Back Cover—Centennial Homecoming Celebration Announcement

COVER: Dimnent Memorial Chapel following the Centennial Year Baccalaureate service.
Dr. Prins selected for H.O.P.E. Award

Professor of English, A. James Prins was selected by the Class of 1966 for the H. O. P. E. (Hope's Outstanding Professor-Educator) Award. The announcement was made by Class President Robert Edwards of Riverdale, Illinois, at the annual Honors Convocation in Dimment Memorial Chapel on May 24.

Dr. Prins, a native of Holland, is an alumnus of the College. Graduated in 1938, he received his A.M. degree in 1939, and completed his work for the Ed.D. in English in 1963, both from the University of Michigan. A member of the faculty since 1946, he attained the rank of Professor of English in April 1964.

The interim years between 1939 and 1946 were divided between service in the United States Army and teaching in Shepherd, Michigan. During his military service in France, Belgium and England, Dr. Prins met Iris Bundy of Southamp-ton who became his bride in 1949. The Prins family has made two trips back to England, Iris's homeland. In 1952, Dr. Prins studied for the summer at the University of Birmingham through Stratford on Avon. On the second trip he did his work at the University of London under the 1964 Den Uyl Faculty Award for summer study. The Prins foursome, including Christopher, 10, and Robin, 7, is planning to revisit England in 1967.

The H.O.P.E. Award, established by the Class of 1965, is intended to honor Hope's fine teaching and expresses "the gratitude of the graduating class to the entire faculty of Hope College for the inspiration and knowledge given the students."

The 1966 Class brought the motive up to date by announcing that the award "is given to the professor, who in the opinion of the class, epitomizes the qualities that make good teaching, great."

Mr. Edwards also announced a senior class gift of a bronze plaque on which the names of the professors who win the H.O.P.E. Award will be inscribed. The selection for 1965 was Alvin W. Vanderbush, Political Science Department chairman.

Two faculty men retire

Professor Edward J. Wolters, who has taught on Hope's faculty for the past thirty-six years, retires this June from a lifetime of teaching.

Prior to his long stint of service at Hope College, Professor Wolters taught for four years at Hope College High School and for six years at Holland Christian High School. His field of academic interest is in Latin although he has also taught German and English for a number of years.

A Hope graduate, he earned his A.M. degree from the University of Michigan. He has also done graduate work at the Universities of Michigan and Chicago and, in the summer of 1962, took the classical summer course of Vergilian Society of America at Naples and Rome. He was instrumental in helping to establish the Gamma Rho Chapter of Eta Sigma Phi, the National Honorary Classical Fraternity, on Hope's campus.

Active in church work, Professor Wolters has served in the consistory at Maple Avenue Christian Reformed Church for many years; he has also served as delegate to Synod, and as a member of the Christian school board.

Professor and Mrs. Wolters, nee Laura Lemen, have five sons and daughters; Mrs. Philip Fredrickson, Dale, Lloyd, Mrs. Abram Van Hoven, and Mrs. Donald Damstra. Ann '50, whose husband is Dean of Students at Clearwater Community College, Florida, does some teaching; Dale Wolters, married to the former Gladys Hamburg, is Chief Engineer at WZZM, the Reverend Lloyd Wolters '51, married to Kathy Rozeboom, is minister at Fulton, Illinois. The Van Hovens have a printing business in Zeeland; and Mary's ('55) husband is a medical doctor at Brighton Hospital for Alcoholics.
Professor and Mrs. Wolters have 17 grandchildren. The Wolters, who live at A-6289 147th Avenue, Holland, plan to spend part of their winters in a warmer climate. Professor Wolters expects to spend a good bit of time reading and working in his small nursery.

Editor's note: The following article was written by Dr. William E. Welmers professor at UCLA. Dr. Welmers was a student of Professor Wolters and as one of his most successful students, he was invited to prepare this tribute for the Anchor.

By Dr. William E. Welmers '36

The retirement of Professor Edward J. Wolters brings to a close forty years of devoted service to Hope College, and above all to his students as individuals, each one sacred to himself because each one is sacred to God. Unlike God, he obviously doesn't know every hair that falls from our heads; but he cares.

Excellence in teaching should, I believe, be measured not in terms of the impression one gets of the teacher's erudition, but rather in terms of student performance. Ed Wolters has not been concerned that people should marvel at the depth or breadth of his scholarship, though that is careful and thorough: he has rather been concerned that his students learn a language. To that goal he dedicated his considerable talents. With the instinct of a true teacher, he long ago used pedagogical techniques which even today are sometimes scorned as unworthy of a scholar; he always knew what some alleged scholars have yet to learn — that those techniques are highly effective.

Ed Wolters has been a busy man for these forty years. In addition to a teaching load that has rarely been as light as "normal," he has been heavily involved in the work of his church, and has had the good sense to balance his responsibilities with an interest in many aspects of outdoor life and labor. Yet, like many a busy man, he has always had time. A class is never too rushed to explain an ablative absolute once more; any student's problem suddenly becomes the order of the day.

It must always be true that a man's family is closer to him than anything else in life. Ed Wolters has a family that demonstrates in many ways his devotion and determination. On this occasion of his retirement from a faithful and imaginative academic career, I know that many of his students join me — one of his earliest — in claiming family relationship. He has been an intellectual and spiritual father to us — an example of meticulous scholarship, Christ-like patience and sacrificing love. We wish for him and his beloved Laura a continued life of service, and God's richest blessings.

Dr. Tunis Baker '23, professor of science education at Hope, retired at the end of the school year.

Dr. Baker came to Hope in 1957 after 30 years of educational service in the State of New Jersey. He has taught at the Paterson State Teachers College, the University of Michigan, the Pennsylvania State University and the Glassboro Teachers College. He has been associated with the research department of the Ciba Pharmaceutical Products Corporation and has taught science classes in the extension division of Rutgers University. At Hope, Dr. Baker was formerly director of public relations and has supervised student teaching activities.

A graduate of Hope College, Dr. Baker received his master's degree from Columbia University and his Ph.D. from New York University where he specialized in science education. He is a past president of Hope's New York City Alumni Club and has represented the college at the World Confederation of Organizations of the Teaching Profession in Stockholm, Sweden.

Dr. Baker is the author of an elementary school science book and several pamphlets on science education. He has written numerous articles for professional publications and has designed a variety of teaching aids in science for the elementary schools. One of his contributions to the field of science education is a packet of science experiments for elementary and junior high schools which is being used in this country and in other parts of the world by 30,000 teachers.

Dr. Baker, his wife, Janet Bouma '23, and their two children, Barbara De Young '52 and James Baker, M.D. '57, are all graduates of Hope College.

Dr. John J. VerBeek, professor of education at Hope, said of Dr. Baker, "He has been especially skillful in bringing scientific methods and concepts down to the level where elementary and secondary teachers could use them successfully in their classrooms."
A total of 301 seniors were awarded bachelor of arts degrees at commencement exercises on June 6. The number includes those who finished their work in January, and those who will continue through summer school.

Two Hope men were cited for outstanding achievements. The honorary doctor of humanities degree was conferred upon Judge Cornelius Vander Meulen of Holland, class of 1900; the doctor of science degree upon Dr. Everett T. Welmers, class of 1932, Los Angeles.

Dr. J. Ralph Murray, president of Elmira College, New York, delivered the commencement address to the graduating class. His speech, "Horizons Unlimited" is printed in this magazine.

The baccalaureate sermon was given in Dimnent Memorial Chapel on Sunday, June 5, by Dr. William W. Williamson, pastor of the Peachtree Presbyterian Church, Atlanta. His topic was "Comes the Moment to Decide."

**Judge Vander Meulen**

In his presentation of Judge Vander Meulen, Trustee Willard C. Wichers called attention to the Judge's being admitted in 1903 to practice law in Michigan Supreme and all other courts, and of his having presided over the Municipal Court of the city of Holland for 17 years. Lawyer, banker, manufacturer, teacher, lecturer during his life time, Judge Vander Meulen was as certainly a community figure. He continually served the community by promoting, organizing and guiding programs to advance the social, economic and humane welfare of the area. Notable among such interests have been the United Fund, the Greater Holland Community Foundation and the Holland Centennial Celebration of 1947.

The citation for Judge Vander Meulen, read by President Vander Werf, included in part:

"For your efforts to provide a social order that values persons above things, for your firm belief that, unless we give ourselves away, we cannot be helpful to others, for living a life that gives strong evidence of having been touched deeply by charity, loyalty and vision, and for your faith in a God who supplies the wellsprings of life that lie outside of the self."

**Dr. Welmers**

Dr. Welmers was presented by Dr. Matthew Peelen of the Board of Trustees. Currently assistant for Technical Operations of the Manned Systems Division in Aerospace Corporation's El Segundo Technical Operations, Dr. Welmers has formerly been on the staff of the Institute of Defense Analyses in Washington, D. C. Before that, he was with Bell Aircraft Corporation as an engineer, researcher, and scientific advisor.

In his position with Aerospace in California, Dr. Welmers has been responsible for the criteria and definition of the Manned Orbiting Laboratory to be launched in the future as a feature of the space program.

The citation for Dr. Welmers read in part: "For your pioneering spirit on the new frontiers of space exploration, for your ability to cope with the vast unknown and unexplored dimensions of the future, for serving your fellow man with honor and distinction as a mathematician and research scientist, for the unique combination in your person of the qualities of learning, dedication and steadfastness of faith, for your example as a dedicated Christian layman."
“Only as the individual has understood and supported high moral and spiritual codes has he been secure.”

HORIZONS UNLIMITED
Centennial Year Commencement Address

by J. Ralph Murray
President Elmira College

Let us look at a few problems and ruminate briefly and generally but significantly about some of the characteristics and circumstances of our time which have relevance to the essentialities of your being.

Fundamentally you should understand by now that life is a continuum, that four years of high school are one segment, four years of college another, that a job will be one, that marriage will be a phase, that war will be another, that economic uneasiness and disturbance will be another. Securing the proper amount of freedom will be one, that children and grand-children will be another and that if you say “education” instead of “formal education” many of them may and, except for war, probably should occur simultaneously as long as you live.

All of them should be undergirded and permeated by a spirituality of one’s choosing which provides a source of equanimity which most men in all ages have found as important as food and shelter. You will not be someone startlingly different tomorrow, whatever the results of the fascinating and meaningful experience at Hope. Nor will you produce an idea suddenly that will revolutionize any of the major problem areas of mankind. But it is possible that one or all three of these potentialities may occur if your college experience has been, as I am sure your faculty has intended it to be, a sequential outgrowth of and a building on a basic core of knowledge and processes which will permit and encourage continued expansion of your horizons.

What we should be examining then is not an ending nor a beginning but a pause in an exciting adventure which has provided an opportunity for an evaluation, a reorganization, a re-orienting and a projection of the forces which will bring adequate satisfaction from life, when satisfaction is defined as concern for the well-being of others, as a reasonable contribution to one’s community, where one’s family receives a large share of attention, and where optimum support is given to the means of livelihood.

