Many Items Processed By Council

A number of routine matters were processed by City Council at its regular meeting Wednesday night.

Following a public hearing with no objections voiced, Council ordered construction of a sanitary sewer in 40th St. from Brooks Ave. east to the railroad right of way.

Council accepted for study a petition from parents of children attending Montello School asking immediate action on solving traffic problems by installing sidewalks on Graafschap Rd. from 21st to 29th Sts.

City Manager Herb Holt remarked that consideration is being given sidewalks in the vicinity of the new Maplewood School, and perhaps a full study of sidewalk needs would be in order.

City Attorney Gordon Cunningham expressed concern over the somewhat abrupt procedures Holland has with ordering in sidewalks. Councilman Henry Steffens said courtesy letters have eased that situation to some degree.

Later, Council approved a motion by Morris Peerbolt for the city attorney to review charter provisions of sidewalk installation and the procedure of considering sidewalks once a year, and report back as early as convenient.

A petition requesting paving of 33rd St. from a point 565 feet east of Pine Ave. to Central Ave. was referred to the city manager for report.

A request from the Board of Education for the city to conduct the special school millage election Jan. 10 was granted. The board will assume costs involved.

The oath of office of Jack Daniels as a member of the Human Relations Commission was filed.

Council granted permission to Washington Square Merchants to play Christmas music during the Christmas season.

Council set a public hearing Jan. 18 at 7:30 p.m. on a request of Holland Furnace Co. to vacate 50 feet of 22nd St. just east of Columbia Ave.

Another hearing was set Jan. 18 on a petition to vacate 44 feet of an alley lying between 18th and 19th Sts. running from Harrison to Cleveland Aves.

A petition requesting water service at 55 East 40th St. was referred to the city manager for study.

Jacobusse Refuse Service Co. was granted permission to raise its rates from 35 to 40 cents a week.

Council approved low bid of the Chicago Bridge and Iron Co. for construction of a 500,000 gallon elevated water storage tank for the Board of Public Works on 48th St. about 2,400 feet west of Waverly Rd. The bid price was \$113,800.

Also approved was a BPW bid of the U. O. P. Air Correction Division for an electrostatic precipitator for \$80,798 in connection with the power plant expansion for unit No. 5. This installation deals with air pollution control.

A Board of Public Works resolution honoring Dr. Adrian Klaasen for his nearly 20 years of service as a member of the board was filed.

City Clerk D. W. Schipper reported on appointments to be made at the first meeting of Council in January. These include two officer members for the board of review for one year and a citizen member for three years; two members to the planning commission for three years, and an Ottawa county supervisor for four years. Council makes the board of review appointments and the mayor the planning commission appointments. The supervisor is appointed by the mayor with advice and approval of Council.

Claims against the city from Maurice Yelton, 1950 South Shore Dr.; Irene E. Van Raalte, 551 Howard Ave., and Emma Newman of South Haven were referred to the city attorney and insurance carrier.

Low bids of Johns Manville for 1200 feet of 10-inch and 810 feet of 8-inch sewer pipe and Y's and stoppers for \$2,653.10 was approved.

Council approved a new plat designated as La-Grande Estates filed by Harold and Julia Schapp. The plat is located between 38th and 40th Sts. just west of Pine Ave.

Approval was given a resolution clearing Social Security for certain city employees. A new ruling by Social Security Administration provides that part-time persons filling full-time positions must be covered. The resolution also covers all persons in elective positions earning in excess of \$5,000 a year.

Council okayed a city manager's report submitting a request from the police chief to eliminate parking on the east side of Maple Ave. between 24th and 26th Sts.

Council set a public hearing Jan. 4 to install a sanitary sewer in 24th St. from Apple Ave. west to the lift station.

City Rejects Building For Island

By a vote of 4 to 3, City Council Wednesday night rejected a proposal of Alvin Bos Co. and Dutch Novelty Co. to construct another building at Windmill Island to operate a food concession and wooden shoe carving demonstration. The building would have become the property of Windmill Island. The proposal had been tabled from last meeting.

Casting dissenting votes were Richard Smith, John Van Eerden, Donald Oosterbaan and Bertal Slagh. Mayor Nelson Bosman and Eugene Vande Vusse were absent.

Slagh, who presided as mayor pro tem felt the city has not been honest with the public in that the windmill does not operate on Sunday and the wooden shoe carver would not be working on Sunday. Questioned later by Councilman Hollis Clark, Slagh said he did not want to imply that anybody was dishonest in the matter and then made it clear that as a merchant he was not interested in operating any souvenir operation there himself, but he did question the lack of competitive proposals.

City Manager Herb Holt explained that the Windmill Committee considered the competitive angle very closely but could not come up with any other proposal. He explained that the food concession was originally awarded after evaluating proposals and the Bos Co. was the only firm to come up with a workable program. He said if bids required the presence of a wooden shoe carver, this alone would restrict the program to the Novelty Co.

Councilman Morris Peerbolt put the program into perspective by stating he always had been in favor of the Windmill Island project even though he preferred a Monday-Saturday operation. He said the Sunday schedule called for curtailed operations which included the sale of flour, windmill pins, postcards, etc., but no klompen dancing. He said people want to buy souvenirs and he felt there was no conflict with the original policy so long as products are kept in good taste and prices controlled. "If prices were outrageous, I would object," he said.

Later in the evening under communications from the audience, William Coupe of West 22nd St. registered objections that the windmill did not operate on Sunday, feeling it was not fair of the city to charge the same price on Sunday as other days without offering full services. He said he was hesitant to make criticism since he was a newcomer, and added he had not visited Windmill Island.

Richard Smith said he objected to the new proposal because the city would be taking the initiative in encouraging operations on Sunday whereas bowling alleys and similar businesses do not operate on Sunday.

Donald Oosterbaan said he has not changed any views on the matter since last meeting and was opposed to the program.

Holt explained that the proposed contract listed no particular requirements on the presence of the wooden shoe carver and that not working on Sunday was a gentlemen's agreement between Del Van Tongeren and Fred Oldemulders.

Council devoted about a half hour to the Windmill Island discussion. Mayor Pro Tem Slagh presided at the meeting which lasted an hour and 15 minutes. The invocation was given by the Rev. Royal Kemper of Christ Memorial Church.

Fall Tax Bills Ready for Mail

More than 10,000 fall tax bills calling for a total levy of \$642,719.73 were in the mail last weekend for property owners in Holland city.

Tax levies total \$533,366.52 in the Ottawa county portion of the city and \$109,353.21 for the Allegan portion, according to City Assessor Alwin De Haan. The Ottawa county rate is \$8.67 per \$1,000 assessed valuation, the same as last year. The Allegan rate is \$11.97, or 64 cents under the 1965 rate of \$12.60.

Fall tax bills also include special assessments on paving and water and sewer installations. This lists \$45,951.98 for Ottawa and \$34,909.14 for Allegan for a total of \$80,861.12. This figure is not a fair appraisal of such improvements in the community since a large share of benefited property owners pay cash instead of putting the costs on the tax bills.

City residents pay the bulk of taxes in the summer tax bills which listed \$54.90 per \$1,000 assessed valuation for city and school taxes. With the addition of the county tax, \$8.67 per \$1,000, the total tax rate is \$63.57 for the majority of property owners in Holland. The school tax rate in Holland last summer was \$31.72 per \$1,000 assessed valuation.

