Council OKs Permanent 'Islands'

3 Dissenting Votes Cast on Commission's Recommendation

By a vote of 6 to 3, City Council Wednesday night approved a recommendation of the new Traffic and Safety Commission to make the traffic islands on Central Ave. at 26th and 30th Sts. permanent. The islands had been installed on a temporary basis for several months.

The permanent islands will follow these specifications:

1. Sides to be eight inches high and constructed of reinforced concrete curbs.
2. Corners to be rounded off and drawn back 1 to 1 1/2 feet leaving the side 21 to 21 1/2 feet.
3. Center to be landscaped, but flowers or shrubs in the islands are not to exceed three feet from the street.
4. ReflectORIZED "keep right" signs to be maintained as at present.

Casting dissenting votes on making the islands permanent were John Van Eerden, Raymond Holwerda and Henry Steffens.

The Traffic and Safety Commission also recommended that yield right of way signs be installed at Central and 30th. Council approved this move unanimously. Henry Vander Ploeg, chairman of the Traffic and Safety Commission, explained that the traffic islands had been the sole subject of discussion at two commission meetings which involved a total of six hours. "There are no silent members on the commission," he added.

Councilman William Heeringa asked whether fire trucks could get around the islands and was informed that a pumper had made such tests early in the program. The aerial ladder truck would have difficulty, but the need for such equipment in that area of the city is considerably less than in the downtown area.

Van Eerden said he opposed the traffic island idea in the belief that it would accomplish nothing more than four-way stop signs.

When asked how soon the islands would be installed, City Manager Herb Holt felt this would be accomplished quite soon. He said plans also include moving the intersection street light so that it would shine directly over the island, thereby intensifying it.

In other traffic matters, a query of Heeringa on possibilities of a traffic signal at Eighth and Pine revealed that this had been recommended in the latest AAA traffic survey for Holland, and that the matter likely would be referred to the Traffic and Safety Commission at its next meeting. On suggestion of Councilman Raymond Holwerda, the entire AAA report will be referred to the Traffic and Safety Commission.

Also on the traffic front, Council passed an emergency ordinance correcting the ordinance code number of the Traffic and Safety Commission passed last September. It will be known as chapter 1 of article 9 instead of article 8.

With no objections filed, Council granted a variance, for a period not to exceed six months, allowing a 12 by 18 foot temporary frame building at United Motor Sales at 897 South Washington Ave.

Council granted permission to the Salvation Army to solicit funds on the streets from Nov. 28 to Dec. 25 and to Washington Square Merchants to play Christmas music during the Christmas season. The city manager was granted permission to pass on similar requests for this year only.

Claims presented from Edwin D. Kraai for damage to his car resulting from an accident with a city-owned truck and one filed by Janet Polet who fell on the City Hall steps were referred to the city attorney and to the various insurance companies.

Notes of thanks were read from the Vander Meulen family and from Mrs. Anne T. Diekema thanking Council for expressions of sympathy in the deaths of Mrs. C. Vander Meulen and Wilson Diekema.

Council decided to waive the license fee for troop 55, Maplewood Reformed Church Boy Scouts, selling Christmas trees at 782 Columbia Ave. from Dec. 5 to 25.

A communication from Holland Tulip Time Festival, Inc. requesting renewal of the lease for the site of the Little Netherlands was referred to the city attorney for preparation of a new lease to be presented to Council for approval. The letter requested a 10-year period at a rental fee of \$10.

Council okayed an application from William Mokma for a permit to move a two-story garage from Kollen Park to Pilgrim Home Cemetery. The mayor explained that neighbors had objected to the site chosen at Kollen Park.

Council approved resolutions on bonds for the 1954 paving program and for time and place for receiving sealed bids. Reading of the lengthy resolutions was waived.

Council okayed a request from Gerald A. Raffensud to change the ownership of Washington Square Beverage from the Raffensud es-

Report on Fire Drill Activities

Authorities at both local high schools today announced that the schools have been holding fire evacuation drills at regular intervals throughout the school year.

Holland Senior High School officials said three drills have been held in the past three months, and in none of the drills did evacuation take longer than two and a half minutes.

The Junior High has held a similar number of drills, officials said, with fine cooperation shown by the students in following out instructions. Drills have also been conducted in the Annex Building and in the Third Reformed Church classrooms.

Authorities noted that a complete remodeling job has been completed at the Third Reformed Church classrooms to conform with state fire safety regulations.

Christian High School officials also reported that they have held three fire drills during the current school term. In the last drill, officials said, the old building was evacuated in a minute and 15 seconds, while the new building was emptied in a minute and 25 seconds.

Regular fire drills are also held at both parochial and public elementary schools.

Survivor of School Tragedy Tells How 24 Friends Died

Editors' Note: Carol Neagle, 13, was one of the few children to escape from an eighth grade class room in Our Lady of the Angels school Monday. Twenty-four of the 90 victims of the fire died in that room. Here is her story of how the children waited for death, told for the first time and in her own words.

By Carol Neagle
As told to UPI

CHICAGO (UPI)—He was right behind me—Larry Grasso was—but the smoke was so thick and black I couldn't see past him. He put his fingers around my neck and began to choke me.

"Carol, you've got to let me have a little air," he cried. "I've got to have a little room by the window. I can't breathe, Carol. I'm choking. Please, just let me get a little breath of air out the window."

Then he apologized for putting his hands on my throat and I

tried to push over to give him some space by the window. But we were squeezed so tight there was no room to push.

Larry's dead now. So is Roger and Karen and all the others. I can't sleep thinking about them. I remember how right after lunch Sister Mary Helene—she's our teacher—asked for 10 boys to go to the church basement and pack clothes for a charity drive. Thirteen boys volunteered so she sent them all.