You cannot be encouraged to believe that the world will be very different because you are in it or because the time is 1966 or 1984. The significant problems of man have always been the same and will be the same. Basically the human being has been the same and will be, nor have the basic desires and fundamental needs changed. Culture is not transmitted from one generation to another except by the vital involvement of the individual in the transfer process. The world will be good, bad and indifferent to ideas and to people during your lifetime, just as it has in the past. Nonetheless, a basic characteristic of the human being, that of demanding something new, will be one of the paramount issues of your life. Much that is old will, however, seem new because you will not have heard about it. Your elders will have for-
"Life is either a daring adventure or it is nothing."

gotten some things because many actions are reactions to what seems significant at a given time and in the light of perspective become relatively insignificant. Modern technology with its multifarious and almost unlimited creations will give the illusion and impression of newness. Too, by the very nature of the human being he refuses to heed the lessons of history, so he continues to relive much of it as if it is an original discovery. It is of interest in this respect that before the year 1000 a civilization flourished in India in which women had many rights, were highly accomplished, and were as respected as women are today. Yet for nearly a thousand years thereafter or until about 1947 women were considered slightly less good chattel than land and many other useful objects. Gertrude Stein in a collection of her writings has an apt statement covering the principle just stated which describes a given condition that I am sure you will understand. "Once an angry man dragged his father along the ground through his own orchard. Stop! Stop! cried the groaning old man at last, I did not drag my father beyond this tree." Probably none of you has an orchard through which you may drag your father so you very well can say that life has changed. What is significant in the quotation is that the same problem exists from generation to generation. What is important for us to consider is the means whereby you bring about the result with your father that might have been brought about by the dragging through the orchard. For it is the difference in the means as you proceed through life that has changed and that will make it meaningful and beautiful or ugly and distasteful. Let us mention a few of the ways whereby you create your independence and attempt to prove your maturity. Some of you caused your parents to worry considerably because they had grave concern whether you would be able to participate in these graduation exercises. You have used this as a kind of rebellion. Some of you have let your hair grow and wear clothes so that it is difficult to discern whether you are men or women. Some of you have overspent the family income. Some of you undoubtedly married during college and created problems. Some of you, with your own and your families cars, have driven at the unnecessary risk of your lives and at the extreme inconvenience of other members of your families. And without doubt all of you have told your parents that they are just too old to understand your problems, and that things are different, and then have been most unhappy about their admonitions or have not heeded them. The ways in which you have met and will meet these concerns really show your maturity and are indicative of the creative and significant opportunities with which you function as an individual. It is the way one takes advantage of these opportunities that reveals whether the spiritual and educational processes have been fruitful. For in meeting these adjustments the individual can use all of his creative capabilities and thus he need not be frustrated because the

DR. VAN DER VELDE WITH “HIS” MEN

Dr. Otto van der Velde, sponsor of the all campus award — a gold key presented at commencement each year to the outstanding senior man or men selected for exemplary contributions to the college in athletics, scholarship and participation in student activities, entertained “his” men at Point West on June 4.

Fifteen of the 36 recipients of the award attended. Dr. van der Velde received letters from awardees who could not be present.

MEMORIAL SCHOLARSHIPS

The June Van Peursem Plasman memorial trust fund for scholarships in the amount of $25,000 was presented to Hope College by her husband Dr. Gilbert Plasman at the thirtieth anniversary reunion of the Class of 1936. Both Dr. Plasman and his late wife were members. The check was received by President Vander Werf during the reunion at the Castle on June 4.

Announcement of the trust fund was made at the Alumni Dinner in the evening by William Walmers. He also announced at the dinner that a special Anniversary-Centennial gift amounting to $1936 was being made to the College by class members through gifts over and above regular contributions to Hope College.

GIFT TO THE ALUMNI HOUSE

A beautiful jewel top table has been presented to the Alumni House by an alumnus of the Class of 1907, Marian Stryker, Alumni Secretary, accepted the gift from the craftsman, the Reverend Paul E. Hinkamp.

Mr. Hinkamp said it took two hundred hours of labor to cut the stones and fashion the table with poured fiberglass. The semi-precious stones, which had to be cut, sliced and polished, include the Tiger-eye from Africa, the flowered Obsidian, Lithonite from the Southwest Rockies, Amazonite, from Canada, Jasper, jagged tan stones from Geodes, Sodalite from Canada, and Mexican agates.

Mr. Hinkamp, who has made ten tables, exhibited his collection of stones and tables at the Holland Art Show a few years ago. He is presently working on the eleventh table which will go on sale at the July 29th Village Square on Hope’s campus. His tables are made in various shapes. The Alumni House table is twenty-five inches wide and sixteen inches high.

A member of the Hope College faculty, professor of Bible and philosophy from 1918 to 1945, Mr. Hinkamp served as registrar from 1945 until his retirement in 1957. He and Mrs. Hinkamp, his classmate Martha De Jong, make their home at 64 West 14th Street, Holland.

JULY, 1966
1966 GRADUATES AND PLANS

Abraham, Linda Lee, Garden Grove, Calif., Grace Ball Secretarial College, San Francisco, become legal secretary.
Aagren, John F., South Holland, Ill., law school.
Albers, Evelyn Eefke Alida, Artesia, Calif., cum laude, faculty honors, teaching associateship in Spanish, Reed Grad Center, Indiana University.
Andersen, Jerri Jansma, Chicago, teaching ele.
Anderson, Arlene Grace, Linden, N. J., Cum laude, teaching ele. in Grand Haven.
Anderson, Phyllis J., Salt Lake City, cum laude, faculty honors, teaching ele. in Kalamazoo.
Andritsopoulos, Rev. Apostolos, Kalamazoo, Greek Orthodox minister.
Anker, Roy Melvin, South Holland, Ill., plans not reported.
Archilla, Ruben, Jr., Jackson Heights, N. Y., advertising, Doyle, Dain & Burnback, New York.
Ast, Donald Ray, Villa Park, Ill., assistantship in Mathematics, Western Michigan U.
Awad, Anita Louise, Manila, Philippines, plans not reported.
Bao, Benjamin, Kowloon, Hong Kong, plans not reported.
Bao, Danny Chi Ding, Kowloon, Hong Kong, teaching assistantship, Indiana University.
Barger, William Joseph, (S) North Muskegon, plans not reported.
Baumann, Arvella Kay, Holland, social welfare worker, Cassopolis.
Benninger, Jacklyn Pauline, Muskegon, teaching ele. in Muskegon.
Bentz, Darlene, Albany, N. Y., magna cum laude, faculty honors, Michigan Scholars in College teaching fellowship, U. of Michigan.
Berry, Gretchen Heneveld, Muskegon, teaching ele. in Muskegon.
Bertelsen, Carol Ann, Ellington, Conn., teaching ele.
Bicking, Mary Anne, (S), Chicago, plans not reported.
Boersma, Katherine Klomparens, Holland, plans not reported.
Boise, Barbara Ann, Livonia, plans not reported.
Bolt, Jane Jappina, Haslett, teaching sec. in Hinsdale, Ill.
Borger, Ellen Doris, Chicago, cum laude, Marguerite Prins French Award, Michigan Scholars in College Teaching Assistantship to Indiana U.
Borst, Carol, Midland Park, N. J., teach ele. in Portage.
Bouma, William H., Grandville, Scholarship to U. of Iowa in chemistry.
Bovenkerk, Warren Gerret, Wheatfield, Ind., Western Theological Seminary.
Broman, Rodney Lee (S), Spring Lake, plans not reported.
Buten, John E., Jr., Tenafly, N. J., cum laude, Scholarship to Princeton Seminary.
Butler, Bryce Elton, Jr., Altamont, N. Y., Union Seminary.
Buys, Christian J., Caledonia, Scholarship to U. of Colorado.
Buys, John William, Jr., West Sayville, N. Y., plans not reported.
Campbell, Martha, Staten Island, N. Y., work in Vienna.
Catlin, Dennis Wayne, Drayton Plains, juvenile officer, Holland City Police.
Chang, Billie (S), Portuguese Timor, St. Joseph Hospital, Chicago, Medical Technology training.
Clark, Leslie Jean, Murray, Kentucky, Scholarship Yale Summer School of Music, grad. school U. of Kentucky or Ball State U.
Clayton, Joan Hamilton, Philadelphia, plans not reported.
Collier, Donald Leslie, Marion, N. Y., Western Theo. Sem.
Comissiong, Brenda Alberta, St. Thomas, Virgin Islands, cum laude, business.
Cook, Douglas Jay, Grand Rapids, Air Force Officer Training.
Cousineau, Mary Livingstone, N. Muskegon, teaching ele. in Portage.
Cresswell, Patricia Jean, St. Louis, St. Lawrence School of Med. Tech., Lansing.
Daane, John Erwin, Brandon, Wis., teach sec.
Dahl, Robert Edwin, (S), Riverdale, Ill., Western Theo. Sem.
Dallah, Gibson Chukwudi, Onitsha, Nigeria, plans not reported.
De Boer, Neil Frederick, Muskegon, plans not reported.
De Jager, Joan Dean, Grand Rapids, magna cum laude, faculty honors, teaching sec., Livonia Jr. High.
De Jong, Janice, Rock Valley, Iowa, plans not reported.
Dekema, Barbara Joyce, Schoolcraft, teach sec., Poughkeepsie, N. Y.
De Kuiper, Thomas John, Fremont, returning to Hope.
De Pree, Gregory, Zeeland, plans not reported.
Deur, Calvin Wayne, Holland, grad. school.

Essenburgers, Mary Katherine, Hartford, Conn., teaching sec. in Africa.
Fege, Arnold Frederick, St. Joseph, National Teacher Corps or Oberlin MAT.
Fisher, Judith Amy, (Mrs. Charles H. Marschke), Northport, N. Y., teaching ele.
Formsma, Robert Keith, Zeeland, cum laude, study piano & music history at U. of Michigan.
Friszel, Jeanne Ann, Holland, cum laude, Ford Foundation Fellowship.
Fuge, William Wesley, Buffalo, N. Y., grad. school, Western Michigan U.
Gabby, Patricia Ann, Burt, N. Y., Patterson Award in Biology, scholarship to Cornell U. grad. school.
Garnes, Richard Owen, Uniondale, N. Y., Georgetown U. Dental School.
Gerard, Lee Kirk, Muskegon, teaching ele. in Grandville.

Of the 13 mathematics majors graduated from Hope College this year, 10 will go on to graduate school, making an outstanding record for the mathematics department. Dr. Jay E. Folker, chairman of the department, said that of the remaining three, two will go directly into teaching and the third will return to Hope to complete requirements for a teaching certificate. Pictured are nine who will go on to graduate school. A tenth graduate, Elmer Edman, is not pictured. Standing, left to right, are Allen Medema, Richard Feldman, Alan Cole, Richard Wepfer, Donald Ast, and Glen Taylor. Seated in the front row are Darlene Bentz, Julie Postmus and Pat Schoonmaker.