Grand Haven Cancels Plan For Building

GRAND HAVEN — In reviewing its 1964 \$3.43 million bond program Tuesday, the Board of Education decided to forego building a service and administrative building which was to have been the final project of the program. The decision was made in the light of rising building costs.

This will assure \$386,000 for senior high additions and renovations to provide additional needed classrooms and enlargement of library and science facilities.

The present high school is 15 years old. In some areas like music instruction, it is notably ahead of its time, but increased emphasis on libraries and science has somewhat outdated present facilities.

Construction costs have increased about 30 per cent but interest on investments from bond issues also have increased, relieving a measure of financial demands.

Police Join In Memorial Trust Fund

Police departments of Holland and Grand Haven are cooperating in receiving gifts for a trust fund for the family of Grand Rapids police Sgt. William Van Tuinen, 35, father of six, who was killed in the line of duty Saturday. (See story on page 4.)

Holland Police Chief Les V. Beveren said contributions for the fund may be turned in at local police headquarters and they will be forwarded to the memorial fund started in Grand Rapids by Supt. William Johnson who heads the Grand Rapids police department. Checks should be made payable to the Stanley Van Tuinen Memorial Fund.

In Grand Haven, the police department started a fund within the department and then extended it to the public.

The trust fund in Grand Rapids is handled by the Old Kent Bank and Trust Co.

Local Hospital Has Just Too Many Visitors

Holland Hospital has troubles. There are just too many visitors.

The welfare of many a patient is in jeopardy because of it. Doctors have long shaken their heads on Monday morning checkups. This is a low point for most of the patients who have become overly tired from too many visitors on Sunday. And hospital administrators have probed just about every possibility in seeking a solution. Hospital visiting which once was a highly desirable gesture is admittedly out of hand.

It's a changing world for patients in hospitals, but the well meaning public has not kept pace. Time was when the patient stayed two weeks or more. Now the average hospital stay is six or seven days.

There is, of course, no objection to the calls of close relatives or from the church pastor, but the flow of other visitors poses problems that make volunteers and staff members shake their heads.

A number of doctors now encourage the public to delay visits until patients return home where they can meet in relaxed surroundings. In the hospital, greeting cards, gifts or short notes are more appropriate than personal visits.

The hospital has appealed to the Holland Sentinel to list discharges only and to local churches not to list hospital patients in the weekly bulletin. The Sentinel is reluctant to curtail information of general interest and churches are always concerned over the welfare of the sick, particularly from the view of congregational prayers.

Consequently, a program of education aimed at protecting the welfare of the patient appears to be the best solution, and local residents are asked to consider carefully whether a visit to a friend in the hospital is a help or a hindrance.

There are many other ways thoughtfulness can be expressed. Besides cards, notes, flowers or gifts, there is a whole avenue of help to the family at home, particularly if the wife or mother is ill. This can run the gamut of hot dishes for the family, aid in shopping, baby sitting or even helping with laundry. The patient is likely to appreciate such service more than visits.

School Heads Guests at Hope Meeting

School principals and superintendents in the area are attending a meeting hosted by the Hope College Department of Education Tuesday.

In initiating the get-together, Hope professors of education were to discuss the possible organization of some group through which the schools and colleges can better facilitate the lines of communication with the college and explore areas in which joint efforts for the improvement of education at all levels would be feasible.

Meetings began at 10 a.m. with coffee in the Juliana Room of Durfee Hall, followed by a general meeting. Schoolmen were guests of Hope College at the noon luncheon.

Leading the discussions were Dr. Robert De Haan, John Ver Beek, and Dan Paul, all members of the Hope College staff.

Attending were Donald Ihrman, John Noe, Margaret Van Vyven, Fannie Bultman, Jane Lampen, Marvin Vander Ploeg, Donald Van Ark, Carroll Norlin, Harold Orman, Charles Vandenberg, Esther Kooyers, Ivan Compagner, and Fred Berth of the Holland Public Schools; Ray Holwerda, Gary Vreeman, Mark VanderArk, G. Witteveen, Frederica De Jong, and Harley Ver Beek of the Christian Schools; and Jerry Van Wieren of the Federal School.

West Ottawa was represented by Gus Feenstra, June Reimink, Duane Hooker, Ed Roberts, Beatrice Smith and Frank Kraai; Zeeland by Laverne Lampen and Ken Lewis; Saugatuck by Thomas Swaffer; Holland Heights by Ted Boot; and Hamilton by C. Lampen.

Coming from Hudsonville were B. Klinester, Henry Johnson, Marvin Overway with Nelson Stegeman representing New Gronigen; Herm Kruizinga, Muskegon Heights; and Gil Van Wieren and Ted Ryenga Spring Lake. James Kramer and Walter Bright represented Grand Haven schools.

Two Cars Collide

A car driven by Charles J. Windisch, 45, of 856 West 25th St. hit a parked car owned by Lesley L. Parrish of Jenison on 17th St. west of Cleveland Ave. at 7:30 p.m. Tuesday.

Newcomers to Holland, particularly clergy and business people, have recognized that the visitor problem in Holland Hospital is different from any experienced in other cities. In most other hospitals, visits are possible with almost no curtailments, and hospitals seem to function smoothly.

Not so in Holland. On Sunday afternoon, or most any evening, people pour into the lobby, sneak up the back stairs, argue with volunteer hostesses...

And when a well known high school teenager happens to be a patient, the assembly of students after school in the lobby or in the patient's room is a real problem. All this attention is often too stimulating for the patient.

There are only a few really sore points in the visiting picture. One is the do-gooder who considers it his mission in life to cheer the patient and deliver religious tracts. A few patients may like this, but most prefer the visits of their own family and pastor.

Then there is the visitor who comes with a long list of names and plans to spend the entire afternoon in the hospital.

Another is the faithful wife who feels it her duty to be beside her ailing husband all day long. This does not apply in case of critical illness when her presence is encouraged.

The biblical adage of "visiting the sick" is still good advice, but in today's complex world there are better ways of expressing thoughtfulness.

If you do visit patients in the hospital, please call during visiting hours. Such hours for private rooms are 11 a.m. to noon and 1:30 to 9 p.m.; for semi-private and wards, 1:30 to 8:30 p.m.; pediatric patients, 11 a.m. to 12:30 p.m. and 2:30 to 7:30 p.m.; maternity patients, 2:30 to 4 p.m. and 7 to 8:30 p.m.

Visitors to maternity patients are restricted to the husband and two other designated visitors.

Immediate family only may visit the first three days after major surgery.

No smoking by visitors is allowed in patient rooms.

No more than two visitors may call at one time. Every visitor must have a card.

And please keep visits short.

Christian's Fast Break Trips Chix

Holland Christian's basketball team demolished Zeeland 50-23 in the Civic Center Tuesday night in a game highlighted by two live chickens being tossed on the basketball court.

The lopsided victory avenged Christian's 59-54 loss to Zeeland in the opening round of the Class B district basketball tournament last spring.

Christian got off to a jittery start before the crowd of 2,500, and the Chix center Ed Baron, sunk a free throw to give Zeeland a 1-0 lead. It was the only time they led in the game.

The Maroons blasted the game wide open with fast breaks and ran to a 20-3 lead at the end of the first quarter. Christian got six baskets in the opening quarter at the end of fast breaks. Maroon center Steve Bushouse poured in six points in the first period and finished with nine for the game.

