### AUTOMOBILE MASHERS CAUGHT AND FINED

"NEXT BATCH WILL GO TO JAIL" SAYS THE JUSTICE

It seems that the severe punishment recently doled out to auto mashers and the trial that awaits Cornelius Bosch who was taken on a very serious charge attempting to attack a young girl at Waverly is—not seem to be having very much effect.

Two young men, Ben Brouwer and Peter Roelofs were caught by Officer Peter Bontekoe, accosting young ladies on their way home from the church services.

They were driving slowly up and down River avenue and attempted to inveigle young girls to take a ride in their car.

The officer quickly collared the two men and they were brought before Justice Van Schelven where they pleaded guilty to the charge.

After the judge had given them an unmerciful tongue lashing which they deserved, he promptly fined each one \$28.70, and promised that if they or any other offender came before him on the same charge, that a fine wouldn't go, but that a jail sentence awaited them.

### COUNTY TREASURER WILL BE IN HOLLAND NEXT TUESDAY

County treasurer John Den Herder is making his rounds in lower Ottawa issuing auto licenses. He will be in Holland again next week Tuesday, and will be found at the Wolterine garage.

He will be at Hudsonville on Thursday, December 22nd and will be located at the bank there.

At 6 P. M. on the same day he will be at Jamestown at the Scholten Grocery, and on Friday, December 23 he will be at the First State Bank, Zeeland, the entire day.

Persons desiring auto licenses must take with them their driver's license, factory number, engine number, and last but not least the number of the deed of the auto, if a transfer has been made.

The Willing Worker Aid society will hold a sale and bazaar for the benefit of the Reformed church at Central Park at the Lakeview school house at Lugers crossing Tuesday evening December 20th.

Van Ark Furniture Co. is holding an auction sale of furniture beginning at 2:30 in the afternoon, and also beginning again at 7:30 with John Raven as the auctioneer. Special private sales in the forenoon from 9:30 until 12.

### STATE DEPUTIES WERE IN HOLLAND TO STOP FISHING

THROW SOME NEW LIGHT ON THE CARP HABIT

State That fishing Such as Was Done Here Will Not Be Allowed

Frank Salisbury of Grand Haven and Jim Hunter of Lansing were in the city to stop all carp fishing in this lake, until suitable methods are used and responsible men are secured to do the fishing.

Deputy Hunter, who is an expert fisherman states that there is no necessity of the killing of the game fish if proper precautions are used. But after thoroughly investigating Holland's case they strongly condemn the way fishing was done here.

He stated that he had supervised the fishing of carp for years and at no time were there more than a half dozen fish destroyed with any one haul, and more often less, and many times none at all.

The deputy game warden from Saugatuck stated that during all the carp fishing in Kalamazoo river, and in the bay adjoining, not over four or five fish were found, and he states that there were a great many fishermen on the shores, but found no grounds for criticism.

Some new light was also thrown upon the habits of carp by Deputy Jim Hunter.

He stated that the carp was a vegetarian fish, lives on seaweed, wild rice and other vegetable matter that grows in the most sluggish part of a bay. They are really a scavenger fish and not a cannibal fish. They root in the dirt like hogs and the damage that is done by them is not in eating fish but rooting up the spawning beds.

Mr. Hunter also stated that the carp is not a local fish, but wanders about. One year large schools of them may come into Holland harbor. The next season they may get a notion to leave and go to Grand Haven, Muskegon, Saugatuck or some other inlet, which accounts for the fact that on occasions carp fishing has been poor in this lake. This was experienced by Ed Oswald, one of the best carp fishers in Michigan, who during one season did not catch enough carp to pay expenses.

Mr. Hunter also related another incident. He stated that the planting of small or big mouthed bass would chase away the carp. The logy carp are no match for the snappy and peppery black bass and no carp were ever seen encroaching upon the spawning beds of these fighting fish. He stated that in Silver Lake he had tried out an experiment. Silver Lake was filled with carp. He proceeded to fill it with big and small mouthed bass and within a few years the carp had all disappeared.

Jim Hunter of the state game department is an authority on fish and fishing and his statements no doubt will give Holland citizens a better insight on the question of carp fishing.

### ARE WEDDED AT THEIR FUTURE HOME

HOLLAND GIRL BECOMES BRIDE OF EBENEZER FARMER WEDNESDAY

A pretty wedding took place Wednesday afternoon at 5:30 at the couple's future home at Ebenezer east of Holland when Mr. Clarence Boeve son of Mr. and Mrs. Henry Boeve of Fillmore, and Miss Ella Prins, daughter of Mr. and Mrs. William Prins, Columbia avenue, were united in marriage. The ceremony was performed by Rev. A. H. Strabbing, pastor of the Reformed church at Ebenezer. A reception was held in the evening at which about a hundred relatives and friends gathered. At the marriage Mr. Ernest De Haan attended the groom and Miss Agnes Boeve, sister of the groom, was bridesmaid.

Mr. Boeve has purchased the Kappenga farm at Ebenezer and the young couple will make their home there.

### SCHOOL AUCTION SALE NETS OVER \$100.00

SALE WEDNESDAY NIGHT AT LINCOLN SCHOOL WAS VERY SUCCESSFUL

A very successful auction sale was held Wednesday evening in the Lincoln school when more than a hundred dollars was cleared. Henry Vande Water and George Woldring served as auctioneers, and all kinds of articles were sold, such as groceries, dry goods, eggs, furniture, candy, ice cream cones, etc., all donated. The money will be used for school purposes. In the course of the sale a box of toilet articles, donated by the Depree Co., was awarded to Mrs. Dick Meengs.

Music was furnished by the Colonial orchestra, John Vandersluis led the community singing and Miss Hyma gave a reading.

### HOLLAND TOWNSHIP COMES ACROSS WITH MORE FUNDS

Holland township received some rather unfavorable publicity some time ago when the list of donations for the Near East Relief fund was printed in a number of newspapers.

The list was sent out from the Ottawa county headquarters and in it was stated that Holland township had donated only \$81. This was in the canvass of the farmers in which grain and other farm produce were donated for the starving people of the Near East. While Holland township was not in any way referred to directly in the report as not having done its share, the comparison of its amount with the amounts donated in some of the other townships in the county did not speak well of Holland township.

But it developed Wednesday that the amount raised in Holland township was only a fraction of the total. The Holland Co-Operative Association took an interest in the matter and made itself the collecting agent for this cause. As a result it was announced Wednesday by the manager of the "Co-Op" that the sum of \$145.09 had been added to the original \$81 previously reported, making a total for Holland township farmers of \$226.09.

This money will be sent to county headquarters of the Near East Relief and from there it will be sent to the state headquarters in Detroit. Detroit headquarters Wednesday announced that while there are already 100,000 children in the orphanages in the Near East, there are 100,000 more children who are perished for and who will suffer hunger and cold this winter unless helped by the American Relief organization. The Near East Relief is undertaking to raise \$15,000,000 this year to carry on its child-saving work in Armenia, Southern Russia, Turkey, Syria, Palestine, and Mesopotamia.

Henry Geerds of the National Guards has informed the business men in charge of the boulevard light dedication that the Guards will be out in mass Friday night and will give some fancy drills on the great white way.

### JUDGE PERKINS SPEAKS TO THE EXCHANGE CLUB

STATES THAT WARS HAVE BROUGHT HIGHER PLANES OF CIVILIZATION

After the luncheon of the Exchange club yesterday Sears McLean the chairman of the club asked Chas. McBride to take charge of the meeting. In his introduction of Judge Willard B. Perkins quite a coincidence was brought out.

Mr. McBride spoke of the beautiful decorations of the M banquet held last week which were still up, referring in that connection to Judge Willard B. Perkins of Grand Rapids and Hon. G. J. Diekema of Holland, both of whom graduated from Michigan from the law class of 1893.

It so happened that these classmates were sitting side by side at the Exchange Club luncheon, yesterday, and in a very fitting way, Mr. McBride so introduced the jurist from Grand Rapids.

The judge smilingly stated that he surely had to make a flying trip to make Holland. That at 11 o'clock he was finishing a charge to a jury who were still deliberating over a case. He jumped into a taxi that went over the speed limit striking a rut, and the venerable judge nearly went through the top. He caught the train however just as it was departing and here he was with scattered thoughts scarcely collected.

Judging from his speech however, Mr. Perkins knows how to collect his thoughts quickly, for it was a sane and understandable discourse upon the disarmament question of which so much is expected.

Mr. Perkins stated that a great deal of hope is placed by the civilized world in the new treaty that is now being backed by the four big nations of the earth, as a preventative to future wars. He stated that no doubt there would be some opposition to the treaty and the same arguments will be brought against it as were brought against Article 10, but he stated that the treaty was couched in the simplest terms, more like a friendly letter, of one nation to another.

The contents of the treaty are so simply expressed that a layman can easily understand their meaning.

The treaty is like the golden rule which could not possibly involve this nation, and which could not help but be understood.

In simple words it says, "We will respect your rights if you respect our, in which he specifically mentioned the rights of America in the Pacific ocean."

He compared present-day conditions with those of the day of Christ. He also stated that wars between nations had cleaned out to some extent corruption and selfishness, and that the survivors of the war were better men and women.

In the day of the Roman empire 60 per cent of the people were slaves. Today we have no slaves, unless we are slaves to our own selfishness and our own frivolousness.

Mr. Perkins stated that justice is the fairest flower that bloomed on the stem of time, and that Justice means democracy which also means upholding of the constitution of this country.

### NOTED READER TO BE HERE MONDAY

Cards were distributed some days ago in Holland stores announcing the coming to Holland on December 19 of Edward Amherst Ott, who was to speak at Carnegie Hall on "Victory". It was found yesterday that a mistake had been made and that Mr. Ott will not appear here until a month or so later.

One of the numbers of the Hope College Lecture course will however, be given on December 19, when Prof. Southwick, of Boston, a reader of national reputation will give a Shakespeare reading.

The Grand Rapids Herald, in its pictorial section this morning printed cuts of Douglas Roby, Coach Yost, and Franklin H. Cappon. The photo was taken at the banquet in Holland last week and the following was printed under the cuts:

"Left to Right—Douglas Roby, Coach Fielding H. Yost and Franklin H. Cappon who were feted at Holland by University of Michigan Alumni. Cappon and Roby, stars of this year's Varsity squad, and both Holland boys, were presented with gold watches by their Holland admirers."

Proposals for union of all Presbyterian and Reformed churches in the United States have been deferred indefinitely owing to inability of the representatives of the various denominations to agree on a unification program, said a report of the special conference investigation the matter, made public last night.

# TERRIBLE ACCIDENT TAKES PLACE ON THE PARK ROAD

MISS ADELIA HENEVELD FOUND  
LYING AT THE ROAD.

## SIDE

At 6:15 Saturday night Miss Adelia Heneveld, daughter of Mr. and Mrs. Geo. Heneveld, was found lying alongside the Park road directly west of the intersection of the highway that goes to Graafschap.

W. F. Hanna who was driving a five passenger Buick car with a winter top and was accompanied by Miss Smith of Saugatuck was the first one on the spot and seeing the injured girl proceeded to pick her up and was aided in this by Mr. and Mrs. H. Helmink who were following the Hanna car.

They first rushed to Holland hospital, but found this to be closed because of a recent order from the hospital board. They then took the unfortunate girl to the office of Dr. Winter and Dr. Kools, who took an x-ray of the girl's head, where they found a fracture at the base of the brain. They also found that blood was issuing from the ears and mouth.

The physicians however could do nothing for her, and Miss Heneveld was taken to the home of her uncle and aunt, Mr. and Mrs. John Rutgers, directly across the street from the doctor's offices, where she died at daylight.

The parents were hastily summoned from their home in Brunswick and arrived just in time to see their unfortunate daughter alive. Miss Heneveld never regained consciousness after the accident.

George Heneveld and family recently moved to Brunswick, Muskegon county, where he is conducting a co-operative store.

The daughter who was 17 years old, was attending Hope College and staying with her grandmother, Mrs. H. Beckman at Central Park, and it was her custom to walk to town over the paved highway.

She left the home at 6 o'clock in order to attend a meeting. At 6:15 she was picked up by Mr. Hanna who immediately rushed to the city with Heneveld in order to get medical attention.

There were many rumors as to what caused the accident, but the general supposition of the Holland officers is that Miss Heneveld was struck by a passing automobile and that some part of the machine had struck her in the back of the head as she was going towards town in the same direction in which all the travel went on that side of the highway. The contentions also are that the injuries to the knees and arms were caused when the body struck the pavement.

Officer Sketee was detailed on the case and was at work most of Saturday night and Sunday looking for evidence.

Miss Heneveld was a beautiful girl and had a very pleasing personality and was loved by the students in her class at Hope. She was born in this city on June 17, 1904, and this was her first year as a freshman at Hope College, having graduated with honors from Holland High. She was a devout member of Trinity church and Sunday school and so shocked were the parishioners and the pastor that it was difficult to proceed with services Sunday morning, in fact the entire congregation was affected.

Miss Heneveld was musically inclined and took a special interest in this line of work. It was also her plan to enter the foreign mission field later on in life.

This is not the first tragic death in the family of Mr. and Mrs. Geo. Heneveld. Some six years ago a little child while playing at the St. John's dock at Central Park lost her shoes over the side of the wharf and while bending over endeavoring to reach them, a strong wind which was blowing blew the little one into the water and the child was drowned.

The funeral of Miss Heneveld took place on Tuesday afternoon at 12:30 at the home of Mr. and Mrs. George Albers, 254 College avenue, and at 1 o'clock from Trinity church. Rev. C. P. Dame officiating.

