GENERAL INFORMATION

HISTORY

The Reformed Church in America began to provide theological training in the midwestern part of this country in 1866. That year General Synod responded favorably to the petition of members of the first graduating class of Hope College that they be allowed to continue to work in Hope College to prepare themselves for the ministry among the increasing churches which arose in the Middle Western states. For several years, therefore, theological training was a department of Hope College. There had been a strong tradition in America’s life for such academic connections between theology and other departments of learning. The Dutch immigrants who had united themselves with the Reformed Church were only using for themselves a well-established policy. The Rev. Cornelius E. Crispell was elected to serve as Professor of Didactic and Polemic Theology. He began his service in 1866, and, with the help of other professors in the College, theological studies were carried on until 1877, when theological instruction “in the West” was discontinued.

In 1884, however, it was felt necessary to resume the preparation of men for the ministry of the growing Western section of the Reformed Church. By action of General Synod the Seminary was separated from the College and given a separate institutional life under its present name. The Rev. Nicholas M. Steffens, D.D., was elected Professor of Didactic and Polemic Theology, and the Rev. Peter Moerdyke, D.D., and the Rev. Henry Dosker, D.D., served as temporary lectors in other branches of the theological curriculum. Such were the humble beginnings of our Seminary.

Gradually, as the churches increased in strength, and as finances warranted, the Faculty was enlarged, until the original one professor found himself surrounded by others to bring the Faculty to its present seven full time professors. Today the school is fully equipped to prepare men for the Gospel ministry.

Western Theological Seminary is distinctly an institution of the Reformed Church. Its Board of Trustees is created by General Synod to administer the affairs of the Seminary. The General Synod itself prescribes the courses to be taught, and elects the professors who serve on the Faculty. The Faculty members are committed to the Reformed point of view in their teaching, each one of them, upon induction into his professorate, having subscribed again to the Standards of the Reformed Church.

SEMINARY REGULATIONS

CONDITIONS OF ENTRANCE. The Constitution of the Reformed Church, in Article II, Sec. 9, carries the following state-
ment in regard to students who desire to prepare themselves for the ministry in our Church.

"Any member of a Reformed Church who contemplates entering the work of the ministry shall furnish to one of the theological schools satisfactory evidence of his being a member of the Church in full communion and in good standing, and of his piety, ability, and literary attainments, before he begins his course of theological studies. He shall thereupon be admitted into the school and during the prosecution of his studies there shall be subject to its rules and regulations."

Each applicant for admission to Western Theological Seminary should therefore present:

1. An application for admission furnished by the seminary office upon request. This Application Blank must be properly filled out and returned to the Seminary Office.

2. A letter from the pastor of the church of which the student is a member. This letter is to carry both a statement of church membership, and recommendation for theological study.

3. A complete transcript of the college course of study, and of all earned degrees.

A student coming from another communion must, in addition to the above, present a written endorsement by his official board for his program of study.

While a Bachelor of Arts degree or its academic equivalent is the basic requirement for admission, the essential foundations of a minister's professional studies require a broad and comprehensive "liberal arts" preparation in college. For the guidance of pre-theological students, the Seminary recommends as a minimum requirement, the following courses which are endorsed by the American Association of Theological Schools:

- English: 2 years
- Philosophy: 1 year
- History: 1 year
- Psychology: 1/2 year
- Foreign Language: 2 years
- Natural Science: 1 year
- Social Science: 1 year

The Seminary also strongly urges all students looking forward to the Gospel ministry to include in their college preparation a substantial course in Speech and in Greek. Those who do not major in Greek are advised to take a minimum of two years of Greek in their Junior and Senior years, and those who present no credits in the language will be required to take sufficient non-credit courses to remedy this deficiency. Students are urged not
only to shape their work with a view to the above minimum requirement, but at the same time, in consultation with their college advisors, to secure the best possible additional preparation for their professional study.

The transcripts of applicants should also evidence a level of academic achievement by way of grades or honor points that will indicate ability to pursue satisfactorily courses of study at the Seminary level. An average grade of C plus will be used as a standard by which to judge the preparedness of applicants. When transcripts reveal serious deficiencies in the pre-theological education, the Seminary may require their removal either by taking remedial work under the supervision of the faculty or by taking supplementary courses at the college level.

