Pastor, First Reformed Church, Orange City, Iowa
HISTORY

Since the year 1628, when “Dominie” Jonas Michaelius began his ministry in what is today the Collegiate Church of New York City, the Reformed Church in America has carried on its life and ministry in our land. As early as 1624 in New Amsterdam, “comforters of the sick” undertook a spiritual ministry among Reformed believers. But the date 1628 marks the official beginning of an unbroken ordained ministry in the New World. The “Dutch Reformed” churches can claim to have the oldest organized Protestant witness in America with a continuous history.

The roots of the Reformed Church go back through the Reformed churches of the Netherlands to the Calvinistic Reformation. Sharing this common heritage are Reformed and Presbyterian communions in Scotland and England, in France and Germany, in Switzerland and Hungary, in South Africa, Australasia, the New World, and in many other lands.

The Reformed Church in America accepts the Bible as the supreme standard of its faith and life. Reformed believers also confess their faith through the use of the early ecumenical creeds, and they accept the great doctrinal landmarks of the Reformation: the Belgic Confession, the Heidelberg Catechism, and the Canons of the Synod of Dort.

After being governed for many generations in the Netherlands by the Classis of Amsterdam, the Reformed churches in New York and New Jersey finally achieved autonomy and laid the basis for the present denominational structure. Thereafter, theological training was offered in the New World, and eventually the theological seminary at New Brunswick, New Jersey, today our nation’s oldest, was founded to prepare Reformed Church ministers for their calling.

In the 1840’s and 1850’s, a second great immigration from the Netherlands came to America and settled in the midwestern states. The new settlers brought with them a deep love for the truths of historic Christianity stressed by the Protestant Reformation and a respect for devout learning. Hope College in Holland, Michigan was an early expression of the high esteem in which these early pioneers held Christian education.

It is not surprising that the same desire which had motivated the Reformed churches on the eastern seaboard to bring theological education from far-off Amsterdam to New Brunswick should also have motivated the settlers in the frontier states of the Midwest to wish to train their ministers locally. As early as 1866 the General Synod of the Reformed Church responded favorably to a petition of several members of the first graduating class of Hope College that they be permitted to prepare themselves for the ministry among the growing number of congregations in the new settlements.

For several years theological training was a department of Hope College. There had long been a strong tradition in America’s life for such an academic connection between theology and other departments of learning. The Dutch immigrants who had united with the Reformed Church in America simply carried on this well-established tradition.
Rev. Cornelius E. Crispell was elected to serve as the first Professor of Didactic and Polemic Theology. He began his service in 1866, and, with the help of other professors in the College, theological studies were carried on until 1877, when theological instruction “in the West” was discontinued.

In 1884, however, it was felt necessary to resume the preparation of men for the ministry of the growing western section of the Reformed Church. By action of the General Synod, the seminary was separated from the college and given a separate institutional life under its present name. The Rev. Nicholas M. Steffens, D.D., was elected Professor of Didactic and Polemic Theology, and the Rev. Peter Moerdyk, D.D., and the Rev. Henry Dosker, D.D., served as temporary lectors in other branches of the theological curriculum. Such were the humble beginnings of our seminary.

Over the years, as the congregations of the Reformed Church have become more numerous, the program of the seminary has expanded to meet new needs. Today, eight professors, assisted by various lecturers and a trained librarian, carry on a full-orbed program of theological studies leading to the Bachelor of Divinity degree and the Master of Theology degree. The seminary is fully accredited by the American Association of Theological Schools.

Western Theological Seminary is operated by the Reformed Church in America; its Board of Trustees administers its life and program under the supervision of the General Synod of the church. The General Synod itself elects the professors who serve on the faculty. The members of the faculty are all committed to the Reformed point of view in their teaching.

**SEMINARY REGULATIONS**

**ENTRANCE REQUIREMENTS**

Students contemplating entering the ministry of the Reformed Church in America should acquaint themselves with the Constitutional requirements as found in Art. 3, Sec. 1 in “The Constitution Of The Reformed Church in America,” 1961.

Each applicant for admission to Western Theological Seminary should therefore submit to the office of the Dean:

1. An application for admission furnished upon request by the Seminary office. This application should be completed by the applicant and returned to the Dean of the Seminary.

2. A letter from the pastor of the church of which the applicant is a member. This letter should contain a statement of church membership and a recommendation for theological study.

3. A complete transcript of the college or university course of study taken by the applicant and a record of all earned degrees.

A student coming from another denomination must, in addition to the above, present a letter from his proper board of ministerial training
endorsing him for theological study wherever such endorsement is part of the standard procedure of the denomination in question.

