Formal announcement will be made in the January issue, and shortly thereafter Holland will receive a framed plaque attesting to the leadership the community has demonstrated by its resourceful action.

Thirteen other cities have been named winners of this award. Holland's entry was in the category of parks.

The July article described how Holland, Mich., rich in old world heritage, leaped ahead of President and Mrs. Johnson in their national beautification program by importing from The Netherlands a 200-year-old windmill and restoring it in a park setting not far from downtown Holland.

Mayor Nelson Bosman said the award is a great honor for Holland and expressed confidence that Windmill Island will become a great tourist attraction in Western Michigan, and eventually in the United States.

"We can't expect to accomplish all this in one year, but we have a good start. About 125,000 persons visited Windmill Island during the summer months, and we feel this is a very good attendance."

"Holland has accomplished a lot at Windmill Island. All work was done in seven months, and Windmill Island was ready for Tulip Time. We appreciate this award from the American City magazine which has circulation all over the United States."

Other cities winning this year's award are Paducah, Ky.; Wauwatosa, Wis.; Mesquite, Tex.; Garland, Tex.; Fort Worth, Tex.; Atchison, Kans.; Chicago, Ill.; Skokie, Ill.; Duquense, Pa.; Mound, Minn.; San Leandro, Calif.; Westmont, Quebec, Canada; and Dayton, Ohio.

## Dutch Drop Second Game This Season

Holland High's basketball team "stuttered" in its performance against poised Muskegon Heights here Thursday night and dropped a 76-73 decision before 2,000 fans in the Holland High fieldhouse.

"We didn't play a solid game," Coach Don Piersma said. "Our play stuttered. We would play well, fall back and then come back again."

"And they (Muskegon Heights) never lost their poise. Plus they were especially good on second shots, hit well from outcourt and were tremendous on their stall," Piersma said.

This was the story as the Tigers gained their third win in four starts (lost to Muskegon 78-77 last Friday) while the Dutch were taking their second loss in five starts. Holland is now 2-1 in the LMAC and Valley Coast while the Tigers are 2-0 in the Valley Coast and 2-1 in the LMAC.

Holland seemed to play its best when they were running, playing catch up and they spent three quarters of a game trying to catch up. Several times the fast break worked but the Dutch turned over the ball 20 times, 10 times on fumbles and 10 on bad passes.

The Tigers took the lead for good with 6:42 left in the second period on a pair of free shots by Harry Evans, the Tigers' lowest scorer (4) in the game. The free throws put the winners in front, 24-23. It was part of a 12-point flurry that gave Muskegon Heights a 32-23 lead.

But Holland came back and a Mike Lawson basket in the closing seconds of the second period put the Dutch one down, 40-39 at half. Holland had led 21-18 at the quarter.

The Tigers dominated the boards, 29-16 in the first half but the second half rebounding was listed as even, 14 apiece. The big first half spread gave the winners the rebounding honors, 43-30.

After the team exchanged baskets to open the second half, Holland never got within one point again, slipping to a nine-point deficit, 61-52, at the third period's close.

Muskegon Heights jumped to a 69-55 lead, the game's biggest spread with 6:22 to play, and it looked like the start of a rout. But the determined Dutch had other plans.

Holland made eight straight points, six on free throws and a basket, in the next minute and pulled within six, 69-63. Dan Colenbrander hit the first free throw, Larry Pete followed with three more and Lawson sank a basket and two free shots. Five minutes remained. In the next 1:30, Holland sank two baskets while the Tigers swished four straight free throws and a basket to keep in front, 75-67 with 3:23 left.

The Tigers tried to stall the rest of the game. They succeeded in using up the time. Holland attempted to foul so as to get a possible rebound after the free throw but the Dutch had trouble catching the quick Tigers.

Even so, Holland outscored the winners, 6-1 in the closing two minutes to get within three at the final horn. Pete got two baskets and Lawson a pair of free throws.

Lawson led the losers with 27, hitting on 11 of 21 shots. He was out for 1:17 in the third period when he picked up his fourth foul. Steve Millard, who kept Holland in the game in the first half with 11 points, and Pete

each had 15. Millard fouled out with 4:44 left.

