Mrs. Monetzta Hostess To Builders Class

Mrs. Clara Monetzta was hostess to members of the Builders Class of First Methodist Church Friday evening at a regular meeting. Mrs. William Padgett, president, opened the meeting and devotions were conducted by Mrs. Elizabeth Kiles, who used the topic "The Christmas Candle."

A poem "Putting Jesus at the Top of Our Christmas List" was read. The Sunshine package went to Mrs. Ethel Knutson and the traveling basket to Mrs. Gus Nynas.

Following the singing of Christmas Carols the group exchanged gifts. A buffet lunch was served at an attractively decorated table by the hostess assisted by Mrs. Ed Borgeson and Mrs. Budd Eastman.

Members Hear About Christmas In Holy Land

"Christmas in the Holy Land" provided an appropriate program for 140 members of Trinity Reformed Church Ladies' Aid who attended their traditional holiday dinner in Christ Memorial church Tuesday night.

Dr. Lester Kuyper recalled his last year's experiences with Christ-brations in Bethlehem and Jerusalem as he showed pictures of present day structures and customs. Injecting humorous anecdotes and interesting personal impressions, Dr. Kuyper described a "Westerner's" reactions to ancient Biblical settings.

Particularly interesting were scenes relating to research and discovery of the Dead Sea scrolls, the colored rocks and carvings at Petra and camels grazing beside historic waters.

Mrs. Kuyper led devotions following the dinner and contrasted our "Christmas card picture" of quiet little Bethlehem with the modern city. Her Psalm selection described Jerusalem's ancient glory as contrasted with current bustle and unrest.

Appearing in colorful native costume, Miss May Kanamori of Japan, now a student at Hope College, sang "On the Night When Jesus Came," a Polish carol, and the German song "Never Do Bells Ring More Sweetly." Her accompanist was Miss Lucille Kooyers.

Mrs. Eldert Bos paid tribute to 20 former Aid presidents as she traced the history of the group from its organization in 1911. Her talk emphasized desirable attributes of Christian leaders as exemplified by women of the Bible and compared these willing servants to crown jewels.

Mrs. Jacob Westerhoff directed singing of carols.

During the business session at which Mrs. Elton Eenigenburg presided, reports were given by Mrs. Ted Boeve on servicemen's Christmas boxes and Mrs. Ted Bos on shut-in remembrances. Mrs. Arthur Hoedema gave a treasurer's report prior to suggestions for church and mission projects.

Attractive red and gold centerpieces featured greens, tapers and cones arranged by Mrs. William Jacobs and Mrs. J. Fris. Dinner arrangements were made by Mrs. Murel Houting and Mrs. J. J. Vande Wege.

Mr. Dan Vander Werf, Jr. introduced the program as a representative of the Book Review group. Closing prayer was given by Mrs. L. Sennett, newly-elected president of the Guild for Christian service which will hold its first meeting in January.

Hope Students Are Happy

GRAND RAPIDS (Special) — Hope College fans took over the Civic Auditorium floor here Wednesday night and carried their basketball heroes from the floor.

The students quickly converged on the floor and hoisted the players to their shoulders. Coach Russ De Vette also received a ride.

Bob Reid's trip was shortened as he was called back to the floor to shoot two foul shots. Disregarding all of his well-wishers he sank the shots.

Notes From Hope-Calvin Cage Contest

GRAND RAPIDS (Special) — Calvin College's basketball team shaded Hope in the shooting from the floor as the Knights connected on 31 shots in 73 attempts for 41 per cent while Hope made 30 baskets in 75 tries for 40 per cent.

In the first half, Hope had hit 15 of 44 for 34 per cent while Calvin had made 16 of 37 for 43 per cent. At the free throw line in the first half, Calvin connected on four of 10 while Hope hit only two of seven.

Because of Hope's 18 of 24 in the second, the Dutch ended with 20 of 31 and Calvin ended with nine of 16.

Warren Otte and Dan Bos, two Holland Christian products, performed well in reserve roles for the Knights. Otte sank four baskets and Bos made three points with 3:36 to go just before the final Hope thrust. Bos' field goal was the last one made by the Knights.

Carl De Kuiper, the fine Fremont athlete, was the lone player to foul out. He left with 1:07 to go as he committed his final two fouls trying to take the ball away from Bob Reid.

One of the Calvin cheerleaders, pulled a muscle in her leg while leading a cheer just prior to gametime. But after being assisted from the floor by her teammates, she later appeared with a large ace bandage wrapped around the knee and continued to lead cheers, with just a little less zest.

One of the Hope College groups showed up in New Year's Eve hats with pointed tops and later formed a card section suggesting a Hope victory.

The Civic Auditorium was ready for the crowd this year. The crowd was more orderly than it has been in the past five years and the room temperature was dropped to ease the closeness because of the crowd in the building.

Coach Russ De Vette received good help from his subs. He played junior Norm Schut most of the first half while junior Don Boyink hit two key baskets in the first half.

Freshmen Jim Vander Hill and John Oosterbaan saw frequent action and Oosterbaan was on the unit that worked the successful zone press Vander Hill continued to impress and missed a couple of in-and-out baskets.

William H. Porter, industrial engineer with the Chris Craft Corp. will address members of the Holland-Zeeland Management Club at their regular 6:30 p.m. dinner meeting on Tuesday, Dec. 15, in the American Legion Memorial Park Clubhouse. His subject will be "The Application and Development of Plastics and Foam in Boat Building." William J. Van Dyke of Hart & Cooley Mfg. House will show the film, "Open House at Hart & Cooley."

Women's Groups Pick Out Mystery Friends

Names were drawn for new mystery friends Tuesday evening at a party of the Ladies' Aid, its associate members and the Ladies' Auxiliary of the Bethel Reformed Church held in the church basement.

The gift exchange revealed the 1959 mystery friends before the new names were picked out. Tables held centerpieces of greens, red tapers, and poinsettias at the party where Mrs. Gerald Reinink led the devotions basing her message on the Christmas story from the Scriptures.

"What Child Is This?" and "Angels We Have Heard on High" were the songs sung by Mrs. George Prins.

Service committee members were Mrs. John Van Buren, Mrs. Myron Beckvoort, Mrs. Jerry Schipper and Mrs. Jake Welling. The decorating committee was composed of Mrs. Jack Essenburg, Mrs. Merle Bos, Mrs. John Ligvoet and Mrs. Sid Woudstra.

Zone Press Effective In 80-71 Win

GRAND RAPIDS (Special) — Gambling with a shifting zone press in the closing stages of the second half, Hope College's basketball team made the press work and rocked a favored Calvin College team, 80-71 here Wednesday night before 3,500 plus fans in the Civic Auditorium.

Hope went into the zone press with about nine minutes left in the game and Calvin ahead, 57-50.

MIAA Standings

| | W | L |
|-----------|---|---|
| Hope | 1 | 0 |
| Adrian | 1 | 0 |
| Albion | 2 | 1 |
| Kalamazoo | 1 | 1 |
| Hillsdale | 1 | 1 |
| Alma | 0 | 1 |
| Calvin | 0 | 1 |
| Olivet | 0 | 1 |

And that press, coupled with some excellent field goal and free throw shooting and pass interceptions spelled doom for the Knights.

It marked revenge for Hope, who suffered its lone MIAA loss of the season here last winter, and put the Dutch in front in the MIAA race with a 1-0 record. Hope will host Kalamazoo in the Holland Civic Center Saturday.

Hope started the game in a zone and then midway in the first half went into the zone press. The Dutch trailed at halftime 36-32 and opened the second half in the zone.

But then Coach Russ De Vette made his move, a piece of strategy he had worked on for a long time, and sent the Dutch into the press. It was a gamble because in pressing, there is the constant danger of fouling.

However the move didn't backfire. Rather, the Dutch took command and caused the Knights to foul to get the ball and Hope paraded to the free throw line 24 times in the second half and hit on 18. The Knights, on the other hand, could only pick up six charity chances but hit five.

The score was tied five times in the game and the last time was 64-64 with 5:33 to go when Warren Vander Hill hit one of his 14 field goals.

Calvin made one more spurt to move out ahead 69-64, but then the Dutchmen really applied the press. It was Bill Vander Bilt, the Oostburg, Wis., junior who intercepted three Calvin passes to give Hope the bulge.

