Connelly Never Misses a Bet, Says Rapids Herald

TULIP TOWN TITTERS BY
"BILL" CONNELLY, A
HOLLAND GO-GETTER

In Which There's a Few Digs in
Ribs of Our Old Home Town

(Grand Rapids Herald)
When you take anything apart
to find out what makes it go, like
as not you'll find it's Bill Connelly,
the Irish human dynamo that helps
the Dutch get ahead in Holland.
Bill operates the Holland chamber
of commerce, and this contribution
is further proof that he never
misses a bet.—Grand Rapids Her-
ald.

The following is Connelly's con-
tribution to "Razzing the Rapids"
a Herald Sunday feature.

Before the United States aban-
dons the District of Columbia and
establishes its capital at Grand
Rapids, and before California is va-
cated by the movie industry and
Traverse City becomes the nation's
cinema center, Holland will already
have become the "Hollywood of the
Marionette."

Canal or Highway
If Grand Rapids will consent to
be annexed to Holland, the Buys
canal project can be abandoned and
in lieu thereof, the money devoted
to building a tulip-lined, super,
eight-laned boulevard with separate
lanes for trucks and buses, with all
reflector type signs studded with
diamonds, and the \$5,000,000 left
over might be given to the cham-
ber of commerce for securing new
industries (Alex McFadyen wants
to know which chamber).

A Warm Friend
Grand Rapids' nearest watering
place is Holland. Holland in its
effort to live up to its "Warm
Friend" ideal is enlarging its park-
ing space at the state park at
Ottawa Beach to help keep clean
the growing number of patrons
from western Michigan's metropoli-
s. Holland annually stocks Lake
Macatawa with fish to help feed
the avid anglers and provides a
booklet on request on how, when
and where to catch 'em (a member
of the Holland Fish and Game club
will even row the boat). Holland's
Tulip Festival fills the hotels of its
neighbors during the otherwise
dull mid-May week. Let it not be
said that Holland is not a consid-
erate neighbor and a "Warm Friend."

On to Chicago
Sure, Monroe is a fine job of
paving. It should be. It was built
by those two stalwart Dutchmen,
Harry Plaggenm and Jake Ho-
beck of Holland. They completed
it ahead of schedule. Now, maybe
Grand Rapids will join Holland in
an effort to procure a super high-
way between Grand Rapids and
Chicago via Holland. Doubtless
Con. Van Wagener will be quite
receptive to the idea after the won-
derful ovation accorded him at the
Monroe ave. opening.

And So It Goes
The finest Kalamazoo celery
comes from Hudsonville, where
canned salmon is made from Hol-
land carp and superior Idaho pota-
toes are grown around Coopers-
ville. Similarly, the most talked of
furniture in the Grand Rapids mar-
ket is made in Holland. Antique
furniture, modern furniture, Holly-
wood bizarre, functional design,
Louis XVI, Queen Anne, Chippendale,
Hepplewhite, Sheraton, Early
American, Colonial and Dutch mod-
ern are the products of the versatile
Dutch craftsmen of "Tulip Town."
Again Holland scores in its effort
to be a "Warm Friend," by aiding
in maintaining Grand Rapids as the
furniture capital of the world.

The News might add that our
director of the local Chamber may
be "razzing the Rapids" but he
used a Holland paddle to keep his
canoe straight.

Holland Man Heads Grand Haven Coast Guards

Chief Boatwain's Mate Fred
Wendel, Jr., recently assigned the
Grand Haven coast guard station,
took charge Saturday. He succeeds
Chief Boatwain William E. Pres-
ton, now 10th district personnel
officer. Nine years ago Mr. Wen-
del was a surfman at the Grand
Haven station, serving under Mr.
Preston.

Mr. Wendel is a Holland man
and his mother lives in Holland.
He enlisted at the local station
under the late Capt. Jacob Van
Weelden in 1924. He was trans-
ferred to South Manitou a year
later, was a year at Grand Haven,
was sent north again and came to
Muskegon Oct. 1, 1930, the day
after the Saylor wreck. He was at
Muskegon two years, a year of
which he was acting in charge dur-
ing illness of Capt. George Gat-
field. Mr. Wendel was a year at
Pentwater as officer in charge and
in February, 1935, was assigned the
Middle Island station in charge.

Lieut. Ward W. Bennett, 10th
district commander, has com-
mended Mr. Wendel highly for his
work and his rapid rise in the ser-
vice from surfman to chief petty
officer in charge of one of the im-
portant stations. Mr. and Mrs.
Wendel will reside near the station
premises at Grand Haven. Mrs.
Wendel arrived yesterday with
their two daughters, Beverly Ann
and Shirley Ann, three years old.
Mrs. Ted Wendel, formerly Miss
Galenine of Holland, is a sister-in-
law. Her husband passed away in
this city nearly one year ago.

At a regular meeting of the
Women's Relief Corps held Thurs-
day afternoon, the following of-
ficers were elected: Mrs. Blanche
Harbin, president; Mrs. Margaret
Lindberg, senior vice president;
Mrs. Nelie Ellison, junior vice
president; Mrs. Mae Hiller, treas-
urer; Mrs. Clara Elfrid, secre-
tary; Mrs. Margaret Burkhart,
chaplain; Mrs. Ruth Burkhart,
guard; Mrs. Melva Rowan, con-
ductor. Mrs. Edith Mooney was elec-
ted delegate at the convention
in Battle Creek.

CHRISTMAS CAROL SINGING

The D. A. R. of Holland will a-
gain sponsor the singing of Christ-
mas Carols in Centennial Park
on Tuesday, December 24 at 7 p.m.
sharp. They have again asked John
Vandersluis to lead in the singing
of these carols.

Now it is hoped that a large
group of our citizens will be out at
this time.

You may say we can sing these
songs in our homes or in our
churches, so you can, but nothing
is more hopeful in our civic and
national life than group singing
about the community Christmas
tree. Let us begin the Christmas
season by coming out for about 8
minutes and as a community show
an interest in this delightful ser-
vice. Tuesday evening at Centen-
nial Park at 7 o'clock sharp.—So
says good old "Van".

CARL MAPES IN CITY

Carl Mapes, Congressman of the
5th district, has been in the city
for several days calling on his
many friends. He has been stop-
ping at Warm Friend Tavern and
members of all parties generally

Cong. Carl Mapes

drop in to say, "How-do-you-do."
Mr. Mapes will remain in Grand
Rapids and visit until after
Christmas. Soon after he will go
to Washington, D. C. to start with
the opening session of Congress on
January 3, 1936. The date of the
opening of Congress was changed.
Previously Congress started in De-
cember and the "lame ducks", or
defeated Congressmen would sing
their "swan song" during that
month. Now the elected Congress-
man takes his seat with the open-
ing of Congress.

Mr. Mapes spoke before the
Lion's Club today.

WOULD LOWER HOLLAND SCHOOL DEBT INTEREST

The board of education has au-
thorized the ways and means com-
mittee to investigate the possibi-
lity of reducing the annual interest
on its bonded indebtedness, total-
ing \$557,000. At the present aver-
age rate of 4 1/2 per cent, total in-
terest payments aggregate \$25,-
000. With reduction of interest
rates to 3 per cent by refunding
of bonds, if possible, a saving of
\$9,355 would result.

The ways and means committee
Trustee Earnest C. Brooks chair-
man, was authorized to make an
investigation and report at the
next meeting. The matter of sav-
ing was called to the attention of
the Board by Wm. Arendshorst, a
member.

WOMAN'S LITERARY CLUB HOLDS ANNUAL CHRISTMAS PARTY

At the annual Christmas party
and program for members of the
Woman's Literary club and their
children held Tuesday afternoon
in the club house two plays were
presented. Mrs. Clarence J. Beck-
er arranged the program and di-
rected the first play, "The Fairies
Christmas Party," by Rebecca
Rice. Mrs. Eugene F. Heeter di-
rected the second play entitled
"Christmas Time at Santa's Head-
quarters," by Alice Whitson Nor-
tan. A party in the tea room was
arranged for the children by Mrs.
R. W. Everett, Mrs. John Vander-
Broek and their committee. The
next meeting will be held January
7, after the holidays.

At a meeting of the International
affairs department, held in the
club house at 10 a.m., Mrs. Cor-
nelius Vander Meulen gave a re-
sume of current events for the past
two weeks. Mrs. J. E. Telling,
chairman explained the facts re-
garding Japan's occupation of North
China.

ESTIMATES TRAFFIC OF HOLLAND CANAL

C. E. Elerick, traffic commis-
sioner for the Grand Haven As-
sociation of Commerce, has esti-
mated that 815,017 tons annually
would be the combined inbound
and outbound traffic that would
pass through the proposed west
Michigan canal.

This total does not include gym-
nasium, gravel, marl and coal ton-
nage.