Gilmore, Gary David, Belford, N. J., seminary—missionary;
Greene, Sandra Rae, Muskegon, plans not reported.
Grissen, Elaine Donna, (S), Holland, teaching ele.
Hagamasy, Ruth Diane, New Brunswick, N. J., plans not reported.
Hahnfeld, John Henry, Arlington Hts., Ill., grad. school, Vanderbilt U.
Hakken, Mary Margaret, Sepulveda, Calif., plans not reported.

Hallock, Richard Wheeler, Jr., (S), Holland, plans not reported.
Harmon, Martha Hallquist, Holland, teaching sec., Hamilton.
Hekman, Rosemary, Grand Rapids, Northwestern U., organ.
Helder, Lloyd John, Holland, plans not reported.
Hoekema, Herman D., Kalamazoo, U. of Michigan Medical School.
Hoffman, Marilyn Jean, Hudson, N. Y., magna cum laude, Southland Medal, faculty honors, fellowship to U. of Colorado.
Hopper, Paul Carmichael, Madison, N. J., U. S. Marine Corps.
Hovingh, Alverna M., (Mrs. David De Visser), Allendale, magna cum laude, faculty honors, teaching ele., Holland.
Howes, Carol Louise, Hyannis, Mass., teaching ele., Spring Lake.
Hultzgren, William Charles, Dearborn, plans not reported.
Huntington, Edward S. S., Buffalo, N. Y., work for Western Electric Co., Plymouth.
Janssen, Kathryn Lee, Zeeland, teaching sec. in Holland.
Jeffries, Barbara Johnson, E. Lansing, plans not reported.

Jensen, Barbara Ann, Muskegon, teaching sec., Warren.

Jones, Donna May, Albany, N. Y., teaching sec.

Kemink, Jo Anne, Grand Rapids, cum laude, faculty honors, teaching sec. in Grandville.

Kee, William, Muskegon, teaching sec., Muskegon.

Kiefer, Barbara Christine, Cincinnati, plans not reported.

Killmer, Donald Herman, Hewitt, N. J., industrial chemist, Union Carbide.

King, Elizabeth Jane, Cambridge, N. Y., teaching ele., Berwyn, Ill.

Klaasen, Mary Elisabeth (Mrs. Buel Vander Beek), Holland, teaching ele., Hudsonville, Mich.

Kleinheksel, Russel Jay, Holland, plans not reported.

Kleinheksel, Ruth Audrey, Holland, Sloan-Stegeman Missions Prize, Western Theological Sem. for M. C. E.

Koch, John Robert, Easton, Conn., plans not reported.

Koster, Richard Allan, Bangor, plans not reported.

Kouw, Barbara Louise, Holland, teaching assistantship at U. of Arkansas in English.

Kramer, Carole Ann, Closterhouse (S), Holland, teaching secondary, Holland.

Kreunen, James Alan, Cedar Grove, Wis., plans not reported.

Krone, Reinhold Walter, Gary, Ind., Western Theo. Sem.

Kronemeyer, Kathleen Evelyn, Grand Rapids, teaching sec., Kansas City, Kan.

Kroosda, Roger Lee, Zeeland, Dr. Otto van der Velde All-Campus Award, plans not reported.

Lam, Donald James, Holland, plans not reported.

Lampert, Elmer Graham, Jr., Aurora, Ill., plans not reported.

Lamphere, Karen Elizabeth, Weedsport, N. Y., cum laude, National Science Foundation Fellowship to U. of Buffalo in Chemistry, get M.A., then teach secondary.

Langeland, Samuel James, (S), North Muskegon, plans not reported.

Lape, Douglas Harley, Benton Harbor, plans not reported.

Laughlin, Michael, (S), Columbia, Calif., plans not reported.

Lee, James Ching, North Point, Hong Kong, A. T. Godfrey Prize in Chemistry, research fellowship to Western Reserve U. in biochemistry.

Lee, Judith Ellen, Pittsford, N. Y., teaching ele. in Pittsford, N. Y.

Leenhouts, Thelma Kay, Holland, magna cum laude, faculty honors, State College Fellowship to U. of Michigan in Speech.

Leestma, Mary Alyce, Tustin, Calif., teaching ele. in Yorba Linda, Calif.

Lemmenes, Mark Glen, Waupun, Wis., Western Theo. Sem.

Lemmerz, James Eveland, Jr., Montville, N. J., plans not reported.

Lenel, Katherine Louise, Rensselaer, N. Y., plans not reported.

Leong, Charlene Chai Gin, Wailuku, Maui, Hawaii, teaching sec. in Calif.

Leppla, Leslie A., New Berlin, Wis., magna cum laude, faculty honors, U. of Wisconsin Medical School.

Miss Cheryl Richardson, ’66, has been awarded a Fulbright scholarship in organ to study in Vienna under the famous Anton Heiller, who is a widely recognized composer, conductor, and teacher, as well as organist. Mr. Heiller recommended Miss Richardson for the scholarship after hearing her play when he came to Hope in October. The grant includes tuition, room, board, and travel expenses.

Liefensee, John Robert, Holland, civil service work or part time grad. work.

Lin, Robert Hsiang Teng, Causeway Bay, Hong Kong, grad. school in Sociology.

Lubbers, Bruce Anthony, Whitehall, National Teachers Corps.

Lubben, Roger Lee, Coopersville, Scholarship to Providence School of Nursing.

Luce, Stella Louise Cole, Muskegon, teaching ele., Twin Lake.

Lundahl, Sharon Ruth, Wheaton, Ill., teaching sec. in Tanzania.

Luther, Martha Ann, Brooklyn, N. Y., Federal Grant to Syracuse U. in Medical Physiology.

Madsen, Norman Paul, Harvey, Ill., plans not reported.

Magans, Walter John, Jr., Rochelle Park, N. J., plans not reported.

Mallory, Nancy Jean, Baldwin, N. Y., Teaching ele.

Maring, Thomas Raymond, Muskegon, teaching sec.

Marker, Cynthia Headlee, Fremont, teaching ele., Zeeland.

Marschke, Charles Howard, St. Petersburg, Fla., work at Holland Hospital.

McClow, Donald Terry, Hudsonville, Air Force Officer Candidate School or Assistantship to U. of Kansas in English.
Me Geehan, Albert Howe, Metuchen, N. J., teaching jr. high, Holland.

M. Gilray, Jennifer Eve, Cresskill, N. J., grad school.

Menning, Bruce Allen, Grandville, Mich., plans not reported.

Meyer, Ruth Stephanie, Woodhaven, N. Y., returning to Hope.

Miedema, Allen Keith, Marion, North Dakota, cum laude, faculty honors, fellowship to U. of Michigan in Business Administration.

Miller, Chris Leonard, (S), Churchville, Pa., plans not reported.

Momeyer, Barbara Ann, Mars, Pa., work in Biology Dept., Hope College.

Monsma, Joel Henry, Grand Rapids, plans not reported.

Mooi, Gloria Lee, Coldwater, Michigan State U., in piano.

Nanninga, Sharon Joyce, Allendale, teaching ele. in Zeeland.

Nederveld, Katherine Van Kuiken, Grand Rapids, teaching ele. in Holland.

Ngwa, Jacob Njee, Bamenda, West Cameroon, plans indefinite.

Nordstrom, Peter Douglas, Port Washington, N. Y., plans not reported.

Oehm, Dennis Christian, Dumont, N. J., plans not reported.

Oosterhof, Albert Carlyle, Holland, grad. school, Michigan State U. in Educational Psychology.

Oosterhouse, Bruce Edward, Grand Rapids, Egbert Winter Education Award, teach ele. in Allegan.

Pangie, Robert Lee, Vicksburg, cum laude, law school, Stetson U., St. Petersburg, Fla.

Plakke, Sandra Timmer, Holland, teach sec.

Plantinga, Donald Wayne, Chicago, Ill., Western Theo. Sem.

Postma, Marilyn Marie, Grand Rapids, teaching elementary in Kalamazoo.

Postmus, Julie Ellen, Grand Rapids, magna cum laude, faculty honors, teaching sec. in Garden City.

Potter, William Brian, Grand Rapids, Western Michigan U.

Prothro, Nelda Mae, Grand Rapids, teaching secondary, Portage.

Puehl, Sara Jane, Saginaw, teaching sec., Saginaw.

Rector, Nancy Morse, Grosse Pointe Woods, returning to Hope for student teaching.

Reeves, David Lawrence, Smithtown, N. Y., plans not reported.

Reifsnider, Diane Leslie, Plainfield, N. J., teaching elementary, Dearborn.

Renkes, David V., Morrison, Ill., design school.

Richardson, Cheryl Diane, Scotia, N. Y., magna cum laude, faculty honors, Fulbright Scholarship to Vienna to study organ.

Ritsema, Evonne Taylor, Zeeland, attend Michigan State U. in Summer, teach ele. in Holland in the fall.

Rollston, Cheryl Jean, Muskegon, teaching ele., Kalamazoo.

Ruffner, James F., Jr., Detroit, teaching sec. instrumental music.

Rundle, Lynn Elaine, Chicago, plans not reported.

Rusins, Elga, (S), New Brunswick, N. J., plans not reported.

Sabo, John J., (S), Lansing, Ill., plans not reported.

Schipper, Max Wells, Cooperville, teaching sec. Cooperville.

Schoon, Mary Kay Paalman, Grand Rapids, teaching sec. in California.

Schoonmaker, Patricia Ann, Linden, N. J., grad. school, Michigan State U. toward M. A. T.

Schrier, Jack Lewis, Kalamazoo, grad. school in Washington, D. C.

Sharp, Lawrence Gene, North Bergen, N. J., Union Seminary, Richmond, Va.

Shaw, Edna Dorothy, North Bergen, N. J., teaching sec., Cleveland, Ohio.

Shepherd, Mary Carolyn, Schenectady, N. Y., teaching jr. high, Schenectady, N. Y.

Short, Susan Harriet (Mrs. Frederick Strong), Weedsport, N. Y., teaching ele., Muskegon.

Sil, Donald Alfred, Uniondale, N. Y., teaching sec., biology.

Simons, John Lemuel, Jr., Allegan, cum laude, plans not reported.

Smies, Frederic, Cedar Grove, Wis., chemist, Sinclair Research, Harvey, Ill.

Smith, Amos Clay, Jr., Orange, Calif., no plans reported.

Staat, Diana Kay, Dolton, Ill., attending business college.

Stahelin, Terence Frederick, Bridgeman, cum laude, teaching sec., Jenison.

Stansby, David A., Jr., Holland, plans not reported.

Steffens, Gretchen Elizabeth, Holland, grad. school, Michigan State U. in speech.

