NEW SCIENCE UNIT — This is an artist's conception of the new \$750,000 physics-mathematics building at Hope College, plans for which were announced today by Hope president, Dr. Irwin J. Lubbers. The building, third project in the \$3,000,000 "Looking Ahead With Hope" development program, will be

located on Graves Place, just west of the new Van Zoeren library, part of which is shown at the extreme right. The buildings will be similar in architecture. Construction date for the new L-shaped building has not yet been determined.

New Academic Building Planned for Hope College

Plans for the next academic building to be built on the Hope College campus, a \$750,000 physics and mathematics building were revealed today by Dr. Irwin J. Lubbers, president.

The new building will be erected directly west of the Van Zoeren library on Graves Place between College and Central Aves.

The third building project in the college's "Looking Ahead With Hope" \$3,000,000 development campaign, the building will be similar in architecture to the million-dollar Van Zoeren library completed last summer. The library was the first project of the campaign; the acquisition and develop-

ment of 25 acres of land two blocks east of the campus for athletic purposes, the second.

Actual construction date has not been determined, according to Lubbers.

The new facility will be L-shaped, the east-west section of the building having three levels. The north-south portion will extend toward Graves Place on the extreme west end of the property. This part of the structure will house two lecture halls. The two sections of the building will be joined by a glass-enclosed lobby.

The ground floor of the building will house a mechanical drawing room, radiation lab, dark room,

lavatory facilities, storage rooms and mechanical equipment rooms.

The first floor will include a receiving room, reading room, storage room, two general physics labs, one advanced physics lab, four project rooms and lavatory facilities.

The second floor will have twelve faculty offices, a conference room, electronics lab, five classrooms, four smaller labs and lavatory facilities.

The exterior will see the use of solar screening, light yellow brick and glass walls with stone trim.

Architects are Ralph Calder and Associates of Detroit.

Plant Will Leave Allegan In February

ALLEGAN — For the second time in three years, a corporate merger will cost Allegan an important industrial payroll.

Officials of Michigan Magnetics division of Vol-Shan Industries, Inc., revealed Tuesday that operations at their Allegan plant would be returned to Vermontville before February 28.

Directors of the Allegan Improvement Association, instrumental in locating the branch plant here four years ago, were told by local plant officials that they were "stunned by the announcement."

"In the light of the Allegan plant's profit and productivity record, the decision is most difficult to understand," according to Philip Wanroy, production manager.

AIA directors held an emergency meeting Wednesday morning to frame an appeal to Charles Murphy, Michigan Magnetics division president, to keep the plant in Allegan.

J. Richard Mahar, association president, held out little hope for success of the appeal, however.

"The situation is about the same as when McGraw-Edison purchased the Hea-Tube company and moved the Allegan plant into vacant space in another factory owned by the large corporation," Mahar said.

This story had a happy ending, however. Mahar recalled that top Hea-Tube management remained in Allegan to start the Tru-Heat Corporation, a firm now well-established in the electrical heating field, with employment nearly equal that of the original company.

Loss of the Michigan Magnetics plant will mean approximately 80 jobs with a substantial annual payroll. The firm manufactures magnetic tape recorder heads and employs mostly women.

"The AIA's job is pretty obvious," Mahar said, "we'll have to roll up our sleeves and try to find some firm interested in a brand new, modern plant with a ready-made work force of nearly eighty highly skilled people who have consistently set records for productivity."

Sightings of Red-Dyed Geese Should Be Reported

Holland residents may spot a red Canada goose in Michigan during the next couple of weeks or any time this winter and if the geese are seen the Conservation Department would like to know when and where the sightings were made.

It's all part of an effort among Mississippi Flyway states and provinces to study goose movements during this season of the year. The wings of about 80 live-trapped geese were recently dipped in red dye at the Department's Swan Creek Wildlife Experiment Station.

The birds have been turned loose and their undersides also may have been taken on a reddish or pinkish hue from preening. Different colors are being used to identify birds released in other Mississippi Flyway states.

Furnace Co. Officials Hit Recent Ruling

Holland Furnace Company officials today said the release by Attorney General Walter Mondale, relating to the judge's opinion, is most unfair.

"The case contested in Minnesota involved eight alleged practices and violations. The complaints made by Attorney General Mondale to which we took the greatest possible exception, dealt with misrepresentation at the door, and tearing down furnaces without permission. Despite exhaustive efforts on the Attorney General's part, no such cases were found, and the complaints were without the slightest merit. Therefore, seven out of the eight charges were dismissed."

"We consider this decision a victory. So far as the license itself is concerned, that can be reinstated upon payment of a small fee."

"From long experience, this company knows the question of whether or not a furnace can be repaired, is just that — a question, subject to any number of opinions. Anything can be 'repaired.' Our experience has made it clear that draw-back casings, plugged-up holes, wide flange fire-pots, and such so-called repairs are of little value. The Holland Furnace Company felt the furnaces in question should have been replaced. This viewpoint was substantiated, and so testified to, by one of the leading independent heating authorities in the United States."

"The judge's finding on repairs, is in keeping with long-time corporate policies, which changes nothing in that area," officials said.

In Albert Lea, Minn., Judge John E. Cahill ordered cancellation of the Furnace Co. certificate to do business in Minnesota. He also issued a permanent injunction against use of fraudulent sales techniques by the Holland, Mich., firm.