His first interception resulted in two free shots which he sank. This was followed by two passes to Vander Hill who dumped baskets to push Hope ahead 70-69 with three minutes left.

Bob Reid then began his show, and what a performance the Kenmore, N.Y. sophomore put on. He drove through and sank a bucket to make the score 72-69. Calvin then made two free shots to make the score 72-71.

But the rest of the game belonged to Reid. He put on a fine job of ball control and dribbling every time he got the ball. He was fouled four times as the Knights tried to get the ball.

And each time the 5'8" redhead walked to the line he sank two free shots. His final two tosses were made after the final horn and most of the crowd was on the floor.

But the top laurels belong to the Hope co-captains, Vander Hill and Ray Ritsema. And their tremendous play made the difference.

Vander Hill, cool and clever, pumped 10 baskets in the second half from both corners out from the rim of the circle and on drives. His shooting was deadly and accurate and he added four baskets in the first half and two free shots for 30 points to lead both teams.

Ritsema was at his best on the boards. He worked the defensive and offensive boards without a peer and during the last stretch drive was leaping higher to intercept the ball than seen in his four-year career.

He led the first half drive with six buckets, added four in the second half and four free shots for 24 points. Ritsema, who was held down by Ralph Honderd in his last appearance, turned the tables and held Honderd to seven points and outfoiled the Calvin star on the boards.

Twice during the game Calvin held eight-point leads. The Knights led 34-26 just prior to the half and then led 57-49 with 10 minutes to go in the game. Hope's biggest bulge came at the end.

Hank De Mols paced the first half Calvin attack and sank seven of eight buckets. He added seven points in the second half and made 71 points. Carl De Kuiper, who hit 6 from out, had 17.

Holland High School's a cappella choir sang Christmas carols and several novelty numbers for the Exchange Club at its luncheon meeting Monday. The choir is under the direction of Larrie Clark and the Club's meeting was conducted by the president John Ver Boek.

Police Chiefs Warn Drivers Who Drink

The Michigan Association of Chiefs of Police, in its "Unwanted Driver" campaign, is currently featuring drivers who drink and then drive. They designate such drivers as "drunkards."

The "drunkard" poses a year-round problem for law enforcement officials, but the problem becomes especially acute during the year-end holiday season.

It isn't the saturated drunk that the police are most concerned about, it's the social drinker who fails to realize that a couple of cocktails with his friends can impair his judgment, perception, alertness or physical coordination.

The reason these drivers are unwanted is obvious when it is considered that at least 291 persons were killed and 4,428 injured in Michigan last year because of the "drunkard" and his car.

The Michigan Association of Chiefs of Police points out that the driver who has been drinking is four times more likely to have an accident than the non-drinking driver. These odds have been established by a Northwestern University study.

The way to beat such odds stacked against you, the police point out, is simple. Even the social drinker who only has a couple with friends must realize that the alcohol he has consumed has had some effect on him. Then the rule should be: Stay out from behind the wheel of any car.

Brandsen-Ende Rites in Church

Mr. and Mrs. Harold Lee Brandsen

Miss Karen Joan Ende became the bride of Harold Lee Brandsen in a double ring ceremony performed by the Rev. Harland Steele in the Trinity Reformed Church Parish house on Nov. 20 in an early evening wedding.

Oregon ferns set off the two delicately formed seven-branch candelabra and kissing candles. Bouquets of white chrysanthemums flanked the altar.

Mr. and Mrs. Leon Ende of 64 West 27th St. are the parents of the bride and the groom is the son of Mrs. John J. Brandsen and the late Mr. Brandsen of route 4. For her daughter's wedding Mrs. Ende selected a light blue knit dress with beige accessories. Mrs. Brandsen chose a leaf green, two-piece dress with white and black accessories. Both had corsages of yellow sweetheart roses and white carnations.

The bride was escorted to the altar by her father as she carried a cascading bouquet of white gladioli with ivy streamers. She was encircled in a floor-length gown which featured a fitted lace over tulle bodice and long lace sleeves. The scalloped sash and neckline was delicately trimmed with iridescent sequins and pearls. Lace appliques flitted on the bouffant tulle skirt and the lace was repeated in a front panel. The bride's elbow-length veil fell from a crown of tulle which was set with iridescent and pearl trim.

Mrs. Leon De Visser, the matron of honor, was dressed in a baller-

ina-length gown of oriental green organza over taffeta which featured a softly draped circular skirt. The fitted empire bodice held small self bows tripping down the front. A softly shirred yoke outlined the scooped neckline; the sleeves also were shirred. Her circular veil fell from a shirred hat with a bow trim. She carried a cascade arrangement of bronze fungi mums. The groom chose Leon De Visser to be his best man.

Organ music was played by Miss Marilyn Schreinerboer.

Approximately 40 guests passed through the receiving line and received punch which was poured by Miss Mary Schreinerboer and Miss Frieda Holtgeerts. Gift room attendants were Mrs. Edward Plagemans and Miss Jeanne Ende, a sister of the bride.

The new Mrs. Brandsen changed into a beige brocade sheath with pleated satin cummerbund. She wore beige and red accessories and carried the corsage from her original bouquet for their honeymoon in the Eastern states.

PINS TELL THE STORY — Holland Police Traffic Safety Sgt. Isaac De Kraker points out a particularly accident prone intersection on the Police Department's city map to Chief Jacob Van Hoff. Through the use of variously colored pins, police can spot not only fre-

quency but types and conditions of accidents. From this information, they can plan preventive action by discovering trouble spots and planning enforcement activities accordingly. The sad fact is that each of the pins on the map represents people. (Sentinel photo)

Color Pins Recap Holland Accident Picture for 1959

If you've been involved in an accident in Holland within the past 11 months, chances are your mishap is represented by a colored pin on a map at police headquarters.

Police administrators have found that one of the tools they can use to hold down accidents is to discover trouble spots and plan their enforcement activities accordingly.

Colored pins go into the map of the community to record accident locations. Where the pins cluster thickly is where most of the accidents happen. Through the use of different colors of pins, police can spot not only frequency but types and conditions of accidents. They can also show traffic violations.

Each of the pins on the map of Holland represents a person or persons involved in a traffic accident. According to Traffic Safety Sgt. Isaac De Kraker and Police Chief Jacob Van Hoff, Holland lists a total of 860 accidents so far in 1959. Of this number, there are 165 pins representing people who were injured and three pins for those three persons who lost their lives within the city.

Most of the injured persons were occupants of vehicles involved in accidents, but there were 28 pedestrians injured and one killed by automobiles.

Police records show that the winter months are the worst months for driving. The number of accidents for November amounted to over two a day in the city, or a total of 71, and police warned motorists that the worst part of the winter is still coming.

Colored pins add police in taking steps toward effective accident prevention, but it is up to drivers to regard laws which are made to protect themselves. Police summed up the accident picture by saying, "Colored pins tell the story, but it's written first by the drivers."

Leepa Takes Florida Duty

Chief Bosun's Mate Senior John C. Leepa, commander of the Holland Coast Guard station for the past year and a half, announced Saturday that he is transferring to shipboard duty aboard the U. S. Coast Guard cutter Smilax, operating from New Smyrna Beach, Fla. Leepa will exchange posts with BMC Paul B. Stone, presently aboard the Smilax. BMC Stone will arrive to take over command of the local station on Dec. 14, Leepa said.

BMCS Leepa will leave here Sunday for Florida. Until BMC Stone arrives, BM-1 Glynn Butler, a veteran at the Holland station will act as officer-in-charge.

Leepa said he arranged the mutual exchange of duty with Stone because he has close relatives living in Florida but he has many regrets in leaving the fine associations made here in Holland area. "Holland is one of the most pleasant places I have ever been stationed," said Leepa, who had seen duty with the Coast Guard all over the United States.

BMCS Leepa had a special word of thanks for the various persons and agencies who combined to make his stay here a pleasant one. "I have received nothing but the finest cooperation from the Holland Chamber of Commerce, city officials, the Ottawa County Sheriff's department, State Police, boating enthusiasts and yacht clubs, Saugatuck city officials and the Coast Guard Auxiliaries of Grand Haven, Holland and Saugatuck," Leepa said, and he expressed confidence that the same cooperation would be given his successor here.