Upon recommendation by the faculty for admission, all applicants will appear before the Board of Trustees for final interview and reception. At this time an inquiry is customary concerning the applicant's sense of Christian vocation, his piety and views in desiring to become a minister of the Gospel. This interview and reception takes place at the meeting of the Board of Trustees in its annual Spring session in May. Those who cannot meet the Board at this designated session will be permitted to appear before a specially appointed Committee on the Reception of Students on the day before the opening of the Fall Term of the Seminary in September.

Junior Orientation. An orientation course is provided for the members of the Junior Class on the afternoon of the opening convocation in September. This orientation program includes a presentation of general information concerning Western Seminary history and traditions, rules and regulations for Seminary life, course requirements, degrees, practices in and uses of library facilities.

Greek Entrance Examination. All beginning students are required to take an entrance examination designed to test their proficiencies in Greek. The examination will cover knowledge of declensions, forms, syntax, and ability to read and translate passages from the New Testament. Those who are found to be deficient in their Greek preparation will be required to take a review course which is designed to prepare them for work in exegesis.

Correspondence. In general, correspondence should be directed to the President of the institution.

Matters concerning registration, admission, and transcript should be addressed to the Dean. Requests for a transcript of seminary record should be sent to the Dean, George H. Mennen- ga, indicating the institution, or official, to whom it is to be ad-
dressed. This request should be accompanied by the usual fee of one dollar ($1.00) per transcript.

**Attendance.** It is expected that every student will be present punctually at the daily chapel service, at all the class lectures, and at all other regular appointments of the Seminary. Students who find it necessary to be absent from any Seminary exercises are expected to obtain permission from the Dean for such absence.

**Examinations.** Examinations are held at the close of each quarter. These are graded by the professors in charge, and placed in the hands of the Committee on Examinations of the Board of Trustees as an exhibit of the work done in the school.

**System of Grades.** Each instructor keeps a careful record of the achievement of each student and reports the grade to the registrar at the close of each term. The grades become a part of the permanent Seminary record. The work of the student is evaluated according to the following system of marking:

- **A:** excellent work
- **B:** superior work
- **C:** satisfactory work
- **D:** passing work
- **E:** work in which the student has not passed the semester examination, or has not completed the requirements of the course. E must be removed within a month after it is received, which gives the student a grade of reduced value in the course. If this is not done, the E becomes F.
- **F:** the grade given for failure in the course with no credit except by repetition of the course. If circumstances make impossible the repetition of the course within the regular schedule, private arrangement may be made between student and faculty member for coverage of the course work, at a fee to be determined in each case by faculty action.

**Students on Probation**

1. A student whose average grade is less than "C" is regarded as a marginal student whose work is unsatisfactory, and is therefore put on probation.
2. A student on probation during any three terms in his first two years shall be asked to terminate his studies at the seminary.
3. A student on probation shall not be allowed to represent the seminary in teaching catechism, preaching, or prayer meetings, in choir tours, or Western Seminary Hour programs.
4. The status of a student on probation shall be reviewed by the faculty at the close of every term and the results of that review shall be communicated to him by the Dean.
Regular reports are sent to the students at the end of each quarter.

**Student Preaching.** Students are expected to share in the practice of the art of preaching. Preaching programs are set up for each of the three years of student residence. Students preach their sermons before the professor in charge and their own classmates. Sermons are presented with the purpose of discovering points of strength and of possible improvement in student sermonizing and delivery.

Seniors and Middlers are appointed to preach in churches which request student service. All such preaching is under faculty direction and control, usually administered through a faculty committee. Juniors do not receive such assignments. Students who wish to assume permanent relationships with a church may do so, provided the arrangement has faculty consent, and the student is himself ready to lengthen his school work over a four year period. No Junior may accept any permanent relationship with a church.

**Field Work.** Each spring the Faculty expects to assign first and second year students to work in parishes for summer field experience in the full round of ministerial duties. The assignments are usually for twelve weeks of the summer vacation. This program is carried out through co-operation with the Board of Domestic Missions.

**Stipends, Fees, Scholarship.** Tuition for Reformed Church students is paid by the denomination. A tuition fee of $30.00 per term is charged to non-Reformed students. The Seminary does, however, require a matriculation fee of five dollars of all entering students, and an annual incidental fee of ten dollars from every student enrolled. Seniors pay a $5.00 diploma fee.

A student activities fee of $15.00 is allocated by the Student-Faculty committee to finance student functions during the year.