The Chix' interim coach Jack Rumohr decided to slow up the game with a deliberate offense in the second quarter. His team managed to hold Christian to seven points while scoring seven itself in the second stanza. Christian Coach Art Tuls used several substitutes in the second quarter.

Zeeland's deliberate offense slowed to a stall in the third quarter. At 3:36 Chix guard Tim Flaherty took Zeeland's first shot from the floor of the period, and sank it.

The Maroons scored 12 points in the third period, and led 39-14 at the end of the quarter.

Christian guard Bob Van Langevelde led all scorers with 12 points. John Lappinga notched eight points for the winners. Guard Jack Elenbaas scored 10 points for the losers while Dennis Boeve got six points on three jump shots in the fourth quarter.

Zeeland took only 25 shots in the game sinking 10 of them for a 40 per cent shooting average. Christian hit on 22 of 64 shots from the floor for 35 per cent.

Three of Hope Music Faculty Give Recital

Three members of the Hope College music department presented a recital Thursday evening in Dimnent Memorial Chapel.

Charles Aschbrenner, a member of the piano faculty, opened with a performance of the Mozart Sonata in D Major, K. 311, written when the composer was only 22 years old. The early sonatas by Mozart are seldom heard nowadays so it was gratifying to hear Mr. Aschbrenner in a performance of this one. His playing was marked by clarity of tone and elegance of style, so necessary for a projection of Mozart's music.

Wanda Nigh Rider and Jantina Holleman presented the Brahms G Major Sonata for violin and piano. This is a subtle and difficult piece for public performance under any circumstance, and especially so when the performers cannot follow it with a brilliant piece of sorts. However, the Rider-Holleman duo showed courage and musicality by giving a beautiful reading of this elusive work. The first movement was especially effective with the quality of tone that Mrs. Rider gave to the opening statement.

The chapel, which is rather too large for chamber music, presents serious ensemble problems but credit must go to Miss Holleman for her care of the tonal balance in the entire piece. She played expressively throughout and managed to create tonal contrasts without once making it necessary for the violinist to produce a forced sound.

The quiet of the Brahms sonata was effectively followed by the boisterous opening of the Schubert "Wanderer" Fantasy. Mr. Aschbrenner held the listener's attention in this long and diverse piece. He met the severe technical demands with ease and the pages requiring enormous tonal energy were beautifully contrasted with the lyrical sections.

The secret of success is knowing how to put your best foot forward without stepping on someone's toes.

Sunday School Lesson

Sunday, Dec. 11
Redemption Through
Suffering
Isaiah 53:4-9, 12
By C. P. Dame

On Bible Sunday we will study one of the greatest chapters in the Bible—Isaiah 53. Every Christian ought to know the contents of that marvelous chapter. It tells us of the vicarious suffering of Jesus, our Saviour and Lord.

1. Who is the suffering servant? Four Servant Songs are recorded in Isaiah—42: 1-4; 49: 1-6; 50: 4-9; 52: 13-53: 12. There are various answers to the question. For years Jewish scholars had taught that Israel is the servant. Some scholars think that Isaiah had in mind one of the kings of Israel or his own prophetic ministry or that of Jeremiah.

Now let us remember that we can't always accept what some scholars teach. We who are evangelical believe that the prophet portrays Jesus—He is the Suffering Servant. The New Testament writers apply the words of Isaiah 53 to the redemptive ministry of Jesus. There are twelve verses in Isaiah 53 and of the twelve there is but one which is not quoted in whole or in part in the New Testament. In nine books of the New Testament there are references to Isaiah 53.

The prophet likens Jesus to "a twig springing out of a dry soil, which looks as if it could never become large"—but it did. The beginning of the Christian movement was humble. Today Christianity is found in all parts of the world. Millions have heard and learned to believe.

II. Christ died in our place. He who knew no sin became sin for us. Isaiah says that Jesus "was smitten of God and afflicted" and that "the chastisement of our peace was upon Him; and with His stripes we are healed." Through Christ peace was established between God and man. "We all like sheep, have gone astray"—indeed the words "every one to his own way" describe man.

God laid the burden of suffering upon Jesus—"and the Lord laid on Him the iniquity of us all." God solved man's sin problem. Christ took the sinner's place. We speak therefore of the substitutionary death of Christ.

III. We believe in a triumphant Christ. Isaiah 53 speaks of the sinfulness of man and the atoning death of Christ. After stating these two facts he points to the ultimate triumph of Jesus, the Suffering Servant. Jesus did not die in vain. The story of Jesus did not end with His death for He rose from the dead. Through Jesus many have been led to God and obtained forgiveness of sin and everlasting life.

The words, "shall justify many" are daily being fulfilled. The mission of the church is to preach the gospel proclaimed by the apostles. The cross is all-important and when it is ignored the message is not given. Today the social gospel is proclaimed from many pulpits and the results are tragic. If ever there was a time when the world needed to hear the gospel given us in the Bible, now is the time. Is this gospel preached in your church and taught in your Sunday School?

So why not start working on your Christmas purchases. You can shop with more leisure and find much better selections. Remember that many of the insurance people are mailing out many suggestions such as giving your home a thorough safety inspection. Eliminate all possible sources. Choose fire-proof ornaments. Check the family car. Use a safe ladder for reaching high places. Just remember be moderate in all of your activities. Good shopping and remember, practice all of the safety suggestions.

New Concert Concept Thrills Local Audience

A new concept of concert music—instrumental music by voice—thrilled a large audience in Civic Center Monday night when the Swingle Singers consisting of eight vocalists and two instrumentalists demonstrated techniques in a musical field of untapped challenge.

Backed by drums and a stringed bass, the eight singers, all fine musicians, were welded into a voice orchestra in selections mostly by such composers as Bach, Chopin and Mozart.

Artful use of five microphones brought out solo passages in novel ways, and Ward Swingle,

the director and only American in a group of French people, engaged in only a minimum of directing, usually at the start and close of a selection.

The group was formed only three years ago and its first record album made the singers famous overnight, prompting concert tours instead of the original desire to remain anonymous.

Selections featured "solos" by violins, harpsichords, flutes, cellos, string quartets and other instruments. There was no attempt to "imitate" the true tones of the instruments, no nasal twangs, and no overt tricks as such.

The voice blending ran from simple humming to la-la-las, do-do-dos, ba-da-ba-da-das and a sort of gibberish of most sounds of the alphabet short of bouncing s's. The music for the most part was fast and bouncy, but the group was equally effective in the slower Bach chorales, Baroque period movements and contrasting movements of concertos.

Much of the solo work was done by a soprano, Christiane LeGrand, a member of a French musical family whose father is an orchestra conductor and whose uncle is the famous Michel LeGrand.

Director Swingle, a 39-year-old native of Alabama, studied at the Music Conservatory of Cincinnati, Ohio, and went to France as an American exchange student of the American government after receiving a master's degree in music at Cincinnati in 1951. His field was piano but in 1960 he sang with "Les Double Six," a vocal group. Three years later he founded the Swingle Singers.

Swingle's musical quality, his sensitivity, calmness and patience with this remarkable vocal group are indispensable. He explains to each singer, after having repeatedly analyzed the part of each and every phrase, placement, accent, nuance with an irrefutable musicianship which can only be appreciated in the overall picture.

The appearance in Holland was part of the Hope College Cultural Affairs program, and there was a preponderance of college students in Monday's audience. There was a standing ovation at the close of the program.

One concert goer Monday night remarked, "You really have to see them to believe it."