While a Bachelor of Arts degree or its academic equivalent is the basic requirement for admission, the essential foundation of a minister's professional studies requires a broad and comprehensive "liberal arts" preparation in college. For the guidance of pre-theological students, the Seminary recommends as a minimum requirement, the following courses which are endorsed by the American Association of Theological Schools:

<table>

The Seminary also strongly urges all students looking forward to the Gospel ministry to include in their college preparation courses which will enable them to express themselves clearly and accurately in speech and in writing. In addition, pre-theological students are strongly advised to take a minimum of two years of Greek in their junior and senior years. Applicants who come to the Seminary with no preparation in Greek will be required to take New Testament Greek in their first year of theological study for which they shall receive six hours of elective credits and to delay their study of Hebrew until their second year. In addition to meeting the suggested minimum requirements, pre-theological students are urged to enrich their undergraduate course with studies recommended by their college counselors in order to have the best possible preparation for seminary work.

The transcripts of applicants should also evidence a level of academic achievement by way of grades or honor points that will indicate ability to undertake a course of study at the seminary level. An average grade of C-plus will be used as a minimum standard by which to judge the preparedness of applicants. When transcripts reveal serious deficiencies in pre-theological work, the Seminary may require their removal either by taking remedial work under the supervision of the faculty before admission to the Seminary, or by taking supplementary courses at the college level.

Upon recommendation by the faculty for admission, all applicants must appear before the Board of Trustees for final interview and reception. At this time an inquiry is customary concerning the applicant's sense of Christian vocation, his Christian experience and maturity, and his views in desiring to become a minister of the Gospel. This interview and reception takes place at the meeting of the Board of Trustees in connection with its annual Spring session in May. Those who cannot meet the Board at this designated session will be permitted to appear before a specially appointed Committee on the Reception of Students on the day before the opening of the Fall term of the Seminary in September.
JUNIOR ORIENTATION

A brief orientation is provided for all new students prior to the beginning of the Fall term. This orientation includes an opportunity to meet the Seminary administration, as well as a general presentation of information concerning Western Seminary's history and traditions, the conduct of various aspects of seminary life, course requirements, degrees, practical field work, and the use of the library facilities.

GREEK ENTRANCE EXAMINATION

All beginning students are required to take an entrance examination designed to test their proficiency in Greek. The examination will cover knowledge of declensions, forms, syntax, and ability to read and translate passages from the New Testament. Students who are found to be deficient in their Greek preparation will be required to take a four hour review course during the first term of their Junior year which is designed to prepare them for work in exegesis, for which they will receive three hours of elective credits.

CORRESPONDENCE

In general, correspondence should be directed to the President of the Seminary. Matters concerning registration, admission and transcripts of record should be addressed to the Dean. Purely business matters should be directed to the Business Manager. Requests for a transcript of seminary record should be sent to the Dean, indicating the institution, or official, to whom it is to be sent. This request should be accompanied by the usual fee of one dollar for each transcript.

ATTENDANCE

It is expected that every student will be present punctually at the daily chapel services, at all class lectures, and at all other regular seminary functions. Students who find it necessary to be absent from any seminary appointment are expected to obtain permission from the Dean for such absence.

EXAMINATIONS

Examinations are held at the close of each academic term. These examinations are graded by the professors in charge and thereafter placed in the hands of the Committee on Examinations of the Board of Trustees as an exhibit of the work done in the school.

SYSTEM OF GRADING

Each instructor keeps a careful record of the achievement of each student and reports the grade to the Dean at the close of each academic term. The grades become a permanent part of the Seminary record. The work of the student is evaluated according to the following system of marking:

A (4.0) Excellent (93-100)
B (3.0) Good (85-92)
A student who has not completed the requirements of a course, due to circumstances beyond his control, must submit a request for an Incomplete to the instructor before the beginning of the final examination period. An Incomplete must be removed within thirty days after the end of the term. The final grade in the course will be reduced one whole grade point.

STUDENTS ON PROBATION

1. An entering student whose grade average in his college course lies between C and C-plus may be admitted to the seminary on probation.

2. A student in the Seminary whose average grade in his studies falls below C is regarded as a marginal student whose work is unsatisfactory, and therefore he is put on probation.

3. A student on probation during any three terms in his first two years shall be asked to terminate his studies at the Seminary.

4. A student on probation shall not be allowed to represent the Seminary in teaching catechetical classes, in preaching, in conducting midweek services, or in sharing in choir tours or Seminary radio broadcasts in order that he may devote his entire time to his studies.