Dr. E. D. Dimment Monday morning at the Hope College Chapel services announced the tragic death of Miss Adelia Heneveld, 17, one of Hope's promising students who was held in high esteem by the entire

student body and by her many friends. Miss Heneveld had established a high scholastic standing during the short time that she had been at Hope and had become well known because of her participation in all the college activities. She was a member of the Freshman class, elected to membership in the Sorosis Literary society, and also active in the Y. W. C. A. She was admired for her talents, and loved for her warm friendship and college spirit.

The Hope College students Tuesday morning paid their last tribute to the late Adelia Heneveld at the college chapel. A vocal duet entitled "Hark, hark my soul" was rendered by the Misses Nettinga and Keizer. Prof. Thos. Welmers, who was in charge of the devotionals, took a few moments to impress upon the friends and classmates of Miss Heneveld how her beautiful character and charming personality riveted attention upon the higher things of life, as she was so suddenly and unexpectedly taken away.

The Freshman class, of which she was a member, attended the funeral services Tuesday afternoon in a body. The students were given an opportunity to view the body at the home Tuesday morning.

## JURY REACHES VERDICT IN THE HENEVELD CASE

The coroner's jury drawn by Dr. Wm. Westrate gathered at the city hall at 9 o'clock Tuesday morning to go over the evidence connected with the killing of Miss Adelia Heneveld on the Park road.

The witnesses called were W. F. Hanna, Mr. and Mrs. H. Helmink and Miss Bessie Smith. The first witnesses called were Mr. Hanna and Miss Smith who were in the car which came upon the body first. The officers at first suspected that Mr. Hanna might have run down Miss Heneveld as he had at first stated during the excitement of the accident that he didn't know whether he did it or did not for he was intent on steering the car. But Miss Smith was positive that Mr. Hanna did not strike the young lady for she states that she saw the cost fly up in the wind as the girl was lying along the roadside and this was before the Hanna car had ever reached the spot.

The testimony of Mrs. Henry Helmink, who is an intimate friend of Miss Heneveld, stated positively that she saw the object lying in the road before the Hanna car ever reached the spot, and called her husband's attention to it.

When she was questioned quite closely by both the prosecutor and the coroner she replied quite heatedly upon one occasion, "I am positive that I saw the object before the Hanna car reached it. I never saw Hanna before nor Miss Smith, but if there is any doubt about it, I surely would not try to exonerate them. But I'm so positive that I do not wish to see injustice done here."

Mr. Helmink's testimony was also along the same line, in fact the testimony of all four dovetailed perfectly. The four also testified to something else, stating that about the time of the accident a large seven passenger sedan shot by the spot at between 45 and 50 miles an hour, and that the car was zig-zagging in the roadway and the Helminks stated that they turned aside in order that they would not be struck by the oncoming vehicle. Another suspicious looking incident happened in that vicinity.

Mr. Helmink, "A Ford car came from the direction of Graafschap. The driver looked on for a minute turned his car about, and left in the same direction from which he came."

Mr. Helmink claims to have made an investigation of the big car that went by above the speed limit and he stated that he found out afterwards that a car answering this description arrived at Macatawa Park shortly after six o'clock and left Sunday afternoon, going east, and that was the last seen of it.

After all the testimony was in Prosecutor Miles who represented the people, personally stated that all the witnesses had been very truthful in their statements and he was assured that none of them was in any way responsible for the death of Miss Heneveld.

The verdict of the jury after weighing all the evidence, was brought in at noon Tuesday.

Here it is: "That Miss Adelia Heneveld came to her death on Saturday evening at 6:15 on the Macatawa Park road through a moving vehicle. The identity of the driver of said vehicle is not known. Signed Dick Boter, Arend Siersma, Tom White, John Olert, Nick Dykema, Nick Yonker."

## FUNERAL OF MISS HENEVELD WAS UN- USUALLY LARGE

Not in years has such a large crowd of friends and interested people come together to pay tribute to a departed one as was the case at the funeral of Miss Adelia Heneveld.

Trinity church was crowded beyond capacity and hundreds of friends were turned away not be-

ing able to get near the entrance of the church.

The funeral services were conducted by the pastor Rev. Clarence P. Dame who was assisted by Dr. E. D. Dimment, president of Hope College and Rev. J. Stewart of Holten, Michigan, pastor of the church where the parents of the unfortunate girl worship.

The floral tributes came in such large numbers that the home would hardly hold them.

Interment took place in the family plot in the small Graafschap cemetery, and it was rather a coincidence that the funeral cortege in going to the cemetery had to pass the spot where the sad accident occurred.

The pall bearers were selected from the 1920 High school graduating class of which Miss Heneveld was a member. Most of the pall bearers are today freshmen in Hope college, the class of which Miss Heneveld was also a member. They were Fred Stegerda, Paul VanVerst, Fred Yonkman, Kenneth Van Lente, Henry Oosting and Richard Harke-ma.

Many of the Hope College students attended the funeral services and the institution was closed during the afternoon.

The Ottawa County Medical society held its annual meeting and election of officers Tuesday in the Guild room of Grace church.

## RED CROSS DRIVE IN HOLLAND NETS NEARLY \$2,000.00

The people of Holland contributed a total of \$1,910.81 to the annual Red Cross budget in a roll call that was held early in November. While the roll call closed on Thanksgiving day, some days after that were required by some of the teams to complete the work, and the tabulation of figures was not finished until Tuesday when Dr. A. Leenhouts, in charge of the roll call in Holland, made his official report to the Ottawa County Red Cross.

The roll call was not as satisfactory as it was last year. At that time several hundred more names were secured than this year, but as this is the history of R. C. roll calls in most cities it is not looked upon as any special reflection on Holland. Industrial conditions and a number of other factors are held responsible for the decrease in the Red Cross roll call everywhere.

The amounts collected by the various agencies are as follows:

Miscellaneous	\$19.90
First State Bank	34.50
Peoples State Bank	39.91
Holland City State Bank	56.00
First Ward	193.50
Second Ward	160.00
Third Ward	285.00
Fourth Ward	512.50
Fifth Ward	478.00
Sixth Ward	131.50

The captains of the Ward teams were: First, Gerald Slagh; second, John Vanden-Broek; third, Earnest Brooks; fourth, Marshall Irving; fifth, Edw. Oonk; sixth, Marinus De Fouw. Each captain was assisted by a local team of workers whose names will be given as soon as they have been handed in by the captains. All the work was done by members of the American Legion.

Mrs. G. J. Van Duren, in charge of the work in Southern Ottawa, has received two more reports from the places outside of Holland. North Holland, Henrietta Ten Have, chairman, turned in \$40; and Vriesland, Cora Winters, chairman, turned in \$10.00.

## WRECKAGE OF HOUSE OF DAVID SCHOONER FOUND AT MUSKEGON

Lumber and wreckage washed ashore late Sunday at Muskegon harbor, has been identified as part of the cargo of the small sailing vessel Rosabelle, lost with her crew of 11 men several weeks ago in Lake Michigan.

Wreckage also was washed up and identified. No trace of the crew has been found and the manner in which the ship was wrecked remains a mystery. The Rosabelle belonged to the House of David, religious colony near Benton Harbor, and was engaged in carrying lumber from the colony's timber lands.

Four Grand Haven stars of 1921 represented the Grand Haven high eleven at the Cappy-Roby banquet Thursday night. The Blue and Gold representatives were Captain Zuidema, Gerald Muller, Arthur Weiling, and John VerDuin. All had the opportunity of meeting Coach Yost. Following the meeting which was held at the Ladies Literary club at Holland, the Holland University of Michigan Alumni association was formed. Raymond Visscher was elected president and Dr. R. A. Waltz was named secretary. G. H. Tribune.

The Ottawa County Road Commissioners, A. Harrington, D. Bekus and W. M. Connelly had conference with Dr. Olin, State Health Commissioner, regarding the drainage conditions in the eastern part of Chester township and Engineer Brockway of the State Board of Health and Engineer Bowen of the Ottawa County Road Commission will make a survey of the affected area this week. The conditions in this district are very bad, especially near Gooding. Drainage of this area is prevented by an injunction of the Grand Trunk R'y which was issued some time ago during a legal fight between that railway and the Kent county drain commissioner. Ottawa is determined to have the situation cleaned up as her roads in that section are being flooded and health conditions are not good.

The Ottawa county commission has had this matter under advisement for some time, and the matter has been taken up with the state department of health because the commission believes that quick action will be secured through this depart-

### THAT CARP FISHING AGAIN

About ever so often the state lets a contract to some fishermen, allowing them to net the carp and other so called cannibal fish from Black Lake.

The supposition is that these fishermen do their fishing very carefully and under the supervision of a deputy game warden. As compensation the fishermen get the carp that are pulled up in the nets and the game fish are put back into the bay.

Since carp fishing began this netting has been tried out at least a half a dozen times and after each campaign many dead fish have been found upon the shores of the bay.

This naturally starts a protest among some fishermen who claim that more game fish are being destroyed than any number of carp would destroy. On the other hand it is a well known fact that tons of carp have been taken in the nets and no-doubt there are several tons more still at large.

It goes without saying that these tons of scavenger fish must live on something. What that something is we are not prepared to say. Holland fishermen who claim to know state that the carp live on roots, water weeds and like hogs root in the mud for food. There are others again who content that the carp also root in the spawning beds and in that way spoil millions of fish in embryo. Others contend that the scavenger and bill fish feast on the small fish of the minnow variety.

We are not enough of an Isaac Walton to vouch for these statements, but it seems there should be a sensible way of getting at this fish problem. There surely must be some authorities who know all about carp, their habits and what these fish live on.

If it is found that carp do not injure game fish, then the fishing should be stopped. On the other hand, if the livelihood of the carp depends upon the amount of game fish they can eat, and the number of spawning beds they can destroy, then the so-called cannibal fish should be netted out, for all the dead fish found on the shores of the lake up to this time would not begin to compare with the amount of fish that would be required to sustain hundreds of tons of carp.

Then too, if carp fishing is to be continued the question arises, are the carp fishers fishing the right way? Are they at all times netting in such a way that the least amount of damage is done to the game fish that are taken in the nets together with the carp? If not, then better methods of netting should be used.

It seems that this information should be gotten first hand, and the plan that kills the least number of fish should be followed out.

If carp kill more game fish than careful netting would do, then let responsible men fish out the carp. If the carp is not a cannibal fish but rather a scavenger fish then let's leave the carp alone, for in that case they would be a blessing rather than a curse.

### BIRTHDAY EVENT IS PURCHASE OF HIS GRAVESTONE

William Dibble an eccentric citizen of Allegan celebrated his 59th birthday Tuesday in a singular manner.

More than 30 years ago "Dib" as he is known by everybody, was a ball player. He was hit on the head by a batted ball and ever since that day has been a cripple, due to paralysis. He has saved his money. A short time ago he bought a lot in Oakwood cemetery, purchased a casket of an undertaker and deposited the money for the funeral expenses in a bank.

He celebrated his birthday Tuesday by paying a local marble man for a marker for his grave.

"Dib" also says he has his rent for his rooms paid for the winter, besides having supplies in his larder to run him until spring. When the times comes, "Dib" has given orders that he does not want flowers or a minister. "I just want to be buried, that's all," he says.—G. R. Press.

### Call Us Up

There are three things—and only three—that wear out batteries. (1) Miles of service—(2) Months of service—(3) Neglect and abuse.

The way to get the most months or the most miles—or both—is, of course, to get the right battery and then take care of it.

We'll sell you the right one—the Willard Threaded Rubber Battery—and more than that, we'll help you look after it.

Call us up.

Or better still—come in!

### PEOPLE FORGETTING THEIR DOG TAXES SAYS TREASURER

The people of Holland are mindful of their regular taxes, as shown by the receipts at the office of City Treasurer Geerds during the first week of tax collection, but they are forgetting about their dog taxes. So far only seven dog owners in Holland have paid the necessary fee that will insure continued immunity for their dogs from a policeman's bullet. The estimate is that not less than 200 dog owners in Holland will be required to secure licenses during the month of December if they wish to keep their dogs alive. It is believed by the city treasurer that these owners are forgetting the fact that they must pay the dog tax during December. At least if they are remembering it and do not come in in greater numbers during the rest of the month, there will be many dead dogs in the city in the not distant future.

The total amount of general tax collected by the city treasurer during the first week of the tax campaign was \$13,360.10, which was spread over the six days as follows: Monday, \$1,280.75; Tuesday, \$1,491.04; Wednesday, \$1,102.03; Thursday, \$2,231.53; Friday, \$3,042.31; Saturday, \$4,212.44.

Saturday was an extremely busy day in the treasurer's office. The total collected was split up into a very large number of small accounts

### PERSONALS

The annual election of officers of the A. C. Van Raalte Post, G. A. R. will be held Wednesday evening in G. A. R. Hall.

When the "Cappy and Roby" banquitters were given the privilege to see three films of pictures at the Strand Thursday night showing the Ohio-Michigan game, they also saw somebody they did not expect to see. On the side lines were George Lage the local druggist, and Doc Knooihuizen, both as big as life and seemed mighty interested in what they were looking at, not knowing they were getting their pictures "took."

The Colonial orchestra gave one of their popular concerts at the Pine Creek school house Friday evening. The boys went down in automobiles and found a crowded house awaiting them. The orchestra gave a well balanced musical program the numbers being interspersed by readings given by Harold Vander Bie and a dialog "The Farmer and the Photographer" given by Andrew Ver Schure and Leonard De Pree. The numbers were all well received judging from the applause given them. After the program a pie social was held. The concert netted the school \$45 which will go towards paying an installment on the new piano.