Col. H. M. Trippe of the United
States engineering offices in Mil-
waukee has asked Elerick for de-
tailed information on this subject.
This would seem to be a favorable
compilation for the canal from
Grand Rapids to Holland.

1,400 HORSES TO BE TREATED IN OTTAWA

Applications for treatment of
more than 1,400 horses owned by
Ottawa county farmers for eradica-
tion of horse parasites, especially
bots, have been received by L. R.
Arnold, county agricultural agent.
Resident veterinarians are to do
the work for 50 cents a horse and
will be called together soon for
special instruction under a Michi-
gan State college horse specialist.

Former Holland Official Dies At Ann Arbor

JAMES PRICE WAS FORMER
CITY ENGINEER AND SUR-
VEYOR. WAS ARCH-
ITECT ASSOCIATED
WITH MR. JOHNSON

News came in the fore part
of the week that James Price for
many years a resident of this city,
had died Sunday at Ann Arbor,
Michigan where he was confined at
University of Michigan Hospital.
Mr. Price was a well-known Hol-
land citizen who for many years
was an architect with offices in the
Waverly building on W. 8th St. He
was closely allied with W. K. John-
son, a very prominent architect
from the city of Chicago who made
weekly visits to Holland, and some
of the finest buildings in the city
were planned by them including
Graves Hall and Winants Chapel,
the Holland City State Bank, the
Waverly Stone Co. building, the
Ottawa County Courthouse, and
many others.

Mr. Price surveyed the first paved
street in Holland, namely 8th
St. about 35 years ago. They were
not called City Engineers at that
time but City Surveyors. A man
by the name of Prang from Grand
Rapids had the contract.

When Lyceum Opera House was
burned, a wooden structure on the
site of the new city Mission on E.
8th St., Mr. Price built a combina-
tion roller skating rink and Thea-
ter on the southeast corner of Riv-
er Ave. and 16th., now the Holland
Super Service Station.

For a time it was rather success-
ful and it was the only place where
road shows and banquets could be
held. The big McKinley banquet,
in commemoration of the martyred
president and put on by the McKin-
ley Club of this city, was held there.

The late William Jennings Bryan,
the commoner and twice nomi-
nee of the Democrats for Presi-
dent, spoke at a banquet in Price's
rink. Roller skating and dancing
were popular at this place. The
building extended to 16th St. but
was cut in half when it was turned
into a service station now con-
ducted by Mayo Hadden.

Mr. Price was an Englishman,
very outspoken, always standing
by his convictions. He was a very
enterprising citizen and boosted
for Holland during the many years
that he made his home here.

Many years ago he married Miss
Addie Clark who came from a Hol-
land pioneer family who in the ear-
ly days lived on Market St., now
Central Avenue near Graves place.

Miss Clark was an able instruc-
tor in our public schools and your
editor is pleased to state that some
of his early tutelage as a
"kid" was received from her.

The Price family moved to
Grand Rapids in 1914, having
spent 23 years in this city.

The funeral of Mr. Price, who
passed away at the age of 75
years took place this Thursday af-
ternoon at 2 o'clock in Grace Epis-
copal Church Holland. The Rev. L.
Whitmore, rector of Grace Epis-
copal Church of Grand Rapids of-
ficiated. Interment took place in
the family plot at Pilgrim Home
Cemetery.

Short services were held at 1:45
at the Nibelung-Notter Chapel. Re-
latives and intimate friends gath-
ered preceding the services at the
church.

Mr. Price came to Holland from
Chicago in 1891.

He is survived by the widow, a
daughter, Miss Ruth Irene Price of
Los Angeles, Calif., and a son,
James Harold Price of Elwood,
Ind.

Funeral services were under the
auspices of the Knight Templers
Commandery and many plumed
knights of Grand Rapids came to
participate and were pall bearers
together with Harry Harrington
and Henry Kraker, Knight Tem-
plars from this city.

tary and treasurer; and Dr. A. E.
Stickley of Coopersville was chosen
as delegate to the state medical
convention with Dr. B. C. Bloemendal
of Zeeland chosen as alternate.
Twenty-five attended the luncheon
including Doctors Verduin, Long,
DeWitt, Wells, TenHave and Bloemendal
from this city and Spring
Lake.

The physicians were addressed by
Miss Cora Vandewater, judge
of probate, on the crippled and af-
flicted children's act and by James
A. Wallace, field secretary of the
American Public Health Association.

FIFTY YEARS AGO HELD OVER; WE ARE SORRY

Because of the holiday rush and
belated announcements, the fifty,
twenty-five and fifteen years ago,
which by the way, was very in-
teresting this week, will have to
be held over until our next issue.
We are sorry, but next week this
popular feature will continue un-
interrupted from week to week.

AS PREDICTED IN THE NEWS LAST WEEK

C. A. Sirrine of Lansing has been
assigned assistant on the Park
township airport project by the
state board of aeronautics. Sirrine
was in conference Wednesday with
William M. Connelly, executive di-
rector of the Holland Chamber of
Commerce, and Hartger Borgman
in charge of the project. Prelimi-
nary plans are being laid so that
materials will be available as soon
as the project is released by the
district engineer, A. D. McRae of
Grand Rapids.

The site for the airport consists
of 80 acres on the Ottawa Beach
road, near Waukazoo, in Park
township. Buildings will include
a brick hangar with steel cross
roof beams and wooden doors and
a small port office. The project
entails an expenditure of 30,000,
of which \$24,000 will be furnished
by the WPA.—Gr. R. Press.

In the issue of the News of last
week this newspaper had and
printed the information that the
airport project would go thru. The
Park township board deserve great
credit for availing themselves of
this opportunity to have an air-
port so convenient.

OLDEST TRAVELING MAN IN STATE PASSES

As the News goes to press we
are informed of the death of John
P. Oggel 76 years old, living at 126
East 12th Street after an illness
of two weeks. Mr. Oggel is said
to be the oldest traveling man in
the state. Funeral services will be
held from the home Saturday at
2 p.m. Burial will be in Pilgrim
Home cemetery.

The deceased is survived by the
widow and two sons, Richard of
Holland, and Rev. Vern Oggel,
Presbyterian minister in Indiana.
For many years Mr. Oggel repre-
sented the De Pree company. Full
detail of the death and funeral ar-
rangements were not available.

BUY RIGHT-OF-WAY ABOUT SAUGATUCK

Government men are in this lo-
cality buying right-of-way prop-
erty prior to the relocation of US31,
the contract for which has been a-
warded to the Lyons Construction
Co. of Whitehall.

The project includes a large
amount of dredging over twen-
ty-four miles of muck bottom
on the river flats; where the new
bridge will be built. The reloca-
tion between Holland and Saugatuck
will replace several miles of
waterbound macadam, built in
1915.

EXPLORER AND DOCTOR, ONCE ON AN ARCTIC TRIP

Harold B. Ide, Norwegian arctic
explorer, speaker at the Grand
Haven Rotary club and at high
school assembly, had a fanning be-
with Dr. Edward Hofma, Grand
Haven man who was in the arctic
with the Walter Wellman Chicago
Tribune expedition 37 years ago.
Mr. Ide, a younger man, told of
playing as a boy around the gon-

DR. HOFMA

Former State Senator
dola of Wellman's balloon and re-
called an earlier attempt to reach
the pole by ship, the expedition Dr.
Hofma participated in. Many mu-
tual acquaintances were found by
the pair of explorers.

Mr. Ide spent 20 years in the
arctic, starting his adventures in
these regions in 1912 when he
worked on the big coal develop-
ment at Spitzbergen, financed by a
wealthy Marquette, Mich., man
named Longyear. More than a mil-
lion tons of coal is mined at Spitz-
bergen yearly, he said.

Mike Montague who was ar-
rested by Deputy John De Vree
of Hudsonville Saturday night,
Monday was assessed \$50 and
costs in the Court of Justice Mar-
tinez at Zeeland. Montague was
arrested on a charge
of drunk driving.

Harry Kramer, chairman of the
American Legion's drive to pro-
vide toys for unfortunate children,
has announced that Holland people
have responded nicely in contrib-
uting the toys. Toys, unused and
discarded, broken and faded in
color, when brought to the drive
headquarters at 124 E. 8th St. are
completely renovated and made
presentable to the children of near-
ly 200 families in the city.

The Lion's Club met in Warm
Friend Tavern and Major Fox of
the Salvation Army spoke on the
subject "What's the Idea?"
Charles Sligh, chairman of the ra-
dio program, announced the names
of the judges of the final auditions
on Amateur Night which is being
sponsored by the Lion's Club. A
complete story of how, what and
where, will be found on the first
page of section 2. Congressman
Mapes, who was a guest, was also
called upon for a short talk.

STORES OPEN NIGHTS FOR CHRISTMAS SHOPPING

At a meeting of a large number
of merchants of Holland, it was
decided that stores would be open
evenings beginning next week
Thursday, December 19, and con-
tinue Friday and Saturday of next
week and Monday and Tuesday,
which includes Christmas eve, of
the following week. This does not
mean that Christmas shoppers
should delay.