Holland shot 40 per cent (27-68) on quarters of 9-19; 7-20; 5-17 and 6-12. The Tigers made 31 per cent (29-95) but many baskets were on the second try as the Tigers used their quickness to get good advantage and fire again.

The Tigers had quarters of 7-29; 10-26; 8-24 and 4-16. On free throws, Holland made 19 of 26 and the winners, 17 of 27. Art Davis led the Tigers with 19. Tom Scott had 15, David Day, 14 and Jim Turner, the team's tallest member at 6'3", had 11.

## Restaurant Owner Killed In California

LOS ANGELES, Calif. — Clarence C. Boone, 71, owner-operator of Boone's City Kitchen for the last 19 years in Holland, Mich., was killed instantly in a hit-run accident around 8 p.m. Thursday while crossing a street on a crosswalk in Woodland Hills, Calif., about 30 miles from downtown Los Angeles.

Boone left Holland last Saturday by train for California to visit friends and relatives and had planned to return home next week. The Boones reside at 90 West 18th St.

Police are seeking the hit-run driver who was said to be driving at a high rate of speed.

Boone was headed for a drug store when the accident occurred at a pedestrian's crossing which had no traffic light.

He spent most of his life in the restaurant business. Years ago he operated the Tulip Cafe in downtown Holland and then opened Boone's Country Kitchen on old M-21 between Holland and Zeeland.

He closed this establishment during World War II, and later opened Boone's City Kitchen at 68 East Eighth St., which proved particularly popular with college and seminary students in Holland.

He was a member of Wesleyan Methodist Church of Holland and had served as a trustee. He enjoyed boating in the summer and his cruiser "The Idle Hour" was often seen on Holland water.

Surviving are the wife; two stepchildren, John J. Lokker of South Bend, Ind., and Mrs. Ray Klingenberg of Holland; three grandchildren, and a sister, Mrs. A. B. Bosman of Holland.

### BUT THEY DON'T LISTEN

We just heard we were missing out on some foreign programs. According to John Chancellor, who recently left the National Broadcasting Co., to work for the United States Information Agency, both Moscow and Peking are spending a lot of money broadcasting their propaganda to America. Mr. Chancellor says nobody is listening.

We can go along with Mr. Chancellor on this, but we aren't sure why Americans don't listen. It may be that the programs aren't of the best. It may be that both the Chinese and the Russians haven't learned how to mix the propaganda with a slick soap opera. Or the propaganda may be just too obvious even though artistically presented.

Of course it is their problem not ours, but we are curious. And we have some reason to believe that we have part of the answer if not the whole answer. Americans are perfectly willing to listen to a bit of politics, but they do get fed up with it in a big hurry. When it interferes with a football game or a favorite program, they are averse to getting up in arms. The poll takers have shown us again and again that the general public can turn off its ears with impunity. Politicians sometimes get the idea that every time they open their mouths, people listen and respond. Within weeks we forget the names of those who have run for our highest offices. And maybe all this isn't bad. We may have learned to identify what is worthy. All may have a right to speak, but not to be taken seriously.

Russians and Chinese might as well learn a lesson, though they are learning it the expensive way. Why expect us to listen to their propaganda? Generally we don't even listen to our own. We're a pretty sophisticated lot. And don't try premiums, prizes, or box tops. We know all about those too.

The Nature of Belief  
Matthew 8:5-13  
Hebrews 11:1-6  
By C. P. Dame

May God give us all a most blessed New Year. And may we all grow intellectually and spiritually. The first 15 lessons of this new year will be devoted to the study of the Christian's beliefs—the title of the series of lessons is "What Christians Believe." It is a timely series in view of the fact that we live in an ecumenical age and generally speaking the ecumenical enthusiasts compromise doctrine and easily downgrade old and tested beliefs. This first lesson teaches the truth that beliefs matter much.

I. The person who believes has confidence. Our lesson text is from the gospel of Matthew and from the Epistle to the Hebrews. Matthew tells about a Roman soldier who had faith, the author of Hebrews mentions in our text: two men who had faith, Abel and Enoch. Although these men lived in different times they were alike in one respect—they had faith.