They probably saved their lives by volunteering. Well, then we started studying English. It was 2:40—I remember looking at the clock and thinking that in another five minutes it would be time to begin getting our coats—when a girl came running in the back door, coughing real badly. She went to Sister Helene and said something.

The sister looked at us and said to get up calmly and walk

'Statement of Facts' Filed In Maplewood School Case

Gordon Cunningham, attorney representing the Maplewood school district, has filed documents entitled "statement of facts" with the State Board of Education in connection with an appeal filed by the Maplewood board Nov. 10 protesting transfer of 440 acres (400 in Holland city) of Maplewood district to the newly reorganized Hamilton Community School district.

The "statement of facts," which Cunningham says is a list of facts leading up to and including action of the Allegan County Board of Education Nov. 5 in approving the transfer, was filed Nov. 29 with Lynn Bartlett, Superintendent of Public Instruction who also is secretary of the State Board of Education. Two copies were filed with Bartlett, Cunningham said.

Accompanying this "statement of facts" was a map of Maplewood area designating areas already transferred and those currently seeking transfer. Cunningham explained that a couple of areas

were transferred some months ago. He said there was no objection to transferring these areas, but there is considerable objection to transferring areas lying within the city to another school district.

A similar request for transferring a part of Harrington district to Hamilton Community Schools was turned down at a meeting of the joint boards of Ottawa and Allegan counties Nov. 12 in Pioneer School southwest of Graftschap. Cunningham and Vernon D. Ten Cate, local attorneys, represented Harrington district at the meeting which lasted more than two hours.

Both county boards were present because Harrington district is a fractional district lying in both Allegan and Ottawa counties. The section seeking to be transferred lay in the southern part in Allegan county.

Cunningham said the two boards decided they were without jurisdiction in view of the fact that they were unable to establish that there was a sufficient number of valid signatures on the petition.

Dutch Blast Scots, 94-73 For First Win

Exploding in the second half with a combination of better shooting and a stronger defense, Hope College's basketball team rolled over Alma College, 94-73 Wednesday night in the Civic Center before 2,300 fans.

Hope looked like a different ball club in the second half and began to display it with the opening tip. Although leading 48-40 at the half, the Dutch had had trouble with their shots, were missing frequent passes on so-so ball handling and were slipping on defense.

But they jelled quickly in the last half and in a minute and a half had pushed their lead to 14 points. Three minutes later they had run the score to 61-44, allowing the Scots only two outcourt baskets by Jim Northrup, who popped 12 in the game.

Warren Vander Hill and Paul Benes took care of the scoring in the early second half rally while the entire team applied the defensive clamps. Benes made five baskets and Vander Hill added seven points.

Hope continued to increase its margin and with 6:15 left held a 26-point advantage, 86-60. Soon after, Coach Russ De Vette had all his regulars out of the contest.

The Dutch shooting in the second half was an even 50 per cent on 20 baskets in 40 tries. In the first half, Hope had made 19 of 51 tries for 37 percent. This gave the Dutch 39 of 91 for the game and a 43 per cent mark.

This figure was duplicated by the Scots, who will be heard from in the MIAA this year. They connected on 18 of 43 in the first half and sank 15 of 37 in the second half and ended with 34 of 79 for 43 per cent, shooting identical percentages in each half.

The Scots caught up with Hope at the 10-minute mark in the first half and tied the score 23-23. Hope held the lead the rest of the half but Alma drew within two points again with 4:45 left.

Benes and Vander Hill scored 50 of Hope's points with the Dutch captain getting 26 and Vander Hill 24. Vander Hill made 17 of his in the first half and Benes pumped 16.

Ray Ritsma had trouble getting started but picked up his first basket with two minutes to go and then added four more in the second half and finished with 15 points. Ritsma also snagged more rebounds in the second half and ended with eight of the team's 27 for top honors.

Wayne Vriesman, who turned in a nice game, was second in the rebound department with six and Benes followed with five. Darrel (Whitey) Beernink, proved again to be Hope's best floor man. He intercepted a few passes resulting in layups and did some fine passing off to his teammates. Northrup added two free shots to his dozen baskets for 26 points and Ferris Saxton followed with 11. Hope made 18 of 27 free shots and the Scots, five of 11.

The victory was Hope's first in MIAA play and the Dutch travel to Adrian Saturday night to face the always dangerous Bulldogs. Hope lost the opener to Valparaiso and has a 1-1 record.

NEED ANY HELP? — The snowfall in Holland measured six inches Saturday but Bob Bernacker of 1947 South Shore Dr. jokingly offered the services of a 160-pound St. Bernard dog to Holland police in case the snow gets too deep and someone was missing.

Officer Gerald Kok thanked Bob and his dog "Brandy" but declined the offer. The dog is the mascot of Bob's fraternity, Sigma Alpha Epsilon at Michigan State University. Bob is taking care of the dog during the Thanksgiving weekend. (Sentinel photo)

Hulst Leads Victors With 22 Markers

Holland Christian's cage squad turned on the steam in the second half Friday night to whip a fast, rugged University High quintet, 50-35. The contest, played before over 2,200 fans on the Civic Center court, was the curtain raiser for both squads.

The game, although a rather typical opener, was nip and tuck throughout much of the first three quarters, before the Maroons pulled away steadily in the closing stages. Both squads were guilty of many misplays, which can be expected in first games, but they showed flashes of fine play throughout the tilt.

Contrasting styles was the feature of the play, and caused many of the errors by both quintets. University High, coached by Earl Borr, formerly of Holland, played a race horse type of game, trying to capitalize on the fast break most of the time.

Coach Art Tuls, experimenting with several combinations as well as shuffling his players around, played mostly a set style of play. The Dutch relied on plenty of movement as well as screens from the slower style of play.

