## School Is To Stage Pageant For Christmas

RELIGIOUS SPECTACLE WILL  
PICTURE THE NATIVITY IN  
A MOST IMPRESSIVE  
WAY

Pupils of the Junior high school, where Miss Minnie K. Smith is principal, will portray the Nativity through a very impressive pageant to be given next week Wed., Dec. 15, at the high school auditorium. The music on that occasion will blend in with "The Old, Old Story," when Christ, the Saviour, was born.

The story in its entirety, as this relates to the "Star of Bethlehem," the Shepherds, the Wisemen, the Mother and the Christ Child and the Manger, will be given by the pupils of Junior high in a word picture and through pantomime. The stage settings will be realistic, the chimes, the carols, and the different sacred incidents connected with the Nativity will be beautifully pictured in tableau. One scene, for instance, according to the script, is as follows:

The curtain opens slowly as music softly plays; and on the stage will be seen the impersonation of Mary, seated with the Babe in her arms; Joseph standing slightly back and to one side, leaning forward eagerly to look at the Babe; the Shepherds kneeling at right and the Wisemen at left. An appropriate song ends the scene and as the spotlight slowly fades on the group, the curtain is softly drawn on a most impressive scene.

This describes but one of seven scenes to be shown during the pageant. There is also a prologue in four parts. The first part will be the singing of "Tell Me the Old, Old Story"; part two will depict the world in darkness. The singing of "Faith of Our Fathers" will be the curtain slowly part will be the singing of "The Star of Bethlehem." The prophet in this scene recites the prophecy set forth in Isaiah. Then follows an interlude of chimes and the singing of "Silent Night" by the audience. Then follow the seven scenes of the Nativity.

Judging from the script, this religious spectacle of this most beautiful Bible story will be one of the highlights in Holland's Christmas activities, and undoubtedly the high school auditorium next Wednesday night will be filled to capacity to greet the participants in this pageant and to encourage their efforts.

The instructors of the Junior high school who are aiding in perfecting this production are the following: Eugene Heeter, Miss Clara McClellan, Miss Tricie Moore, Miss Jean Bosman, Mrs. Nina Daugherty, Miss Lavina Cappon, Miss Elizabeth Arentshorst, Miss Adele Dykhuizen, Miss Minnie K. Smith, Miss Beatrice Denton, Miss Emily Shoup, Miss Ruth Geerlings, Miss Anna Dehn, Miss Beatrice Visser, Miss Doris Brower, Miss Mame Ewald, Miss Joan Vander Werf, Miss Bernice Bishop, Mr. Edward Donivan, Mr. Richard Martin, Mr. Francis Drake, Mr. James Bennett, Miss Henrietta Althuis, Mr. D. C. Ruch, Mrs. Irene Ver Hulst, Mrs. Louise Krum, Mr. Carl Van Lente, Miss Nellie La Dick, Miss Minnie Nelson, and Miss Mabel Appel.

The pupils who are to participate in the pageant are as follows: Christmas Carolers—Nils Hansen, Amy Haight, Myra Kleis, Patricia Haskins; Prologue—Mother—Margaret Bjork, Child—Annis Gillett; Pharisaees, Publican, Beggar, Thief, Taskmaster, Poor Woman and child, Leper—Merle Vanden Berg, Robert Rodvoets, Donald Williams, Robert John, Marvin Veldhof, Karl Klompans, Wayne Van Dis, John Harthorn, Clair Munger, Frances Hildebrand, Christine Meeboer, and Norma Appeldorn; Prophet—Roy Shaeffer; First Narrator—Junior; Pharaoh—Angel—Betty Ten Have; Wise Men—Roger Schepers, Donald Wynen, Donald Ver Hey; Second Narrator—Howard Boman; Shepherds—Allen Elenbaas, Douglas Eaten, Kenneth Koofker, Charles Lokker, Raymond Helder; Angel Chorus—Joan Taylor, Constance Telgenhof, Dorothy Muller, Jean Harthorn, Kathleen Vermulder, Virginia McWilliams May Luplow, Anna E. Dryer; Joseph—Stanley Van Otterloo; Mary—Selma Barnveld.

Pianist—Miss Jean Bosman.

## FALLS ON STEPS AND BREAKS LEG

Mrs. Elora Lamoreaux of Fennville fell on her back steps Friday evening and broke both bones in her right leg below the knee. She was carried into the house by her daughter Hattie, assisted by neighbors, and then taken by ambulance to Douglas hospital where the fractures were reduced. She was able to be brought home by ambulance later, where she will be cared for by her daughter.

## M-21 FREE FROM BARRIERS.

Although not perfect, the State Highway Commission has done a fine temporary job on M-21 between Holland and Grand Rapids. East of Zeeland through the Vriesland marsh, a long stretch of several miles has been covered with black-top, taking out the dips and broken places and making a real, fine roadbed compared to what it has been. The improvement is so obvious by the comparison that it is a real pleasure to motor there now.

Both west and east of Hudsonville the highway was given similar treatment and all rough places taken out. There, too, there is a marked improvement and covers a still longer stretch. The highway between Holland and Grand Rapids today is in the best condition it has been in years. All detours have been eliminated and the road is now passable for the winter. Whether this fixing up will "stay put" permanently is to be seen. At least for a time this much-traveled highway has been made more comfortable to motorists. There is no doubt but that something will have to be done soon; and should we be fortunate enough to get a new highway, it should be made considerably wider, with at least three lanes of travel.

## FAITHFUL FIREMAN FOR 40 YEARS, PASSES

The funeral services for Bert Vande Water, aged 63, who died following an emergency operation at Holland Hospital, Monday, were held today, Thursday, at 1:30 p. m. from the home, 245 East 13th St., and at 2:00 o'clock from Trinity Reformed Church. The Rev. Henry Terkerust, the pastor, assisted by Rev. John Vanderbeek of Sixth Reformed Church, officiated.

Mr. Vande Water was born in The Netherlands on September 4, 1874, and came to this city 58 years ago. He was a member of the Trinity Relief Society and also of the Metropolitan Club, an organization to which men in the service of the police and fire department and Federal men largely belong. For many years he was cabinet-maker at the Bay View Furniture Co., and was a skilled artisan in furniture making. He was a member of the local fire department, and for nearly 40 years was identified with Columbia No. 2 department in the first ward. He served as Captain in that department for the last quarter of a century, and until the time of his death.

Mr. Vande Water knew thoroughly the history of the department and was a member when hose carts were still drawn by drays, two-wheeled affairs, that were none too efficient. He also saw the installation of horse-drawn equipment, which was a new epoch in our fire-fighting efficiency, and the galloping horses were rather a glamorous part in fire-fighting. Mr. Vande Water also saw the motorizing of our entire equipment and he had share, with many others, to help bring this high type of equipment into our departments.

Mr. Vande Water was very popular with his associates and six firemen, who worked with him, were bearers. They were Marine Brandt, John Batema, Jack Knoll, Andrew Klompans, Lane Kammerling and Martin VanderBie. The Fire Chief, Mr. Blom, and other city officials were present at the services. The firemen attended the rites in a body.

Interment took place in Pilgrim Home Cemetery and he was laid to rest along side of his son, Arthur, who died September 3, 1928, after he had died of a tubercular attack. The floral tributes from relatives and friends were many and beautiful, indicative of the esteem in which Mr. Vande Water was held.

Surviving the widow, five daughters, Mrs. Louis Dalman, Mrs. Arthur DeHaan, Mrs. Clifton P. Dalman, Mrs. Theodore Hoekema, all of Holland, and Mrs. James Ottoboy of Winnipeg, Neb.; four sons; Martinus, John, Vernon and Melvin, all of Holland; eleven grandchildren; his father, William H. Vande Water of Holland; five brothers, John of Grand Rapids, Martin, Henry, Coroner Gilbert of Holland, and William of Zeeland; six sisters, Mrs. John Smallegan, Mrs. Simon Scheerhorn, Mrs. John Sagers, Mrs. John DeRidder, Mrs. Herman Helmink of Central Park, and Judge Cora Vande Water of Grand Haven.

## HITCHCOCK TO APPEAR ON MURDER CHARGE FRIDAY

Examination of William Hitchcock, 65 years old, of Hastings, held on charges of murder and attempted murder by use of poison in connection with the death of Mrs. Hitchcock in Holland in February, 1936, has been set for Friday, Friday, Dec. 10, by Justice Raymond L. Smith of Holland. Hitchcock was arrested at Luther early last month following exhaustion of Mrs. Hitchcock's body at Hastings.

Hitchcock is held at the Ottawa county jail here without bond. He is allowed a companionhip of his trickster, "Frenchy," and says little except to protest his innocence. Hastings friends circulated a petition immediately after Hitchcock's arrest, setting forth their belief in Hitchcock's love for his wife and in his innocence.

Among the witnesses subpoenaed by Prosecuting Attorney, John R. Dethmers are the following: Dr. Gabriel Bos, Mrs. Frances Hildebrand; Simon Hildebrand, her son; Lawrence Wade; M. M. Wood, state toxicologist; Phillip L. Hutson of the Michigan State Police; and Coroner Gilbert Vande Water of Holland.

## Big Road Meet On January 6 To Be Held Here

VAN WAGONER TO MEET DEL-  
EGATIONS FROM ALL COM-  
MUNITIES FROM HOLLAND  
TO GRAND RAPIDS

There are great plans in the offering for a meeting at Warm Friend Tavern when representatives from Holland, Zeeland, and all communities to and including Grand Rapids have been invited to this city through the good offices of the Holland Chamber of Commerce. Invitations were sent out by director William M. Connelly. At that time the urgent rebuilding of M21 will be discussed and Murray D. Van Wagoner, State Highway Commissioner, will be present to go into the matter with the representatives of these different communities. This meeting is as a direct result of the mass meeting held in Zeeland at the City Hall there on November 21.

Alex T. McFadden of the Grand Rapids Association of Commerce and Wm. M. Connelly of Holland urged Mr. Van Wagoner to come to Holland at a date set by Mr. Van Wagoner. A reply was received, which reads as follows: "I have set aside Thursday, January 6, for the meeting outlined, and I am sure we will have a good meeting of representatives from the cities interested in the improvement of M21."

Organizations and communities interested in a new road, and who will be represented at the meeting, are the Grand Rapids Association of Commerce, Holland Chamber of Commerce, Zeeland, Hudsonville, Grandville, Jenison, Wyoming Park, Roosevelt Park and many individuals.

Although the agitation for the rebuilding of M21 between Zeeland and Jenison has been a topic for much public discussion and in the newspapers, the break-down of the highway and difficulty in traffic has been the cause for Editor J. John Pope of the Grandville Star to bring the present agitation to a more or less successful point.

It is not known with certainty what the outcome will be, but there will be no question of its urgent need being impressed upon the commissioner.