Holland merchants have put in a
big supply of suitable holiday gifts.
There are useful presents, wear-
ing apparel, books and stationery,
jewelry, toys of all kinds, hab-
erdashery, candies, electrical acces-
sories and an endless lot of suitable
Christmas gifts. Several announce-
ments in the Holland City News
this week, give hundreds of sug-
gestions. Look these over care-
fully. Make your selections early. You
can then shop unhurried and get
your choice from full stock. You
are then helping the merchants,
a much rushed sales staff, and the
mail man, but most of all you are
helping yourself since you have
enough time to use wise judgment.
Let us say again, "Shop early for
that is the real Merry Christmas
way to do it."

HALF YEAR STICKERS GO ON SALE NOW

Half-year stickers for automo-
biles, which will entitle the auto-
mobile owner to drive his car for
half a year at half the price of the
full year's license, went on sale at
the office of the county clerk Mon-
day morning and at the Holland
License Bureau, in charge of Alex
Van Zanten. It is expected that
auto owners will be given until the
first of January to equip their cars
with either the regular 1936 auto-
mobile plates or the half year
sticker. There has been no indica-
tion, to date, that an extension of
time will be granted after January
1, but if an extension is granted it
is not believed that it will be a
long one due to the fact that regu-
lar license plates went on sale at
an exceptionally early date this
year.

HOWARD FANT ELECTED TO HOSPITAL BOARD

because of the stress of business,
was unable to attend the meetings
and Mr. Fant, his associate in busi-
ness, was elected. Mr. Fant is the
son of the owner of the Holland
Monument Works.

Members of the Sitsm club were
entertained Tuesday evening at the

winterless winter.

Boys Are Not All Bad Says Probate Judge

JUDGE VANDEWATER SPEAKS
ON JUVENILE COURT,
DUTIES OF OFFICE

Judge Cora Vandewater, probate
judge of Ottawa county, ad-
dressed the Women's Business and
Professional club at a meeting held
at Hillcrest, Grand Haven, Tues-
day evening. She spoke on her
duties in general and especially
on the juvenile court, which is
under her direction.

"My conviction," she stated, "is
if you can get a child the first or
second time he commits a serious
offense, place him in a good home
environment and give him half a
chance, the so-called delinquent or
problem child, can be transformed
from a potential criminal into a
good citizen. I do not believe there
are any really 'bad boys,' a name

Judge Vandewater

frequently applied. Badness is evi-
dent and the crust is thick some-
times, but with patience, under-
standing, training and supervision,
any boy can be made a desirable
citizen.

"It is discretionary with the
judge of probate whether the child
be placed on probation or not,"
she continued. "The statute leaves
much to the discretion of the judge
in juvenile matters. The de-
cision of all juvenile cases is final
and conclusive. By that I mean if
sufficient testimony is taken,
which is largely within the discre-
tion of the court, the child has had
a fair hearing and the judgment
rendered by the judge is final and
cannot be appealed.

"Because so much is left to the
probate judge, I believe all con-
scientious probate judges feel the
grave responsibilities when mak-
ing a decision in a juvenile mat-
ter, for as a rule the judgment
makes or breaks the child.

"No child under 12 years of age
may be placed or committed to any
jail or police station. When a child
over 15 years is charged with a
felony the judge of probate, after
examination and investigation and
upon the motion of the prosecuting
attorney, may waive jurisdiction

EASTMANVILLE FARMER FOUND DEAD IN YARD

The body of Charles Reed, a farmer living near the County Poor Farm at Eastmanville, was found Monday morning in the yard of the home where apparently he met death when he fell and hit his head, fracturing the skull. It was known that the man was subject to heart attacks and Coroner Dr. W. B. Bloemend rendered a verdict of death from natural causes.

The man was discovered about 7:30 a.m. by John Bennink, a farmer living nearby, who is accustomed to call at the Reed farm to collect milk for a creamery. He discovered Reed in the yard near the porch. The theory established by the officers of the sheriff's department and the coroner is that he had apparently been chopping wood when he was seized with a heart attack. He had apparently tried to get into the house as the door was discovered open; but he probably fell from the porch and hit his head on a stone.

SUPREME COURT AFFIRMS DECISION OF OTTAWA COUNTY CIRCUIT COURT

Rather a Mixed up Case

On February 12, 1934, a collision occurred two miles West of Holland Limits on the Park Road, between a car owned and driven by Rev. John J. Lanting and a truck owned by Defendant, James T. Klomparsen, and driven by Henry Terperst. Mr. Lanting and his guest, Chris Reidsma, of this city, both suffered personal injuries, and settlement was made of such personal injuries by Defendant Klomparsen's insurance company.

Rev. Lanting was insured as to his car by a Lansing company who paid him for his car damages and took an assignment from him and brought action against the Defendants for the value of the car, which was a Terraplane and it is claimed was a total loss. This case was tried in the Ottawa County Circuit Court on November 27, 1934, and resulted in a verdict for the Plaintiff, Insurance Co. of Rev. Lanting, under its subrogation rights in the sum of \$575. damages, besides costs.

Defendant Klomparsen's car was insured, and his insurance company made settlement with Rev. Lanting, settlement receipt showing the same to be in full settlement of all personal injury and property damage loss. The defense claimed that this receipt was a bar to a recovery by Plaintiff and that the bringing of this action was a "splitting" of actions, and that the whole matter was settled in the settlement receipt.

Plaintiff claimed that Defendants had knowledge of the fact that that settlement receipt did not include the car damage of Lanting, and only included such items as were not in controversy, and that this action was not a "splitting" of the action.

Judge Miles of the Ottawa Circuit Court decided after trial before him of the matter without a jury, that the company insuring the Klomparsen truck was liable for the amount paid out by the insurance company insuring Rev. Lanting. The Defendant appealed to the Supreme Court.

The Supreme Court sustains the decision of Judge Miles, the court saying that as both parties were dealing through agents and attorneys who were fully informed that payment had been made of the losses to Rev. Lanting of his automobile damage and because of this knowledge the insurer of Rev. Lanting is entitled to recover the amount of loss from Defendants.

The defense was made that a release made by Rev. Lanting of injuries he personally sustained was a bar to the action for damages to the automobile by Rev. Lanting's insurance company. The Supreme Court says that Rev. Lanting could assign his claim for damages to his automobile to his insurer, because the defendant consented to such an arrangement. The court says further "that there is no good reason why parties may not settle a part of a controversy upon which they may reach an agreement and leave the controverted part for litigation."

The plaintiff in both courts was represented by Vernon D. Ten Cate of the firm of Diekema, Cross & Ten Cate.

AMERICAN LEGION

Our next regular meeting will be irregular, having been set for next Wednesday the 18th. This was done to avoid too long a period until the next meeting due on January 8th.

Along with the business on the 18th will stage another one of those contests to see who can get five numbers in a row; so remember the date.

Doc Westrate, who volunteered to take charge of the lunch at the meeting on the 11th was there with his committee, namely, Spike Manting, and Al Joldersma together with the following draffees, Bultman, Lindsay, and Miller. We had a real nice lunch except Doc figured short on the sandwich meat. The treat of the evening being the dishwashing by Joldersma and the fancy cup and saucer passing by Doc and Miller.

The Toy drive committee is operating in production now and they can still use out-grown or discarded toys. Towards the wind-up of their activities they will need some cash and any gifts of this kind will be appreciated.

Jack Barendse, our sleek, adjutant was kept away from the meeting by his work. But his work was admirably and amiably carried on by the old standby, the pole-horse and back-log.

The regular meeting of the Auxiliary will be held in the G. A. R. rooms on December 16th at 7:30 p.m. The program will be in charge of Mrs. Wynn R. Pemberton and the refreshments in charge of Mrs. B. Harris. At the meeting a "white elephant" grab-bag will be had, at no charge, please bring a "white-

elephant" with you.

The point system starts with this meeting of the Auxiliary and all members are asked to bring whatever material they have suitable for dressing dolls.

Mr. and Mrs. C. V. Miller, Mrs. and Mrs. Alfred Joldersma and Mrs. E. P. Slioter attended the fifth district American Legion and auxiliary meeting at Lowell last night. The program of events included a business meeting and dinner, followed by dancing.

SUNDAY TOPIC AT IMMANUEL CHURCH

Rev. J. Lanting, pastor of the Immanuel church will speak Sunday morning on the topic "The parable of the Leaven or Baptism for the age?"

Many Christian people are being deceived by the subtle teaching that baptism, the Lord's supper, and prayer are not for this present day. Is this of God or of men?