Jesus did some of His mightiest acts in Capernaum but the city did not respond. A Roman soldier living in Capernaum, a centurion, an officer in charge of 100 men had a slave who was critically sick. Evidently he had tried medical help but to no avail. He heard about Jesus and got in touch with Him and asked Him for help. Luke says that the officer sent Jewish elders to ask Jesus. The point is he got in contact with Jesus because of the need. Getting in touch with Jesus revealed his faith in Him. When the centurion heard that Jesus was on the way to his house he sent word, saying that he was not worthy of such a visit and that it was enough for Him to say the word and the servant would be healed. The Jewish elders said the man was worthy, but he himself said that he was not worthy of this honor.

Jesus marvelled at this Roman soldier's faith, saying, "Verily I say unto you, I have not found so great faith, no, not in Israel." And then Jesus spoke of the man who would come from the east and from the west and enter the kingdom but some of the children of the kingdom would be cast out. Jesus told the centurion that as he had believed, so it is—and the servant was healed.

II. Faith wins God's approval. "Now faith is the substance of things hoped for, the evidence of things not seen." In Hebrews 11 several heroes of faith are praised among them the two mentioned in the lesson text—Abel and Enoch. "By faith Abel offered unto God a more excellent sacrifice than Cain" because Abel had faith in his heart and without faith it is not possible to please God.

"By faith Enoch was translated that he should not see death." Enoch walked with God when most people of his time walked away from God. The more he walked with God the more he learned to know God and the more God appreciated him. Enoch did not see death—God just took him. The difference between Cain and Abel lay in the fact that Cain did not have faith, whereas Abel did. This difference is much pronounced today—millions disbelieve and millions believe that God is and that He is "a rewarder of them that diligently seek him." It is a solid fact that they who seek God find Him. Our beliefs count.

PICTURESQUE COTTAGE — The Douglas C. Neckers home at 1196 South Shore Dr. in the Central Park area looked like a picture post card Monday after Holland got its white Christmas night on schedule. But while the snow made a pretty picture, stubborn masses of frozen snow on the ground made removal a real problem. Snowplows were busy all weekend coping with snow deposits which made driving hazardous. (Sentinel photo)

## Holland Gets Its Holiday Snow

Holland had its white Christmas at night.

In fact, there was more snow than most people wanted.

Street department workers were still busy Monday trying to move stubborn deposits which were masses of heavy wet snow Friday night following day-long rain. With a low of 3 degrees early Sunday morning, these masses froze and defied removal equipment.

Official weather statistics placed the snowfall Saturday at 6.25 inches, but local street department employees were of the opinion that more had fallen, probably more than 8 inches.

Four trucks were out Friday night and nearly all equipment was called out at 2 a.m. Saturday. Most employees worked all day Saturday and a good share of Sunday. The street loader was out for the first time early today.

The temperature moved up and down over the Christmas weekend. Friday's high was 53 degrees. The low Sunday was 3 degrees. At 11 a.m. Monday it was 31.

Holland's snowfall was part of a weather pattern which dumped snow over the western Great Lakes area, resulting in hazardous driving conditions. Strong winds caused considerable drifting in the western Upper Peninsula.

## Forest Hills Falls, 66-50 To Panthers

West Ottawa's basketball team won its second O-K League game Tuesday night, easily defeating Grand Rapids Forest Hills, 66-50 before 900 fans.

It was a game that Coach Jack Bonham described as "ragged, but good shooting percentages carried us through." The Panthers had 34 per cent in the first half, and 64 per cent in the second half.

It was also a game in which the Panthers enjoyed sizeable leads, allowing Bonham to clear the bench to gain valuable experience for his substitutes. At one point in the fourth period, the Panthers extended their lead by 25 points.

The Panthers scored first on a jump shot by Dale Boeve. But the Rangers from Forest Hills matched West Ottawa point for point, as the two teams were tied six times in the first period.

At the end of the quarter, the Panthers held a 14-13 advantage, even though Forest Hills had an excellent 60 per cent from the floor, hitting six out of 10 shots, to West Ottawa's 33 per cent.

For Forest Hills, this was the best quarter for shooting percentages. They only made two out of 17 attempts in the second period and two out of 17 in the third period, for 12 per cent in each, but they came to life in the fourth period, attempting 24 shots and making nine for 38 per cent.

