The Fact Remains

No amount of misrepresentation by the peddlers of alum baking powders, no juggling with chemicals, or pretended analysis, or cooked-up certificates, or falsehoods of any kind, can change the fact that

Royal Baking Powder has been found by the official examinations to be of the highest leavening efficiency, free from alum, and of absolute purity and wholesomeness.

Royal Baking Powder is indispensable for making finest and most economical food.

NEW CLUE IN ATWOOD CASE

Ottawa Officials Find Material to Work On—Keeping It Secret

Grand Haven, Dec. 4.—Deputy Sheriff Del Fortney left yesterday for Grand Rapids to follow up a new clue in the Atwood death case. The sheriff's office have picked up a new lead in the case within the last few days, which the officers state may lead to another arrest within a few days.

While the officers refused to divulge their plans, they hinted that considerable work would be done in and around Grand Rapids and that developments might follow later.

MAY START TO BUILD POST OFFICE SOON

No Doubt Holland Will Soon Have Another Large Imposing Structure Across from Centennial Park

When Congressman Mapes called upon the News a few days ago and was asked questions relative to Holland's new postoffice, he said that no doubt in the very near future, possibly next May or June, work would begin, and that money would soon be available with which to make a start, in fact according to the Post Office Budget it appears that \$24,000 has already been appropriated for that purpose. This is very encouraging news and will mean that instead of a potatoe patch across from Centennial Park, one of the handsomest structures in Holland will occupy the space.

Holland is not lacking in beautiful public buildings in fact it excels almost any town of its size anywhere, and with a little stir in the manufacturing end of our city, things are beginning to look upward and it is hoped that before the dawn of 1914 a "pull together" spirit will prevail in Holland that will be for doing things. It is hoped also that a feeling of tolerance and a respect for one another's opinions may be more prevalent than it has been in the past. If we do not let our petty jealousies and animosities blind us, and our differences of opinion on public questions warp us, 1914 will be the dawn of a new prosperity for this beautiful city of ours. God speed the day!

ACCORDING TO NURSERY RHYMS LAST IS BEST

"First the worst, second the same Last the best of all the game." The first money for taxes taken in by City Treasurer Harry Vanden Brink, was that of C. Last who paid his own taxes and also that of A. Last. In this case Last was first. Henry Zwemer the coal man came within an ace of beating Last by being a close second.

EAGLES ELECT OFFICERS

At the regular meeting of the Eagles, Monday night, Phil Hamel was re-elected Worthy President of the Lodge by acclamation. It is noted that the same man is elected as Worthy President two years in succession as the office is generally passed along, but Mr. Hamel's record has been of such excellence, and he has done such good work in making preparations for the Eagles' State Convention to be held here next June that the boys thought he was entitled to a reelection and therefore handed it to him without a dissenting vote.

Case Kuite, who was a delegate to the last State Convention at Calumet, and who was chiefly instrumental in bringing about the possibility of selecting Holland as a place of meeting, was re-elected as secretary of the Lodge.

Other Eagles elected to office Monday night were: Frank Charter—treasurer; Ed Morlock—vice president; Fred Seery—chaplain; A. Self, Jr.—trustee; B. Bontekoe—trustee; James Wagner—trustee; C. F. Elton—inner guard; William Shoniker—outerguard.

DEATH OF MRS. MEENGES

Mrs. George Meenges, aged 34, died Monday at Macatawa where Mr. Meenges is assistant light keeper. Although Mrs. Meenges had been ailing for some time her condition was thought to be much improved and her death comes as a shock to her friends and relatives. She received a relapse of her sickness and was ill but three days before her death. She is survived by a husband, a mother, two sisters and one brother.

The funeral of Mrs. Geo. Meenges who died at Macatawa will be held this afternoon at two o'clock from the home of Ollie De Weert, 63 West Seventeenth Street. The Rev. Mr. Filipe will officiate.

Miss Anna Oosting, daughter of Mr. and Mrs. Henry Oosting, was married to Simon De Keoyers Wednesday evening at 7 o'clock by the Rev. Mr. Veldman at the church parsonage. Only immediate relatives attended the wedding, and immediately after the ceremony the bride and groom left for a short visit to Grand Rapids. They will be at home to their friends in this city after Dec. 15 at 17 West Thirteenth street.

COUNCIL LASTED 13 MINUTES

Arch Light Lit During the Holiday Season

The council meeting last night was a record meeting in both attendance and the time it took to transact the business. Six men which is just enough to constitute a quorum were present and it took but thirteen minutes to transact all the regular business.

Alderman Harrington is ill at his home and was unable to attend the meeting. Alderman Congleton is in Chicago. Alderman Van Drezer is in Grand Rapids. Alderman Dyke is now in Potosky. Alderman Stenberg was three quarters of an hour late and the meeting was not called to order until 8:15. It was all over at 8:28.

A resolution against the LaFollette Seamen's Bill was submitted to the council but on motion of alderman King the matter was referred to the Board of Harbors and Aldermen Harrington and Hansen for investigation. The resolution is as follows:

RESOLUTION—Adopted by the Council of the City of Holland, Michigan, and the Holland Board of Trade, an organization of citizens, protesting against the passage of the La Follette Seamen's Bill, without proper distinction between Great Lake Transportation and Ocean Transportation.

Whereas, Senate Bill No. 136, known as the La Follette Seamen's Bill, has been passed by the United States Senate and has been referred to the House of Representatives for further action, and

Whereas, No distinction is made in said bill between our passenger steamers on the Great Lakes, navigating frequently in shallow water, for short distances, near the shore and not in winter months, and along routes where other steamers are constantly passing and steamers which cross the Atlantic or Pacific amid fogs, icebergs, the storms of winter and many days or weeks from port;

Now therefore, Resolved, That it is our firm belief

st. That any bill which does not recognize the distinction between the conditions of ocean and lake travel will result in hardship and injustice to lake transportation, will seriously cripple the passenger, pack and freight business carried on upon the Great Lakes, to the great detriment of those who are interested therein and to the shipping public and will also practically destroy many industries and cities along the shores of the Great Lakes, many of which have grown because of and are dependent upon this transportation.

3rd. That the provisions of the proposed bill are such that compliance by many of the Lake Vessels would be a physical impossibility and would impose ruinous hardship upon all, costing more, in many cases, than the entire gross receipts of the carriers.

3rd. That the Council of the City of Holland, and the Holland Board of Trade, a citizens organization, oppose the enactment of the foregoing bill and urge upon Congress that in legislating upon this subject due regard be had for the interests of the Lake Marine and for the cities and industries dependent thereon and that no bill be passed which includes lake transportation with transportation upon the ocean, and

4th. That before enacting laws applying to the Great Lakes, it is incumbent that Congress conduct an investigation as to the conditions relating to navigation upon the Great Lakes.

Adopted by the Council of Holland,

Mayor.
Clerk.

ARCH LIGHTS FOR CHRISTMAS

The citizens of Holland will receive a bouquet of light from the useless arch lights on Eighth Street and River Avenue for two weeks during the holidays as a present from the city according to the council last evening. The Board of Police and Fire Commissioners requested that this be done and the Board was instructed to have it done.

Several petitions that were received asking that taxes be remitted will be investigated thoroughly before action is taken.

Ald. Prins as chairman of the Committee on the Poor Committee reported that Mrs. William (Slick) Van Oort has asked for aid from the city for herself and two children during the winter. The chairman was told to do all he thought necessary. Mr. Van Oort was sentenced to jail for ninety days yesterday afternoon and will face a charge of interfering with an officer while acting the performance of his duty.

The tests for gas during the past two weeks was as follows: No of tests, 33; Highest, 649; Lowest, 562 Average, 604; Thirteen out of 33 were below 600.

The resignation of Peter Eilhart as City Inspector was accepted last night by the Common Council but the election of a successor was held over for two weeks when more aldermen will be present.

Arie Vos was fined \$1.00 and costs by Justice Robinson when he pleaded guilty of riding his motorcycle with the cut off open.

SHAPE AND DESIGN OF RED CROSS STICKERS NOT SAME AS IN OTHER YEARS

Three Millions Have Been Placed On Sale In State of Michigan

Nearly three million Red Cross Christmas seals have been placed on sale in Michigan. The little red sticker is used to further the work of a most worthy cause. The sale of each stamp brings to the local and State Anti-Tuberculosis societies a small revenue. It is used in fighting the white plague, a disease curable in its early stages but which annually is costing this nation tens of millions of dollars.

The shape and design of the seal this year differs greatly from that of previous years. Santa and his reindeer are pictured on a rectangular seal; the border is of red and the Red Cross emblem appears on either side. The seal is used only as a sticker on the back of mail matter, and is not good for postage.

Agents are being solicited in every town, city and rural district in the state. Any organization, person or group of persons interested in the anti-tuberculosis work and willing to help the state association in securing funds for conducting an adequate campaign of education and prevention, should apply at once to Miss Corol F. Walton, secretary of the Michigan Association, Medical building, Ann Arbor, Mich.

Prizes are offered to the four rural school in Michigan selling the most seals per capita, the 12 counties selling the most seals per capita, the parochial school in Michigan selling the most seals in proportion to enrollment, to all children in rural districts selling 100 or more seals, and to all children in other districts selling 200 or more seals. Mrs. G. J. Van Duren of this city is the agent for Ottawa county.

JUSTICE SOOY DOLES OUT SENTENCE WHEN JURY BRINGS IN VERDICT OF GUILTY

They Are Given the Limit For the Stealing of Carp From Fishermen.