NEWS REVIEW

► PRESIDENT VANDER WERF HONORED

Dr. Calvin A. Vander Werf was honored by Rose Polytechnic Institute on June 11. He gave the commencement address at graduation ceremonies and had the doctor of science degree conferred upon him by the Institute. Recognized as a research chemistry scholar in the fields of petroleum compounds and tranquilizing drugs, President Vander Werf also holds the honorary D.Sc. degree from Hope College and St. Benedicts College.

President Vander Werf gave the final lecture of the year in the 13th annual Merck Lecture Series at Bucknell University, Lewisburg, Pennsylvania, on April 21. Hope College alumni honored Dr. Vander Werf at a dinner at Shamokin Dam on April 20 while he was at Bucknell. Sixteen alumni of central Pennsylvania attended the dinner arranged by Dr. Lester Kieft and Dr. Hans Veening of the Bucknell Chemistry Department.

► A MASTER PLAN for the development of the Hope College campus for the second century drawn by architect Charles Stade of Chicago, was reviewed by the Board of Trustees at their spring meeting on June 3. The Board decided that two buildings of immediate concern are a new science building, and a new student center, and the plans for these buildings included in the master plan, be completed in order that they can be built as soon as possible.

The Board also looked with considerable favor on the new Chapel Church and decided it is to be continued on a test basis throughout the next academic year. It will continue to be a church directed especially toward Hope’s on-campus students, and will be under the supervision and guidance of the college chaplain. The Chapel Church began on a temporary and experimental basis during Lent this past spring and was accepted overwhelmingly by the students.

► THE BECKER DISTINGUISHED PROFESSORSHIP in Economics and Business has been established for Hope College by Mr. and Mrs. Clarence J. Becker, Mr. and Mrs. Ekdal J. Buys, Mr. and Mrs. Arthur C. Becker, Mr. and Mrs. Jack O. Crandle, Mr. and Mrs. James D. MacGregor, and Mr. and Mrs. John T. Becker.

The gift was made to honor the parents of the donors, Mr. and Mrs. Christian Becker of Grand Rapids.

► ALUMNI BOARD MEETING

At the annual Alumni Board meeting on June 4, Floyd Folkert ’39, Muskegon, was re-elected president; Robert J. Prins ’54, Washington, D. C., was elected vice president.

The Board took action to request the Board of Trustees to give the Alumni Board the go-ahead to nominate three more candidates starting in the fall of 1966.

Also, the president was directed to appoint a committee to study the current balance on the Board of Trustees and make a recommendation that changes be considered to include more business executives in the membership of the board, men with the ability to strengthen the financial condition of the College. President Folkert appointed Robert J. Prins, chairman, Dr. Dirk Mouw, Dr. Marvin Meengs, John De Wolf and Rev. Theodore Luidens to the committee.

New members

John E. De Wolf, Jr. ’51 is the new appointee from the Rochester Alumni Club on the Board. He is employed in insurance as an underwriter, for the last seven years with Allstate Insurance Co. He has served the club previously as president and as Fund Director.

Dr. John T. Beuker ’52 replaces Robert J. Prins as Detroit Club Director. Dr. Beuker, a Detroit hand surgeon, was president of the Club during the past year.

Robert J. Prins ’54 was appointed to fill the unexpired term of LeRoy Nattress for the Washington, D. C. Club. Mr. Nattress has been transferred by his company to Chicago.

Rev. Theodore Luidens ’27, Kew Gardens, was appointed by the New York City Club to fill the unexpired term of Rev. Albert H. Van Dyke, resigned.

The 1966 Class representative on the Board is Robert Westervelt of Wallingford, Conn.

► GENERAL SYNOD

General Synod of the Reformed Church in America convened on the Hope College campus on June 9 and continued in session through the 15th. Hope College and Western Seminary were hosts in celebration of their centennials.

Three hundred delegates attended. With wives and families, the number assigned to five dormitories was approximately 500.
At a service of dedication honoring missionaries of candidate status on Sunday evening, June 12, among the seven candidates presented to Synod by the Board of North American Missions were Miss Velma Korf '64, Annville, Kentucky; the Rev. Frank '61 and Mrs. Love, Mescalero, New Mexico.

Among those presented by the Board of World Missions were Rev. Vernon '59 and Judith Kuiper '62 Hoff, Singapore; Mr. Lewis '63 and Mrs. Scudder, Jr., Arabian Mission.

THE HOPE COLLEGE SUMMER INSTITUTE for High School Teachers of Second Year and Advanced Placement Chemistry has enrolled 47 participants representing a wide geographic range. They are coming from Maine to California, and Washington to Florida; even Edmonton, Alberta, and Hasselt, Belgium are to be represented. The Institute, sponsored by the National Science Foundation in cooperation with the college, will meet for nine weeks, from June 20 to August 19.

The course is entitled "The Basic Concepts of Chemistry." Teaching these concepts will be Dr. Irwin J. Brink, Hope College; Dr. Gilbert P. Haight, Texas A. and M. University; Dr. W. Thomas Lippincott, Ohio State University; Dr. Edward L. Haenisch, Wabash College; Dr. Wilmer J. Stratton, Earlham College; Dr. C. A. Vander Werf, Hope College; Dr. Richard W. Ramette, Carleton College; and Dr. James W. Cobble, Purdue University.

Dr. Eugene Jekel, associate professor of chemistry at Hope, is Director of the Institute.

CAMPUS GUEST LECTURERS

Dr. John R. Platt, acting director of the Mental Health Research Institute at the University of Michigan, gave a lecture seminar on May 5. Dr. Platt is a physicist, but has also done work in biophysics, spectroscopy, and biochemistry. His most recent book The Step to Man (John Wiley, 1965) sets forth some aspects of scientific creation which are stimulating and challenging.

Dr. Paul Schwartz, chairman of the department of music at Kenyon College, presented an illustrated lecture on programmed instruction on May 25. His Program for Music Education is now published commercially.

Dr. Don Mittleman, director of the Computing Center of the University of Notre Dame, gave three lectures at Hope College in April under the Program of Visiting Lecturers of the Mathematical Association of America.

Dr. Albert Hunold, noted Swiss economist and director of the Institute of International Studies in Zurich, lectured on campus several times during a week in mid-April.

Dr. George Owen, assistant superintendent of the Detroit Public School system, addressed the Student Education Association dinner meeting in April on the topic "Inner City Experiences."

Will Smith, advisor for Campus Service Corps at Eastern Michigan University, spoke to the Hope College Higher Horizons conference in April. His lecture was on "Helping and Understanding the Disadvantaged Child."

Dr. Leo Katz, one of the outstanding statisticians of our country, was a guest lecturer at Hope College on May 10 and 11. An invitation was extended to the business community to attend his three lectures.

Dr. L. G. A. Schlötter, professor of Political Science at the University of Nijmegen, The Netherlands, gave several lectures on campus on May 9. Besides a general lecture, he spoke to several classes in political science and history. "Nationalism and Supra-nationalism in Western Europe" was the title of his open lecture.

The Slovenian Octet from Yugoslavia gave a concert of vocal chamber music in Dimnt Memorial Chapel on May 26. This ensemble has had universal acclaim and has sung for outstanding personalities of the world including Tito, Nasser, Haile Selassie, Sukarno, Khruschev and Anthony Eden.

SEVENTY REPRESENTATIVES from high schools, colleges and state universities in lower Michigan attended the Michigan Association of College Admissions Counselors held on the Hope campus on May 19. Among topics discussed in seminars were "State and Federal Aid Programs," and "Determination of Financial Need."

A ONE-DAY CONFERENCE on production planning and inventory control for small-manufacturing business men was held on the Hope campus on May 7. John H. Nelson, manager of Product Planning and Market Services and Research, agricultural products division, The Upjohn Company, led the conference sponsored by the department of Business Administration and Economics. Dr. Kenneth Weller of the department planned and coordinated the conference.

Gifts

A hand-carved rosewood plaque from India, was presented to Hope College by Mr. and Mrs. Gerald J. Rocks of Holland in early June. Mrs. Clark N. Markert accepted the gift for the college and directed its hanging in Durfee Hall.

Mr. and Mrs. Rocks and Mrs. Markert were fellow travelers on the Reformed Church Missions tour conducted in 1961 by Dr. John Piet of Western Seminary.

The College has received two gifts from anonymous donors for two new pianos. One of the pianos, a 61½ Japanese-made Yamaha grand, was dedicated in two student recitals, according to Dr. Anthony Kooiker, director of the Piano department.

In making the presentation announcement, Dr. Kooiker said that the art of piano-making came to Japan only half a century ago, but in that short time Nippon Gakki, the manufacturer, has brought Japanese skills to meet the highest standards in the world. The Yamaha piano will be used for class and studio recitals. The second piano will arrive later and be specially dedicated in the fall.

A grant from the National Science Foundation for $8,400 was received by the College in February. The money will be used for research by six undergraduate students who will be selected by Dr. Jerry Mohrig of the Chemistry department.

Students News

Miss Barbara Timmer, daughter of Lt. Col. Norman '38 and Barbara Polensbee '43 Timmer, Bowie, Maryland, was selected by the student senate to be its first representative to participate in an ecumenical encounter with
Youth in Ethiopia. The project, established to open doors for closer ties and action in missions between Reformed-Presbyterian and Ethiopian Orthodox youth will be a summer long endeavor beginning June 24 and ending September 6. In addition to Miss Timmer, two women students and four men from the Presbyterian church make up the team, to be accompanied by Rev. Wellington Butts, pastor of the Bethany Presbyterian Church, Englewood, New Jersey, and Adamu Amare, an Ethiopian student just graduated from Waynesburg College.

During the spring recess, eleven students made a trip to New York City to view from the interior a poverty situation and the causes behind it and to see what church and social organizations were doing to alleviate the cares of the people. The week spent in East New York, in a section of Brooklyn and surrounding areas, was co-sponsored by the college and the Board of North American Missions of the RCA. Among those with whom the students held discussions were Hope men Jack Jenner '63 and Rev. Donald H. De Young '62.

J. C. Carlson, sophomore from Whitehall, has received a junior year-abroad scholarship in German under the Wayne State University program and will be studying next school year at the University of Munich, Germany. He is the first Hope student to receive this type of scholarship.

Jackie Nyboer, daughter of Dr. Andrew '39 and Mrs. Nyboer, Rockford, Illinois, was crowned May Day Queen in the Pine Grove on May 6.

Gene Pearson from Anaheim, California, was elected president of the Student Senate; Sue Sonneveldt, Grand Rapids, vice president.

The Hope College Motet Choir, under the direction of James Tallis, made a four-day tour of Michigan in May. Concerts were presented at Alma College; Westminster Presbyterian Church, Rogers City; the First Presbyterian Church, Birmingham; and Grace Reformed Church, Taylor. The choir also sang at worship services at the First Reformed Church, Zeeland.