At the evening service Mr. Lanting's topic will be from Abraham

Holland Amateurs Vie for Radio Audition Monday Night

The Holland Lions club will stage their amateur night for Holland seminals at the Masonic temple on Monday night, December 16th. To date over thirty contestants who will compete for the privilege of representing this part of Michigan at a radio audition at some prominent radio station, have officially entered. Practically every type of entertainment is represented so that the Lions club feels sure that every patron will be more than satisfied with the program. Lions expect to close arrangements with a large radio station for audition for its first prize winner very soon. If this does not materialize, the cash prizes of \$100 will be awarded in substitution for the audition. Anyone wishing to enter this contest must be purely an amateur in status and can enter by filling out the required entry blank furnished to any Lion member or at 120 West 11th street or for more particulars call 9735.

The method of determining, in part, which contestant should be given preference will be by the well known applause machine which records the volume and extent of applause received on each and every act. This will be absolutely impartial, except that the contestant who has the most friends or admirers in attendance will have a slight edge. The successful contestants from this seminals for Holland Monday night will automatically become eligible for the final contest to be held January 16th, 1936.

The congenial Jerry Houting is to act as master of ceremonies at the program next Monday night. He is well known for his wit and all around good fellowship and should be a very able man in this capacity. Russell J. Rutgers who is in charge of the ticket sales, reports that from all indications there will be a good audience at this program and that ticket sales are progressing briskly among all the Lion members especially.

Mr. Russell Haight, Lion secretary and treasurer, is in complete charge of this amateur night project. He has assistants who are in charge of the seminals contests being given at the different towns surrounding Holland. Robert Kow is chairman of the Spring Lake-Grand Haven territory; Hudsonville committee is headed by Bernard De Pree; Allegan and Fennville by Lion President John Kelly; Zeeland by George Damsen; Saugatuck by Bill Nies and Ernest Post with his committee runs the show at Hamilton. The Virginia Park community has signed its intention of taking a very active part in this contest by staging its own seminals in its club house and sending to the finals at Holland after New Year's its selection for competition with the surrounding country's best. This club has always been a leader in the staging of plays and entertainments for communities about Holland and there is, no doubt, some wonderful talent about to be brought to light through the medium of these contests.

The members in charge of arrangements for this contest are: Russell Vander Poel for advertising and publicity; tickets by Russell J. Rutgers; building by Ray N. Smith; the judging by Charles R. Sligh, Jr.; program by Louis Steketee; reservations by Dufield Wade; ushers by Henry Per Haar and lighting is in charge of Cecil White.

In addition to the applause machine, the services of such noted personages as Sandy Meek of WOOD Grand Rapids; Phil Oosterhout of Grand Rapids; and Marcus Boyden of station WKBZ, Muskegon, have been secured as judges.

38 FOR HOLLANDERS

Holland Christian high school scored its thirty-eighth consecutive victory Friday night by defeating Davis Tech of Grand Rapids in the opening game of its schedule 20 to 19 on the Armory court, necessitating two periods of overtime play. Bouman counted one of two free throws to clinch the victory shortly before the pistol shot was fired.

Although Christian clicked for the first baskets, Tech started a spurt which had the locals trailing 15 to 5 at the half. Tech substitutions for regulars enabled Christian to close the gap and from then on the game was a thriller with the final score knotted at 15.

The score again was tied at the end of the first overtime period and the teams amid a bedlam of noise from the crowd fought desperately for victory. Hamstra led the scoring for the visitors with 5 points, followed by Bylsma with 4, Butler and Van Paasen divided honors for Christian with 5 points each.

C. E. HAS HARVEST SUPPER

Members of the Holland Christian Endeavor held a harvest supper Monday night in the basement of the Trinity Reformed church. A song mixer "contest" was held, prizes being awarded to James Netting and Miss Violet Slagh. Ernest S. Marks, Michigan Christian Endeavor field secretary, spoke briefly after which a program was given. At a union meeting, January 17, in First Reformed church, Russell J. PROF. RAAP WRITS FROM STORMY MIAMI

Albert Raap, at one time professor at Hope college as well as financial agent, has been in Florida for more than a decade.

He sends a clipping from the Miami Daily News showing where he was signally honored by the church he is serving. The clipping has the following:

"The Woman's Adult Bible class of the White Temple honored its teacher, Prof. Albert Raap, with a banquet in the church parlors on Friday night on the occasion of his tenth anniversary as teacher of the class."

The newspaper then goes on and describes the arrangements made, the participants and the personnel of the large party. Mr. Raap, in his letter, says fully:

"Reservations were made by 125 members and friends of the class. Some of the best talent of the city took part in the program of music and singing. In his response to the words of welcome by the president of the class, Prof. Raap stated that he had just completed a period of 45 years as a Sunday school teacher. During the winter there were on the average attendance of the class from 150 to 200. "We are enjoying a cold spell for a couple of days. Warmer tomorrow, the weatherman says. Have been wearing a vest for a few days, and a little heavier suit. Come and see us this winter, Ben. Tourists are coming already in large numbers. The hurricane did considerable damage to property and trees and shrubs. Everything is quite well cleaned up now. The tops of the palm trees still look rather ragged."

Yours truly,

ALBERT RAAP

Mr. Raap is Pastor's assistant and financial secretary of the First Methodist Episcopal church, "The White Temple" of Miami, Florida. Rev. Glenn C. James is the pastor.

CHILDREN ARE ENDANGERED BY FLAMES AT GRAND HAVEN

Three little children of Mr. and Mrs. Edwin Decker were in serious danger Tuesday morning when fire broke out at their home, 21 Franklin St., Grand Haven, about 9:30 a.m., while the parents were away. Edwin, Jr., 15 months old was asleep in a baby carriage in one of the rooms. It was only after the sound of choking and crying reached the ears of the firemen that the whereabouts of the baby was discovered. Henry Hoebeker, the driver found the child by his cries as the smoke so dense he could not see the carriage. George, five years old, was also carried out by the firemen.

Nellie, four years old, ran out of the house with no shoes or stockings on and only partially dressed in search of her mother who had left the children and gone down town shopping. The child found the mother at Washington and Third streets.

Fire originated in a box of rubbish behind an overheated cook stove in the kitchen. The flames had a good start when the fire department arrived and the interior of the kitchen was badly damaged.

"Annie Oakley" is the title of the thrilling RKO Radio picture booked at the Holland Theatre two days starting Friday, December 13. Barbara Stanwyck, the Ohio girl who became the world's greatest markswoman in the eighties, is supported by Preston Foster, remembered for his brilliant performance in "The Last Days of Pompeii."

Opening at the Holland Theatre, 3 days starting Monday, December 16 is "Frisco Kid" a Warner Bros. picture with an all star cast headed by James Cagney, Margaret Lindsay, Ricardo Cortez and Lili Damita. This picture takes place in the early fifties when the Barbary Coast of old San Francisco was a flaming panorama of gilded gambling halls and palaces of pleasure, when murder, arson and robbery were overlooked by the authorities who received large amounts of money for bribes from the underworld. The play takes place at the time when fortune hunters from all over the world flocked to the city for gold, ready to risk their fortunes or their lives on the throw of a die.

Booked at the Colonial Theatre 2 days starting Monday, December 16, is May Robson in "Three Kids and a Queen", universal's eventful comedy - drama in which she plays the part of an old maid whose adventures include a kidnapping and a far more thrilling experience. MR. AND MRS. GEORGE BABCOCK CELEBRATE

Mr. and Mrs. George Babcock of Saugatuck observed the fifty-third anniversary of their marriage with a few friends at their home. The meal served was a repetition of the wedding menu, and it was served on china that was a wedding gift. Mr. Babcock, a native of Ohio, came to Saugatuck 55 years ago, while Mrs. Babcock was the daughter of the late James G. Williams, pioneer lumberman at Saugatuck. Nearly all of their lives have been spent in Saugatuck. Both are alert and busy in the town's interests, Mrs. Babcock especially so in music circles. She is an accomplished pianist.

They are the parents of one son, McLean Babcock, who for years has been on the teaching staff of Penn State college. Mr. Babcock has been a fruit farmer for years and knows a peach when he sees it.

At a session held Monday night the board of education decided to appropriate \$50 towards the salary for the supervisor of athletic activities of the WPA recreational program. The common council also gave \$50 towards the salary of Leon Moody, director of physical education.

"Messiah" Assured for Next Tuesday—Prof. Maybee to Direct

Professor Snow's illness has made it necessary for the Choral Union to substitute a new director who will conduct the chorus through its final rehearsals and the public performance to be given next Tuesday evening in the Memorial chapel. Although Professor Snow's condition is improved, it was thought best to relieve him of the strenuous work of directing during the last rehearsals. Professor Maybee, of Western State Normal College, is well known in Holland as the director of the great choruses that have sung the "Messiah" in Kalamazoo for the past several years. He has been an outstanding director of choruses for the past twenty years and at times has brought in the Chicago symphony orchestra to accompany his magnificent chorus productions. This year groups from Grand Rapids and Holland are augmenting his Kalamazoo chorus to raise it to 600 voices and Holland is fortunate to secure so experienced a director to substitute for Professor Snow.

