HOPE COLLEGE reserves the right to matriculate students and to continue them in residence on the basis of its conclusions regarding the capacity of the student to do work of college grade and his fitness to live under the social conditions fostered on the campus. After a student has been admitted to residence, his withdrawal may be asked at any time and the College reserves the right of withholding its reasons for the request. These conditions are part of the contract between the College and the matriculant.

STUDENT ACTIVITIES

School Year.—The scholastic year of forty weeks begins on the third Wednesday in September, and ends with the general Commencement on the third Wednesday in June. The year is divided into two semesters.

The winter and spring vacations are fixed by the Faculty.

Advantages Offered.—Besides the advantages of location, easy communication, and inexpensive living, it is believed Hope College may justly call attention to equally important advantages of a very different nature. It is a chartered institution incorporated under the laws of the state and legally entitled to grant certificates and diplomas and to confer degrees.

Classes are sectioned and are of a size which permits the personal contact and acquaintance of each member of the Faculty with every student. This personal element is a factor of great educational value both morally and intellectually, and parents do well to consider it in making choice of an institution.

Hope College is not a local institution. Its students represent an extensive territory, extending east to New England and New York, and west to the Pacific Coast. The students in general possess a high order of ability and a laudable ambition to make their way in the world.

Religious Activities.—The program of each day begins with worship in the Memorial Chapel. The program is arranged by the Faculty Committee on Chapel and Public Program. Each student is expected to attend religious services on Sunday. Holland has eight congregations of the Reformed Church in America besides many other evangelical churches. Courses in Bible are required of each student in residence. Other courses in Religious Education are offered. The doors of the College are open to all who will submit to its regulations. As a Christian school it inculcates gospel truths and demands a consistent moral character and deportment.

Student Life and Organizations

The Young Men's Christian Association.—The Y.M.C.A. was organized in 1877 and continues to be a great blessing to the students. Meetings are held every Tuesday evening at 7:00 o'clock. The meetings are well attended and offer a splendid opportunity to secure Christian experience and growth.

The Young Women's Christian Association.—The Y.W.C.A. also meets every Tuesday evening at 7:00 o'clock. This Association is doing excellent work among the girls and is very diligent in its efforts to encourage and inspire Christian living among the young women.

The Association Union.—The Y.M.C.A. and the Y.W.C.A. co-operate to direct and administer the religious activities of the student body. Through this Union the students support the Hope Hostel at Madanapalle, S. India. This condition has naturally developed a deep interest in Christian Missions.

The Divinity Guild is an organization of young men who are looking forward to the work of the gospel ministry at home. This organization holds weekly meetings for mutual inspiration and the discussion of topics related to their prospective work. These meetings have proven to be very helpful.

The Student Volunteer Band is an organization of students, both men and women, who have dedicated their lives to the service of Christ on foreign fields. Weekly meetings are held, at many of which missionaries on furlough present the work abroad, speaking directly from their personal contacts with the foreign fields. By these weekly meetings, the fires of missionary enthusiasm are kept aflame, and a more intelligent outlook upon the work is gained. Hope College has a large number of graduates doing foreign missionary work, and is endeavoring to maintain its record.

SOCIETIES

The Literary Societies offer decided advantages to their respective members and materially aid in the attainment of the culture which it is the object of the College to promote.

The men's societies are as follows:—Fraternal, Emersonians, Knickerbockers, Cosmopolitans, Addison.

The women's societies are as follows:—Sorosis, Delphi, Dorian, Alethian, Sybelline.

The Inter-Society Council.—This council is composed of two members of each of the Literary Societies and one member of the Faculty. Its object is to act as a clearing house in all matters of common interest.

Pi Kappa Delta.—This is a non-secret national forensic group for those whose interests lie more largely along the lines of oratory and debate. Hope represents the Gamma Chapter.

The Ulfias Club.—This is an organization whose purpose is to study the literature and history of the Netherlandish peoples. It usually provides a public program during Commencement week.

The Science Club.—This is an association for the advancement of scientific study and research. Its membership is open to Instructors and students who are interested in the Natural Sciences.

The International Club.—This is a student organization whose purpose is the study of International problems and relationships.

MUSICAL ORGANIZATIONS

Students interested in music find abundant opportunity to gratify their desires through membership in one or more of the Musical organizations. These include the Chapel Choir, the Men's Glee Club, the Women's Glee Club, and the College Band.