Despite the full court press put on by the invaders, Christian's inexperienced back line of Arlyn Lanting and Ken Walters got by with the minimum of difficulty. Although both boys are fine out-court shooters, they were unable to connect during the night. Paul Brink, another junior, with no experience, came through adequately in his guard substitute role.

The invaders got the jump on the Dutch with the first three points, but quick baskets by Hulst and Wedeven moved the Dutch into a 4-3 lead. Both clubs traded baskets and foul shots to stay on even terms throughout the rest of the period which ended at 9-9.

Kalamazoo made its big bid early in the second quarter as the fast break began to click to take a 15-9 lead. At this point Hulst started to connect with three straight one handers, and Wedeven started to cash in from the foul lane. With two minutes left the Dutch had taken over 19-17. They kept the margin to lead 21-19 at halftime.

Both clubs missed numerous easy shots in the third quarter with Christian still clinging to four point margins. Finally with three and a half minutes remaining, the Dutch clicked regularly to up their lead to 35-25. At the period's end, Christian still led 37-27.

Frank Visser began to team with Hulst in the scoring column in the final period as the locals continued to increase the bulge slowly but steadily. The losers had definitely run out of gas, while the locals were picking up momentum. Kazoo managed to get balanced scoring in almost every period, but couldn't manage to surpass the local out in any quarter.

The losers got fine performances from aggressive Tom Brown, Tom Vander Molen and Dave Hamilton. All are excellent ball handlers and aggressive performers.

From the foul lane, Christian connected on 13 out of 25, while the losers hit 11 out of 23. Hulst was far and away the leading scorer with 22 points, while Wedeven had 12. Brown and Vander Molen tied for "U" High honors with nine each.

Christian next travels to Muskegon on Dec. 9 to meet Muskegon Christian, defending state class C champs.

Man Rescued After Ordeal

GRAND HAVEN (Special) — Don L. Olsen, 31, Spring Lake, was glad to return home Saturday afternoon after being stranded in Grand River for several hours.

Olsen had gone hunting at 9 a.m., using a 12-foot fibre glass boat. He was successful in bagging four ducks but he ran into trouble when his boat ran out of gas.

Melvin Ruiter, who lives nearby, noticed Olsen's plight at 2 p.m. and called Conservation Officer Harold Bowditch. Bowditch and Ruiter, the latter's father, Bart, and Clyde Yonker, then went out in Ruiter's boat and managed to get Olsen onto an island before Ruiter's motor conked out in the extreme cold.

Then Edward Borchers and Ollie Castle, both of Spring Lake, took Borchers' carp fishing out and brought Olsen and the others back to land.

The Grand Haven fire department also responded with its Army duck but it became stuck and the Ottawa County Road Commission brought out a bulldozer to extricate the duck.

It took seven men to pull the ice-covered Olsen boat to shore in the cold blustery weather.

Noyd Drills Dutch Seconds

"We're coming along, fine but we can stand a lot of improvement," commented Coach Bill Noyd today on his Holland High reserve basketball team which ended with a 9-1 record last year.

Noyd said of his recently-paroled 15-man squad that passing and ball-handling seemed to be the weakest points and that the physical condition and height of the players were the two biggest factors this year. The average height of the team is between 6' and 6' 11".

At forward, Ben Farabee and Dick Hilbink hold the edge over Bob Klaver and Gary Alderink. Doug Boven, another forward, is likely to see limited action this season.

Russ Kleinhessel, the tallest man on the squad at 6' 2 1/2", presently is ahead of Dave Masselink and Jim Borowski at center, Noyd said. Art Dirkse and Rog Buurma are likely to remain in the starting lineup at guard. Other players vying for the first-string berth are Gary Vander Molen, Chuck Klomparsen, Gary Teall and Carl Steel.

Steve Groters, the only junior on the squad, can play any position but has not attended practice regularly because of a sprained foot. Groters was called down from the varsity to gain added experience.

Holland's reserves open the season at the Civic Center Friday against Grand Rapids Ottawa Hills. All games start at 6:30 p.m., prior to the varsity games.

Other games on the schedule include: Dec. 9, Godwin, here; Dec. 13, Kalamazoo Central, here; Dec. 19, at Muskegon Heights; Dec. 23, at St. Joseph; Jan. 2, East Grand Rapids, here; Jan. 6, at Muskegon; Jan. 9, Benton Harbor, here; Jan. 16, Grand Haven, here; Jan. 27, St. Joseph, here; Jan. 30, Muskegon Heights, here; Feb. 6, Muskegon, here; Feb. 13, at Benton Harbor; Feb. 20, at Grand Haven; and Feb. 28 at Ottawa Hills.

Local Schools Are Inspected Twice a Year

Holland City Fire Chief Dick Brandt said today that each school in Holland is inspected at least twice a year by the Fire Department, and all are rated highly in fire safety measures and precautions.

The inspectors, Chief Brandt said, check the heating system — where it is located, what condition it is in, the observance of safety precautions relating to the heating system — and also check such things as fire escapes, drill procedures and the regularity with which drills are held.

Michigan state law requires that fire drills be held in the schools at least six times a year.

Chief Brandt pointed out that many of the local elementary schools are single-story, which would enable children to jump out of the windows in case of fire with only a small chance of injury.

At present, all Holland schools, including those in the newly-annexed areas, are having a special box-number assigned to them, Chief Brandt said, to enable firemen to go directly to the school in case of fire.

Furthermore, he said, all Holland schools have "star" boxes, meaning that both stations automatically answer with equipment if the alarm is pulled.

Two of the Christian schools in the city, including the high school, were checked by the fire department on Tuesday, Chief Brandt said.

Holland Group Favors Airport For 3 Counties

Interest in possibilities of maintaining a tri-county airport in western Michigan was revived at a regular meeting of the Holland Planning Commission Tuesday night in City Hall.