5. The status of each student on probation shall be reviewed by the faculty at the close of every term, and the results of such review shall be communicated to him by the Dean.

STUDENT PREACHING

The Reformed churches have always stressed the value of the Word of God preached. Courses in homiletics and speech are required, and practice preaching before professors and classmates is a part of all three years of seminary study. Tape recording equipment is used to assist students in improving their sermonizing and delivery.

Middlers and Seniors are appointed to preach in churches which request student services. All such preaching is guided by the faculty’s Placement Committee. Students who wish to assume continuing relationships with churches may do so, provided the arrangement has faculty consent and the student is willing to extend his seminary course over a four year period.

FIELD WORK

Field work direction is carried out under the supervision of the Dean of Students. In the Junior year, field work may include the conducting of midweek services and the teaching of weekday catechetical classes.
Juniors may also relate themselves to a church for guided Sunday activity. Field work for Middlers and Seniors includes week-end preaching assignments. In addition, Juniors and Middlers are assigned to summer field experience in a variety of situations — vacant parishes, domestic mission fields, church extension work, inner city work, and established churches needing summer help. The assignments are for a ten-week period, and students receive a modest income from such field work.

EXPENSES

The Executive Committee of the Board of Trustees is recommending to the Board that tuition for the academic year 1962-1963 be as follows:

1. For Reformed Church students—$50 per term.
2. For non-Reformed Church students—$80 per term.
3. For students taking less than twelve credit hours, special arrangements will be made.

All entering students are asked to pay a matriculation fee of five dollars.

A student activity fee of $16 is charged by the Student-Faculty Committee to finance various student functions during the academic year.

An annual registration fee of ten dollars is asked from each student, including interns, payable at the time of Fall registration.

There is a graduation fee of $10.00 payable before commencement.

Room rent in Zwemer Hall, dormitory for single men, will be $60 per term.

It is estimated that each student will need to allow for a minimum of $75 for books during each academic year. Books may be purchased at a substantial discount at the student bookstore.

Annual fees are payable at the beginning of the academic year in September; term fees at the beginning of each term.

FINANCIAL ASSISTANCE

The Seminary has a modest Student Assistance Fund from which emergency financial aid can be granted to needy students. Applications for such aid are available in the Dean’s office. Because of the limited funds on hand for student aid, students are asked to work out an adequate financial plan to enable them to complete their seminary studies before entering school if possible. Students who find it necessary to work for partial self-support should plan their academic load accordingly.

Reformed Church students may apply through their home church consistory and classes for aid from the Board of Education. Application should be made not later than June 15 preceding entrance into the Seminary; aid for later applicants will begin the following February 1.

All students are cautioned to carry adequate health insurance to cover the expense involved in illness or surgery. Reformed Church students may choose to be covered by the major medical plan of the Board of Pensions.
REQUIREMENTS FOR GRADUATION

Western Seminary operates on the basis of three academic terms each year. A total of 144 term credits is required for graduation in the B.D. program. Of these 115 are to be accumulated as required courses, leaving 29 hours of electives. Not more than four elective courses in any one department may be taken for credit, one of which may be a thesis or a project. No elective course may be dropped by a student after the second week of the term. Each term is eleven weeks in length. The unit of measurement is one credit for one hour per week for one term.

The Bachelor of Divinity degree is conferred upon those students who have completed the basic requirements of all departments of instruction, provided that:

They are graduates of a four-year course in a college or university of accredited standing and hold the degree of Bachelor of Arts or its academic equivalent.

They have maintained an academic record in their seminary work that is of a grade satisfactory to the faculty.

They have spent the last year in residence at this school. Credit will be given for work done in other seminaries of recognized standing, subject to evaluation and approval by the faculty.

A Diploma is issued to such students who have accumulated a total of 144 term credits, but who have not earned all of the 115 credits in required courses.

The Professorial Certificate, a Reformed Church ecclesiastical document, is issued upon graduation to Reformed Church men who have successfully completed the required course of study. This certificate entitles the holder to apply for a licensure examination by his home Classis.

From time to time there are persons who wish to avail themselves of the opportunities the Seminary offers for the pursuit of some special study, or for attendance upon the regular work of the Seminary. Such students may be members of other communions and therefore do not have the ministry of the Reformed Church in mind. Those who enroll for academic work at the school will be allowed to accumulate regular credits which may lead either to a degree at Western or through transfer to a degree at some other school. There is no discrimination in the fellowship at the Seminary, nor in the opportunities for learning offered to all students.
THE MASTER OF THEOLOGY DEGREE

Studies leading to the degree of Master of Theology are offered, at present, in the following fields: Biblical (including Old and New Testament departments and the department of English Bible); and Theological (including the departments of Systematic Theology and Historical Theology).