Room rent in the dormitory, Zwemer Hall, has been set at $30.00 each quarter of the school year for all Seminary men. No space is provided for the parking of cars.

Fees are to be paid at the beginning of each school year.

The Seminary has a small fund at its disposal, from which needy students may have allowances made according to their needs and circumstances. Applications for such aid are made to the President. Stipends for support while in the Seminary may also be obtained from the Board of Education, 156 Fifth Avenue, New York City. These stipends are, however, allowed only to students of the Reformed Church in America who meet the scholastic and other requirements of the Board.
Note: It is a rule of the Board of Education that all who purpose to apply for entrance in the Seminary in September, and who seek financial aid from this Board, shall make application for such aid not later than the 15th of June preceding entrance into the Seminary. Aid for later applicants will begin February 1.

Scholarship, Degrees. Every possible effort is made to hold the scholarship of the Seminary up to the highest standards. Students must have, not only a four-year College degree from a College of recognized standing, but also those mental qualities that show them able to do the work required by the Seminary. Work in the class room is carried on by a variety of methods—textbooks, syllabus with library references, mimeographed texts prepared by professors, discussion, informal and formal lecture, reports, essays, and seminar. Constantly the professors make conscious effort to arouse the students to discuss the subject at hand.

Requirements for Graduation. A total of 144 term credits is required for graduation. Of these 117 are to be accumulated as core curriculum, leaving 27 to be accumulated as electives. Not more than three elective courses in any one department may be taken for credit, one of which may be a thesis or a project. The curriculum is built on the basis of three terms per academic year. Each term consists of eleven weeks. The unit of measurement is one credit for one hour per week for one term.

The Professorial Certificate is issued only to students who are members of the Reformed Church provided that they have successfully completed the required courses of study, and have done at least two years of work in the Reformed Church Seminaries.

The degree of Bachelor of Divinity is conferred upon those students who have completed the basic requirements of all departments of instruction provided that:

They are graduates of a four-year course in a college of accredited standing and hold the degree of Bachelor of Arts or its equivalent.

They have maintained an academic record in their seminary work that is of grade satisfactory to the Faculty.

They have spent the last year in residence at this school. Credit will be given for work done in other seminaries of recognized standing, subject to evaluation and approval by the Faculty.

A Diploma is issued to such students who have accumulated a total of 144 term credits, but who have not earned all of the 117 core curriculum requirements.

From time to time there are those who wish to avail themselves of the opportunities the Seminary offers for pursuit of some special study, or for attendance upon the regular work of the Seminary. Such students may be members of other communions
and therefore do not have the ministry of the Reformed Church in mind. If they take the prescribed work of a course, they are welcome to the credits they can accumulate at our Seminary. There is no discrimination in the fellowship or in the opportunities offered. Upon completion of the regular prescribed course such students are granted a diploma, or the Bachelor of Divinity degree.

SEMINARY EXTENSION WORK

In order that the Seminary may be as useful to the church as possible, the members of the Faculty are ready to give lectures or addresses in the churches desiring such services, in line with their
respective departments and in so far as it is consistent with their work in the class room. Arrangement for such services can be made with the particular Professor desired.

BUILDINGS AND EQUIPMENT

The seminary's new building was dedicated in May of 1955. Full occupancy was taken during the summer, and all the fine facilities of the building have been put into service. In general outline the building is shaped like a capital H, with the chapel, the Commons Room, and the kitchen constituting the west section, and the Reading Room and Stack Room of the Library constituting the east section. Three classrooms, bookstore space, a convenient corridor are also located in this east section of the building. The middle portion of the building has a beautiful Lobby Reception Room, a Conference Room, a long connecting corridor on the one side of which the Administrative and Faculty offices are ranged, while the other side is given to three large classrooms. The building is colonial in architectural type, and much attention has been given to interior details so that they would accord with the exterior appearance.

The library has a beautiful, large and commodious reading room for the daily use of the students. The stack room is divided into two floors, and is equipped with steel book stacks for the housing of a library which can be expanded to more than twice its present size. The librarian has a private office and workshop, and within the stack room, on both floors, there are study carrels which assure privacy for research. The book collection is now approximately 30,000 volumes, classified according to the Dewey Decimal System. There are 3,000 periodicals of which 1,150 are bound. The library presently subscribes to more than 100 leading American and European journals. These books and journals are well distributed over all the branches of theological study, and new books are being added constantly. A special attempt is being made to build up the bibliography of representative research materials in the various departments against the time when the seminary will be in a position to offer courses leading to the Master of Theology degree.