Specifically, the local commission passed a resolution requesting the Kent County Board of Supervisors to delay a final decision on an airport for Grand Rapids until more consideration can be given to a tri-county airport which would serve Kent, Muskegon and Ottawa counties.

Planning Consultants Spot Bagby and Bob Boatman, who have had the proposal under study for a long time, explained possibilities of a metropolitan airport from the viewpoint that future transportation developments point definitely to air services.

Representing the Chamber of Commerce at Tuesday's meeting were William H. Vande Water, executive secretary, and Charles Cooper. Cooper, who is in the trucking business, pointed to growing possibilities of air freight on long hauls. Conceivably, the right airport facilities in this section of Michigan could serve as stopoff for coast-to-coast flights.

Previous meetings on tri-county airport issues point to Coopersville area as being the ideal place for such facilities. This location would be near US-16 which connects Grand Rapids and Muskegon and would also be 20 to 35 minutes from Grand Haven and Holland.

In other business, the commission had further discussion on the proposed subdivision ordinance. No definite action was taken.

Saugatuck Beats Marne

SAUGATUCK (Special) — Saugatuck's basketball team started out on the right foot Tuesday night with a resounding 78-37 trouncing of Marne in the Saugatuck High gym.

With three members back from last year's district championship team, Coach Jerry Kiekover's club dominated play throughout and pleased the Indian coach with their passing and shooting. The Indians were hitting from in and out and played well for the opener, Kiekover said.

Marne employed a pressing zone defense but the Indians were able to break it quickly with some smooth, accurate passes. Bob Brackenridge, who scored more than 400 points last season, paced the winners with 25 while Tony Hinson followed with 19. John Block had 12, Bill Figley, 11 and Robert Green, eight. Brackenridge, Hinson and Figley played regularly last year. Larry Reyers had 17 for Marne.

The Indians were ahead 28-9 at the quarter and 46-17 at halftime. The third period score was 62-27. Marne won the reserve game, 25-17. Francis Mantel had 17 for the winners and Jim Tyler pumped seven for Saugatuck.

Saugatuck opens Al-Van League play Friday at Fennville.

Reserves Also Pick Up Win

Holland Christian's Little Maroons got their cage season off on a winning note on the Civic Center court Friday night by downing the University High reserve squad, 38-26. The game was the opener for both squads.

Due to the delayed arrival of the Kalamazoo squad, six-minute quarters instead of eight-minute quarters were played. The Maroons were trailed in the contest, but held on by slight leads throughout much of the first half. Freshman Dan Joldersma started the locals with a two pointer, but the Dutch held only a 6-5 first quarter lead.

The Hollanders pierced the Ka-zoo zone defense in good shape in the second quarter to step out to as 18-12 halftime margin. Christian started to pull away in the second half and upped the count to 27-19 at the third period mark. It was pretty much the same story in the fourth quarter with the locals leading by 13 points at one stage.

Christian got some balanced scoring with Harold Diepenhorst leading with nine, followed by Paul Stegenga with eight, Ron Windemuller with seven, Tom Bouwman with four and Dan Joldersma, Tom Bratt, Clare Van Wieren, Ivan Volkers, and Ken Disselkoe with two each. John Gill led University High with eight.

An oddity in the game is that the Dutch made six out of six free throws while the losers were making six out of 12.

World Mission Appeals Planned by Adventists

The 55th annual World Mission Appeal, sponsored by the Holland Seventh-day Adventist Church, opened Saturday with Christmas carolers and the house to house calls.

Leading the volunteer workers participating in the four week city-wide drive is Willard Ter Haar, church home mission director. The goal here is \$3,000.

Funds will go toward extending welfare, disaster aid, and educational service at home as well as a widespread medical, welfare and educational ministry in 185 lands abroad.

On a world basis volunteer adventist workers in 1957 gave 5,868,960 hours in welfare service to 6,029,403 persons. More than \$1,000,000 in cash, some 5,000,000 articles of clothing and 2,356 food baskets were contributed in a relief program conservatively valued at \$24,562,401. Approximately 50 per cent of this was given in North America.

Seventh-day Adventist members themselves contributed more than \$72,000,000 last year toward the support of their church program in addition to welfare activities.

EXIT THE LOG CABIN

It is becoming obvious that the log cabin tradition has disappeared from American politics. To have been born in a log cabin, once almost a necessity, may soon even be a handicap.

In the twentieth century, the first President not reared in a log cabin but born to hereditary wealth was Theodore Roosevelt. Before him McKinley, although not the product of an actual log cabin, was yet born in the log cabin tradition. And before McKinley, a long list of Presidents hailed from real log houses.

Back in the fifties of the nineteenth century one of Lincoln's biggest assets was his frontier rail-splitting background. And before him, candidates sometimes rigged up a float with a replica on it of the log cabin in which the candidate had been born.

Since T.R.'s day things have been different. The first Roosevelt's successor, W. H. Taft, though not a multi-millionaire, was the son of a wealthy Cincinnati family. Woodrow Wilson, indeed, had a humble origin in the South, and Harding and Coolidge came from equally simple surroundings. But all three were at least middle class in their economic origins, not log cabin products.

Then came Herbert Hoover, a multi-millionaire. But the Hoover wealth was held to be all right because Hoover had actually been born in poverty and had made his millions by his own financial genius. Traditionally, American voters admire the self-made man.

But then came Franklin Roosevelt, born with a silver spoon in his mouth and married to a woman who had also been born with a silver spoon in her mouth. In the nineteenth century such a background would have been fatal for a presidential candidate.

But the climate had changed, and the log cabin psychology had changed with it. Today millionaires actually have the edge on people of humble origin.