Eliza Jane Anderson, wife of Gun der Anderson, 835 Ninth st., NW., Grand Rapids, died Sunday evening, aged 54. Surviving are one daughter, Eugenia M., one son, John A., four brothers, Gerrit Elferdink and John of Grand Rapids, D. W. of Detroit, George of Holland, Mrs. Sarah Hume, 100 W. 10th St., Holland, at whose residence the funeral was held Wednesday at 2 o'clock. Interment was in the Holland cemetery. Rev. J. W. Esweld of Lansing officiated.

John J. Rutgers, Earnest Brooks and Niel Blom were in Grand Rapids and Niel Blom were in Grand Rapids on business Monday.

Jim De Pree of the De Pree Co. has returned from a trip to Ann Arbor, Detroit and Cincinnati.

Cards are out announcing the marriage of Peter H. Douma and Henrietta Ten Have at North Holland.

The Original Pinocle club will be entertained this evening at the home of Mr. and Mrs. Alfred Van Duren.

Ladies Aid at Graafschap are going to hold a sale of ready-made articles at the chapel at Graafschap Thursday afternoon at 1 o'clock. 2t135

Gerrit Henneveld of Grand Rapids, a brother of George Henneveld, was in the city Monday, called by the sudden death of Miss Adelia Henneveld, his niece.

Charles Chaplin tonight at the Strand Theater in "The Idle Class" one of his very latest successes and one, if you like Chaplin, that you cannot afford to miss.

Clarence Berkompas, a member of the B. Class at Hope college, received word Saturday that his father was critically ill, and requesting him to come home immediately.

The Allegan American Legion Auxiliary will entertain similar organizations from Fennville, Plainwell, Otsego and Saugatuck on Tuesday when plans will be laid for a strict organization. The meeting will be addressed by Mrs. Ada C. Sangster, state president of the auxiliary.

Property owners on College avenue from 6th to 24th street are asked by City Clerk Overweg to meet with the committee on streets and cross walks at the council rooms on Wednesday, December 14, at 7:30 p. m. to consider the kind of material to be used in the paving of College avenue.

When Mary Garden of the Chicago opera company gives her next radio concert, students at the Muskegon Heights high school will be ready to "listen in," as E. M. Rudd, instructor in physics at the institution, has established an aerial on the top of the new school building for that particular purpose.

Friday night a miscellaneous shower was held in honor of Miss Ella Prince at the home of Marie Knutson. The girls present were: Henrietta and Kathryn De Weerd, Mary and Anna Beld, Henrietta Prins, Mary Schrotenboer, Gertrude Vander Havel, Ida Dure, and Flora Landman. Many useful gifts were received. A supper was served and the evening was spent in favorite pastimes.

The Muskegon Interurban R'y Co. will appeal from the adverse decision of the Ingham county court in the passenger rate case and will ask that the supreme court hand down a final decision that the 3c fare be continued with rebate checks good for the difference should the final decision uphold the 2½c fare.

The basketball manager "Mike" at Hope College, is having the time of his life getting a schedule arranged for the coming season. Hope is receiving a host of invitations, and the manager is taking pains to take on only the best for Holland, which will probably be something entirely new.

The Jewett Phonograph Co. of Allegan is making elaborate plans for the extension of its manufacturing activities incident to its issuance of a stock flotation of \$750,000, the proceeds of which will be used in the purchase of equipment and in building operations.

E. R. Van Leeuwen, government entomologist, arrived Monday from New Orleans to spend the coming holidays with his sister, Mrs. John Bekken, 315 W. 13th St.

The Allegan jury for the December term of court reported with only one civil jury case to be tried this term.

While Willard Bloemendal was driving on East Eighth street Monday night at about 5 o'clock in a Ford he ran into the delivery horse of H. P. Kleis. The result was a broken leg for the horse so that he had to be shot. Slight damage was done to the rig and car.

Word was received Tuesday that the father of Clarence Berkompas, a member of the B class of Hope college, passed away Saturday at his home in Rudyard, Mich.

The commercial club of Allegan Tuesday night adopted plans for a boulevard system for lighting for that city. The plans will be submitted to the city council for ratification.

Mrs. Martin Birdsall, formerly of this city, died at her home in Grand Rapids Friday. She is survived by her husband and four children, Mrs. Harold Porter, Mrs. Roger Carroll and Mrs. George H. Gee of Grand Rapids, and Mrs. Clifford Harrington living south of Holland. The funeral services were held from 1178 Walker street, Grand Rapids, Monday at 10:30 in the forenoon, Rev. G. B. Fleming of Holland officiating. Interment took place in Allendale.

Frank C. Cannon, former U. S. Senator from Utah, has been secured to address a mass meeting in the 1st Reformed church next Tuesday evening at 7:30 o'clock. He will speak on the subject "And When They Forgot God." It is a rare opportunity afforded the people of Holland to hear a man who is well known the country over as an author and as a lecturer.

This meeting is being held in the interest of civic righteousness, and has been arranged for by the Federated Bible Classes of Holland, in order that the people might have opportunity to hear this distinguished speaker discuss matters of public welfare. Mr. Cannon is speaking under the auspices of the National Reform Association, of Pittsburgh, one of the oldest reform organizations in the country.

The December meeting of the Home Missionary society of the Methodist church was held Monday evening at the home of Mrs. I. Ver Schure. Devotionals were in charge of Mrs. G. B. Fleming. Mrs. Maurice led the community singing. During the business session interesting reports were given by the various committees. Mrs. Etta Whitman gave a very concise report of the Michigan Conference meeting recently held at Niles. The Grand Rapids district, of which the local society forms a part, won the honors in five departments of the work, also winning second place in two other departments. Mrs. E. B. Rich very clearly outlined the third chapter of the study book, "From Survey to Service," by H. Paul Douglass.

"Stewardship in the Light of the Cross" was given by Mrs. Fleming, and "The Crust of Compassion" by Mrs. Whitman. Enigmas were in charge of Miss Georgia Atwood, and little Miss Ruth Verschure gave two delightful readings. A letter was read from Dr Baldwin, expressing appreciation for quilts sent to the

## Slippers For Christmas!

Oh! the very Thing.

I am glad you remind me. For father, mother, sister, brother and oh the baby, they all need Slippers. I'll just go over to the Enterprise Shoe Store for they have a big line of all kinds of slippers. Lets see, for father a pair of Cavaliers, Faustus or Romeo's for mother, a pair of Romeo's or Juliets for sister, a pair of Comfys with soft padded soles, for brother and a pair of Everetts or Opera's, and the baby a pair of soft Comfy or Puss in the Boot, and the best thing the price is very reasonable this year.

### SON OF PROMINENT MERCHANT IS MARRIED

Leonard Mulder Steketee, oldest son of Mr. and Mrs. Andrew Steketee, Jr., 84 W. 14th St., surprised his friends by quietly getting married to Miss Cornelia Ter Haar, a daughter of Mr. and Mrs. George Ter Haar, 151 East 18th street.

The happy couple quickly motored to the parsonage of Rev. D. Zwiers, pastor of the 18th street Christian Reformed church where the marriage nuptials were performed.

The newly weds will live at 63 E. 21st street and will be at home to their friends after January 1st.

Mr. Steketee is the proprietor of the Steketee Tire Shop, corner of 8th street and College avenue.

Both Mr. and Mrs. Steketee have a host of friends living in this city.

### UNITY IN DIVERSITY IS THE AIM OF AMERICAN LIFE

The Rev. Paul P. Cheff gave a scholarly address on "America, a Social Study" before members of the Woman's Literary Club Tuesday in which he analyzed the place which the United States occupies among nations today, and the place which it is destined to fill.

Mr. Cheff showed that the law of unity in diversity is the fundamental law of history, that the development of civilization has been along one of these two lines. Diversity, the development of the individual instead of that of the state, was the goal of countries such as Greece, as its brief national career but its many characters of world significance testify. In the Orient, on the contrary, "individuality has been sacrificed on the altar of unity of government."

The history of these countries gives evidence of the weakness of progress along only one of these lines. The speaker maintained that a perfect state of society might be attained thru the proper balance of the application of these principles, and he stated that the voices of human experience, of contemporaneous history, and of science are prophesying a state of perfectly organized society in which the perfectly developed individuals will co-operate and live harmoniously. Such a state is to be brought about thru the physical, intellectual and spiritual training of the individual.

We have the culmination of the best of all Anglo-Saxon nations in the United States today: physical fitness, mental alertness, and the finest type of religion, christianity. For that reason we are in a position to lead the nations of the world and we must do so. We must enter into a society of nations, and secure the confidence of the other nations by serving them, so that our influence may be the greater in times of trouble, that we may have a greater opportunity of settling difficulties amicably.

A paper on Current Events, prepared by Mrs. Walter C. Walsh, was read by Mrs. E. Brooks. Mrs. Arthur A. Visscher sang "Twilight Falls" by Arthur C. Morse and "Shepherd, Play a Little Air" by William Stickles.

Several announcements of importance were made. Mrs. Dregman delighted the members of the club with her financial report which showed that a large part of the debt had been raised during the past year. Mrs. G. J. Diekema repeated the announcement that the play, "When the Chimes Rang" will be given at 4:15 next Tuesday afternoon. Each member is requested to bring a child and each child is urged to bring a gift for the children at the Children's Home at Benton Harbor.

In the absence of Mrs. J. S. Dykstra from the city, Mrs. E. P. Davis will act as head of the House Committee. Mrs. Pearl Slater joined the club.

Certain that the vast quantity of lumber which has drifted on Lake Michigan shore between Muskegon and Grand Haven could not possibly have been carried by the House of David schooner Rosabelle, which was found bottom up near the Wisconsin coast a few weeks ago, marine men believe that another lumber laden vessel has foundered.

The timber continued to pile up Sunday and Monday; nearly fifty teams were engaged in hauling it away. No reports of missing vessels have been received however. The last barge carrying lumber to put in at Muskegon, was The Demsey, with nearly 1,200 tons.

The Holland American Legion band held their annual business meeting Tuesday evening in the band rooms and the following officers were elected for the coming year:

Pres.—Bernard Kammeraad.  
V. P.—Henry Toppe.  
Sec'y.—Raymond Knooihuizen.  
Librarian—Bert Jacobs.  
Janitor—William Toppe.

The band has just closed a most successful year and has been at two conventions during the year at Kalama and Kansas City. The boys wish to thank all the citizens of Holland who have made it possible for the band boys to go to these places. And they hope that they may have the hearty support again during the coming year and that they may be able to go to New Orleans next fall and represent Holland and the 5th District there.

### EFFICIENCY OF CITY LIGHT FORCE SHOWN

Last Friday morning the big engine at the West Michigan Furniture company was put out of commission because of a breakdown, and had it not been for city electric power this institution might have been put out of commission for a month or six weeks waiting for repairs.

Manager Ray called upon Supt. Champion of the Board of Public Works for aid and within 24 hours the big factory was connected up with city power to the extent of 200 k. w. By Monday evening 150 k. w. were added, and the big furniture factory is running as smoothly as ever and over 300 men are happy that there is no six weeks' layoff in the dead of winter and the officials of the company are exceedingly pleased that they can keep their men going besides keeping their output at such a standard that it will cover the heavy demand.

All the machines in the West Michigan Furniture factory are electrically driven, but the company generates its own power.

Very thoughtfully and showing good business judgment, the firm put in a two phase system alternating current, which is the same as the Holland system. Consequently it is easy to switch over from their own power plant to the city current. Mr. Champion detailed A. Nauta and other efficient city employees on the job and in an exceedingly short time had the big plant humming again as usual.

### ELKS ARE TO GIVE AWAY A "LIZZIE"

The Holland Elks are planning one of the biggest feature dances ever pulled off in this city, and one of the most attractive guests at the hop will be Miss Lizzie, and what is more, as at the old slave market, Lizzie is going to the highest bidder.

The dance is to take place on the evening of February 22, and Lizzie is to be on exhibition at the Wolvenine Garage on River avenue.

Through the co-operation of the Holleman-Deweerd Auto Co., where they have a herd of Lizzies in captivity and Dulyea and Vander Bie the thing was put across. But come to the dance and see what's going to take place.

### WILL TELL OF THE PRESENT PEACE PLANS

The Woman's Christian Temperance Union will meet Friday afternoon at 3 o'clock at the home of Mrs. R. N. De Merell, 64 East 9th street. It will be a special Christmas meeting and a Christmas program will be given, the feature of which will be an address by Dr. E. J. Blekkink on the subject, "Peace on Earth." Dr. Blekkink is deeply interested in the Disarmament Conference as he was in the League of Nations and he will give a talk on the general subject of world peace. Any woman not a member of the Union is invited to attend the meeting.

The high school quartet will sing and there will be other numbers. Devotions will be in charge of Mrs. F. T. Miles, and the tea committee is in charge of Mrs. E. J. Blekkink. Each member is asked to bring a Christmas gift which will be sent to the City Mission. The parliamentary law class will meet at 2:30.

### SCHOOL TEACHERS HOLD A CHRISTMAS PARTY

The teachers of the local schools held a Christmas party Tuesday evening in the gymnasium of the high school. The members of the board of education were present as guests of the club for the evening. The social committee had arranged a lively program of games and music which was followed by refreshments. During the singing of a group of Christmas songs Santa Claus entered and distributed the gifts from two beautifully decorated trees.

### HOPE QUINTET TO MEET CALVIN TEAM

Hope will meet her next rival on the basketball schedule here Friday night, with the Calvin College team. Coach Schouten, up to this time has been anxious to get his squad into condition, and is devoting most of the time at present to perfecting the team work. With just a little polishing, the locals will be ready for the visitors who will come here backed up with a strong support and a good reputation, having defeated the Lowell Legion last week by a wide margin. This will be the last appearance of the locals before they set out for their inter-state trip next week Wednesday, when they are scheduled to meet the Whiting Owls of Indiana. A rushing preliminary has been arranged for between the Calvin Rivals and the Hope Reserves.