Cahill's decision came in a lawsuit brought by Atty. Gen. Walter F. Mondale's consumer protection unit. Mondale asked that the firm be ousted from the state.

Mondale charged that Holland sales men misrepresented the condition of existing furnaces in homes where they attempted to make sales, falsely alleging that heating equipment was dangerous or defective.

final second and he made his first shot of the one-and-one play.

His second shot missed and Van Schelven cleared the ball and fired it back up for the winning bucket. Dan Koop had put Holland ahead on a push shot with 11 seconds remaining, 71-70 but Jack Vander Broek fouled Braak on the return up the floor.

Holland had a seven-point lead with a minute-and-a-half left in the game and "blew" it as the Bucs capitalized on every Holland mistake in ballhandling on Holland's fouls.

The Dutch didn't get any shots in the final two minutes of the game. Dan Koop's basket at the two-minute mark was the final field goal try in the regulation game.

Fouls resulted in five of the points and an intercepted pass gave Grand Haven a basket. Rog Weavers scored the final two free shots with two seconds left in the game to tie the regulation contest at 65-65.

A free shot by Tom Essenburg and basket by Carl Walters pushed Holland three points out in the first half-minute of the three minute overtime. Van Schelven scored a basket and Essenburg added a free shot to keep Holland in front, 69-68. Larry Pelsnik sank two free shots to tie the game, 69-69 with 1:33 left. Koop's basket was the next scoring play.

After trailing 7-0 in the first two minutes, Holland perked and tied the score 9-9 with 4:21 left in the first quarter. Grand Haven led 18-17 at the quarter and the game was tied six times in the first half.

Essenburg's corner jump shot with 1:17 left in the first half put Holland ahead, 30-28 and they did not trail again in the regulation game. The Dutch led, 34-31 at half.

Holland dominated the third period play but a late spur pulled the Bucs within three points, 51-48 at the period's close. Holland's biggest lead was 61-52 with 3:30 left in the game.

A total of 54 fouls were called in the game, 31 against the Dutch. Coach Fred Weiss was irked with the officiating. Four Holland players (Terry Nyland, Mike De Vries, Vander Broek and Walters) were lost on fouls.

At the free throw line, Holland made 13 of 28 while the Bucs sank 28 of 45. From the floor, Holland had 29-38 for 33 per cent while Grand Haven had 22 of 80 for 28 per cent.

Holland had periods of 8-21; 8-26; 6-24 and 5-14 while Grand Haven had 6-17; 4-22; 6-19 and 4-19. Each team made two baskets in three tries during the overtime.

Pelsnik and Carlson, who fouled out with 35 seconds left, each had 20 for Grand Haven. De Vries led Holland with 13 while Nyland, who fouled out with 7:24 left, had 12 along with Walters, who left with 1:33 remaining in the overtime. De Vries fouled out with 37 seconds remaining in the game.

Injured Walters came in midway in the first period and did a good job of setting up the Holland play patterns with his passing. Reserve center Jerry Baumann also was effective with three baskets and good board work.

Holland's rebounding was the best of the season with Nyland, De Vries, Koop and Baumann in charge. The Dutch got 66 rebounds, 35 in the first half while Grand Haven had 45, 24 in the second half.

The Dutch play at East Grand Rapids next Friday night.

Holland Frosh Stop Grand Haven

GRAND HAVEN — Holland's ninth grade basketball team edged Grand Haven, 35-34 here Friday afternoon for its first win in two starts this season.

An 18-point barrage at the start of the third quarter while holding Grand Haven scoreless made the difference. The Bucs had led 25-10 at half and 12-5 at the quarter.

Holland led, 29-27 at the close of the third period and hung on for the win. Coach Con Eckstrom said careless ballhandling and floor mistakes were reasons for Holland's first half play.

The Dutch were strong on defense in the second half, holding Grand Haven to only nine points. Perry Cornelissen had 11 for the winners while Brian Marcus made eight. Hettenga had 13 for Grand Haven and Petton followed with 12.

West Ottawa Loses Game

The West Ottawa reserve team can't seem to find the right combination and dropped their fourth straight contest of the year, 50-41, to South Christian of Grand Rapids here Friday night.

The Panthers started the game with a flurry and in the second quarter they were ahead 16-14, after being behind 8-14 after one quarter of play.

The Panthers faded in the second quarter and the little Sailors scored 15 points while holding the Panthers to one to take a 29-17 lead at half.

The team battled on even terms in the second half and only at the very end did the Panthers catch fire to come within nine points of victory after being behind as much as 18 points at one time and 41-27 after three quarters.

The loss can be attributed to poor floor shooting and floor shooting and not enough rebounding strength. The Panthers made only 11 of 26, while South made 20 of 32 free throws. The taller Sailors controlled the boards and the Panthers were only getting one shot most of the time. The Panthers only hit on 15-39 for 23 per cent in the field goal department.

Steve Piersma led the Panther scoring with 11 points followed by Bruce Johns with seven; Dave Vizithum and Clare Vanden Bosch with six each; Dave Farabee and Gale Romine, three each; Tom Fairbanks and Jim Corwin, two each; and Paul Busscher, one. The Panthers record is now 0-4 overall and 0-2 in the Grand Valley.