Averell Harriman proved that four years ago in New York state. The fact that he was the son of one of the "robber barons" of the nineteenth century did not hurt him. This year Nelson Rockefeller proved it all over again. An inherited fortune of a hundred million has not hurt Rockefeller in his political career.

In Michigan, Governor Williams has also proved it over and over. At first he thought it was necessary to disguise his background of wealth by campaigning in a car of ancient model, but lately he has not taken any such trouble. He knows that the log cabin psychology has died in Michigan as elsewhere. And Michigan's new U.S. Senator, Philip Hart, another millionaire, didn't even try to play poor.

The log cabin has disappeared from American life, both physically and psychologically. Where do we go from here? There seems to be a problem all around about more tax dollars being needed. Nothing seems to be done about saving some of our tax dollars.

Jesus' Matchless Power
Mark 5:1-3
By C. P. Dame
(Based on copyrighted outlines produced by the Division of Christian Education, National Council of the Churches of Christ in the U. S. A. and used by permission.)

Mark in his gospel stresses the power of Jesus. He tells us about his power over nature, over demons, over sickness and death. In this lesson Mark portrays the power of Jesus over demons.

I. Jesus came to undo the works of the devil. There are many references in the New Testament to demon-possession. The story of the healing of the demoniac of the country of the Gadarenes is recorded in Matthew, Mark and Luke. The fullest story is told in Mark. Matthew says there were two. Very likely Mark mentions only the leader. Mark says that the man had an unclean spirit. He lived among the tombs and in the mountains. His situation was tragic — the words "crying" and "cutting himself with stones" make that clear. The people near by had tried to chain him but all to no avail.

Many modern scholars think that this man was insane. This explanation may seem reasonable to some but it surely does not answer all the questions. Many of us still believe that demon-possession was a reality in the days of Jesus and that it is still to be found in countries where the gospel is trying to get a foothold. Paul in Ephesians 6:12 says that we are "not contending against flesh and blood, but against the principalities, against the power, against the wicked rulers of this present darkness, against spiritual hosts of wickedness in the heavenly places."

II. Jesus gives release to the enslaved. The demoniac recognized Jesus and said, "What have I to do with thee, Jesus, thou Son of the most High God?" This man proclaimed the deity of Jesus. He also recognized the absolute power of Jesus over him. When the Lord asked the demon what his name was he said, "My name is Legion, for we are many." A legion of Roman soldiers numbered 6,000 men. Heeding the request of the unclean spirit the Lord allowed him and all the devils to enter into a herd of swine. "And the unclean spirits went out, and entered into the swine; and the herd ran violently down a steep place into the sea" and were drowned. We can be sure that this was permitted for some good reason. The demoniac was healed.

III. Jesus leaves when he is asked to do so. Those who were caring for the swine fled to the city and told what happened. When people came out to see they were surprised to see a healed man sitting clothed and in his right mind beside Jesus. The swine were lost but the man was saved. The people asked Jesus to leave their country. They were afraid of other losses.

The healed man wanted to follow Jesus. The Lord refused the man's request. The Lord gave him a task. He told him to go home and to his friends and "tell them how great things the Lord had done for" him and how he had showed him mercy. Jesus not only sent him but also gave him a message. The healed man did as he was told. "And he went his way, and began to publish in Decapolis how great things Jesus had done for him; and all men did marvel" and undoubtedly some believed. This man had a story to tell about his own healing and deliverance from bondage through Jesus and it no doubt was heard by many. Jesus still frees people from the bondage of Satan.

Scenic America Shown
To Literary Club Group

Michigan can hold up her head among states in the United States when it comes to beauty, it was evident from the delightful color films and narration by Edwin F. Petersen, master photographer and musician, at the Woman's Literary Club Tuesday afternoon.

Not only were the movies beautiful in color and detail, but the content was so much different than most travel films. People were shown at work and at play in the near and far corners of the country.

Starting with New York and the harbor and the boats, the film moved across the country. Pleasing background organ music was played by Mr. Petersen as he narrated the film, "America the Beautiful."

Outstanding points of interest in each state and closeups of the most well-known industries were shown. Blueberry cultivation, potato growing, granite quarrying, paper milling and other industries were shown.

When the camera turned to Michigan, the natural pride Hollanders

feel in Tulip Time came to the fore. Mr. Petersen did not attempt to tell his audience anything about tulips, he said "you know more about these flowers than I ever could."

Winter and summer sports in Michigan, scenery that many have seen, but still as beautiful as ever, and excellent shots of the falls and the fruit markets in Berrien County were shown.

Also interesting were the shots of North Pole, New York and the Post Office, which is a popular spot right now. The Rose Bowl pictures shown were outstanding, and Michigan State University was much in evidence in the band, in the stands and on the field as well as in the parade.

Mrs. Clarence Becker, who introduced Mr. Petersen, reported that the collection on Philanthropy Day totaled \$147.33. Mrs. Willard Connor reported on the Ann Landers special program.

Mrs. Jerome Counihan will present "Christmas Sentiment" at the next meeting. A Christmas tea will follow the meeting.

A few weeks after my arrival in Jerusalem, I wrote Col. S. Karachdy at Amman who has two sons attending Hope College, Wyl and Walid. Shortly afterward the colonel called to invite me to spend a weekend at his home. He arranged taxi travel for me from Jerusalem to Amman. These taxis are Ford station wagons that accommodate eight passengers and the driver. They leave every hour for Amman.

Oilers Lose Opening Game

GRAND RAPIDS (Special) — Cook's Texaco Oilers of Zeeland opened play in the West Michigan Basketball League Thursday night losing a close decision to the Grand Rapids Stars, 81-78.

The contest was nip and tuck all the way. Only once did the Grand Rapids team pull to a ten point lead, mid-way in the third period, and then the Oilers' Dave Kempker dropped in six straight points to put Zeeland back into the game.