The candidate must hold the degree of Bachelor of Divinity or its theological equivalent from an accredited institution. He must have a B average or better in his undergraduate theological studies. Applicants in the Biblical field must give evidence of proficiency in the Hebrew or Greek language, depending upon the area of specialization selected.

The candidate must demonstrate that he possesses a reading knowledge of German or another modern European language. Examination for this requirement must be taken by the candidate not later than one calendar year following admission to study for the degree.

One year of residence constitutes the minimum requirement for the degree. The residence requirement is equivalent to thirty-six quarter hours of work, eighteen hours of which must be taken in the candidate's major field, twelve in the other field. Six of the twelve quarter hours in the other fields may be secured through approved graduate courses of study in comparable institutions of higher learning. Six quarter hours of credit will be given for successful completion of the master's thesis. The candidate will be allowed a maximum of five years from the time of admission to studies for the completion of his work.

The candidate must maintain an average grade of not less than B- in his graduate studies. His grade standing will be reviewed at the end of each academic year. If his average shall have fallen below the minimum requirement, the candidate will be asked to discontinue his work for the degree.

The candidate must submit two copies of a thesis on a subject in the major area of his studies. The subject of this thesis must have been approved by the faculty upon recommendation of the candidate's faculty adviser. The two copies must be placed in the hands of the faculty adviser not later than March 15 of the year in which the candidate expects to receive the degree. The candidate must then be examined orally on the subject of his thesis by the faculty members in his major field, in the presence of the whole faculty. The examination shall not be less than one hour in length and it shall be given not later than one month before the date of commencement. A majority of the faculty must vote approval of the candidate's examination to signify acceptance of the thesis work. When the thesis has been accepted, one copy of it will be bound and placed in the seminary library.

The candidate may select any of the electives offered in the various fields. Class sessions for most electives are held three times a week. For the benefit of graduate students who can be on the campus only one day a week, at least four electives will be offered each quarter in a Monday program. Class sessions will be conducted from 10 to 12 A.M. and from 1:15 to 3:15 P.M. Three hours credit will be given for each of these courses.
Electives in the Monday program will be open, also, to candidates for the B.D. degree, upon approval of their application to the faculty for such courses. Only students of better than average academic standing will be granted this privilege. B.D. students will take these courses without additional fee, and academic credit will be limited to their candidacy for the B.D. degree.

Fees for graduate work are as follows:

$8.00 per quarter hour, a total of $288.00 for the master's program. The student will pay the tuition for the courses he takes each quarter at the time of registration. Tuition for the six hours of the thesis project ($48.00) is payable at the beginning of the academic year in which the thesis is presented for acceptance.

Matriculation fee: $5.00.
Thesis binding fee: $5.00.
Graduation and diploma fee: $15.00.
Cap, gown, and hood rental: at cost.
Auditing fee for those not taking courses for credit: $4.00 per quarter hour.

BUILDINGS AND EQUIPMENT

In May of 1955, Western Seminary’s new facilities in Holland, Michigan across the street from Hope College, were dedicated. The new building, in Colonial Georgian architecture, houses the administrative offices, the faculty offices, the classrooms, the library, the student bookstore, the chapel, and the seminary commons.

THE LIBRARY

The Library has a large and very beautiful reading room for the daily use of students. Open stacks on two floors allow students full use of the 35,000 carefully selected volumes and 3,000 volumes of periodicals in the present collection. The library receives more than 200 current American and European journals. A tape library of lectures, services, and sermons by great preachers of the English-speaking world has been started, and facilities for microfilm reading have recently been installed.

In a separate periodicals room, the best in current theological journals, church periodicals and newspapers are available to students and faculty. In this room hangs the portrait of Dr. John W. Beardslee, Sr., whose foresight, determination and financial help did so much to establish the library.

In addition to the Seminary Library, the Van Zoeren Library of Hope College and the Herrick Library of the City of Holland are also available for student use.

The extension loan service of the Seminary Library makes its facilities available to pastors of the denomination and of the larger community. Current accession lists are published regularly in the Seminary’s quarterly theological journal, The Reformed Review. Inquiries concerning the operation of the loan service should be directed to the Librarian.

Over the years the library has received significant gifts of books and money from graduates and friends of the Seminary. The donation of special collections of books as memorial gifts, or the designation of gifts or legacies specially intended to benefit the Seminary Library may be arranged in consultation with the President of the Seminary.