Little Maroons Cop 3rd Win

LUDINGTON — Pulling away in the last four minutes, Holland Christian's Little Maroons copped their third straight victory by defeating the Ludington second team, 47-37. It was the Little Orioles first defeat in five starts, while the locals are now 3-2.

It was a nip and tuck ball game for three quarters, although the Maroons usually managed a two or three point bulge throughout. At the end of the first stanza they led 14-11 and at halftime were out in front, 24-22.

Christian pulled away to an eight point lead early in the third period only to see the Orioles whittle the bulge to 34-32 at the end of the third stanza. It was close for the opening minutes of the final period, before some good floor shooting enabled the locals to take a comfortable margin.

Don Kronmeyer led the locals with 15 points, followed by Jack Langeland with 11, Tom Dykema with six, Ken Geurink with six, Herm Johnson with four, Tom Deur with three and Phil Dykstra with two. Owen Evans led the losers with 11.

Holland Eighth Graders Record Win Over Bucs

GRAND HAVEN — Scoring a 42-30 victory, Holland's eighth grade basketball team defeated Grand Haven here Friday afternoon for its first win in two starts.

The score was tied 16-16 at half but Captain Bob Brolin tallied 13 points in the second half to lead the Holland rally. Brolin paced Holland with 14 points while Jim Stroop had 10.

Prins tallied seven while Lawson had six. Pete had three and Kliphuis added two. Erickson had 11 for Grand Haven. Bob Du Bois is the Holland coach and Vern Zuverink, formerly of Holland, coaches the Grand Haven seventh and eighth grade teams.

Zeeland Reserves Stop Fremont Seconds, 44-30

ZEELAND — Zeeland High's reserve basketball team stopped Fremont, 44-30 here Friday night in the Zeeland High gym.

The Chix led 8-4 at the quarter and 16-10 at half. The third period score was 29-24.

Lloyd Schout paced Zeeland with 19 while Stan Venstra had 14. De Shelter made 11 for Fremont.

Robins usually rear two broods of young in a year.

Panthers Notch First Win, 52-51

The West Ottawa Panthers just nosed out Grand Rapids South Christian, 52-51, in a thrill-packed basketball game before 1,300 fans at West Ottawa's new gym Friday night.

The Panthers fought back from a seven point deficit, 42-35, to pull within one point, 46-47, with two minutes remaining in the game. The early fourth quarter surge has been led by Tom Vizithum and George Donze.

With 1:45 remaining, South Christian's 6'3" center, Bill Knoester, sank two free throws, but with 1:30 remaining, Vizithum scored two on a driving layup to move the Panthers within one point again.

G. Donze sank a free throw with 1:02 remaining and Norm Koop, 6' forward and team captain of the Panthers, put the Panthers ahead 51-49 with a jump shot with 25 seconds left. This was the first time that the Panthers were ahead in the second half.

Don Visser of the Sailors tied the score at 51-51 with a bucket under the basket with just 10 seconds remaining. West Ottawa hustled the ball down the floor and Vizithum was fouled as he tried to drive in toward the basket. With five seconds remaining, he made the free throw and the final score was 52-51.

Both teams had their troubles scoring in various quarters of the game. The Panthers built up a big 19-10 first quarter lead on the basis of good jump shots from around the circle as Rodger Borgman, Koop, and Vizithum each hit two to get the Panthers off to a good start. The Panthers hit 8-21 in the first quarter for 38 per cent.

The Panthers led down in the second quarter and the Sailors whittled away at the lead and tied the game by halftime, 25-25. Jim Beukema paced South Christian in this quarter with six points. The Panthers could not work the ball in close enough to get good shots and they were not hitting from outcourt against a man-to-man defense and completed the quarter with only six points. They made 1-12 field goals.

The Sailors connected on their first basket in the second half and their momentum continued as they at one time enjoyed a 10-point lead, 42-32. Easily in the third quarter, the losers scored nine straight points when West Ottawa changed defenses.

When West Ottawa switched back into their zone, it seemed to be the magic word because they played harder as a team and hustled to the eventual victory.

Credit for the victory should be given to the whole team as they played as a unit with no standout players. Credit should also be given to the smaller boardmen of West Ottawa as they grabbed their share of rebounds against the taller Sailors.

Coach Herb Maatman was glad to see some scoring from his forwards and centers for the first time all season as G. Donze, Koop, and Borgman contributed a total of 28 points as the winners ran up their biggest point total of the year.

The victory was the first of the season for the Panthers who are now 1-3 overall and 0-2 in the Grand Valley, while South Christian has a 1-5 record so far this year. The Panthers will not meet the Sailors again this year, but will travel to Grand Rapids next year for one game.

The Panthers hit 20 of 62 field goal tries in the game for 32 per cent and 12 of 21 free throws for 57 per cent. The losers made 17 of 26 free throws for an excellent 65 per cent. The winners committed 17 fouls and the losers 13.

G. Donze, playing his best game so far this year, and Vizithum led the Panthers in scoring with 13 points each while the Sailors had three men in double figures with Beukema, Knoester, and Visser getting 16, 13, and 10 points respectively.

Everything went smoothly in the game except one circuit in the gym was overloaded two different times and some of the lights went out, halting play.