Paul Schaap, junior, who has had two research articles published by the American Chemical Society Journal, participated in the A.C.S. meetings held at the Illinois Institute of Technology and at Alma College in May. He is the son Rev. Arnold '43 and Mrs. Schaap, Edwardsburg.

A National Science Foundation undergraduate researcher, Paul's contributions in the Journal have aroused interest among scientists in the United States, Canada, and in many foreign countries, including Russia and Czechoslovakia. He will continue his research under the direction of Dr. Douglas Neckers of the Hope College chemistry department.

Miss Leslie Clark of Murray, Kentucky, and David Tubbergen, Holland, both violin majors, have been awarded full scholarships to the Yale University Summer Music School. The scholarships cover full tuition and expenses for an eight-week session in the performance and study of chamber music and music theory. Yale's summer music campus is in Norfolk, Connecticut.

Glen Pontier, sophomore from Clifton, New Jersey, took second place and an excellent rating in the Men's Sweepstakes at the Pi Kappa Delta Province Contest of the National Forensics Society. Winner of first place in the Michigan State contest of the Intercollegiate Oratorical Association, he also placed eighth in the interstate finals in which twenty-two states were involved.

Miss Irene Maatman, sophomore from Holland, received an Excellent rating in Discussion. Ron Owens, senior, North Babylon, New York, was given an Excellent rating in Oral Interpretation in the Pi Kappa Delta Contest.

INTERNATIONAL CENTER

Eight Yugoslav undergraduate students pictured with Mayor Nelson Bosman arrived at Hope College on May 21. All are on scholarships provided by the United States State Department, Yugoslavia, and the Johnson Foundation of Racine, Wisconsin.

The students made a direct flight from Belgrade to O'Hare field, Chicago, and were met there and came by car to the Hope campus to attend a week-end orientation for International students. Also arriving were 18 American students who were selected from Great Lakes Colleges to attend the short-term seminar in August and September at the University of Ljubljana, Yugoslavia.

In studying contemporary America, the Yugoslav students will, this summer on Hope's campus, receive instruction in oral and written English, the history of American intellectual thought, contemporary American social, political, and economic ideas and problems, American educational systems and philosophies, and an opportunity to sit in on a variety of lectures presented to the American students in their regular academic program. Discussions and the exchange of ideas will be encouraged. Students will live with American students in the dormitories and will eat with them in the dining halls. During the final two weeks of his stay, each Yugoslav student will be the guest of an interested American family.

Sixty students from 25 colleges are attending the Hope College Vienna Summer school as it begins its second decade under the direction of Dr. Paul G. Fried. The group departed on June 7 from New York aboard the Spanish liner Cabo San Vicente.

The school will open June 16 with a Berlin orientation seminar entitled "Encounter Between East and West." In the separate Eastern and Western study tours, the Eastern tour will emphasize meetings with students, a study of the political climate and cultural heritage. Cities included in the tour will be Prague, Warsaw, Krakow, Budapest and Ljubljana.
The Western tour will concentrate on the development of West European civilization, particularly in the art and architecture of France and Italy. Included in the itinerary will be Strasbourg, Colmar, Zurich, Florence, Venice and Rome.

Following the study tours, the students will begin the six-week academic session in Vienna on July 7. After three weeks of independent travel following the Vienna session, the group will convene in Paris on September 9 for the return flight.

FACULTY ACTIVITIES

Dr. John Hollenbach, on leave this past year serving as Great Lakes Colleges coordinator at the American University at Beirut, Lebanon, will return to Hope and take over the duties of Chairman of the English Department and also those of Director of the Honors Program next September.

Dr. Clarence De Graaf, who has been Chairman of the English Department for 24 years, has resigned the post and will continue teaching as Professor of English. Dr. De Graaf has taught English and literature for 41 years: 34 at Hope College, 4 at Hope Prep School, and 7 at Holland Christian High School.

Dr. Norman J. Norton, assistant professor of biology at Hope, has been appointed chairman of the department beginning in September. He will replace Dr. Philip Crook who requested to be relieved of his administrative duties as chairman in order to devote full time to teaching and research as Professor of Biology.

Dr. Norton, before coming to Hope in 1964, was assistant professor at the University of Minnesota and research paleontologist at the Geologic Research Center of the Humble Oil and Refining Company. He holds the Ph.D. and the M.Sc. degrees from the University of Minnesota. He has been the recipient of three botany fellowships and of several research grants. Several of his papers have been published in scientific journals.

Dr. Robert Brown, assistant professor of psychology has been appointed Director of Psychological Services at the College. Dr. Lars Granberg, acting vice president, previously held that position.

Dr. Norman W. Rieck, associate professor of biology, gave the address at the Hope College Honors Convocation in Dimnent Chapel on May 24. He titled his talk, “When You Care Enough To Send the Very Best.”

Dr. Rieck also gave one of the series of Centennial Lectures sponsored by the Education Department on April 12. “What Kind of Peg Are You?” was his subject.

NEW FACULTY APPOINTMENTS

Dr. William E. Welmers, Professor of African Languages and head of the foreign language program of the Peace Corps at the University of California, Los Angeles, will spend the second semester, 1966-67, at Hope College as Visiting Professor of Modern Languages. On a sabbatical leave from UCLA, Dr. and Mrs. Welmers and son Rick are spending their time from mid-June until January in Africa.

Dr. William E. Bos, presently a member of the faculty of Malone College, in Ohio, will be professor of speech and chairman designate of the speech department.

Dr. Elton Bruin '50, who received a doctorate from New York University, and Robert Palma, currently completing work for a Ph.D. at the University of Edinburgh, will serve as assistant professors of religion and Bible.

Michael Petrovich, a Yugoslav by birth and a former state department interpreter and escort officer will be instructor in history and political science. James Duram who expects to finish doctoral work in June at Wayne State University will also be an instructor in history.

Dr. John Spagnolo, who since 1957 has taught at the American University of Beirut, will join the Hope faculty in September to teach in the history department. Dr. John Hollenbach, now at Beirut, was influential in interesting Dr. Spagnolo in Hope College. He will teach a course in Middle Eastern History.

Kurt Rothmann, native-born German who will receive a Ph.D. from the university of Cincinnati in June, will be assistant professor of German.

Glenn Van Wieren '64, who has a master's degree from Western Michigan University, will be an instructor in physical education during Daryl Siedentop's leave of absence for further study at the University of Indiana.

Dr. John Barlow, coming to Hope from the University of Indiana, will be an associate professor in the psychology department.

Dr. Claud Crawford, who has a doctorate from the University of Wisconsin, will serve as professor of education. He is currently at Knoxville College, Tennessee.

James Zoeteway, now completing his work for a Ph.D., will be assistant professor in the political science department.

Dr. Dwight Smith, now teaching at Wesleyan, Connecticut, will be an associate professor of chemistry.

Dr. Richard Brockmeier '59, on a post doctoral fellowship at California Institute of Technology, will be assistant professor of physics.

Daniel Paul '50 resigned as principal of Beechwood School, Holland, to become assistant professor of education in September.

Warren Vanderhill '60 former Hope College basketball star, will join the faculty in the fall to teach in the history department. He has been teaching American History at Ball State University where he was also teaching courses for the Honors Program.

ADMINISTRATIVE APPOINTMENTS

Larry Ter Molen '59, who was Hope's East Coast representative during the past year, has been appointed director of foundation and business relations.

John Tysse '60, formerly of the admissions staff, has been named coordinator of the Centennial Homecoming for October 1966.

Stuart Post was appointed in March to the post of Director of Church and Community Relations. He has had fifteen years of experience in sales and sales managing in the graphic arts industry and was Youth Director at the Garfield Park Reformed Church in Grand Rapids.

Robert N. De Young '56, appointed associate director of admissions, served two years on the admissions staff at
Grand Valley State College. Prior to that he was assistant
director of admissions and financial aid for three years at
Michigan State University. He has an M.A. degree in
counseling from Western Michigan University. He has
also done work toward a doctor's degree in student per-
sonnel work at Michigan State.

**HOPE WINS ALL-SPORTS TROPHY**

By John Tyssse '60

Hope College Athletes won the MIAA all-sports trophy
for the sixth time in history. This is a fitting event as
Hope College celebrates its Centennial Year. The trophy
title was determined at the MIAA Field Day which was
hosted for the first time at the College.

Hope won the all-sports trophy in 1964 and Albion
won the event last year. Again this year, it was a battle
between the flying Dutchman and Britons.

Hope finished with 64 points while Albion was second
with 55. Hope finished first in track and baseball, second
in basketball and tennis, tied for second in football, fourth
in golf and tied for fourth in cross country.

Hope won the all-sports trophy for the first time in
1936-1937 and again in 1946-1947. The Dutchmen won the
award in back-to-back years in 1953-1954 and 1953-1954
and in 1963-1964.

The year was filled with outstanding accomplishment
and team efforts.

Hope’s football team ended the season in second place
with an over-all 4-4 record. Roger Kroodsma and Bill
Keur were members of the all conference team. Bill Keur
led the conference in scoring.

In basketball, Hope compiled a 13-9 record averaging
82.3 points per game. Senior Clare Van Wieren led Hope
with 493 points and a 22.4 average. Floyd Brady was
second with 384 points and a 17.4 average. Brady led in
rebounding with 268. Both Brady and Van Wieren are
all-conference representatives.

MIAA all-conference representatives Craig Workman,
Lance Stell and Ron Visscher led the College tennis team
to a second in tennis.

Hope College’s golf team finished second in the 36-hole
MIAA Field Day and took fourth place in the over-all
standing.

In baseball, Hope won its second straight champions-
ship. Lance Stell, Ron Visscher, Craig Workman and Rog
Kroodsma were named to the MIAA all-conference team.

For the third time in its history, Hope College's track
team won the MIAA championship. The team finished
the dual meet season unbeaten and the win at the MIAA Field
Day climaxed an outstanding season.

Doug Formsma, 21 year-old, Zeeland Junior, set an
MIAA record in winning the two-mile with a time of
9:47.0. Ray Cooper, sophomore from West Paterson, New
Jersey, took first in the 100 and 220 at the MIAA Field
Day with times of 9.9 and 22.2 respectively.

The season’s tale of glory could go on and on. There
has been a real team spirit with all of the teams and a
great desire to win. Our hats are off to the teams and
coaches, Green, Hilmert, DeVette, Siedentop and Brewer.
A job well done!

---

**WEDDINGS**

Janet Louise Tillman '60 and Donald Johnson, May 1,
1965, Grand Rapids.

Janet Louise Owen '60 and Joseph Louis Polack, July

Audrey E. Prins '64 and David L. Rasmussen, April 9,

land.
CLASS NOTES

1909

Dr. Wynand Wichers is the author of a booklet entitled *The Dutch Churches* in Michigan During the Civil War. It is a 1966 publication of the Michigan Civil War Centennial Observance Commission. Dr. Wichers' brochure is one of a series dealing with the participation of Michigan in the War and the effect of the War on peace time activities of individuals and organizations.