## Former Banks have Paid 50%; Now to Pay 10% More on Balance of Unpaid Deposits

Approximately \$150,000 will be paid by the two former Holland banks. On Dec. 15 it was declared Monday, a 10 per cent liquidation on certificates of indebtedness now in possession of holders. Henry A. Geerds, secretary of the Holland City Depositors Corp., the liquidating agent for the former Holland City State Bank, and Cornelius Vander Meulen, trustee for liquidation of the First State Bank, made the announcement.

Since the payments will be made ten days before Christmas, it is believed that an added impetus will be created for Christmas shopping. No transfers of First State Bank certificates will be made until Dec. 27, and no transfers for Holland City State certificates will be made until after Dec. 31. At 10:00 a.m. on Dec. 15, payment of dividends will commence in the lobby of the former Holland City State bank building at River ave. and Eight st., under the clock. "Payment cannot be made unless certificate is presented," Mr. Geerds stated.

Transfers arising from the sale of certificates by depositors to other persons will be halted until the dates specified above, it was disclosed. Besides Mr. Vander Meulen, Edward Garvelink and R. A. Hoek are trustees of the First State Bank.

This payment is very gratifying, especially at this season of the year. It will be remembered that already one half of original deposits have been paid and this added 10 per cent more is a payment on the last half of 50 per cent still imposed.

## FENNVILLE HAS 190 UNEMPLOYED, BUT—

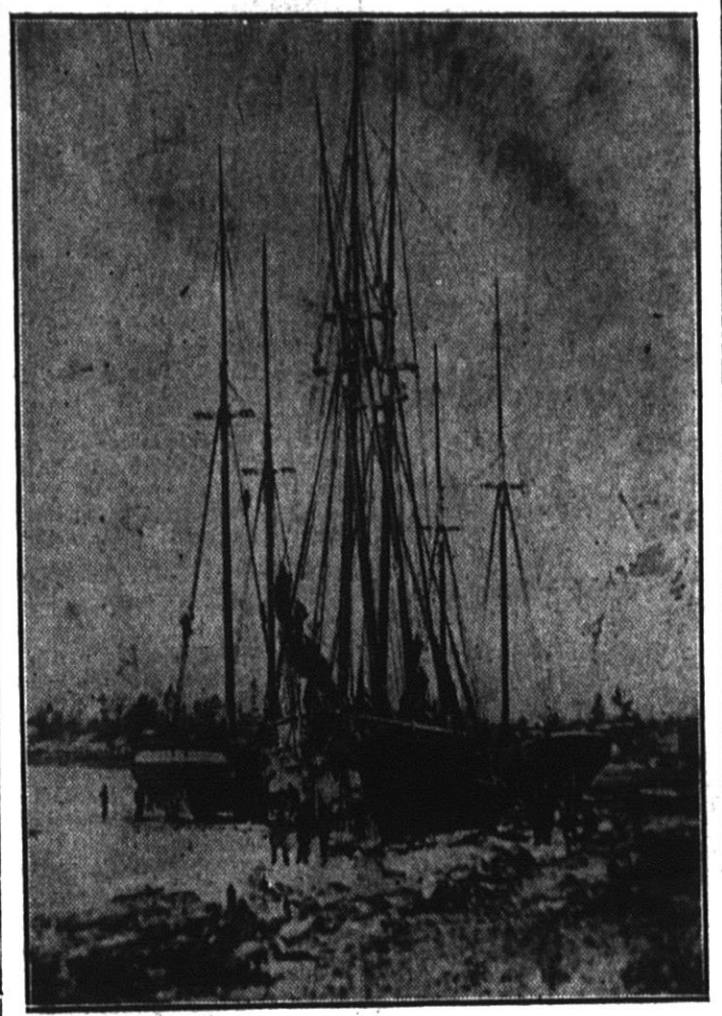

A total of 190 unemployment census cards were returned to the Fennville post office from the city and routes. A large number were from young folks, many living on farms while still others were sent by persons who have no regular occupation, so the number actually unemployed in Fennville and vicinity would seem to be very small. There always have been a large number not working full time on farms this time of the year and that condition will never change.

## BREAKS BOTTLE ON PAVE- MENT; MAN GETS DOUBLE FINE

A. Steder, Muskegon, was sentenced on charges of drunk driving and breaking glass on the highway, before Justice Fred Workman in Spring Lake, Ottawa County. He was arrested by state police and pleaded guilty. As the man was stopped Sunday half a mile south of Grand Haven, he threw a bottle on the pavement. The drunk driving fine was \$85, costs of \$4.25 and five days in jail. He is now in Grand Haven jail. The fine on the glass breaking charge was \$5 and costs \$3.25.

B. F. Hensley, manager of the Holland S. S. Kresge Co., has announced that the company again will distribute a bonus to its employees. The amount will be based on the length of time each of the 35 employees has been affiliated with the company. There are 741 Kresge Co. stores in the nation and bonuses will be paid in all.

## When Wind-Jammers Piled Up In Black Lake In Storm

The state press tonight says that this is the biggest storm at this time of the year and covering more area than in the last ten years. Holland was struck by a blizzard and nearly a dozen plows were kept busy on US31 and on M40 between Holland and Allegan and Holland and Saugatuck and South Haven. Blockades were everywhere and several hundred trucks and cars in this vicinity were snow-bound until relieved.

For a time there was only one-way travel between Allegan and Holland and between Holland and Fennville, but it is understood that the plows have made travel fairly sure today. Blockades were reported near Saugatuck and other points south. In Holland, City Engineer Zuidema, and his staff kept the city streets in fine condition considering the marathon in the way of snow that the storm kept bringing. It is understood that the storm will be somewhat abated tonight and tomorrow.

The sudden storm brings to mind some early history when at this time in 1871 a blizzard blew up from the west turning northwest and piling up five large "wind-jammers"—sailing schooners. These were anchored off what is now the Harrington dock, formerly the Graham & Morton dock. Black Lake is wide at that point and that is why the turning basin has been located there. For that reason, too, in the early days schooners laid up after navigation closed, were anchored in midlake off from that point, which by the way was between two shipyards—Anderson

## News Items Taken From the Files of Holland City News Fifty, Twenty-five and Fifteen Years Ago Today

### Fifty Years Ago Today

Now since Market St. is to be graded and graded a petition was also granted by the council to build a wooden sidewalk on the west side of Market St. This will place a walk along Public Square. Another petition was brought in that another sidewalk be built on the east side of the Square, now Centennial Park, in order that there may be walks on three sides of the park—on 10th St., on River St., and on Market St. Note: It was many years afterward before a sidewalk was built on the Park side of 12th St. Market St. is now Central Ave. and River St. is now also an avenue. Centennial Park, fifty years ago was not much to look at for beauty. Park development did not start much earlier than two score years ago.

The frost has opened the chestnuts—"Ten Nights in a Bar Room" and "Uncle Tom's Cabin" both at Lyceum Opera House in one week. Holland City surely has had a full crop. Note:—These old-time plays came to Holland annually as regularly as the seasons, and, like a circus, they never failed to draw a full house.

Simon Bos was elected secretary of Eagle Hose Co. No. 1. Columbia Hose Co. No. 2 reports the resignation of Ed Glerum and Lincoln Mimer, and the election of Ed Scott and Henry Spaulding and Albert Klooster as new members of the company.

Young men of the city need not stop long to think where to spend the long winter evenings when they have such a comfortable and pleasant public reading room as the young men and ladies of the Y.M.C.A. and the Y.W.C.A. have furnished in the hall over Jonkman and Dykema's Clothing store. Note: That store was on the site of the P. S. Botes Clothing Co. In fact, the West building was remodeled from this Jonkman & Dykema building. Today, fifty years later, Holland cannot boast of a public Y.M.C.A. or Y.W.C.A.

### Twenty-Five Years Ago

The Cappon-Bertsch Leather Co. is planning an extensive building program on the north side of Black Lake, costing approximately \$50,000. One building will be three stories with basement, 56 by 132 feet; a dry-house, three stories, 48 by 148 feet; a tan yard, 84 by 120 feet; and a scrub house, 32 by 80 feet. The building will be constructed of brick and it is estimated that upward of a million brick will be used in the construction. The business was started in 1850 in a shed without a shingle on the roof; 12 vats, and a white horse at the bark mill were the only equipment. In recent years the staid Holland concern is doing more than \$2,000,000 worth of business annually. Note:—These buildings were all built and are now part of the large plant of the Armour Co. Years ago a small tannery was built on that location by the Metz family. It was easily observed from the south side of the bay because of a high brick stack which stood there as a silent sentry for years.

The officers of the Third Reformed Church Sunday school just elected are Henry Pelgrim, Jr., superintendent; assistant superintendent, Henry Geerlings and John Vander Sluis; secretary, Henry J. Luideis; treasurer, Dick J. Te Roller; chorister, John Vander Sluis; librarian, Henry Van Ark. The average attendance at the Sunday school during the year was 470, and the treasurer reports that collections for general purposes were \$554.61.

U. S. Marshal Nicholas J. Whelan, of Holland, rounded up a gang of several in Western Michigan who were using the U. S. mails fraudulently. The government sent out an order a few days ago and several hundred were arrested throughout the U. S. Mr. Whelan is said to have landed in jail the prime movers of this nationwide gang. Approximately 20% of these

## Judge Places Mrs. Knapp On Probation

MUST PAY FUNERAL EXPENSES  
OF MAN KILLED ON M31  
EARLY IN FALL

Payment of the funeral expenses for Elmer Purdy, killed on US-31 early this fall when a car driven by Mrs. Eva Knapp, 35, Nunica, struck him as he was attempting to fix the motor of his car, were included in the sentence imposed upon Mrs. Knapp by Judge Fred T. Miles in circuit court this week.

Mrs. Knapp was placed on probation for three years, and her driver's license revoked for that time. She must pay court costs of \$10 and probation fees of \$1 per month and, after six months, payments on the funeral expenses must be made to be complete by the end of the three years. The defendant had previously pleaded guilty to a charge of negligent homicide in connection with the death of Elmer Purdy, a resident of Grand Haven.

No insurance on car. She was accompanied in court by her 13-year-old daughter. Mrs. Knapp also has a son, 16 years old. She limped as she walked before Judge Miles, as she is still suffering from injuries received in the accident. Judge Miles pointed out that she had no insurance on her car and thus gave no protection to the family that was bereft of the bread winner through the tragic accident.

Martin Van Harn, 28, Zeeland, pleaded guilty to embezzlement of approximately \$1,000 from L. G. Stalkamp, a feed merchant at Coopersville. The specific charge was for \$84. He stated that he had abandoned his wife and three children, seven, six and four years old, on April 28, when he left a suicide note saying he would be found in the Chicago river. He said he had gone to California, but longing for his wife and children, had made him return to give himself up to the officers of the sheriff's department to pay the penalty. Sentence will be imposed later, Judge Miles said.