Boy Soprano From Texas Appearing Here as Amahl

Thirteen-year-old Kirk Jordan of Victoria, Tex., will play the role of Amahl in "Amahl and the Night Visitors" when that production is presented Dec. 14 in Holland Civic Center along with the Christmas portions of Handel's "The Messiah."

The boy soprano will be singing and acting the part of the little crippled boy who spent an unbelievable night with the Three Kings when those royal visitors stopped at his widowed mother's hut for a night's rest on their journey to the Christ Child. The entire text is in English.

Kirk made his debut in this role before millions of people when he first sang in a Christmas eve production on an NBC television network. He was chosen for this appearance by the composer of the famous musical drama, Gian Carlo Menotti. It had been necessary for Menotti to find a new singer for the seventh annual Christmas telecast of Amahl since Billy McIver who had sung the role for three years previously on television was finding that his soprano voice was succumbing to the ravages of time at 14. McIver is now a baritone.

Kirk was encouraged to try for the part by his music teacher, Leonard Weigand, who at that time was director of the St. Joseph's Choir of which Kirk was a member. Weigand sent a taped recording of Kirk's voice to Composer Menotti and the latter arranged for an audition in New York along with other young singers.

Kirk and his whole family love Amahl and had sung its selections around the house for a long time before it ever occurred to any of them that Kirk might try for the television role. His mother played the piano and sang the part of Amahl's mother while his father took the part of one of the kings. Kirk is the oldest of four children in the Jordan family. Mrs. Jordan accompanies Kirk on the tour of Amahl.

Appearing with Kirk in this production are the same singers who comprised the original cast when the opera was given its world premiere on television on Christmas eve of 1951. They are Rosemary Kuhlmann as the mother and Andrew McKinley, David Aiken and Leon Lishner as the three kings. The four also will appear as soloists in parts of "The Messiah" earlier in the program.

College 'Cathedral' Cast Gives Fine Performance

An appreciative audience gathered in the music building on Hope campus Friday night for the opening of "Murder in the Cathedral," a monumental religious play by T. S. Eliot based on temporal-religious differences in England in 1170.

Mostly in blank verse, the production was a most ambitious program of Director Dale S. De Witt's drama students and the department of speech, and it was evident that the cast had put in long hours to master the fine nuances of speech and mood. More important, they got across to the audience the feeling of the message, a difficult feat by any standards.

The play was staged in a modified theater-in-the-round with audience on three sides of the courtyard before the cathedral. The cathedral interior also was part of the set. Effective lighting provided the highlights and shadows necessary to staging of this type.

The play itself involves the martyrdom of Archbishop Thomas Becket who was murdered by four knights in the Cathedral at Canterbury in England Dec. 29, 1170. The dramatic poem points to Greek drama, medieval drama, liturgy of the church and other art forms, providing a new concept in drama.

Cal Vander Woude as the archbishop was adequate for the demanding and difficult role, one that demanded understanding of the inner drama of a Christian who faces the temptations of life and makes powerful decisions. His Christmas message on peace was as timely today as in 1170, or in 1935 when the drama was first presented at the first Festival of Arts in Canterbury.

The three priests of the cathedral were played by Ted Hoekman, Cal Rynbrandt and Paul Van Wyk. The four tempters were Budd Martin, Gerrit Wolf, Robert Fisher and B. J. Berghorst.

The four knights, villainous creatures who committed the murder, were played by Richard Jaarsma, Robert Jaehning, Charles Lemmen and James Michmerhuizen. Their "justifying speeches" to the audience after the deed provided a welcome change of pace to the stylized chants and blank verse of other cast members.

The women's chorus consisted of Carol Buitendorp, Arlene Cizek, Donna Davis, Sally Houtman, Judy Sietema and Ruth Vander Meulen. Modulations in voices were an interesting study for the women's role since they were on stage throughout most of the play. Rod Zegers appeared briefly as the excited messenger announcing the arrival of the archbishop after an absence of seven years.

Mary Ten Pas, freshman from Cedar Grove, Wis., assisted De Witt as Student Director.

The open stage setting with its gothic trappings for cathedral de-

sign put the audience into a churchy mood from the start. The audience conversed only in hushed tones in this atmosphere.

Mrs. Walters Retires From Hope Position

Mrs. F. E. Walters, secretary to admissions director Albert Timmer since 1945, retired from her Hope College position on Nov. 21.

During her 14 years in the admissions office, Mrs. Walters has handled correspondence and credentials for approximately 5,000 Hope men and Hope women.

President Lubbers has often referred to Mrs. Walters as an example of an employee dedicated to Hope College. She joined the staff just a few months after Dr. Lubbers did, and like him has seen the enrollment rise from 700 in 1945 to 1,384 at the present time.

Mrs. Walters had a wide experience in business before she came to Hope. She was for many years a secretary for the Kemper Insurance Co. of Chicago and for another period of time was a secretary in the Public Health Division of Johns Hopkins University. She and her late husband taught in an Ohio business school and handled a sales agency for office equipment.

A member of Hope Church during her residence in Holland, Mrs. Walters has been active in its Women's Club and served for several years as the Hope Church representative on the Resthaven Guild. She has just concluded a 3-year term as chairman of the Resthaven monthly birthday party.

As for the future after a brief rest, Mrs. Walters says she will start on a long agenda of things she has always wanted to do. Mrs. Harvey De Bruine is replacing her in the admissions office.

HAM RADIOS AID IN SOS

Some "ham" radio operators serve a very useful purpose. Often a man, woman or even a child, who has caught the fascination of this pastime, has been able to pick up an SOS message which has saved a life.

Recently, Charles Wells, a "ham" operator of Greenville, N. C., tuned in a radio conversation between Accra, Ghana, and Israel. It was an urgent call for a brain surgeon to operate on an 8-year-old child of an Israeli Embassy official. The physician from Israel could not reach Ghana in time, so Mr. Wells telephoned the Israeli Embassy in Washington. The Embassy got in touch with the State Department and the staff was able to reach a brain surgeon at a U.S. base in North Africa, who flew to Accra to operate.

The short wave radio was resorted to because the cable office at Accra was closed and fortunately Mr. Wells in North Carolina picked up the appeal, used his own brain and consequently brought the surgeon to the rescue of the child.

Peter's Broadening Ministry
Acts 11:1-18
By C. P. Dame

(Based on copyrighted outlines produced by the Division of Christian Education, National Council of the Churches of Christ in the U. S. A. and used by permission.) Christians should keep on learning more and more about their faith. It is commendable to be linked to the past but no one should be enslaved by the past. The story of Peter and Cornelius the Roman centurion teaches us that God is impartial.

I. God directs the lives of people. The Holy Spirit brought Peter, a Jewish Christian and Cornelius, a Roman soldier together. If the Holy Spirit had not directed these two men they never would have contacted each other. These two men lived in different worlds. Cornelius was stationed in Caesarea, the capital of the Roman province of Syria, where he was in charge of one hundred soldiers. Although he had been brought up a pagan, Cornelius had adopted the Jewish religion because of its belief in one God and its high standard of morality. Cornelius was a man of prayer, charitable, lived uprightly and worshipped God. One day while he was at prayer, at three o'clock in the afternoon, God in a vision told him to send for Peter who was at that time in the home of Simon, the tanner, in Joppa. Cornelius obeyed and sent two faithful servants to Peter.

On the following day something happened to Peter as he was praying on the housetop. In a vision Peter saw "a certain vessel descending as if it were a great sheet, let down by four corners upon the earth; wherein were all manner of four-footed beasts and creeping things of the earth and birds of the heavens." Peter was told to eat but he refused. A voice said, "What God had cleansed, make not thou common." This was done three times. Peter was puzzled. At that moment the servants of Cornelius asked for Peter. The Spirit told Peter to go to these men and hear their story which he did. On the next day he and six brethren went with the two men to Caesarea and Peter, as he faced the Gentile group said, "Of a truth, I perceive that God is no respecter of persons; but in every nation he that feareth Him and worketh righteousness, is accepted of Him." And then Peter preached Christ and all were converted.