Harry Mouw and Herman Serier, were convicted on the charge of stealing fish from the local carp fishers and were both sentenced to pay a fine of fifty dollars and costs or spend 90 days in the county jail. They took the jail sentence and were taken back to Grand Haven. The case was tried before Justice Sooy. Prosecuting Attorney L. H. Osterhaus represented the people. The defendants did not have a lawyer but relied on their own story to either win or lose for them. Both the fishermen and Mouw and Serier were the only witnesses.

William (Slick) Van Oort pleaded guilty to a similar charge yesterday afternoon before Justice Robinson and also received a ninety day sentence after spending about two weeks in the county jail awaiting trial which was to have been held yesterday.

Mouw is also awaiting a sentence in circuit court after a conviction on the charge of assault and battery in connection with the assault on Officer Steketee in this city.

Serier is awaiting trial in circuit court on the charge of assault and battery with intent to do great bodily harm less than murder.

Van Oort is awaiting trial on the charge of interfering with an officer while in the performance of his duty, in circuit court.

ACTION TAKEN ON ACCOUNT OF G. & M. BOATS AND SMALL FISHING BOATS

Instead of closing Sunday night as has been the custom for many years on account of the continued warm weather the Holland Life Saving station at Macatawa Park has received orders to remain open until the fifteenth of the month. It is expected that the station will close then.

Orders were received in the morning to close Sunday night but in the evening an order came from Washington through Supt. Lofburg to remain open fifteen more days. This is done on account of the Graham & Morton boats running into this harbor and on account of the many small boats that are in the bay and anchored near the pier nearly every day, where Holland people as well as the people from Macatawa enjoy the excellent fishing.

OTTAWA COUNTY MAN IN JAIL ACCUSED OF ATTEMPTED MURDER

Is Most Sensational Case That Has Come to County's Attention In Years

George Lippert, train dispatcher at Fruitport, Mich., for the Grand Rapids, Grand Haven & Muskegon railroad, was lodged in the Ottawa county jail late Tuesday charged with attempted murder. His arrest followed the story of pretty Hazel Payne, aged 17 years, who was found on the Grand Trunk railroad tracks, bound hand and foot. Lippert refused to make any statement upon being taken into custody. He is a married man and has one child.

Developments in the case since the discovery of the girl by Alfred Wiley a Nunica farmer, have been sensational and have aroused the people in the northern part of the county, as nothing has in years. Wiley was returning home and crossed the Grand Trunk tracks near what is known as the Crockery creek bridge and the glare of an oncoming engine showed him the girls prostrate body. He barely had time to lift her from the rails before the train sped past. The girl's arms were bound to her sides and her feet were tied together with a cotton material, and she was unconscious.

Wiley took her to his home which was near by and summoned medical aid. After the arrival of the physician Miss Payne regained consciousness and told an incoherent story, after which she again lapsed into unconsciousness. Again coming to her senses she accused Lippert of being the cause of her condition. According to her story she met him Monday afternoon near the home of her sister, Mrs. Andrew Linn, Ville Crossing, Spring Lake and he induced her to get into a buggy. She says she also accepted candy from him and declares that shortly after she ate she became unconscious and remembered nothing until she awakened in Mr. Wiley's home.

Her story resulted in Sheriff Dykhuis, taking the matter up. The sheriff says his investigations disclose the following:

Hazel Payne became acquainted with Lippert in Fruitport last spring through an introduction by a relative of hers. It is alleged that she was left alone with him and upon her return to the home of her brother, Orien Payne, at Ferrysburg, between this city and Spring Lake, she told of an attack which had been made on herself. The brother, according to the officials, favored the swearing out of a warrant and letting the law take its course, but was dissuaded by other members of the family, who shrunk from the publicity it would bring.

Time ran on, and the condition of the girl became apparent. During the entire time she was at her brother's home. The baby was expected last Sunday and on Saturday the girl went to the home of her sister in Spring Lake, despite the warning of her brother that she had best remain at his house. All preparations were made for the event and a physician was summoned, but nothing happened on that day. Monday afternoon about 3 o'clock the girl eluded her watchers and left the house.

Between time and the discovery of her body on the tracks the baby had been born. However no trace of the infant has been found.

Her clothing according to the officials, was matted with blood, but she remembers nothing concerning the circumstances. It is thought, as her condition improves, she will be able to give a more coherent account of her experiences. Sheriff Dykhuis is of the opinion that the baby came into the world while the young woman was in the buggy, and advances the theory that its corpse will be found in Crockery creek. The stream will be thoroughly searched today.

In Tuesday's investigation the officials discovered the tracks of a man leading from a road through a field and up the grade of the Grand Trunk tracks where Miss Payne was found. As soon as she is able to give a more detailed account of her trouble, the officials will be better able to proceed with the prosecution of the case.

Efforts will be made to find the horse and buggy used, and there

The Huyzer family of Zeeland contains four generations in each of which is a member bearing the same name—Johannes Huyzer. The oldest member of this family is also Zeeland's oldest resident and he goes by the name of Johannes Huyzer Sr., although the "Sr." might be applied to at least two other members with varying degrees of accuracy. The old gentleman is the father, grandfather and great-grandfather of his namesakes and he has lived to see his children's children into the fifth generation, however, the fifth generation is represented as the descendant of a daughter and in that generation the Huyzer name is not found of course. On November 5 the aged gentleman passed the 95th milestone of his life and has over 120 descendants. Mr. Huyzer is a native of Zoetermeer, South Holland, Netherlands, and came to America in the fall of 1847. He spent the winter in Buffalo and came to this community the following spring, and has lived here ever since.

The old gentleman enjoys remarkable health and spends much of his time working about the yard. He is a great walker and quite recently he took a stroll to Borculo, where he visited his grandchildren.

VRIESLAND

Saturday morning at her home in Vriesland, Mrs. S. Vander Meer died as a result of heart trouble after a long illness. Mrs. Vander Meer's husband who died about six years ago was one of the most prominent citizens of Vriesland for more than half century. The deceased was born in Kalamazoo not long after her parents came to this country. Her father was J. Rykel who came to America in 1847 with the original Van Raalte colony.

Mrs. Vander Meer is survived by seven children: Mrs. William Haan, Mrs. C. Ter Meer, and Mrs. B. Cole, all of Grand Rapids; G. Vander Meer, Moline; J. Vander Meer, Kansas City, Mo.; P. Vander Meer, Idaho; and Edith, at home.

The funeral took place at 12 o'clock from the home and at one o'clock from the Vriesland Reformed church. The Rev. H. Mollema, pastor of the church, and the Rev. Mr. De Jongh former pastor, officiated.

BORCULO

John Marlink of Borculo accompanied by his daughter and two sisters, Miss Lena and Mrs. J. P. Laner formed an auto party to Zeeland Friday afternoon. In endeavoring to pass a team on the road near Borculo, Mr. Marlink lost control of the machine and it tipped over in the ditch, pinning its occupants under the machine. Mrs. Laner sustained a dislocated wrist and a broken arm. The other people received cuts and bruises. The car was considerably damaged.

EAST SAUGATUCK TALES MAKE

HAIR STAND ON END AND ARE BLOOD CURDLING

Hamlet Had Nothing On This Little Burg According to Stories Now Going the Rounds

Since the beginning of time there have been people who believe that the spirits of the dead come back to haunt and disturb or sometimes to protect the living; and there have always on the other hand been people who emphatically declared there is no such thing as a ghost, and who laugh at any idea to the contrary. However that may be, there are people in East Saugatuck who class themselves among the first mentioned. For some time it has been claimed that strange lights and shapes have been seen around the East Saugatuck cemetery and also near the Haverdink home, near by, which was recently vacated by Mr. Haverdink, who has moved to Holland. It is alleged that Mr. Haverdink has claimed he saw strange lights around the cemetery and his house on dark nights and it is also claimed that several automobilists have been attracted by strange, indescribable objects in the cemetery while passing.

The story is now going the rounds of one young man who would not accept the ghost story as the truth. He braved the solitude and quietness of the cemetery one night, and now he is among the believers in ghosts. While passing a grave a strange ball of light seemed to come from nowhere and to start circling about his head. He stood fascinated watching it come nearer in its circling, until it finally brushed against his head. It then vanished.

So interested have some of the people of the surrounding country become in the story that it would not be a great surprise if some night in the near future a party of men from this city would be found sitting in the East Saugatuck cemetery waiting for the ghost to appear.

FENVILLE RESIDENT, AGED 72 MARRIES GIRL OF TWENTY-TWO

Fennville, Dec. 4.—It isn't unusual for wealthy women to be married to their young and dashing chauffeurs, but William W. Hutchins, seventy-two years old, of this town, has varied the custom by marrying Miss Rachael Starkey, 22 years old, his chauffeur.

For two months Miss Starkey, who is a resident of Fennville, has driven Mr. Hutchins' automobile. That he liked her driving better than that of any man he ever saw was a statement that Mr. Hutchins has often made.

A few days ago the employer and his employee drove around to Justice W. E. Steman. It took the justice only a few minutes to change that employer-employee business and the couple left his office after making him promise not to tell a soul.

But Mr. and Mrs. Hutchins were so happy over the event they just couldn't keep it quiet any longer. So today they announced it.

The groom was a widower and had no children. He retired with a good deal of money after being engaged in the furniture business in Fennville for many years.

DRENTHE

A pretty wedding took place Wednesday at their future home in Drenthe when Miss Clara Seiner and Henry Telgenhof were married. The wedding was of a private nature and was performed by the Rev. T. Vander Ark of that village. The bride is a daughter of Levert Seiner of Drenthe and the groom is a son of Mr. and Mrs. H. Telgenhof of Zeeland.