Marvin Hoffman, 26, Zeeland, charged with breaking and entering, second offense, and therefore revoking his probation, was sentenced to Southern Michigan Prison at Jackson for not less than four nor more than 15 years. He was convicted of breaking and entering in 1933. Jack Spangler, (Continued on Page 4)

arrested are called "pill doctors," who advertise their practice through correspondence, sending their pills and powders by mail or express. Investigations show that most of them have no merit whatever and others were dangerous to take.

Born to Mr. and Mrs. George Verecke, a daughter.

At the annual congregational meeting of the Second Reformed church of Zeeland it was decided to build a parsonage in the near future. The total cost will be more than \$7,000. A. G. Van Hees and Wm. Ver Loos were elected elders. Wm. Ver Loos was re-elected deacon, and Henry Bouwens and Anthony Elenbaas were elected as new deacons. Note:—The pastor of the church today is Rev. Richard Vanden Berg, and undoubtedly he lives in the new parsonage built 25 years ago.

### Fifteen Years Ago Today

Miss Ruth Verhey celebrated her ninth birthday by giving a party for ten little girl friends. Crismin and white were the colors carried out in the crepe paper hanging. Little caps and balloons were also featured. Dainty refreshments were served and the little ladies report a very pleasant afternoon. The juveniles attending were Margaret Robinson, Ruth Robinson, Cornelia Japenga, Sylvia Kronemeyer, Rena Te Broek, Sena Weststrate, Doris Japenga, Angeline Van Lente, and Wilma Nieboer. Note:—The young nine-year-old later developed into a bright student at both high school and Hope College. She attained high oratorical honors at the local institution a few years ago, and taught for a few years in the Hudsonville school.

Born to Rev. and Mrs. Anthony Karremman of Muskegon, a daughter, named Margaret Mae. Note:—Mrs. Karremman is a sister of your editor and the family now lives in Grand Rapids. Rev. Karremman, who was located at Waupun, Wisconsin, recently took a charge in the "furniture city."

Earnest Brooks has been elected commander of the Willard G. Leenhouts Post, American Legion. He is the successor of Atty. Raymond Visser. Other officers elected are: first vice-commander, J. J. Riemersma; second vice-commander, Leonard De Pre; adjutant, Ben Lieverse; finance officer, Al Van Lente; historian, Dr. W. M. Tappan; sergeant-at-arms, Herman Van Ark. Peter Tuinsma of Zeeland gave an interesting talk on his trip to Europe.

Born to Mr. and Mrs. Henry Barkema of Grand Rapids, on Thanksgiving Day, a son, named Robert Henry. Mr. Barkema was formerly Miss Margaret Dalman of Holland.

Egbert Fell, son of Superintendent E. E. Fell, has been elected first vice-president of the State Older Boys' Conference, held at Battle Creek. The conference closed a two-day session Sunday night.

## HAANS ON WAY TO CALIFORNIA

Mr. and Mrs. G. T. Haan left yesterday for Los Angeles, Calif., to spend the winter. They went by motor car and will make the trip by easy stages. They will arrive shortly before Christmas, taking the southern route and will return early in May. They have an apartment there, and Mrs. John J. Cappon, of Holland, is living in an apartment next to them.

## HOLLAND SENDS TICKETS FOR ZEELAND SALE

(Zeeland Record)

Holland high school on Wednesday sent a block of tickets to the Zeeland school for distribution in Zeeland, for the Zeeland-Holland basketball game of Friday evening. Coach L. H. Kleis, who will handle the ticket sale, states that students can buy their tickets in Zeeland for 25c but will have to pay 35c at Holland. Adults will pay 35c at Zeeland or at the door, but Mr. Kleis stated that purchasers of tickets at Zeeland will have a better chance of getting in as a sell-out is looked for and only so many tickets are being sold.

The game will be played at Holland army tonight, Friday. The first game is at 7 o'clock and the second at 8:15 o'clock. Fans can expect a real basketball game.

## TO RENDER "MESSIAH" AT HOPE MEMORIAL CHAPEL

Tuesday, December 14, has been set aside as the date for the annual production of Handel's "Messiah," to be given in Hope Memorial chapel by a combined chorus of approximately 150 voices, a quartet of distinguished soloists, and a 30-piece symphony orchestra. The Holland Choral Union will sponsor the performance, which will be thrown open to the public free of charge.

Kenneth R. Osborne, head of the music department of Hope College, will direct the oratorio, which has come to be an integral part of the observance of the Christmas season in this and many other communities. Forming the chorus will be members of the Holland Civic chorus and the Hope College chapel choir. Eugene F. Heeter of Holland Public Schools, is training the orchestra which will play the chorus accompaniments, and Mrs. W. Curtis Snow will preside at the wonderful Skinner organ.

Soloists who have been secured for the performance here include Ann Burnmeister of Chicago, soprano soloist at Fourth Presbyterian church; Hazel Paalman, a former Hope College student, now contralto soloist at St. Paul's Episcopal cathedral in Detroit; Paul Nettinga of Chicago, tenor soloist at Fourth Presbyterian Church and popular radio singer; and Hardin A. Van Duinen of University of Michigan music school faculty, formerly bass soloist and head of the music department at Albion college.

The personnel of both the Civic Chorus and 1/2p Chapel Choir will be found on Page 2, section 2, giving an account of their going to Western State College at Kalama-zoo, where they will assist in presenting the "Messiah" there this Friday night.

## ZEELAND IS ALSO PRE- PARING FOR CHRISTMAS

The city of Zeeland is making preparations for Christmas. If plans go through, there will be two large, decorated trees on Main St. in the business district. It isn't said that Santa Claus will be at the trees, but the firms will be colorfully decorated with hundreds of electric lights. At a meeting held Zeeland should keep abreast of the times and with other communities with its Christmas activities.

It is understood that a toy drive is also to be inaugurated. Discarded toys will be collected, made over and re-painted for children less fortunate. The ladies auxiliary of the American Legion of the Karsen Post is arranging a Christmas party where the toys can be distributed to the best advantage. Zeeland folk were requested to look over their toy supply and 'phone the fact to number 67, which will bring them in touch with an American Legion lady.

Another campaign going on among the residents is the selling of Christmas seals to help eradicate tuberculosis in Michigan. The great need for this has been well established and the good it has done is very evident by the drastic reduction in the number of fatalities. Holland, as well as other cities in Michigan, is doing its share. This drive has become nationwide. Don't fail to subscribe for it!

The annual business meeting of the teachers and officers of Sixth Reformed Church Sunday school will be held this evening in the basement of the church. Andrew Slager is in charge of program arrangements and Mrs. George Steggers is in charge of banquet arrangements. The meeting will be presided over by William Jekel, superintendent of the Sunday School. Dr. S. C. Nettinga, president of Western Seminary, will be the main speaker.

The home of Miss Helene Van Kersen, West 15th St., was the scene of a Mother Goose kindergarten party by the Holland Music club Wednesday afternoon.

The home of the Misses Gertrude and Agatha Vanden Elst will be the scene of the annual business meeting of the Girls League for Service of Fourth Reformed church tonight.

## Farewell Service For Missionary At Local Armory

LOCAL CHURCH SENDS MIS-  
SIONARY TO LEPERS IN  
NIGERIA, WEST AFRICA

A special farewell service for Miss Kathryn Hengst, R. N., will be held by Immanuel Church on Sunday evening at 7:30 P. M., in the Armory. Several weeks ago Immanuel Church voted to support Miss Hengst as their missionary to the lepers in Nigeria, West Africa. There are no less than two hundred thousand lepers in Nigeria. In 1935 only five thousand of this great number were receiving treatment. All lepers are doomed to much mental and physical affliction, for leprosy not only torments and disfigures their bodies, but it also involves social ostracism, which is a source of acute mental suffering. The Nigerian Government and the various Missions are

Miss Kathryn Hengst

doing what they can for these numerous lepers, but the task is a tremendous one, and has its own peculiar difficulties. It has now come to be recognized that more satisfactory results are obtained in Christian leper camps than in purely Governmental institutions. The purpose of the Sudan Interior Mission, under which Miss Hengst is appointed, is first of all to preach the Gospel of Jesus Christ to the lepers, for it should be remembered that every converted and healed leper returning to his home provides a point of contact between his community and the missionary, and serves to give the people confidence.

Miss Hengst has had six years' experience as a nurse since leaving training, and she has had Bible training at the National Bible Institute, New York City.

Rev. Carl Tans, Deputation Secretary of the Sudan Interior Mission, who himself has been a missionary in Nigeria, will present at this farewell service a special message on the need of work among the lepers in Nigeria. A missionary offering will be received at this service. C. M. Beerthuis, the pastor, will preside.

## JOLDERSMA AND JALVING AT BANKERS MEET AT STATE CAPITOL

"Statement of General Ledger and Unit Posting" will be the topic to be discussed at 2 p. m. Thursday at Hotel Olds at Lansing by Clarence Jalving, cashier of the Holland People's State Bank. The occasion will be the mid-year round-up of the Michigan Bankers' association, which will meet in the state capitol on Dec. 15 and 16. Alfred C. Joldersma, who is cashier of the Holland State Bank, will represent his bank at the meeting.

## CLERKS HIRED TO RESUME OTTAWA TAX TRANSCRIPTION

Two clerks are to be added to the Ottawa county treasurer's staff to resume a WPA tax transcription project stopped last summer. Stoppage occurred when it was found the clerks were employed under the wrong project. A recent grant of \$2,640 enabled the project placing delinquent tax items on a card system, to start again. County Treasurer Nicholas Spretmas of Holland, said he expected the original two on the clerking staff would be increased to four.

The home of Dr. Van Raalte on Lake Shore Drive, US31 was purchased by John T. Wolf of Holland. The home of Ed Leeuw on Central Ave. in the hill district was purchased by Henry Geerds. The home of "Heinie" as he is best known, at 186 West 16th St., was purchased by Ben Jonker identified with the Reliable Co. Co. of this city. These respective deals were made through Henry Oosting, local realtor with offices in the Peoples State Bank.

Christian Fellowship—I John 1: 1-7; Revelations 21:1-7.

Henry Geerlings

No one lives to himself and no normal person wishes to do so. One of the saddest souls in the world is the lonely soul. Most of us have had the experience of what is called homesickness. It is a real sickness of the soul which destroys happiness, shatters bodily health, drives people insane, and even leads to death. What is this homesickness but the loss of familiar human fellowships, from which circumstances have parted us? The human spirit reaches out for fellowship with others as growing plants reach out for the sunlight.

We are social beings and belong in a society. The fuller and richer our individual lives the more do we belong to other people, and they to us. There is no better test of character than capacity for constructive social living. The plants growing together fertilize each other. Utterly removed from all relation to others of its kind no plant could thrive and come to its full possibilities.