The Holland people have seen the Rivals here last year, and have convinced themselves that they are by far the fastest and cleverest basketball tossers that any outside preparatory school has brought upon the local floor.

At the closing meeting of the year of the Ottawa County Medical society Tuesday noon in the Guild rooms of Grace church, Dr. G. H. Thomas of Holland was re-elected president of that organization to serve during 1922. Dr. Thomas held this office during 1921 and that year has in point of attendance been perhaps the most successful for the past ten years. Almost every meeting has been well attended and some very interesting programs have been given.

Other officers elected Tuesday were: Dr. William Westrate, vice-president, and Dr. A. Leenhouts, secretary and treasurer. Dr. R. H. Nichols was elected delegate to the annual convention of the Michigan State Medical society to be held in May, 1922, in Flint.

The greater part of the meeting Tuesday was taken up with a discussion of the ethics of the medical profession. Such subjects as

contract practice and advertising were thoroughly discussed in a friendly spirit by the physicians present. The general consensus of opinion was that the first consideration always should be to give the public the best service possible but that in the second place the medical profession should safeguard itself against the unethical practice on the part of members of the profession and should do this by means of fraternal understanding.

The discussion was in the main a restatement of the ethics of the medical profession, and many of the members gave their ideas of what they considered unethical. But all agreed that medical protection for the public should always be the first consideration.

### HAMILTON

Several children in this vicinity have the chickenpox.

Herman Rutgers, Henry Rutgers, and H. Turk motored to Allegan last week Friday.

The son of W. Nykamp is laid up with typhoid fever.

C. Getz was in Allegan on business last week Thursday.

Mr. James Rutgers who is attending school in Chicago in a letter to Rev. Breen writes that he is getting along nicely. All wish him success.

By becoming a Member you will enjoy the CHRISTMAS SPIRIT the year round.

## FIRST STATE BANK

HOLLAND, MICH.

### EVERYTHING IS SET FOR LIGHT DEDICATION FRIDAY

A peppy spirit is being created in Holland which will no doubt burst forth Friday night when Holland's boulevard lights will be turned on for the first time. The businessmen are getting together and are raising a fund to defray the expenses of a program of fireworks, fire crackers, etc.

A large truck will be utilized passing along the great white way, and as it slowly rolls along fireworks will be shot off. It is said that a great deal of confetti is also coming to town and that some of the younger element are preparing some great makeups for the evening.

The American Legion band, the Warm Friends band, and the Holland Martial Band will be out and the committee is endeavoring to get out the Legionnaires and the National Guard.

Surely these men will be only too pleased to take part in the doings on this great occasion.

The business men have signs placed in every window containing the following: "This store will be open Friday evening, December 16. Dedication Boulevard Lighting System. We Welcome You."

The merchants have not opened their places of business with the idea of getting trade, but rather to keep open house and make the downtown district more hospitable.

Should the weather be cold, sight-seers are welcome to walk into any store in the city, visit around, get warm, sit down and rest, in fact they will be welcome.

This does not mean that goods cannot be purchased, should a customer desire something. With Christmas so near at hand, no doubt some may combine business with pleasure and may find something that is desirable for Christmas.

But the merchants in the main feel that open stores with all the lights in them burning brightly together with the beautiful new system going full blast on the outside it would be more hospitable to throw the doors wide open, and say welcome, and you may be assured that the welcome will not be half hearted.

The committee working out the details are Mayor Stephan, J. Wall, Henry Van Ark, Al Joldersma, John Van Tatenhove and Wm. Visser.

### SPECIAL SCHOOL

#### ELECTION HAS BEEN POSTPONED

The special school election that was scheduled to be held next Tuesday has now been postponed. This decision was arrived at by the board of education Tuesday when it was learned that a technical difficulty has arisen in connection with the floating of the proposed bond issue. No change whatsoever is to be made in the plans of the board so far as any vital point is concerned but it was found necessary to comply with certain technical rules and regulations of the bonding companies which are enforced in the case of all bond issues to take away any possibility of having them declared illegal when once passed.

It is chiefly a matter of time limit, the bonding houses requiring that a certain length of time shall elapse between the passage of the resolution by the board of education and the election. This requirement would not be met if the election was held on December 20, and for that reason the bonding house would not feel safe in floating the issue.

To get away from this difficulty the board has decided merely to postpone the date of election. Exactly when it will be held has not yet been decided. If this were any other month than December the election would be scheduled for about a week later, but it is not deemed desirable to hold a special election during the holiday season and so the matter will hold over until some time early in January.

The board will hold the necessary meeting, comply with all the regulations of the bonding company and then advertise the special election in the usual legal way. Meanwhile the work of telling the people about the proposed new Junior high school will continue.

Under-Sheriff Jack Spangler of Ottawa county, went to Coopersville to investigate the burglary of a private residence there Sunday night. Although the officers did not know the name of the occupants of the house, it is said that the burglar was caught at his job, leaping from the second floor to the sidewalk and made his get away, with several watches and some jewelry.

### MISS NELLIE CHURCH-FORD WANTS CLOTHING FOR THE POOR

Miss Nellie Churchford is making an earnest plea to the public for clothing to be distributed to the poor during the holiday season.

You who are better situated in life than those whom Nellie Churchford has in mind, look over your wardrobes and see if you haven't something to spare for this benevolent cause.

There is no use of having these things hanging up indefinitely when these might be put to good use. The call is very urgent, so kindly give it heed.

The City Mission will be open from 2:30 until 5 all of this and next week. However Miss Churchford and the Social Service committee would like to have these donations all in as soon as possible and such other gifts as your heart and conscience may dictate.

Please try to get them in not later than this week if possible.

## JURY IN TINHOLT CASE DISAGREES

The long drawn out John Tinholt perjury case has finally come to a close. At least four days were consumed to try this case which finally ended with a disagreement the jury standing eight for acquittal and four for conviction.

Friday Prosecutor Fred T. Miles of this city opened the argument for the state after all the evidence was in and Attorneys Robinson and Den Herder followed.

Attorney G. J. Diekema who assisted the prosecution closed the argument for the people early Friday afternoon and directly thereafter Judge Cross gave his charge to the jury and turned the case over to them.

The jury deliberated on the case for seven hours starting on their deliberations at 3:30 and after supper the men again got together going over the evidence until eleven o'clock at night.

Finally the jurors found that any chance of agreement was hopeless and they told the court so.

Judge Cross questioned each of the 12 men individually and found that agreement could not be reached. He then proceeded to discharge the jury thanking them for their earnest consideration of the case.

The prosecution brot in 22 witnesses for the people while the defense had five witnesses. The defendant, John Tinholt was not called as a witness in the case.

Because of the great publicity given the first trial of Tinholt on the charge of assault with murderous intent, it was impossible to secure a jury from the regular panel to try the present case. The first day of the present trial the sheriff's officers were sent into the northern part of the county to summon twelve extra talesmen. From this group the men to hear this case were drawn. Much time was consumed at the beginning by the reading of testimony given by Tinholt in the former trial, upon which the charge of perjury was based. Among the interesting exhibits was Tinholt's car, with a hole through the back of the front seat torn by a charge of gunshot. It was claimed that Tinholt had fired this charge to hit his stepson who was driving the car. Tinholt insisted that the shooting was accidental.

Tinholt was acquitted by the jury in the trial last summer. Upon the testimony given by Tinholt in his own behalf, the charge of perjury was made by Sheriff Fortney and Prosecutor Miles is said to have had much to do with the starting of the present case.

The jury in the case follows below:

Bert Titus, Leon Easterly, Avery Scott, Wm. Tatwe, Charles Stewart, Lloyd Murray, Ralph Bredeweg, Bert Frost, Bram Witteveen, George Hulst, Willis Buck, Chester Richards.

### LOCAL ENTERTAINERS

#### APPEAR AT NEELEY

Last Friday night local talent gave a very successful comical entertainment at Neeley, Michigan, under the name of "Shoemakers and Cobblers." The members of the company are Mr. William Schumacher, Mr. Herbert Schumacher, Mr. George Ten Hoor, and Mr. Harold Vander Ploeg. The program consisted of violin and piano solos, readings, quartette selections, impersonations and humorous dialogs. "She's a dandy" was the verdict of the Neeley people. The company expects to give entertainments in various other places in the near future and are well satisfied with the wonderful success of their first entertainment.

The consistency of the 14th St. Chr. Reformed church petitioned for permission to connect rainwater from the roof of the church with storm sewer.  
Referred to the Committee on Streets and Crosswalks with power to act.  
The clerk presented the following petition signed by Jacob Hoeksema and others: The undersigned having been informed that your Honorable Body is considering the paving of College avenue from Sixth to 24th streets, do hereby remonstrate against such improvement on that part of College Avenue from 20th to 24th streets.  
In the first place, said part of College avenue is in good condition and can be kept so with very little expense.  
In the second place, most of the property owners have considerable frontage on said avenue which means a great expense, and which we feel is not absolutely necessary at this time.  
Tabled until the hearing on the improvement of College avenue.

Rev. Clarence Dame of Trinity church will again continue his series of sermons under the head of "Young People and Their Problems." The subject for Sunday night will be "Young People and Their Conduct."

According to a writeup in the Grand Rapids papers on the business done by the American Metal Weather Strip Co. it is stated that the following Holland folks had their windows equipped with this system preventing cold wind and dust from entering the home: James A. Brouwer, A. D. Goodrich, Scott-Lugers Co., Holland; R. Robertson cottage at Macatawa Park; Mrs. Godfrey residence at Castle Park.

The officials of the Pere Marquette have sent out the different prizes to the employees showing efficiency. The prizes range from \$100 down to \$50. The names of Holland men and women in the list but what can anyone do to make a showing with such a depot and surroundings. Fred Schmase of Grand Haven however succeeded in landing a \$25.00 prize being one among twelve other section men on the system who showed the highest working of efficiency on various track supervisions.

Mrs. Jacob Zuidema entertained a few of her friends at her home on West 15th street last evening in honor of Miss Anna Tietma who will leave for Palm Beach, Fla., the first part of next month.

The Ladies' Aid Kings Daughters and Young Ladies' Mission circle of the Maple Ave. Christian Reformed church will hold their annual sale and bazaar in the building next to the gas office Saturday morning, afternoon and evening, Dec. 17th. Many pretty Christmas gifts and also useful articles will be on sale. Refreshments will be served. Every one is welcome.

S. & Dornbos, the enterprising furniture dealers on East 8th St. have a large automobile truck loaded with furniture to Shelby, Mich., Monday. Captain Anderson who has charge of one of the large steamers wintering at Saugatuck, and who has a farm near Shelby is furnishing his home there and gave the local dealers the contract. Mr. Dornbos says scarcely a week but what you are able to see one of their trucks in some distant part of the state delivering the furniture this firm sells. Purchasers are realizing that it pays to buy in Holland.

## Strand Theatre

Today and Tomorrow—Bryant Washburn in "The Road to London"—a better roll than he has ever had before. Scenes taken on the actual locations of the story, in Buckingham Palace grounds, Windsor Castle, Westminster Abbey, Trafalgar Square, and all of dear old London. The greatest novelty in picture. Comedy—The Hall Room boys in "In Bad Again."

Saturday, December 17—Ralph Ince production "Red Foam." Two men and a woman—one with a smile on his lips and murder in his heart. The other cool, calm—and dangerous—and then the "Red Foam," of passion boiled over. Celebrated comedy "Twelve Hours to Live."

Monday, Dec. 19—Miss DuPont in "False Kisses," a dramatic story of the sea, depicting the vital analysis of a woman's character. The story is intensely interesting and the scenic effects are beautiful. Two comedies: "Stealing Home" and "Dodge Your Debts."

Tuesday, Dec. 20—Mildred Harris Chaplin in "Habit." Caught in the chains of Habit Irene Fletcher undergoes most remarkable experiences, that thrill the audience as they watch the plot threads weave her in a web so dramatic as to defy description. Mutt & Jeff comedy "In Asia." Added attraction, The Bottom of the World: Sir Walter Shackleton's exclusive pictures of his trip to the South Pole—a scenic wonder.

Wednesday and Thursday—Wesley Barry in "Dinty"—in which a freckled face newsboy starts a war in Chinatown—lifts the lid off a real life romance—and whoops away with the swiftest set of laugh thrills you ever saw. Special two reel comedy—"The Rare Bird."

It simply don't want to be wintered and we are only six days removed from the shortest day in the year.

Sheriff Fortney yesterday turned over Dale Nelson and Guy Nelson to the federal officers at Grand Rapids who wanted them for violation of the federal laws in transporting a stolen automobile from state to another. The two men were captured last Friday night near Drenthe and brought to the county jail. They came into Ottawa county from Indiana, where it is alleged they had stolen a car from Elkhart, Ind.

Swan A. Miller manager of the Macatawa Resort Co., left for San Diego, California and is stopping for the winter at the New Palace Hotel.

At the annual meeting of the Holland and Park Township Farm Bureau Saturday George W. Straight was re-elected president and E. B. Scott was re-elected Sec'y and treasurer. George W. Straight was elected delegate to the county convention from Park township and Wm. Vandenberg from Holland township.

T. Baker; Historian, Helen Koopman; executive committee, Mrs. Geo. L. Olson.

## EXPRESS AGENT

## GIVES ADVICE ABOUT PACKAGES

## MR. STRINGER GIVES POINTERS TO ENSURE SAFE DELIVERY

Local express forces are making special preparations for the handling of Christmas traffic, according to a statement made today by C. F. Stringer, agent.

"We wish to emphasize the importance of shipping gift packages early," said Mr. Stringer. "This will avoid congestion with the regular traffic, and insure their arrival on time. Our most important task in handling holiday shipments is to deliver them before Christmas day."