The Glee Clubs under the leadership of Mrs. Grace Dudley Fenton have carried on their work with increasing success. Public performances are given locally and several concert trips have been made. These clubs have made an enviable name for themselves in the State contests.

The Chapel Choir is under the skilled leadership of Curtis W. Snow, the College Organist. The Choir of 70 voices sings regularly at the morning chapel services.

The College Band meets regularly under the direction of Professor Deckard Ritter.

ATHLETICS

Hope College is a member of the Michigan Intercollegiate Athletic Association, the other members of which are Alma, Albion, Hillsdale, Kalamazoo and Olivet. The association is governed by a Board of Directors and each College is represented on this board by one Faculty member and one student member. Hope College competes in all the intercollegiate sports and has won a reputation for clean and hard playing, and always maintains a creditable record in each of the sports. With the introduction of the General Activities Fee and the addition of another member to the Coaching Staff, splendid progress has already been made.

The Grace Marguerite Browning Scholarship in Music. A scholarship in music amounting to \$75.00 annually, and known as the Grace Marguerite Browning Scholarship, was founded in 1919 by Mrs. George M. It is awarded to a student who presents evidence of proper qualifications, talent and purpose.

The William J. Fenton Prize in Music. A scholarship in voice amounting to \$180.00 annually, is offered by Mrs. Fenton in memory of her husband, William Johnston Fenton. It will be awarded each year to the most promising voice among the men in the freshman class.

FEES, EXPENSES, ETC.

The aim constantly kept in mind is to provide at Hope College everything necessary to a broad, liberal education at the lowest possible cost consistent with educational facilities of the most modern and approved type, and with a life of refinement and culture. It is believed that nowhere else in a community as progressive as the city of Holland and vicinity, and in no college of equal standing with Hope College can a student live as inexpensively and as wholesomely.

Tuition and fees must be paid in advance at the beginning of each semester, and at least a substantial payment on room, board and other charges. Deferred payments must be arranged at the College Office where all financial arrangement must have been made before the student attends classes. No diploma, certificate, transcript, letter of honorable dismissal, or recommendation will be granted to students who have an unadjusted indebtedness to the College.

BOARD AND ROOM

The cost of rentals in private homes in the city varies. A limited number of rooms are provided for men students, and are rented at a cost barely covering the expense of light and fuel. There are twenty-six rooms in Van Vleck Hall, in the selection of which students looking toward the Christian ministry have the preference. These are unfurnished. Van Vleck Hall is heated by steam and lighted by electricity.

Complete accommodations are provided for women in Voorhees Hall. The building is capable of housing one hundred girls and is equipped in the most modern way in every detail. A special circular giving full details regarding accommodations at Voorhees Hall will be sent upon application to the Dean of Women.

All girls who do not live with their parents are required to consult the Dean of Women concerning their rooming places.

Accommodations for board are provided in the dining rooms at Voorhees Hall for both men and women. The price of board is \$5.00 a week. The home plan of regular meals at stated hours is at present followed; in this way one hundred students may be accommodated.

A tabular estimate of expenses is given herewith which does not include clothing and travel and all other costs incidental to a student's method of living, since these must necessarily vary with each individual. This estimate is based on living upon the campus.

COLLEGE:—Tuition	\$100.00
Activities Fee	10.00
Rent	70.00
Board	180.00
Books and Sundries.....	40.00
	<hr/>
	\$400.00

Laboratory fees are required in all courses in Sciences.
(See Special Fees.)

The above estimate is an answer to those who want to know how much money is absolutely needed. Of course, the expense of some of the students exceeds this amount; some, however, spend less. A number of our students earn enough money to pay their way through college.

Young people of noble aspiration but of limited means need not be discouraged. At Hope College they will find many like themselves, some of whom have come a great distance seeking an education. Such as these are in earnest, content with plain living, and, by practicing the economies possible in this place, succeed in keeping their expenses within very narrow limits.

The Committee on Student Welfare assists in obtaining proper housing accommodations and students are not permitted to remain in residence unless they occupy rooms which are on the approved list.

GENERAL ACADEMIC REGULATIONS

ENTRANCE

All applicants for admission to Hope College, not known to the administration, are required to submit testimonials of character. The college reserves the right to reject an applicant for admission.