There are common experiences and interests which draw us together in fellowships. Neighborhood is one. People living near each other come to know and usually to esteem each other. Young people fall in love and marry in the neighborhood. The significance and value of neighborhood is very great. World peace waits for the extension of neighborliness to all the earth. Common tasks, interests, occupations, ideals, and the like, draw men together in social unity. No man can live in a satisfactory life alone. Only as we lose our lives in the social fraternity do we really find them.

Without the help of others we could not have any nobility. Love, friendship, mercy, generosity, gentleness, graciousness—what are they but commerce between ourselves and other people? Without another person to make it possible, one could never be a brother or a neighbor, or a friend, or a fellow of any sort. It is not good that the man should be alone. It is not possible to be a man, in any moral and spiritual sense, alone. A man needs a help-mate—another person to make it possible for him to express his manhood. Fellowship is absolutely essential to life.

We talk a good deal about comrades these days. It is a word that has been applied in particular to old soldiers. When there is a parade or a convention of the men who fought in any war they are frequently spoken of as comrades. They marched together. They fought together. They suffered together. They thought and talked of the same things.

This fact will help us to see how we may speak of our being comrades of Christ and of one another. We think of the same things. We stand for the same principles. We support the same institutions. We believe the same things. We fight for the same good cause.

To comrades together, however, does not mean that we live in

the same home, or in the same city. It does not mean that we vote the same party ticket, or buy at the same place, or follow the same occupation, or anything of that kind. It does mean that we think alike, believe alike, act alike. In every other respect, we may be different. That is only another way of saying that when Jesus wants to know what we are He looks upon the heart, and not on the outward appearance.

Then it must follow that if we are that kind of people we will stand by the church, for Christ founded it. He did not say that it would be perfect, and He did not say that every one belonging to it would be living the way he should; but still it is His church, and those who are trying to please him are expected to belong to it and to live in it in such a way as to help it along and make it the power it ought to be.

This evening at 6:30 the annual teachers' banquet of First Church Sunday School will be held.

The Gibson Parent-Teachers' association will present a supper at the school tonight at 6:30.

"The Glory of the Church Office" will be discussed by Dr. S. C. Nettings at the meeting of the consistorial union of the classis of Holland of the Reformed, which will be held Monday, Dec. 13, in Overisel Reformed Church, at 1:30 p. m.

Henry Oosting was appointed by the Home Owners' Loan Corporation as an approved realtor and will handle some of the properties of this corporation.

Tonight at 7:30 the Golden Bible Hour Society of Sixteenth St. Christian Reformed Church will hold a meeting.

The Colonial Sweet Shop on East Eighth St. was broken into either Wednesday night or yesterday morning. Nothing was taken.

Their 55th wedding anniversary was quietly observed by the Rev. and Mrs. William Koe, 166 East 14th St., last Saturday. Since becoming emigrants in 1923, the Rev. Mr. Koe has lived in Holland. Before that time, he held charges at Goshen, Ind., Rusk, Harvey, La. Leota, Minn., and New Era in Christian Reformed churches there. Rev. Koe is a native of Beaverdam, and is 76 years old. Mrs. Koe was born in The Netherlands, and is 72. The Koes have five children: Mrs. Mary Tappinga of Grand Rapids, Mrs. Cora Jaarsma of Grand Rapids, Mrs. Helen Stolk of Grand Rapids, Mrs. Ada Strong of Holland, and Benjamin Koe of Central Park. Their seven grandchildren are: Mary Jean Lappinga, Robert L. Koe, Bernard J. Koe, Martin W. Koe, William M. Koe, Emerson W. Strong, and Geneva H. Strong.

The 49th birthday anniversary of Mrs. J. H. Volkers was observed by a party at the Volker's home. ## World's Oldest Market Place.

A Medieval Market Place

THE beautiful old square shown above is doubtless the oldest market place in the world. Upwards of 1,000 years ago, trade caravans chanced to meet at this point and a crude trading post was established. A town sprang up, which with the passing of time became the walled city of Leipzig.

Through the centuries merchants have found it profitable to meet at this cross roads of Europe. Since the early middle ages, a Trade Fair has been held here every year. Today, business men from seventy-four countries, including the United States, regularly meet at Leipzig. The next session of the Fair will be held from August 29th to September 2nd, inclusive.

The picture shows the entrance to a great underground exhibition hall, which has been constructed beneath the historic market place. The Fair comprises some 9,000 of the newest industrial and art products displayed in fifty-one great exhibition halls. The newest products in every field of industry and art are shown here. The clock in the graceful tower in the background, incidentally, has kept time since the days before Columbus. Nowhere else in the world are there so many new things to be seen in so old a setting.

discussed by Miss Bernadene Vinkemulder, "Angel of Peace," a vocal solo will be sung by Alvin Cook of Western Seminary, and Mrs. Nina Daugherty, junior high instructor, will present a reading, "The Christ of the Andes," a choral reading, will be presented by Elaine Bielefeldt, June Meredith, Joanne Vander Velde.

Supervisors Adopt Plan To Pay Pensions

JUDGE MILES ASKS FOR LAW BOOKS FOR COURT HOUSE

Board OK's Plan to Pay \$1,000 Each Month to Support Mothers Fund

The recommendation made by the Ottawa County Welfare commission to the board of supervisors this week that \$1,000 be turned over to the state each month as the county's participation in support of mothers' pensions and dependant child care, was adopted unanimously by the board at the afternoon session.

The resolution restricts the payment until further notice or until the end of the fiscal year, ending Sept. 30, 1938. The balance of \$23,000 raised by the full five-mill tax rate, will be held in abeyance. If the payments to the state are sufficient together with state and federal funds, it will mean a saving of \$34,000 to the county as last year the cost was \$46,000.

Judge Cora Vandewater was requested, in a resolution, to refrain from granting widow's pensions in probate court, after Jan. 1, 1938, and to turn all such cases over to the county administrator of ERA, where they will be handled under the new state ruling which directs they be looked after under the state ERA department.

Money For Books Upon the request of Judge Fred T. Miles for funds with which to purchase books for the county law library, \$700 was authorized by the board for this purpose. Judge Miles explained that the state law, creating a fund from fines, was contrary to the constitution which says that all such fines shall be used exclusively to establish libraries in cities and townships.

A notice was read of the meeting of the state association of supervisors which will be held at the Olds hotel in Lansing on Jan. 25, 26 and 27. Delegates will be selected at the January session which convenes on Jan. 10.

The board expressed regret that Cornelius Roosenraad, member of the board for the past 25 years from Zeeland, was unable to attend the session due to physical disability, with the hope that his health would be regained sufficiently to attend the next session. Mr. Roosenraad was taken ill at the October session and was forced to return to his home before the meetings were concluded. He has always been faithful at the board sessions and his presence was greatly missed by the members.

A note was received from the Boy Scouts, thanking the board for the \$100 appropriation that was made at the October session with which to rehabilitate Camp McCarthy, located on Lake Michigan.

The board adjourned late in the afternoon to meet again on the second Tuesday in January.

## OPENING SUGAR MILL IN 1938 WAS A GREAT ACCOMPLISHMENT AND BENEFIT

Eight hundred and fifty farmers will benefit by a release of approximately \$150,000 on Dec. 15, when the Lake Shore Sugar Co., 345 West 14th St., will release this amount in partial payment to farmers for sugar beets delivered to their plant this year. John Kelley, field manager of the company, made the announcement Tuesday. Payments are made on the basis of \$5.50 per ton. The major share of the payment, \$100,000, will go to farmers in Allegan and Ottawa counties, the remainder going to other points in Michigan, Illinois, and Indiana.

The announcement was the second in two days which added greatly to prospects for a bright Christmas in the Holland territory. Monday, two former banks announced payment of about \$150,000, dividends of 10 per cent on certificates held by their depositors to be paid some time this month.

About 27,862 tons of beets were used at the local plant this year. Mr. Kelley stated. Seven million pounds of sugar, 1,300 tons of dried beet pulp, and 1,300 tons of molasses were the resulting product and by-product from these beets. It was announced by B. J. Paschal, sugar plant superintendent, that the payroll for the 1937 season amounted to \$40,000, \$5,000 more than last year. Two hundred and twenty-five men were employed.

A total of 2,728 truck loads of beets was shipped to the local plant, and 502 freight carloads were received. An average of 606 tons was sliced per day this year, compared to 600 tons last year. The plant operated for 51 days. It closed Monday, when the last of the beets for the season were translated into sugar and by-products.

For the last two months a rather imposing sight could be witnessed, especially during the night time, while driving near the sugar mill and watching that busy hive of industry. The factory building was aloft with light; the entire yard area pyramided with beets, was floodlighted and the grinding of wheels, and the buzzing of machinery, and the emitting of steam from boilers, surely made the west end a picture of activity during the night time. Although the campaign is over as far as beets and sugar-making are concerned there still will be a sizeable force working in the plant and in the office the year around. The whole plant must be gone over and put in shape for the 1938 sugar campaign, and it is said that at least 20 men will be employed to do this work.

This reassuring picture of the Lake Shore Sugar Co. brings back to mind that the sugar factory was reopened in 1933 after an idleness of several years, and these successful campaigns have been going on from year to year, and these prosperous financial statements have also been given from year to year. There, too, are hidden benefits to Holland that are not in the picture, such as added taxes in the city treasury, the money disbursed to farmers and laborers, bringing a larger purchasing power with merchants of this city. The company also pays a large freight bill annually to railroads and truckers, which is again disbursed among employees of the road and the drivers of trucks. The benefits cover a large scope and Holland's benefits in this particular instance are considerable.

There is one reminder that we would like to bring up at this time—namely, that it took a great deal of energy and skillful management by a few local citizens, augmented by constructive publicity by the local press, that has brought the opening of this plant about. But the two men who aided tremendously in this rejuvenation of our sugar mill were William C. Vandenberg and brother, Vaudie Vandenberg. They put in months of effort first to make the contacts that would interest those who would finance the factory, and another sizeable job was to round up the farmers and educate them to the fact that sugar beet raising was a profitable and safe crop. This work of education, although it took months, was very effective and had to be done, for no matter how fine a sugar factory we might have here, wheels simply cannot turn without beets, and these two men mentioned did just that.

It can also be said that the Lake Shore Sugar Co. local management have taken a deep interest in other things besides sugar making. They have lent their help by fostering civic projects and playing a real part in this community. It is very gratifying to know that the Lake Shore Sugar Co., formerly the Holland-St. Louis Sugar Co., is one of our large, diversified industries, creating a new market for the farmers as well as an added avenue to employ labor.

The home of Mrs. George Meyers, West 20th St., was the scene of a meeting of the Old Neighbors Club last Tuesday afternoon. Mrs. Don Faber was in charge of refreshments, and Mrs. P. Roels captured the prize in games played. Aside from those already mentioned, Mrs. Mel Mowbray, Mrs. H. Weysschede, Mrs. J. Rusticus and daughter, Faith Elaine, Mrs. William Zuber, and Mrs. J. Nyland attended the affair.