Allegan Senior Is Cited for Top English Honors

ALLEGAN — Allegan High School senior Cathie Armstrong has been cited as one of the outstanding students of high school English in the country. The National Council of Teachers of English has named her a 1966 runner up in its annual Achievement Awards competition.

Last spring a committee of English teachers from the local high school nominated Cathie to represent Allegan in the competition. The nation's schools nominated almost 8,300 students for the NCTE citation. Of that number, 800 finalists were chosen, representing 620 schools from 50 states, the District of Columbia and American preparatory schools abroad.

In announcing the winners, James R. Squire, executive secretary of the National Council of English Teachers, stated that the council recommends these students for college scholarships in 1967. Their names are sent to every college and university admissions officer in the country. In previous years, 99 per cent of award winners entered the college of their choice. Approximately 80 per cent of those applying for scholarships received financial aid.

The NCTE sends to all winners and runners-up, scrolls of recognition and honors their high school English departments with certificates of merit.

Cathie is the daughter of Mr. and Mrs. Joe Armstrong, Allegan, and her high school English instructors have been Mrs. Lucy Wise, William Allison and Stanley Moffett.

Singing Boys Delight Club With Carols

Holland has its own Vienna Choir Boys, the Singing Boys of the Holland Christian Schools who proved again Tuesday afternoon that hometown talent is of the highest caliber.

Directed by Miss Albertha Bratt, the "Festival of Nine Lessons and Carols" delighted the members of the Woman's Literary Club with their fresh young approach to some old carols.

Dressed in their black cassocks and white surplices, the boys walked in procession to the singing of "Once in Royal David's City." James Tallis accompanied at the harpsichord.

Gary Vreeman gave the bidding prayer which preceded the reading of the lessons by mothers and chorists. Each lesson was followed by a carol. Mrs. Roger Rietberg, soprano soloist, sang "The Virgin's Slumber Song."

Mr. Tallis was joined by David Tubergen and Philip De Haan, violins and Miss Mary Pat Russell on the cello for the Christmas Cantata by Vincent Luebeck. The Lads of Maplewood third grade sang two carols.

Readers included Mrs. Lloyd Gunther, Paul Buascher, Mrs. Rietberg, Mrs. Henry Kruijthoff, Mrs. Gerard DeRidder, Mr. Vreeman and David Van Appledorn.

The clubhouse was festive with wreaths on the doors, beautifully decorated Christmas trees and greens on the stage. The tea room was gala with greens and tapers and a series of lighted choir boys and a miniature organ on the tea table for the Christmas tea in charge of Divisions II and V.

The club will take a holiday recess until Jan. 3, 1967.

Allegan Vote Set on Sale Of Utility

ALLEGAN — Two resolutions adopted at a special session of City Council Monday night climaxed nearly six months of study and debate on the advisability of selling Allegan's municipal light plant.

With Mayor C. J. Smith casting the only negative vote, the first resolution was passed authorizing the mayor and city clerk to execute an agreement on behalf of the city providing for the sale of the electric utility and related property to Consumers Power Co. Terms of the proposed agreement set the sale price at \$1,782,000.

Approved unanimously, the second resolution calls for a special city election to be held Wednesday, Jan. 18, "for the purpose of submitting to all qualified electors, the question of the sale under the terms and conditions of the proposed agreement entered into Dec. 5." Approval requires a three-fifths majority.

Qualified electors were defined as "all city residents who are registered voters" and does not limit the voting to just property owners.

Before voting at Monday's open session, Council was asked by a member of the audience if the problem of the water level at Lake Allegan had been satisfactorily covered in the proposed agreement. City Attorney E. L. Andrews and Consumers officials stated that the company agreed — so long as it retained ownership of the hydro-electric plant in Valley township — to maintain the lake at legal level.

Company officials were also asked if they were committed to build an office on city-owned property in the downtown renewal assessment district, site of the old Sherman Hotel.

Company representatives replied that they would be committed by terms of the sale agreement to build a "service center" in the city which would require a larger site than the hotel property. Although purchase of the latter is part of Monday night's agreement, the company is not specifically committed to build an office there, it was pointed out.

YOUR CHRISTMAS SHOPPING

Only 15 more shopping days until Christmas, this is just a gentle reminder for our readers as there are many of our merchants who have been and are running advertisements to help you with your lists. Many of the stores are open from 9 a.m. until 9 p.m. for your convenience. We clipped this editorial on "Toy Trends" from the Christian Science Monitor we thought that this might help.

"There was a time when an orange in a Christmas stocking was a luxury and a delight to a child. But since orange juice has become a staple on the American breakfast table the orange has lost its charm as a seasonal gift.

"So it is with toys. One could hardly expect the modern toy to ask for a carpet sweeper or a rocking horse. Kids play at being adults. Since mother uses a vacuum cleaner, not a hand sweeper, and father goes to work in a car, not on horseback, small girls and boys want copies of power-driven house hold tools and transportation.

"This runs up the bill for parents and grandparents. The price tags on some playthings this season are surprising, but well-to-do relatives are buying the costly items.

"There is nothing wrong with an expensive toy if it encourages a child to use his talents. A simple camera or toy sewing machine may start a child on a career.

Yule Stockings Slated For Fort Custer School

Red Cross youth are busy spreading Christmas cheer.

Just about every school in the Ottawa county chapter of the American Red Cross has been preparing Christmas stockings for children in the Fort Custer State Home and Training School at Augusta.

Between 200 and 300 stockings will be taken soon to the school

to assure a Merry Christmas for the handicapped and mentally retarded children.

Separate boxes of candy, cookies and other goodies will be sent with the stockings, plus decorations for halls and ward rooms.

The chapter house at 89 West 11th St. will be open evenings this week through Friday from

6:30 to 9 p.m. to receive the stockings and decorations. All gifts are slated to be taken to the home on or before Dec. 10. The program is geared to two groups, the toddlers and the 5 to 8-year age.

The program is a continuation of a project which local Junior Red Crossers started a few years ago. It was so successful that youth chapters in many areas have adopted similar projects.

Mrs. Helen Brown heads the Red Cross youth program for the Ottawa chapter.

Hope College To Sponsor Institutes

For the first time in its history, Hope College will be simultaneously sponsoring two summer institutes for high school teachers through grants given by the National Science Foundation, according to announcement by Dr. Calvin A. Vander Werf, college president.

A grant for \$55,500 has been given for a Summer Institute in Chemistry for second-year and advanced placement teachers. A \$48,280 grant was made for a Summer Institute in Mathematics for high school teachers of advanced placement courses.

Proposals for the two grants were drawn up by Dr. Eugene Jekel, professor of chemistry who has directed similar institutes the past three summers and by Dr. Jay E. Folkert, chairman of the department of

for seven weeks with the Institute for Teachers of Chemistry running eight weeks. Deadline for acceptance of applications is Feb. 15. Both institutes will begin on June 26.

National Science Foundation summer institutes began in 1963 with one institute for college teachers of mathematics and one in physics followed in 1964 by one for college teachers of chemistry and the first summer institute for high school teachers of mathematics.

The appearance of Sputnik triggered deeper interest so that in 1968 NSF was sponsoring 126 summer institutes, over 300 in 1969 and now providing funds for 434 summer institutes this year.