Borculo After This Will Depend On Rural Service

Commencing with the last day of the year, the postoffice at Borculo will be discontinued on account of the territory being thoroughly covered by rural routes No. 1 and No. 2 of Zeeland. The Borculo postoffice has been in existence for many years and at the present time is located in the store of Henry Koop in that village with the proprietor as postmaster, which position he has filled for a long time.

WARRANT WILL BE SERVED ON HIM AS SOON AS HE LEAVES COUNTY JAIL.

A warrant was issued Tuesday morning by Justice Robinson charging Eltje Roda with larceny. Roda is at present serving a 30 day sentence in the county jail for drunkenness and the warrant will be served on him as soon as he is released, which will be in a few days. It is alleged that Roda broke into the Fourth Reformed church some time ago and stole some of the goods belonging to the Ladies Aid society. Evidence has been found showing that Roda sold these goods to people in this city for less than half their value.

Statements That May Be Investigated. Testimony of Holland Citizens.

When a Holland citizen comes to the front, telling his friends and neighbors of his experience, you can rely on his sincerity. The statements of people residing in far away places do not command your confidence. Home endorsement is the kind that back Doan's Kidney Pills. Such testimony is convincing. Investigation proves it true. Below is a statement of a Holland resident. No stronger proof of merit can be had.

Mrs. Margaret Van Houten, 287 W. Thirteenth Street, Holland, Mich. says: "For several years I suffered from kidney complaint, the pains in the small of my back and in my shoulders being almost unbearable. It was all I could do to stoop or lift. Whenever I caught cold, it settled on my kidneys, making the complaint worse. I did not rest well and the secretions from my kidneys were unnatural. Doan's Kidney Pills, procured from Doesburg's drug store, convinced me of their merit by restoring me to good health in a short time. I can speak just as highly in their praise now, as I did some years ago when they cured me. The cure lasted."

PLANS ARE RAPIDLY MATURING FOR COMPANY OF THIS KIND

Name Not Yet Made Public; Most Up-to-Date Machinery To Be Installed

A plant for the production of pasteurized milk is soon to be a reality in the vicinity of Holland, according to statements made by the local health authorities Tuesday. Local authorities who are interested in the new industry have not as yet made public the name of the man who will engage in this business, but plans for it have advanced to a considerable degree and in a few days all the arrangements are expected to be complete. The plant is to be located a short distance from Holland and it is to be equipped with all the most modern machinery. According to the plans as far as they have developed it is to be an ideal plant in every respect for producing milk that is absolutely pure. It is understood that much of the machinery has already been ordered and that it will not be long before the plant will be in good working order. Before it is put in operation the Holland Board of Health will be invited to go over it carefully with a view of suggesting improvements and as a guarantee that it is entirely up-to-date.

The formation of this company has been in the air for some time. Frequently the milkmen who serve the city of Holland have been reminded that unless the Holland milk ordinance is strictly lived up to a plant of this kind would be the natural result. For the most part they have ridiculed the idea but at last it seems that the plan has matured. It is understood that the raising of the price of milk the first day of September has had something to do with the forming of the company. Those who are to head the pasteurized milk plant believe that they can furnish milk to the people of Holland for the same price as that charged by the present milk dealers. They say that if it is found they can not do this, they are at least sure that there will not be a raise of more than a half a cent. It is believed that many people will be perfectly willing to pay an extra half cent if they can be absolutely sure that the milk they get is pure and clean and safe.

SCHEME OF RIVER AVE. MERCHANT WAS VERY SUCCESSFUL.

Harry Padnos, the River Avenue merchant who made an offer to the public to pass out a turkey to every customer buying a suit or overcoat valued at fifteen dollars or over, passed out Wednesday forenoon 121 turkeys. Some thirty more checks were out so that the total number reached about 150. The scheme proved more successful than had been expected and Mr. Padnos was highly pleased with the result. The turkeys passed out weighed on an average about 12 pounds. One man drew a prize bird that tipped the scale at 21 pounds. But the others weighed all the way from 9 pounds, the smallest to about 14.

WAS GOOD ATTENDANCE AT THE MEETING IN CITY HALL

TUESDAY AFTERNOON
Board of Directors Was Increased From Sixteen to Twenty Members

At the annual business meeting of the South Ottawa and West Allegan Fair association held Tuesday in the Board of Trade rooms in the city hall the following officers were elected for the ensuing year:

President—Otto C. Schaap.
Vice President—H. Koolker.
Secretary—E. P. Stephan.
Treasurer—Ben Brower.

The number of members of the Board of Directors was increased from sixteen to twenty on account of the increased business of the fair. The following men were elected as directors to serve on this board for two years: D. M. Wyngaarden, H. D. Van Kampen, J. W. Vanden Berg, Harm Bouws, G. J. Deur, H. Koolker, E. VanLopik, I. Prins, S. Nibbelink and W. H. Orr. J. Schouten and H. Boone were elected directors to serve one year.

Geo. Getz was made an honorary member of the board of directors in view of the work he has done in the past to make the fair a success. J. J. Boone was also made an honorary member of this board. Mr. Boone has served on the Board of directors ever since the Fair association was organized but is getting too advanced in years to attend the regular duties.

There was a splendid attendance at the meeting, both the business and rural districts being well represented. Much work was done and the meeting was harmonious through out.

Reports of the Secretary and the treasurer were also read.

THREE HOLLAND RUNAWAYS ARE TURNED OVER TO THE JUVENILE COURT

Eugene Lyons, John Duell and Arthur Duell will be turned over to Judge Kirby of the Juvenile court because of the runaway escape of Saturday and Sunday. Arthur returned home after a visit in Zeeland and Saugatuck and the other two boys were brought home from Fennville by Chief of Police Dykhuis last evening. Two of the boys are 12 years old and the other is fourteen.

The boys admitted that they had stolen \$25 from the delivery man of the Noordeloos store, in this city Saturday night, but did not have any of the money to return. They rode with him in the rig to the P. M. freight depot Saturday night and while the driver was in the station they extracted \$25 from a roll of \$80.00.

From Holland the boys went to Zeeland and there rented saddle horses to see the city. After a big time in the large city they went to Saugatuck. From Saugatuck they went to Fennville where they made a daring escape from a room in the second story of a hotel by making a rope out the sheets and sliding to the grounds. They were recaptured by the authorities and turned over to the Holland police.

USED UP MUCH MONEY FOR TEMPORARY AID ACCORDING TO REPORT

Takes Twice as Much To Keep the County's Poor In Tobacco As To Keep Them in Religion

That Holland is taking very good care of its poor is shown by the fact that according to the county poor committee during the year the sum of \$5,000 was spent for the poor of this city out of a total expenditure for temporary aid in cities and townships in Ottawa county of \$8,286.94. As a further example of how large this sum used for Holland is shown by the fact that Grand Haven, half the size of Holland, used the next highest sum, namely, only in the neighborhood of \$200. The townships of Allendale, Blendon and Polkton used nothing at all.

A table of the total amount spent by the county, both cities and townships, just issued by Chairman of the County Poor Committee Wm. O. Van Eyck is interesting in many ways. The total amount used from the county poor fund was \$9706.41. This was divided as follows: County House and farm, \$7,316.49; temporary aid, count charges, \$1556.75; at state institutions, as institution for the blind, etc., \$833.17.

The \$8,286.94 of which Holland got so big a slice was for temporary aid by cities and townships, the sum of \$7,948.19 and for supervisors' services, \$338.75.

The poor salaries paid out of the county general fund amounted to \$482. The county paid the sum of \$2235.19 for the care of the insane, divided as follows: Support of insane from insane fund, \$1714.26; transportation of insane, \$229.82; other expenses connected with care of insane, \$291.11.

The total amount spent from other than the county poor fund was \$11,004.13; making the total amount spent by the county and the towns in support of the poor, \$20,710.54.

Some interesting items can be found usually in the formal report of expenditures. For instance, in the formal report made to the board of supervisors at its last session was found the item of \$48 for religious services. It cost the county twice as much to keep the poor in tobacco as to keep them in religion the sum spent for tobacco being \$92.93. Disinfectants forms quite an item too, the sum for this purpose being \$42.85.

According to that same report the number of inmates admitted to the county home during the year was nine and the number buried at the county farm was 5, four of the nine being claimed by relatives.

JOHN WHELAN IS LUCKY BOY AND WILL TAKE ENTRANCE EXAMINATION IN FEBRUARY.

John Whelan, a senior in the Holland High school, has received a direct appointment to the Annapolis Naval Academy. The appointment was made by Congressman Carl E. Mapes of Grand Rapids. The examinations for entrance into this school will be held about the first of February and Mr. Whelan expects to take these examinations. He has dropped his school work in Holland, a high school diploma being of no value to him in the line of work he is taking up. He will spend the time from now until the examination in preparatory work at Ferris Institute, Big Rapids.

Mr. Whelan was very fortunate in receiving this appointment as the school at Annapolis is one of the best openings possible for a young man today.

S. J. VANDER POEL RECEIVES HONORABLE DISCHARGE AS RESULT.

S. J. Vander Poel, son of Mr. and Mrs. Martin Vander Poel has arrived home from San Francisco, where he passed about two months in the United States hospital as a result of a nervous breakdown. Young Vander Poel, who is 22 years old, enlisted in the army last April. He was sent to the Hawaiian islands and put in several months of service there. But he suffered a nervous breakdown and was taken to the hospital in San Francisco. Because his condition did not greatly improve he was given an honorable discharge. While in the army his record was good. Mr. Vander Poel's health is improving.