The Choral Union board has spared neither effort nor money to bring to Holland the best soloists for the "Messiah." Raymond Koch, the dramatic basso, is to sing the bass solo; Marjorie McClung, the sweet soprano, will remember by Holland audiences, will sing the soprano solos. Arthur Kraft from Chicago has been engaged for the tenor and Beatrice Brody for the contralto. All the soloists have sung with the "Messiah" choruses throughout the country.

The Choral Union is making an attempt to restore great music to its rightful position in Holland.

The "Messiah" will be rendered by the combined civic chorus and chapel choir accompanied by a select orchestra of Holland and Grand Rapids musicians. This concert will be followed by three others to complete the concert course. In February Alberto Salvi, the world's greatest harpist will give a concert accompanied by an instrumental quartet. In March, Charles Wakenfield Cadman and a vocal quartet will render a program. Cadman is known as the composer of many songs of which possibly the best known are "From the Land of the Sky Blue Water," "At Dawning," and "I Hear the Thrush at Eve." In April, Harry Farman, one of the outstanding American violinists of the age will appear in solo concert.

These four concerts are included on one choral union membership ticket sold at a non-profit basis for one dollar and a half.

Patrons holding these tickets will be entitled to a reserved seat for all four concerts. They are all to be given in the Hope Memorial Chapel. This year, in contrast to preceding years, only overflow space will be available for the general public at the "Messiah" concert and no seats will be available for non-patrons at the succeeding three concerts.

Patrons desiring memberships may obtain them from Mr. A. Butler at the Brouwer Furniture Store or telephone in their reservations to the Hope college office. Such tickets will be held at the college office until 7:30 Tuesday evening.

LOCAL NEWS

On tax bills which were received by local taxpayers Thursday and Friday the amount is reduced this year owing to absence of the state tax. The county assessment, which is \$4.49 per thousand is the only amount that is appearing on many of the statements. However, those who have paving and other special assessments must pay slightly larger amounts. Light bills have also been distributed but there appears on these bills an added charge of three per cent for the Michigan sales tax.

Louis J. Vanderburg, postmaster, announced Friday that local applicants among the 200,000 applicants for the railway postal clerks job received by the United States Civil Service to the recent closing date of Oct. 28, 1935, will receive admission cards to the examination if their applications have been accepted. All applicants whose applications have been accepted will in due course be sent admission cards giving the date and place of examination. Applicants from the area will take the examination at Grand Rapids, the postmaster informed.

Peter Brooks, who makes his home with Mr. and Mrs. John H. Van Raalte, 273 W. 32nd st., has received no word since he was held by State Police of Mt. Pleasant as material witness to the drowning of Doris Collin, Rosamund, Mich. Sunday. Brooks is being held pending investigation into the death of Collin who was drowned when pinned under the Brooks car which had overturned on the highway about a mile north of Mt. Pleasant, rolling into the Chippewa River flowing parallel with the road. Brooks met the man on a hunting trip and was driving him home.

Dr. Frederick S. Goodrich, of Albion, supply pastor of First M. E. church in Holland, addressed members of the Methodist Men's club at their December meeting and supper. Dr. Goodrich chose for his subject, "War Clouds Over Northern Africa." The talk was especially interesting because Dr. Goodrich is familiar with that part of the world having made three visits to Northern Africa. He said, "The people of Egypt, though still very ignorant, have benefitted tremendously in regard to health, sanitation, etc., under British mandate, but judging from Italy's present attitude, I do not think Ethiopia can gain anything by an autonomy." He summarized his talk by saying that the present warfare was most unjustifiable. A discussion period followed the talk. A. N. Peterson presided over the business meeting at which time it was decided to purchase Christmas candy for all the children of the Sunday school at Christmas time. The club also is planning to send a large delegation to the District Men's meeting to be held in Trinity Methodist church in Grand Rapids. Group singing was led by Prof. Robert Evans of the local public schools.

The car driven by John Nomes of West Olive hit a traffic sign post and knocked down a gasoline pump at the corner of River ave. and Seventh st. on Friday noon. The station is owned by J. Kardux. The First Reformed church elected the following officers for the coming year: deacons, Dick Van Tatenhove, Walter Vander Haar, Bert Vander Poel, Peter Dryer and Alvin Ter Vree. Elders who will serve are Martin Van Leeuwen, John Brinkman, Andrew Steketee, Ray Lemmen, G. J. Poelakker, Rev. F. Wiersma and Dick Meengs. A budget for \$11,529 was adopted.

Appeals for worn-out or discarded books have come to Holland's city library from CCC

campers that are endeavoring to build up libraries in keeping with the educational objectives of the groups. However, there are no such books in the local library and, rather than disregard the appeals, Miss Dora Schermer, librarian, in turn appealed today to local citizens who may want to contribute books. Regardless of condition of the volumes, the youths, several of whom are from this city, can repair them. Books on any subject or fiction will be welcomed. Those who wish to help are asked to bring their contributions to the city library. So desirous are the youths of getting books that they will gladly pay the transportation charges, Miss Schermer said.

About 60 members of the Eunice Aid society met in the basement of the Fourteenth Street Christian Reformed church Friday afternoon

At the business meeting reports were given of the plays and the young people's banquet. Plans were made for a sale to be held December 20 in the Women's Literary club. Meals and lunches will be served. Refreshments were served by Mrs. E. G.

Mapes of Grand Rapids, and Postoffice Inspector A. W. Hamilton of Grand Rapids. Mrs. Simon DeBoer of Holland will be toastmistress and Perry Denison of Grand Rapids will introduce the speakers. Several carriers from Holland and Zeeland will motor over to Berlin, or rather Marne.

Sunday school teachers of the First Reformed church held a dinner Friday evening in the church parlors. About 100 were present. The opening prayer was given by the Rev. James Wayer. Devotions were in charge of Mrs. Edith Walvoord who chose for her theme, "Honoring Jesus." Mrs. H. Van Meurs sang several vocal solos.

The address of the evening was given by the Rev. C. W. Meredith, pastor of Wesleyan Methodist church, who spoke on the subject,

A Festive Feast for Christmas

CHRISTMAS DINNER is indeed a great occasion. The hustle and bustle, the tasting and testing, the aromatic spicy smells, and all the fun of the holiday cooking going on in the kitchen, make this meal a high light for everyone. The food selected must be of the best, the recipes the choice old favorites decreed by family tradition, and the cooking itself the peak of your culinary experience. The table, smooth with gleaming white linen, bright glass, soft silver, and lustrous china will make a pleasing background for this bounteous feast. Plan to serve your families just such a delightful dinner this year. It will not tax your time unduly if you build the meal around the traditional favorites, many of which may be had in the modern way—ready to serve. So here's to a Merry Christmas and a Merry Christmas dinner:

Chilled Tomato Juice
Consommé Madrilaine (ready-to-serve)
Stuffed Spanish Olives
Roast Turkey with Stuffing
Mashed Irish Potatoes or Mashed Sweet Potatoes
Buttered Brussels Sprouts or Succotash
Molded Cranberry Salad or Christmas Bell Salad*
Plum Pudding, Baked Alaska Style*
Coffee
Nuts
Candied Fruits
(* Indicates recipes given below)

Christmas Bell Salad—Place large halves of canned pear in red vegetable coloring which has been dissolved in water and let remain until a delicate pink. Drain. Spread cut sides of pears with cream cheese and place two halves together for each salad. Cut a slice off the large end of each pear, thus formed, so it will stand straight and give the appearance of a bell. Place in cup-shaped leaf of lettuce. Fill a pastry tube with cream cheese and decorate the sides of the bell with four lengthwise lines, with two of the lines covering the division between the two halves. Top the bell with a piece of Maraschino cherry. Serve with Mayonnaise.

Plum Pudding, Baked Alaska Style (Serves 10 to 12)—Make pointsettias out of 6 Maraschino cherries by making 5 or 6 cuts in each through the pitted end to within 1/4 inch of round end, dividing it into 10 or 12 petals. Place flat on waxed paper with outside of cherry up. Press flat in center and separate petals. Sprinkle with granulated sugar. Heat 1 large can Plum Pudding according to directions on label. Beat 2 egg whites until stiff, add 4 tablespoons sugar, a tablespoon at a time, and beat well after each addition. Add 1 teaspoon vanilla. Open and remove Pudding to baking sheet. Cover with meringue, leaving an uneven surface. Place a pointsettia in center and five around the edge. Bake in a slow oven (275°F.) for 15 minutes, or until very slightly browned. Remove to cake plate, using spatula or cake turner, and take immediately to the table. Cut into thin slices and serve on individual cake plates with hot Lemon Sauce. (The pointsettias may be made the day before, sprinkled with sugar, and left on waxed paper.)

Large end of can may be opened with can opener instead of key and of the ingredients called for.