In the first four minutes of the second quarter, West Ottawa scored 14 points, and held a 27-13 lead before the Rangers could score. Forest Hills scored five of their nine points in that period from the charity stripe.

Both teams shot 17 times in the second period, Forest Hills making two. The Panthers made four, for 24 per cent, the lowest shooting percentage of any quarter for West Ottawa.

The Panthers played ragged ball in the closing minutes of the half, scoring only one point as the Rangers made nine. At half, West Ottawa led 28-22.

In the third quarter West Ottawa scored 20 points, making 9 out of 15 for 60 per cent. Forest Hills turned in a poor 12 per cent, making a basket as the quarter began and one as it ended.

West Ottawa and Forest Hills improved play in the final quarter. The Panthers continued to improve from the floor, as they made eight out of 12 attempts for a fine 67 per cent.

Forest Hills began to shoot more, taking 24 shots and making nine, for 38 per cent.

In the final period Forest Hills began to press the Panthers, and cut a 25 point lead down to 16 before the game ended.

Paul Van Kampen was once again the backbone of the Panthers, as he not only led both teams in scoring, hitting eight field goals and 2 free throws for 18 points, but also led in rebounding, as he seemed magnetized in drawing the ball off the boards 16 times to give the Panthers possession.

Van Kampen, who is a senior and has not participated in varsity basketball before this year, was praised for his outstanding play by Coach Bonham.

Dave Dykema and Dan Bauer had 13 points each, followed by Dale Boeve with 10. Tim Williams led Forest Hills in scoring with 15 points, and in pulling down eight rebounds during the game.

West Ottawa is now 2-1 in O-K League play and 3-2 overall. On Jan. 4, West Ottawa plays at Grand Haven.

### Birdwatchers Invited To View Grosbeaks

Stearns Dye, of 881 Columbia Ave., has reported a flock of two to four dozen evening grosbeaks which feed at his home daily about 9 a.m.

According to Dye, the grosbeaks come to the Holland area only about every two or three years. The grosbeaks are regular feeders and eat about one pound of sunflower seeds in three hours.

Dye invites those interested in bird watching to view these rare birds at his home, and also reports flocks of cardinals, nuthatches and chickadees which can be observed during the day at his home.

**JAPINGA ASSISTS KENNEY** — Dick Kenney (42), Michigan State University's barefoot place kicker, gets an assist in putting on his wooden shoes from Don Japinga of Wayland, co-captain of the MSU team, during a MSU practice session in Pasadena, Calif. Kenney received the shoes from a group of MSU fans from Holland, Mich., and the shoes were complete with cleats. Mitch Pruiett, Benton Harbor sophomore, watches the fitting.

MSU publicist Fred Stabley related he told Kenney he would take care of the shoes until he returned to the hotel. But it was no dice. "I'll look after them," Kenney said, taking no chances. "Thanks for the nice gesture from all the people of Holland," Stabley said. "There is one mighty happy Hawaiian boy because of them."

## Hope Tops Union, 87-75

SCHENECTADY, N.Y. — Hitting 48 per cent of its shots, Hope College's basketball team rolled to an 87-75 win over Union College here Tuesday night in the opening game of the Union round robin tourney in the Union Memorial gym.

After the game seessawed back and forth for the opening few minutes, Hope took the lead for good and with eight minutes gone had pushed to an eight-point lead.

Following a pattern he hoped to use, Coach Russ De Vette inserted a second unit and this group clicked to jump Hope's lead to 17 points. This group included Jim Klein, Bill Potter, Lloyd Schout, Cal Beltman and Dave Utzinger. Schout, Beltman and Utzinger are freshmen.

Hope's lead stayed at 15 to 20 points the rest of the half and the Flying Dutchmen enjoyed a 17-point margin, 48-31 at intermission.

Hope's fast break was working well in the first half and the winners scored often off the break. But in the second half, Union began to shoot better and this prevented Hope from getting many fast breaks.

But the winners never were threatened in the second half and the closest Union came was 11 points, 76-65 with 4:40 left. The final bulge was 12 points.