The Panthers will travel to Fennville next Thursday to try to improve their record at the expense of the high-flying Blackhawks who are off to a fine start this year with five straight wins.

Ludington Falls, 69-53 To Maroons

LUDINGTON — Holland Christian's basketball team came through with a 45-point second half here Friday night to outclass the undefeated Ludington High cagers, 69-53 before 1,800 fans in Hawley gymnasium.

Both the Maroons and the losers now have 4-1 season marks.

Coach Art Tuls' club played some of its best ball of the season in the last two periods to knock the Orioles from the ranks of the unbeaten. It marked the fourth straight time that the Maroons assumed the "spoilers" role to whip an undefeated ball club.

There wasn't much doubt about the superiority of the Maroons in the second half as they outran, outshot and outboarded the host club. Although both squads were about even in size in the front line, the Orioles were bigger in the guard positions.

Paced by Jim Langeland, Clare Van Wieren, Paul Steigenga and reserve Ron Lubbers, the Maroons swept both boards during their winning drive. Big Van Tillotson and Daryl Peterson gave the Orioles what rebounding they did get.

To top off a good night in other departments, Christian connected on a good shooting percentage, hitting on 25 of 40 for 39 per cent while Ludington hit 24 of 40 for 30 per cent.

Christian again was a well balanced scoring club with four of the five starters hitting in double figures. With Van Wieren and Langeland doing the scoring from underneath, some fine guard play by Paul Tuls and Jim Fredricks again accounted for 30 points between them, mostly from out.

The pair also operated well against the harrasing all court defense used by Coach Joe Kowatch's quintet. Both clubs used similar patterns in the opening quarter with methodical offenses and tight defenses. The count was tied four times in the opening period with Christian finally pulling away to a 13-10 lead at the first horn. Ludington had trouble defending the screens thrown up for the Maroon guards, permitting the pair to score 11 out of the 13 markers.

Christian shot out to a 15-10 margin at the start of the second period before forward Mike Irvin started some fine outside shooting, to knot the count.

The Maroons pulled out to a 20-18 bulge before the Orioles went out in front 22-20. Baskets by Van Wieren and Fredricks, however gave the Maroons a 24-22 halftime margin.

Christian would have been tough for anyone to beat in the second half as they played great basketball. Ludington did likewise, however, as they hung on to the Maroons until midway in the period with the count knotted at 34-34.

Then paced by Van Wieren with six baskets in the stanza, the Maroons began their move which put them out of reach of the fighting Orioles, trying to stave off their first defeat. By the end of the period, the locals held a 48-37 lead.

Ludington threw caution to the wind in the final period as they fired from outside, something they refused to do in the first three quarters. They hit a fair per cent but were no match for the hustling Maroons who were looking stronger with every basket.

Late in the period, the Maroons took a 65-47 lead, their biggest margin of the contest.

Boerman-Klein Vows Exchanged

Mr. and Mrs. Junior Gene Boerman

Bethel Reformed Church was the scene of a wedding on Dec. 5 when Miss Marcia Ann Klein, daughter of Mr. and Mrs. Harvey Klein, route 1, Hamilton, became the bride of Junior Gene Boerman, son of Mr. and Mrs. Justin Boerman of route 1, Hamilton.

Palms, ferns, bouquets of white mums and pompons, offset with candelabra and kissing candles, formed the background for the double ring rites performed by the Rev. Ernest Klein of Wyoming.

Wedding attendants were Mrs. Barbara Koster, cousin of the bride, as matron of honor and Herschel Boerman, brother of the groom, as best man. The ushers, Glen Boerman, brother of the groom, and Larry Klein, brother of the bride, seated the guests in pews marked with white bows and green ferns.

The bride who was given in marriage by her father wore a fingertip veil of imported illusion, falling from a pearl halo crown, to complement the floor-length gown of bridal tulle. Style features were the Sabrina neckline with pearl trim, the long sleeves pointed at the wrists and a skirt with four ruffled tiers edged with lace, to form a chapel length train. She carried a cascade bouquet of white pompons, mums, ivy with "Lovers Knots" streamers and a Bible.

Mrs. Koster wore a gown of American Beauty rose tulle featuring a lace bodice and chiffon overskirt. Her matching headpiece released a circular veil and she carried a cascade bouquet of white and shaded pink chrysanthemums.

Mr. and Mrs. John Sas and Mr. and Mrs. Russell Hayes were masters and mistresses of ceremonies and punch bowl attendants were Mr. and Mrs. Joseph Favreau. In charge of the guest book were Miss Nancy Crowell, sister of the groom, and Miss Janice Hayes, while in the gift room were Mrs. Wells Penna, Mrs. Peter Vander Voort and Miss Pamela Wells. DECEMBER 1961

The month is about gone and as we approach another long week-end there are many things to be thankful for. We have the best country in the world. We have the highest standard of living; most people have more than they can use of everything.

Recently we noticed an article in a book that had to do with the teachers of our country and the problems that we face today as parents as well as the teachers. Our population is increasing and there are more and more people entering our halls of learning over the country. We think that it would be well for many people to secure the book and read what one teacher has to say about the teaching of our young hopefuls. The name of the book is "The Listener" by Taylor Caldwell.