The NSF summer institutes for high school teachers have been held at Hope College since 1960. NSF summer institutes for secondary school teachers have from 1964 through 1967 cost the Foundation \$208,520,219 and have supplied stipends for 185,866 high school teachers, according to Dr. William Morrell's office of NSF information.

Christmas Vespers Given To Overflow Chapel Crowd

The Hope College Christmas Vespers which annually attracts an overflow audience again was forced to turn away hundreds of people when it gave its 25th traditional service in Dimment Memorial Chapel Sunday afternoon.

The 120-voice college chorus under the direction of Roger Davis especially distinguished itself in its presentation of Vivaldi's "Magnificat." A relatively inexperienced group, the chorus gave an excellent interpretation of the very difficult number.

Also inspiring were the Chapel Choir songs, the plaintive German folk carol "Marcia Durch Ein Dornwald Ging" and Palestrina's lovely "Hodie Christus Natus Est," directed by Dr. Robert Cavanaugh.

The Men's Choir, directed by Roger Rietberg, offered the audience rich contrast in the presentation of a simple Polish carol and a stalwart Bach chorale.

The Women's Choir, under the direction of Dr. Anthony Kooker, created a lyrical mood with its presentation of "Snow Lay on the Ground" by Sowerby and its liltly "Tyrlie, Tyrlow"

by Willan.

A candle motif caught up with spiral candelabra, wreaths and bows of pine created a tasteful and beautifully decorated stage featuring three snow-swept Christmas trees. Miss Joyce Morrison was in charge of the decorations which will remain in the chapel throughout the Christmas season.

Unusual fervor seemed to enter the singing of the congregational hymn, "O Come All Ye Faithful" which was accompanied in a moving and strident way by the brass ensemble. The ensemble, directed by Robert Cecil, earlier played a medley of Christmas carols as a prelude to the Vespers.

Miss Gloria Langstraat, Hope senior from Lynden, Wash., was at the organ. Scripture was read at theksN7c,ES TH AR O read by Chaplain William Hillengods.

Hope College, in endeavoring to improve the taste in church music, presents the Vespers annually as an important factor. Because of the large audience that had to be turned away, the college is considering giving the Vespers twice next year.

Mona Shores Tops Holland, 85-73 in VCC

MUSKEGON — Holland High, performing without jumping-jack center Steve Jacobusse, dropped its Valley Coast Conference basketball opener, 85-73, to Mona Shores here Friday night.

Jacobusse, a 6'2" senior, sprained the muscles and ligaments in both elbows in a fall during practice Thursday and was unable to dress for the game.

His rebounding and scoring punch was missed, but it was poor shooting that plagued coach Don Piersma's Dutch Friday night.

Holland hit just 32 per cent from the field (18 of 56 tries), while the Sailors connected on 33 of 73 for 45 per cent.

The rough game (31 personal fouls on Mona Shores and 15 on Holland), made the Holland players somewhat gun-shy and they failed to hit a pair of fast break opportunities in the fourth quarter which gave Mona Shores a 68-64 lead it never relinquished.

As a matter of fact, Mona Shores outscored the Dutch, 21-9 in the final six minutes, utilizing bench strength which Piersma feels Holland lacks.

With Jacobusse injured, Jim Swartz moved into the starting front line and added 10 points, including six free throws. John Thomas led Holland with 16 points, also with six free throws.

Guards Jim Fortney and Dan Shinabarger added 15 and 13, respectively, with Fortney connecting on three free throws and Shinabarger seven.

Sub front-liner Bob Venhuizen got all seven of his points after being fouled.

The Sailors had five double-figure scorers with Phil Halliday leading the way with 18 points. Guard Greg Mathews added 17, center Dave Srein 15, Bob Luyendyk 14 and Mike Mack 10.

Holland stayed in the game until the final six minutes primarily because of connecting on an excellent 37 of 46 free throws.

Holland scored eight of nine free throw opportunities in the first period and trailed only 16-15 after a period and only 35-32 at halftime.

Mona Shores maintained its lead, 60-56, after three quarters before Holland rallied to tie the score at 64-64. The Sailors then scored after each of Holland's next two missed fast break chances.

Crusaders Rally After Halftime Tie

Valparaiso University outscored Hope College 21 to 6 during the first ten minutes of the second half, breaking a 37-37 halftime deadlock, and then went on to post a 74-62 non-league basketball victory in the Civic Center Saturday night.

A crowd of 2,000 saw coach Russ DeVette's Flying Dutchmen battle to the intermission tie in their home opener against the powerful Crusaders before dropping the decision.

Center Ken Rakow and guard Dick Jones sparked the win for coach Gene Bartow's highly-regarded Valpo quintet.

The 6'6" Rakow pulled down 21 rebounds, scored 14 points and effectively led a defense designed to keep the ball away from Hope's junior center Floyd Brady.

Jones led all scorers with 24 points, hitting seven of 13 field goal attempts and 10 of 10 free throw opportunities.

Brady was limited to five field goals and six rebounds, but did manage to double his free throw percentage with eight of 11. He hit just four of 11 against Concordia Thursday.

Brady led Hope's scoring with 18 points, while forward Don Kronemeyer added 14 and led the team with eight rebounds.

Sophomore center Bruce Van Huis came off the bench to add nine points and six rebounds and senior transfer Jim Schoon contributed four of seven field goals for eight points and also had six rebounds.

Brady, who scored Hope's first eight points in the 77-76 Flying Dutchmen win over Concordia, once again kept his team in contention early, scoring seven points in the first seven minutes as Hope trailed 12-9.

Hope took its first lead (29-26) since an early 2-0 advantage with four minutes to go in the first half on free throws by Brady and Schoon and a fast-break layup by Kronemeyer, but then fell behind 35-29.

A pair of baskets by Van Huis and one apiece by Schoon and Kronemeyer, along with Jones' 10-foot jumper, produced the halftime tie.

DeVette, although regretting the loss, was not displeased with Hope's performance Saturday night.

Hope hit on 23 of 61 field goal tries for 38 per cent, Valparaiso 26 of 62 for 42 per cent. The Crusaders held a rather commanding 47-34 rebound edge and committed one less ball control error (14-15).

Rogers Wins, 70-52, Over West Ottawa

WYOMING — West Ottawa's basketball team showed improved shooting, but was overpowered by O-K League rival, Rogers High, 70-52, here Friday night.

"We just didn't get enough shots," Panther Coach Jack Bonham said. His team took only 46 shots sinking 22 of them for a 47 per cent average. (This was a vast improvement over the 22 per cent the Panthers shot from the floor in their loss to Allegan Tuesday.)

Rogers' forward wall of forwards Brian Vossekuil and Steve Minnema, and center Jerry Hoag, all 6'2", controlled both the offensive and defensive boards against the smaller Panthers most of the game.

The Panthers also lost the ball through erratic passes and sloppy ball handling on numerous occasions.

West Ottawa's Dan Bauer sparked for the Panthers, and led all scorers with 20 points. He didn't get much help in the scoring, however, as he was the only Panther in double figures.

Rogers, in contrast had three men in double figures. Vossekuil scored 19 points while Minnema had 16 and guard Randy Lindhout had 13. Lindhout's playmaking sparked the Golden Hawk offense.

The Hawks roared to a 12-2 lead near the middle of the first quarter before West Ottawa could get started. The Panthers narrowed the margin to 17-11 at the end of the period.

Led by Bauer's eight points the Panthers managed to tie the score near the middle of the second stanza, and trailed by only 36-31 at half time. West Ottawa never led in the game.