1921

Theodore O. Yntema, now a consulting economist to various companies and visiting professor at The University of Chicago, Carnegie Institute of Technology, and Oakland University (Michigan), was elected to the Board of Directors of *Encyclopaedia Britannica*, Inc., in April.

Dr. Yntema is a director of Bell & Howell Company, Huyck Corporation, National Bureau of Economic Research and the National Industrial Conference Board. He is a trustee of the Committee for Economic Development and chairman of its Research and Policy Committee, a trustee of the University of Chicago, Carnegie Endowment for International Peace, Cranbrook Institute of Science, Cranbrook Academy of Art and the Tax Foundation.

1923

James W. Neckers, professor of chemistry at Southern Illinois University, has been elected by the American Chemical Society's Southern Illinois section to represent it on the Society’s national council. The council is the governing body of the 103,000 member society.

1926

Rev. Theodore Essebaggers and Mrs. Essebaggers, missionaries of the United Church of Christ (USA), left New York June 22 to return to India.

At the request of the United Church of Northern India, Mr. Essebaggers has been assigned to inaugurate a program of stewardship education for the Church's members and congregations. The Essebaggers will live in Bombay.

Gladys Kleinheksel Kleinschmidt, M.D., has been appointed medical director of the Mid-Michigan Health Department as of July 1. Mid-Michigan includes Clinton, Gratiot and Montcalm Counties. She is a graduate of the University of Michigan Medical School.

1929

Otto Yntema, former vice mayor and currently a commissioner of the City of Kalamazoo, has been named recipient of Sertoma’s Service to Mankind Award for 1966. This Award, presented at Sertoma's 5th Annual Service to Mankind banquet in April, is given each year to a Kalamazoo citizen in recognition of his unselfish efforts.

Mr. Yntema has served in education, public administration and civic affairs. He was the first president of the Adult Education Association of Michigan and a former president of the Michigan Congress of Parents and Teachers and the American Association of Field Services in Teacher Education.

Joining the faculty of Western Michigan University in 1936 when the enrollment was 1,800 students, Mr. Yntema is now director of the office of Adult Education and director of extensions at WMU.

He has been honored for his work with PTA and other educational groups and, in 1965, he was awarded an honorary Doctor of Laws degree by Central Michigan University.

A native of Drenthe, Dr. Yntema taught school at Jamestown, and at Hope College before becoming a member of the WMU's history department.

In presenting the award, the Sertoma Club cites Yntema as having "dedicated his life to the better education of our American youth and in so doing, has contributed a great deal to the strength and mental resources of this country's future leaders."

1930

Julia Van Oos Oosting is serving a three year term as president of the Ohio Synodical Women, Presbyterian Church. She and her husband, Melvin, M.D., took a trip around the world early this year visiting the Presbyterian Missions en route. Their longest visit was, however, with their daughter and son-in-law, Rev. and Mrs. William H. Hoffman, both '59, who serve under the Church World Mission Board of the Reformed Church in Ranipet, South India. William is Chaplain at Scudder Memorial Hospital.
and Mary Jane is a medical technologist. The Oostings spent two months there assisting in the mission’s work in several ways.

1931

Lester S. Vander Werf, Ed.D., for the past 12 years Dean at Northeastern College of Education in Boston, will become, on July one, Dean of the Graduate School of Education at Long Island University. The Education Department is on the campus of C. W. Post College (a part of L.I.U.) at Brookville.

Paul J. Brouwer, Ph.D. and his wife, Tress, will attend the International Psychology Congress in Moscow in August. They then plan to go on around the world. They are also building a new house in the Cleveland area.

1935

Wilma Rottschaefer Van Wieren and her husband Kelly, have attended more Hope basketball games in the past six years—in and out of Holland, than anyone except Coach De Vette, and for good reason. They are the parents of Glenn ’64 and Clare ’66 who have stoodouts on the teams starting in 1960 and continuing through the past season.

Both Clare and Glenn have been in the Hope news this spring. Clare was named to the all-MIAA first team, and won the Randall C. Bosch award as the most valuable basketball player. He also played first base on the baseball team. He was presented the Otto van der Velde Gold Key, the all campus award, at commencement.

Glenn, who was an all-conference basketball player for two of the four years he played basketball and also an all-conference baseball player, has just accepted a post on the Hope physical education staff. He has been supervisor of the elementary physical education program in the Grand Haven public schools.

The Van Wieren’s daughter, Carrie, has just finished her first year at Hope. People have overheard freshmen women raving about the way she, too, plays basketball.

Mrs. Van Wieren teaches in the elementary grades of Apple school in Holland. Her husband operates Van Wieren Realty. They live at 283 Oakwood.

1937

The Rev. A. A. and Bernice Mollema Dykstra have accepted a call to become managers of Kirkside, the Reformed Church home for the aging at Roxbury, New York, beginning July one.

Kirkside is in the process of expanding its services through the remodeling of a home in Rosendale, New York, which, completed, will provide housekeeping apartments for retired ministerial and missionary couples of the Church. The managerial responsibilities of Mr. and Mrs. Dykstra will include oversight of the new Rosendale project.

1949

Ernest H. Post, Jr., who joined the faculty of Juniata College in 1959, was promoted to the rank of associate professor of history at the June commencement exercises. He also serves as coach of the tennis team and was a former assistant coach of football.

His dissertation for his Ph.D. degree, awarded in June, is titled: “A Century of Ecumenical and Unionist Tendencies in the Reformed Church in America: 1850-1950.”

A lieutenant-commander in the U. S. Naval Reserve, Dr. Post has been assigned to two months duty in Washington, D. C., this summer in the Department of Naval History.

Robert Latimer has been appointed a vice-president of McManus, John and Adams Advertising Agency, Detroit. Last year he traveled to Europe to work on accounts for his Agency, one of the largest in the world. Some of his advertisements have appeared in Fortune, Time and other national magazines. He and his wife, Cathy, have a son and three daughters. They live at 15654 Birwood, Birmingham.

1950

Dell Koop signed a contract in April for his second season as a National Football League official. For television viewers, Dell can be identified by his number 44. Assigned as an umpire for the season, he will be located behind the defensive line—one of six officials working every game.

A well-known official, Dell started officiating in 1946 and has refereed many high school games. He officiated in the MIAA for three years, the Mid-American Conference since 1958, a few years in the IIAC and the PAC and three years in the United Football League, where he served as an official team crew chief.

Beginning his 20th season as an official, he will attend an extensive four-day clinic conducted by the supervisor of NFL officials and covering every phase of “officialdom.”

His assignments, Dell said, will be made one game at a time with no limitations as to where he may work. Last year he officiated nine regular games and three pre-season games and served as a “swing-man” on the 45 member NFL officiating team. He was an umpire and worked with five other men in each game.

Working regular season games in 1965, Dell was assigned to Los Angeles and Philadelphia twice. He made one trip to San Francisco, New York, Baltimore, Pittsburgh, and Chicago. His pre-season schedule took him to Detroit, St. Louis and Green Bay.

As umpire, playing behind the defensive line, Dell has to keep a constant check on the five interior linemen, watching for ineligible receivers downfield. His officiating consists of calling the interior line play, illegal procedure and holding. He also calls the “bullet” pass plays over the line.

As for spirit in the pro games, Dell said the pros have a great personal pride and that supplies the incentive and enthusiasm. Competition is keen and this results in outstanding performances, he said.

“My ribs are sore just listening to those guys hit,” Dell said.

Many Holland residents saw Dell get knocked down in the Los Angeles-Cleveland game last December. It was the third game of the season that he was “downed.” “We don’t wear any equipment,” Dell said, “and in the Rams-
Browns' game I was on the bottom of a pile with eight guys on top of me." This has not, however, intimidated Dell. He's looking forward to the 66 season!

On home base in Holland, Dell has been a buyer for General Electric for the past 12 years. Alumni will remember that he played football at Hope in 1946 and also lettered in golf and track that same year. He played semi-pro football for the Holland Hurricanes in 1948-49.

Koops' son, Dan, an engineering student at Michigan, has officiated for four years also and the father-son team have worked together several times. But under NFL rules, an official is allowed to only officiate NFL games.

The Koops have two other children, Mike, 19, and five-year-old daughter Konnie. They live at 121 East 32nd Street.

*Walter Smith*, case work supervisor for the New York City Bureau of Child Welfare, told of an interesting coincidence which occurred when he and his wife, the former Esther Cook of Holland, were hosts to four members of the Chapel Choir in April. By coincidence one of their guests lives in Mrs. Smith's sister's trailer park (Mrs. John Elgersma) in Holland. Small world!

Mr. Smith has done graduate work in social welfare at Fordham graduate school. He also moonlights on Saturdays, delivering fresh killed chicken to Jewish, Italians and Chinese customers in New York City.

The Smiths have two daughters, Elyse, 15 and Karen, 6.

*Milton J. Ten Have* assumed a pastorate of three Methodist churches in the Manistee National Forest last summer. Starting at 8:45 in Harrietta, he does three complete services including also Brethren and Mesick. This makes a 52 mile circuit. He and his wife, Mary, have four children, Dawn 8, Harold 6, Katherine Mae 2, and Milton James, Jr., real new.

1951

*Elmer Vrugink* is employed by the Grand Rapids Board of Education as Director of Instruction for all public schools in the city.

*Albert J. Boers* became affiliated with the Hertel Insurance Agency, Holland, as Associate Agency Manager, effective June 1.

1953

*Phyllis Vander Schaaf*, housewares copy writer for Macy's, and a member of the Naval Reserve, holds the Navy Expert Pistol Shot Medal and recently became the women's state indoor pistol champion of New Jersey. Another of Miss Vander Schaaf's avocations is singing in St. Bartholomew's Episcopal Church Choir. This Choir directed by Jack Ossewaarde of Kalamazoo, performs a major work every Sunday during the winter.

1954

*Richard K. Weisger* assumed the responsibilities of Principal of Coolidge School—elementary, in Wyckoff, New Jersey in January 1965. Mrs. Weisger, Janet Baird '58, attended Hope for two years and went on to Columbia University School of Nursing. She is now studying voice at Juilliard School of Music and does solo work before many groups in New York and has appeared on TV. She delighted the New York Alumni Club at the annual meeting at Paramus Church, Ridgewood, New Jersey, in May.

*Dan and Myra Saunders* '53 De Graaf will mark the fifth season of their Tadow Gallery of Fine Art at 6253 South Shore Drive, Whitehall, this summer. The success of their venture has dictated expansion. They have just announced the opening of two new galleries; one, the Macatawa Art Gallery in the shipyard area at 2200 South Shore Drive; two, the Harbor Springs Gallery on the second story of a building that overlooks the bay at the corner of Bay and Spring Streets. Their Whitehall Gallery will continue at the same address.