The local library has the book; why not try and make it your must reading when you are relaxing over the next long weekend. Then we would like to have some public opinion from the people. Be sure and make your articles short, less than 300 words, and be sure and sign your name and address.

THE JUNIOR SIRENS

The question arises too often: Why do girls of high school age, girls who enjoy all the advantages of youthful prettiness, insist on trying to look like femmes fatale? Why do they dye their hair, frequently in colors that do not seem to have occurred to nature? Why do they dab their lashes, and ring their eyes with black stuff; why do they smear on enough lipstick for a platoon of girls?

And then comes the jackpot question: Why do their mothers permit them to do all this?

Asking the questions is easy. They come to mind every time one of these juvenile would-be Cleopatras goes past, which is seldom. Finding answers is not so easy. Finding answers that make sense is harder still.

Hard work and some old fashioned discipline would no doubt be the best answer.

From our observation, work never hurt anyone. We think that we are going to need to find the answer to some of these problems and starting right now would be a fine thing for our resolution for the year 1962.

Growth Toward Christian Maturity
Ephesians 4:11-24
by C. P. Dame

This is the last lesson of the year. During the past quarter we have stressed the word "growth" much. It is good on this last Sunday to ask ourselves whether we have grown spiritually this year or not. Some Christians grow and some do not. To what group do you belong? Even a casual reading of the Bible teaches us that the Lord wants us to grow spiritually.

I. The Lord gives workers to His Church. "And He gave some, apostles; and some, prophets; and some, evangelists; and some, pastors and teachers." His giving of these workers to the Church is a proof of His love to the Church. Gifts should be appreciated. Since the Lord gives workers, these workers ought to be recognized as His gifts. In presenting these workers the Lord has a purpose in mind. "For the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ."

It is essential for a person to live in a family in order to mature. The Church is a family. A Christian is not a solitary individual. He is meant to be a member of the Lord's household—the Church. It is the task of the workers in the church to train the members for service. One version of the New Testament uses the word "appointed" in place of the word "gave." Workers, or leaders, are appointed by the Lord to train all the members to be useful. The better trained the membership of the Church is the more efficient the Church will become. The more Christlike the members are, the more Christian the Church will become. The goal must be, "the building up of the body of Christ."

II. It takes mature people to make the Church mature. "That we henceforth be no more children"—so wrote Paul. Children are fickle and are readily imposed on by others. Some church members show no firmness—only instability. No deep love marks their lives. They do not know what they stand for and hence they fall for almost anything. The words, "maketh increase of the body unto the edifying of itself in love" are suggestive. There is no growth without love. We must speak the truth in love—and this is not always easy. In addition it is essential to practice the truth in love. The person who loves shows concern—not only for himself but also for others. This concern will lead him to warn against error and falsehood. Sometimes the truth is not presented in love. Of course there are always those who do not want the truth.

III. Christians are expected to be different. Most of the early Christians came from paganism. The temptation to fall back to pagan ways was there all the time. Paul told the converts that they should "no longer walk as the Gentiles also walk"—they were to be different. Paul mentions the low thinking of the pagans which led to low living. The low mode of life of the pagans hardened their hearts towards others, dulled their conscience, and goaded them on to loose living. Paganism does this today. The self-gratification of modern pagans is evident enough. Christians in the early centuries lived in a corrupt world. What about ours? The two things Paul told his converts to do we ought to do also. They were to put off the "old man," that is the "old human nature" and put on the "new man" which after God is created in righteousness and true holiness. God gives the new nature but the person who has received this gift must cultivate and train it day by day. And this means the constant renewing of the mind after the likeness of Christ.

Cub Scouts Hold Christmas Party

Lakewood Pack 3049 Cub Scouts held their annual Christmas meeting last Wednesday night in Lakewood gym.

Mrs. Eugene Gill's den, in charge of the opening ceremony, led the rest of the pack into the auditorium with the singing of "Jingle Bells."

Bobcat pins were presented to the new Bobcats, and many of the boys received service stars and awards from Doug DuMond, advancement committeeman.

The boys decorated the tree with ornaments which they had made in their dens. The den of Mrs. Deane Lengkeek told how Christmas was celebrated in other lands.

A candy scramble was held both for the cubs and their younger brothers and sisters. Santa Claus stopped in for a visit and distributed a gift to each boy.

The cub meeting was closed by carol singing and a rededication ceremony.

Oilers Defeat Stars, 114-105

Art Gowens poured in 19 points in a big 63-point first half as Cook's Oilers got the jump on Ray Crowe's Stars, 114-105.

The Oilers, seeking to even the score for a 109-104 defeat at the hands of the Stars earlier this season, couldn't have asked for a better Christmas present than Gowens, who played as a G. I. on furlough.

The former Michigan State great, who finished with 21 points, conceded high-point honors to teammate Bill Fox. But it was Gowens 13 points in the first quarter that gave the impetus to the Oilers' first-half surge.

The Oilers scored 31 points in the first quarter and 32 in the second frame, to leave the court at intermission with a 63-53 lead. They kept up the pace with another 32 points in the third quarter, to gain a 95-78 lead. They scored 19 points in the final frame, with Fox getting 12 on six field goals. Fox finished with 24 points.