Rogers got three straight baskets to open the third period. They held a 47-41 margin at the end of the quarter.

The Hawks scored seven straight points at the beginning of the fourth quarter and were not bothered again. West Ottawa went almost 2½ minutes without a point at the beginning of the last period.

Coach Bonham juggled his lineup throughout the game to try to improve the Panther scoring punch. In his starting lineup he moved Bauer to forward and started Jim Visser and Paul Martinez at the guard posts and Dave De Jonge at center.

Forward Doug Vande Wege was the only starter from Tuesday night to start at the same position Friday.

Visser, a sophomore, came through with four points before he was forced out of the game in the first quarter with a sprained right ankle.

Both teams were cold from the free throw line. Rogers hit on only 16 of 33 free throws while the Panthers notched only eight of 19.

West Ottawa's next game is with another O-K League rival, Grand Rapids South Christian, at home next Friday.

Sleet Storm Hits Area; Many Schools Closed

Holland was recovering Monday from a sleet storm, the latest development in a week-long pattern of winter weather. The storm slowed traffic, closed many schools and generally upset the usual pace.

Officially, it was still autumn since winter arrives at 2:29 a.m. Dec. 22.

The storm system turned roads into ribbons of ice spread from Wisconsin through Michigan, northeast Indiana, northern Ohio and western portions of Pennsylvania and New York.

The freezing rain started falling in Holland about 4 p.m. Sunday and continued the remainder of the day, slowing traffic. Holland police answered five accident calls Sunday night and received many calls of cars being stuck.

Motorists soon learned that the pace for highway travel on the ice-slicked roads Sunday night was 10 miles an hour or less. Some drivers reported a

trip from Grand Rapids to Holland took 1½ hours. A Greyhound bus reportedly went off the I-96 freeway Sunday and reported three hours late arriving in Holland.

Holland experienced just about every kind of weather in a week's time. In that period there were snowstorms, squalls and generally disagreeable weather until Saturday when bright sunshine presented winter at its best the entire day.

But early Sunday morning the mercury slumped to 1 degree above zero and then moderated for the freezing rain in late afternoon.

Holland public schools operated as usual today but most other schools were closed, prompted by extremely icy conditions on secondary road bus routes. Federal school started classes at 10:30 a.m.

Schools closed were West Ottawa schools, Holland Christian,

Hudsonville public and Christian schools, Harrington, Saugatuck-Douglas schools, Hamilton schools, Zeeland public and Christian schools, St. Peter's in Douglas, Benheim, South Olive, Borculo public and Christian schools, Huyser school in Beverdam, Hawthorn school and Vriesland School.

Allegan city schools were open today but most others in the area were closed.

This morning's drizzle in 35-degree temperatures was expected to continue later today with little change in temperature. Tuesday will be cloudy and mild with a chance of rain. Low tonight will be 24 to 30 and a high Tuesday in the 40s.

Sunday's sleet and today's drizzle reduced the 9-inch blanket of snow to 3 inches today. It was 35 degrees at 11 a.m. and the overnight low was 25 degrees.

Brady Scores 30 in Narrow 77 to 76 Win

RIVER FOREST, Ill.—Floyd Brady's brilliant 30-point performance and Carl Walters' key interception in the closing seconds of play gave Hope College a narrowing 77-76 win over Concordia College in its basketball opener here Thursday night.

Coach Russ DeVette's Flying Dutchmen posted the victory by taking the lead midway through the first half, coasting to a 10-point halftime lead, then nearly blowing the game in the final minutes.

The contest was the first of two non-league affairs before Hope opens MIAA competition against Calvin in Grand Rapids next Wednesday. Valparaiso University will provide the competition in Hope's home opener at 8 p.m. in the Civic Center Saturday night.

Brady was spectacular. The 6'3" junior center from Chicago's Harlan High put in 13 of 19 field goal attempts and pulled down 16 rebounds, but connected just four times in 11 tries from the free throw line in his crowd pleasing performance.

In the first six and one-half minutes of play Brady accounted for all of Hope's points in the 8-8 tie and he went on to score 19 first-half points.

Brady's baskets included an exciting two-handed dunk in a one-on-one situation early in the second half which vaulted Hope into a 46-32 lead, the largest margin enjoyed by either team all evening.

Hope reached the 70-point mark (leading 70-57) with nearly seven minutes remaining in the game, but the Flying Dutchmen offense then sputtered.

Guard Bob Kasten, who led Concordia with 28 points, then scored five baskets during a Cougar rally which brought the home team to within one point at 73-72.

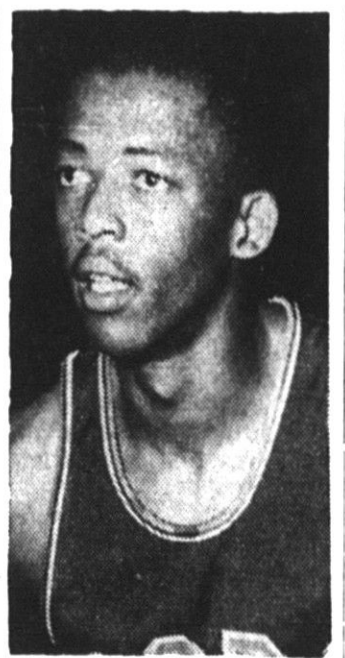

Senior transfer student Jim Schoon put Hope ahead by three with a basket assisted by Gary Rypma, but free throws by Kasten and forward Neal Kaspar cut the margin to one with 1:50 left.

Concordia pressed for almost the entire second half, but Hope lost the ball just twice as a direct result of the extra pressure.

Brady saved the Hope lead when he blocked Kaspar's lay-up after one of the two press-forced errors with 1:30 remaining, but coach Tom Faszholtz's Cougars took their only lead of the second half when center Tom Ruppert scored on a fast break.

Brady scored the winning basket with 46 seconds remaining to produce the final count of 77-76, but much of the excitement in the closely contested battle was still to come.

In an effort to regain possession, Concordia's Ken Waibel

fouled Walters with 23 seconds showing on the clock. Walters missed the free throw in a bonus situation and the rebound went out of bounds to the Cougars.

Hope Holds On To Top Calvin, 67-66

Brady Scores 30 Points to Pace Victory

GRAND RAPIDS — It's not often that a basketball team can fail to score a field goal in the final nine minutes, 45 seconds of a game and still win. But that's just what Hope College did Wednesday night in holding on to a narrow 67 to 66 victory over arch-rival Calvin College before a capacity crowd of 4,300 in the Knights' Knollcrest Campus fieldhouse.

Coach Russ De Vette's Flying Dutchmen rolled to a surprising 54-32 lead after four and one-half minutes of the second half had been played, then nearly fell victim to a strong closing rush by the Knights.

With Floyd Brady, who scored 30 points, Cal Beltman and Gary Rypma leading the way, Hope built up a seemingly insurmountable advantage only to go cold. Hope made just three baskets in the final 15:30 and none after Rypma's 15-foot jumper with 9:45 left in the contest.

And, during those final minutes when Hope was unable to connect for two points, the Flying Dutchmen weren't particularly successful at the free throw line either. Hope players hit on just five of 11 tries from the line during this same stretch and were outscored 20-5.

The rally very nearly didn't fall short for first-year coach Don Vroon's Knights. After closing the gap to 66-64 with nine straight points, Calvin still had one minute, 15 seconds in which to tie the score, or go ahead.

