**W90-1026.** Easter Sermon Project.  
Records, 1990, 1995. 4.25 linear ft.

Abstract

Materials include manuscript sermons, audio cassettes, video cassettes, bulletins, and letters from 192 Reformed Church in America congregations in 22 states and provinces throughout the United States and Canada. All sermons were preached on Easter Sunday, 1990 and 1995.

Accession No.: W90-1026  
Provenance: Easter Sermon Project  
Donor: Various RCA Churches  
Processed by: Chad A. Boorsma, May 1992  
Allyson Boggess, September 1998

History

The project, "A Day in the Life of the RCA," was sponsored by the Joint Archives of Holland, Western Theological Seminary, and the Hope College Religion and Sociology Departments. The purpose of the project was to represent the full range of preaching in the Reformed Church in America and to compare preaching styles on a specific subject, namely, Easter Sunday.

Scope and Content

The collection consists of manuscript sermons, audio cassettes, video cassettes, bulletins, and letters from the RCA churches who participated in this project. The container list is arranged alphabetically, first by the state or province, then by city and church. Churches in the United States are listed first followed by the churches in Canada. Also included are the names of the ministers who preached the sermons and the types of materials received from the individual church. The manuscript sermons, letters, and bulletins are located in Box 1, the video cassettes are located in Box 2, and the audio cassettes are located in four small filing drawers. The 1995 manuscript sermons are located in Box 8-9, and audio/video cassettes are located in Box 10.