Survey of an assessor's plat of the property north of First street which had been prepared by the city engineering department was submitted for approval before a recent common council meeting. Confusion in the state auditor general's office, which has only the original description of the section, will be cleared up by the new map, replacing the one originally drafted when the city was founded by Dr. A. C. Van Raalte, it was explained. In its original location, River ave. went directly north from First st. Later, the avenue was shifted to its present angling position north of First st., curving to the Grand Haven bridge, but no change was ever made in the assessor's plat. No local confusion resulted however, because the affected property was designated by description rather than number but from now on each lot will be numbered as well as described to hold a double check and the state department will not be confused nor will anyone else.

Seven hunters dead and six injured was the casualty toll during the deer hunting season which attracted an estimated 85,000 sportsmen into Michigan's northwoods. He asked all to avoid extremes and become peace makers. Rev. Van Saun gave several examples of wars and the ill feeling brought on by munition companies. He added, "Fear and distrust are caused by our imperialistic system. If all nations abided by the 'Pact of Paris' war

Teaching the Law of God—Nehemiah 8:1-3, 5, 6, 8-12.

Henry Geerlings

A wise statesman does more than build walls. He also looks after the inner life of his people. A fine army to protect against marauders is good but not the only good. There must be teachers for the intellect and spiritual leaders to safeguard the moral and spiritual life.

Nehemiah was a great leader when a nation needed reconstruction. He knew how to meet hard labor situations. He was skillful in checking the moves of enemies. He did not think his work was finished when the walls were completed. He realized there was even a larger service for him to give Jerusalem. He went deeper into the needs of the hour than building a strong wall. He added a still more valuable work. Of course the wall was needed and he built it; but there was a greater need and he met it.

Ezra's reformatory had been going on for thirteen years in Jerusalem when Nehemiah arrived. He was glad to assist Nehemiah in helping him to answer the request of the people for a reading of the law to them. Nehemiah sought to provide this good reading for the people but books were scarce and the people were not trained to read. What he wanted to give them was the word of God, for it had been long neglected and he knew that without it no lasting national life could be expected. Fortunately Ezra came to his help and brought his Bible with him.

The people were gathered as a large school and were anxious to be taught by this skilled teacher and his helpers. They read to the people that part of the law of God which we have in the first five books of the Bible. In it the people saw their own errors described. They found the reading so new and were so interested that they listened for six hours to Bible reading. To them it was a new book and its message was inspiring, even though it exposed their sins. Have you read the Bible? Do you read books of it without stopping? You read other books at one sitting. You have other good reading—plenty of it. But you are not up in reading, what might be called well-read, if you are not a Bible reader.

Ezra was a good reader and so were his helpers. This had much to do with holding the attention of the listeners. The crowd had gathered in an open place and the readers stood on a platform, especially constructed for the purpose. Probably several read, each taking turns. The people stood reverently during the reading. In a true, worshipful attitude and approach to God Ezra conducted a service of praise before starting to read the word and teach the people.

The people took part in this worship service. It was not a

cold, formal worship carried on by minister and choir, allowing the people no response. The minister merely led, while the whole people united in worshipping. It was a real worship. It may have been something like our Common Service which makes cold formality in worship avoidable.

It was not difficult to explain what was read after the reading had been done distinctly. The sense was more quickly grasped because of the good readers. Perhaps it is true, as is often said, that but few are good readers. We often wonder why. Some preachers are criticized for not reading the Bible well in the public worship. Maybe it is because there is not enough reading aloud. We cannot learn to read well without reading aloud much. The chance of young people to climb into the ranks of good readers is here, but it will take diligent practice to attain results. Some say it takes too long to read aloud. But it is quite foolish to waste precious time in reading much that is not good enough to be read aloud, even if it should take twice the time. Try reading a few Bible stories. It is good training for those who want to be good readers.

Two good results followed. The people heard the law and began to grieve over their sins. No one can listen to God's righteous laws and not feel himself condemned. This is the start of repentance, a true, deep sorrow for sins committed. But there was a better result to follow. Under the wise interpretation of their teachers they saw that God's plan was to bring them rejoicing because of favors from him. There is an added practical suggestion that they not only enjoy the good things themselves but also provide for the unfortunate. So the feast day was filled with better results than good things to eat. The opportunity to help the world find the joy God intends is a call to each of us who have this joy.

At a regular meeting of the board of education Monday evening, Trustee William Arendshorst said he believed that approximately \$10,000 in interest on the total bonded indebtedness could be saved annually.

To support his contention Mr. Arendshorst quoted figures which would represent the \$10,000 saving in the annual interest payment, should the bonds be subject to call, making refunding possible. The total bonded indebtedness of the school bond issue is \$557,000 of which \$258,000 requires payment of 5 per cent interest. \$105,000, 4 1/4 per cent; \$24,000 at 4 1/4 per cent; and \$170,000 at 4 1/4 per cent.

The total interest paid annually on the bonds amounts to \$25,065, using 4 1/4 per cent rate as average, he said. If this 4 1/4 per cent average rate could be reduced by refunding to 3 per cent, as suggested by Trustee Arendshorst, it would represent a saving of \$9,355.

The ways and means committee, Trustee Earnest C. Brooks chairman, was authorized to make an investigation and report at the next meeting.

CONFERENCE PLANNED TO PUSH IMPROVEMENT OF US-31 AND 12 FROM CHICAGO

(Grand Haven Tribune)

The local chamber of commerce has been invited to attend a conference at Muskegon to be held about Jan. 7 to initiate some action looking to the improvement of US-31 and US-12 as the highway leading into the heart of the resort territory of Western Michigan from Chicago. The invitation is extended by the Muskegon chamber of commerce.

W. L. Stribley, secretary of the local chamber, stated that a like movement was initiated Feb. 1, 1929, at South Haven, which was promoted by the local group, William Connelly and several others interested in the same plan. An association was formed, called the West Michigan Pike Association and resolutions were passed calling the attention of the state highway department to the need for an improved highway that would be re-routed to some extent to border on Lake Michigan.

The road between St. Joseph and South Haven through the dune country followed and other scenic routes have been built since. But there are many sections of the road leading out of Chicago that are in poor condition and the Muskegon group points out the need for concerted action, to again call the state department's attention to the inadequacy of the present highway. The road has been outmoded, and damaged through the increased truck business that passes over it and the increase of motor car travel.

The highway is one of the most important arteries in the state and a direct feeder to the resort territory of this section of Michigan.

Mrs. Blenda Raffenaud was honored at a miscellaneous shower on Thursday evening given by Mrs. Edith West. Prizes were awarded to Miss Goldie Blagiali and Miss Katie Vodyke. Those present were Misses Katie Ann and Hilda Vodyke, Miss Ruth Kraai, Miss Ruth Zylman, Miss Goldie Blagiali, Miss Katherine De Mott, Miss Viola De Witt, Miss Frances Biemersma, Miss Raffenaud, Mrs. Germain Tariff, Mrs. Martha Billotte, Mrs. Harriette Bolder, Miss Dora Croff, Miss Dorothy Slagh, Miss Ann Miller, Miss Mary Mrok, Miss Katie West and Miss Clara Nysson. JOB HOLDERS ARE ADVISED TO REGISTER AT FEDERAL BUREAU; NO OBJECTIONS AT ST. HEARING

Grand Haven Tribune

An appeal was made at a special meeting of the city council by three Grand Haven citizens, John Blum, Elmer Klop and Carl Fricanno, for work on some of the federal projects being carried on in this city. They stated they were not on welfare rolls and were not looking for charity but an opportunity to get a job.

They were advised to register immediately with the branch office of the federal employment bureau at the county court house, as it is from these lists the PWA labor will be partially drawn.

Under PWA, the work is done by a contractor, and he may draw his labor from such sources, welfare, or other quarters.

The Grand Haven office is part of the county office with headquarters in Holland in charge of Jack Barendse, who was appointed by the state director, Howard Starret, Gerrit Kleinhuizen, Holland, is in Grand Haven every Thursday to take registrations.

He stated that between 600 and 700 men had registered through the year. Many of them have been placed in employment.

Officers of the south district will meet Dec. 30 in Woman's Literary club house and the north district in Grand Haven Dec. 31. NEW crop vegetables have begun to be harvested in Florida, California and Texas, three states which supply winter vegetables to the rest of the country. Naturally this produce costs more than home-grown stuff but is reasonable in most instances. A frost in Florida hit the string beans pretty badly so that they are high this year much as they were last.

Tangerines, oranges and grapefruit are abundant and low in price. Meats, fish and poultry continue firm. Egg prices have apparently passed their high peak while wholesale butter prices are still rising.

Fruit, vegetable, fish and dairy food prices at this season are largely dependent on weather conditions.

Here are the menus planned to suit: mail, medium and generous food budgets.