II. God leads the church forward. Peter was called to account because of having associated with Gentiles. These critics evidently failed to remember that Jesus had ordered His disciples to preach to all mankind. In reply to the charge, Peter simply told the story of how he had been divinely guided and obeyed. If Peter had followed his own prejudices he would not have gone to preach to Gentiles. God's Spirit had overcome Peter's prejudices and brought him into contact with Cornelius and his family. God's Spirit is still at work in the church overcoming the prejudices in the minds and hearts of believers. Some church members resist God's Spirit and others obey Him.

The critics heard Peter's story and changed their minds and cleared Peter of wrongdoing. They even glorified God who had given repentance unto life to the Gentiles. These Jewish Christians were amazed at what God had done—they recognized the hand of God in the ministry of Peter. There are still many unChristian prejudices in the Christian Church which should be banished. Let us ask God to work and change hearts and minds of believers so that all may obey the leading of God's Spirit.

Urges Needed
Improvements

ALLEGAN (Special) — Glen Overton, Dowagiac industrialist and long-time Allegan resident, urged the Board of Directors of the Allegan Improvement Association to take a fresh look at one of the area's greatest assets, the Allegan State Forest, at the board's meeting Tuesday morning.

Calling the State Forest, "Diamonds in our back yard," Overton suggested erection of billboards on U.S. 131 and U.S. 91 calling attention to the forest as a "start in the right direction."

He said that if only two or three per cent of the tourist traffic on these two highways could be diverted to the forest, the economic affect on Allegan and other communities adjacent to the forest would be substantial.

Overton recalled that at one time, local residents had interested the Conservation Department in the possibility of constructing a lodge and cabins in the state forest and he felt that this interest could be renewed. He also suggested the establishment of a deer yard and a small zoo in which animals native to the forest could be shown in natural surroundings.

Overton emphasized the need for a permanent tourist information center in Allegan and for publication of tourist literature and maps without commercial advertising.

Improvement Association President Robert Irwin agreed that the work was definitely important and delegated the public relations and special projects committee to work on the project.

Christian Loses To South, 47-43

Four Charity Tosses Give Trojans Win

A classy Grand Rapids South basketball quintet cashed in on free throw accuracy in the last minute of play, Saturday night on the Civic Center court to edge Holland Christian's Maroons, 47-43. A crowd of 2,200 fans turned out to see these two clubs renew an old rivalry.

With the score tied at 43-43 with a minute left to play, the alert Trojans scored on their first of four foul shots to take home the hard earned win. Reserve Harry Bolden sunk the first charity toss, while clever Bernie Ware sunk three straight 30 seconds later to give the four-point victory margin. A couple of bad Maroon passes were snared by the Trojan defense keeping the Maroons on the defensive most of the final hectic minute.

Up until the last minute the game was in the balance as it appeared as if the Maroons were on the verge of ringing in an upset. It was strictly a defensive battle with the locals employing a sagging defense to stop the driving of the smooth Trojan guards. Coach Mike Murphy's Trojans, on the other hand used all the quickness and speed at their disposal to hamper the Maroons all night long. Backboard play was particularly hard fought as each club sought control for the easy two pointer or the quick start on the fast break.

South, with plenty of experience and depth has the makings of one of the strongest Trojan teams in years, according to school followers. They showed plenty of stamina, inasmuch as they had lost a hard fought thriller to Lansing Sexton, class A champs, only the night before.

Coach Art Tuls' Christian outfit was a good ball club Saturday night and aside from a couple of costly mistakes could have taken the win. Tuls used two junior guards, Doug Windemuller and Tom Bouman, most of the game and they did a great job in sticking with the speedy Trojans in addition to handling the playmaking of the local offense. Frank Visser, junior center, turned in another fine game and was the outstanding rebounder on the floor, besides leading his club in scoring. A big blow to the Maroon cause was the fact that Capt. Vern Wedeven was bothered by a bad cold and saw only a little action.

The biggest margin of the night came in the first three minutes of play as South rolled to a 7-0 lead. It was a short-lived one however as the locals netted the next seven markers to begin a long string of tie scores. Soph Bill Curtis put the invaders into a 11-9 lead at the quarter with a two pointer just before the quarter horn.

It was a fast and furious second quarter as the lead changed hands with almost every basket. The largest bulge of the period was three points which South held late in the period. Trailing 23-20, Christian's two guards then added the Christian cause as Windemuller hit on a two pointer and Bouman scored on a one hander as the horn was sounding to give the Maroons a 24-23 halftime margin.

Third quarter play wasn't much different from the second as defensive play stole the spotlight. Christian held a three point margin early in the period, but South moved out to a five point lead a bit later. Trailing 38-35 with only seconds left in the quarter, the Maroons again played for the one shot and for the second straight time, they scored on the horn as Visser scored from the side to close the gap to 38-37 going into the final period.

Christian never led in the low scoring last period, but the score was knotted at 39, 41, 43 before South iced the win at the charity line. Visser scored all six of the Maroon points in the final period. At the free throw line, the Hollanders hit on nine out of 17 while South collected nine out of 16 tries. Visser led the Dutch with 12 markers, followed by Smits and Bouman with nine each. John Matthews paced the winners with 12, followed by Jim Day with nine.

Both Christian and South are 1-1 for the season. Christian will entertain Zeeland on the Civic Center Court Tuesday night.

Zeeland Whips Sparta, 51-38

ZEELAND (Special)—Piling up an early lead, Zeeland High's basketball team recorded its second straight victory here Friday night with a 51-38 decision over Sparta in the Zeeland High gym.

It was Zeeland's first Kenewa League win and now the Chix are making plans for the showdown against Holland Christian in the Holland Civic Center next Tuesday night.

Beeland jumped to a 10-0 lead and continued to pepper the hoop for a 17-5 first quarter advantage. Bill Hansen, who made three fine drive-in shots, led the first period sport.

The Chix continued in the command throughout the second quarter and Coach Paul Van Dort filtered his lineup with subs. The Chix moved out 25-13 at half.

Sparta began to catch up in the third quarter and near the end of the period had cut the Zeeland margin to four points, 32-28. Another basket just at the horn gave the Chix a 34-28 third period advantage.

In the fourth quarter, Sparta continued to battle the Chix on fairly even terms as Dave Munschler began hitting and sank eight points. But a rally at the end of the game pushed Zeeland to a convincing victory.

Hansen led the Chix with 15 points while Bob Brouwer followed with 10. Munschler made 13 for the losers and Dave Andrus was next with 12.

Zeeland had trouble with offensive rebounds. The Chix snagged 47 rebounds but only 11 off the offensive boards. Zeeland hit on 20 of 55 shots for 36 per cent while the Spartans fired 73 times and connected on only 16 for 22 per cent. At the free throw line, Zeeland had 11 of 17 and Sparta, six of 16.

Mooseheart, Moosehaven Aided by Gifts

Because of the "Christmas in October" party held by Holland Chapter No. 1010 and the hundreds of other parties sponsored by Women of the Moose chapters throughout the United States and Canada, there will be another beautiful Christmas at Mooseheart and Moosehaven.

Members of the Holland Chapter at a party held on Oct. 7 placed gifts under a Christmas tree for the youngsters at Mooseheart, the Moose Child City near Aurora, Ill., and at Moosehaven, the Moose City of Contentment for the Aged at Orange Park, Fla.

Mrs. Sarah Van Slooten, chairman of the Christmas in October party for the local chapter, packed the toys, books, clothing and other items for children in a large box and mailed it to Mooseheart. The clothing, toilet articles, tobacco, etc. for the oldsters was also packed and sent to Moosehaven.

Assisting Mrs. Van Slooten were the following members of her committee: Miss Jean Johnson, Mrs. Maxine DenUyl, and Mrs. Clara Eschbagger.

Thousands of packages are now arriving at the home and school for children of deceased members owned and operated by the Local Order of Moose. The packages go to the home department where they are sorted into four classes—elementary boys and elementary girls up to the seventh grade and junior and senior boys and junior and senior girls.

The gifts are then further classified by the deans in charge of the four groups, assigned to an individual student or residence hall and individually wrapped to await delivery by Santa Claus on Christmas Eve.

As the festively wrapped packages pile high toward the ceilings, the offices of the four deans assume the appearance of one of Santa's workshops.