The Oilers needed Gowens' punch and Fox' clutch shooting. While the Oilers aces were hitting the nets at a red-hot pace, the Stars were doing some fancy shooting of their own.

The Stars' Big Three of Willie Merriweather, Bill Scott and Bill Brown were taking turns firing with devastating results. Merriweather had ten, Brown 12 and Scott 11 in the first half to keep the Stars within reach of the Oilers. And they kept it up in the later stages; Merriweather and Scott wound up the night with 23 each, and Brown had 22. The Stars had quarters of 28, 25, 25 and 27.

Henry Hughes was the Oilers' third big man with 20 points for the night, while George Duncan aided with 18. Paul Benes dropped in ten for the Oilers, Gary Lee nine, Mike Graney six, Webster Kirksey four and Ray Ritsema two for the winners.

The Oilers hit on 46 per cent of their shots from the field, cashing in on 52 of 114 attempts. The Stars maintained a 45 per cent average.

The fans saw an exciting preliminary game as Great West Life Insurance of Grand Rapids downed Peterson Pharmacy, also of Grand Rapids, 73-68 in overtime. Bob Armstrong, former Holland High and Michigan State star, scored 18 points in the regular game and two in the overtime period to pace the winners, while ex-Hope College player Roland Schutt scored 14 in regular play and two in the overtime, for Great West.

The Oilers play again Monday night in the Zeeland high gym, against the Fort Wayne, Ind., Comets. The Oilers own a 101-97 win over the Comets earlier this season, and the Comets, led by Larry Koehl, will be out to square accounts.

He pointed out that to Christians Bethlehem should not be a distant spot on a map, but an experience, with Bethlehem near not only at Christmas but every day of the year.

Rev. Beckering was introduced by program Chairman Gary Jaarda. The invocation was given by Don Van Hoven.

Guests were Ray Beckering, Jr. of Ann Arbor, and Jim Brown and Don Crawford of Holland.

Two Farm Buildings Destroyed by Fire

ROBINSON TOWNSHIP — Two farm buildings were destroyed by fire on the James Ter Haar farm Sunday night while Ter Haar was attending church. Loss was estimated at \$12,000 for the buildings which were a cement block and wood frame barn 35 by 65 feet and a wood frame chicken coop 35 by 25 feet.

The farm is located in Robinson Township which has no fire department or working agreement for fire protection with other township departments.

Ordinarily the community receives limited protection from the Conservation Department which sends a truck from Allendale, but a call placed there for the Ter Haar fire revealed the truck had been drained for the winter and was out of service.

CALIFORNIA BOUND — These three men (top photo) Thursday afternoon left Holland on the start of a 5,500-mile trip to California aboard the 56-foot Roamer motor yacht pictured here. The trip will take them down the Mississippi River, through the Panama Canal and up the west coast of Mexico to Long Beach, Calif. They expect to make the

journey in 16 days. Shown in the picture are (left to right) owner Richard E. Vaughn of Beverly Hills, Calif., skipper Ken Gundersen and crewman Johnny Johnson. The boat is shown leaving the Holland Coast Guard Mooring through ice-encrusted Lake Macatawa. (Sentinel photo)

3 Take Yacht To West Coast

Three Californians who left Holland Thursday afternoon aboard a 56-foot Roamer motor yacht bound for California were in Chicago Friday having their craft outfitted with radio and radar equipment.

The trio, owner Richard E. Vaughn of Beverly Hills, Calif., skipper Ken Gundersen and crewman Johnny Johnson, left the Holland Coast Guard Mooring at 4 p.m. Thursday. They arrived in Chicago at 11 p.m. after a brief stop in St. Joseph, Mich.

The men flew to Michigan to pick up the boat, christened "Ecstasea," ordered by Vaughn Dec. 11. Officials of the Roamer Boat Co. said this was the latest date they had ever shipped a boat from Holland by water.

Vaughn said the cruise would total about 5,500 miles. He said they expected to arrive at Long Beach, Calif., in 16 days, traveling on a 24-hour a day basis.

The trip will take the men through the Illinois Shipping Canal, down the Mississippi River to New Orleans, La., through the Gulf of Mexico to the Panama Canal and along the west coasts of Mexico and California to Long Beach, home port of the "Ecstasea."

The group plans to spend Christ-

mas aboard the boat in the vicinity of New Orleans. Vaughn said he expected to be near La Paz, on the west coast of Mexico, on New Year's Day.

The longest stretch over open water will be the 625 miles from New Orleans to the Panama Canal. The "Ecstasea" was outfitted with eight auxiliary fuel tanks, holding 80 gallons apiece, to allow fuel for the New Orleans to Panama run. The "Ecstasea" has a normal cruising range of 375 to 400 miles.

Officials of the Roamer Boat Co. in Holland, after receiving Vaughn's order for the boat, engaged Chambers Brothers tugs to break a path through the ice on Lake Macatawa from the channel entrance to the Bay Haven Marina every day to keep the ice broken up.

Vaughn said he would have no trouble with ice after leaving Lake Macatawa. All other inland waterways traveled by the "Ecstasea" have heavy traffic which keeps them open all winter, he said.

The "Ecstasea" is powered by a pair of 308 horsepower diesel engines. It is the second Roamer boat owned by Vaughn. His first was a 43-foot motor yacht.