OLDEST GRAND HAVEN
WOMAN TO BE 98
ON SUNDAY

Mrs. Laurella Granger, Grand Haven's oldest living resident, observed her 98th birthday anniversary Sunday. Mrs. Granger is in excellent health and lives by herself in her old fashioned home at Clinton and Third streets. She is widely known and each birthday her circle of visitors appears to increase, she says. She does not get out much but keeps in touch with friends by telephone. She tells of Civil war days when as a farm woman in Wisconsin she drove a reaper over the broad acres of wheat, did other farm chores, tended her baby and then worked until 10 or 11 p.m. by the light of the moon getting in the crops. Farm hands, she recalls, asked \$4 a day and were poor help as most of the able bodied men were at the front.

James Bareman of R.R. 2 is recovering from an appendectomy in Holland hospital.

Twin daughters, born Thursday to the Rev. and Mrs. Gerrit Reselman of North Blendon at Zeeland hospital, have been named Marie Pauline and Agnes Geraldine.

She is the widow of a Civil war veteran.

HOLLAND ROTARY CLUB HAS
MEETING AND CHRISTMAS
NEED DISCUSSED

At a meeting of the Holland Rotary Club held Thursday noon at the Warm Friend Tavern, Peter Van Domelen gave a talk on the industrial utilization of the soy bean. Mr. Van Domelen presented a complete history of the soy bean and also said that the first industrialization of the product was started in 1929. The oil is used in the making of soaps, house paints, and enamels, linoleum, printers' ink, explosives and lubricating oil. The meal from the bean is utilized in making door handles, knobs and instrument covers for automobiles, the speaker said. Chester Lokker, one of three Holland high school boys sent by the Rotary club to the Older Boys' conference in Jackson last month, gave a short report of the conference. The annual Christmas party for crippled children will be held December 19 with

Rudolph Brink officiating. In connection with the party a free show is to be sponsored by the club December 23 for the under-privileged children of Holland at the Holland theatre. About 800 boys and girls attended the show last Christmas.

ONLY 64 OUT OF EVERY 100
EGGS HATCH

If you must count your chickens before they hatch, knock off 36 per cent and you may break even.

This was the advice of Berley Winton of the U. S. department of agriculture Saturday. Addressing a baby chick co-operative group, he said, "A study by the AAA among a large number of chick hatchers showed that 64 per cent of the eggs produced chickens while the other 36 per cent did not."

Miss R. Bange of 451 Central ave. is in Ireton, Ia., where she is enjoying a visit with friends.

WINTER DRIVERS
TAKE NOTE

One of the most insidious dangers of winter driving is carbon monoxide gas if it gets into tightly closed cars.

The driver's faculties and reactions may be affected by it to a dangerous degree before he realizes what is happening, with the result that he becomes a menace to himself and others.

The Health Department of the State of New York issues this warning:

Always drive with at least one window partially open for ventilation. With the "no draft" system of ventilation a partial vacuum is developed inside the car which tends to suck air from under the hood. Such cars need more than one window open.

On long trips it is an excellent rule to drive 55 minutes of any hour and then get out of the car and stretch and exercise for five minutes. In the long run this "lost" five minutes can easily be made up while the ride itself will be made more enjoyable and safer.

Close all apertures in floor boards.

A periodical inspection of the exhaust system is good insurance. A new gasket is cheaper than a casket.

Become carbon monoxide conscious before you become carbon monoxide unconscious.

Those simple rules are as easily followed and the observance of them is as valuable in Michigan as in New York.

FENVILLE YOUTH
ON RAMPAGE

Four young men, all under twenty years of age, were arrested during the past few days in Allegan county, three of them being taken into custody on charges of being drunk and disorderly, and two of them going to jail for short sentences.

Thomas Osborn, 17, Fennville, charged with being drunk and disorderly, entered a plea of guilty and was sentenced to pay a ten dollar fine or serve ten days in jail. He is serving the jail term.

Donald Card, 18, Fennville, charged with being drunk and disorderly, was sentenced to pay a ten dollar fine or serve ten days upon his plea of guilty. He also is serving the jail term.

Byron Haste, Fennville, charged with the same offense, paid a fine of ten dollars in preference to a ten day jail term.

Willis Brink, 19, Fennville, charged with non-support, was ordered to pay \$5 a week or serve 90 days in jail.

CHRISTMAS HINT

With less than three weeks remaining in which to do Christmas shopping, we venture to repeat what has come to be an annual suggestion: Shop early!

Wise shoppers have found that by following this suggestion they do more than "avoid the rush."

The early shopper often gets the pick of the stock, and, if one begins to shop now, there is time in which to go about it leisurely and comfortably.

And if one shops early he or she also can ship early, thus making sure that gifts will reach their destinations before Christmas.

At best the "Christmas rush" places a heavy load on both the employees in the stores and postal employees.

The Christmas spirit suggests that this load be made as light as possible by buying and mailing gifts before the eleventh hour.

That ought not to be hard to do, when in doing it the buying public is also making its own task lighter and more agreeable.

Former Holland Station
Agent Dies

William G. Stenger, age 72, a resident of Grand Rapids and 42 years an employee of the Pere Marquette railway, died Friday at his home after an illness of four weeks.

Born in Sharpville, Pa., Mr. Stenger came to Michigan at the age of 12, settling near Owosso. He was station agent and rate clerk during his association with the railway. For some time he was at Hudsonville and for quite a period at Holland at the P.M. depot in the ticket office.

An active member of South Congregational church for 25 years, he had served as deacon and superintendent of the Sunday school for several years. He was organizer and teacher of the DTR class of young boys in 1920. A member of Malta lodge, F. & A. M., he was past high priest of Chapter No. 7.

Surviving is his widow, Josephine Merrill Stenger; two daughters, Mrs. Cleveland L. Vander Boegh and Mrs. Arthur C. Barnard of Grand Rapids; one son, F. Merrill Stenger of Pittsburgh, Pa., and five grandchildren.

Dr. Goodrich also proved to be a most interesting speaker, using as his subject, "A 20th Century Library." He started by suggesting 10 books that should be in every library listing 10 books of Scripture. The Albion professor listed many reasons why the Bible should be the chief book in every man's library.

He said that the Bible should be in everyone's library because of its poetry, its dramatic literature and because of its writing on psychology.

"Study the Bible," he said, "because it teaches how to make a success of life and is a guide to the best culture." Other arguments he gave for the Bible were that it is the world's best seller, it is an interesting book, it has much valuable prophetic material, it has great transforming power, it is so unfamiliar yet it is so well known, and also because it's a revelation of the best things in this world and tells all about things in the next world. He concluded with a dramatic recitation of the 46th Psalm.

DR. MULDER AND DR. GOODRICH SPEAK BEFORE COMMUNITY SERVICES

(Grand Haven Tribune)

Dr. John R. Mulder of Western Theological seminary at Holland and Dr. F. S. Goodrich of Albion college gave stirring addresses at simultaneous community services at the First Reformed church in this city and at the Christian Reformed church in Spring Lake Wednesday evening. Large audiences attended each service.

The services were held as a part of the local celebration of the 400th anniversary of the printing of the first Bible by Miles Coverdale. Special choir music was given at both services. Window displays have been put up here and in Spring Lake and the celebration will be concluded Sunday with the celebration of Universal Bible Sunday in most of the churches in this community.

Dr. Mulder chose as his subject "The Bible, the Word of God." He paid tribute to the great corps of people who are recognizing that the Bible is profitable for teaching and concluded by saying that the Bible is the only book that puts real religion into life.

"Read the Bible," he urged, "and you won't find anything that won't meet the demands of the most intelligent minds of today. Compare it with other books and you will find that you will have a higher regard for the Bible. The word 'Messiah' threads through the entire Old Testament and the word 'Redemption' looms out in the books of the New Testament."

"The Bible shows us how to attain to character that is the reasonable expression of life," he went on. "It is a tragedy when man closes his mind to the Word of God."

Dr. Goodrich also proved to be a most interesting speaker, using as his subject, "A 20th Century Library." He started by suggesting 10 books that should be in every library listing 10 books of Scripture. Christmas Seal Pays
Tribute to U. S. Mail Service

THE 1935 tuberculosis Christmas seal pays tribute to the United States mails and the part the post-office has played in the fight against tuberculosis in this country. Miss Marion Cook and Miss Louise Collins, coeds at Michigan State College, are shown here as they examine one of the attractive Christmas seal posters with Claude E. Cady, postmaster at Lansing.

"It is particularly fitting," Dr. Bruce H. Douglas, president of the Michigan Tuberculosis Association, declared this week, "that the Christmas seal should commemorate the mail service which has done so much for the public welfare and plays such a major role in the distribution of the seal."

Michigan people are being called upon to purchase 2,000,000 more seals than in 1934. In all, 12,000,000 seals have been sent out from the Lansing offices of the Association. All activities of the organization are financed solely by Christmas seal pennies.