The express agent declared that the carriers ask the public to ship their Christmas gifts in "perfect packages," so that the shipments may be safely and quickly delivered. He points out that it is advisable for shippers to take special care in the

packing and marking of their gift shipments. He urges plain, legible addresses directly on shipments, if possible, and with "all old marks erased."

Christmas gifts in boxes or cartons should be so re-enforced with packing material as to avoid shifting of contents in transit. It is advisable to place the name and address of the shipper inside of package.

This inside information often leads to the recovery of a misdirected or miscarried shipment, or one from which the address has been lost in transit. The Express Co. is distributing Christmas labels for gift shipments, carrying the word "Not to open until Christmas" which can be obtained at local express office.

## INTEREST IN BILLIARD TOURNAMENT AT HIGH PITCH

Interest in the city championship pocketbilliard tournament now being held at the Palace Billiard Hall is at its highest pitch. Two of the best and most exciting games of the tournament were played last evening before a crowd of over 150 pocket billiard enthusiasts.

The first game resulted in a win for Lloyd Purchase who defeated Al McCarthy by a score of 75 to 64. Purchase is now leading the contestants by quite a margin.

The second game was also close and was won by Clifford Avery, whose opponent was George Bontekoe. The score was 75 to 66.

Friday night will bring together Bontekoe and McCarthy in the first game and Johnson and Franks in the second.

The standing of the contestants is as follows:

	W	L
Purchase	6	1
Mulder	4	2
Franks	4	3
Colton	3	2
Johnson	4	4
Brdeweg	3	4
McCarthy	3	4
Avery	3	5
Bontekoe	1	5

## THREE GENERATIONS WERE REPRESENTED IN THREE WARS

The election of J. Henry Van Lente as one of the officers of the Spanish War Veterans Monday night calls attention to the fact that three successive generations in the Van Lente family are represented in three soldiers' organizations. Grandfather, father and grandson fought

in three American wars and have honorable records in the various conflicts.

Henry Van Lente, now 81 years old, enlisted in the Civil War. He was a member of the famous Company I of the 25th Michigan Infantry and like many of the other men who fought at the call of Lincoln to preserve the Union, he still has many a tale to tell of his experiences while serving as a soldier, and he still treasures, after nearly sixty years, his honorable discharge.

The second of the three generations to be represented in one of the nation's wars was represented by J. Henry Van Lente, son of the Civil War veteran. When McKinley called for troops in 1898 to take the field against Spain, Mr. Van Lente, inspired in part by tales of martial heroism of his father, immediately answered the call, altho he was still a very young man. He joined Co. F. of the old 32nd National Guard and was sent to Florida. He did not get to Cuba, the Spaniards having been licked before he could get into action, but like his father he was ready to fight when the command should come.

The latest of the family to answer the call was Ernest Van Lente, son of J. Henry Van Lente and grandson of the Civil War veteran, who enlisted at the age of only 18 in the coast artillery when the United States entered the European war. Mr. Van Lente did not arrive in France, in his case as in his father's the war having ended before he could get into action. He was however on the way to France when the Armistice was signed. His vessel turned about while on the ocean and came back to America.

## TIME-TRIED PRINCIPLES STILL OPERATIVE DECLARES SPEAKER

That the old truths still hold even though the whole world is in a state of flux was the theme of an inspiring address delivered Monday evening before the Century club by Dr. Emerson, pastor of the North Woodward Congregational church of Detroit, when the club met at the home of President E. D. Dimment. Dr. Emerson was brought to Holland through the efforts of Mrs. G. J. Diekema, formerly a

member of his church, and Mrs. Diekema introduced him to the audience.

Dr. Emerson's subject was "Primary Principles in a Perplexed World," and he showed how the time tried truths still apply in four great relationships of life, the religious, industrial, political and racial.

The first of these principles is that right is right. Dr. Emerson made a plea for a return to the idea that there is an inner sanctuary in man's heart, usually called conscience, and that we should be ruled by its voice and not by the voice of caprice and impulse.

Just as important is the injunction to tell the truth, the speaker said. There is a great deal of lying in the world, not merely by vicious people but by all of us. During the war lying became an organized business under the name of "propaganda" and was indulged in by both sides. If civilization is to survive men and women must face the truth and speak the truth even when the truth hurts them.

And the doctrine of hate and suspicion that prevails too much in religious, industrial, political and racial relations must be replaced by

the doctrine of good-will. Dr. Emerson made a strong plea by implication for the success of the disarmament program and the conversion of the world from an armed camp into a brotherhood of nations.

Finally he declared that each one must face life with courage and with faith.

The music, in charge of Mrs. L. M. Thurber, was somewhat of a new departure in that this part of the program began with a movement from the Second Concerto by Saint-Saens, for piano and orchestra. The piano solo part was played by Mrs. Martha Robbins on Dr. Dimment's Bush & Lane piano, and the orchestra part was played by Mr. Harris Meyer on a Victor piano moved in for the occasion. The artistic results secureable on these Holland-made instruments spoke volumes for local craftsmen.

The second number consisted of two vocal numbers by Miss Helene Van Raalte, with accompaniment by Mr. Harris Meyer. Miss VanRaalte sang very pleasingly, and responded to an encore.

The last musical number was by Mr. Willis Diekema, with accompaniment by Mrs. Martha Robbins. Mr. Diekema is also a favorite with music-lovers, and as usual pleased his hearers.

## "CITY OF GRAND RAPIDS" NOW IN WINTER QUARTERS

WORK OF OVERHAULING THE  
VESSEL WILL BE STARTED  
SOON

The steamer "City of Grand Rapids" returned to Benton Harbor on Sunday evening after its final trip to Chicago and, went into winter quarters there. The "City of Grand Rapids" will be overhauled during the winter months. The work of overhauling the steamers the "Benton Harbor," and the "City of St. Joseph" other steamers of the Graham & Morton line, has already been half completed. These vessels went into winter quarters some weeks ago. Navigation for 1922 will probably open early in April, according to the present plans.

The Graham & Morton company has only one boat left in service now. This is the "Illinois," chartered by the Benton Transit Company, making weekly trips on Saturday.

"It has been a good year," said J. S. Morton, president of the G. & M. line, "and we expect an even better one next year. At least we are making our plans for next year with this expectation."

Allagan is also getting the boulevard lighting bee. The city council has found out that in order to remain in the swim with other cities it must keep up to date. The city fathers have allowed an appropriation of \$25.00 to be used for plans and specifications for a new street lighting system. It is understood that citizens are enthusiastic about the matter and no doubt the downtown district will soon be illuminated in an up to date manner.

## BIG CONVENTION FOR HOLLAND NEXT JUNE

STATE MUNICIPAL LEAGUE TO  
MEET IN THIS CITY ON JUNE  
21-22 AND 23

Every little while Holland picks off a convention that is worth picking.

Another one has been secured by Mayor Stephan that is of unusual importance.

On June 21, 22 and 23, the Municipal League of the State of Michigan, will meet in Holland and that is quite an honor to bestow upon this city, especially when it is considered that Detroit, Saginaw, Flint and Marquette had all been laying their wires to land this convention.

The League of Municipalities comprises nearly every city in the state of Michigan, and in these conventions, the officials of these different cities bring up their municipal troubles that nearly every city has in common and here these troubles are discussed and ways and means devised to remedy them. Methods of handling city business, how to deal with public service companies and a good many questions that are of vital interest generally are brot to the notice of the men who gather.

Cities send from two to five delegates and these are generally appointed by the respective Common Councils or commissioners from the different cities.

Last year the convention was held in Kalamazoo and Mayor Stephan City Attorney Mc Bride, and City Clerk Richard Overweg, were Holland's representatives.

At that time City Attorney Ganson Taggart of Grand Rapids was elected president, while E. P. Stephan was made vice-president.

One of the reasons why Holland was chosen at this time is to go over its municipal water and light plant.

Officials from all over the state are rather skeptical about Holland running such a plant and making therefrom a fine revenue instead of a deficit each year. They want to come here and get first-hand information just how Holland does it, and you may be assured that this city will have more prominent Michigan citizens here next June than it has ever had before.

There will be more mayors in Holland than this city has ever seen, including the mayor from Detroit.

Preparations are already being made to entertain our guests and all meetings are to be held in the city hall.

A carload of feed caught fire at Fennville Sunday and a bucket brigade was formed under the leadership of Chief of Police Kenneth Weaver and was put out after the car roof was practically destroyed. The fire department refused to act in this case because twice before the firemen have put out fires for the railroad company and the company has never paid the department for water used or service rendered.

## F. & A. M. HOLDS ELEC- TION OF OFFICERS

On Wednesday evening the local Masonic order held an important meeting when the annual election of officers took place.

When this order of business was completed Mr. Cobb, present Worshipful Master, gave the members a short heart to heart talk telling them that no doubt this year of 1922 could be figured as the most successful the local order has ever witnessed. He stated that thru the efforts of all its members the beginning was made on the erection of a beautiful new temple and that the laying of the cornerstone was an event that Holland will not soon forget. He also gave an idea of the tremendous growth of the order in Holland during the past year and he stated that a continuation of this growth was assured.

The following are a list of the newly elected officers:

W. M.—Merrick Hanchett.  
S. W.—R. W. Bosworth.

# REVENUE DEPARTMENT ANSWERS QUESTIONS OF TAX PAYERS

To what extent will the average taxpayer be benefited by changes in revenue legislation? What are his exemptions and deductions under the revenue act of 1921 compared with the revenue act of 1918?

Probably the most important change affecting the man of moderate income is the exemptions. Under the 1921 act a married man with a net income of \$5000 and less is entitled to an exemption of \$2,500. Under the revenue act of 1918 this exemption was limited to \$2000. The revenue act of 1921 also provides for each person dependent upon the taxpayer if such person is under 18 years of age or incapable of self-support because mentally or physically defective—an exemption of \$400. The exemption under the revenue act of 1918 was \$200 for each such dependant. Thus a married man with two dependents whose net incomes for 1921 was \$5000 will pay this year a tax of \$68, compared with \$104 on the same income for 1920.

The exemption of \$2,500 applies also to the head of a family whose net income for 1921 was \$5000 or less, an increase of \$500 compared with 1918 act. A head of a family, as defined by present Treasury regulations, is "a person who actually supports and maintains in one household one or more individuals who are connected with him by blood relationship, relationship by marriage, or by adoption, or whose right to exercise family control and provide for these dependents is based upon some moral or legal obligation."

The normal rate of tax, 4 per cent of the first \$4000 of net income above the exemptions and 8 per cent on the remainder, remains unchanged. This applies to citizens and residents of the United States. Alien non-residents are taxed to the full 8 per cent on income received from sources within the United States. Non-resident aliens are allowed only a single personal exemption of \$1000. To overcome the disparity in the amount of normal tax in the case of two taxpayers one of whom is just within the lower \$2000 exemption the other being just within the higher \$2500 exemption act provides that the reduction of the personal exemption from \$2500 to \$2000 shall not operate to increase the tax which would be payable if exemption were \$2500, by more than the net income in excess of \$4000. For example, a married man or head of a family has a net income for 1921 of \$5,010. Assuming that he has no dependents, his tax, if he were allowed only the \$2000 exemption, would be 120.40. Under the benefits of the above provision however, his tax is \$110.40 per cent on the amount of his taxable income of \$2,500 or \$100, plus the amount by which his net income exceeds \$5000.

## NO PREPARATIONS FOR CELEBRATION YET TO BE SEEN

Probably taking the wish for the deed, the editor of the Michigan History Magazine, published at Lansing, ascribes to this city a movement that does not in fact exist. Some months ago the local newspapers printed articles calling attention to the fact that if Holland is to celebrate its 75th anniversary appropriately, preparations ought to begin immediately. Nothing came of it. The suggestion fell dead, and it is reasonable to suppose now that the anniversary will pass without adequate recognition of the significance of the event. The Michigan History Magazine very naturally assumed that Holland would celebrate and so it prints the following paragraph in the current issue:

"The citizens of Holland, Ottawa county, are preparing for a mammoth celebration in 1922. A splendid semi-centennial celebration was staged in August, 1897, which took the greater part of a year for the preliminary preparations. In that event Mr. Gerrit Van Schelven, past president of the State Historical Society, had a leading part and he is still actively engaged in promoting the cause of Michigan history. The city of Holland has a keen sense of historical values, rooting in the traditions of the old country, and it is setting out to make the 1922 celebration out rival that of 1897."

## HURT IN WRECK NEAR SAUGATUCK

Dr. H. C. Edeward, veterinary surgeon near Holland, and James Kleis were injured near Saugatuck Thursday afternoon when the car they were driving in was struck by an interurban car. Dr. Edeward suffered a fracture of the right leg and other injuries and Mr. Kleis was injured internally. They were rushed to their homes in an ambulance. The two men were driving in Mr. Kleis' car, which was a Ford that had been used only a few weeks. The engine was stalled on the track and the interurban car that was bearing down upon them practically cut the car in two, throwing the occupants some fifty feet.

Deputy Sheriff Oscar Johnson of Holland has arrested Raymond Perry of Howell, who is wanted at Grand Haven for non-payment of alimony.

Chester Beach of the Bush & Lane Co. was in Grand Rapids on business Friday.

City Manager Fred H. Locke of Grand Rapids addressed the Holland Rotary club on municipal government.

The Michigan State Telephone Co. will start in January expanding its equipment in Grand Haven. It is announced that 14,000 feet of aerial

cable will be placed.

Nathaniel Robbins sr., and Mr. and Mrs. Hunter Robbins of Grand Haven, were the guests of Mr. and Mrs. Nathaniel Robbins, Jr., at their home 191 W. 11th street. All attended the banquet at the Woman's Literary Club Thursday evening.