Through the generosity of the members of the Holland Chapter and the hundreds of other chapters which held Christmas in October parties, each of the more than 600 children at Mooseheart will receive a number of gifts, according to Supt. Walter H. Ketz. The Mooseheart youngsters also receive Christmas gifts from their sponsoring lodges and chapters, relatives, sunshine parents and friends.

Hope Rolls Over Lakeland, 98-57

SHEBOYGAN, Wis. (Special) — Hope College's basketball team completely outclassed Lakeland College here Saturday night and chalked up a lopsided 98-57 victory before 1,500 fans in the Sheboygan Armory.

The victory gave Hope a 1-1 record in tuneup games this season before starting MIAA action Wednesday.

The Flying Dutchmen, defending MIAA champions, not only open MIAA play Wednesday, but they open against arch-rival Calvin College, called the team to beat this season.

Calvin has also played two tuneup games and squeaked by Ferris, 71-70 and rolled over Elmhurst, 75-59. These wins pushed the Knights winning streak to 17 straight. Hope and Calvin will meet in the Grand Rapids Civic Auditorium and more than 5,000 fans are expected to attend the game.

Coach Russ De Vette played his regular half of the game against Lakeland and had a fine opportunity to give his eight reserves plenty of work.

Little Maroons Record Win

Holland Christian's Little Maroons built up a big lead on the Civic Center court Saturday night and then hung on to defeat the Grand Rapids South reserves, 61-57. The Maroons are now 2-0 for the season while South is 1-1 having halloped the Lansing Sexton reserves the night before.

The locals had a 23-point lead going into the final period and then relaxed badly to permit the Trojans to chop the margin considerably, although the outcome was not in doubt. Some good shooting enabled the locals to take a 17-7 margin at the first quarter and then increase it to 30-13 at halftime.

South, with tremendous speed and aggressiveness opened with an all court press to start the second half. The move failed however, as the Little Maroons broke through the press with ease to outscore the invaders 22-16 in the period and take a 52-29 margin going into the final period. Christian's defense lapsed in the last quarter to permit the fighting Trojans to score easy baskets.

Balanced scoring proved the key to the winning performance of the Dutch as all five starters scored in double figures. Paul Steigenga led with 16, followed by Jim Fredricks with 14, Clare Van Wieren with 11 and Dan Joldersma and Paul Tuls with 10 each. Jim Patton led the losers with 16.

Church Group Holds Last Meet

Hope Church Women's Missionary Society met on Wednesday afternoon for their final meeting as well as to open the Christmas season.

Mrs. James Brooks led devotions, presenting dramatically contrasting "Sounds of Christmas." Mrs. Gerald Rocks presided, and introduced Mrs. Martin De Wolfe who delighted the members with her remembrances of "Christmas in India."

Mrs. De Wolfe who lived in India for 10 years and taught young girls, chose to relate her first Indian Christmas. She said India was ready, in its blooming season, with traditional red-green pattern found in the lively green parrot calling from a "Flame of the Forest" tree.

Differences were apparent, she said, in the preparations the Indian Christians were making.

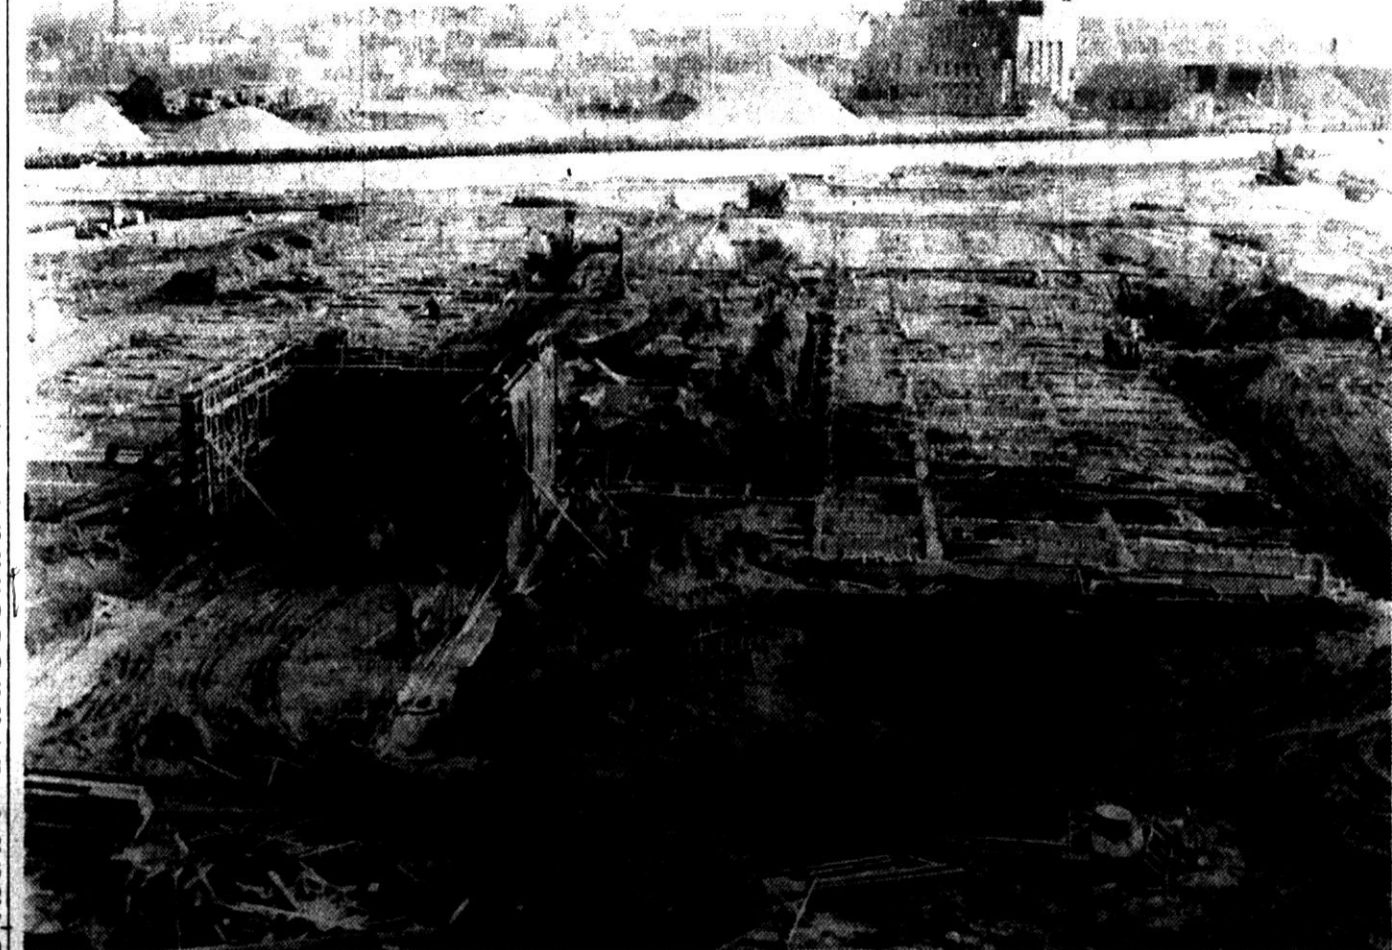

The entire school was filled with sewing women and girls as they made nearly a 100 garments for the village children soon to come for Christmas dinner.

Mrs. De Wolfe closed with the hope that India may be allowed to give her gifts and spiritual longing.

The social committee serving dessert was Mrs. Emily Beattie, Mrs. W. C. Kools, Mrs. A. B. Gronberg, Mrs. J. I. Lubbers, and Mrs. C. J. McLean. Mrs. James Wayer closed the meeting with prayer.

WORK MOVES FORWARD — This photo, looking south from the present Parke-Davis plant at 182 Howard Ave., shows the foundation and underground construction of the new addition to the plant. With the foundation and underground construction 95 to 99 per cent completed, the next step in the construction will be the erection of structural members,

according to J. E. Thomas, Parke-Davis project engineer. Thomas said he expected a lull in construction for the last two weeks in December, but hoped that erection of structural members would commence about the first week in January. During the lull, the area will be cleaned up and readied for additional construction.