FIRE IN GRAND RAPIDS

The big fire in Grand Rapids Friday night affected the institution in which Jacob Herringa of this city works. Mr. Herringa is manager of the Fulton Street Branch of the Grand Rapids Savings bank, that was located in the building destroyed by fire.

GIRL IS BRUTALLY KNOCKED DOWN; MAN COMES NEAR BEING ROBBED

Holland was again the scene of much crime during the Thanksgiving holiday although no serious damage was done.

The thirteen-year-old daughter of Mr. and Mrs. John Dumpeld, West 19th street was brutally assaulted Wednesday evening about 8 o'clock by an unknown man while she was passing through a field between 14th and 15th street near Van Raalte Avenue, on her way home from Lage's Drug store. She was assaulted from behind and choked into unconsciousness without seeing her assailant. She recovered consciousness a short time later and crawled to the home of Mr. and Mrs. Olert near by, where she was cared for. Her purse was intact and she was uninjured the assailant evidently being scared away.

The police were notified and arrived on the scene in a short time in an automobile and searched the surrounding country but the villain had made good his escape.

Thursday night hold-up men were again busy, and a man whose identity is unknown but who is thought to be a Mr. Kooyers was accosted by a man on Twelfth street near River avenue. The man asked him some questions but Kooyers spied a gun in the sleeve of the man's coat. Before the would-be robber could get the gun out Kooyers struck him and ran. The man was described as a short man wearing a derby hat pulled down to shade his face.

Mr. Klompars' wheel was stolen from near the Methodist church, a short time after the holdup.

HON. LUKE LUGERS TO GO TO WASHINGTON AS ONE OF COMMITTEE

Hon. Luke Lugers of Holland township Friday received his formal appointment as a Michigan delegate to the national Anti-saloon League convention to be held in Washington, D. C., beginning December 9. Mr. Lugers will be one of a committee of one thousand, composed of men from all parts of the United States and representing every state in the Union, that will gather in the national capitol on that date. This huge committee will call upon President Wilson and will urge that an amendment to the federal constitution be submitted to the various states for adoption, to be known as the Prohibition Amendment. This amendment is to prohibit the manufacture and sale of liquor in the United States of America.

Mr. Lugers enthusiastically endorses the idea and he said Friday that he expects to go to Washington to take part in the proceedings of the committee of one thousand.

ELEVEN HOLLAND HIGH SCHOOL BOYS AND PRINCIPAL GILBERT JOURNEY TO SAGINAW.

Eleven boys from the Holland High school and Principal R. H. Gilbert will attend the Y. M. C. A. convention to be held in Saginaw. Five of the boys left Friday for that city and the others will join them in Saginaw or in other cities. John Schmid, Bert Van Ark, Mr. Geegh, John Post and James Van Ark left from Holland late Friday afternoon and were joined in Grand Rapids by Wendel Helfrick and Arthur Heuer, who spent Thanksgiving in Muskegon, and by Paul McLean. Mr. Gilbert will join the boys at Greenville and Simon Den Uyl, Peter Hamelink and Jake Fris will join them at Saginaw.

TWELVE BIDS WERE SUBMITTED FOR NEW SHOE FACTORY.

Friday night the contract for the building of the new shoe factory in which the Tappan Shoe company will start business will be let, and Saturday work will be begun on the structure. The bids were opened Friday forenoon.

Bidding was very brisk on this job. In all twelve contractors submitted bids. Between the lowest and the highest figure there was a difference of over \$1,000. Following is the list of bids from which one will be chosen this evening:

Henry Dorr, \$5,275; W. Dieters & Son, \$4469 (incomplete); John B. Brinks, \$5360; Herman Helmer, \$4918; Rottschaefer Bros., \$4612; Pettibone-Jenison Co. (Muskegon), \$4800; M. Oudemool, \$4230; A. Postma, \$4313; E. S. Holkeboer, \$4450; H. Sterenberg, \$4885; Bomers and Smeenge, \$4594. T. N. Yonkman, \$4394.

The plans and specifications were drawn up by Architect W. I. Hayden.

Mr. Oudemool was the successful bidder.

THANKSGIVING DAY OFFERING AMOUNTED TO ABOUT \$3500.00.

Third Reformed Church Again Leads All Others With Sum of \$1595.12.

The Thanksgiving day offerings in the local churches Thursday will foot up to in the neighborhood of \$3500. The exact amount cannot be given because a few churches have not reported the amounts collected; but \$3,500 seems a conservative estimate.

The Third Reformed church has had the lead for a number of years and this year it is again far in advance. The total amount collected by this church was \$1595.12. This was for foreign and domestic missions. The church authorities, wishing to be entirely fair about the matter, state that of this sum \$749 represents envelope contributions made during the year with the idea of having it applied on the Thanksgiving Day fund. But even after deducting this sum the church is still considerably in the lead.

The next largest collection reported was that of the Central Avenue Christian Reformed church, the amount being \$567. The next in order was the 14th St. Christian Reformed church with the sum of \$458.69. The other collections reported were as follows: First Reformed church, \$130; Fourth Reformed church, \$75; Prospect Park Christian Reformed church, \$322; Hope church, \$40; Maple Avenue Christian Reformed, \$55; Trinity church \$50; Ninth St. Christian Reformed \$415.

The Thanksgiving Day collection has become considerable of an institution in this city. And the record was fully kept up at Thursday's services.

William Hovenga Is Arrested Charged With Being Disorderly and John Mulder Pleads Guilty To Being Drunk.

William Hovenga was arrested Thursday for being disorderly at the Lyceum rink. He was placed in jail but was taken home by his brother about 11:30. Friday morning a charge of disorderly was made against him. When arraigned before Justice Miles the justice said he would like some time to look into the matter and Hovenga will be brought up later to answer to the charge.

Hepaid a fine and costs, amounting to \$8.50.

John Mulder was picked up Wednesday night by Deputy Sheriff Peter Bontekoe charged with being drunk. When arraigned before Justice Miles he pleaded guilty to the charge and paid a fine and costs of \$8.75. As Mr. Mulder has been arrested several times on this charge the justice promised him a 90 days sentence the next time he is arrested.

HEINZ CO. TO CONCENTRATE KETCHUP MAKING HERE

The Heinz Plant in this city is the largest in the country next to the headquarters at Pittsburg. The Holland plant will become still more important now because of the fact that the company has discontinued its ketchup department in the plant at Grand Rapids. This move was made because of the difficulty of securing tomatoes there. The salting station in Grand Rapids will be continued, but the ketchup plant will be transferred to this city and all the ketchup making will be concentrated in the local plant. It is comparatively easy to secure tomatoes here. The change may mean an eventual enlargement of the Holland plant.

CHORUS OF NINETY MEMBERS HAVE PRACTICED FOR THREE MONTHS

The date for the Cantata to be given by the Third church chorus has been set for Thursday, Dec. 11 at the Third church. The chorus is composed of ninety members and the cantata is expected to be the biggest affair of its kind ever attempted in this city. The singers have been practicing faithfully for the past three months.

LOCAL GIRL WEDS MAN FROM HIGH GATE, ONTARIO

Miss Minnetta Morris of this city, and Fred Hall of Highgate, Ont., Canada, were married at the home of Mr. and Mrs. W. E. Morris Thursday. The bride wore a beautiful gown of white lace. She was unattended. After the ceremony a sumptuous dinner was served after which the bridal party left for their home in Chicago.

HENRY KAMMERAAD MARRIES IMMEDIATELY UPON RETURN FROM MEXICAN BORDER

Henry Kammeraad, son of A. Kammeraad, 176 West Thirteenth street, returned to his home in this city Tuesday after a trip from the border line of Texas, where for the past three years he has served at an army post. Mr. Kammeraad has received his honorable discharge and it is not likely that he will re-enlist as he was married in Grand Rapids Tuesday afternoon. The bride is Miss Harriet Wiersma of that city. Miss Wiersma is well known here and has a host of friends in Holland.

Mr. Kammeraad expected to be home last Saturday but was delayed in St. Louis and then took time to be married in Grand Rapids before coming on to his home here.

Mr. Kammeraad has undoubtedly had many thrilling experiences during his three years on the border line of Mexico and Texas, especially during the last year when there has been much hostility in Mexico, he does not care to talk much about his experiences. Although he said there was much fighting among the Mexicans sometimes so close to the border that the American soldiers could see the fighting he says he was never in a battle himself while in the army. Mr. Kammeraad has several spells of sickness while there and once had a touch of the yellow fever.

As a remembrance of his army days, Mr. Kammeraad has an artistically carved medal presented him by the government for sharp shooting.

HENRY VANDER PLOEG TEACHES NIGHT SCHOOL IN DETROIT

Henry Vander Ploeg of Detroit, was in the city to spend the Thanksgiving holidays here with his mother. Mr. Vander Ploeg is employed by a large printing establishment. But outside of the regular profession he has found interesting work to keep him busy in spare time. He is one of the instructors in the night school of Detroit, and the fact that he understands the Dutch language has made his services very valuable among the Hollanders there who wish to learn the American language and to qualify for citizenship in this country. There are quite a number of Hollanders in Detroit, and many take advantage of the opportunities to learn. Mr. Vander Ploeg at one time had a class of eighty, and at present he has an average attendance of about fifty.

STEPS ARE TAKEN TO THIS END BY EASTERN STAR BASKET AND VENEER CO.