Hope sank 35 baskets in 73 tries for 48 per cent while the losers had 30 of 76 for 40 per cent. The winners took rebounding honors, 58-44 as Floyd Brady, Clare Van Wieren and Roy Arker controlled the boards.

Captain Van Wieren again led the Flying Dutchmen in scoring. He picked up 29 points on 12 baskets and five of five free throws. Don Kronmeyer followed with 14. Giancola led Union with 16 points.

Hope sank 17 of 27 free throws and Utzinger also hit five of

five and Potter had two of two. Union made 15 free throws in 23 tries.

## Maroons Drop 80-61 Game For 4th Loss

GRAND RAPIDS — Grand Rapids Central Christian's basketball squad led all the way here Tuesday night to take an easy 80-61 victory over Holland Christian before 4,000 fans in the Calvin College Fieldhouse.

The game was the second part of a homecoming doubleheader with Grand Rapids East Christian taking an overtime decision from Hudsonville Unity Christian in the opener, 75-67.

Coach Art Tuls' quintet managed a 6-6 tie early in the game, but after that were on the short end for the remainder of the game. The winning Eagles had too much firepower for the Maroons with four of their starters breaking into double figures.

The contest was a slow moving affair due in part to the zone defenses employed by both roaches. Shooting was of the outcourt variety, although the winners did get more close-in shots, particularly on second and third efforts.

Forward Tom Dykstra was the big troublemaker for Holland as he repeatedly hit from the top of the circle, piling up 25 points for his efforts. He got good help from forward Bruce De Boer and speedster Mike Phelps.

Shooting from outcourt, over the zone and from the corners, Holland was led by guard Les Hulst with 17 markers and John Lappenga with 11 points. The Maroons had trouble with the rebounding and seldom got a second shot against the scrappy Eagles. Jack Berghoe, Ken Vander Kamp and John Lappenga did most of the Maroon board work, while it was center Bob Velthouse, Dykstra and De Boer for the winners.

Neither club used a press of any kind, with both squads content to beat the zones with the deliberate attack.

Coach Ken Zandee's Eagles shot out to a 5-0 lead at the outset, while the Maroons were missing some good ones. Two quick baskets by Vander Kamp cut the winners' margin before the Maroons forced the only tie of the contest. Led by Dykstra and Velthouse, the winners built up a six and seven point cushion. Hulst also hit two from out for the losers to cut the deficit to 18-12 at the first horn.

Led by Dykstra and Phelps, the winners started to pull away in earnest in the second period and soon had an 11 point advantage. Holland, paced by Hulst and Lappenga, played on even terms for the rest of the period to trail 36-25 at the intermission.

Any doubts that the Maroons had about coming back in the third stanza were soon dispelled by the hot shooting Eagles who outscored the losers 21-5 in the first five minutes of the quarter. Dykstra pumped in 10 points and Phelps, nine to give the winners a 57-30 bulge. Hulst, Lappenga and Vander Kamp accounted for the Maroon tallies in the stretch, but Christian trailed 63-42 at the period's end.

Both coaches substituted freely in the final eight minutes with Grand Rapids building up a 76-49 lead, before the Maroons outscored the Eagles, 19-17 in the last quarter.

Holland Christian hit five out of eight from the charity stripe while Grand Rapids connected on 16 out of 20.

The Maroons with a 2-4 mark now take on potent Muskegon Christian on New Year's afternoon in the L. C. Walker Arena. Grand Rapids Central Christian is 4-2.

## Views From The Campus

Rev. William Hillegonds joined the Hope College faculty this fall after serving as pastor of Hope Church in Holland since 1960. Rev. Hillegonds graduated from Fenger High School in Chicago and was employed by a firm there before entering military service in 1942. He served in the European theater and was awarded five battle stars and the Bronze Star medal. He entered Hope College in 1945 and was graduated magna cum laude. After graduation from Western Theological Seminary, he studied further at Colgate-Rochester Divinity School, Biblical Seminary and the Theological Seminary of the University of Dubuque. He served as pastor of two churches in New York, in Rochester and Chatham, before coming to Holland. He is married to Hope graduate Elizabeth Romaine. They have two sons, Paul and Tim.