George Wendt, living on the north side, bagged an owl, a partridge and a rabbit within two minutes. He had scarcely captured the owl when the partridge flew within range and almost simultaneously Wendt's dog chased a rabbit a few feet away.

The next meeting of the Merchants Association will be the third Tuesday in January when the annual meeting will be held and the election of officers will take place.

The boulevard lights were tested out for the first time at 1 o'clock Thursday night and all who were on the streets state that the lights were wonderful. With the exception of a few alterations the system is said to be perfect. Mr. Liberty of the Gray Electric Co., made these few alterations Friday after which the system will be given a final test.

The Woman's Missionary Society of Trinity Reformed church held the last meeting of the year last night in the form of a social gathering. At the beginning of the year the society adopted the 'talent system' and this has worked so well that it was decided Thursday night to use this system again the coming year.

The 'talent system' requires each member to earn some money during the year for the society and to have this money earn more money as the year progresses. At the end of the year the principle and interest are turned into the treasury of the society. The amount earned in this way by the society during the past year was \$201.

Each member Thursday night told the story of how she had earned her money. Refreshments were served.

**Bilious Headache Made Her Almost Crazy**

Health Talk No. 30

By JOHN DE JONGE, D. C.

When the doctor arrived this woman, a refined type given to much mental activity, was pounding her head against the wall. To be sure the pounding was not vicious enough to be injurious, but the jar was all that interrupted the increasing pain and nausea.

In this case the headache was due to the stomach condition. The liver was also inactive. Chiropractic spinal adjustments afforded some measure of immediate relief, enough to enable her to sleep, but it took a long series of adjustments to restore the stomach and liver place spinal nerve openings to normal health of those organs possible. In other cases of headache the chiropractor is quite often able to stop the pain in one adjustment.

### Headaches and Indigestion Gone

"Being troubled with headaches, indigestion and inflammatory rheumatism, all of which prescriptions failed to relieve, I finally turned to chiropractic. In two weeks I was normal and able to return to work. I continued adjustments for some time longer and now, thanks to the friend who advised chiropractic, I am well and able to work without interruption." A. W. ## HOLLAND OFFICERS AND SHERIFFS CATCH AUTO THIEVES

Sheriff Fortney and Holland officers arrested three men late Friday night who are said to have confessed to the theft of automobiles at Elkhart, Ind., and at Zeeland.

Chief Van Ry received a call from Zeeland Friday afternoon from farmers who had seen an automobile stalled near there which was badly damaged and covered with blood stains. At first it was thought that the car belonged to the Grand Rapids bank bandits, and Officers Stekete and Johnson were detailed to investigate. After searching the vicinity for some time Sheriff Fortney and Deputy Hieftje arrived and the four raided a barn near Drenthe and after a short fight captured Frank Nelson, "Dry" Nelson and J. Mc Connell.

It was later discovered that the bandits had stolen a car in Zeeland and had abandoned it, after which they attempted to steal another car out of a garage in Zeeland but were frightened away. The men were taken through Holland to Grand Haven and booked on a charge of auto theft. Chief Van Ry had the stolen car in Holland and held it until the owner arrived.

## BEECHWOOD SCHOOL P. T'S HAVE GOOD TIME

The Beechwood P-T club meeting was held Friday evening. After the usual business was transacted the following program was delightfully rendered: selection on the Grafanola; reading, "When Knighthood Was in Dutch," Miss Van Alsbury; a short original playlet entitled, "Hubby's Evening at Home," illustrating how annoying wifey can make it by her numberless questions; recitation, "A Christmas Secret," Gerald Bonnet; solos, "Heart of Gold" and "The Icicle," Miss Kuhl; "A Farmer's Talk," an illustration of arguments for and against farmers leaving their farms for the city, by four Beechwood citizens. For an encore one of the "city" men and one of the "farmers" proved that both men from the city and country can sing.

The questions in the question box were ably discussed by all after which refreshments were served and the meeting adjourned.

## SEVENTEEN PUPILS IN THE HIGH SCHOOL ORCHESTRA

Holland High has had a fine orchestra for some time but it is very doubtful if any excelled the one of today. The organization consists of seventeen members including the director, Miss Ruth Keppel. Of this number five are young ladies and you may be assured that the girls will hold their own with the boys at any time.

Miss Keppel has been an able director and the efficiency of the orchestra was especially noticeable by those who attended the school plays held a few days ago.

The personnel of the orchestra and the instruments that they play will be found in a list below:

First Violins—Clyde Geerlings, Ruth Marcotte, Laurence Oosting, Maurine Lacaff; 2nd violins—Kathleen Mersen, Rutherford Huizenga, Cora Knoll, Martha Rich.  
Piano—John Lloyd Kollen.  
Clarinet—Vernon Cook, Raymond Klaasen.  
Drums—Julian De Pree.  
Saxophone—Fred Meyer. Trombone—Harry Aldus. Cornet—Ted Hidding. Piccolo—Adrian Klaasen.

## MISSIONARIES TO RETURN TO ARABIA NEXT MONDAY

Rev. and Mrs. D. Dykstra, missionaries to Arabia, will return to their field of work Monday morning, after having spent a year and a half in this country on furlough. They expect to leave Holland on the 7:45 interurban car. They are scheduled to sail on December 15 on the steamer "City of Narechi" direct to India, arriving there in thirty days. Then it will take them two weeks more to arrive at their destination in Arabia, making a trip in all of six weeks.

Rev. and Mrs. Dykstra were here the past year and a half on their second furlough. They are returning to Arabia for a period of about six years.

## The Voice They Cherish!

There's a wondrous thrill of pleasure  
When you see the form and face  
Of some loved one in whose presence you rejoice;  
But the joy there is in seeing  
Can't compare with what takes place,  
When you hear the magic music of her voice.

Be it mother, wife or sweetheart,  
Be it sister, daughter, friend,  
As within your waiting vision each appears,  
While your heart may leap to see them  
What is better in the end,  
Than their eager voices sounding in your ears.

But remember as you listen  
That these sweet and nameless thrills  
Find an echo and an answer rich and true,  
In the hearts of cherished loved ones  
Which alone your voice fulfills;  
For when all is said, your voice is really you.

So when travel takes you from them  
Let them feel how much you care,  
Let them know you haven't left them all alone;  
Let them feel in fullest measure  
You, yourself, are standing there;  
Let them hear the voice they cherish through the phone.

## THE SAUGATUCK ALLEGAN FAVORS BOAT LINE

**WILL BE OF GREAT BENEFIT  
TO THAT CITY ALSO**

Allegan people realize that a direct boat line between Saugatuck and Chicago will be of great advantage to them in the near future when trunk line road 89 is constructed, bringing Allegan within less than an hour's distance from Saugatuck. With adequate truck and bus service, this would give the Allegan county seat transportation

enjoyed, both for passenger travel and for freight from the western metropolis. The Allegan Gazette says of the boat proposition:

"To one familiar with the fruit growing interests in western Allegan county the advantages of such a boat line are apparent. Douglas and Saugatuck would form a nucleus for shipping from the territory which of late years has been served only by the Pere Marquette railway at East Saugatuck, New Richmond, Fennville, Pearl and Pullman, and the boats out of Holland and South Haven. It seems obvious that fruit could be facilities superior to any it has ever

handled much more cheaply from Saugatuck, and more quickly, than from other ports.

"Allegan city is directly interested in the proposition, because in a short time trunk line 89 will be constructed and Saugatuck will then be less than one hour distant from the county seat. The environs of the mouth of Kalamazoo river are the most beautiful in western Michigan, and though handicapped from lack of boat service, it has become one of the most popular with pleasure seekers from Chicago and other cities."

# JUNIOR HIGH SCHOOL BUILDING HOLDS 330 STUDENTS

The present Junior high seems to be crowded beyond capacity judging from the figures given out by the school authorities.

The board of education proposed to erect a new building on the site acquired on River avenue between 15th and 16th streets. This building will house the 7th and 8th grades, which are now included in the Junior High school, also the 9th grade which is now in the Senior high school. The 7th, 8th and 9th grades will constitute the junior high school.

The Senior high school building, being relieved of the 9th grade, will be large enough for years. The old junior high building will be remodeled, put in as near fire proof condition as possible, and used for a grade school, thus relieving the congestion in the grade schools. This arrangement will provide ample school opportunity for all the children of Holland.

This will all be done if the proposed new building is voted upon favorably. According to figures given out the average number of pupils per teacher in the grade schools is as follows: Washington 42; Van Rensselaer 40; Longfellow 34.5; Lincoln 40; Froebel 40.

If the number of pupils in each building could be equally distributed

among the teachers of that building every building would be full, but the problem would not be immediately serious. But perfect distribution is not possible in any graded school system. It is not nature's way. Every grade school except Longfellow is more than full. Many grade rooms have each more pupils than one teacher can instruct with any degree of efficiency. Therefore many pupils are not getting a fair chance in school.

The Junior High school building has a pupil capacity of about 330. There are 423 pupils in actual daily attendance. The school officials are attempting to make the building carry a load greatly in excess of its capacity. It can not be done with fairness to the pupils. There are over 90 more pupils than desks. Therefore more than 180 pupils must sit two and two at desks intended for one pupil each. Two basement rooms in Froebel School

are occupied by Junior High pupils. The high school building has a capacity for 400 students. There are now 506 in daily attendance in the High school.

All along the line, teachers are loaded with work beyond their power to do well. Therefore the preparation of the child must suffer.

In the last ten years the school population of Holland has increased 40 per cent, and in the high school 187 7-10 per cent. Our young people are staying in school and securing an education.

The indications are that the Christmas seal sale in Holland will be a very satisfactory one. One of the schools in the city has made a report and in that school the sale was a good one as compared with last year, which up to that time was

the best on record. If the reports from the other schools are equally satisfactory it is likely that Holland will have an exceptionally large sale this year.

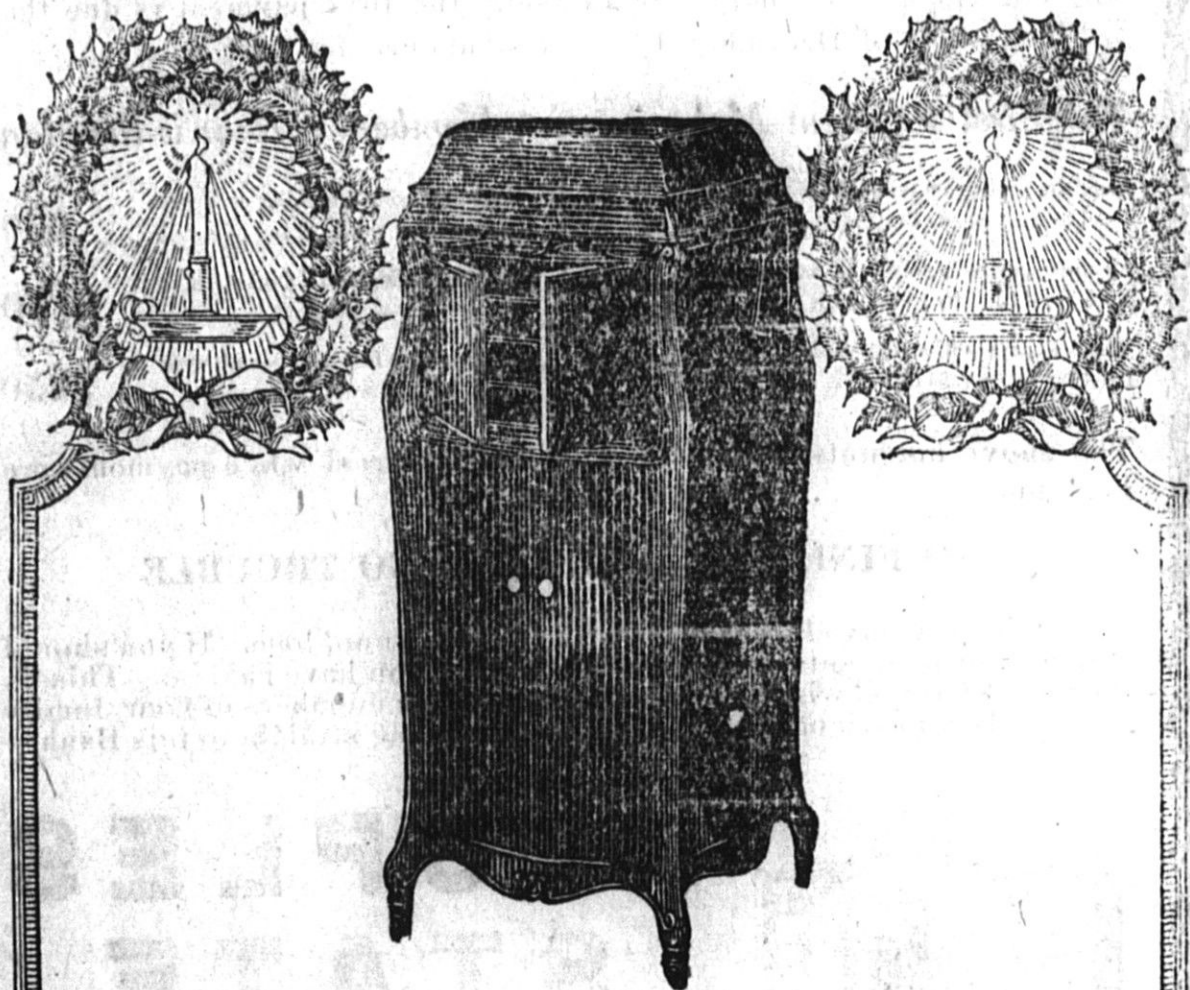

Five hundred Christmas seals have been placed by Mrs. E. J. Bleklark, acting chairman of the Civic Health Committee of the Woman's Literary club, in Fris' Book store for the convenience of transients in the city who wish to seal their Christmas mail with the stamp of health.