ZWEMER HALL

The dormitory for single men students, located next door to the main Seminary building, carries the name of the Zwemer family in memory of the significant efforts of Dr. James F. Zwemer, a former professor at the school, to add residence facilities to the school’s facilities. The building, housing some fifty men, has recently been refurbished, and it provides in addition to dormitory rooms, mostly single, lounge facilities, recreation areas, and a kitchen for student snacks. Guest rooms for visitors to the Seminary are also located in Zwemer Hall.

Married students currently find themselves apartments in the city of Holland, where rentals are considerably lower than in most American cities. Incoming married students can often arrange to occupy apartments vacated by graduating seniors.
LIFE AT WESTERN

THE RELIGIOUS LIFE

In addition to daily chapel services, led by students, faculty, and distinguished visitors, there are prayer services from time to time in which students and teachers seek the face of God on behalf of the world mission of the Church and on behalf of specific needs. The members of the Seminary family demonstrate a tender regard for one another, the whole company sharing in the joys and sorrows of each member.

A full program of pastoral care to students and their families is carried out under the direction of the Dean of Students. All students have faculty counselors with whom they may confer on any academic, spiritual, financial or personal problem. Every attempt is made to help each student learn to know himself over against the demands of the Gospel ministry, and to grow into his full potential of Christian character and professional competence.

THE GOYIM FELLOWSHIP

It is fitting that a denomination which has pioneered missionary work in so many lands over the years should have a keen interest in the worldwide mission of the Church among its theological students. The Goyim Fellowship was organized to encourage missionary interest among students at Western. Distinguished missionaries bring the needs of the world to the attention of the students at the monthly meetings. The society also sponsors an all-Seminary mission drive each year on behalf of some particular missionary project. Recent projects include a Russian broadcast from Radio Monaco, and Adoni in India, hostels, homes for Christian village children in city schools.

ATHLETIC ACTIVITIES

A full sports program is carried on under the sponsorship of the Student-Faculty Council. Activities include touch football, baseball, basketball, golf, tennis, badminton, handball, volleyball, and table tennis. Some of the finest beaches in the nation are located on the shores of Lake Michigan, fifteen minutes drive from the Seminary. Physical fitness is stressed as an important part of Christian service.

SOCIAL LIFE

Dormitory life in Zwemer Hall brings the single men together for a mutual sharing of viewpoints and for hours of sociability. All dormitory matters are managed by officers elected by the residents, with general supervision exercised by the Dean and the Business Manager.

Students and faculty share in many social occasions throughout the school year, including picnics, receptions, banquets and parties. Faculty members entertain students and their wives in their homes and make it possible to build lasting friendships which will endure through the many years of Christian service which lie ahead.
The Adelphic Society meets Tuesday evenings at the school and includes all students and faculty members. The Adelphia Society, comprising all students’ wives and the wives of faculty members, meets each Monday evening in the Commons. Care is given to furnishing wives of seminary students with helpful instruction and information which will be of use to them in their future service in the Church. For that purpose, non-credit courses for women are offered during the first and third terms.

Visiting theologians from schools in America and from other lands, as well as other distinguished guests, present lectures at the Seminary throughout the academic year. In this way, students are given an opportunity to hear and to learn to know many of the world’s leading scholars and ministers.

Western Seminary has for many years enjoyed close fellowship with New Brunswick Seminary, also of the Reformed Church in America, and with Calvin Seminary in Grand Rapids, serving the Christian Reformed Church. Students at Western keep in touch with their counterparts across the nation through active participation in the Inter-Seminary Movement.

THE SEMINARY QUARTERLY

Western Seminary publishes its own theological quarterly, The Reformed Review, under the guidance of a publications committee composed of members of the faculty, the Board of Trustees, alumni, and students. Articles on topics of theological interest written by scholars on the faculty, by professors at New Brunswick Theological Seminary, and by other distinguished ministers and theologians appear in the pages of the journal as well as reviews of current books. Nearly two thousand copies of The Reformed Review are now being sent to pastors, alumni, students, missionaries, laymen, pre-theological students, and theological libraries at home and abroad.

ENDOWMENT

Western Theological Seminary is directly supported by the congregations of the Reformed Church in America. Over the years there has grown a Permanent Fund whose income adds to the support received annually from the church. The Board of Trustees of the Seminary believes that the concern of theological education is a worthy object of Christian gifts and legacies, and it recommends the Seminary to the prayerful consideration of all who are able to exercise this kind of Christian stewardship. Information concerning annuities, legacies and bequests may be had by writing to the President of the Seminary.