Trailing by one point, 79-78, with 10 seconds left in the game, the Oilers missed a one-and-one free-throw opportunity. Grand Rapids took the rebound, drove down the floor and dumped in a basket to take the three-point win.

Grand Rapids led at the first quarter, 20-17; the Oilers took a 38-37 lead at half time and the Stars led at the third period, 59-37.

Bob Armstrong, who formerly played with Michigan State University, led the Oilers with 23 points; Dean Vander Wal followed with 20 and Dave Kempker had 12. Tom Newhof, former Calvin College star led Grand Rapids with 17 points. Bob Vander Werf and Glenn Stuart each scored 15.

Nienhuis Named Holland's Most Valuable

Jan Nienhuis, senior tackle on the Holland High football team, was named the most valuable player at the parents-team members smorgasbord Tuesday night at Van Raalte School gym.

Nienhuis, who played regular tackle for two years, received the Elks trophy, presented by Fred Stokes, on behalf of the organization.

One of the best defensive players on the squad, Nienhuis was also selected honorary co-captain with senior halfback Bob Teall. Teall was one of the most consistent backs on the squad.

Bob Klaver, sophomore guard, received the sportsmanship award, presented for the first time by the Dutch coaches to the player, voted by his teammates who showed the most spirit and desire in practice and in the games. The award was a small pair of engraved wooden shoes. Klaver played first string throughout the season and was

well-known for his hard work and friendly smile.

Ken Weller, Hope College end coach, gave a thought-provoking talk to the group. Weller asked and answered the question as to what was "success" as it pertained to the Dutch football team. He felt that they had displayed loyalty and gone all out all the time and this he felt represented "honor" or "success."

He said athletics must fit into the overall program of education. Weller said the lessons learned in athletics are that "you don't get anything for nothing and you must go all the way and do the best you can." He felt it taught the importance of subordinating the individual to the group.

Weller said football is a focal point for morale and unifying interests and aids in making education more meaningful. He felt the athletic program should be a particular part of the educational

program but it shouldn't lose out to entertainment. A balance between the two must be maintained," Weller said, and he thought that balance was kept in high schools and small colleges.

Speaking to the team, Weller said he hoped they were thankful and aware of the things learned in football and how they would help toward their education. And he hoped they had learned something that would aid next year.

Joe Moran, athletic director, was master of ceremonies and Coach Bill Hinga presented letter awards to each player. As each player was introduced his parents stood and were recognized.

The dinner was arranged by a committee consisting of Mrs. Allen Teall, chairman along with Mrs. Milford Hale, Mrs. Otto Schaap, Mrs. Ray Van Heukelom, Mrs. Fred Dorgelo, Mrs. Sidney Jarvis, Mrs. Eleanor Cotts and Mrs. Ed Prins. The Rev. Van Heukelom gave the invocation.

Civic Concert Features An Instrumental Quartet

A small, but attentive audience applauded the Eger Players who appeared in a Civic Music Association concert at the Civic Center Monday night.

The instrumental quartet, which included French horn, violin, cello and piano, presented a variety of compositions in solos, duets, trios and quartets. The program featured everything from Brahms and Bach to folk dances and George Gershwin.

One of the best liked numbers was Brahms' "Horn Trio in E Flat Major, Opus 40." This featured the leader of the group, Joseph Eger with the French horn, Dixie Blackstone on the violin and Richard Weitach at the piano. The haunting melody of this composition and the artistic sensitivity of the performers was appreciated by the audience.

George Koutzen, cellist, joined the other three artists in presenting Gershwin's "Preludes," which employs the jazz medium in serious composition. The quartet also played Serge Prokofiev's "Overture on Hebrew Themes, Opus 34."

"Trio Sonata" by Jean Baptiste Loeillet was presented by the violinist, cellist and pianist as the opening number of the concert. The piano and cello were featured in Bach's "Adagio (From the Toccata in C Major)" and in "Polonaise de Concert" by David Popper. The latter is an old Polish dance in modern dress. A lively group of "Rumanian Folk Dances" by Bela Bartok was offered by the violin and piano.

Joseph Eger was featured with his French horn in Franz Schubert's popular "Serenade" and "The Trout." He was accompanied by the pianist, Richard Weitach, who also gave a superb performance in two solo numbers, Chopin's "Nocturne in C Sharp Minor" and "Waltz in A Flat Major."

The quartet's encore, "The Harmonica Player," which portrayed an old-fashioned American hoe-down, was enthusiastically received.

Following the program, Joseph Eger gave an interesting and humorous explanation of his instrument, the French horn. He demonstrated how, by holding his hand over the bell, or opening of the horn, he can produce a variety of tones on an instrument which has only three keys.

When a youngster in the audience asked why the horn is all curled up, Eger explained that it is 18 to 19 feet long. He said that such an instrument would be difficult to handle, both in performances and transportation.

The Holland Breakfast Optimist Club held its weekly meeting Monday morning at Glatz Restaurant. In the absence of president Ronald F. Robinson, Donald C. Reek, vice president, was in charge of the meeting.

He spoke briefly on the Communist problem and how the Italians are effected by the Communist mode of life. He mentioned that Italians are generally appreciative of the foreign aid they have received and added that Italians are favorably impressed by the United States and the material assistance given.

Mr. Chandler pointed out that the people of Italy have a lower standard of living than the United States and that this is particularly noticeable in the southern part of the country. Most of the farming is done in a primitive way since the farmers lack any of the modern equipment, he said.