Reports from all over the state to the Michigan Tuberculosis association indicate that the seal sale this year in Michigan will be the largest on record. Almost every community

in the state is now in the thick of the campaign, but the early reports show that the little Christmas stickers are meeting with an unusually warm welcome on the part of the general public this year. A very large number of communities, the state office reports, are doing like Holland, namely sending in additional orders because the original quota has been exhausted.

Holland's Christmas seal sale has been steadily growing in volume from year to year, as has the total sale all over Michigan. Each year a few thousand more seals are sold here than the year before, but this year the number is expected to be more than a few thousand more, at least, if the early returns are a reliable indication.

Several reports have been coming into the News office, stating that a great many dead fish of the game variety were found on the shores of Pine Creek Bay and in the immediate vicinity.

Some fishermen loudly condemn the carp fishing now going on near the bayou as the direct cause of the killing of the fish.

The News sent a representative down to the shores of Pine Creek Bay, last Friday, shortly after rumor arrived, but apparently the

fish had all been picked up and it was stated that there was at least two bushels of them.

George Bender, John Vanderstuis, Bert Slagh and others have interested themselves in the case and they attribute the killing of the fish directly to the carp fishing.

They called upon Deputy Game Warden Johnson and presented the matter to him. Mr. Johnson immediately issued orders that carp fishing be discontinued until a thorough investigation could be made.

It is also stated that if the state department did not take some action in the matter an injunction would be served upon the carp fishermen, preventing them from fishing long-

er. The government gives a community a great deal of latitude in matters of this kind and if it is found that such manner of fishing is obnoxious to the community any number of citizens can put a stop to it. The reports of the amount of dead fish picked up range all the way from a half a ton down to two bushels. Just how many were really found is hard to conjecture.

However it is said that Mr. Slagh and Mr. Vanderstuis personally picked up some thirty pounds.

It seems the best way to do is to have unbiased citizens interested in fishing and who know something about the sport make a thorough investigation as to direct cause of all these dead fish.

## SIXTEEN CUPS TO BE GIVEN AWAY AT HOLLAND POULTRY SHOW

THE DATES OF THE SHOW WILL BE DEC. 22 TO 26, INCLUDING CHRISTMAS DAY

The show case in front of the Corner Hardware on River avenue and 8th street contains sixteen cups that will go to prize winners at the Holland Poultry show to be given Dec. 22 to 26, including Christmas day. The show will be held in the Vischer building on East 8th St., the store directly east of the Holland Gas company.

Great preparations are being made for this event and it is stated that many chicken fanciers in Zeeland, the heart of the chicken district in Ottawa county, will have birds on exhibition.

J. E. Weaver of Davidsville, Pa., and E. C. Foreman of M. A. C. will serve respectively as standard and utility judges. The entries will close Saturday, Dec. 17, at midnight and it is figured close to 1,000 birds will be entered in the different classes.

The association this year will inaugurate a new departure for prize winners. Instead of the customary silk ribbons a certificate of winning, 4x6 inches in size, made of imitation leatherette, gray in color, gold lettering, with seal attached, will be awarded. The seal will be in blue, red, yellow or green, according to the award. The certificate will describe the winning in detail—sex, variety, band number, number of birds competing, owner of birds, owner's residence and the name of the president and secretary.

The prizes will include 16 silver cups. A \$75 cup offered by Austin Harrington and two \$50 cups by the

manufacturers and merchants associations and individual \$5 cups by A. Siersma, E. Brouwer, Jas. J. De Koster, H. Vander Warf, A. R. Van

Raalte, K. A. Zimmerman, (two) and A. Bekker. Besides the regular cash prizes upward of \$50 merchandise prizes are listed.

The show this year promises many new features. During the past year the membership has more than doubled, more than 45,000 birds were culled, a new constitution has been framed, poultry diseases have been checked, a poultry library has been installed, a poultry show was staged at the Holland fair under American Association rules and a community egg market committee has been appointed for the purpose of securing better egg markets and prices for eggs. Another forward movement has resulted in creating a bigger and better feeling and co-operation among poultrymen, which is considered one of its best accomplishments.

The officers are: President, A. Siersma; vice-president, H. Bekker; secretary, J. A. Sprang; treasurer, James J. De Koster; directors, A. R. Van Raalte, D. Derks, H. S. Bosch, P. Havings, George Caball, Edward Brouwer, A. S. Moore.

## BIG MASONIC DANCE NEW YEAR'S EVE

The committee having in hand the social functions for the Masonic Order for the coming winter are announcing the big New Year's Eve dance which it is said will be unusually elaborate.

A large orchestra from Grand Rapids has been engaged, and the decorations on that evening will be something elaborate and out of the ordinary.

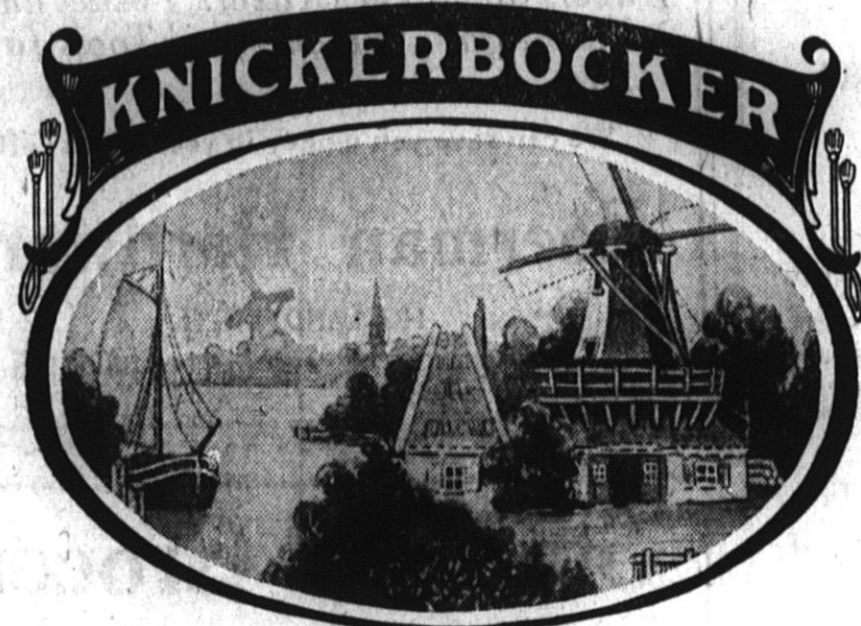

Buffet lunches are going to be served and other little extras not generally found at the average dance will be innovations on that evening.

The dance will start at 8:30 and conclude at 12 o'clock sharp for the reason that the Masonic order does not wish the ball to continue into Sunday.

The committee having charge of the dance are Merrick Hanchett, John Vande Woude, R. M. Bosworth and Leslie Risto.

## CAPPY-ROBY-YOST BANQUET WAS A WON- DERFUL SUCCESS

A yell for Yost, a yell for Cappy, and a yell for Roby started off the U. of M. banquet with a biff-bang, and believe us, if there ever was an enjoyable spread in this city, the one honoring Holland's boys and great Coach Yost, stands out in a place by itself.

College spirit simply permeated the entire Woman's Literary club building. Even folks who had never attended college were filled with it. If they could not sing the college songs so dear to the heart of the Michigan man, they bravely attempted to chime in and be a part of the lustily singing chorus.

It is doubtful if ever the decorations in a building were so beautiful as at this banquet. The long tables were so arranged that they made the letter M, and in the center of this M was placed a small table set aside for the toastmaster and the illustrious guests. The tables were beautifully decorated in blue, white, and yellow and in the center of each a large basket filled with mammoth yellow chrysanthemums was placed.

On the north wall of the banquet hall a large letter M, 10x10 feet was appropriately hung, and draped with flags and college colors.

The east wall was embellished in gold with conspicuous initials U. of M.

To the south of the building, covering nearly the entire side wall the large seal of Michigan University in gold on a shield with a blue background, stood out like a great shining full moon. This embellishment was surely a work of art.

On each side of the banquet hall were large pillars placed as if to uphold the structure. On one pillar was emblazoned the word "Cappy" and on the other "Doug Roby."

The finishing and putting up of these decorations took a greater part of three weeks and Mr. Yost especially commented that these were the most beautiful he had ever seen in his life, and he had attended banquets of a similar nature from coast to coast. All the art work was done by George Bosman of this city, and as Chairman Raymond Visscher so voluminously expressed, "George did it free gratis for nothing."

After the wonderful spread prepared by the Holland Alumnae of Michigan, and let us say wonderful is putting it mild, Raymond Visscher, chairman of the committee in charge opened the program stating the purpose of the gathering and said that while the great object was to honor Mr. Cappon, Mr. Roby and Mr. Yost, the big purpose was to instill a Michigan spirit in the city of Holland, and judging from the enthusiasm shown, a mighty good beginning was made towards inculcating this spirit.

He then introduced our townsman, Toastmaster G. J. Diekema, who he said was an enthusiastic alumnus of Michigan and so imbued was he with the U. of M. spirit that he sent his two sons to the State institution, and not being satisfied with accomplishing this, he goes to work and marries an accomplished lady, who is also a graduate from Michigan. (Laughter.)

As an after-dinner speaker Diekema is second to none, and he surely was at his best at this banquet.

He wittily and fittingly introduced the different speakers of the evening and the honored guests received their full meed of credit for prowess on the athletic fields.

He said while Cappy was a Holland son from a sturdy sire, "Doug Roby" was an adopted son from the sunny south and we feel that he is our son and we want him always to be for we love him for his manhood which has conclusively been shown in his college career.

Mr. Diekema then introduced Mr. James De Pree as a live wire talker, and the man who brought Coach Yost to this city. Jim has been identified with football for twenty-five years and what Jim did know about football which we didn't know would fill an encyclopedia.

Mr. De Pree gave a resume of the game from the early days to the present time, and dwelt in detail on the games played this year in which our Holland stars were involved, stating specifically in which plays Cappy and Roby excelled.

Towards the close of his discourse Mr. De Pree sprung a surprise and in a very unique little speech presented both Cappy and Roby with a gold watch each. In his presentation he said, "We thought that a watch would be a most appropriate gift for it will always be a reminder that your Holland friends are with you, and may the tick-tock of the little timepiece convey to you throughout your life's work 'touch-down! touch-down! touch-down!' for remember, there are other successful touch-downs to be made up the gridiron of life."

Both Douglas Roby and Franklin Cappon accepted their gifts and in short speeches conveyed their thanks to the citizens of Holland for their loyalty, for their wonderful banquet, and the beautiful gift that would be a token which they would always carry with them, remembering the city of their birth or of their adoption as the case might be.

The presentation of the time-piece

es brought everyone to his feet, all joining in the Michigan yell with three 'fight 'ems' with Clarence Lokker as yell-master.

In the watches presented to the Holland boys were engraved the names of the recipients and also this sentence, "From your Holland friends for notable service on the football field during 1921."

The next speaker was the great card of the evening, namely, Coach Yost, whom Mr. Diekema introduced as the great American stating that the Americans are quick thinkers, but also prompt actors, that these attributes were very essential in a coach, and that Yost had them. In winding up his talk he said, "We love Yost, we love Michigan, we love the boys from Michigan. If anyone wounds Yost, (referring possibly to the Grand Rapids episode) you wound us all. I am glad that I sent my boys to Ann Arbor, the educational light-house of the world and that a man like Yost helped build their characters."

The great coach then got up and as he arose the audience of 200 got on their feet and gave the man from Ann Arbor an ovation which he will never forget.

Coach Yost's entire character was reflected in his talk lasting nearly an hour. No fireworks no platitudes, but cool, collected, hard-headed talk on football from its inception, and during the thirty years that he has been identified with the game, with twenty-five years of service to Michigan. Without any climaxes he told all about the great game, and compared football to the game of life, using football terms in expressing how life's battle is to be honestly and conscientiously and successfully fought, and with all, play fair, even if you lose.

He stated that Holland had been real good to Ann Arbor when she sent a man like Cappy, and to add thereto another wonderful player in Douglas Roby, she had done more than her share for athletics at Michigan.

In speaking of Franklin Cappon, he said, "I consider him the most valuable football star on any of the all Conference college teams, and in saying this, I express the thought of some of the best football authorities in the country."

He had a great many more nice things to say about Cappy, but space forbids giving his words in detail.

His words of praise of "Doug" Roby demonstrated that this adopted Holland son is a wonderful full-back. He said a full-back is a man who must know what the other fellow is going to do before he does it, and "apparently," said Mr. Yost, "Doug" is a mind reader. He sure is a 'goat-getter,' and a 'bit of a rough neck' for the opposing teams."

Apparently Coach Yost had not forgotten the raw deal he received from the alumni of Grand Rapids in their resolutions, for frequently he referred to it in a veiled way. Said Coach Yost "If my loyal team had whined and sulked when they met Ohio like some of your near neighbors, our try for honors would have been failures, for," said Mr. Yost, in closing, "I think more of the fighting spirit of the boys in their Ohio defeat than in their brilliant victory over Minnesota, for if ever a team knew they were in a football game, it was Ohio after Michigan's defeat."

"It is that fighting spirit that wins success not alone in athletics but in life."

The next speaker on the program was Neil Vander Meulen who made the hit of the evening. His speech, filled with satire through which followed a strain of earnestness at times, was a wonderful effort. Sometimes he had his listeners rocking with laughter, and turning about face he gave them food for sober thought, winding up with an earnest appeal for our boy scouts, who, he said, are the most loyal little chaps of them all.