Vaughn heads a phonograph record manufacturing firm in Hollywood, Calif.

Beat Hapless Grand Rapids Team, 73-48

GRAND RAPIDS — Holland Christian's basketball team won its fifth straight game here on the Civic Auditorium court Tuesday night by trouncing Grand Rapids Christian, 73-48 before 4,000 homecoming fans.

Coach Art Tuls' quintet had just too many big guns for the Eagles who were able to make a game of it only in the first period. From that point on the Maroons were off and running as Tuls had ample opportunity to experiment and use his entire 11-man squad.

Christian's big front line, particularly Jim Langeland and Paul Steigenga, again took care of the boards, permitting several slats at the hoop while limiting the Eagles to just one shot at a time. Board control also gave the Maroons a good chance to use the fast break to their advantage periodically throughout the game.

Clare Van Wieren, the Maroon captain, who played only part of the game, was bothered by two bad ankles, hampering his play a great deal. Steigenga also sat out much of the second half with four personals. Reserve forward Ron Lubbers played a good share of the game and looked good, picking up 13 points.

Once again, the two guards, Paul Tuls and Jim Fredricks, played stellar games. Tuls served as the general of the offense while Fredricks continued to take the pressure off under-the-basket performers with good outside shooting. Grand Rapids like Ludington last week, pressed the Maroon guards all over the back court, but the two performers rose to the occasion without any difficulty.

Holland's defense was tops as it forced most of the Grand Rapids shooting to come from out court, particularly in the second half. Jerry Vriesenga and sophomore center Terry Korhorn were the big offensive guns for the Eagles. Korhorn scored on several good drives off the base line.

Coach Wes Vryhof's Grand Rapids team started out fast, pulling out to a 4-2 margin almost immediately. Then some fine outside shooting upped their bulge to 10-3 with three minutes gone. They continued to look good as they built their margin to 14-6, before the Maroons made their move. Baskets by four Holland players knotted the score at 14-14 before Van Wieren gave the Maroons a 16-15 lead at the first buzzer.

Grand Rapids scored first to lead 17-16 in the opening seconds of the second period, but it was their last lead of the ball game. Paced by four Maroons, getting four points or more in the period, the Holland team pulled away. They scored 10 straight points to lead 32-19 before the Eagles came back with eight straight. With Langeland leading the way, Holland managed to hold a 40-29 edge at halftime.

The second half was a matter of the Maroons upping their margin with each quarter, with the Eagles never offering a serious threat. Grand Rapids' board work dwindled almost to nothing in the final period. Christian shot out to a 50-31 margin midway in the period. Before the quarter was over Fredricks had bombed four from out to push the Maroons to a 59-39 third quarter margin.

Holland's biggest margin in the game was 27 points late in the final period when they upped the score to 71-44. Both coaches substituted freely in the last four minutes with numerous fouls called on both sides.

At the free-throw line, Holland hit 23 out of 32 tries while Grand Rapids managed only eight out of 21. Four Maroons again scored in double figures with Fredricks leading with 18 points, followed by Langeland with 15. Vriesenga led Grand Rapids with 13, followed by Korhorn with 12.

Holland Christian is idle until New Years afternoon when they travel to Muskegon's huge L. C. Walker Arena to take on Muskegon Christian. Muskegon Christian also defeated Grand Rapids Christian this season.

Maroon Reserves Drop Third Game

GRAND RAPIDS — Holland Christian's Little Maroons absorbed their third and worst defeat of the basketball season on the Civic Auditorium court here Tuesday night losing to the Grand Rapids Christian reserves, 66-37.

Coach Elmer Ribbens' reserves threatened only in the first period as they trailed by a single point, 14-13 at the horn. Grand Rapids shot out to an 11-point lead early in the second period and managed to hold a 30-18 bulge at halftime.

Holland narrowed the count to six points early in the third stanza, but it only served to spur the winners on. They scored 10 straight baskets and upped their lead to 45-31 going into the last period. Grand Rapids ran away in the final period as they outscored the Little Maroons 21-6.

Don Kronmeyer paced Holland Christian with 15 points, followed by Herm Johnson with five, Tom Dykema with four, Jack Langeland, Tom Deur and Vic Sharda with three each, and Paul Cook and Ken Geurink with two each. Gary Rypma led Grand Rapids with 22.

Zeeland Has Top Cage Fan

ZEELAND — Seldom can a town boast an ardent basketball fan like Zeeland's Lambert Fris.

Fris, who lives at 310 West Main Ave., Zeeland, has missed only three of Zeeland High School's basketball games, including games on the road, in the last 39 years.

Fris estimates that he has seen more than 620 Zeeland High School games during the last four decades. And when Zeeland High is not scheduled, given a chance, Fris will go to see other area teams play.

The only Zeeland High School games Fris has missed in nearly 40 years of watching basketball were games played away for which he could not obtain transportation. In addition to the regular season's games, Fris attends most tournament games in which the Zeeland team plays. He also follows area teams and attends many games of other schools when Zeeland is not scheduled.

His activity isn't limited to only high school basketball. Fris has attended numerous Hope College basketball games, and more recently he has become a follower of Cook's Texaco Oilers.

Fris' hobby? Keeping score at each of the basketball games he attends. He also enjoys predicting the season's records and standings of area teams.