In a separate "Periodicals Room," attractively furnished for comfortable perusal of current periodicals, all the magazines are arranged in easy display. In this room hangs the portrait of Dr. John W. Beardslee, Sr., whose foresight, determination, and financial help did so much to establish the library.

In addition to our library there are available to students the facilities of the Graves Library collection of 70,000 volumes on the adjoining campus of Hope College, a liberal arts college of the denomination, as well as the facilities of the Holland Public Library.
Library extension. The extension loan service of the library makes our facilities available to the pastorate of the denomination. The circulation in the extension department is growing significantly. Current accession lists are published periodically in the seminary's quarterly, The Reformed Review, from which lists the librarian will mail books requested by non-residents.

Library funds. The library receives constantly from friends and graduates book and money gifts which are greatly appreciated. We welcome any such bequests and donations. The budget of the library is provided by contributions from churches and individual donors together with an annual income from endowment.

Zwemer Hall. The dormitory carries the name of the Zwemer family in memory of the significant efforts of Dr. James F. Zwemer, a former professor at the school, to add residence facilities to the school's equipment. The building consists of two sections, built at different times. During the past year, however, the building was entirely redone and modernized. The front was altered to bring it into line with the architecture of the new building. Zwemer Hall has a lounge, two guest rooms, fifty-six student living rooms, most of them for single occupancy, with five suites planned for two occupants. There are commodious bathrooms on each floor. Each residence room is equipped with the necessary furniture; occupants need to bring only their personal items.

ENDOWMENT

While the Endowment of the Western Theological Seminary has been growing through the years, it can supply only a portion of what is needed each year. The Seminary is therefore directly dependent upon the liberality of the churches which it seeks to serve.

Our Board of Trustees is incorporated and funds, whether for special objects, endowments, or current expenses, may be sent directly to the Seminary Office. Any funds sent to the Board of Education, 156 Fifth Avenue, New York City, or to the Board of Direction of the General Synod, 156 Fifth Avenue, New York City, should be carefully designated as being for the Western Theological Seminary.

LIFE AT THE SEMINARY

The Religious Life. A prayer meeting is held by the students each week. A daily devotional service is held each day in the school week. These exercises are held in the Seminary Chapel with a Faculty member, or some visiting clergyman, or one of the students in charge. Often, in addition to these meetings, group
student meetings are arranged. Students are encouraged to discuss personal difficulties with their professors, and the class room work in every department is held as closely as possible to the actual experiences of religious life. In this way every effort is made to help the students keep the tone of their religious life strong and true. Students of the Seminary often share also in the religious activities of Hope College.

The Goyim Fellowship: The Goyim Missionary Fellowship was organized to encourage missionary interest among the student body. Its monthly meetings, held in place of Adelphic meetings on one Tuesday each month, feature outstanding speakers and missionary films to inform the students of the missionary challenge around the world.

The group has a weekly prayer meeting every Thursday morning at 7:30 in the library of the Seminary.

It also holds an annual all Seminary mission drive for some foreign or domestic mission project of the denomination.

Athletic Activities. Opportunity for gymnasium work and basketball has generally been possible by the kind co-operation of the Hope College authorities.

The Social Life. Dormitory life in Zwemer Hall gives a great deal of opportunity for good fellowship and sociability among the students. It also affords opportunity for initiative among the students, for all dormitory matters are managed by the students themselves, under the supervision of a Faculty member.

Students among themselves, and the Faculty and students together, have several social occasions during each school year. Most of these occasions are informal, though there are a few formal gatherings in each year.

The Adelphic Society. Students and Faculty meet every Tuesday evening for one hour for devotions, addresses, and panel discussion with musical numbers interspersed in the programs for variety and interest. These meetings are held in the Commons Room of the new building.

THE SEMINARY QUARTERLY

Under the direction of a publications committee, composed of members of the faculty, the board, the alumni and the students, the seminary publishes a quarterly, The Reformed Review. Papers and lectures on subjects related to the Scriptures and the Church and reviews of books are presented by this means to all ministers of our church, alumni, missionaries, seminary libraries, pre-seminary students and many laymen.