Editors Note.

By Rev. William Hillegonds

The students are gone. They left early today (this is being written in late afternoon, Dec. 17) for places near and far to spend the holiday season with family and friends. They left by bus and train and car and

Rev. William Hillegonds

plane and they left with the bubbling enthusiasm that marks the daring rush of children to stocking and tree on Christmas morning.

The students are gone and the campus already seems lonely. How different it is not to hear their laughter, their opinions on politics and war, the questions they hurl at man and God. The students are gone. They are on their way to Saginaw and Saint Louis and Denver and Dundee. They are on their way to homes they will find increasingly different only because they have begun to leave them.

Who are they, the young people of whom I write?

They are the young people you have known through the years or the young person you were yourself. They are light skinned and dark skinned. They are thick skinned and thin skinned.

Many of them adjust easily to new situations. A few don't. Many demonstrate an ability to learn quickly. A few don't. Many have a healthy desire to achieve. Some are afraid of the added responsibility achievement usually brings in its wake.

Many are creative and imaginative. Some are not. A few are great leaders. Several show promise of becoming great leaders. Many are docile followers. A growing core of them have real social awareness and concern. Others are only beginning to learn that what God gives a man he gives him to share with the rest of men.

Some come to the campus recognizing the need for rule. A few haven't yet seen this as a mark of maturity. Many have little trouble accepting themselves. A few find this very difficult. Many accept responsibility responsibly. A few don't. Many accept other people as persons. A few still see the other fellow as an "it" to be used or manipulated.

Many are very willing to admit that they have been wrong about some things because they see this as a way of saying that they are wiser today than they were yesterday. We hope that most of them are learning that character is determined by the sense of the valuable. We hope that they are learning that no person or group or movement has vigor and power unless it is disciplined.

I am a teacher in this community of the young and I am the Chaplain of many of these delightfully complex sons and daughters who brush the dust from their eyes in a not too simple day and in a world which for many is always more than a bit confusing and confused. To think of them and to miss already their presence on the campus gives me cause to ask what it is that I am encouraging them to be and do as students in a college which seeks to remain loyal to the God and Father of Jesus of Nazareth.

One thing I hope to do is to help keep alive on our campus a sense of wonder... the kind Carlyle said is the basis of worship. Young people (and the not so young) lose so much if they do not retain the genius to be astonished. They must learn to go on affirming the

## Tree Cutting Policy Set For Ottawa

GRAND HAVEN — The Ottawa County Road Commission has adopted a policy of removing trees from primary roads in Ottawa county to a distance of 10 feet from the edge of the hard surface.

The Michigan State Highway Department is removing trees up to a distance of 30 feet on state roads, and the federal government through its Bureau of Public Roads is urging removal of trees and road hazards in an effort to cut down traffic accidents and fatalities.

No decision has been made where the work will begin, but it will be done by county crews at times when they are not occupied with snow removal. Traffic uses will determine whether tree cutting will be done further than 10 feet.

Recently the State Highway Department awarded a contract of \$48,817 to Mroczek Bros. of Decatur to remove 1,168 trees from state highway rights of way in nine western Michigan counties. Included are Kent, Ionia, Clinton, Ottawa, Muskegon, Newaygo, Oceana, Mecosta and Gratiot.

## Ottawa County 4-H News

By Willis S. Boss  
Extension 4-H Youth Agent

At the present time there are four of our members enrolled in the Junior Livestock Show to be held in March. Jim, Beverly and Marly Imminck, and Gary Boss will have entries in the swine division. We would like to receive word from any others who would like to enroll in this project by Jan. 3. The Zealand and Hamilton FFA Clubs will also be participating in this event.

Ottawa County fourth, fifth and sixth graders will have an opportunity to enroll in a 4-H TV science series scheduled to start on Jan. 15 at 2 p.m. Brochures will be passed out in the schools and you will have an opportunity to enroll with Jim Culver, your 4-H TV Science Club Leader. We anticipate having a large number of children enrolled in this science series which will cover the science of fire, animal life, microbiology, and archeology.

Following is a list of winners in the Nunica, Harrington, and Central Elementary-West Ottawa Schools 4-H conservation project.