In the period from November 1931 to June 1935, over 88,000 Michigan persons were given tuberculosis tests at clinics sponsored by the Association; more than 19,000 chest X-rays were made in the same length of time. These are the modern methods of discovering tuberculosis in the early and curable stage.

Tuberculosis is still the principal cause of death between the ages of 20 and 40. Your pennies will help to reduce the mortality rate.

Farmers Hit by the New Ice Fishing Rule

One result of the new ruling limiting the ice fishermen to two ice lines which must be under immediate control instead of last year's five that could be left unattended for as much as two hours, will be that the hunter will find less and less unposted lands upon which to pursue his sport, Ralph Minnis, of Clarkston, Michigan, believes. He reasons it out this way:

"The farmer is hit worse than anyone else by these new rulings affecting ice fishing. He has no time to fish in summer, but in the winter he could formerly set five lines, leave them long enough to do a few chores and go back again. Now he is not only limited to two lines, but must remain with them if he is to do any ice fishing at all."

"The feeling in this community and I have talked with several in Livingston and Washtenaw counties is that the hunter will suffer because of this from now on. For the farmers blame the cities for this ruling and will doubtless post their lands against the hunters more than ever."

Minnis hits the two-ice-line rule from another angle, also. That of the need of removing more perch from our inland waters if they are ever to become good bluegill fishing grounds. "The project at Drayton Plains (state bluegill and bass hatchery) is a wonderful thing," he writes. "But before they can keep the inland lakes well stocked with bluegills a great many of the perch should be taken out. We examined a large number of perch last winter and they were all full of little bluegills averaging about one-half inch in length. There were as high as seven in a seven-inch perch. This is another reason why I sincerely believe that the return of more generous regulations governing ice fishing would be the best for all concerned."

This article, if true, the News might add, would bear investigation. This is a perch fishing lake as well as "bluegills," and the Holland Fish and Game club replenishes the lake with thousands of "bluegills" but if the perch gobble them up, well, there seems nothing you can do about it. After all, there is no finer pan fish than a perch, not even the brook trout can surpass it as a palatable fish food. But we like our bluegills, too.

No More Toothache; Harmless Pain Deadener Found

A literal meaning may be given soon to that old dentist's promise, "This isn't going to hurt."

Columbia University, New York, announced the discovery of a revolutionary and harmless pain deadener by Dr. Leroy L. Hartman, professor of dentistry in the School of Dental and Oral Surgery.

Medical claims attached to the new desensitizer say that it is expected to revolutionize the practice of dentistry by eliminating pain and that "drilly" feeling in the preparation and filling of tooth cavities.

The new desensitizer, perfected by Dr. Hartman after 20 years of research, is applied to the surface of the tooth, preventing pain and offering the possibility of saving teeth now doomed.

It becomes effective in about one and a half minutes after application. It remains effective from 20 minutes to an hour.

It is to be patented and rights assigned to Columbia University, which will control price and quality.

Dr. Hartman said the new desensitizer causes no after effects, and that the patient is not aware of its application.

Phoning in China

Sending a phone message in China is a very different matter from that in the west, according to a communication received from a missionary in the Celestial kingdom.

Here is the way he describes the experience:

"No rough and ready greetings such as 'Hello, are you there?' for the polite Chinese who rings up has a manner all his own."

"The following dialogue is a specimen: The exchange having been rung up, the operator will ask: 'What number does the honorable son of the moon and stars desire?' 'Ho-hi' (23).

"Silence. The exchange resumes: 'Will the honorable person graciously forgive the inadequacy of the insignificant service, and permit this humble slave of the wire to inform him that the never-to-be-sufficiently-censured line is busy?' 'And then in patience the patron waits a reasonable moment and tries again.'"

FOUR REASONS WHY

HERE are four pulchritudinous reasons why Kelley's Ritz is one of the most popular nightclubs in the Canal Zone. They are star dancers in the club in Panama City owned by Miss Mary Lee Kelley. The happy smiles and starry eyes are doubtless due to the fact that the girls have passed the rigid requirements set down by Miss Kelley for the young ladies she imports to the Canal Zone to entertain her guests.

The entertainers live in the club and almost as soon as they cross the threshold are presented with a printed set of rules and regulations which would make the house rules of an exclusive boarding school seem mild by comparison, for although Miss Kelley makes it her business to see that everyone has a gay time, nevertheless she expects her entertainers, her orchestra, and her clientele to uphold the reputation which has made her club the popular night haunt of the swanky yet conservative type of travelers taking the weekly cruises from New York to South America's West Coast, or the fortnightly cruises between New York, the Spanish Americas and California. Miss Kelley is herself one of the best known characters on the Isthmus and her club is the yardstick by which night clubs down there are judged.

The Ships of Columbus Didn't Just Come In

Can you imagine Christopher Columbus hanging around the wharves of Genoa "waiting for his ship to come in"?

No. He was not that kind of man. He had courage and persistence to match his imagination. He had a big idea, but he was a long time "selling it" to Ferdinand and Isabella.

Then, on the voyage his men wanted to turn back. He forced them to sail on. The ships of Columbus were brought into port by the sheer force of a dauntless spirit.

Remember this fact when you are tempted to be discouraged in your own financial undertakings.

ALLEGAN COUNTY NEWS

It is not generally known but it is a fact that "they're moving the Allegan fairgrounds." All persons interested in the property will find it hereafter not up on the western part of town but down under the smaller North Side bridge; and all of you fans who have sat on the hill by the horse-barn near the track will find said hill hereafter at the bridge. That hill has been removed in no small part by a flock of trucks and the present great hole near the track will probably be covered for the next fair by more grandstand and more bleacher-seats. It will be another fine improvement and very noticeable; and the new highway at the bridges will be a striking change.

Bernath A. Worden of Grand Rapids is the new manager of the Kroger store in Allegan. These managers are many, and changes frequent but Mr. Worden is interesting because he was at one time an Allegan boy. His mother is Mrs. Alvin Fox, formerly Miss Olla Blain whose father, Frank Blain, was many years keeper of the county farm. The Blain family will always be remembered by the older generation. There was another daughter in the Blain family, Maude, who when she died was Mrs. Andrew Rogers. Mr. Rogers was a brother of the present mayor of Otsego, Matthew Rogers.

Funeral services for Harry Rantz, 21, of Martin, who died at Lapeer following an illness of two years, were held Thursday from the Marshall Funeral home, with the Rev. A. A. Bengt officiating. Surviving are the parents, Mr. and Mrs. Wayne Rantz of Plainwell, a

brother, Edward, two sisters, Thelma and Helen, all of Plainwell.

Born to Mr. and Mrs. Frank Chapman, at their home in Wayland, a daughter.

Returning to his boyhood home after 42 years of service in the department of agriculture, Dr. William A. Taylor, retired chief of the United States bureau of plant industry, has taken up residence on the 80-acre Lake Ridge farm on Lake Shore drive in Saugatuck township.

During his youth Dr. Taylor worked on the farm that was a grant of land purchased by his father, the Rev. James F. Taylor, from Saugatuck's first white settler, William G. Butler. He later was graduated from Michigan Agricultural college and established a nursery with his father in the days when fruit growing was at its height in western Michigan. Dr. Taylor points out with pride trees in their first apple orchard, grown from seed. The white brick farmhouse is being remodeled into a modern home where, with Mrs.

Taylor and their sons, he will spend his remaining years, continuing his agricultural work and writing.

Preceding the ceremony Miss Jeanette Brandt of Athens

sang "I Love You Truly," Bond. Miss Ila Moore of Bailey, pianist, played the wedding music from "Midsummer Night's Dream" for the entrance of the bride party. The bride was attired in olive green velvet and carried talisman roses. Miss Margaret Ogilvie of Kalamazoo, as maid of honor, wore blue velvet with a corsage of tallman roses. Little Barbara Joanne Forten of Bailey was ring bearer and wore a dainty frock of pink organdie. Arthur Elferdink of Holland, brother of the groom, was best man. The bride's mother wore black velvet with a corsage of sweet peas. Mrs. Frances Carlson of Muskegon, as hostess, wore blue velvet. Following the ceremony refreshments were served to 36 guests. Those from Holland were Mr. and Mrs. Stanley Elferdink, Donald Halbert and Arthur Elferdink and Lloyd Coster. Both bride and groom are graduates of Western State Teachers' college. Mrs. Elferdink is completing two years' teaching at Athens, and Mr. Elferdink is teaching manual arts at

Berrien Springs. The couple spent a few days in Chicago. Mrs. Stanley Elferdink entertained with a linen shower November 22 honoring the bride at the Elferdink home at Central Park. About 25 relatives and neighbors attended. The evening was spent in playing games with prizes going to Mrs. H. Karsten and Mrs. G. Speet. The guest of honor was presented with many beautiful gifts. A three-course lunch was served by the hostess.

The congregational meeting of Jenison Christian Reformed church elected John De Leeuw, John Hage, Harm Buikema and B. Nyenhuis as elders.