Tonight at 6:30 officers will be elected for the Trinity Relief Society for the coming year, at Trinity Reformed Church.

## ZEELAND BANK AS WELL AS HOLLAND BANKS PAY DEPOSITORS

The third payment of the impounded deposits of Zeeland State bank will be made Dec. 20 when a 10 per cent liquidating cash dividend will be paid to all holders of original depositors' impounded funds. The payment at this time will bring the total amount paid to date up to 72 per cent.

Elsewhere is a story telling that two Holland banks are also each paying 10 per cent more to depositors who have impounded deposits. This news is surely gratifying to lower Ottawa county during the Christmas season.

## Scorpions at Large

An absent-minded professor at the Sorbonne created a sensation in Paris recently by leaving a bag of scorpions in a taxicab.

The scorpions were later discovered by the driver and returned to their owner, but in the meantime hospitals had broadcast warnings against opening the bag and releasing them.

The amount of damage done, if these much maligned insects had gotten loose in Paris, would probably not have been very great.

Scorpions rarely, if ever, attack human beings unless they are molested.

They reserve their poisonous sting for smaller insects, which provide them with food. The sting of a scorpion is very painful, especially that of the large species, which grow to a length of eight inches, but except to infants or persons in poor health, there is little danger of death from it.

And anyone who wants to take the trouble, can develop complete immunity to the poison by submitting to repeated stings at intervals.

## NEW PHEASANT GENUS FOUND IN DEEP AFRICA

Twenty-three years ago a brown and black feather plucked from the head of a native in the Kuri forest in Africa started Dr. James B. Chapin on a search that has just successfully ended with the finding of the bird that "fitted the feather." The strange feather belonged to no known African bird. It came from a species related to the pheasants, which are Asiatic in origin and range. After his long search, Dr. Chapin, associate curator of birds at the American Museum of natural history.

Austin Riegerink, son of Mr. and Mrs. Harry Riegerink, submitted to an appendix operation at the Holland hospital on Sunday evening.

## Open Season on Muskrats

Muskrat trapping began in Michigan on Nov. 1 throughout the Upper Peninsula. The season there will remain open until Nov. 30. So far reports indicate that only an average catch has been made but market prices will be higher for raw furs.

In the upper part of the Lower Peninsula the season runs from Nov. 15 through Dec. 15 and in the southern half from Dec. 1 to Dec. 31.

A trapping license costing \$1 is necessary to take these fur-bearers.

## Judge Places Mrs. Knapp On Probation

probation officer, reported that he had not made the required probation payments or reported to the officer. Hoffman said he had been wandering off since the second act last spring and finally gave himself up to the officers at Toledo, as he was tired of being "hounded." He said he had returned to his home twice during the time but had kept out of the way of the officers.

Placed on Probation James Phillips, 24, Robinson township, was placed on probation for three years, following his plea of guilty to a statutory rape charge. He was fined \$25 and assessed with costs of \$10, which he must pay at the rate of \$2 per month and probation costs of \$1 per month.

Arthur Mastenbrook, 33, Grand Haven township, confessed to Judge Miles that he had entered Chuck's Tavern some 15 times and that he had stolen between \$90 and \$125 in small amounts. He said he was married and had one child. He said he was employed at the Tavern at times and worked in a garage and on the farm. He pleaded guilty to the specific charge of breaking and entering in the night time after his arrest by Serg. Earl Seriat, who caught him entering the Tavern about a week ago. He will be sentenced later, Judge Miles stated.

Both Van Harn and Mastenbrook were remanded to the county jail where they have been held following their arrests.

As a result of an automobile accident at Maple Ave. and 12th St. last Saturday, Henry Mulder, 29, 46 West 14th St., pleaded guilty to a charge of operating a truck without a chauffeur's license in the court of Justice of Peace John Galen yesterday morning, and was assessed fine and costs of \$9.15.

## Dry Hen Houses Secret of Profit

Lessons learned in many years of keeping poultry still fail to be practiced in too many plants on Michigan farms where the total industry in a year amounts to as much as 40 million dollars.

Winter weather does not mean bundling up the laying flock, warns C. G. Card, head of the poultry department at Michigan State College. But some of the precautions should include keeping down moisture. Proper litter, cleaning of houses and insulation and ventilation are the factors involved. In Allegan county, flocks would be more profitable without much extra care. A. D. Morley, agricultural agent for the county, points out.

Flocks may not need to have coops warmer than 30 to 35 degrees. It is important to keep down moisture, for damp houses start colds and other respiratory diseases. Four gallons of water can be given off by 125 birds in 24 hours. This must be removed from the house through removal of litter and through adequate ventilation. Litter commonly used in Michigan is wheat or oat straw because

these are usually available on farms in this state and need not be purchased. Some poultrymen are using peat moss, sawdust, sugar, cane fiber, shavings and ground corn cob. Peat moss and sugar cane fiber seem to be excellent for absorbing moisture, but Professor Card believes poultrymen should cut costs where they are able.

Other winter hints that make for maximum egg production and flock health are simple but important. Birds should have 3 1/4 to 4 square feet of space for each bird. Drooping boards should be cleaned often. Fountains should not drip, overflow or waste water as this would add to the moisture problem. In severe weather stoves may be necessary but shields should be used to keep the birds off and to circulate the heat.

## PERCH ARE COMING IN ST. JOSEPH RIVER

The perch have started their usual fall run up the St. Joseph river at Benton Harbor. Some good catches are being made off the boat docks there.

Lake fishing is reported fairly good in this vicinity at this time, bluegills making up the larger part of the catches.

Board OK's Plan to Pay \$1,000 Each Month to Support Mothers Fund

The recommendation made by the Ottawa County Welfare commission to the board of supervisors this week that \$1,000 be turned over to the state each month as the county's participation in support of mothers' pensions and dependant child care, was adopted unanimously by the board at the afternoon session.

The resolution restricts the payment until further notice or until the end of the fiscal year, ending Sept. 30, 1938. The balance of \$23,000 raised by the full five-mill tax rate, will be held in abeyance. If the payments to the state are sufficient together with state and federal funds, it will mean a saving of \$34,000 to the county as last year the cost was \$46,000.

Judge Cora Vandewater was requested, in a resolution, to refrain from granting widow's pensions in probate court, after Jan. 1, 1938, and to turn all such cases over to the county administrator of ERA, where they will be handled under the new state ruling which directs they be looked after under the state ERA department.

Money For Books Upon the request of Judge Fred T. Miles for funds with which to purchase books for the county law library, \$700 was authorized by the board for this purpose. Judge Miles explained that the state law, creating a fund from fines, was contrary to the constitution which says that all such fines shall be used exclusively to establish libraries in cities and townships.

A notice was read of the meeting of the state association of supervisors which will be held at the Olds hotel in Lansing on Jan. 25, 26 and 27. Delegates will be selected at the January session which convenes on Jan. 10.

The board expressed regret that Cornelius Roosenraad, member of the board for the past 25 years from Zeeland, was unable to attend the session due to physical disability, with the hope that his health would be regained sufficiently to attend the next session. Mr. Roosenraad was taken ill at the October session and was forced to return to his home before the meetings were concluded. He has always been faithful at the board sessions and his presence was greatly missed by the members.

A note was received from the Boy Scouts, thanking the board for the \$100 appropriation that was made at the October session with which to rehabilitate Camp McCarthy, located on Lake Michigan.

The board adjourned late in the afternoon to meet again on the second Tuesday in January.

## LOCAL

Mr. and Mrs. Fred Slagh, Mr. and Mrs. Joseph Vander Brink and Mr. and Mrs. Edward Witterdink, all of this city, were entertained at dinner Friday evening at the home of Sheriff and Mrs. Frank Van Etta, in Grand Haven.

Stuart Hugh is the name given to the son born to Mr. and Mrs. Ernest Post, 78 East 23rd St., Sunday, at Holland hospital.

Mrs. Isaac Ver Schure, Mrs. Frank Van Ark, and John Mulder visited their brother, Marius Mulder in Benton Harbor over the week end, where he is recovering

from an operation which he underwent recently.

Cars driven by Henry Mulder, this city, and Andrew Donze, rural route No. 2, were instrumental in breaking off a fire plug at the intersection of Maple Ave. and 12th St., Saturday, when they collided, the Donze car crashing the plug. No one was injured.

The home occupied by William Ross on Lakewood Blvd., near the Getz farm and owned by John Eaton, Holland investment broker, was completely burned about 11:20 a. m., Monday. Loss was estimated at \$7,000. The building was insured, as were the contents. Local firemen, called to the scene, found the home almost burned to the ground, and were unable to save anything because of lack of water supply. Two chairs and a refrigerator were the only things saved from the flames.

Two maps, one of the upper, and the other of the lower peninsula, have been received at the local city library from the Michigan State library. The maps should be of particular interest to those who are desirous of seeing Michigan's geological outlay, having in view the development of the neighboring oil fields. The centennial map is sent out in celebration of the Michigan Geological Survey centenary, now of the Geological Survey Division of the Michigan Conservation Department.

Activities up to December first of missionaries of the Reformed Church in America, in China were revealed in a letter Friday from associate-secretary of the mission board, L. J. Shafer in New York City to the Rev. W. J. Van Kersen, district secretary of the board here. According to the missive, Miss Edna Beckman, Miss Catherine Green, Miss Lillie Duryee, Miss Catherine Talmadge and the Rev. William Aniquis are now in America. Elizabeth Bruce and Janet Veldman, who are in India at present, are anxious to return to China. Roger Koeppe, Robert Holleman, Anna Ruth Poppen and Kenneth Poppen left Hongkong for America on December 1. The secretary at the mission at Amoy, Henry Poppen, notified the board office at New York that on November 8, all was quiet in the vicinity of Amoy.

While his wife and family stayed in Japan, Dr. Theodore Oltman has returned to the Amoy mission. Further contents of the letter disclosed that Elin Veenschoten is ill with malaria, and has gone to Manila, that Mrs. Veenschoten and two daughters, and Mrs. Vander Meer and two sons are at Camp Hay, Baguio, P. I. H. M. Veenschoten, William Vander Meer, and H. P. DeFree are at Changchow; Dr. Frank Eckerson, Edwin W. Koeppe, and Miss Ruth Brookema are at Tong-An. The remainder of the missionaries are, temporarily at least, on Kulangsang Island.

Allen Valkema, Ellen Bowman, Joyce Valkema, Edgar Valkema, Stanley McClure, Kenneth Bowman, Robert Harrington, Doris Harrington, and Harold Harrington met at the home of the latter last week Tuesday at 381 West 21st St., where his seventh birthday anniversary was appropriately celebrated with a party.