Bond Issue Lists New High School

Elementary School Improvements, Sinking Fund Are Included

Holland citizens will vote Feb. 23 on a \$3½ million school bond issue covering a new high school and other improvements, the Board of Education decided at a special meeting Monday night.

The election will be in two parts, a \$3½ million item for schools and a quarter million dollars for a swimming pool, should voters want this facility in the new high school.

Jack Plewes, chairman of the schools committee, outlined the program which lists \$2,250,000 for a new high school, \$250,000 for swimming pool facilities, \$445,000 for renovating the existing high school and junior high into a junior high system; improvements at six elementary schools totaling \$260,000, and new site acquisition, \$295,000. This makes a grand total of \$3½ million.

Supt. Walter W. Scott explained that the figure for a new high school was arrived at on the basis of the present cost of square footage and on average cost per student, currently listed at \$1,500. In the reconciliation of the two factors, he said estimated costs of facilities for 1,200 students are listed at 2½ million dollars.

He said Detroit Architect Suren Pilaian will be present at a meeting of the board next Monday to show sketches and discuss details of the new high school. Plans call for building on the unit plan which Scott described as the most economical type of construction at the present time. There would be separate buildings around a central core providing individuality for students assigned to a building for 300 or 400 students instead of being lost in a big system.

Although present plans call for housing 1,200 students, service facilities would be such that additional units could easily boost facilities for 1,500 and then 1,800 students. The Board of Education has acquired more than 40 acres in the vicinity of 24th St. and Van Raalte Ave. for a high school site.

Suggested improvements to elementary schools list \$25,000 at Van Raalte School, \$25,000 at Longfellow School, \$30,000 at Montello Park School, \$40,000 at Washington School, \$130,000 at Lincoln School, and \$10,000 for Apple Avenue School. These improvements generally list such items as improved lighting and safety measures, although in the case of Lincoln School, plans list a new gymnasium, storage rooms and other facilities.

The new program also includes absorbing outstanding indebtedness of Apple Avenue and Montello Park districts amounting to \$175,000, less \$50,000 now in the bond reserve. The board also advocated an extra half mill for 10 years for a building and site sinking fund yielding another \$325,000. All these items could be financed by levying 4.75 mills on the state equalized valuation. This levy is the same as the city has been paying the last six years on the 1953 school bond issue which provided Thomas Jefferson school and some other elementary school improvements. The committee's recommendation was for 4.75 mills and the board passed this recommendation unanimously.

Figuring conservatively of 4.25 mills on a state equalized valuation of \$65,000,000, Supt. Scott said a bond maturity schedule of \$3,625,000 (which includes outstanding indebtedness of former Apple Avenue and Montello Park districts) could be retired in 27 years, based on 90 per cent collectibility. Translated into assessed valuation, 4.75 mills on state equalized would amount to approximately \$7.60 per \$1,000 assessed valuation in Holland city. Supt. Scott said the bond issue is set up so that only such amounts shall be raised as are necessary and there is a possibility that the board may decrease the millage.

Plans also are being completed for organizing a large citizens committee to promote the school bond program. Represented on the large group will be PTA's in the school district, the PTA Council, all service clubs, Chamber of Commerce, Junior Chamber of Commerce, all municipal bodies, Christian School Society, and Hope College, along with some 50 citizens at large. Each member will be assigned to a subcommittee. The overall committee will meet tonight at 7:30 p.m. in the high school auditorium. After a general meeting, subcommittees will meet.

The board also adopted a resolution clarifying policies on tuition students. In general, the Holland school district will accept no non-resident tuition students after the school year of 1959-60 except those non-resident tuition students who are presently enrolled in the district and those non-resident tuition students whose parents live within those areas which have become or which may in the future become annexed to the city of Holland. The board reserves the right to review periodically its policy of admitting such students in terms of efforts being made by such areas to accomplish a merger with the Holland school district.

The policy also provides that Holland district will accept no students next school year whose parents reside outside of the corporate limits of the city. Since petitions are currently being circulated for annexing certain areas of Harrington school district to the city of Holland, the board made a special point that if annexation is successful, those students living within the city would be accepted. This policy applies to any district which annexes to the city.

In other business, the board referred to committee a request from the Band and Orchestra Boosters Club for funds to help outfit the Junior High Band in new uniforms in time for its appearance before the annual Midwest Musical Conference in Ann Arbor in January. Dwight Ferris of the club told the board new uniforms would cost \$4,750 and the club has \$2,600 in cash.

The board also approved a wrestling program for the school in charge of Robert Weber, elementary school physical education instructor.

The board will hold its regular monthly meeting Dec. 14 at 4 p.m. instead of at 7:30 p.m. to allow members to attend the performance of "Amahl and the Night Visitors" that night in Civic Center.

Little Maroons Stop Zeeland

Holland Christian's reserve squad notched its third straight win of the season Tuesday night on the Civic Center court by whipping the Zeeland reserve squad, 65-29. The loss was the first of the year for the Chix, against two victories.

Christian's Little Maroons were never in difficulty after they pulled away from a 11-7 first quarter margin. Zeeland had one lead, that being 3-2 early in the contest. Coach Clare Pott used 16 players in the fray as the locals pulled away steadily. By halftime the Maroons were enjoying a 32-11 lead.

The Zeelanders had their best quarter in the third as they scored 12 points, against 18 for the Maroons. With platoons of players working out the contest, the Maroons outscored the invaders 15-6 in the final stanza.

Clare Van Wieren led the Hollanders with 22 points during the time he played. He was followed by Paul Tuls and Paul Stegenga with eight each. Jim Newhouse and Mel Disselkoen with six each. Don Klaassen with five, Dan Joldersma and Jim Fredricks with four each and Jim Langeland with two. Dan Zuverink led the Little Chix with 12.

Maroons Get Balance In 64-49 Win

Holland Christian combined balanced scoring with a tight defense to take a hard fought 64-49 cage win over arch rival Zeeland, Tuesday night on the Civic Center court. A crowd of 2,300 fans saw the Maroons hand the Chix their first defeat of the season, while upping their own mark, to 2-1.

The Maroons showed their best passing and floor game of the season, although shootingwise Christian was not as sharp as they might have been. Christian attempted 77 shots, from the field while connecting on 26 for 33 per cent. Meanwhile the locals were limiting the Chix to just 52 shots who capitalized on 15 for a shade under 30 per cent.

Typical of these clashes between the two schools, the game was tension-packed with plenty of fouls called. Although the Maroons only had three more fouls assessed against them, they suffered the most, as both Capt. Vern Wedeven and Ben Bonzelar had to sit out much of the first quarter and all of the second with three personals apiece. However the Maroons got line performances from reserves Ken Disselkoen and Jim Smits. The locals were without the services of their playmaking guard, Doug Windemuller who was out with the flu.

Both coaches Paul Van Dort of the Chix and Art Tuls of the Dutch got some fine guard play. For the Maroons, it was steady Tom Bouman and Ken Walkers who turned in outstanding games, although Ed De Vries also looked good as a replacement. Willard Hansen sparked the Chix with his fine shooting and clever driving ability.

The small men didn't steal the whole show, however as Frank Visser, Wedeven, Bonzelar and Smits turned in good rebound play for the Maroons. Zeeland's Bob Brouwer showed some fine shooting and rugged board play along the center John Roe.

Although neither club scored with any consistency off from a fast break play, the tempo of the game was fast as both clubs flashed a stepped up offense. Christian executed some precision-like screens and pick offs from its set pattern of play.

Zeeland's Larry Zolman opened the scoring in the contest on a layup, but that was the last margin held by the losers. Christian moved out to a 4-2 lead, before the Chix knotted the count at 4 and 6. Then with all five starters hitting the scoring column, the Maroons moved out to a 17-7 lead at the quarter.

Sparked by sub Disselkoen who hit three baskets in the second quarter the Dutch jumped out to a 23-11 margin. Baskets by Brouwer and Zolman pulled the Chix back to 25-18 with 2:34 remaining. Zeeland narrowed the bulge to five points before the Maroons left the floor with a 29-22 halftime margin.

Christian's defense was at its best in the third period as the Maroons limited the Chix to just two fielders while they were being led by Visser to up their margin to 14 points midway in the stanza. By the end of the quarter the Maroons were leading 42-30.