Dutchmen Gird For East Game

Holland High's basketball team invades East Grand Rapids Friday night in a game that will reveal much about the Dutchmen's strength this season.

East Grand Rapids has already played Holland Christian and West Ottawa. The Pioneers were on the short end of a 57-44 score against Christian, but produced a 43-39 win over West Ottawa.

Conrad (Skip) Nienhuis, a 5'11" senior is expected to join the Holland High lineup for the first time this season Friday night, and Coach Fred Weiss expects the team to profit from Nienhuis' out-court shooting.

Nienhuis, who is the senior class president, impressed coaches with his play as a sophomore on the reserve team, but suffered a back injury that caused him to miss the entire season last year. He is expected to be back on the eligibility list Friday night.

Four straight MIAA championships, quarter-finalists in the NCAA small college basketball tournament, a 25-game home winning streak and domination of the All-MIAA teams were just a few of the things accomplished by the famed Hope College basketball teams of 1957-60.

Players from these teams will be in Holland Saturday night to participate in the Alumni-Varsity game at 8 p.m. in the Civic Center. The Hope JV's will play the 1950-56 Holland area Hope alumni in the prelude.

Coached by Russ De Vette, Hope had its finest basketball hour during the Dutch during those seasons won the MIAA crown each year, climaxed with a 14-game sweep in 1959-60.

The 1958-59 Flying Dutchmen won the Great Lakes regional NCAA small college tournament and lost by two points 76-74 to Southwest Missouri in Evansville, Ind.

During the period, Hope won 25 games at Hope before losing by three points to Northern Michigan

in the opening 1959-60 game. Leading the Dutch during those seasons were Paul Benes, Ray Ritsema and Warren Vander Hill.

The trio dominated the All-MIAA team while they played and twice Ritsema and Benes one time received the Randall C. Bosch award presented annually to the MIAA's most valuable player.

Benes set an all-time scoring record 1,741 points while Vander Hill tallied 1,375 points and Ritsema, 1,510. Vander Hill set an MIAA scoring mark of 366 points in 14 games in his senior year.

De Vette called Ritsema "the greatest all-around player I ever coached" while the late Bud Hinga called Vander Hill Hope's greatest "all-time shooter." Benes was named to the small college All-American team.

This trio along with several other top players on the team will play against the Varsity. The alumni will be honored at a buffet at 4 p.m. in a Holland restaurant.

Former Deputy Seeks Injunction

GRAND HAVEN—Former Ottawa County deputy sheriff Albert Hilbrand has filed suit in Ottawa County Circuit Court claiming his suspension from the sheriff's department was illegal and asking back pay and a full hearing.

The suit contends that the "suspension or discharge was contrary to law under the Veterans Preference Act." Hilbrand asked that a temporary injunction be granted halting any formal removal or suspension pending a full hearing before the Prosecuting Attorney.

Ottawa County is named as defendant in the suit. The petition claims Hilbrand has not received any notice in writing stating cause or causes of removal and he was not afforded a hearing, which is contrary to law.

Hilbrand was employed as a deputy from Aug. 1953 to Sept. 6, 1961. He served with the army combat engineers from April 1944 until May 1946.

LESSON IN GIVING — Pupils at Ventura School this year practiced the real meaning of Christmas giving. They decided that instead of exchanging gifts with their classmates they would give their presents to youngsters at the Children's Retreat in Grand Rapids. The bride who approached the altar with her father wore a white satin gown with full skirt. Style features were the long tapered sleeves and velvet sash and small ruffles which edged the scoop neckline and appliques on the front panel of the skirt. She wore a pearl drop, the gift of the groom, and an elbow-length veil of silk illusion held in place by a crown of white seed pearls. She carried an open Bible with red and white carnations.

The matron of honor, Mrs. Wayne Elenbaas, sister-in-law of the groom, was attired in a green velvet dress with a round neckline, elbow-length sleeves and a full skirt. She carried a colonial bouquet of white carnations with touches of red and white.

Man Burned When Blaze Levels Shop

WEST OLIVE — A rural West Olive man suffered burns of the hands and face Christmas night when fire razed a combination garage-workshop on his farm on Butternut Dr. about a half-mile south of Port Sheldon.

Frank Owen, 59, of route 2, West Olive, was discharged from Holland Hospital after treatment for second degree burns of the face and left hand suffered when he removed a tractor from the burning building.

Origin of the blaze which caused an estimated \$3,500 damage to the building and contents was not known.

Lost in the fire were a 1953 model station wagon and 1947 model car in addition to numerous power tools and equipment.

The blaze was discovered by Owen about 7:45 p.m. Owen told firemen he first noticed the blaze when the lights in his house went out, apparently after electrical wires or fuses were burned out.

Owen said the entire building was aflame when the blaze was discovered. He succeeded in removing the tractor from the building, but was burned in the attempt.

An acetylene welding tank in the building exploded shortly before firemen from Holland Township station No. 1 arrived at the scene.

Owen estimated that \$1,100 to \$1,200 worth of machinery and equipment was destroyed in the fire.

Owen said he had been working in the building about an hour before he discovered the fire. Everything was alright then, he said.

The building had just recently been built, Owen told firemen, and neither the building nor contents was insured.