Rypma was fouled by Wes De Mols (his fifth) with 45 seconds left as the Knights fouled to try to regain possession of the ball. Rypma calmly sank the first toss, but missed the second and Hope had scored its last point of the evening.

Five seconds later, Beltman missed a free throw in a bonus situation although Bruce Van Huis came down with the rebound. Beltman missed a jumper moments later and Calvin's Ed De Vries, a senior substitute, came through with a basket to cut the margin to 67-66.

The Knights' Jim Kos fouled Rypma with seven seconds left but Rypma missed the free throw with the rebound going out of bounds off a Hope player.

Calvin immediately called for a time out to try to set up one final shot. Tom Dykema, a former Holland Christian athlete, brought the ball down the floor, but found his teammates all covered and continued across the ten-second line hounded by the speedy Beltman. Dykema's desperation shot from 35 feet, which missed, came after the final buzzer.

Brady scored half of Hope's 38 first-half points and hit the 30-point mark with 6:16 remaining in the game. Brady, a 6'3" junior, also had 15 rebounds, high for Hope and just one less than the losers' Kim Campbell.

Beltman came off the bench to spark Hope to its first lead more than 14 minutes into the game. The 5'10" Holland sophomore contributed a three-point play to knot things at 23-23 and added another basket to put Hope ahead 27-23 after Don Kronmeyer's jumper from the right corner.

Beltman's major contribution was stopping Dykema, half of Calvin's offensive punch of Lykema and DeMols. Dykema had scored 10 of Calvin's first 19 points as the Knights led 19-16, but was held scoreless the rest of the way by the quick and agile Beltman.

Beltman wound up with 16 points on six of 11 field goal attempts and four of six free throws. Brady hit 10 of 19 from the field, 10 of 15 from the line. Rypma contributed a brilliant floor game, 12 points and an excellent performance on the boards with nine rebounds. He also limited De Mols to a single basket in the first half.

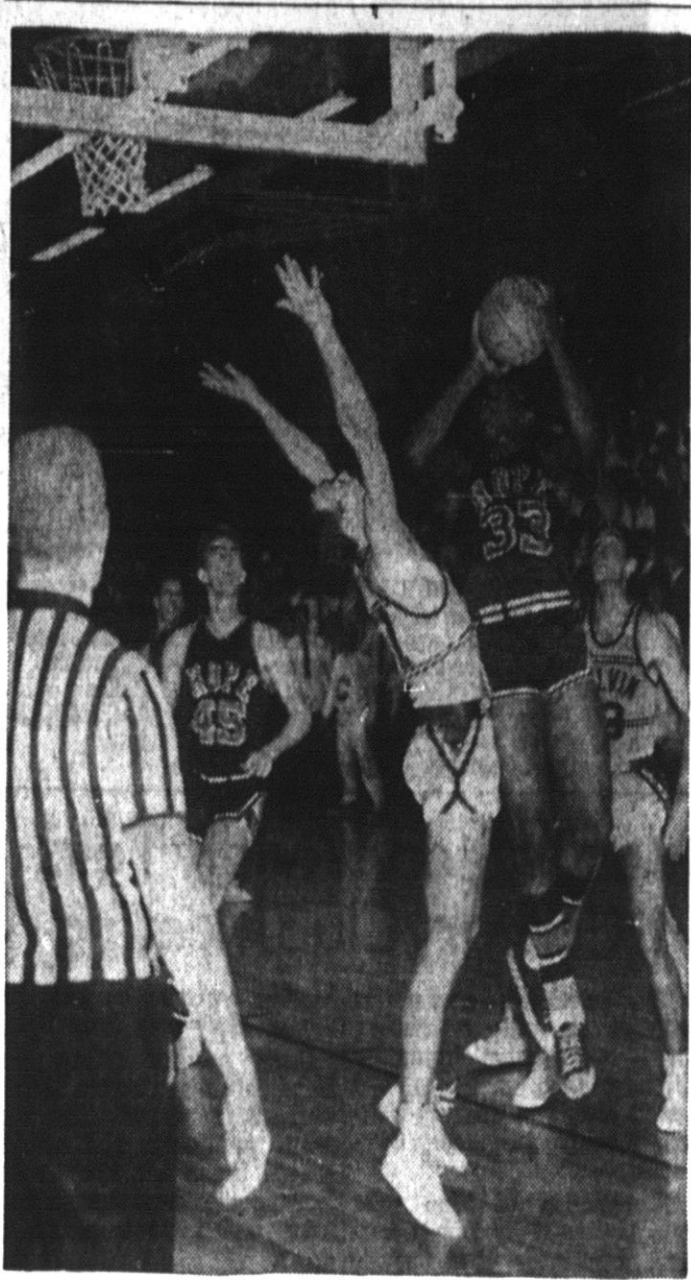

Campbell was high for Calvin with 17 points. De Mols was close behind with 16 and Dykema finished with 10. However, the Knights' defending MIAA scoring and rebounding champion, sophomore Bill De Horn, didn't get a single field goal and was limited to two points and eight rebounds in his surprise starting role. He did not start Calvin's opener at Wheaton.

Hope shot a none-too-spectacular 38.7 per cent from the field with 24 of 62, while Calvin hit 26 of 74 for an even less impressive 35.1 per cent.

Hope once again was poor at the free throw line with just 19 of 39, but had more opportunities than the Knights, who made 14 of 26 from the line. In three games this season, Hope has made 50 of 99 free throws.

Calvin finished with a 48-43 rebounding margin.

BRADY DRIVES— Hope College's brilliant junior Floyd Brady drives over Calvin's Kim Campbell toward basket in early second-half action in Grand Rapids Wednesday night. Brady was called for an offensive foul, and didn't make this shot, but scored 30 points to pace Hope's exciting 67-66 victory. Others shown are Hope's Bruce Van Huis (45) and Calvin's Tom Dykema (13). (Sentinel photo)

DeVette: We Simply Outscrapped Them

GRAND RAPIDS — Hope College basketball coach Russ De Vette looked visibly relieved in the locker room following his team's narrow 67-66 win over Calvin Wednesday night.

The ever-calm DeVette said, "It's nice to be able to make all those errors and still do so well," in commenting on Hope's nearly blowing a 22-point lead in the second half.

"We simply outscrapped them in the first half, when they should have dominated the boards," he offered, adding, "our kids showed a great deal of desire."

DeVette especially praised the first-half board work of senior guard Gary Rypma. Rypma was assigned to Calvin's Wes De Mols, who started each offensive alignment at guard, then moved underneath the basket as the low post in the Knights' 1-3-1 offense.

Rypma picked off nine rebounds, second only to Floyd Brady's 15 for Hope.

DeVette observed that "we had given so much (in the first half) that we ran out of it." Hope held a 38-27 lead at the half, then extended it to 54-32 before suddenly going cold and scoring just three more field goals in the rest of the game.

Key to the win, DeVette felt, was the defensive play of Holland sophomore Cal Beltman, a 5'10" guard. Beltman also scored 16 points.

Beltman came in for senior co-captain Carl Walters, who has been hampered by knee trouble, and stopped Calvin's prime offensive threat, Tom Dykema, a Holland junior.

Dykema had scored 10 of Calvin's first 19 points before Beltman came off the bench to hold him scoreless the rest of the way.

DeVette noted that Calvin's real offensive threat was the guard duo of Dykema and De Mols, not the big front-liners, as had been feared.