Although it has been rumored about this city that the Eastern Star Basket and Veneer Co., of Buffalo, owner of the former King's Basket Co. plant of this city, would operate this plant in the near future, it was learned from good authority today that negotiations are on foot to sell the plant and grounds. It is probable that the machinery will be sold in the near future and one machine has already been sold. It is alleged the Eastern Co., will try to sell the buildings if possible and then the grounds.

The proposition suggested some time ago that the city buy this property and build a park may yet lead to something.

PAPERS READ AT W. L. C. MEETING ON THIS SUBJECT.

Americans Should Be Proud of Valuable Works of Art Brought Here, Say Speakers

Tuesday was Art Day with the Woman's Literary club. All of the ladies who told of the great collections of art in eastern cities were very interesting. An American should be very proud of the public spirit that causes fine pictures to be placed where all may see them.

Mrs. Hall told of the Boston Public library in which are the famous mural painting of Abbey Sargent, and de Chavannes.

Mrs. Parr described a visit to the Corcoran Gallery in Washington soon after a few rooms of it were opened to the public. Mr. Corcoran left an endowment of nine hundred thousand dollars for an art gallery which should contain mostly works by American artists.

Mrs. Parr also told of the Congressional library, which has the finest entrance hall in the world. It cost six million dollars and all the work was done by American citizens.

Miss Kollen spoke of the Metropolitan Museum of New York city. John Jay was the person who suggested the idea of this museum at a Fourth of July banquet of the Union League club. In April 1870, the legislature of New York voted a certain amount of money for this project.

There are many famous works of art in this collection. Many of these are the private collection of Messrs. Morgan and Altman.

Photographs of the various buildings described and reprints of many of the pictures in them were passed around.

Mrs. H. Winter gave a pleasing reading "An Old Castle" by T. B. Aldrich.

"The End of a Perfect Day" by Carrie Jacobs Broad and "Gray Days" by Arthur Grayson were given a charming interpretation by Mrs. R. M. De Pree.

The critic, Mrs. Blekkink, reported very favorable in regard to the attendance during the month and also in regard to the way the various numbers had been rendered.

TEACHERS OF THIRD REFORMED CHURCH HOLD ANNUAL MEETING

The annual business meeting of the Third Reformed church Sunday school teachers was held Friday night at the home of Mr. and Mrs. D. J. Te Roller, East Fourteenth street. The following officers were elected for the coming year:

Superintendent—Henry Pelgrim, Jr.; Ass't Superintendents, Henry Geerlings and John Vandersluis; Secretary, H. J. Luidens; Treasurer, D. J. Te Roller; Chorister, J. Vandersluis; Organists, Misses Te Roller, Warnshuis and Kamferbeek; Librarian, H. Van Ark.

The secretary reported that the average attendance during the year had been 502. The general collection during the year amounted to \$724.59. Last year the graded system of lessons was adopted for the Kindergarten and Beginner's classes, and this year the same system will be used in the Primary department.

CHRISTIAN A. BROEK IS MARRIED IN HIS HOME CITY.

The marriage of Assistant Prosecutor Christian A. Broek of Muskegon and Miss Cora Tellman was solemnized Thursday morning at 11 o'clock at the Third Reformed church in that city, the impressive service of the church being said by its pastor, the Rev. John Broek, father of the bridegroom.

Professor Milton J. Hoffman of Hope college, Holland, Mich., and Miss Gerarda A. Broek, sister of the bridegroom, acted as best man and bridesmaid, respectively. The wedding music was rendered by Prof. Herman J. Broek of Harvey, Ill., Mr. Broek's brother.

Only the immediate relatives of the bridal couple were present. The church was beautifully decorated in white and green, ferns and stately chrysanthemums being used effectively.

Following the service at the church, a congratulatory hour was held at the home of the bride's sister, Mrs. B. J. Somsen, 9 New street, after which a breakfast was served. The residence was prettily decorated with chrysanthemums, the colors used being yellow and white. Three long tables were arranged at which places were laid for 40 guests.

The bride's table was ornamented with an artistically arranged basket of yellow and white chrysanthemums while large clusters of the same blossoms in these colors formed the central decoration of the guests' tables.

Immediately after the breakfast the bridal couple left on a wedding trip to Port Huron. The bride wore for costume a suit of dark blue cloth. Upon their return they will reside at 61 Sanford street, their at-home date not being as yet set.

Mr. Broek is one of the young attorneys of Muskegon, a member of the law firm of Galpin and Broek. For the past year he has been serving Muskegon county as assistant prosecutor. He received his training first at Hope college, Holland, Mich., and then at the Detroit college of law.

Mr. Broek graduated from Hope College in 1905. He was prominent in college activities while a student here and was the editor-in-chief of the only annual the college ever issued. This was during his senior year in 1905.

Mr. and Mrs. H. Tuurling left Monday for Grant, Colorado, where they will make a stay for their health. They will go to the home of their daughter, Mrs. John Lemmon.

Anthony Rosboch of this city is the author of poem entitled "Thanks giving Day" that appears in this week's issue of "The Banner," a weekly publication of the Christian Reformed church.

Dr. A. Vennema of Hope College has returned from a week's absence in Chicago, Forrester and German Valley, Ill., in the interest of the college. It is at the last named place that the pleasant Valley Academy one of the institutions of the Reformed church is located.

Edwin Fellows and party of seven Ottawa county hunters of whom A. Harrington was one, have returned from the north woods. They were very successful, enjoyed fine weather and great sport and brought home with them eight deer.

Dr. Yma De Jong, who recently returned from the Netherlands and who was formerly pastor of the Oakdale Park church of Grand Rapids and the Rev. R. B. Kuiper pastor of the Christian Reformed pastorate at Overisel, Mich., have accepted invitations of the student society of the Calvin college and Christian Reformed seminary "Credimus ut Intellegamus" to deliver lectures at the school. The subjects have not yet been determined. It is expected that Dr. De Jong will speak the second week of February and Mr. Kuiper the first week in March.

M. Verne Oggel of this city, a senior student in the New Brunswick Theological seminary, made the presentation speech recently when the graduates and students of that school presented Dr. Schenck, a member of the faculty with \$125, when he was about to set sail for the Holy Land and Egypt.

The ladies Bible class of the 1st Reformed church held their annual business meeting Tuesday night at the home of Mr. and Mrs. A. Nienhuis, 54 E. 7th St. Officers were elected for the ensuing year and the contents of the mission box was counted. Refreshments were served and a very enjoyable evening was spent.

Tuesday afternoon the meeting of the directors of the South Ottawa and West Allegan Fair association was held in the Board of Trade rooms in the city hall. The business men as well as the rural representatives were requested to be present as some important business was transacted.

Dr. Vennema left Monday for Baltimore, Md. where he will attend a meeting of the Executive Committee of the Federal Council of the Churches of Christ in America, from the 3rd to the 5th instant. Thence he will go on business for the college to New York, Poughkeepsie, Kingston, Albany and Rochester, N. Y., returning about the 20th of the month.

That Monday looked like a day in spring has perhaps been remarked by several thousand persons during the day, but Wm. Venhuizen has a better claim to believing the day to have been transferred by the weatherman from spring to autumn than most people. Mr. Venhuizen, whose home is on East 24th street, picked a bouquet of dandelions that he found growing back of his barn. They were popping up in rich profusion in the grass and it is perhaps the only case on record of a bouquet of the flowers being picked on December first.

Night Men Are Changed and New Cook Added to Force

Nicholas De Young of Grand Rapids this morning resigned his position as night man at Van's Cafe and will go back to the printing trade, having secured a position with the Zeeland Record. Fred Roseboom took his place at Van's commencing Monday night.

Mrs. Bert Bauman, for many years cook at the Lakeside Inn, Jenison Park, has accepted a position at Van's Cafe and commenced her duties Monday.

CLEVER CROOK IN TOWN

From reports from some of the businessmen in this city it seems that Holland has been one of the fortunate cities to be visited by one of the well-dressed, smooth-spoken men who are scouring the country, making their living by writing checks.

Warrant has been issued by Justice Sooy for W. R. James charging him with obtaining money under false pretenses, and the police have notified the authorities of their intent to be on the lookout for him.

A man giving his name as W. R. James, stopped at Hotel Holland the latter part of the week. He explained to Landlord Wentworth that he had run out of funds but would write him a check. He forthwith wrote a check for ten dollars on the Cleveland, Ohio National bank and Mr. Wentworth cashed it.

H. Van Tongeren also cashed a check for ten dollars for Mr. James who claimed he was an inspector of sugar manufacturing plants. To make his bluff good James drew a draft on his father, C. C. James First State Bank, Cleveland, for \$125.

But by telegraph it was learned that no one of the name given by the man had an account at the bank in Cleveland. It was thus learned that the draft was no good and an effort was made to locate James, but he had left the city. Besides leaving a few other debts behind him, he jumped his board bill at Hotel Holland.

ALFRED HUNTLEY MEETS WITH ACCIDENT WHILE AT WORK AT HOLLAND PRINTING COMPANY.

Alfred Huntley was badly burned yesterday about two o'clock when a pail of boiling water fell on his back while he was repairing a motor at the Holland Printing Co.

Mr. Huntley was taken to his home where he is confined to his bed but Dr. Cook, who attended him expressed the opinion that the burns would not be serious and that he would recover in a short time.

Mr. Huntley was working under a scaffold on which some men were working, kalsomning the wall. A pail of boiling hot water fell and struck Huntley on the back.

OTTAWA COUNTY MURDER

(Continued from Page 1)

will also be strenuous attempts to locate the baby, if it still lives, or its body in case it is dead.