Scoring picked up considerably in the final period, as the Maroons outpointed the Zeelanders, 22-19. As the scoring picked up, so did the fouling. Christian shot 13 foul shots in the final eight minutes while the Chix were aiming 11, missing just two. The closest the invaders could come was 10 points in the final while the Maroons at one time enjoyed a 53-37 lead. Both clubs experimented with an all court press in the final stanza.

At the foul line, Christian hit on 12 out of 20 while Zeeland scored on 19 out of 28. Wedeven, despite his long stay on the bench led the Maroons with 13 points followed by Walters and Bouman with 12 each. Brouwer led the Chix with 17.

Christian rests for 10 days before meeting Allegan on the Civic Center court on Dec. 18.

Big Fourth Period Aids In 61-49 Win

GODWIN HEIGHTS (Special)—Putting together a 24-point fourth quarter, including 12 of 15 free shots, Holland High's basketball team knocked off fired-up Godwin Heights, 61-49 here Tuesday night before 1,000 fans in the new Godwin Fieldhouse.

It took the Dutch until the fourth quarter to get rolling and they were aided in the last four minutes by the pressing Wolverines who gave Holland frequent trips to the charity line.

Glenn Van Wieren, who came off the bench in the fourth quarter after receiving his fourth personal foul late in the third period, provided the punch to put the Dutch in front.

Van Wieren made six of seven free shots in the fourth period and added a basket while Ed Loncki and Burton Wiersma each popped two baskets to pace the late game spurt.

It was Holland's second straight win but proved much more difficult to obtain than the 80-58 victory in the tiny Ottawa Hills gym Friday night.

Trailing 45-43 with 4:51 to go, Holland then took over and scored seven straight points in the next two minutes, including three by Van Wieren and two each by Wiersma and Loncki and this changed the complete complexion.

With the score 50-45, Godwin had to go out to get the ball and the pressing resulted in frequent fouling and the cool Dutch stroled to the line and before it was over hit on 12 of 15, including the last seven straight points in the game.

The 12-point spread at the end of the game was the biggest margin of the contest and didn't provide an indication of the closeness of the game.

Holland wasn't sharp and Godwin was fired up and the combination resulted in the Wolverines getting ahead 17-14 at the quarter and 25-21 at halftime.

Neither team was shooting particularly well in the first half but Godwin was sneaking through the Holland defense and were managing to get a man in the middle and break up the Dutch fast break.

Godwin hit on 11 of 34 in the first half and Holland eight of 25 for 33 and 32 per cent respectively. Holland only made two buckets in 13 tries in the second quarter while Godwin started fast with seven of 18 in the first period.

Wiersma took over for Holland in the third quarter and popped four baskets, all jump shots from just outside the foul line. He was helped out by two baskets by Gary Alderink, whose first basket tied the score, 29-all, and put Holland on the move.

Ron Maat and Loncki also picked up two points in the third quarter and Maat's bucket as the horn sounded put Holland in front 37-36 at the canto's close.

Farabee De Vries, who replaced Ben Jarabe in the first quarter after Jarabe had three quick fouls, did a strong job for Holland on the defensive boards. He was joined by Van Wieren and Loncki with Van Wieren looking his best in the late stages.

The eight baskets in the third quarter and the six in the final eight minutes gave Holland 14 of 25 in the second half and shoved the shooting mark to 22 of 51 for 43 per cent. Holland made 17 of 43 free shots.

Godwin, tiring against the breaking Dutch, hit on only five baskets in the second half in 24 shots and ended with 16 of 58 for 28 per cent. The Wolverines made two baskets in the third quarter and three in the final period. Godwin connected on 17 of 30 charity tosses.

Holland continued to show its speed and will come in for another test on a big floor Friday night when they run up against Kalamazoo Central in the spacious Western Michigan University Fieldhouse.

Wiersma led Holland's balanced scoring, as four players entered double figures. He had 16 while Van Wieren had 13, Maat 12 and Loncki 10. Larry Sterkenburg had 15 for Godwin, 12 in the first half.

Rev. and Mrs. Arvin H. Wester (Holland Illustrative photo)

The marriage of Miss Barbara Jean Veurink and the Rev. Arvin H. Wester of Laverne, Minn. was solemnized Friday evening in Prospect Park Christian Reformed Church with Dr. Jacob T. Hoogstra performing the double ring ceremony.

A red and white setting was carried out in the red poinsettia plants and the bouquets of white gladioli and red and white pompons placed predominantly before a background of palms and spiral candelabra.

The bride, daughter of Mr. and Mrs. Gerrit J. Veurink, 49 East 22nd St. was escorted to the altar by her father. Rev. Wester is the son of Mrs. Henry Wester of Strasburg, N. D., and the late Mr. Wester.

Guests were ushered to their places, marked with white bows, greens and red and green silk ribbons, by Dennis Wayne Haan of Herreid, S. D., brother-in-law of the groom and Warren Veurink, brother of the bride.

For her matron of honor the bride selected her sister, Mrs. Jack Zwiers Jr. and for bridesmaids she chose Mrs. Dennis Wayne Haan of Herreid, S. D. sister of the groom, and Mrs. Willis Boeve Scott Veurink, nephew of the bride, and Lorrain Zwiers, niece of the bride, were ring bearer and flower girl while Myron Wester of Bismark, N. D., attended his brother as best man. Jack Zwiers Jr., the bride's brother-in-law, lit the candles.

Appropriate organ music was placed by Mrs. Warren Veurink, sister-in-law of the bride. Gordon Greengood, soloist, sang "O Perfect Love" and "The Lord's Prayer."

The bride carried a white Bible with white orchid and white feathered carnations on streamers as she walked down the aisle in a floor length gown of tulle and lace. The bouffant skirt of tulle over tulle was designed with four floating panels of Crystalite with re-embroidered Alencon lace. The crystalite bodice had long pointed sleeves, a small V neckline and standup collar of Alencon lace. The elbow length veil was secured to a crown of Alencon lace with seed pearls and sequins.

Tulle gowns in ballerina length were worn by the bride's attendants.

More than 150 women learned to make gay holiday decorations at the Holland Garden Club workshop meeting Thursday in the Civic Center.

Mrs. W. A. Butler, club president, introduced Mrs. Thaddeus Talt, director for the day. Mrs. Talt introduced her committee, Mrs. Herbert Childress, Mrs. George Lowry, Mrs. O. M. Raith, Mrs. William Vandenberg Jr. and Mrs. Leonard Zick.

Materials were supplied by the ways and means committee Mrs. J. D. Jencks, Mrs. L. C. Dalman, Mrs. C. C. Candee and Mrs. A. W. Tahaney.

Many guests attended the workshop as well as members of the club. Each one of the instructors had materials named and assembled beside her decorations and assisted those attending in how to make the particular decoration.

Swags for doors, mantels and tables were made by a new method. Teasle trees (made from Russian thistles), popcorn cake, Sweetgum ball trees, wreaths and decorations made from Michigan pine cones, displays made from magnolia leaves and decorations made with artificial fruit were among the many items made and explained.

Those attending brought materials with them or had materials available. Coffee was served by the committee. The session started at 10 a.m. and many remained during the entire day.

Mrs. Talt showed the group how to prepare the materials for swags and made the foundations. She also

School Citizens Committee Briefed on Bond Issue

The citizens committee for the 1960 bond issue for Holland public schools met for the first time Tuesday night in Holland High auditorium for briefings on the Feb. 23 election on a \$3½ million bond issue and for committee assignments.

James A. Hallan, secretary of the Board of Education, briefly reviewed public school needs, pointing out that the board had hoped by this time to have completed its reorganization program to merge several school districts already annexed to the city. To date, only two districts have annexed to the Holland school district and several others are trying to resolve legal difficulties on certain tag ends not annexed to the city.

"Meanwhile, the crowding has become so desperate in our secondary schools that we can wait no longer on reorganization and must move ahead to provide facilities," Hallan said. He explained that the figures the board has earmarked in the \$3½ million program are only a guide and that opinions of committee will receive full consideration in final plans.

He emphasized that levying 4.75 mills on state equalized valuation is only a continuation of the levy

the city voted in 1953 for elementary improvements. The 1953 bond issue obligations have been paid up in 1959.