DeMols was limited to one field goal in the first half by Rypma and didn't score with any regularity until the final Calvin surge.

Something of a surprise was the ineffectiveness of defending MIAA scoring and rebounding champion Bill DeHorn, the 6'4", 215-pound sophomore center.

DeHorn was a starter Wednesday night, but managed to score just two points (a pair of free throws), pull down eight rebounds and foul out.

Hope forward Don Kronmeyer was high for Calvin with 17 points. De Mols was close behind with 16 and Dykema finished with 10. However, the Knights' defending MIAA scoring and rebounding champion, sophomore Bill De Horn, didn't get a single field goal and was limited to two points and eight rebounds in his surprise starting role. He did not start Calvin's opener at Wheaton.

Hope shot a none-too-spectacular 38.7 per cent from the field with 24 of 62, while Calvin hit 26 of 74 for an even less impressive 35.1 per cent.

Hope once again was poor at the free throw line with just 19 of 39, but had more opportunities than the Knights, who made 14 of 26 from the line. In three games this season, Hope has made 50 of 99 free throws.

Calvin finished with a 48-43 rebounding margin.

Holland High Impressive In 91-59 Win

EAST GRAND RAPIDS — Holland High got its offense in gear for the first time this season and whipped Valley Coast Conference basketball rival East Grand Rapids, 91-59, before about 500 persons in Reed Waterman Gymnasium here Tuesday night.

The win was the first of the season for the Dutch who had previously dropped a non-league contest to Grand Rapids Ottawa Hills and a VCC decision to Mona Shores, both on the road. The loss was East's third in as many starts.

Junior guard Dan Shinabarger led Holland's scoring parade with 27 points, and, along with another junior guard, Bob Pete, spearheaded an impressive fast-break attack.

Coach Don Piersma's Dutch got going in the second period after a 15-15 first-quarter stalemate. Holland ran its pattern offense to near perfection in the second quarter, getting 10 of its 12 baskets on easy layups to take a 40-30 lead at the intermission.

Shinabarger picked up eight of his points in the second stanza and matched that figure with four baskets in each of the next two periods, too.

Piersma did a little shuffling of his lineup Tuesday night with Jim Swartz, John Thomas and Bob Venhuizen starting on the front line and Shinabarger and Jim Fortney at the guards.

Pete then entered the lineup in the first quarter and remained there most of the rest of the way until Piersma pulled the entire starting unit midway through the final frame.

With Pete, who scored nine points, and Shinabarger in the backcourt, Fortney alternated with Thomas, Swartz, Venhuizen and Roger Jones up front.

Thomas scored 17 points and Fortney 12 for the Dutch. Swartz picked up seven in the first half, but was forced to the sidelines for most of the final 14 minutes when he was called for his fourth personal foul shortly after halftime.

Piersma inserted Max Bush, Tim Hillegonds, Randy Bobeldyk and Randy Rogers into the lineup in the last quarter along with Pete and all but Hillegonds managed to score.

Guard Chuck Butth provided the Pioneers with their only semblance of an offensive attack and finished the evening with 22 points, gained primarily on jump shots from outside the key.

Holland had board control in the final three periods and that enabled the Dutch to utilize the fast-breaking game. It also allowed them to launch 80 shots in the contest, 41 of which were made for an excellent 51 per cent.

The Pioneers of coach Frank Kuta managed to get off just 54 field goal tries, hitting 24 for a solid 44 per cent. East committed 22 ball control errors, while the Dutch had 15 turnovers.

Holland will play its home opener Friday night, hosting Grand Haven in another VCC contest at 8 p.m. in the Holland High fieldhouse.

Starting center Steve Jacobson.

An anniversary dinner attended by about 260 members of Sixth Reformed Church Wednesday night in Holland Heights School climaxed the 50th anniversary celebration of the church founded in 1916.

Freehan Sees Good Season For Tigers

The Detroit Tigers look in "pretty good shape" to be pennant contenders in the coming baseball season Tiger catcher Bill Freehan told members of the Holland Chamber of Commerce at an early bird breakfast this morning in Hotel Warm Friend.

Last season the Tigers had disappointing performances from some of the young ballplayers and a confusing situation with three different managers and still finished third, Freehan said.

"This season we've got a new manager (Mayo Smith) who really knows baseball and some outstanding new coaches," he said.

Freehan had special praise for the Tigers new pitching coach, John Sain. "He's a great teacher of pitching and should really help the young pitchers on our staff," he said.

"Wally Moses, the new batting coach, is a real expert in hitting, and should be a lot of help also," Freehan said.

Freehan said the Tigers were trying to trade Al Kaline for a first-rate shortstop and a good relief pitcher. He added that they were looking for good young players in exchange for the veteran outfielder and might not be able to find them.

He pointed out the team is looking for a shortstop so they can move Dick McAuliffe to second base.

Freehan said he thought relief pitcher Bob Lee of the California Angels might be available in a trade.

He added that the Baltimore Orioles, world champions, will again be the team to beat in the American League pennant race.

Mary's Story Vividly Told At Century Club Meeting

The Yuletide season was ushered in with outstanding music and stirring drama for Century Club members and guests Monday evening in Western Theological Seminary Commons.

A selection of harp solos was presented by Dulcie Barlow, a member of the music faculty of Hope College. Mrs. Barlow began her program with the stately "Pavane" followed by Handel's "Harmonious Blacksmith" and "Impromptu Caprice" by G. Piere. She briefly explained technique and continued with two French folk songs. The talented Mrs. Barlow concluded with a sprightly "Rumba" by Salzedo and an encore, "Green-sleeves."

A stirring portrayal of "Mary, Mother of Jesus," with Norma Hillebrands as Mary was the highlight of the evening. Mrs. Hillebrands wrote the dramatization as an "expression of the heart" after

hearing a sermon on what the life of Mary may have been.

Using as her setting the home of the disciple John, where Mary stayed after the death of Jesus, Mrs. Hillebrands began her story while fondling the earthenware cup from which Jesus used to drink.

Mary reminisced about her girlhood with her widowed mother, dreamed about the man she would marry and the children she would bare, perhaps one might be the Messiah? She told of her betrothal to Joseph, the Annunciation, marriage, journey to Bethlehem, flight into Egypt and then back to Nazareth two years later.

Mrs. Hillebrands interpreted the events in the life of Jesus from a mother's point of view expressing Mary's joys and anxieties during His childhood and how possessively she tried to deny His divinity. She protested He was just like any

other boy.

As she continued her dramatization, Mrs. Hillebrands, who wore the costume of the day, changed shawls from light blue to dark blue-black showing the stages in her life. As the drama continued with Mary's following of her son as He left to wander and to preach, her anguish became unbearable. Only after the Crucifixion and ensuing events did she understand the destiny of her son and the role she had played in His life.

The quiet of The Commons as Mrs. Hillebrands concluded the portrayal of Mary was the unspoken applause of an appreciative and moved audience.

Carl Harrington presided in the absence of Mrs. Marian Stryker. He announced the next meeting, after a holiday recess, will be on Jan. 9, 1967.

Refreshments were served in the Commons Room by a committee headed by Dr. and Mrs. Herman Ridder, assisted by Dr. and Mrs. Richard Oudersluys, Mr. and Mrs. George Pelgrim, Dr. and Mrs. Calvin Vander Werf, Dr. and Mrs. Otto van der Velde and Mrs. W. M. Tappan.