Fifteen units are required for admission to the Freshman Class. A unit is defined as a year's work of five recitations per week (two laboratory hours shall be considered equivalent to one of class room work).

The following units, from List A, are required of all matriculants:—

List "A"

Foreign Language -----	2	Civics -----	1
Algebra -----	1	Laboratory Science (Phys-

The two units in Foreign Language must be taken in one and the same language. Likewise the unit in Science must be taken in one and the same science.

Of the remaining six units, three must be offered from the following List B. It is strongly advised that more than three be offered from this list; however the total number offered in any subject, including List A units, may not exceed the number indicated:—

LIST "B"

Three units only may be offered from the following but not more than one from any of them.

Agriculture

Manual Training

Home Economics

Creative Art

Commercial Branches

The above regulations for admission apply to graduates from schools approved by one of the regional accrediting associations or the State Universities. Such applicants as meet the requirements are admitted without examination and are immediately classified.

Applicants from other than the above designated institutions may, upon satisfactory evidence either from school authorities or by examination, be tentatively admitted. Permanent classification will be withheld until student has demonstrated ability to carry the work satisfactorily.

Applicants who offer a sufficient number but lack one required unit, or fall one short, of the required number may tentatively be admitted, but shall be required to make up the deficiency during the Freshman Year.

Advanced standing will be given to such applicants as offer credits from a regularly accredited college, accompanied by a letter of honorable dismissal from the institution last attended. The administration reserves the right to reject such courses as do not fit into the requirements of Hope College. Courses taken by correspondence will not be accepted.

(Applicants must send to the Registrar before entering, or bring with them when they come to enter, a transcript of their secondary school work. Failure to do this may cause serious misunderstanding in classification.)

RESIDENCE

While in residence the student shall pursue courses which shall meet the requirements in one of the following groups: Business Administration, Classical, English, History, Latin, Mathematics, Modern Language, and Science.

In the following explanation a semester hour consists of one recitation or one three-hour laboratory period a week throughout eighteen weeks.

The following courses are required in all the groups as a minimum:

Biblical Literature.....	Three courses	-----	6 Sem. Hrs.
Evidences.....	One course	-----	4 Sem. Hrs.
Foreign Language.....	Four courses	-----	16 Sem. Hrs.
History.....	One course	-----	4 Sem. Hrs.
Psychology.....	One course	-----	4 Sem. Hrs.
Speech Arts.....	One course	-----	2 Sem. Hrs.
Rhetoric.....	Two courses	-----	6 Sem. Hrs.

In addition twenty-four semester hours shall be the minimum for a major in any of the above named groups; and the student must consult the department head in their major subject and the registrar as to prerequisites, related subjects and general group requirements for the course desired.

Beginning September, 1931, grades and quality points will be designated as follows:

Grade	Significance	Quality Points
A	Excellent	3 per Sem. Hr.
B	Good	2 per Sem. Hr.
C	Medium	1 per Sem. Hr.
D	Low	
E	Conditioned	
F	Failure	-1 per Sem. Hr.
I	Incomplete	

An "E" may be made up by examination and payment of an examination fee of one dollar within the first six weeks of the semester following the one in which the condition was received. When a condition has been removed the student receives a grade equal to a Pass and designated by "P." No quality point is to be given to a Pass. An "F" can not be made up except by repeating the course in class. An "I" is given only when circumstances do not justify giving a specific grade.

To be eligible for classification as a Sophomore a student must have to his credit 24 semester hours.

To be eligible for classification as a Junior, a student must have 60 semester hours.

To be eligible for classification as a Senior, a student must have 94 semester hours.

The normal student load is 16 semester hours. A student whose average grade is "B" will be allowed to take 17 or 18, but in no case will a student be permitted to take more than 19 semester hours.

Freshmen failing in two-thirds or more of their semester hours at the end of their first semester will be required to withdraw for one semester. Freshmen at the end of the second semester, and all other students at the end of either semester, failing in one-half or more of their work will be requested to withdraw for one semester.

GRADUATION

One hundred twenty-six semester hours and 126 quality points and the required number of hours in Physical Education, are the requirements for graduation. The academic credit must cover the required courses and semester hours in one or other of the course groups listed above.

No degree will be conferred upon anyone who has not spent his Senior Year at Hope College.

Graduation honors will be conferred according to the following regulations.
