History

In 1953, a group of people felt the need for a third Reformed Church in Zeeland. The first worship service was held on November 15, 1953, in the Lincoln School. On March 17, 1954, the group adopted the name of Faith Reformed Church. Rev. Edward Tanis was installed as their first pastor on January 21, 1955. Ground breaking for the new sanctuary took place June 26, 1957, and dedication of the building took place May 28-29 of 1958. Two additions were constructed, the latest being the Family Life Center, completed in 2002.

Scope and Content

The collection contains consistory records, member records, directories, anniversary programs, financial records, photos and videos. The folders are arranged alphabetically.