FOOTBALL, DISCUSSED HERE — Gordon Serr, (left), Michigan State University freshman football coach, told Murray Hill (second from left) that Hill's son, Al (second from right) should play a lot of football for the Spartans next

Serr, Hill Featured at Football Banquet

Gordie Serr, Michigan State University freshman football coach and Al Hill of Holland, sophomore member of the 1958 Spartan football squad, were the featured guests at the annual Exchange Club football banquet Monday night honoring the Hope College and Holland High grid teams.

More than 125 persons attended the annual dinner at Grace Episcopal Church and heard Serr, who won the MSU "Oil Can" award in 1952 for the team's most humorous member, quip about the 1958 Spartans.

Pointing to the bright spots for 1959, Serr said Michigan State will be helped by several of the sophomores on this year's club including Hill and Jason Harness, an end from St. Joseph and several freshmen such as Art Brandstat-

ter, East Lansing prep star and Gary Ballman, East Detroit half-back. Serr showed movies of the MSU-Michigan game and called Sam Williams, Spartan end and captain, "the greatest college end he has ever seen." Williams has made several All-American teams and was drafted by the Los Angeles Rams before he played college football on the basis of his play in the service.

The frosh coach also predicted great things from Dean Look, MSU halfback who averaged 40 yards on his punts this season. "Look is a great runner and a tremendous competitor," Serr said and hinted that the East Lansing junior may be used at quarterback next year. Hill played in six games this season but failed to win a letter.

He injured his thigh in the Illinois game and was hampered after that.

The former Holland High player plans to play a lot of handball this winter to stay in shape and although he weighs 225 at present has been asked to report next season between 212 and 218.

Hill expects to be used at tackle or guard next season. He played these two spots, along with guard this year. Serr said the Spartans are counting on Hill to see more action next season.

Members of the Hope team were introduced by line coach Gordon Brewer and Coach Bill Hinga introduced members of the Holland High team. W. H. Connor club president, presided and Carroll Norlin gave the invocation and Ken Schellenberger led in community singing.

Council of Church Women Elects Officers at Meet

Mrs. Otto Schaap, president of the Council, welcomed three new groups who have joined during the past year, Rose Park and Christ Memorial Reformed churches and the First Presbyterian Church. In her annual report she briefly reviewed activities of the past year and commented particularly on the highly successful Migrant Ministry program, a new venture this past summer for Holland's Council.

Reports were received from Mrs. Gerald Reinink, chairman for World Community Day, and from Miss Laura Boyd, chairman this past year for World Day of Prayer, both services being well attended. Some 462 pounds of used clothing, 162 pounds of new yard goods and 32 pounds of yarn have been collected locally for distribution through the World Service Center.

Annual reports were made by the secretary, Mrs. de Wolfe, and the treasurer, Mrs. James Hoeksema. A financial report was given by Mrs. George Schutmaat for the Migrant project. Also reporting were Mrs. Gerret Vanderborgh, chairman of the membership committee, and Mrs. James K. Ward, publicity chairman. Douse Blaze In Dormitory

A fire reportedly started by an electric hotplate Tuesday caused considerable damage to a third-floor dormitory room in Durfee Hall, on the Hope College campus.

Three nearby rooms, each inhabited by two girls, also suffered water and smoke damage.

Roberta Bonelli, of New York City, one of the girls living in the room, discovered the fire when she returned to her room about 12:15 and found it full of smoke and flame.

Boys working in the dormitory cafeteria downstairs battled the flames with water hoses while firemen were called. Two pumps and a ladder truck answered the call.

Holland City Fire Chief Dick Brandt said the fire was caused by an electric hotplate which had been left turned on under one of the beds. The bed was destroyed. Hundreds of Hope College students gathered around the dormitory and cheered loudly as firemen threw burning bedding from the windows. Firemen remained on the scene half an hour.

Chix Beat Wyoming In Opener

ZEELAND (Special) — A come from behind 17-point fourth quarter gave the Zeeland basketball team a narrow 57-55 win over Wyoming Park Tuesday night in the season's opener for both clubs before 1,600 fans in Zeeland High gym.

Big Marv Feenstra, who won much acclaim for his rugged football play, took over the scoring and rebounding duties for the Chix in the fourth quarter and was the big gun in recording the win.

Feenstra replaced Jack Van Dort who fouled out in the third quarter and added 10 points in the final frame and got the majority of the rebounds off both backboards.

The Chix were trailing at the end of the third quarter, 43-30 after the Parkers had put on a strong drive early in the period. Zeeland had held a narrow 28-25 halftime lead and were also leading 11-9 at the close of the first quarter.

Wyoming Park made most of its baskets by driving through the middle for lay-ups but didn't hit at all from outcourt.

Zeeland built up a six-point lead in the closing minutes but the Parkers narrowed the margin to two points in the final 12 seconds with two foul shots and a field goal.

Bob Brouwer, junior forward, paced the Chix with 17 points while Wayne Schout and Feenstra each had 10. Keith Hubbell followed with eight points while Van Dort made seven. Jim Van Dam, four and Bill Hansen, one.

Earl Jenkinson led Wyoming Park with 18 and Ed Finn followed with 11. Jerry Berles was third with eight. Zeeland made 14 of 48 shots for 29 per cent and the Parkers sank 15 of 44 for 34 per cent.

Zeeland opens defense of its Keweenaw league title Friday night at Sparta.

Schipper Has Fine Record

Ron Schipper, Hope College's most valuable football player in 1951, has compiled an outstanding record as head coach of the Northville High School football team. Northville blanked Clarenceville, 45-0 last Friday night for their ninth straight victory this season without a setback.

Schipper, who is assisted by Don (Dutch) Van Ingen, another former Hope player, has now coached Northville to 17 straight football victories. The Mustangs have won three straight undisputed Wayne-Oakland League championships.

Northville now has a successive league record of 24 straight wins and has won 25 of the last 27 games. Both setbacks were administered by Plymouth by identical, 13-12 scores.