Sheriff Dykhuis has put in the entire time yesterday in the vicinity where the girl was found. The location is not far from Conley's crossing. Tracks were still plainly visible today showing where the girl had been carried to the railroad track. These tracks are said to lead to an abandoned log cabin. This was searched but nothing was found to indicate that a criminal operation had been committed there. The sheriff is following up every clew. There was a story rife in the Conley neighborhood this morning that a covered rig was seen there Monday night and that two men could be seen with a woman between them. Every effort is being made to find the corpse of the immature child and the officers believe that it was buried.

Dr. White the Nunica physician, was called in the case at the beginning, believes it is reported that the girl was the victim of an operation.

The bandages on the girl's arms and limbs and about her waist, form one of the mysteries of the case. Her arms and legs were encased with what appear to be strips of a dress. They were bound so tight that the circulation was almost stopped and caused a paralysis which would have made it practically impossible for her to have removed herself from the track, had she been conscious and heard the train approaching. These bandages were applied by expert hands, the officers believe. The girl victim can tell nothing.

Near the place on the Grand Trunk track where the girl was found is a small clump of trees. This has been thoroughly ransacked but nothing has been found.

This afternoon Sheriff Dykhuis got into touch with Sheriff Collins of Muskegon and the two officials are following a lead which may or may not develop into importance. Hazel Paine often visited Fruitport. She had a cousin there, a Mrs. Harry Pierce. It was there that she was traduced. It was there that the poor girl took her first wrong step and it is there the officers believe they will get a clue which will send some one to the penitentiary. One Interurban employe volunteers the information that late Monday night he saw a woman carrying a large package and a suit case near the Pere Marquette tracks in Fruitport and he thought it strange at the time that a woman should be out so late at night in that particular place which is particularly lonely.

Hazel, in her present condition of mind, does not declare positively that it was Lippert who was in the buggy which she says she got into Monday afternoon.

Dr. De Kleine was taken to make an examination of the girl to determine if possible whether the poor girl's baby had been born naturally or through an operation. No trace had been found of the baby or its little dead body this morning and this adds mystery to the case. Dr. White of Nunica has been attending the girl since Monday night.

Employees of the interurban road visited Lippert at the jail this morning and expressed sympathy for him. Lippert himself declared that he could prove an alibi and his innocence would be established at last. All of the interurban men spoke highly of Lippert as a man and as an official.

Yesterday Mrs. Lippert arrived at the jail bright and early, and for a few moments the strain under which she had been all night got the best of her. She started to scold the officers for making the arrest, but Deputy Sheriff Fortney stopped her, with the statement that they were only doing their duty, and if she wanted courtesy from them, she should be a little more careful.

The poor woman, however, was beside herself with grief and anxiety and the officers recognized this fact. She was permitted to enter the cell where she remained with her husband for several hours. At home a little five months old son was waiting for her to return to him.

Lippert is a man 35 years of age, clean looking and a typical railroad man in appearance. He stated yesterday that the arrest came like a thunderbolt to him as he had no inkling of what was transpiring.

The company to be seen here Jan. 6, a "A BUTTERFLY ON THE WHEEL," the English play which ran all last season in New York and enjoyed a similar engagement in London was selected with special attention to their fitness for the characters.

CENTURY CLUB

The Century club met Monday evening at the home of Mr. and Mrs. A. Visscher, State street. The program consisted of Dutch music in charge of Miss Grace Browning and a paper by Arnold Mulder. There were carryalls to take the members to the Visscher home. These carryalls left at 7.30 from the home of Dr. A. Venema, 92 East Tenth street, and W. J. Garrod, 94 West Thirteenth St.

Mrs. E. P. Stephan left Saturday for Milwaukee to visit her brother who is seriously ill.

John Mulder, 186 East Eleventh street made a good guess when he said there was 448 seeds in a jar containing 441 seeds at the Raleigh Tea Co. But another guess told him and he had to draw cuts with his opponent before carrying home the 18 pound turkey. But he won.

DOES NOT OFFICIALLY PASS ON MAYOR'S VETO BUT RESCINDS APPOINTMENT.

Ways and Means Committee To Make Appointment and Refer to Council for Approval

The common council Saturday night, in special session to consider the mayor's veto and such other business as might come up, did not consider the veto after all. Although the veto entered into the discussion a great deal, it was not officially passed upon. No attempt was made to pass the appointment over the veto; on the other hand no vote was taken to sustain the mayor. The veto was merely left out of consideration and the aldermen, by a vote of seven to one, Ald. Van Drezer not voting, decided to rescind the action of the regular meeting. Ald. King was the only one to vote "no" on rescinding. By reason of this action of the council there is now no assistant to the treasurer.

The meeting Saturday night was a stormy one. It began as soon as the roll had been called by Ald. Harrington, chairman of the Ways and Means committee tendering his resignation for that position.

"I have tried to do the right thing," said Mr. Harrington in stating his reason for this action; "the request of the treasurer came so late Wednesday evening that I had no time to call the committee together. Hence I merely stated the request in open council. The necessary appropriation was made and it was understood that the appointment could wait, but that it was up to the Ways and Means committee to make it. Meanwhile I have been out of the city and at the regular meeting the appointment was taken from the hands of the committee and was made without recognizing the committee in the matter. There was no use in this, since there was ample time. My plan expressed in open meeting was the appointment of Mr. Overweg. Since the committee is not recognized anyway, I ask that I be relieved of the chairmanship."

Mayor Bosch immediately stated that he would refuse to consider the resignation. "Your work has been such," he said, "that I can under no circumstances accept your resignation."

Ald. Vander Hill moved that the action of the previous meeting be rescinded. Then Ald. King jumped into the fight and called for a point of order. There was a sharp contest between Mr. King and the mayor, King declaring that the meeting was called for a specific purpose and that the meeting should be conducted in an orderly way. He wanted the veto read and brought before the meeting officially, in which contention he won out. The clerk read the veto.

It was at this point that one of the most dramatic little incidents occurred that it has been the fortune of those attending council meetings to witness for a long time.

"What is the date of the vote?" asked Ald. Van Drezer.

"It was filed Nov. 20 at 11:30 in the forenoon," was the clerk's answer.

In explanation it should be said that the charter requires that a veto of this kind should be filed within 24 hours after the action is taken by the council. Mayor Bosch was in Detroit Wednesday and there was, according to Ald. Van Drezer and Ald. King, a rumor that he had not got back in time to issue the veto.

"I ask the mayor and the city clerk to be put under oath," continued Ald. Van Drezer, "to establish that these statements about the date of filing of the veto are true."

The mayor stated that he would be willing to swear to the statement, but that he considered the request an insult. There was a general squabble some of the aldermen declaring that the veto had nothing to do with the whole matter, that it was a question of rescinding the council's action and that for the present pur-

pose it would make no difference whether the veto was filed on time or not, whether it was legal or not. Ald. Hansen asked the city attorney as a matter of information if it was legal. Mr. Van Duren said it was illegal for two reasons: He said the charter provides that the reasons must be stated in writing, and the subject matter was such that the mayor cannot veto it, since he can veto only an ordinance or resolution involving directly the expenditure of money.

Ald. King came back to Ald. Van Drezer's request for a statement under oath from the mayor and the city clerk. He said there were rumors that the mayor had been in Detroit on Thursday and hence could not have issued the veto. He requested it as a favor that the sworn statement be made.

"I came back Wednesday evening at 11 o'clock," answered the mayor, "and filed the veto on the next day."

The request for a sworn statement to this effect however was repeated. But Ald. Drinkwater disposed of it by saying:

"On Thursday morning about 10 o'clock, the mayor stepped into the Buss Machine Works where I am employed and he said then that he would veto the action of the night before." No further evidence seemed necessary that the statements of the mayor and the city clerk were true and the demand for a sworn statement were not repeated.

Ald. Congleton said that he had voted as he did under a misunderstanding. He said Ald. King in open meeting had given the impression that the appointment must be made before December 1, and because of the absence of the two members of the Ways and Means committee, no report from them could be looked for other than was made informally by Ald. Van Drezer. Hence he moved that the action of the previous meeting be rescinded.

"I reported as a member of the Ways and Means committee," said Ald. Van Drezer, "as I had a perfect right to do in the absence of the other members. I stated the situation and asked the council what they wished to do. The council thereupon appointed me unsolicited. I did not care for the job. I never was a candidate for it. Had I known Overweg wanted it, I would under no circumstances have taken it. I never asked a soul for it. Anyway, what right had Ald. Harrington to promise it to Overweg?"

"It was not promised," answered Harrington, "I merely stated in open council, 'That belongs to Overweg,' leaving the whole matter of appointment in abeyance till there was a chance for the Ways and Means committee to hold a meeting."

Ald. King, who made the motion

to appoint Ald. Van Drezer, entered the debate at this point. "I suggested Van Drezer at the meeting when the appropriation was made, and Harrington said he wouldn't consider it for a minute. I have nothing to be ashamed of. In the absence of two members of the Ways and Means committee, supposing as I did that the office had to be filled before December 1, I suggested Van Drezer. I knew that Overweg could not legally hold the office since the state law positively forbids his holding it. We can reconsider the action of last week but we can't legally appoint Overweg, because the two offices are incompatible. The treasurer and the clerk are to be checks on one another."

There was a good deal of discussion along this line, most of the aldermen taking part. On being called upon for an opinion City Attorney Van Duren said that under the law the clerk cannot hold the office of deputy treasurer, since the books of one must be a check on the books of the other. When asked how about other years, he said that had been a private arrangement. The treasurer, he said, could again appoint Mr. Overweg as a helper but then he would have to pay him himself. Overweg, he said, could not be deputy treasurer, appointed and paid by the city.