He stated that the first thing that attracted him to the banquet was the price, \$5.00 a plate. He said it reminded him of a little story where a young man invited a lady friend to go to a cafe for dinner. After the repast the waiter handed the man the score. When the man saw the size of it he said, "Waiter! you must have made a mistake, I have still more money with me."

Mr. VanderMeulen then harkened back to the days of the old pioneers and what they would have thought of having their sons gather and pay \$5 a plate in honor of two foot ball bruisers. This brought laughter from everyone present. However, Mr. Vander Meulen continued to show where athletics and our institutions had made healthy bodies, and sound minds, thus fitting our young manhood for the strenuous battles of life.

The music was led by Willis Diekema and John Van Vyren and the rollicking songs interspersed the estests and the speechfest, while Clarence Lokker was the yell master, and was especially skilled in putting across a yell called locomotive which sounded all the world like an engine starting up, gathering momentum as it progressed.

The Michigan Banquet at the Woman's Literary club Thursday evening was served by the alumnae of Michigan. Those in charge were Mrs. G. J. Diekema, Mrs. Raymond Visscher, Miss Anne Visscher, and Miss Clara Yntema, who were ably assisted by their friends, rendering the service perfect; and such a spread, listen to it! Oyster cocktail with French dressing; tenderloin steak smothered in mushrooms; hearts of celery, diced creamed potatoes, crisp buns, a la Pantkind; wafers, queen olives, the finest ice cream ever made, accompanied with lady fingers, coffee, smokes.

The evening's festivities were

concluded by singing "The Yellow and Blue," composed by Charles M. Gayley, graduate of U. of M. in 1878 and is the Michigan song.

## HIGH SHOOL BOYS GET THEIR H's AT BANQUET

The most tickled lot of boys that ever gathered together was the high school football team.

It is customary for the principal to give to the athletes of the school their H's if they are deserving of them, directly after the Christmas vacation, but what could be more appropriate than to hand them to the boys at the big Michigan banquet, and what could be more fitting than to have Coach Yost hand out the certificates signed by himself, congratulating the young men because of their success both in their studies and in their athletic attainments.

Principal Riemersma whom everyone calls "Jock" had thought up this fitting surprise and in his enthusiastic talk demonstrated that this was an auspicious occasion which his pupils would never forget.

The boys who received their H's were the following: George Damson, Ted Vanden Brink, Cornelius Hoffman, Ira Weersing, Elmer Lordahl, Russell Damstra, Johnnie Vanden Brink, Norman Vander Hart, Russell Haight, Jacob Van Zanten, Carl Van Raalte, Egbert Fell, Berle Van Dyke, Russell Vander Poel, Leory Hill, George Vander Woude.

Another unusual surprise was sprung at the Michigan banquet when Chairman Raymond Visscher stated that Fielding H. Yost had taken with him from Ann Arbor three reels of films depicting the Michigan-Ohio game, and after the spread the banqueters were invited to the Strand theater when Managers Hanna and Moran showed these films after the last regular show.

Those who participated in the banquet went to the playhouse at 10:30 when the films were put on and Coach Yost explained play by play, pointing out the positions of the different players and just what Cappy and Roby were doing their wonderful work.

The films also contained pictures of the college, airplane views of Ferry Field, the stadiums filled with 60,000 people and also pictured the large crowd going through the several entrances to see the great game.

The films are wonderful reproductions and unusually interesting and lasted three-quarters of an hour.

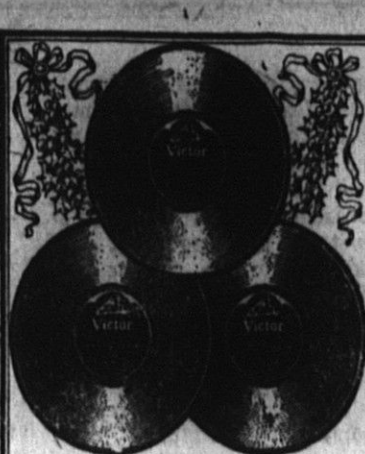

The Management of the Strand kindly donated the theater and run the reels free of charge, besides furnishing an orchestra.

Those in charge of the banquet together with the citizens who attended wish to express their thanks to Messrs Hanna and Moran.

Harold Nelson's drug store at Coopersville was entered and \$50 in stock taken. Undersheriff Spangler arrested two boys who are alleged to have entered by prying open the door with a jimmy. Most of the loot was recovered it is said. The boys also tried to enter other places, officers charge.

Rev. K. W. Fortuin of Passaic, N. J. has announced his acceptance of a call to the Christian Reformed church at Boreculo. Mr. Fortuin has been in the ministry about ten years and his first charge was the church at Harderwyk, a few miles north of Holland.

Edward Frens, sr., of Fremont, had a narrow escape from death when the automobile which he was driving was struck by a Pere Marquette train at a crossing. The car was knocked into a ditch and was a complete wreck, but Mr. Frens and his companion, John Frens escaped serious injury.

## TELLS THE STORY OF FARMERS' "CO-OP." IN HOLLAND

In his series of farm articles in the Grand Rapids Herald, Frank M. Sparks Wednesday told the story of the Ottawa County Farm Association. The article was illustrated by a cut of the Holland Co-operative Association building and a cut of Henry Sagers the secretary. The article has the following about the Holland "Co-op.":

"The Holland Co-operative association with its main office and elevator located here, but with three other institutions also in operation as subsidiaries, is one of the most successful institutions of its kind in western Michigan. This association was organized Jan. 8, 1920, and has a membership of 507, which includes Lake and Fillmore townships in Allegan county and Holland, Park, Olive, Robinson and Zeland townships in Ottawa county. It is closely affiliated with the Michigan state farm bureau and elevator exchange at Lansing.

"It has a mill and general offices here. Also extensive coal yards, a grain receiving station at West Olive; warehouses, grain elevator and coal and lumber yards at Harlem. These stations are a few miles north of Holland on the Pere Marquette Railroad.

"The association employs ten men throughout the year with extras during the rush season. It handles grain, feed, flour, coal, lumber, cement, fruit packages, roofing, salt, sprays, insecticides, fertilizers, all farm produce bought including fruit, poultry and veal.

"The veal and poultry shipments go to Chicago, New York, Detroit, and the eastern markets. It averages 50 crates of poultry a week during the peak of the season. The flour mill here is equipped with up to date milling machinery electrically driven. It has a storage capacity for grain in bulk of eight carloads, and a mill capacity of 50 barrels a day. Since Feb. 1 it shipped 30 cars of grain and received 125 cars of merchandise. Herman G. Ratering is manager of the business since Feb. 1, 1921 and Henry Sagers is secretary-treasurer since that same date."

## MERCHANTS LOOKING FOR A CAMP SITE

A very live question for the Merchants Association and with Holland as well is to find a suitable camping place for the traveling tourists who come by automobile over the pike loaded down with camp tents and camping outfits. A temporary location inside of the city was suggested and the one most thought of was at the corner of River Avenue and 15th street where the Chautauqua has been pitching its tents.

Of course this at best could be only used temporarily, as at any time this space might be utilized for a Junior high school.

It was then suggested that an endeavor be made to buy the Yntema woods east of the city, and have the business men's association raise one thousand dollars towards the buying this property, providing Holland township and the board of supervisors would come across with the rest, which would be in the neighborhood of \$3,000.00.

The place would then be made into a state park, maintained by the state.

Another ideal spot for this purpose suggested, was the Marslie property, on the lake, directly east of where Mr. Telling is building his new home.

There is no doubt that Holland should do something to encourage the traveling tourists.

This mode of enjoying an outing has just begun, but even now tents can be seen almost anywhere along the highways where our nomad tourists stay for the night or for a few days.

If Holland is to cater to this class and is to get some of this business some provision must be made for them. You surely cannot hold them by having the "Keep off the grass" sign up.

It seems however that the nearer the city this camp can be placed, the better it would be in a business way.

Saugatuck for instance has a camp in the heart of the village and it is said to be a valuable asset.

Camp sites have been thought of on the east and the west side of the city, but how about the north side?

This matter however is left for a committee to work out consisting of Jacob Lokker, John J. Rutgers, and John Vandersluis.

Austin Harrington was present at the business men's meeting and not alone outlined the details of a tourists' park system, how such a matter was handled by the state, but also stated how a park might be secured. He also gave a long talk on the short line road between Holland and Detroit, the plan of which was published before.

## ZEELAND RECORD SAYS CANNING COMPANY IS AN ASSET TO ZEELAND

FARMERS CAN FIND A READY  
MARKET FOR THEIR FARM  
PRODUCE

Zeeland Record—Those people who place faith in the ability of Charley Corey to make good in the canning business, were not disappointed during the past season. With the comparatively small capital available, and the falling market a great part of the time, it has been a hard pull, but success has crowned the efforts of the manager and promises are bright for the coming season. Only the heavier overhead and the greater investment required for canning the staples, such as beans and other dry products has demanded a cessation in operation during the past few days.

The company has made eight complete turnovers of its working capital while operating since last May and has now ready for delivery 700 cases of pork and beans for which orders are already at hand. As soon as the returns are available, operations will again be resumed to fill the orders for pork and beans totaling more than 5,000 cases.

The company has during the fall contracted for a large acreage of way and green beans and tomatoes rhubarb and pumpkins but is desirous of increasing their acreage, especially in beans and rhubarb. According to Mr. Corey, they can still accept 15 acres of beets, 100 acres of tomatoes, 50 acres of green beans 50 acres wax beans, 25 acres of pumpkins; 15 acres of rhubarb, besides all the berries that may be had of every variety. They have also equipped for canning peaches, apples, pears and other fruits.

Mr. Corey was especially well pleased with the success attained in producing the pork and beans. Many encouragements were received, he said, from local users and his sales in the open market indicates a great future for this product.

The handicap from a declining market has been overcome and the future for the canning industry in Zeeland is very promising. With sufficient capital the present capacity could be augmented to considerable proportions and farmers could find a ready market for every variety of produce. Why shouldn't Zeeland people pull together to make this institution one of Zeeland's greatest incentives for the farmer to trade here. A few dollars invested in this institution will do more for the advancement of Zeeland than is often done by investing in stocks with seemingly high returns. The Zeeland Canning Company is deserving of our financial and moral support.

## ZEELAND DEBATORS TO DISCUSS OPEN SHOP

Zeeland high school debating season opens Friday of this week at which time the school's debate team will meet representatives of Hudsonville. The two schools are members of the Michigan Debating League of which Prof. R. K. Immel of the University of Michigan is manager. The League is composed of about 125 schools in the state, which are paired by the state manager. At the end of five debates, the sixteen school having the highest percentage of victories are also paired for the purpose of eliminating and ascertaining the championship of the state. Last year, without any previous experience in debating, Zeeland was placed among the sixteen chosen for the semi-finals. The teams representing both sides of the question have been chosen and have been working on the question since before Thanksgiving Day, and will go on the platform in good trim to meet their opponents. The following will compose Zeeland's representatives for the season: Miss Marie Beld, Messrs. Van Eenam, Miller, Eelenbaas and Kamperman.

The question for this year's discussion is: Resolved: That the principle of closed shop in American industry should receive the support of public opinion.

## GRANDVILLE AVE. BANK MANAGER SON OF HOLLAND MAN

R. A. Wetrate, manager of the branch of the Grand Rapids Savings bank on Grandville avenue that was robbed Wednesday afternoon is a former Holland man. He is the son of Mr. and Mrs. M. J. Westrate, 424 College avenue.

The bank manager's father, M. J. Westrate, happened to be in Grand Rapids at the time of the robbery. He had called at the bank a short time before but did not happen to be present when the holdup took place. A curious fact is that a year or two ago when the bank robbery took place in which the vegetable farmer, Mr. Streelman, was killed, Mr. Westrate also was in Grand Rapids, and at that time he had called at the bank five minutes before the holdup men arrived, thus just escaping being caught in the place.

"Perhaps it's best for me to stay out of Grand after this," Mr. Westrate commented, "since about every time I go there somebody stages a bank robbery! Seriously however, I'm mighty thankful that my son escaped bodily injury at the hands of the desperate bandits."

Dr. B. J. De Vries will leave Saturday for a two weeks' vacation during which time his office will be closed. Dr. De Vries will visit Milwaukee and Minneapolis. In the latter place he will visit his son, Dr. Bernard De Vries.

**The One-Ton Truck**

The Ford One-Ton Truck first made its appeal to the farmer and the merchant because of the merits of Ford Cars. And it made its wonderful reputation and great sales record because it lived up to every claim made for it.

The reliable Ford Motor, the special Ford steel chassis, the aluminum bronze worm-drive, all combine to produce a truck of unusual power, capacity and strength—a truck that lasts in service; a truck that solves the haulage problem at a very small operating and upkeep expense. Hence the demand for the Ford One-Ton Truck is constantly on the increase.

For the good of your business, whether it be farming, merchandising or manufacturing, you should come in and look over the Ford One-Ton Truck—NOW!

**IMPORTANT**

We are prepared to furnish the Ford Truck equipped either with Standard or Special Gearing. The Standard Gearing gives the truck a maximum of power. The Special Gearing increases the speed of the truck from five to seven miles an hour, converting it into a Fast Delivery Car.

**OVERISEL TO HAVE  
COMMUNITY HALL**

The Overisel community has started rebuilding the structure which was erected several years ago upon the park grounds where the annual festivities are held. The new

building which is to replace the old one, will be used both as a community hall and as a gymnasium. The foundations have been completed and now the carpentry work is being done, which is largely donated, especially by the young men who are anxious to see it completed so that they can begin their sports when the long winter nights set in. Basketball will be the main hobby among the farmer lads in Overisel during the coming winter. The building will be about 40x80 ft. in size.