Their golden wedding anniversary was appropriately celebrated by Mr. and Mrs. William Wierda, 353 Lincoln Ave., when they enter-

ained their children at a dinner Wednesday evening. The couple are members of Sixth Reformed church. Out of five children, three are still alive: Mrs. Ray Teerman, Gerrit and Anthony of Holland, four grandchildren and one great-grandchild. Mrs. James Helder and son, Billy, of Waukegan, Mr. and Mrs. Clara Monroe of Brooklyn, Mich., Mr. and Mrs. John Vande Water, James Helder, Mr. and Mrs. Ray Teerman, Mr. and Mrs. Gerrit Wierda, and Anthony Wierda and daughter, Elaine, were invited to be present at the celebration.

Their silver wedding anniversary was observed Thursday evening, by Mr. and Mrs. William Modders, at their home, 187 West 18th St. A mock wedding was one of the features of the evening's entertainment. Those present at the affair included: Rev. and Mrs. George Trotter, Mr. and Mrs. A. R. Tibbe, Mr. and Mrs. John De Boer, Mr. and Mrs. Joe Vanden Brink, Mr. and Mrs. William Steketee, Mr. and Mrs. John Helder, H. J. Boone, Mr. and Mrs. Henry Holkeboer, Mrs. Mary Modders, Mr. and Mrs. Gerrit Riphagen, Mrs. Earl Hallett, Mr. and Mrs. Henry Vander Bie, Mr. and Mrs. Nick Ver Hey, Mr. and Mrs. Peter Vande Lune, Mr. and Mrs. Roy Harper, Mrs. Minnie Rotman, Mr. and Mrs. Leslie Hill, Miss Ettamase Coster and Miss Dorothy Modders.

Park De Weese, Junior Louwsma, Lloyd and Earl Huyser and Ivan Huyser were guests of Douglas Lemmen, son of Mr. and Mrs. Raymond B. Lemmen, 270 East 19th st., Saturday when he celebrated his eighth birthday with a party at his home.

Miss Jewell Huntley, who will become the bride of Neal Mills of Los Angeles, Calif., soon, was honor guest at a 12 o'clock breakfast at Club Gra-Joe last Saturday, given by Mrs. Adrian Van Putten. Miss Myra Ten Cate and Mrs. Louis J. Hohman were winners at bridge. Guests included the Mesdames Clarence J. Becker, John K. Winter, Sidney Tiesenga, Carl Harrington, John W. Van Putten, Lester Exo, Clarence Klaasen, Jack Bos, Alvin Bos, Nelson Bosman, William C. Vandenberg, Jr., Herbert Marsilje and Miss Cathlene Mersen.

## Grand Haven's View of Grid Game

HOLLAND TIES WITH "COUNTY SEATERS," 6 TO 6; RECORD CROWD

This version of the Holland-Grand Haven last football games of the season may not be entirely correct from Holland's viewpoint and will not co-inside altogether with the version of Holland fans, however, it is interesting to know how the local opponents look upon the game and for that reason we reprint the story appearing in the Grand Haven Tribune:

Before an almost record crowd of 3,000 holiday fans, Grand Haven High school's golden clad grid warriors wound up their 1937 season by outplaying and outfighting a reputedly stronger Holland team and tied the Dutch gridgers, 6 to 6. It was a glorious climax to the Grand Haven season. Coach C. A. Bosworth, who engineered his last Grand Haven game, was high in his praise of his boys who outdid the Holland team in about every department of the game. Bosworth will continue teaching in the local school but will not direct any athletics, a department in which he has done remarkably well in the past 10 years as coach of the second teams in football and basketball and head coach in football for the past four years.

A stubborn Grand Haven team played its best defensive game of the year and bottled up Shorty Matchinsky, the Holland triple-threat star, almost all afternoon. Holland made only four first downs to nine for Grand Haven.

The day proved ideal for football and the first was dry and fast, a big improvement over the condition of the field last Saturday, the date for which the game was scheduled.

The department of play in which the Havenites far outdid the visitors was in passing. Grand Haven touchdown, made with but four minutes to play in the game, came after two long successful local passes.

Matchinsky tried 15 passes, completing 11 for a total yardage of 96 yards. One was intercepted by Holland, who attempted eight and completed three for a gain of 12 yards. Grand Haven was penalized four times for 30 yards and Holland once for 15.

Matchinsky was the main threat in Holland's running game and the Dutch were much more successful than Grand Haven in that phase of play. Holland gained 150 yards and lost 28 in rushing for a net gain of 122 yards; Grand Haven gained 94 yards and lost 48 for a net gain of 46 yards.

Grand Haven outgained Holland in rushing and passing from scrimmage, 142 yards to 134 yards. Grand Haven did not fumble as much as they did in the St. Joseph game; the locals fumbled twice and both times Holland recovered. Holland did not fumble once.

The blue and gold far outplayed their foes in the first half and came within less than a foot of a touchdown on a pass play, Licitra to Pellett. Local backers were surprised to see the Havenite linemen and wingbacks charge in and spill Holland runners for losses time and again.

Shortly before Grand Haven almost scored Weber sent a squirly punt skimming over the turf from his own 49 and C. Krompotich downed the ball on Holland's six. Grand Haven was penalized five yards and after Matchinsky was stopped several times a Holland kick was downed on Holland's 45.

Weber Gets Started Licitra, who had replaced Baldwin in the backfield, made three at right end and then Cook caught Anderson's long pass on Holland's 35. Weber made a first down on the 32 and after line plays failed Weber took Anderson's pass and ran to Holland's eight yard line. Line plays took the ball to the six and here Pellett took Licitra's pass over the line and was shoved out-of-bounds but six inches from the goal on the fourth down. Two plays later the half ended.

Shortly after the third period started Matchinsky's running attack got under way and resulted in Holland's score. Grand Haven took

the kick-off to the 35 and on two plays Anderson fumbled and lost 39 yards. Weber kicked to Matchinsky who was downed on Grand Haven's 45.

Matchinsky on the first play lost seven yards when Mike Krompotich smashed through and spilled him. Matchinsky on the next play made 17 yards and then ripped off another run for a first down on the local 28.

A few plays later Cunningham took a pass for a first down on the Grand Haven 11 and Matchinsky went to the four. Grissen scored from the two yard line but his kick for the point was wide.

Havenites Get Under Way Grand Haven failed the next kick-off and Weber booted to the Holland 17. Holland failed to gain and kicked to Grand Haven's 33. Here Weber proved his driving power and picked up 16 yards and Grand Haven had a first down on its 47. Weber then took Anderson's pass to the 39 and Cook picked up three more. Licitra went back to pass but found no opening and ran 12 yards to the Holland 29.

The fourth quarter started and line plays again failed to pick up more than two or three yards and Pellett snared a pass and ran for a first down on Holland's 18. Holland was penalized five yards and a pass to Pellett was allowed on the 15 for interference, giving Grand Haven a first down.

Three downs were used on line plays and here came the outstanding play of the game. Bucking a stiff wind from the south, Anderson faded back and heaved a pass over the center of the line into a mass of 10 Grand Haven and Holland gridgers.

A Grand Haven player grabbed it, it bounced into the air from his arms, falling into the waiting arms of Licitra, who fell for a first down on the four yard line. The officials decided the play was legitimate after a lengthy conference and Grand Haven put the ball in play.

Weber hit the line for a yard and then on a smart play from the same formation Weber faked the pass from center but Licitra cut in front of him and slid through right guard for the necessary two yards.

Humorous Touch The crowd roared on the play for point after touchdown. The Grand Haven captain chose to pass for the point but it was intercepted and VandeWater, instead of smashing the ball to the ground, snared the ball and raced the length of the field in a meaningless jaunt.

Holland took the kickoff and when the final gun sounded was marching goalward—was 10 yards from the local goal when the final gun sounded.

While it was a "moral victory" for the Havenites the Dutch backers were much disappointed as with a victory the Holland team would have tied Kalamazoo Central for second place in the final standings of the Southwest conference. Muskegon won its second championship in two years.

Weber, the Grand Haven captain, far outshone any player on the field and ended his long service in football teams for Grand Haven in fine fashion. Others who played their last game for Grand Haven and played good games were Darwin Cook, Stu Anderson, Baldwin, R. J. Young, Bob Pellett, Yedinak, Williams and Murphy.

The two Krompotich twins, playing guard for Grand Haven, did very well on defense, as did Jacobson and Baldus. Next year's line will be built around these players. Licitra played his best game of the season and will return for play next year. Van Stratt will also return to play end.

Matchinsky was the main threat for the Hollanders. Other players who did well for the Dutch cause were Hettinga, Dyke and Tappan.

Mrs. Pauline Bosch and Miss Jennie Troost were visitors at the home of Mr. and Mrs. George Ensing and family recently.

Local relatives and friends were notified of the death of Nicholas Sterken of Grand Rapids, who passed away Sunday morning at the age of fifty-one years. He is survived by the widow. Funeral services were held Wednesday at the Van Hof funeral home. Burial was made in Zutphen cemetery.

## SUNDAY DINNER Suggestions

By ANN PAGE A GOOD breakfast is important at this time of year for almost everyone, but particularly for children and active workers. Eggs, both fresh and storage, are cheap and plentiful for the season, bacon and other smoked meats are lower, making the famous breakfast combination a possibility on limited budgets.

Other meat prices are little changed from last week, though turkeys are lower and ducks reasonable. Fresh pork is probably the best available meat value.

Fruits and vegetables in variety are plentiful and reasonable in price. Oranges, grapefruit and apples, the cabbage family, green beans and spinach, are outstanding values. Seasonable foods make up the following menu.

Low Cost Dinner Pork Chops Sweet Potatoes Creamed Spinach Braised Cauliflower Apple Pie Tea or Coffee Milk

Medium Cost Dinner Baked Ham Marbled Potatoes Green Beans and Peas Bread and Butter Orange Spanish Cream Tea or Coffee Milk

Very Special Dinner Stuffed Celery Crown Roast of Pork Apple Sauce Browned Sweet Potatoes Green Peas Grapefruit Salad Sals and Butter Omelet Souffle Hard Sauce Coffee Milk

## Hero Ballplayer Saves Life of Lad

FALLING TIMBER INJURES MAN AND HE IS ALSO BURNED IN PLACES

Edward Norris, former Grand Haven baseball player, who risked his life Thanksgiving night to save his 13 year old son, "Buddy", asleep in an upstairs bedroom when a fire started that destroyed the tavern occupied by Mr. and Mrs. Norris at Pottawatomie Bayou, was confined to bed for a time. Mr. Norris, who appeared uninjured earlier, was found to have suffered a severe blow on the head, a blow on the body believed from a falling timber, and minor burns about the face as well as from shock. He was advised to remain quiet a day or two by his physician.