1956

*Thomas Ten Hoeve*, Ph.D., has been appointed acting president at Northwestern College by the Board of Trustees. He has served as academic dean during the past year. The interim appointment took effect on June 1 and will continue until a permanent appointment for president can be made to fill the vacancy created by the resignation of Dr. Preston J. Stegenga '47.

Dr. Ten Hoeve has been on the staff of Northwestern since 1958. He has an M.A. from the University of Michigan, and a Ph.D. from the University of Toledo. He has also taken graduate courses at Western Michigan University, North Carolina State College and Purdue University. He is a member of various professional education associations and is active in community affairs.

Mrs. Ten Hoeve is the former Sue Underwood '57. There are three Ten Hoeve children.

1957

*Ann Bloodgood Rowell*, Red Bank, New Jersey, will give an organ recital on July 13 in the summer series of Columbia University, New York City. *Leonard Rowell* is minister of education, First Methodist Church in Red Bank and is working on his Masters of Religious Education at Union Theological Seminary.

*John R. Soeter*, M.D. has been awarded the Winchester Fellowship in surgery at Yale Medical Center following two years in the Navy.

*James Baker*, M.D., following five weeks of basic training at Ft. Sam Houston in San Antonio, is stationed at Ft. Campbell, Kentucky, as pathologist in the base hospital. His wife and two children, Susan, 4 and Stephen, 3 are with him. Dr. Baker was called into service from a residency in pathology at Mayo's. He has one year's work remaining to complete the residency.

*Rev. John J. Kotun*, minister at the First Reformed Church of Scotia, New York, has been acting as volunteer chaplain for the men of the 389th Regiment, Army Reserve based in Schenectady. Hearing of the need of a chaplain for 80 recruits who would be in training during Sunday drills, Rev. Kotun volunteered to hold services on Sunday drill dates for the men. This added task makes Sunday a busy day for him. With two morning services in his Scotia church, he then meets with officers and men of the "Mohawk" Regiment at 1:30 in the afternoon. His comment, "These Sunday services at the Reserve Center
are a great opportunity to speak to this age group and to meet and speak with mixed religious groups."

1958

Bud and Janet Kinney '56 Ortquist moved to Beacon, New York, on June 17 after four years in a Brooklyn, New York, pastorate. They have six children: Melissa 8, Merideth 7, Eric 6, Evan 5, Brenda 4 and Brynne 2.

William C. Waggoner, Ph.D., has joined Unimed, Morristown, New Jersey, as Assistant Director of Research. Dr. Waggoner earned his Ph.D. in Physiology at Michigan State University in 1963, and prior to going to Unimed was Research Projects Coordinator at Colgate-Palmolive Research Center, New Brunswick. His interest in research has already resulted in 12 publications that he either authored or co-authored.

1959

Edward Westerbeke graduated from Wayne State University Medical School on June 9. He will intern at Butterworth Hospital in Grand Rapids starting July 1.

Janet Klaassen is Mrs. Westerbeke.

1960

Janet Tillman Johnson is completing her third year of kindergarten teaching in Grand Rapids. She formerly taught in South Haven for two years. She plans to continue her work in Grand Rapids next year.

Walter K. Franke has received one of five Lieber Teaching Associates Awards from Indiana University. He is studying for his Ph.D. degree in German, and has taught undergraduate courses at the University for four years.

Robert Franken, Ph.D., has received a research grant of $3,000 from the National Research Council of Canada to study the relation between exploratory behavior and latent learning. In addition, he received $450 from the University of Alberta to do some exploratory work studying the effects of Strychnine upon memory consolidation in a complex learning task.

This summer Bob will attend the Western Psychological Association meeting in Long Beach, California, and the International Congress of Psychology meeting in Moscow, Russia. On the trip to Russia he will stop in England to visit friends at both Cambridge and Oxford. He is hoping to be able to visit the Psychology Laboratories at both places.

F. T. Smith III accepted appointment as executive director of Allied Agencies, Inc. a new service center for physically and mentally handicapped to be built in Peoria, Illinois, as of June 15.

Formerly director of the TB Association in Peoria since August 1963, Tom also directed the TB case detection program, "Operation Doorstep" in that city. The new project, of which he will be director, will cover eight existing community agencies. They are Crippled Children, Retarded Children, Heart of Illinois, Cerebral Palsy, Community Mental Health, Arthritis and Rheumatism, Cystic Fibrosis, Alcoholism.

A story by Jim Kaat, Minnesota Twins pitcher, appeared in the May issue of Youth Highlights, a publication of the Division of Youth Education, Reformed Church in America. Last fall, American League players voted Jim the outstanding defensive pitcher in the circuit, for the fourth straight season. For this reason he received the Rawlings-Sporting News' Gold Glove Award. During the off-season, Kaat engages in a number of activities, primary among them being his work as a radio sportscaster and his role of public relations representative for Cloverleaf Creameries, Inc., Twin Cities.

1961

George D. Boerigter, B.D., received second in the Sermon Content for the George N. Makely Prizes at Western Seminary graduation ceremonies. He will serve Bethel Reformed Church, Sterling, Ill.

Keith Van Hoff is an attorney with the Fair Trade Commission in Los Angeles. Following his graduation from Law School, University of Michigan, he took a year of graduate work at George Washington University. He has been admitted to the Bar in Washington, D. C. and Maryland.

A Mr. William E. Turney, Sales Representative of the American Seating Company, 901 Broadway, N.W., Grand Rapids, has written to the College that one of their sales managers found a Hope College class ring in the Newark, New Jersey, Airport. The ring is inscribed on the inside with either G.C.M. or G.C.H. The loser may retrieve the ring by writing Mr. Turney.

1962

David Maris took second for Middlers at Western Seminary in the Vander Poel Church History Prize.

Fields of service for Western Seminary graduates include: Harold Brown, Trinity, Brown Deer, Wis.; Bernard Ekema, Harrison, S. D.; Karl Overbeek, North Grand Rapids Extension, Flint; Stanley Vugteveen, Chicago Classis Extension; Sherwin Weener, First Astoria, Long Island, N. Y., and Paul Zoschke, First, Racine, Wis.

Nancy Sonneveldt has just received a $2,000 fellowship from the Michigan State University College of Arts and Letters which she will use in 1966-67 to continue to complete the bulk of her remaining studies for the Ph.D. in English.

Keith Nykerk has been awarded a teaching assistant-ship in chemistry at the University of Iowa. Having his masters degree from Southern Illinois University, he will now continue his work toward a Ph.D. in the field of inorganic chemistry, specializing in organo metalics. Following the attainment of his masters in 1964, Keith worked for two years as a research chemist at Nalco Chemical Co. in Chicago.
1963

Franklin E. Spoolstra took second in the Sermon Delivery category at Western Seminary’s graduation; Lewis R. Scudder, III, first, George Beukema, second, in Systematic Theology.

Western graduates and their fields of service are: George Beukema, Calvary, Cleveland; Jack Cooper, First, Amsterdam, N. Y.; John Foas, Silver Creek, German Valley, Ill.; Kenneth Hartgerink, Charles Mix First, Platte, S. D.; Wayne Kiel, Peace, Middleville; Edward Selly, Youth Minister, Second, Zeeland; Lewis Scudder, under appointment of Board of World Missions; Franklin Spoolstra, First, Three Oaks; Larry Teitsma, graduate study; Donald Vaucairens, Baileyville, Ill.

Frank Villerus, just graduated from New Brunswick Seminary, will serve the South Branch Reformed Church, New Jersey; Norman Tellier, the Coeymans Reformed Church, New York.

Martha Faulk Huyler is employed by the Arlington Virginia County School Board as a programmer. Her husband, Richard ’65, was commissioned on March 18 as a Second Lieutenant in the U. S. Marine Corps. He attended Basic School at Quantico, Va.

1964

John Ekema, new Western Seminary graduate, will serve Free Grace Church, Middleberg, Iowa.

Jack White took first for Middlers in the Vander Ploeg Church History Prize at Western Seminary in May.

John L. Elve, M.A., will be an instructor of English at Cuyahoga Community College in Cleveland, Ohio in the fall.

Helen Rose, M.S.W., has accepted a position with the Family Service department of the Salvation Army in Brooklyn, New York.

Douglas Tozopeus is stationed at Fort Lesley J. McNair base, Washington, D. C. He is assigned to the Academic Research Service Inter-American Defense College. He also takes courses in international affairs at George Washington University.

Ann Geerlings Wylie was initiated into the Hope College Epsilon Pi chapter of Sigma Delta Pi, national Spanish honor society, as an honor member in late May. Ann has been teaching at Hope this past year while other members of the Spanish department have been on leave. She is spending the summer in Spain and plans to teach at St. Cloud State Teachers College, Minnesota, in the fall.

1965

Richard Bennink took first in the Junior category of the De Kleine English Bible Prize at Western Seminary in May.

1966

Dennis W. Calin was appointed Holland police juvenile officer by Police Chief Leslie Van Beveren on June 6. He was sworn in on Commencement Monday afternoon and his appointment was immediately effective.

Dennis was selected from nine candidates for the post who took a series of written tests and oral interviews. As juvenile officer he will handle all cases involving persons under 17 years old.

JULY, 1966

BIRTHS

Richard K. ’54 and Janet Baird ’58 Weisger, Carin Dorothy, September 13, 1965, Wyckoff, N. J.

Donald E. and Ellyn Arendsen ’59 Martin, Shauna Jean, March 11, Denver.

Rev. Bruce ’62 and Mary Folkert ’64 Laverman, Mark Bradley, January 4, Sheboygan, Wis.

Wayne ’58 and Joyce Ver Schure ’58 Nyboer, Sheryl Elizabeth, February 17, Holland.

Jack ’50 and Marian Dale ’47 Hoekstra, adopted David Mark, age 7 weeks, March 18, Kalamazoo.

Rev. Milton J. ’50 and Mary Ten Have, Milton James, Jr., March 30, Brethren, Mich.

Richard and Marilyn Kortenhoven ’59 Hanson, Richard Herman, April 6, San Bruno, Calif.

Seth and Hetty Vos ’59 Crews, Stephen Willem, April 9, Woodstock, N. Y.

Frederick ’62 and Dora Sue Hensel, F. R. Hensel, Jr., April 12, San Diego.

Charles ’57 and Jane Jarvis ’56 Pettengill, Todd Clark, April 18, Hagaman, N. Y.

Rev. Roger M. ’57 and Bernice Leonard, Katherine Jean, April 19, Kingston, N. Y.

Kenneth ’51 and Nancy McConnell, Kendra Ann, June ’62; Mark Thomas, October ’64; Mary Elizabeth, May ’66, Pontiac.

Bruce ’59 and Doris Taylor ’62 Brumels, Kirk Alan, May 19, McBain, Mich.

Rev. Donald ’55 and Christine Cloetingh ’56 Baird, David Russell, May 28, Massapequa, N. Y.

