Abstract

The original Alcor group was formed as a project by the Senior Girls Association (SGA) during the 1936-1937 school year, and for a short time was known as the Senior Girls Honorary Sorority before changing its name to Alcor Honorary Sorority in fall of 1937. Members were chosen from female members of the junior class on the basis of scholarship, leadership, and service. Once chosen, they were “tapped” on the day of May Fete (May Fest/May Day), presented to the May Fete queen, and were pinned with a blue and gold ribbon. Alcor officially became the Alcor Chapter of the nationally known organization, Mortar Board, in April 1961. The chapter began accepting male members, as directed by the national organization, in 1975. Mortar Board was established in 1918 as a national honor society for outstanding college seniors. Mortar Board has historically selected as its members those persons who have demonstrated scholarship, leadership and service. Such recognition is not only a statement of achievement but also an affirmation of potential. Collection includes background information; clippings, 1950-1996; minutes, 1937-1949; scrapbooks, 1950-1955, 1959-1960; newspaper clippings; a history of Alcor written in 1949 which includes membership lists and the constitution; “Last Chance Talks/Last Lectures Series” lectures by Ion Agheana, Virginia Beard, David Clark, Jane Dickie (audiotape and digital), D. History

The original Alcor group was formed as a project by the Senior Girls Association (SGA) during the 1936-1937 school year, and for a short time was known as the Senior Girls Honorary Sorority before changing its name to Alcor Honorary Sorority in fall of 1937. Members were chosen from female members of the junior class on the basis of scholarship, leadership, and service. Once chosen they were “tapped” on the day of May Fete (May Fest/May Day), presented to the May Fete queen, and were pinned with a blue and gold ribbon. Alcor officially became the Alcor Chapter of the nationally known organization, Mortar Board, in April 1961. Mortar Board was established in 1918 as a national honor society for outstanding college seniors. Mortar Board has historically selected as its members those persons who have demonstrated scholarship, leadership and service. Such recognition is not only a statement of achievement but also an affirmation of potential. The preamble to the Mortar Board Constitution
states: We, the undersigned, recognizing the advantage of a national union of senior honor societies, do hereby unite to form a national society whose purpose shall be to facilitate cooperation among these societies, to contribute to the self-awareness of its members, to promote equal opportunities among all peoples, to emphasize the advancement of the status of women, to support the ideals of the university, to advance a spirit of scholarship, to recognize and encourage leadership, to provide service, and to establish the opportunity for a meaningful exchange of ideas as individuals and as a group.

The mortarboard is a symbol of ancient honor and distinction which carries certain and serious responsibilities. In early universities, students who adopted the clerical or monastic robes did so as a sign that they were devoting their lives to the profession of learning, in recognition of which they received certain privileges.