When smoke rolled down the stairway from the upstairs where the boy was sleeping, Mr. Norris plunged through smoke and flame to bring the terror-stricken lad to safety. The stairway collapsed after he reached the ground floor and he barely had time to leave the main dining room with the boy and Mrs. Norris before the roof crashed in. The Norris place, known as Pottawatomie Tavern, was a popular tavern on Pottawatomie bayou five miles east of Grand Haven. Mr. and Mrs. Norris, who are occupying one of their cottages, saved from the flames by its asbestos shingle siding and a bucket brigade, said plans for rebuilding would await the coming of insurance adjusters. The tavern and contents were a total loss and about \$500 in money, receipts of the previous week, was burned.

Mr. Norris is well known in western Michigan, having pitched for Grand Haven baseball teams the past 15 years since coming here from Chicago.

The loss of the money is the most severe blow for that cannot be replaced.

## Mail Carrier Brings in Live "Possum" Wednesday

(Coopersville Observer)

Harold G. Laug, genial carrier on Route 1, Coopersville, Wednesday had the good fortune to bring in one of Michigan's rarest animals—an opossum. The little creature, which he should judge was about half grown, was taken alive on the river road west of the county farm. An insurance salesman, driving in a car just ahead of the local carrier, had first noticed the opossum in the road and had turned out to avoid hitting it. Both men stopped and when the creature was approached it actually "played dead" and was easily captured. Laug asked the insurance salesman whether he wanted the "possum," and upon obtaining a negative answer, it was placed in the trunk of the mail carrier's car, where it reposed for the remainder of the trip around the route.

An opossum is somewhat rare in Michigan and it was only a few years ago that the first were seen in this state. Farther south they are common. The one caught Wednesday was indeed quite a curiosity on Wednesday afternoon when "Harold" returned to town, as many Coopersville residents had never seen the animal, which is a rare delicacy to our negro friends.

## ZEELAND HIGH AWARDS 16 FOOTBALL LETTERS

The Zeeland high school athletic board named five seniors, eight juniors and two sophomores as winners of the major "Z" for the past football season. Co-Captain Nierse and Winston, along with Schaap, Van Ommen and Janssen were the seniors receiving the awards.

The nucleus for the 1938 grid team will be composed of Lampen, Van Kley, Schretonboer, Nieboer, Vander Meulen, Kraai, Baar, and Van Draght, all juniors, and Van Eden and Van Kley, both sophomores, all letter winners. Willis Boss was given the senior manager letter.

Zeeland's season was successful, the Brown and Gold gridders losing only one game, to East Grand Rapids.

The 1938 teams Zeeland will play are Wyoming Park, Grandville, East Grand Rapids, Allegan, Coopersville, Plainwell and Hudsonville in the order named.

Pledging the support of the public school system in Holland to the proposed plan to make the Netherlands Museum available to local school classes, E. E. Fell, superintendent of public schools, stated last Friday, "It will be a source of valuable information to the younger generation about early Dutch life and culture." At 2 p.m. on Monday, Miss Nellie Ver Meulen's 1-B class of Van Raalte school visited the museum. At 3 p.m. the second graders of Van Raalte visited the museum.

A dessert bridge was featured Thursday night for Miss Jewell Huntley, who will become the bride of Neal Mills of Los Angeles, Calif., on Dec. 12, by Mrs. John K. Winter and Mrs. Clarence J. Becker, in the home of the former, at Lawndale Court. Mrs. Louis Hohman and Mrs. Clarence Klassen were awarded prizes in bridge. A hostess gift was presented to Miss Huntley. Those who attended the bridge party include the Mesdames Adrian Van Putten, William Winkler, Carl Harrington, Sidney Tiesinga, Adrian Klassen, Jack Bos, Lucien Raven, Alvin Bos, William Vandenberg, Jr., Herbert Marshall, John W. Van Putten, George Danson, Louis Enco, Nelson Bosman, Henry Steffens, the Mesdames Gertrude Smeenge, Catharine Merzen and Myra Ten Cate, and Mrs. John Stryker of Grand Rapids.

## SUMMER TAXES PAID WITHIN 8% OF FULL, FINE RECORD

With approximately 92 per cent of the summer tax paid, City Treasurer Henry J. Beckfort announced that winter tax notices had been released from his office. The total winter tax amounts to \$113,908.40 this year. It is divided as follows: county road tax, \$6,222; state tax, \$16,033; school delinquent tax, \$12,273.39; city delinquent taxes, \$18,080.78; special tax, \$26,182.01; and county tax, \$57,399.97.

Undoubtedly more of these summer taxes will be received through the county treasurer's office, in charge of Nicholas Spruiell of Holland, as late payers pay delinquent taxes there. The record of payment, however, is exceptional.

## HERE'S A CHRISTMAS TIP: WATCH YOUR TREE CUTTING

With Christmas not too far away, remember that it is unlawful to go into any likely looking woods and chop down a Christmas tree without first getting permission from the owner of the property. Anyone carrying a tree in his car must have a bill of sale or other documentary evidence showing ownership. Violation of this statute may bring a fine of \$25 to \$400 and a jail sentence not exceeding 90 days.

## Sport News of the Week

Holland Christian defeated Saugatuck last Friday evening on the local armory floor by the score of 41-8. Van Faassen and Brower made the majority of counters for the Tulsamen. Saugatuck was held entirely scoreless during the third quarter, while Holland Christian collected 11 points during the interval. The score was 18-5 at half-time. Holland Christian's reserves won easily, 29-9.

With Van Dord of Holland high dropping in 20 points, the local school convincingly defeated Ottawa Hills high school in Grand Rapids Friday night by a score of 42-29. It will be remembered that Holland high was defeated by Muskegon last year in Class A finals. They looked good enough to repeat last Friday. Ottawa reserves received a 28-7 trouncing from local reserves. The score at half-time was 18-7.

All-MIAA choices this year fell on Howdy Schaubel, end, of Grand Rapids, and Mayo Hadden, tackle, of Holland. This year, both Hope students. Alma placed four men, Hilledale three, Hope two, Kalamazoo three, and Albion one.

Hope college won its first basketball game last Thursday evening on the local armory floor from Ferris Institute of Big Rapids, 39-17. Lee Brannock was high scorer for the locals with 15 points. Hope led at the half, 18-7. Frequent substitutions were made by Coach Hinga. Bob Vanden Berg sustained a broken nose in the game.

## SPORTSMANSHIP AND APPRECIATION

November 16, 1937.

Mr. J. M. Beam  
204 Summer Street  
Battle Creek, Michigan

Dear Mr. Beam:

I appreciate your word relative to the fine types of sportsmanship displayed in your games over the week-end, including the Lansing-Central-Lansing-Eastern contest on Friday and the Muskegon-Holland game on Saturday.

I am sure that it is gratifying to schools concerned to know that their teams, spectators and those connected with the teams in official capacities are deserving of a word of praise from the officials who handle the games.

Yours truly,

## P. M. Vanderberg Explains Rule On Xmas Cards

Postmaster Points Out Regulations on Greetings at 1½ Cent Rate

To overcome public misunderstanding as to delivery of Christmas greeting cards mailed unsealed at one and a half cent postage rates, Holland Postmaster Louis Vanderberg called attention to postal laws and regulations which govern mail of this class.

The regulations governing third-class holiday matter advise that greeting cards mailed at one and a half cent rate may contain simple written inscription, not in the nature of correspondence, such as "Merry Christmas," "Sincerely Yours" and "Happy New Year," without transgressing the "no writing" rule.

Letter carriers are prohibited from forwarding or returning to senders cards undelivered on first attempts. Patrons planning to send greeting cards of an expensive nature are urged to post them under first class rate of three cents for delivery outside of the postal area, or two cents in the city.

## POST OFFICE PREPARED FOR EXTRA RUSH: ASKS COOPERATION

Postmaster Louis J. Vanderberg requested, today, the cooperation of all local people to mail packages for Christmas mailing early, in order to avoid the holiday rush. No deliveries except on specials will be made on Christmas Day in order to allow postal employees to spend the day at home. With the receipt of his Christmas stamp supply, Mr. Vanderberg stated that the local post office is prepared to care for the additional rush. During the rush season, 15 additional workers will be employed.

Such cards may be sealed and return addresses given, in which cases effort will be made by the department to deliver the pieces or return the mail to senders. Large numbers of cards posted third class are disposed of each year as postal waste due to change of addresses, Mr. Vanderberg points out.

As a large quantity of foreign mail from this post office is mailed to Italy, the Netherlands, Poland and Czechoslovakia, Mr. Vanderberg says the latest mailing date, so that mail will reach these places by Christmas, is December 13.

It is well to give the local post office the fullest cooperation. When mailing packages, write or print the name on plainly—look it over for a second time to see if it is correct and legible. Also see that the package has a return address and by all means pack it securely so the package will not "bust" open in transit.

## ACCOUNTING DEPARTMENT ACCOUNT FOR FINE SPREAD

## FARMER NIGHT SCHOOL STARTS DECEMBER SEVENTH AT ZEELAND

The seventh annual farm night school conducted by the agricultural department of the Zeeland schools began Tuesday, Dec. 7 at 7:45 p. m., in the agricultural room of the high school.

A council of former members has met and adopted the program to be followed. The fundamental conditions prevail as were revealed by the Zeeland trade area survey two years ago. One-third of the farms on record in this part of the state made a labor income of only \$302 as against \$2,093 for another third. It is important, for the best interests of this community, that the income of farmers be the best possible.

The records show that there are three fundamental weaknesses that need study, namely, crop practices, dairy management and egg production and marketing. These defects seem to be a matter of farm management. It was therefore decided to offer a farm management course, meeting once a week for fifteen weeks. The following schedule is to be followed:

Dec. 7—Study of farm income.  
Dec. 14—Relationship of farm success factors to labor income.  
Dec. 21—Management of legumes.

Jan. 4—Management of pastures.  
Jan. 11—Management of cereal crops.

Jan. 18—Farm rotations.  
Jan. 25—Farm layout planning.  
Feb. 1—Starting farm accounts.  
Feb. 8—Dairy income factors.  
Feb. 15—Breeding dairy cattle.  
Feb. 22—Forming a bull ring.  
Mar. 1—Cow testing association.  
Mar. 8—Poultry income factors.  
Mar. 15—Producing and marketing quality eggs.

Mar. 22—Horse management.  
Farmers interested in trying to solve their problems are invited to attend these meetings. There will be about five specialists from Michigan State College to assist the agricultural instructor. A minimum charge of one dollar is to be charged for the entire series to cover necessary expenses.

Bernard Diekema, seven years of age, son of Mr. and Mrs. Gerrit Diekema of Borculo, fell while playing at the Borculo school, fracturing his collar bone.

Mrs. H. R. Stroeve, West 17th st., Holland, was host to Mr. and Mrs. John Wyngarden and family, Mrs. D. Van Sytzama, and Mr. and Mrs. Fred Van Sytzama, all of Zeeland, on Thanksgiving Day.