Gerald and Martha Proos ’62 Lovell, Susan, March 8, Grand Rapids.

Dwayne “Tiger” ’58 and Shirley Teusink, Michele Ann, May 23, Jackson.

Lowell ’61 and Leona Jansen ’61 Seymour, Kathryn Joanne, June 20, 1966, and David Lowell, November 9, 1964, West Caldwell, N. J.

Bruce ’60 and Lucy Vander Mel, Eric Christian, May 23, Syracuse.

Thomas L. ’61 and Mary Ellen Bos, Jon Stuart, April 15, Grand Rapids.

Rev. John R. ’60 and Sharon Van’t Kerkhoff ’60 Kleinheksel, Leslie Grace, June 28, South Haven.

John and Caryl Curtis ’52 Ewart, Julie Ann, June 3, Elykhat, Ind.

Bruce ’62 and Ruth van Leuven, Katherine, June 25, Columbus, O.

Continued from Page 5

world has not changed in its fundamentals, and demands conformity or permits or tolerates the most extreme eccentricity. One can view his world through rose-colored glasses as William Saroyan does in such books as My Name is Aram. He can view it as a great many leaders have in the past. For example, William Pitt said in the close of the 18th century, "There is scarcely anything around us except ruin and despair." At the beginning of the 19th century Bishop Wilberforce said, "I dare not marry, the future is so dark and unsettled." In 1848 Lord Shaftesbury declared, "Nothing can save the British Empire from shipwreck." In 1849 Disraeli said, "In industry, commerce and agriculture there is no hope." In 1851 the Duke of Wellington on the eve of his death thanked God he would be spared from seeing the consummation of ruin that is gathering about us." In 1919 Lord Grey said, "Everything is turning to convulsions." In 1921 Bertram Russell said, "In ten years Europe is sure to be a piffling unregarded continent." But one might better look toward Shakespeare who said that "Fears do make us traitors." Evidence abounds around us to indicate that each one of these capable people was proved wrong. Each one of them, of course, was correct that his age was permeated with problems, but this is true of every age, including our own.

What we need make absolutely certain is that in attempting to find solutions to problems and in developing courses of action that we are not led in the wrong directions, either for the right or wrong reasons. In this respect it is noteworthy that each one of the French revolutions, all of which supposedly were to provide more freedom for the French people, actually gave fewer freedoms and left France and its people decimated and laid the ground-work for the disastrous reign of Napoleon. The history of the world has shown time and time again that as people have sought security and freedom for the wrong reasons or by the wrong means they have actually lost them because they progressed toward anarchy. Many of the events in the French revolutions were anarchistic, just as many of the events in our own society among labor unions and the supporters of civil rights and so-called freedom of speech are. Indeed many of the actions of college students on campuses recently have been anarchistic in nature.

Riots, demonstrations, sit-ins, teach-ins, and all related activities cannot become a way of life in a democratic society if that society is to survive. William Faulkner correctly assayed the situation when he said that he dared not be a rebel in youth for fear he would be a conservative in old age. To support such activities through civil disobedience and other unlawful means, reveals a lack of understanding of the tenets, both religious and governmental, which have sustained man through the ages. Let us not be deluded that those who participate are doing so for altruistic or spiritual motives. For the most part the reasons are selfish, demagogic, and immature: they ignore rather than support the well-being of mankind. The means regardless of the end, even if the end is good, cannot be justified and provides a wrong basis for the revolutions deluging us.

And we are in the midst of several kinds of revolutions. The exact nature of these is yet to be determined. The total effect of them is as yet almost completely unknown. But if the materialistic concerns of our society continue to overpower the spiritual ones, these revolutions may leave us as a people and a nation in a position comparable to that of France at the beginning of the 19th century immediately after its revolutions even though ours may appear to involve different forces and reasons. These monumental changes include technology, economic processes, civil rights, religious questionings, unionism and governmental participation in and control of many areas of our lives. In any event, despite our not having been able to arrive at a name for the forces, they are realistically existent and will be tremendously important in the decades immediately ahead.

One of our fundamental concerns should be the degree to which you will be able to adjust and tolerate or change the actions that have been initiated. If you think your life can be secure through a job, or through money, or through any of the various processes related to the areas just mentioned, unless they support the dignity of the human being, you will simply be continuing the kind of superstitions and delusions that have been evident through the ages. Only as the individual has understood and supported high moral and spiritual codes has he been secure. Security does not exist in nature. It has never existed in children nor have adults necessarily been assured of it. Avoiding a danger is often no safer in the long run than outright exposure to it. Life is
either a daring adventure or it is nothing. Serious harm has been brought to our generation by fostering the idea that it can live secure in a permanent order of things. They have expected stability and found none, either in themselves or in the universe. Before it is too late our generation and yours must learn and must teach each other that it is only by brave acceptance of change and the usual crises that the individual can be secure in himself and can support the broadest and soundest kinds of responsibilities. Reliance upon any other idea or principle or any other course of action will lead to disappointment, disillusionment, and petulance. It is the former that will create success. It is the latter that will make people vain, pessimistic, egotistical and self-complacent. It is the successful ones who for the most part are humble, tolerant and kind because they have known the fruits of accomplishment and meaningful participation. They know that when they point the index finger of blame at someone else that if they look at their hands they will see that three fingers are pointing to themselves. They know that hardship is a part of life and that fundamentally it is the only thing that really causes one to mature and that what makes us discontented with our conditions is the absurd idea we have of the happiness of others.

Whatever the endeavor it must have breadth to establish a basis for understanding the enormous achievement of mankind as well as whatever futurity shall reveal; depth to see comparisons and relationships, to discover meaning and establish value; and height to awaken the creative power to stir the imagination to give wings to thought and nobility to act.

The bridge of security cannot be crossed until you come to it. The best way for there to be one to cross is for you to lay down a pontoon ahead of schedule. To make certain that the pontoon will be there you must possess mature understanding and not delude yourself that thinking about it as the young are sometimes prone to do is equivalent to doing it, that talking about it as a fool is sometimes prone to do will produce it, or that as the old are sometimes inclined to do on occasion substitute reminiscence for reality. There is just no course of action and no psychology by which a man can do a thing which he thinks he cannot, nor complete something which he does not start, but if he plans, takes a course of action and supports its consequences, then and only then can he be secure.

Such planned orderliness will produce a condition described by Confucius in his Analects.

At fifteen I set my heart upon learning.
At thirty, I had planted my feet firm upon the ground.
At forty, I no longer suffered from perplexities.
At fifty, I knew what were the biddings of heaven.
At sixty, I heard them with doleful ear.
At seventy, I could follow the dictates of my own heart:
For what I desired no longer overstepped the boundaries of right.

If you are looking for a formula for living your life, I suggest the following from an unknown author.

Take time to work—it is the price of success
Take time to think—it is the source of power
Take time to play—it is the secret of youth
Take time to read—it is the foundation of knowledge
Take time to worship—it is the highway to inner strength
Take time for friendship—it is the source of happiness
Take time to love—it is the sacrament of life.

Advanced Degrees

Robert J. Hoffman, M.A. Sociology, Western Michigan U., April 16.
James Clark '58, Ph.D. English Language and Lit., U. of Michigan, April 30.
Jean Kemp Bilyeu '61, M.A. Special Ed., Western Michigan U., April 1966.
Thomas G. Bos '61, M.A. Teaching Science, Western Michigan U., April.
Calvert L. Curlin, M.B.A., Western Michigan U., April.
Joseph H. Mayne '64, M.A. Mathematics, Western Michigan U., April.
Judith A. Roe '63, M.A. Political Science, Western Michigan U., April.
James Rozeboom '61, M.A. Teaching Science, Western Michigan U., April.
Richard D. Stewart '61, M.A. Teaching Science, Western Michigan U., April.
Representing Hope College

Clifford E. Paine, Jr. '49 at the installation of Philip J. Gannon as President of Lansing Community College, June 12.

Marilyn Failor Aster, at the inauguration of Reverend Ray Pearson as President of Andover Newton Theological School, September 30.

Dr. Harold J. Craw '39 at the inauguration of Albert Warren Brown as President of The State University College at Brockport, New York, May 19.

Dr. Stuart Yntema '18 at the first commencement and ceremony installing Dr. Marble as First President of Saginaw Valley College, University Center.

Hattie Vermeer Mol '20, at the inauguration of Glen Leggett as President of Grinnell College, April 17.

DEATHS

Gertrude Beltman Aalberts '34, wife of Rev. Gradus A. Aalberts '34 of De Motte, Indiana, died on January 29 in Valparaiso, Indiana. A member of the Hope College Board of Trustees 1956-1959, Mrs. Aalberts had assisted her husband in Michigan, Iowa and Indiana pastorates.

She is survived by her husband, and two daughters, Margaret at home and Myrna Aalberts '63 Van Solkema, Byron Center; a brother, Clarence Beltman, Holland.

Bess R. Wiersema, class of 1913, of Chicago, died on March 25 in Chicago.

Rev. John J. Van Strien '14 died after a long illness on May 9, at Falmouth, Massachusetts. He had served Reformed Churches in New York and New Jersey. After his retirement he served as minister of the Congregational Church of Waquoit, Cape Cod. His survivors are his wife, Cornelia Bouma '14, two daughters, two sons, and a brother, Dr. David Van Strien '09 of Weeks Mills, Maine.

Monte Emmons, director of the Hope College orchestra in 1929, died in Holland on May 13. Among his survivors are his wife, Harriet Schurman '30, two sons, Craig Emmons '60 and Stuart Emmons '65.

Nella De Jongh, class of 1930, a nurse at Hart & Cooley in Holland for the past 20 years died at Blodgett Hospital in Grand Rapids on May 20. Among her survivors are a sister, Katherine Frundt '33, and a brother, Harold De Jongh, both of Holland.
Stell, Lance Keith, Chicago, Ill., cum laude, plans not reported.

Stieless, Edward A., Redlands, Calif., Naval Officer Training, Newport R. I.

Strong, Frederick Smith IV, Bloomfield, teaching sec., Muskegon.

A once in a century event to present the highest and finest of academic, entertainment, and spiritual experiences for the students, faculty, alumni, parents, friends, and the community of Holland.

The program will commemorate the past history of the College and dramatize Hope’s unique role in the future of higher education.

The keynote address will be made by a well-known public personage on Wednesday, October 12, in the Civic Center. An outstanding educator will discuss the theme at an evening meeting in Dimnent Chapel October 13.

Friday’s program will be Round Table Discussions, under noted guest leaders, on the theme, in religion, history, science, philosophy, political science. The evening will be devoted to an Ox Roast dinner — a glorified Hope College Kletz Concert plus fireworks.

Saturday — the traditional Homecoming events — Parade, Luncheons, Football game, Hope vs Albion, Awards Dinner, Unveiling of Master Plan for future Campus.

Sunday — Worship services in Dimnent Chapel in the morning. A concert of music in the afternoon.