Supt. Walter W. Scott gave the invocation. Meeting of subcommittees followed in various rooms with the following serving as temporary chairmen: Scott, finance; Jack Plewes, PTA activities; James Hallan, swimming pool; Harry F. Frissell, TV education; Robert L. Slocum, community class and vocational education; Vern Schipper, publicity; Alvin J. Cook, school sites; Arthur Read, auditorium; Jay W. Formosa, summer school; Margaret Van Vyven, fine arts; Ed Donivan, cafeteria.

Permanent chairmen selected at meetings of subcommittees will serve on a centray steering committee. Chairmen are Clarence Jalving, finance; Robert Mills, PTA activities; H. Cobb Klaassen, swimming pool; Russell Hornbaker, TV education; Elmer Altman, community classes and vocational education; George Lumsden, publicity; Edward Prins, school sites; Mrs. Bryan Athey, auditorium; Sadie Grace Winter, summer school; Mrs. Robert Vischer, fine arts; cafeteria chairman to be selected later.

Meetings will resume after the first of the year.

Bob Weber Will Coach Dutch Matmen

Holland High School will have a varsity wrestling program it was decided Monday night at the special meeting of the Board of Education.

Bob Weber, football end coach, and a former top wrestler, will be the coach. Weber wrestled at Ann Arbor High School on two state championship teams.

He also wrestled two years on the University of Michigan varsity wrestling team under Coach Cliff Keen, one of the best in the Big Ten, and Weber also wrestled on the Fort Carson, Colo., team and won the Army post championship. The Board okayed a wrestling program, with Weber in charge.

Bob Weber
... wrestled at Michigan

for the balance of the year. The purchase of a one-piece 24" by 24" mat was also approved. This type mat was decided upon after consultation with Keen.

An initial meeting was scheduled today at 4 p.m. in Jefferson School and practice will start officially Wednesday at the same time and place.

Weber said that there are eight weight divisions in wrestling ranging from under 95 pounds to over 175 pounds. The various divisions average five to seven pounds apart.

In pointing to the range in weight, Weber said that "all boys, regardless of size, can participate in wrestling." Every boy always wrestles an opponent of the same comparable size.

"Wrestling is a building type of activity and the training is grueling and rigorous, and a fine conditioner," Weber said.

In explaining interscholastic wrestling, Weber said the bout limit is six minutes. This includes three periods of two minutes or until a pin occurs. A pin is when one wrestler has his foe's shoulders down on the mat for two seconds.

"There is no parallel or any connection between interscholastic wrestling or intercollegiate wrestling and the 'rassling' seen on TV," Weber said. "The TV type is strictly for entertainment," the new coach said.

Four main steps make up wrestling, Weber said. First comes the "take down" which means keeping the foe down; then the "break down" of getting the opponent off base. This is followed by the "pin or hold" and is followed by the "escape."

In scoring a prep match, the take down counts two points, the escape, one point, a reversal, two points and a predicament, which is an almost pin, counts one, two or three depending on the length of the predicament. A wrestler also gets "riding time," the amount of time spent on top of the other wrestler. He gets one point a minute for two minutes.

A pin counts five points toward the team score. A decision is three points and a draw, one point.

Holland is expected to wrestle against Grand Haven, Niles and other Class A or B schools with wrestling programs. The Grand Valley League of Godwin, Lowell, East, Grandville, Rockford and Wyoming has wrestling.

The Sentinel has long advocated the addition of wrestling to the Holland athletic program. It is hoped that before too long the sport can become a part of the competition in the new Lake Michigan Athletic Conference.

Bird's car rammed a car driven by Norma J. Nelson, 25, of 193 West 13th St., Holland, causing an estimated \$150 damage to her 1950 model car. Bird's 1950 model car was declared a total loss.

Ron Maat Hits 30 Points; Dutch Fast

GRAND RAPIDS (Special)—Displaying lightning speed and some fine first half shooting by diminutive guard Ron Maat, Holland High's basketball team rolled to an easy 80-58 decision over Grand Rapids Ottawa Hills here Friday night in the season's opener for both clubs in the Ottawa gym.

Holland's speed was too much for the Indians and after the first quarter the Dutch had things their own way. They added to the speed plenty of aggressiveness and did a fine job of ball hawking.

But the individual performance of the 5'6" Maat stole the show. He hit 12 baskets in 17 attempts in the first half and added four of six free shots for a 28-point showing.

The key man on the Holland fast break, Maat picked up a couple of his buckets on driving layups but for the most part his baskets were one hand jump shots from the sides or behind the foul line.

In the third quarter he fired three times and hit one and ended with 30 points. Maat sat out the final three minutes of the third quarter and the entire final eight minutes.

Maat displayed the same fine defensive tactics of ball hawking and shooting which made him the most valuable player last season and an All-Area Sentinel selection. Maat along with guard Burt (Red) Wiersma did some ball stealing in the first quarter and gave the Indians jitters.

But Ottawa was familiar with its friendly tiny confines and put on quite a shooting show of its own in the first quarter, hitting on nine of 19 from the floor. Maat hit seven baskets and two free shots and Ed Loncki got two and Glenn Van Wieren and Wiersma one each to keep the Dutch in the thick of it and Holland ended on top 24-22 at the first quarter buzzer.

That was the only challenge the Indians made in the game. Maat struck for five more buckets in the second quarter and Holland duplicated its 24-point output while the Indians made only nine tallies and the Dutch walked off at intermission with a 48-31 lead.

Holland hit 21 of 39 from the floor in the first half for 54 per cent, some of the best shooting seen in a long time, while Ottawa had 13 of 30 for 43 per cent.

The second half saw Holland completely dominate the game and take over the boards, both offensively and defensively. The Dutch outscored the Indians 18-15 in the third quarter and led 66-46.

Holland enjoyed a 25-point margin, 80-55 with two minutes to play for its biggest margin of the night. Rog Buurma made four straight points to push the score to 80 but Holland failed to score again.

Coach Bill Noyd used his 13-man team and was able to get a look at his depth. It appears the Dutch will have the needed depth this year as Ben Farabee and Jack Naber filled in for Jim De Vries and Loncki.

The 6'5" Loncki picked up three quick fouls and Naber was pressed into service. He stayed in position for rebounding and picked up two baskets. Farabee also looked strong on defense and picked up seven points.

Noyd, making his debut as Holland coach, was pleased with the hustle, desire and scrap of the club. He emphasized that Holland's strength this year will be in its speed.

But he was not entirely satisfied with the defense and planned work on this phase prior to Holland's game at Grand Rapids Godwin Tuesday.

Wiersma followed Maat with 12 points while Mickey Stanley, who hit 26 against Holland last season, continued to be a thorn and popped 23. Bob Schneider followed with 16.

The Dutch hit on 13 of 33 shots from the floor in the second half and had 34 makes in 72 chances for a fine 47 per cent in the game while Ottawa had 22 baskets in 56 shots for 39 per cent. Holland hit 12 of 21 at the free throw line and Ottawa had 14 of 27.

Grand Haven Election Rules Now Changed

GRAND HAVEN (Special) — Dec. 28 is the deadline for candidates to file petition for public office in Grand Haven. This is a change in dates from previous years because of the new city charter. Previously, nominating petitions were not filed until some time in January, but presently they must be filed seven weeks before the primary election. The 1960 primary election will be held on Monday Feb. 15.

Up for election will be Mayor Howard Zuidema, Councilmen Bert Singlering and Glenn Eaton, and also a seat on the Board of Public Works. The mayor was elected for one year for the last time. Councilmen will be elected for three-year terms and Board of Public Works members for five-year term. This will put the city on schedule with the biennial provision for the new charter.

When the 1961 election rolls around the mayor will be elected for two years and councilmen for four years. If no more than two run for each office, there will be no primary election. Under the old charter candidates were elected during the primary when no more than two ran for each office. The city then had to hold the general election in April because of the state offices that were up for election. Now it will be possible to combine the city and state elections and eliminate the primary vote sometimes.

If three people run for mayor or for the Board of Light and Power, or if five or more run for the two posts for city council, the primary will have to be held.

Another advantage for not electing officers in the February primary is eliminating a long lame duck session from February to April.
