael Houting, 19, of 566 Howard Ave., and Jean Anne Veenstra, 39, of route 3, South Haven, collided along River Ave. at Seventh St. Saturday at 3:07 p.m. Police said the Veenstra car was attempting to turn from a right lane into a left lane and collided with Houting in a left lane.

## Holland Loses, 62-52 In Opener

Holland's basketball team opened its 1971-72 season Friday night by absorbing a 62-52 setback at the hands of Grand Rapids Ottawa Hills, in a game played in the Holland High Fieldhouse.

After a nip-and-tuck first half in which the largest lead either team could manage was four points, Holland's shooting went ice-cold in the second half, as they hit on only six of 33 shots, for a frigid 18 per cent. Meanwhile the Indians of Ottawa were connecting 12 times in 24 tries to break the game open.

Terry Bouknight, who turned out to be the high scorer in the game with 22 points, opened the scoring for Ottawa with a basket at the 7:10 mark of the first period. The Dutch, led by center Vic Amaya's five points, took an 8-4 lead, before settling for an 18-18 deadlock at the end of the quarter.

Steve Shinabarger's only basket of the game gave Holland a 25-21 lead with 4:32 left in the half. However, the Indians came right back, and with four players scoring took a 30-27 advantage with less than a minute to go. The half ended with Ottawa Hills holding a slim 32-31 advantage.

In the third quarter the lead changed hands eight times, and the score was tied three times before the Indians went ahead to stay, 44-43, on a bucket by Jake Clark with 3:20 to go in the period, which ended with Ottawa Hills on top, 48-43.

Holland's last basket in the third period came with 4:31 left on the clock, and they didn't connect from the floor again until Mike Riksen's field goal at 2:20 of the fourth period, a total of 10 minutes and 11 seconds between baskets, which enabled the Indians to take command of the ball game.

Fouls proved costly for Coach Don Piersma's crew, as Shinabarger had four personals at halftime, and Riksen was also in trouble with three. Both eventually fouled out in the fourth quarter.

The game was a typical sea-

son-opener, with numerous floor violations, as the Indians were guilty of 23 turnovers and Holland 19. Ottawa also won the battle on the boards, as they took down 47 rebounds as against 43 for the Dutch.

Following Bouknight in scoring for the Indians was Dave Proctor with 16 points. Amaya was the lone Dutch player in double figures, gathering 15 points and doing a fine job on the backboards.

Holland's shooting percentage for the game was 26, as they hit on 17 of 64 shots, having quarters of 5-12, 6-19, 4-17 and 2-16. Ottawa Hills ended with a 43 per cent shooting mark with quarters of 8-14, 5-20, 6-13 and 6-11.

Holland's reserve team dropped a close 61-58 decision to the Ottawa Hills reserves, Ottawa led at each quarter, by scores of 16-14, 30-26 and 46-39. Tim Boeve of the Dutch and Willie Becker of the Indians shared scoring honors with 18 points each.

## Two Civil Suits Filed in Court

GRAND HAVEN—Four Muskegon residents have started a joint suit in Ottawa Circuit Court in connection with a traffic accident on US-31 at Laketon overpass at Muskegon Jan. 1, 1971.

Michael and Christine Shepherd, minors, and Richard and Carol Shepherd, all of Muskegon, seek a total of \$14,000 damages from Harold M. Vanderploeg of Holland.

Plaintiffs claim Richard Shepherd was the owner of a 1964 car, driven by Carol Shepherd, who was driving south on US-31, and Michael and Christine Shepherd were passengers.

They claim a car driven by the defendant collided with the Shepherd car. Michael Shepherd seeks \$1,000 damages, Christine seeks \$2,000, Richard Shepherd seeks \$3,000 damages and Carol \$8,000, for injuries.

Robert J. Wackman of Southgate, Mich., seeks \$20,000 judgment in Circuit Court from Russell Mulder and American Aerosols, Inc., of Holland, in connection with a traffic accident on US-31 at Rochester, Ind., on March 12, 1971. It is claimed that Mulder was driving a truck owned by Aerosol which collided with a car driven by the plaintiff.

**PILINGS INSTALLED** — Unstable soil, part of an old lake bed, forced the use of pilings at the construction site of the new police and district court complex along West Eighth St. Architects said the unstable soil was along the north and west edges of the Police construction site. The

pilings were driven down about 20 feet. Some of the concrete footings were altered to accommodate the pilings. The cost was estimated to run an additional \$3,000 to \$4,000. The police complex is being constructed with a \$660,000 bond issue. Meanwhile workers went ahead with

plans to shore up the foundation of the Essenburg building (right background) where soil was being removed for the court building. Nine fiber tubes filled with concrete were installed to support the west wall of the building. The court building is to come within five feet of the Essenburg building.