The retort was made that it was not a case of deputy treasurer but that it was merely a matter of appointing a helper.

After the vote the discussion was dropped and the council turned to other business. Later in the evening Ald. Van Drezer tendered his resignation as member of the Ways and Means committee but Mayor Bosch refused to accept it.

He is a charming speaker with a clear, resonant voice, splendid appearance eloquent language and strong reasoning qualities.

No admission will be charged, but a silver collection will be to help defray the expenses of the evening.

Dr. Willett is a man of big caliber. About six or seven years ago he appeared on the Hope College Lecture course, giving a splendid lecture. His lecture tomorrow night will be just as good as that, but it will be free.

"A BUTTERFLY ON THE WHEEL"

An exceptional attraction in the great English Divorce play "A BUTTERFLY ON THE WHEEL" is announced for an engagement at the Knickerbocker Jan. 6. Much interest has been aroused by the enormous success this play has met with on both sides of the Atlantic in London and New York and wherever else produced by its frank treatment of our modern high life and its climax in the divorce trial scene which reaches the height of theatrical realism by its direct method of treatment. It is a triumph of stage craft and holds the attention steadily from the beginning until the end.

HAD A VERY PRETTY WEDDING WEDNESDAY AT HOME OF THE BRIDE

A very pretty wedding took place Wednesday afternoon when Miss Anna Tulp was married to Edward Smith of Allegan at the home of the bride, 382 Maple Avenue. The Rev. Mr. Bouma performed the ceremony. The couple marched into the room to the strains of a wedding march played by Miss Helen Tulp, sister of the bride and were married under a bank of evergreens and chrysanthemums. They were attended by Mr. Smith of Grand Rapids and Miss Minnie Tulp. Shortly after the ceremony the bride and groom left for Allegan where they will make their home.

The out of town guests were: Mr. and Mrs. Osterhaus and family of Kalamazoo; Mr. Smith of Grand Rapids; Mr. and Mrs. Biehl of Hamilton and Mr. Smith of Allegan.

JAKEL-HADDEN

Miss Cora Jakel and Thaddeus Hadden, both of this city, were married Wednesday in Grand Haven. The ceremony was performed by the Rev. James A. Verberg, formerly of this city, at the parsonage. The couple left for Detroit where they will spend their honeymoon. They were accompanied by the bride's brother, William Jakel. Both the bride and groom were employed at the Holland Shoe factory for a number of years. Miss Jakel is stenographer and Mr. Hadden in one of the departments of the plant. They will make their home in this city.

WHAT YOU SAW IN THIS PAPER THIRTY FIVE YEARS AGO

The present King of Holland was not to be found upon the death of his father, William II. Despatches were sent to all the Dutch Consuls throughout the world to make inquiries concerning him, when suddenly it was recollected that the Prince had become enamored of an actress in an English traveling company. This was in 1849 and he was then 32 years of age. The troupe was found in a small city of Scotland, and Prince for a month had been acting as prompter.

Deer hunting used to be common but is fast becoming a curiosity, and rabbit hunting is on the increase. On Saturday afternoon of last week Mr. Chas. Odell was successful in shooting and capturing by the aid of a good dog, ten rabbits and one white hare. This kind of hunting and game reminds our Dutch sports of the best kind of hunting in the Netherlands—fine hounds and shot guns.

Mr. R. Brouwer's residence in the city of Grand Haven, was robbed of nine or ten dollars taken out of a child's savings bank while the family were attending funeral services at the Lutheran Church, on Wednesday last.

The Detroit, Grand Haven and Milwaukee railroad which connects with Milwaukee by boat from Grand Haven, has demanded of the trunk lines concession of differential rates because of its water route to the seaboard.

Snow, snow, beautiful snow! Yesterday morning, Mother Earth appeared in a beautiful new white winter garb-snow. The weather, however, is too mild to admit of the hope of sleighing.

Dr. G. W. Packard, has been so successful with his patients in this vicinity, and has received such an increase of business that he has given up the Grand Rapids part of his practice and has concluded to devote his entire attention to this community and can be found at the drug store of Schouten and Westveer.

The "Chicago Lumberman" says that Sisson and Lillie of Spring Lake Michigan, are just on the tail of a long season, and would close down the 1st of December, when they have cut 15,000,000 feet of logs with one circular and a gang. From Spring Lake, we hear "We will have more logs this season than we know what to do with. Everybody is logging."

Civil Service Reform a Failure
A prominent business man of the

township received a letter from Allegan, only twenty-three miles distance from this city, bearing the Holland postmark of Nov. 27, the date of its arrival at this office. It was mailed at the postoffice at Allegan Nov. 22nd, therefore taking five days to reach its destination. The delay caused considerable inconvenience, as the letter contained important legal documents. People from Saugatuck made two trips to this city last week to transact business with the above mentioned gentleman but were obliged to return without doing so, because of the non-arrival of the papers. It seems to us that Civil Service Reform is proving a dismal failure in this section of the State.

Both fishermen were called to the stand and Serier and Mouw also told their stories from the witness stand.

The jury was as follows: Mr. Toren, Mr. Dykema, Fred Roseboom, Mr. Bouma and John Buchanan.

NOTICE

Many tokens of interest and of sympathy have been given us during the trial that has been ours and especially in the last few days when bereavement's burden has been upon us. For all of these—whether by word or letter, or floral remembrance or attendance at the services—we wish to express our deep appreciation and gratitude. The thought, the fact, that others share our loss, in the breaking of the earthly tie of friendship and love—this helps us bear our burden with greater comfort May God's grace continue to sustain us all!

AVALANCHE OF COMPLAINTS SHOWED UPON HEALTH OFFICER.

Dealers Must See To It That Producers Give Them Milk That Is Pure and Clean

A regular avalanche of complaints has been showered upon Health Officer Godfrey by citizens who have been bothered the past two weeks by having their milk sour. In many cases the milk has soured only a few hours after it has been delivered at the homes. The health officer has been warning the milk dealers and in most cases they have offered the excuse that the warm weather is to blame. The health officer however, declares that the warm weather is no valid excuse.

"The easy souring of milk is entirely due to filth in the milk," he said. "When milk is properly handled and when it is pure and clean it will not sour easily even if the weather is unnaturally warm as it is now. There is not nearly as much excuse for it now as there was during the hot months last summer. At that time, however, the milk producers and dealers took greater precautions, and there is no reason why they should not do it now. Milk should always be kept pure and clean, even if the temperature is at freezing point.

"The fault lies principally with the milk producers, I believe. But we have no jurisdiction over them. It is the milk dealers who are under the jurisdiction of the city and it is up to them to insist that the producers shall deliver pure and clean milk to them. If they do not see to that there is going to be trouble and they are going to be held responsible.

"When milk is pure and clean and properly handled it will keep sweet three or four days. And if a housewife find the milk souring a few hours after it is delivered she can be sure that it is dirty or improperly handled. And usually the dirtier it is the sooner it will sour."

MRS. P. ZALSMAN OF THIS CITY CELEBRATED HER 83RD BIRTHDAY

Mrs. P. Zalsman, one of the oldest settlers in Holland celebrated her 83rd birthday Tuesday at the home of her daughter, Mrs. M. Notter, W. Twelfth street where she makes her home. Tuesday night her children eight in number gathered there in honor of the occasion. Her only living sister, Mrs. James Vandersluis of Grand Rapids was also here, with her daughter. The following children with possibly an exception were present Tuesday evening: Mrs. M. Notter, Mrs. F. P. Troxel, Mrs. B. Herrick and Fred Zalsman of this city; Mrs. J. Meplanes of De-catur, Ind., John Zalsman of Grand Haven; Philip Zalsman of Petosky.

Mrs. Zalsman came to this country with her parents in 1847, the same year that Van Raalte settled here. Her husband took a prominent part in the building up of the city of Holland. He built the Plugger mill which was the first mill built in this city. He was also one of the builders of the 9th Street Christian Reformed church.

OTTAWA COUNTY WEATHER MAN COMPARES IT WITH OTHER YEARS.

According to Observer Eshleman of the Grand Haven weather bureau, the recent month of November was one of the warmest Novembers, in the forty years history of the Grand Haven station. The average temperature for the month was 43 degrees. This has been exceeded but once. In November 1902 the average temperature for the month was 45 degrees and that record stands in the forty years history of the station. The record of November 1913 was equalled in November 1909 when the average temperature for the month was also 43 degrees. The precipitation for November Mr. Eshleman reports was about normal.

GIFTS FOR THE POOR CAN BE LEFT THERE FROM NOW ON

The council has set aside a room in the city hall where clothes and other contributions to be distributed at Christmas time among the poor of the city can be left. The local charity organization that was formed during the summer and of which Mrs. C. V. R. Gilmore is president, petitioned the council for such a room and they set aside for this purpose the room on the first floor usually used as the voting place of the third ward. Here all contributions can be left throughout the month. Formerly it has been the custom to begin collecting of contributions a few days before Christmas but this year the whole month of December will be given to it. The old saying may therefore be changed a little and read, "Do your Christmas contributing early."

HOLLAND BOY

WILL FINISH HIS COURSE AT THAT INSTITUTION.

John Vruwink, the former Hope student about whom an uproar has been stirred up at the University of Chicago, has entered the Northwestern University and he will finish his course in that institution. Mr. Vruwink was expelled from the University of Chicago because of alleged mis-statements in regard to his athletic record while a student at Hope College. Usually an action of this kind on the part of any one university makes it impossible for a student to enter another university. But in Vruwink's case the whole controversy is known to be a matter of a mere technicality, and it is said that Dr. Harry Pratt Judson, president of the University of Chicago, wrote a personal letter to the president of the Northwestern University saying that it would be a personal favor to him if Vruwink was admitted.