In his final game, Northville controlled the ball seven times and scored each time. Clarenceville never got inside the Northville 25. Northville was rated seventh in the United Press International Class B ratings, this season.

Schipper prepped at Zeeland and is the son of Mr. and Mrs. S. Brandt Schipper of Zeeland. His wife is the former Joyce Post of Holland and they have a son and a daughter. Van Ingen played his high school football at Holland High. He is married and has one daughter.

Dutch Lose Opener 90-86 In Overtime

VALPARAISO, Ind. (Special) — Hope College's basketball team had its thoughts of an unbeaten season snapped quickly here Monday night as Valparaiso University nipped the Dutch, 90-86 in an overtime in the season's opener for both clubs.

Tied 80-80 at the end of the regulation game, the Crusaders made two baskets and six of eight free shots in the five-minute overtime while Hope made six points, all by senior Wayne Vriesman on two baskets and two free shots.

But from the defeat came a statement from Coach Russ De Vette that can be a warning to the MIAA that Hope will be just as tough, if not tougher this season in defense of its league crown.

A total of 52 fouls were whistled in the closely-called game and eight times the teams walked the length of the floor when the foul was called against the offensive team. Most of the fouls were called on rebounding and on blocked shots.

Hope lost its two big men, Captain Paul Benes and Ray Ritsema on fouls during the contest and Warren Vander Hill, Hope's high-point man with 25 tallies, fouled out in the overtime. Ritsema was the first to leave with ten minutes remaining in the game and Benes left two minutes later.

And the Crusaders capitalized on the fouls and sank 34 of 45 in the game, including 20 of 26 in the second half. Hope made 14 of 27 Ken Young led at the foul line with 10 baskets in 13 tries.

Hope found itself nine points down with six minutes to go in the game. But then they started to click. The Dutch lineup at this time was sophomore Bill Vandervilt, Vriesman, Vander Hill and seniors Jun Buursma and Darrell Beernink.

They cut the margin and Vriesman scored the tying basket with 45 seconds to go in the game. Then each team exchanged missed shots and on Valpo's next try, Vriesman was fouled but missed the single shot sending the game into the overtime.

Hope was ahead in the early stages of the game and held one and three-point margins. The pattern was for Hope to lead and then the Crusaders would catch up. The Dutch led 38-35 at halftime.

Vander Hill had three fouls with five minutes to go in the first half and picked up his fourth in the opening minute of the second half and had to be replaced. Benes committed his fourth foul with five minutes to go and Ritsema made his fourth a couple minutes later and was forced to the bench.

This allowed Valparaiso to go ahead and with 11 minutes to go held a five-point advantage. De Vette re-inserted his regulars and soon Benes and Ritsema had committed their fifth foul. Their loss caused Hope to hit a ragged streak and Valpo took the nine-point lead.

Vriesman scored the first basket of the overtime and then Valpo came back and got the next two baskets and two foul shots. The winners then made four other foul shots while Vriesman scored the basket and two free shots.

Hope received double-figure scoring from its first five with Vriesman following Vander Hill with 16 points. Lou Keller, 6'8" center, paced the winners with 25 points.

Hope Tackle Accepts Bid To Bowl Game

Larry Ter Molen, Hope College's most valuable football player, today was selected on the Little All-American second team and received a bid to play in the Optimist Club All American Bowl Jan. 3 in Tucson, Ariz.

These are the two latest honors accorded the Hope College senior tackle who has been called by his coach Russ De Vette "one of the best players in Hope's history."

He has been a unanimous All-American selection for the past two years, was captain of the Hope team this fall and was a regular tackle all four years.

Ter Molen, called Rocky by his teammates, said today he will accept the opportunity to play in the Bowl but will check with Hope Athletic Director Al Vanderbush and MIAA Judge Advocate Dr. Gay Ernst to make sure there is no school or MIAA rule stating that he can't participate in a post-season game.

According to terms of the game, Ter Molen receives only his expenses to the game. He conferred with bowl officials by telephone after receiving the bid by telegram. He assured them that he plans to participate in the game.

It is believed that Ter Molen is the first Hope player to receive a chance to play in a post-season game and he is the first Hope player to be named to an All-American team.

Ter Molen was informed he would be playing with other Little All-American selections along with some major-college All-Americans. Tom Taylor, Albion College senior end, was selected on the Little All-American first team for the second straight year and will also take part in the Bowl game.

The two MIAA players will probably leave about a week before the game to take part in practice sessions. Ter Molen will find out more details in the next couple weeks.

Bill Huibregtse, co-captain of the 1959 Hope football team, received honorable mention on the Little All-American team.

Others receiving honorable mention were Walter Beach and Orrie Lemanski, Central Michigan; Lovell Coleman and Joe Grigg, Western Michigan University; Don Eugenio, Hillsdale; Bill Klenk, Alma; Jim MacMillan, Wayne State and Don Van Gilder, Albion.

Entertainment was provided by Mr. and Mrs. Len Ellander. Guests were present from Holland, Zeeland and Chicago.

The Bonzelaars have two children, Warren and Ruth, both at home.

Sports Scribe Calls De Vette Real 'Plum'

Hope College has a real "plum" in the knife and fork league in coach Russ De Vette, says Joe Eyer, veteran sports writer for the Muskegon Chronicle.

De Vette recently spoke at the Muskegon Heights team dinner and gave the group, a glimpse into what football was like at a small college.

"We have a football program for two reasons," De Vette said. "First, to have fun, and, second, because it is one sport in which a boy can put out as much as he can physically to do his best. We think that this attribute is helpful to boys in later life."

Eyer praised De Vette for his humbleness. He pointed out how the Hope coach had said what an honor it was to sit alongside such a successful coach as Oscar E. (Okie) Johnson of the Heights. De