## Kroger President Receives Safety Award on Behalf of Championship Truck Drivers

Left to right: Albert H. Morrill of Cincinnati, president of The Kroger Grocery and Baking com-  
pany; H. H. Kelley, Washington, D. C., chief of the Safety Bureau, Division of Motor Carriers, Inter-  
state Commerce Commission, and Sgt. Paul T. Beaverford, chief of the Safety Bureau of the  
Indiana State Police.

A plaque emblematic of the  
United-States Safety Champi-  
onship for truck fleets was presented  
Albert H. Morrill, president of The  
Kroger Grocery and Baking com-  
pany, in Louisville recently at the  
national convention of the Ameri-  
can Trucking Associations.

The presentation was made by  
H. H. Kelley, Washington, D. C.,  
chief of the Safety Bureau of the  
Motor Carriers Division, Interstate  
Commerce Commission.  
Mr. Morrill accepted the honor  
on behalf of the truck drivers of  
the Indianapolis branch of the

Kroger company, who established  
a record of driving 3,085,161 miles  
during a 12-month period ending  
July 31, 1937, without a single ac-  
cident.

Sgt. Beaverford represented  
Indiana at the convention session  
and acted as personal escort to Mr.  
Morrill.

## ALLEGAN COUNTY

Mr. and Mrs. George Babcock of Saugatuck observed the fifty-fifth anniversary of their marriage Tuesday at their home. Mrs. Babcock, native of Saugatuck, before her marriage was Miss Hattie Williams, daughter of Mr. and Mrs. James G. Williams. Her father was a pioneer lumberman and mill owner who came to Saugatuck in 1850 after walking through the snake-infested swamps from Ohio to Michigan. Mr. Babcock came from

Ohio in 1881 as a fruit buyer and was married to Miss Williams at her parents' home on Thanksgiving day in 1882. With the exception of 11 years, when he organized the Pope Beet Sugar Co. of Harvey, Ill., they have resided in Saugatuck. He was a successful fruit farmer and produce buyer many years until 15 years ago when he established "The Elms" here. Mrs. Babcock is active in church, club and music circles. They have one son, Prof. McLean Babcock, assistant to the dean of engineering and in charge of engineering law at Penn State college. State College, Pa. Mr. Babcock has always had a large peach orchard and George surely "knew his peaches."

Active campaigning for funds for the Allegan City Community chest closed last Saturday with a total of between \$600 and \$700 collected, not half of the \$1,500 goal, according to E. B. Killian, chairman of the drive. Members of the committee were working this week picking up promised donations and pledges from various organizations and businesses. Largest of all contributions was that of Blood Brothers Machine company and employees, who gave nearly \$300 to the chest. Other local firms were equally generous according to the number of persons employed.

### A PEEP AT THE MENU

MENUS are many courses long in South America—and the cuisine encountered along the way one of the admirable features of the weekly cruises to Peru and Chile. The item which seems to be the common denominator of all menus in Peru and Chile is *casa de oca*—a luscious concoction of casseroles containing large pieces of chicken, whole potatoes, whole ears of corn, rice, onions, and green peppers. Other popular Chilean dishes are *pancho pite* which is also a casserole dish composed of beans, corn, and poached eggs cooked in best juice flavored with garlic; *empanadas de horno* which are turnovers with a filling made of raisins, stuffed olives, and meat and onions and peppers chopped up together; *papas holandesas*; mashed potato patties hol-

lowed out and filled with chopped meat or cheese, and onions—dipped in beaten egg and fried. Alligator pears are excellent in South America and play a leading role in recipes. They are usually served in salads—one general favorite is alligator pear stuffed with shrimp served with mayonnaise dressing, or simply sprinkled with lemon juice. Another delicious salad is *ensalada de bacalao*, made of flakes of cold boiled codfish topped with a layer of raw sliced onions, topped in turn with slices of cold boiled potatoes with a dressing of vinegar and oil, ringed round with slices of alligator pear. A highly favored version of banana is *banana en dulce*—bananas sprinkled with cracked meal, cinnamon and powdered sugar placed in a pan greased with melted butter and baked slowly in the oven.

of Fennville, has received 11,000 bushels of Keiffer pears from Benton Harbor which will lengthen the season's work by about five weeks.

Saugatuck citizens have made it possible to have this community represented at the thirty-fifth annual Older Boys conference at Battle Creek.

Suffering from a broken right leg as a result of having fallen on an icy step, Friday, Mrs. Elvora Lamoreaux, 73, prominent resident of Fennville, was confined to Douglas hospital.

Mr. and Mrs. E. S. Parrish of Saugatuck entertained Rev. and Mrs. Egbert Winter and daughters of Holland, Mr. and Mrs. Henry Jager and Mr. and Mrs. Will Taylor for dinner last Friday. The Taylors will spend the winter in the east.

Jane Brady of Saugatuck, is a member of the social committee and the candy committee of the Women's League at the University of Michigan. Rowena Sheffer, also of Saugatuck, is a member of the social committee.

Mr. and Mrs. A. L. Rehberg are enjoying the winter so far in Saugatuck for the first time in several years. They usually go to California. Not being used to ice and snow Mrs. Rehberg had a bad fall in her back yard that bruised her up a bit, but she is getting along nicely.

Plans are being made for a community Christmas program. A large choir is wanted for part of the program. Sunday evening, Nov. 28, at 8:00 o'clock at the M. E. church. Practice will begin of the Christmas music. Mrs. John Tillingshous, who has recently moved to this community and who is an instructor in voice, will direct the singing. If you sing be sure to come and take part. If you do not sing come anyway and join in the evening of worship.

Funeral services for Henry H. Baker, 78, Drenthe, former merchant of that city, were held yesterday at 1:30 p. m. from the home, burial taking place in Garfield cemetery. The widow, Elizabeth; four daughters, Mrs. W. Nykamp of Hamilton, and the Misses Anna, Cora, and Elizabeth, Grand Rapids; three sons, Gerrit, Harry, and John, all of Jamestown; one sister, Mrs. C. P. Danstra, Ratan, N. M.; 24 grandchildren, and 10 great-grandchildren survive.

**ACTRESS DESIGNED TROUSSEAU**—Anne Shirley, 18-year-old radio star, who was recently married to John Howard Payne, designed her trousseau wardrobe herself, including this lovely formal street ensemble made of transparent black velvet and trimmed with cream colored lace.

**SWINGTIME WITH THE ROCK-ETTES**—It's not all work for the famed ballet girls of New York's Radio City Music Hall. They have de luxe recreational quarters—even their swing, as the photo shows—is upholstered in mohair velvet as softly as an automobile cushion.

**PLAYS FOR CHARITY**—John Montague, Hollywood's mystery golfer and strong man who was acquitted recently of an old robbery charge, made his first limelight appearance in a charity golf match with Babe Ruth on a Long Island course. He used golf clubs instead of the shovel with which he once beat Bing Crosby.

**A NEW FACE FOR 1938**, is the smartly styled DeSoto with the horizontal chromium bars of the grille sweeping back to form the louvres of the car. **ZIMMER BROS. RETURN WITH 300-LB. BEAR**  
(Coopersville Observer)

Fred and Tom Zimmer, who reside southwest of Coopersville, returned the first of the week from a deer hunting trip to the upper peninsula. However, the fine buck which they brought home was not the center of attraction, but rather it was a 300-pound black bear which they had shot in one of the upper peninsula's swamps, located near Trenary. The bear dressed out at 240 pounds, and those familiar with these animals say that it must have weighed near the 300-pound mark when alive. The pelt is coal black and certainly is worth seeing. 1937 will undoubtedly be remembered by the Zimmer Bros. as "the year we got the bear."

**DRAIN REPAIRING WILL START AS WPA PROJECT**

Repairing and cleaning out drains in Ottawa county as a WPA project will start Monday, according to Fred Van Wieren, county drain commissioner, who is in charge of operations.

He will put on 20 men in Chester township to work on the De Boer drain and 20 men in Zealand township to clean out an extension of Black creek drain. He stated he has projects sufficient to employ 200 men.

**MICHIGAN RETURNS TO ITS CASTOFF EGG LAW**

Returning to the basic egg law of 1927-28, Commissioner John B. Strange today signed Michigan's Ruling No. 650 governing the sale of eggs. This ruling replaces the order providing for the sale of eggs by the pound, rather than by the dozen, cancelled August 1st by Commissioner Strange as impractical. Section of the new order providing against the sale of inedible eggs will be strictly enforced in an attempt to improve the quality of eggs being sold at retail throughout the state, according to the agricultural department head.

The new ruling establishes the grades for eggs, complying with federal standards, for dealers who might desire to handle eggs of this quality. The four grades established are to be known as Michigan Fancy, Michigan Grade A, Michigan Grade B and Michigan Grade C, with the ruling providing definitions for each.

**New Rule Speeds Game**

Basket ball fans this year are going to see a much faster and more exciting brand of ball than they have ever before witnessed on a hardwood court. A new ruling which goes into effect with the start of this season has eliminated the center jump between field goals. The ball will be placed in play in the same manner in which it was taken last year after successful free throws, by the team scored upon immediately after the ball passes through the net. This does away with the time between the scoring of the goal and the ensuing tip-off. An excellent opportunity is afforded here for a fast break down the floor before the defensive team can fall back into position.

More players are also expected to see action, because sixty minutes of unhampered scrimmage is quite a load for any player to carry.

**EDUCATION PROBLEMS DISCUSSED IN CHRISTIAN SCHOOL**

The educational committee of the board of trustees of the local Christian schools, together with all of the 25 faculty members employed in the system, met Thursday evening in the Fourteenth St. Christian Reformed church. James Hietbrink, a member of the high school faculty, and Miss Frederica De Jong of the elementary school faculty, presented papers on educational problems. The meeting was presided over by the Rev. H. Blystra. Mrs. James Langeland and Mrs. Tom Buter were in charge of refreshments served at the meeting.

**ROTARIANS TO GIVE ROUND OF PLEASURE TO POOR "KIDDIES"**

Arrangements were made at the regular meeting of the Rotary club Thursday noon at the Warm Friend Tavern to again hold their two annual parties for underprivileged children and children of the orthopedic room. The orthopedic room children will be entertained at a party by Rotarians on December 16, at the Tavern. A Christmas program will be presented before the club by the children under the direction of their teachers, Miss Verda Hawkins and Miss Donna Lindale. Santa Claus will be present.

The Santa Claus of the Rotarians will again perform on December 22 at the Holland theatre, where several hundred children from Holland and Zealand will see the movies, "Peter the Rabbit" and "Mickey Mouse." Candy and oranges will be given by Santa to every boy and girl who attends. Genial "Bill" Berg of the Michigan Gas and Electric Co. is president of the Rotarians.