KLAAS DE MAAT SUCCUMS AP- TER LINGERING ILLNESS

Sunday morning Klaas De Maat died at his home, 258 West 20th street, after a lingering illness. Mr. De Maat had reached the age of 51 years. He is survived by a wife and five children, Gertrude of Chicago, John, Albert and Katie at home and Grace of Valparaiso, Ind.

The funeral took place Wednesday afternoon at two o'clock from the home and at 2:30 from the 4th Reformed church. The Rev. Mr. Bouwman and the Rev. J. W. Esveld officiated.

Mr. De Maat was one of Holland's veteran printers. He worked at this trade ever since he was a boy. For about 30 years he was employed in the composing rooms of De Grandwet and he has also worked in most of the other printing shops in the city.

AT THE KNICKERBOCKER—

One of the season's most notable offerings at the Knickerbocker this evening, Dec. 4, is Thomas Dixon's "The Sins of the Fathers." The thousands of readers throughout the United States admitting the great possibilities of the story from a dramatic point of view will be glad of the opportunity of seeing it on the stage. It is tremendous in its dramatic possibilities and the comedy running throughout is ludicrous quaint and pure. There are no more interesting writers of fiction than Thomas Dixon and in presenting his masterpiece there is surely a treat in store for those who desire to see it in dramatic form.

J. B. HADDON EXPECTS TO RE- MAIN RESIDENT OF ALLEGAN.

There will be another opening in the local political field when the election of state and county officials comes up again. A state senator from this district will have to be found since J. B. Haddon, who was elected last fall, will not again be a candidate. Haddon is now a resident of Allegan. He was in the city over Sunday and he said he liked his new home so much that he would stay. Mr. Haddon attended the council meeting Saturday night, and he declared that the Michigan senate had nothing on the Holland council in the line of interesting fireworks.

TUBERCULOSIS DAY

The fourth annual national tuberculosis day will be observed Dec. 7. The purpose of the day is to spread information regarding the proper way of fighting the disease which has come to be regarded as the greatest scourge of modern times.

It is true that tuberculosis is not feared so terribly as it was a few years ago. Modern scientific discoveries and laboratory researches have shown that the scourge is preventable; indeed, that there is little excuse for man's contracting the disease.

Fresh air and sunlight are at once the preventive and the cure for tuberculosis. There is no medical specific yet discovered which will overcome it, but good sanitation and life in the open air will win over it in practically every case, if the patient's body is strong enough to aid the fight—that is, if the disease has not been permitted to go too far unchecked.

The greatest remaining aid to the scourge is ignorance. So long as people do not realize the necessity of ventilation, outdoor exercise, cleanliness and plenty of sunlight, just so long will tuberculosis flourish. When mankind learns the things necessary to defeat it the disease will vanish.

That is why tuberculosis day, as a national institution, is valuable. It is doing the best possible service in the campaign against tuberculosis by overcoming ignorance.

The one good veto the mayor had, couldn't veto, but was rescinded.

A Philadelphia pastor says he can find nothing in the Bible against smoking. Neither is chewing gum nor green onions mentioned, as we remember.

On the question of assistant city treasurer, Alderman King stood alone. Unusual for Mr. Vernon; he generally stands by the people, for the people, and among the people, or something like that.

MRS. C. NYLAND, FORMERLY OF HOLLAND, DEAD AT AGE OF FIFTY-ONE

Mrs. C. Nyland, formerly Miss Mary Van Putten of this city, died Saturday afternoon at 5 o'clock in Hamilton, Ohio, at the age of 51 years. Mrs. Nyland is a daughter of Jacob Van Putten, deceased, an old pioneer of Holland and a prominent banker. Mrs. Nyland was married in this city and about thirty years ago she moved to Grand Haven with her husband. They lived in that city until about three years ago when they moved to Hamilton.

She is survived by a husband and four children as follows: Mrs. Geo. Vanden Berg of Grand Haven, Mrs. Nelson Van Tol of San Francisco, Arthur Nyland of Philadelphia and Dorothy, aged 11 years, at home.

She is also survived by five brothers and sister all of this city, as follows: Mrs. C. Ver Schure, Jacob Van Putten, Adrian Van Putten, Leonard Van Putten, and Marinus Van Putten.

The remains will be taken to Grand Haven for burial and arrived there Monday evening. The funeral was held yesterday afternoon from the old home in that city. Negotiations were made to have the old pastor, the Rev. Jacob Vander Meulen of Kalamazoo officiated.

ABOUT 125 ATTEND MEETING OF BICYCLE RIDERS TUESDAY EVENING

Committee Will Draw Up Ordinance With Square Deal for Riders and Pedestrians.

Over 125 people attended the bicycle riders' meetings in the City hall Tuesday night, and various expressions on the present ordinance were heard. There was no excited comment on the present ordinance, and no one seemed to hold a grievance for an arrest, but all showed a great desire to have the ordinance changed so the bicycle riders can keep within the law and not be afraid of running into a policeman every minute.

Expressions were heard from Mayor Bosch, Alderman King, City Engineer Naberhuis, Health Officer Godfrey, Bert Slagh and about 15 others whose names were not learned. All the speakers seemed to want the present ordinances changed so that it would give the bicycle rider a fair show.

A committee was chosen by acclamation to draw up an ordinance covering both the lights and sidewalk ordinances, which document will be submitted to another meeting of bicycle riders, subject to the call of the committee, for approval or disapproval and will then be presented to the council. Alderman King has volunteered to introduce the bill and there is every reason to believe that the ordinance will meet with the approval of the council. The committee is as follows: Dick Miles, Lane Kamerling, H. Oosting, H. Naberhuis and J. Prakken. J. Prakken was also secretary of the meeting Tuesday evening.

EDMUND VANCE COOKE TO SPEAK HERE NEXT TUESDAY.

It is the man that has accomplished something that the public has a right to expect something from. Edmund Vance Cooke has a right to claim that he has accomplished something. Cooke has already filled seventeen lyceum seasons. He is known as the platform poet and as such occupies a unique and interesting field, one in which there can be little competition and in it he has made for himself a well deserved place. James Whitcomb Riley has announced that he will not read in public again. F. Hopkinson Smith goes for only a few dates each year, and the number of those that give successful author readings is very small.

Along with his success on the platform, Mr. Cooke has won even greater consideration as a writer. Cooke set about writing of his own time, for the people of his own time and he accomplished his purpose with great credit. His seven books of published poems are "A Patch of Pansies," (1894); "Rimes to Be Read," (1897); "Impertinent Poems," (1903-1907); "Chronicles of the Little Tot," (1905); "Told to the Little Tot," (1905); "A Morning's Mail," (1907); "Little Songs for Two," (1909).

Mr. Cooke will appear in Carnegie hall next Tuesday at 8:15 p. m. Note change of time. Tickets for this number are on sale at Hardie's.

MRS. J. B. STEKETEE PASSES AWAY AFTER LINGERING ILLNESS

Relatives in Holland Friday morning received a telegram announcing the death of Mrs. W. Steketee, wife of the Rev. J. B. Steketee, formerly of this city. Mrs. Steketee died Friday at Kankakee, Illinois, after an illness that has lasted many months. Mrs. Steketee was formerly Miss Wilhelmina Schoon of this city and she has many friends here.

The deceased was 35 years old and she is survived by her husband and one child, Lewis, who is making his home at present with Mr. and Mrs. B. Steketee, the grandparents.

The funeral was held Monday afternoon from the home of L. Schoon 54 West Seventh Street, and at 2:00 from the First Reformed Church. The Rev. H. J. Veldman and the Rev. W. Van Kersen officiated. Dr. E. J. Blekkink conducted the services at the home, and Rev. J. Van Peursem spoke at the grave.

A very large number of friends and relatives of Mrs. Steketee gathered at the home and in the church.

The pall bearers were the brother-in-laws of the deceased, H. G. Pelgrim, Wm. Arendshorst, John Arendshorst, Edward Steketee, Herman Steketee and John Luidens. A duet "Does Jesus Care?" was sung by Miss Anna Luidens and Miss Hattie Laman, accompanied by Miss Jennie Karsten. Prof. J. B. Nykerk sang, "It is Well With My Soul."

The following were here from out of town to attend the funeral Mrs. H. Smith, Sr., Miss Anna Smith, Mr. C. Smith and Mrs. H. J. Smith, all of Chicago; Miss Elizabeth Van Zee, of Grand Rapids, and Mr. L. W. Schoon of Ann Arbor; Mr. and Mrs. A. A. Worthington and Mrs. Dessa Voris of Ravenna, Ill.; Mrs. F. J. Betts, Hastings, Mich.; Mrs. E. N. Freyling, Mr. C. Dosker, of Grand Rapids; Messrs Ed and Karl De Pint, and Mrs. Wm. Bush, of Jenison; Miss Mary Steketee and Mrs. A. Van Zanten of Muskegon.

Death of Hendrik Koning

Hendrik Koning, aged 78 years, died yesterday at the home of his daughter. He has been living in Holland for about a year. He is survived by two daughters, Mrs. J. Van den Brink and Mrs. Woodward.

The funeral will be held Saturday at 1:00 from the home.

Long Tastes and Palates.

Fifteenth century Englishmen seldom used either milk or butter. They used great quantities of spices, however, in their food, and, apparently, did not care for the more delicate flavors that suit modern palates. It is pointed out by a writer that storage eggs and "renovated" butter would have had a ready market with them.
